From the Secretary to Government — Approving the arrangement made by the Acting Collector of Bellary of deputing Mr. Tweedie to take charge of the Sub Collectorate in the absence of Mr. Mayne and stating that it will in future be sufficient if arrangements of a similar temporary nature are confirmed by the Board and reported to the Civil Auditor.

Extract from the Minutes of Consultation, under date the 18th May, 1819 No. 493

Read the following letter from the Acting Collector of Bellary.

Soliciting the approval of Government to the arrangement made by him postponing Mr. Tweedie to take charge of the Sub Collectorate in lieu that the Civil Auditor may pass the higher rates of Tent allowance to him

(Herewith 7th May 1819 No. 11)

Para 1 The Right Honorable the Governor in Council approves of the arrangements made by the Acting Collector of Bellary for supplying the place of Mr. Mayne in the Sub Division and desires that the Civil Auditor and the Board of Revenue will instruct that Officer to adjust Mr. Tweedies claim to the higher rate of Fixed and Extra Tent allowance according to the Rules sanctioned

sanctioned by Government on the 20th. of March last and published by page 86. of the compilation of the Civil Service Rules.

2. It is not necessary that in temporary arrangements like that under reference made by Collectors to meet the exigencies of the service, should receive the confirmation of Government to enable the Audit Office to admit claims founded on them. It will be sufficient in such cases if the arrangements are approved by the Board of Revenue by whom the Extra Tent allowance is checked and passed and report is duly made to the Audit Office of the nature of the arrangement and the date on which effect was given to it.

Secretary to the
Board of Revenue,
Fort St. George.

(11)

Sir,

From the Collector of Ganjam — Requests instructions to defend a suit filed against the Collector and others on public account.-

I have the honor to report, for the information of the Board of Revenue, that a Suit has been filed in the Civil Court of the Zillah of Chicacole, by Nedavurty Easwarapah the Nazer of that Court, against myself as Collector of this District, and 37 Ryots of the Village of Voujunghee in the Tadadah Taloote, for the recovery of the Sum of Rupees 175 alleged to be the Value of the produce for the year Kheelakah A.D. 1848, of certain land of which he states that he has been wrongfully dispossessed.- and claiming restoration thereof.-

2 I beg to submit a translation of the Petition of Plaint, and a Draft of the answer which I would propose should be filed in the suit, a perusal of which will put the Board in possession of the particulars of this case. Having recently caused the lands in the occupation of the Plaintiffs to be correctly surveyed the extent has been found to be 84 Garces and 22 Pootties

while

Fort St. George 4th June 1849.-

while the quantity he is entitled to hold in virtue of the Nawab's Sunnud is only 2½ Cutties or 30 Garces, shewing an excess of 54 Garces, and 22 Poottas in the present actual occupation of the Plaintiff, independently of the piece of land for the restoration of which he has brought the present Suit.- It is manifest that the Plaintiff has no just title to enjoy this surplus land free from Assessment, and still less to the possession of the piece of land for which he now sues, for the original grant is specifically for two Cutties and a half of land in the Village of Ragoolooputt, no boundaries being therein mentioned, and under the late decision of the Court of Sudr Udalut in the Special appeal case No. 22 of 1845, it is plain that all surplus land found in excess of the extent specified in the Sunnud under which it is claimed to be held, is liable to be summarily assessed in full to the Revenue, and the question as to the actual extent of the measure denominated a Cutty in the Grants of the Nabobs in the Wadadah Talook has also been finally determined by the same decree.- Being of opinion that

See the Collector's letter dated 3d January 1849 No. 1 and the previous Correspondence connected therewith

Fort St. George 4th June 1849.-

that the Plaintiff has no just cause of Complaint in this matter, and that the Suit may be defended with every prospect of success, I recommend that its defence may be undertaken on the part of Government, and that authority may be granted accordingly.-

3.- I would further suggest that after the decision of the Court shall have been passed in favor of the Revenue Authorities as may reasonably be anticipated the surplus land in the occupation of the Plaintiff should be brought under full assessment. I also think it would be advisable that the same measure should be extended to the other similar cases in the Wadadah Talook in which lands are held under similar Grants of former Nabobs, in some of which the parties are known to be in the enjoyment of a larger quantity of land than is authorized by their Sunnuds, but which have remained undisposed of pending the final decision of the Foujdary Udalut in the Special

4 Upon which the Plaintiff sent for Beemayemmah and informed her of these circumstances, who told him in reply that in the year 1839 when she went to Vizianagarum after her husband's death, same disputes had arisen between the Ryots of the said Aggraharum and those of Vonjunghee a ryot of the latter Village by name Tandra Yaroo/Eoovadoo gave an Arzee to the 1st Defendant, stating that the land in question belonged to his Village, and on which the 1st Defendant sent an order that it should be taken under Jeroyettee, provided that he /Yaroo/Eoovadoo/ with the prescribed Ceremonies went over the boundaries of the land he demanded as to ken of the truth of it's belonging to his Jeroyettee Village.- That afterwards as the said ryot Yaroo/Eoovadoo, sent her a message about the time he was ready to go solemnly over the boundary that he would leave the disputed land under the Aggraharum if she would pay him a bribe of 10 Rupees or else that he would assign it to the Village of

Vonjunghee

Vonjunghee, but she neither agreed to pay him a bribe, nor to his going solemnly over the boundary of the land. That afterwards as she was given to understand, while at Vizianagarum, that the said land had been taken under Jeroyettee upon Yaroo/Eoovadoo with the usual formalities going over the boundary she submitted several Arzees to the 1st Defendant on the subject but in vain. That on her return to Chicacole she presented an Arzee in 1845 to the Assistant Collector Mr. Fraser then in charge of the revenue management of the Wadadah Taloo/k and as it was referred by him for enquiry to the Tahsildar of Wadadah who examined the witnesses produced by her as well as some other people and forwarded the proceedings of his enquiry with his opinion of there being proof of it's having been cultivated by the Ryots of the said Aggraharum and of it never having been cultivated under Jeroyettee previous to the year 1839.- That thereupon the Assistant Collector having read the same admitted

the

Fort St. George 4th June 1849.-

the evidence in favor of her claim and forwarded the proceedings to the 1st Defendant with a letter to his address, requesting orders to make over the said land to the Aggraharam. That as the 1st Defendant afterwards returned the proceedings to him / Assistant Collector / without giving orders to restore the land to her, the reason of which she did not know. That she wanted to prosecute the 1st Defendant and the others for the land but in the meantime as

Fort St. George 4th June 1849.-

as the whole aggraharam had become the property of the Plaintiff by purchase she did not think it necessary for her to proceed on the matter That the first Defendant had not given her justice by ordering a Punchayet according to the Regulations to enquire into the documents in her possession, and of her enjoyment, that the land in dispute having been enjoyed under the said aggraharam from a very long time before

before the year 1839 she sold it /the Aggraharum/ of course in=cluding the land in question according to the boundaries fixed from a considerable time, and the Plaintiff therefore should obtain the said land by prosecuting the 1st Defendant and others in the Civil Court.-

5. The Plaintiff in consequence subsequently made some enquiry on the subject and was given to understand that it was stated in the answer of the 1st Defendant

to

to the Assistant Collector in 1846 that he the Assistant Collector need not take any steps in the case as the said Yarrakoonadoo had already solemnly gone over the boundary of the land in question in token of its being Jeroyettee in the presence of 5 men namely Shaik Sultan Sahib, Pandrunghee Chenna Narsingarow, Goondan Polee Naidoo, and Chullah Goorovee Naidoo of Ragaloo Village, the Carkoon Adenee Gunaraauzi and Rachoory Rayenmah Agent on the part of the said Bheemayemmah had agreed to it. She Plaintiff there enquired from Bheemayemmah, whether Rachoory Rayenmah was her agent or not, whereupon she told him that he was not her agent; and as she did not consent to the said Yarrakoonadoo going solemnly over the boundary of the land in question in token of its being Jeroyettee she did not authorize the said Rayenmah verbally or by a Vakaltnamah to obtain the settlement of the business for her, and that she stated her disapproval of the proposal of Yarrakoonadoo thus solemnly to go over the boundary of the land in dispute, to the 1st Defendant, by an Arzee addressed to him which may now be on his records. Consequently the Court will perceive by the following statement that the 1st Defendant gave no justice in this Case.

The Court will see that the Punchayet

before the year 1839. she sold it
/the Aggraharam/ of course in-
-cluding the land in question
according to the boundaries
fixed from a considerable
time, and the Plaintiffs therefore should
obtain the said land by prosecuting
the 1st Defendant and others
in the Civil Court.-

5. The Plaintiffs in
consequence subsequently
made some enquiry on the subject
and was given to understand
that it was stated in
the answer of the 1st Defendant

D.J. to

to the Assistant Collector in 1846, that he the Assistant
Collector need not take any steps in the case as the
said Yarookoonadoo had already solemnly gone over
the boundary of the land in question in token of its
being Jeroyettee in the presence of 5 men, namely Shaik
Sultan Sahib, Vaudrunghee Cheinna Narsingarow,
Goondan Polee Naidoo, and Chullah Goorovee Naidoo
of Ragaloo Village, the Carnoom Adenee Ganaraanje,
and Rachoory Rayennah Agent on the part of the
said Bheemayemmah had agreed to it. The Plaintiff
then enquired from Bheemayemmah, whether Rachoory
Rayennah was her agent or not, whereupon she told
him that he was not her agent; and as she did not
consent to the said Yarookoonadoo going solemnly over
the boundary of the land in question in token of its
being Jeroyettee she did not authorize the said
Rayennah verbally or by a Vakaltnamah to obtain
the settlement of the business for her, and that
she stated her disapproval of the proposal of
Yarookoonadoo thus solemnly to go over the boundary
of the land in dispute, to the 1st Defendant, by
an Arzee addressed to him which may now be on his
records. Consequently the Court will perceive by the
following statement that the 1st Defendant
gave no justice in this Case.

