Reporting on the petition presented

Sir, With reference to your letter of the 3rd August last, forwarding for report the

presented by Venkata Chellum of Poolegudda.

the accompanying Petition presented to the Board by one Venkata Chellum an inhabitant of Poolegudda in this District, I have the honor to state that the Petitioner in the month of January last preferred a claim to the Head Assistant Collector, under whose management the Deevy Talook to which the Village of Poolegudda appertains was then placed, for the recovery of half a Cutty of Sawy land from one Mundaly Yellanah to whom it was mortgaged by the Petitioner for the sum of 12 Rupees, and the matter was referred to the Tahsildar of Deevy for his enquiry and report; from which it appears that 17 Cottahs and 7½ Veesums of land were mortgaged to the said individual by the Petitioners' Mother and Brother for the sum of Rupees 56—15a—0p on condition of the mortgage being redeemed within three years, which has not been done, in which case it was agreed that the land should remain in the possession of the mortgagee, and he has accordingly been in the actual enjoyment of the land in question since the last 16 years. Under these circumstances the Head Assistant Collector considering the transaction to

be of a Civil nature, rejected the Petitioner's claim and referred him to the Court.

2. With regard to the allegation of the Petitioner that the arzees presented by him on the subject were kept back by the Huzzoor moonshee without being brought to notice, the Petitioner has failed to prove his Statement on being required to do so, and it does not moreover appear from the records that the subsequent arzees referred to by him have ever been received into the Office.

3. Under the foregoing circumstances, it does not appear to me that the Petitioners statements are worthy of any further notice.

24 From the Collr of Bellary submitting the particulars of a Botawarta Enam for the consideration & instructions of the Board that he may be enabled to reply to the Civil Judges requisition agreeably to Circular order dated 15th Feby 1847 No. 110.

Sir,

Since the passing of the Circular order by the Sudr Udalut dated 15th February 1847 No. 110, the Civil Judge of Bellary is in the habit of giving me previous notice through the Government Vakeel, whenever he contemplates the sale of Landed Property and issues the order for its attachment and where the interest of Government is concerned, I of course continue to offer such opinion on the measure as the nature of

of each case demands.

2. But, it is necessary, that the question should first be solved, as to whether Land Property designated "Bhatavurtee and Khyratee Enams" falls within the jurisdiction of the Courts or not. By the Papers received from the Government Vakeel under date the 2d August last, I am called upon to offer objections if I have any against the sale of a certain landed Property in fact, an Enam * Wet land in the Village of Cottacherroo segueistered by the District Moonsiff of Tadimurry.

No. 357 acres — 35-5¾
Assessed at Rs 3-1-14½

3. The History of the Enam under attachment is this. It was originally granted as a free gift by Sidda Ramapah Poligar of Anuntapoor to Condamah a Woman who practised medicine at Bangalore so far back as 68 years ago or on the date noted in the Margine. A copy of the Deed under which the grant was bestowed having been transmitted to me through the Tahsildar I beg to enclose an English translation of the same, a perusal of which will at once show, that the grant was to be enjoyed by the Grantee and his and their

heirs in perpetuity.-

4. The original grantee Conda-
:mah had no Male issue, but a Daughter
whom she gave in marriage to one Sin-
:gadoo and maintained him in her own
house until her death, which took place
prior to our administration in this Country
subsequent to this event, the Enam
reverted to the Son in law and is entered in
his name in the survey Accounts of this District.
He enjoyed it for 17 years and then died, when
his son Pedda Vencataramanah held it in
the year 1817 for 18 C Pagodas to one Naraharry
who died unmarried about 8 years ago,
leaving two Brothers, the Elder of whom is
named Thopattee Nursappah and the
younger Naranapah. The former was the
defendant in the present suit and died 6 years
ago and the latter (Naranapah) now sur-
vives.-

5. The Property in question
is entered in our accounts under the Head
of "Ryratee Enams" The original Grantee
as herein before stated had no male issue
and even her daughters son did not enjoy
but sold the Enam 30 years ago.-

6. It would appear from the
Urzee of the Tandmoory Moonsiff addressed to
the Civil Judge of Bellary which forms part
of the records furnished to me by the Government
(Vakeel) that in a Civil suit filed by one
Vala Nunjunnah for Rupees 38 and odd judg-
:ment was given against the defendant
(the said Nursapah) on the 18th November
1814 now 33 years ago, that the complain-
:ant applied to the Moonsiff on the 5th
October 1836 for the execution of the Decree
and though the landed Property in question
was sequestered in consequence on the 15th September
1840 and was bid for on the 31st October 1842
during the sale (63½ Rupees) yet that the
sale proceeds were not realized nor the Property
made over - It is evident that Naraharee
the defendants' brother purchased the Property
3 years after the passing of the decree
in November 1814.

7. Under these circumstances
I am at a loss to understand, how far
the Court can be justified in proceeding
to the sale of such an Enam as the

The measure appears to me open to objection. I have however apprized the Civil Judge through the Government Vakeel that I shall give him an answer before the end of the ensuing month and I therefore request the instructions of the Board in the matter at an early date, that I may be enabled to meet the Judge's requisition in due time.

Sir,

depots for that purpose and alluded to in my report on the Extra sources of Revenue for the past Fusly, I have now the honor to bring to the notice of the Board the distress and loss that would be experienced by the owners and Manufacturers of the parts above alluded to, should that arrangement be

be permanently carried out, and to suggest a plan by which the same facilities would be afforded to the inland Trade of the Country without disturbing existing interests.

2. The enclosed statement exhibits the comparative Sales of Salt in the different Cotaurs in this District during Fasties 1755-56 and 57, from which the Board will observe that the rate of decrease in the Sales at the Pans noted in the Margin is progressive and in the present Fasly or from 12th July to 30th November amounted, as compared to the Corresponding period of the preceding year to no less than 7,183 Rupees.

†Covelong
Vadasummanjary
Vellaon
Vogalacon

3. In the event of the permanent Continuance of the system lately introduced being carried out, it will be necessary to put a stop to the Manufacture of Salt at the Pans of Vadasummanjary, Covelong, Vallaon, and Vogalacon, when in addition to the distress that would occasioned to a numerous body of the poorer classes, a very serious demand for Compensation would be made on the public purse, and at the question of the propriety of granting such a Compensation

901 Fort St. George 24th January 1848.

compensation has been admitted by Government in the compensation awarded to the owners and manufacturers of Salt at the Manally and other pans situated in the vicinity of Madras, and which were closed many years since. I conceive the claims that would be brought forward, and some of which have already been made to me could hardly be rejected.

4. The Attiputi Ennore, and Cuttiwauk Pans now in the charge of the Collector of Madras are situated in this District, and were transferred to his Department to enable him to supply the demand of the Presidency, and to store salt for exportation to Bengal, but the arrangement is attended with this anomaly, that he has no authority excepting over his immediate Salt servants, whilst all cases of petty Salt smuggling or other charges of a Magisterial nature are referred to the authorities of this District.

