The area prior to Settlement was, omitting fractions 462 acres; by Settlement it is 454 acres; net increase by Settlement 50 acres.

It must be distinctly borne in mind that a deduction of 10 per cent. has been made in calculating the rates of assessment on all fields, wet or dry, on account of any roads, channels, paths, banks, &c., that may have been measured in with the cultivated area. The fact of the inclusion therefore of any such Government poramboke in any survey field does not confer on the cultivator of that field the right of entering on such poramboke or in any way interfering with it, and any unauthorised encroachment on it will be severely punished.

**DEMARCATIION.** This village, as now formed by Settlement, contains two Kandams or sub-divisions and 244 survey fields. The demarcation marks erected and standing are:

| Boundary Stones. | Offets. | Stones at corners of Fields. |
|------------------|---------|------------------------------|
| 32               | 101     | 704                          |

These have all been inspected and the field stones have been sunk to the level of the ground. The village officers have given receipts for them and are now responsible for their up-keep.

**CENSUS STATISTICS.** The statistics of the village, as ascertained by the Census of 1871, are as under:

| Houses. | Bazars. | Population. | Land Patials as per Settlement. |        | Wells. |      | Cattle. | Sheep. |
|---------|---------|-------------|---------------------------------|--------|--------|------|---------|--------|

Palmyras are not to be planted on, or within the bank of any irrigation work belonging to Government without the Collector's permission, and should the Collector think fit to cut the trees now growing on tank or channel banks, or on any other description of Government waste land, no claim for compensation on the part of the persons at present using such trees on payment of an annual tree-tax will be attended to, but the assessment of all trees so cut will be deducted from the tree pattahs.

**PASTURAGE.** No lands have been specially set aside for this purpose; the cattle are fed in the neighbouring villages.

**BUILDING SITE.** No. 239 B has been added to the building site. No pattah will be granted for cultivation within the limits of the building site, and no new enclosure is to be made, or new building erected without permission in future.

**INAMS.** The Dupati Maniyam and Kudivaram deductions amounting to Rs. 3-2-11; and Rs. 22-14-10 respectively have been resumed.
