Read the following Extract from the Proceedings of the Board of Revenue, reporting upon the Settlement of the Land Revenue of the District of Bellary for Fasly 1219

Revd 18th March 1814

Para 1 The Proceedings under consideration present a very favorable view of the Settlement of the Land Revenue of the District of Bellary for Fasly 1219 the season seems to have been most promising and the cultivation enhanced to a degree not equalled for some previous years

From the Collector of Bellary communicating Observations on the Board's Proceedings relative to the Settlement of the Land Revenue of the District of Bellary for Fasly

Fort St. George 26th April 1841.

years, while to add to those advantages, fair though some what lower than those prevailing the previous seasons of scarcity, were sufficiently remunerating.—

2.— The gross settlement on land taken up for cultivation amounted to Rupees 32,14,400 being above that of Fusly 1248 in Rupees 1,24,570 while the land engaged exceeded to extent taken up in the previous year in 88,000 acres; but it must be remembered that the season of Fusly 1248 was most disastrous, approaching almost to a year of famine.

Gross Settlement.
Fusly 1245 — 29,70,825
" 1246 — 29,72,121
" 1247 — 31,37,217
" 1248 — 30,76,824
" 1249 — 32,14,400

3.— After deducting on account of lands unsound, and the usual remissions on the Survey rates and other items, the net settlement, inclusive of Quit rent on Enams, Peishcush &c. amounted to Rupees 22,79,210-6 being in excess of Fusly 1248 in Rupees 1,45,[illegible] and exceeding the settlement of the last twelve years, and exhibiting as the Board observe a "gratifying proof that the "resources of the District had not been im- "paired by the calamitous season of Fusly "1248." It is also to be observed that on Rupees [illegible] of the above demand remains uncollected

Fort St. George 26th April 1841.

uncollected at the close of Fusly 1249, and that this balance has been subsequently reduced by the end of September 1840 to Rupees 7,752.—

4.— The paragraphs 9 to 16 of their Proceedings the Board refer to Cowle lands and to the operation of the Cowle system as prevailing in the District. It seems clear to the Right Honorable the Governor in Council that if large additions are annually made to the Cowle lands under cultivation without any enhancement in the general revenue of the District, there must be something wrong in the working of the system, which calls for the constant watchfulness of the local Officers, and Mr. Mellor cannot devote too much of his time and attention to a subject of so much importance. His Lordship in Council approves of the instructions which the Board have issued as shewn in Para 16 and desires that this subject may be prominently noticed in future annual reports.—

5.— Agreeably to the recommendation of the Board, the Right Honorable the Governor

Governor in Council grants authority for writing off to the Sist and Loss in the account of this Collectorate the sum of Rupees 5,153 being the balance of Land Revenue for Fasly 1246, 1247 and 1248 represented to be irrecoverable.

Five thousand one hundred & fifty three, and annas fourteen.

6th His Lordship in Council is anxious to have as early as possible before him the separate Report on the Topes in Bellary promised in the 20th Paragraph.

7th His Lordship in Council is of opinion that both Mr. Moller and Mr. Pelly have fully merited the commendation bestowed upon them by the Board in the concluding paragraph of their Proceedings.

it is founded, under date the 25th March last, be furnished to the Principal Collector Southern Division of Arcot for his information and guidance with reference to his communication of the 6th ultimo.

Mr Ashton will call upon the Government Vakeel in the Cuddalore Courts Officially for explanation of the cause of his neglect in bringing the supplemental Plaint referred to in this Correspondence to notice in the first instance, and he will forward the reply of this Officer for submission to Government.

It is seen from the Principal Collectors letter of the 6th March that the omission in question is accounted for by the Vakeel from his ignorance of the existence of such a document.

To the President and Members of the Board of Revenue.

Gentlemen,

I am directed by the Right Honorable the Governor in Council to transmit to you the accompanying letter No. 775 of 1841 from Coatalingum Pillay of Nagapatam, and to request that you will call upon the Acting Principal Collector of Tanjore for

Plaintiff states he rented the Village of
Kankerpoorroo from the late Collector from Fusly 1242
(1833) to 1247 at 3000 Rupees per annum, and exchan-
=ged Puttahs and Moochilkas on 4th October 1838.
The Collector caused an embankment to be made along
the channel from the Godavary River whereby many
pits

pits were dug and his zeroyty land was rendered useless-
Plaintiff appealed to the Board of Revenue who ordered
Defendant to pay the sum sued for to Plaintiff, the
Collector has not conformed to the order of the Board
of Revenue- Plaintiff therefore sues for loss thus-

N. B. The Plaintiff in his application for witnesses requested that the accounts of the amildar for Fusly 1246. and some orders passed in 1836, and 1837. by the Collector might be produced. these Documents however are perfectly unnecessary as Plaintiff does not deny the kararnamah being correct, and as he executed that kararnamah subsequently to the date of the Documents, he alludes to, they are of no use whatsoever, they are therefore not embodied in the decree, although they have been perused.

The Acting Judge having taken the whole of this case into consideration has no hesitation in nonsuiting the Plaintiff who has utterly failed to show that he has paid what was due by him, much

With reference to the correspondence noted in the margin, I have the honor to submit for the information of the Court a Copy of a Decree passed by the Udawlut Court at Rajahmundry in favor of the Collector of this District under date the 25th July 1840, in an original Suit No. 206 of 1838 preferred by one Volaty Ramanah against the Collector regarding the release of his property from attachment on and the repayment of certain sums said to have been overcollected on account of the rented Village of Comarageery belonging to the minor Zemindar of Pittapore.

