It will be observed that these are the Items which are referred to in Para. 6 of the Report of the Sub Collector on the Settlement for Fusly 1246. dated the 13th January 1838. and particularized in the statement No. 2 which accompanied it; the principal part of these deductions consist of the Lands granted to the Samastan Peons in Goomsur and certain objectionable taxes arbitrarily levied by the former Zemindar which were struck out of the Demand for Fusly 1246 under the authority of the late commissioner. These Arrangements were particularly reported upon by the late Collector in his letter dated the 4th October 1836 and were approved of by the Board and the Government and the deductions have since been exhibited in the whole of the annual revenue accounts and Statements of Demand, Collection and Balance rendered to the Board; but it is requisite that the special Sanction of Government should be granted for making the corresponding adjustments in the Journal as has been directed by the accountant General.-

From the Collr. of Vizagapatam - Sir, Para 1. I have the honor to acknowledge the receipt of your letter dated the 11th February last, requiring information as to the quantity of fish annually cured in this District by the application of sea water or earth impregnated with saline particles, and subsequent exposure to the sun.-

2.- In reply, I beg to state that when duty was levied on the above article, the manufacture amounted to about 32,000 Maunds. It has however gradually increased since the duty was taken off, and I believe that not less than 60,000 Maunds are now prepared.-

3.- I do not think that the fisheries would be much extended

as the public benefited by the remission of the tax on salt used in curing fish.-

4. On the contrary I am of opinion that the fish would be cured in the same manner as at present, and the salt otherwise disposed of;- and a door would thus be opened for frauds in a Department in which they are already too frequent.-

From the Collr. of Guntoor - On the subject of curing salt fish.- Sir, Para 1. I have the honor to acknowledge the receipt of your letter dated 11th ultimo and to state that the salt fish cured in this District is prepared with salt, salt water is used in the first stage of curing with salt but not as a substitute for that article. Earth with saline impregnations is never used in this District. The

curing of Salt Fish is confined to the neighbourhood of Nizampatam, but is considerable. This article is taken to distant markets as Hydrabad, Nagapore &c and is held in great estimation from the very circumstance of Salt alone being used in the curing.-

2. The largest description of Fish cured requires about 5 Seers of Salt. A fish of ordinary Size, when cured, costs from 6 to 8 annas of purchased on the spot - for the preparation of this, about 2 Seers of Salt are required; the monopoly price of Salt is 2 6/7 Seers for one Anna, the curers in general purchase the Salt at the Cotaurs. Thus the value of the Salt forms so small a portion of the cost of the article that a reduction in the price of Salt on this ground does not appear to be called for. The consumer would not derive any benefit.-

3.- The curing of fish, was a Monopoly before the abolition of the transit duty on this article, since the abolition of

of the duty many have engaged in it. The reduction of the monopoly price of Salt would lead to a further facility to embark in the manufacture of Salt fish, but, unless this reduction is made generally, it does not appear to be called for in this District. If it is made in other Districts, the measure must be general to place all on an equality. In this case it will be necessary to see that the Salt is sold bonâ fide for curing fish, and this is of easy fulfilment, as the quantity cured may be known with sufficient accuracy.

From the Collector of Masulipatam } Para 1.

Submitting a report on the affairs of the late Summeta Nursamah Proprietress of Pullepurroo in the Zillah of Masulipatam.

Sir,

With reference to my letter under date the 27th December 1839 promising to report the result of my enquiries into the right to the succession to the Estate of the deceased Rajah Summeta Nursummah Proprietress of the Village of Pullepurroo in this District, I have the honor to state that I have brought this long and intricate investigation to a close and now beg leave to submit copies and translations of my Proceedings in this Case, together with my opinion on the same for the Boards information.-

2.- Summeta Nursummah died on the 15th December 1839, leaving an adopted Son named Lutchme Nursimmah Naidoo, a boy of 11 years of age as her heir to all her property, real as well as personal, which accord-

ing to an Inventory taken after her death, and a valuation made

of the same is estimated to be worth Rupees 3,45,668 3 0 as shewn in the Margin

3- Her landed Estates consist of the Villages of Ballepurro in this District, and of that of Tolairo in the District of Rajahmundry and as these Estates pay revenue directly to Government, it was clear that, according to Clause 1st Section III Regulation V A.D. 1804, the property in question would fall within the scope of that Regulation, provided that the said Lutchmy Nursimha Naidoo was held to be the legal heir, or that any other person not incapacitated by sex, minority, or other cause, should fail in establishing a preferable title

4- While proceeding to examine the

the contents of the Will said to be executed by Summeta Nursummah in favour of Lutchmy Nursimha Naidoo, I received a Petition from one Ranjeah Lutchmanah representing that the Will was not only fraudulent, but that the adoption itself was invalid and that she (Ranjeah Lutchmanah) being the widow of Venea-tasawmy, the Nephew of the husband of the deceased, was entitled to succeed to the property as the nearest heir-

5- After diligently investigating and ascertaining all the assets and effects of the deceased, and preparing a correct inventory of the same shewing the estimated value thereof, I proceeded to enquire into the claims of the contending parties and took evidence and Counter-evidence in support of their respective allegations and put such questions to the Law Officers of the Provincial Court as seemed to be important to the matter at issue-

On

6-

On a perusal of the evidence there can be no doubt that Summeta Narsummah had adopted Lutchmu Narsimha Naidoo in the year 1837, thereby intending that he should succeed to her property at her decease, and further that for two years he performed the funeral obsequies of the husband of his adoptive Mother. It was admitted that the adoption had taken place but it was maintained that that ceremony not having been effected according to the usages and formalities required by Law, it necessarily became invalid.

See Petition No 2 in B.

7-

It was urged 1st by that the required authority of the husband of the deceased was wanting 2dly that there being but one Son living in the family of the adopted, the adoption of Lutchmy Narsimha Naidoo could not legally take place. Sundry other reasons were also mentioned, such as the absence of Burnt Offerings and other ceremonies on the occasion

occasion of the adoption and the circumstance of Summeta Narsummah being subject to the disabilities arising from the death of a near relation which would incapacitate her for performing any rites of that description.