5. In order therefore to avoid these anomalies, and to prevent the

the necessity of closing the extensive pans of this District I would suggest that the Pans of Ennore, Cuttevauk and Mutupet be re transferred to this District, and that the Collector of Madras should, as formerly, be restricted to the sale for the Home Consumption of the Presidency, and from which Salt should be furnished to him by the Collector of Chingleput on Indent.

6. This arrangement would enable the Collector of this District to distribute the orders for the quantity of Salt required amongst the Manufacturers of the different Pans in fair proportions. In order, however, to afford the same facilities to the inland trade, and chiefly by the great western Road, I would suggest the Establishment of two large depots, the one to be situated at Saitapunt, on the banks of Cochrane Canal, and in the vicinity of Madras and the other at Vellacherry. To the former of these depots, the Salt would be brought at the same expence as it

Mutupet Ennore Cuttevauk

is now brought to the Madras Colours from the Pans enumerated in the 2nd Margin, whilst to enable me to carry out the arrangement of a depot at Valacherry, it will be necessary to excavate a canal from the back water of Covelong through the low grounds and by the Woogeyum Mudoogoo to Valacherry. The Cost of this Canal which is not only feasible, but even easy of execution, and which would be of great general utility, would, from the levels taken and Estimates formerly prepared when it was proposed to excavate a canal from the backwaters at Maracanum to the Adyar be about 15,000 Rupees whilst by it all the Salt Manufactured at Covelong and Vadasummunjary might be brought to Valacherry, and unless this is conceded, the pans there must, I fear, be closed, and an annual Compensation amounting to about 1,200 Rupees paid to the owners and Manufacturers.

7. Should this arrangement be

be carried out; it will not be necessary to make any alteration regarding the Pegunam and Cadarambady pans as the average sales there would probably be maintained from the whole of the Salt at Covelong and Vadasummunjary being removed to the vicinity of the Presidency.

8. Another point which I would beg to submit for consideration is, whether it would not, as a point of economy, be advisable to build tiled Godowns for the storing and preservation of Salt. The expence of Godowns for storing 2500 Garces of Salt at Saluvangaud and 1500 Garces at Valacherry would be about 10,000 and 7,000 Rupees respectively. This expence however would be amply covered in about 5 years by the reduction of expence attending the storing and thatching the heaps and from the decreased wastage and loss from rain and heavy floods.

9. Subjoined is a statement shewing the cost of thatching and Covering the heaps of Salt at the Pulicat

Vegalore, Vadasummunjary, and Covelong pans during the last 5 Fasolies, and also the wastage and loss from storms. The loss on the whole amounting to Rupees 52,794, or 6 per Cent on the value of the Salt, would, I calculate, be diminished to half that sum. In this calculation too, it must be remembered that the saving of the thatching a great portion of the Salt now Manufactured in the pans under the Collector of Madras is omitted, but which also would be saved by the Salt being stored in the Godowns I propose should be constructed.

Cotaurs

7 half of the charge for storing and thatching Rs. 8,780
Do. Do. for wastage 20,500 / 29,280

Fort St. George 24th January 1848.

In short the Board will observe that by the arrangements I propose, not only will a large body of Salt cultivators be preserved from distress, but the Government saved from the necessity of annually paying a considerable sum as Compensation to the owners of the farms whilst the outlay necessary to carry the arrangements into execution will be recovered within five years by the saving of expenses in Wastching and wastage. The resources of the Villages in the vicinity of the proposed Canal will undoubtedly be improved, whilst the work will also be of great public utility, and lastly, the facility afforded to the inland Trade by the late orders of Govt. will be promoted.

Fort St. George 24th January 1848.-

Ordered that the following letter be sent in reply.-

To the Collector of
Chingleput.

30-31

To the Coll.r of Chingleput.

Sir,

In Cons.n 24th January 1848.

Communicating to him the orders of the Board in reference to his representation of the falling off in the Salt revenue of his District in consequence of the recent permission given to the Coll.rs of Madras to sell Salt for Inland Consumption.

I am directed by the Board of Revenue to acknowledge the receipt of your letter dated the 13th December last, pointing out the effects of the late order of Government authorizing the Collector of Madras to dispose of Salt from his depots, upon the Salt Revenues of your district, and suggesting certain arrangements, and modification in this Order, with a view to ensure to the owners and Manufacturers their existing interests, and at the same time to afford facilities to the Inland trade in this article.

In reply I am directed by the Board to state that although they consider many of the suggestions proposed by you to be worthy of consideration they are not prepared at present to give effect to your views. The decrease in the sales of Salt which has occurred during the last Fasly in your District have certainly been considerable, and under the impression that

that the falling off has resulted from the late arrangements with the Collectors of Madras were calculated to create the apprehension which you have entertained.-

3. The Board however direct me to observe that during the past year an unusual depression has taken place in many of the Districts to the North of Chingleput in the Inland sales of Salt, from causes which have not as yet been satisfactorily explained, and they are led to think that the circumstances which have operated to the detriment of the Salt Revenue in other and neighbouring Districts to your own must also have conduced to depress the Inland trade in Chingleput - with the imperfect information which they now possess as to the true causes of the general diminished demand in the Inland Market which has characterized the Salt transactions in the Districts in question during the late Fasly, the Board are not prepared to adopt the purely local remedial measures proposed in your letter under reply.-

4. In order however to counteract as far as practicable the alleged distress and loss experienced by the owners and

and manufacturers at the several Pans in your District which are considered to be more decisedly influenced by the existing system in Madras the Board desire me to state that instructions have been issued to the Collector of Madras to restrict the manufacture of Salt in his own Pans to the extent of last year Viz.to two Thousand Garce and to indent upon you for any additional quantity he may require, and which is estimated also at about

Garce 2,000.

Garce.

5. Of this latter quantity the Board suggest that you should make arrangements for the manufacture of one thousand Garce at the Pans of Tuticorin and Tegaloor distributing the remainder at the other Pans with reference to the general interests of your District.

Revenue Board Office,
Fort St. George.

From the Collr. of Salem
Requests Sanction for the amount of Teervah to be paid for lands lately taken up by the great Western Road amounting to Rupees 27-5-3

Sir,

I have the honor to forward for the information of the Board a Statement of ground taken up by the great Western road at Vaniambady on the Tripatore Taluk as also of those relinquished from the lands taken up for that purpose in 1845 as reported by the Sub Collector in charge, on the 10th February 1845 The payment of the Teervah for which Viz.t Rupees 48-12-3 as per last column 8 of the Statement, was Sanctioned by Government under date the 5th April 1845 No. 438.

In consequence of the lands now relinquished from the portion taken up in 1845 having been used for the high road and unfit for immediate cultivation the Mootahdar claims Teervah for that portion for the present Fusly 1257 Viz.t Rupees 36-4-8 as shown in Column 19 of the Statement to enable him to clear the land for agricultural purposes.

