Received the following letter

To,
F. Pycroft Esqre.
Secretary to the
Board of Revenue

Sir,

1
From C. V. Comniah Chetty

In acknowledging the receipt of your letter of the 29th Ultimo, I beg to state in reply for the information of the Board, my willingness to take the Village of Varumbadoo with its two Hamlets upon the terms determined by Government Viz.t on a Quit Rent of Rupees 1116 in exchange for my Vepery Property, provided such can be transferred to me, as an experiment, for the period of two years; retaining to myself the option of exchanging them for others should I find it expedient.-

2. I beg to express my regret that, although the difficulty and expence of bringing waste Lands into Cultivation have been represented

represented to the Board, yet that Government should have come to a positive & decision of transferring such only at a calculation upon the gross and not the net collection of the last 10 years.

3. In the event of my proposal being acquiesced in, I request that the Transfer Draft may be forwarded to me for perusal before it is finally executed.

1st December. Sent the following letter in reply.

(1-2)

To,

C. Comniah Chetty

To C. V. Comniah Chetty

Sir,

In Cons. (Revs.) 7 Dec. 1849.

I am directed by the Board of Revenue to acknowledge the receipt of your letter of the 19th Ultimo signifying your willingness to accept the Village of Parumbadoo with its two hamlets upon the terms offered by Government, in exchange for your Vepery Property, "provided such can be transferred to you as an experiment for the period

period of two years, retaining to yourself the option of exchanging them for others should you find it expedient."

2. With respect to this latter proviso I beg to refer you to Para. 4 of my letter to your address of the 20th September last, by which you were informed that "the Governor in Council would concede to you permission to re-exchange the Village (Parumbadoo) and hamlets at any time within two years from the date of Settlement provided such could be effected without difficulty and embarrassment to Government."

3. In regard to the request contained in the last Para of your letter under acknowledgment, the Board direct me to inform you that the draft of the grant of the Village and hamlets has been prepared and will be shown to you at any time on your application at this Office. They would also suggest that it would be more convenient and obviate delay, if any remarks which you may wish to offer upon the Draft, were made by you to their Secretary in person rather than by writing.

Revenue Board Office, Fort St. George, 1st December, 1849. } (Signed) T. Pycroft Secretary

Draft of the Grant of the Village of Parumbaidoo and its hamlets of Coopum and Conavorpollium in the Nayer Talook of the District of Chingleput to be made by the Right Honorable Sir Henry Pottinger, Bart. G.C.B. the Governor in Council of Fort St. George to C. Conniah Chetty.

Whereas you have consented to accept in exchange for your Premises at Vepery at present occupied by the Lines of the 49th Regiment N. I. the Village of Parumbaidoo with its two hamlets of Coopum and Conavorpolliem in the Nayer Talook of the District of Chingleput, the aforesaid Village of Parumbaidoo with the said hamlets of Coopum and Conavorpolliem, but without the hamlets of Hundegay containing, exclusive of Enam and Perumbokee lands, 1,418-4 ex Cawnies is hereby granted in perpetuity to yourself, your heirs, executors, and administrators and assigns upon the following conditions, that is to say you

Fort St. George 1st December 1849.

1. You, your heirs, executors, administrators or assigns shall enjoy the revenue derived from the cultivated Ain lands in the said Village and its two hamlets together with such further revenue as may be derivable from the Ain lands now out of cultivation and the usual Nuzdeyah or ready money collections and you and they shall pay to the Collector of the District of Chingleput for the time being without abatement under all circumstances and in all seasons, the sum of Rupees 1116 - Eleven hundred and sixteen Rupees, every year as Quit rent for the said Village of Parumbaidoo and two said hamlets of Coopum and Conavorpolliem according to the four following instalments Viz:-

× × × × ×

should you fail to do so, you shall pay interest at 12 per % per annum on any arrears, and such arrears including interest shall be recoverable from you or from your heirs according to the Regulations.

2. You your heirs, executors, or administrators

administrators, and afsigns shall preserve to the ryots of the said Village and its two hamlets their just rights and established usages and shall treat them with moderation and kindness - you and they respect the rates of afsefsment now fixed upon the lands in the said Village and hamlets, and shall not demand any other rates either in money or kind, except under written engagements entered into with the ryots - you, your heirs &c. &c. shall also exchange puttahs and Moochillika with the ryots of the Village, shall grant them receipts for all revenue collected from them and shall not under any pretext whatsoever demand from them more than is entered in their puttahs.

3. You, your heirs, executors, administrators and afsigns shall maintain to the present holders all existing Enams in the said Village and hamlets, and all customary Meraks without any interference whatever on your or their part, and you or

or they shall not allow any Village servants to be removed from their Offices, nor their emoluments to be transferred wholly or in part to other persons without the sanction of the Collector.

4. You, your heirs, Executors, administrators and afsigns shall follow the Customary mode of irrigation as regards the various lands of the Village, and its two hamlets shall supply under to the lands of the Sircar hamlets of Cundegay according to Custom - and shall keep the tanks channels and other works of irrigation in your Village and its two hamlets in good repair at your own expences.

5. It is to be understood that this grant extends only to the ain lands of the said Village of Parumbaidoo and of its two hamlets of Coopum and Conaverpollium - being Cawnies 1418-4 and not to the Perumboke and Enam lands - Nevertheless you will be allowed to bring under Cultivation without any additional payment to Government such Perumboke lands as in the opinion of

of the Collector of the District; to whom application must be made in every case, may be cultivated without injury or inconvenience to the native community or other objection as regards the Crown lands, all lapses among their holders must be reported to the Collector and the disposal of such lands will depend upon the pleasure of Government.

6. Should any land in the Village and hamlets now granted to you be hereafter required by Government for the formation or improvement of a road or for any other public purpose the Government shall have a right to take such land, making you an that account a proportionate remission in your Quit rent with reference to the value of the lands so taken.

7. Continuing to perform the above stipulations and the duties of allegiance to the British Government, its laws and regulations, you the said C. Comniah Chetty, your heirs, executors and assigns shall hold the said Village and hamlets on

on the specified terms for so long a period as the said rent of Rupees 1116 be duly and punctually paid according to the instalments above specified, but on you C. Comniah Chetty or your said heirs executors and assignies failing to perform the above stipulations and duties or to discharge the said rent according to the said instalments, you and they will be subject to such forfeitures and penalties as may be awarded under the provisions of the acts and Regulations of Government.

From the Acting Collector of Bellary.- Requesting the order of the Board on a case of Naudgowd Enam lapsed in consequence of the death of the last holder Naud Gowd Sunkapah to continue his portion to the widow Amma-jimmah &c.-

Enclosure No. 1.-

Sir,

Para 1. I have the honor to request the orders of the Board on a case of Naudgowd Enam lapsed in consequence of the death of the late holder Naudgowd Sunkapah.-

2. The accompanying Statement contains the usual information on the subject, but I have to observe that Sunkapah has left no son. The surviving parties are his brother.-

1 Bomme Chetty and

1 His Wife Ammajimmah.-

2

3. The regular Male heir to whom the property should go is the brother Bomme Chetty, but it appears that the two brothers divided all their inheritance about 8 years ago and

by

by the order of the Board of Revenue dated 21st. December 1848 para 4, it appears that it is necessary that the brother should be of an undivided family to authorize the Collector without a reference to grant the Enam to him.-

4. A larger portion of the
+ Sunkapahs share } 39.12.4 + Enam Viz.t the 200 Rupees at Caturkaw
Bomme Chetty } 437.10.9. was, it also appears given to the deceased for the maintenance of Pudmanah the elder wife of the brother Bomme Chetty who leaving her husband's house took up her residence with the brother now deceased and for her support the brothers allowed this extra Amount.-

5. Ammajammah the wife of the deceased request to be allowed to retain the Enams held by her husband for her own support and for that of Pudmanah an arrangement to which Sunkapah agrees provided that the Enam revert eventually to him. I beg to recommend for the Sanction of the Board this request is so far
+ Rupees 39-12-4 at all events as continuing the Enam to Ammajammah during her life time for the support of herself and ie d

and her Sister-in-law leaving for the future orders of Government how the Enam should be disposed of at Ammajammah's death.-

6. A part of the Enam of this family Viz.t 56-4-8 has it will be seen been alienated to two Persons - This it appears on enquiry was done by Sunkapah - He gave in the year of A. D. 1820 6 acres in the Village of Hootoor to one Seenapah Charry a Bramin valued at Rupees 22-12-0 and 10 acres valued at 33-8-8. to the Curnum of Mooravani named Davapah in the year A.D. 1825 as appears by the Deed of Gift, but on enquiry it appears that Davendrapah son of Somapah Curnum of Hootoor enjoys this land - and in explanation he says that his father Somapah received this land in gift from Sunkapah but entered it in the name of Davapah a relative for what cause he does not know; that his father always held it and the Deed of Gift + is with him.-
+ No 2 and 3.

7. By the Deed of Gift from Sunkapah-

Fort St. George 3d December 1849.-

Sunkapah. to Davapah it will be seen that two Fields are given. one of 10 Acres which is the one alluded to above and one of 6 Acres. This latter it appears on enquiry did not belong to Sunkuppah at all but to one female Ademma a Separate Sharer in the Enams. She admits that she gave the land to Moor= =vaum Curnum Davapah and permitted it to be entered in the Same bond. The manner in which this Deed of Gift was made apparently to Dava= =pah and enjoyed by Somapah and afterwards by his Son

Fort St. George 3d December 1849.-

Son Davandrapah has been drawn up in my opinion renders the transaction one of doubt. But this as well as the other Deed to Seenapah Charry are both enclosed with translations for the orders of the Board.-

orders of the Right Honorable the
Governor in Council. The Board's
recommendation in respect to
the Enam in question has been
entered in the Column 13 of the
Acting Collector's Tabular report
of lapses, which accompanied his
letter above recorded.-

Recommendation.-
Under the circumstances
represented by the Acting Collector
the Board of Revenue beg to Recommend
that

that the share of 39-12-4 enjoyed by the deceased Naud Gowda Sunkapah be continued to his Widow Ammajammah and her sister-in-law Padmanah for their support to revert to Government after the death of the survivor of them and that the portion Rupees 56-4-8 alienated by the deceased to Davapah and Seenapah Chatrylee resumed. They would propose to leave the field of 6 acres mentioned in Para 7 of the Acting Collector's Report to the party now in enjoyment for the life time of ademma to whose share it was originally attached and would resume it on her death

* Note

This field is not the same as that mentioned in Para 6 as having been granted by Sunkapah to Semanah Acharree It forms part of the 16 acres granted under a different bond and to a different party Davapah and was the property not of Sunkapah himself but of Ademma another sharer.

Sir,

From the Collr of Chingleput submits a Statement showing the Amount of revenue realized since 1233 under the head of additional Assessment for second Crop raised on Poonjah lands.

Para 1 Para of the Proceedings of the Board of Revenue under date the 3d September, I have the honor to subjoin a Statement showing the Amount of Revenue realized since Fusly 1233 under the head of additional Assessment for second Crops raised on Punjah lands by means of the falling rains alone. The practice of levying this tax appears to have been first introduced in the 56 Villages settled by Mr Hepburn in the Carangooly and Cunchee Talooks, and in the Chingleput Talook settled by Mr Smalley; and which System has been followed in all the subsequent settlements. No accounts are forthcoming to shew the peculiar circumstances which led to its introduction, but it had its origin, I should imagine, in the former practice of the Government of

or Zemindar receiving their dues in kind, and taking the Maiwaram share of every crop raised—

2. The remission of this practice would be a very great encouragement to the Cultivation of Indigo, which has been of late much depressed by the state of the home markets—

Sir,

From the Collr of Chingleput Reporting on the Petition from Sanakeram Pundit for a grant of waste land for the supt of a Charity erected by him at Madavanta-cum and recommending a compliance with his request.