8-

See A No 1.

Respecting the execution of the Will, it is my opinion that that instrument was not executed by Summeta Narsummah and my reasons for coming to this conclusion are, the circumstance of the signature being quite different in style and formation from her usual signatures, as appended to several Arzees now among the records of the Cutcherry and the contradictions of the attesting witnesses as to the time of the arrival and departure of the parties who were present at the time of the alleged execution of the Deed.

See Original Papers marked D No 1 & 3.

9-

Respecting the fact of the adopted being an only Son, it

it is my opinion that there was but one Son in the family of the natural father of Lutchemee Narsimha Naidoo at the time of his adoption. This fact is impossible from the unsatisfactory evidence on the above point and the Statement of one of the Witness Summata Iuggapah to the effect that he could not recollect the circumstance of the attendance of the elder brother of the adopted during the ceremony, while this fact is positively stated to have occurred by another witness Kasiaravapoo Loobaranzo. But the allegation of there being but one son in the family of the adopted if true does not necessarily render the adoption invalid, because according to the doctrine of "Dwyamushayana", however blameable it might have been in the natural father to give away an only son for the purpose of adoption, yet the adoption itself would be good for every legal purpose in the event of its actually having taken place. An instance of this kind occurred in

in the year 1828 in the case of the adoption by Ankeeredoo, the adoptive father of the late Zemindar of Davercottah of Doorga Prasada Naidoo who was the only Son of his natural father the late Zemindar of Pedanah-

10- Respecting the other attempts to invalidate the adoption on the score of the absence of the authority of the husband & the required formalities to be observed on such occasions, I am of opinion that they have ended in a complete failure. In the former case the evidence adduced is full and satisfactory & cannot be outweighed by the simple averment of Rajeah Lutchmamah that the authority to adopt is not stated in the original Will of the deceased which Raja-

In the latter case it is to be observed that according to the opinion of the Pundit, a scrupulous regard to ceremonies is not required among Soodras.

See C No. 1.

11- Upon the whole it appears to

to me that even were the adoption proved to be invalid, the fact of the adoption itself is sufficient evidence of the intention of Summeta Nursummah to appoint him / Lutchmanah as in the Naidoo / to be her heir to bar the claims of any other party founded on the Law of inheritance because Summeta Nursummah was fully competent to dispose of her own and exclusive property in any way she might think proper.

12. Proof of her right to do so is established by the following facts. A Deed of partition was executed between the husband of the deceased Summeta Nursummah named Achiah Naidoo, and his two younger brothers named Sautiah and Paupiah so far back as the year Khelyah corresponding with A.D. 1806 and the two surviving witnesses who attested it, have deposed to the truth of its execution.

13. Hence, it follows that the

husband of the deceased Summeta Nursummah was competent to dispose of his property in any way he might think proper.

14. A disposition by Will was accordingly made in the year 1826, bequeathing to certain relations certain sums to be enjoyed by them respectively, and to the husband of the present claimant Paupiah Lutchmanah / whose receipt for the amount was registered in Court / the sum of Rupees 20,000, and further leaving to his widow Summeta Nursummah the whole of the remainder of the property, and declaring that it was at her own free disposal, and that no other person should have any right whatever thereto.

15. Summeta Nursummah had therefore, full power to dispose of the property left to her by her husband in any way she might think

think proper without reference to the Hindoo Law of inheritance—

16— Upon the whole, therefore Lutchmy Nursimah Naidoo must be held to be the heir at Law, not only because his adoption is perfectly good for all legal purposes as already shewn in Para 9, but because the deceased Summeta Nursummah was competent to devise her own and exclusive property in any way she might think proper and because the strongest and most convincing proof of her having appointed Lutchmy Narsimha Naidoo to be her heir is derived from the well established fact of her having adopted him, and lastly because the most conclusive evidence against the pretensions of his opponent Rayjeah Lutchmummah is contained in the Deed of †acquittal executed by

† See E. N:7

by her husband before his death acknowledging the receipt of Rupees 20,000, in full liquidation of all claims against the Estate and according to the Will of Summeta Atchiah Naidoo—

17— After the Proceedings upon which the opinions above recorded are founded were concluded, I received two †Petitions from the parties noted in the Margin on behalf of the Minor on the one hand and of Rayjeah Lutchmanmah widow of Venkatasawmy on the other, praying that a compromise which they were ready to enter into should be accepted on the ground that the payment of the sum of Hydrabad Rupees 13,000 stated to have been received by the said Venkatasawmy as the balance of Rupees 20,000 mentioned in the Will of the late Atchiah Naidoo was disputed by Rayjeah Lutchmanmah

1 Summeta Rayjemmah Naidoo Natural father of the Minor—
1 Donnalagudda Goorapah Naidoo the father of the Minor's wife—
1 Colapully Puttiah Naidoo Maternal Uncle of Nursamah—

Lutchmanah, and that she was willing to withdraw all claims against the Estate on condition of the payment to her of Rupees 13,400 within two Months after the receipt of the Board's instructions on the subject.

18. I also received two other Petitions* from one C. Veneatasawny, a relative of the Minor, praying that the proposed compromise should not be accepted, because it originated in a fraudulent collusion between the parties for the purpose of making away with the property of the Minor.

See H. No 284.

19. No evidence was adduced on either side to shew that the Money was not paid, but in order to determine the propriety of accepting or rejecting the Pauzeenamah, the subject of which was agitated long before it was presented I directed that the attesting Witnesses to the receipt for the balance of Rupees 13,000 should be

* See G. No 345

be examined and their evidence recorded. All these Witnesses admit the payment of Hyderabad Rupees 13,000 to Veneatasawny, but aver that the Money was returned to Summata Nursammah, and that a fresh Bond was executed by her in favour of Veneatasawny for the same.