The amount of Teervah to be paid hereafter to the Mootahdar for the land retained is Rupees 12-7-7 as per Column 20 of the Statement, which added to the Teervah for the land now taken up Viz.t Rupees 14-13-8 as per Column 28 makes a total of Rupees 27-5-3 as shown in Column 34 to be paid to the Mootadar for which I request that the sanction of Government may be obtained.

I am also to inform you that the Sirkhildar has been directed to recover the amount of Rupees 23-7-4 paid to the Ryots for the lands purchased from them, and now given up, as stated in the Letter above quoted.

There is no statement of the Native Government but it appears from enquiry instituted in Fasly 1233 that a Pattak was granted in the name of the Court by Gundoomookanna to the Chandor and his brothers recognizing the Bantygaum Claim in question Naiken for the said authorizing service rendered its Enjoyment by them to the said that the Shalabs of the said Pattak Cuddapah were destroyed and that the rules the Chandars house was consumed by fire. Claim to be Enjoyed from generation to generation.	The late incumbent Seminaick was in the enquiry instituted in Fasly 1233 & stated that the Claim in question was granted originally to his Grand father Gundoomookanna by Rt. Dickburn Sinto Naiken to the Chandor and his brothers recognizing the Bantygaum Claim in question Naiken for the said authorizing service rendered its Enjoyment by them to the and that the Shalabs of the said Pattak Cuddapah were destroyed and that the rules the Chandars Village was house was consumed by fire Claim to be Enjoyed from generation to generation.	Gundoomookanna Vasanta Naiken and his brothers Bantygaum Naikens.	of the 2 original Claimants Lara Bantygaum died without issue but Gundoomookanna Vasanta Naiken had 2 sons Viz. Mootoo Naiken & Chennamma Naiken Viraloo Naiken had a son Nallatambey Naiken but the other had no issue. His Nallatambey Naiken had 2 sons Vasanta Naiken and Vasanta Lakary Naiken 2 Both these persons had no issue Consequently Vasanta Lakary Naiken had adopted one Venkatapa Naiken as his son. As to both these persons and to the adopted son in his minority died the 2 minor of the deceased Vasanta Lakary Naiken Viz. Ramakrishnama & Chennamma adopted the younger brother of the deceased adopted son their son, after the death of their husband. The 2 adopted Ramakrishnama had enjoyed the Claim some time but after death & descended his son Timmappa who died in the month of Pramadi of Fasly 1254.	Share enjoyed by the deceased and that held by the other Members. No share in the Maniam was given to any other persons the enjoyment of the whole Claim was confined to the Chandars alone.	Family left by the deceased and name and age of the parties. The late incumbent left a widow Battamal & 2 female children viz. Annapa Naiken aged 12 Moonyappa Naiken aged 9 and 2 female children aged 3 and 4 years respectively.	Their circumstances and the means of subsistence possessed by the family. They have no other means of subsistence but the Maniam in question.	Recommendation and grounds thereof The late incumbent being a person unconnected with the descendant of the original Enamdar I do not think it right to recommend the registry of the Enam Village in the name of his 2 sons but as the Village in question was for so long time in the Enjoyment of the deceased Seminaick Naiken & his father and as the widow and the children have no other subsistence but the Enam in question I think a money allowance should be paid to them as the Board may think proper for life taking the village under the Circar management but decreasing the Amount when the 2 female Children do marry.	Further Remarks. No document accompanies this Case.

From the Collr of Salem

Sir

With reference to Extract from the Proceedings of the Board dated 11th October 1847 and the Minutes of Consultation which accompanied it observing the incompetence of prosecuting an appeal against the decision of the subordinate Judge in O.S. No. 1 of 1846 and Communicating Sanction to the plaintiff Govindoo the sum decreed in his favor Viz. Rs. 105-9-7 including Costs, I have the honor to state for the information of the Board that Plaintiff filed an appeal Plaint No. 70 of 1847 in the Civil Court against the above decision stating that the amount recovered from the Concealed culpitation which formed the subject of the suit was Rupees 393-6-1 and

Request sanction to pay Govindoo Rs. 13-15-8 in addition to the sum decreed in his favor by the Subordinate Court of Salem Viz. Rs. 84-5-7 and suggests that all further Proceedings be dropped.

that a further sum of Rupees 171-- was collected and that a further sum of Rupees 171-- was collected from the Village Curnums making in all Rs. 561-5-1 that one fourth of that sum Rs. 121-1-3 should have been his reward, and that therefore not being satisfied with the amount awarded him by the Subordinate Judge Viz. Rs. 84-5-7 he filed the appeal for the recovery of the remaining Rupees 66-11-8. A Summons has since been received and 3 months time from the 5th of November 1847 to the 5th February 1848 obtained to file the answer.

The Plaintiff was desired to receive the amount awarded him by the Subordinate Judge Viz. Rs. 105-9-6 and withdraw his appeal suit, he agreed to this on condition that in addition to the above sum the following also be paid to him Viz. Rs. 13-15-8. the one fourth of Rs. 55-11-8 which has since been recovered and kept in deposit in the Pistinaghery Tallook together with Rs. 10 the amount incurred for filing the appeal suit including the cost of Stamped paper he has still to renew in with drawing the Plaint.

A translation of the appeal suit is enclosed for the Board's information agreeably to the instructions contained in the Minutes of Consultation

Fort St. George 24th January 1848

Consultation quoted above. the Government Vakeel has been directed to withdraw the brief, appeal Plaint filed by me and Sheg to suggest that all further proceedings be dropped and Sanction obtained to disburse to Plaintiff Rupees 13-15-8 the one fourth share of Rupees 55-14-8 subsequently recovered and held in deposit and Courts Cost Rupees 10 making in all Rs. 23-15-8 in addition to the Amount decreed.

Translation of appeal Petition filed in the Civil Court of Salem by appellant Gooroovien Plaintiff in original Suit No. 1 of 1846 on the file of the Subordinate Court against the Respondent W. E. Lockhart Esqre Collector of the Zillah of Salem.

