B.R. 303

From the Collr. of Vellore

Reporting more fully on Petition No. 1836 of 1850.

1. I have the honor to acknowledge receipt of your letter dated 17th October 1850 calling upon me to report more fully on Petition No. 1836 of 1850 and to explain the reason why Mudvapatyar should receive compensation out of Petitioners lands while the obvious course would be to give that individual an equivalent from Circar land—

2. In reply I have the honor to state that Petitioner thought he at first expressed his unwillingness to part with his land, subsequently gave a Kyphent before the Tahsildar in the presence of witnesses agreeing to do so—upon being called upon now he represents that he signed the Kyphent but that his signature was extorted from him the attesting witnesses state that the deposition was given — voluntarily

voluntarily and that no compulsion whatever was used. Petitioner himself acknowledged in his deposition given before me that he is unable to prove that his signature was extorted but expresses his unwillingness to occupy other land in lieu of that given up.

The reason why Petitioners land was given in exchange instead of Circar land was simply that the Madvapaty family requested it and made it the condition of given up their own lands for the road.

3— I have however now ascertained that Petitioners land is not conveniently situated in respect to the Madvapaty family's garden which was not before explained to me and as there is no other circumstance connected with it to show why it should have been selected in exchange instead of Circar land, I am inclined to think it would be just to restore the land to Petitioner which with the concurrence of the Board I propose to do. The Madvapaty family cannot I presume, have any right to claim the restoration of their own

own land which has been occupied by Government for the high road but must be required to select other Amanut land. If the Board are however of opinion that they are justified in reclaiming their own land it must be again resumed from the new road and each party be put in possession of its original holding.

To the Collector of Nellore

Sir.

The Board regret to find from your further report of the 4th instant on Petition 1836 of 1850 that Petitioners land had been taken from him under the particulars stated, which are opposed to the supposition that he willingly ceded it.

(17-18)

The Board desire that it

it be immediately restored to him, and will pass no opinion on the matter of the Madavapaty lands, leaving to yourself its adjustment, though they request that if it is found necessary to exchange lands with that family, the transfer may take place under a due regard for the rights of others. It appears to them also that great and unnecessary delay has occurred in the disposal of the Petition referred to

No. 83.

Read letter from the Collector of Bellary dated 25th October 1850, respecting the Management of the different sources of Extra Revenue for Fusly 1259.

Ordered that the same be recorded and that a Copy thereof be forwarded to the Board of Revenue.

Ordered that the Collector be informed that the Board are glad to find that the Revenue of the District has increased during the past year, and that they trust that the Collector will continue to exert himself to improve the

the Merchants carrying their goods into the Nizam's District from the Western part of the Mysore Provinces through the Bombay territory and thus evading the tolls.

Ab Karry 3. The Ab Karry demand is shewn to be Rupees 1254 below that of last year, owing in some measure to great competition in previous years.

4. Of the Amount outstanding (Rupees 13272 3 -) at the end of the Fusly under report Rupees 7342 have since been collected leaving a balance of Rupees 5930, due entirely by the renter of the Adoni Talook. It appears that the rent for this Talook has been raised to an Amount which has proved ruinous to the contractor and that there has been a diminished consumption of liquor by the Weavers, caused by their reduced means in consequence of a decline in the demand for Cloth. That the rent had been unduly

unduly advanced may be gathered from the fact that "the utmost sum that could be obtained" for the Current year was 50,000 Rupees being less by 4,050 Rupees than the Contract for the preceding one, the Collector solicits the indulgence of a remission of Rupees 2,000 in the renters favor, which, under the circumstances stated, the Board recommend for the favorable consideration of Government.

Sundry Small Farms and Licences. 5. In this branch of Revenue the fluctuations occur chiefly in the rent for Topes the old realizing a less sum than in the former years, and the new a greater Amount in consequence of more trees having become productive. the net decrease was Rupees 352.

Moturpha 6. The Moturpha consists of two Classes, Veesabady and Baghyre Veesabady, in the former there is a decrease of Rupees 88, and in the latter an increase of Rupees 2307.

7. From Statement No 4, the fluctuations appear to be as follows.

Taxes.

	Increase	Decrease
Taxes on Merchants	1369 — " — 8	1457 — 11 — 8
" " Professions	2574 — 10 — "	28 — 10 — "

	5193 — 5 — 8	2974 — 14 — 8
	2974 — 14 — 8	
Net	2218 — 7 — "	

8. With reference to the remarks contained in para 11 the Board do not think it expedient that any alteration should be made in the existing mode of Settlement but its details should receive as far as practicable the personal attention of the European authorities. The views of the Board with regard to the data on which the Veesabaddy proper is framed were laid before Government in their letter of 31st October 1850.

Stamps

9. The increase of Rupees 4,162 — 12 — " in Stamps, is ascribed to the operation of Act X. VII of 1848.

Balances outstanding

10. Of the balance of Rupees 6,127 — 5 — 9, due on account of Motupalee Revenue at the end of Fusly 1258,

Rupees

Rupees 98 — 13 — 6 have been recovered to the end of September, and Rupees 146 — 14 — 1 will it is expected be hereafter realized, thus leaving an irrecoverable balance of Rupees 196 — 10 — 2, which the Collector recommends may be written off. The Board request that the necessary sanction may be accordingly granted.

11. The total receipts from all Sources of Extra Revenue — amounted to Rupees 6,22,870 — 8 — 2 and the charges to Rupees 5,581 — 12 — 11, leaving a net revenue of Rupees 6,17,288 — 11 — 3 or Rupees 3857 — 6 — 7 about that of the preceding Fusly.

12. The letter of the Collector dated 26th September 1850 referred to in para 19 of the present report, on the subject of Earth Salt, will receive separate attention.

In Cons 3d Oct 1850

Ordered that a Copy of the foregoing Extract with the annexed Comparative Statement of the Collections Charges and Net Revenue be submitted to Government and transmitted to the Collector of Bellary.

I am required in the Circular letter from the Secretary to the Board of Revenue dated the 6th April 1848 I have the honor to forward herewith a Statement shewing the number of Topes planted both for public and private purposes in the District of Cuddapah up to the end of July 1759. 1819-59

2. From the above Statement, it will be shewn that the rules for the propogation of Topes throughout the District has been favorably received which has encouraged their plantation to a considerable extent I have not heard of any objection being raised to the rules promulgated, and they appear to me well adapted to carry out the views of Government with regard to there being a great supply of wood in the Country.

B. No. 330.

From the Collector of Salem.

Sir,

Solicits under circumstances stated the instructions of the Board for enforcing the Decree of the Sudr Adalut declaring the ground within the limits of the Salem Fort to be the property of Government.-

Title of Subordinate Court 108 of 1848.-

1. A Suit was instituted in 1848 before the judicial authorities of this District by the Mootadar of Salem Mr. Fischer, against Mahomed Ruffee Oodeen, a Pleader of the Subordinate Court, to recover with interest retrospectively for ten years, from 1837 to 1846, the rent of some ground long since in the occupancy of the Pleader, who had built on part of it a house in which he had usually resided.-

2. The Defendant acknowledged the Mootadar's right to the ground, but contended that Interest was not due on the Principal claimed as back rent. I beg to transmit an abstract translation of the pleading.-

3. The action was originally tried and decided in the Subordinate Court. The Civil Judge, however, ordered a fresh investigation and required that the Collector should be included by the Mootadar as a Defendant, it having appeared to the Civil Judge that the spot in dispute was within the limits of the ground to which, under a late decree of the Sudr Adawlut, the Government has a paramount claim.-

Appeal 37 of 1849.-

4. A requisition to the above effect was accordingly recorded by the Subordinate Judge, with an additional

additional point calling on the Plaintiff to establish his own right to the ground referred to in his plaint. The Mootadar however declined to comply with the injunction of the Subordinate Judge.

5. My attention having been drawn to the subject by a communication from the Government Vakeel, informing me that the Subordinate Judge had directed him to bring forward and assert the right of Government in the land, if it possessed any, I did so by means of a Miscellaneous Petition, after ascertaining that the land specified in the Mootadar's Plaint was, in truth, part of the Glacis of the Salem Fort, and therefore that any proprietary interest in it which the Mootadar may have considered himself to possess, was necessarily nullified and barred by the result of the special Appeal in the Sudr Court.

37 of 1847.

6. The Subordinate Judge has recently thrown out the Suit, on the ground that the land in dispute is obviously and beyond doubt the property of Government.

7. My object in now reporting these circumstances to your Board is, with respect to submit that it seems desirable a check should be applied to litigation of the description between the Mootadar and the Pleader, and to suggest that it's prevention may

may be ensured by your Board deciding whether it may not be expedient now to assert and enforce all such rights over the ground embraced in the Decree of the Sudr Adawlut, as, under the effect of that judgment, belongs beyond dispute to the Government.

