P Thornton Chetty vs P Chinekinny Chetty.

Friday 24 August 1860. at One O'clock
On Warrant To Shew Cause why the Master should not proceed to prepare his draft Report in this Cause

Affts of Ptrs Lirs
Affts as on last Wt

Mr Shaw appld in terms of Wt
Mr Branson submitted that by decree Master is to take into consn the Accts to 30th only if Court find that there is anything due & then proceed to 31st
Mr Branson then said as follows ~~as to the~~ The construction he contends for is that Master is to take Accts only in the event of finding ~~that~~ a larger provision than for those Defts would be. The Decree does not provide for interim payments to those Defts & therefore if Master does not find that sum is required to be set by those Defts for the maintenance of their respective families it would be necessary.

Mr Shaw. The above is no cause why Dft should not be put to the trouble & expense of attending the Master pursuant to the decree. The above may properly come under Consn of attending the Master before giving Pltf the further time

Tuesday 18th September 1860 at 3 o'clock
On Warrant. To settle the draft Report in this Cause

Affts of Service &c.
Affts as on last Wt

The draft report partly settled.
Mr Shaw proposes to amend the State of facts by stating that the 2 Wos Money & Annuities bequeathed by the Testator to the Defts were received by the Pltf in Government Paper & not in Cash
Mr Branson consented & The amendment was made & the Pltf admits the facts to be as contained in that Amendment.

Mr Branson submitted his objection made on the 24th inst to the Pltf being allowed the 30 Rs per month for the maintenance of the Defts. that the Defts had been in possession of the Estate for many years & that the Master to take into account those payments & the facts. & that the affidavit in support of the application for the further time to be allowed to the Pltf to deal with the facts of the question should be confined to the facts
Therefore Mr Shaw consents to strike out the words of the draft

Mr Rawlinson in support of his next friend must be entitled, he
says, to costs out of the estate, which have been incurred, for that, he
says, costs must ordinarily, & have been ordered, from that, be
borne out of the estate out of which the same first arose, & that
same fund is liable in respect of the costs may have in pursuing matters
& defts is entitled to costs. Slater v Hankins

Mr Pitcher - Costs are in the discretion of the Court, but they are not
unlimited - costs may be refused, or limited, & the Court will
consider the circumstances of each case.

Mr Workman for Plt attends
Mr Shaw for Defts did not attend. On this letter
Mr Workman read his mit. made 10th July last (the entry) also evidence
in support of the Cor. of Plt taken 15 June 1860 & endorsed that
was at liberty to carry the Rs 2000 towards the last item
leaving Rs 994. 10. 1 due for principal & interest
int. to date of report. That the words "principal sum of the
mortge debt due to me from the defts" do not are not
restricted to principal alone but are large enough to admit
principal & Int. & whatever he might have claimed
to with the Rs 1000 on 15th Octr 1857 & not be heard
afterwards upon him with regard to the Rs 2000 /or
& that Engr of Plt report to his views.
The above words taken down from Mr Workmans dictation
I disallow the amendmt. made on 8th July, & hold that the Plt
elected to take from the Decree Rs 1000 on 2nd Dec. the bal. of
principal then due. There is no question that if principal &
Int. due & the D. make a payment generally on acct the Cr may
apply it to the Int. as contended for. His action against the Defts
afterwards & has nothing to do with the present case
but I take a view of the Plts bill & answers & that
for by Mr Workman. & to judge correctly of the effect
of the proofs before me when that Evidence was taken
I looked at the Plts Charge and left on the 25 line of
page 3 Plt admits rect of the Rs 1000 on the 15 of Octr 1857
of the principal, & claimed Rs 994. 10. 1 with Int. to 15th
with int. to 15th Octr 1859. On the 13th June 1860 the Plt altered
his charge by introducing in page 3 thus
Decr 1857 of Rs 1000" on acct of the bal of principal & interest
by striking out in the next para the words "the bal of principal & interest
"the bal of the Principal Sum of Rs 994. 10. 1 with" & introducing
(as shewn in red ink) & made the same read thus "the
on the Principal Sum of Rs 994. 10. 1
at the Rate aforesd to be computed from the 15th day of Octr
now last & owing to the Plt. & while in the next para
struck out the words "principal &" inserting over
leaving the para thus "the Plt therefore charges that there is
owing to him for
principal & interest under his
& in the shares of his claim

From Page 258

Mr Hutton Solr Gen - proposed to shew that Counsel duties must be performed by a Solicitor
& Solicitor under stated that it his object cannot refuse to take the oath however
and Sol proceeded.

