Para 1 The Most Noble the Governor in Council concurs with the Board of Revenue in the opinion expressed by them in the foregoing Proceedings in regard to the right of granting permission to Natives, not in the service, to build &c within the limits of the Military Cantonment of St. Thomas Mount. That right does not appear by the provisions quoted of Regulation VII of 1832 to be vested in the Commanding Officer, and he thinks under the circumstances stated, that disputes not of a strictly police nature nor connected with the peace and good order of the cantonment should, as proposed, be disposed of by the Collector and Magistrate of Chingleput.

Para 1 The order of Government Sanctioning the purchase of the Ancient Zemindary of Peddapore at the sale which took place on the 5th of July last not having been received before the end of Fusly 1256 A.D. 1846/47 I have the honor to submit the usual statements of the settlement of that Estate under Circar Management for that fusly.

2. There was a sufficiency of rain at the commencement of the Cultivating season but there was a scarcity as it advanced in august and September at the end of October there was an abundant fall and the large channels brought down a copious supply during the freshes. The Crops therefore were generally good but the sugar canes did not flourish for want of water at the right season. The whole outturn amounted to 14/15 ths " of a good years produce. The prices of grain were higher than in fusly 1255 A.D. 1845/46 as noted in the margin

of the Settlement

3. This Estate contains 106 Villages of which deducting 1 Shrotrium and 4 Surva Agraharums there remain 101 Jeroyettee Villages. The modes of there settlement for the fusly under report as compared with the preceding year were as follows.-

Fort St. George 2d December 1847.

It will be seen by the above that the increase in the settlement under rents amounted in the aggregate to Rupees 6080-15-6, on all the Talooks in question. This has arisen from the general improvement in the condition of the country which is gradually recovering from its depressed state. The increase of Rs. 5549-4-9. arose from the Collection of Shist on lands not entered in the accounts as Enams but hitherto held free of assessment in accordance with the orders of Government contained in the Minutes of Consultation under date the 14th April 1846. The total increase of these two items is Rupees 6530-4-6, as above entered.-

6. The annexed is a comparative statement of the settlements of fusslies $\frac{1255}{A.D.\ 1845/46}$ and $\frac{1256}{A.D.\ 1846/47}$ The reasons for the increase of Rupees 14973-5-1 have been given in the foregoing paragraphs The

The net decrease below the Permanent Assessment amounts to Rupees 1538-13-5 but in detail there appears a decrease of Rupees 7392-6-9 on Bickavole and Cundecoopa for which however abundant compensation will be made hereafter in consequence of the improved means of irrigation in Bickavole.-

The only charges that seem to call for any remark are the increases in the repairs, and increases in the amount of maintenance paid to the Zemindar. The former consisted of the enlargement of the Shooliabaga Channel and the opening of some new branches from it for the improvement of the irrigation in the Bickavole and Velloogoobunda Mootahs The latter was owing to the payment of the Zemindars' maintenance upto the date of the sale of the Estate in addition to the 12 Months allowance due to him.

There remains for fusly 1257 A.D. 1847/48 a sum Rupees 9476-14- including the Motupha remission. There can be doubt that this Zemindary will be greatly improved when the irrigation shall have been perfected by the construction of the Annicut. The assets of the Estate exceeded 80,000 Rupees and this sum will be easily realized after the lapse of a few years.

Sir

With reference to the subjoined

Para 1

Statement of arrears outstanding against two
permanently rented Villages of the purchased
Mulcanje Estate, I have the honor to request sanction
to

Fort St. George 2d December 1847

to resume them and enter in the Demand their actual Royetwary settlement as in other Serr Villages - In their present condition they can yield no lawful advantage to the Renters, and only lead to the annual accumulation of a hopeless balance -

2.

The first Village is Coroonootoo which was given by the late Zemindar Muhawjee Venkatagoondanow in the year Doondoobhy on the 6th August 1802 to Nundoombacum Ramasawmy Moodeliar in perpetuity on an annual Rent of 401 Kanik Pagodas equivalent to Rupees 1604 from the year 1816, up to which, the rent was to increase gradually - The arrears now amount to Rupees 4.387-3-1 and the resources of the Village to about Rupees 1750-7-7. The Village was placed under the Management of Venkatayanny Moodelier the Nephew of the original grantee under an engagement to pay off the arrears by ten instalments as noted in the Margin - In this engagement he has entirely failed

Transmitting Report on the settlement of the Extra Sources of Revenue in the Kurnool Province for Fusly 1256 + Frontier Duty

Sir

I beg to transmit for the Board's information a report regarding the settlement of the Extra Sources of Revenue in the Kurnool Province for Fusly 1256.

2 The sum total of Collections under this head during the Fusly is Rupees 6233-15-9 or Rupees 134-3-3 below the Collections of the preceding year.

3 It will be observed that notwithstanding this net decrease, there was an increase of duty on certain articles amounting to Rupees 719-12-10¼; whilst on the other hand the tax realized on articles of a different description was less by Rupees 857-1¼ in the present Fusly than in Fusly 1255.

4 In respect of the probable causes of the decrease, I have to state that owing to an almost total failure of the Rice crop in the Southern portions of the Nizam's dominions during Fusly 1255, extensive exportations of that article of food took place across the Toongbodra to meet the demand for

Fort St. George 2d December 1847.

for it thus created on the other side of that River.

5 In Fusly 1256 the season in the Vizagam territory as well as in this Province, was extremely favorable and a diminished export has been the result.

6 The consequent diminution of duty paid on rice carried out of the Presidency is Rupees 509-7-3.

7 There has been a less quantity of raw Silk exported in the present Fusly than in the preceding one, the amount of duty paid being Rupees 112-2-4 below what it was in Fusly 1255.

8 The article "Saltpetre" also exhibits a decrease on the quantity exported to the extent of Rupees 30-2-0 in comparison with the past Fusly.

9 It is possible that the export trade both in raw Silk and Saltpetre has been affected by the less ostentatious mode of performing religious and other ceremonies which is observed by the present Rajah of Gudwal when compared with the magnificence displayed on these occasions by the late ruler of that Small State.

10 There would obviously be a diminished demand for the latter article owing to the reduced completion of fireworks but irrespective of the cause of the

Fort St. George 2d December 1847.

the decreased export of raw Silk, I feel that I may be in error.