8. Your Board in reply to the communication of the Sub Collector lately in charge of the District, have stated that they could not advise any steps being taken in the matter of rent levied by Mr. Fischer on the ground on which the London Mission Premises are built, until after the expiration of the period limited for an appeal against a late judgment in a Suit between the Government and the Mootadar, referring, I conclude, to the decision of the Civil Judge of Salem, from which your Board are now aware that a special Appeal has been filed on behalf of the Collector of Salem and admitted* by the Sudr Adawlut.

30th May 1850.

*18th Nov. 1850.

9. The plot of ground under Mr. Lechler's occupancy as Mission Premises, being specially affected by a judgment of the old Zillah Court in the case of Fischer versus Walton, it may, I am aware, be advisable to exempt it, at least for the present, from the operation of any general rule which your Board may think proper to adopt; but in respect of other ground not so affected, I submit that a sufficient bar does not

exist

exist for staying the assertion of such and all rights as belonging to the Government, as have hitherto lain dormant.

10. As it is not the practice of the District to realize any revenue on land occupied by dwelling houses and back yards, I do not wish to advocate the imposition of a high quit-rent on the ground that constitutes the Glacis, but simply to suggest that I be empowered to demand a nominal or an extremely light rent from parties holding within the limits adverted to in the Sudr Adawlut's decree, or at least to intimate to the occupants that it is possible the Government may deem it necessary to demand the quit-rent payable to itself and to no one else, and that if payments be made to other parties they will not be exempt from a responsibility to Government. By this step, the privileges of the Government will be secured against infringement or encroachment whether by real or collusive litigation, and individuals meeting that demand, will have a ready answer to all requisitions from another quarter.

11. It will be obvious to your Board that if the Civil Judge had not remanded the suit in question for trial de novo with the instructions above mentioned, the plot of ground in Ruffee Ooddeen's occupation

occupation might have been adjudged to the Mootadar as that one was which the Revd. Mr. Walton on a former occasion, unsuccessfully strove to shew belonged, as no doubt it really does, to the Government.

12. Your Board will, I submit, also observe that any decision which may be passed by the Sudr Adawlut in the special Appeal now pending before them, will not touch the rights conveyed by their judgment in appeal 37 of 1847, in which it has been acknowledged that ground constituting the Glacis of the Salem Fort is the property of Government, whereas the determination of the still undecided special Appeal will go to declare only whether the three spots of ground referred to in that action are or are not available to the Mootadar as a means of revenue, under the comprehensive and forcible arguments used in the special Appeal Petition framed on the Extract from Minutes of Consultation dated 25th. June last.

13. I beg to add that I should have deemed myself at liberty on my own responsibility to convey to the occupants of land constituting the Glacis of the old Fort, the last of the intimations preferred to above, had not the Sub Collector lately

para 5. lately in charge submitted the subject for your Board's consideration in his letter dated the 8th May 1850.

Translation of an Answer filed in the Subordinate Court by Vakeel Mahomed Ruffee Ooddeen Ahtchan, defendant in O- S- No 108 of 1848.

1. The rent bearing lands* mentioned in the Plaint as liable to an assessment of Rupees 2-3-- on the two pieces of ground, have been in Defendant's enjoyment during the 3¼ years; they were under a many prior to the formation of the Plaintiff's Mootah, and Defendant received a Tooloo-chit for the lands from the then Tasildar of Salem Aroonachelliah, and paid rent to the Circar. After the formation of the Mootah Defendant received Puttahs from the Plaintiff, and paid rent to him as stated in the Plaint. But defendant having erected a house on a portion of the above land, Plaintiffs' Manager Sambiah distinctly assured him that he would get a Puttah issued exempting him from rent for the above portion as well

* Note They are detailed in the Tamil answer.

as for the rest of the lands, and was for that purpose awaiting the decision in the Suit then in progress for the Salem Fort lands between the Circar and the Mootahdar- It is from this cause alone that the payment of the small amount of rent has been delayed- But neither did the Plaintiff as stated in the plaint demand the amount nor did the defendant evade its payment- Defendant is not therefore legally liable to interest on the above amount-

2dly Further, if Defendant had really as stated in the Plaint evaded the payment of rent, Plaintiff would have issued notice in the respective years for which rent was due and collected it according to the provisions of the Regulation, and would not have allowed the amount to stand over as a balance for so many years.-

3dly Defendant therefore requests that the Court would consider the above explanations and non- Suit the claim for interest, and direct the Plaintiff to receive the

principal of the rent only-

Sir

In forwarding the enclosed notice of a proposed sale of land for an arrear of Fasly 1259 I have the honor to state that the defaulter Pullaby Ramasastry is one of the parties whose balances were recommended by me for remission in my letter of the 22d Ultimo. Since addressing the Board on that occasion I have learnt that this defaulter possesses a Cawny of Punjah land which is said to have been given to him in charity for his subsistence, and the sale of a moiety of it will realise the arrears — unless the Board deems it proper under the circumstances to remit the amount. The defaulters family was once of consequence in the Village by Talook and possessed of lands in the Village, but it has all passed from their possession and the defaulter is reduced to such poverty that the present Cawny of Grounds appears to be all his property. —

Sir,

I. With reference to Extract from Minutes of Consultation of the 30th August, and to the Courts

2389. Fort St. George 17th February 1851.

made for the management of the Peroor-pollium Polipat and the difficulty of obtaining correct accounts of receipts and disbursements in previous years - Requesting sanction for a Monthly allowance for the support of the Minor Yea and for the Establishment which has been entertained.

Courts Proceedings of the 9th September last, I have the honor to report that the Polipat of "Paroor-pollium" in the Pulachy Talook, was taken under the management of the Court of Wards, under Regulation V of 1804; and a respectable Manager for the care of the Property as well as a Teacher for instructing the Minor Poligar have been appointed on a Salary of 14 and 7 Rupees respectively per mensem from the 7th October 1850.

2. The Revenue of Three Fists, amounting to Rupees 1980-3- has since been collected by the Manager, but adverting to para 2 of the Minutes of Consultation above referred to, I am yet unable to afford satisfactory information as regards the mode and results of the Management of the Estate, since the death of the old Poligar in 1844 - In consequence of the confusion and misrule into which this Polipat had fallen in late years no account of collection or expenditure is forthcoming and the Curnum of the Village is able to give little or no explanation the chief management having rested with one Balcunda Gopana Menuady / Grand uncle of the Minor / during the time the Estate was nominally under the charge of the old Grandmother "Vellaammall"; the uncle has since absconded to the Cochin Territory.

3. As far as I can yet learn it is to be feared that Baulacunda Gopana Menuady has fraudulently

Fort St. George 17th February 1851.

fraudulently appropriated to himself some thousands of Rupees from the Revenues of the Polliput, which he is said to have expended in establishing a large private Farm of his own within the Coelan limits, just beyond the Government Territory and his absconding immediately he found a strict enquiry of expenditure was commencing shews how necessary the assumption of the Estate to Government control, was for the sake of the Minor I have adopted measures for the apprehension of the said Munniady, and the requisite enquiries will be instituted, and the result communicated to the Court in due course.

4. Some of the lands appertaining to the Polliput appear to have been held Rent free by certain Members of the Polygars Family for their subsistence - the exact and revenue thereof will be ascertained and reported upon at the close of the Current Fasly. viz the meantime, I have considered it inexpedient to interfere with the existing arrangement.

5. In consequence of a requisition from the mother of the Minor, that the allowance required for the maintenance of the Family, should be disbursed from the surplus Revenue of the Estate, an Estimate was framed by the Manager under my orders, amounting to 62½ Rupees per Mensem, as indicated in the Margin - The Sum considering the number of persons in the family, appears, on the lowest scale absolutely necessary for their support, and is moreover

moreover just in that the Court sanctioned in the case of the Minor Poligar of "Shanadhore and Cotamputty" in the same Taluk. Out of this sum 12 Rupees will be paid to four Peons whose services are much required for the Security of the property of the Estate.

6. Adverting to Clause 2d Section XIV Regulation V of 1804, I would remark that the prescribed allowance of 10 per Cent of the permanent assessment does not exceed 280 7 8 per annum which is quite inadequate for the maintenance of the Minor and others, and I would therefore beg leave to request under Clause 5th of the same Section that sanction may be granted for the proposed monthly allowance of 62 Rupees which I have no hesitation in saying has been calculated upon the lowest possible scale.

Assuming the Collections of the first three months as fair data it appears to me that the Revenue of the entire Estate may probably be about Rupees 3938 and deducting the permanent assessment to leave a surplus of about 1133 Rupees per Annum.