I am dissatisfied with the decision read on the 29th July 1847 in which I am made to forfeit Rupees 56-11-8 of the sum proved. I instituted the original Suit to recover Rs. 148-13-3 which is the one fourth of Rs. 595-5-11 the Amount of Embezzlement & Co. collected from the Curnums and Ryots. On deducting Rupees 31 which

Fort St. George 24th January 1848

which I failed to prove from the amount of Embezzlement, there remain Rupees 56-5-11 and the one fourth of this sum is Rupees 14-1-3 which should have been legally awarded to me, and therefore the amount entered in the Decree Rupees 84-5-7 is wrong. The sum of Rupees 337-6-5 collected from Ryots in the first instance has been carried to account, and the amount subsequently collected Rs. 55-14-8 is in deposit in the Pollock. The 3d Document which I filed was given by the Collector under the impression that he himself can disburse at liberty to do so. from the sum carried to he will obtain sanction for the same Rupees 17 have been collected from the Curnums. The Head Sheristadar has proved by the 2d answer in his deposition that the above mentioned 3 Items Rupees 56-5-11 have been collected. The Head Gomastah also the 2d & 3d Witness in the 3d answer of his deposition has not only proved that it is customary to reward informers from the Amount collected from the Curnums but has also caused accounts to be written of having given to about 30 persons, and in his 10th answer he adds that it is acknowledged by the Higher authorities which

which the Defendant does not oppose. Notwithstanding all this, the Subordinate Judge, instead of taking into consideration that I should receive a reward from the Amount collected from the Lumbers which I have mentioned in my Compliant has deducted the amount on the general ground of its not being proved, and so decised the case, as this is illegal, I request that the above sum of Rupees 56-11-8 may be added, and decided to be recovered for me from the Defendant-

2. The Monthly Returns on the State of the Rivers and the remarks which have accompanied the Statements of Demand & Collection and Balance will have kept the Board informed of the favorable nature of the season. With unusually high freshes in the Cauvery and its several branches and the timely appearance of the North-east Monsoon the wet cultivation dependant on the River irrigation progressed rapidly & the crops were in a flourishing condition up to the Month of January during which an unexpected fall of rain injured the slightly the standing crops of Sumbha Paddy and interfered more or less with the getting in of the harvest. For the dry grain cultivation the season was less favorable and the want of local rains felt, though on the whole for both crops there was little cause of complaint, as the result of the Settlement will shew -

4. It will be remarked that 2 of the Grass Beriz fixed Villages have fallen into amany These were formerly classed among the Shrotryem Villages up to fasly 1248 A.D. 1838/39 when the desertion of the Meerasdar, and the continued failure of the Villages to meet even the moderate Shrotryem tax fixed upon them obliged the then Collector to make a money rent of them for 3 years from fasly 1248 A.D. 1838/39 at Rupees 42 per annum This arrangement was sanctioned by the Board on the 23 August 1838 and was afterwards renewed for 5 years up to 1255 A.D. 1845/46 with an augmentation in the amount Beriz as far as Rupees 58 - These Villages properly speaking should be classed under the head of "Olungoo Rents not affected by prices," but by mistake have been entered among the Grass Beriz Villages. On the expiration of the lease in 1255 A.D. 1845/46 all attempts at renting them again failed and it was necessary to keep them under amany The Revenue however realized for 1256 from A.D. 1846/47 one of the Villages Kodicolum has exceeded the Beriz for the last year though the other Village Seetambapore has entirely failed in consequence of drought and imperfect means of irrigation.-

5. In the number of Olungoo Rented Villages

Villages there is an increase of 26 by the accession of 8 from the Board Rented Villages and 33 from Amany and by the reversion of 15 to the latter head

6. Of the 15 Villages which have reverted from the Olungoo Rent to Amany two have In Tranargoody Talook Senjutti Idungacotah been for a series of years Rented for a Beriz hardly ever realized from them in any a balance being generally left at the end of each year. Thus a large amount of arrears to fs. Rupees 1633 which had accrued on these Villages up to fasly 1250 A.D. 1841/42 was struck off the accounts as irrecovable under the orders of the Board and the Balance of the later years from 1251 must be similarly disposed of.- Under these circumstances it was considered advisable to put them under Amany that the productive powers of the land might be in some way ascertained on which to found a future rent rather than let them at an enchanced Beriz seldom realized.

7. The increase of 2 on the Number of Board Rented Villages has resulted from 7 Villages being brought from and 5 carried to Amany besides the 6 which as stated in the foregoing para have been rented for Olungoo Beriz and so transferred to that head.-

8. It is necessary to remark here that among the 7 Board Rented Villages which

In the Talooky of Tritrapoondy / Poolzapore / Gopinathapore /

which reverted to amany are two depending entirely on the failing rains. These Villages in 1255 were rented for Rupees 2169 which though less than the standard by Rupees 147 appears to have been much more than the land could pay Rupees 1353 only having been realized the remainder Rupees 816 being left standing as a balance. This however has been reduced to Rupees 243 by putting the Meerasaawarum of the Ryots the only means left for recovering the balance. In the year under review care was taken of the Cattle ovation but the actual revenue realized under amany has fallen short of that of 1255.

There is in this year an accession of 24 to the Nos of amany Villages while 5341 garden have been brought from amany into the several kinds of Renting Systems; and thus a decrease of 29 Villages and one / Garden is shewn under the head "Amany"

10 Reference to the Statement of Produce derived from the amany lands will shew a very satisfactory result in the cot cropson increase of 25 1/2 above the average from Fasly 1255 18 1/2 compared with the outturn of 1255 giving on the whole an increase of 20 3/4 per Cent. This result is to be attributed to the nature of the season & in part to the carefulness of the Ameenahs deputed to superintend the Cultivation

The foregoing Statement exhibits a net increase in the extent of Cultivation in Tanjore Villages including Manjey, Ponjey and Bagayet of Falies 2160; and although the greater portion of the increased extent is in the field assessed Villages (Talies 1467) a proportionate increase in the gross Summah has not resulted, the additional Beriz on the Tarrum Lands having been more than swallowed up by the fall in the prices and consequently decrease in the Settlement of the Olungoo &c Villages to the amount of Rupees 111494.-

12 The fall in the prices compared with those of last year though they have still been 35 7/8 per cent above the Standard is chiefly accounted for by the generally favorable nature of the season in other Districts & the cheap rate at which rice sold in Colombo the main Market for Tanjore produce & although a larger quantity was exported than in last year it was purchased at a reduced rate to meet the selling prices in Colombo fallen from the import of grain from Arracan and an increased supply from Tanjore.

		Net Decrease		25534

13- The marginal Statement exhibits a net decrease in the Beriz of Rupees 25534 compared with that of the last year. This decrease is entirely to be attributed to the fall in prices while on the other hand it is satisfactory to remark that the increased Revenue derived from extended cultivation has absorbed 14/17th of the full loss by prices.