The Court will see that the

Punchayet

Punchayet ordered by the 1st Defendant is not in conformity with the provisions of Regulation V of 1816, for it is stated in Clause 2d Section III. of the said Regulation that the Punchayet shall be composed of the most respectable inhabitants of the same Village and in section IV that the Punchayet shall examine the documents and Witnesses of the parties in the presence of the parties themselves or of persons regularly authorized by written Vakaltnamah to appear on their behalf and there to pass their decision, & in Clause 3d Section IV of the said Regulation it is prescribed that, no person shall be permitted to act as Vakeel in such Cases until his Vakaltnamah authorizing him to act shall be exhibited. It is also provided by Section XVIII. Regn. V of 1822, that the provisions of Section IV. Regn. XII of 1816 should be extended to all disputes between Ryots and Ryots about lands and the Clause 4th Section V. of the same Regulation directed the Collector to refer Complaints about lands to Village Moonsiffs for the purpose of being investigated and settled by a Punchayet, but it is no where provided in the Regulations that Aggraharum land shall be assessed as Jeroyettee upon a Ryot of the Jeroyettee Village solemnly going over the boundary of the land in dispute. Further the 1st Defendant admitted the Carkoon

Carkoon as one of the members of the Punchayet, contrary to the prohibitions laid down in the Regulations, against Circar servants setting as members of a Punchayet and no one of the other Punchayetdars was a village Moonsiff, should have been according to the Regulations.

7. That Rachoor Rayennah (who it was said Beemayemmah's agent) was not a Goomastah of the person who then held the Village under mortgage nor he the owner of it himself or the owners Goomastah, nor was he a person holding a Vakaltnamah from her in this case.

8. That during the life time of the said Bootche Nurasimmacharloo (Husband of Beemayemmah) on the occasion of a dispute arising about the boundaries of the said Aggraharum & the Village of Vonjunghee, the 2d & 3d Defendants & ryots executed a Sunnad on a stamp paper to Bootche Narasimmacharloo under date the 14th March 1826. and from the bounds inserted in it also it appears very clearly that the land under dispute belonged to the said Aggraharum, that further a man by name Villadah Kanoomiah Naidoo of the said Aggraharum having planted a Mangoe tope on a part of the Mettoo land in question gave it to the late Booche Narasimmacharloo under a deed of free gift passed to him on Sunday the 15th Sooddum of the Visagem month in the year Vayah it likewise appears by the Cowls of

Cuddapahs.

Cuddapahs of the rents of lands belonging to the said Aggraharum, that for many years previous to A.D. 1839 the said lands was cultivated on account of its (Aggraharum) and the Sisti thereof was paid to its owner, that further in fusly 1229 or that is to say previous to fusly 1249 or A.D. 1839 in which the land in question was taken under Jeroyettee the Circar caused the lands of the Village of Venjunghee to be surveyed and from that survey account even it does not at all appear that the land in dispute belonged to that Village as it is therefore evident that it was not then Surveyed Village because it belonged to the said Aggraharum.

9. Therefore as the Plaintiff has not clearly understood the actual amount of the produce of the land for the past years, and as the said Aggraharum became his property by purchase on the 20th January 1848 he being ignorant of the exact sum he should get from the Sisti of the land in question for the past years in proportion with the different extents of lands then under him, he omitted bringing his claim for the produce of the past years and claims for that of only the current year Fleelakah valued at 75 Rupees and for the land in question. The Plaintiff therefore begs the Court shall be pleased to examine the witnesses in his behalf, the Vouchers in his possession, and the Survey accounts, and favor him with its decree adjudging

adjudging upon the Defendants to return to him the land in question yielding 75 Rupees a year, together with the sum of 75 Rupees being the Value of the Current years produce, and the Costs of the suit that may be incurred by him.

4th December 1848.

The boundaries of the land claimed are as follows.

The Casundoo or the limits of Vaikalavalsah to the East Mettoo land now enjoyed by the Plaintiff under the Ragaloopettah Aggraharum to the south the high road to the west and from the high road to a heap of stones in a right line with the foot path (Goryah) of the people leading over a tract of land called Lutchmedaveeaah to the North.

Draft answer to O. Suit No. 1 of 1849 on the file of the Chicacole Civil Court.

The Collector of Ganjam under instructions from the Board of Revenue, has the honor to submit the following answer to the Plaint of Nedavungi Eswarappah who sues the Collector and certain Ryots of the Village of Vunjungee for the recovery of the sum of Rupees 75 alleged to be the value of the produce for the year Heelaka A. D. 1848 of certain land, of which the Plaintiff states that he has been wrongfully dispossessed by the Defendants and which he claims should be made over to his possession.

The Plaintiff became the purchaser from the widow of the late owner K. Boochia Rayenmah about the beginning of the year 1848, of certain Malgoozary land held under a Sunnud of the Nawab Shahim Khan, bearing date Rejery 1168 or A. D. 1787, and duly registered in the Collector's Office, granting and assigning over to Kristna Sharla and his heirs for ever two Cuttles and a half of land in the Village of Rageloopetta of the Wadadah Talooka on payment of an annual Cuttoobady of 5 Rupees.

In the year 1839, when the Jeroyetty Villages of the Wadadah Talooka were being regularly surveyed the Ryots of the village of Vunjungee adjoining to the aforesaid Malgoozary land, then in the possession of the late Proprietors widow complained that

Forb. 1st. to George 4th. to June 1849.

that a portion of the Jeroyetty lands of Vunjungee had been from time to time, encroached upon by the Cultivators of the Agraharum, and requested that the boundaries between them might be settled and recorded in the Accounts of the Survey then in progress. With the consent of Rachoory Rayennah the brother of the late proprietor's widow, acting on her behalf, it was agreed that the question of the boundary should be referred to arbitration, and it was finally determined that according to the Custom of the Country, a man named Yarrakovadoo should, with the prescribed Ceremonies and formalities observed in such Cases, solemnly mare and point out the ancient, and true boundary between the two Villages, and this was accordingly done and the boundaries Marked out in the presence of all parties interested, including the said Rachoory Rayennah on behalf of the proprietress, and of the head men Curnums, and principal people of the neighbouring Villages. The boundaries so defined have since been held without dispute to be the true and correct limits of the respective lands, and were recognized as such, at the time of the purchase by the Plaintiff 10 years subsequently.

It is submitted that the settlement of the boundary then made was substantially fair and just, and that the technical legal objections to the mode of arbitration that was resorted to urged in the 6th Para of the Plaint Petition are unavailing, and

and irrelevant; but the Collector desires to rest the defence of the present Suit on the broad ground, that the Plaintiff is still in possession of a much larger extent of land than he is entitled to hold under the original grant of the Nabob, even after excluding the land which he now claims. The grant is expressly for two Cutties and a half or 30 Garees of land in the Village of Rayalacheru no boundaries being mentioned in the Sunnud and the surplus land surreptitiously obtained, and so irregularly occupied by the Plaintiff is therefore liable to be assessed to the full revenue. The final decision passed by the Court of Sudder Adalut in Special Appeal No. 22 of 1845 has already determined the only two points that could be raised in the present case Viz. that a Cutty of land in the Midadah Talook is equivalent to twelve Garees, and secondly that notwithstanding long undisputed possession all surplus land found in excess of the extent specified in the Sunnud under which it is claimed to be held is liable to be summarily assessed in full to the Revenue according to established usage and practice in Districts not permanently settled in accordance with Regulation XXV of 1802; and without the necessity for a regular Suit under the Provisions of Section X Regulation XXX of 1802, and Section XXVII of Regulation II of 1803. The

Collector accordingly proposes to take steps for re obtaining the authority of the Board of Revenue to assess the said surplus land irregularly occupied by the Plaintiff with reference to Section XLI of Regulation II of 1803.

The Collector need scarcely remark that any engagement or deed that may have been entered into by a former Naidoo of Vunjungee, as alleged in the 3rd Para of the Plaint, can in no way be binding on the Government or form any bar to the Assessment of land held under invalid title, and it does not appear to be necessary to notice other irrelevant statements contained in the Plaintiffs Petition.

It is accordingly submitted that against all of the Defendants the present suit should be dismissed with all costs.

Ltr. Coll. 4th June/49.

Right Honorable the Governor in Council

the accompanying letter from the Collector of Ganjam under date the 11th Ultimo, reporting the institution of a Suit against himself and others in the Civil Court of Chicacole, and forwarding translation of the Plaint with draft of the answer which he proposes to file in the case.

2. From these papers it will be seen that the action has been brought for the recovery, with the value Rupees 75, of its produce for the year Heclaka or A. D. 1848, of a piece of land alleged by Plaintiff to belong to his agraharum, but assumed as Sengetta by the first and by him made over for cultivation to the other Defendants.

3. In his proposed answer the Collector shows, that ten years before the agraharam was purchased by the Plaintiff

the question as regards the right to the parcel of Ground now at issue, was settled between the Circar and a party acting on behalf of the then agraharum dar after due enquiry upon the spot and to the satisfaction of all parties concerned. He states however that he desires to rest the defence of the present Action, not upon this circumstance but upon the broad ground that the Plaintiff is still in possession of a much larger extent of land than he is entitled to hold under his original Grant even after excluding the land which he now claims - and that the excess according to the decision passed by the Court of Sudr Adalut in Special appeal No. 22 of 1845 is liable to be summarily assessed in full to the Revenue.

From Register P. in Cons 25th January 1849.

4. The Board consider this Answer to be good and sufficient and they therefore beg to recommend that the Collector may be empowered to put it

it in, and to conduct the defense of the action on behalf of himself and of the other Defendants at the Public charge. They would further beg to support the proposal contained in the concluding Para of Mr. Bannerman's letter, to the effect that should the finding of the Court in the present Suit be in favor of the Revenue Authorities the surplus lands still in occupation of the Plaintiff be at once brought under full teerwah and that the same course be pursued in the case of all parties similarly circumstanced

The Plaintiff in his Plaint st

that he rented the Villages of Goondemidah and Jonnalagaddah from the 2nd Defendant, the Zemindar, on the 30th March 1836 for five years Viz. from Fusly 1246 to Fusly 1250.

The Kist for Fusly 1246 was Rupees 4,256 of this the Plaintiff paid 2nd Defendant Rupees 4,006.

In this Fusly the 2nd Defendant granted half a Coolchel of land in Jonnalagaddah a Maniem to the Man who made a new Seal for 2nd Defendant. The 2nd Defendant by letter also directed the Plaintiff not to collect the Badega tax Rupees 4 on the land of Gurumah of Goondemidah, and the 2nd Defendant Der-wan by letter directed the Plaintiff not to collect the Badega tax Rupees 4 on the land of C. Rungacharry of Goondemadah, the above deductions amount to Rupees 28. this sum deduted from Rupees 250 due by Plaintiff to Defendant for the Kist of Fusly 1246 leaves a balance of Rupees 222 due to Defendant. The Kist for Fusly 1247 was Rupees 4,514 the Plaintiff paid 2nd Defendant Rupees 4,515, the Rupees 28 added to this sum makes a total of Rupees 4,543 the sum over paid to 2nd Defendant is Rupees 29-...-...