20. The above evidence appears to us to be quite insufficient to shew that the Money had not ultimately been paid, or that there still exists any claim against the Estate 1st by because Rajeah Lutchmanah cannot produce the Bond said to have been executed at the time of granting the receipt and of returning the Money 2dly because instead of claiming the sum of Rupees 13,000 stated to be due on the said Bond she presented a Petition in 1837 or about 5 years thereafter, praying to be permitted to sue in forma pauperis to recover one third of the whole Estate

* See Proceedings of the Sudr. Ud. dated 1. No 1.

Estate and 3rd by because the Deed of acquittal dated 19th January 1832, and which was registered in the Court on the 20th of January of the same year affords a complete release from the demand for the balance of 13,000 Rupees due according to the Will of late Ackiah Naidoo and fully absolves the Estate from any pretended Claims of Ranjeah Lutchmanah against it.

See E. No 7.

21- Under these circumstances it is my opinion that the proposed compromise, which rests on no solid foundation whatsoever and seems to have for its object an unjustifiable appropriation of the funds of the Minor, should be rejected and that Ranjeah Lutchmanah should be directed to prosecute her claims by a Civil suit provided she may think that she can establish the whole or any part of them in the Courts of Adalat.

22- All my proceedings in

Comp. F. R.

in the above case had been closed, and my report finished several Months ago, and the delay in submitting them to the Board has arisen from the heavy duties which fall upon the English Department, and which rendered it impossible for them, with a due regard to the other calls on their time and attention, to translate and fair copy them, or for me to place them in a tangible shape before the Board at an earlier period.—

Stealing Gold Watch & Seals from the Person of Mr. Wm. Hall.

Prosecutor Hall.

Mr. Hall. I live at Norwich. I am a Watchmaker. On the 15th of March I was in the Market Place at Norwich, about 12 o'clock in the day. I had a Gold Watch & Seals in my pocket. I felt a hand in my pocket. I turned round & saw Hatchett with his hand in my pocket. I took him into custody. I found my Watch & Seals in his hand. I am sure they are mine. I had seen them safe about 5 minutes before.

Cross-examined by Mr. Cox. I am sure I saw Hatchett take the Watch. I am sure I saw him take it out of my pocket. I am sure I saw him with it in his hand. I am sure I saw him with it in his hand. I am sure I saw him with it in his hand

Translation of an Arzee addressed to
P. Grant Esq.re Collector in the Zillah of
Masulipatam by Summata Venkanna
Naidoo the manager and Guardian of the Minor
Zemindar Rajah Summata Lutchme-
narasimha naidoo. Dated 20th December 1839.

The late Shree Rajah Summata
Narasummah Zemindar, who was my adoptive
mother, being seized with severe indisposition
thought that she would live no longer, and
Consequently

consequently executed a Will on Saturday the 8th increasing Moon of Maurgaseeram, year Veneauree, corresponding with 14th December 1839. appointing me as Guardian to the said minor Zemindar who was adopted by her as son, and as manager of her whole Estate consisting of the Zemindary Villages &c. and also mentioning therein some other conditions. She put her seal and signature to this document, got it witnessed by some persons who were then present there, granted this to me, and, with a view to convince your honor of these particulars, addressed an arzee to your honor under her seal and signature on the 15th December 1839. on which date she departed this life, at about 3 O'Clock in the night. The next day, that is, on the 16th December, the Head of Police of this Town came to my house in the morning, placed a guard of Peons around it, and required production of the whole property of the Minor Zemindar for attachment. I thereupon produced the

the said Will to him, and said that as I would regularly pay the revenue of the Village Bullepurroo which is my Zemindary in the Masulipatam District, according to the kists, and that the property should not be taken under attachment. Thereupon the Head of Police said that he cannot comply with my request unless he received your orders. As I thought it improper to make a refusal, he has been taking the whole property under attachment. By attaching the property in this manner, the large amount of balances due to the Minor Zemindar by several individuals would be prevented from being collected early by which he will sustain a loss, and the attachment is likewise derogatory to our rank. It is plain to your honor, that the attachment so effected is illegal, in as much as I am responsible according to the abovementioned Will to pay the kists of the revenue of the said Village. At the time when the said Nursummah Zemindar was to die, she verbally told me that I should

I should cause the several affairs to be carried on by Poolepauca Nursiah who has been a Aherusta Mootasuddy in our Samastanum from the time of our forefathers, by Calapatapoo Maudavaroydoo the Vakeel and by Colapully Puttiah who was her maternal uncle, and who was appointed by her as the manger of the said Village; that I should take care to preserve the Minors Estate from being spoiled; that I should keep her mother Chund Atchamah in the presence of the Minor Zemindar, and cause her to nourish the Minor. I am therefore bound to act according to her orders. The object of my prayer is that your honor will be pleased to issue an order to the cash keeper to receive from me the revenues of the Minor Zemindar's Village according to Kistbundy, and also an order to the Head of Police not to attach the Minor Zemindar's Property. If any delay should happen in complying with this request, and if the Minor's Estate be taken under attachment, the debts due to us cannot be

collected at present, now loans obtained while a sum of 2,000 Rupees is required for the performance of the funeral rites of the said Narsumma, who had passed her time in so respectable manner. I therefore most earnestly pray that your honor will, after perusal of this Petition be pleased to pass a speedy order to the Head of Police directing him to make over to me property to the Value of Rupees 2,000 out of the estate which he is now attaching, and you will also issue an Croyetnamah to me to that effect.

