							I have received many claims to bring for the said sum of Rs 4,058. 10. 11 which includes an amount of Rs 1334 due by Lieutenant C.A. Langley / see below opposite to his name in the Secretary / and under the circumstances which have may be due by the said C. French, as shown to be due with interest at 12 per cent per annum The said C. French had previously assigned to me to secure what was due by him a private debt due to him by the said C.A. Langley amounting on 30th June 1828 to Byd Rs 3480.7a and on account of this debt there is still due by the said C.A. Langley a sum of Rs Rs 2930. 2. 10 with interest at 12 per cent - This is secured (as) partly by an Insurance in the Calcutta Laudable Society, and partly by Bond - It seems questionable whether there is not a further sum due by said C. French - Mr C. does not having objected to any claim against him that he acted under the said C. French's order. -
