introduced by Mr. Smollett with a view of
relieving the Collector from the pressure of his
official duties, His Lordship in Council is of
opinion that it would have been more judicious
if before he had adopted this measure, that Officer had in
the first instance communicated with the Board of Revenue
and obtained their sanction. On the other hand he
thinks that the Board on receiving the Report
of the Acting Agent should have immediately
cancelled his arrangements if they disapproved
of them. He is sensible of the objections to the
intermixture of renting and Ryotwar systems
in the same District in which the lands
have been surveyed and a money assessment
has been fixed, but these objections are not
applicable to the Nozianagrum Estate in
which the preliminary and most important
step of surveying its lands has never yet been
taken and without which no system of Ryotwar
can tend to the permanent advantage and
comfort of the Ryots.

4. His Lordship in Council however approves
of frequent changes in any system of Revenue

management. The extent to which the arrangements in question for renting portions of the Estate have been carried out by the Acting Agent is not described. If they are nearly prospective there may be no difficulty in preventing their completion but if the settlement has already been made in a few Villages with the intervention of a renter instead of according to the usual mode, it is preferable that the agreements that may have been actually entered into by the Acting Agent should not be annulled. When the particulars of the results are before the Board they will then have the means of judging what measures it may be desirable and expedient to recommend.

5. The Most Noble the Governor in Council grants authority for writing off to profit and loss in the Accounts of the Vizianagrum Zemindary the Annual and pointed Balances of that Estate, reported in the Proceedings of the Board of Revenue dated 19th October 1843 to be irrecoverable amounting

amounting to Rupees 1,19,999-1-7 / Eleven Lacs Ninety four thousand, Nine hundred and Ninety Nine, anna One, and pice Seven and desires that the Acting Agent may be instructed to take measures for making the remission generally known by proclamation in every Village to insure the Ryots against a fraudulent exaction of the demands now abandoned.

6 With regard to the Balance of Rupees 18,854 which under the head of Summary is classed as "doubtful" His Lordship in Council observes that as the same inconveniences is likely to result from this sum being retained in account as from those Balances now ordered to be written off it would be advisable if there is no immediate prospect of recovery without intrenching on the means of the Ryots that the portion absolutely doubtful should also be abandoned. The Acting Agent will exercise his discretion in this respect and report the result of his proceedings for the information of Government.

8. His Lordship in Council has observed that both the Acting Agent, and the Board of Revenue have ascribed the balance outstanding in the Vizianagaram Zemindary in the Ryotwary or individual settlement to the confusion arising from the changes Mr. Conway had, on receiving charge of the District, been occasion to make in the Native Establishment which afforded the Ryots in many instances an opportunity of embezzling and concealing the Crops "and these evils" it required the utmost exertions of the Acting "Agent to remedy" with a view of affording to Mr. Conway the means of offering an explanation of the circumstances now recorded.- The Board of Revenue will be pleased to furnish Copy of Paras 12 and 13 of the Acting Agents letter to that officer and submit his statement in reply for the information of Government.-

3 Settlement of the Vizianagaram Zemindary in Vizagapatam for fusly 1249 & 1250

Para 12. It appears that under the successful management of Mr. Arbuthnot, the agent to the Governor in Vizagapatam, this Estate is gradually becoming clear of embarrassments, and that should the seasons prove favorable there is every probability that it will be relieved of all its encumbrances within the next two years. — In the mean time the Zemindar is pursuing a career of extravagance at Benares and incurring fresh debts as fast as the old obligations on his property are discharged, a course which you anticipate will sooner or later lead to his dispossession of the whole or a part of the Zemindary under decrees of Court in satisfaction of his debts. — It does not appear that you possess any means of exercising an efficient control over the conduct of the Zemindar, who is willing to

to submit to any terms rather than return to resume the management of his Estate. — It is very desirable that the son, who is stated to have now attained his majority, should no longer continue a stranger to the duties which will hereafter devolve on him as the possessor of this extensive domain; in the event of the contingency before referred to being averted, and we desire that you will make a further effort to obtain the Zemindar's consent for him to return and take up his residence at Vizianagaram under the superintendence of the Agent. —

Relative to the Management of the Extra Sources of Revenue in the District of Rajahmundry for fasly 1252. A.D. 1842/43

(Here enter 1st March 1844 No. 103)

Para 1. The Settlement for fasly 1252 of the Extra Revenue of the Rajahmundry District amounted to Rupees 430,812-10-1 and exhibited on a comparison with the year's preceding a decrease of Rupees 28,620-6-2. This result is chiefly owing to the sales of Salt having fallen below fasly 1251 in the sum of Rupees 31,365-12-6; of this amount Rupees 26,817-14-0 were in the sales for

inland consumption alone, occasioned, it is stated, by the want of spontaneous Salt usually preferred by the Brinjaries for Trade in the interior, not having been collected, the season having been unfavorable for its production.

The fluctuations under the other heads consist of a decrease of Rupees 2322-5-0 in stamps and an increase in each of the other items, but in a greater degree in Abkarry viz. Rupees 3010-10-0 the former being attributed to reduced sales of Rowanahs and Court papers, the latter to a net increase in the Rents.

His Lordship in Council grants authority for writing off in the accounts of the Rajahmundry District the undermentioned old balances of Extra Revenue reported to be irrecoverable amounting in the aggregate to Rupees (6,191-4-9) Six thousand one hundred and ninety one, annas four, and pice nine.

Decrease	83,940	2 2

The Marginal Statements shew the gross Collections Charges and Net Revenue of the year, and result in a decrease of 83,940 Rupees in comparison with the outturn of the preceding Fusly.

The decrease arose chiefly in the Salt and Sayer Departments: in the former, from proceedings, the Government regret to observe, somewhat injudicious and premature, and in the latter from an incorrect adjustment

adjustment of the Accounts which brought upon the charges of the present fusly the sum of Rs 14,827 which should properly have been borne by the preceding year, and deducted from its profits.

The charges for the Manufacture of Salt were also much enhanced owing to the large stock received, sufficient it is stated, in two years for two years Consumption.

Increase Rs 14,095

The observations of the Board of Revenue on the remarks of the Collr of Ryapoor relative to the decrease of the Sea Customs revenue would not appear applicable their argument embraces exportation "abroad" from "this Country", whereas his opinion confines itself expressly to the trade with the "Peninsula".

Cl Collr Para 17 Board's Proc 11th March 1844

The Government concur with the Board in opinion that if it should be found in practice, that the return of the Institution fee is favorable chiefly to wealthy litigants, and the right of exemption under Rule VIII abused; it will be proper that this rule be rescinded, but they await a report from the Agent

Proceedings. Relative to the Management of the Extra Sources of Revenue in the District of Ganjam for Fusly 1252 - A.D. 1842/43.

Read Letter from acting Collector of Ganjam under date 4th January 1844 submitting his report on the settlement of the Extra Sources of Revenue of his District for Fusly 1252 - A.D. 1842/43.

From the Tabular Statement given in Para 2 of the acting Collector's Report it appears that

there has been an increase in the Fusly under review as compared with the preceding in the settlement of every head of Extra Revenue with the single exception of Stamps - The Demand on all Sources for Fusly 1252 A.D. 1842/43 exceeds that of Fusly 1251 A.D. 1841/42 by Rupees 38607-2-..-

Increase 32750 - 8 - 10

The greater portion of the above increase has occurred in the Salt revenue which surpasses that of the previous season by Rupees 32750-8-10- the result of an increase of 39725-9-8- in the Home and decrease of 6975-..-10 in the Inland sales - in preference to this decrease it should however be remarked that the Inland sales of 1251/1841/42 exceeded those of 1250/1840/41 by nearly Rupees 24,000 - The decrease in the sales for Inland consumption has taken place in the Ganjam Cotaurs from the prevalence of agues in the vicinity of the Pans and at the Nowpadah Cotaurs from the diminished supply of salt - the manufacture in the preceding July having been checked in consequence of the early setting

Moturpha. 7- The demand on account of Moturpha is the same as for the past year. but the more thriving state of trade has had its influence upon the collections which exceed those of $\frac{1251}{1841/42}$ by Rupees 528-13-9 of the total settlement Rupees 889-15-0 were outstanding at the date of the report, on which a further communication will be furnished hereafter.