Para 1. Adverting to Endorsement of the Board of Revenue on the enclosed Petition No. 1656 of 1849, I have the honor to state that Sanakeram Pundit, the Tahsildar of the Carangooly Talook in this District, having some years since undertaken the construction of a Charity Choultry for the accommodation of all classes of Travellers, has by gradually continuing the work, as his means permitted, at length brought his undertaking to a completion —

2 This Choultry is situated at Madrantacum on the Southern Trunk Road, and is built of burnt brick in clay with a coating of Chunam, the roof being tiled, and as stated by the Petitioner has cost in the construction Rupees 3500, a statement I have no reason to doubt

This

3. This Choultry of which a Correct ground plan has been submitted by the Petitioner is much frequented being most conveniently situated, and it was with great regret I declined forwarding his application for an endowment, but which I felt precluded from submitting, as the Petitioner had not previous to the construction of the Choultry, obtained thro the Collector the Sanction of the Board of Revenue as required by the Rules for the endowment of Choultries, and secondly, because there was another endowed Choultry on that line of road within the prescribed distance —

4. The Petitioner does not appear to have been fully aware of the purport of the Choultry rules or of the necessity of obtaining the previous Sanction of the Board, but he applied to the then Head Assistant Mr Swinton in charge of the Carangooly Talook for permission to construct it, which, in apparent equal ignorance of the rules, was granted, the error therefore can hardly be deemed the fault of the

Tahsildar

Tahsildar.

5. To the Southward of the Choultry constructed by Sanakeram Pundit there is no Choultry endowed by the State within 15 Miles, but there is to the Northward at the distance of 4 Miles a small Choultry endowed with a grant of land valued at Rupees 29-12-8 yearly. this building is in good order, but not being conveniently situated or in the vicinity of any Village is but little frequented. Under these circumstances I would beg to recommend the Petitioners request to the favorable consideration of the Board, and should they view the case in the same light, would suggest the Government be requested to sanction the grant for a small piece of Kunjah waste land, not exceeding the annual value of 35 Rupees being assigned towards the support of the institution and to be continued as long as it be properly maintained.

2. Under the circumstances represented by the Collector the Board of Revenue beg to recommend that Waste land to the value of Rupees 30 per Annum be granted to Sanakeram Pundit as an endowment to the Choultry built by him to be held free of Assessment so long as the buildings are kept in repair and are open for the accommodation of all classes. The endowment proposed by the Board is the difference between the maximum allowed by the Choultry Rules Viz. Waste land to the value of Rupees 60 per Annum and the value (Rupees 29-12-8) of the endowment already made to the small Choultry at the distance of 4 Miles from that recently erected by Sanakeram Pundit.

From the Collector of Tanjore. - Reporting the Collector's proceedings in regard to the Claim of Mayaly apparow to the Enam Villages in Tanjore & Submitting the Collector's opinion

Sir,

Para 1. - I have the honor to submit the result of my enquiries on the subject of Manally Apparow's Petition to Government.-

on the merits of the case.-

Translations are herewith forwarded

Fort St. George 3d December 1849.-

Government as called for in Extract from the Proceedings of the Board of Revenue under date the 3d May 1849.-

The authorized Vakeels of Apparow and Ammy ammal have at last appeared together, and the points urged in support of the claims of either party have been taken down. With reference to Manjecoody, Apparow claims the Management of the revenues of this Village as the eldest male heir to the property of the original grantee moodoo Kristna Moodeliar, the Perwanah granting this Village to the grand father, being distinctly an hereditary gift, tho' hitherto it has descended thro' the family of Chinnia Moodeliar now extinct, and consequently as Apparow states it must fall to him the Head of the family and next heir male in question.-

I am directed in the Extract from the Minutes of Consultation accompanying the Board's proceedings to obtain from Ammi Ammal specific answer to the claim of Apparow, and a statement of the grounds on

Fort St. George 3d December 1849.-

on which she rests her own claim against Apparow's as regards the shrotriem of Manjecoody.-

Ammy Ammaul grounds her right to manage the shrotriem on the score of it's having been always in the family of Chinnia Moodelly, and the sale of the same with other Villages by the last of Chinnia's family holding it, to his brother Lutch= =mana Moodelly, by whose Will she Ammi Ammal his sister succeeds to the Management, as joint executrix with her husband. Further She urges against the claims of Apparow the payment to his Father of 5,000 Pagodas recommended in Mr. Cockburn's arbitration award on settle= =ment of all differences and claims between the sharers, after the division of Mooda Kristna Moodliar's Estate, and that Munjacoody is "the Village in Tanjore supposed by Mr. Cockburn to be the property of Chinnia Moodelliar, and as such lawfully willed away by her brother Lutchmana Moodeliar the purchaser.-

Apparow declares that the 5,000 Pagodas recommended by Mr. Cockburn were never

17485 Fort St. George 3d. December 1849.-

never paid, and neither party can adduce proof in support of their opposite assertions, and as regards The Village in Tanjore "it is quite impossible to say whether Manjacoody or Pootoor was alluded to, but my own opinion is that the latter is the more probable of the two, from it's being in the name of Chinnia Moodliar as purchased by him for 6000 Pagodas.- On the whole therefore it seems to me that the claim of Apparow Moodliar to Manjacoody as lineal male heir and Head of the family is stronger, than that of Ammy Ammal as executrix to her brother's Will as the Village accord=ing to the tenor of the deed could not be willed away.-

With regard to Pootoor, I am desired to ascertain from Apparow 1st the grounds on which he claims the succes=sion to the Pootoor Shrotriem with reference especially to the original title being in the name of Chinnia Moodliar.-

Apparow Moodliar in support of his claim states that although the title is in the name of Chinniah Moodliar, the purchase of the Village was made from the joint property of

17480 Fort St. George 3d. December 1849.-

+ The purchase was 5 years prior to the division as appears from the dates.-

of the family prior+ to the division of the Estate of his grand father Moodakrist=na Moodeliar, and that it must have been so, as Chinnia Moodliar had no pri=vate means; and in support of his argu=ment he enumerates other instances of purchases made from the joint Stock, tho' in the names of particular parties, the Village of Seddian Coopum in Chingleput being one purchased in the name of Soliapa Moodily Chinnias elder brother, tho' afterwards entered in the division bond as common property- a garden also in St. Thome' is alluded to as bought in the name of Ponnia e= Moodliar younger brother of Chinnia Moodeliar, but in like manner e= considered the common property, as was the Village of Seddian coopum. The instances adduced by Apparow Moodliar of purchas=es made in specific names being still the joint property militate against his claim to Pootoor on this ground rather than in favor of the same, as both the Village and the garden above alluded to are entered in the division bond, whereas Pootoor is not mentioned, and this fact

coupled

coupled with the opinion expressed by Mr. Cockburn regarding "the Village in Tanjore" would lead to the inference that Pootoor was a separate property obtained by Chinnia Moodliar.-

Apparow Moodliar further adds that his father did not agree to Mr. Cockburn's arbitration settlement, against which he appealed, but never prosecuted the appeal to a decision which would look as tho' he had expected no favorable result.-

The second point as to how Apparow Moodliar makes himself heir to Chinnia Moodliar is answered by him thus- in the first place he considers himself heir, as the last surviving grand-son of Mooda Kristna Moodliar the Original head of the family and in the second place entitled to succeed to the Village in question by the Will of Ammicooty Ammaul the widow of the last holder Lutchmana Moodliar. That he is the eldest descendant of Mooda Kristna Moodliar there is no doubt, but as such it is not equally clear that he can claim the

the separate property of Lutchmana Moodliar bequeathed by Will to another party, such property too having been purchased by Lutchmana Moodliar's private means, and as regards his right by the Will of Lutchmana's Widow Ammacooty ammaul, this party had no right whatever to dispose of the property in question, a life provision having been assigned for her maintenance as heir, therefore to Chinnia Moodliar it appears to me that his proof is defective.-

With reference to the third point on what proveable grounds Apparow Moodliar avers that the property really belonged to the grand father Mooda Kristna Moodliar, he is unable to give any proof beyond the assertion of Chinnia's want of means to purchase the Village of Pootoor on his own account and the fact of the family being undivided at the time of the purchase- Ammy Ammaul asserts (tho' equally without proof) that Chinnia Moodliar had means and purchased the Pootoor Village which ever remained with his family and was the identical Village alluded to by Mr. Cockburn as

as Chinnia's property (she has before stated that Munjacoody was the Village) and that the 5,000 Pagodas paid by Apparow's father debar him from any claim either on Munjacoody or Pootoor, which if joint property would have been entered in the division bond.- She further adds (which Apparow Moodliar admits under the plea of ignorance and absence) that when Chinnia's Sons made a division of their father's Estate among themselves, Pootoor and Munjacoody came to the elder son Mooda Kristna Moodliar, who subsequently sold them to Lutchmana Moodliar Apparow Moodliar making no objections whatever at the time, and thus tacitly admitting that he had no claim to the Village in question.-

Pootoor is a service grant, and it seems a matter of small importance as to whose management the proceeds are entrusted, so long as the purposes of the grant are acted up to and from all I gather during the enquiry it appears to me that Apparow Moodelly has not substantiated his claim to the Management of Pootoor, tho' with reference to

to the deed granting Munjacoody Ithimle Apparow Moodelly as the lineal male descendant and Head of the family has every right to succeed to its Management.-

Before J. F. Bishop Esqre. Collector of Tanjore

Deposition given by Goorooval Rajoo Agent of Manally Apparow Moodliar of Madras.

Question.- You know that Apparow Moodliar has advanced a claim to succeed to the Enam Village of Pootoor situated in the Taloolk of Theally in this District.- But how can he lay a claim to that Village the title deeds of which are evidently in the name of Chinnia Moodliar.- How does he make himself out as heir to the latter who though he be his Uncle is still a separated member of the family.-

Answer.- The Village of Pootoor was obtained by Mootoo Kristnah Moodliar father to Chinnia and grand father to Apparow Moodeliar on the payment of

of a Nuzzur of 6,000 Star Pagodas to the Maharajah of Tanjore from the joint Stock of the family and before any se= =paration of interests took place between the several members of it, though the Sicca Sunnud was allowed to be drawn out in the name of Chinniah Moodliar. All the Sons of Chinniah Moodliar are dead and neither Lutchmana Moodily who died last nor his widow who died after him have left any direct heirs save only Apparow Moodliar.-

2- Suppose the above said 6,000 Star Pagodas had been paid by Chin= =niah Moodliar from his own separate stock, on whom then would the Village now devolve.[2]-

A Supposing that such had been the case, the property should nevertheless devolve under the Hindoo law rather on Apparow than on am= =mai Ammaul.- Ammacootty Ammal widow of Lutchmana Moodliar has moreover executed an agreement by which Apparow is declared to be her Successor.-

2- Suppose for a moment Am= =macootty Ammal were still alive and had

had never executed to Apparow the Voucher you allude to, would she have inherited Poottoor.[2]-

A. Surely she would have inherited the same during her life time as being the widow of Lutchmana Moodliar.-

2- Can you produce documentary evidence to the fact of Mooddoo Kristnah Moodliar having got the Village of Poottoor on paying his own money though in the name of Chinniah.[2]-

A- Chinniah Moodliar held no offices nor did he acquire any for= =tune at all. He could not consequently have acquired Poottoor otherwise than by the payment of part of his patrimony, and it is evidently obtained before any Separation of interests took place in the family.- But in support of this fact no documentary proof is forthcoming at this period of time. In the like manner has Mooddoo Kristnah Moodliar acquired the Village of Sadayem-coopsum in the District of Chinglepat and a certain garden in St. Thomé of which the title deeds were allowed to be drawn up in the name of Sholyappah Moodliar, and

and which properties are at this day un=
=der the enjoyment of Apparow Moodliar.-
These several vouchers are forthcoming
as likewise a Rent deed executed for the
abovesaid garden in the name of
Pounniah Moodliar.-

2. Why then was not Poottoor
mentioned in the Division bond in the
same way as the above said Sadyencoop=
=pum & the garden at St. Thomé?

