To
The Acting Secretary to the
Board of Revenue
Fort St. George.

(1) From the Collr. of Chingleput.

Sir,

Para 1. With reference to the Proceedings of the Board of Revenue under date the 22d Instant, I have the honor to report my having put Mr. Juror and Pragasawmy Moodelly in charge of the Abkarry Farm of this District on the following terms: —

1st. That should the Government authorize his holding the Farm to the end of Fusly 1254 he shall pay for the current six months of Fusly 1251 Rupees 3,100 and Rupees 6,100 per Annum for each of the three succeeding years, but that if the Government should restrict his lease to the current six Months, that he should then only pay Rupees 3000 for it — The former of these arrangements secures a higher revenue to Government than was tendered in the offer of Salavauktum Shunmoga Pillay —

received with the Board's proceedings, but is below that of Codunda Ramaswamy Naick, the latter person however is a man of little responsibility or property and I should doubt his being able to fulfil his contract besides which the revenue offered by Mr. Turner and Pooyaswamy Moodelly is I think as high as will allow the Renters a moderate profit for their responsibility and exertions.—

5. The Petitions No. 99 and 101 of 1842 are herewith returned.—

(Dated 31st January 1842.)

As it appears from the concluding part

part of the 2nd Para of the Board's Proceedings and from the Petition above recorded that there are other parties who are willing to make offers for the Abkarry Rent of the Chinglepût District besides those to whom it is proposed by the Board to give it His Lordship in Council sees no sufficient reason for departing from the usual practice of putting up all Farms to public competition, and he desires that this course may be observed on the present occasion.—

Salt remaining on hand after setting apart that which is required on account of the Chittagong Indent for 1841/42 as reported in my letter under date the 25th Ultimo, has been already shipped for Calcutta and several Vessels are now at the Ports ready to take a further supply for that place. I have the honor to request therefore that you will obtain the Board's permission for taking 92868 Maunds of Salt for present exportation to Calcutta from the quantity set apart for Chittagong which can be replaced hereafter from the Salt now being manufactured in time for being shipped for that Port - As the Vessels now at anchor at the Ports have been there from several days I trust the Board will excuse my requesting a reply to this letter at as early a period as possible.—

From the Chief Secy to Government. The Right Honorable the Governor in Council observes that in the Form of the sunnuds issued in 1806 for the renewal of service yeomiahs, which has been submitted with the above Proceedings, not only is the nature of the service for the performance of which the yeomiah was originally granted, not specified, but the allowance is stated to have been continued "in charity to the family or lineal descendants." As His Lordship is of opinion that it would be more satisfactory to the Government of India to have before them the original sunnuds in the Native language with translations thereof for any of the cases of service Yeomiah now under their consideration, to enable them

them to come to a final decision thereon, he desires that the Board of Revenue will obtain the same from the Principal Collector of North Arcot, and transmit them to this Office with as little delay as possible.

3. In my general report I brought to the notice of the Board of Revenue the distress which prevailed in this District during the past Year, from severe drought. This however was much alleviated by the importation of Arracan rice and paddy, which great as undoubtedly was the relief it afforded to the people in general, was by no means favorable to the agricultural classes as it kept down the price of produce and prevented them from receiving compensation for the deficiency of crop by its enhanced value.

4. Under these circumstances the amount of settlement and also of collection in the Vizianagrum Zemindary considerably exceeded my expectation and it proves most forcibly the great value of this fine Country.

Settled Dowle. 9. The cause of the falling off in the amount settled to be realized in the past compared with the preceding Fusly was solely the very adverse nature of the season and the consequent great deficiency of Crops.

Gross Collections. 10. A comparison between the Current collections in Fuslies 1249 and 1250 is exhibited in the following Abstract Statement.

when

Fort St. George 3rd February 1842

11 When the nature of the season as already explained, and of the preceding ones for some Years is taken into consideration, I trust that the amount of current revenue derived from this Zemindary will be considered satisfactory more I can without hesitation affirm, could not have been realized without materially injuring the condition of the people and consequently the prosperity of the Estate.

12 The following Abstract Statement exhibits a comparison of the Gross collection including arrears in the past compared with the preceding fusly and I need hardly remark that a very small portion of arrears could be realized during the past year.

The

Fort St. George 3d February 1842.

14. The balances in the past fusly are larger than they have been for some years past, but this could not be avoided, not only have the ryots become greatly impoverished from a succession of adverse seasons, but many of them have left the district, it is to be hoped only for a time. The renters too have suffered severe losses and many of them in consequence have fallen considerably in Arrears.

15. The following Statement exhibits the details of the outstanding balance at the close of fusly 1250 under the head of Moodut rent.

Measures

16. Measures have been adopted for the early realization of the items 1. 6. and 11. in the above Statement.

17. I anticipate that the greater part of the balance outstanding against Gottoomookola Ramachendrabhooputty, the Renter No. 2 will be recovered during the present fusly.