Mr Hutton proposed further questions as to the legality of the last Act on the subject of the
Seal

Mr A.J. objected & referred to the objections taken on the 20th inst [to page 258]
for the reasons recorded at page 258 I allow the question & the objection
the Court has no knowledge with reference
to the Seal

Mr A.J. proposed to put a question as to the amount or Value of Stamped Article
Mr Brandon objected It is not competent to A.J. to discredit our party witness
by evidence tendered as a Writer by the Solr of this Court.

Mr A.J. The question does not go to the Record of Insolvent Court
Mr Brandon in reply.

The Court is inclined to think that the present question is merely as to
the fact but is further Order may be sent.

During the Recess

Mr Brandon proposed to ask Solr what a Solr can take for per Affidavit.

Mr A.J. objected. The point already decided on the question by Court & Mr Brandon
in Chief. It did not arise on Cross Exn.

Mr Brandon contra - the duties of the Insolvent Act have been framed by
A.J. & Brandon the fees & Items of the Tariff &c = Mr A.J. has also stated
that a Solicitor may not perform other duties -
for that other may not perform other duties -

Mr A.J. in Reply the Amount of Tariff

Mr Ry. in reply in white case.

Mr Jervis in reply on Mr Ry's rights - so far as they disputed the depts right to select Commissioners Lyk. Further affidt generally, that the Depdts by the subject matter of dispute, have both unobjectionable - but of the 2 Selected Depdts, one has property possessed, his past Experience in general business, whereas Mr Ry is more likely to disinterested, & Mr on seems principles should give the preference to a Depdt proposed by Mr Ry rather than to a Depdt proposed by one of Mr Ry. Looking however at the present Case, I feel convinced Selection as indifferent as if Selected a Ry who cannot go inside the Page but therefore be very much at the mercy of his Counsel in making out what of the Depdts affidts if taken proper of them; if any fraud were practised on the ground of intimidation, his inability to do otherwise than act this a Counsel to I cond it undesirable that select should be compelled to have recourse to assistance from the Litigant Parties. It was argued that Commissioners having once Page Sel for his own purposes ought to weigh with me and not be lightly overturned, I think otherwise, if has not been shewn I cond mind Commissioners acts if in any of it is not the duty of a Court to take the best means to ascertain - On the other side it was contended that if the rules of Mr Ry & Jervis are not precisely the same there are many of the duties of Commissioners that are similar those of a Surveyor; that would not be performed by one Solicitor, & that it was usual that a Referee would have to disburse moneys for the festival Cost &c that it should be inferred from the Order that the Court entrusted his duty to Mr I do not agree this view of the Case, beyond the mere duty of taking proper steps will by himself or a Jury

A Gofton's Chitty vs G. Estabrooks and Chitty

Thursday 9th March 1865 Continued

The propriety of such an allowance will depend on the amount of costs the Defendant must now be allowed. There must be one set of costs, that between the Plaintiff & Defendant, & when that the Taxation of the Costs is to be proceeded with the Defendant added.

Mr Brockman then asked for Costs at 5 per cent

Referred to Feb Rule 1865.

Mr Grant - Costs usually from 1st Sept in one year to 31 March in next year to bring on inq. The order was dated 28 days but not served 15. Liberty to have costs taxed & to bring on inq. The order was dated 28 days but not served one M/c. thy terms of 28 days

Mr Grant The Defendant could not comply with the terms of bringing in two days would not have possibly sufficed with the Rule of Court incurred. Plaintiff should not be entitled to costs of Inq. or Damages yet - looking over all the terms of order of 28 days & therefore it is not denied. Costs the Defendant could not comply with from Sept 1863 there unfinished. I admit it may be entitled to costs of Inq. & Damages other than that fixed by the 2nd Schedule of the order; The latter has been changed but the Defendant has not complied with the terms.

Therefore allowance Costs at 5 per cent

Mr Leer Sw:

Read Order. Mr Browne for Pet. I first have to Bryson for Ests of State.

Read order.

Mr Bryson. Pet. writ came for Ests to Ests of State on Returns of Writ he did not succeed. writ will be considered - besides Costs in England Pet is for Ests for Rs 100000

their attempt; to enforce payment Ests is only for suspension of proceedings the Pet. pays Ests, refd to Mr Ests of Hunter in this Case as order pro confirmed the proof of Debt is given.

Mr Bryson is right.

I think the order directs me to take Ests. for amount to cover all that is appealed agt; or rather for what seems a question to abide event of the subject matter of appeal is the Costs given to Ests; Pet open with the view right; just proved by Mr Bryson. Same to take cost to Ests. to cover those Costs

Mr Bryson. clear proper Costs of proceedings to the portion of the claim disputed; the Costs of Pet only to be taxed on Petition for amt to 10,000 Rs - & Costs of Petition will be 2,000 Rs.

Mr Shaw proves 17000 Rs

I order Rs 2,000 will be paid.

