Alphabetical No. 11.

Survey Map No. 15.

DESCRIPTIVE MEMOIR OF ARICHIPURAM OF THE MANNARGUDI TALUK.

1. **SITUATION.** This village is situated about 8 miles North of Mannargudi.

2. **AREA.** The boundary of this village remains unchanged by Settlement. The area prior to Settlement was, omitting fractions, 550 acres; by Settlement it is 536 acres; decrease 14 acres.

3. It must be distinctly borne in mind that a deduction of 15 per cent in the case of wet lands irrigated by rivers and river fall tanks and channels and 20 per cent in the case of all other wet and dry lands, has been made from the gross produce on account of unfavorable seasons and on account of any roads, channels, banks, paths, &c., that may have been measured in with the cultivated area. The fact of the inclusion, therefore, of any Government Peramboke in any Survey field does not confer on the cultivator of that field the right of entering on such Peramboke, or of, in any way, interfering with it, and any unauthorized encroachment on such Peramboke will be severely dealt with. This applies to both Government and Inam lands; Survey extends to the extent of 10 per cent, being allowed free in respect to Inams, under Board's Circular No. 127.

4. **DEMARICATION.** This village, as now formed by Settlement, contains 76 Khandams or Sub-divisions and 172 Survey fields.

No new fields have been laid out since Survey.

The demarcation marks erected and standing are:—

Boundary Stations.	Division Stations.	Field Stones.
25	2	1,254

The Village officers have given receipts for them and are now responsible for their upkeep.

5. **STATISTICS.** The Statistics of the village, as ascertained by the Census of 1891, are as under:—

Damars.	Houses.	Population.	Land Puttas as per Settlement.	Cattle.	Sheep.	Wells.
1	89	402	60	257	23	

8. IRRIGATION

[illegible]

Name of Crops.					Wet or Dry.	Area in Acres.