The humble Petition of
Summata Rajanah

Begs very respectfully to state to your honor that the late Summata Nursamah Zemindar ranee adopted my son Rajah Lutchmee Nursummah Naidoo Minor Zemindar and upon her death the Masulipatam Head of Police attached her Estate and agreeably to your honors orders Totah Brummiah Naidoo is enquiring into the affairs of the said Nursummah Zemindarranee I have heard that your honor have ordered the seal of Summata Rajah Lutchmee to be fixed upon the said attached Estate there is no cause for the said Rajah Lutchmee's seal to be fixed to the said Estate because upon the death of the said Nursummah Zemindarranee's Husband Rajah Ackiah Naidoo he left us Will authorizing

authorizing 20000 Rupees to be given to Venkatasawmy Naidoo the husband of the said Raja Lutchmee and excluded him from all further concerns with the Estate he bequeathed to his wife the said Nursamah zemindarranee agreeably so thereto the said Nursamah zemindarranee gave to the said Venkatasawmy Naidoo the said 20000 Rupees and took from him a Faricutth or paper of acquittal renouncing all concerns with the said Estate. The said Faricutth was Registered by Mr C. P. Brown then Zillah Auxiliary Court Judge. The said Faricutth and the said Rajah Vekal Naidoos' Will are disposed with the said attached Estate. If your honor will be pleased to send for the said two documents (Faricutth and Will) and see them, your honor will see the impropriety of Rajah Lutchmees' seal being fixed to the said attached Estate notwithstanding this the said Rajah Lutchmee had filed a suit in the Northern Provincial Court making claim upon the said Estate of the said Nursumnah zemindarranee for 150000 Rupees which suit

suit after enquiry was dismissed by the said Court after the circumstances are so public if the said Raja Lutchmee still persists to any pretensions of a claim on the Estate of the said deceased Nursamah zemindarranee or upon the said Minor Zemindar she should file regular suits in the Courts and the Courts will redress her but she should not without pursuing the regular mode demand her seal to be fixed to the said attached Estate and give unnecessary trouble to the authorities. I now beg to request that your honor will be pleased to order not to allow Raja Lutchmee to fix her seal to the said attached Estate and further to order 2000 Rupees for the consummation of the said Nursamah zemindarranee obsequies &c.

The humble Petition of Summitah Venkanna Naidoo Guardian of Rajah Summitah Lutchmee Nursimmah Naidoo Minor Zemindar —

Begs very respectfully to state to your honor

honor that Zemindarraumee the late Sum-

December 1839 at 3 A.M. and the Masuli-

16th December 1839 when I presented
to him the Will of the deceased which
he kept with him and he afterwards
attached the Estate of the deceased
Valuing in Precious stones Jewels Bonds
&c about 120000 Rupees. The accounts
belonging to the deceased are not yet
examined I beg now to state that Sum-
=mettah Rajah Lutchmee who have no
concern whatever with the estate
of the deceased from Enmity to the
deceased's family and Summittah Raja-
=mah from ill persuasions of people
that bears ill will to the deceased's family
have presented Petitions to your honor
misrepresenting the Estate of the decea-
=sed's to amount to 45,000 Rupees and
that the Goomastas &c of the deceased
have made away with and concealed
the same upon which your honor have
directed Totah Brummanah Naidoo to en-
=quire into the matter accordingly he is
making enquiry - It is just & proper that my

seal

seal and the Circar's seal should be fixed
to the attached property of the deceased
but I have heard that your honor have
ordered the seal of the said Rajah Lutchmee
also to be fixed to the said property
this is unnecessary and improper. the
reason for my so saying is that when
Rajah the late Mekiah Naidoo the Hus-
=band of the said Nursumnah Zemin-
=darraumee died he left a Will in which
he expressly mentioned 20000 Rupees
to be given to the late Venkatasaw-
=my Naidoo the husband of the
said Rajah Lutchmee and excluded
him from all further concerns with
his Estate accordingly the said Nur-
=summah Zemindarraumee gave the
said Venkatasawmy Naidoo the said
20000 Rupees and obtained from him a Farieuth
or paper of agreement renouncing all
claims to the Estate of the said Nursum-
=mah Zemindarraumee which Farieuth
was Registered by M.C.P. Brown then
Auxiliary Court Judge. The Head of
Police seen the said Farieuth and Will
of Rajah the late Mekiah Naidoo and
deposited them with the attached

property

property. If your honor send for the said Farcuth and Will, and see them your honor will be perfectly convinced that the said Rajah Lutchmee have no concern whatever with the said deceased's estate. She said Raja Lutchmee altho' she was aware that a settlement had been made between her late Husband the said Venkatasawmy Naidoo, and the said Nursummah Zemendarrauee, and that a Farcuth had passed between them, she the said Raja Lutchmee had made a complaint to the Northern Provincial Court, making claim upon the estate of the said Nursummah Zemindarrauee for 150000 Rupees which complaint after enquiry was dismissed by the said Court. This circumstance being thus public and the said Rajah Lutchmee very well knows that she has no concern whatever with the said deceased Nursummah Zemindarrauee's Estate yet with an attempt only to make a new claim upon the estate of the said deceased Nursummah Zemindarrauee, and to

to give unnecessary trouble to the authorities, has presented a petition to your honor upon which your honor, have ordered her seal also to be fixed to the attached property, but from the said Farcuth and Will, and foregoing circumstances, your honor will perceive that your honor have been misled by the said Rajah Lutchmees' Petition and that the fixing of the said Raja Lutchmees' seal to the attached property is unnecessary and improper. If the said Rajah Lutchmee have any claim upon the Estate of the said deceased Nursummah Zemindarrauee or upon the said Minor Zemindar, the Courts are open to receive her complaints and to redress her, but it is improper that she should Petition your honor to have her seal affixed to the said attached Estate and it is also improper that she should mislead your honor by misrepresented Petition. The said Raja Lutchmee since many years have separated from the deceased Nursummah Zemindarrauee's

Zemindarranee's House. Under all the above circumstances should the said Rajah Lutchmee still be permitted to fix her seal to the said attached Estate the fixing of my seal would be unnecessary. Therefore I beg to re=quest that your honor will be pleas=ed not to allow the said Raja Lutchmee's seal to be fixed to the said attached estate and that your honor will be further pleased to order 2000 Rupees for the performance of the said deceased Narsummah Zemindarranee's ceremonial rites—

Translation of an Arzee addressed to P. Grant Esqre Collector of Masulipatam by Summata Vencamah Naidoo the Mama=

Dated 29th February 1840.