Further explanation in regard to this arrear has been also submitted in the letter herewith forwarded from the Collector of 12th September 1843 Para 5- in reference to which the Board cannot but remark upon the irregularity of allowing the Renter Coorla Kistnamah to become a bidder for the Arkarry farm for $\frac{1251}{1841/42}$ - whilst under default for

for the preceding. It would appear however from what has been stated in Para 8 of the letter above alluded to, confirmed by the acting Collector in his report now under comment, that the recovery of this balance 871—5—11— is altogether hopeless— Of the balance / Rupees 878 8—5. / for Fusly 1251 / a.D. 1841/42, Rupees 687—9—8 have been collected— Rupees 41—7—6 will be recovered eventually— but Rupees 79—7—3— being due by Coorla Kistnamah the renter already mentioned are doubtful— The total amount of abkarry arrears of which the remission is requisite, as shewn in the Margin, is Rupees 984—6—10—

The total Collections during the fasly under report, current and arrears amounted to Rupees 350740—9—9— the charges to Rupees 23444-7-6-, leaving a net Revenue of 357296-2-3- being Rupees 36892-11-2- in excess of the net out turn of the previous year. which the Board consider to reflect much credit on the Gentleman charged with the management of the Ganjam District.—

Ordered that a Copy of the foregoing Extract from the Boards Proceedings with the annexed Comparative Statment of the Collections, Charges and Net Revenue be submitted to Government, and a transcript of the same be forwarded to the Collector of Ganjam for his information and guidance.—

Fort St. George 22nd April 1844.

Read again letter from the acting Collector of Ganjam dated 16th February and entered in Consultation 7th Ultimo -

Ordered that the following letter be sent in reply.

To the Collector of Ganjam

Sir, I am directed by the Board of Revenue to acknowledge the receipt of your letter dated 16th February regarding the investment of the surplus funds of the Purla Kemedy Estate in the Government Loan -

2. The Board are of opinion that it would not be proper with reference to Established usage to retain the surplus funds of the Estate in order that them might compensate for the Extra trouble and expence which the charge of it has imposed on Government - They therefore request that you will have the goodness after reserving such a sum as is likely to be required for current charges, to invest the remainder of the Surplus in the Government 4 per Cent Loan -

From the Asst. Coll.r of Ganjam.

Sir

I have this day received your letter of the 26th of March directing me to stop the sale of salt for Home consumption till the 10th April next I request instructions as to the proper course of proceeding, and I beg to state that I have issued no orders on the subject as the period of the exigency of the order had expired before the order reached me.

Collector's Cutcherry,

Acting Collector.

Order thereon.

Ordered to be recorded.

39-40

To the Acting Secretary to the
Board of Revenue
Fort St. George

41

From the Asst. Coll.r of Ganjam.

Sir,

I have the honor to acknowledge the Board's letter of the 28th Ultimo abolishing the transit and Town Duties and directing me to abolish the Hoogoor and Jalook Sayer Establishments retaining only those on the Frontier.

2. The only "Frontier" dividing the Company's Territory from Foreign

Informs that the Sayer Establishments Hoogoor & Jalook are discontinued suggests that the Goomastahs be paid till the accounts are settled.

5775 Fort St. George 22d April 1844.

Foreign Native Territory is that where Goomoor touches Calahandy and Patna but there is no trade of any sort to these 2 small States and the very scanty trade carried on by the bringaries between Ganjam or any Districts South of it and Nagpoor and Hydrabad is not worth the maintenance of a chowkey.

In July 1850	Rupees 2-15-8	Was the Total

" " 1852	Nil	at Aska on trade
" " 1853	Nil	to Foreign Native
		Territory.

The Maintenance therefore of so insignificant a Chowkey being inexpedient in every way and impracticable when the Hoogoor Sayer Establishment no longer exists, I have deemed it best to abolish all without any exception. The Frontier chowkies can however easily be replaced should it be the Board's order.

4. I beg leave most respectfully to urge that the Sayer Goomastah at each chowkey be permitted in pay for 15 days; they must in fact work for nearly that time in winding up the accounts and

and the Rozgar Sayer Goomastahs have work for a Month at least, and I solicit that they be retained for one Month longer in employ, and receipt of pay - The suddenness of this total deprivation of the means of living is a great hardship -

Ganjam Collector's Cutcherry, Chitterpoor, 6th April 1845

District, -- Cutcherry, -- } Signed/ T. D. Anstruther Acting Collector

Resolution thereon,

(41-42)

The Board are of opinion that it would be desirable for the present at least to maintain a Chowkey with a small Establishment on the Frontier referred to in Para 2 of the foregoing letter - altho the traffic by that route has hitherto been inconsiderable it may increase to the detriment of the frontier Custom Revenue if the road be left entirely open. The Acting Collector will be requested to submit a Memorandum of the Cost of an Establishment sufficient for the purpose -

Acting Secretary to the
Court of Wards

From the Collr of Ganjam forwards the annual accounts of the settlement of Purlah Kimedy for Fusly 1252-

Sir,
Para. 1. I have the honor to submit the annual accounts of the Settlement of the Purlah Kimedy Zemindary for Fusly 1252-

2- Owing to the partially unfavorable turn of season in the Fusly 1252 in the Estate and to the great fall in the price of grain consequent on the cheapness of it at Arracan which has drawn away thither much of the trade, some balance remained outstanding against the Moostagers. Mr. Bannerman personally enquired into the state of the balances as well as the condition of the Ryots and

Inform. 11th april 1844.

Read letter from the Collector of Vizagapatam of 16th March 1844- giving cover to a letter to his address from the acting collector of Ganjam under date 12th of the same month and suggesting that in levying duty on Sugar credit may be allowed for the duty previously paid on the Jaggery from which such sugar has been manufactured and that a fixed rate of conversion between Sugar and Jaggery may be established for that purpose.-

Here enter No. 19.

Proceedings thereon- This question has in a great measure been settled by the passing of the late Act No. VI of 1844- Duty is now leviable on such Jaggery only as may be imported into the Districts subject to the Madras Presidency by sea or across the land Frontier- Sugar also unless exported by land or by sea to places other than great Britain is free of all duty- under these circumstances and consider=ing that it would be scarcely possible to distinguish the Jaggery imported

imported into any given District from that which is produced within it - and adverting to the general relief given to trade by the enactment - above referred to the Board are of opinion that in charging land or Sea customs duty on Sugar no allowance should henceforth be made for any duty alleged to have been previously paid on the Jaggery from which such Sugar was manufactured -

Order thereon (47-48) Ordered that a Copy of the foregoing Proceedings be forwarded to the Collectors of Vizagapatam and Ganjam.

F. C. C. Lovell Esqre Acting Secretary to the Board of Revenue in their capacity of Court of Wards - Fort St. George

(49)

From T. Pycroft Esqre Agent to the Govr &c. Arbathnot Esqre &c. &c. Sir, = nor Vizagapatam -

Submits Statement of the debts of the late Cor= =paum Ze= =mindar and requests the sanction of the Court of Wards for discharging the same

The Court of Wards are aware that Cosbadramah the late zemin= =dar of Coorpaum died considera bly in= debt and left her affairs in great con= =fusion. -

2 - Although nearly 3 years have elapsed since her death, no regular enquiry has been held, and the creditors have in consequence become very im= =portunate in their demands. -

3 Previous therefore to pro= =ceeding to the neighbourhood of the zemindary for the purpose of making the annual settlement, I issued a proclamation requiring all parties who had claims on the Estate to come forward and substantiate them before me and I now beg to submit for the consideration of the Court of Wards a Statemen of debts which in my opinion ought to be immediately discharged. =

From

Fort St. George 22d April 1844.