11 The export duty on Sugar is likewise below what it was in Fusly 1255, but to no greater extent than Rupees 17-0-0

12 That of betel leaf has also decreased to the amount of Rupees 56-8-0

13 An unimportant decrease will further be found on Sundry other articles, such as Ghee Cocoanuts Iron &c. which calls for no particular observation on my part.

14 Of increased import duty, the largest item is that observable under the head of "Cherunjee" to the extent of Rupees 173-0-0 In Fusly 1255 little of this article was brought into Kurnool owing to the very thin attendance at the Gudwal Fair caused by the ravages of Cholera at the period when it is usually held.

15 The importation of "Cocoanuts flowers" which shows in the present Fusly an augmentation of duty paid to the amount of Rupees 83-6-6 was apparently affected by a similar cause.

16 On Opium there has been realised in this year Rupees 63-9-11 more than in the past one

17 On Cumblies tobacco and a few other articles there has also been an unimportant increase.

The

18 The highest amount of increase of duty realized on articles exported will be seen to have been paid on Indigo Viz. Rupees 109. 13. 8.—

19 Cloths manufactured by the weavers of the Kurnool District have also been exported in this Fasly to a greater extent than in the preceding year the duty levied being an increase to the extent of Rupees 18. 2. 6

Rs 13-4-3
Rs 20-1-5
Rs 19-7-7½

20 Under the heads of betel Nut Cotton and Thread, and oils there has been a slight increase on the quantity exported.

Abkarry

21 The Demand on account of the abkarry Rent for Fasly 1255 was Rupees 80811½ — — — Rupees 18130 below those of the preceding year.

22 This decrease has arisen from diminished competition for the Rents of Nundeantem, Dhone Kurnool and Gooddoor which were finally knocked down to "Busvun Gond" at Rupees 15896 less than the sum realized at the sale of the previous year

Boards Proceedings 13th May 1847
Minutes of Consultation 5th June 1847.

23 From the correspondence referred to marginally the Board will observe that the principal Renter of the present Fasly "Busvun Gond" is the individual to whom the large remission of Rupees 9999-12-6 was granted on account of his former Rents.

24 There can be little doubt I consider that the outturn of the Rents for Fasly 1255 has had the beneficial effect of affording to Competitions for the Abkarry farm more accurate means of forming a

a fair sum for the Rents than those which they previously possessed; and although the aggregate sum exhibited in figures is apparently less favorable in a fiscal point of view, than the larger revenue promised in the Fasly preceding that now reported on, the lesser revenue is unaccompanied by a call for remission and may not therefore be deemed a subject of regret

25 The Abkarry Farm in the Paneer Talook has realised in the present Fasly about lower by Rupees 1560 — — than what it was let for in the previous year But the Board will remark from the correspondence above quoted, that the Renter of this Talook for Fasly 1255, was, in common with "Busvun Gond," allowed to a smaller amount — benefitted by the Boards indulgence as to that the sum remitted was Rupees 1000.

26 The Rents for the abkarry in the other Talooks have likewise fallen below their former amount by Rupees 980 — —

Sundry Small Farms and Renues.

27 The demand on account of these items in Fasly 1255 was Rupees 6646-56-15 which have been exceeded in the present year by a sum of Rupees 692-13-6

28 The principal cause of this increase in the higher Rent obtained in the Paneer Talook for a diamond mine which in Fasly 1255 brought to account only Rupees 20 — — whereas in the present year

Fort St. George 2d December 1847.

year it has realised Rupees 600 — — —

29 More favorable offers for certain Samaind and Mangoe Topes in the Fusly were made and accepted which explains the balance of the increase observed

Maturpha 30 The demand under this head in Fusly 1255, was Rupees 4512. 10 — 11 that of the present year is only Rupees 4446 9. 7 thus exhibiting a decrease to the extent of Rupees 66 — 1 — 4. —

31 The balance outstanding at the close of the latter period was Rupees 501 — 4 — 6 that unrealised at the end of Fusly 1255 Rupees 854 — 2. 7.

32 The settlement of this source of revenue in the Talook exceeded for this year that of the previous one by Rupees 220, 2 — 3. but owing to the — amount of demands in Kurnool itself being Rupees 836 3. 7 below what were the Town collections of Fusly 1255, there is a net decrease on the year of Rupees 616 — 1. 4.

33 It arises mainly from the circumstances of both the Sheep and Beef Butchers of Kurnool — having been subjected for this Fusly to a less assessment than that of the previous one owing to the temporary absence in pursuit of the Rebel — Narsimareddy of a portion of the regular Garrison and the Irregular Horse.

34 The practice has been to assume that a certain number of Sheep are slaughtered daily and to rate each Sheep at Rupees 28 per Annum.

So

Fort St. George 2d Decembes 1847.

35 In Fusly 1255 it was computed that the Butchers would kill 90 Sheep every day but under the circumstances above stated they were rated at only 83 —

36 Under similar circumstances, the tax on Mussulmen and Pariah Beef Butchers who respectively pay 8 and 4 annas for every animal slaughtered, has been less productive in this than it was in the preceding Fusly —

37 The tax on Weavers too has been less profitable in this Fusly than it was in Fusly 1255, the decrease being Rupees 208 — 2 — 6.

38 Of this amount Rupees 60 — 9 — 6 are due by individuals of the inferior class of weavers who have absconded, and, as it is supposed have taken up their habitations in Alumpoor and — — Kullapoor on the Toongbooddra in the Nizams dominions, where the tax on persons of this description has recently been reduced to one half the rate levied within the Kurnool limits.

39 I am disposed to hope that on a further trial of their new position, these absentees will find themselves less comfortably situated than they were under the protection afforded to them on this side the River and that on this account at least the diminution now visible will

Fort St. George 2d December 1847.

not be permanent

10 The balance decrease is caused by deaths by the employment of a fewer number of looms and by inability to pay resulting from the impoverishment of some of the Weavers I find also that of this balance Rupees 55-11-- is due by the former Abkarry Renter of the Pamem Taluk whose whole property was sold in realization of his Abkarry engagement and towhom eventually the remission of Rupees 1000 was sanctioned

41 The sums assessed on sellers of Betel is less by Rupees 61-7-3 than it was in Fusly 1255 in consequence of their determined refusal to assent to the payment of the same rate as was imposed on them in that Fusly.

42 The "Attar" Perfumers have paid Rupees 48-8-- below the previous years demand owing, it would appear to their periodical migration from Gudwal to Kurnool having temporarily ceased.

