

DESCRIPTIVE MEMOIR OF KILA MALAIYANERI OF THE NANGUNERI TALUQ.

Situation. This village, the eleventh under the irrigation of Sivapaperian channel, is situated five miles south west of Nanguneri.

Area. The areas given below have been merged in this village by Settlement.

No.	Name of village.	Portion merged.	AREA.		Remarks.
			Acres.	Cents.	
1	Kila Malaiyaneri	All.	164	07	A small village adjoining Kila Malaiyaneri. A fragment of a village interspersed in the fields of Kila Malaiyaneri.
2	Settinadu	All.	56	75	
3	Puliyakurichi	Part.	22	80	
Total..		...	244	32	

The area prior to Settlement was, omitting fractions, 244 acres; by Settlement it is 250 acres; net increase by Settlement 16 acres.

It must be distinctly borne in mind that a deduction of 10 per cent. has been made in calculating the rates of assessment on all fields, wet or dry, on account of any roads, channels, paths, tanks, &c., that may have been measured in with the cultivated area. The fact of the inclusion, therefore, of any such Government poramboke in any Survey field, does not confer on the cultivator of that field the right of entering on such poramboke, or in any way interfering with it, and any unauthorized encroachment on it will be severely punished.

Demarcation. This village, as now formed by Settlement, contains one Kandam or sub-division and 105 Survey fields. The demarcation marks erected and standing are:—

Boundary stones.	Ofacts.	Stones at corners of fields.
25	44	232

These have all been inspected and the field stones have been sunk to the level of the ground. The village officers have given receipts for them, and are now responsible for their up-keep.

Census Statistics. The Statistics of the village, as ascertained by the Census of 1871, are as under:—

Houses.	Bazaars.	Population.	Land Pattahs as per Settlement.		Wells.		Cattle.	Sheep.
			Single.	Joint.	Old.	New.		
630	1	2614	26	7	3	...	241	39

Irrigation. This village is irrigated by a tank supplied by Agaliyattu Odai, a jungle stream receiving the surplus of the Nallamarankulam tank, and by the surplus channel of Kattuguttalai Mili Malaiyanerikulam supplied by the Sivalaperiyar channel. The situation and irrigation are both good. This village has accordingly been placed in the second group.

The revised area and assessment under each source of irrigation are as follows:—

No.	Name.	AREA.		ASSESSMENT.	
		Acres.	Cents.	Rs.	As.
1	Kili Malaiyanerikulam channel-fed tank	77	58	465	7

Kudi Maranai. The ryots have undertaken to keep the sluices clear of silt, to erect ring bands in front of breaches, and to clear the distributing channels when needed, at their own cost, as per separate statement.

Crops. The acreage of the crops cultivated in Fasli 1285, as per Curman's accounts, is as under:—

Name of crop.	Irrigated or dry.	Area in acres.
Rice, 1st crop	Irrigated.	67
Cotton		12
Palms	Dry.	16
Sami		9
Total		37
Grand Total		105

Settlement. The entire irrigated area of this village is assessed in Class V. The lands supplied by Government wells are assessed in Class III, dry, and the dry lands in Class IX.

The following table exhibits the revised assessment of the village. No lands have been compounded for as permanent double crop:—

Description of land.	Block.	IRRIGATED.						Dry.					
		Class.	Area.		Amount.		Rate per acre.	Class.	Area.		Amount.		Rate per acre.
			Acres.	Cents.	Rs.	As.			Acres.	Cents.	Rs.	As.	
Ordinary red loam	...	V	77	58	465	7	6	...	...	...	...	...	...
Garden	...	...	...	...	...	...	...	III	...	50	1	3	2
Wet red sand	...	...	...	...	...	...	...	IX	99	98	25	9	4
Total	...	...	77	58	465	7	...	...	100	48	26	12	...