A- This is by no means the only
omission chargeable to the Division bond,
several instances of this kind may be
found and among others the Religious
institution of Chinnakaish Permal Pagoda
at Madras, which though it was not made
mention of in the Division bond, has
still always been under the Manage=
=ment of the eldest member of the family
for the time being. At the present mo=
=ment however Ammai Ammal has
taken possession of it to the exclu=
=sion of Apparow.-

2. Ammai Ammal
alleges that in his award dated
subsequently to the Division bond
Mr. Cockburn has declared
the Tanjore Village to be the property
of

of Chinniah Moodliar?-

A. Yes, certainly.-

2- Ammai Ammal further states
that as Apparow's father has received
5,000 Star Pagodas according to
Mr. Cockburn's decision he can have
no further claim whatever.-

A- The money was never paid
nor Mr. Cockburn's decision acquies=
=ced in. An appeal was made from it
to the Courts but no final orders
were passed thereon.-

2- Why did not your client ob=
=ject to the Village of Poottoor and Mun=
=jacoody being included with Chinniah's
own property when his sons Mooddoo=
=Krisnah Moodely and others divided
the same among themselves in common
with the other exclusive property of Chinniah,
nor when a Suit was pending between the brothers
for the division of their patrimony before
the Supreme Court of Judicature?

A. Indeed no objection was start=
=ed at the time.-

2. Was any objection made
when upon getting the Villages for his
share

share Mooddoo Kristna Moodely son of Chinniah transferred the same after a while to his brother Lutchmana Moodely.

A. Apparow was not aware of the transfer, he being absent at the time at Rajahmundry.-

2. Should not the two Villages in question have devolved upon Lutchmana on the death of Mooddoo Kristnah Moodely.

A. Yes they should.-

Before J. F. Bishop Esqre. Collector of Tanjore.-

Statements given by Saitooriah Agent of Ammy Annal executrix of the last Will of Lutchmana Moodely of Manaly.-

Apparaw Moodly has no right whatever to succeed to the possession of the Village

Village of Pootoor. It cannot therefore de=scend on him and he has no claim to that Village for the following reasons.-

The first man of the family cal=led Mootoo Krisnah Moodliar had three wives by the first of whom he had a son called Sholiappa Moodly, and the issue by the second was Chinnia and Pounyah Moodelies, and by the third Venkatachella alias Tumbiappah Moodly, Annasamy Moodly, and Iyatombee Moodly.- These brothers divided their patrimony in 1794 and from that time downwards have held separate interests. Sholyappah Moodly died shortly after the division of interests, and on his death Tumbiappah Moodly father to Appa row the present claimant and his brother Annasamy Moodly repre=sented to Mr. Cockburne their dissatis=faction with the manner in which the patrimony was divided. This Gentleman called up the other brothers Chinniah and Pounniah Moodeliars and after investiga=ting the facts alleged decided that a sum of 5000 Pagodas should be paid to Tumbiappah and

annasamy

Annasamy Moodlies, and this award was carried into execution.-

If as is alleged the Nuzzar of 5,000 Pagodas was paid from the general Stock of the family before the division of the Estate took place and the Village of Poottoor purchased accordingly the property would have been included in the decision bond. altho' Chinniah Moodly held no offices yet he made a name and large fortune by renting the pearl fishery and farming several parts of the provinces, so he had paid the Nuzzar money from his own private acquisitions and consequently this village and certain other lands situated in other Districts were left out as the private property of Chinniah when the general Estate was divided among the brothers. It is for the same reason that speaking of the Villages in Tanjore Mr. Cockburne in his award has declared the same to be Chinniah's property. That Chinniah was a man of substance is best known to the Board and the Government from the circumstance of his having lent to and

and recovered from the former Rajahs of Tanjore large sums of money as he did also to the Zemindars of many of the Polipats.-

Before the death of Lutchmana Moodly brother to my employer he drew up a last Will authorizing the sale of a part of his Estate for paying of the debts he had contracted, for issuing to Amma=cootty Ammal his widow a monthly pittance of 50 Rupees placing her at the head of the management of Manaly Chuttrum and for allowing his funeral ceremonies after his death to be performed under the orders of his Widow by a Kinsman of his called Rungasamy son of Anna=samy Moodely. He named at the same time his sister who is my employer as joint executrix of the will with her husband Ramasamy Moodely who died of late in 1847. These individuals pro=duced the Will before the Supreme Court of Judicature and obtained a probate with the consent of Ammacootty Ammal widow of the testator and afterwards got the same registered in the Court of

of the Suder Ameen of Cuddalore.- But Apparow Moodely after a time instigated Ammacootty Ammal to file an indictment in the Supreme Court objecting to the issue of the probate which probate however was in the enquiry held on the subject confirmed by the Court- This Ammalcootty Ammal died likewise in November 1847 and the Will and all the property mentioned therein is in the charge of my Employer, excepting only the Villages of Coccoor and Sinna Coccoor which are at Empossession of by Tripoorsundry Ammal and for the recovery of which a petition is made to the Collector- Lutchmana Moodely bought in Auction the two Villages of Pittay and Trivalpoottoor the property of Pouniah Moodeliar son of Chinniah and also purchased by private Sale 12 Villages in Tanjore as Tripoorsoondry ammal has acknowledged before the Collector of Chingleput.- Under these circumstances Apparow who is the son of Tumbiappah Moodely a divided member of the family who has held a separate interest from this long time past can have no further claim whatever

With regard to what is alleged on

on the opposite side that, supposing the 6,000 Pagodas were paid from Chinniah Moodly's private funds, the Village of Pootoor should still descend on Apparow under the Hindoo Law of succession, more especially as the widow of Lutchmana Moodely has alienated the property to him, I have to advert to the Will of Lutchmana Moodely which has been fully established by evidence before the Supreme Court and by which Will all the property is left in charge of my Employer to be disposed of at her death in the manner which may to her appear fit.- Neither Apparow nor Ammacootty Ammal from whom he has obtained the grant can under the circumstances lay any manner of pretensions to the property- Ammacootty Ammal who has obtained a life provision from her husband had no power to alienate the property and such alienation is therefore invalid.-

Ammacootty cannot as is alleged have succeeded to the possession of the Village, she having obtained a maintenance pittance from her husband and thus forfeited all claim to it his property.-

It is asserted on behalf of Apparow that although no documentary proof is forthcoming as to Chinniah having purchased the Village of Poottoor by money paid from his father's Estate, yet it is clear that Chinniah had possessed nothing which could be called his own acquisition he having held no offices, and that a certain Village called Shadyen-cooppum in Chingleput and a garden in St. Thomé have in like manner been bought in the name of Sholiappah Moodely and the rent deeds of the garden executed in the name of Ponniah Moodely which nevertheless is now in the possession of Apparow. But it is shewn already that the Chinniah held no offices he still carried on extensive trades which were even yet more profitable than any offices of the State, and it is to be remarked that Apparow confesses his inability to establish by evidence the fact of the purchase being made on account of Moottoo Krisnah Moodely. It is manifest besides that the Village of Shedyencooppum though bought in the name of Sholiappah, is still mentioned in

in the Division bond according to which it has been held by Tumbiappah and his Son Apparow Moodely.-

Poottoor is stated to have been omitted in the division bond and it is remarked that the Pagoda of Janakaiswer at Madras which in like manner was omitted in the Division has been managed by the eldest surviving member of the family in common with the shrotrayem of Manaly, that at present Annaidmual would not, as she ought, leave it to Apparow.- But Poottoor was left out in the Division bond as well as the other Villages in Tanjore only because it was the private acquisition of Chinniah, a fact admitted on the part of Apparow.-

The management of the Religious institution of Janakaiswer Permal is not directed in the Division bond to be held by the eldest member of the family for the time being which would certainly have been the case if in reality it was so intended; nor does there appear any mention of the circumstance in the award of Mr. Cockburne obtained by Tumbiapah and Annasamy Moodliar's on a representation

representation of their grievances. The claim brought forward now 54 years after the division for the property held by the woman my employer who is no other than the daughter of Chinniah is as vexatious as it is inadmissible in reference to Mr. Cockburne's settlement.-

With respect to the assertion of Apparow that he never received the Sum of 5000 Pagodas awarded by Mr. Cockburne and that he moreover was dissatisfied with that award and represented the dissatisfaction before the Court, who however passed no final decision on the subject, I have to state that Apparow's father being the party who set forth the grievances to Mr. Cockburne and obtained the award, it is but probable he has likewise obtained due satisfaction for his dues, for otherwise he would not have allowed his claims to remain unnoticed all this while, and hence it is clear he has received the 5000 Pagodas in question.-

That Apparow made no objection when the Villages of Munjacoody and Pootoor were divided among themselves by

by Chinniah's sons. nor when a suit was long pending before the Supreme Court is proof that he Apparow was but too well convinced he had no claim to those Villages.- Apparow pleads ignorance of the Village being bought by Lutchmana Moodelly but supposing he was fully aware of it at the time, it were of little avail to him as might be seen from his own statements.-

From the Collector of Tanjore - - - - } Sir,

I have the honor to request permission may be given me to expend the sum of Rupees/1,890/ one thousand eight hundred and Ninety, from the Surplus Funds of the Gundra: Cottah Estate under Mana: =gement in the erection of a house for the residence of the family that lately occupied by them having been entirely destroyed by fire. The estimate is very moderate as I have thought it advisable only to erect such a building as will serve comfortably for the family now, leaving it for the Poligar to erect a larger if he pleases when he comes to the Management of the Estate.-

Sir,

From the Collector of Madura - - -

Requesting instructions on certain Forms of accounts for the preparation of the Summabundy accounts

I, Owing to observations contained in Para. 30 of the Board's Proceedings dated 6th February 1843 on the Summabundy Report for Fusly 1241 - the form of account No. 6 has been widely departed from since Fusly 1255, and I stand in need of instructions to enable me to revert to it.

The Form contains the Heads

2.

"Poonjah converted into Nunjah" and "Poonjah converted into Nunjah mel Poonjah" but the Board having remarked that "whatever Crop "is cultivated on a given piece of land the land "itself should be entered according to the denomination and assessment assigned to it at "the survey and any variation from that "assessment should be inserted under the "head of increase and decrease of assessment". the accountants of this Cutcherry were at a loss what to enter under the aforesaid Heads

Heads and consequently omitted there.-

3- It occurs to me that the object of Statement No. 6 being to exhibit the Increase and Decrease under each head in the particular Fusly under report, the Board intended that Poonjah converted to Nunjah &c.a in that Fusly should be inserted under the head of Poonjah, but Poonjah similarly converted in preceding Fuslies (the conversion being of a permanent nature) under the Head of "Poonjah converted to Nunjah" &c.a My Cutcherry Servants object to this, that the account No. 6 will not correspond with No. 4, but I do not suppose that it is of importance that it should do so in every particular, and beg to be informed whether the arrangement I have stated may be adopted.-

4- There has been a considerable deviation from Form in the preparation of Statement No. 2 proceeding, I am informed from the same remark.- Fysul Poonjah converted into other descriptions of cultivation is shewn in detail, which is not the case in Board's Form- and Columns of Teeriwa Jastee and Cummee are added- The account being intended to shew how much of the Ayacut is

Cultivated

cultivated with the assessment in the gross- See no occasion for these additions, and propose with the Board's permission to include all Survey Poonjah however cultivated under the head of Dry land in the Statement with the total assessment derived from it, omitting the ex Columns of Teerwah Jastee and Teerwah ex Cummee.-

5- In their answer dated the 4th October last, the Board did not notice the request contained in Para 2 of my letter of the 19th September 1849 for instructions how to enter Fysul Poonjah cultivated with Varieties such as Betel &c.a As from the tenor of your letter I infer that the opening of fresh Columns for this Item will not be objected to, I have directed the preparation of the accounts of Fusly 1258 accordingly.