43 The tax on Cart Drivers has yielded Rupees 48-8-- below the Collections of Fusly 1255 owing to the calling having become less popular and the consequent decrease in the number of Carts at work for daily hire.

44 The sum realised from the "Darwandlus" or Tanners is Rupees 19-15-6 less than in the past year the tax having been affected in a manner corresponding with

Fort St. George 2d December 1847

with that noticed in respect of the Sheep and Beef Butchers.

45 The diminished receipts from Sweet meat sellers Viz. Rupees 24-8-- results from absenteeism and absconding.

46 Of Dyers in indigo of whom there are only nine, the tax has been usually rented out. There were fewer competitors for it this year, consequently it yielded Rupees 21-8-- below the sum realised in Fusly 1255.

47 The numbers of Chucklers has diminished by deaths and runaways, perhaps also their calling has been affected by the temporary absence from Kurnool of part of the troops and by the increasing export to Cuddapah and Bellary for transmission for shipment at Madras, of raw Skins and hides of all kinds. The decrease of tax realized from them is Rupees 17-2-- .

48 There has been less building in Kurnool in the present year than in the former one & consequently less work for Shumam sellers they have accordingly been rated at Rupees 16-12-- below the former years tax.

Stamps

49. The sale of stamps has yielded a sum of Rupees 318-5-- above the Collections of Fusly 1255.

50. The balances outstanding on account of Moturpha up to 30th September last are given in the Margin. Those for present year are principally due in Kurnool and will receive in common with the balances of older date my earliest attention.

1. I have the honor to submit annexed, a copy of an application for a superannuation allowance from Pagapatty Row, Head Sheristadar of this District, which I beg to recommend to the Board's favorable consideration.

2 It would have afforded me much pleasure to extend for a further period of 6 or 8 months, the leave of absence under which Pagapatty Row is now away from his duty, had it been at all probable in the opinion of the Medical Officer in charge of the Agency, that the indulgence would restore him to health to the extent of his being thereby enabled efficiently and permanently to perform the business of his office.

3 As any such result Doctor Drever has no hope as will be observed from the accompanying transcript of that gentleman's letter dated the 9th Instant, and from the information afforded me by the late Agent Mr. Scott, regarding Pagapatty Row's generally enfeebled state and increasing bodily infirmities as they came under his observation for many months before he quitted the District, I believe it would tend to no permanent benefit.

4 The Records of the Agency do not supply in respect of Pagapatty Row's public conduct and character any other testimony than that which is contained in the enclosed Extract of a Communication from the late Commissioner Mr. H. Bayley to Government, dated the 29th August 1842.

Resolution thereon.

The Board observe that agreeably to section Eleven of the Rules all applications for superannuation pensions should be addressed to Government direct, they accordingly resolve to return to the Agent to the Governor at Kurnool the papers which accompany the foregoing letter.

Net Decrease 7,750 5 4

Fort St. George 2nd. December 1847.

2. The large decrease in the revenue derived from sales of Salt, may be divided into two Heads - Rupees 3990 being the decrease in the value of Salt sold for exportation to Calcutta there being now no demands from that quarter, and Rupees 7,446 in the sales for Home and inland Consumption, and which I must attribute chiefly to the permission given to the Collector of Madras to issue Salt from his Cotaurs for that purpose.

3. In recommending this measure to Govt. the Board observed that the sale of Salt at Madras in January and February last, had not affected the Salt Revenue of this District, as it appeared from the returns upto that date; there had also been an increase in the sales at the Chingleput Cotaurs as Compared with those to the same period of the preceding year of Rupees 7,796, but which opinion does not appear to be borne out by an examination into the detailed accounts in this Office, for on the 10th. January, when the sales of Salt for inland Consumption commenced at the Madras Cotaurs, the increase of sales at the Depots of

Fort St. George 2nd. December 1847.

of this District exceeded the sales upto the corresponding period of the antecedent year by Rs. 83,887. This increase by the end of February was reduced to 71,796, and by the end of the Fusly not only was there no increase at all, but the sales had so diminished that there was an actual decrease in the result of the year of Rupees 6,446, making a decrease in sales between the 10th. January and 12th. July of Rupees 145,113, whilst the increase during the same period in the issues at the Madras Cotaurs amounted to about the same sum or 156,720 Rupees.

4. From a return furnished to me by the Collector of Madras it appears also that the sales at the Madras Cotaurs for inland Consumption upto 30th. September of the Current Fusly, amount to Rupees 63,880-13-9, as per whilst the decrease in the sales in this District amount to Rupees 72,883-8-. I conceive it therefore fallacious to anticipate that any considerable increase of Revenue will be gained by the measure adopted, as the increase in the sales at Madras cause a comparative decrease in the sales in these parts whilst an additional expense is incurred in conveying the

Fort St. George 2nd December 1847.

the Salt to the Presidency.

5. If the question were merely whether the revenue derived from the sales of Salt should appear to the credit of this District or to that of Madras, I should content myself with merely pointing out the effects the late orders have had on the Salt Revenue of Chingleput, as explanatory of the decrease in the Revenue, and as a measure affording increased facilities to the trade from the interior to our Madras have upholden the arrangement as it exists, but as the interests and property of the owners of the pans, and the means of living of a large body of Manufacturers at the extensive pans in the vicinity of Madras are materially affected, I propose bringing in a few days the matter to the Board's notice as a separate subject, and to suggest some arrangements which appear to me adapted to secure the interests of all classes, and whereby the facilities to the internal trade will be continued without injustice to any parties.

6. The Decrease of Rupees 8810 on under the head of Abkarry is to be attributed to the lower terms on which that Branch of Revenue was rented for 3 years from Fusly

Fort St. George 2nd December 1847.

1256 in consequence of the Renters of the preceding year, who had held the Farm at an unusual high Rent, having sustained great losses thro' the drought, and become a defaulter. The revenue of the year, had been realized from the contractors, and the Complaints have been few and trivial, but the Renters have been pressing for a remission in consequence of the losses they allege they have incurred from the Gales in October and November last, and from the effects of the drought during the early part of the Fusly under review, the latter of these reasons cannot be listened to, as it was at that very season, and under those known circumstances, they undertook the Farm, and which no doubt affected the competition for it, but the former argument is much strengthened by the extensive remissions allowed in the Madras Collectorate for the same cause; as the Rent, however extends to three years it appears to me advisable to postpone the discussion of the question till near the termination of the lease when the result of the three years may be considered at once.

7. Under the head of sundry small Farms and licenses, there is an increase

of

Statement of Revenue for the Year 1847-48 and December 1847.

