No. 157

DESCRIPTIVE MEMOIR OF PERUMANAL OF THE
NANGUNERI TALUQ.

This village is situated twenty two miles south-east of Nanguneri.
The lands given below have been merged in this village by Settlement.

Name of Village,	Area	Remarks	
		Acres	Cents
Perumanal	229	45	

The area of the village, containing fractions, 229 acres; by Settlement it is 10 acres less & 45 cents by Settlement 23 acres.

It must be distinctly borne in mind that a deduction of 10 per cent has been made in calculating the rates of assessment on all fields, wet or dry, on account of any roads, channels, paths, banks, &c., that may have been measured with the cultivated area. The fact of the impregnation, therefore, of any such impurities, it permeates in any Survey field, does not count on the cultivation of the field the right of carrying on such permeation, or of in any way interfering with it, and any unauthorized encroachment will be severely punished.

The village, as now formed by Settlement, contains 1 Kandan or one-divisor, & 10 Survey fields.

The boundary marks erected are:—

Boundary marks	Other	Stones at corners of fields.
10	25	75

The village of Perumanal is responsible for their up-keep.

was 1.03; color 1-2; pH 8.5; sediment of Type 18 in Pash 1946.

160

It is not necessary to have a separate account within the bulk of any migration certificate for the Collector's permit, and should be shown as growing out of or change banks, if the same was free of charge for compensation, and should show such cases on permits of collection, but the introduction of all cases as a

... for this purpose; the result...

... require the

No patta will be granted for cultivation within the limits of the Building site, and no new enclosure is to be made or new building erected with permission in future.

Items. The Salamkaval Deductions amounting to Rupees 2-3-4 have remained.

The following lands are held tax free as:-