During the life time of my adoptive father Rajah Summata Vekait Naidoo he obtained the Zemindary of Ma=
=dura Purgunk in the Cammamanatt Circar belonging to His Highness the Pizam and he together with my adoptive Mother levied there with a view to take care of the Management there of. After=
=wards my adoptive father was Seized with an indisposition which had

had so far increased that he thought that he would live no longer He therefore entertained a view to adopt a son of his relations to perpetuate his race – upon en=
=quiry he could not find one among his relations either in that Purgunah or in the neighbouring Villages But as there was no time to send for any one relation from this place he felt=
=ing much sorrow gave authority to my adoptive Mother to adopt a Son with a view to the accomplishment of his object –

Being grieved at the death of her husband she remained at Hy=
derabad and there about for some time for the purpose of all her affairs being settled and came afterwards to Masulipatam she went from thence to Streerangum and other places on a pilgrimage returned back to this place formally took Lutchmeenar=
=simmah Naidoo the second son of Rajenna Naidoo in adoption according to the authority given by her husband and performed the marriage and other ceremonies. Before her death she left a Will appointing the said boy as the heir to all her Estate real

and

and personal, and appointing me as a Manager to transact all the affairs during the minority of the Boy, and also made some provision in that Will for the performance of some Charities. I have already brought these circumstances to your honor's notice.

While we were immersing in sorrow at the death of our adoptive Mother Summata Ranjiya Lutchmanah the Daughter in law of S. Tantuk Naidoo who had separated from my adoptive father has, I understand, been making some useless reports to your honor as if the said boy was not adopted in the manner prescribed for our Caste, & under the instigations of our Enemies & solely with a view to give annoyance to us, and to the prejudice of the property. I beg to observe that the fact of the adoption is known not only to all the people in this Town, but also to our relations at Hyderabad, Madras, and other Towns, to the Sowcars and others who have any transactions with us, and also to the Zemindars in our friendship. As this is the case, I hope that your honor will consider that what is stated by the Vakeel of S. Ranjiyalutchmanah is entirely unfounded. If your honor examine Colapully Puttiah the Maternal uncle of my adoptive Mother, and also Poolapauea Boucheraz the Gomastah of the latter's father your honor will be convinced of the fact of my adoptive father having authorized to adopt a son.

To P. Grant Esqre. Collector
Yea. Yea. Yea.
Zillah of Masulipatam.

The humble Petition of Sundoo Utchamah Gauroo Inhabitant of Booty pellah in Masulipatam

I beg very respectfully to state to you,

you that my daughter Sree Rajah Sunn-
=mut Nursummah Garoo, the Representof
Bullepurroo Village in your Zillah, fell
severely sick 3 years ago, and having no
issue of her own, according to her husbands
dying commands she adopted as her Heir
Lutchmeenursummah Naidoo, the son of Sunn-
=mut Rajanah Naidoo, one of our relations;
and my grand daughter was married to
him; and Nursummah Garoo my daugh-
=ter appointed me guardian to the adopted
child, and according to her late husbands will
Nursummah Garoo, appointed her father,
Sunthoo Nagummah Naidoo, my husband,
manager to her affairs.—

As my Daughters late hus-
=band when Trading at Nagpore, Jaulnah,
and Hydrabad, had lent out nearly 2 Lac of
Rupees, the said Sunthoo Nagummah —
Naidoo, my husband and Nursummah
Garoo's father, proceeded to Hydrabad, to
receaver those debts, and he is still there.—

Nursummah Garoo, my daughters,
sickness becoming daily better; as I was
appointed

appointed by her guardian, to the said
adopted child, I left my inhabiting —
place, Boddapandoo Village, and came with
the whole of my estate and lived in my daugh-
=ter Nursummah Garoo's House, cherishing her
and the said adopted child.—

Nursummah Garoo,
my daughter, appointed her uncle my Bro-
=ther Colapilly Puttiah and her dependant
Venkanah, to carry on her affairs in this place
which they accordingly are performing.—

Whilst things were in this
state, in the Month of December last, my
daughter Nursummah Garoo sent me
to Wulloor to speak to our relation Rajah
Bammah Davara Nagamah Naidoo Garoo,
concerning some affairs, whilst I was there,
my said daughters former sickness, having
returned severely, she sent message for
my return and I arrived at Bunder on
the 16th December last, but before that
by my misfortune she died on
the night of the 15th December
last and whilst I was in my
grief

grief on the 16.th December last — only the Tahsildar of Bunder came and attached my said daughter's estate, besides which he also attached Bonds that are in my Husbands name, and brass articles V.ca belonging to him, and my wearing Jewels, cloths V.ca — on my questioning him his reason for attaching the estate, he replied that he had done so according to custom, because my daughter was proprietress of Bullepurso in this Zillah and the said adopted child being a minor. about that time, my said deceased daughter Nursummah Gauroo's late husband's brother, the late Pantiah Nar-sa-loo's son, the late Vencatasawmy, who was separated from my late said Daughter Nar-summah Gauroo's late husband, and had Farcuths or papers of Acquittal, passed exclud-ing him, from all rights to the said estate, his, the said late Vencatasawmys Widow Rajee Lutchaommun-mah by the ill persuations of some people to cause disputes about

about the said estate mentioned same — improper circumstances in opposition to the adoption of the said child, adopted by my said late daughter and presented a Petition to your honor, respecting which and the Will you have fully enquired into, but as your honor have not as yet informed the Revenue Board, it will be the cause of the debts due, to my late daughter's estate by people being denied —

What I have to state is, that my late daughter was proprietress of the Village of Bullepurso, in your Zillah, the sist of which is so small as only 468 Rupees and odd, if your honor attach the whole of her estate, and with it this Village too of so small a sist, and intend to bring it under the authority of the Court of Wards, not only much obstruction will be caused to the recovery of the debts to the amount of nearly 2 Lac of Rupees, and odd, due to the estate of my late daughter by people in the Nizams' Territories at Hydrabad, Joolnah, Nagpore

