Extract from the Minutes of Consultation Under date the 22nd October 1844.

Transmitting Extracts from General Letters from the Honble Court of Directors dated 17th and 31st July 1844 with the resolution of Govt thereon.—

The Most Noble the Governor in Council proceeds to pass Orders on the Letters from the Honorable the Court of Directors in this Department of the dates noted below.—

Letter dated 17th July 1844 No 19.

13. The application of the Collector of Chingleput for placing Neelacunta Row his Head Sheristadar on the Pension List declined.—

5. Considering the very strong opinions expressed by Mr. Freese, the present Collector, and by Mr. Maclean formerly Collector, and now Member of the Board of Revenue, of the incapacity of Neelacunta Row from age and infirmity to discharge

2. Referring to the observations in this para the

discharge the duties appertaining to his situation, we doubt the propriety of your determination to retain him in Office - The efficiency of the Revenue administration of any District must be, in a great measure, dependent on the extent of assistance which the Collector can derive from his chief Native Servant, and considering that the public Interests may suffer by retaining an incompetent person in so responsible a situation, we think greater weight should have been allowed to the representations of those Gentlemen, who were enabled to speak from a personal knowledge of the individual, and his qualifications.—

the Board of Revenue will be requested to report on the present fitness of Neelacunta Row to fill the Office of Head Sheristadar of the District of Chingleput with justice to the important interests confided to his charge.—

Letter dated 28th February No. 9 of 1844 - Transmitting a Memorial from Cavelly Vencata Boriah and Cavelly Vencata Narrainapah appealing against the decision of the Madras Government relative to the succession to the Shotriem Village of Sinnanore in Chingleput -

Parat. The Village of Sinnanore was conferred in Shotriem on Cavelly Vencata Lutchmiah and his two next heirs in succession as reward for the valuable services which he had rendered as Chief Interpreter in the Survey Department under Lieutenant Colonel Mackenzie. -

2. C. Vencata Lutchmiah died in 1839, leaving three sons, Cavelly Vencata Soobia, and the two Memorialists, and C. Vencata Soobiah having died in 1841 without issue, the Village was registered in the name of C. Vencata Boriah the eldest of the surviving Sons, and he has at the same time informed

informed that, on his demise the Village would revert to Government under the terms of the Coole. —

3. The Memorialist protest against this interpretation of the Coole, and assert that according to the Hindoo law, it would be construed to extend not to the two lives immediately succeeding the original grantee, but to the two next generations. The Coole declares that the Village shall revert to Government on the decease of the heirs second in succession to Cavelly Vencata Lutchmiah, and they contend that in an undivided Hindoo family the heirs first in succession are the Children, and the heirs second in succession the grand Children of the grantee. -

4. The Memorialists further state that Cavelly Vencatapatty the only son of the youngest brother was duly adopted by Cavelly Vencata Soobiah, the last incumbent, and that the Village ought accordingly to have been registered in his name instead of that of his Uncle Cavelly Vencata Boriah. —

5. If the circumstances are correctly stated by the Memorialists, it would appear that the case presents two questions, the decision on which involves the right application of the rules

5. If the circumstances are correctly stated by the Memorialists, it would appear that the case presents two questions, the decision on which involves the right application of the rules

of Hindoo law, to two sets of facts. first, whether the terms "heirs second in succession" is to be construed as applying to a second life only, or to a second generation, and secondly, whether the adoption of C. Venkatapatty was legal, and gave him a claim to succeed to his adoptive father to the exclusion of his Uncle.—

6. It appears to us that the case is properly cognizable by the Civil Courts, and as by Regulation V of 1831. the Courts of Adawlut are prohibited from taking cognizance of claims of this nature, except when specially referred to them by the Government.— We desire that you inform the Memorialists that on application to you they will be furnished with the necessary order of reference to enable the proper Court to entertain their complaint.—

Letter dated 12th April No. 15-1844. Forwarding a further Memorial from the Weavers of Chingleput on the subject of the Town tax.