4 From this Statement it will be observed that the liabilities on the Estate amount at present to Rupees 24072-15-9. of this amount the creditors consent to forego the sum of Rupees 6789-14-2, leaving the sum of Rupees 17283-1-7 to be discharged.

5 Two of the Creditors however hold Villages on the condition that a portion of the Rent is to be annually credited on account of their debts, and I am satisfied that we shall better consult the interest of the Estate by leaving the Villages in the hands of the renters, than by adjusting the debt by a ready money payment. Deducting therefore the amount of debt to be thus gradually discharged, Viz. Rupees 5320-8-4 there remains a sum of Rupees 11962-9-7 to be paid to 9 individuals

6 From the irregular manner in which the accounts of the Zemindar were kept it was no easy matter to ascertain what claims were valid, but the family admit those entered in the accompanying Statement, and I have perfectly satisfied myself that they could

Fort St. George 22d April 1844.

not be successfully resisted, if the creditors were to urge their demands by a prosecution in a Court of Justice.

7 The Principal Creditor entered in the Statement is M. Suntosharoydoo who was the Dewan of Soobadramah the late Zemindar and who has been appointed guardian of the Minor.

8 Soobadramah seems to have been in the habit of borrowing money from him whenever she required it, and on every occasion she appears to have executed a Bond in his favor.

9 In these bonds it is generally stipulated that all repayments are to be entered on the back of the document and that the Bond itself is to be returned when it has been discharged in full.

10 M. Suntosharoydoo holds 24 Bonds of the above description and though it has been asserted that payments have been made which were not entered in the accounts or on the back of the Bonds, still as we possess no means of proving this

Fort St. George 22d. April 1844

this, and as the amount which the creditors agree to forgo considerably exceeds the amount of the items objected to, I am of opinion that he is fairly entitled to recover payment of the amount claimed Viz. Rupees 8,873-1-2 especially as the Family fully admit the fairness of the proposed settlement.-

11. The 2d. and 3d. creditors are not to receive any payment in cash, but to recover the amount of their debts from the Rent of the Village now in their possession.-

12.- The rest of Creditors all on bonds, and as the amount of their claim is small it does not seem necessary to occupy the time of the Court of Wards by detailed remarks on their demands which have been proved to my satisfaction to be just and reasonable.

13. The Creditors entered as No. 11, are two brothers who have preferred two distinct claims, 1st to Rupees 593-3-1 being the amount decreed in their favor previous to the death of the late Zemindar 1st by the Auxiliary Court, and 2dly in appeal by the Provincial Court. This of course cannot be disputed.-

14.- Their 2d. claim is for Rs. 2,000

Fort St. George 22d. April 1844.

For this amount they had instituted a suit before me in my Judicial capacity which I referred to my Junior Assistant who since the death of the Zemindar passed a Decree in their favor for the amount sued for.-

15. This decision might be set aside for informality, as the trial was an ex parte one, and the guardian was not named as a Defendant nor allowed an opportunity to defend the suit. but I have perused the record of the case, and am satisfied that the claim cannot be successfully resisted. I have therefore thought it better to compromise the matter, and I have agreed to pay on my own responsibility the full amount of the first claim, and the sum of Rupees 1333-5-4 on account of the 2d. on the parties granting a receipt in full of all demands.-

16. I trust that the Court of Wards will approve of my having done so, and that they will grant me their sanction for the payment of Rupees 1,962-9-7 from the funds of the Estate which are more than sufficient to provide for the payment.

No. 1.

Revised Decree of the Provincial Court of Appeal for the Northern Division

Original Suit No. 47 of 1834.

Plaintiff } Versus.
Vaudravoo Sonapah }

Northern Provincial Court File

Defendant
Vaudravoo Soondarapah Son and heir of Vaudravoo Woomapaty (late Defendant)

G. Seetiah Vakeel.

B. Bala Kristna Sastry Vakeel.

(Signed) J. Horsley
Acting 1st Judge.

1. This Suit having been replaced on the file of this Court under instructions from the Court of Sudr Udalut contained in their Proceedings of the 11th July 1842, the acting 1st Judge proceeds to pass a fresh Decree in the Suit.-

2. The Plaintiff in his Plaint states that he is the ninth in descent from Vaudravoo Jagannadhum, who first acquired the Vagayemmapettah Zemindary & mentions the successive holders of the Zemindary and shows that the eldest Son always inherited the Zemindary and Managed it.-

3. That his Grand father Sonapah

Fort St. George 22d April 1844.

Sonapah had five Sons of whom Soondarapah Plaintiff's father was the eldest and Woomapaty the Defendant the second Son.-

4. Plaintiff's Grand father being from age unable to manage the Zemindary delivered it over to his eldest Son Soondarapah's management, and in July 1798 when the Board of Revenue called on the incumbent Zemindars to report the usage of succession in their families, and to state who were, according to such usage their successors, the Plaintiff's Grand father reported that his eldest Son Soondarapah was his successor, and as such had then the Management of the Estate.-

5. That as Plaintiff's Grand father was alive on the 9th June 1803 when three permanent Cowles were granted, the Cowle for this Estate was made out in his name.-

6. The Defendant could never have Succeeded to the Zemindary he having been appointed Curnum to the Villages of Wootroomally and Mittoorooly as shown by the list of Curnums made out by Plaintiff's Grand father dated 3d November 1805.-

7. Plaintiff's Grand father being about to proceed on a Pilgrimage

Fort St. George 22d. April 1844

Pilgrimage to Ramiseriim took Plaintiffs father to the Collector's Cutcherry and publickly acknowledged him as the Manager of the Estates.-

8- Plaintiffs Grand father went to Madras in April 1808 and Plaintiff was born in March of the same year, on the 27th. of May 1808 Plaintiffs father died, Plaintiffs Mother died five days after Plaintiffs birth, Plaintiffs Grand father remained a year at Madras and twenty days after his return home, that is, on the 8th. June 1809, he died, Plaintiff was therefore only fifteen Months old when his Grand father died.-

9- Such being the case, the Defendants took possession of the Zemindary and had his, and his brother's names entered in the Collector's registry of the Zemindary

10- That in March 1826 when the Plaintiff came of age, he applied to Defendant to put him in possession of the Zemindary before Mediators on the 9th. May 1826, when the Defendant promised to

Fort St. George 22d. April 1844.-

to do so in a few days.-

11- The Defendant not having performed this promise, the Plaintiff sues him for Rupees 20500 being the amount of profits from fusly 1236 (1826) to 1240 (1830) the Zemindary being then under attachment, also for the Zemindary of Vagayemmapettah annually yielding Rs. 14,000 and also for the subsequent profits of the Zemindary until it is put into Plaintiffs possession.-

12- The Defendant in his answer States that the Custom of the family has been for the eldest Surviving Son to succeed to the Zemindary and for the other Members of the family to receive an allowance that Defendants Grand father had Six Sons, the eldest was Venkata Jogy, he died before his father, and the second Son Somapah, Defendants father succeeded on his father's death, and paid an allowance to Venkata Jogy's Son as long as he lived Defendant being the eldest Surviving Son at the time of his father's death he succeeded and his father executed a Sunnud appointing Defendants his Successor and fixed an allowance of 70. Pagodas a year to be paid to his other

other Sons and Plaintiff this Defendant paid to the date of the attachment of the Zemindary.-