18. The balance No. 3. is the rent of the Simhachellum Pagoda Case. The Renter has in this sustained a very severe loss. The number of Visitors who have resorted to that Pagoda during the past year has been very small, in consequence of the adversity of the season and the prevalence of Cholera and small pox. In consideration of these circumstances I have taken a sunned from him to make good his balance in fuslies 1251 and 1252.

19. For the recovery of the items No. 5. and 7. I have been compelled to attach the rent by means of which I hope to recover the greater part of the balance. I shall report further on this subject on the termination of the leases.

20. The balance against the Param Hill Dhoratanums, amounting to Rupees 181. will be shortly recovered.

21. The details of the balance due under the Head of Permanent Harsaul rent, at the close of the fusly are exhibited in the subjoined Statement.

Venkatapputty

22. D. Venkataputty Rauze, the Renter No. 1. by whom a balance amounting to Rupees 3,520-10-10 was due, having died, this Sum remains uncollected in consequence of disputes in the family regarding the succession. The rents of this person have with the exception of the Village of Polapillay been resumed, and I expect that the present balance will be recovered from the surplus Collection of this Village.

23. A balance of Rupees 929. was outstanding against the Renter No. 4 for the recovery of which this rent has been attached and the balance will be recovered with the Kists of the present fusly.

24. The Aumany balances at the close of the fusly amounted to Rupees 14,796- 8. of which Rupees 1,845. 15-1. have been recovered, leaving a still outstanding balance of Rupees 12950-1-7 which will I trust be collected during the present year.

25. There was a balance of

Rupees 7757-9-11 due on account of Enam Cottobadies. Many of the Enam lands have been left uncultivated, and the holders have left the district. In others the crops have entirely failed So that it has been found impossible to realize the above balance. The present Season is however favorable and I trust that this balance will be considerably reduced.

26. Under the head of Augraharums there was a balance of Rupees 186-3-4 under that of Mocassahs of Rupees 1,081-11-.. and under separate Enams of Rupees 155-11-4 making an aggregate of Rupees 1,423-9-8. all of which shall be shortly recovered.

27. There was a balance of Rupees 2,515-9-6 outstanding on account of Moturpha the greater portion of this amount is due by weavers who have been greatly reduced in their

circumstances

circumstances by the depressed state of the Market for cloths and I fear it will be necessary to remit a considerable portion of this balance But a full report on this subject will be submitted at the close of the present fusly.

Current Tuckavy 28. The balance outstanding under the head of Tuckavy at the close of the fusly amounted to Rupees 1406-2-5 but this will be shortly recovered.

Arrears 29. The Arrears outstanding on all sources of Revenue at the termination of fusly 1249 amounted to Rupees 10,71,259-15-5 of which Rupees 37,248-15-.. have been collected during fusly 1250 leaving a balance still outstanding of Rupees 10,34,011-..-5 The particulars of which are exhibited in the subjoined Abstract Statement.

After

30. After a full investigation I have ascertained that of the Amount of Arrears entered in the above Statement, Rs. 91,935 - 10 - 1 are quite irrecoverable, Vizt. Rupees 53,233 - " - 10. as detailed in Statement Marked D. which accompanied my last Years' Jummahbundy Report, and Rupees 38,702 - 9 - 3. exhibited in Statement No. V. now submitted, and I request sanction for writing off these two sums.-

31. Of Rupees 8,97,770 - 1 - " entered as recoverable balance, Rupees 8,67,039 - 12 - " compose the Aumany Arrears at the Commencement of the fusly under Review. This Amount has accumulated during a long series of Years, and can only be recovered in the event of future seasons proving favorable to the Ryots. The greater portion of the Arrears outstanding on other sources will be recovered during the Current year.-

32. The following is a detail of the individuals by whom the balance of Arrears of Moodut rent is due, and the recovery of which is doubtful.-

		19202 2 1

33. The circumstances of the Renters No. 1 and 2 were fully brought to the notice of the Board of Revenue in my reports for fuslies 1248. and 1249.

34 The Renter No. 3. having fled the Country as reported in para 22 of my report dated the 4th. of last February is stated to have died in the Rajahmundry district. His Vussooty of Rupees 100 per Annum have of Course been stopped, but there appears to be little prospect of the balance being realized.-

35. The items Nos. 4 and 5. are due by individuals in very distressed circumstances. Every effort will be made however to recover the balance and the result reported in my next Jummahbundy Report.-

Retained Villages

36. I now beg leave to subjoin an Abstract Statement of the retained Villages of the Zemindar, Shewing the Khaw and settled dowles and the actual Collections in fusly 1249. and 1250 and the balance outstanding at the close of the latter fusly.-

There

S.C.B.

37 There was a small increase in the Kham Dowle in the past compared with the preceding Fusly amounting to Rs. 32-5-5 but on the other hand there was a decrease of Rs. 3940-11-11 in the amount settled to be realized and of Rs. 3840-9-4 in the amount collected. The decrease arose from the adverse nature of the Season

Current Balance 38 The Balance of the settled demand amounted to Rs. 596-8-1 which will be recovered during the present Fusly.

