

DESCRIPTIVE MEMOIR OF IDINTAKARAI OF THE
NANGUNERI TALUQ.

Situation. This village is situated 25 miles south-east of Nanguneri.

Area. The areas given below have been merged in this village by Settlement.

No.	Name of Village.	Portion merged.	Area.		Remarks.
			Acres.	Cents.	
1	Portumand	Part.	683	41	An isolated fragment of a village forming the village of Mithakama.

The area prior to Settlement was, omitting fractions, 683 acres; by Settlement it is 567 acres; net increase by Settlement 184 acres.

It must be distinctly borne in mind that a deduction of 10 per cent. has been made in calculating the rates of assessment on all fields wet or dry, on account of any roads, channels, paths, banks, &c., that may have been measured in with the cultivated area. The fact of the inclusion, therefore, of any such Government poramboke, in any Survey field, does not confer on the cultivator of that field the right of entering on such poramboke, or of in any way interfering with it, and any unauthorised encroachment on it will be severely punished.

Demarcation. This village, as now formed by Settlement, contains three Kandams or sub-divisions, and 32 Survey fields.

The demarcation marks erected are:—

Boundary stones.	Off-sets.	Stones at corners of fields.
25	33	137

The village officers are now responsible for their upkeep.

The Statistics of the village, as ascertained by the Census of 1871, are as under:—

Houses.	Bamars.	Population.	Land Patahs as per Settlement.		Wells.		Cattle.	Sheep.
			Single.	Joint.	Old.	New.		
255	2	1,122	53	10	1	3	73	101

The average of the crops cultivated in Fash 1885, as per Carnam's accounts, is as under:—

Name of crop.		Irrigated or Dry.	Area in acres
Cotton	...	Dry.	7
Sand	...	..	50
Total...		...	57

The whole arable area of this village consists of dry lands on sand hills adjoining the sea and is assessed in Class X.

The following table exhibits the revised assessment of the village:—

Description of land.	Block.	Class.	Dry.					
			Area.		Amount.		Rate per acre.	
			Acres.	Cents.	Rs.	As.	Rs.	As.
Wet red sand.	...	X	430	88	79	0	0	3

Deducting fixed remissions only, the net average of the land assessment for the past five years is Rupees 84; by Settlement it is Rupees 79; total reduction, Rupees 5.

The former dry lands were sold at five annas, seven pice an acre, subject to a remission of three pice an acre as Stalankaval.

Palayars. 40-48 acres paid an assessment of Rupees 86 in Fash 1885.

These were classed as under:—

Cash.	Number.	Rate.		Amount in Rupees.
		Anna.	Pice.	
Paravani	...	...	5	3
Kattu	...	...	4	2
Olavetta	...	...	1	28
Total.	...	...	...	33

Besides these, there are 7,136 growing acacias that have hitherto paid no assessment. The charge for palayars growing on pattah lands and owned by the land-holders, has now been fixed at Rupees 33-12-0 per annum. The remaining trees on pattah lands owned by others than the land-holders, as well as all trees on Government waste, &c. are now chargeable at one anna each for Paravani, six pice each for Kattu and Kai, and three pice each for Olavetta. The seedlings on such lands will be charged for as they come to maturity. Such fields as are now free from tree-tax, will be free from all charge for trees grown during the term of the present Settlement.

Palayars are not to be planted on, or within the bank of any irrigation work belonging to the Government without the Collector's permission, and should the Collector think fit to cut the trees now growing on tank or channel banks, or on any other description of Government waste land, no claim for compensation on the part of the persons at present using such trees, on payment of an annual tree-tax will be attended to, but the assessment of all trees so cut will be deducted from the tree pattahs.

Restrictions. No lands have been specially set aside for this purpose; the cattle are grazed on the pattah lands and Government waste.

Building Site. Is sufficient for present requirements.

No pattah will be granted for cultivation within the limits of the Building site, and no new enclosure is to be made or new building erected without permission in future.

Notes. The Stalankaval deduction amounting to Rupees 3-2-0 has been resumed.

The following lands are held tax-free:—

No.	Names of landowners	Wet or dry, Single or double crop	Survey Area		Amount of land in cultivation				Total	
			Acres.	Cents.	Es.	A.P.	Es.	A.	Rs.	A.P.
