Exchange

Exchange upon its becoming due was not paid tho' they admitted
that the Same had been duly accepted upon being Presented for
acceptance and your Petitioner Sheweth that the Complainants did
in their said Bill also state that the said Condraigula D.
Jug gernaut Row otherwise Juggapah being their Interpreter
and at the same time Dubash or Head Servant of your Petitioner
as Chief of their said Council was Customary for the Zemindars
and Renters of the said Districts to pay their Rents and D.
Tributes to the said Condraigula Juggernaut Row otherwise
Juggapah and for him to pay it over to your Petitioner that
the said Condraigula Juggernaut Row otherwise Juggapah having
received from different Renters or others the Sum of Forty three
Thousand two hundred and Eighty three Pagodas four Fanams
and Seventy Seven Cash did not pay the same into their Treasury
and that in Consequence thereof your Petitioner did not grant
Receipts for the same that some time afterwards upon your
Petitioners being removed from his Station the Several
Zemindars Renters and Farmers who had paid the said
Sum of Forty three thousand two hundred and Eighty three
Pagodas four Fanams and Seventy Seven Cash did apply to
your Petitioner for Receipts for the same and that your Petr
did in Consequence thereof grant such Receipts and did
Credit their the Complainants Cash Account with the said Sum of
Forty

forty three thousand two hundred and Eighty three Pagodas four
fanams and Seventy Seven Cash and for which Sum they stated
that your Petitioner did apply to the said Condraigula Jagger-
-naut Row otherwise Juggapah to give him a Bill of Exchange
in favor of the said President and Council that the said Condraigula
Juggernaut Row otherwise Juggapah did Consent induced
thereto as the Complainants pretend by a Promise of your
Petitioner to pay to his the said Condraigula Juggernaut Row
otherwise Juggapah's Vakeel the Sum of fifty thousand Pagodas
and that the Bill was accordingly drawn and transmitted
to the President en Council that the Bill being thus taken
the Amount thereof was debited on the Factory Cash account
as money received from the said Zemendars and Renters and
Credited as being paid for the purchase of the said Bill
that no part of the Money was paid on the Bills becoming due
tho they admitted that it was duly accepted on being presented
for Acceptance and that your Petitioner did not pay any part
of the said Sum of fifty thousand Pagodas to the said
Condraigula Juggernaut Row otherwise Juggapah and your Petitioner
Sheweth that the Complainants in and by their said Bill did also
state that the said three Bills of Exchange having been
Refused Payment were returned to Masulipatam with Orders to
demand the Amount thereof from the said Condraigula Juggernaut
Row

Row otherwise Juggapah - which they did state was accordingly done but that the said Condraigula Juggernaut Row otherwise Juggapah was unable to pay the same or any part thereof and that the same Still Remained owing to the Complainants that at the time your Petitioner received the said Bill of Exchange he knew them not to be good Bills and that by Reason of the Power of their Chief and Council being delegated to him respecting the Procurement of Bills of Exchange he became Responsible for the amount of the said Three Bills of Exchange together with Interest thereon and your Petitioner sheweth that the Complainants in their Bill did also state that after your Petitioner had been appointed Chief of Masulipatam and entered upon the Duties of Such his office he did by himself or by his Dubash the said Condraigula Juggernaut Row otherwise Juggapah Receive from Vachavoy Juggapetty Rauze one of the Complainants Zemindars Sundry Sums of Money Amounting together to the Sum of one Lack Four thousand and Nineteen Madras Pagodas one Fanam and Fifteen Cash and that he did give him Receipts for the same and that your Petitioner did make other Settlement with the Said Vachavoy Juggapetty Rauze in which your Petitioner did admit the payment of the Sum of Thirty Nine thousand three hundred and ten Madras Pagodas to

Chas.