Arrears 39 The Arrears at the close of Fusly 1249 amounted to Rs. 19,802-6-5 of which Rs. 295-4-9 were subsequently collected, leaving a balance of Rs. 19,506-15-8. Of this after careful investigation I am of opinion that Rs. 2,110-4-2 are perfectly irrecoverable. This sum

sum is composed of Rs. 327-11-7 entered in Statement marked P which accompanied my Report for Fusly 1249 and Rs. 1782-8-7 detailed in Statement XVII now submitted. Deducting these two sums there will still remain a balance of Rs. 17,396-11-6 of which Rs. 582-13-3 are entered as doubtful, and the remainder Rs. 16,813-14-3 will be recovered in the event of future seasons proving favorable.

40 I request sanction for writing out of the accounts, the above aggregate irrecoverable balance amounting to Rs. 2,110-4-2

41 The subjoined Abstract Statement exhibits the whole of the Villages in this Zemindary and the changes which have taken place in the tenures of some of them during the last Fusly

47. From the nature of the present season there is every prospect of our being able in this fusly to pay off a considerable portion of the debt, & should the following one be equally favorable I trust that at its close this Zemindary will be entirely free from debt.

48. It was however with deep regret that I observed in a Calcutta News-paper that a considerable portion of the property of the Rajah at Benares was advertised for sale in satisfaction of Decrees against him.

It

It seems therefore that all our exertions to clear him from his embarrassments will eventually turn out to have been of little service to him.

49. There are 20 Pagodas, mosques &ca in the Zemindary of which the worshippers of the 7 noted in the margin have hitherto had the exclusive management of the Funds, appropriated to them without any interference of the Revenue Authorities. The Remainder have been under the management

50. In conformity to the Minutes of Consultation dated 19th October 1841 I have deemed it proper to withdraw the interference of the Circar with the latter And I have therefore made over the management to Guddum Vencatareddy the private Agent of the Zemindar But the Villages appropriated to these Pagodas will be continued under my own Management.

From the Acting Collr. of the S. Dn. of Arcot ----

Stating in reply to Boards' letter of the 10th Instt. that the Petition therewith sent containing in certain Complaints is signed by names without any Village annexed & that he is therefore unable to call upon the parties to substantiate what they assert; but refuting in general the complaints against the late Pl. Collr. & Head Sheristadar—

To
Acting Secretary to the
Board of Revenue
Fort St. George

Sir,

Para 1 In reply to your letter of 10th Instant, I have the honor to state that the Petition is signed by names with-out any Village annexed and I therefore am unable to call upon the parties to substantiate what they assert - At the time of settlement I will, in each of the Talooks specified, when the Ryots are all assem-bled, give notice that they should come forward, when all that they have to say will be attended to.-

2 In the mean time, as an early report is required, I can only write generally.-

3 I believe that what is stated relative to the late Principal Collector's having been guided by the Head Seristadar in certain matters, which led to

dissatisfaction is untrue; and I have formed this opinion after repeated conversations with Mr. Ashton, both at Cuddapah and lately in this District, when he was on his way to the Hills.—

4. I believe it is untrue that Mr. Dent ever promised the Petitioners or any one else that the Head Sheristadar should be removed.—

5. I know that it is untrue that the Head Sheristadar translates the Urzees for me and thus that they are misrepresented, because he is not present when they are read, and because they are read by a Sarobnoviss who does not know English.—

6. I know that it is untrue that I have confirmed all former Durkasts in opposition to the late Commissioner's isteyar; tho' on the 15th October last, I ceased to make over any more lands to the old Ryputdars, having given previous

previous notice that applications up to that date would be attended to, which allowed ample time.—

7. I am perfectly sure that none of these signatures will come forward in person— The highest servants are of course the most exposed to attacks of this nature, and it is extremely annoying to them to find the parties keeping back, and yet continue the practice of this anonymously (for it can only be considered in such a light) making serious complaints to the Government.—

8. I think it quite unnecessary here to write my own opinion of the Head Sheristadar, Rungacharloo; I can furnish it to the Board or Government at any time if called upon.—

9. For many reasons complaints of the description of that under notice may be expected to find their way by Tappal to Madras, but I trust that neither the Board nor the Government will attach any importance to them.—

Resolution thereon. -

38-39

Resolved that the foregoing letter be submitted for the information of the Right Honorable the Governor in Council with reference to the endorsement on Petition 1767 of 1841. -

The only observation which the Board consider it necessary to make, in forwarding the letter above recorded, is that their Senior Member, late Commissioner in South Arcot bears ample testimony to the correctness of the opinion expressed in Para 4 - as to the falsity of the assertion made by the Petitioners that a promise had been made to them that the Head sheristadar should be removed -

From the Ag. Collr. in the Sn. Dn. of Arcot

Sir,

Board No 41 of 1841

The various heads of complaints in the enclosed Petition, I have the honor to inform you, have been settled between the parties with the exception of the dispute as to a title to share the yeomiah. -

No 288 in list No 1. Sent to Bd 2nd March 1838.