13. The Plaintiff was not born in the Month of March 1808, he was born in October 1807 under the influence of a danger= =rous Planet and the Hindoo Law says that the Son or daughter born under that Planet Should be caste away, and his Mother died Seven days after his birth.-

14. The Plaintiff having been w= born under this Planet his father Sent him away and he was adopted by his Maternal Grand Mother Pallagemmee Ammee, by this adoption, Plaintiff was not entitled to any Maintenance out of the Estate but his Grand father out of compassion gave him the same allowance as his other Sons.-

15. That Plaintiff's father never had the Management of the Estate, Defendant managed the Zemindary both before his father went to Madras and after his return home.-

16.- The Plaintiff gave receipts for the Monthly allowance paid to him and which are in the Rajahmundry Collector's

Office.-

The Defendant being entered

17. as a Merasidar of Wootroomilly and Matoocoomilly does not incapacitate= him from holding the Zemindary.-

The Defendant denies that

18- Plaintiff ever applied to him for the restoration of the Zemindary.-

The Plaintiff in reply states

19- that his great Grand father had no Son before Somapah, this will be proved by the Vumsavully Papers.-

20. That Plaintiff's Grand father executed a deed appointing Defendant this heir is false.- On the 7th June 1809 the Collector made a demand for the arrears of revenue for May. at the time this demand was made, Plain= =tiff's Grand father was dead.- Defendant in his reply to the demand, said the Money should be paid in twenty days, but made no mention of this Summad in his reply- An arzee was written to the Collector by Plaintiff's Grand father on the Same day that this Summad is dated, if any such

Summad

Fort St. George 22d. April 1844.-

Summud had been executed by him he would have mentioned it in his arzee, which he did not.- This Summud had been presented to the Collector by Defendant on some other occasion and when Defendant by an arzee applied to have the Summud returned to him the Collector endorsed on the arzee that he would not return the Summud as it was a forgery.-

21. The Plaintiff denies that either he or his maternal Grand Mother for him received any allowance from Defendant and he asserts that he was born in March 1808.

22. That the arzee written by Plaintiff's father to the Collector, from the Cowles and Cudapahs given to the Ryots it will be proved that Plaintiff's father Managed the Estate for his father and not the Defendant.-

23. The arzee addressed by Plaintiff's Grand father to the Collector dated 21st May does not prove that Plaintiff was rejected by his father- if that arzee contains the names of Defendant and his brothers, it might do so, but as it does not how can it bear against Plaintiff only.-

24. Had the Summud which Defendant speaks of, been executed by his father, the Defendant would have made it known to the Collector or

Fort St. George 22d. April 1844.-

or to the Zillah Judge, who would have sent a report to the Board of Revenue and the Defendant would have had the Estate given over to him, as this was not done, it is clear the Defendant never shewed the Summud to either the Collector or Judge.-

25.- The Defendant in his rejoinder merely asserts that the facts stated in his answer are correct.-

Plaintiff's Witnesses 6 Documents- 22.-

Defendants Do — 5 — Do 23.-

26. The Plaintiff's 1st Witness states that Soondrapah, father of Plaintiff, was the 1st Son of Somapah and Woomapaty the father of the Defendants, was the second Son, that Plaintiff is his father's only son he was born in February or March 1808, that Soondrapah managed the affairs of the Zemindary for his father Somapah- after Somapahs death the Collector issued an Enquetnamah for the balance of revenue, Woomapaty answered the Enquetnamah and since that, the Collector issued orders to Woomapaty- after Somapah's death the Zemindary was in the name of Woomapaty and after his death in the name of his eldest Son, the Defendant, the Zemindary is now attached

Fort St. George 22d. April 1844.-

attached for arrears of revenue, the eldest Son always succeeded to the Zemindary as Plaintiff was brought up in Woomapaty's house, his paternal and Maternal Grand Mothers supported him, the Somapah, Plaintiff's Grand father, made no provision for the Succession to the Estate. Plaintiff's Grand father Somapah had four brothers of whom Somapah was the eldest, the other brothers left no issue, the Signature to Defendants document No. 57 (a Will executed by Somapah to his Son Woomapaty nominating him as the Successor to the Zemindary) is not that of Somapah.-

27. Plaintiff never received any Money from Woomapaty the Signatures to Defendants Documents No. 58 to 69 (receipts given by Plaintiff and his Guardian for sums received for Maintenance) the Witnesses does not think are Plaintiff's.-

28. Plaintiff's Grand father wrote to Mr. Branfill, the Collector, stating that the eldest Son always Succeeds to the Zemindary (Plaintiff's Documents No. 12 dated 29th. September 1798) was present when

Fort St. George 22d. April 1844.-

when the arzee was written, Saw C. Jogeraza and P. Juggarauza attest it, recollects that Mr. Branfill sent an Enoyetnamah to Somapah in 1797- when Plaintiff attained his Majority he complained to the Collector about the Zemindary- The Nos. 1 and 70 appear to be Signed by Plaintiff (these two papers Nos. 1 and 70 are Vakalatnamahs executed by Plaintiff to different Vakeels in this case).-

29. The Plaintiff's 2d. Witness States that Plaintiff's father Soondarapah died in 1808- Woomaputty died in 1836, 37, or 38- Soondarapah was the eldest Son of his father, Woomapatty was the Second Son- Plaintiff's Grand father Somapah died in 1809- Plaintiff is the only Son of his father he was born in 1808, does not know the date, the Permanent Cowle was granted in the name of Somapah, ex Plaintiff's Grand father Plaintiff's father managed the affairs of the Zemindary but as he died before his father he never held the Zemindary after the death of Plaintiff's Grand father Somapah, Woomaputty took Possession of the Zemindary.

the

Fort St. George 22d. April 1844.

the Plaintiff at the time was only 1 year and 4 Months old - Speaks of the demand made by Collector of balance Revenue, the Woomaputty answered, but never informed the Collector that his elder brother Soondarapah had left a Son, who according to the Custom of the family ought to have succeeded to the Estate - the Collector being ignorant of this circumstance directed Woomaputty to take Charge of the Zemindary - Plaintiff lived in Woomaputty's house under the protection of his paternal Grand Mother and aunt - no Money was given for Plaintiff's maintenance - his expenses were paid like the expenses of the other Members of the family out of the family Estate - Woomaputty his brothers and Plaintiff all lived Jointly - Somapah, Plaintiff's grand father made no arrangements regarding the succession to the Estate - when Plaintiff attained his Majority he asked Woomaputty to deliver the Zemindary to him, he refused - Witness knows that the eldest Son has always inherited the Estate, this has been the case for

Fort St. George 22d. April 1844.

for the last nine generations and is still the Custom - Witness knows the signature of Plaintiff's grand father - up to the year 1802/3 he signed himself Vadravoo Somapah Despondiah Circar Rajah-mundry - the seal he used up to that time was a square seal and the impression was the same as the signature in the persian character - after the Permanent Assessment he signed himself as Va. Somapah Zemindar Mattay Vogagyemmapettah - he then used a round seal - the impression was the same as his signature and in the Nagarum Character - (the 1st. Witness deposes to this fact also) - the square seal was never used after the round seal was made - the signature to Defendants' document No. 57 (the Will dated in 1809) is not Samapahs' and the seal to it - (in the square form) is not his - the signature to Defendants' document No. 58 to 65 (the receipts for maintenance) are not the Plaintiffs' - the signature to No. 1 and 70 (Vakalutnamahs) are not Plaintiffs' - on again looking at the papers he says that the signature to No. 70 is Plaintiffs and that badness of sight caused him at first to say the signature to No. 70 was not Plaintiffs - Woomaputty and his brothers said that from fasly 1236 to fasly 1246 they used to clear between 3 or 4000 Rupees by the Zemindary - the accounts for

for 1830 were lost in the storm three years ago (1836) the other Accounts Witness delivered to the Collector when the Zemindary was attached.— Mr. Branfill ordered Somapah to report the case of succession in the family, and who would succeed him.— Somapah sent an arzee to the Collector on this subject, (relates the purport of Plaintiffs' document No. 12) this was in the year 1797.— was present when the arzee was written and saw the Witnesses, as mentioned by 1st Witness attest the arzee.— Somapah's father had three wives, by the 1st Wife he had two sons, by the 2d. Somapah and another son.— by the 3d one son. When Somapah succeeded his father, only himself and the 3d Wife's son were alive.— Witness was ten years old when Somapah succeeded his father from 1826 to 1830 the Collections from the Village of Vagoyemmah pettah were 100 or 120 Rupees less than the fixed Berij which is Rupees 2,500.—.