Original Suit No. 206 of 1838.

Vdanty Raimunnah ——— Plaintiff

Versus

G. A. Smith Esqre. Collector of Rajahmundry ——— } Defendant

This suit was instituted to cause the Collector to release Plaintiff's property from attachment with 872 Rupees and to return 82 Rupees collected from Plaintiff.

Plaintiff states in 1836 himself and one named C. Raunnah became security to the Collector for one named M. Venkataraw who rented the Village of Comaragherry belonging to the Pettapoor Zemindary - after the security had been admitted as competent, the Villages was put in the hands of the renter - In the first year Viz. 1836 there was a loss in the Village and the renter and other security absconded. Defendant then demanded

Payment

5900 Fort St. George 26th April 1841.

Payment of the balance of the rent due for 1836 from Plaintiff - Plaintiff then refused because the property of the renter and the other security was forthcoming, and also because there was a remission of 857-1-9 Rds. A. P. due to being the amount of repairs &c. and the Tuccavy for 1837 - which ought to be allowed to the renter by Government - Defendant however issued an order to the Ameen of Pettapoor directing him to sequester the Village and collect the balance, Viz. Rupees 2446 A. P. 8-4 from Plaintiff and the other security - The Ameen wrote to the Plaintiff on 22d. November 1837 referring to Defendant's order and stating that in the event of his not paying the amount the property of the renter would first be sold and afterwards that of the other security - Plaintiff then offered to pay the whole sum by instalments and addressed a Petition to Defendant on 28th November 1837 to that effect after deducting 857-1-9 Rds. A. P. which must be remitted

by

by Government to the Renter. Defendant rejected this proposition. Plaintiff then paid 1675- on different dates and obtained receipts for the same from the Amean of Pettapore on the 28th December 1837. Defendant issued an order directing Plaintiff's property to be attached which was carried into effect on the 8th January 1838. Next day Plaintiff presented a Petition requesting Defendant to receive the amount which ought to be remitted to the renter in satisfaction of the remaining balance. Defendant rejected the Petition and endorsed on it that the renter is the proper person to apply for it and issued an order to the Amer on the 11th February 1838 to sell the property. Plaintiff then adds the property of the renter ought first to have been sold, and as the Plaintiff is bound to discharge the balance due by the renter, he is equally entitled to apply for the remission of the amount due to the renter

renter. The Defendant ought also to collect the remaining sum from the other security, as he has property which was admitted for the security and which is now forthcoming, or from the renter, as Plaintiff has paid more than half the balance. Plaintiff therefore sues the Defendant that he may be forced to release the requestered property, Bullocks &c valued ab 827 Rupees.

The Defendant in answer states he acted under clause V, Section V. Regulation XXVIII of 1802. That Plaintiff being desirous of renting the Village & Comarageery of which he is Curnum employed a person named Venkataramy who was possessed of no property whatsoever to rent the Village on his behalf. The Plaintiff tendered a Sunnud.

promising

promising to be security, but as his property was found insufficient. C Ramanna became security for the remainder and they both tendered a Security deed before the Auneen of Pittapoor who gave the order whereby the Village was placed under the management of the renter. The Putta and Mowkilla had not passed before the appointment of the present Collector, but on Defendant preparing to exchange these Deeds the renter absconded. Istegamanahs were repeatedly issued requiring the attendance of the Renter, but he could not be found. The Village was resumed in 1837. The person who took possession of the Village and appropriated the revenue derived therefrom in the year 1836, was held answerable for the rent due for that year. If the renter has any claim for remission he must appear personally before

before the collector and not act contrary to Section V, Regulation III of 1831. That it does not appear that any repairs or advances of money were made in the Village in 1837 and Plaintiff being the Village Curnum must be aware that the Renter should refund to the Circar, the charges of repairs, and the amount of the advances which had been made previous to the Village being rented and then collect the amount from the Ryots. That two reports were received regarding the sequestered property. One was rejected under clause V, Section IV, Regulation V 1822. as the circumstance of the property therein mentioned as having been attached was not reported within one month after sequestration.

The reply supports the Plaint and states that Plaintiff's property which had been sequestered was sold by the Collector — /Defendant/ for 845 Rupees of which

Defendant

Defendant deducted 55 Rupees for certain costs and received the remaining 790 Rupees in addition to 82 Rupees paid by Plaintiff in satisfaction of the rent. Further denies having ever intended to rent the Village and adds the Public Accounts will shew that the charges of repairs and advances made for 1837 were disbursed from the collections of 1836 and therefore Defendant ought to remit the same to the renter. that as the Collector did not cause the property the sequestration of which he admits was reported within the limited period to be sold and consequently he should remit the amount thereof to the renter.

The Rejoinder sets forth that the lands which were admitted as security are manyam lands and therefore the personal property of Plaintiff was sequestered and sold according

according to Regulation XXVIII of 1802 in satisfaction of the balance of rent.

Document G a list produced by Plaintiffs 7th witness being the original document of which C is Copy.

Document H a list shewing the amount of expences incurred for the repairs of the Village of Comaragherry Fusly 1247. produced by the same witness.