× From Board

With regard to this yesmiah it appears that the Grant was originally given by H. H. the Nabob Wallajah for life to one Vencatacharry, and confirmed by the English Government to him under date 2nd× October 1806, and has been held by him ever since. Any claims that the Petitioner may have from private agreement between them, or from having for any length of time received a portion from Vencatacharry cannot I think substantiate a right to share the yeomiah before any tribunal when the nature of such grants, as laid down in the Regulations is considered. -

reference to the observations contained in Para 21 to 24th of the Board's letter to Government dated 22nd October 1840, copy of which was transmitted to him under date the 2nd August 1841 particularly as regards the portion of the arrears of allowance due from the Noozeed Estate.—

With reference to Petition No. 1519 of 1841 the attention of the Collector will be called to an Extract from the Board's Proceedings dated the 8th August 1839 in which he was required to submit Sunnuds for the Villages granted to Simhadry Appa Row prepared in conformity with instructions contained in an Extract from the Minutes of Consultation of Government dated the 16th July 1839.—

From the Chief Secy to Government

communicating orders on a letter from the Civil Auditor regarding arrears of Yeomiah due to certain Yeomiahdars of North Arcot and directing that in future all applications for payment of arrears of yeomiah allowance be submitted for sanction thro' the Board of Revenue.-

Extract from the Minutes of Consultation under date the 18th January 1842.-

Read the following letter from the Civil Auditor

(Here enter 22nd Decr 1841 No 105.)

Para 1 — With the exception of the sums due to the individuals referred to in the following Para, the Right Honorable the Governor in Council authorizes the Principal Collector of North Arcot to disburse the arrears of allowance due to the other Yeomiahdars mentioned in his Statement of the 6th December last, Amounting to Cs Rupees (1760-2-8) One thousand seven hundred and sixty, Annas two and Pice eight, subject to the conditions specified in the above letter and also grants special sanction for the continuance of their Yeomiahs.-

2 The Yeomiahdars named in the Margin having deputed Vakeels to draw their allowances which is contrary to Para 3 of the Rules established under date the 24th of December 1840- His Lordship

44	Shahaw Goolam Ruyal	54	8	8
	Meer Mahomed Bauker	54	8	9
80	Mahomed Khootbuddeen	19	10	8

375	Shah Ismoil	18	8	11
517	Mahomed Nussooroodeen	22	2	"
	Total Rupees	271	10	2

Lordship in Council resolves to transmit a copy of those Rules to the Civil Auditor with request that he will call upon the Principal Collector of North Arcot to explain under what circumstances he has submitted their applications for the payment of arrears for the sanction of Government.-

3 His Lordship in Council desires that in all Statements of Yeomiah arrears that may hereafter be submitted for his sanction, it may be distinctly explained in the Column of remarks, whether the Yeomiahdars deputing Vakeels are exempted from personal attendance under the sanction of the Board of Revenue, and whether the parties so deputed are Yeomiahdars themselves, as required by Paras 3 and 4 of the Rules for the Yeomiah Department.-

4 In reference to the plea of ignorance of the orders of Government restricting the payment of Yeomiah arrears to six Months, which is in several cases advanced for the non-attendance for the parties within that period to receive their allowances, His Lordship in Council observes that if those orders had been duly promulgated

in the District, it would seem improbable that the parties could have been ignorant of them, more especially as no person can be a Vakeel who is not himself a yeomiahdar.-

5 It is observed from the Principal Collector's explanation opposite to the third incumbent in No. 86, that Mahomed Saudack who receives an hereditary allowance of Rupees 42-2-3 per Annum, is employed in the Collector's Cutcherry at Masulipatam. As the deputation of a Vakeel to draw his allowance is disallowed by the Rules, His Lordship in Council thinks that steps should be taken for the transfer of the payment of the yeomiah to the Treasury of that District, where it would be more feasible to attend to the examination before payment and to the half yearly inspection enjoined by the Rules.-

6 As the Board of Revenue are authorized by the Rules of the 24th of December 1840 to exempt Yeomiahdars from the operation of Clause 3 and as it appears to His Lordship in Council to be desirable that the Board should see that in all cases the provisions of those Rules are duly attended to by Collectors

Collectors, he directs that in future all applications for payment of arrears of yeomiah allowance be submitted for his sanction thro' that authority instead of, as at present, thro' the Civil Auditor in whose Office however the disbursements will be subject to retrenchment in the event of any overpayment appearing on the Audit of the Collector's annual Accounts.-

(23 - 24)

Read again letter from the Collector of Rajahmundry dated 18th December 1841 and entered in Consultation 20th Ultimo.—

(25)

