I am &c

Your affect.

Thos. Blackburne

Lynn 26 May 1834

Dear Sir

I beg to trouble you with the above form of a Letter which I will thank you to Copy and address to your Brother on a Separate half sheet & send that he may deliver it to Messrs Nagg & Eyre to be deposited with the purchase deeds. You had better write it on that half sheet which will bear the superscription of the Letter and any private Communication you may make to your Brother can be written on the first & second sides & then be torn off and not shewn to any individual except your Brother.

Believe me, with every good wish Sincerely Yours

Fred Lane

Lynn 27th May 1834

My dear Brother

Before you receive this I hope you will have had my former letter in which I informed you of the Melancholy event of the death of our dear Father. He was buried in St Margaret Church yard on the 23d April in the same grave with My dear Mother.

My Father had last Christmas, as I also told you, sold the Estate which Comes jointly to us in right of the Marriage Settlement - in which Deed of Sale I signed for myself & you by virtue of your Power of

Attorney - And I will thank you to signify in the words Mr Lane has Copied for you /on the last sheet of your paper which will have the direction to me on the back/ your Consent to what I did in your Name & behalf - The sum for what the Estate sold was £3950 which is Considered a very fair price Messrs Hogg & Cyprs the purchasers and the Money Remains as lent upon the security of the Estate at 4½ per Cent & I wish they would let it remain but I fear they would ask for a Reduction of the interest in Consequence of the Reduction in our funds - I have sent your Copies of the Will Codicil & of the Trust Deed Conveying to the sole Interest in My Uncles Legacy The whole Amount of your Share of the property I may safely say will be Three Thousand pounds I would strongly recommend you not to touch the Capital but to be Contented with the Interest which would form a fund for you when you Come over to England which I hope you will do as soon as you Can I shall be rejoiced to see you & if you can I think you had better Come over at the end of ten years from the time you set sail - As I was afraid from your last Letter which I received about a Month back that you might be in want of some Money - I have ordered Messrs Fletcher Alexander & Co to pay for you to their House at Madras £100 for which you Can draw as you want it - But for fear this letter should not reach India first you had better write a Note to the House before you draw to know if they have received the order Sincerely hope you will give attention to what I said in My last Letter of the importance of making Religion your Concern for that alone Can bring a Man peace at the last hour Very dreadful was the death of Colonel Coombs and have Need-full in it to be always prepared -

You shall have some of My Mothers drawings but I think they had better be kept till you Come over for fear of being lost unless you particularly wish to have them sent then you have spared but I would recommend you not, as I hardly know besides which to choose for you - Moyle is married to Miss Wiley - I must now Conclude with the hope of your early reply and with many good wishes for your health & happiness -

I am
Dear Son
Yours very affectionate Brother
Jonathan Blackburne

P.S.

The large Shakespear which were promised to you by my Father shall be taken Care of &c.

One English Note of Hand granted by do. to do. dated 1st Novr. 1795 for _____ Do. Payt.	201	20

It appears that these four Sums ought to have been set off against the Sum of Star Pay.s 3/16,104/ in the Umpires Commissioners Award No 52 stated to have been paid by Rymat Khan to Ayen Chitty on account of the deceased. In the investigation of that claim Mr. William Hunt acted as the Agent of the deceased Estate and it appears the Note of hand for Pagodas 215 and the Bond for Pagodas 3,300 were brought to the Notice of the Commissioners but they do not appear to have been acted upon by them It is apprehended these debts are now desperate.—