1. We have communicated to you our sentiments on the case of these Weavers in our Despatch dated the 3d April last No. 4.—

2. From the report of the Collector of Chingleput now transmitted it would appear that although the general introduction of British manufactured goods must have materially affected the Weaving Classes throughout the Country, yet in the particulars District of Chingleput from its vicinity to the Presidency, the demand for country cloth has been maintained, and the number of looms has been increased within the last seven years.—

6. The Board of Revenue will be furnished with a Copy of this despatch with a request that they will supply the information called for in Extract Minutes of Consultation dated 28th May 1844 No. 513.—

We shall await the receipt of the general report on the condition of the weaving Classes under your Presidency which we have called for in the Dispatch before referred to, merely remarking in this place that the abolition of the transit duties must have had some beneficial effect on these classes, and that although circumstances specially affecting their condition may render the loom tax particularly burthensome, yet the same general principles would apply to the other taxes on productive labor which are levied under the denomination of Motor-fee, and that the aggregate Amount of these taxes under your Presidency (averaging ten lacs and a half of Rupees per Annum) is such as in the present state of our Finances could not be relinquished except on the most pressing grounds of emergency.—

I have now the honor to return you the two Plans forwarded with your letter No. 1456. dated 6th August — together with an Extract from a letter from Captain Ditmas the Assistant Civil Engineer, who has surveyed the proposed Military Boundary of the outpost of Manantoddy, the limits of which have been marked as directed in your letter with a Broad black line, including a piece of waste land marked A, and coloured Yellow in the Plan with a spring of water upon it, which land I would beg leave to

to recommend, may be included within the limits of the Cantonment as proposed by Captain Ditmas.—

"With reference to a letter from the Major General Commanding under Date 17th Ultimo No. 171, I have the honor to inform you that I have just returned from Manantoddy after completing my examination of the Military limits &c. as pointed out in Captain Brookes' Survey of that station dated — May 1844.

After a careful examination of the same, as the weather would permit, (having had heavy rain almost every hour of my three days sojourn at Manantoddy) I have ascertained that Captain Brookes' Survey, as far as all practical purposes are concerned, is quite correct, and that the Plan drawn by Maistry Condasawmy, copy of which is furnished by the Quarter Master General's Office at Madras, is

Fort St. George 4th November 1844.

is very incorrect.—

3. The Military limits proposed by Captain Brooke, I have marked in his Plan with a broad black line, and have examined the same on the spot and ascertained from the Sahsildar of the Salook, and men located within these limits, that they are perhaps the best, or at all events as good as any other which could have been marked out.

†Vide Survey

4. At A† is a spring of water used by the Detachment throughout the year, and as a sentry is always placed over it, the same ought, perhaps, to have been included within the Military limits, however, I do not consider this of much importance.—

5. Should the Major General, being acquainted with the locality, approve of the same being so included, the piece of ground coloured Yellow, and east of the spring, could be taken within Military limits without any difficulty, as it is waste ground, and at the head of a small valley.—

From W. W. Arbuthnot Esqre. Collector of Vizagapatam.

Sir, Fort St. George

Para 1. I have the honor to acknowledge the receipt of your letter of the 30th Ultimo and to submit herewith a Statement of the Sea Custom Establishments prepared according to the form which accompanied the above letter.

2. From this it will be observed that no increase has as yet been made in the Sea Custom Establishments in this District.

3. But I consider that some increase is necessary in consequence of the increase of business and responsibility that will devolve on the Department under the new system.

4. The following are the details of the increase which amount only to Rupees 36 per Mensem or Rupees 432 per Annum.

5. I propose to raise the pay of the only Hoozoor Goomastah who is employed in this Department from Rupees 15. to Rupees 25. It is necessary that the person to be hereafter employed

Submitting a Statement of the Sea Custom Establishments in this District and informing that no increase has as yet been made in these Establishments but proposes a small increase involving an annual expence of Rs. 432 in consequence of additional business devolving on the Estates under the new system.

employed in this situation should have a good Knowledge of English, that he should be a good Accountant, and be a person in whom some degree of confidence can be placed.

6. I further beg to recommend that the pay of the Sea Custom Tanadar at Bimlipatam should be raised from Rupees 25 to Rupees 30. The latter sum is the salary of the Tanadar at Vizagapatam. The business at Bimlipatam has greatly increased of late years and the Collections there are now fully equal to those of Vizagapatam. For the same reason I propose to allow both Officers the same sum for Establishment Charges and Lastly I beg to recommend that a Goomastah on Rupees 10 per Mensem should be attached to the Sea Custom Tanadar at Vizagapatam and Bimlipatam. This is very necessary in consequence of the increase of duty that those Officers will have to discharge.