Madura, 2nd November, 1849. } (Signed) R. D. Parker. Collector

Proceedings thereon.

Para 1, 2 and 3.

The form of Statement No. 6, to which the Collectors' present communication more especially refers, is intended to exhibit no less than those of ex Statements Nos 3 & 4 the nin or Permanent cultivation of Dry Wet and Garden lands distinct-

29-30

distinct from the Hungamy or temporary cultivation classed as Poonjah mail Nunjah and Nunjah Mail Poonjah on Poonjah. The observations of the Board therefore in their

Para 9 Proceedings on the Settlement of Fusly 1257 regarding these latter forms apply equally to Form No. 6 and consequently, as was as directed in respect to them, all extra cultivation varying with the season should be entered separately under appropriate heads instead of being blended with the ain cultivation.

Poonjah converted into Nunjah whether in the particular Fusly under report or in preceding years is equally distinct from ain Poonjah and should not therefore be included under the general head of Dry.

Para 4 2. The details of cultivation now shown in Statement No. 2 and which the Collector proposes to dispense with may be omitted.-

3. The opening of fresh Columns for the entry of Fysul Poonjah cultivated with Vanpyre is proper.

From the Acting Collector of Tinnevelly - - - - - Submitting reply to the several questions put in Extract from the Proceedings of the Board of Revenue dated 24th September 1849.

Para 1. I have the honor to reply to the several questions put in Extract from the Proceedings of the Board of Revenue dated 24th September 1849.

2. The words duty and teerwah referred to in the Translation of Mr. Thomas' Proclamation regarding forest trees means the price of the timber, Government being the proprietor of the Woods where it grows.

3. The proclamation in question was an amendment of a previous one on the same subject and of like tenor issued by Sir H. Montgomery under date 12th July 1842 (Copy and translation of which are herewith sent) and was designed to prevent the Hills belonging to the District being denuded of timber and at the same time to avoid the consequence, supposed to follow of diminished supply of Rain, no period was

was named for the force of the proclamation to expire and it was issued like the former one by the Collector on his own authority.

4- Ryots are permitted without obtaining permission from any one to cut and bring from the Hills Wood for agricultural implements and bundles of firewood to the amount of a man's load at a time, but to take sarees stakes &c. for the purposes of constructing roofs of houses &c. the permission of the Hill Renters must be obtained - This system has existed for the last 7 years and though it most as probably is felt as a hardship by the Ryots generally no formal complaints seem ever to have been made about it.

5. Of the 15 kinds specified in Para. 15 of the Proclamation, the first 6 are useful for making furniture, Palanteens, &c. and the others for beams &c. all are valuable as timber and desirable to preserve. But perhaps it is even more important to prevent the Hills from being stripped of their forests if it be true that the existence of woods ensures greater abundance of Rain.

Proceedings Collector 24th September 1849.

Ordered that the foregoing letter with the previous correspondence which has passed upon the same subject be submitted for the orders of Government.

It will be observed that

2.

this correspondence originated in an application made to the Board on the 2nd June 1849 by the late Acting Collector of Tinnevelly for the disbursement to one Veeraragoo Pillay of the sum of Rupees 64-2, being half the nett proceeds of some timber cubs without a permit on the Linguinpathy Hills, which was seized on his information, and was subsequently confiscated by the Collector and sold by public auction. The payment in question was to be made agreeably to the terms of a proclamation issued by the Collector on the 10th July 1848 prescribing the mode in which timber was to be cut in the Tinnevelly Forests and among other provisions offering a reward of half the sale proceeds to any person who should give information of timber felled in breach of those orders. This

Enclosure in From Collector 16th August in Consultation 24th September 1849.

3. This Proclamation copy and translation of which accompanies appears to have been made by Mr. Thomas in modification of one issued by a previous Collector and on his own authority. It is however obviously desirable to check the clandestine felling of trees in the Tinnevelly Jungles and the principle on which the reward was offered is analogous to that already recognized by Government in their orders

In Cons 11th October 1847. of the 21st September 1847 for authorizing remuneration of parties, who may bring to light concealed cultivation.

4. Under these circumstances the Board of Revenue beg to request the sanction of Government for the payment of the sums in question Rupees 64-2 to Veerooragoo Pillay and their confirmation of the terms offered by the Collector in his Proclamation to parties giving similar information.

me from my Brother Mr. F. W. Lascelles in May 1848, that it has been held and paid for by him since 1841, in which year he received permission to occupy and Cultivate the same from the Collector of Coimbatore but to the best of my knowledge a Pottah was never issued for the land, but it was held much in the same manner as many individuals hold land on the Hills, Viz^t., by the payment of a certain Rent for which Bills in English were presented annually. I beg to forward one of these Bills for your inspection. The land that I wish to relinquish is uncultivated, being simply as meadow lands, and unsuited for the cultivation of Coffee. From the Collector of Malabar.

Reporting the result of the establishment of Chermur schools in Malabar.

Sir,

I think it my duty not to conceal from Government the doubts I have been led to entertain whether the expenditure incurred in keeping up schools for the benefit of the Churmur / or Slave / Children of Malabar, is repaid by proportionately favorable results - and whether it is desirable this expenditure should be continued.-

2.- A single school was instituted in the first instance in the several stations of Palghaut, Calicut, and Tellicherry with a view to the benefit of the supervision of the European authorities at those places.-

3.- In Calicut a second school was added in 1845 with the intention of gradually extending the Circle in which instruction was to be given.

Letter to Government 2nd March 1845.-

4.- For some time the education afforded

afforded by the Schools was confined to reading, writing, and Ciphering; but as the object was to advance the Social Condition of the Churmurs generally, I added the teaching of such common handicrafts as would make those who appeared to have an aptitude for them, Village Carpenters and Ironsmiths.

This has now gone on for some years, and with more or less success as shewn in the letters noted in the Margin. But I think it right to say that, as a general rule, the process has been uphill work. The Boys who have taken with readiness to either the one, or the other species of instruction, have not been many, and although the average at the different schools has been considerable, it has been kept up in a great measure, by the circumstance of the scholars being fed and clothed as well as taught. Without these accessories there would be hardly a

a scholar.

5. I do not mention this as a matter of surprize. The poor of any part of the World have, I believe little care for instruction on it's own intrinsic merits. But the question arises, whether, with this fact before them, it is for the Government to prosecute the somewhat costly experiment, in which they are now engaged, and to what extent and time.

6. The great object in taking up the Churmur Children, in place of those of any of the other poor classes of Malabar, was to attempt to raise the prospects of a body who had no one but the Government to take the necessary interest in them, and who were too low sunk in poverty and intellect to originate the means to raise themselves. But this degradation of physical and moral Capacity applies far more to the Churmurs in the interior than to those in the vicinity of the large towns where slavery from one or other cause has

has lost much of the force which it exercises in the wilder Country parts, and it is with the latter class alone that we have as yet been able to do any thing.

For the details of one of these failures I may refer to my letter of the 3rd March 1845.

7. One or two attempts at introducing Churmer schools in the interior have failed in toto, and however discouraging may be the avowal, I must confess, that I can foresee no reasonable prospect of success for any future trial. I may go on in the attempt alluded to in para: 3 of widening the Circle of the schools from the base of one of the large towns; but the process will, I fear, be so slow, expensive and uncertain, as to be of questionable policy. The farther we recede from the towns, the greater are our difficulties. The people in the interior of Malabar are not congregated together in Villages but are dotted over a wild Country. This in itself offers a great difficulty to the collection of the slave Children. A difficulty enchanced by the circumstance that they have to be collected

Collected in most cases against the will of their Masters, who think their interests would be endangered by their Slaves rising in the Social scale. I say little of the formidable prejudice we have to overcome on the part of the ignorant slaves themselves. These no doubt would be overcome by time and Kindness. But much of both would be requisite. On the whole I see it right to lay the matter before Government ere taking any further steps in this direction.

8. I do not wish the Government to think that all that has been done in the way of instructing the Churmur. is vain, that it is not so has been proved indeed, / as I have said above / in former letters. Both the physical and Moral state of the Churmur boys who have been educated at the schools has been bettered.

alluded to in para. 4.

It has been proved to the Natives that a Churmur's Natural powers of acquiring information, are on a par with those of the higher Classes / to whom as yet education has been confined

as

as a birth right) so far as elementary instruction at least goes.

And some good has I trust been attained by the evidence displayed that the benevolent feelings of Government are not confined to any particular Class and that no degradation of Caste or birth shuts any body of people out from their sympathy.

Ordered that the following letter be sent in reply

To The President and Trustees for the management of Putcheapahs' Charities

Gentlemen,

43-44

To the President & Trustees for the management of Putcheapahs Charities . . . . . .

Containing the Boards observation on the sets of Rules submitted by them for the management of the Charities and schools under their control

L. Cons. 8 Dec. 1849.

I am directed by the Board of Revenue to acknowledge the receipt of your letter of the 5th. October 1849 submitting for their sanction four Sets of Rules for the management of Putcheapahs Charities and Schools under your control

2. In reply I am instructed to inform you, that it does not appear to

to be within the province of the Board to offer any opinion in respect to the first set of Rules, or that for the administration of Putcheapahs' Institution at Madras. The Board have however examined the three remaining sets of Rules, viz "for the management of Putcheapah Moodely's Charities" No. 2 for Putcheapahs Branch School" and No. 3. "for the guidance of the Ameens and No. 4. others and the Superintendence of Putcheapahs' Charities." These Regulations seem to the Board to be proper and well adapted to their object.—

3 With regard to Rule 7 of Set No. 2 it is presumed, tho' not so specified, that the Chairman elected in the absence of the President will in the event of the opinions of the other Members on any proposition being equally divided, be entitled to a casting vote, as the President under Rule would have

under

under similar circumstances. Perhaps an addition might be made to this effect.

4. Referring to Rule 4. Set No. 3. the Board would wish to be informed whether in your judgment it would be at variance with the decrees of the Supreme Court and the character of your institutions generally to admit to the benefit of the Provincial Schools. European, East Indian and Mussalman Children, as well as Hindoo for such time at least as there may not be a sufficient attendance of the latter to make up the number allowed under Rule 5.—

Revenue Board Office,
Fort St. Saint George,
3d. December 1849.

/Signed/ T. Pycroft.
Secretary.

Read the following letter.—

To The President & Members of the Board of Revenue Fort St. George.

(45)

From the President and Trustees of Patcheappah's Charities — Gentlemen, We have the honor to forward the accompanying Statement of Receipts and Disbursements for the year 1848 on account of the late Patcheappah Moodelliar's Charities.—

We beg to inform your Board that the instructions conveyed in Para 1 & 3 of your Secretary's letter of the 26th July last have been duly attended to regarding the accounts of the Charities of the late Govindoo Naidoo being kept separate and distinct from those of Patcheappah's Charities from the present year.—

With reference to the 4th Para of the letter above referred to, we have resolved and have made arrangements accordingly to establish a School at Chedumbaram for instruction in the English and Vernacular Languages upon a Plan similar to that founded at Conjeveram, and we have also recommenced the charities at the Choultries noted in the margin.—

We beg to inform your Board that D. Venkatasoobyah one of the Trustees having tendered his resignation to your Board, a successor will be elected and reported to your Board in due course for confirmation.—

Sir,

The Government having again called upon the Board to furnish the information required by the Government of India respecting the Moturpha taxes of this Presidency and as the non receipt of your reply to the Circular from this Office of the 11th June last, prevents them from complying with this requisition, I am directed to request that you will lose no time in forwarding the Return called for in the Circular quoted above, shewing the several trades, professions &c. in your District, which are assessed to the payment of Moturpha and the Amount realized from each for the Fuslies 1255. 56. and 57-

To The Collector of Rajahmundry

Sir,

With reference to your Statement of Saderwared and Extra charges incurred under Estimate in Fusly 1258, it is observed that the Estimated disbursement entered in Column 3 items Nos. 1 & 5 do not correspond with either of the Standards fixed for regulating the disbursement of Saderwared in your District since 1835. as will appear from the entries in the margin, and I am directed to request that you will explain upon what data the Estimate for Saderward for Fusly 1258 was framed.

future disbursements as during the past few years the charges on this Account have materially increased in the Land revenue department from the number of newly reverted estates as also in the Salt and Sea Customs department, while from the abolition of the Sayer department, the charges under it is trifling. Neither of the Standard Estimates would moreover appear to have provided for the Saderwared in the Sub-Collector's Cutcherry nor do they exhibit the Magistrates, Joint Magistrates, and Cutwal or District Police Saderwared distinct, from the charges belonging to the Revenue Department.

