

105

No. 134

DESCRIPTIVE MEMOIR OF SRIRAMANKULAM OF THE NANGUNERI TALUQ.

SITUATION. This village, is situated 8 miles south-east of Nanguneri.

AREA. The boundary of this village remains unchanged by Settlement.

The area prior to Settlement was, omitting fractions, 443 acres; by Settlement it is, 480 acres; net increase by Settlement 37 acres.

It must be distinctly borne in mind that a deduction of 10 per cent. has been made in calculating the rates of assessment, on all fields, wet or dry; on account of any roads, channels, paths, banks, &c., that may have been measured in with the cultivated area. The fact of the inclusion, therefore, of any such Government poramboke in any survey field, does not confer on the cultivator of that field the right of entering on such poramboke, or of in any way interfering with it, and any unauthorized encroachment on it will be severely punished.

DEMARICATION. This village, as now formed by Settlement, contains 2 Karams or sub-divisions, and 145 Survey fields.

The demarcation marks erected are:—

Boundary stones.	Off-sets.	Stones at corners of fields.
17	40	262

The village officers are now responsible for their up-keep.

CENSUS STATISTICS. The Statistics of the village, as ascertained by the Census of 1871, are as under:—

Houses.	Bazar.	Population.	Land Pottahs as per Settlement.		Wells.		Cattle.	Sheep.
			Single.	Joint.	Old.	New.		
23	...	101	14	6	1	3	32	205

This village is irrigated by a rain-fed tank and by baling from a spring. The situation and irrigation are both indifferent. This village has accordingly been placed in the third group.

The revised area and assessment under each source of irrigation are as follows:—

Name.	Area.		Assessment.	
	Acres.	Cents.	Rs.	As.
Srinanankulan rain-fed tank	53	4	261	8
Baling from Uruu (spring)	5	94	7	7
Total ...	63	98	268	16

THE MARA MAT. The ryots have undertaken to keep the sluices clear of silt, to erect ring bunds in front of breaches, and to clear the distributing channels and the drainage channels, when needed, at their own cost, as per separate statement.

1885. The acreage of the crops cultivated in Fasil 1285, as per Curram's accounts, is as under :—

Name of crop.	Irrigated or dry.	Area in acres.
Rice, 1st crop	Irrigated.	33
Cotton	Dry	18
Palms		10
Sisal		12
Vanilla		12
Total.....		52
Grand Total...		85

SETTLEMENT. The entire area under Sriramankulam a rain-fed tank is assessed in Class VI. The lands supplied by baling from Urani spring are assessed at half the nunjah rate assigned to Class IX. The dry lands are assessed in Classes VI and IX.

The following table exhibits the revised assessment of the village:—

Description of land.	Block.	Class.	Irrigated.						Dry.						
			Acres.		Amount.		Rate per acre.		Class.	Acres.		Amount.		Rate per acre.	
			Acres.	Cents.	Rs.	A.	Rs.	A.		Acres.	Cents.	Rs.	A.	Rs.	A.
Bainfed single crop	...	VI	53	4	261	3	4	5	...	...	...	...	...	...	...
Baling	...	...	5	94	7	7	...	...	...	...	...	...	...	...	...
Ordinary red loam	...	...	...	...	...	...	...	...	VI	19	2	14	4	...	12
Worst red sand.	...	...	...	...	...	...	...	...	IX	144	60	36	3	...	4
Total.	...	...	53	98	263	10	...	...	...	163	52	50	7	...	...

Deducting fixed remissions only, the net average of the land assessment for the past five years is Rupees 273; by Settlement it is Rupees 319; total increase Rupees 47. The former wet land assessment was calculated on the village average (Mottasarrati) which was Rupees 5-9-2 an acre for a single crop (Peshnam) and Rupees 10 15-0 an acre for a second crop (Kar). The former commutation rate was Rupees 2-12-7 per grain cottah of five bushels for both Peshnam and Kar paddy.

The dry lands were held at three annas four pice an acre, subject to a remission of ten pice an acre as Chaturbagam.

PAMYRAS. - 2,180 trees paid an assessment of Rupees 68 in Fash 1285.

These were classed as under :—

Class.	Number.	Rate.		Amount in Rupees.
		Annas.	Paisas.	
Purraam ...	777	...	10	42
Katru and Kai ...	815	...	5	22
...	298	...	1	4
Olarattu ...	...	...	...	...
Total ...	2,130	...	...	65

Besides these, there are 4,582 growing seedlings that have hitherto paid no assessment. The charge for palmyras growing on pattai lands and owned by the land-holders, has now been fixed at Rupees 17.5-0-0 per annum. The remaining trees on pattai lands owned by others than the land holders, as well as all trees on Government waste, &c., are now chargeable at one anna each for

Paravara, six pice each for Katra and Kai, and three pice each for Oliveveta. The seedlings on such lands will be charged for as they come to maturity. Such fields as are now free from tree-tax, will be free from all charge for trees grown during the term of the present Settlement.

Palmyras are not to be planted on, or within, the bank of any irrigation work belonging to Government without the Collector's permission, and should the Collector think fit to cut the trees now growing on tank or channel banks, or on any other description of Government waste land, no claim for compensation on the part of the persons at present using such trees on payment of an annual tree-tax will be attended to, but the assessment of all trees so cut will be deducted from the tree pattahs.

RAMBATHAM SUB-DIVISION. 180 acres of land and 996 palmyras are still held in common, the parties concerned being unable to agree to division.

PASTURAGE. No lands have been specially set aside for this purpose; the cattle are fed on the pattah lands and Government waste.

BUILDING SITE. Is sufficient for present requirements.

No pattah will be granted for cultivation within the limits of the building site, and no new enclosure is to be made or new building erected without permission in future.

AMEND. The Chataibagam deduction amounting to Rs. 6-1-3 has been resumed.

The following lands are held on favourable terms:—

No.	Name of Landholder.	Wet or dry.	Single or double crop.	Survey area.		Amount of rent.		Amount of crop set aside for a permanent crop.	Total.		Remarks.
				Acres.	Cents.	Rs.	A. P.	Rs.	A.	P.	
1	Srikrishna Aiyangar and three others	W	1	7	70	31			31		This area is that included in the Kuan Samad. The cultivation of a second crop in the double crop field will not be compensated for. A permanent double crop will be charged with field rent at the rate of 2 of the above assessment exhibited in the Settlement Register.

T. VENKATACHARIYAR,

Special Assistant to Collector.

SR 1894.