This Kist for Fusly 1248 was Rupees 4,808 the Plaintiff paid 2nd Defendant Rupees 4,831—3—6 to this add the Rupees 28 total

Fort St. George 4th June 1849.

Rupees 4,859-3-6 the sum over paid to 2nd Defendant is Rupees 51-3-6.

The Kist for Fusly 1249 was Rupees 5,104 the Plaintiff paid 2nd Defendant Rupees 5,128-5-... to this add Rupees 28 total amount paid Rupees 5,156-5 the sum over paid to 2nd Defendant is Rupees 52-5-...

The Kist for Fusly 1250 was Rupees 5,608 the Plaintiff paid 2nd Defendant Rupees 5,467—...—6 to this add Rupees 28 total Rupees 5,675—...—6 the amount over-paid to 2nd Defendant is Rupees 67-...-6-

The total amount over paid by Plaintiff to 2nd Defendant is Rupees 209-9-... this sum deducted from the Rupees 222 due by Plaintiff for the Kist of Fusly 1246 leaves a balance of Rupees 12-7-... due by Plaintiff to 2nd Defendant.

In Fusly 1252 / 1842 / the 2nd Defendant shewing gave on account to the 1st Defendant shewing a balance of Rupees 2454-...-7 due by Plaintiff to 2nd Defendant for the Kist of the 5 years.

In 1843 the Fuzly Ameen sent a demand to Plaintiff for this balance the Plaintiff replied that he did not owe this money-sent demands were afterwards made on the 3 January 1846 the Plaintiffs property was at

Fort St. George 4th June 1849.

The Plaintiff therefore files this Suit to cancel the demand of Rupees 2454-"-7.

The 1st Defendant in his answer states that he alone is answerable in the cause.

That on the 6th October 1834 the Sattanapully Jemindary was attached for arrears of Revenue and the 2nd Defendant the Jeminder was appointed to manage the affairs of the Jemindary under the orders of Government dated 1st December 1835 he was also ordered to furnish accounts of the Jemindary which must be approved of by the Collector and Board of Revenue. On the 10th January 1843 the Jemindary was again placed under the Management of the Collector.

In the accounts of Demand Collection and Balance delivered by the 2nd Defendant when the Jemindary was finally brought under the Collectors Management the balance of Kist due by the Plaintiff for the two Villages was shewn to be Rupees 2446-"-7.

In 1845 the Commissioner inspected the account and sent on account to the Collector shewing that a sum of Rupees 2,454-"-7 was due by Plaintiff for the two Villages including Rupees 8 which was remitted for the 8th Village of Goondewadah subsequent to Fusly 1246.

Fort St. George 4th June 1849.

a demand for this balance was made by 3rd Defendant the Plaintiff sent a Memorandum to 3rd Defendant the Tahsildar stating that he had forwarded all his receipts &c. to the late Tahsildar, these third Defendant counts articles furnished by Plaintiff forwarded to the Collector as in these ac: to 2nd Defendant for his private use were entered the Plaintiff was ordered to appear and explain this, he sent his Vakeel, who was ordered to bring the daily account of the house expenses, the Vakeel never returned as ordered with these accounts.

In the accounts produced by Plaintiff the sum of Rupees 198- is omitted, in the accounts produced by the Defendant this sum is entered under the head of Nuzzur canah or presents as paid.

The Plaintiff asserts that he is entitled to an exemption of Rupees 28 a year total for the five years being Rupees 140.

In the account of payments made by Plaintiff, the Plaintiffs accounts and the 2nd Defendant differs by a sum of Rupees 2,103-9-7 against Plaintiff.

The remission of Rupees 28 a year is not entered

entered in the Zemindar's accounts and the Zemindar as the Manager for the Government had no authority to make such a remission. The Public accounts for Fusly 1246 shew that Rupees 3,804-12-.. were due for that Fusly. In the account sent by Plaintiff to the Ameen, it is entered that Rupees 4,006 were paid for that Fusly.

The Plaintiff asserts that for 1247 Fusly he paid Rupees 4,543 this includes the Rupees 28 remission and that Rupees 39 was over paid him. The 2nd Defendants account shews that Rupees 4,504 were paid for Fusly 1247 and Rupees 11 for 1246 this shews that the amount as stated by Plaintiff was paid by him, & therefore there cannot be any objection to this.

By the accounts produced by Plaintiff it appears the greater part of the sum which he says he paid in Fusly 1248 and which he carried to the Credit of the rent, are in fact the value of articles furnished by him for the private use of the 2d Defendant. If this was true the Plaintiff ought to have settled the accounts and then taken a receipt stating that the value of articles were carried to the credit of rent, as there was not done, the

value

value of these articles cannot now be allowed as payment of the rent.

The accounts of the Plaintiff shew that for Fusly 1249 and 1250 the value of the articles furnished him to the 2nd Defendant have been carried to the Credit of the rent.

The Curnums of these two Villages will prove that when Plaintiffs term of rent was about to terminate the Plaintiff and 2nd Defendant settled accounts and there was then a balance of Rupees 2,454-.. due by Plaintiff for rent.

The Plaintiff in his reply states that after the attachment of the 2nd Defendants Zemindary in 1834 the 2nd Defendant had full Control of the property and was at liberty to grant Maniems.

That in the receipts and letters forwarded by Plaintiff to the Cutcherry and which the 1st Defendant states are now in his possession, the 2nd Defendant acknowledged having received the Money on account of the rent, that Plaintiff has in his possession two letters received from the 2nd Defendant the one dated 9th February 1842, the other 15th July 1843 which will prove

entered in the Zemindar's accounts and the Zemindar as the Manager for the Government had no authority to make such a remission. The Public accounts for Fusly 1246 shew that Rupees 3,804-12-" were due for that Fusly. In the account sent by Plaintiff to the Amuen, it is entered that Rupees 4,006 were paid for that Fusly.

The Plaintiff asserts that for 1247 Fusly he paid Rupees 4,543 this includes the Rupees 28, remission and that Rupees 39 was over paid him. The 2nd Defendants account shews that Rupees 4,504 were paid for Fusly 1247 and Rupees 11 for 1246 this shews that the amount as stated by Plaintiff was paid by him, & therefore there cannot be any objection to this.

By the accounts produced by Plaintiff it appears the greater part of the sum which he says he paid in Fusly 1248 and which he carried to the Credit of the rent, are in fact the value of articles furnished by him for the private use of the 2d Defendant. If this was true the Plaintiff ought to have settled the accounts and then taken a receipt stating that the value of articles were carried to the credit of rent, as this was not done, the

value

value of these articles cannot now be allowed as payment of the rent.

The accounts of the Plaintiff shew that for Fusly 1249 and 1250 the value of the articles furnished him to the 2nd Defendant have been carried to the Credit of the rent.

The Curnums of these two Villages will prove that when Plaintiffs term of rent was about to terminate the Plaintiff and 2nd Defendant settled accounts and there was then a balance of Rupees 2,454-7 due by Plaintiff for rent.

The Plaintiff in his reply states that after the attachment of the 2nd Defendants Zemindary in 1834 the 2nd Defendant had full Control of the property and was at liberty to grant Maniems.

What in the receipts and letters forwarded by Plaintiff to the Cirkar and which the 1st Defendant states are now in his possession, the 2nd Defendant acknowledged having received the Money on account of the rent that Plaintiff has in his possession two letters received from the 2nd Defendant the one dated 9th February 1842, the other 6th July 1843 which will prove

prove no balance was due by Plaintiff at the expiration of the rent, that Plaintiff and 2nd Defendant never did settle accounts as stated by the Cursums.

The 1st Defendant in his rejoinder states even if the 2nd Defendant had authority to manage the affairs of his Zemindary he had no authority to act contrary to the orders of Government, that if the two letters mentioned in the reply are genuine they ought to have been sent with the Plaintiffs other documents when an investigation was made at the Huzzoor and as there are private dealings between the Plaintiff and 2nd Defendant these letters will not prove that there is no balance for rent due by Plaintiff.

The 1st Defendants 1st Witness states that Plaintiff rented the Village of Jonnalguddah for five years from 1236 to 1241. for the rent of 1836-37 Rupees 250 for 1839/40 Rupees 72 from 1840/41 Rupees 568 and odd were due total Rupees 890 Plaintiffs brother who was the Demandar of the 2d Defendant the Jemindar and Plaintiffs servant Narsingoobhan managed the affairs of the Village. Witness did not write the accounts. the accounts were sent every year to the Tahsildar, they were prepared with the Plaintiffs knowledge and consent, but he did not sign them, does not know if Plaintiff and 2d defendant ever settled the accounts of rent.

The 2d Witness states that he knows the

the Plaintiff rented the Village of Jonnalagaddah for five years, but he does not know what balances were due by him. the signature to the Kyfeyit No. 80 is signed by the Goomastah of witness, he is dead.

The 3d. Witness states that he knows that the Plaintiff rented the Village of Goandewaddah for five years from 1836/37 to 1840/41 does not know what balance was due by him. when the Commissioner / Mr. Elliott / came to Guntoor in 1845 the Witness made out the account of balance due, this account was made out from the yearly accounts kept by the Curnams during the five years rent, there was a balance of Rupees 1,563 and odd due by the Plaintiff, on witness and other Curnams signed these accounts, the Plaintiffs Goomastah and the Plaintiff's brother managed the affairs of the Village.

The 4th Witness states that that Plaintiff rented the Village of Goandewaddah from 1836/37 to 1840/41. The 2d Defendant gave the accounts to Witness and others by these it appeared that Rupees 1,560 were due by Plaintiff for rent, the Plaintiff's Brother was then present, the Curnams told Plaintiff's brother the amount due by Plaintiff. he said that there was private dealings

D.G.

dealings between plaintiff and the 2d Defendant and that these accounts must be settled, does not know if Plaintiffs' Brother saw or signed the accounts, the Commissioner received the accounts from Witness and others, does not know if Plaintiff and 2d Defendant ever settled the accounts of the rent.