14 - Connected with the item of land is the Revenue derived under the head of Civil fees or Police tax with which all descriptions of lands either paying or exempt from paying Revenue to Government are assessed. Under this head a decrease of Rupees 1278 is shewn in the foregoing

foregoing Statement though in fact the actual decrease from the lowness of prices and other causes is no more than Rupees 608 the remainder Rupees 770 being the Amount of Cavil fees in the Villages of Tranquebar carried to the Circar accounts in 1255 but allowed to Ryots in 1256.-

15- Whilst under the Danish Government the Array system prevailed in all the 15 Villages of Tranquebar and in addition to the Cavil fee of 1- 10 C. M. per Cent collected on the Gross produce another fee called Array was levied at the centage of 1- 8 C. M. on the gross produce & carried to the Circar accounts in common with the Mailwarum, Talugaries & watchmen being employed to look over the Crops & paid from the funds realized on account of the latter mentioned fee In 1755 the old System of division of produce was continued and the fee in question collected & credited under the head of Cavil which it resembled in principle. But the non employment of Talugaries on the part of the Circar during the past fasly when the Villages came under Rent rendered the Collection of the Array no longer necessary and its discontinuance has caused the apparent decrease in the accounts of Cavil fees. The Revenue of the Tranquebar Villages including Cavil has however risen from 15,120 to 16,637 Rupees.-

The

16- The Amount of remission on Punjey lands on account of Fire parched crops and short produce granted for 1256 will appear by the annexed Statement to be considerably smaller than those granted in any of the preceding 5 fine years; the favorable nature of the season having obviated the necessity of remissions to any great extent.-

Tanjore, 31st July 1847. } E. E. Lr. / Signed / J. F. Bishop Collector

1049 Fort St. George 24th January 1848.

To,

J. F. Bishop Esqre

Collector of Tanjore.

Sir,

Para 1- I have the honor to submit herewith the annual Jummabundy report of the Talooks comprising the Sub Division under my charge for Fusly 1256 / 1846/47 -

Season- 2- The season was a favorable one - The timely fall of rain and the steady continuation of the freshes in the rivers till the end of the cultivating season, added to which the high prices obtained in the last year, have enabled the Meerasseedars to cultivate more largely both Car and Peshanum Crops than in the preceding year - and the produce realized may be said on an average to be a fair one - Had the prices continued as in the last year a higher revenue might have been expected - The decrease in the Beriz amounting to Rupees 25038-6-0 occurred alone from the lowness of prices - but it has been reduced to Rupees 4514-0-7 by an increase in other Items as explained in a subsequent para (20).-

Total number of Villages. 3- The total number of Villages is shown in the following Statement.-

Colongoo

		Fusly 1255	Fusly 1256.
Colungoo Rented Villages		404	407
Villages rented according to Board's orders -	Grain rented	10	10
	Money rented	8	9
Field assessed Villages		918	918
Villages in which the gross Beriz has only been fixed		458	458
Do. Rented for one year		184	184
Grain rented Villages		1	1
Villages under Amauny		27	23
Total		2,010.	2,010.

Colungoo rented Villages-

4- The total number of Villages under this head in Fusly 1255 was 404. Of these in the Fusly under review 7 Villages came under Amauny and 2 suffered from drought. there remain 395 Villages to which must be added 12 Villages which were unders Amauny last year. thus making a total of 407 Villages settled under the Colungoo system.

Amauny Villages

5- Of the 27 Villages which were under Amauny in last year, 12 are transferred to the head of Colungoo Settlement and one is rented (grain) according to the instructions of the Board, in the current Fusly. Seven Villages which were under Colungoo Settlement

in last year and two Colungoo rented but suffered from drought in Fusly 1255 have been brought to this head- making a total of 23 Villages under Amauny in the Fusly under report. The number of Amauny Villages would have been reduced in proportion to the favorableness of the season of the Fusly under review had it not been that 7 Villages belonging to a Meerasseedar named Capistala Moopen were by his death and in consequence of his son being a Minor placed under Government Management.

Cultivation-

6- Subjoined is a Statement shewing the whole extent of Cultivation of all kinds in each Talook as compared with the preceding year-

Pattabiraman Assistant

7- There will be observed from the foregoing Statement an increase of 373 Valies of land above the extent brought under Cultivation in the preceding year- This increase is to be attributed to the very favorable state of the Season as alluded to in para 2 which rendered the large remission granted in last year and more particularly in Shealy talook, unnecessary.-

Average produce of Amauny Villages

8- The average actual produce per Vaily of land in the Amauny Villages as contrasted with the last Fusly is exhibited in the following Statement.-

14— From the foregoing Statement it will be observed that there is an increase in the Grain amount, yet the revenue fell short of the year preceding to the amount of Rupees 20-15-8. Had the price been as high as that of the last year the Beriz would undoubtedly have been increased in proportion to the excess of Grain amount, but I am glad to report that the Ninjah Poonjah &c. Beriz of these 10 Villages exceeds

Fort St. George 24th January 1848.—

exceeds a little that of the year preceding as hereunder shewn—

16- It is to be observed that there is a decrease of Rupees 462-3-8 below that of Fusly 1255 in two Villages which were grain rented in the last but Many rented in the present Fusly- It became necessary with reference to the repeated instructions of the Board to carry these 2 Villages to the head of Money rent instead of bringing them again under Amaury, as the Meerasseedars of these 2 Villages were unwilling to rent them according to the Grain amount of Fusly 1255. the Beriz of which Fusly far exceeded that of the one under review as the prices were higher- It is to be remarked here that reference was made to the Beriz of these 2 Villages for Fusly 1254 calculated according to the Current selling price on the grain amount and at the same time a small addition being made as noted in the Margin to that sum these 2 Villages were Money rented to the Meerasseedars.-

3 Petitions 1761 and 1819 are from another party Venkataramien from whom a deposition has been taken on Oath, in which he charges Cullian Ramiah Shanbogue of Coromandel with having taken 10000 Rupees from the ryots at the rate of one rupee for every Valey of land in Fasly 1253, and half a rupee per Valey in 1256 but altho he had land in the Talook nothing was taken or asked for from himself on being asked how he would prove his charge he stoutly refused

naming any Witnesses or proceeding further in the case unless the Sahsildar was dismissed or suspended; he would not name a Village men, the ryots of which had paid but accidentally mentioning Mahadavapooram as one from which the Sahsildar had taken at the rates above alluded to. Immediately despatched a blank Summons for the appearance of the Head Man of the Village and any others who had evidence to give against the Sahsildar. The Puttamoney-gar and three Largeband holders appeared before me and on oath deposed in Contradiction of Venkataramien's Statement, declaring that neither they or any of their Village had paid or been asked for a payment per Valey stating at the same time that the Petitioner was a man of notorious bad character, he was again called on to name any evidence and the same answer was given. On an enquiry commenced before the Sub Collector against the Conbaconum Sahsildar, Venkataramien deposed that he could adduce no proof and that the late Deputy Sheristadar had instigated him to complain. In his Petition of 3rd Inst. under reference he states that the Sahsildar forced him to accuse the Sheristadar and that unless a

Commissioner

Fort St. George, 21st January 1818

Commissioner be appointed his charge cannot be proved. The accusation pretended to be made against the Sheristadar is thus backed out of and the real Cause of such accusation shown to be a further charge against the Sahsildar, whom he accuses of forcing him to state what he did. Had the statement been made in the Salook Cutcherry there might have been some grounds for criminating the Sahsildar, but given as it was voluntarily before the Sub Collector it appears to me unworthy of Credit

4 Petitioner in 1759 Sooba-ya padyachy stated on oath that the Sahsildar received from the ryots one rupee per Valey for the last four years (not 1½ rupee for 1255 and ½ a rupee for 1256 as stated by Venkataramien) making a total of 40,000 rupees from the land. In addition to this he received from various sources during the year 1255 and 1256 = 25700 rupees. The following items were mentioned at the Marriages of his sons 4,000 Supplies to the value of 300 for the Most Noble the Governor (in his Petition to the Board he mentions 600) from the pay of the Puttamoneygars 1000 (Board Petition 800) from Curnums and Peons 1000. Devestanums 1500 from the Shops 700 (Board Petition 300) other items making up the 25700. he could not enumerate.