Proceedings thereon 1. The foregoing letter is accompanied by Petitions addressed to the Board by Addunky Nursingarow, late Darogah of the Yernagoodem Division in the Rajahmundry District, in appeal against decisions passed upon him by the Collector under Regulation IX of 1822. the particulars of which are set forth in the return furnished to the Board for the Month of August 1841 bearing date the 30th September last.—

Confirming the sentence of fine and dismissal passed upon Addunky Nursinga Row & others by the Collector of Rajahmundry under Regn. IX of 1822 and calling the Collr's attention to certain practices observed in his District which the Board consider open to objection.—

In Cons. 11th October 1841

2 The Charges against Addunky Nursingarow

(and others) entered in the Statement above alluded to appear to have been brought for making extra, and unauthorized Collections in the Villages of Taudemullah and Cozalagoodem for omitting to carry a portion of the amount collected to the credit of Government and for taking bribes.

3 Without entering into the merits of the case as connected with the charge of receiving bribes the Board from an attentive consideration of the particulars relating to the other charges as set forth in the return, as well as of the defence set up by Addunky Nursinga row in his petitions, are of opinion that, as regards the first case the charge of making extra Collections in the Village of Taudemullah and the misappropriation of the same, in as much as a

large portion of it was not brought to the Circar Account has been fully established against the late Darogah, and the 5 other defendants — and they accordingly resolve to confirm the sentence of fine and dismiſsal paſsed upon them by the Collector under the Provisions of Regulation IX of 1822.—

4 As regards the 2nd case the Board consider the misappropriation of Rupees 159 - 14 - 6 out of the Collections on account of the Village of Coyalagoodem to have been established, in as far as the said amount of Collections never reached the Circar treasury but they think that it would have been sufficient to have made the Darogah answerable for this individual sum — without fining him to —

an

an equal Amount in addition.—

5 Under the conviction as to the guilt of the accused, expreſsed above the Board resolve to paſs the following order upon the Petitions which accompanied the letter above recorded.—

Endorsement

"The Board having given their best attention to the circumstances stated in this Petition in appeal against the decision of the Collector recorded in his Return of offences under Regulation IX of 1822 for August 1841 and having also considered the Collector's proceeding in the case, as set forth in that return, are of opinion that the sentence of fine and dismiſsal paſsed by the Collector should be confirmed and they accordingly reject the prayer of this petition.—

6. The Board see no grounds from the information before them, for the remission made to the Villagers to the extent of the amount of Rupees 159-14-6 represented as having been collected on account of the Village of Coyalagoodem and not brought to account and they request that the Collector will afford explanation of the reason which induced him to consider this adjustment necessary.—

7 The perusal of the appeal petitions under consideration, and of the proceedings connected therewith has brought to the notice of the Board two practices which they consider open to objection and to which they would wish to direct the attention of the Collector, with the view to their being put an end to. The first is the system

of

of issuing blank receipts under the signature of the Collector for Money paid by Ryots on account of revenue. The heads of Villages ought to give receipts for all sums collected by them from every Ryot, and according to the instalment, these receipts should be drawn out by the Curnums, and bear their signature, in proof of the correctness of the Amount. The Amount collected according to these receipts should be remitted to the treasury of the Aumeen or Tahsildar as the case may be, and receipts should be given by that Officer to the heads of Villages for all sums so received into their treasury.—

8 The other practice which the Board consider objectionable is that of allowing the heads

of Villages to disburse any (indefinite) portion of the public revenue for Village expenses; which practice gave an opening for the defence set up in the present instance by Addunky Narsingarow. The Board think that it would be better that a deduction shou be made from the total demand against the Village to a certain amount, to be calculated according to the usual expenses of the Village from the gross receipts, and that all sums collected in excess of the amount so deducted should be remitted to the treasury. No Village expenses should be permitted to interfere with the due discharge of the public revenue. The deduction above suggested might be calculated on the payment of each ryot, at the rate of 10 or 5 per %, but being once determined, nothing beyond that centage should be allowed to be disbursed for Village expenses.

The centage may be fixed with reference t the usual expenses of the Village and th Amount payable on the lands in the holding of each Ryot.—

16 Exhibits a Statement of Population &ca. for fusly 1250, as called for in Board's Proceedings of 28th March 1839 both in English and Teloogoo. —

2 The commencement of fusly 1250 was most unpropitious, being marked by a complete failure of the early rains which sadly interfered with the Poonasah Cultivation such a

commencement of the season, after the two disastrous years of 1248 and 1249 threw a complete damp over the District, as the Ryots were deprived of the supply of early cheap dry grain, which they usually live on, while the principal cultivation is going forward altho' the rains were thus late in setting in the commencement of the South west Monsoon was decidedly favorable, and cheered up the spirits of the Ryots, and I was in great hopes at one time that the season would have proved tolerably fair — These hopes were all ruined by the failure of the North East Monsoon, which prevented many of the principal crops sown in places which were not provided with means of artificial irrigation from coming to perfection, and checked the means of

of making up the deficiency by the Pyru or after cultivation — In consequence of the great importations of Rice from Arracan, the price of grain was also lower than might have been expected, which was unfavorable to the realization of the revenues, though most fortunate for the District, as otherwise there is not the slightest doubt but that the miseries of famine would have been entailed on the District, in addition to the other sufferings, which were greatly aggravated by the extent to which both Cholera and small Pox prevailed during the fusly under review.