Fort St. George 2nd December 1847.

Sir,

I have the honor to forward herewith a Statement of Revenue for the Year 1847-48 and December 1847, from which it will be seen that the Collections for the Year 1847-48 amount to Rupees 5,24,820-14-6 and for December 1847 to Rupees 19,288-8-2, making a total of Rupees 5,44,108-6-8.

2. The increase in Salt is owing to the Duty having been raised from Rupees 2-0-0 to Rupees 3-0-0 per Candy, under the Act of 18th March 1844, and the Decrease in Abkarry to the Reduction of the Rent of Toddy Farms, consequent on the Reduction of the Duty on Toddy.

3. The increase of Rupees 4,432-12-0 in Sundry Small Farms and Licenses is owing to the Settlement of that Year.

4. The increase of Rupees 4,832-11-11 in Moturpha is owing to the Collection of the Duties on Tobacco, Opium, Ganja, Bhang, Charas, Cocoa Nuts and Betel Nuts.

5. The Decrease in Stamps is owing to the Reduction of the Duties on Receipts, Bonds, Deeds of Sale, Mortgage, Leases, Bills of Exchange, Notarial Fees, Petitions, Appeals, Plaints, Warrants, Summonses, Proclamations, Powers of Attorney, Certificates of Administration, Probates, Licenses to Hawkers, Pedlars, Appraisers, Auctioneers, Vendors of Stamps, Pawnbrokers, Keepers of Gaming Houses, Billiard Tables, Dancing Girls, Horses, Carriages, Dogs, Guns, Pistols, Swords, Canes, Servants, Shops, Houses, Boats, Ships, Vessels, Arrack, Toddy, Wine, Beer, Spirituous Liquors, Medicines, Perfumery, Jewellery, Plate, Gold and Silver Lace, Gold and Silver Thread, Gold and Silver Wire, Gold and Silver Leaf, Gold and Silver Foil, Gold and Silver Dust, Gold and Silver Bullion, Gold and Silver Coin, Gold and Silver Ornaments, Gold and Silver Utensils, Gold and Silver Vessels, Gold and Silver Plate, Gold and Silver Jewellery, Gold and Silver Trinkets, Gold and Silver Toys, Gold and Silver Watches, Gold and Silver Clocks, Gold and Silver Pens, Gold and Silver Pencils, Gold and Silver Rings, Gold and Silver Bracelets, Gold and Silver Necklaces, Gold and Silver Earrings, Gold and Silver Studs, Gold and Silver Buttons, Gold and Silver Chains, Gold and Silver Seals, Gold and Silver Keys, Gold and Silver Locks, Gold and Silver Boxes, Gold and Silver Cases, Gold and Silver Frames, Gold and Silver Mirrors, Gold and Silver Combs, Gold and Silver Brushes, Gold and Silver Razors, Gold and Silver Scissors, Gold and Silver Knives, Gold and Silver Forks, Gold and Silver Spoons, Gold and Silver Ladles, Gold and Silver Cups, Gold and Silver Goblets, Gold and Silver Tankards, Gold and Silver Salvers, Gold and Silver Trays, Gold and Silver Waiters, Gold and Silver Candlesticks, Gold and Silver Lamps, Gold and Silver Chandeliers, Gold and Silver Sconces, Gold and Silver Mirrors, Gold and Silver Pictures, Gold and Silver Frames

January last, in which, I explained the cause of my residence at Cuddalore for a certain period during the preceding Fasly, I therein stated that I had been obliged to remain at Munjacoopum for medical advice, having performed the whole duties of my Office during the time and having at the same expense in keeping up my Establishment as if I had been elsewhere, and at the same time forwarded a Medical Certificate to prove that the state of my health rendered my residence at Cuddalore necessary, this it did not incapacitate me for the performance of my Duty. I beg to add that the same cause occasioned my protracted residence at Munjacoopum as noticed by the Board during Fasly 1256.

Para 1 to 11 Bts Enclosure

To D. White Esqre
Acting Secretary to the
Board of Revenue
Fort St. George

Sir,

In returning the Petition No. 16 of 1847 received with your letter of 23d September last, addressed by the late Puttamoneygars and Curnum of the Village of Cadampooleyoor in the Taloke of Trinandy, I have the honor to submit my report thereon-

2 On the receipt of repeated complaints from one Mootteyapadayachee of that Village that there existed concealed cultivation in the Village during Fasslies 1253 and 1254 it was referred to the Tahsildar for usual inquiry and report, who deputed one of his Carkoons Vencut Row to examine the lands, and to report the result, when the Petitioners being people of influence, persuaded the informant to deny all Knowledge of this complaint which he accordingly did, he being a Goomastah for one of the Union Pronegars was removed from that office for having first given a complaint, and afterwards stating that he had represented the transaction from hearsay and not from his own Knowledge, the Carkoon also reported that he could not discover any concealment of land, and on an inquiry being held by myself the Carkoon confessed that from ill health he had not measured the land, this

this circumstance created much suspicion on the Petitioners' conduct-

3d.

On the 28th. May 1846, I deputed one of the Moorgoor Sumprateers to the Village for further examinations-

4th.

From the result of this Officer's Report, it was proved that Rupees 116-14-4 was concealed, and omitted to be brought to Summabundy in the land actually cultivated and in charging on some land a lower rate of teerwah than was properly due according to the Survey accounts. The whole amount being proved by witnesses, and admitted by those persons by whom it was due, the Petitioners were examined by me when they admitted a portion of the above sum and objected to the remainder as being waste land, their objection being found unworthy of Credit in face of the evidence of many Ryots the said amount was ordered to be collected, which was accordingly realized, and for this offence the Petitioners were suspended from their Offices until further orders as explained in the Monthly Report furnished to the Board under Regulation VII of 1831 for Sept. 1846-

5th.

