Report of Registrar and Merchants &c.

In the Business of Spices taken at Banda &c. and brought to Madras on board H. M. Ship Piedmontaise January 14th 1812} Captain Charles Foote.

In pursuance of the order made at the hearing of this business on the Ninth Day of September last and by virtue of a Commission to us jointly and severally directed bearing date the 10th Day of the same month. We have been attended by Messrs. James Balfour and Richard Bramley and by Lieut. Charles Watson Yates of the Madras Army on the part of the Captors of Banda Neira, Great Banda and Pulo Ay, and we proceeded to take the Accounts of all Disbursements Advances and Charges made and incurred by the said Captors for and on Account of certain Mace and Nutmegs brought to Madras on board His Majestys Ship Piedmontaise Captain Charles Foote, and we find, that upon receipt of the said Spices at the said Islands and for the Collecting, Cleaning preparing and packing the same and for various Articles wanting for such purposes and for the Salaries and Wages of Servants and other employed thereupon, sundry payments amounting to Star Pagodas 24,605 — 35 — 16 Fanams Cash were made and disbursed by the said Lieut. Yates at the said Islands as Agents for the Captors, out of other property then and there Claimed as prize And the said Lieut. Yates having at the said Islands superintended the entire Management of the said Spices, gave in to us a charge and demand for monthly Salary as Commissary of Spice at Banda, but no Warrant or Appointment as such Commissary on his part being produced the charge was not by us received or Admitted, but on Consideration of the work and Labour performed by him as agent upon the Islands, to the Captors, by which title we found him to be designated in General

General Orders, issued by the (Acting) Governor of Banda, we have Credited him with a Commission at the rate of two and half P.r Cent according to established usage (upon the value of the said Spices estimated by the price offerred at the Molluccas to the Captors by the Supercargoes there, of Messrs Arbuthnot, DeMonte and Co. of Madras Merchants) amounting to Star Pagodas, 4,670 — 12 — 15 which being added to the before mentioned Sum of Pags. 24,605 — L. 35 — C. 16 makes a Total of Star Pagodas 29,276 — 5 — 31 as will appear by the paper herewith Submitted marked A being the whole Amount of all Disbursements Advances and Charges made for and on Account of the said Spices at the said Islands up to the time of their Shipment on board H. M. Ship Piedmontaise. —

And we further find that after the arrival of the said Spices at this Port of Madras — further payments to the Amount of Star Pagodas 3662 — L. 39 — C. 40 have been made by Messrs Balfour and Bromley Agents here for the Captors for the expences of Landing, Cleansing and Storing and for the Costs of adjudicating the said Spices in the Vice Admiralty Court, which payments appears in the papers marked B. —

And we do further find that other payments to the Amount of Star Pagodas 1817 — L. 35 — C. 24 have been made at Prince of Wales's Island on Account of the Captors of the said Spices for the Maintenance and Lodgment of Messrs Kelling and Lelorf (two Witnesses examined in your Hon.ble Court in this business) during the Detention of those persons at Penang on their return to Banda from Madras (and including their passage money from Penang to Banda) and although such payments in some respects have been improvidently made in as much as those Witnesses appear to have received

Wm Carnegy the Captors Agent at Penang

of 350 Spⁿ Dᵒˢ in diminution for their Subsistence for the whole of the Month of December whereas they embarked from the said port on or about the 10ᵗʰ Day of that Month and their Monthly Charge for Subsistence is in itself unreasonable, yet from the vouchers and receipts produced and Sworn to before us, the said Disbursements Amounting to Spanish Dollars 1816 60/100 or Star Pagodas 1117 - 35 - 26 do seem to have been really made and appear in the paper Marked C.-

Upon the whole therefore We find that the Disbursements Advances and Charges made and incurred by the Captors for and on account of the said Spices as aforesaid Amount to the sum Total of Stˢ Pgs 24,010 - 35 - 5 as will appear by the paper marked D All which We humbly Certify and Submit to the Judgment of your Worlds Court.-