Nagapore, and about those places, and in those places. As some bullocks belonging to my said late daughter are in the Company's service in this too, much confusion will occur, and to the profits arising thereby, loss will be sustained. Notwithstanding this, our near relations late Rajah Bommadavara Venkata Narsimmah Naidoo Gauroo's Wife, Rajah Lutchmee, when dying, her son being Minor to attach their estate, and to bring it under the Court of Wards, as they too, had much balances due to them, in the Nizams' country at Hydrabad, and the places about it, and being bullock contractor, to the company, the Collector there, here Mr. Gley considering into the circumstances thereof, informed the same to the Revenue Board, so as that, that estate, did not come under the authority of the Court of Wards, therefore that estate is going on properly, consequently, as your honor is just, now too respecting my late daughters' estate, after your honors

honors proper consideration, I beg to state that if you will do so, as that it may not come, under the authority of the Court of Wards, our affairs Vee without any prevention will go on proper, and the money due by people will be recovered, and it will be easy. If it is not done so, if your intention and the Board's intention is to bring the said estate, under the Court of Wards, it will be the cause of the loss of about nearly 2 Lac of Rupees debts due to the estate. As my husband and father to the late Rajah Narsimmah Gauroo my daughter and manager of the estate, Kanganah Naidoo Gauroo, on account of the urgent affairs in his hands at Hydrabad not being able to come here, and by his coming here those concerns will be confused, these circumstances, he wrote in my name, for your information. therefore, I inform you of the particulars, thereof consequently I beg you will bring the same into your minute consideration, and with your favorable recommendation bring this Petition to the favorable notice of the Board of Revenue

and

and concerning the points, wrot herein I humbly solicit, that you will have the goodness to obtain the Board's sanction.—

A. That day I went there at about 7 A.M. and afterwards all the others came. I am a spiritual guide to her family. Ramanoja=charlos and Sadasewasastroolos are her dependants. Soobbannah is a priest and the others are relations, therefore we all went there

2. Had this boy any brothers upto the date of his being adopted?

A. I heard that up to the date of adoption, the boy had an elder brother and a Sister, and that his younger brother and Mother died. The boy was given in adoption by his father Rajennah Naidoo and Step Mother.

2. Do you know that Nursummah was authorized by

by her husband to adopt a boy?

A He died at Madheraseema, where I was not present at that time, I therefore cannot know of that Nursummah said that as her husband left a Will, giving her a discretionary power over his Estate, she would adopt the said boy; and that the will itself is an authority of her husband for that purpose. To any Interrogatories she answered that a will was left by her husband, giving her a discretionary power over his Estate, therefore, although a provision was not therein made in express terms, for the adoption of the boy, I construed the term discretionary Power as conveying the authority of her husband.

2 after the boy was brought into Nursummah's house by what name was he styled till before his adoption?

A Although he formally received his name as above-mentioned on the day of adoption, We had used to call him by the same name of Lutchemenursimhanaidoo, since the date of his coming to Nursummah's House.

Translation of a Petition addressed to P. Grant Esqre Collector &ca in the Zillah of Masulipatam by Rajah Summeta Rayeja Lutchmeemmah Proprietress of Talairoo and Pullapollem in the Rajahmundry District and of Bullepurroo

Fort St. George 15th April 1841.

Bullepurroo in the Masulipatam District Principal heir to the late Lummeta Nursamah and Daughter-in-law to the undivided younger brother of her husband.

Dated 16th December 1839.

Tantiah Naidoo my husband's father, his elder brother Ackiah Naidoo and their youngest brother Panjiah Naidoo had lived together and procured a large sum of money. My husband the said Venkata-Sawmy Naidoo was born to the above Tantiah Naidoo who died during my husband's infancy. Panjiah Naidoo had afterwards died. His widow and Daughter are still alive. Afterwards the whole Estate of that undivided family was in possession of Ackiah Naidoo, the eldest who secured the said Estate maintained the family and departed this life on the 14th increasing moon of Sravanum, year Vaya without any issue. At that time my husband alone was the surviving male in the family. although my husband

Fort St. George 15th April 1841.

husband was the principal heir to the Estate of that undivided family. Yet as he was at that time in Non Age, Nursummah, the widow of Ackiah Naidoo, took possession of all that estate and maintained the family. In the meanwhile Mother-in-law had died, Afterwards my husband died on thursday the 2d decreasing moon of Poosheyem, year Khara, that is before his attaining proper age. After which also the family of the said Panjiah Naidoo, the said Nursamah and myself were living and taking our victuals together; while thus circumstanced Voidya Lutchmemmah the widow of my younger father-in-law and the said Nursammah had a dispute and presented charge before the late Magistrate, whereupon Nursammah gave to the said Voidya Lutchmummah the whole patrimonial real property of our family situated at Mookallah, some personal property and also the sum of Rupees 4,000

4,000 in ready Cash, and obtained an a-
greement from her on tuesday the 13th
decreasing moon of Maatumm, Year Khara
corresponding with 28th February 1832. with
conditions that the above real and personal
property should on the demise of Woodia
Lutchmeemmah be possessed by Nursum-
mah. From the contents of that agreement
alone, the fact of our family having been
undivided will be proved. As I was then
in Minority receiving nourishment from
Nursummah and as I had no separate
guardian, it did not at that time hap-
pen to my questioning the conditions
so laid down between them about the
Estate.-

2. Subsequently while I was under
the Nourishment of the said Nursummah,
she turned me out of her house on the 6th October
1836. I then resorted for redress to the late Ma-
gistrate and the Circuit Court, who referred
me

me to the Civil Court, by husband who was
the last man that died in our undivided family
having outlived my father-in-law and his
brother and performed their funeral rites
as their principal heir was solely entitled
to the estate of our family. Under these cir-
circumstances I instituted a suit in forma
Pauperis in the Northern Provincial Court
in No. 334 of 1837. against the said Nursum-
mah for the recovery of the sum of Rupees
153,929-5-4. being the 1/3 of the value of the
real and personal property of our family,
Viz: 461,788-0-0. The said Court tho obtained
a personal bail from me according to the
Regulation and issued a Notice to the above
Nursummah, the defendant on account of
the trial of my pauper suit held Proceedings
on the 9th January 1839. stating among other cir-
cumstances that my claim was groundless
and accordingly returned to me my Pauper
Petition. I then made a summary appeal to
the Sudr Court in No. 15 of 1839 and the
Defendant

