

# DESCRIPTIVE MEMOIR OF VAKKARANALLUR OF THE MANNARGUDI TALUK.

1. **SITUATION.** This village is situated about 10 miles North-East of Mannargudi.

2. **AREA.** The boundary of this village remains unchanged by Settlement. The area prior to Settlement was, omitting fractions, 712 acres, by Settlement it is 712 acres; decrease 1 acre.

3. It must be distinctly borne in mind that a deduction of 15 per cent in the case of wet lands irrigated by rivers and river fed tanks and channels and 20 per cent in the case of all other wet and dry lands, has been made from the gross produce on account of unfavourable seasons and on account of any roads, channels, banks, paths, &c.; that may have been measured in with the cultivated area. The fact of the inclusion, therefore, of any Government Poramboke in any Survey field does not confer on the cultivator of that field the right of entering on such Poramboke, or of, in any way, interfering with it, and any unauthorized encroachment on such Poramboke will be severely dealt with. This applies to both Government and Inam lands; Survey excess to the extent of 10 per cent, being allowed free in respect to Inams, under Board's Circular No. 127.

4. **DEMARICATION.** This village, as now formed by Settlement, contains 3 Khardams or Sub-divisions and 196 Survey fields.

No new fields have been laid out since Survey.

The demarcation marks erected and standing are:—

| Boundary Stations. | Division Stations. | Field Stones. |

| 20                 | 24                 | 1225          |