Deducting fixed remissions only, the net average of the land assessment for the past five years is Rupees 692; by Settlement it is Rupees 492; total reduction Rupees 110. The former wet land assessment was calculated on the village average (Mottasaraari) which was Rupees 7-4-3 an acre for a single crop (Peshnam), and Rupees 8-10-1 an acre for a second crop (Kar). The former commutation rate was Rupees 2-14-7 per grain cotta of five bushels for both Peshnam and Kar paddy. The dry lands were held at four annas, eleven pie an acre, subject to a remission of one anna, one pie an acre as Chinturbagan, and of three pie an acre as Stalamkaval.

Palmyras. 1,527 trees paid an assessment of Rupees 45 in Fasli 1285.

These were classed as under:—

Class.	Number.	Rate.		Amount in Rupees
		Annas.	Pice.	
Palmvams	548	6	10	25
Katta	554	0	5	14
Oliveru	479	0	1	3
Total	1027	...	...	45

Besides these, there are 1073 growing seedlings that have hitherto paid no assessment. The charge for palmyras growing on pattah lands and owned by

the land-holders, has now been fixed at Rupees 23-7-0 per annum. The remaining trees on pattah lands owned by others than the land-holders, as well as all trees on Government waste, &c., are now chargeable at one anna each for Paruvam, six pice each for Kattu and Kai, and three pice each for Oleivetta. The seedlings on such lands will be charged for as they come to maturity. Such fields as are now free from tree-tax, will be free from all charge for trees grown during the term of the present Settlement.

Palmyras are not to be planted on, or within, the bank of any irrigation work belonging to Government without the Collector's permission, and should the Collector think fit to cut the trees now growing on tank or channel banks, or on any other description of Government waste land, no claim for compensation on the part of the persons at present using such trees on payment of an annual tree-tax will be attended to, but the assessment of all trees so cut will be deducted from the tree pattahs.

Samudayam sub-division. 1,106 palmyras held in common have been divided.

Pasturage. No lands have been specially set aside for this purpose; the cattle are fed on the pattah lands and Government waste.

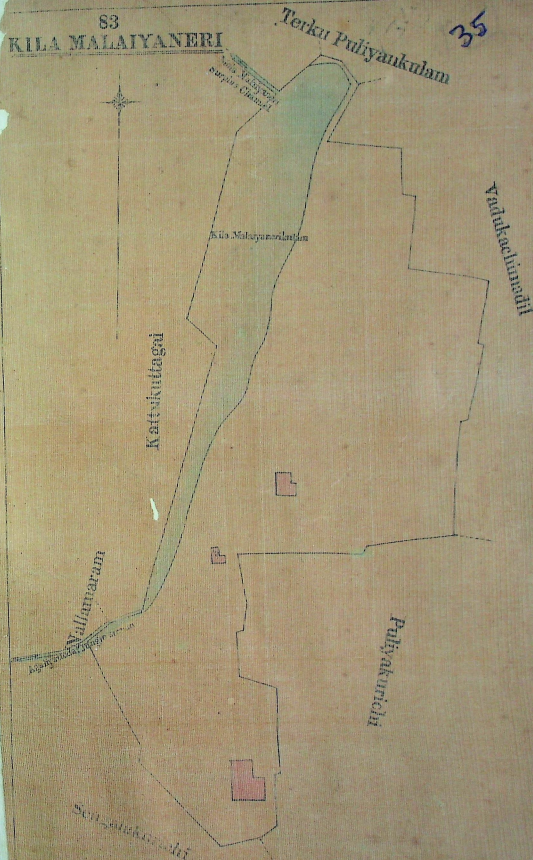

Building site. Is sufficient for present requirements.

No pattah will be granted for cultivation within the limits of the Building site, and no new enclosure is to be made or new building erected without permission in future.

Taxes. The Chaturagaram and Stalamikaval deductions, amounting to Rupees 2-14-4 and Rupees 1-2-0, have respectively been resumed.

T. VENKATACHARIYAR,
Special Assistant to Collector.