3. In framing the revised Estimate now called for you will be pleased to exhibit the proposed disbursements of the Magistrates Department separately and it will be unnecessary for you to enter into details. The Amount which you consider will be required to be expended under the several heads as shewn in the margin will suffice with the necessary explanation of the cause of Increase and Decrease compared with the Estimate sanctioned on the 10th October 1843.

From the Collector of Masulipatam — Sir, Para 1

Submitting a statement shewing the details of the Estates which have reverted to Government those classed under their appropriate heads and of those which are still held by their proprietors according to the form furnished.

With reference to the Proceedings of the Board of Revenue dated 19th April last, I have the honor to forward a Statement in English and Telugoo according to the form received therewith, shewing the details of the Estates which have reverted to Government since the permanent settlement, classed under their appropriate heads, and of those which are still held by their proprietors.

2. Adverting to Para 3 of the Proceedings under reply, I have to state that the Estate of Nedadavole is omitted in the account as directed; but I think it

it necessary to explain that this Estate has lately been subdivided and assessed and the Accounts thereof have been submitted for sanction and according to the private agreement previously entered into and confirmed by Government they are now enjoyed by four respective Zemindars as shewn in the Margin.

granted by Nawab Munwar Khan, predecessor of the late Ex-Nawab, for the Ooroos of Dustgeer Sahib, a Priest of holy reputation, who lies buried in the ex Ahmud Shah Durgah, of which Shalee Sahib had charge up to the date of his death.-

4.- The tomb is near the Choultry in the town of Hurnoal and by the respectable Mahomedans of the place is regarded with veneration. It is in good order and is resorted to by pious Musulmans. Subsequent to the death of his father, the usual service has been continued by Shalee Sahib's Moorad Shah Son although the family of the deceased consisting of five Members, is in very needy circumstances. I am of opinion that the renewal of this yeomiah from the date of Shalee Sahib's death, for the purposes of the Ooroos, will be highly appreciated by a large number of the Hurnoal Musulmans and I beg to recommend accordingly.-

5.- The late Hussain Sahib

in whose name this allowance stood, was one of three brothers who each in his turn superintended for four Months of the year the religious service performed at the Jungly Padshah Durgah.

6.- This Durgah is a shrine constructed over the tombs of one Junglee Padsha and several of his wives. The building is of stone and in good condition. My predecessor Mr. Scott has referred to it in the terms marginally quoted. The annual money allowance has been periodically expended at the Ooroos, but the three individuals above mentioned are stated to have themselves defrayed the cost of nightly lighting the Durgah and other incidental expenses. To meet these, they hold 30 acres 20 $\frac{35}{64}$ goontas of Enam land, an ancient endowment to the Durgah.-

7.- Owing to the reputation for extreme sanctity which was enjoyed during his life time by Jungly Padshah, this

this tomb is held in great veneration by all classes of Mussulmans, who resort to it at the period of the yearly Coroos and likewise visit it on the occasion of other festivals. The late incumbent left a family of eight persons, who have no ostensible means of support beyond their 1/3 of the Cnam above mentioned - I consider that under the circumstances explained, it will be an act of doubtful policy to diminish this allowance and would propose it for continuance in favor of the Moozawar of the Durgah for the time being.

No. 8
For Pooja in the Neleacuntaswarasamy Pagoda, Rupees 13 annually.

8. My predecessor Mr. Scott, in his letter to your Board of date 7th June 1847, has stated with respect to this yearly that, "there never was a separate Pagoda for "this, but Poojah used to be made in an "empty room on the top of a house, and "when the house fell into disrepair a portion "of "the Neleuntaiswaraswamy Pagoda was "appropriated for the purpose. The allowance of 2 Pice a day was paid out "of the town "duties."

9. In addition to the yearly under

under notice, the late Poojaree, Kishun Bhatt, drew a personal allowance of Rupees 20-5-4- per Mensem which ceased at his death. He had the reputation of being skilled in Medicine and was very generally consulted in Kurnool by sick Hindoos and Mussulmans of the place and neighborhood, from whom he received some small professional remuneration. His family consists of eight persons, but his 1st and 2d sons are in the enjoyment of a consolidated monthly Yeomiah of Rupees 5-15-8. The elder of these, Venkatasoobaya, appears jointly with his late father, to have been regular in the performance of the required pooja and the Pagoda in which the idol has of late years been deposited, is visited by the Hindoo devotees of the Town. Adverting, however, to the position in which the idol was placed previous to its removal to the Pagoda in question, I am satisfied that no great extent of pooja can ever have been performed before it, and as notwithstanding the marked improvement in their condition and circumstances during the last 10 years, the Hindoos of the town of Kurnool have of themselves done little

or nothing towards the restoration of old, or the establishment of new places of worship, being content in this particular instance to remove the idol to another Pagoda never intended for its reception, I do not feel myself justified in stating that the Hindoo population attach importance to the renewal of this yeomiah. I therefore do not recommend it.

10. Although not immediately pertaining to the subject of the present address, I now beg also to report the death on the 25th May last of Raheem ali shah, incumbent of No. 47 in the list received with the Extract Minutes of Consultation dated 12th April 1849 and which, under the orders of Government should now be discontinued. But I deem it my duty to represent that obedience to these instructions will have the effect of casting into utter poverty a family of 17 individuals who for many years past have subsisted on such portion of the allowance as was not expended in keeping up the Mustaw Sahib Durgah under ex

Raheem ali sahib's Superintendence.

11. My predecessor Mr. Scott has stated that the allowance was "strictly speaking a yeomiah and might be transferred "to the yeomiah List". I cannot ascertain whether Mr. Scott was aware that the above mentioned were supported by the yeomiah. Had he been so, I think I may safely affirm that he would have suggested a reduction of the amount, rather than its sudden and complete withdrawal, Raheem ali shah at the time of his death is considered to have been more than a hundred years old. assuming his age to have been exaggerated, he was undoubtedly one of the very old men for which this Town is remarkable. as a matter of necessity then, he could personally have taken little or no active share for many years past in the concerns of the Durgah, which I believe have since a long period been mainly superintended by his nephew, Syud Shareef, a son of the Mustaw Sahib who is interred in this shrine which bears his name and whose age may be about 50.

To Board dated 7th June 1847 para 10.

12. At this late period of life your

Board

Board will be sensible that Syud Shareef will experience extreme, if not insurmountable, difficulty in procuring a livelihood by means of his own manual labor and for any thing else he is not qualified. He must be considered as much interested in the preservation of the Durgah built over the remains of his father, as that person's brother was; and as he has in effect been for a lengthened period the real receiver of the allowance entered in the name of Raheem ali Shah, his late uncle, I venture to hope your Board will, under the circumstances which I have permitted myself to bring to notice, be pleased to suggest, that at the least a portion of the sum yearly paid to the late Raheem ali shah be continued for his life to Syud Shareef. I think that one half, or Rupees 146-4-" would not be too much. and if this sum be allowed, I shall be careful to explain to him, that it will cease at his death and that he must therefore intermediately make his own arrangements for the future preservation

"to the yeomiah list." It appears to me from the above, that Mr. Scott was of opinion that only Rupees 73-2-0 should be treated as a yeomiah. The difference, or Rupees 24-6-0 not specifically adverted to has long been regarded as the sum allowed by the late Government for the Ooroos of the Durgah of ahmud ali shah, a paternal uncle of the five persons now entitled to share the entire sum.

16. Two of these men live at Kurnool and remain in charge of the Durgah, a place of no great sanctity in general estimation, whilst three are employed at Hyderabad in the irregular Horse of some of the Nizam's Sirdars. They are all young hale, robust men, giving promise of long life; but prior to the receipt of the Government list equally apportioning the entire amount; the three employed in the Nizam's territory had never been at the trouble of concerning themselves about the allowance, which was disbursed for the Ahmud Ali Shah Durgah to the two brothers living at Kurnool and expended as they thought fit.

fit. Under the recent arrangement it will be necessary, with reference to yeomiah rules, that each man should once a year appear in person to receive his allowance.

17. The five brothers have lately applied to me requesting that the Rs. a. p. 24-6-0 for the Ooroos, should be separated from the yeomiah part of the allowance and that the latter sum only viz. Rupees 73-2-0 should be made payable in 5 shares as a personal stipend. By this distribution the payment of the Ooroos allowance will continue uninterrupted till the death of the five brothers, but I am of opinion nevertheless, that the Government will in the long run be gainers by the arrangement they desire, because it seems improbable that so long as the Ooroos is performed, the three Hyderabad Sowars will be at the pains of Coming down regularly within a stated period, each to receive at Kurnool, the trifling sum of Rupees 14-10-0. In the event of their failure to appear within the 12 Months, the claim to the year's yeomiah is as forfeited

forfeited and a few such failures as would, I think, more than compensate what the Government gain by dividing the whole amount into five portions.

18 Apart from this consideration, it may also occur to your Board, that the question affecting the Ooroos allowance, should be disposed of on it's own merits, I therefore beg to recommend that I be authorized to disburse the sum of Rupees 74-6-4 for the Ooroos, as a Durgah allowance and that only the sum of Rupees 73-7-0. be liable to equal distribution between the five others.

Sir,

From J. D. Bourdillon Esqre Collr of North Arcot. Paral

Returning Petition No 2182 of 1849 from certain Ryots of Poonnary Village

I have the honor to be endorsed to me for enquiry and report The Petitioners complain that they paid 25 Rupees to the Curcan Monigar and Curnum of their Village, who embezzled the money and that they could obtain no redress in the District.

Petitioners are Ryots of a hamlet of the Village of Poonnay in Trivellum Talook very extensive and long continued fraud in the concealment of Cultivation and alteration of classification of land, was brought to light in the Village last year, and both the Meras Monigars and Curnum being guilty, I considered it necessary to remove them from Office and appoint others. This proceeding was of course distasteful to the ejected parties and their friends and those who had taken part in the frauds, and frequent attempts have been made to effect the

the restoration of the former Office bearer
3. Among these attempts a
complaint charging the present mo-
=nigar and Curnum with embezzlemen
of Kist money paid was made to me
and referred for enquiry to the Tahsil-
=dar. That Officer after full investi=
=gation reported the case to the Acting
Head Assistant who has charge of
Trivellum Talook, and he dismissed
the Complainant as being totally un=
=supported by proof and as having its
origin in a conspiracy against the Village
Officer. An appeal to me was open to the
Complaining parties, if dissatisfied with
this decision, but that has not been made

No. 2182 of 1849.

The decision of which the
Petitioners complain was passed by the
Acting Head Assistant and if they are
dissatisfied with it, they should appeal
to the Collector.

5. The competition for the rent of Giddegawel in the Denkencottah Talook brought an Increase of Rupees 411—10—8 as shewn above, but in the Raizepoor Talook a Decrease of Rupees 75 was occasioned from the decreased offer of rent of Honey and Wax. The Increase and Decrease in other Talooks do not require any remark being a trifle.—

6 The Net Increase in Fisheries is Rupees 265. the particulars of which are as follows.—

The increase in some parts and the decrease in others of the Denkencottah Talook.