5 Petitioner now being called for to substantiate

Fort St. George 24th January 1818.

substantiate his charges declined manning any witnesses unless the Sahsildar was first dismissed or suspended, stating also that the Sahsildar had tried to force him to accuse the Division Shrestadar, as the author of his present charges against the Sahsildar, on the Deposition being read over to him he acknowledged it Correct in part and signed by himself but refused to attach his signature, and this in such a Contemptuous manner as to do with his whole behaviour throughout the enquiry, that I felt it incumbent on me to fine him 10 Rupees under Regulation I of 1821. he having been fined 5 Rupees eight or ten days before for gross Contempt in the former enquiry.

8 Petitioner in Fo. 1798 Bagoo Padyachy on oath charges the Sahsildar with taking 40000 Rupees at the rate of 10000 per annum, or one rupee per Valey for his quit payment having been 4000 Rupees. On his Petition to the Board he mentions the rate levied per Valey as varying from 3/4 to 1 Rupee (One at a Tarangen days from 1/2 to 1 and Sabonga Padiachee 1 Rupee invariably) on being asked for proof by witnesses the same reply as given by the other parties was made, and nothing would persuade him to nominate evidence. His behaviour of this kind under the enquiry was very boisterous and improper, calling out that in fair enquiry was hanging declared when again asked to nominate witnesses just thereby warding off the Sahsildar." As the charges of the Petitioner

Fort St. George 24th January 1818.

and Sabonga Padiachee included all the ryots of the Talook I again sent out blank Summons to 7 Villages indiscriminately selected from the Mirasi, and took depositions and Mahazurnamah from fifteen Meerasdars belonging to six different Villages and Hamlets, who all declared on oath they had paid nothing to the Sahsildar, with the exception of one individual who stated that he had paid 1/2 rupee as Nokey pummin or offering at the Celebration of a Marriage when a tray is put down for anyone to subscribe who chooses, the amount being afterwards distributed to the poor.

Petitioner Fo. 1796 charges the Sahsildar and others with having pulled down a Memdu pum and Conspiring to make it appear that the Division Shrestadar had done it. This case has not been gone into, as it forms one of the charges proved against the late Shrestadar and apparently brought falsely against the Sahsildar who was employed in the preliminary examination of some of the charges against the Shrestadar.

8 I have thought advisable to submit a translation of the Sahsildars statement in answer to the charges against him, and also the I do not take upon myself to pronounce them altogether groundless, the facts of all the petitions having dated in the midst of the enquiry

enquiry into the Conduct of the late Deputy Sheristadar in the unravelling of which the Tahsildar was Concerned (nearly all being Connected with his Talook) would tend to justify him in attributing their origin generally to the displeasure of the Sheristadar, and from the behaviour of the Petitioners before me I am fully Convinced that proof of the Charges was quite a secondary Consideration they are too general, and accuse the Tahsildar of procuring such extravagant sums that proof Could hardly be expected. The main object in my opinion was to disgrace the Tahsildar and call off attention from the Charges against the Sheristadar The pertinacity with which all called for dismissal or suspension previous to following up the charges was evidently a preconcerted plan, and the assertion that the Statements before the Sub Collector were not given voluntarily but by the power and dread of the Tahsildar Stands upon a utterly false, and made with the intent of further Criminating that individual During the investigation the Tahsildar has been the Cutcherry under surveillance to prevent attempts being made by him to tamper with evidence but this was not sufficient to stop

short of suspension would satisfy the Complainants, and Considering the suspicious of the Charges and the evident animus of the Petitioners I did not Consider myself Called on to gratify their demands, feeling perfectly satisfied that justice being done to their Complaints did not hang on the suspension of the party Complained against. I have had some occasions in Revenue and Magisterial enquiries but never before have I had to deal with such thorough going assurance and Contemptuous behaviour as that evinced by the parties just examined. It is to be regretted that Complainants generally are not better Characters as the Charges they make may be true. I shall therefore try my utmost in the present Case to arrive at a Correct view of the Tahsildars Conduct and this I cannot pronounce him positively innocent of all and every portion of the Charges I have no grounds on which to shew him guilty of any. The Petitions received a few days since are under enquiry and will be Reported on when finished.

9 One of the Petitions 9th 1803. has been misled by me and all search to find it has

has proved vain - I request therefore that Copy of the Abstract in the Board's records may be sent me for enquiry.

Before J. F. Bishop Esqre Collector of Tanjore -

Deposition given by Collector Ponnyah Tahsildar of Combaconum in answer to Certain charges against him

27th November 1847.

I beg leave to State the following facts in answer to the charges brought against me by Vencat Rongen of Nuruttaumgoody in Coottalum Taluk, Joobroya Padayachee of Keelaminadoo and Nagoopadayachee of Enespuram Vattum in Combachinum, who state that I have taken bribes from Meerasdars at the rate of a certain sum per Valy of land, and committed certain other abuses -

I have not received any bribe at all much less as alleged by the petitioners on each Valy of land, nor is there reason to suppose that the petitioners have - preferred charges against me

me of their own accord, but the fact is that they have been instigated to do what they have done by the dismissed Sirastadar

This is manifest from the following circumstances - Vencat Rongen had left in arrears a certain amount of Khists of the lands he had taken on Durkhast & failure of payment on his part induced me to distrain his own and his Securitys property and sell them in auction, as per Huzzoor Orders applied for and issued on the subject - He has now no property left and is well known to be a man always making charges against public Officers but failing to adduce evidence at the time of enquiry - I have myself known things in false information as the cultivated lands had not been brought to Circs accounts, absconding when called upon to establish his Statements - He gave a Vakinama for instance Sometime ago stating that there were extra Cultivations to the amount in certain villages concealed from the Notice of the higher authorities - I caused a examination to be made and the information proved to be false - I then reported his conduct to the Sub Collector who fined him in Rupees 5

which

which was collected from him

Venkatromyah besides addressed a petition to the Board complaining against me and this he did at the instance of the dismissed Sirastadar. The petition was referred to the Sub Collector who summoned the petitioner and made enquiries in the Cause of which the petitioner confessed before the Sub Collector of his having addressed the petition under the order of the above said Sirastadar