Defendant also presented a Counter Petition in
No. 157 the said Court after an enquiry, held Proceed-
=ings on the 16th September, Copy of which No. 1 is
herein enclosed, stating that the Proceedings
of the Provincial Court were altogether irregu-
=lar and improper that they would admit the
legality of my claim and accordingly issued
a Precept to the Provincial Court directing in-
=vestigation of my case. Should your honor
suspect the authenticity of the said Copy
of the Proceedings, I beg you will be pleased
to send for the Proceedings from the Provincial
Court and peruse the same, the Provincial
Court then issued a Notice, Copy of which
No. 2 is herein enclosed to the said Nursum-
=mah on the 8th November 1839. declaring
that unless she appear and disprove my
pauperism in 6 weeks, my suit would be
admitted in forma Pauperis. This
Notice was duly signed by Nursummah

Chief favorite and Morkondayaloo his
Companion, Kistniah the Cook Bram-

of God, Cheroocoor Venkatachellum
of the dancing Caste and who was a-
=dependant on her, Maratty Venkoo who

was

was attending only for food and who was born to a slave woman of mean caste, and Vada Ramasawmy who was a friend to Nursum-mah since long time and who used to pur-chase every thing required by her, formed into conspiracy and considering that the property if it remained in that house would either be put in my possession or first attached by the Circar without allowing an oppor-tunity to their usurping the property as they could, they contracted friendship with the Duffadar of that Tanah named Toolesseram, as also with the Peons under his command by some means or other and were removing the large Estate which remained in that house con-sisting of several lacs of ready money, the Gold and Silver Jewels, Brass-Pots &c. &c. to the house of Vada Rama-Sawmy &c. situate at Ramana Pettah near our house in that Town, preventing any

any report from being made to the Head of Police, I therefore immediately set out from Saragatoor, arrived in Bunder and sent to the Police Auneen my Goomastah named Chavendra Chetumbarum at 5 O'Clock of that night, on his reporting the above circumstances, the Auneen went to the in-house where the said Nursummah had died, and only affixed Seals to the rooms shewn by the foregoing persons in that house, but he neither kept the Keys under attachment, nor sequestered the property before me as I prayed for, I also understood that a the above named persons who have no co-right, concealed a large Estate of Jewels &c. in the same house, which circumstance tho' brought to the notice of the Auneen had not received his consideration. Besides this, the said persons fabricated a Will as if it was executed by the said Nursummah, stating that a young man

man named Sammeta Ramaadoo aged
10 years and whom the said Nursummah
had during her life time nourished mere-
=ly for the sake of pleasure was adopted
by her as her son, that he is the heir to
the Estate, that the above Venkoo of
Maratta caste is to be the Manager and
Guardian to the said boy, and that a
part of the Estate should be given to the
above Venkoo, Puttiah Vca. and they co
presented that fabricated Will to the
Police Ameen, some time after sun rise
on the 16th December subsequently to the
presentation of my Petition. If the signature
on the said forged Will be compared with
the signatures on the papers of her manage-
=ment presented in your Cutcherry co
previous to her death, it would be ap-
=parent that the signature on the above
Will is not hers. I shall prove fully
by respectable witnesses that she co

(Nursummah)

(Nursummah) was out of her senses, for some
days previous to her death, and that she did
not execute any paper such as the Will.

4. I beg to state that as my father-
in-law departed this life previous to the death
of his brothers, as they were undivided brothers
and as my husband, as a sole heir, performed
the funeral rites of Achiah Naidoo who was
the one among his brothers that died last,
there is no reason whatever to mention that
Achiah Naidoo had wished to adopt a son.
Besides this it was not mentioned even in
the several papers forged and presented
by Nursummah before several authorities
that she was authorized by her husband
to adopt a son. From this it would
be apparent that the said Nursum-
=mah was not authorized to adopt a
son; that the adoption of a boy by
the widow without the authority
of her husband is contrary to Law

and

and that therefore although she may
have really inclined to adopt a son, the
adoption cannot have any force.

5. Besides this, it was always
customary with her until her death to
pass in her name above all documents
connected with every suit pending in
the Courts and other public Offices as well
those connected with her Management of
the Zemindary Villages, as those with her
pecuniary transactions - but she did not
at any time report to any authority -
the circumstance of the said boy being as
alleged her adopted son - No Duttahomum
or sacrificial offerings &c. have been
performed for that adoption. It will
in consequence be evident that he is
not an adopted son to her in any way
whatever and that he is not heir to our
undivided property.

The

6. The said boy being now
aged 10 years only it must be supposed
that he was born upwards of 3 year after
the demise of the above Achiah Naidoo,
moreover the said boy was not nourished
by Nursummah till long time after my
husband's demise - Besides this, the said
boy is the only son to his parents - His Cere-
=mony of tonsure was performed by his
parents themselves previous to his hav-
=ing been taken by Nursummah to
nourish him, moreover the Mother of the
boy having died before his being
placed under the patronage of Nursum-
=mah, her funeral rites have been per-
=formed in the Name of the boy - A
person whose right as a son is lega-
=lized by the actual performance of
any peculiar religious ceremonies

Cannot

cannot afterwards be considered as a bar to another; under all the foregoing circumstances it is doubtless so that the admission of the boy as adopted son of the said Nursummiah is contrary to Law.

7. Nursummah had not at all expressed any where the authority of her husband for adopting a son. As it was objectionable under the above circumstances for Nursummah to adopt a Son, she did not at all adduce in any document that the said boy is her son. Even admitting the reality of the said adoption which is contrary to Law, and also the genuiness of the said will invented after her death, the adoption must be considered not to have taken place according to the Law which says "what is done without the formalities

must

must be considered not to have actually taken place," while on the other hand such a will, tho' admitted to have been truly executed is inconsistent with the Regulation V. of 1829. I therefore doubt not but the will forged after her / Nursummah's / demise by some intriguing characters will be rejected. I therefore beg your honor after

after perusing the foregoing
circumstances and the en-
closures, be pleased to reject
the said Mill and to put th
said Villages and other
property in my possession.

