TIRUVANNAMALAI TALUK.**

1. SITUATION. This village is situated about 22 miles west of Tiruvannamalai.

The area prior to Settlement was, omitting fractions 1,996 acres; by Settlement it is, 1,476 acres; decrease 420 acres.

3. It must be distinctly borne in mind that a deduction of 20 per cent. has been made from the gross produce on account of unfavourable seasons and on account of many roads, channels, banks, paths, &c., that may have been measured in with the cultivated area. The fact of the inclusion, therefore, of any Government Poramboke in any survey field, does not confer on the cultivator of that field the right of entering on such Poramboke, or of in any way interfering with it, and any unauthorised encroachment on such Poramboke will be severely dealt with. This applies to both Government and Inam lands; Survey excess to the extent of 10 per cent. being allowed free, in respect to Inams, under Board's Circular No. 127.

4. DEMARCATION. This village, as now formed by Settlement, contains 5 Khaddams or sub-divisions and 156 Survey fields.

No new fields have been laid out since Survey.