As observed in para 3 of my letter to the Court of the 5th July 1850 No 271 no permanent Establishment beyond the Government Burmans of the locality is necessary, but as I have reason to believe that the actual extent of cultivation in the Polliput has undergone

no

Fort St. George 17th February 1851.

no examination for a very long time, and that lands have been given to Ryots on discretionary assessments, and without reference to Survey rates, I considered it expedient to appoint a Goomastah, pro tempore, for four Months on a pay of 5 Rupees per Mensem, with a view to ascertain more satisfactorily and clearly the real resources of the Estate and the frauds or alienation which may have taken place — the late mismanagement of Balaund Gotanda-=mundy — Two peons at 3 Rupees each will be employed if required to assist the Goomastah, and I trust that this temporary and small expenditure will be amply repaid by the results of the examination —

The aggregate expences chargeable to the Estate would be 83 Rupees a Month independent of the Temporary Sibbendy to be continued for 4 Months at a cost of 44 Rupees, but inclusive of the allowance of 50 Rupees to the Minor, and this arrangement has been carried out in anticipation of the Court's approval —

From the Collector of Madras. . . .

Submitting the printed Statement of the Gross Collections Charges and Net Revenues of the Extra Sources of revenue together with its several accompaniments A to H as well as a separate report from Mr. Assistant Collector Saylor on the Salt Revenue for Fusly 1259.

Sir.

I have the honor to submit herewith for the information of the Board and Government in triplicate, the printed Statements of the Gross Collections, Charges and Net Revenues of the Extra Sources of Revenue in the Collectorate of Madras together with its accompaniments A to H for Fusly 1259 and my Assistant's report on the Department under his immediate control.

Salt. 2. From Mr. Saylor's Report it will be observed that the gross revenue from the sales of Salt in Fusly 1259 was Rupees 1,13737 - - 5 exceeding the revenue of the past year by Rupees 14923 - 5 - 11.

The charges Rupees 78430 being somewhat larger than in the preceding year, the increase in the Net Revenue was no more than Rupees 7762 - 14 - 11. The percentage for the two years was 17 55/64 and 18 61/64 respectively. The

3. The fluctuations under this head do not appear to call for special notice. The sum of Rupees 3-8- brought to account under the head of Charges is merely the refund of duty made to Messrs Binny and Co under the sanction of Government.

Abkarry.

4. Nearly the whole of the Demand of the Current Revenue for Fusly 1259 Rupees 5,72,067-12-10, was collected within the year leaving a balance of Rupees 129-1-3. As this balance is merely nominal arising from the failure of two Shopkeepers to purchase liquor from the Government Stores to the full extent of their bonds in consequence of a fall in the demand I beg leave to recommend that the sums may be written off to profit and loss for the proper adjustment of the accounts.

5. Including the several extra collections enumerated in the margin the aggregate Abkarry Revenue amounted to Rupees 5,72,796-14-5 being below the receipts of Fusly 1258 by Rupees 910-4-11.

will shew that this falling off in the revenues of Fusly 1258 occurs entirely under the head of Arrack Puttah and Columbo - The causes assigned in para 5 of my report of last year in reference to the sales of Columbo Arrack, coupled with the unfavorable nature of the season have operated in producing the decrease now adverted to - A portion of the decrease occurred in the sales at St. Thomas' Mount — which is owing to the removal of a — certain number of the troops stationed at that locality.-

7. The Board will have seen from the Marginal Statement appended to the preceding para that the revenue derived from Toddy was much larger in the year under report than in the past

1259	1134-9-"	Sales of Brandy also exceeds those

It is also worthy of remark that the — actual Collections under this head — amounting to Rupees 2,35,466-2-10 are in excess of the estimated revenue as given in my letter to the

this Board dated 1st July 1849 by Rupees 4,208-4-2.

8. The entries in respect to the — Collections of the Abkarry revenue for Fusly 1259 correspond with those in the Statements of Demand Collection and Balance with the exception of the — several items of Extra revenue the whole of which are included in the sums of Rupees 709-8-4 and Rupees 148-10-6 in Columns 12 of Statement No. 1.

9. The charges of the Abkarry Department are as follows.-

11 The decrease in No. 3 was occasioned by the purchase of a smaller quantity of

of Jaggery for the distillation of Putta Arrack at a price somewhat below that of the past year.-

12. Deducting the charges the Net Ma-Karry Revenue is Rupees 497.190-8-4 thus exceeding the like revenue of

Small Farms & Licensees.

13. The small difference in the receipts of the present year compared with those of the past Fusly under the head of Sundry small Farms and Licenses, consisting of Fees for regulating the weights and measures in use at the different Bazars is of an ordinary nature not calling for Special notice.-

3 Proportion of general Extra Charges	4-10-2	3-9-11
	2546-12-0	2543-7-6

16. This small decrease in the charges does not require particular remark.-

17. Deducting these charges from the aggregate receipts the Net revenue amounted to Rupees 8726-7-8, being less than that of the preceding Fusly by Rupees 21-13-9. The percentage of charges in Fusly 1258 was $22\frac{34}{64}$ in Fusly 1259. $22\frac{30}{64}$.-

of the past Fusly by Rupees 161-5-9.

19. The principal portion of this revenue is realized as duty on Firewood and Shells which may be seen from the Statement IIe submitted in compliance with the Board's orders in their Proceedings of the 26th March 1849 the Collections on the former article suffered from a decline in the demand while the enhancement in the revenue from Chunam Shells was occasioned by large sales at the Basin.

20. The fluctuations in the duty on grain and articles included under the general name of Sundries, do not appear to call for any particular remark, as their supply was regulated by the demand at Madras, while the augmentation in the receipts on account of Salt is explained by the larger quantity brought down the canal in the year under report.

21. The revenue on Cochrane's Canal corresponds with the entry in the Statement of Demand Collection and Balance. The

		3561-10-11-	3939-3-6.

23. The only item requiring explanation is that of Extra Charges the increase under which head in Fusly 1259 was occasioned by certain repairs made to the Canal.

24. The charges as shewn above being deducted from the collections there remains a net revenue of Rupees 27,695-13-9. which is less than the like revenue for Fusly 1258 by Rupees 216-2-10,

Total Gross Collections Rs.

30. From the foregoing Statements it will appear that the Grand Total of the Gross Collections for the year under report amounted to Rupees 1038391-13-8 or Rupees 14968--9 beyond the receipts of the past year from which if the charges under every branch of the Extra Sources be deducted the Net Revenue for Fusly 1259 will be found to exceed that

No. 9.

To,

J. A. Hudleston Esq. 1st
Collector of
Madras.

Sir,

I have the honor to forward for submission to the Board of Revenue, and to accompany the usual Statements connected with the Extra Sources of Revenue in this Collectorate, a report of the Revenue derived from the sales of Salt in Fusly 1259.-

2.- The Sales of Salt for Home consumption in the year under report amounted to Rupees 112008-14-5 exceeding those of the preceding year by Rupees 11401-14-5.-

3.- This increase has mainly resulted from the adoption of those measures referred to in my last annual report, by which greater encouragement has

Salt.

has been afforded to the petty dealers to make their own purchases from Government rather than depend on the inland traders for their supplies.

4. The actual quantity of Salt purchased annually for the town and suburbs of Madras will now appear in the accounts under it's legitimate head of Sales for Home consumption and these may be expected to progress in proportion to the increase of population.

Inland Sales. 5. The Sales for Inland Consumption which were interrupted for a period of two months + nearly, in consequence of the insufficient supply manufactured in the preceding year, amount notwithstanding to Rupees 2,90,307 and exceed those of Fusly 1258 by Rupees 16,035.

+ From 12th. February to 3rd. April, see my report to Collector 27th. April 1850.

Export Sales by Sea.