30.— The 3d Witness states that Plaintiffs' father managed the affairs of the Zemindary for 18 years.— states that he saw the arzee addressed by Somapah to the Coll. (Plaintiffs' document No. 12) after it was copied fair.— Witness was then ten or twelve years old that the Vakalatnamahs No. 1 & 7 bear

bear Plaintiffs' signature,— the signatures to Defendants documents Nos. 58 to 65 are not Plaintiffs.—

31. The 4th Witness is Carnavan of Vegoyemmah pettah produces a Sunnud written by Somapah to Witness's Uncle (Plaintiffs' document No. 79 dated 1776/77) this document is produced to shew the seal and signature of Somapah but the signature instead of being as the 1st and 2d Witnesses describe Somapah to have signed his name is merely the first syllable of the name with the flourish used by all zemindars, the seal is square, and there are some persian characters to be traced not sufficient to enable any one to say what the impression is.— the document is also written on Europe paper, and the water mark shews the maker's name "J. Whatman," but it seems very doubtful that English made paper should have been so common sixty seven or sixty eight years ago that a Zemindar would write his Carnum on common Meraasee business or such paper, or that paper manufactured so many years ago would be of the quality of the paper on which this document is written. Moreover the ink is as black and fresh as if the paper had only been written a few years ago.—

mark these receipts - No. 69 was attested by I. Chendrapah and H. Datchana Moorty No. 67 was written by Datchana Moorty - Did not see Datchana Mooty attest No. 69 does not know this mans hand writing - Knows P. Sonbiahs signature to Nos. 66 & 67; heard that Womaputty would succeed his father in the Zemindary; thinks he inherited as being the elder surviving son according to the Custom of the family, Soondrapah, Womaputtys eldest son, inherited the Zemindary after his father's death. —

37. The 4th Witness states that Somapah had five brothers, the eldest Venkatajogee the 2d Somapah, Plaintiffs Grand father, - Witness heard that Venkatajogee died before his father; did not hear whether he left any issue - Plaintiff was born in 1806 - Witness heard from his father that Soomapah left a Will making Womaputty his heir, does not know the seal and signature of Soomapah; never saw the Will - Polagoomma ammee, Plaintiffs Maternal Grand Mother had charge of him until he was 10 years old; she received maintenance from

from Womaputty on his account - afterwards he was under charge of his Paternal Grand Mother and his Aunt in Womaputtys house - 7th Witness attested the receipt No. 66; - Plaintiff never asked Womaputty for the Zemindary until after it was attached. —

38. The 5th Witness states that Plaintiff was born in 1806; Witness was then 9 years old; Witness was in Womaputtys employment as Sheristadar, Tansildar and Vakeel - The Zemindary was attached in 1830 - Plaintiff was under the care of his maternal Grand Mother Polagoomma ammee - knows Plaintiff received as Pagodas 70 per Annum as maintenance; after he was 18 years of age; the documents No. 58, 59 & 61 were written by Plaintiff and bear his signature; the hand written and signatures to Nos. 60, 62, 63 - 64 and 65 witness thinks are Plaintiffs; Plaintiff did not claim the Zemindary until 7 or - 8 years after he attained his Majority - Witness was appointed by Womaputty as the guardian of his sons; Witness wrote the two Vakalatnamahs which were executed by Defendant to his Vakeels in this suit. —

39. The Plaintiffs 1st and 2d Witnesses assert

Fort St.e George 22d.e April 1844.—

assert that the eldest son always succeeds to the zemindaree on the death of the father this is not disproved by the Witnesses for the Defendant and is corroborated by Plaintiffs document No.e 12— The Defendant in his answer states that the eldest surviving son succeeded to the zemindaree and as an example urges, that Venkatajogee was the elder brother of Somapah, that this son having died before his father, therefore Somapah inherited the Zemindary; the Defendant however does not say whether Venkatajogee left issue or not and thus leaves it doubtful, whether Somapahs succession and Woomapatty's succession are parallel cases; the Witnesses for Defendant however clear up this doubt and shew that the cases are not parallel, for they state that to the best of their knowledge Venkatajogee left no issue, consequently his rights terminated with him and Somapah then became the next male heir but as Soondrapah the eldest son of Somapah left a son and his rights are continued in his son, the Plaintiff.—

40. The Defendant objects to the succession of the Plaintiff on the grounds that he was born under a dangerous

Planet

Fort St.e George 22d.e April 1844.—

Planet, and states that according to the Hindoo law he should be cast away, and states that Plaintiffs father was recommended to put away the infant, and not keep him in the house and therefore Palagammiee an Ammee Plaintiffs maternal Grand mother took him away and brought him up.—

41. Plaintiffs document No.e 46 is the correspondence between the Government and the Board of Revenue regarding this Zemindary. In the letter to the Chief Secretary to Government from the Board of Revenue dated 14th.e March 1833 it is stated that the present possessor (Woomapatty) having been called on to explain his title to the Zemindary to the prejudice of the rights of his elder Brothers son, states that a testamentary deed was executed in his (Woomapatty's) favor by his father (Somapah) and moreover the Petitioner (Plaintiff) when an infant was given in adoption by his father to his Grand Mother.—

42. The Defendants' Witnesses state that Plaintiff was under the care of his Maternal and Paternal Grand Mothers and also of his aunt and that during his Minority he was in

Woomapattys

5849 Fort St. George 22d. April 1844.

Woomapathy's house.—

43. The facts as stated in Defendant's answer are contrary to what he stated in his explanation to the Board of Revenue and are also disproved by his own Witnesses.—

44. The Defendant founds his claim on the Will, Defendant's document No. 57. left by Somapah in favor of Woomapathy.—

45. The Plaintiffs' Witness declare that the signature to this document is not that of Somapah. The 1st Witness nominated by Defendant is the only one who pretends to know Somapah's signature, but the evidence of this man is of such a nature that it is impossible to give any credit to it. The appearance of the signature itself is sufficient to throw doubt on its being genuine the first line is composed of the words "Dushatoo Vadravoo Somapah Zameedaroo," the whole of this is written in very dark ink, except the vowel A and Syllable ra roo in daroo, these are in light coloured ink, and the syllables Zamee and the letter d, in the word "Zemmindaroo" look as if some other letters had originally occupied this place, and these letters had been written over them, the side of the paper on which

5850 Fort St. George 22d. April 1844

which the seals are impressed instead of being straight is quite crooked, and evidently appears to have been cut off from another piece of paper for the purpose of retaining the impressions, the impression of the lower part of the seal of Saganadarauze has evidently been obliterated with ink, there being there these very suspicious circumstances on the face of the document, the seal of Somapah cannot add authenticity to it, because Woomapathy having got possession of the Zemindary he of course got possession of the seal and could himself have put it to the paper.

