DESCRIPTIVE MEMOIR OF KILA SADAIYAMANKULAM OF THE
NANGUNERI TALUQ.

Situation. This village is situated nine miles north-west of Nanguneri on the Taravai and Padmaneri branch of road No VI; "Palamcottah to Kallidakurichi."

It must be distinctly borne in mind that a deduction of 10 per cent. has been made in calculating the rates of assessment on all fields, wet or dry, on account of any roads, channels, paths, banks, &c., that may have been measured in with the cultivated area. The fact of the inclusion, therefore, of any such Government poramboke in any survey field does not confer on the cultivator of that field the right of entering on such poramboke or of in any way interfering with it, and any unauthorized encroachment on it will be severely punished.

Demarcation. This village, as now formed by Settlement, contains 2 Kandams or sub-divisions and 49 survey fields.