Translation of an Arzee addressed to
P. Grant Esqr. Collector of Masulipatam
by Rajah Lummeta Rajeya Lutchmama
the proprietress of Tolaroo and Pallapanlem
in the Rajahmundry District and Pallo-
paroo in the Zillah of Masulipatam.

Dated 24th February 1840.

A false report was made to
your honor by some intriguing persons subse-
quently to the demise of L. Narasemah
the wife of the undivided paternal
uncle of my husband stating that she
had left an adopted son called Lutch-
mee Narsimha Naid and that Marata
Venkoo of a mean birth, who assumes the name
Lummeta Venkanah is the manager and
Guardian of the said boy but, beg to observe
that such an adoption is entirely repugnant
to the Hindoo Law, under the following
circumstances Viz. 1st. No authority was
given to her by her husband to adopt
a son, 2d. The boy is the only son of his
father

father 3rdly his natural mother died
before his coming under the protection of
Nursiumnah 4thly the ceremony of tonsure was
performed before that period.

With a view to prove the
first point that she received no authority
from her husband to adopt a son, I beg
to refer your honor to the will dated
18th ensuing Moon of Srawanum year Vya
corresponding with the 13th August 1826
which was forged by her subsequently to
her husband's demise as if it was executed
by him, and which she considered as a
material document for all the claims
which she had set up during her
life time. If your honor peruse this will
which has been under your honor's attach-
ment after her death, it will be clearly
found that she had no authority from
her husband to adopt a son, and it will
likewise be apparent from the 11th para
of the said will that the members of the
family

family were living undivided and that
my husband who had outlived the male
line of the family was the sole heir; Merely
in consequence of Nursimah having in her
possession the undivided property of the family
owing to the non-age of my husband at his death
and also owing to my having remained under
her protection though she was entitled to receive
a maintenance only from my husband during
his life and afterwards from me, the wit-
nesses on behalf of my adversaries falsely
declared that she received authority
from her husband to adopt a
son, while she had no occasion at
any time to adopt one. This fact
will be known on a perusal of the
said will. Besides this, the said boy
had no brothers by the time
he came under the protection of
Nursiumnah and the allegation of the
witnesses on behalf of my adversaries
that there was an Elder Brother to him will
be

by proved by their own declarations to be
false. As regards the ceremony of tw-
dure. the said witnesses clearly confess
that it was already performed and that
his Mother died previously. They falsely
declare that burnt offerings were made
on the occasion of the alleged adoption, but
their allegation that the adoption took
place after the burnt offerings which
must be made previously to it as being
relieved from all the connexions of the
metrical line is not agreeable either to
the Hindoo Law or Local customs. As the
witnesses declare that they do not know
for what purpose and for whom the
burnt offerings were as alleged
performed by Dewaseendah Loobbunnah
as there are contradictions in their decla-
rations because one witness said that the
said Loobbunnah's wife was also present
while the other deposed that she was absent
and as it does not appear from the
declarations that either presents or
large

large meetings were made the allegation that the
burnt offerings or Datta Homam were made, does
not disturb any credit.

2. A Text of Vasista in Datta Mee-
mansa by which the adoption by Hindoos is
authorized, says that a Woman is never allowed
by Law either to give or take a Son in adoption
without her husbands authority, and that
an only Son of his parents ought never to be
given or taken in adoption. Under all
these and aforementioned circumstances
as well as by referring to and obtaining a
copy of the Pundit to the Northern Provin-
cial Court it will be apparent that
Narasamah had no authority to adopt
a Son and the said boy was not worthy
of adoption.

3. Further, I beg to observe that the
accounts of population, the Hissabs accounts of the
Villages the decrees of Courts and also other
public documents shew that V. Nara-
simah and Vedayalutchmamma
the wife of my father in Law's
younger

younger brother have been of an undivided family. The particulars of these, I shall inform to your honor in future. The fact of the said Maratee Venkoo having been purchased by Achiah Naid the elder brother of my father in law can be verified by the 3rd para of the said forget will which begins at the "Rupees 1,000 to Vencamah purchased by me."

The points which I must now prove by my witnesses are 1st, that S. Narasamah and Vodayalachmama have been an undivided family. My husband died last in the male line of our family. I and Narasamah were taking our meals together and living in the same house till the 6th October 1836 when she had ejected me from the house. Secondly that Narasamah since 4 days before her death lost the use of her legs, hands and senses. Thirdly that Summata Rajanah the father of the said boy is a distant relation to us and

and is a very poor man. He has therefore been in the service of Copoola Veneatasawmy as a family driver. After the death of the boy's mother, his father took him to Hyderabad along with himself as there was none in his house to protect him. The said Rajuna with earnest solicitation delivered over the boy to Narasamah who kept him in equality with her servants, gave him food and raiment. Narasamah only made the marriage of Rajenna and of his son, but performed no burnt offerings. The boy did not perform the annual ceremony of Achiah Naid. Fourthly, that the boy has no brother alive on the first decreasing moon of Paulgoon one year Doomookey when the Datta Homum is said to have been made. Maratee Venkoo who assumes the name of Summata Venkanah, was born to a Banian from a woman of Linga-Lalija Caste. This Venkoo was purchased by the elder brother of my father in law

5thly that the will said to have been executed by Narasamah was forged the night she died 6thly that Colapally Venkiah who attested the forged paper as witness, was in his own Village called Mookkoloo on Saturday the 8th Increasing moon of Margasira corresponding with 14th December, the date of that paper. 7thly that the funeral Rites of Narasamah were performed on my behalf. In order to prove these circumstances, I annex a list of witnesses together with the points they can prove and beg your honor will be pleased to examine them and do justice.