Fusly 1258-23,929-3-2
1259-11,376-- --

Decrease-12,553-3-2-

7. The quantity of Salt sold in Fusly 1259, for export by Sea was Garces 631-399-7- which realized Rupees 11,376- The decrease under this head as compared with Fusly 1258 amount to Rupees 12,553-3-2- and is attributable chiefly to the want of a sufficient store at the Emore Beach to meet the applications made at the Office in the early part of the Fusly and partly to there being little demand for the Bengal market in the months of May June and July last-

Aggregate Receipts-

8. The whole of the ordinary Salt Revenue of Fusly 1258, is Rupees 4,13,691-14-5 which added to the sale proceeds of certain Palmeira leaves &c., raises the total to Rupees 4,13,737--5 exceeding the Revenue of the preceding year by Rupees 11,923-5-11-

9. The ordinary receipts Rupees 4,13,691-14-5- and the amount of the sale proceeds of Palmeira leaves, Gummies &c. Rupees 45-2--, are separately entered in the Statements of Demand Collection and Balance to the 11th July last-

Charges-

10. The Charges of the two years under review are as follows-

The

Fusly 1258-3819-7-4
1259-4545-13--

11- The decrease in No. 1 is owing to fines imposed on certain Salt servants being larger in the year under report, and the increase in No. 2 to Coodewarum being paid on a quantity in excess of that manufactured in Fusly 1258-

12- The increase in No. 3 was occasioned by the payment of certain arrears of Compensation sanctioned by Government-

13- The increase in No. 4 and decrease in No. 6 do not call for any particular remark-

14- The decrease in No. 5 has arisen from the exportion to Calcutta of a much smaller quantity of Salt in Fusly 1259 than in the previous fusly-

Fusly 1258-1329-160---
1259-631-399-7-

15- After deducting the Charges the Net Revenue derived from the sales of Salt in Fusly 1259, is Rupees 3,35,306-6-3. being above that of the previous year by Rupees 7,762-14---. The per centage of Charges was for Fusly 1258, 17 55/64 and for Fusly 1259, 18 6/64-

(Here enter No. 105)

The Settlement of the year is reported at Rupees 65,530-12-4 being Rupees 1,830-8-1 in excess of the previous Fusly, which the Collector states to be owing chiefly to a stricter scrutiny having been made into the holdings of petty Shop Keepers - It is divided under the following heads -

Bills- Demand.
Fusly 1258-797-1700--7
1259-925-2012-0-1
128-311-15-6

There were a larger number of Gardens and Paddy fields uncultivated the demand on each land being Rupees 311-15-6. in excess of the previous year which was probably owing to the scanty supply of water.-

2. On referring to Statement **C** it would seem that the Demand Rupees 65530-12-4 does not exclusively belong to this year, but in some instances as shown in the numbers noted in the margin included the accumulated balances for past years, on certain plots of land, and the Board are of opinion that it would give a more correct view of the Current Revenue, if in such cases the demand for previous years were included under a separate head.-

Nos 4-8-11-12-36-48-66.-

3. The Collector has furnished this year a new Statement (**D**) showing the Kind of irrigation upon which the lands are dependant but states his inability to supply the particulars of Dry Wet and Garden showing the nature of the soil, as there are, in the absence of a Survey no accounts from which this information can be obtained. These therefore must be dispensed with. From the Statement as now furnished the Marginal Abstract is drawn and shows that about half the land is irrigated from Yearies,

Irrigation	Land				Assessment			Average per Cawny		
	Cs	G	Sqt	Rs	A	P	Rs	A	P.
From Yearies or Lakes	1085	19	1972	6530	13	3	6	0	3
From Well Tanks and Water Courses	882	22	2357	4406	14	6	4	15	9
Dependant on the rains	203	17	2352	822	1	8	4	0	6
	2172	12	1831	11765	13	5	5	6	8

less than one tenth is entirely dependant on the local rains and the remainder derives its supply of water from Wells Tanks and Watercourses.-

The average assessment of Yearly cultivation is Rupees 6-0-3 per Cawny, but in the Village of Egmore it is Rupees 13-4-0 and in Chitput Rupees 18-10-0 per Cawny- This is very high as compared with the other Villages but the extent of land thus highly assessed is inconsiderable- The average assessment of the lands irrigated from Wells and Tanks is Rupees 4-15-9 and of that dependant on the local rains Rupees 4-0-6 which seems high in proportion- Of the total extent of land it is observed that more than half is within the Villages of Saint Thome and Tandiarpett.-

In the preparation of this Statement in future it will be unnecessary to enter the number of Bills under each head of Demand Collection and Balance, as it tends somewhat to confuse and lengthen and the Statement without any corresponding advantage.-

4.

Para 20: 5. The Board approve of the proposal of the Collector to enter in future the Grama Samudayem under each Village in Statements **G** and **H**.-

Para 8. 6. Of the Current Demand Viz^t Rupees 65530-12-4- the Collections within the Fusly amounted to Rupees 56543-12-1 leaving a balance of Rupees 8987-0-3 which was reduced by

by subsequent Collections to Rupees 7,201-11-. The Collector explains that nearly half this amount is due on unoccupied houses and uncultivated lands. On account of the latter out of a demand of Rupees 2,012-0-0 only Rupees 15-2- were collected.

	Demand	Collection
Unoccupied Houses	1908-9-3	354-8-4
Uncultivated Lands	2012-0-0	15-2-0

7. The several items of Current Revenue with the Collection under each head were as follows.

Quit Rent on Houses and Gardens occupied	41,302-12-0	38,965-12-8

8. The Demand and Collection on account of arrears at the commencement of the Fusly under report were.

leaving a balance on account of arrears of Rupees 17,476-5-8 which added to the balance of Current Revenue (Rupees 8,987-0-3) makes a gross balance outstanding at the end of the Fusly of Rs 26,463-5-11.

9. Referring to the large amount of arrears

Paras. 6 and 15

arrears the Collector recurs to his former reports pointing out the difficulties which are opposed to the realization of the Revenue under the existing state of the law and observes that "being without "the power to interfere with the land, and there "being nothing on the ground to enable me to dis- "train for the Quit Rent, I have no alterna- "tive but to allow the demand to lie over till "such time as circumstances will allow of its "realization." The Board observe that the Draft of an Act for the better realization of the Land Revenue of Madras has been already prepared, and as the Government in Minutes of Consultation 9th September 1850 resolved to submit it to the Government of India they are in hopes that the difficulties noticed by the Collector in the Collection of the revenue will shortly be obviated.

Statement E

10. The Gross Collections on account of Current arrears and Extraordinary Revenue were Rupees 65,798-6-6 and the Charges Rupees 16,990-9-10 leaving a Net Revenue of Rupees 48,807-12-8. The Charges were Rupees 4,458-10-5 less than in the preceding year which arose from the smaller amount expended in the repair of Tanks and water courses.

No. 85.

To The Chief Secretary to Government.

50

No. 359

To the Chief Secretary to Government. Sir,

1. The Board have the honor, as directed by Government to report on Petitions 2063 and 2081 of 1850.—

Reporting with reference to the order of Government 29th January 1851, on Petitions Nos. 2063 and 2081 from certain inhabitants of the Manargoody Taluk complaining of the introduction of the cultivation Dittum or Engagement which was before abolished as objectionable.

2. The Petitioners object to the orders of the Board directing a Cultivation Dittum or Engagement, which they complain against as novel, and as a revival of a former system abolished as objectionable.—

3. A cultivation Dittum, the Government are aware, is in force in other Ryotwary districts and has also always existed in some form in South Arcot.

From Govt. 20th March 1822 para 4 & 5

4. The dittum, discontinued in Fusly 1236 is shewn by the records of the Board to have been formed, in a great measure under undue persuasion, and in some instances compulsion of the native revenue Officers. In the Boards orders regarding the present Dittum to which the Petitioners refer it was directed,

Pro: 22d April 1832

"that the ryot should be left entirely

to

to himself without direct or indirect interposition of the public officers in his annual engagements for cultivation."—

Copies enclosed in Petitions and translations appended in this office.—

5. The proclamations issued by the Collector on these instructions plainly carry out the intentions of the Board and leave no ground for apprehension on the part of the ryot of any infringement of his customary rights. Their freedom to cultivate remains the same, and the same consideration will be shewn by the Collector at the Settlement, to Dittum Waste, as has been heretofore usual on uncultivated lands.—

6 In as much as the system now directed, records the engagement to cultivate it will not permit, as hitherto, the Talook and Village revenue Officers to favor influential ryots at the settlement by declaration of a less amount of cultivation than was originally agreed upon, and hence may have arisen some opposition to its enforcement.—

One

No. 2639 of 1850. From Ramalinga Pillay and others of Chidambram Talook in South Arcot Raise objections to the orders of the Board 29th April 1850 respecting Dittum and state their willingness to accept the Dittum provided the Hoolooj settlement is introduced.—

Endorsement—

The orders of the Board respecting Dittums have reference to the extent of land taken up for cultivation at the commencement of the season. The waste portion if any of such land will receive from the Collector the same consideration as has hitherto been customary 27th January 1851.

7. One other Petition has been presented to the Board complaining of the Dittum which they have disposed of, as marginally noted, though they think it not improbable, that opportunity will be taken as in their opinion, in the case of the Petitions now reported on, to bring forward under the cover of a complaint against the Dittum, other alleged hardships.—

8 The Board apprehend that no real aversion exists to the measure directed, and that present doubts, if any, will be explained to the satisfaction of the ryots at the approaching Settlement.—

9. In order that Government may be fully informed of the orders of the Board on this subject, it is resolved to transmit copy of their letter to the Acting Principal Collector dated 22d April 1850.