3 It has certainly been most painful to me to have been obliged to plead the badness of three successive seasons as an excuse for the great falling off of the revenues which has taken place in this District —

However

Fort St. George 7 February 1842

However if any doubt were entertained of the extent to which the crops have failed, the comparison entered in the Margin of the operations by sea in money and grain would, I think, satisfy the most sceptical that the distress has never been exaggerated by me. From this comparison it will be seen that in the seven years from 1831/32 to 1837/38 the average value of

By the above, it will be seen that 36 Villages, which were settled in last fusly under Viſsabady and 12 under Aſsarah, in all 48, were settled under rent (in the fusly under review) and of the Villages, which were settled in last fusly under rent (the term of which has expired) 5 were settled under Viſsabady, and 4 under Aſsarah, and that of 45 Villages newly reverted to Government, 25 were settled under Viſsabady, 9 under Aſsarah and 11 under rent. The System of renting however it is to be remarked was rather a Rayany settlement for the year with the Villagers than an actual rent, and was most desirable under the actual circumstances of the Seasons, as affording to the Ryots the enjoyment of an extent of land both for cultivation and their cattle, which otherwise they

they could not have occupied, with reference to the aſseſsment of the land, and yielding to Government a greater revenue than co could at present be derived in any other co way.-

8. The following Abstract shows the number of Villages settled under Rent, their Permanent Aſseſsment, the average Collection of 5 years from fusly 1243 to 1247, and the settlement of fusly 1250, Compared with that of fusly 1249.-

By the above, it will be seen that there was an increase of Rs. 6,274–10–1. on the rented Villages of Magultoor, Woondy and Amlapoor, Estates, and Dutch Villages, (which were under Government upto last fusly.) and a decrease of Rs. 2,550–14–8, on those of Nagaram, Tanookoo, Mullapilly and Coupavaram Estates, making the net increase Rs. 3723–11–5. The decreases which are thus shown in the rents of some Villages arose out of the option of either renting them in this way, or bringing them under Viſsabady, and the former plan was only adopted when it was found by a careful examination of the resources of each Village, that there were no hopes, in the actual depreſsed condition of the Ryots, from continued adverse seasons, of realizing this amount, even under Viſsabady management. On the comparison of these rents with

Compd. H.R.

with the Collections of five preceding years, there appears an increase of Rs. 31,556–8–1. though they are below the Permanent Aſseſsment which is partly attributable to the actual highneſs of the Permanent Aſseſsment, and partly to the unfavorableneſs of the past Seasons with respect to the Villages (of the Estates which have newly reverted to Government in the fusly under review) which were rented in this fusly, there is an increase of Rs. 1,803–7–11 beyond their Permanent Aſseſsment.–

The

Compd.

The result of the Assarah settlement of the fusly under review was unfavorable as compared with the preceding fusly, and particularly so with reference to the increased amaracum, but the lateness of the setting in of the Southwest Monsoon seriously interfered with the cultivation of the land, and the total failure of the Northeast monsoon completed the failure of the crops.

Do 6 of Do 23517-10-2

Fort St George 7th February 1842-

According to the above, the Amaracum Cist of the land under Vissabady was Rs 135808-13-2. of which a sum of Rs 5781-15-9 was allowed on account of the usual remission and Village charges, and Rs 25079-1-8 on account of the losses sustained from unavoidable circumstances, and large as this remission was, it was hardly equal to the necessities of the season considering the actual failure of the crops and the lowness of prices from the large importation of grain principally from Arracan.

The Cuttoobady tax is generally a fixed one, and the amount depends on the Villages actually remaining under Aumanee Management, but in the newly purchased Estate of Taudemullah, there are some of an aſsarah tenure at a certain rate on the produce. In these cases the mode followed by the late Proprietor was adhered to, though many complaints were made of unjust charges made by him which I have since endeavoured to trace out, but the absence of all old accounts regarding this Estate, has rendered it very difficult to come at the truth, and I have been obliged to say that the Proprietors rates must stand unleſs the Parties themselves can produce any original vouchers

to

to prove them to be wrong. The Tax on Palmira Trees has been reduced by the actual state of the seasons, and the Poollary was rather increased by the competition for the unoccupied Jeroyetty-land, for grazing cattle after the amaracum was closed. —

