

DESCRIPTIVE MEMOIR OF SENDIMANGALAM OF THE TINNEVELLY TALUK.

SITUATION. This village, the eleventh under the irrigation of the Tinnevelly channel, is situated three miles north of Tinnevelly, on the Odayarputti branch of road No. I, Palamcottah to Madura via Sattur.

AREA. The areas given below have been merged in this village by Settlement.

No.	Name of Village.	Portion merged.	AREA.		Remarks.
			Acres.	Cents.	
1	Sendimangalam	Part.	191	18	
2	Narayanampuram	Part.	6	27	Fragments of a village interspersed in the fields of Sendimangalam.
3	Nagaledai	All.	6	51	A small uninhabited village, within the boundaries of Sendimangalam.
TOTAL			203	96	

The area prior to Settlement was, omitting fractions, 204 acres; by Settlement it is 199 acres; not decrease by Settlement 5 acres.

It must be distinctly borne in mind that a deduction of 10 per cent. has been made in calculating the rates of assessment, on all fields wet or dry, on account of any roads, channels, paths, banks, &c., that may have been measured in with the cultivated area. The fact of the inclusion therefore of any such Government Poramboke in any Survey field does not confer on the cultivator of that field the right of entering on such Poramboke, or in any way interfering with it, and any unauthorized encroachment on it will be severely punished.

DEMARICATION. This village, as now formed by Settlement, contains one Kandam or Sub-division, and 131 Survey fields. The demarcation marks erected and standing are:—

Boundary stones.	Old ones.	Stones at corners of fields.
19	33	279

These have all been inspected and the field stones have been sunk to the level of the ground. The Village Officers have given receipts for them, and are now responsible for their up-keep.

CENSUS STATISTICS. The Statistics of the village, as ascertained by the Census of 1871, are as under:—

Houses.	Bamboo.	Population.	Land Pattaks as per Settlement.		Wells.		Cattle.	Sheep.
			Single.	Joint.	Old.	New.		
87	1	274	5	1	—	—	50	200

IRRIGATION. This village is irrigated by the Tinnevelly channel from the sixth aicut on the Tambraparni river, and by a tank fed by that channel. The situation and irrigation are both fairly good. This village has accordingly been placed in the second group.

The revised area and assessment under each source of irrigation are as follows:—

Name.	AREA.		ASSESSMENT.	
	Acres.	Cents.	Rs.	As.
Timberly channel	6	53	55	7
Sendungulch Kalam channel fall tank	1	93	10	15
Total...	8	53	65	4

ENHARAWAT. The ryots have undertaken to keep the sluices clear of silt, to erect ring bunds in front of breaches and to clear the distributing channels when needed, at their own cost, as per separate statement.

CHIT. The acreage of the crops cultivated in Fash 1282 as per Curium's accounts is as under:—

Name of crop.	Irrigated or Dry.	Area in Acres.
Rice, 1st crop	Irrigated.	6
2nd do.		1

CHUMBAT. The entire irrigated area of this village is assessed in Class IV.

The following table exhibits the revised assessment of the village. The whole of the irrigated area has been compounded for as permanent double crop at ½ additional to the single crop assessment in Class IV:—

Description of land.	Block.	Class.	IRRIGATED.					DRY.				
			Acres.	Cents.	Rupess.	Annas.	Paisas.	Acres.	Cents.	Rupess.	Annas.	Paisas.
Ordinary black land ..	IV	8	53	55	4	10						

Deducting fixed remissions only, the net average of the land assessment for the past five years is Rs. 73; by Settlement it is Rs. 85; total increase Rs. 12. The former wet land assessment was calculated on the village average (Mottasarsari) which was Rs. 8-8-0 an acre for a single crop (Peshanam), and Rs. 3-4-0 an acre for a second crop (Kar). The former commutation rate was Rs. 2-12-1 per grain cotah of five bushels for both Peshanam and Kar paddy.

PALMYRAE. 1,250 trees paid an assessment of Rs. 26 in Fash 1282. These were classed as under:—

Class.	Number.	RATE.		Amount in Rupees.
		Annas.	Paisas.	
Paruvam ..	1	1	3	12
Kattu and Kai ..	155	1		
Oleivetta ..	1,043		3	14
Total ..	1,250			26

Besides these, there are 678 growing seedlings that have hitherto paid no assessment. The charge for palmyras growing on pattah lands and owned by the landholders has now been fixed at Rs. 16-9-0 per annum. The remaining trees on pattah lands owned by others than the landholders, as well as all trees on Government waste, &c., are now chargeable at 1 anna each for Paruvam, 6 pice each for Kattu and Kai, and 3 pice each for Oleivetta. The seedlings on such lands will be charged for as they come to maturity. Such fields as are now free from tree tax will be free from all charge for trees grown during the term of the present Settlement.

Palmyras are not to be planted on, or within, the bank of any irrigation work belonging to Government without the Collector's permission, and should the Collector think fit to cut the trees now growing on tank or channel banks, or on any other description of Government waste land, no claim for compensation on the part of the persons at present using such trees on payment of an annual tree tax will be attended to, but the assessment of all trees so cut will be deducted from the tree pattahs.

FISHERY. The fishery of the tank is fixed at fifteen Rupees in the name of the Nellyapara and Kantimidi amthan abishega kathi.

PASTURAGE. No lands have been specially set aside for this purpose, the cattle are fed on Government waste.

ENCLOSURE. Is sufficient for present requirements. No pattah will be granted for cultivation within the limits of the building site, and no new enclosure is to be made without new building erected without permission in future.

TRANS. The following lands are held tax free on favourable terms:—

No.	Name of Inholder.	Wet or Dry.	Single or Double Crop.	Area.		Amount of gift rent.	Assessment compounded for a Settlement.		Total.	Remarks.
				Acres.	Cents.		Rupess.	Annas.		
1	Nellyapara level ..	Wet.	1	1	53					These areas are those included in the Item No. 3. The cultivation of a second crop on any single crop land and not compounded for an Settlement, will be charged with the gift in the case of 1 of the former assessment estimated in the Settlement Register.
2	Nirankam mottasarsari ..	Wet.	1	1	53					
3	Kattu level ..	Wet.	1	1	53					
TOTAL ..				102	10					

TINNEVELLY,
1874.

R. R. PUCKLE,
Collector.