Another complaint was made to me that a further sum remained to be brought to account for the said Fuslies 1253 and 1254-

Fort St. George 2d. December 1847

From the character of the Petitioners as well as from the size of the Village consisting of about 1,500 Cannies in exctent, I was led to believe that this complaint was worthy of further inquiry, when the Tahsildar under my orders proceeded to the Village together with his Sheristadar, and enquired into the Complaint, from whose report a further sum of Rupees 109-6-3 having been discovered, I examined the Petitioners also on this occasion, wherein they pleaded that owing to the lands of this Village being exctensive and partly covered with Jungles, they were unable to detect it- This excuse not being admissible they were convicted of this fault and dismissed from Office on the 2d. January last as will be seen on a reference to the Monthly Report furnished to the Board for that Month-

Proceedings thereon-

2 It will be seen from the above ex-
that on the receipt of repeated Complaints of
the existence of frauds in the accounts of the
Cultivation of Faslies 1253 and 1254 in the Village
referred to the Collector deputed a Hoozoor servant
to inquire into the matter and that from the
Report furnished by that Officer, a sum of
Rupees 11.6-11-2 was proved to have been concealed
and omitted to be brought to account. The Petitioners
were examined in consequence, and on the fraud
being fully brought home to them the amount
was realized and they were suspended from their
Offices pending further proceedings - In the in-
meantime another Complaint having been received
that a further sum of money remained to be
brought to account for the same Faslies, an
investigation was held by the Tahsildar under
the orders of the Collector and Rupees 109-6-3
were discovered to have been omitted. The Petitioners
were again convicted, and finally dismissed
from their situations in January last -

in the above Table - On reference to the enclosed Statement shew-

that of the preceding Fusly 1255 but the sale would have considerably exceeded it had there been a sufficient stock of this article in hand to meet the demand. By unseasonable falls of Rain the required quantity has not been manufactured in the season 1846 hence no salt was sold for some Months during the respective Fusly, which has occasioned a decrease in the sale for inland consumption for the Districts noted in the Margin, an increase on the preceding Fusly was obtained in Sales for Home Consumption. The variation in the export by Sea as well as in the supply to the French Government being of a fluctuating nature it does not appear to call for any particular remarks from me.

3. It is proper to mention that the Manufacture in the current season having also failed from similar causes to a certain extent especially in the principal pans at Markanum though all precautionary measures were adopted, I fear that the want of Stock in hand will produce an equal unfavorable result in the Salt Revenue of the current Fusly, solely from the aforesaid uncontrollable circumstance.

Frontier Customs

The total Revenue derived on Goods exported and imported to and from the Foreign European Settlement of Pondicherry during the expired Fusly 1256 inclusive of the fee on Stamping Weights and Measures amounted to Rupees 4,9430-12-4 the same in the preceding year

having been Rupees 94,977-7-10 exhibits a considerable decrease of Rupees 45,546-11-6 An inspection of the Statement it will be seen that a great portion of the said decrease has arisen in export of Cotton piece goods which have been carried to Pondicherry for exportation to the European Markets to an uncommon and unprecedented extent during the Fusly 1255 - The increase derived in that Fusly on this item alone was reported - But it cannot be considered as permanent - In addition to this the indulgence allowed by the provision of Act VII of 1846 in favor of export trade by Sea in preference to that by land has produced as was already anticipated, some decrease in the Frontier Export Customs - A moiety of which was obtained in the Export Customs by Sea and at a lower rate of Customs - The imports of Copper, Cloves and Nuts from Eastern Ports having been less a net decrease of Rupees 3111-14-3 was occasioned -

Rs. 39,731-1-5

To Board 25th Jany 1848

5. The Collections of fee on Stamping Weights and Measures having always been included under the Sayer head of Revenue included under

under the Frontier Customs, which precludes the forming a correct comparison of the said Customs- The fee in question properly appears to belong to the head of "Sundry Small Farms" if not to that of "Motorpsha." Should the Board concur I propose to carry the Collection of fees to one of those heads for the future, in Communication with the Accountant General.

6 The total of Customs levied on the Export and Imports of Goods by Sea in the Ports of this District for the past fusly amounted to Rupees 62915-6-5 on Rupees 11298-9-2 in excess of that of the former Fusly 1255- The whole of this considerable increase was derived on Export Customs- The import trade being nearly equal to that of fusly 1255- The increase was obtained in the articles of Indigo and Piece Goods shipped to Europe direct (on the Ships which have of late come to Cuddalore to load with Sugar) and also thro' Pondicherry.

7 I beg leave to forward a State- ment containing the names of Proprietors who have Established Sugar Factories at Cuddalore and the quantity of Sugar and Rum Exported to the United Kingdom during the year under reviews as required-

Ab Karry No. 4

8 The Settlement of Ab Karry Revenue for fusly 1256 was Rupees 73250, or Rupees 1850 lower than in the preceding year occasioned from want of competitors, as more fully explained in my letter to the Board- The rent however being higher than those of the several past years the decrease does not require any particular remark-

9 The Settlement of this item of Revenue for fusly 1256 amounted to Rupees 3902-15-2 the same for the preceding fusly being Rupees 4832-1-2 exhibits a nett decrease of Rupees 927-2- against the year this has arisen from the items of rents shewn in the Margin partly from want of better competitors, partly from the failure of produce &c. as more fully explained in the Column of Remarks-

10 I beg leave next to observe that the amount derived from the sale of Stampt papers within the year was Rupees 8853-2-- exceeding that of the former year in the sum of Rupees 3058-3-- chiefly occasioned in the papers sold for Law suits, the restriction of Government pro- hibiting the filing of suits for small amount

11 The demand for the Moturpha Revenue for the expired fusly amounted to Rs. 4,1576-8-5 or Rupees 45-5-7 in excess of that of Fusly 1255 on Comparing the several items as there does not appear any material difference I do not deem it necessary to offer any observation thereon.-

Of this demand a sum of Rupees 1,98351-9-4 has been collected within, and since the close of the fusly leaving a trifling arrear of Rupees 53-5-3 which is in train of recovery.-

Of the remainder Rupees 30-13-7 under the Head of Moturpha is irrecoverable, it being due by persons in utter poverty and by those who have since deserted the District- The small

amount of Rupees 6-6-11 does not appear recoverable for the cause assigned in the remarks appended to the Statement. Under these circumstances, I beg to recommend that the sanction of Government may be procured for writing off the sum of Rupees 37-4-6 under the Head of remission.-

14. In conclusion I beg to forward three printed Statements in Triplicate exhibiting the gross collections, charges and Net Revenue of each branch compared with those of the two preceding fusles together with explanatory remarks appended on the variations therein exhibited.-

Deputy Secretary to Government

Fort St. George

Sir,

No. 1 to 4

1. In returning Petition No. 1170 of 1846 with its enclosures, referred to me by Endorsement for full report, I have the honor to forward a Statement shewing the quantity of Metals imported by the Petitioners from Singapore on British Bottom" at the Cuddalore Port in March 1845.