Nagoopadayachee is another Durkhast-dar who was defaulter to the amount of Rupees 200 and odd for the recovery of which his chattels &c were distrained under Koozoor orders. He then applied to the above said Sirastadar, who desired he would purchase for him certain punjey lands in the villages of Attigoor and Koroogoor, and on his promising to obtain a Durkhast of the lands for his (Sirastadars) benefit, the Sirastadar permitted him to give a Valuation in the Koozoor and sent an order to the effect that the sale of the distrained property might be stopt, that no more bullocks may be taken from him to pay the arrears within a certain time and that the Punjey lands which he proposed to take for cultivation may be given to

him Durkhast. The rest of the Muvandars of those villages excepting Nagoopadayachee objected to granting the Durkhast stating that it was applied for with a view to serving the Sirastadar who was privy to the proposal. He then addressed an argee stating that as it was long since the property of this defaulter Nagoopadayachee had been placed under attachment, it was right to sell it at once rather than taking any engagements from the defaulter for paying up the balance. Orders were at last received from the Koozoor and his house and other property sold in satisfaction of the balance of Revenue. Shave also reported to the Collector that the land Nagoopadayachee proposed to take was intended for the benefit of the Sirastadar.

Nagoopadayachee and Sabapaty Padayachee of Ennesperia Vuttum preferred afterwards another petition to the Board which was likewise referred to the Sub Division. On examination before the Sub Collector Sabapaty Padayachee stated that he subscribed his name to the petition at the desire of Sashachela Iyan one of the above said Sirastadars creatures and Nagoopadayachee stated that he was unable to establish the truth of his statements by proper evidence and was thereupon

Fort St. George 24th January 1818.

thereupon fined by the Gth Collector in 8 Annas.

Numerous petitions were very lately preferred against Sreenivas Row, some of which I was ordered to enquire into, and the result of the enquiry was unfavorable to the accused which I thought it my duty to report circumstantially to the Honorable.—

Sreenivas Row has conceived a Malicious feeling against me for my not having assisted him in the Course of the investigation going on against him, and has therefore induced Nagoo Padayachee Gobbery Pudaiyachee, Venkatramyen Vyapoory maig lately a Police Duffadar, Shunmoogha Padayachee, and Arachella Padayachee to go to Madras and prefer vexatious charges against me, himself bearing the expence of the journey &c.a That they have addressed the petitions under the investigation of Sreenivas Row will appear from the foregoing statements, and Sreenivas Row is still busying himself in stirring up many vagabonds to make similar charges against me.

I have done nothing which can be laid to my charge as stated in the petitions preferred by the above said individuals.

I have been in the Circar since these 22 years past, most diligently and faithfully discharging

Fort St. George 24th January 1818.

discharging the duties entrusted to me. The charges which I am thus called upon to answer have proceeded from nothing else than the malice of Sreenivas Row towards whom I was unwilling to shew any partiality in the investigation, I made of the charge recently brought against him.—

on this Talook the arrears of Circar Rist on account of his lands in the Village of Pandamungalum in the Conand Talook and in reply thereto the late Tahsildar reporting to the Hoozoor by his Urzee No 180 stating that the cuttay Peshcar reported to him that the arrears were already paid and he submitted to the Hoozoor together with his Urzee a Copy of the Peshcar's report made to him whereupon the Conand Tahsildar was directed to report to the Hoozoor whether the Peshcar paid into his Treasury the arrears due by him the Tahsildar reported that the report made by the Cuttay Peshcar was false, that he did not pay the arrears into his Treasury but they were paid by his father named Venkachum Iyengar through Kothuningar on the 18th Instant. I was therefore directed to call upon the Peshcar as to his having made false report and to take down his deposition and submit the same to the Hoozoor—

I accordingly asked the Peshcar why he made false report, to which he replied that the entry for the land in the Village of Pandamungalum being in the name of 2 person's namely his father

Venkachum

Venkachum Iyengar and his Soninlaw Seenivasa Iyengar respectively, the arrears due by his father was paid by himself and that his land was rented for same Bhogam and the Money paid by his father on the 18th Instant was on account of arrears due by Seenivasa Iyengar and to the above effect he gave in his deposition

On questioning the Peshcar by whom the Circar Rist was paid thereto-fore on account of Seenivasa Iyengar he first stated in his deposition that his father Venkachemengar did paid it and again he stated that he did not know by whom it was paid—

The Peshcar (a Circar Servant) said that he had nothing to do with the arrears and that they had been paid In the report made by him to the late Tahsildar he stated one way and in the deposition taken by him from him according to the Hoozoor orders stated that the arrears due by him were already paid and that the money paid by his father on the 18th Instant was on account of Seenivasa Iyengar, thus he stated in his

Fort St. George

Sir, With reference to my letter of the

Fort St. George 24th January 1848.

the opinion of the Board on the question of receiving the 1st Kist of the ammianair-noor Zemmindary for Fusly 1257 from the Renter Mr. F. de Fondelair

the 12th ultimo I have the honor to report, that Mr. F. De Fondelair having tendered payment of the 1st Kist of the ammina-nainoor Zemmindary Rekhusk for the present Fusly [1257] I have received it Condetionally on the approbation of the Board and the understanding that the Government are not bound thereby to guarantee Mr. F. De Fondelair against any demand on the same account which might be made by the Zemmindar A Copy of my letter to Mr. F De Fondelair is herewith enclosed

2 Should the Board think proper to send me any instructions on this Subject I shall be glad to receive them as soon as convenient.

3 The Sub Collector is endeavoring to collect the arrears of Fusly 1258 by the legal measures indicated in his report. In the event of his success the question to whom the 6 Villages now under attachment should be delivered will have to be determined. I fear that no decision on the point will have been passed by a Court of Law, for though there is now a Suit pending against Mr. F De Fondelair in regard to the Zemmindary, the Decree

Fort St. George 24th January 1848.

if in his favor will not settle the difficulty. The Plaintiff is Narasimmah Chetty who was applied to by the Zemmindar to procure a Renter, and who after a time notified the willingness of Mr. Fischer to enter into this engagement. In the meantime however, the Zemindar had agreed with Mr. F. De Fondelair and consequently declined to rent to Mr. Fischer. Under these circumstances Narasimmah Chetty as I understand has sued the Zemindar and Mr. F. De Fondelair to put his nominee in possession of the Estate. The Zemindar is probably anxious for the Plaintiff's success: but if the suit be decided against Narasimmah Chetty the question in regard to the possession of the 6 Villages between the Zemindar and Mr. F De Fondelair will not, it may be supposed, be moved or directly affected by the Decree

4. I mentioned in para 7 of my letter of the 17th November that I thought there would perhaps be no legal obstacle to the surrender of the 6 Villages to the Zemindar on the arrears against the Estate being discharged, on the ground that they had never been in Mr. F De Fondelair's possession

and

and the Zemindar had notified his wish to cancel the lease.— Though not in Mr. F. De Fondelair's actual possession however they may perhaps be held to have been constructively so, and therefore not deliverable to the Zemindar without a Decree of Court and I feel so much doubt on the question, that the opinion of the Board will be a matter of great obligation to me.

