# DESCRIPTIVE MEMOIR OF VANIYANTANGAL OF THE TIRUVANNAMALAI TALUK.

---

1. **SITUATION.** This village is situated about 3 miles east of Tiruvannamalai.

2. **AREA.** The boundary of this village remains unchanged by Settlement.

The area prior to Settlement was, omitting fractions, 269 acres; by Settlement it is 243 acres; decrease 26 acres.

3. It must be distinctly borne in mind that a deduction of 20 per cent. has been made from the gross produce on account of unfavourable seasons and on account of any roads, channels, banks, paths, &c., that may have been measured in with the cultivated area. The fact of the inclusion, therefore, of any Government Poramboke in any survey field, does not confer on the cultivator of that field the right of entering on such Poramboke, or of in any way interfering with it, and any unauthorized encroachment on such Poramboke will be severely dealt with. This applies to both Government and Inam lands; Survey excess to the extent of 10 per cent, being allowed free, in respect to Inams, under Board's Circular No. 127.

4. **DEMARCATION.** This village, as now formed by Settlement, contains 1 Khandam or sub-division and 44 Survey fields.

No new fields have been laid out since Survey.

The demarcation marks erected and standing are:—

| Boundary Stations. | Division Stations. | Field Stones. |
|---|---|---|
| 14 | ... | 207 |

The village officers have given receipts for them and are now responsible for their upkeep.

5. **STATISTICS.** The Statistics of the village, as ascertained by the Census of 1,881, are as under:—

| Bazaars. | Houses. | Population. | Land Rentals as per Settlement. | Cattle. | Sheep. | Wells. |

| Source of Irrigation. | Quality. | Class assigned. | Details of Survey numbers comprising wet Ayacut. | Government Lands. Occupied. Area. | Assessment. | Unoccupied. Area. | Assessment. | Inam. Area. | Assessment. |

8. **FALING.** None.

No deduction for lift is made in the case of lands partly supplied by wells in the wet ayacut.

Lands irrigated solely by Doruvu, Iliface and Dasabandham wells, are not liable to any charge for second crop.