Plaintiffs 1st witness states that in 1836 a water channel called Woozzera Caulova was repaired by order of the ameen of Pittapoor and 167-4-10 Rs. a. p. paid for it out of the collections of Comaragherry. The water runs to three other Villages besides that rented by renter for whom Plaintiff was security and not only 50-3-1 Rs. a. p. ought to have been collected from

from the renter of Comaragherry. This sum was not repaid to the renter in fusly 1247. / 1837 /. the renter caused this channel to be repaired and expended 140-4-10 Rs. a. p. on it. He also advanced 300 Rupees as Succavy for 1837. The renter only managed the Village for 3 months in 1837. and the produce of the Village was taken by Government. The amount expended for Succavy and the repairs of the channel for 2 years was not repaid to him. The renter attached the property of the Ryots who had not paid their lists, and sent the lists to the Collector who did not order the sale of the property. Witness is the Meerasidar and Curnum of Comaragherry and produces the accounts which he affirms to be correct. Witness is a Cousin of Plaintiff.

2d Witness is also Curnum and a relation of Plaintiff. he supports the statement

Fort St. George 26th April 1841

statement of 1st Witness throughout and adds the accounts are correct and identifies his signature on them.

3rd Witness states the Collector on 4th July 1837 directed him to sell the property attached by the Renter and pay the proceeds to the renter, but the Head of Police carried away all the property on the ground that the Ryots were indebted to the Circar. Witness then informed this to the Collector, but received no answer.

4th Witness, the Curnum of Pettapoor, states 167 Rupees were expended on the Channel in 1836 and it is a joint Channel for four Villages and the whole amount was collected out of the Collections of the Comaragherry Village. Comaragherry Village ought to only to have paid 50 Rupees. the rest ought to have been collected from the

Fort St. George 26th April 1841

the other Villages and paid to the renter, but this was not done. The Ameen ordered the repair in 1836. Produces the accounts of Mandavarapoovanum / this Village is one of the four under the Channel / shewing that 167-4-10 were paid for the repairs of the said Channel by the four Villages and the amount was not paid to the renter.

5th Witness same as 4th and produces the accounts of another and of the 4 Villages Viz. Candavarum shewing 167-4-10 as A B were collected on the 4 Villages. The money was not repaid to the renters.

6th Witness states same as 5th Witness but produces the accounts of Gorasa Village one of the 4 under the Channel.

7th Witness states he is Gomastah of the renter. The expenses of the repairs of the Channel in fusly 1247 were 146 Rupees and odd. Witness produces the

the account and knows that the Renter paid 300 Rupees for Tuccavy. Witness did not produce this account to the amuldar. No receipts were taken from the Ryots.—

8th. Witness saw the repairs made which cost 140 Rupees and adds the preceding Witness had the list. The renter paid 300 Rupees for Tuccavy.—

Defendants document A No. 18 a list of the property attached by the Renter and forwarded to the Collector shewing that the Ryots property which was attached was worth 217 Rupees.—

Document B a similar list for other Ryots' attached property worth

Rs. A.
155 — 12.—

Document C a Petition from renter dated 3d. May 1837 requesting the Collector to cause the attached property to be sold.—

Document D a security bond executed

executed to the late Collector by the Plaintiff and another binding themselves to cause the attendance of the renter when required and if he do not attend, then, they will either severally or jointly become security for him and tendering their landed property as security.—

Document E an attested Copy of the order issued by Defendant to Ameen of Pettapoor directing him to release the property mentioned in list B as the renter had not reported the attachment within 30 days dated 4th July 1837.—

Document F an order from Defendant to the sale Commissioner directing him to sell the property mentioned in list A and pay the proceeds to the Renter dated 4th July 1837.—

Document G a Petition to Defendant from the Renter requesting him

him to sell the property mentioned in list A.—

Document H. The account of the Amuldar for Fusly 1247 shewing Rs. 38-10 were due by the renter for Fusly 1247 This is subsequent to the sale.—

Document I shews the Asst of the Village to be 1,107 Rupees.—

Document J a Patta prepared by the Collector to be given to the renters and dated 15th July 1837- This is filed to shew the renter refused to receive it altho' it was prepared.—

Document K The Moochilka for Do. prepared for the renter to sign.—

Document L an account of Fusly 1247 sent by the Amien to the Collector shewing that 400 Rupees had been paid to the Ryots for Fusly 1247 for the Village Cannaragherry.—

Document M a list of the Villages which were sold.—

Defendants 1st Witness states the renter

renter managed the Village in the fusly 1246 and in fusly 1247 the Collector attached the Village as the renter absconded, no Patta and Moochilka were executed. Notice was frequently given to the securities to cause the attendance of the renter. The produce for fusly 1246 was appropriated by the renter. Witness knows only as Curnum of the adjoining Village knows nothing about repairs of the Channel

2nd Witness states Plaintiff was security for the renter. The renter absconded before he received the Patta, notices were sent for him to attend before the Court after the renter absconded in fusly 1246. Plaintiff managed the affairs of the Village and Witness and the Ameen attached the property of the Ryots who were in arrears by order of the Collector - The produce of the fusly 1246 was appropriated by the renter and security- The renter and 2nd surety are not persons of property- The property of the Ryots which was attached by the renter had

Fort St. George 26th. April 1841

had been previously Zuffted by the Collector for arrears of Revenue due to Government