Charles Floyer Junior one of their Servants and the further Sum of
Thirty Six thousand Madras Pagodas to George Westcott another
of their Servants and that your Petitioner did also receive from
the said Vachavoy Juggapetty Rauze the Sum of five thousand
five hundred Madras Pagodas which said three last
Mentioned Sums they did state to amount to Eighty thousand
Eight hundred and ten Madras Pagodas and Charged that
your Petitioner had given the said Vachevoy Juggapetty
Rauze Credit for the Sum of Seventy one thousand One
hundred and fifty Six, Madras Pagodas thirty four fan
and Sixty five Cash so that your Petitioner as the Complai=
=nants in their said Bill did pretend had kept back a
Credit for the Difference being as they did state the Sum
of Nine thousand Six hundred and fifty two, Madras
Pagodas one fanam and fifteen Cash and that they had
Caused their Accountant to investigate the same that
thereby it Appeared that your Petitioner or the said
Condraigula Juggernaut Row otherwise Juggapah had
Retained the said Amount and therefore they did Charge
that your Petitioner was liable to them on Account thereof
and which being added to the Three Several Bills above=
=mentioned made whole in Star Pagodas According as they
stated it to amount to the Sum of One Lack two thousand and

Twenty

Twenty Eight Pagodas Twenty Fanams and Sixty Seven Cash which they did Charge your Petitioner was indebted to them And your Petitioner Sheweth that the Complainants having interrogated him to the Several Charges in their said Bill of Compilant Contained did pray that your Petitioner Might be Decreed to pay the Sum of one Lack two thousand and Twenty Eight Pagodas Twenty Eight Fanams and Sixty Seven Cash with Interest and Costs of Suit. —

Your Petitioner Sheweth that to the Complainants said Bill of Complaint he did on the third day of February in the same Year of Our Lord One thousand Seven hundred and Eighty nine exhibit and file his Plea and Answer whereon by Protestation not acknowledgeing or Confessing any of the Matters in the Complainants said Bill of Complaint Contained he did say that of the Sum of Money Sought to be Recovered by the Complainants said Bill of Complaint Seventy three thousand Two hundred and Eighty three Madras Pagodas four Fanams and Seventy Seven Cash was stated to be payable by your Petitioner to the Complainants by Vertue of Certain Bills of Exchange — Received by your Petitioner in his Official Capacity as Chief as aforesaid on Account of the Complainants and after Specifying the said Bills your Petitioner did say that it

Appeared

Appeared by the Compleinants own Shewing that the said three
Bills of Exchange were regularly accepted by the Persons
on whom they were drawn upon their being presented for that
purpose and that it further Appeared that upon the said
Bills becoming due and being refused Payment no Protest
of such refusal of payment was ever made upon all or any
thereof and because it was the Custom of Merchants and the Law
of the Land that the Holders of any Bill of Exchange in
Order to make the Drawer Indorser or any other Person
Concerned therein liable for the payment thereof should upon its
being refused Payment on its becoming due protest the Same
and in Case such Holder did not protest the same neither the
Drawer Indorser or any other Person would be liable for its
payment Your Petitioner therefore did plead such Custom in
bar to so much of the said Bill of Complaint as sought to Charge
him with the Amount of the said Bill of Exchange and your
Petitioner did pray Judgement thereon and your Petitioner
did further plead that it Appeared by the said Bill of
Complaint that after the said Bills of Exchange had been
refused Payment no steps whatever had been taken by the Compleinants
who were the Holders to enforce Payment thereof which by the
Customs of Merchants they ought to have done and your Pet.r
did therefore insist that he was thereby Altogether discharged
from

from all sort of Responsibility if he had ever incurred any and did plead Such Leaches of the Complainants in bar to Such part as aforesaid of their Bill of Complaint and did again pray Judgement thereon and your Petitioner in and by his said Answer not waving his said Plea but — Relying thereupon for Answer to the Residue of the Bill of Complaint did say that he did admit he was Appointed Chief of the Complainants Council of Masulipatam and that he did enter upon his office and became Responsible for its Duties at the Time and in the Manner Stated by the Complainants but your Petitioner did in and by his said Answer absolutely deny that he was by Vertue of his said Office alone the Receiver of the Complainants Revenues and insisted that he and the other Members of the Complainants Council were together Joint Receivers thereof he admitted that he was the Keeper of their Cash and their Cash Accounts Yet that it was not Subject to his own Management — alone but to the Controul and Management of himself and the Council Jointly who did not become Individually but Jointly Responsible for any Mismanagement therein that it was the Joint and Common Duty of the Chief and Council of — Masulipatam as well as of the Complainants other Factories Subordinate to Fort St. George to Collect the Complainants Revenues

and.