Looking

14. Looking at the condition of the Government Estates in detail, it will be seen that those of Woondy, Tanookoo, Mullapilly, Caupavaram, Pipparah, and Taudemullah, were rather the best; indeed the Woondy Talook has considerably improved in consequence of the repairs made to the sources of irrigation, and had the prices of Grain corresponded with the crop, it's revenue would have been very good; The Pipparah Estate has also improved from the same causes but the actual bar to any very great sudden improvement is the want of a total number of Ryots competent to extend the Amaracum really, for it is of a very little benefit improving one village at the loss of another. These two Estates however may be fairly set down as in the road to improvement. The Tanookoo is an inland Estate and it's management was fair, but as a great deal of Cultivation in this Talook is carried on by Payakarry Ryots from the Masulipatam District, a little difficulty is often experienced in realizing the revenue from them in bad seasons, from the

---

the facility they have of keeping themselves out of the way - The Amaracum of the Mullapilly and Caupavaram Estates, though low with reference to the Permanent settlement, was bona fide a correct one with reference to their present resources, and the small balances due from them will be recovered with the exception of Rs. 200, in the Village of Gandaulah in the Caupavaram Talook, which requires to be remitted, as being the Cist of certain Maunium land, which was resumed by the Proprietor on his engagement to pay the rent of it, but which has since been restored to the owner; considering that in the Taudemullah Estate, a sum of Rs. 2305-1-9- was realized and carried to the account of the late Proprietor, before the Estate reverted to Government, the outturn of this Estate was very fair. The old Estates of Mogultoor, Nagaram, Amlapoor, Undrungy, Woppadah and the new Estates of Auchuntah, Panumadurru, & Goparavam and Vitsavilly are all on a line with the Coast, and suffered very much in their resources in fusly 1249, and though some of the balances will be recovered in Mogultoor, Nagaram, Amlapoor, and Auchuntah, the remainder will require to be taken into consideration hereafter with reference to the circumstances under which

Of the eleven heads under which the different Zemindaries and Estates are thus classed, No. 1-2-3-4-5-6-7, part of No. 10, the Pittapoor Zemindary, and No. 11 have been treated of in my several letters of the 20th July, 23d September and 8th and 20th November 1841. The remaining portion of No. 10, the Minor Estate of Penapullah and the management Estates of Ramachendrapooram and Vagayemmahpettah in No. 9 will form the subject of separate letters. The Estates under attachment in No. 8, are Moongoondah Vadesalaroo, Tatky and Vankatippah, and Toloor. The former besides the Government Demand, is required to be subdivided by the Courts, and the Statements have been prepared and sent to the Proprietor for inspection, previously to their submission to the Board. The heirs of Dautla Vencatapaty rauze late Proprietor of Vadesalaroo, Tatky and Vankatippah, have quarrelled to such a degree about his property, that these three Estates were obliged to be attached. Masulipatam as heirs to the Toloor* Estate will soon make a proposition for the Settlement of the Arrears due from it and undertaking the management.–

17. In addition to the remissions which have been adjusted on account of the Auchuntah, Panoomadum, Vilvanilly and Copavaram Estates a remission of Rs 19170-11-7 was sanctioned by Government under date 8th December 1840, on account of the Pipparah Estate, but as I was informed that the late Proprietor was prosecuting certain claims against the Ryots of that Estate on account of revenue balances for which she had taken bonds, I thought it proper not to carry the remission into effect until she should withdraw all claims against the Ryots, and this subject was treated of in the correspondence noted in the Margin.–

18. The following old Balances are outstanding against several Estates which reverted to Government some years ago.–

19. No means are forthcoming for the realization of these balances, the present zemindars of Cotah and Ramachendrapooram Estates have nothing but their present Estates which are also in arrear. Cundoorary Mullekarjoon Bhooshana row,+ to whom the Board have allowed me to rent out the Yelamunchelly Estate for 12000 Rupees per Annum, is unable to produce even security for the same. Under these circumstances, it appears desirable that the sanction of Government should be obtained for writing off from the accounts the above Rupees 83809-9-1.

The

Fort St George 7th February 1842.

The decrease in the Land Revenue permanently settled arose from the Estates of Auchuntah, Taudemullah &c. having reverted to Government and the increase in the Aumanee has arisen from the same cause. The explanation necessary with respect to the Extra revenue was afforded in my letter of 18th October last.

21 The abstract entered in the Margin shows the Gross collections of Fusly 1250 rather exceeded those of Fusly 1249, and that there was also an increase in the charges, principally in consequence of very considerable repairs made in the Government Estates

Estates, increased Tuccavy in consequence of the increase in the Government Estates, and heavy sequestration charges from the number of Estates obliged to be attached for the realization of the revenue. —

22. In concluding this report. I trust, I may be allowed to notice the very active and steady part taken in the management of the District by my Head Assistant Mr. W. Knox, who had charge of the details of two Estates and also conducted the duties of the Salt and Sayer Departments, besides a share of the Police His brother also Mr. T. I. Knox while under me was very useful. my Head Sheristadar Gazaelly Narasingrow is also worthy of favorable notice He has now been under me about four years, as Sheristadar, and as shown himself

himself a useful servant in every way, for though revenue qualifications are undoubtedly necessary in this District, it is most desirable that a sheristadar should also have an acquaintance with the character and habits of the inhabitants of the Hills, to enable him to carry through the management of the District as a whole successfully.