The Collector therefore first ordered the property to be sold for the debt due to Government - Collector made Collections on the Village Comaragherry in fusly 1247. The renter cannot make any Collections on the Village, either Tuccavy &c. after the Village has been attached by the Collector - The repairs of the Channel ought to be defrayed by the 4 Villagers proportionally -

3d. Witness states Plaintiff actually rented the Village but named another person as renter and stood Security for him The Ameen desired Plaintiff to produce the renter, but he did not do so and proclamations for the appearance of the renter were publickly affixed - The renter is Plaintiff's nephew - The renter ought to cause the necessary repairs to be made - The renter collected all his debts

Fort St. George 26th. April 1841

debts from the Ryots and then absconded - The Collector attached the Village in November 1837 as the renter had absconded - In fusly 1246 the Channel was repaired by the Collector at an expense of 167 Rupees which was collected from the Village of Comaragherry in the same fusly because it was rented in that year - This sum ought to be paid proportionally by four Villages to which the water runs - Witness did not see any repairs made or Tuccavy given in fusly 1247 - Witness is satisfied no repairs were made - Witness is Muddutgar and the accounts produced by Plaintiff's Witnesses were never delivered by them into the Ameens' Cutcherry -

4th. Witness merely supports the statement about the renter not having appeared when required - Plaintiff is answerable for the rent and is entitled to the sums due from the Village to the renter -

The Acting Judge having carefully examined the whole of the proceedings in this case is of opinion that

Fort St. George 26th April 1841

that according to the Stipulations laid down in the Security bond, the Defendant was authorized to Collect the sum due by the Renter from either of the Sureties — The other Security Plaintiff has admitted absconded, and therefore this Plaintiff who was the other Security was answerable and his property was legally seized and sold for the debt due by the renter.

It has been shewn the renter did not attend to receive the Putta and deliver the Moachulka and therefore the objection made by Plaintiff on that point is untenable.

With regard to the adjustment of the Account of the sums entered as due by the renter and levied from this Plaintiff there appears much confusion, however Plaintiff has utterly failed to shew that any excess has been collected from him. Plaintiff stated the renter

was

Fort St. George 26th April 1841

was entitled to a remission of 857-1-9 Rs. A. P. but — cannot in any way prove this point — The only evidence to prove the Channel was repaired are the accounts kept by the Defendants of the renter and of persons concerned in this suit by relationship to the Plaintiff or renter, but had these repairs actually been made, there would have been no difficulty in bringing forward a number of respectable Witnesses to prove this point.

The assertion that 300 Rupees were paid for Succary cannot be credited as the presentation of a figured statement purporting to be an account particular of the sums paid to a number of Individuals severally cannot be accepted as evidence unless proof be adduced to shew that the money actually was paid and Plaintiff was especially directed to bring evidence to this point

but

but did not nominate a single wit-
=ness- In addition to this want of proof
the witnesses for Plaintiff admit-
that no receipt was taken from
any one of the individuals who
are entered as having received it
and therefore the Statement
that these accounts were cor-
=rect was properly rejected by
the Defendant- moreover there
is no reason assigned why these
accounts were not shewn to the
Amildar-

Under these circum-
=stances the Acting Judge non-
=suits the Plaintiff with Costs-

3. G. A. Smith Esq.re the Collector of Rajamundry.

This Suit was instituted for 530 Rupees 250 being the Value of the damage done to his Paddy, and 280 Rupees due for remission, Total 530 Rupees.—

Plaintiff states he has some Gerayetty land in the Village Kalor Coloo, and the Shist is fixed at 205 Rupees 12 Annas, but as the proprietor of the land took part of this plaintiffs land for making Docks for his Vessels he made a remission of 70 Rupees per Annum.- In fusly 1244. 2.nd Defendant rented the Village which was subrented to the deceased Brother of 1.st Defendant. Plaintiff Applied for the usual remission but

5924 Fort St. George 26th April 1841.

but Defendants refused to allow it. The 1.st & 2.d Defendants prevented Plaintiff from thrashing his Paddy, whereby he sustained a loss of 218 Rupees— they also destroyed 32 Rupees worth of Paddy which was fresh planted. The 3.rd Defendant ordered Plaintiff to pay the whole Shist and refused afterwards to allow any remission; on the grounds that he had confirmed a Punchayets decision whereby no remission could be granted, as Defendants threatened to let the land to another person. Plaintiff was forced to sign the Moochilka. Plaintiff sues for remission for 4 years at 70 Rupees per Annum and also for the damage done to his grain.—

The 1.st Defendant in answer states the proprietor never made any remission and if any remission had been made, it would have been entered in the Moochilka when Plaintiffs land was measured by order of the Collector an excess of 8 Candies, 12 Tooms & 10 Manikas was found.- The Collector however allowed no increase of Shist to be made. No Paddy or grain was destroyed. Plaintiff failed to make any appeal against the decision of the Collector.

2.d

Fort St. George 26th April 1841.

3rd Defendant in answer states the land was measured by order of the late Collector, and 8 Candies 12 Toms, 10 Imam Rajs were found in excess on Plaintiffs land, no increase was allowed, as the land was Valued and was not wroth more than the fixed Shist. It appeared that the Plaintiff has always paid the fixed Shist up to Fusly 1243 and therefore the same sum was ordered to be continued. when Plaintiff refused to pay his arrears due for 2 Years the Collector directed both Defendants to let the land to some other person, on which Plaintiff forthwith paid up his arrears and Voluntarily executed the Moochelka for Fusly 1247. If Plaintiff had been dissatisfied with the Collectors decision, he should have appealed and not brought a regular suit against him.