The evidence of the 5th Witness is nearly the same as that of the 4th Witness.

The 1st Defendants' documents No. 79 & 80 are two Kyfeyets given by the Curnums of the two rented Villages to the effect that the accounts that they delivered to the Commissioner were true accounts the 5th Witness depose to the signatures in these Kyfeyets the documents of themselves are of no use because they are dated No. 80 - 15th October 1846 and No 79 October 1846, whereas the Plaint was filed on the 31st January 1846.

The Plaintiff states that during the 5 years rent the 2d Defendant granted a remission of Rupees 78 a year, the 1st Defendant had no right to grant those remissions as he was only a Manager of the Zemindary on account of Government. 1st Defendants' document No. 8 contains the Extract from the Minutes of Consultation under date 1st December 1835 allowing the Zemindar to have the management of the property - this document also contains

contains a letter from the Secretary to the Revenue Board to the Chief Secretary to Government dated 17th November 1835 it is recommended that if the Zemindar does not pay the Current Pieshcush punctually and his Management is not satisfactory, it will be for consideration whether he shall be left in possession beyond the 1st year, and 1st Defendants document No. 4 Extract from the Minutes of Consultation dated 7th September 1836 directing that the Collector should be accurately informed of the annual resources of the Zemindary and requiring the Zemindar to furnish the Collector with a detailed Sunnabundy Settlement commencing with the expired Fusly 1245. It is perfectly evident from the contents of the above two documents that the Zemindar was merely the manager of the Estate for the Government and that he only had the Management on sufference, for in his accounts he has rebated the remission of Rupees 28 whereas in the Plaintiffs account for Fusly 1246/47 No 1 the remission for Rupees 28 for five years is entered as a Note & the 2d Defendant therefore

had not the power of making any remission without the sanction of Government and he must have known he had no such power besides which there is no written document to shew that the 2nd Defendant ever did make such a remission.

The accounts filed by the Plaintiff are not authenticated by signatures of any authorized person of the 2d Defendant these are signed by him and were forwarded to the Collector at the end of each Fusly.

These latter accounts show that the total amount paid for the two Villages of Goondewada and Jonnalaguddah from Fusly 1246 to Fusly 1250 was Rupees 20,903-8-2 to this must be added the Rupees 1170-7-3 credited to Plaintiff by 2d Defendant according to his letter No. 61 which makes the total amount paid Rupees 22,023-15-5. The total rent of the two Villages from Fusly 1246 to Fusly 1250 is Rupees 24,280 the amount of Nuzzaranah payable for those 5 Fuslies is Rupees 198. making a total of Rupees 24,478 from this sum deduct Rupees 22,023-15-5 the amount paid the balance is Rupees 2454-0-7.

The documents Nos 10 to 60 are letters and receipts given by 2d Defendant to Plaintiff were sent by Plaintiff with other accounts to

Fort St. George 4th June 1849.

to 1st Defendant and filed by him in this suit.

The documents are dated from the 8th July 1839 to 11th July 1841. the sums paid on these letters and receipts by Plaintiff on account of rent amount to Rupees 3,135-15-3.

The Document No. 61 is a letter from 2nd Defendant to Plaintiff dated 10th August 1841 in which he says he had settled the accounts with Plaintiff for cloths and other articles which the 2nd Defendant had received in fusly 1250 up to that date, and that he had on that day placed to the credit of Plaintiff the sum of Rupees 1120-7-3 in the balance of rent due making a total of Rupees 4,256-6-6.

The documents No 62. to 76 which are dated from 19th January 1841 to 20th June 1841. are also letters and receipts from 2nd Defendant to Plaintiff the sums paid on the documents amount to Rupees 1190-8-4 but with the exception of those sums Nos. 74-75 and 76 amounting to Rupees 186-2-4. none of the other sums were paid for rent consequently there is a sum of Rupees 6-0 paid by Plaintiff to 2nd Defendant which is a private debt between Plaintiff and 2nd Defendant, this sum of Rupees 186-2-4. must be included in the settled accounts above referred

Fort St. George 4th June 1849.

referred to as these documents are dated in Fusly 1841. The whole of these Documents however only show the payments for Fusly 1249 and 1250 and prove that Plaintiff has asserted that he has paid as rent Rupees 1004-6. which is not true.

The receipts and letters containing orders for payment dated in 1249 and 1250 fuslies do not agree with the sum the Plaintiff asserts he paid in these two fuslies.

The Plaintiff has filed five letters received by him from the 2nd Defendant but none of these shew that any money has been paid on the contrary the letter No. 1 dated 15th July 1843 directs the Plaintiff to pay 500 Rupees In letter No. 5 dated 18th June 1841 the 2nd Defendant advises the Plaintiff to pay Rupees 1,000 in two days, this probably is the sum Rupees 1,170 Mentioned in 1st Defendant's document No 61 dated 10th August 1841, and the 1st Defendant says that this sum was received after the expiration of the rent. The Plaintiff objects to the demand as illegal because at the end of every fusly the balance should be demanded and if not a regular suit must be filed for the recovery of the amount, and he supports this by quoting the

to 1st Defendant and filed by him in this suit.

The documents are dated from the 8th July 1839 to 11th July 1841. the sums paid on these letters and receipts by Plaintiff on account of rent amount to Rupees 3,135-15-3.

The Document No. 61 is a letter from 2nd Defendant to Plaintiff dated 10th August 1841 in which he says he had settled the accounts with Plaintiff for cloths and other articles which he 2nd Defendant had received in Fusly 1250 up to that date, and that he had on this day placed to the credit of Plaintiff the sum of Rupees 1,120-7-3 in the balance of rent due making a total of Rupees 4,256-6-6.

The documents No 62-76 which are dated from 19th January 1841 to 20th June 1841. are also letters and receipts from 2nd Defendant to Plaintiff the sums paid on the documents amount to Rupees 1,190-8-4 but with the exception of those sums Nos 74-75 and 76 amounting to Rupees 186-2-4 none of the other sums are paid for rent consequently there is a sum of Rupees 6-11 paid by Plaintiff to 2nd Defendant which is a private debt between Plaintiff and 2nd Defendant, this sum of Rupees 186-2-4 must be included in the settled accounts above as referred

referred to as these documents are dated in Fusly 1841-

The whole of these Documents however only show the payments for Fusly 1249 and 1250 and prove that Plaintiff has asserted that he has paid as rent Rupees 1004-6 which is not true.

The receipts and letters containing orders for payment dated in 1249 and 1250 fuslies do not agree with the sum the Plaintiff asserts he paid in these two fuslies.

The Plaintiff has filed five letters received by him from the 2nd Defendant but none of these shew that any money has been paid on the contrary the letter No 1 dated 15th July 1843 directs the Plaintiff to pay 500 Rupees In letter No 5 dated 18th June 1841 the 2nd Defendant advises the Plaintiff to pay Rupees 1,000 in two days this probably is the sum Rupees 1,170 mentioned in 1st Defendants document No 61 dated 10th August 1841, and the 1st Defendant says that this sum was received after the expiration of the rent. The Plaintiff objects to the demand as illegal because at the end of every fusly the balance should be demanded and if not a regular suit must be filed for the recovery of the amount, and he supports this by quoting the

the Proceedings of the Sudder Udalut under date 1st March 1847 this objection is invalid because these proceedings only refers to Zemindars and Ryots and not to revenue due to Government. it was only in 1843 that the Zemindary came into the Management of the Government and then it was that the demand was made on receiving the accounts from the 1st Defendant from that time until January 1846, the Collector and Commissioners were making an investigation into the Matter.

The Civil Judge is of opinion that the Plaintiff has not proved that he does not owe the sum of Rupees 2454-0-7. the Plaintiffs Case is, therefore, dismissed, and it is decreed that the plaintiff pay the 1st Defendants Costs and his own.

It is resolved that no private adjustment of this decree shall be allowed as deemed Valid unless the terms of such adjustment shall have been previously and reciprocally declared by all the parties interested herein and made a record of Court with their unanimous consent.

That Suit No. 3 of 1849 has been decided in favor of the Officers of Government and enclosing Copy of the decree passed by the Civil Judge.

In Cons 4th June 1849

in the Margin, I am directed by the Board of Revenue to forward for submission to Government the accompanying letter from the Collector of Guntoor dated 18th Ultimo, reporting that Suit No. 3 of 1847 on the file of the Zillah Court at that Station, has been decided in favor of the Officers of Government and enclosing Copy of the Civil Judges' decree.

2. The Government are aware from the papers already before them that whilst the Suttanapully Estate was managed by the Zemindar on behalf of Government, he leased to Satoo Casavadoss Venkatadoss, the Plaintiff in the above mentioned Suit, for 5 years from July 1846 the two Villages of Jonnalagudda and Gundemedoo, appertaining to that Estate, at a gradually increasing Rent. The Suttanapully Zemindary was taken under Sircar Management in A. D 1843, and on an examination of the accounts a balance of Rupees

8349 Fort St. George 4th June 1849.

Rupees 24 54 — a — 7 appeared against the Renter on account of his Quinquennial lease. As he was a man of substance measures were adopted for recovering ex: this arrear from him. The Renter however urged that he had paid to the zemindar the full amount of his Rent with the exception of Rupees 12-7, and brought this action to restrain the Revenue Authorities from Collecting from him the disputed sum, and to have the demand cancelled.

3. From the decree of the Civil Court now under transmission it will be seen that the Plaintiff has not been able to make good his claim to exemption from the Government demand upon him. His suit has therefore been dismissed, and he has been adjudged to pay his own Costs and those of the 1st Defendant.

Reporting upon the subject of the accompanying Petitions presented to the Board of Revenue by Rd Canarauze Loo & others of Suvvolapally subject to Poongunoor Polock.

†No. 651 of 1848.
" 705 of Ditto.
" 1801 of Ditto.

I have the honor to report on the subject of the accompanying Petitions agreeably to the orders of the Board of Revenue as endorsed thereon.—

21.