Talook are owing to the unequal supply of water received by the Tanks. The decrease in the Talook of Oyoor is also owing to the scanty supply of water received in the Tanks, the increase and the small decrease in other Talooks need no remark.

7. The particulars of the total decrease Rs. 3,500 15 - in the four items of Bamboos, Tamarind, Ferries and Sandalwood, are shown hereunder:—

15. The decrease Rupees 70-6-6 under the head of Sayer requires no remark, as that amount was the sales proceeds of a few Sayer Chowkies brought to account under the Head of Sayer Revenue. The decrease Rupees 26-9-10 and Rupees 54-6-2 respectively under the head of Abkarry and Small Farms has arisen from the punctual payments of Kists which gave little occasion for charging interest on the balance of Kists. The increase Rupees 55-13-5 under the Head of Moturpha is the Tax on Looms partly employed after the close of the Summary, but brought to account after perusal per inspection. The decrease of Rupees 323-3-11 shewn under the head of Stamp was occasioned from the amount of penalty received from the Court which was below that of the preceding year by Rupees 323-3-11.

Old Balances. 16 The old Balances due on the Extra Revenue in the Salem District are shewn in the Statement subjoined.

Statement

17642. Fort St. George, 6th December 1849.

Petitioner is already in the receipt of a Carnatic stipend of Rupees 10-13-as monthly: but the Jaghiredar's objection to pay her pension does not rest here: it would appear that he withheld it according to the dying request of her father in consequence of certain alleged misconduct imputed to her -

See Encls. C

3. The Vakeel of the Jaghiredar says that the Petitioner's father Sadruck Hoosain Khan Cousin to the father of the present Jaghiredar enjoyed to the date of his death / in 1844 / a monthly pension of Rupees 31-8-0 and that since his demise 15 Rupees have been paid to the Petitioner's mother and an elder Sister and 7 Rupees to an adopted son -

Carnatic stipend and if she is, I am of opinion that her claim ought to be rejected, because without there were sufficient cause it is not likely that the Jaghiredar would have kept back this pittance; as it is well known that he maintains a number of other members who really deserve support. It must also be considered that Fatheer Khan's pension is only for life -

The Civil Auditor does not admit the Charge for the refund of Rupees 115 — — being the fine repaid to a Cumum — — the order of the Board of Revenue quoted in support of the entry in the Collectors Accounts is considered by him to be insufficient.

In their Proceedings of the 18th February 1847 the Board authorized the refund of the fine in question — — under the impression that the

From the Asst. Collr. of Timevelly. Sir,

I have the honor to forward herewith translation of an application from Venkatasoobier Moozoomdar of Punjahanal Talook stating that by subscription, a Choultry is now under construction according to the enclosed Plan at Nattoor on the road leading from Travancore viâ to Ramaswaram and other places, and that it is intended to afford accommodation to people of all castes and requesting that the usual grant of Manium land may be given for its support.

2. As there is no Chuttrum at Nattoor for a great distance on either side of it, and as the erection of one is much needed at that locality I request you

Fort St. George 6th December 1849

You will be good enough to obtain the sanction of Government for the usual grant of Waste land being made to the Choultry in question.—

No. 1.

Translation of an application addressed by Venkatasoobier Moozoomdar of Puyalmal to C. J. Bird Esqre Acting Collector of Tinnevelly.—

As there is no Choultrum at Anthoor or for a great distance on either side of it, on the high road leading from Travancore Vem to Ramaswarem and other places, the people who pass through Anthoor, and those who resort thither for "Sungoomoogastamm" or bathing at the mouth of the River are subject to much inconvenience for want of a convenient place of accommodation. Therefore a Choultry at the above place on the side of the High road is now under construction on an outlay of Rupees 1500 consisting partly of my own money and partly of contributions made willingly

Fort St. George 6th December 1849.

willingly by other persons.—

I proposed to feed a certain number of people daily at the Choultrum to give butter milk and Nellikoys to all that come there, to allow passengers who cook there whatever things they may be in need of, as well as to allow them the use of whatever brass Utensils they may require for cooking and to plant Tope trees in the back yard of the Choultrum.— As this Choultry is being built to afford accommodation to people of all castes. I beg your honor will be pleased to obtain the grant of the usual Manium land for the support of the same conformably to the Rules of the Board of Revenue.— A Plan of the Choultry in question is enclosed.—

The Board of Revenue observe that as will be seen from their Circular of the 19th January 1832, and 8th August 1836 the construction of the Choultry in question should not have been commenced until their sanction had been obtained. They cannot at present pass any order. but on the completion of the building, the Acting Collector may again bring the matter under their consideration. He should at the same time state what as far as an Estimate can be formed has been the expense whether the whole has been substantially built and of what materials its several divisions have been constructed. es more especially those parts which are to be appropriated to the reception of the lower castes

From the Collector of Canara, Sir,

I have the honor to request that the Board will be pleased to submit to Government my application for leave of absence for one month under section XI of the Absentee Rules to proceed to Bombay on private affairs.

As Mr Hall the Senior Sub Collector has applied for leave to proceed to the Cape of Good Hope on Medical Certificate, and it would be very inconvenient for him to come down from Sirsy to Mangalore to

to take charge of the district, I request permission to make over charge to Mr. Silver the additional Sub Collector to which arrangement neither of those gentlemen has any objection.

I shall have returned to the district before Mr. Hall's intended time of departure.

Proceedings thereon Ordered that the foregoing letter be submitted for the orders of the Right Honorable the Governor in Council through the Channel of the Civil Auditor.

The Board of Revenue beg to recommend that the leave of absence solicited by Mr. Blane may be granted. With regard to that Gentleman's request that he may be permitted to make over charge of the District to his additional Sub Collector Mr Silver they would observe that under Section LXVII Regulation II. 1803 "in the absence of the Collector the Senior assistant on the spot is to take charge of the public business" and that

that the additional Sub Collector in Canara has his Cooryeer at the same Station (Mangalore) as the Collector, whereas since the Head Quarters of the Sub Collector is so at a considerable distance. The Board cannot recall any instance in which a Junior Revenue Officer has held charge of a Collectorate during the absence of the Collector when a Senior was in the same District. But should the Government consider Mr. Blane's proposal which is acquiesced in by Messrs. Hall and Silver to be open to no objection in point of form, it would not be prejudicial to the public interests. but rather the contrary - as it would obviate the necessity of disturbing the existing arrangements for the management of the Sub Division, and as Mr. Silver is perfectly qualified to take charge of the Collectors Department in addition to his own for the short period of Mr. Blane's absence.

From the A.G. Secretary to Government. } Extract from the Minutes of Consultation, under date the 4th December, 1849.

Communicating Extract from Proceedings of the Court of Sudder Udalut on the Case of Rama Chetty a Civil Defaulter now confined in the Mangalore Jail in view to the Board's instructing the Collector of Canara to release him from Custody.

Read the following

No. 131

Extract from the Proceedings of the Sudder Udalut, under date the 16th November 1849.

Read Extract from the —

Minutes of Consultation of Government under date 13th September 1849 Communicating the observations and Orders of Government in the case of One Rama Chetty a Civil Defaulter now in Confinement in the Mangalore Jail. —

1 After a careful consideration of the circumstances under which the above individual Rama Chetty was Committed to Jail and of the provisions of the Law under which that commitment was effected, the Court of Sudder Udalut are disposed to concur with the Government in respect to the doubts which they entertain regarding the legality of that individuals detention in custody. —

2 It appears to the Court of Sudder Udalut

17674 Fort St. George 10th December 1819.

Sudalut to have been the undoubted intention of the Legislature to confer upon Zillah Judges alone the authority to take cognizance of all cases falling under Regulation XXVIII of 1802 and that authority was neither transferred nor extended by the subsequent Enactment of Regulation V of 1822.

3 If therefore, as it would appear the Prisoner Rama Shetty was committed to Jail by the Collector and is still detained in custody under that authority, the very fact that such commitment was in the first instance, illegal would now unquestionably entitle that individual to his unconditional release.—

4 With reference to the concluding para of the Extract in which the Court of Sudder Udalut are directed on consideration of the present state of the Law affecting Land-holders and their under-farmers in the matter of dues to propose such a remedy as will ensure either party from being at the mercy of the other the Court beg to suggest that the powers vested in Zillah Judges

17675 Fort St. George 10th December 1819.

Judges by Section XI Regulation II of 1811 be extended to meet the cases of parties confined by them under Regulation XXVIII of 1802 and that an enactment be issued accordingly.

Ordered that Extract from these Proceedings be forwarded to the Acting Secretary to Government in the Judicial Department for the purpose of being laid before the Right Honorable the Governor in Council.—

Fort St. George 10th December 1849

To,
T. Pycroft Esqre
Secretary to the
Board of Revenue.

Sir,

Fort St. George

23

From the Acting Collector of Bellary - Requesting to obtain the orders of the Board of Revenue for the disposal of the Deshayee Enams some of which in Consequence of the death of the Enamdar seems to require the special authority of the Board for being retained by the present Holders.

1. I have the honor to request you will obtain the orders of the Board of Revenue for the disposal of the Deshayee Enams some of which in Consequence of the death of the Enamdar seem to require the special authority of the Board for being retained by the present holders.

2. There is no difficulty regarding the large portion of them which under the existing rules naturally descend to the reputed nearest male heir of the deceased, but other portions have been alienated to other members of the family and regarding these especially I require the instructions of the Board.

3. I beg leave to refer to the accompanying Genealogical Table. The Enam is "Deshayee Enam." There are no original Grants forthcoming but there is a Copy of a Grant which only goes to show that certain portions of

1688 Fort St. George 10th December 1819

of the Revenue were granted by Alumgeer Badsha about 162 years ago to one Pearl Khan and there are a few orders addressed by Inaholut Jung to Mohadeen sail from A.D 1787 to A.D 1794; But it is well known that the Deshayee Enam have been held for a long time in the family and the Survey accounts prove that (*A. in the list) Inchadeen Deshayee was at the time of the acquisition of the ceded Districts the possessor of these Enams. They are for the most part entered in his name; But the following is an exact Abstract of the Pymash entries.

Total Rupees 8076 10 1

From the foregoing it appears that the actual

entries

Fort St. George 10th December 1819

entries in the Survey accounts have not been strictly adhered to. It is most probable that the person who came to receive the Rents or the Gomastahs entered their own names. The actual possession seems to be the safest rule to dispose of this difficulty.

4. The Enam in question is of Considerable value amounting to Rupees 8,076-10-1 Survey valuation. This description of Enam is hereditary in the Bellary Dist:

°See Proceedings of the Board dated 22nd January 1819 Para 2

-tricts a question which the Board have already set at rest - so there is no difficulty as regards the title to the Enam - or the right to inherit - The question is merely respecting the division of the property which has taken place among several members of the family -

5. In the list it will appear that the 5th in descent Putty Desayee had 2 legitimately born sons (A1.) Mohadeen Desayee and (B1.) Hussain Desayee. These two Branches I have distinguished by the letters A & B. It might have been supposed that these two

Fort St. George 10th December 1819

two sons would have inherited in equal portions or that if they did not as they certainly do not appear to have done, there was some good reason for their not having entered equally, at all events the cause of the inequality of inheritance is not I think a question now to be raised. Hussain Desayees (B1) name does not appear in the Survey accounts but the descendants of Hussain Desayee (B) now alive are homeen in possession of Enams assessed at Rupees 631-10-10. They are in the list B 3 and 4 -

Viz.	Acres	Assessed
43 Villages in adoni Talooks	318-37-3	674-5-2
1 Village in Punchapellian Talooks	1-a-8-10	5-8
	319-37-11	631-10-10

Hussain and Mohadeen. I do not think they should be disturbed in their possession: They appear to have a claim equal to that of the family of Mohadeen Desayee (A1) to the portion they are now possessed of and I would take the liberty of recommending that they and their heirs should continue to enjoy undisturbed that portion -

6. Mohadeen Desayee (A1) appears to have been the real head of the family at the time of the Survey and some years previous to the acquisition

Fort St. George 10th. December 1849

acquisition of the Ceded Districts. He had one wife by legitimate marriage and 3 Concubines or Wives by Nikka marriage who have all left offspring and whose offsprings are in actual possession of small portions of the Enams granted them apparently for their support.