2nd Defendant did not file any answer Plaintiff in reply states the remission was not entered because it was a private arrangement between himself and the proprietor and the Collector did not draw out a regular decision.—

1st

Fort St. George 26th April 1841.

1st Defendant in Rejoinder states that subsequently to the institution of this suit, Plaintiff has executed Moochelkas for Fusly 1248 and 1249 and paid the full fixed Shist.—

3rd Defendant in Rejoinder states on representation having been made he directed that if the Ryots did not pay their Shist the land was to be let to others.—

The Acting Judge having perused carefully the whole of the evidence has no hesitation in nonsuiting Plaintiff as he has totally failed to substantiate the Plaint or any part thereof.—

Plaintiff is nonsuited with Costs.

The acting Judge however considers it necessary in this instance to enforce the provisions of Section IX, Regulation II of 1802 and Plaintiff is fined 50 Rupees as the Charges he has brought against the 1st & 2nd Defendants

Defendants of having destroyed his Paddy is proved to be false, by his (Plaintiffs) own Witnesses. and his accusation against the 3d Defendant of having forced him to sign the Moochelka, is also a wilful and vexatious misrepresentation of the Proceedings.e—

Sir,

Para 1. It has long been considered

with the necessary explanation, the recommendations for obtaining sanction for certain sums on account of allowances to the Village Moonsiffs & Pettanadars of the Govt. Estates in the District for fusly 1250 with reference to the actual Collections realized for fusly 1249. in order to have the newly introduced System of Management effectually perfected.—

Vide Mr. Austley's letter 27th Oct.r 1827.
Bd.s letter 18th July 1831.
Mr.s Crawley's letter 6th Oct.r 1832.

The persons who superintend the cultivation & make the collection of the Village.—

no remuneration.

desirable that some provision should be made for the Moonsiffs and Pettanadary in the Government Estates in this District, who generally speaking, at present receive but the recommendations which I have already made on this subject have been considered objectionable, as having been made in connection with my reports on the settlements of the fusly years 1248 and 1249. I therefore now beg leave to bring the subject before the Board on its own merits.

I have now been in this District 2 as Collector during four years, and every years additional esperience has confirmed me in the opinion, long before entertained in my capacity as a subordinate, that the boon now sought to be granted is one which will yield the greatest advantage possible to Government. In considering the subject heretofore, the Police duties of the Moonsiffs have been more considered than the Revenue, but the measure to be complete ought to embrace both

both duties and should extend to the Pettanadars - This latter Clafs of servants is in some Villages rather numerous, but as I do not intend to propose any increase on this account I think it would be better not to interfere with local usage but rather to foster the spirit which exists to be content with the smallest remuneration possible, provided a willingness is shown to acknawledge the services rendered -

3 The basis on which I beg leave to make my recommendation is that two per Cent from the Collections of each Village shall be allowed to those Village Authorities namely, in Large villages where there are both Moonsiff and Pettanadars, in the proportions of one per Cent to the former and one between the latter and in the small Villages were Pettanadars are not necessary, the whole two per Cent to the Moonsiff. Of Course the full allowance will only have to be granted in Villages where

exists, where a full provision already exists no allowance will be necessary, and I dont propose to interfere at all in such Cases, but in Villages where the allowance is less than this standard I propose the difference should be granted.

4 In illustration of the principle on which I propose that my plan shall be carried out I beg leave to submit a statement of the Actual Collections of fusly 1249, and the amount of allowances proposed for the Moonsiffs and Pettanadars according to the latter of my principle, in Rupees

386811-12-8	Collections	
	the Moonsiffs and Pettanadars at 2 ¾ Cent	
	would be Rupees 7,736 - - but in consequence	
Rs. 1632-13-6.	of the deduction of the portion of allowances already enjoyed, the amount for the disbursement of which sanction is requested, is only Rupees	
6,103-2-6	Should this be approved of I beg leave to recommend that this amount be allowed as the remission for fusly 1250, or the Current fusly. and that the remission of each succeeding fusly be	

In 4

be regulated by the actual collections of the preceding one, thus the remission of fusly 1251, will be based on the actual collections of fusly 1250. in the same manner as that of fusly 1250, is proposed on those of fusly 1249, by which arrangement, the Board of Revenue and the Government will always have the means of commenting on the management, before the payments are made.-

5 The law-suits to which this District has been reduced is of course attributable to many circumstances, but to no one have I attached greater consequence than the utter want of confidence hitherto reposed in the Ryots.- It stands to reason that no Government can possibly so guard the produce of a large tract of Country as to prevent the clandestine appropriation of a portion by the Cultivators if inclined to be dishonest, any system therefore, which is not based on some degree of mutual confidence, must fail. I have never preten-ded to say that there are not some dishonest

dishonest Ryots in every Village, but by nesting confidence and creating a responsibility in the Villagers generally, who are acquainted with each others character, the filed for the bad practices of a few is narrowed, if not entirely removed -

6. As the system of manage-ment introduced by me is leased chiefly on this principle of making the Villagers thoroughly acquainted with the definite demand against them, and responsible for its realization, at the same time affording them the means of knowing when attempts at extortion are attempted to be practised on them by the intermediate Revenue servants between them and the Collector, it appears but just that the persons whose agency is necessary in perfecting such a system receive some reward, bearing in mind at

at the same time that the expenditure here required is not as in the case of the payment of a General Establishment, a dead expenditure, but rather the application of Capital to the improvement of the Country, for every Rupee allowed as remission to the Monsiffs and Pettanadars of a Village enables them to extend and improve their cultivation and thus by degrees first to bring the whole lands of their respective Villages under cultivation and afterwards to improve them so as to secure the means of easily discharging the Government demand whatever may be the nature of the Season.