2 The Sea Custom Superintendant in the first instance collected a duty of 6 per Cent thereon, and a few days afterwards this some misunderstanding of the Regulations supposing the Metal in question might have been brought to Singapore from the United Kingdom refunded three per cent of the above duty without authority.

3 Upon this fact being discovered in the following Month at my Woozoor Cutchery on an examination of the accounts and the Importers having declared their inability to prove the original place of production or Manufacture of the said goods according to the provision of Act No. 6 of 1844 I directed the difference of duty above remitted amounting to Rupees 258. 10. 5

See Article below the Schedule A therein annexed.

Fort St. George 2d. December 1847.

258. 10. 5 to be recovered from the respective Importers, which was paid accordingly.

4 For further particulars, I beg leave to refer to the Sub Collector's Endorsement on their Petition to the Board of Revenue in No. 897 of 1845 which forms an enclosure No. 2. in the Petition now returned.

From the Collector of Tanjore — Reporting on Petition No. 549 of 1846.—

Sir,

I have the honor to return Petition No. 549 of 1846, bearing the Boards' Endorsement of 6th July 1846.—

Petitioners complain that land inalienable from their own family, has been purchased by an influential servant, and express their readiness to redeem the same.—

The party alluded to as the purchaser is Streenevasa Row, Division Sheristadar, the petition was referred to the division for enquiry and report, and after more than 12 Months, has been returned, with a remark that "Petitioners wished for no enquiry." Being struck with the delay and the nature of the return, I called for the parties who had addressed the Board and from them have learnt, that they had been influenced thro' fear of the Sheristadar's power to withdraw their complaint; but that they were still ready to repurchase the land,

which

which one of their relations had sold contrary to a deed, agreed to by the original inheritors of the property. The deed alluded to could not be produced by the Petitioners, who stated that it was in the possession of another party. This Statement, and the fact of the existence of the deed binding all parties not to sell any of their shares except among themselves, was confirmed by several sharers whom I examined on solemn declaration. The party in whose possession the deed was said to be, died on the road, when coming up for examination, and the document (if it existed) has not been obtained; tho' in a deposition taken from the son of deceased, he states as having been told by his father that there had been such a deed but that it was lost. Streenevasa Row in explanation states he purchased the land, that at the time he did so, Petitioners and other sharers objected on the plea of a document existing which prevented the sale; and that a further objection was made by them, when the sale transaction went for registry in the Court, - but the objections of the parties were not acknowledged as shewn by the accompanying extract from the Court proceedings, which enter into no particulars, merely overruling the objections.

From

From the perseverance of the complainants, and from the Statements of others connected with the lands, I am inclined to think the transaction was not a straight forward one on the part of Streenevasa Row. - Had it been so, an immediate explanation would probably have been given, rather than a delay of upwards of 12 Months allowed to occur, and in the end so suspicious a return made to the Petition.

With reference to the Letter noted in the margin addressed by the Collector of Tanjore to the Accountant General's Department on the subject of the future Tobacco Shops and the Calculation of the Quantity of Tobacco to be sold therein, I have the honor to state that I am not aware of any objection to the Arrangements proposed in the Minute of the Board of Revenue dated 15th October last and to the Calculation of the Quantity of Tobacco to be sold in the future Licensed Shops from the 1st January 1848 as noted in the margin.

4 It will be observed that the decrease in the amount paid by the Native States of Travancore and Cochin on account of Short supply was Rupees 12,106-13-4, of this deducting 7,277-15-9. the proportionate Cost thereon, the decreased in the amount of profits should have been exhibited at Rupees 4,828-13-7 with reference to previous calculation; but under the arrangement directed by the Accountant General it has only amounted to 827-4-0

6. In Fusly 1255 / 1845/46 the average calculations were less than the actual prime Cost, and consequently the difference amounted to 38,907-8-3 at the end of the Fusly, which having been taken to account in calculating the price in Fusly 1256 / 1846/47 tended to swell the Prime Cost in this year, &c which would explain the cause of the reduced amount under the head of decrease in the Amount of profits.

5 At the same time I would submit for the information of Government that this arrangement of the Accountant General does not in any wise affect the revenue derived from the sales of Tobacco to Travancore and Cochin. On the contrary, the prescribed payment is made by those states, the only difference observable, is in the mode of adjusting that payment in the accounts of this Office. and apparently for this reason, the Board would seem to have

refrained

refrained from passing any opinion on this subject.-

6. This transaction in the Abstract, is that, when the average price calculated under the orders of the Accountant General is short of the prime Cost, the profits increase proportionately. but if the former exceeds the latter, the profits are affected in the same rates. From September to January inclusive, Tobacco is received at the Depôt in large quantities when the average price is reduced and during the other seven Months, the receipts being small, and the charges of Establishment &c which are fixed, being the same as in the previous months, the average increases considerably. this with the superiority or inferiority of the article purchased, causes the variation in the average.-

Order thereon

Ordered that the foregoing report from Mr. Wroughton be submitted for the information of Government with reference to Extract Minutes of Consultation Para 2 dated the 29th of March last.-

In Cons. 15th April 147

46-47

In reply to the observation of Government the Board beg to observe that as it appears from the explanation furnished by the Principal Collector that the arrangements introduced under the instruction of the accountant General in no degree affects

Fort St. George 2nd December 1847

affects the actual amount of Revenue derived from the sales of Tobacco to the states of Travancore and Cochin, but have reference merely to the mode of adjusting the accounts of those transactions by exhibiting the value of the Tobacco in store quarterly instead of Monthly as before. There would seem to be no objection to the introduction of the modified System now in operation in the District.

The increase in the Inland consumption is the result of advanced sales of certain depots to the Amount of Rupees 24480- 8- 9 and of the falling off in others Amounting to Rupees 19694- 15- 10 as shewn in the

Ankola is to be explained by the disturbance in the sawunt Waree during July 1255 when the traders

were driven to the Canara depôts instead of going to the Markets in Goa. The Return of a settled state of affairs has now enabled them to carry on their trade in its former direction and has diminished the temporary advantage obtained by the neighbouring districts in Canara.—

formeds of their establishment considering the short period which they embrace. The season was very unfavorable in one respect for the sale of Salt for inland consumption for the abundant crops in every part of the Country reduced the demand for Mysore rice for export and as Salt is only taken as a return load by the bullocks bringing down rice from the upper Country, the sales of the latter article were proportionally restricted.-

The manner in which the difference on the duty levied on Goa Salt in the Madras and Bombay provinces has operated in diverting the course of trade from Canara into the Bel-gaum Collectorate, was explained at length in my letter to the Board under date 25th September 1846 and the present falling off seems partly owing to this general cause and partly to the smaller quantity of grain required in Goa during the past season and perhaps in some measure to the increase of smuggling owing to

There is a decrease in the Customs on Rice exported below the previous year to the amount of Rupees 17,952, but the same when compared with the average of former years shews an increase of Rupees 15512. The quantity of Rice exported during the year under report, though below the previous year's is still above that preceding it. The scarcity in Arabia and parts of the continent of India in 1255 raised the exports to an unusual Amount in that year.

