At the foot of the Account Sale marked No. 2 (which was framed by certain Commissioners appointed by the Government to enquire into the Conduct of Mr. Frances Lascelles, who as Zillah Judge had the charge of this Estate) will be found several Articles which are no way accounted for in this Inventory or in the Account Current annexed and upon the Examination of the same Exhibit it will be found that for the ~~Examination~~ Articles purchased by Mrs. F. Lascelles a less price was given than their value - That Gentleman when called upon refused to make good the difference between the value and the price paid and also to account for the said Articles which are no way accounted for. The administrator was advised that having regard to the costs which in the event of any proceedings in Law or Equity must necessarily fall upon the Estate it was for the benefit of the Estate to acquiesce in the said refusal of Mr. Lascelles.