The

works now in progress for improving the irrigation of this District are of the greatest importance, but to turn them to account, the feeling of the Ryots must be carried along with Government and the interests of both linked in the conviction that both are working for the good of the other.—

2 I may safely aver, without the fear of contradiction, that the duties which fall on the Collector and sheristahdar of the Masulipatam District have been rendered much more arduous than they were formerly, by the more detailed accounts and additional checks recently introduced and imposed, with a view to the prevention of abuses under the aumany system, and also in consequence of the disastrous effects of a succession of bad seasons which has altered the face of the Country, and converted a body of independent and respectable Proprietors who had hitherto paid their Peishcush and private debts with tolerable punctuality, into a set of indigent Paupers, equally unable to discharge the public or private claims against them.

3 The duties of a Collector have, therefore, become exceedingly complicated. It is now no longer his duty merely to collect the public dues according to the principles of the original Settlement. In direct opposition to the provisions

of

of section VII. Regulation XXV A.D. 1802 —
which declared that remissions of Revenue on
account of drought or other calamity of season
should cease and never be revived, he is some=

4 In short a Collector is called upon to make arrangements in the case of almost every creditor who has claims against an Estate, taking care at the sametime not to compromise the interests of Government, and an arrangement is no sooner made for adjusting or postponing one writ of execution, than another Precept of Court issues at the instance of other or the same parties, which the Collector must use his influence and exertions to satisfy or postpone in order to save the Estate from sale.—

5 During prosperous periods, the intervention of the Collector was seldom necessary in procuring remissions, in revising the assessment, or in adjusting the Claims of private creditors, but the case is altered now; a succession of bad seasons and a combination of other circumstances having increased the necessity for his

interference, intersession and mediation in a tenfold degree, or in a ratio corresponding with the deterioration in the produce and value of landed property and the consequent insolvency of the Zemindars.—

6 In conducting such arrangements, I trust I need not paint out how important it must be to secure the faithful and zealous services of an able and experienced Head Sheristadar, nor advert to those motives of policy and expediency which determined the Government to grant the graduated scale of allowances detailed in Para 3 of the Minutes of Consultation dated 22d March 1816.

+ See letters To the Board from Mr. Goldingham dated 16th Decr 1836 No 67. From Mr. Blane and myself dated 24th May 1838. No 49 and 1st March 1839 No 21 Para 37.

7 I shall make but one observation before concluding this address, namely, that in reply to Mr. Woughton's letter dated 17th February 1838 recommending an increase of salary, the Board were pleased to decline on the grounds of his allowances being equal to those

of a Head Sheristahdar of the same standing in an unsettled District, and that I now only venture to apply for the same Amount of allowances as are accorded in an unsettled District, in justice to the claims of a very meritorious public officer, whose zeal, integrity, and efficiency continue to deserve my warmest Com=mendation.

were also pleased to enter accordingly in the proposed Moyenzabitah submitted to the Board accompanied by the letter dated 19th October last No. 104, the sum of Pagodas 100 as my salary per mensem — stating the foregoing reasons in the remark appended thereto. Nine Months have elapsed since the date of the report reffered to had been submitted to the Board, and as yet no sanction is granted. I presume it will take some time longer before it is received, as the report embraces many other important suggestions for the reduction of Peishcush of certain Estates which may require their calm and deliberate consideration —

This District it is true was settled in perpetuity, and hence it is designated "a — settled District," and the Zemeendars were punctual in their payments of Peishcush to Government according to the engagements they entered into at the time of the permanent Settlement, but the case has since been altered from — various causes, particularly from adverse — seasons by which the Zemeendars have been

reduced

reduced to distress, and have fallen in arrears to the circar to a very large Amount, Almost every Estate in this District has in Consequence come under aumany, and there are Estates now under management, the annual Peishcush of which Amounts to about six Lacs of Rupees, or three quarter part of the Jumma of the whole District. consequently, this District, tho' Nominally called a Settled, District, is virtually an unsettled one, and the details of the management are by far more arduous and difficult in consequince of its being conducted under Asara system. The labour bestowed by me in supervising under your orders the Management and preparing the accounts of the Estates, as well as the correct and faithful discharge of these my duties are well known to your Honor, and it may be easily conceived how difficult it is for me to support my large family unless your Honor be pleased to make a special reference to the Board on the Subject and obtain their early

sanction for my increased pay.

