

241

No. 80.

DESCRIPTIVE MEMOIR OF SALAIPUDUR OF THE NANGUNERI TALUQ.

Situation. This village, the eighth under the irrigation of the Sivalaperiyan channel is situated seven miles south-west of Nanguneri on road No. XVI Ambasamudram to Panagudi.

Area. A portion of the old village of Salaipudur now forms this new village.

The area prior to Settlement was, omitting fractions 230 acres; by Settlement it is 256 acres; net increase by Settlement 26 acres.

It must be distinctly borne in mind that a deduction of 10 per cent. has been made in calculating the rates of assessment on all fields, wet or dry, on account of any roads, channels, paths, banks, &c., that may have been measured in with the cultivated area. The fact of the inclusion, therefore, of any such Government peramboko in any Survey field does not confer on the cultivator of that field the right of entering on such peramboko or in any way interfering with it, and any unauthorized encroachment on it will be severely punished.

Demarcation. This village, as now formed by Settlement, contains one Kaudam or sub-division and 70 Survey fields. The demarcation marks erected and standing are:—

Boundary stones.	Offsets.	Stones at corners of fields.
27	53	142

These have all been inspected and the field stones have been sunk to the level of the ground. The village officers have given receipts for them, and are now responsible for their up-keep.

Census. The Statistics of the village, as ascertained by the Census of 1871, are as under:—

Houses.	Bazaars.	Population.	Land Pattas as per Settlement.		Wells.		Cattle.	Sheep.
			Single.	Joint.	Old.	New.		
115	4	402	2	2	4	5	200	100

Irrigation. This village is irrigated by a tank supplied by a branch of the Sivaperiyar channel from the first or Talai aicut on the Karumandipannamkall. The situation and irrigation are both fair. This village has accordingly been placed in the second-group.

The revised area and assessment under each source of irrigation are as follows:—

No.	Name.	AREA.		ASSESSMENT.	
		Acres.	Cents.	Rs.	As.
1	Saligudakulam channel-fed tank ...	114	83	950	7

Kul Taramat. The Ryots have undertaken to keep the sluices clear of silt, to erect ring bunds in front of breaches, and clear the distributing channels, when needed, at their own cost, as per separate Statement.

Crops. The acreage of the crops cultivated in Fasli 1285, as per Curman's counts, is as under:—

Name of crop.	Irrigated or dry.	Area in acres.
Rice, 1st crop ...	Irrigated.	91
2nd do. ...	...	12
Cotton ...	Dry.	5
Pileet ...	...	25
Rami ...	...	9
Plantains ...	...	4
Total ...	...	56
Grand Total ...	...	145

Settlement. Commencing from the north block A, consisting of most of the irrigated area in the village comprising Nos. 9 to 37, 42, 43, 48 to 51, 53, 54, 57 to 61 is assessed in Class IV; included in A, block B, centrally situated, compounded for as permanent double crop comprising Nos. 38 to 41, 44 to 47, 52, 55, 56 is also assessed in Class IV. The lands supplied by baling from the tank are assessed at half the rate assigned to the block in which they are situated. The dry lands are all assessed in Class IX.

The following table exhibits the revised assessment of the village. Block B, has been compounded for as permanent double crop at 1 additional to the single crop assessment in Class IV.

Description of land.	Block.	Class.	IRRIGATED.						DRY.					
			Area.		Amount.		Rate per acre.		Area.		Amount.		Rate per acre.	
			Acres.	Cents.	Rs.	A.	Rs.	A.	Acres.	Cents.	Rs.	A.	Rs.	A.
Good red loam ...	A	IV	82	27	616	15	7	8	...	...	...	...	...	...
Do. ...	B	IV	32	3	320	5	10	0	...	...	...	...	...	...
Baling ...	...	...	59	2	0	...	...	...	...	...	...	...	...	...
Wet red sand ...	...	...	...	...	...	...	...	IX	78	27	19	15	0	0
Total ...	...	...	114	83	950	7	...	...	78	27	19	15	...	...

Deducting fixed remissions only the net average of the land assessment for the past five years is Rupees 1,204; by settlement it is Rupees 950; total reduction Rupees 345. The former wet land assessment was calculated on the village average (Mottasarsar) which was Rupees 11-6-6 an acre for a single crop (Pesharam) and Rupees 11-6-7 an acre for a second crop (Kar). The former commutation rate was Rupees 2-14-9 per grain scotch of five bushels for Pesharam and Kar paddy.

The dry lands were held at five annas and one pie an acre subject to a remission of one pie an acre as Salankaval.

Palmyras. 1934 trees paid an assessment of Rupees 56 in Fasli 1285.

These were classed as under:—

Class.	Number.	Rate.		Amount in Rupees.
		Annas.	Pies.	
Paravam ...	677	0	10	36
Katse ...	388	0	5	19
Chervatta ...	680	0	1	4
Total ...	1,954	...	...	56

Beside these, there are 151 growing seedlings that have hitherto paid no assessment. The charge for palmyras growing on pattah lands and owned by the land-

holders, has now been fixed at Rupees 27-11-0 per annum. The remaining trees on pattah lands owned by others than the land-holders, as well as all trees on Government waste, &c., are now chargeable at one anna each for Paruvam, six pice each for Kattu and Kai, and three pice each for Otaivetta. The seedlings on such lands will be charged for as they come to maturity. Such fields as are now free from tree-tax, will be free from all charge for trees grown during the term of the present Settlement.

Paluyras are not to be planted on, or within, the bank of any irrigation work belonging to Government without the Collector's permission, and should the Collector think fit to cut the trees now growing on tank or channel banks, or on any other description of Government waste land, no claim for compensation on the part of the persons at present using such trees on payment of an annual tree-tax will be attended to, but the assessment of all trees so cut will be deducted from the tree pattahs.

Pasturage. No lands have been specially set aside for this purpose, the cattle are fed on the pattah lands and Government waste.

Buildings. No. 10 AB has been added to the building site.

No pattah will be granted for cultivation within the limits of the building site, and no new enclosure is to be made or new building erected without permission in future.

Taxes. Dupati Maniyam and Stalamkaval deductions amounting to Rupees 2-15-7 and Rupees 0-8-5 respectively have been resumed.

T. VENKATACHARIAR,
Special Assistant to Collector.