7. By his legitimate wife he had a son A2 Enam Desayee who had 2 sons Viz.t.- (A3) Mohadeen Desayee who died 10 years ago (A4) Hussain Desayee who died on the 9th. December 1814 & possessed of the greater portion of the property Viz.t. Rs. 5814-15-0 and which now descends in regular course to his Nephew Abdool Huzrut Desayee (A5) the Son of Mohadeen Desayee (A3). There seems to me no question regarding Abdool Huzrut's title to that portion at least of the Enams- and I should not have made the present reference had that been the only point to decide, as the Rules in existence authorize me to acknowledge Abdool Huzrut's rights without reference

8. But it will be observed that there

Fort St. George 10th. December 1849

there are portions of the Enams in possession of the offspring of Mohadeen Desayee (A1) by the 3 Wives by Nikka marriage or concubines as follows-

A6 Abdool Desayee the Grandson of Mohadeen by the Concubine (b) has land assessed at Rupees 192-7-5-

+ 1 Village in Punchapollam Talook- — acres 302-37-12 assessment Rs. 192-7-5-

9- Regarding the rights of these illegitimate offspring it is that I request the instruction of the Board, are they to be acknowledged as having a proper title to these lands, or is the portion now held by them to be continued as it was for the most part at the time of the Survey accounts in the name of the legal and acknowledged head of the family Viz.t.-

The legal descendants by regular marriage of Mohadeen Desayee as if not in what way is it to be disposed of.2d The practice appears to have been to recognize the offspring of such marriages as entitled to portions

10. There is yet one more question regarding the distribution of these Enams I mentioned before that there were 2 legitimate sons of Puttay Desayee No. 5 Vol. Mohadeen Desayee (A1) and Hussain Desayee (B1) and as respects the Enams held by the descendants of the latter I thought they should not be disturbed. But there is still be observed another son of Puttay Desayee the offspring of a concubine. His name is Guzzut Sail (C. in the list) & Descended from him are 2 Grand Sons (sons of different fathers) and 2 Sons in the list marked C. 12 34

given

Fort St. George 10th December 1849

given 60 years ago by one of the Goomastahs named Veneannah to Ramachary father of Muduachariar. There is no Deed of Gift. Both these alienations from the original Deshayee Enam having been made many years ago and having been long enjoyed by the families of the present holders the Board will perhaps be disposed to acknowledge and confirm them as they now stand subject as respects the Goomastahs to the pleasure of the Deshayee whose hereditary servants they appear to be.

13. A Statement of these Enams drawn up in the Form prescribed by the Board is herewith enclosed and I would only add that perhaps one of the three following courses might be adopted Regarding this Enam.

1st. To enter the whole in the name of the present regular head of the family Abdool Guzzat leaving all the other Members of the family as well as the Goomastahs entirely dependant on and subject to him.

D.G.

Fort St. George 10th December 1849

2d. That the whole should be entered in his name as above, but that by an order he should be compelled to have in possession of their respective portions (as at present held) the Members of the family and Goomastahs.—

3d. That the actual possessors of the various portions of the Enam should be directly recognized as the proprietors of their respective Holdings and that their shares should accordingly be made over to them in their own Names.

4. From these proposals I would however recommend that the female Pindammah or Widow of about 20 Years of age should be exempted and that she should continue to hold her portion Rupees 3-1 during her life when it should revert to Government.—

In the letter above recorded mention is made of certain parties who are the Children of some of the sharers in the Enam by "Nikah Wives or Concubines" The Acting Collector is requested to ascertain and report whether the several parties referred to are respectively the issue of concubines or the offsprings of Nikah wives

It is necessary that this should be clearly determined because the Mahomedan Law Officers of the Court of Sudr Adawlut have on a previous occasion given their opinion that under the Mahomedan Law the Children by a Nikahee wife are equally entitled to inherit the real and personal property of their Father with the Children by a shadee wife and they are considered in all respects equally legitimate with the Children by a shadee wife. —

Sir,

From the Acting Collector of Bellary

Bringing to the notice of the Board for their decision in consequence of the death without issue of Pumbanguni Boutha Soobiah an Enamdar of Bhutwarty Maneyetchi in Madapoor and 2 other Villages in the Dhurmavaram Talook of the Bellary District agreeably to Para 9 of the Board's Circular dated 24th July 1848.

+ Enclosure No 1.

In consequence of the death, on the 19th March 1847, without issue of Pumbanguni Boutha Soobiah an Enamdar of Bhutawerty Mauneyeni, in Madapoor, and 2 others Villages, in the Dhurmavarum Talook of this District, I do myself the honor to bring this case to the notice of the Board, for their decision agreeably to Para 9 of the Board's Circular dated 24th July 1848.

2 The deceased held Enam lands measuring Acres 93 — 24 — 3 assessed at Rupees 137 — 11 — in the above 3 Villages, as shewn in the accompanying + Statement prepared in the Board's prescribed form —

3 The Enams in question are unsupported by any grants — They are however, entered in the Survey and Sarwar and other accounts, either in the name of the deceased's father or other relatives — The deceased has, it appears, no Family or near relatives —

4 Two persons Ysoodlee Sooba Bhuttoo and Ramah Bhuttoo lay claim to the Merassey as being nearest surviving relatives — They state, that on a former occasion,

+ Ramah Bhuttoo now dead in Para 8

occasion, when a quarrel arose between the deceased and their ancestors respecting the division of Enams, and the Puncheyet Merassee ship, that it was decided by arbitration that the same be enjoyed in equal portions; that again on the demise of the deceased, the Civil Court lately decided in their favor, that all moneable property of the deceased should be transferred to them, and that these two instances being evident proof entitle them to succeed to the whole Enam of the deceased These are very distant relations and quite separate - and apparently the only surviving members of the Family - The Board of Revenue will have to decide on the validity of these claims -

5 Another Person one Anrunty Condum Bhuttoo claims a portion of the Enam, as a Gift made him by deceased, of No. 138 Value at 12-3-0 in the Madapoor Village, and produces a Deed of Gift dated 15th Light, fortnight of Saista month, in the year Parabhava corresponding to A.D. 1826, since which time he states the Enam in question has been enjoyed by him - The Document in question is herewith submitted with an English translation for the Board's Orders -

+Enclosure No. 2

6 One Casseepaty Sastrioloo also of

of Nagasamoodrum represents that the deceased granted him in Charity a portion of the Enam land No. 159 of the Value of 14-4-0 in Madapoor Village at the time of his mother's death, and that he enjoyed its produce in Fushes 1255 and 1256, but the deceased executed no Deed of Gift to that effect on the occasion - This cannot I presume be admitted -

7. Another claim is set up to certain of the lands assessed at Rupees 24-10-0 which were given by the deceased for the support of Pagoda constructed by him in Madapoor under a Document executed by him on the 5th Light fortnight of Mangha month in the year Crothee corresponding to A.D. 1824 - The priest of this temple solicits that this grant be continued to him as priest he having enjoyed it from that time - The deed in question is herewith forwarded with an English translation - The temple it appears was built by the deceased, and the Document names no person to whom the land is given for its support - but generally to the temple under the trusteeship of the Village Officers - It will be observed, that the deceased stated, he had no heirs, and therefore he made this allotment - It remains for the Board to pass Orders on this claim -

Proceedings thereon

The Board of Revenue do not clearly understand from the letter

Fort St George 10th December 1849

letter above recorded and its enclosures whether the Enams in question the held by an Astrologer are really Punchangum Enams or merely Bhuttawartee. The Acting Collector will be pleased to ascertain and report whether there be sufficient proof forthcoming from the Survey Accounts and otherwise that the lands are Punchangum Mauniems and consequently for service and if so he will make some definite recommendation in respect to the party to be preferred out of the rival claimants Goodee Sooba Bhuttoo and Pedda Bhuttoo. If the Enams are merely Bhuttawurthee grants the whole of them will have to be resumed.

From the Agent to the Governor of Fort St. George at Kurnool

Forwarding Report on the Land Revenue Settlement of the Kurnool District for Fusly 1258.

Sir,

I have the honor to report on the Land Revenue settlement of the Kurnool District for Fusly 1258 and to submit the prescribed English and Mahratta Statements relating thereto.

2. No change has occurred in the number of villages and hamlets brought under settlement in the past Fusly. They amount now as in they did then to 590.—

Government villages	465
Do. Hamlets	100
Shrotriem villages yielding a fixed Jodhee b.	
Do. Hamlets	11
Inshine villages on tenure of a single life.	12
Surva Enam villages	1
Shrotriem village of which only half the revenues is alienated	1
	590.

3. The Jummahbundy operations were commenced at Nurnoor, Dhone Talook, on the 10th November 1848. They were continued in February and March, during my absence on leave, by my Assistant Lieutenant J. G. Russell, and were brought to

to

Fort St. George 10th. December 1849.

to a close at the end of the latter month. The Talooks settled by Lieutenant Russell were Dhone and Atoor.

4. The rains which fell from April to June were seasonable and sufficient for the early sowings. Those required in later months for the 2nd. and 3d. crops, were timely and abundant; but in parts of the District, particularly in the Dhone, Goodoor, Nundicootoor, Nundial and Sevvail Talooks, the fall was not quite enough for a full supply of water to all the Tanks and the wet crops were consequently injured, though to an unimportant

Fort St. George 10th. December 1849.

unimportant extent. Excepting in this respect and in regard to a small portion of the Cotton and Wheat crops, which suffered from blight, the harvest of the year was excellent and ample.—

5. I beg to subjoin a concise Statement exhibiting in comparison, the details of the Villavary of the present and past Fuslies.—

from which it will be seen that in this year a total of 25,747 acres of land were agreed to be cultivated in excess of that taken up in the preceding one, the additional Bariz on which was Rs 26,969 1 1. This increase is partly attributable, to the fact that up to Fusly 1257, it had been the practice of certain of the Amildars in this province to produce the detailed Villawary accounts only at the time of the Settlement, having then entered in them no other wet lands than those which at that period had been actually cultivated. This system appeared to me to be in contravention of the course usually adopted in other Districts. I therefore directed that it should cease and ordered that in conformity with what I believe to be the practice in neighbouring Collectorates, the Villawary should at the proper time be made to include and the accounts to exhibit, the whole extent of land generally cultivated under tanks having received their full supply of water, remissions being afterwards granted for such holdings as could not ultimately be cultivated owing to deficient means of irrigation. The necessary alteration was made in the Hoobunnamah and early intimation of the change was conveyed to the Ryots.—

6. The average of the sale prices of the grains produced in this province was not so high as that obtained in Fuslies 1256 and 1257, whilst the demand for them has not been so good as it was in those years; some difficulty was consequently experienced in the realization of the Kists, as the District cannot yet boast of many cultivators whose substance admits of their hoarding produce to await a favorable market.

The remission made for dry land left bunjer was of trifling amount and was granted only on its being shown to my satisfaction that the inability to cultivate it had resulted from real indigence.

9.

The remissions given for wet land amounted to Rs. 6,009-13-5. I was care: ful in directing enquiries in this respect to be made in the first instance by the Talook Servants, which, in the Goodoor and Dhone Talooks, were followed up by those of some of the subordinates from the Hoozoor, and in Wundiab and Servaib by the Amildars of those Talooks themselves. From these investigations no doubt re: mained in my mind that the progress of the wet cultivation had been impeded to the extent of the remissions above shown.

10.

The amount of indulgence for wet crops dried up shown marginally was required in consequence of a total absence of rain after October, but it was not sanctioned until the Amildars of the two Talooks in question had personally visited and inspected the fields on which the exemption was

12. It became necessary to strike off the sum of Rs. 162. 10 — owing the destruction of certain crops caused by the unusually early filling of the Nundiab Tank and a sudden fresh which reached the Vangsamood: rum Tank in the month of June last.