2. Petitioners complain that the person employed by the Rajah of Poonganoor to manage the affairs of the Samustanum encroaches upon their rights and collects by his Agents a larger amount than due on the Produce of their Enam lands paying only a portion to the state and pray for the interference of the Board of Revenue having failed to obtain any redress from the local authorities

3. From the enquiry into the case held at Hoozoor it appears that the Village of Suvvolapally and thirteen adjoining hamlets the Cabooluty Deriz of which was Rupees 1749-10-9 were up to Fusly 1240 / 1830/31 enjoyed by Venkutrauze Soobbarauze and others, Amurgars Cuttoobadies subject to the payment of Jody to the Circar amounting to Rupees 357-1-" and on the condition of Service which rendered it incumbent on them to retain a sufficient Cuttoo Buddy and Police Establishment for the Security of the Country which is very Jungly and interspersed with Ghauts and Passes) on an expenditure of Rupees 874-2-. that in the year Parthieve or Fusly 1235 / 1825-26 the said Vencatrauze Soo= =barauze and others presented a written Document or Rayeenamah to the Circar in which they declared their inability to con= =duct the duties of their Village and pray= =ed that other arrangement might be made.—

4. An a perusal of the Docu= =ments which have been produced it appears that the amount of Rupees 1056-10—. in money inclu= =sive of Jody was levied from the pro= =ceeds of Revenue of the said Villages for= defraying the necessary expenses attendant on the Police Establishment.— The

8. The three Documents above referred to have been transmitted by the Rajah of Poonganoor – In respect to the first Document executed in favor of the Poolee Cuttoobuddies there is only one Witness now alive among those who attested it – and he speaks to the execution of a Document of the

By. a-c
Item 176-5-10

Sort of which the one presented for his inspection was an alleged Copy.– The Petitioners acknowledge that this amount has been regularly paid to the parties since the year 1831 / the period in which it appears the Sirkar took the management of affairs connected with the duties which originally devolved on the Amaragaurs / but state that this amount was never disbursed while the management was under them.–

Item 329-2-– The validity of the 2d Document having reference to the 12 Cuttoobuddies for the service of the Rajah and which is an original Document is sufficiently established.– The Complainants acknowledge that this amount has also been disbursed since 1831.–

9

10. The validity of the 3d Document executed by the Amurgars in which they request the Sirkar to make the necessary arrangements for the due performance of the Police and other duties which devolved on them is also clearly proved.–

11. In respect to the last Item the Petitioners object to, it cannot well be

be ascertained for what period the Several portions of Enam Lands amounting to Rupees 660-9-8 as above mentioned have been conferred for the purposes Stated and as the Enamaty accounts do not throw any light on this matter, it must be presumed that these grants were bestowed Subsequently to the Parties in question— From the Statements given by the Murnums, the nomination of which Class of Village Officers has been made by the Rajah for the time being since 1831; would appear that the greater portion of them are of old date though probably some few Enams have been more recently conferred as Emoluments of Service.—

12. On a due Consideration of the Proceedings held in this case I of opinion that two of the three Documents above referred to are genuine and that the other is a true Copy of the Original which appears to have been lost — that the Sirkar undertook the management of affairs Connected with the Police Establishment required to

to be kept up in the neighbourhood of Auvoodapully 5 years subsequent to the resignation on the part of the Amurgars. that period having been allowed to elapse before the necessary arrangements were made, and though the Petitioners now complain of these Items of Charges being drawn in excess from the resources of their Jaghire Villages there can I think, be little doubt but that the two former charges were incurred when they were the managing Party. In respect to the latter charge it is possible that the number of these Cuttoobuddies receiving Enam lands as Emoluments of service was augmented in 1831 Consequent on the measures introduced by the grandfather of the present Rajah.—

Poola Cuttoo Buddies	176-5-10
12 Cuttoo Buddies for the Rajah	326-2-—
Enam lands	660-9-8

13. The Petitioners can assign no reasan for having allowed 18 years to elapse without preferring a Complaint; and it is to be observed that the only grounds on which they urge that the Documents referred

referred to, have been fabricated is that two of the Parties who attested the same with their marks were able to write, while they appear to have overlooked the circumstance, that if the Documents were forged there was no necessity of the same being dated antecedent to the period in which they acknowledge all these additional charges were incurred Vizt. 1831. The Documents bearing this date as far as they are concerned would have been equally binding and answered the same purpose.—

14. My knowledge of the position of feud which existed in the vicinity of Poonganoor when these Petitions were presented / though circumstances are somewhat since improved / lead me to the conclusion that the Petitions do not bonâ fide contain the complaints of the Parties alleged but have been got up by an influential party for the gratification of his envious feelings.—

15. Under any circumstances

I am of opinion that it would be inexpedient at this lapse of period to interfere with the arrangements which have been made for the maintenance of the public Peace and the security of the country.—

Cuddapah District,
Collector's Circuit Office,
Madenpully 23d April 1849.

(Signed) J. H. Cochrane
Collector.

Proceedings thereon—

Calling upon the Collector of Cuddapah to furnish information on certain points connected with the subject of Petitions 651 and 705 and 1801 of 1848 relative to certain Enam Lands in Auvoolapully Village in the Poonganoor Jaghire—

21-22

The Petitions above reported on were presented by Ragavarauze and others, inhabitants of the Auvoolapully Village in the Poonganoor Jaghire, who state that Enam lands in Auvoolapully & 10 Villages were conferred by a former Rajah of Poonganoor upon their ancestors upon Cavil tenure, and that on the accession of the Company the Villages were confirmed to the Petitioners and entered in their names in the Cutcherry Accounts subject to the payment of a Jodi of C. Pgs. 96-2 11/28 or Rupees 280-9-4 which quit rent was paid and Jodi Puttahs issued accordingly until the death of the Rajah

Rajah in 1842.. Petitioners complain that after the demise of the Rajah, one Thoddapah who was employed by the Ranee has intruded upon their Enam lands, collects thro' his own servants the sum of C. Pr. 982. 2 3/4 or Rs. 2,864. 15- 6 takes to himself C. Pr. 362 or Rs. 1055 13- 4 and allows the remainder to them, whereas they are entitled to the whole and to collect it themselves. The exaction which the Petitioners aver has only been attempted during the last 4 or 5 years, is practiced under cover of a deed purporting to have been executed 25 years ago, but which is declared by Petitioners to be a forgery.-

2. The report of the Collector does not fully meet the points advanced by the Petitioners in their Petitions, nor is it altogether clear and consistent in itself. Mr. Cochrane states that the Village of Aruvolapully and it's 11 adjoining hamlets, with a Caboolaty Bariz of Rs. 749- 10- 9, were held by Ven Rutnauze Soobaraujo

Soobbaraujo and others, Armugam Cuttoo: buddies, subject to payment of Jodi to the Circar of Rupees 357 - 1 - 0 and to the maintenance of a Police force at an expense of Rupees 874 - 2 - or jointly Rupees 1,231 - 3 - 0 - In the year Parthesah or Fusly 1235/1825/26 these parties are said to have presented a written document resigning their Offices and praying that other arrangements might be made. Nevertheless they are stated to have enjoyed their Villages until Fusly 1240/1830-1 or five years subsequent to the alleged Razeenamah - why this was allowed does not appear, nor is it explained what arrangements were made after Fusly 1240/1830/1. The amount levied in money from the Villages "for defraying the necessary expenses attendant on the Police Establishment" is stated to be Rs. 1656 - 10 (or within Rupees 93 - 0 - 9 of the Caboolaty bariz) which is thus made up; within one Rupee.

Jody	357 - 1 - 0
Police Establishment	874 - 2 - 0
Religious Ceremonies	95 - 4 - 0
Payable to Rajah's Cuttoobadies	329 - 2 - 0
	1655 - 9 - 0

To

Fort St. George 4th June 1849.-

3. To the three first items Petitioners it is stated offer no objection. The fourth or Rupees 329-2-0 is the amount payable to 12 Cuttoobadies who were employed in the Service of the Rajah. In support of this demand an Original document is produced dated Tharana year 1834-35 executed by Venkatrauze and others. and the Complainants it is said acknowledge that this amount has been disbursed since 1831.-

4. It has been previously stated that Venkatarauze and others tendered the resignation of their Offices in Fusly 1235- or A. D. 1825-6 and that their enjoyment of the Villages terminated in Fusly 1240 or A. D. 1830-31. It does not therefore appear to the Board how these persons could execute such a document five years afterwards- nor what value could attach to it. As regards the Petitioners acknowledgment, it does not appear by whom the amount has been disbursed- by themselves or by others- if the former such admission is altogether opposed to their statements in their Petitions wherein they assert the sole

Fort St. George 4th June 1849.-

sum paid up to 1844 to have been the Jody of L. Pag. 96-2-0 or Rs. 280-9-4- Neither does it appear how the amount could have been disbursed from 1831 when the Bond was not executed till 1835.

5. The next item objected to by the Complainants is Rupees 176-5-10 "Enam lands conferred on 22 Poola Cuttoobadies" whether this be or be not included in the "Enam lands amounting to 660-9-8" mentioned in Para 7 is not clear. In the beginning of that Para it is stated to be "in addition", and the same would appear from the Marginal entry in Para 12. Nevertheless these Poola Cuttoobady Enams are shewn in the particulars of the statement given in Para 7 as forming part of the Rupees 660-9-8 Enam lands. However this may be, this demand of Rupees 176-5-10 is supported by Copy of a document purporting to have been executed in Bhamor 1814 by Venkatrauze. Soobarauze and others. The Petitioners acknowledge it is stated, that this amount has been regularly paid to the parties since the

year

year 1831 but allege that it was never e-
disbursed "while the management was
under them." - The Board do not under-
-stand this last expression with whom
then is the present management? for
what period was it held by the Petitioners
when and under what circumstances e-
did their management cease. by whom is
the management now conducted? -

6- The last item for consideration
is that of Enam lands in the enjoyment of
certain Cuttoobadies who belong to other
Villages but who render services in
Avvoolapilly. It amounts to Rupees 660-9-8-
or Rs. 484-3-10 according as the item of
Rs. 176-5-10 is or is not included in it. "It
cannot well be ascertained for what period
these Enams have been conferred" the Enamaty
accounts do not throw any light upon the matter,
but from the statements given by the Curnams
it would appear that the greater portion
of them are of old date, tho'
probably some few Enams have been
more recently conferred as emoluments of service -

7 The information conveyed in
the Collector's letter as above recited
is too incomplete and unsatisfactory to
enable the Board to dispose of the e-
Petitions now before them, and they
therefore must require from Mr. Cochrane
a more clear and connected report upon the
whole question. In particular they desire
detailed explanation upon the fol-
-lowing points. -

1- When did the former Armuga
Cuttoobuddies Vencatarauze, Soobarauze
&c. resign their Offices and to what period
did they retain the enjoyment of their
Villages. -

2. What arrangement in respect
to the discharge of Police duties and possession
of Avvoolapully and the other Villages was made
upon their resigning - and what is the nature of
the arrangements upon these heads still subsisting. -

3. Who are the Petitioners and what
is their connection with the former Cuttoobuddies

25.