N:B The Causes of each Amount of Balance being irrecoverable are shewn by the headings of the several Columns, it therefore only remains to be remarked that both fuslies 1242 & 1248 were decided years of famine, and that between 1242 & 1248 the District hardly enjoyed a fairly good season—

From the Collr. of Chingleput.-

Forwarding further information regarding the lands included in the Poleeirnay Estate.

Sir,

Para. 1. - With reference to the Proceedings of the Board of the 3rd Instant, forwarding a transcript of an Extract from the Minutes of Consultation under date the 25th Ultimo, I have the honor to state that the original grant in 1777 to Mr. Jourdon comprehended 540 Cawnies of land of which about 62 were then enclosed by him, but this Compound was subsequently extended to 176 Cawnies, though there is nothing on the records to shew when or by whom. In the Survey accounts the whole of this land is entered as Government land, the former 62 Cawnies being noted as the original garden.-

2 In the Advertisement first submitted to the Board, it was proposed to sell the whole of the 176. Cawnies now attached to the house, but the Meerassidars having objected to this, I suggested that only the land

originally enclosed by Mr. Jourdan Viz. 60 Cawnies, after deducting the 2 Cawnies on which the houses of certain Payakarry cultivators stand should be sold, leaving the remaining portion of the land to be cultivated by any person that wished it.

3 With regard to the lands alluded to in the Petitions herewith returned, no intention of selling them has been at any time entertained, these lands also are entered in the accounts as Government lands; and the amount realized and brought to the public credit on account of the portions cultivated since the Estate was repurchased by Government amounts to Rupees 9507-15-4 -

Proceedings.
Calling
for further information regarding the case of certain Salt Manufacturers in Tinnevelly who have been deprived by the Collector of the liberty of manufacturing Salt in consequence of their having been concerned in certain fraud in the Salt Department.

In Cons: 31st Jany 1842.

Para 1 Read letter from the Collector of Tinnevelly dated 29th December 1841. reporting on Petition No. 1711 of 1841 submitted by parties who state that they are the Meerassidars of certain Salt lands of which they have been deprived.

2. It appears from Mr Ogilvie's Endorsement dated the 25th March 1841 that the Petitioners were dismissed from their Employment of Manufacturing Salt on certain Salt grounds "upon the "result of an Enquiry in which it was found "that they had been concerned in an extensive "fraud and upon which occasion the Chokedar Gomashtah and Shroff received "Sentence of punishment in the Criminal "Court."

3. The present Collector observes that the Petitioners were the cultivating Ryots of certain Salt Pans in Vypaur where extensive frauds were detected and in which there can be no doubt they participated and with regard to their claim to the land in question adds, that

that in no part of the District does the Meerassy right extend to Salt Pans and that so far from being able to substantiate their claim by any document, it was shewn to be quite unfounded.

4. The case of the Petitioners seems however to call for further explanation as on reference to an Extract from the Proceedings of the Joint Criminal Court dated 20th May 1840 it appears that the Petitioners Landa Moottoo and Marrimoottoo were two of the witnesses in Criminal Case No. 39 of 1840 upon whose evidence the malversation of the Public servants° attached to the Chowky was proved and punished. It is clear therefore that the evidence of the Petitioners could not have been received against the accused if they had been in any manner connected with the fraud and consequently they ought not to have received the punishment which it appears they suffered in the transfer of their Salt Pans to other persons.

Ragavayengar
Vencatachellum Chitty

5. With regard to the question

of the power to transfer the liberty to Cultivate Salt from one set of Ryots to another the Collector may on sufficient grounds refuse to allow the manufacture of Salt by any particular parties and may employ other Ryots making Salt in other pans but before recognizing the propriety of transferring the liberty to manufacture Salt from the Petitioners to others, the Board desire to receive more detailed information from the Collector on the points noticed in paras 4 and 5 of these Proceedings.

Order thereon.

Ordered that a Copy of the foregoing Proceedings be forwarded to the Collector of Tinnevelly.

Para 1. I am directed by the Board of Revenue to request that you will submit for the consideration and orders of the Right Honorable the Governor in Council the letters from the Principal Collector of Canara noted in the Margin; the first reporting the death of his late Head Serishtadar Dewapah and the 2d proposing to appoint as his successor Krishen Row, who was formerly Head Sheristadar in the Canara District, but at present holds that Office in the Cutcherry of the Collector of Malabar, having been appointed to that District by an order of Government dated 12th March 1839.

13th Decr 1841 in Cont 3d January 1842.
14th in Consultation 31st January 1842.

2. It will be for the Government to determine in what degree the expediency of re-appointing Krishen row to the situation of Head Sereshtadar in Canara, is affected by the circumstances alluded to in Para 4 of Mr. Blair's letter of the 14th Ultimo. but in the opinion of the Board the risk of any interruption to the good feeling which now exists in the Canara Establishment had better be avoided.