5. Since writing the above, an Urzee of which the accompanying is a copy, has been received by me from the Zemindar. I do not consider that the Regulation he quotes applies to the Lessee for a term of years of a whole Estate, the Tenant being described to be an under Tenant; but if the Board entertains any doubt, it will perhaps be advisable under all the circumstances to sequester the Zemindary.

6. I have the honor to request the Board's opinion on the question of receiving the 1st Kist of Fusly 1257 from the Renter while a balance against the Estate for Fusly 1256 is still outstanding.

Sir, I am forwarding a receipt for the sum of 2,095-8- remitted to the Hoozoor Cutcherry this day for the 1st Kist of the Ammeanaikinoor Zemindary for Fusly 12.57. I have the honor to inform you that, as it is mis accompained by an Irsalnamah from the Zemindar, which in his Urzee notifying his having rented the Estate to you he advised the Collector, that he would send therewith, I can only receive it as a deposit pending the instructions of the Board of Revenue to whom I will immediately submit the question of the propriety of my receiving the Peishcush from you without the consent of the Zemindar. I beg moreover to warn you explicitly, that in receiving any kists from you on account of the Ammeanaikinoor Zemindary the Government are not to be understood in any way to guarantee you against a demand by the Zemindar for that amount. To R. D. Parker Esqre.

Collector of Madura

Honored Sir,

I often urged the circumstance of my having annulled the contract of my Zemindary to Mr. Fondelair and of my having ousted him because of the sweeping and absolute failure on his part of the terms of the lease to him, which I officially communicated to you, and which I maintained I had a right to do, and quoted precedents for doing, against your and your Sub ers supporting him in his contumacious opposition to me, and fraudulent practices to my prejudice; and both of you have as often treated the act as one of incompetency, and have even declared that I had not the power to annul a lease which I myself had given, and have persisted in supporting Mr. Fondelair. I now beg to call your attention to Clause 7 Section 34 Regulation 28 of 1802, which has been brought to my notice, and which I respectfully submit fully bears me out in what I have done, and as fully refutes the opinion you have

have enunciated, and condemns the conduct you pursued and to request you in obedience and conformity therewith to refrain from supporting Mr. Fondelair for the future-

With respect to the money [Rupees 2,096 1/2] which he lately paid into your treasury, as contractor [which he is not] for the first Kist for this Fusly, I protest against your receiving it as such- nor can you do so, according to the terms of the contract deed, which, as I said before in my numerous petitions, you and your Sub have shewn as such a disposition to favor- that contract deed requires that the Kists shall be accompanied by Irroosalnamahs and urgees from me- But I authorise you- nay I call upon you, now that he has paid it, to take it as part of the Kists due by him for the past Fusly-

Requesting you will send a Copy of this letter to the Board for their information for I hear you have asked their permission to receive the money abovementioned from Mr. Fondelair as a first Kist-

Resolution thereon—1 The Board observe that all the questions connected with the Ammianaikoor Zemindary are now under litigation, they are therefore of opinion that the Collector should not interfere in the affairs of the Estate, further than to secure the payment of the public revenue. All parties should however be maintained in their present possession, pending the result of the appeals to the Court.—

(51-52)

2 With respect to the ultimate disposal of the six Villages now held under attachment the Board do not consider it necessary to express any opinion in the present state of the question. If any difficulty exists upon the subject on the expiration of the attachment Mr. Parker can address the Board again stating the exact state of the case at that time.—

3. Adverting to the last para of the letter the Board are of opinion that the Collector may receive and carry to the credit of the Estate the 1/6 Rist which has been paid by the renter and pass his receipt for the amount, communicating the circumstance to the Zemindar for his information.—

Sir,

From the Collr. of Tinnevelly Submitting copy of a letter from the Civil Auditor and requesting to obtain the Sanction of Government for certain alterations made in the number and rate of pay of the Sanctioned Number Establishment of this District—

With reference to the accompanying copy of a letter from the Civil Auditor stating that no alteration can be made in the number and rate of pay of the Native Servants of the Establishment sanctioned for this District from what they were in Fasly 1253, without the Sanction of Government, I have the honor to request you will obtain Sanction for the following alterations that have been made previous to the receipt of that letter, but involving no additional charge

In the Kolliambalum Talook one Shanteringum Moodely a Native of 6 small Villages yielding an annual Rent of about 2850 Rupees having been as appears by the order found guilty of some fault and being far advanced in years, sick and unfit for his situation he was relieved by the Collector of Rent of his duty and another Man Shethiverayen was

was appointed in April 1845 as Tannoom to 3 out of the said 6 Villages and the Monthly pay of the Situation Rupees 5¼ was ordered to be divided and given to both in equal Shares

3. In the Tencausey Statement when the Situation of Number Tannoom of Tusbah Chokumpatty became Vacant in 1844 by the death of the former incumbent the Tahsildar represented to the then Collector that the duties of that large Village yielding an annual Rent of about Rupees 5000 — — cannot be efficiently conducted by one Tannoom, and that 2 should be appointed and agreeably to his request 2 were appointed on a Monthly pay of Rupees 8 each, the Sanctioned pay being Rupees 3 and both were ordered to enjoy in equal Shares the income of the Village derived from fees amounting to Rupees 107 and odd per Annum. The sanction of Government is therefore necessary to enable the Accountant Auditor to pass the annual charge on these Accounts

Sir,

Para 1. I have the honor to — acknowledge the receipt of your letter of 25th Ultimo with its accompaniment and in reply to state that as Government have directed in Para 2 of the Minutes of Consultation dated the 16th of May 1845 that the authorized amount on account of the Number Tannoom Establishment in the Tinnevelly District should be considered a standing charge and the annual disbursement posed in common with all other charges on account of Fixed Establishment, there would appear to be no longer any necessity for the special sanction of Government to the charge in question but it must be borne in mind that no alteration in the number and the rate of Pay of the Establishment can hereafter effected by you, without previously obtaining the authority of Government to enable

enable this Office to admit such alteration

2 It must also be observed that the account particulars of the disbursements to the Cunnoms for fusly 1253 on which the orders of Government above quoted were passed, should be considered to fix the number and rates of Pay of the Establishment, from which as before observed no deviation can be admitted without the sanction of Government—

3. I have to request that you will enter under the head of each Talook Establishment in your future annual Moyenzabittahs the No. of the Number Cunnoms, the rates of their respective authorized Pay and the amount actually disbursed to them, inserting at the same time opposite to the charge the date of the authority under which the Establishment is considered to be a permanent charge—