From the Collector of North Arcot's Report on Petition 417 of 1849.-

Sir,

Para 1.- Agreeably to the endors:=ment of the Board of Revenue on Petition 417 of 1849 I have the honor to submit the following account of the subject of that Petition. The Petitioner is Peroovengadacharry one of the Monigars of Mahomedpoorum of Vellore Talook, and his complaint is that he only enjoys one third of the Meerassy and that his claim to a moiety of it was rejected by me.-

2. The original merasdar of Mahomed:=poorum was Vencataramarazoo, who in Fusly 1221 (1811-12) executed a deed of Sale conveying half the Meeras to Petitioner's Father Appalachaarry for the small sum of 70 Rupees. This was immediately prior to the decennial lease and

Fort St. George 4th June 1849.-

and the purchaser was therefore not appoint:=ed to the Maniem Office, but after the termination of the lease Petitioner was nominated Monigar in Fusly 1233 (his Father being dead) on the Razinamah of Vencataramarazoo, conjointly however with Rungapa Naick a Ryot of the Village, who had rented it during the lease, who appears to have bought the other half share of the Meeras, and who had officiated as sole monigar since the close of the lease in Fusly 1231.-

In Fusly 1235 (1825-26)

3. Mr. Nisbet dismissed Petitioner from Office for absence and nominated the Meerasidar Vurdarazoo in his place, but an arrangement was afterwards made in the same year between all these three persons, that they should all three perform the maniem duty and enjoy the emoluments of the Office in three equal shares, and documents were regularly inter:=changed between the parties to this purport.-

4. The arrangement took effect accordingly and subsisted without objection till

till 1841, when Petitioner put forward his claim to a half of the Meeras. The claim was fully investigated and the facts above detailed were elicited; and the claim was rejected on the ground that Petitioner had voluntarily entered into the arrangement of 1825, and acted on for fifteen years. Petitioner acquiesced in this order, I believe, till last year, when he again came forward with a Petition to me, claiming a moiety of the Meeras. I examined the record and confirmed the order of 1841 being of opinion that no ground appeared for disturbing it as it gave to Petitioner all that he had himself consented to receive as his right, and which he had so enjoyed contentedly for fifteen years.-

5. Since the receipt of the Board's order now under reply, I have had before me all the parties concerned; Viz: Petitioner, Vurdarazoo, and Naraina-samy Naick Son of Rungapa Naick deceased. All three agree in the main in the facts as above

D.G.

Stated. At present Petitioner enjoys one third of the Meeras and Vurdarazoo two thirds; Rungapa Naick's share having passed to the latter. It is probably this last transaction which made Petitioner come forward again, as he thought himself entitled to a moiety of the third share. As to the mode of this transfer, Vurdarazoo and Narrainasawmy both state that Rungapa Naick gave 300 Rupees to the former for the third share, on the engagement that the latter should cause him to be permanently registered Monigar, and that as he failed to do so, and as he had by little and little repaid the 300 Rupees, Narrainasawmy after his Father's death relinquished the share; Vurdarazoo produces documents which countenance this Statement. Petitioner does not deny it, but states that he knows nothing about the transaction.-

6. But on whatever terms the third share passed to Vurdarazoo, it does not appear that Petitioner has any claim to it. The simple case seems to be this. Petitioner purchased half of the Village in 1811, and it is probable that the vender was in urgent want of money to pay his Kist

and

and sold it very cheap- It does not appear that Petitioner entered on the enjoyment of his purchase till 1823 another reason for supposing that he paid only a low price for it; and in 1825 he entered voluntarily into an arrangement by which he took one third instead of one half of the Village. Under that arrangement he has enjoyed this one third ever since, and there seems no ground whatever for now setting it aside.-

Sir,

From the Collector of Salem - - - - 1.

Furnishing further information relative to the Nai Kinoor Village on the Javadi Hills and requesting that the proposed reduction of its Jodigy to Rupees 96 may for reasons stated be rejected & to Rupees 100-

With reference to the Proceedings of the Board under date 4th December 1848 directing me to submit an Account Shewing the extent of cultivation carried on in the Village of Nai Kinoor on the Javadi Hills in the Tripatoor Talook during the last three fusties, 1255- 56 and 57, the assessment thereon and the parties by whom it was conducted and to state if on further consideration I should still be of opinion that the proposed Jodigy of Rupees 175 is too high, what reduction I would advise, I have the honor to state for the information of the Board that the average cultivation of 3 years amount to Rs. 373-6-8. and that the cultivation of fusly 1258 as shewn in the Margin is Rupees 379-12-0 of which after deducting the

the teerwah of the land granted by the Enamdar to the servants, there remain in the enjoyment of the Enamdar's family lands bearing teerwah Rupees 246-15-u- Prior to the attachment of the Village Rupees 88-8-u was collected by the families of the Enamdar for fusly 1258 from the Ryots, which added to the teerwah of the Putcut and Varaput (Rs. 21-4 and Rupees 35-15-u) held by them amounts to Rupees 145-11-u Of the balance of Rs. 101-4-u due by Ryots Rs. 26-15-u have been collected and deposited in the Taloo/e Treasury the remainder will also be collected orders have been issued to the Ryots of the Village not to pay any balance which may be due, to the family of the Enamdar.-

2. The Village in question was not surveyed nor was any assessment fixed; but in the Accounts prepared in Fusly 1232 when an enquiry was instituted regarding Enams, 32 Tars of land are entered as the Ayacut of the Village. A Tar comprises 400 Goontahs, or 10 Acres, at this rate the Ayacut amount to 320 acres- The deceased Enamdar collected a

a discretionary assessment without reference to the number of ploughs or hoes used by the ryots- The Poonjah teerwah per acree varied from 12 As. to 1 Rupee and 8 As, and on Nunjah Rs. 2½ per acre, the particulars of which are shewn in the accompanying statement No. 2.

3. Of the total amount of cultivated lands bearing teerwah Rs. 379-12-u, lands paying teerwah Rupees 189-12-u- are held by people of different casts who have taken up their residence on the Hills, and lands bearing teerwah Rupees 132 and odd are in the enjoyment of the Servants of the Enamdar. The Mullyallies have no interference whatever with the cultivation of these lands. The teerwah Rupees 189-12-u of the lands cultivated by the low-land people who reside on these hills was continued to be paid to the Enamdar or to his family, to which Rupees 57-3-u, the assessment of the Putcut &c. lands belonging to the Enamdar, being added, makes a total of Rupees 246-15-u. The family of the Enamdar has no other emoluments or any other

means

means of support but the receipt of the above sum Rupees 240-15-- The deceased Enamdar's family are eight in number on an average after deducting the Jodygy of Rupees 70 payable to Government their receipt will only amount to about 15 Rupees per Month or 176 Rupees per annum which I think barely sufficient for their maintenance, consequently I proposed in my letter of the 27th October 1848 that the Jodegy payable by them should be reduced to Rupees 70.- they are unable to pay a Jodigy of Rupees 175 as proposed to be fixed by Government, there are waste lands in the Village in question consisting of Acres 7½ but which is unfit for Cultivation.--

4. Should the Enam lands granted to their servants be attached, they will desert the family, and these being peoples from the low-lands cannot be easily replaced, which would tend greatly to distress the family. Therefore, this service Enam

Enam granted by the ancestors of the Enamdar should be left undisturbed for the protection of the Enamdar's family. There are two Enam lands granted by the Ancestors of the Enamdars to the two individuals noted in the Margin as shewn in the accompanying Statement No. 1 and 2. I would beg to suggest that one half of the Cun:-dayem of these lands be paid by these individuals to the Enamdar's family whose Jodigy (payable to Government) in that case would be raised from 70 to Rupees 100.-

5. I therefore request from the above explanations that sanction may be obtained either to fix Rupees 70 as I recommended in para 3, or to raise the Jodigy to Rupees 100, by directing half of the Cundayem on the Enam land (acres 90) to be paid to the family of the Enamdar by the above-named two individuals, who at present enjoy them free of assess-ment in order to relieve the family from the burden of the Jodigy.-

To the Chief Secretary to Government.

Sir,

With reference to the Letter from the Government dated 17th July 1848 transmitting the Letter from the Court of Directors dated 4th August 1847 with the Orders of Government thereon, I have the honor to forward for the orders of the Right Honble the Governor in Council the Accounts of the Collectorate for the year 1848-49 and to request that the Collectors of Salem, Coimbatore, Madura, Tinnevelly, Tanjore, Trichinopoly, South Arcot, North Arcot, Chingleput, Nellore, Cuddapah, Bellary, Kurnool, Canara, Malabar, Coimbatore, Salem

understanding that it would be continued on that tenure to lineal heirs only- From the Collectors letters it will be seen that Omapah Naick is a Minor of 13 years of age- and that upon the terms upon which the village has been ordered to be continued being communicated to his mother Baitummaul she has expressed her inability to hold the village upon the Conditions proposed, alleging that much of the land has been alienated as Enaum former Inamdars, and is in possession of parties who refuse to pay assessment upon it, and that the Residue which remains to her is insufficient to admit of her paying the Jodi Rs. 175 fixed by Government-

3 From the Statement transmitted by the Collector with his letter of the 14th Ultimo, it appears that the Beriz of Fasly 1258 which differs but slightly from the average beriz of the three preceding Fasles was Rupees 377-12- of which only Rupees 216-15- is the Revenue of the lands in the enjoyment of the family and cultivated by them

themselves or by their ryots and that the Remainder Rupees 132-13 is the teerwa of lands held free of rent part being in the occupation of village servants- but by far the larger portion in possession of parties whose ancestors were dependants or connections of the former holders of the village- Under these Circumstances the Collector has recommended that the Jodi be fixed at Rupees 100- and that to enable the family to meet this demand the two principal Enamdars in the Village be ordered to pay to them one half the Inundayend or assessment upon their respective holdings.

