Sir

I have the honor to acknowledge the receipt of your letter No 240 bearing date the 1st Inst and in answer thereto, have to say, that any information which is within my power but as Lieutenant Colonel Moore commanded the Regiment, at the time of the late Engagement with Mr Red's Troops, and as he is now in Darlington District, but at the Head Qrs, I shall not attempt to account for the disposing and the absence of Lieut Colonel Moore referring to Lieut Colonel Commanding Published by Direction of the Governor. for it he will be able to furnish the information wanted personally upon Enquiry at his Quarters in Darlington District.

As it respects the Moore and Gardner affair which I understand widened Lieut Colonel Moore to leave the Regiment and the State, was, that the Officers of the 1st Regiment and all accommodated with Quarters and Provisions Brigade expecting to be found at this station when he was, for several days the Moore and

Garden might then be sold to more and advantage than it could have been at the time of the Intestates death.

The House is in very good repair and should you wish it to be disposed off be pleased to inform me to that effect.

The following is the nearest information of the Account Current which I can at present furnish you with Viz.t