To the Collector of Cuddapah

Sir,

The Board have taken into consideration the present condition of and duties performed by the several Cuttobady Peons referred to in your Endorsement on Petition No. 813 of 1850. They are not prepared at present to recommend the remission of the Todee on their Inams, though from your Statement of the additional duty which they have been called upon to perform they appear ill requited for their services.

2. It will be sufficient in the Board's opinion, pending the final arrangment of the Police body of your District, that you should employ these Cuttoobadies in such a manner as to lighten their present duties, retain them at no great distance from their homes, and permit a return thither at shorter intervals.

To the Collector of .... North Arcot

The Board having received a Petition from Ananda Row complaining of his dismissal from the Office of Sheristadar of the Caveripauk Talook and referring to your Return of the 15th January, finds that he was dismissed for uttering gross falsehoods and giving suspicion of having altered an Uzmaish account.—

2. They have referred also to the particulars detailed in your dismissal order of the 20th December, forwarded by the Petitioner and upon due consideration of all the circumstances of the case are of opinion that the misconduct of Petitioner was not of that grave nature to require the entire removal from Office of an old public Servant of 32 years standing and that either suspension, fine, or transfer to a lower grade would have been an adequate penalty for the offence charged against him.—

3 While we are not unmindful of the fact that a portion of this augmentation represents additional Establishments which have been required for the purpose of developing the receipts from Opium, Salt and other branches of Revenue, and that against that portion may therefore fairly be placed the increase gained by means thereof to the income of the State, yet in the present position of your Finances, we must remind you not only of the importance of Closely watching all augmentation of expenditure, but of the indispensable duty of adopting effectual measures for the equalization of income and Charge. To this most essential object we must therefore direct your immediate and unremitting attention, and it is very important that the same Consideration should be impressed forcibly upon the attention of the Subordinate Governments. -

4 You will not fail to give us information of the progress that is made from time to time in the reduction of your expenditure, and we hope to learn that the prospect may be confidently entertained of its equalization with your revenues at no distant period. -

Sir,

I have the honor to acknowledge the

a Statement of Services rendered by Cutwall Baubjee and others in the District of Cuddapah and also returning the Petitions presented by them to the Board of Revenue

the receipt of Extract from the Proceedings of the Board of Revenue under date the 12th February 1849 enclosing Several Petitions from persons formerly employed in the Talook of Bungaupully and claiming redress for having lost their Situations on the Jaghire being made over to the Nabob of Bungaupully

From the Statement of the Services
2
of the different parties herein enclosed it is shown that Cutwall Baubjee, is the only person, who has served for any length of time in this District, a period of 24-7-7, the last situation he held in was Cutwall of Cuddapah in Chennoor Talook. While holding this service, a Murder took place in Cuddapah of very heinous nature, when Suspicion arose that he had not performed his duty faithfully, he was in consequence transferred to Bungaupully and held the Situation of Cutwall until the Talook was made over to the Nabob.

Sheik Hoosain appears never
3
to have Served in this District at all, he has therefore no claim to be provided for, on account

of

of loss of appointment

4 Moopoory Gungoolee appears to have held the office of Tuppah Runner in this District for 5 Months and 21 days, he therefore has no claim.—

5 Peons Ally Saib, Bundy Mullapah Goolam Hoosain, and Royachoty Soobbunnah have never been employed in this District and in Consequence have no Claim.—

6 Fakeeruppah alias Juna Fakeerah appears to have done duty as a Police peon in the Talook of Budwail for a period of 2 years and odd his claims to have served in this District is very small.—

7 The claims of several persons mentioned in the enclosed Petitions have been reported on, by the late Commissioner of Kurnool Mr Phillips, in his letter under date the 13th January 1849.—

8. Should the Board of Revenue deem it expedient, I have no objection to re employ the said Baubjee in a suitable situation when any becomes vacant.—

With reference to para 9 of your letter of 8th June 1850 I am directed by the Board of Revenue to request you will transmit to them the documents by which it is Shewn that the Madras measure in Mr Graham's time Contained 120 Rupees weight of Grain, and you will be good enough to inform them whether in general usage the expression a measure of 150 Rupees weight means 150 Rupees weight of Paddy or of grain; they would wish such a measure transmitted to them as a Sample of the one in general use in your District.

In your letter of 20th October 1849 you State that previous to Mr Cooke's report to the Board on the weight and measures of North Arcot in april 1822 he received Statements from the Talooks reporting the weight of the measure to be in some places 120 in others 116 and 164 Rupees. Sir,

I have the honor to acknowledge an Extract from the Proceedings of the Board of Revenue dated 27th January 1851, Calling for a report as to the present Condition of estates of incapacitated proprietors in this District which are under the charge of parties unconnected with the Court of Wards.

2 The estates of that description in this District are two viz Cuttow and Goodipauty as stated in my letter of the 9th September 1850. The former has been under the management of the grand Mother of the Minor Poligar since 1842; the latter under that of the minor's mother since October 1849. Both appears to be well and judiciously managed, without annoyance or injustice to the Ryots on the one hand, or dissipation of the Revenues on the other. The Pauchaut of both is regularly paid without arrear, even in a trying season such as that of Fasly 1259. No Complaints of ill treatment or extortion or injustice have reached me from the Ryots of either Polleam, even when I have been in their neighbourhood, and general information appears to corroborate the inference hence deducible as to the fairness of the Revenue administration. neither of the Poligars hows any Police authority.

Note
The Cuttow Peishcush is Pt 4,38-6-10 annually. That of Goodipauty is Rt 2,973-15-0—

Board No 37 of Do

From Paromal Mooppen of Cunkingery in Salem

Complains of the illegal and fraudulent Sale of his Land and ill treatment experienced by his brother.

Order of Government

The Board of Revenue will request the Collector of Salem to report what has occurred in this case.

21st June 1850

Boards Endorsement

Forwarded to the Collector for report with reference to the orders of Govt noted within

10th July 1850.

Para 1 I have the honor to report upon the Petition noted marginally with reference to the Board's Endorsement dated 10th July 1850

2. Under the provisions of Regulation V of 1822, a decision was passed by the late Principal Collector Mr Gleig dated 11th August 1840, which declared Petitioners brother entitled to hold possession of certain lands and palmira trees. The opponent of the party thus benefited was not satisfied with Mr Gleig's Judgment and appealed, but the

Judgment

judgment was affirmed - It would seem that subsequently the said opponent took fresh judicial proceedings, founding them on an alleged bond for 40 Rupees, the truth or falsity of which as Collector and Magistrate, I have no means of ascertaining, because the matter was originally brought before and decided by the Judicial authorities of the District. The result of these was a writ of execution under the effect of which a sale took place; of the real merits and details of which I am also uninformed - If, however, any irregularity or injustice occurred, it is obvious that an appeal should have been made at the time to the authority who issued the writ.

3. As respects the assault and fracture of a bone to which the Petition has reference, I find that Petitioner's brother was formerly assaulted by a certain washerman, that in due course the washerman was forwarded by the police to the Court, by which punishment was awarded - Petitioner's brother was under treatment for the fracture at the Government Hospital, and was thence discharged, cured - He however

however, died in his own Village some time after his return to it.

4. I have reason to believe that the person from whom the address under notice purports to have proceeded, is the individual who some years back exhibited great anxiety to be run over by the carriage of the late Governor Lord Tweeddale, under the wheels of which he once or twice almost cast himself - For that attempt he was transmitted to the Magistracy of this District, and by their orders was for a period of six months held to security - On the expiration of the time to which his surety was limited, he disappeared, and as it would seem, is now again at the Presidency.

Govt. No. 983 of 1850

With reference to the orders of Government dated 26th. June 1850 on a Petition from one Peroomal Moopen complaining of the illegal and fraudulent sale of his land and the ill treatment experienced by his brother, I have the honor to forward the accompanying explanation from the Collector of Salem from which it will appear that the land in question was disposed of by an order from the Judicial authorities of the District, in consequence of a suit instituted against the Petitioner's brother on a bond alleged to have been executed by him.

2. In respect to the ill treatment referred to, Mr. Phillips states that the party who was guilty of the assault on the Petitioner's brother was forwarded by the Police to the Courts when due punishment was awarded to him.

B. No. 414
From the Collr
of Salem —
Requesting that

Sir,

Adverting to the extent to which

that he may be allowed a discretion, in respect to the settlement of each Talook being made within its limits, as prescribed by Government and the Board in consequence of the prevalence of Cholera in the District.

which Cholera is now prevailing in this District, I have the honor to submit for consideration, that it is desirable I should be allowed a discretion in respect of strictly adhering to the standing order of your Board which prescribes that the settlement of each Talook shall be made within the limits of the Talook.