and to Superintend all Receipts into and Disbursements from their respective Treasures according to the Orders they might receive and that in default of such orders they were jointly to manage the same according to the best of their Judgements and in order to Shew it was an early and unremitting Object and the Joint Duty of your Petitioners and the Council to give all the pecuniary assistance possible to the Presidency your Petitioner did State that altho there was in the Complainants Treasury about the time of your Petitioners Appointment only the Sum of Five thousand Madras Pagodas or thereabouts and about three thousand Rupees yet that your Petitioner and his Council did remit the Amount of thirty Five thousand Madras Pagodas before the End of the Month of June all which Remittances were punctually paid and among which was a Bill for Twenty thousand Pagodas drawn by the said Condraguta Suggernaut Row otherwise Juggapah - on the Said Colundre Sitteramiah and your Petitioner in and by his said Answer did insist that the Minute referred to by the Complainants was given in by him for no other purpose than to impress the Members of Council with the Necessity of making every possible Remittance to the Presidency of which your Petitioner from his having

then

then recently been a Member of that was fully acquainted your Petitioner in and by his said Answer did further say that the said Council could not Give him an individual Authority and denied that he ever did receive or exercise any such Authority or that he ever did accept a Single Bill of Exchange on the Complainants account without the Concurrence & Consent and joint acceptance of the Complainants said Council and did insist that all such Bills of Exchange having been first accepted and approved of by the Chief and Council were remitted by them jointly and never by your Petr alone your Petitioner in and by his said Answer did further deny that by the Resolution of the Council on his said Minute or otherwise that it became his Sole and exclusive Duty to be Well assured that the Bills of Exchange accepted for the purpose of Remittance to Government were drawn by and upon Person of Approved Credit or that he ever had any Delegated Power Solely to accept Bills to be remitted to Government but your Petitioner in and by his said Answer did admit that it was the joint and indivisable duty of himself and Council to be Careful in procuring good Bills of Exchange for the Complainants and that the other Members of Council who had been Much longer at that Factory than himself must have had a more perfect knowledge of the

Persons

Persons who had granted Bills of Exchange than he Could
have had so that the only construction that could have been
put upon his said Minute was an Application to have the
Sanction of Council to allot as much of the Revenues as
Could be spared for the purpose of making Remittances to
Government in order that the Issue from the Treasury
might be regulated with that view and Bills of Exchange
be engaged as opportunities offered and your Petitioner
Solemnly declared such to have been his only Intention and
that the Construction attempted by the Complainants was
Altogether groundless and your Petitioner on and by his
said answer did further insist that it was not Necessary
for him to apply to Council for Permission to receive Bills of
Exchange it being the long established Rule of the
Complainants Service for the Chiefs in the first Instance
to Receive such Bills and then to lay them before Council
for their Approval and notwithstanding the pretence of the
Complainant to the Contrary that he never did Solicit or obtain
or exercise any such Power or ever of himself accept or remit
any Bill on their Account but on the Contrary that all
such Bills had been Accepted and remitted by him and his
Council Jointly and therefore he did insist that he could not
in consequence of such Minute or otherwise or on account of Issuing