The customs collected on Betelnut during the past fusly exceeded those of the previous year by Rupees 438 while they have been considerably below the Average of former years, which average however it must be observed embraces years in which the high special duty or Hawlut was in operation. The quantity of Betelnut exported fell short of the preceding year by Candies 481 while it was in excess of the Average of former years to the extent of 747 Candies. The cause of increase in the collections and decrease in the quantity of this article is the enhanced rate of Tariff value fixed on the boiled nut in imitation of the Madras Tariff which has been enforced during the whole of the season under report.

| Increase | 1027 | 3 | 7¾ | 1154 | 8 | 3 |

Pepper exhibits an increase over the preceding year both as regards the quantity exported and the amount of duty collected on it as is shewn in the Margin. The increase arose from a favorable Crop of this spice in the year under report and the demand for the produce of former years which still remained on hand.

14. Exports of Cardammums

| Decrease | 61 | 15 | 26¼ | 2713 | 1 | " |

The exports of Cardamoms by sea has fallen off owing to the diminished produce of the year as well as to a larger quantity having been carried inland. The extent to which it was reduced during the past fusly is exhibited in the Margin.

15. Sandalwood.

| Decrease | 328 | 11 | 1½ | 566 | 1 | 8 |

The decrease in Sandalwood is owing partly to the limited sales of the Article in Mysore and partly to a practice which is gaining ground of distilling the Sandal wood for oil in the Country in place of exporting the wood itself.

As regards Cotton the reduction in the Customs levied on it is owing to the export of it to Bombay being now free of duty - The exported quantity during the year under review exceeded that of the preceding year by Cr. 7897. This subject has been recently noticed in a report forwarded to the Collector of Customs at Madras under date the 30th. July last, a copy of which was transmitted to the Board on the 3d. | 1256 | 699-0-0 |
| Increase | 121-8-0 |
| Average of the past 5 years | 5708-9-7 |
| Increase | 490-6-5 |

The Collections under this head of Revenue exceed those of the preceding fusly as well as the average of former years to the extent noted in the Margin.

Small Farms and Licenses. 19.

| | |
|---|---|
| 1255 | 6,620-11-3 |
| 1256 | 6,551-5-3 |
| Increase | 69-6-0 |
| Average of the past 5 years | 5764-1-8 |
| Increase | 786-3-9 |

The revenues derived from this Source during the year under report have slightly fallen off they are still in advance of the average Collections of the former years by Rupees 786-3-9.

Motturpha.

| | |
|---|---|
| 1255 | 15324-10-11-2 |
| 1256 | 15235-15-5 |
| Decrease | 88-11-6 |
| Average of the past 5 years | 14990-4-1 |
| Increase | 245-15-4 |

There is a small decrease in the Collections from this branch over the previous fusly though they exceeded the average of former years as noted in the Margin.

Tobacco. 21.

| | |
|---|---|
| 1255 | 290684-3-0 |
| 1256 | 290896-4-0 |
| Increase | 212-1-0 |
| Average of the past 5 years | 284415-15-10 |
| Increase | 6480-4-2 |

The collections made under the head of Tobacco Monopoly exceeded those of the previous year by Rupees 212-1-0 and the average of former years by Rupees 6480-4-2. The increase over 1255 is too trifling to call for any remarks.

Stamps. 22.

| | |
|---|---|
| 1255 | 20338-10-6 |
| 1256 | 26971-14-0 |
| Increase | 6633-3-6 |
| Average of the past 5 years | 34157-6-3 |
| Decrease | 7185-8-3 |

The cause of increase in the revenues derived from the sale of Stamps in the past fusly over those of the preceding is to be ascribed to the late orders of the Sudr Udawlut leaving it to the opinion of the Suitors to file their plaints before the higher Courts instead of being compelled to bring them before the Moonsiffs in cases where they were cognizable by those Officers - The falling off below the average is to be accounted for by the late abolition of the Stamped Rawannas in the Sea and Land Customs Department.

Zemeendaree Inlands. 23.

| | |
|---|---|
| 1255 | 21238-5-4 |
| 1256 | 7913-1-8 |
| Decrease | 13325-3-8 |
| Average of the past 5 years | 16314-15-7 |

| 1255 | 545 | 1- 27 |
| Dc. in 1256 | 594 | 14- 8 |
| Increase | 49 | 12- 9 |

The decrease referred to is owing to the diminished consignments to Bengal and reduced sales of the article Coir at the spot during the year under report. There is an increase in the delivery of coir by the Inlanders during the past year as compared with the preceding year to the extent of about 50 Candies which would have been greater but for the storm in April last which prevented the Islanders from bringing it over to the Coast before the Monsoon

24- Subjoined is an abstract statement of the arrears of Revenue from Extra Sources outstanding at the close of the year under report compared with the preceding Fasly together with the Balance up to the 30th September last.-

These arrears are irrecoverable and are recommended to be written off the accounts.-

They are on account of Motunpha as they are due by persons who having died and absconded after the Settlement was made; the demand against them remained uncollected.-

26- The charges of collection in the branches of Extra revenue noted below appear to call for explanation.-

Purchase of Salt.

| Decrease | 65,758. | 15. | 4. |

29. The disbursements under the head of Drawback in the Sea Customs Department have been reduced in the year under report in consequence of Cotton having been allowed free Export under the provisions of Act II of 1846 and no duty therefore remaining to be repaid on its exportation to the United Kingdom.—

Purchase of Tobacco.