On Warrant To shew Cause why the Master should not proceed to prepare his draft Report herein

Mr Cox for Pltfs

Mr Brackenridge for Pltf

Mr G L Brandon (& Mr Brackenridge) for 1st 2nd & 3d Defts

4th Deft made default

Mr Brandon (for Mr Brackenridge) shewed cause he had taken out a Warrant returnable on the 16th inst. to proceed on the Defts charge left with the Master on the 17th of April 1863.

Mr Brackenridge for Pltf It is for the Master to decide whether that is sufficient Cause - the charge has been left nearly 3 years & he is very much to blame, the charge was left with Mr Branson was aware fully what to do on the 19th of Octr last Mr Branson was aware fully what to prepare the Defts Report, a draft has been prepared, & is nearly ready to be issued for settlement, which would have been done after the hearing on this Warrt. had no Cause been shewn. I think the Defts should have the opportunity of adducing Evidence in support of their statement of facts: if they wish to do not proceed with the Inquiry. It will be for the Pltf to again move, & I shall not be disinclined to shew the Defts further indulgence -

Mr Gordon contra. wished to postpone as Defts the Exrx is entitled to a number of Days but to intimate
Mr Brookman. premature to enter into - Prays in favor of Defts motion

Friday 8th March 1861 at One Oclock
On Warrant The Plaintiffs Solicitors have left with me State of facts & Proposal of Plaintiff for the appointment of a Receiver in this Cause & to procure Decree.
Affidavit of Service now
Mr Miller (for Mr Brookman) for Plt
Mr Gordon for the Defts.
Mr Brookman read part of Order - proposed to read the 3d para of Same
Mr Gordon objected the Same had been excepted to. the 3d para was in addition to Inventory.
Mr Brookman referred to the Schedule -
I overruled the Objection
Mr Brookman amended State of facts in 2 parts

Ramalinga Naick vs Potty Unnaall

Mr Gordon declined to admit the 3d para. state. the whole amt of proofs. were the same named in the Ans: Rs 39,536.

Mr Brookman the proposed Def: is willg to give Sec: for the larger Amt to prevent sale of the whole as the value of the land - not merely its yearly value

Under these Circs I would consent but to prove the 3d para only.

Mr Gordon objects to Balances taken off by Surveyor & craves leave to put in an Affidt of Mr Wm Brodie - by a Counter State of facts his wish being that the Matter be referred back to the Revr. Reference his objection to Balances taken off on the ground that he is related to his proposed Surety Vencatasa Naidu as also as is alleged in advancing money for carrying on the Suit. A is asst Annath 95-

Mr Brookman contra

Mr Gordon in reply.

I entertained very doubt what Mr Gordon would be able from what he had stated to establish good grounds of objection to Balances taken off, but I did not think he had had sufft time to bring in my Order - I therefore put it from the 10th to Thursday the 14th at 3 o'clk - Mr Gordon is to be held to strict proof only. It to be confined to this present grounds of objection unless the case satisfy me that other grounds did not now come into prom? Mr Brookman reserves to himself right to object to the Admn of any Affidt when produced. Costs to abide event.

Thursday 14th March 1861 at 3 o'clock

Adjourned from ante Further to proceed on the State of facts & proposal of the Plaintiff of the Appointment of a Receiver

Mr Gordon as on last Occn.

Mr Brookman claims to proceed with his State of facts to Court for Order of Reference to Master to enquire & report as to Balances taken off by Revr - Mr Gordon opposes such reference as unnecessary - Court refuses to grant Order for reference for the purpose - Mr Brookman hands in Counter State of facts & Affidt of Mr Brodie to which Mr Gordon objects as irregular - Court directs Affidt to be filed & Counter State of facts. 2 June 1862 -

Mr Brookman in reply - Delay injurious, growing Crops, no good reason.

I declined to allow the Affidt to be filed, as what had been taken out Sales real? to show fair delay. If Mr Gordon considers he has a right to bring in a Counter State of facts he can do so, at his own risk, when both can be referred to the Master & the question can be decided, when both can be proved before me & I can decide it. Mr Gordon can attend the proceedings if he think proper to do so.

Mr Brookman proceeded with his State of facts. And Schedule A put in & read - as Objections offered by Mr Gordon - Exhibit A offered & given back for Mr Brookman to amend the proofs by which Rs 39,535. 11. 11½ would be in Court as the Deft had proved.

Mr Gordon objects to the last proposed Sale but both to the amt of Debt offered & fitness of Sale.

Mr Gordon objects to the Sale proposed - a Sale at present rate would only bring in Rs 30,000 for the value of the first Profit

Mr Leitch for Mr Brockman / for Plt

Mr Gordon for Defts.

