No. 186  
 DESCRIPTIVE MEMOIR OF PAPPANKULAM OF THE  
 NANGUNERI TALUQ.

SITUATION

This village is situated 7 miles east of Nanguneri.

AREA.

The boundary of this village remains unchanged by Settlement.

The area prior to Settlement was, omitting fractions, 1,083 acres; by Settlement it is 1,183 acres, net increase by Settlement 97 acres.

It must be distinctly borne in mind that a deduction of 10 per cent. has been made in calculating the rates of assessment, on all fields, wet or dry, on account of any roads, channels, paths, tanks, &c., that may have been measured in with the cultivated area. The fact of the inclusion, therefore, of any such Government poramboke in any survey field does not confer on the cultivator of that field, the right of entering on such poramboke or in any way interfering with it, and any unauthorized encroachment on it will be severely punished.

DEMARCAION

This village, as now formed by Settlement, contains 5 Kandaiss or sub-divisions and 436 survey fields.

The demarcation marks erected are :—

| Boundary stones. | Offsetts. | Stones at corners of field. |
|------------------|-----------|-----------------------------|
| 27               | 113       | 1,068                       |

The village officers are now responsible for their up-keep.

Deducting fixed remissions only, the net average of the land assessment for the past five years is Rs. 967, by Settlement it is Rs. 768, total reduction Rs. 199. The former wet land assessment was calculated on the village average (Mottasarsari) which was Rs. 9-10-0 an acre for a single crop (Peshnam) and Rs. 4-13-0 an acre for a second crop (Kar). The former commutation rate was Rs. 2-14 8 per gram cottah of five bushels for both Peshnam and Kar paddy.

The dry lands were held at three annas three pice an acre subject to a remission of ten pice an acre as Chaturbagam.

PALMYRAS 7,908 trees paid an assessment of Rs. 237 in Fasli 1255. These were classed as under:—

| Class.        | Number. | Rate.  |       | Amount in Rupees. |
|---------------|---------|--------|-------|-------------------|
|               |         | Annas. | Pice. |                   |

| Total..       | 7,908   | ...    | ...   | 257               |

Besides these, there are 12,285 seedlings that have hitherto paid no assessment. The charge for palmyras growing on pattah lands and owned by the land-holders, has now been fixed at Rs. 123-3-0 per annum. The remaining trees on pattah lands owned by others than the land-holders, as well as all trees on

Government waste, &c., are now chargeable at one anna each for Peruvam, six pice each for Katir and Kai, and three pice each for Olavettu. The seedlings on such lands will be charged for as they come to maturity. Such fields as are now free from tree-tax, will be free from all charge for trees grown during the term of the present Settlement.

Pahuyras are not to be planted on, or within, the bank of any irrigation work belonging to Government without the Collector's permission, and should the Collector think fit to cut the trees now growing on tank or channel banks, or on any other description of Government waste land, no claim for compensation on the part of the persons at present using such trees on payment of an annual tree-tax will be attended to, but the assessment of all trees so cut will be deducted from the tree pattahs.

SAMUDAYAM SUB-DIVISION. 812 palmyras are still held in common the parties concerned being unable to agree to division.

**PASTURAGE.** No lands have been specially set aside for this purpose; the cattle are fed on the pattah lands and Government waste.

**BUILDING SITE:** Is sufficient for present requirements. No pattah will be granted for cultivation within the limits of the building site, and no new enclosure is to be made or new building erected without permission in future.

MAJES. The Chaturbagam deduction amounting to Rs. 39-3-0, has been resumed.