4- Considering the nature of the Country in which the village of Naickmoor is situated and the probability that in the event of the Enamdar in it being charged with full assessment they would abandon their lands for which it might be difficult to find other Cultivators the Board are led to think that the proposed Quit Rent of Rupees 175 might press heavily upon the Resources of the

the family: They therefore beg to sug=
=gest that the Jodi be fixed at Rs. 100
per annum and that the Collector be
directed to assist the Inaunemndar in
levying a moderate rate of tase upon
all parties in the village holding
Enams other than for service. Should
this proposal not be approved they
would beg to revert to the measure
recommended in Para 2 of their Pro=
=ceedings 8th June 1848 viz.t to resume the
Village and grant money pensions to
the heirs of the last incumbent -

the honor to explain that the difference of Rupees
181.-6-10 in the amount as expressed in Para
5 of my letter of the 30th Ultimo and that
exhibited in Column IV of the Statement arises
because that sum was originally included in
the amount of Sanction debt as furnish=

therefore I omitted it in Column IV and
when the claims came to be paid off it was
discovered to have been already received by
the Creditors in the manner pointed out in
Para 6 and Consequently considered
as credits -

2 - I cannot inform your Board
at present whether there are any fur=

I have no doubt however that there are
such transactions unsettled, and which
will come to light when the old Balances
due by the ryots are demanded -

35. Sent 8-6-3

Sir,

From the Collector of Malabar - Reporting on the Land Revenue Settlement of Malabar for Fusly 1254 1847/48. 1st Cir.

I have the honor to transmit herewith the usual Statements connected with the Land Revenue Settlement of this District for Fusly 1257 - A.D. 1847/48.

Season and its effects upon Cultivation and Produce - 2.

The South West Monsoon set in at the proper time i.e. about the end of May 1849 and the fall of Rain throughout, though only 115 inches, was generally seasonable and had the effect of repairing in a great measure the injury which the Storm which occurred in the preceding Month of April had occasioned, as noticed in the 3d Para of my Report for Fusly 1256/1846/47. The outturn of the two Rice Crops was an average one and there was a trifling excess in the quantity of Garden Produce.

Prices and its effect on the resources of the District 3.

There was very little difference in the Market Price of Grain and Garden Produce as compared with the high rates which prevailed during

during the two or three previous years: — though the former on an average fell about 5 per Cent below, the latter maintained an advance to the same extent above the rates alluded to in my last Report. The Ryots thus obtained a remunerating return for their produce which enabled them to discharge the Government demand without difficulty, the Current Collection within the year under review being Rupees 16,40,462 – 14 – 3 out of a Demand of Rupees 16,53,079 – 4 – 11 –

In the Settlement of this principal item of our revenue there was an increase of Rupees 6,069 – 8 – 9, but this amount was reduced to the sum quoted in the Margin by the following indispensable Remissions.

1st Temporary Remissions for Fusly 1254 –

1. Proportion of the Annual Remission allowed to Kullpully Ram Menon Brother to the late Kullpully Karonagara Menon	781 1 "

10 Decrease on account of Lands the assessment of which is annually determined by the inspection of Crops		36 6 3	134 14 5
Total Remission			4329 10 6

From the detail above given the Board will perceive that the Remissions allowed in 1257 are precisely of the same nature as those granted in former years there is only one new item Viz. No 9, respecting which I would add that the quantity of land actually embraced by the Canal and its adjoining two paths or roads, amounts to about 14 Cawnies, the assessment on which namely Rupees 69-4-1 must be entirely struck out of the Jumma. A further portion of about the same extent has been taken up by the earth

earth dug out of the Canal and which is being levelled and formed into Garden plots on both its sides. A remission is requisite for this portion until the time when the gardens will yield produce.—

In my letter of the 21st July 1845 to the Civil Engineer advocating the cutting off the Calicut Canal I calculated that the Government would experience a permanent loss of 57 Rupees per annum by the undertaking, I am happy to say that there is every probability that the same wholly less less mentioned Rupees 49-4-0 will be fully made up in a short time by new Cultivation, the drainage afforded by the opening of the Canal having rendered several parcels of Lands in its vicinity fit for the plough.—

6. The particulars of the additions made to the Jumma in 1257 being distinctly shewn in the Statement No. 1 it may only be necessary to observe here that out of the total amount Viz^t. Rupees 6,069-8-9- Rupees 4,341-9-11 arises from resumption of Remissions of former years and Rupees 1727-14-10 from new Lands and concealed Cultivation

Waste land No. 25

15. By the enclosed Statement it will be seen that during the late Fusly, 511 Cawnies of immemorial waste never assessed to the revenue, was taken up for Rice cultivation, for which, after due enquiry 166 Cowles were issued; the future revenue derivable from these lands is estimated at 1137 Rupees. The present Statement, the Board will observe, is similar to the one transmitted with my Report for last Fusly, it will however be discontinued next year by the substitution of one drawn out according to the form adverted to in the 18th Para of the Boards' Proceedings dated the 8th May last.—

16. The extent of unassessed waste land intended to be converted into Gardens and for which 227 Cowles were granted was 781 Cawnies. This space of ground which is to form 430 separate Gardens will, when fully planted, hold 64,00

Cocoanut Trees, besides several thousand of other assessable trees such as — Betelnut and Jack fruit.—

17. The old Gardens continue to be taken care of, by having new Trees planted in replacement of the old ones which have gone to decay—the Talook Returns shew that 62,000 Cocoanut, 54,400 Betelnut, and 8,500 Jack Trees have been so planted during the late Fusly.—

18. I regret that the Heading of Column No. 1 for 1256 should have been so ill expressed as to have led the Board to conclude that the increase of Rupees 1,340 14-7 therein shewn was "consequent on a Munjey Crop having been raised on Poonjey land." All the lands under the Yenamakal Dam are Munjey, but the major part of the Cultivation is of the peculiar description described in the 6th Para of my Report for 1253, which however, the natives of this District have from time immemorial called "Poonjah," and as such it is entered in all the Native Accounts.—

Para 5 Pro. 8th May 1848

19. Referring to the 19th Para of

of the Proceedings above adverted to, I beg to observe that all the efforts on the part of my Establishment to execute the Board's order as therein conveyed have proved ineffectual.

The irregular and defective state of the old Pymash accounts added to the non-completion of the Individual and Fieldwar Chittahs offer at present a great obstacle against entering in the Statements Nos. 3 & 19 the Original Teerwa. This difficulty will however be removed when the ancient Jummahbundy or Pymash Accounts of each Talook are arranged and recopied as recommended in my letter dated 8th July last and approved of by Government. Until then I must solicit the Board's forbearance to the Statements above noticed being submitted in the manner they have hitherto been.

20. I beg to forward a Copy of the Sub Collector's Report on the Settlement of the Talooks under his charge.

21. I am happy to be able to speak in satisfactory terms of all my Subordinates European and Native.

Mr. Chatfield continues to

D.J.

give me a cordial cooperation in the exercise of his duties as Sub Collector.

Mr. Robinson my Head Assistant came to the District with a good character and he has assuredly in no way lost it since he has been here. A more active zealous and intelligent public Officer it would be difficult to find any where.

Mr. Collett my second Assistant performs his duties to my great satisfaction, and is a very promising Servant of Government.

Mr. Patel my uncovenanted Assistant keeps on in unvarying sphere of usefulness I could not speak too highly of his merits and valuable aid.

My Head Sheristadar continues to be as active and hard working as he is able and intelligent.

My second Sheristadar has but lately succeeded to his post on the departure of his Predecessor for high employ under the Travancore Government. I have a high opinion of him and doubt not he will justify my choice.

The

2 The total decrease on account of Paddy lands amounts to Rupees 4,432-5-7. Viz.t Rupees 1199-0-6 in the Talooks below, and or Rupees 3,233-5-1 above the Ghauts. The following items compose the decrease below the Ghauts Viz.t Rupees 5-5-7 on account of lands converted into Cocoanut Gardens, Rupees 133-1-7 of lands suffered to lie waste from their vicinity to Jungles and want of competent Cultivators- Rupees 17-12-4 on lands assessed with reference to the produce; Rupees 1037-15-6 on account of a temporary remission granted during the year in consequence of losses sustained by the severe storm of the 5th Meddom, when the fields were inundated and the new sowed seeds destroyed, and Rupees 4-13-11 on account of a decrease of proprietary dues on escheated lands which are at present uncultivated. The items composing the decrease on account of lands above the Ghauts are as follows. Viz.t Rupees 1,102-10-10 on account of Lands lying uncultivated from the want of hands and desertion of Pannians, Rupees 1219-11-6. in consequence

of extensive loss of cattle from diseases which for some years past have been very destructive in the province of Wynaad, Rupees 148-10-2 from general poverty, Rupees 3-10-5 from failure of crops, Rupees 243 from lands in one Unsham having been intermixed with and entered in the accounts of another Unsham, and Rupees 215-10-2 from a decrease of proprietor's dues on account of escheated lands.-

3 The total increase on account of land amounts to Rupees 4,219-15-10 Viz.t Rupees 701-6-0 on the Talooks below and Rupees 3518-9-10 above the Ghauts. The following items comprize the increase below the Ghauts Viz.t Rupees 162-3 on account of reclaimed lands for which the temporary remissions were granted from Fusly 1238; Rupees 83-9-1 on account of fallow lands again brought into cultivation, Rupees 103-14-9 on account of lands for which Puttayams were granted, Rupees 95-14-6 on account of lands hitherto sown with dry having been converted into wet cultivation, Rupees 234 on account of lands newly assessed in consequence of their previous cultivation having been concealed, Rupees 11-1-8 on account of lands assessed with reference to the produce & Rupees 839 the Proprietors dues on account of escheated lands.

The

The increase in Wynaad is composed of the following items Viz.ts Rupees 1,360-11-1 the increased cultivation of waste lands, Rupees 1,646-7-8 on account of reclaimed lands for which temporary remissions were granted, Rupees 243 on account of the intermixture of lands in one with those of another Umshom, and Rupees 268-7-1 on account of proprietors dues on escheated lands.

4 The increase on account of Gardens amounts to Rupees 667-14-6 the result of increased cultivation while a decrease of Rupees 481-3-5 was caused by light assessments of Sea and Rivers, unproductiveness and temporary remissions &c.a.