Rs. 29- 9 — 13. The land on which this amount was remitted as Pymalee, had, from my own per: sonal observation, become unsuited to cul: tivation purposes from the greater breadth acquired in course of time by a mountain stream.

Rs. 30- 4 — 14. The sum allowed as Teerwa Com: mee to the Curnums of Chinta Comma dinny was so allowed with reference to a previous practice. Adverting to the order of Govern: ment noted marginally the item will not ap: pear in future accounts.

Minit. of Con: 31st July 1849. No. 716.

Rs. 18. 4 — 15. The other item of Teerwa Cummee results from my having approved a proposal of the Amildar of Chagul: murry to allow a piece of garden la: land measuring 3. 21 — 12½ acres and bearing an assessment of Rs. 73. — — to be cultivated at the reduced rate of Rs. 54 — 12 — — without which indulgence, although

although irrigated by Government wells in good order, it would have lain waste, the higher rate being so excessive advert: ing to its known productive capabili: ties as to have rendered it wholly unprofitable to the cultivator.

Rs. 45. 2 — 6. 16. The sum of Rs. 45 — 2 — 6 was re: remitted on Burjer lands cultivated near the village Siddapoor under the terms of the Cowle approved in your Board's communication dated 17th July 1848.

17. If the aggregate of the remissions above particularized be de: ducted from the gross amount of land revenue demand, the sum remaining is Rupees 6,42,328 — 8 — 3, of which Rs. 6,31,539 — 7 — 9 are due for land actually brought under the plough, Rs. 10,789 — 6 being payable on Caboolaty Burjer.

18. No part of the last men: tioned sum was forgone, as I could not satisfy myself after careful en: quiry from such of the villagers con: cerned as were best acquainted with the facts, that the omission to cultivate the

the land agreed for had resulted from other causes than a wish to retain Bunjer for pasturage; a determination to cultivate Enam instead of and in preference to Cirkar fields or the practice of relinquishing land bearing a higher for that bearing a lower assessment.

19. By adding to the land revenue Bariz the sum total yielded by the Jodhee and Enamty taxes, the former becomes Rs. 7,20,228—3—9¼ but if diminished by the aggregate payments made to petty Jagheerdars and others as hereunder specified the net amount of land revenue demand becomes Rs. 7,14,854—4—11

21 The Board will observe from the above that under the four heads of Cultivation an increase may effected in the villagary of the present year equal to Rs. 2,69,69-1-1 the details of which have already been given.

Para 5

22. The aggregate remissions granted in Fusly 1257 amounted to Rs. 1,218-8-11, which amount was exceeded by those of the present year in the sum of Rs. 5,534-7-7 the principal cause of which has already

Para 5

been explained to be a mere matter of account.

Rupees 160-15-8

23. The increase of remissions for wet lands on which Crops had perished from drought has been caused by the partial character of the rain in certain villages where none fell just at the period when it was required to bring the Crops to maturity.

Rupees 266-13-2

24. The decrease of those allowed on lands whose produce has been destroyed by inundation, is attributable to a smaller supply of water having reached

reached some of the reservoirs-

25. The cause of an increase under the head Teerwa Cummee has been given in para 15-

26. No remission was made in this year for mauritius Sugar Cane or American Cotton which explains the decrease of those two entries-

27. No Bunjer Coule had been granted since the resumption of this province in 1839 up to the approval by your Board of that proposed for the village Siddapoor. Hence the increase apparent under the head of

Board's Proceedings 17th July 1848-

remission on Coule lands-

28. Deducting from the Bariz the sum total of the above detailed remissions there remains a net increase in the year of Rs. 21,434-9-6 of which Rs. 18,511-14-9 are due on land actually brought under the plough, whilst Rs. 2922-10-9 are payable on fields which have been allowed to remain Bunjer-

30. As regards the increase of Jodhee obser:
-vable from the above statement I have to explain
that from information which I received at the
Summalundy I saw reason to consider that in
Fusly 1250 improper measures had been taken by
the influential Brahmins of Mundiak to secure
for themselves a rate of Jodhee much below
that to which they had been liable under the
late Nawabs administration. The results
of the investigation which under the impression
I at once commenced left no doubt in my mind,
that their Jodhee had not been brought to its
late figure with the full Knowledge of
the former Commissioner Mr. Blane and therefore
that it ought to be again raised. I raised it
accordingly, but as it further appeared that
the rates of assessment on the neighbouring
Circar lands generally had also undergone
some reduction, I contented myself with
raising the Jodhee to the extent only of
making its per centage of reduction correspond
with that which the Circar rates had undergone
The net outturn was an addition of Rs. 49-15-4,
exclusive of Jodhee Enams resumed whereon
Rs. 227-12-8 had been previously leviable and
which under the enquiries which I held were
again assessed to the Revenue.

40. On reference thereto it will be seen that the aggregate Beriz of all-items is, as before shewn Rupees 7,14,854-4-11, and that the Collections realized within the close of the Fusly amounted to Rupees 6,97,946-7-9, leaving an uncollected balance of 16,907-13-2 or Rupees 2-5-10 per Cent for after Collection substracting from the latter sum the amount which came into the Treasury by the end of September, Viz^{t} Rupees 8,088-7-11- There remains unrealized a sum of Rupees 8,824-5-3- or Rupees 1-3-9 per Cent of the original demand.-

41- Of this balance, Rupees 478-4-5 are due on Enams, about which some enquiry is in progress. Its result I propose at an early date reporting in a separate communication as required in your Board's proceedings dated 11th June 1849.-

Para 7-

42- I believe that the above-mentioned outstanding balance has to a considerable extent been created by

Fort St George 10th December 1849

by the unfavourable state of the grain-market during the course of the Fusly- The ravages of Cholera and the frequent deaths by murrain amongst cattle has no doubt also contributed to it,- It has further been swelled by the insufficient yield of part of the Cotton crops and by the sickly harvest derived from a large portion of the Wheat cultivation. Another cause is the supineness and incapacity exhibited by the Amildars of my two most difficult Talooks, Chagulmurry and Serwaid of whom, as your Board are aware, one has lately withdrawn from the publick service. I was under the necessity of employing the other in a less important Office.-

From Bd 23d Augt 1849.

43 The Statement hereunder given shews in a Talookwar form the Total Collections brought to account within the close of the past and that of the present Fusly.-

Fort St George 10th December 1849

44 It will be observed on reference thereto that in the Servaid and Chagulmanty Talooks, there has been a decrease of not less than Rupees 3,815-13-9 in the Sums brought to account within the Fusly, whereas in the remaining Six Talooks an increase has been yielded of Rupees 14,038-13-11. Deducting the one from the other a net increase is visible of Rupees 10,223--2. Thus, although the arrears for Fusly 1258 appear large compared with those of the preceding Fusly; yet the aggregate collections have not fallen below what it was just to expect would be realized adverting to the great increase in the Beriz of the year.-

45. I beg to enter below a Statement showing the arrears of past Fusles, the Collections on account of them which have been made up to the end of this year and the balance still outstanding.-

Sir

I am directed by the Board of Revenue to transmit to the accompanying Statement of the three Fusly Years 1253 to 1254 inclusive, amounted at the commencement of the current year to Rupees 111-5-11, of which deduction of Rupees 8-11-6 subsequently collected, there remained unrealized at the Close of Fusly 1258 Rupees 102-10-5. This amount was, by Order of Government, struck off the Accounts of the Collectorate of Chingleput, as per Minute of Consultation 16th July 1849. Para 10.

The amount of the Rent Free Fusly Years 1255 = 38-4-2 amounted to Rs 8,323-2-1. Deducting from this sum Rs 89-13-5, which Government have ordered to be remitted the Balance of Rupees 8233-4-8 remains which is due by the undermentioned Persons, others who have deserted their Villages and by some who are Insolvent

1256 = 24-15-6
1257 = 26-9-2
89-13-5

Rupees payments impracticable to be rendered. This Statement exhibits the Sheriffs Collections only, the Collectors not having as yet rendered their Accounts.

I am &c.

47 From the enquiries which instituted during the progress of the Jummabundy and from the reports of the several Amildars, I see reason to believe that it will be hopeless to attempt the recovery of the balances still standing against Fusilies 1255 and 1256 and I therefore beg to suggest that the Board be pleased to procure the authority of Government for removing from the accounts the sum of Rupees 6514-14-5 which now appears in them under that heads.-

48. The brief Statement given below exhibits with its increase and decrease, the Beriz of the past and present Fusilies under all heads of revenue, by which it will be seen that in the current year there has been an augmentation of demand from the several sources amounting to Rupees 28092-8-5.-

Remarks

Total Ayacut of Fusly 1257 - - 170.258. 26.
Do of Fusly 1258 - - 170.335. 15
Net Increase - - 46. 29

This increase arose in consequence of some fields having been accidentally omitted at the time of the Survey and of some errors of calculation having also occurred which have now been rectified.-

1	Chagulmurry	" " " " "		2264 22	10¼ 1926	7 1	Remissions were not made for the lands embraced in this Statement because it was apparent that the Ryots had neglected the cultivation of their wet & garden holdings although a sufficient supply of water was available in the Tanks Nullahs and Wells by which they are usually irrigated and it did not seem that they were deficient in means for undertaking the cultivation of them equally with their Enams. In respect of their dry lands it was found that the portions left Bunjer were so left either with a view of securing pasturage for Cattle or because an undue preference had been given to the lands of Enamdars.

From the Collector of Chingleput

Submitting further information called for in the Extract from the Proceedings of the Board regarding the Yeomiah allowance granted to the Mosque at Nadavattiputtah.

Sir,

Para 1. from the Proceedings of the Board of Revenue under date the 5th Instant, I have the honor to state that the duty to be performed by the Yeomiahdar of the Mosque in question is to sweep and keep the building clean, and to maintain a lamp and recite Ayah.

The original Purwanah of the Nawab Anwurdeen Khan is not forthcoming nor can the family say what has become of it.—

2. The payment of this Inam Yeomiah allowance was transferred to this Office by the Collector of Madras in 1821 under the orders of the Board of Revenue dated 24th May

Vide Enclosure A

of

Vide Enclosure B

of that year. In the Table submitted, the allowance is entered at 42 Rupees per Annum. I am unable to offer any authentic explanation of the ground on which the Yeomiah allowance was fixed at that Sum but it appears to me probable that the term of 2 annas in the Rupee meant that share of the valuation either of the Village or of certain lands specified in the original Sunnud, and which was commuted by the then authorities on the transfer of the Jaghire to Company for the fixed payment of Rupees 42 per Annum. The building is not a tomb but a Mosque as specified in the Honorable Mr. Murray's list. and the payments being in Cash, the transactions do not appear except in the Treasury Accounts, in which the disbursement is entered under the head of "Pensions and charitable allowances chargeable on the Revenues."—

Resolved

1806 Fort St. George 10th. December 1849

Proceedings thereon.—

(31-32.)

Resolved that the letter above recorded together with their enclosure be submitted for the orders of the Right Honorable the Governor in Council. The Board's recommendation in respect to the Jeemah in question is entered in Column 13 of the Tabular report of lapse which accompanied the Collector's letter of the 27th. October 1849.

Recommendation—

"Under the circumstances represented in Collector's Statement of 27th. October 1849 and his letter of the 19th. November 1849 the Board of Revenue beg to recommend that the allowance enjoyed by the deceased Mahomed Ebrahim for defraying the expenses of the Mosque at Nasarapettah in Conjeveram amounting to Rupees 12-—-" per Annum be continued from the date of his decease 25th. July last to his Eldest Son Mahomed Hafeezoolah who is not at present old enough to perform the duty in person will be required to provide a substitute until he attain the proper age.

Note. He is stated to be 11 years of age.

D.G.
