Dear Sir –

I am much surprized after what I had written to your late brother & the repeated Messages I had sent by his writer Lutchmy Narraidoo regarding the two factories & Tonjohn, belonging to the late Mr. E. McDowell and the Dutch Companies Grant touching a Spot of Ground at Jaggernaikpooram belonging to Mr. Hart Esqre. Should be called upon again by you this the Mediem of the Tillah Court, the particulars of which is too well known to the names abovementioned the best way to satisfy yourself will be for you to give me a Call, and arrange this affair, the two Factories I have never received the Tonjohn has been broke by the fall of my Godown in the Storm of 1832 – all that I can do now is to Settle with you about the papers of the house which I shall be most happy to do whenever you may give me the pleasure of your visit.

I remain
Dear Sir