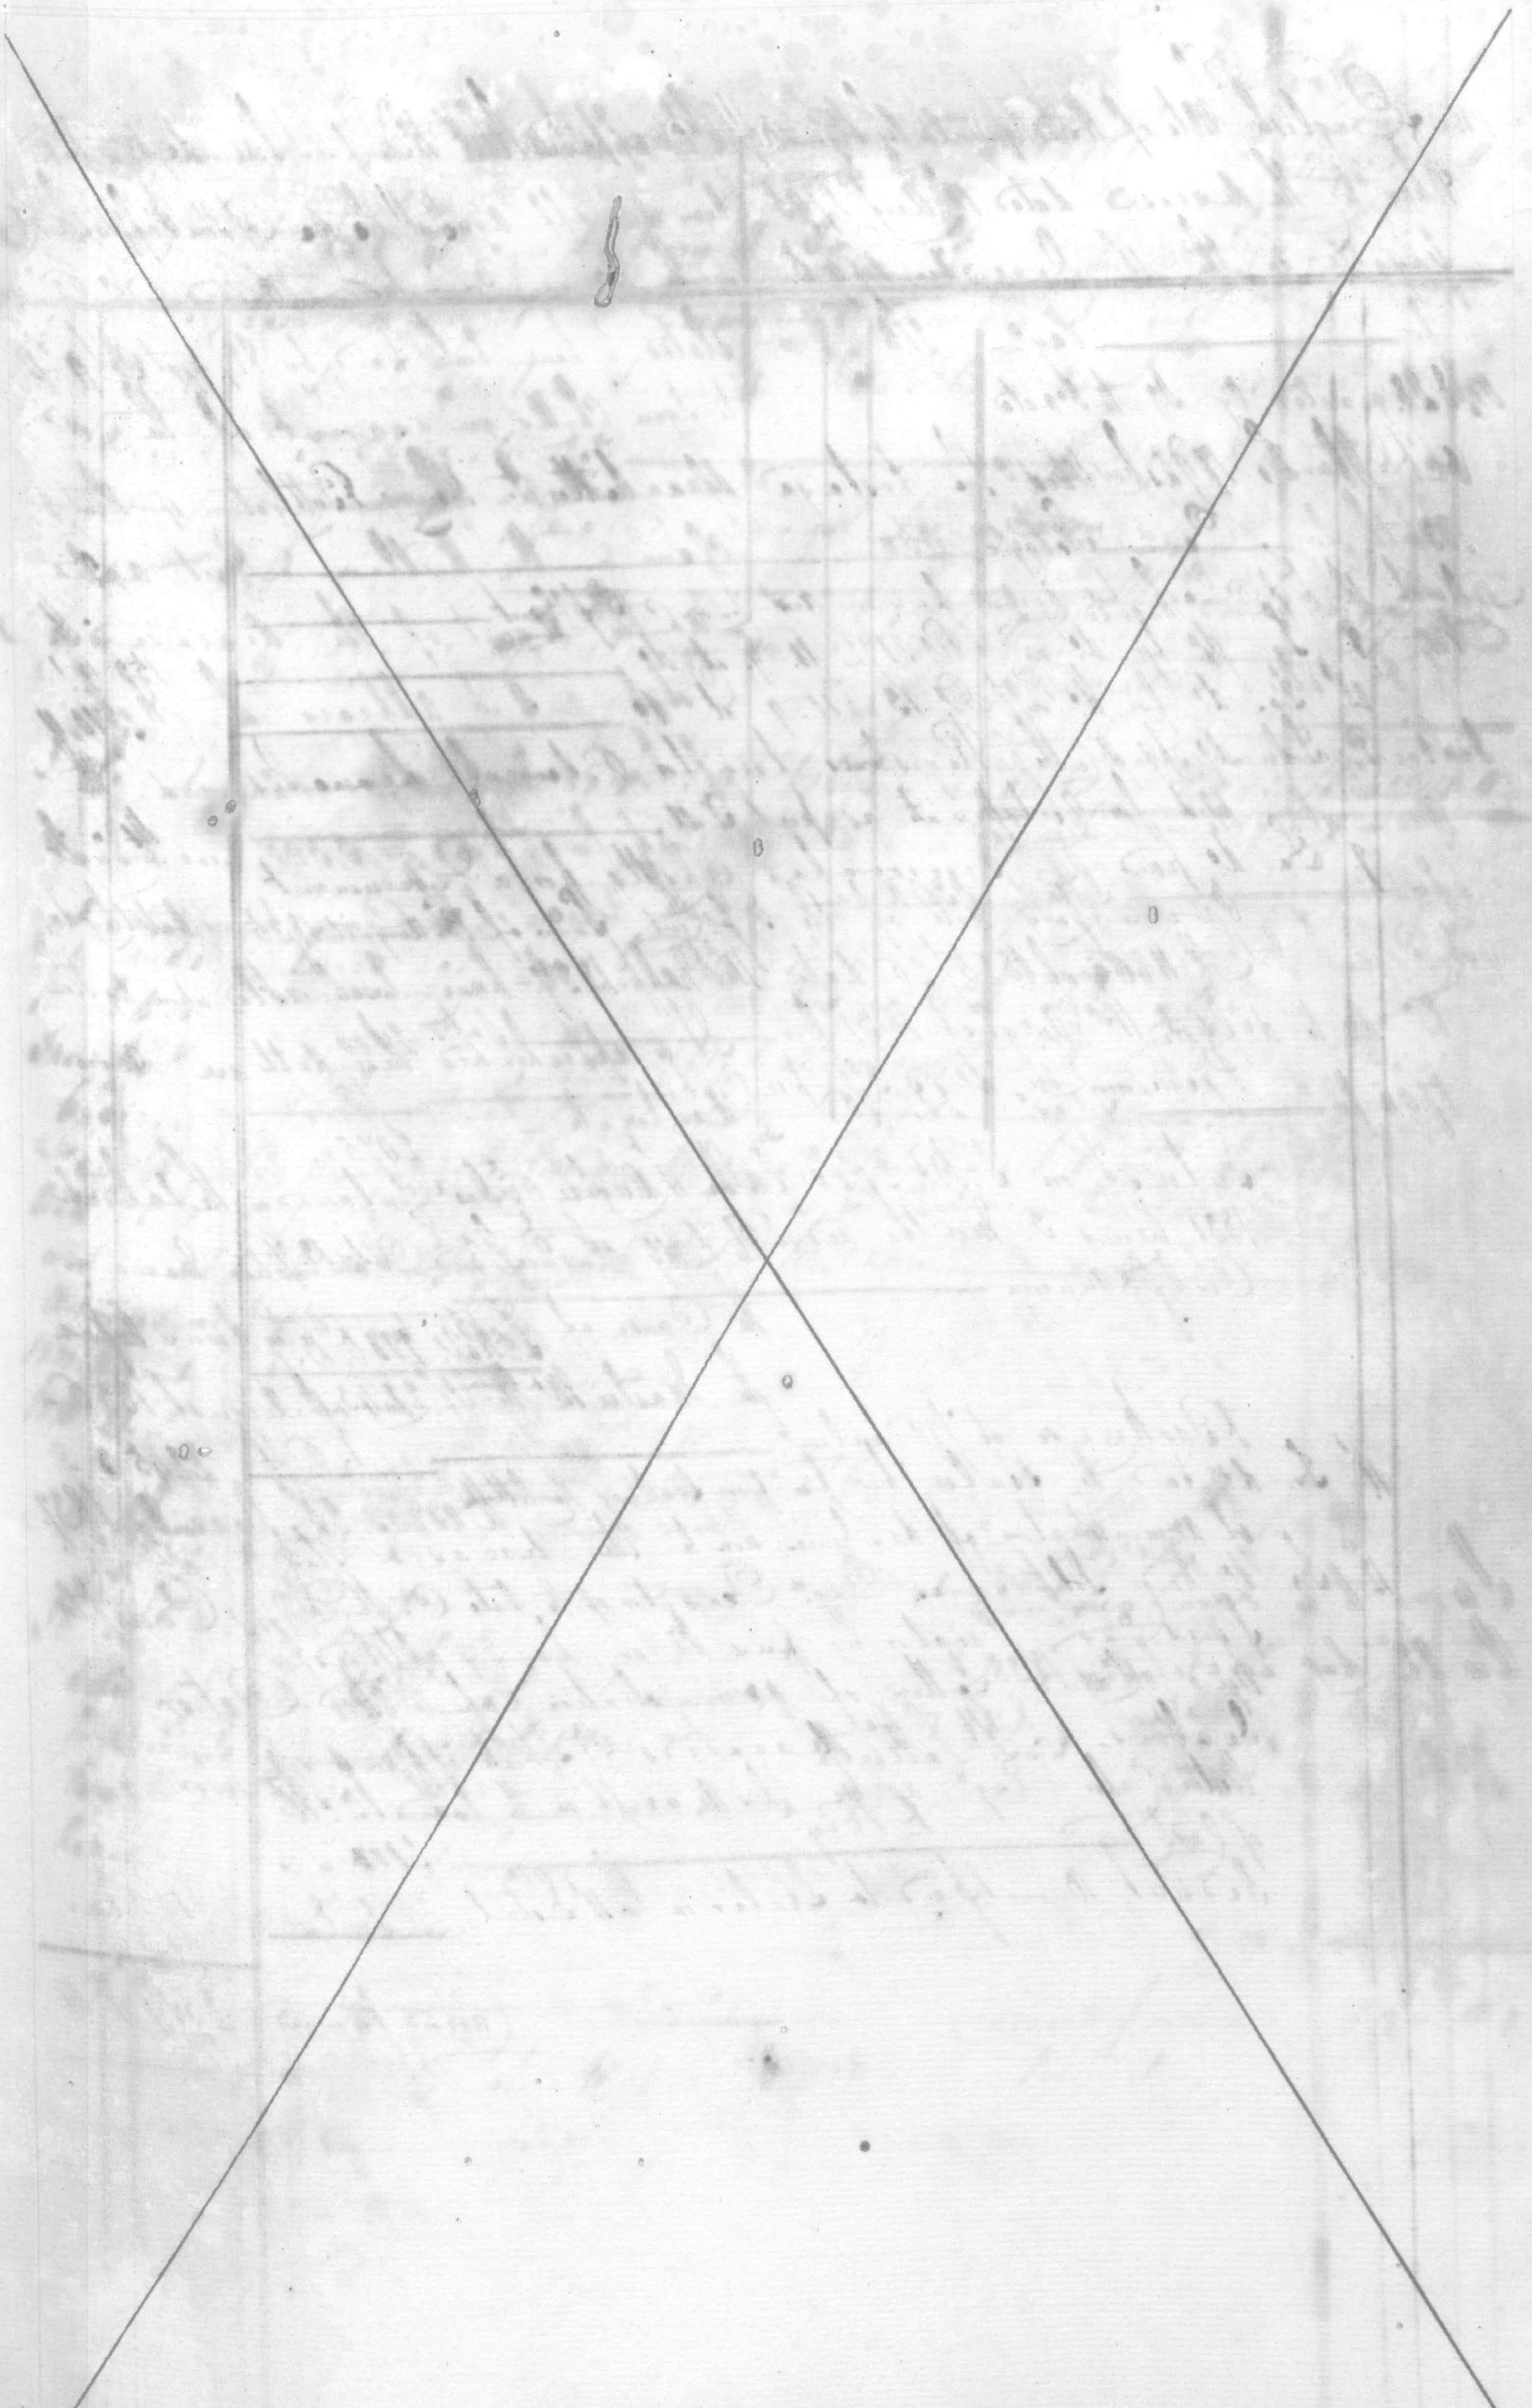

The above was Contained in the Schedule to My Answer and Examination Taken in the Cause of Taylor ~~test~~ Cator Sworn before the Master on the 4th day of August 1836.—