30. The decrease in the charge for the purchase of Tobacco is owing partly to a smaller quantity of the article having been delivered within the year by the Contractor and partly to the lower rates at which the Contract was procured for the supply during the year under report.—

From the Collr of Madras — Sir

I have the honor to acknowledge the receipt of your letter under date the 27th May last, and to report with reference to the petition thereon alluded to No 645 of 1847, which is returned herewith that from the enquiries I have made on the subject of the claim preferred by Chand Beebee Sooban Buksh Catoon Beebee and Bahatoon Beebee the Daughter in law and Grand Children of the late Jahanab Saibah to succeed to the Pension held by the deceased, it appears that during the period of her existence they derived their entire support from the Grant to her and that being now in reduced circumstances and their own houses having been mortgaged before the death of Jahanab Saibah they

Recommending that 4/5 of the Pension of 140 Rs. held by the late Jahanab Saibah be continued to the Widow and Children of her son Ahomed Bukish for life and stating that the claim preferred by one Eazeth Beebee and her Daughter is inadmissible.

they are under the necessity of residing in a part of the House of a distant relative Abdoollah Saib having already borrowed for their maintenance from Sixe to Seven hundred Rupees on a promise to repay the amount as soon as they could obtain a renewal of the allowance in their favor. They are the only personal representatives of the original grantee Moulavi Imam Kuhok or the widow son and daughters of his son Ahomed Buksh who was one of those for whose benefit exclusively 4/5th of his Pension of Pagodas 50, or Pagodas 40 were continued to the widow Jahanab under the Sanction of Government communicated by the Board on the 9th August 1813.

To B. 3d June

As the monthly Pension of Pagodas 40 or Rupees 140 was thus continued to Jahanab Saibah for herself and her Children, or for the support of 4 persons of whom "Ahomed Buksh" was one, and as the present Claimants are the Widow son and Daughters of the said Ahomed Buksh, I would beg leave to recommend that on the principle observed in 1813 one fourth of the original grant, or Rupees 35 per Mensem being fully equal to his share be continued to them on the clear understanding that on the demise of each his or her proportion of it shall lapse to

3. I take this opportunity to report adverting to the endorsement on the enclosed Petition from Cazy Beebee and Auneefa Beebee, No. 1181 of 1847, that it is evident that they can have no right to participate in the pension in question, as by a release dated 27th June 1843 Cazy the Beebee, in consideration of the sum of Rupees 155-10-" paid to her by Ahmed Buckh long before his death relinquished all manner of claim against him, and returned an Agreement which she held under his signature for her support.

Sir,

I am directed by the Board of Revenue to acknowledge the receipt of an Order of Government dated 26th April last, referring petition No. 187 of 1847 for their report and forwarding for submission to the Most Noble the Governor in Council the accompanying letter from the Collector of Madras on the subject of the claims set forth in petition No. 187 of 1847 referred by Government on the 20th April ob: serving that Petitioner's have no claims to a continuance of the Pension lapsed by the death of Zaga: nab Sahibah but in consider: ation of the dis: tressed circum: stances of the family support: ing the Collector's recommendation that 1/4 of the lapsed pension be continued to the widow & children of the late Ahmed Buckh to lapse at their deaths.

2. It will be observed that the petitioners are the representatives of the late Moulavee Imaum Buckh to whom a life pension of 50 pagodas per Month was granted under the orders of Government dated 4th June 1802, in lieu of his resumed Jaghire. The Moulavee died in 1812, and the Board suggested that a pension sufficient for the support of his family should be continued to the widow Zyanab Sahibah during her life. This was sanctioned accordingly, under date 30th July 1813.

3. From the Collector's letters it appears that this female died on the 29th Decem: ber 1845, and that none of her Children survive. Her eldest son however Ahmed Buckh has left a widow and 3 Children, the latter aged respectively 14. 10 and 6 years, who now claim to succeed to the pension.

4. The Board observe that the peti: tioners have no positive claim to the continu: ance of any portion of the lapsed pension, as the original grant was not hereditary, but under the distressed circumstances of the family, as represented by the Collector and in reference to the orders of the Honorable Court dated 18th May 1842, para 8th they beg to support Mrs. Hudleston's

=ued in equal proportions for the support of the
Widow and three Children of the late Ahmed
Buckeh, with the understanding that their res-
=pective shares shall lapse on the death of the
parties.

5. The Board would herewith add that they
1162 & 1184 of 1847. have also received petitions from one Cazeta
Beebee and her daughter Anne fa Beebee de-
claiming a moiety of the pension of the
late Syanah Sahibah, and that they have

No. 1.

To, The Collector of
Madras.

Sir.

It is represented to me by Venkata
=chellum and Sondaroy, Graniny, that certain
Officers on your establishment have for some
time past insisted on my clients paying increased
duty in proportion to an additional number of trees
untruly alleged by them to be used by my clients
in the production of Toddy and that four Conico
=polies and 8 peons entered their Toddy shop this
morning as your Officers, and insisted upon
closing the same; and in the course of the Tres
=passes then committed by them broke their Toddy pot
which contained a large quantity of Toddy, and
possessed themselves of my clients purse containing 200
Rupees and upwards in money.

I am now, therefore, instructed
by my clients to request you will have the
goodness to investigate into this matter, and
cause their money to be restored to them and
that you will also make them reasonable
amends for the losses they have already
sustained, and give such directions to your

Proceedings thereon.

Conveying instructions to the Collector of Madras on Petition dt 18th of 1847 regarding a Toddy Shop & calling for explanation on certain point to connected therewith

Recd 11th Octr 1847.

On referring to the Account by the Board shewing the result of an Examination made on the 4th August last by Veerasamy a Sergt on the Collectors Establishment of the Gardens in the enjoyment of the Petitioner, it is seen that of the excess of 241 Trees above the Established number, shewn in his Statement B. which accompanied Mr Hudleston's letter of the 6th October last, 63 only are entered as yielding Lamp Toolay or Trees actually yielding Toddy whilst the remainder, 178 are stated to be merely Laik or productive, but from which it is not certain that Toddy was drawn - It appears to the Board that the tax on the former only (Viz 6 fanams) is properly leviable but that as at present informed the demand on the latter should not be enforced. Mr Hudleston will therefore be pleased to cause the Arrears due by the Petitioner at the above rate of 6 fanams per diem to be recovered from

Fort St. George 2nd December 1847.

date specified in the Statement already adverted to, and issue the necessary instructions for enabling him to re-open his Shops In regard to the 178 Trees above mentioned the Board are desirous of being informed upon what grounds the Collector deems himself at liberty to demand any tax thereon. They also wish to know what the precise rule or practice is as regards trees denominated Laik or productive which would seem to be left at the disposal of the Ryots instead of being included in the number of those licensed or attached to a particular shop.-