46. Independant of all the above facts and evidence which bear against the validity of these documents, there is another fact conclusive against the deed.

47. Somapah in 1798 had been called upon by the Collector to state the customs of the family regarding the succession to the Zemindary. In his reply he states his eldest son Soondra-pah was managing the affairs of the Zemindary and he requests that Soondrapah may succeed to the Zemindary on his death.—

On Sunday 7th Justo 21st May 1809 Soondra Soobiah,

48. Somapah wrote to the Collector Mr. Long he states that while at Madras he heard of the death of his eldest son Soondrapah who managed

managed his affairs, he is consequently in great
grief; every thing is in confusion; that he will
call on the Collector in ten days and make a per-
sonal report to him of his circumstances. The
Will Nº. 57 is dated the very same day as this
arzee to the Collector and the 1st. Witness for
Defendant says that Sonapah died twenty days
after the Will was executed.

49. In the arzee to the Collector,
Sonapah says nothing of having executed
any Will, and although he says that in ten
days he will call upon the Collector and
make a personal report of his circumstances,
this is nothing more than a common native
expression, and Sonapah knowing as he did
that Government wished for information re-
garding his successor, he would not, after
mentioning the death of his eldest son, have
omitted this important fact, that he had
made Woonaputty his heir, when in the last
para of his letter he tells the Collector he
cannot procure the coin for him as none is to
be had in his zemindaree.

50 The Plaintiffs' Witnesses depose
that in their opinion the receipts, documents

Nos.

Nos. 58 to 65, are not genuine. The Defendant's
1st. Witness states he attested the receipts given
by Plaintiffs' Grand Mother Nos. 66 & 67 and
thinks Nº. 58 to 65 given by Plaintiffs are in
Plaintiffs' writing.

51. The Defendant's 3d. Witness at
first says he heard that receipts were taken
from the Plaintiffs' Maternal Grand Mother
for his maintenance and then declares he wrote
Nº. 69 and attested Nº. 67, but cannot recollect
if he saw the woman mark these receipts.
he states that A. Dutchanamoorty attested
Nº. 69 and then, that he did see the man attest
the receipts, states that Dutchanamoorty wrote
67 and then that he does not know this man's
hand writing.

52. The 4th. Witness states he heard
that Woonaputty paid the maintenance for
Plaintiffs, and then says he was present when
Plaintiffs' maternal Grand Mother received the
Money and he attested the receipts Nos. 66.

53. The 5th. Witness deposes positively
to the receipts Nos. 58-59 & 61 as being in
the hand writing of Plaintiff but is not
certain whether the signatures to Nos. 60-62 to 65 are
Plaintiffs' or not.

The

54. The evidence in support of these receipts are not worthy of credit and as it is beyond a doubt that the Will is a surreptitious deed, those who would fabricate that document would not hesitate also to fabricate the receipts.

55. The fact of the custom of the family regarding the succession to the Zemindary having been satisfactorily established as being vested in the elder born son, and not in the eldest son living at the time of the death of the incumbent, a question was put to the Hindoo Law Officer requiring him to state whether the rights of a son who dies before his father do or do not descend to his son. The Sudder ameen Pundit in his answer states that they do.

56. The Defendant having asserted that Plaintiff having been born under an evil planet, he was therefore an outcast &c. and deprived of his birth-right, according to the Hindoo Law

57. A Question was put to the Sudr ameen Pundit on this point, in his reply he states that according to the Hindoo Law a man born under the Planet Mercury and Saturn is

is not deprived of his rights, the Plaintiffs' rights therefore are as valid as if he had not been born under this Planet.

58. The only point that now remains to be decided is the profits of the Villages enumerated in the Plaint from fasly 1236 (1826) to 1241 (1831).

59. The Collector has furnished accounts for seven of these Villages during the above years, but the accounts for the three other Villages Viz.t Mottookoomillee, Goommelaroo & Moortepaudoo are not to be found in the Collectors' Cutcherry, they having been destroyed in the storm.

60. To enable the Court to form an opinion as to the net profits of these three Villages, an application was made to the Collector of Rajahmundry to furnish the Court with a Statement shewing the Collections for the five first years after the Zemmindary was in assumance.

61. The Statement of Collections for the five years fasly 1237 (1827) to 1241 (1831), after deducting Saccary & Village expenses, are as follows upon the seven Villages.

the last 2 months upwards of 200 Garces of salt at the Salt Arms in this District, the Stock of Salt on hand for home sales is extremely small, being about 97 Garces in the Pellapore Pans and 76 Garces at Mogultur, I shall therefore be obliged to commence the sale of some of the new Salt before the whole amount contracted for has been delivered. I have up to this time been unable to procure any spontaneous Salt, which the Brinjaries particularly prize. It was generally thought that the rains in December had completely interfered with its production, but I have now the honor to state that I have received a report informing me of a recent spontaneous formation of very excellent Salt, and in consideration of the small quantity in Store and the increased temptation to steal consequent on the increased price, I deem it very desirable that this Salt should be preserved and sold. In consequence of it being produced so late in the season, when heavy Showers of rain may be daily expected I have given orders for its immediate preservation, and I

I will forward in a few days an Estimate for the Expence as soon as any idea can be formed as to what quantity there is. I trust the Board will approve of this measure. Care will be taken that the expence shall not exceed the amount sanctioned by Government on a similar occasion on the 7th April 1841. To destroy the abovementioned Salt by treading it down by Cattle as is usually done, would require a considerable outlay, and I have therefore thought it more advisable to lay in a good supply, trusting that sanction will be granted in consideration of the reduction of the Salt in Store by the large and unexpected demands of the Brinjaries.

Date 1.

In reply to your letter of the 28th Ultimo, I have the honor to inform you that the several Sayer Establishments in my Huzzoor Cutcherry and in the Talooks were discontinued, according to the orders of the Board on the 1st of April. a notification to this effect has also been extensively circulated throughout every Talook. A List shewing the names of the Chaukeydars at the Frontier chowkies with the extent and Cost of their several Establishments is herewith enclosed.

Para 1

Sir,

I have the honor to acknowledge the receipt this day of your letter dated 28th Ultimo directing that from and after the 1st of April the price of Salt sold for inland or Home consumption may be raised from 115 Rupees per Garce to 1-8-0 per Maund of 3200 Tolas, and to report that as it would be impossible to commence from this day the sale of Salt by weight, no scales or weights being ready, and further that to sell by weight Salt stored by measure would open a wide door to fraud, I have ordered that the Sales shall continue as at present to be made by the Measure, the price only being calculated at 1-8-0 per Maund at the rate

Fort St. George 22nd April 1844

of 120 Maunds per Garce in other words at 180 Rupees per Garce, I would beg to recommend that this course be continued with the Salt now in Store.

2. I await further instructions as to whether the Salt is in future to be received into Store by weight, and as to the mode of procuring the requisite supply of Scales and weights.

3. By the letter now acknowledged as the terms inland or Home consumption are used, I understand that these instructions apply to all Salt not exported by Sea, including that sold for consumption beyond our inland frontier, as well as for consumption in the Company's Territory. From your letter of the 28th Ultimo I understand that Home consumption was meant to exclude Salt carried inland to the Nizam's or other foreign Territories.

Submitting a letter from the Collector of Bellary and recommending for stated reasons that the Scavenger Establishment at a yearly cost of Rs. 1815 sanctioned by the Supreme Government on the 21st

From Board to Chief Secretary 20th July 1843 Order No. 1230

in Cons. 18th April 1844.

the Collector of Bellary under date 8th. April 1844.