The proposed Surety was Sworn Exd in chief by Mr Gordon & Re Exd by Mr Brockman. Cross Exd by myself Exd by Defts Advr, Signed by the Surety. Bond for 25000 Rs. - 1 ad. hour

Mr Brockman objected to the line of Cross Exam. proposed to be pursued by Mr Gordon as regard the proposed Surety's dealings with the Plt touching the cause of Suit & whether the Surety was interested in the Suit, as being wholly irrelevant to the question whether the Surety were interested or not in the Suit now in question. The Court declined to go into.

Mr Gordon submitted he was desirous to credit, & that it was open to him to put questions tending to shew that the Surety so being he should be unable to implicate the Plt, was evidence of the Plt's interest in the Suit, & cannot be accepted as Surety. For a Suit, as the one is for the Plt, two cases have been cited to shew that a person who may be interested in the Suit, cannot be accepted as Surety. For a Suit, as the one is therefore told his Brother that altho I would allow him to pursue the Cross Exam. under the restrictions alluded to, I was of opinion his merely absent Brother was interested in the Suit, would not justify me in rejecting the Surety at a subsequent stage as Mr Gordon proposed to put compleat me to myself Mr Brockman objected. - Mr Gordon heard counsel & the Court in reply. The objection allowed -

During the Cross Exam several objections were made. Before proceeding

Mr Brockman objects, not approved of. unprecedented proceed.g. in objection of Plt. Ref.- time has been allowed.

Mr. Gordon - not necs to disclose new facts. ex. gr. may postpone.

The prev.s proceed.gs were looked thro'.

Mr Gordon commented on diff.ty. of bringing to Kotahena-

Mr Brockman in reply.

I consider this State of facts shd. not now be proceeded with, no leave to bring it on has been given. unless Mr Gordon laid grounds for renewing his applic.n but I must decide on that grd. looking at the date of the writ. proof of the fact that Plt. approved of what that one hundy has been accepted & the delays in the Defts. proceed.gs I consider Plt. be wrong in permitting the money of the Plt to be expended in any proceed.gs with the Defts State of facts. I do not grant it to remain in Kotahena at present, but (as it has been brot in) I will permit it to remain in abeyance, to give the Defts the opportunity of proceeding if the Ref. ~~of the Plt~~ proved ~~absolute of the Ref~~ shd. not proceed to give Defts with due diligence to prove dey. shd. that event occur, the Defts may renew their application to proceed, the Master will then decide what due diligence has been used by the Ref.

Copy of Order dated the 15th January 1861
and
Left 19th February 1861.

Tuesday 26th February 1861 at One oclock
On Warrant for the purpose of the Master taking into Consideration the matters referred to him under the Order dated the 15th day of ~~1861~~ January 1861.

Affts of Ser &c:
Mr Wardell for Plts: in 1st Suit who files the affts of Service of Summons &c - in both Suits
Mr Sutter for Defts - & Mr Brockman -
Mr G. E Branson ~~& Mr Brockman~~ for the Plts in 2nd Suit.
Mr Brockman for 1st Defts in 2nd Suit.
Mr Wardell proposed to read Order in 1st Suit & the Affts of Service &c
Mr Branson ~~Applies for direction of the Order for the proceedings to be taken thereunder~~ Read Order in 2nd Suit 15 Jany &c thereon. Read Affts of Service to shew the Suit had been served - Wants to applies that the present Mot. should stand over as to bring etc on with the Warrt. which he had taken out in the former in 2nd Suit or that he might not be directed how proceed with -
Mr Wardell opposes Objection to the Affts being advanced.
Mr Sutter & Mr B offers no Objection to do so
Mr Brockman for 1st Defts objects to this Mot being adjourned - but has no Objection to the two Branson's Mot being now ~~disposed of~~ proceeded with
Ordered that the 2 Warrants be now proceeded with - Some of the Defts in the Suit should have been served with &c but as Mr Sutter & Mr B both their Clients are Strangers in that Suit. Under these circumstances I think there should have been but one Order headed in the Suits &c
The 2 Warrants are now duly proceeded thereupon.
Mr Branson applies for the conduct of the proceedings to be taken under the 2 Orders. That I attend for the Plts in 2nd Suit in which Mr Wardell appears for some of the Defts - Defts Mr Sutter for others & Mr Brockman for the Infants who is not a Party in this first Suit - & therefore in first Suit all the parties are not before Chy Master who has in 2nd Suit all Parties claiming are &c are before the Master - 2nd Suit. The 2nd Suit is on behalf of the whole Native Caste which is not the case with the first Suit. If any delay is urged - Mr Branson's proceedings were regulated by Mr Wardell's to get his order amended. -
Mr Sutter Says It is immaterial to Him who has the conduct of the proceedings
Mr Brockman The same for Defts -
Mr Wardell on 1st point - 1st Suit not for benefit of the whole Community. Plts in 1st Suit have a right to have Master to decide - Suit is for the benefit of the whole Community.
Mr Branson in reply. Mr Wardell's Bill did not pray payment into Court -
I see no reason to take the conduct out of the hands of the Plts who have shewn the greatest diligence. I therefore direct that Mr Wardell's Clients have the

conduct of these proceedings that all future Writs be taken out in this Court
served in the ordinary Office - Many other points arose & Counsel had liberty to apply for instructions
An Order to be drawn up ~~accordingly~~ by Mr Wardell Clerk -

