DESCRIPTIVE MEMOIR OF THE HILLSIDE OF THE OTTAPOGAM CREEK

SITUATION. This village stands on a high south-west of Ottapogam
A.M. The boundary of this village remains unchanged by Settlement.

The area prior to Settlement was 3,633 acres, by Survey
made it is 3,133 acres, increase by Settlement 471 acres.

It must be stated, however, that a reduction of 10 per cent. has been
made in estimating the rates of assessment on all lands, wet or dry, on account of
any rivers, channels, paths, bays, &c. that may have been measured in with the
estimated area. The fact of the inclusion, therefore, of any such Government
parcels in any survey field, does not confer, on the cultivator of that field, the
right of entering on such parcels, or of in any way interfering with it, and any
unauthorized encroachment on it will be severely punished.

DEMARCATORY. This village, now occupied by Settlement, contains 29 Kan-
gash or subdivisions and 1,377 survey acres. The demarcation marks erected
are standing well.

Boundary area.	Of the	Survey increase of 1842.
3,133	131	3,633

These facts of fact, in regard to the lands, have been made to the
level of the ground. The Village Officers have given receipts for them, and are now
responsible for their upkeep.

In assessing these communities only the land revenue paid in the past year is Rs. 3,995. The assessment of the other members of the village community was laid basis was calculated on the village average of 100 acres and was Rs. 6-6-7 an acre for the crops Paddy and Rice and 12 annas for the mixed crop (Kau). The former communities also pay Rs. 1,800 for each return of the population both Peshawar and Kori lands.

The des Ganga were Rs. 100 and Rs. 800 for the area.

PANWAR. The three villages assessment of Rs. 100 in 1863. These were classed as at that time.

Class	Males	Taxes	
		Amount	Area in Hectares
Chandia	100	100	100

Besides these there are 1,745 growing seedlings that have hitherto paid no assessment. The charge for planting the growing seedlings and given by the landholders has not been fixed at Rs. 15-12-1 per acre. The remaining trees on portion lands owned by others than the landholders, as well as all trees on Government waste, are now charged at one anna each for Peshawar, six paise each for Kori and Kori, and three paise each for Chandia. The seedlings on such lands will be charged for as they become mature. Such fields as are now free from trees will be free from charges for trees grown during the term of the present Settlement.

Panwar are not to be given any work, excepting to Government, when the collector's permission, and should the Collector think fit to let the trees now growing on the Government lands, or on any other lands of Government waste land, for sale for compensation on the part of the persons at present using such trees on payment of an annual tree tax will be extended to let the assessment of all trees so cut will be deducted from the tree payment.

SAMUDATAM. 30 acres of land held in common have been divided.

PASTURAGE. No lands have been specially set aside for this purpose; the cattle are fed on the portion lands and Government waste.

WATER. No sufficient for present requirements. No water will be granted for cultivation within the limits of the village, and no new water will be granted for building a canal without permission of the Government.

REMARKS. The Settlement Commission is now negotiating to let the land be returned.

The following table are held in the village.