2 From this it will be perceived that a Scavenger Establishment at a yearly cost of Rupees 1815 for the purpose of cleaning the Streets of the principal towns in the Bellary District was sanctioned by the Governor General in Council on the 21st October last "as a present arrangement, until the question of abolishing the Town and Transit duties shall have been settled." The taxes referred to having recently been abolished by the Act No. VII of 1844. Mr. Mellor has found it necessary to bring the Circumstance to the notice of the Board, and to solicit further instructions on the subject.

3 In the letter from the Chief Secretary of this Government to the Officiating Secretary to the Government of India dated 18th September 1843 it is stated that "His Lordship in Council has reason to believe "that should the Town and Transit duties be "abolished, it will not be difficult to "transfer to the Community at large the expense "borne by the State, in such Remedial measures "as are now proposed." "Had these Taxes been relin-quished without an equivalent, such a measure would not indeed have been attended with difficulty

Fort St. George 22d April 1844

difficulty, but the recent relief from the Sayer duties has been accompanied with a Considerable advance in the Manufactures of Salt, and from their Notification of the March 1844 it would appear that the Supreme Government look to the additional Income to be derived from this source as a compensation for the deficit which may be expected to result from the abolition of the Land Custom duties. The increase in the cost of this Commodity will also more peculiarly affect the inhabitants of the Interior where, in Consequence of the greater distance from the places of manufacture, and the heavier charges attendant on the transport of so bulky an article, by land Carriage, the price of Salt is already higher than in any other part of the Madras Government. Now in the opinion of the Board, could the charges of the establishment now under consideration be met by any increase in the taxes on trades or professions as the amount realized would be steadily and naturally in the Districts is at present largely in excess of that yielded by any other of the Madras Provinces.—

Fort St. George 22d April 1844

Under these circumstances and adverting to the importance of the measure as conducive to the health and comfort of the Community and to the very moderate expense attendant on it, the Board beg strongly to recommend that the scavenger establishment mentioned in Mr. Mellor's letter may be continued at the public charge.

Para 1. I have the honor to acknow: -ledge the receipt this day of your Circular letter dated the 28th Ultimo, and in conformity with the

Fort St. George 22d. April 1844

instructions therein conveyed, I have discontinued from this date, the several Sayer Establishments in the Talooks of this District, and also published Notifications in the Language of the Country of the important measure now sanctioned. The Amildars were likewise directed to announce the same on the receipt of the order, by beat of tom tom in every Village, Town, market place, &c. &c. for the general information. -

2 Although the letter now under acknowledgement does not contain specific instructions regarding the Town Duty which has been rented out for the Current Fusly 1253 A.D. 1843/44 with the sanction of the Board on the particular articles Viz. Betel and Tobacco for about 71,000 Company's Rupees, I have nevertheless, in virtue of the order conveyed to me, thought it my duty to issue strict injunctions to ensure the entire discontinuance by the Renters of the collection of the Town Duty from the date the orders reach them. The Amildars will take charge of the Scales &c. &c. from the hands of the Renters at the same time, and take every other precaution in

in their power against the exercise of abuse-

3. The Board are aware, that the Rent was granted for 12 Months under certain bowles, of which 8 Months and 20 days have expired up to 31st. March 1844, leaving 3 Months and 11 days still unex-=pired, and during which, had the order not arrived, the Renters would have had the privilege of collecting the duty under the strict letter of the agreement. I fear that Claims of having sustained loss in the interval will be preferred by the Renters on the score of the change taking place before the term of the bowle was at an end.-

4. The only duty to be levied in future is that of "Frontier" for the collation of which as at present I have likewise issued directions to the Amildars. But the List of Frontier Chowkies to be maintained is under preparation and will be forwarded with all the Particulars necessary to accom-=pany it as soon as possible.-

5. I have acted upon the said present orders as they were received. But I believe I shall have occasion to trouble the Board

Board with several matters connected with the subject and with reference to certain im-=portant points contained in my former

25th Sept. 1843. letter for their orders, and which will be sub-=mitted in separate Communications. But in the mean time, the order being peremp-=tory no exceptions made, and the arrange-=ments to be afterwards concluded with these Renters involving a trifling amount com-=pared with the great Revenue at once given up, I have carried out the order agreeably to the letter and spirit of the instructions

To

Fort St. George 22d. April 1844

To E. C. Lovell Esqre

Acting Secretary to the
Board of Revenue
Fort St. George.

Sir,

(81)

From the Collr. of Chingleput. } Para 1. I have the honor to acknowledge the receipt of an Extract from the Proceedings of the Board dated the 11th Instant, calling upon me to explain, for the information of Government, in what manner I contemplate that the Stamps required for stamping Mercalls may be used, with a view of preventing fraud, and to state in reply, that the Mercalls and other Measures in use in the Villages, are very unequal in capacity, giving rise thereby to constant disputes and quarrels and that it was, at the urgent request of many of the people, that I suggested the furnishing the different Heads of Police with Stamps in order that any person bringing their measures to their Cutcherries might, on their being verified, have them Stamped as correct.—

2 My Office having already been

Fort St. George 22d. April 1844

been furnished, under the former orders of Government, with standard weights and measures, it was intended that one of each Kind which had been examined and found correct in my office, should be Kept in the Taluk Cutchery as the standard of the Taluk, and by those, such as were brought to be stamped were to be proved. It was not intended to Compel any person to sell or purchase by the standard measure, or to have their measures stamped but any person having had a measure verified and stamped, would, in the event of his subsequently altering it with a view to fraud, be liable to punishment.—

Sir,

Para 1.

S. D. of Arcot

With reference to your letter

on the Village Moonsiffs of his District 23d April 1844.

letter I have the honor to inform you that I thought it necessary to call upon the Acting Sessions Judge at this Station to furnish me with certain returns to assist me in forming an opinion as to the amount of benefit which have been derived by Village Moonsiffs exercising Civil power under Clause First Section V Regulation IX of 1816 and the Satisfaction they had afforded. Two of these returns I beg to enclose and to offer a few observations as to the causes which have led to so partial an exercise of the duties of the Village Civil Tribunals—

2. The enclosed return No 1 exhibits the number of suits (1110) preferred to the Talook Moonsiffs in this District during the past seven years which might have been decided by the Village Moonsiffs and No 2 exhibits the actual No of suits (263) decided by the Village Moonsiffs during the same period. The advantages that would ensue to the community by a prompt and impartial discharge of their duties by Village Moonsiffs to induce people more generally to resort to the

Fort St. George 22d. April 1844.—

the Village Tribunal in preference to the Civil Courts are too apparent to need remark. The heavy expense, loss of time and other vexations which they necessarily incur, would it may be supposed deter them from resorting to these Courts in preference to the Village Tribunal, but unhappily it too frequently occurs that the desire of entailing these very evils on their adversaries is an inducement to parties to report to the Civil Courts and the Petitions daily presented both in the Police and Revenue Departments bear testimony to a great dislike and want of confidence on the part of a great portion of the Village inhabitants towards their Village heads, and relations for which feelings I fear strong grounds often exist—

3 It will be observed, that the greatest portion of the Suits exhibited in Statement No 2 have been decided by the Village Moonsiffs within the jurisdiction of the Tindalore District Moonsiff's division. This however is to be attributed to most of the Village Moonsiffs as well as the people in this Division being a better Educated class, and

Front St. George 22d April 1814.

and this latter remark will also apply to the Villapooram and Chel= =lumbrum District Moonsiffs division. From my experience of this District and the habits of the people I am of opinion, that the advancement of the System to the extent anticipated has been greatly impeded by the difficulty of getting competent persons to fill the Office of Village Moonsiff, and to the ignorance of the people them= =selves, rather than to any en= =couragement which it has been in the power of the Civil Authorities to bestow having been with held. It is always usual to furnish Village

Front St. George 22d April 1814.

Moonsiffs with Copies of Regulations for their guidance, and when annu= =ally assembled for Settlement as on every other opportunity, they are encouraged to pay prompt atten= =tion to their Police and Civil duties.