The United Company vs S. C. Kistnamah Chetty

Tuesday 20 May 1862 at ½ o'clock

On warrant Exertion to proceed on the state of facts and charge of the Defendant S. C. Tengaray Chetty left in the Cause

For Appt. Mr. Phillips Instructions has been left

Mr Brockman proposed to read from the Appt. bill of interlocutory petition (See my Notes)

Objection raised whether allegations in a bill could be read by a Deft except any part but the Appt. Plts.

Mr Brockman he interpleader's bill in Equity an Appt of its truth must have been filed with the bill. he admits however the Appt in his bill cannot be found. He cannot say what by the practice of Interpleader Cts an Appt cannot act. - The other Defts may read the parts which are relate to themselves - He had not come prepared with Authorities but would be ready to argue the point on a subsequent day. He proposed to point out the parts of the pleadings proceed to which he intended to read

He then intended that he proposed to read from the Answer of Ravanapah in this Suit - he is dead, which must be known. Also from the Answer of Linnaya Seshadriar Chetty the whose Ringasawmy claims

Did not propose to read the Answer of Hanumakumar Chetty the relations who disclaims -

He also proposed to read from bill of revivor by Ellah Varo Naid Rep. of Ravanapah. to corroborate his Client to the extent of showing Testaments dated & that deceased was his Reprsnt

Also from Answer of Sundara Venkatarama in Interpleader (Separate in any letter) Mr Brockman says one to an Order Appt 1860 obtd by Govt. where it was ordered that it should be read at first in this suit of the Depn Venkatarama Chetty - he also points out parts that been read by the Plts (Govt) by the Plts (Govt)

Mr Pitchers objected to Mr Brockman reading the Answer in support of his Clients Case

Mr Brockman the first is to be treated either as the evidence of the two parties who nothing known by others but may be read in Ct is but hearsay however can then to be proposed however & but in all the proofs in the before mentioned Suits

Mr Pitchers The whole of the proofs should be before the Court

Mr Brookman proposed now to read in addition to what had been printed out on the 20th but subject to reasons hereafter for the Aff. of the Defs in the Suit by C Ruegg Jr. (for parts see my Note) & to read from the Aff. of C Ruegg Jr filed in the Suit by Ironmonger (See same portions in my Note) & argued for this being allowed to be read that in that Suit the Aff. of this order day had been read & the point on the hearing by the Pltf. Mr also proposed to read from the Aff. of the Defs in the Suit by Ironmonger (See portions in my Note) He then urged the bill in the Suit interpleader Suit might be read by the Defts - no objection had been offered by Mr Pitcairn. That the bill was made parts of an interpleader Suit. it was supported by bill now made parts of an interpleader Suit.

Mr Pitcairn bill & Ans. must be read together whole Suit must be read. Mr Brookman bill (Pltf. is but Defts Answer.

No authority was cited - & Held that the bill is only part of the Defts file, but if required to explain any part of an Answer it is properly admissible that portion only may be read to explain the answer

in the Aff. { Mr Brookman intimated to Mr Pitcairn & Mr Brandon

Mr Brookman then entered in our books after the Pltf (the case of this) Mr Brookman then stated that the Pltf had urged that the Pltf was no longer a necessary party to the litigation Pltf still to see that there were no longer any persons in whom the Pltf was interested Refused to let the bill be read on that ground Mr Brookman then proposed to read the petition of the case of State filed 11th Feby 1862

Attn as on the 26th (See page 400.

Mr Ritchie intimated that altho Mr Brockman had closed his case he had not read his Exhibits

Mr Brockman. They have been taken as read.

Mr Ritchie. The Act of Enquiry was to be taken but not the Exhibits as Mr Ritchie he had to understood to make & the Exhibits to offer to the readiness of some of them & determine. Mr Brockman proved regularly & tendered his Exhibits one by one in the usual manner.

Mr Brockman then read Enquiry's Examn to the words "annexed" Brief" into B. Attended A no objection being offered it was read. He then tendered B & C.

