

DESCRIPTIVE MEMOIR OF OTTAKOVIL (KRISHNAPURAM) OF THE
UDAIYARPALAIYAM TALUK.

1. The Re-settlement was introduced into this village in Fasil 1304.
2. **SITUATION**.—This village is situated about 12 miles west of Udayar-Palaiyam.

3. **AREA**.—The area prior to Re-settlement was, omitting fractions, 4401 acres; by Re-settlement it is 4429 acres; increase 28 acres.

The present Re-survey village comprises the undermentioned villages, which up to 1895, formed separate villages.

Old village.	Corresponding re-survey numbers.
Ottakovil (Krishnapuram)	170 to 330.
Krishnapuram	150 to 169.
Kuttur	1 to 149.
Kallamedu	510 to 611.
Salaiyakurichi	337 to 515.

The areas under each description of land as per Revenue and Re-settlement accounts are given below:—

It must be distinctly borne in mind that in the re-classified and non-reclassified ~~lands~~ a deduction of 10 and 20 per cent respectively for wet and ~~dry~~ ~~lands~~ for dry has been made from the gross produce on account of unfavourable seasons and on account of any roads, channels, banks, palis, &c., that may have been measured in with the cultivated area. The fact of the inclusion, therefore, of any Government poramboke in any survey field does not confer on the cultivator of that field the right of entering on such poramboke or of in any way interfering with it, and any unauthorized encroachment on such poramboke will be severely dealt with.

4. **DEMARICATION**.—This village, as now formed by Re-settlement, contains—37 blocks or sub-divisions and 611 Re-survey fields. No new fields have been laid out since Re-survey.

The demarcation marks erected and standing are noted in the margin. The village officials have given receipts for them. The ryots are responsible for the maintenance of the survey marks. It is the duty of the village officers to prevent the destruction, injury or alteration of any survey mark and to report any such destruction, injury or alteration to the Revenue Inspector without delay.