4. The Office of Moonsiffs is partly filled by Monegars and partly by others who receive no re= =muneration from Government, and calculating that not 1/7th of the population of this District can read and write the difficulty of selecting from the Candidates, who offer, qualified persons likely to discharge the duties with any degree of Zeal and activity will

will be apparent, moreover the poverty of the generality of these Officers' acts as a check to any improvement either in their moral or social condition while they have before them the bad example of almost daily instances of corruption and partiality displayed by Native Servants in every Department of the public Service. I therefore conceive, that the attainment of the result anticipated might be promoted by securing a better and more educated class of men for Moonsiffs and by making their Situations of value to them; and this I would suggest might be done by Government granting them some remuneration either in land or money in proportion to the size of the Village over which they preside, and by requiring a certain amount of qualification from each candidate to be tested previous to his appointment.

Sir,

Para 1. In reply to your letter of the 28th ultimo requesting me to report regarding the particular nature of the Mauriems alluded to in a petition presented by Sreecunda Datchalar alias Iyergul Iyen, I have the honor to state that they appear to have been in the enjoyment of the Petitioner's family who are represented to have been priests to the former Rulers of the Country ever since the assumption of the territory by the British Government, but from the accompanying Extract from Mr Travers Register it will be seen that that Gentleman doubted the authenticity of the Grants— The Mauriems are of the description called "Battawarty" and a "poroopoo" or fixed tax of Rs. 93-5-4- per annum is paid by the petitioner's elder Brother who enjoys the possession of the Mauriems, to the Circar.

2. The object of the petitioner being to obtain a settlement of his disputes with his brother relative to the division of the Emoluments of the Mauriems, I see no objection to the matter being referred for decision to the Courts of Adawlut—

proceedings of the Collector as directed in the Extract from the Minutes of Consultation dated 3d February last- and supporting the Collector's request that the payment of 100 Rupees as a reward to the informer may receive the sanction of Government as a special charge

of the Most Noble the Governor in Council the accompanying letter from the Collector of Tinnevelly on the subject of the opium which was seized in the Month of April 1842- in Consequence of it's having been clandestinely introduced into the Port of Coolasigaipatam of the Tinnevelly District-

2. It will be remembered that the opium in question was attempted to be smuggled thro the Sea Custom House, concealed among sundry packages of asafoetida- The fraud was detected and the opium became clearly liable to Confiscation under Section VI Regulation III of 1818- As however its sale would not produce more than 265 Rupees, while the duty, at 40 Rupees per viss leviable under the Regulation above quoted would amount to Rupees 716-2-. it occurred to the Collector that it would be more to the advantage of the Public revenue and at the same time form a greater punishment to the smuggler who represented to be a wealthy merchant- if in place of declaring the opium forfeited, it were given up to its consequence and the full duty of 40 Rupees per viss levied from that individual- The

duty

Fort St. George 22d April 1824-

duty was accordingly paid, and 100 Rupees disbursed as a reward to the parties on whose information the seizure had been effected - The Collector in his zeal for the public interests, and as he has stated amid the multifarious duties of a very laborious district, overlooked the fact, that the course which he adopted on the above occasion was not borne out by the letter of Regulation III of 1818, which leaves to the Officers of Sea Customs no discretionary power in regard to the disposal of smuggled opium, but renders its confiscation imperative upon them. The Board having pointed out the irregularity of the Collector's Proceedings, the Government in Extract from Minutes of Consultation under date 3d February 1824 were pleased to direct that "the Board of Revenue should take immediate measures to annull them."—

2 Lons 4th March 1864-

3. From the letter now submitted it will be seen that it is not practicable to cancel the Proceedings of the Collector in toto "The article having passed into the hands of the Merchant, who has retailed it, and the fine (by which the Board understand

Fort St. George 22nd April 1824-

Mr. Thomas to mean the high duty of 40 Rupees per Viss) having been paid without demur - it is clearly impossible to replace matters on their original footing - As however the disbursement of the reward of 100 Rupees is strictly speaking irregular, the opium on account of which it was paid having neither been confiscated nor charged with Extra duty, the Collector has solicited that this payment may receive the sanction of Government as a special charge -

Section XX Regulation I- 1822- made applicable to opium by Regulation III 1818

The Board beg to support this request - on recent occasions where opium has been confiscated the Government have waived their own claim to duty, and have distributed the full value of the article among the persons thro' whose exertions it was seized - in the present instance the reward was only equal to 7/7ths of the duty realized on the article seized, and fell greatly below that which the smugglers "were prepared to give for hush money" Under these considerations and adverting to the necessity of affording every incentive to the detection of illicit traffic,

Fort St. George 22nd. April 1844-

traffic in a commodity such as opium — which bears so high a duty, and is at the same time so easily smuggled- The Board beg to recommend that the sum of 100 Rupees as above stated may be admitted in the Collectors accounts as a special charge.——

Proceedings thereon-

(112 A)

The subjoined abstract statement exhibits the increase or decrease as compared with the preceding year in the demand on each head of Extra Revenue for the Fusly under report. There has been an increase in the Layer Abkary and Moturpha Settlement, and in the profits on the Tobacco supplied to Travancore and Cochin- There has been a decrease in the sale of sandal- wood, Elephants and Elephants' teeth, in the sales of

Fort St George 22nd April 1845-

of stamps - and in the demand for sundry small Farms - The result is an increase in the aggregate of Rs 1165-7-4 if the surplus arising from the accumulations of the Tobacco Profits from Fusly 1237 to Fusly 1245, which is merely an item of adjustment, be as it should be, excluded from the settlement amount of Fusly 1251-

There has been an increase in the demands on each head of Sayer of that under A. B. & C. viz. of the Betel and Tobacco rents, and of the duty on Tobacco supplied to the states of Travancore and Cochin composing an aggregate increase of Rupees 16035-12-9 The Collections including extra and arrears amounted to Rupees 180591-13-11 - and exceeded those of Fusly 1251- Rupees 15418-5-5. In the charges there is an increase of Rupees 45-13-10 - above those of the preceding year, which it is stated, "has arisen from the amount of fines levied in the year being less than in the last, and also from the adjustment to this head of Rupees 34-4-" being the amount of charges incurred for the repair of certain Sayer choultries which in former years were always debited to the Head of Extra Revenue charges." The effect of the cause here last assigned in augmenting the charges of the year reported on is sufficiently obvious, but altho' a decrease in the amount of fines levied during the Fusly would of Course pro tanto diminish the Extra Collections it

is not apparent in what manner it could affect the Charges of the year- This should be explained- Deducting the Charges from the Gross Collections there results a remainder of Rupees 17,896—9—7. being Rupees 15,372-7-7. above the Net outturn of Fusly 1251—

Of the whole increase on the Abkarry being Rupees 10135- Rupees 6667- are the proceeds of the Neelgherry Farm realized from 10th April 1843 the Date on which the Hills were retransferred to Coimbatore- The remainder Rupees 3468- is the increase in this branch of Revenue which has occured in the other Talooks of the District—

4. The decrease in the outturn of the Small Farms and Licenses- and in the Sales of Stamps does not require comment. The increase in the Stamp charges proceeds from the Salary of the Stamp Darogah having been paid for the whole year- while in the preceding Fusly it was drawn only for a broken period—

was very inconsiderable- the decrease in the gross receipts as compared with Fusly 1251- in these three articles is Rupees 23045-12-8- This has been slightly compensated by a decrease in the charges from the smaller quantity of Sandalwood cut during the season- and by the sales of Teak wood, an item which does not appear in the Accounts of the preceding year- The decrease in the Net Revenue is consequently reduced to Rupees 21410—5-6—