I beg to observe that in the cases of the Head Sheristadars of this District, namely, S. Vencatarow and A Vencatrow, the Board, granted early sanction for their increased Salary according to the Rules above quoted, under dates 18th February 1822. and 22d September 1834 respectively on the recommendation of the then Authorities. But owing to my Misfortune, no sanction has yet been received even for the Salary to which I am entitled according to the Rules laid down by Government. I therefore most earnestly and respectfully Solicit your Honor (who is my sole protector) will be pleased, should you consider it proper, pending the Boards' orders, to order the payment of the sum of Rupees 269-8-0 being the increased salary due to me for 7 Months and 21 days from the 10th August 1840 (on which day the period of 5 years of my service as Head Sheristadar was completed) up to the end of the current month according to the said Rules, as also the Monthly

Sir,

With reference to my letter of the 11th Ultimo, I have the honor to forward a copy of a Petition addressed to me by Noor-nisabagum regarding the sale of the Sydapoor Zemmindary, an order of the Provincial Court is the only authority I can recognise as sufficient in this case, which I have not yet received, but as there is little doubt that it will eventually come, I have thought it advisable to postpone the sale till the 19th within which time the Courts order will probably be received, if not I presume the sale must be proceeded with.—

To J. V. Stonhouse Esqr.

Collector in the Zillah of Nellore

Sir,

I do myself the honor of stating as follows -

That upon the Extra Petition presented by me in the Northern Provincial Court of appeal in No. 314 of 1840 praying for the issue of a Precept directing the sum of Rupees 74.09-2 - being the Amount of the balance of the 1st. 2nd. 3d. 4th. and 5th. past instalments of the Ranzeenamah filed in cause No. 22 of 1834 pending between myself and Rajah Malarauze Lutchmia (Defendant), before that Court, to be Collected from the Defendant, and paid to me, the Plaintiff, a Precept was issued on the 2nd January from that Court to the Judge in the Zillah of Nellore, and to the Assistant Judge in the Zillah of Guntoor, directing the attachment and sale of the property real and personal, belonging to the Defendant -

A proclamation has accordingly been published in your district saying that the Talook

of Sydapooram belonging to the said Defendant, will be put up to sale on the 15th April under the said Precept from the Zillah Court of Nellore, and that the arrears of Peishcush of Government on that Talook will be received from the proceeds thereof -

The cause of my having been prevented up to this time from deputing my Vakeel to Nellore, is owing to the death of Emeenuddowla, commonly called Bauboo saib my husbands younger brother -

I further have the honor to state that if the sale of the said Talook will be now commenced, and the outcry be Struck off, the large sum due to me cannot be collected, I will therefore present a Petition in the Northern Provincial Court tomarrow, i.e. on the 5th Instant, praying among other circumstances, that a Precept may be issued with directions that the sale of the said Talook, should be suspended for the present, or if the same is already commenced, the outcry should be continued to some longer period -

I therefore humbly request

you

Fort St. George 26th April 1841.

you will be pleased to continue the entery of the said Saloop unstruck until the receipt of that Precept which will be speedily issued from the Provincial Court.

I have the honor to inform you that I have sent my Hakeel to Nellore for the purpose of addressing you on the subject.

presented by the Pleader Tolayle Poorshottummiah on behalf of Nawab Noorunnissa Baigum, Plaintiff in No. 22 of 1834 on the file of this Court.

2 The Petitioner refers to her Extra-Petition No. 314 of 1840 praying for enforcement of the Razeenamah filed in this case as regards the 1st. 2nd. 3d. 4th and 5th Instalments, and to the Court's Proceedings of the 2d January 1841 directing the Assistant Judge of Guntoor and the Zillah Judge of Nellore to recover the sum of Rupees 74,409-2-. from the Defendent Rajah Mulrauze Lutchmiah by the sale of such of her real and personal property as might be pointed out by Petitioner and states that the Principal Collector of Nellore under the instructions of the Zillah Court has placed the Defendant's Zemmindary of sydapoor under attachment, and advertised it for sale by auction on the 15th Instant, and that the arrears due to Government will be deducted from the proceeds of the sale.

3 She Petitioner states that the Vakeels

Vakeels whom she has deputed to point out the Defendant's property have not been able as yet to ascertain the whole, that the whole sum due to her by the Defendant will Amount to about 90,000 Rupees. that if the Zemindary of Syapoor alone be sold within so short a time as the 15th Instant, the Petitioner or any other opulent person will not have an opportunity to buy it, nor will it fetch the amount due to her.

She therefore prays that

4 early orders may be issued to the Zillah Judge of Nellore to postpone the sale of the Zemmindary of Sydapoor until the Petitioner is able to ascertain the whole of the Defendants' property and intimate the same to the Court by a Petition.

As the Court are of opinion

From the Principal Collector of Nellore

Sir,

On the attachment of the Woodiagherry Jaghire in September 1839 there was no convenient place for the Tahsildars' Cutcherry and he was in consequence obliged to occupy a private dwelling as a cutcherry. The building has from that time been so used and the owner having applied to me for the payment of rent for the use of her property, I ascertained that the payment payable for it was 2 Rupees monthly to which she has agreed. I request therefore sanction to pay her at that rate from the date of her house having been occupied as a Cutcherry Viz.t 26th September 1839 and authority for continuing such payment of rent Viz.t 2 Rupees Monthly till such time as arrangements can be made for the construction of a Talook Cutcherry, for which the requisite steps will be taken in the proper Department.

From the Pt. Coll.r in the 1st Dn. of Arcot.

Submitting information regarding the Cavelly Enam lands held by the late Cavelly ar Ramabadra Soorapah Sholaganar and requesting instructions regarding the future disposal of the Enam.

With reference to Mr. Sub Collector Murray's letter dated the 30th Sept.r 1840, I have the honor to forward a Statement No.1 shewing the extent and value of the Cavelly Enam lands held by the late Cavilgar Ramabudra Soorapa Sholaganar of the elder branch of the family of the Pitchavaram Cavelgars in the Chellumbrum Talook and to request instructions for the disposal of the Enam.