Mr Ritchie objected - B could not be read because it was not translated required by the Acts of 1st - C could not be read, because it was not sort, it purported to be transl. of some Contract but it was not proved before the Master it was not annexed to anything - he could not be understood to shew C was a transln of B - nor was there any evidence, or how was it made - saving that Master B may have been made from C.

Mr Brockman - C can be read - it is a transln in the words of the Act, the present Deft Int. had adopted the old transln - C as the present transln of B - leaving the Master as it was to it.

Mr Ritchie in reply. B is not translated at all.

I consider the Deft Int. Act adopting the old Transln, as the Transln of the Act - There is however no Evidence before me to shew that B was the sort that was in fact transld by the former Int. - B & C as identified in any way connected with each other for the Acts of the present Deft Int does not. & that must be done before they were read. He tendered (separately) D, E & F the Affidavits were read. He then summed up his case & commented on the

Mr Brockman shd proceed regularly & tender his Exhibits one by one in the usual manner.

Mr Brockman then read Zenparas Examn to the words "annexed Exhibit" in fo 13. & tendered A

Mr Ritchie objected - B cd not be read because it was not transl as required by the 2nd Article of Agt - C cd not be read, because it was not transl, it purported to be a transln of some Centro Agt but when proved before the Master it was not annexed to anything - No Agt had been produced to shew C was a transln of B - nor was there any Agt to shew that the Agt of wch C purports to be a transln of was now, or ever was in Force - I may say that Exhibits before the Master B may have been made from C.

Mr Brockman - C can be read - It is a transln in the spirit of the Agt, the present Agt Intr had adopted the old transln - C as the present transln of B - leaving the Court to come to the Master as is due to it -

Mr Ritchie in reply. B is not translated at all.

I consider the Agt Intr Certe adopting the old Translns, as the Translr of the Agt that was in fact translr by the former Intr - B & C are identified in any way connected with each other for the Certe of the present Agt Intr does so. That not to any other Agt

On warrant The Solicitors for G. Lutchmanarasoo Chetty & Another the surviving Exors. of the late V. Coomaul Chetty deceased have left with me a state of facts and Charge on their behalf in this Cause and to proceed thereon

Mr Ritchie for the Exors. of V. C. Coomaul.

Mr Brockman for Defts. S.C. Teagaroy Chetty.

Mr Branson / J. M. Reddy Branson for C. Ramaswamy.

Mr Brockman at 1/2 P.M. for the Defts. Exors. of S.C. Kistnamah did not give notice that he would not attend this or any future Court.

12 May 1862

Mr Ritchie read Decree Order of 15th March 1861. State of facts proposed to read State of facts of Teagaroy & Ramanadh.

Cannot read as bind. a state of facts, unless by consent, ask in this Case as the facts are not before me

Mr Ritchie proposed to read from Answ. of Ramanadh in Suit & Injt. entered in Suit, ——— for Answ. of Kindersley &c. in Suit by Ramanadh. The latter had been read in this Suit by Cons.

Mr Brockman objected to Answ. being read upon Oath. if any part is read the whole must be read

Mr R. Only proposes to read the Answ. of the Defts making them Defts. Repd. — may read papers. Bowyer v Bickland 11 Price 110

The Case cited does not apply to case under consideration.

Mr Ritchie read from Answ. of S. Sashachella in Suit by Injt. like Suit, upon which in reply to shew the Land there mentioned was not that sued in State of facts. Read Answ. & Disclaimer of Lutchmee Ammah & Ramasamy, & Banking Co. to prove that Suit had been made for the 2 Parts of Park within mentioned, & of Bill of Sale dated 4 Nov 1788 from S.C. Kistnamah to Ramanaden & 2 Defts.

Mr Brockman objected not read in State of facts

Mr Ritchie — to amend — Does from Answ. of Ramanadh Suit in derived Title by Document

Mr Brockman objected — for his proposing to read the Bill of Sale

Mr Ritchie prepared to see to shew by. that not read this.

Mr Ritchie. to read and submit to proof. Given then read. when

Mr Brockman submd. Mr R must read the whole Answ. not detached parts. Ans. 579. Ves. Jap. 316

Mr R. Each Pty in an int. Suit is a Pty. One read as Defts. Defts cant read Ans. of one to Bartlett v Pickard 1 Keyl 149. Cornish v Keane 1 Y & Coll 83. Bardwin v Jackson 2 Beav 486

Mr Brockman cannot read any portion of the Answ. as my Lord.