the

the Cash out of the Complainants Treasury for the purchase thereof be held Responsible for such Bills should they not be duly paid because the taking and remitting such Bills was the joint act of himself and the Council and because after the Bills were taken he was of Course as Cash Keeper authorized to issue the purchase Money And your Petitioner in and by his said Answer did further say that in Consequence of the said Minute he did remit to Government the Sum of Thirty Six thousand five hundred Pagodas all of which Bills were punctually paid and that among them was a Bill of Exchange drawn by the said Condraigula Saggernaut Row otherwise Suggapah upon the said Colundee Settaramiah and to shew how much Government did depend upon the Resources of the said Factory during Your Petitioners Chief ship Your Petitioner did shew that besides the above Two Sums remitted and other Bills herein after mentioned he did also pay for Bills drawn upon Masulipatam the Sum of One Lack fifty Six thousand One hundred and Nine Madras Pagodas and upwards And your Petitioner did insist that no Bills were remitted to Government after the Month of August One thousand Seven hundred and Eighty Seven but that about that time a peremptory order was received by your

the Court of the Service of one Attorney, and Mr. Hopkins

not of late increased that the Number of Attorneys

This Cause Coming on to be Heard and Debated this Day in the Presence of the Attorneys on both Sides on Reading the Complainants Bill, The Defendants Plea and Answer, The Replication, The Rejoinder, The Interrogatories and Depositions on the part of the Complainant with four Exhibits marked A and B. Nos 1 & 2. A and B. Nos 1 & 2 annexed The Interrogatories and Depositions on the part of the Defendant with Three Exhibits marked ABC and Four Papers annexed as Hearing the Pleadings and Arguments made Use of by the Attorneys and due Consideration had thereon— The Court is of Opinion that the Complainant is intitled to one half part of the Estate and Effects of her late Husband— the said Husband dying without making any Will, and there not being any Issue of their Marriage living at the time of the Death of the said Gregorio Miguel This Court doth therefore think fit to Order and Decree and doth Accordingly Order and Decree that the Defendants do pay unto the Complainant, One Clear Moiety or Half part

Mr. Alderman Procter Dissents to the Decree of Court —

Dissents

The Point that appears to me to be at Issue
in this Cause is whether the Complainant is intitled
to receive her Portion x x of her deceased Husbands
Estate According to the Rule of Inheritance prescribed
by the Laws of England, or According to the Customs
and Usage among the Sect of Armenians, and as the
Charter granted the East India Company in the 26th
Year of the Reign of His late Majesty George the
Second Authorizing this Court to Hear and Determine
all Civil Suits, Actions, and Pleas between Party &
Party does not appear to me to have intended any
Alteration or innovation in the Religious Tenets &
mode of Worship of the Colony or Sect of Armenians
that hath since out of Mind been established in this
place, or in their Marriage Rites and Ceremonies, &
in Successions and Inheritances of Property consequent
thereupon; so it appears to me that where they are able
to ascertain their Customs and Usages from time
immemorial in inheritances to Property that make
Customs

Customs and Usages should be preserved and Continued
to them, instead of Obliging them to Accept the Rules of
Inheritance According to the Laws of England, and as
the Defendants in this Cause have proved the Existence
of Customs and Usages among the Sect of Armenians
of all Persons inheriting particular Proportions of her
Intestate Husbands Estate in two Cases, one where
the Intestate left Children and the other where she left
none, so it follows that there must be a Custom and
Usage among them in the Points in Question before
this Court, although the Evidence that hath been
produced in this Cause might not have been of sufficient
skill and learning in their Customs and Usages precisely
to ascertain what the same are — This allowance to the
Sect of Armenians of their own established Customs and
Usages in Inheritances of Property does not in any
shape appear to me to be repugnant to the Spirit
Justice and General Effect and coercive Authority
of the Laws of England, further than appears in
particular Cases is allowed of in England where the
Object of its Government for more than a succession of
a thousand Years hath been to perfect its Laws, and
adapt them as much as possible to the Constitution
and Nature of the People, Yet Customs and Usages
in Respect of the Inheritance of Property in particular

Counties

Counties and Cities excld different from the Rule the general Bulk of the Nation are guided by, and which as they are found to be of no prejudice to the Community at large & the Legislature hath by Repeated Acts of Parliament confirmed to them the enjoyment and Continuance of; I am of Opinion therefore that the Complainant is not intitled to Receive that Proportion of her Deceased Husbands Estate which as the Widow of a British Subject she would have been intitled to, and dismiss accordingly the Petition of the said