Since I commenced the settlement of the current Fusly, I have had to modify my plans in several instances, owing to the prevalence of sickness at the places where I had appointed to make the Jummabundy and to which I was unwilling to summon large bodies of Ryots, who besides in all probability, becoming themselves the sufferers would doubtless be the cause of the epidemic spreading.

It is not in all cases the most convenient arrangement for them that the cultivators of the Talook should be assembled at its Cutcherry or a Central Village. I may have it in my power to bring a portion of them to a healthy large Village in the neighbouring Talook and to do likewise with the remaining portion by passing over to a border Village in the next division, by which arrangement however it may so happen that I do not make the settlement of a particular

Talook

Talook in either of it's own Villages. For instance I was the other day at a Village close to the border of Talooks Salem and Ahtoor where a large part of both those divisions might with comfort to the Ryots have been completed. as the order stands, it was, however, incumbent on me to go into Talook ahtoor, where at Ahtoor, it's Cusbah, several of the Ryots were attacked with Cholera and some died.- I am confident that under the circumstances of the Season the cultivators generally would greatly have preferred going a few Miles further to my Circuit Cutchery within the boundary of Talook Salem rather than meet me at Cusbah Ahtoor where for the previous ten days the epidemic had been raging.

I trust I need not assure the Board that any diviation from the rule which I may permit myself, will be adopted only on grounds of extreme urgency and then with the sole view of securing the inhabitants of any charge from unnecessary exposure to disease.

Under the peculiar circumstances brought to notice by Mr Phillips he is authorized by the Board to make the settlement of the present Fusly at such places as may be most advisable with regard to the health of the people. Where Cholera does not prevail the course pointed out by Government should be adhered to.

Sir,

Bd's Proceedings 22

From the Collr of Madura -

To Bd dated 5th Apl 1839

From Dr 25th Do.

With reference to the correspondence noted in the margin, I beg to express my opinion formed from the experience of the past Fuslies, that the entire abandonment of the system of Poolee Thondo or requiring the Ryots to make good the deficiency in the outturn of the thrashed crop below the estimate is inconsistent with the due realization of the Government share of the revenue. I have reason to believe that the Ryots do abstract considerable quantities from the

the heaps of grain before the partition takes
place; and that they cannot be restrained
from doing so except by a fear of having to
make good the difference. I would therefore
request discretion in this respect. I
would not impose the Poolee Thondos
except on sufficient enquiry and strong
suspicion of fraud, and never when the
deficit is less than 10 per Cent.

2. I believe that where the Government Revenue was collected on division of Produce the practice of Poolee Thondos always prevailed.

Order thereon

Ordered that the following letter be sent in reply.

To the Collector of Madura.

Sir,

In Cons. 20th Feby 1851. With reference to your letter of 4th February 1851 I am directed by the Board of Revenue to observe that you do not state whether your proposal to remit the

the system of Poolee Thondos refers to the District of Madura or the Zemindary of Shevagunga.

2. From the Circular order of the Board dated 20th January 1820. you will perceive that the above system has met with the strong disapprobation of Government as a means of securing the Revenue of the ayen Villages, and Mr. Blackburn both in his Report on the settlement of Shevagunga for Fusly 1247 (Para 2) and in his letter to the Board of 5th April 1839 has pointed out the hardship of enforcing it

In Cons. 5th April 1839

it in that Estate.

3. As a general Rule therefore the Board consider it abolished, though if it has been the usage in the Zemindary, the Board will not object to its being enforced in those special cases where you are satisfied there has been fraud, and where the deficiency exceeds 10 per cent.

R. No. 3151.

From the Actg. Princl. Collr. of Coimbatore

Sir,

I have the honor to for-ward the usual Accounts of the Esctree Revenue Settlement of this District for Fusly 1259.

2. There have been no receipts or charges under the head of Sayer in this year as in the past when the Surplus in the Sale proceeds of Sayer smuggled Goods Seized in previous years and the amount of Sayer duty levied on Tobacco and refunded to the Cochin Orkar were exhibited in the accounts.

3. The demand on the Abkarry Farms amounting to Rupees 73356 was recovered in full and exceeds that of Fusly 1258 by Rupees 1479.

4. The Revenue derivable from Sundry small Farms and Licenses amounts to Rupees 3586-1-11 or Rupees 2963-12-2 above that of the preceding year caused by the transfer to this

this Head of the amount of Ferry Farm under instructions conveyed in para 5 of the Board's Proceedings dated the 29th April 1850 which was recovered in full.

5. The sales of Sandalwood Teakwood and Ivory are less than the Amount of the last Fusly by Rupees 2926-2-8 occasioned by the limited sale of Sandalwood. A comparative abstract esplanatory of this item is subjoined.

Items	Fusly 1258			Fusly 1259			Increase			Decrease

							Deduct Increase			35	14	7
							Net Decrease			2926	2	8

6. In the item of charges for Sandalwood &c there is a net increase of Rupees 172-"-8 as will be seen from the following Memorandum the amount paid for felling and conveyance was small, but the increase has been occasioned

occasioned from the pay of Silladdy previously included in Kundachaur having now been transferred to the Head of Sandalwood charges. Vide Extract Minutes of Consultation 25th January 1847 Two of the Elephants entertained for working the Animalli Forests died one on the 19th October 1849, and the other on the 25th April 1850 which will account for the decrease in the expences for feeding.

7. The amount of Stamp Revenue exceeds the revenue of Fusly 1258 by Rupees 3393-12-" from increased sales of Stamp Paper whilst the proportionate payment of Commission

commission to Venders as well as the increased refunds under Act No XVII of 1848 have produced an increase under the head of charges to the amount of Rupees 1205-13-8.-

8. The proper Amount of increase in the Moturpha Revenue in favor of the Fusly under review may be stated at Rupees 294-4-3 but the accounts would show a deficit of Rupees 294-4-3 this is merely nominal having been caused by the transfer of the amount of Ferry Farms to the head of Sundry Small Farms and Licences" as per Boards' Proceedings quoted above the aggregate demand for Fusly 1259 is Rupees 77,216-2-- Collections in this the Fusly were Rupees 76,641-5-9 and subsequent recoveries in October last Viz.t 561-8-7 have reduced the balance to the trifling sum of 13-3-8 in the

the Kongayem Talook for the realization of which measures have been adopted.

9. An abstract Moturpha Statement No 7 is transmitted as directed in the Boards' Proceedings of the 9th June 1850.

10. In the Amount of Profits on Tobacco is a decrease of Rupees 19,640-9-1 caused by diminished Supply of Tobacco to the Cochin State and by an increase in the average rate of price calculated under the orders of the Accountant General. In respect of this item a detailed Statement is submitted of which the one entered below is a concise abstract.

From the Secy to Government

Communicating an Extract from a General Letter of the Honorable Court of Directors dated 2d October 1850 with the orders of Government thereon.

Extract from a General Letter from the Honorable the Court of Directors Dated 2d October 1850 N° 9.

Forwarding a Memorial from Buddrudeen and others late Holders of the Shotrium Village of Copulcund in Hurnool praying for the restoration of that Village on the terms on which it was originally granted.

Para 2. This Shotrium was granted by the Emperor Mahomed Shah in the year 1737 free from all taxe and demands but about the year 1800 it was assessed by the Rayals of

Extract from the Minutes of Consultation under date the 10th January 1851 N° 30.

Para 8. A Copy of this para will be furnished to the Board of

of Kurnool with a heavy Jodigy which it continued to pay up to the time of our resumption of the territory of Kurnool. The Shrotriem was shortly afterwards formally resigned by the Holders in consequence of their inability to discharge an arrear of Jodigy and was incorporated with the Government Villages. We agree with you in thinking that a grant thus mutually abrogated forty years before our taking possession of the country cannot afford any ground of claim against our Government. The prayer of the Memorial must therefore be rejected.

of Revenue with reference to their Secretary's letter dated 10th September 1849 No 404 in view to the necessary communication being made through the agent in Kurnool to Syud Buddroodeen and the other Enamdars of Copaul praying the Honble Court of Directors

Forwarding a letter addressed by Captain Cuthbertson to Professor Royle together with Samples of barley grown on

3- This letter and its accompanying Samples were handed over to Dr Royle.

4- Will be communicated to the Board of Revenue

on the Neilgherries

with reference to their Proceedings dated 9th October 1849 No 438.

Reporting the resumption of the Cavelly Enams of Mammundoor and other Villages in North Arcot, and forwarding a Memorial from Mungunmah praying for the restoration of her Shares in the Enams

4- As a money allowance equivalent to the average net proceeds of the Enams, has been assigned to the dispossessed Cavilgars for life subject to revision on their decease, you will cause the Memorialist to be informed that we must decline to disturb the arrangement which has been sanctioned by your Government.