Mr R. in reply. If Ritchie had seen the Ans. of Defts. they might have made objt. Cases cited are Cases at Law where Pltf read Answ. not so here

1 Ph. 310-316.

If any part of an Answ. be read by Pltf as to Defts in an int. Suit, no objt. can be made that the whole must be read

Mr Ritchie will not withdraw Answ. Objected to any part being read as to the Defts not before the Court

Mr Butler (for Brockman) for Plff

The Cross Examn of Defts Witness was concluded. Mr Brockman proceeded to Examine him in Chief as to his knowledge of the matters in question in this suit

A a

Mr Barr objected to the Evidence of Defts Witness in Chief as it was not read in Ans or Exhibits

Mr Brockman. Mr Barr does not know the contents of Defts Witness Affidavit in Chief or Ans or Exhibits. Mr Pitcher has put Defts Witness in Chief on his own State of facts. Mr Barr contended it was testimonium Defts Witness that Defts Witness in Chief was to be taken as put into the Ans not put into Defts Witness in Chief. Question was whether it was competent for Defts Witness to go into Defts Witness in Chief.

Mr Barr. Mr Brockman must in support of Defts Witness in Chief put in Defts Witness in Chief as part of his State of facts. (Mr Brockman put in Defts Witness in Chief as part of his State of facts.) Defts Witness in Chief on a Cross Bill must be his own State of facts. Mr Brockman has put Defts Witness in Chief as part of his State of facts. Mr Barr cannot object to that part of Defts Witness in Chief.

Mr Barr objected to the reading of Exhibit A.

The Reporter was ordered to read the first Ans & the Exhibits which were sent over by the Court ordered by him & the answer signed by him. Court adjourned.

The biddings were made by Soobaroy Pillay ostensibly on his own behalf, & after the Sale was declared, he owned to have been bidding on behalf of P. Veerapermaul Pillay & consented to his signing on behalf of P. Veerapermaul Pillay on his depositing with Mr. Borgen Cheque for the paper for 1000 Rs. properly endorsed in part payment of the purchase money under the Conds of Sale
Mr. Borgen on Sirdar coming of the afternoon informed Gravesande that P. Veerapermaul Pillay were the Gentlemen of the two Premises. Hadjee Mahomed Bin Ker objected to Veerapermaul purchasing. Under these circumstances I cannot allow Soobaroy Pillay to substitute the name of Lot Veerapermaul Pillay; he made his biddings on his own account; if he was acting otherwise than on his own behalf - he must complete the Sale & Veerapermaul Pillay must sue in one of Court. Subsequently Mr. Borgen in the afternoon of Brookman attended with Soobaroy Pillay & the matter was explained to him, that unless Mr. Hadjee Mahomed Bin Ker purchased in person of P. Veerapermaul Pillay; & he assigned the bid Writ paper & parties of Sale; & Declare him to be the purchaser of Lot No 2 for 6500 Rupees -

On Warrant dt 11th inst to examine C. Govindoo Chetty who attends to be examined viva voce before me in support of the Counter State of facts and Charge of the Defendant A.P. Govindoo Chetty and his wife Athanaloo Ammall &c.

Affr sworn &c:
Mr Pitchie (for Messrs Fraser) for Plff.
Mr Taylor & Mr Brookman for 1st Defts.
Mr E. Thomson for the other Defts.

The Plff's counsel opened in Chief & Mr Brookman the Defts Counsel then rose in writing by way of Mr E. Thomson then professed to cross Examine Mr Brookman objected; that Plff's Suit had ended of course & that on a Counter State of facts being in a Defendant or any cross Examine on behalf of a Defendant it is only competent for the Plff to cross Examine his Witness first for any Defendant to cross Examine & Defts Case be had taken objn before Plff had his Witness been sworn & Examined. Mr Brookman referred to Ruling of Sir Chas Jackson that Plff had power to cross Examine such party as Actor, all have an interest to make Estate as large as possible Another cannot have fairer means of ascertaining the State of the Assets than by the Plff who must have the most accurate knowledge of it likely to exist.

Mr Brookman in reply Sir Chas Jackson in many suits each Pty an Actor Sir Chas required to adhere the C.J. desired the Bar to look up Authorities before next meeting & Mr Taylor generally the Bar to intimate when they were prepd to go on - Ordered accordingly. See page 568.

Aff.t of Ser: Dawes.

Mr Royen for Deft.

P. Veeraperumal Pillay in person

P. Veeraperumal applies in terms of Motion as now altered above.

Mr Royen has no objection - his proctor to admit the debt as per Account in - Respondent's proctor

I admit the accuracy of the Account No 2 as now produced & that the balance of Rds 5.5 is the correct balance due from the estate to the Executors the Respondents. I admit the accuracy of the Account No 3 & that the balance of Rds 18.5 is due to the Executors the Respondents. P. Veeraperumal has a right to retain such sum from the estate in his hands

Sum of Rds 5.5

I Roberton Dpty Lst.