5. The weather was unpropitious for, and considerable loss was sustained in, the cultivation of Modom and Ponam, it was however suitable for the cultivation of Ellu, which was extended, and the increase observable in the following Statement caused.

Fusly	Modom			Ponam			Ellu		
1256	7,370	6	7	20,452	5	8	1,579	13	4

	264	11	10	4,647	1	1			
				Increase			132	4	4
				Net decrease			747	12	8

6th The monsoon commenced in April, was more than ordinarily severe, and the hurricane with which it set in did such extensive injury to every kind of cultivation, as no subsequent, and more moderate weather could retrieve.

Small pox was very prevalent in some parts of the District and in Wynaad the cattle were subject to various diseases which proved very destructive.

7. The total collection during the Fusly amounts to Rupees 4,01,926-9-11 and the outstanding balance to Rupees 5,229-7-10 which will be recovered without delay.

8. The collection on account of the extra sources of revenue amounts to Rupees 85,363-5-10 Viz.ts Rupees 41,998—3-9 on account of Mohturpha Rupees 649-12-9, of Kathy Chitty, Rupees 24,892-5-4 of Abkary Rupees 15,506 of Ferry Farms Rupees 1,763 of Hill Farms and Rupees 557—4—0 on account of Gold Farms.

9. As shewn in the report for the last Fusly, there is a balance amounting to Rupees 2,979—0—10 to be brought forward on account of remissions granted from

Fusly

Fusly 1238 to 1256, from this amount the sum of Rupees 1778-6-2, as detailed below, being irreclaimable remissions, might be struck out of the accounts

Note.

These items are not correct. The subject will be brought to the Sub Collectors notice in order that his next Report may be free from such inaccuracies.

On account of lands converted into Cocoanut Gardens ——— Rupees 274-6-1

On account of encroachment of Sea and Rivers ——— 63-9-4

On account of Assessment exceeding the produce ——— Rupees 472-3-1

Ditto over assessment ——— 85-13-1 ——— 558-0-2

Ditto negligence of Unshoomdars ——— 11-0-0

Ditto lands assessable with reference to the produce ——— 109-5-9

Ditto Salt Marsh lands unfit for Cultivation ——— 762-0-1

Rupees ——— 1778-6-2

This sum being deducted from the above sum of Rupees 2,929—0—10 leaves a balance of Rupees 450—10—8 from which Rupees 144—11—8 have been this year brought to account in consequence of the cultivation of a small portion of Salt Marsh Land and other plots of late neglected, owing to their

proximity to dense jungles. There remains now therefore remains a balance of Rupees 1,005—15—0 which may possibly be recovered if the adjoining lands are ever cultivated with dry grain.

15. By means of a Moplah named Coonjeekra Vellapil Pochan concealed Cultivation yielding a revenue of 13½ Rupees was exposed in Mattool and Maddye Unshoms in Cawye Talook. As it was apparent that the Menons had grossly neglected their duty, I punished them, and now request that a reward of 6 5 3/4 Rupees may be obtained from Government for the

Explanatory-

Fort St. George 4th June 1849.

Explanatory Remarks

A Amongst the 429 Umshoms Menons, or Village Accountants, in Malabar, there are 163, called "Head Menons" whose Pay is 7 Rupees a Month, whereas that of the others is only 6 Rupees. It appears that the cause which originally led to this distinction was that the Head Menons were to be entrusted with the charge of the former Holly accounts, that they were to keep a Counterpart of the accounts of the other Umsh. within their respective ranges, and that they were to hold Summuds authorizing them to act as Commissioners for the distraint and sale of Property. The latter duty has been done away with, by Act VII of 1839. and the additional duty they were intended to discharge is not performed by them the old Holly Accounts having been copied and distributed to the different Umshoms to which they related, and the Originals secured in the Talook Cutcherry. In short the duty the Head Menons have to perform is not at all more than what pertains to the other Menons. It seems therefore not reasonable that

In 1823/24 when the present Village Estab. Establishment was formed.

Fort St. George 4th June 1849.

they should remain on a better footing.

B There are 28 Ool. deshom or Assistant Atheegaries, 19 of whom can well be dispensed with experience having shewn that the duties of the Umshoms in which they are employed, are not so heavy as to require the aid of an Assistant. No. 1 and 2 Talook Sheristadars. The Pay of these Officers was originally 40 Rupees and continued so till Fusly 1239, when it was brought down to 30 Rupees, in order to satisfy the Government call for some reduction in the amount of Establishment. I have long felt that this saving was of doubtful benefit, and that 30 Rupees is too low a Salary for servants who have the responsible and heavy duties which devolve on a Talook Sheristadar - and the more especially so that the post is seldom attained until the completion of from 20 to 30 years service in subordinate grades.

No. 3. Wynaad and Shermaad Head Goomastahs. There is no Sheristadar or 3d Goomastah in either of these Talooks. The Head Goomastah (whose Pay is less by 2 Rupees than that of other Talook Head Goomastahs)

Gomastahs / performs, it may be said the duty of Sheristadar - I would recommend the Pay of these Head Gomastahs to be raised from 16 to 20 Rupees -

No. 4 - The Police duties of Palghaut - where there is a Regiment stationed, are nearly as heavy as those of the populous Towns of Calicut Tellicherry &c. where, in addition to the Tahsildars Establishment, there are Police Ameens on 35 Rupees a Month - An additional Police Gomastah, to act as Sub Officer of Police at Palghaut is therefore extremely desirable -

No. 5. This small increase will place the Head Gomastah of Ernaad on the same footing as those of other Talooks generally - There is no 3d Gomastah in this Talook

No. 6 & 7. Moonsheer & 3d Gomastah of Kootmaad and Chowghaut. The proposed increase would place these Officers on the same scale as those in other Talooks, and there is no possible reason why they should not. The duties of the two Talooks in question are at the least as heavy as those of Talooks elsewhere. The Pay

was originally pitched too low under what I consider false notion of economy -

No. 8 and 9. Cochin Gomastah and Atheragary - The Revenue Duties of Cochin have been placed on the same footing as those of other Talooks and the Revenue itself is gradually increasing - It may be said to be about 30 per Cent more than it was 10 years ago, but delay and difficulty is experienced in getting from thence accounts in the same forms as are furnished by other Talooks, to obviate which, as well as to facilitate the realization of the Kists to the proposed increase is recommended - The Cutwab - used formerly to afford assistance in collecting the Kists, but the Police duties of Cochin will no longer admit of this services being spared for Revenue purposes -

No. 10 and 11. Tellicherry Treasury Gomastahs - There is great difficulty in getting a proper person to undertake the duty of a Principal Gomastah at Tellicherry - which, like the rest of North Malabar, is not popular with any but those born there - For the present pay - I have had to make many changes since I have been in the District, owing to this cause - and the Office is

underhanded

underhanded, and really and urgently re-
-quires the aid of another servant to prevent
arrear of Accounts.

No 12 This increase is consequent upon
the reduction marked B and will be but a
fair remuneration for the Extra duty that
will fall on the 19 Athreegaries.

No 13. Poothoonagarum is a large Town
on the frontier of Cochin, distant from
the Cusbah of Palghaut about 8 Miles
and is a great resort for all the bad
Characters who are generally to be
found in a border Town. The app
-ment of an Ameen on 7 Rupees, a
two Peons, @ 2 Rupees, each will be
very useful in repressing smuggling
as well as other irregularities.

the Cochin frontier. From the pay intended
to be assigned to this Office he cannot of
course be a Police Ameen, it is presumed
that his appointment will be of the character of
a Head Peon or Duffadar. The Collector
will however be so good as to explain the
precise nature of the Ameens powers and
duties either Revenue or Police and to state
whether there are any other Servants of similar
grade, salary and designation in other Towns
of Malabar. The pay 2 Rupees of the Peons
seems also very low, Mr. Conolly will
inform the Board whether arrangements
could not be made to raise it without
involving any increase of expense upon
the whole measure. He will also embrace
the opportunity of submitting the proposed

From the Sub Treasurer
Fort St. George

Sir,

I have the honor to acknowledge the receipt of an Extract from the Proceedings of the Board dated 7th. Instant, communicating Copy of an Order of Government, and calling for an explanation as to the cause of excess in the Contingent expences of the General Treasury, passed by the Revenue Board during the year 1848; over those incurred in the year preceding.

In reply, I have to state that the total contingent expences incurred in the year 1847 passed by Government and the en Board of Revenue Amounted to Company's Rupees 1848 2 – 5. whereas those for the Year 1848. Amount only to Company's Rupees 1416 – 8 – 4 and whilst an excess of Rupees 234 6 – 6. occurs in the Bills passed Solely by the en Board, a great reduction is shewn in those sanction:ed by Government to the extent of Rupees 665 – 13 – 7. thus exhibiting a Net saving of Company's Rupees 431 – 10 – 1 in the year 1848 every precaution has been adopted, to contract within as narrow a limit as practicable the charges included in the monthly contingent Bills of this Office, but it will be seen from the State:ment appended that the heaviest Items are incurred on account of remittances received from Provincial Treasuries. I propose shortly to submit for the consideration of the accountant General a measure by which the first of these Items will be ma:terially decreased.

Resolved therefore that the foregoing letters be submitted for the information of the Right Honorable the Governor in Council.

Resolved that the following Proceedings be dispatched -

Read Endorsement from the Collector of Salem dated 3d May 1849 reporting on Petition No. 1053 of 1848 praying to be put in possession of his Cumrum Meerassy.

(42)

Proceedings thereon

The Board of Revenue request that the Collector will explain what connexion Petitioner's father had with the Meerassy in question and on what grounds his claims to that Office are untenable.

10th May 1849

Read Endorsement of the Acting Collector of Tanjore reporting on a Petition from one Ramien late Nattoo Cumrum of Monvanoor Magamm complaining

complaining of his dismissal from Office.

(Here enter Petition No. 1458 of 1849.)

(43)

Proceedings thereon. The Board of Revenue having taken into consideration the circumstances which led to the removal of the Petitioner from the Office of Nattoo Cumrum, are of opinion that his misconduct will be sufficiently punished by the suspension from Office which he has undergone since the month of October last; they therefore direct that he be now restored to his former Office with an intimation that any future instance of dereliction of duty will render him liable to dismissal.

Ordered that the following Endorsement be passed on Petition No. 1485 of 1849.

"Petitioner is referred to the Acting Collector to whom the instructions of the Board on his case have been forwarded."