5- The Board of Revenue will cause the decision of the Honorable Court conveyed in this para to be communicated to the Memorialist Mungunmah

Forwarding proceedings relative to the condition of the Laccadive Islands after the Hurricane of April 1847 and to the measures which have been adopted for their relief

6- We have perused with much interest the valuable Reports furnished by Mr Robinson

7 In communicating these para to

Robinson the Head Assistant to the Collector of Malabar on the condition of these unfortunate Islanders, founded on an active personal investigation and we entirely approve the measures which he has carried into effect for their relief.

Mr. Robinson and the Revenue Officers in Malabar and Canara the Board of Revenue will draw the attention of these Authorities to the views of the Honorable Court conveyed in the 9th paragraph.

7- The greater portion of the Laccadive groups of Islands is under the uncontroled management of the Beebee of Cannanore, subject to the payment of an annual peshcush of Rupees 10,000-

From the details furnished by Mr. Robinson we learn that the Revenue and Judicial administration is of a description which much represses the development of the resources of the islands, and that it is the cause of grievous oppression to the inhabitants. The precise position in which the British Government stands towards these Islands, and the extent to which

which it has a right to interfere with the Beebee's management are not clearly shown, but it seems obvious that no interference on our part has hitherto been practised and that the people themselves, contrasting their condition with that of the inhabitants of the Company's islands, are most anxious to be placed under the direct administration of our officers.

8- We entirely concur in the opinion of your Government that we have no right to demand from the Beebee the compulsory cession of these islands on the grant of a pecuniary equivalent. The almost entire destruction which has overtaken the two most valuable islands has however compelled the Beebee to apply for a remission of Peshcush and you have resolved to recommend to the Government of India that one third shall be remitted for a period of ten years on condition of her giving effect to such reforms in her management as

as the Government shall deem advisable, on a further report from the Collector of Malabar.

9. This course appears to us to be expedient and if even with this relief the Raiha should be found unable from her diminished means to meet her engagements and the Pesh-cush should fall into arrear we think it highly desirable that she should be induced to consent to the permanent transfer of the islands to the management of our Officers in order that an improved system of fiscal and judici-al administration might be introduced which would doubtless result in the increase of the revenue concurrently with a diminish-ed pressure on the people.

The

Forwarding a memorial from Syed Ahmed Bawa praying for the restoration of a Pension which he enjoyed from the late Nabob of Arcot

Submitting Memorial from Mathew Khan praying for the restoration of certain Garden and Family lands formerly attached to the Jaghire held by his father.

10 The Memorialist not having been in the receipt of this allowance at the period of our oc-cupation of the Country the prayer of this Petition cannot be complied with-

11. On the resumption of this Jaghire in 1815 an allowance of 600 Pagodas per annum was assigned to the Memorialist which was deemed sufficient to maintain the family in respectable circum-stances and which he still enjoys. We cannot consent to any alteration of that arrangement

8. The Board of Revenue will cause the deci-sion on these pe-tns to be com-municated to the Memorial-ists Syed Ahmed Bawa and Mathew Khan.

Noticing a claim advanced by Hoossain Doost Khan to the refund of the Peishcush paid by his Grand Father on the lapsed Jaghire of Avilcondah in North arcot also forwarding a Memorial from Mesrorah Beebee and Sabuna Beebee daughters of the late Jaghiredar praying for an increase of the allowances assigned to them.

15 The application of Hoossain Doost Khan was obviously inadmissible, and was therefore properly rejected.

10 Will be communicated to the Board of Revenue.

16- The claim of the daughters of the late Jaghiredar to an Increase of their allowances having been satisfied by a readjustment of the Family stipends their Memorial calls for no orders from us.

In

Forwarding a Memorial from Venca Ro Salub claiming to participate in the profits of the Jaghire of arnee.

17- In our Despatch of the 29th November No. 19- 1848 para 34 we observed that the allowance of Rupees 250 per Mensem assigned to this individual by his brother appeared to be a sufficient provision you will accordingly inform the Memorialist that we must decline to interfere in the matter.

11- The Board of Revenue will cause the decisions in these paras to be communicated to the Memorialists.

Forwarding a Memorial from Annah praying to be reinstated in the office of Tahsildar in Coimbatore.

18- In para 2 of our Despatch of the 5th September No. 11- 1849- we communicated our decision on a Similar Memorial from this individual to which we must adhere.

Those

Forwarding information relative to an alleged restriction of the supply of Salt to Malabar.

20 These papers have been transmitted to Her Majesty's Government for communication to the French Ambassador. The explanation furnished by the Collector of Malabar appears to be satisfactory.

N. Will be communicated for the information of the Board of Revenue and Collector of Malabar.

Forwarding a Memorial from Luchmeeboyee the widow of a dismissed Sheristadar praying for a pension.

21. We cannot comply with the prayer of this Memorial.

1/4 The Board of Revenue will cause the decisions in these paras to be communicated to the memorialists.

Forwarding a Memorial from Syed Shah Hoossainy complaining that the full allowance to which he is entitled is not paid to him.

22 It appears that this individual is one of a Sect of Fakeers for whose support a sum of Rupees 175 per mensem was sanctioned and that the share awarded to him under our orders of the 2d June No

No 4 - 1841 and 21st May No 9 - 1845 has been regularly paid. We must decline therefore to entertain his application.

Forwarding a Memorial from Anna-sawmy Pillay praying that the sole management of the Pagoda of Malavanmoor in Chingleput may be entrusted to him.

25 We must decline to interfere in this matter.

16 The Board of Revenue will cause the decision of the Honorable Court conveyed in this para to be communicated to the Memorialist Anna-sawmy Pillay.

Extract from a General Letter from the Honorable the Court of Directors Dated 30th October 1850 No 10.

4 Pension of Rupees 20 per Annum to Yellcoomahunty Koormana the Patrooda, lately a State prisoner at Vizagapatam sanctioned under the authority of the Government of India.

Para 17. This individual was confined in 1836 on account of his intriguing character and the influence he possessed among the refractory persons in the Palkondah Zemindary and he has lately been released He has furnished security for his future good behaviour and is stated by Mr. Smollett, the Governor's Agent to be an old man with no ostensible means of support.

Para 3 These paras will become related to the Commissioner in the Northern Circars.

18. We are therefore, of opinion that motives of policy as well as of humanity justified.

justified the consideration with which he has been treated.

11 Reporting that two lapses amounting to Rupees 84 per annum which occurred in the Establishment maintained for the Choultry at Thorigur had been continued.

20. It appears that an annual disbursement of Rs. 280-9-5 is allowed for the support of this Choultry which is devoted to the relief of travelling Brahmins, and the continuance of the two lapsed items was under the circumstances of the case proper.

21. It is in contemplation to effect a change in the nature and object of the Institution by converting it into a Hospital and Lunguer Kanah. But it appears to us in the present state of our information that such a step would be an infraction of the rights conferred by long established

5. In communicating these orders to the Board of Revenue and through them to the Collectors of North Arcot their attention will be particularly directed to the observations of the Honble Court conveyed in para 21.

established custom and if we are correct in this view we cannot admit either its justice or expediency.

2. Reporting that pensions which had lapsed by the death of certain Members of the Family of the late Nabob of Masulipatam have been continued in certain proportions to the sons of the deceased incumbents

24. The grounds on which those pensions were sanctioned appear to have been sufficient. It is satisfactory to observe that you bear in mind the principle of gradual reduction in pensions not strictly hereditary which was inculcated in our Despatch Dated 18th May / A.D. 12 / 1842.

7. These paras will be communicated for the information of the Board of Revenue.

3 Certain lapsed pensions continued for the support of the families of deceased Poligars in the Ceded Districts

25. The indulgence shewn to the widows of the late Poligars of Chittoor by granting them two-thirds instead

instead of the moiety, as previously determined, of their late husband's allowance, was, we perceive, only sanctioned by you after a full review of the circumstances and past history of the family.-

13- 14. Pension of Rupees 36-2-8 per annum granted to Appasawmy Moodeliar formerly Cauilgar of Achoodanum galum and other Villages in Tanjore from the period of the Cauil Settlement.- Memorial from Poonjee woodiar praying for a Pension forwarded, the Memorialist having been informed that his claim was inadmissible.

29 We see no reason to doubt the propriety of your decision in the case of Poonjee woodiar.- 9 Will be communicated to the Board of Revenue with reference to Extract Minutes of Consultation 17th April 1849- No. 390-

15 An annual allowance of Rupees 338-9-4 for the Expenses of Mosque at Arput in Tinnevelly- and Payment of Arrears to Syed Mohoodeen sanctioned

30- All authorities being satisfied of the correctness of this claim, its renewal was proper.- 10 Will be communicated to the Board of Revenue.

20- Payment of arrears of Yeomans in North Arcot which had remained undrawn for unnecessarily long periods to be paid only from the date of application, and four years fixed as a limit for the admission of claims to the continuance of such allowances.