To Board 30th Dec.r 1836.

Having already expressed my own opinion respecting the resumption of such Enams, I have nothing further to state upon that point but have entered in the margin the names of the surviving members of the family in

+ 1 Andyeppa Sooriappah Sholaganar Eldest son. 5 years old.
2 Vetutroya Shologanar 2d son an Infant.
3 Cumaroyee daughter five years old.
4 Chennoyee Mother. 45 years old.

in order that if the recommendation formerly given is now followed, the Board may be enabled to suggest the continuance of a suitable portion of the income from the resumed Enam to the present head of the family for his life.

Numerous claims have been brought forward by different individuals to portion of the Enam lands, under grants from the late and former Cavelgars and as required in the case of the Woodiarpollium Cavelgars, an account of these claims with the deeds of the grants is herewith forwarded.

No 2

As stated in Mr Murray's letter above referred to, the Enam was placed under attachment.

In addition to the Dalta Mauniem claims entered in the last, the two Villages of Vufsapoolam and Raddaka-valagum have been held by certain Brahmins under the Cavelgars for many years under a deed, one of which is last upon Ardamaniem tenure, and allege that under Mr Ravenshaw's orders they received

a Puttah for their lands that they did so is very probable during the time he was making the enquiry into the tenure of these Enams, but at present if the Cavelly lands are generally resumed, these Brahmins have no better claim to a continuance of their privilege, than the length of time they have held them, and I would therefore recommend that the present incumbents and the amount of their several shares in the Village lands be at present registered and continued to them for life and that on the demise of each incumbent, his share may be subjected to the full Assessment and I would also beg to recommend that any allowance granted to the family of the Cavelgar may be in possession to the net amount of the present Enam, after deducting the alienations which have been made by his predecessor.

that some mistake had occurred in the notification accompanying the Board's instruction took upon himself the responsibility of permitting the export of a quantity then applied for by some Merchants at Negapatam at the rate of 2½ Rupees per Garce the price formerly paid for Salt exported to Bengal. The Board disapproved of Mr Kindersley's proceedings and in consequence he represented that no further export to Bengal of Salt charged 62 Rupees per Garce could be effected since the freight of a Garce is 60 Rupees making with the Cost 92 Madras Rupees, which the price to be received in Bengal is sold for Rupees 86½ or Madras Rupees 92-2-0.

From the enquiries I have now made I am not inclined to think that any material change has taken place in the charge of freight which may be said in general to be about 58 Rs per Garce of 120 Maunds. This being deducted from Rupees 92 the selling price in Bengal without duty of a Garce of 120 Maunds at the rate of 60 Rupees per 100 Maunds would leave 26 Rupees for the Salt

of Salt here and the profit of the Merchant.

Under these circumstances I am of opinion that 18 Rupees would be the highest price that it could be expected that Merchants would give for a Garce of Salt in this District so as to afford a fair prospect of profit attending the speculation.

The price paid to the Manufacturers of Salt in this District is 10 Rupees per Garce the charges of Sibbendy and some loss by wastage being borne by the Government and added to the prime cost paid, make the value of a Garce Rupees 16. Shipping charges have hitherto been borne by Government at about Rupees 3½ per Garce.

At Vadarnium 30 Miles South of Negapatam where spontaneous Salt is collected of the whitest quality and best suited for the Bengal Market the Garce stored costs to the Government about 3 Rs 4 as. the expenses of Sibbendy &c may be estimated at 4½ Rupees per Garce, adding to this the

Re Paral

To prospect of a salt trade being introduced between the ports of Madura and Calcutta under any modification and enquiries for 50 days delay in the answer to the communication

Sir

On the 27th February I had the honor to receive your letter of the 11th of the same month with copies of the correspondence with the Bengal Authorities regarding the modifications under which it has been suggested the trade in salt is in future to be permitted between that Presidency and Fort St. George and requiring me to report at what rate, with reference to the cost of its manufacture salt can be supplied from this Collectorate under prescribed forms, so as to afford a fair prospect of profit to the Merchants, and enable him to compete with importers from Bombay, and desiring the information might be afforded at my earliest convenience-

2. The four ports of this Collectorate are situated on the shallow waters of the Gulf of Manar and frequented by few boats, and hitherto no care appears to have been given to

to their encouragement, and the sea trade are few and little enterprising only two have been found who would give the proje- -ers a momentary consideration, and they are the only men who possess a single or at most two Vessels of the class required for the export. They are two of the Mareegars of Kas- -caree. They will not make any calculations for the future but inform me that 4 or 5 years ago they sustained great loss in the purchase of Salt at Madras for 42 Rupees per Garce, which was afterwards, taken off in Bengal for 7 Rupees

Should the successful opening of the Bombay passage improvement of the Ports or other cause hereafter render it desirable, the Merchants will take advantage of any cabotage on from other portions of the Coast.

3

The ignorance & error under of the terms on which Bombay trades in Salt with Bengal which is laid down as the basis of the modifications to be introduced, and my ig- -rance of many local terms used in the Bom- - letters, and the necessity to communicate with

ill educated merchants along the Coast, added to the necessity of reducing an arrear of Current business that had accumulated on my recent visit to the talooks, during the last 10 days must excuse the delay of my answer.