The Rule is allowed upon the above admission

P. Veeraperumal applies for his Costs.

This Party claims to be a Creditor in respect of the Decree, if the first decree remains in force his debt, but disputes the rests. Before the decree on first action was made it was the duty of the Creditor to have taken accounts in order to ascertain what was due to him & then to have claimed to be a Creditor for such amount, but if it were necessary with me to decide it I should not be inclined to hold him entitled to the benefit of a first decree which he has not taken any steps to enforce for many years before

For Mr. Shaw the above
Mr. Shaw read the Evidence of Mr. Deschamps & moved & contended that the Claim should be allowed

Mr. Brockman - for Defts. - who have never objected to C except the Items for the Sofa & Chairs undelivered - Singular that having big bills from 1850 to Such 1860 & the bill for 1860 marked A & the bills marked B. the bills A must have been settled. look at C the receipts shew they were on account of C & the exact bill of that bill shewn no reference to any other bills - Cumnock pd Rs 1000 on account.
B credit given to Cumnock & to Cumnock as one of the members of the Committee - Items under date 28 Feby 57 in both bills B & C - Sofa & Chairs not sold to Def or Defts not charged for tells a tale against Cumnock
resumed the order for the Warrant hereof

Mr. Shaw no new Evidence. C fully proved & Entered into both of Defts no Evidence in behalf the Defts. Mr Deschamps should tell them the only pts pat in dispute is proof. As to A & C A June 1858. C commenced Nov 58. but custom of Trade Indulgence to carry bills from 1 to 2 years - no Evidence of Colonial Usage received Order.

Mr Brockman admitted the State of Account is not correctly.

Sofa A altho the Entries of the 2 Items of 300 & 200 Rs raise a suspicion as Also B, there is no Evidence before me & Mr Deschamps admits it uncontradicted. Also the bills C. - the Acts of Def as sworn to by Mr. Deschamps, they pd pts not varying that part of the Order. Nevertheless it would appear from Mr Deschamps Evidence the Claimant to keep the Articles till the below one year.

Adjourned by appoint Further to proceed on the Charge of A Mooneapah Maisty left in this suit

Mr Orr for Claimant

Mr Shaw for Pet.r

Sup.d Boyon & Lentler for Defts by Mr Brokenshire

Mr Orr As to Limit.n of time — 10th Clause of 1st Sect.n Does not bar Comm.d on 2d Cl. not Sayer of Lord's Act — Claim comes under annual indebitatus for work & labor — Limit.n Clause inapplicable — principal Act will apply to bring to Contract debts — Cond.n 9th Cl. inapplicable since 25 July 1863

The Claim.t did not trust the Pagoda — Merely he claims upon Pet.r Cumming decree in that Suit Does not authorize Master to take acct of debts

Mr Shaw contended that 2d Clause applied — also cited 9th & 9th Clauses — Acts by retail — Debts does not come from last piece of work done Separate Jobs — to look to them when work done — Act of Ly Chamberlain — Savages is Good Cold with Cummiah

The Pet.r may proceed with the portion of his claim for work done at Pagoda to prove if he can & Pet.r with the Dead — As to the Arrack for the Savages Gardens I consider they come under the 9th Cl. & therefore the Pet.r is barred — I do not understand the charge for Carriage As to Ly Lyt's I do not think the claim comes under the 2d Cl. as contended, seems that is work & labor work are not specially provided for by the Act & therefore come in under the 9th Cl. The same as to Sola Gardens & Seeds Snail Gardens & the Laundry. — Regard to these Debts are not proved Mr Orr will have to prove these.—

Affr of Ser: Orrond
Mr Gordon for Pltff attended.
Mr Lauder for the first two defts
Mr Shaw for the 3rd 4th & 5th Defendants
Mr Shaw also claims to attend for the 2nd Defendant who is absent on behalf he had put in a State of facts as amended
Mr Brockman Objected to Mr Shaw's attending on behalf of the 3rd 4th & 5th Defts
Mr Gordon also Objected
Mr Shaw not appointed Guardian by decree Number of the Defendants to attend. Infant duly sworn & interrogated as to his age &c

Mr Brockman admits Plaintiffs might have attended on 3rd Defts charge but not to admit the Converse - both clerks might attend by a Defts Solr
Mr Gordon to answer that
I think under the Order I cannot exclude the 3rd Defts from appearing - nor preclude their appearing by Solr if they think fit. They could attend at the risk of Costs to pay them out of Estate. Should it be shewn that the interests of the 3rd & the 5th Defts are so identical that they can proceed together as to appear that Mr Brockman cannot protect both interests from the objn made. I do not think the 3rd & 5th Defts are not in reality so opposed that Mr Shaw cannot protect both interests of both if on the same interests I have reason to think the interests clash I will give Order