32- The limitation of the period during which claims may remain in abeyance without prejudice to the claimant is just in principle But in order that this rule should be just in its practical operations it must of course 12- Will be communicated to the Board of Revenue.

21 Memorial from some of the Mahomedan Inhabitants of the Nellore District, soliciting the continuance of the yearly allowances enjoyed by their Ancestors.

The papers submitted with this contain no information as to the facts of the Petitioners' cases, but you state that they have been treated with liberality and in accordance with the principles sanctioned by us and the Government of India. We desire that you will submit the Memorial to that Government accompanied

B. Ordered that transcript of this Para with copy of the Memorial referred to in it be forwarded to the Board of Revenue in reference to Extract Minutes of Consultation 31st May 1849. That your humble Memo: =rialist most humbly beg leave to inform your Merciful Honors their miserable cases. Since the creation of humane race hitherto as many as Kings and Rulers have reigned in the world, each in time of his Government fixed charity calling ~~a~~ Youmeah and Enam for the Maintenance of poors and helpless, and at the same time escatted them after writing and giving Sanads and Per: =vanehs in their names, - They being satisfied by the trauttles of food and raiments prayed to God for long life and lasting empire of their Sovereigns. Notwithstanding the above poors died but the Augustous Sovereigns

Sovereigns issued that charity on their offsprings from life to life from genera: =tion to generation. After the death of those Sovereigns he who succeeded to them followed the same example and the Honorable Company also from the beginning of their Government till a long period fixed the very regulation of the late Nabobs of the Carnatic Countries and continued the above Yeomiah and Enams presented by the late Nabobs and Rulers and afterwards taking their Sunnuds and Perwanehs by every Yeomiahdars wrote only to continue Yeomiah of Yeomiahdar till his life, and after his death to be discontinued. By this means We poors may be maintained by this charity which though insufficient, yet trusting it, neither accomplished any knowledge, nor any Art to support them but, however they passed their time and prayed to God for the duration of the Honorable Company's Government, now have not a times food or rather ready to be escpired. There are many persons who

who are Lead amongst poor Memorialists some in want of food still wandering here and there and others through daily starvations are ready to be died - No any Ruler of any nation detained charity fisced by any Ruler up to this time. The Honorable Company support the whole world and are inadequate in justice, kindness particularly in maintaining to the poors. So this charity your Honors selves continuing a long period, now at once have detained, it is far from your honors justice. By detaining this charity there is no any advantage to the Honorable Company but the poors die unjustly, and even it is not proper to the Ruler to cease charity of poors.

Therefore poor Memorialists hope that your gracious Honors will be kind enough as to exalt them by issuing their ancestors Yeomiahs on their names by this means they will be relieved by various troubles and daily starvations will pray to God for the Honorable Company's August and durable Government.

Sir,

I have the honor to acknowledge the receipt of your letter dated 8th November 1850; No 636 sanctions reduction being made in the Detachments &c in communication with the Civil Authorities and requests that a statement may be forwarded shewing the alterations for submission to Government.

I have the honor to acknowledge the receipt of your letter dated 8th November 1850; No and subject as per margin, and in reply to acquaint you for the information of his Excellency the Commander in Chief that as directed in its 2d Para, I have in communication with the Civil Authorities, reduced and withdrawn all such portions of Detachments from

from Corps in the Southern Division as could without inconvenience to the public service and with the Concurrence of those authorities be dispensed with.

2 With reference to the 3d Para of your letter I beg to report that the accommodation afforded for the present Talook Guards in the Tanjore Collectorate would not be sufficient were their strength increased as suggested, and that additional room was not procurable. Under these circumstances I have arranged with the Collector, that requisition for all future Treasure Escorts should be made on the Officer Commanding at Trangueber (to the Treasury at which place all the Talooks remittances are sent) instead of their being taken as heretofore from the Talook Guards. This relief will leave the duty of these Guards not more than they can properly perform.

3 I would venture, however here again to repeat that there seems no good reason whatever for the Continuance of these Talook Guards in the Tanjore District

For St. George 17 February 1851

District - They are not required in any of the Surrounding Collectorates and I cannot understand, why as Peons are Considered sufficient protection for the Guarding of the Treasure, and escorting it to the Head Quarters Treasury in the Trichinopoly and Madura Collectorates they should not be so in that of Tanjore -

4 The new arrangements of the Detachments and Talook Guards of the Division having now been completed as far as I have been permitted to Carry them out, I have the honor as directed in the Concluding para of your letter to transmit for submission to Government a Statement shewing the strength of the different Detachments and Guards as they before stood and as they now stand

No. 139

Bd. No. 358

From the Sect. to Government Reviewing Proceedings of the Court of Wards relative to the Management of the three Minor Estates of Yailoo Maddy Paryoor and Manar in the District of Tinnevelly for Fusly 1258.

Extract from the Minutes of Consultation Revenue Department under date 17th February 1857.

Read the following Extract from the Proceedings of the Court of Wards.—

/Here entered 6 January 1857 No 6/

Para. 1 The report of the Acting Collector of Tinnevelly on the Management for Fusly 1258 of the three Minor Estates of Yailoomaddy Paryoor and Manar is dated 30th October 1856. on 15 months after the close of the Fusly to which it relates, and has been laid before Government without any cause being assigned for the delay.—

Yalamaddy 2 The Settlement of the first mentioned Estate fell below that of the previous year in Rupees 1995—6-1 Viz.t

Fusly 1257 : 9353 - 3 - "
" 1258 : 7357 - 12 11

Decrease 1995 - 6 - 1

Excluding

farm and the Stamp Revenue is an ordinary fluctuation not calling for special notice.—

Sandalwood &c. 4. The diminished sales of Sandalwood principally contributed to the decrease under this head, amounting to Rupees 2,926 - 2 - 8 while the charges have exceeded the disbursement of the previous year in consequence of the pay of the Sibbundy which was previously included in Khandachar being debited in this head of account.—

See Extt. M. of Cons. 25th May 1847. in lieu of 8th Feb.y

Small farms &c. 5. The improvement in the Revenue derived from small farms shews an increase of Rupees 2,967 — 12 — 2 which is attributable to the transfer of the Collection of the ferry farm from the head of Moturpha to the one under notice agreeably to the orders contained in the Board's Proceedings of the 29th April last.—

Moturpha +Rs. 294-4-3 6. The same cause has led to the +deficit apparent in the accounts of the Moturpha Revenue which would

would under the former system have exhibited a more favorable result.—

" 1256-26,230
" 1257-22,194
" 1258-24,451
" 1259-26,282.

The loom tax is larger than the amount realized last year, tho' not so high as it stood in Fusly 1255. The Board beg to recommend the remission of Rupees 8-3-6 being the arrears in this item of Revenue of fusly 1258, which the Acting Principal Collector deems quite irrecoverable.-

7. The transactions under the head of "Profits on Tobacco" show a falling off to the extent of Rupees 19,640-9-1, owing to a diminished supply to the Cochin Territory and an increased average rate of price calculated under the orders of the Accountant General. The Board expect to be informed by the Acting Principal Collector of the result of this reference to that authority on the subject of the present System of keeping the Tobacco accounts of this district.-

See concluding part of para 6 of Extt. dt. of Comrs: dated 29th. May 1850 in Comrs. 6th. June -11

8.- The total collections in every branch

branch of the Extra Sources amounted to— Rupees 2,10,144-11-4, and deducting charges Rupees 6,926-13-7 the Net Revenue for the year under review was Rupees 2,03,217-13-9 which is below the preceding fusly by Rupees 15,542-11-11.-

9.- The Cultivation of the Mauritius sugar cane is confined to three Talooks, and did not exceed 20 Cawnies 8½. The cane is applied to the Manufacture of Jaggery only for the Consumption of the district.-

Ordered that a Copy of the above Proceedings together with the accompanying comparative Statement be forwarded to Government and a transcript of the same to the Acting Principal Collector of Coimbatore.-

Sir,

I am directed by the Board of Revenue to inform you, that there is a balance of 700 Quires of Country paper, and 200 Quires of Chellem paper, due upon the Indent of this Office for 1851. The Country paper hitherto supplied has been found to be utterly useless for Office books and Covers, as it is soon destroyed by insects, the only use to which it can therefore be safely applied is in making envelopes. Under these

these circumstances the Board of Revenue request that the Military Board will be pleased to instruct the Superintendent of Stationery to reduce the supply of Country paper by 250 Quires, Substituting for it an equal quantity of chellem paper— the balance due will thus be 450 quires of each of the above descriptions of paper.

2. The Board further request that, as there is no chellam paper in this Office, an immediate supply of a few reams may be ordered.—