7. In other respects I propose that the Establishments should remain as at present.

8. A Statement of the proposed additions requiring sanction is herewith submitted, in the form prescribed by the Order of Government dated the 4th. of March last.

9. As no Esctra Establishment has as yet been entertained in this District I conclude that the Statement referred to in the 3d. para of your letter under acknowledgement is not required.

To.

C. C. Lovell Esqre

Acting Secretary to the

Board of Revenue

Fort St. George

From the Collector of Vizagapatam -

Reports the purchase of the Royavarum Estate from Narain Row for Rs. 30000 on the part of Govt. and states that a statement of the sums payable to Narain Row on account of Succary advanced by him will be submitted hereafter.-

Sir,

Para 1. I have the honor to acknowledge the receipt of an Extract from the Proceedings of the Board of Revenue transmitting for my information and guidance an Extract from the Minutes of Consultation under date the 5th idem which authorizes me if it be still practicable to take measures for the purchase of the Royavarum Estate from the Proprietor.-

(22)

2 On my communicating to Narain Row the purport of the instructions I had received, he at once consented to abide by the proposition which he had made in 1841 to sell the entire Estate for Rupees 30,000.-

3. In conformity therefore with the instructions conveyed to me I have concluded the purchase and taken charge of the Estate and I have agreed to pay to Narain Row

14403. Fort St. George 4th November 1844.

Rows, in addition to the purchase money the amount of Tuccavy which the ryots may acknowledge to have received on account of the cultivation of the Current Fusly.-

4 I have acted in this respect on my own responsibility, as I considered it of importance that this arrangement should be concluded with as little loss as possible for the following reasons.-

1st Because the season for realizing the Revenue collections is just commencing, and it is desirable that this should be done altogether by the Circar, rather than partly by the late Proprietor and partly by the Circar.

2ndly: Because it is highly desirable to settle at once the long existing disputes regarding irrigation, and with this view I intend immediately requesting the Civil Engineer to visit the spot, in order that any works that may be found necessary may be constructed during the present

14404 Fort St. George 4th November 1844.-

present season.

3rdly Because the Condakerlah Estates have become the property of Government, and I have just purchased the Dimilay Estate in Auction. I propose to unite these as well as Royavarum with the Surwasiddy Taluk, and to entertain an adequate Establishment for the management of the whole.-

5. I trust therefore that the Board of Revenue and Government will approve of, and sanction the purchase of the Estate for Rupees 30,000.-

6. A separate Statement of the sum to be paid to Narrain Row on account of Tuccavy advanced by him will be submitted hereafter.-

From R. J. Porter Esqr Collector of Masulipatam

Submitting a revised Moyen Zabitah of the Huzzoor and District Establishments of the Masulipatam District, and Requesting Sanction of Government.

Para 1. In conformity with the instructions conveyed in the Boards' Proceedings of the 18th April last, I have the honor to submit a fresh Moyen Zabitah with such modifications upon the one furnished with my letter of the 26th December last, as appeared to be necessary, in consequence of the abolition of the Sayer Duties under Act No. VI of 1844, and other circumstances in the proper columns of which are contained explanations of the causes which prompted the further alterations proposed.

2 The result of the Moyen Zabitah forwarded with my letter of the 26th December last shewed a Monthly saving of Rupees.

Fort St. George 4th November 1844

Rupees 60 — 12 — , or Rupees 729 per annum

	Per Annum Rupees
Sayer Establishment at 50 — 8 — Pr. Month	606
Increase and decrease in certain items at 10 Rupees and 8 Annas Pr. Month	123
Total	729
On account of Pentapaud & Goondoo-golanoo made over to the Rooyad Zemindar	237
On account of other Estates	26 — 8
Total	263 — 8

in the Total amount chargeable to Govern-ment, and Rupees 263 — 8 — per Measm, or Rupees 3162 — per year chargeable to the Estates —

3 The revised list now submit-ted exhibits the following result —

	Chargable to Government Pr. Month	Chargable to Estates Pr. Month	Total

Decrease	935 12 —	1,102 8 —	2,038 4 —

4 In the sanctioned amount chargeable to Government for the Sayer Establishment was Rupees 1701 — 8 — Viz. Rupees 133 for the Huzzoor, and Rupees 1568 — 8 — for the District Sayer

Fort St. George 4th November 1844 —

Sayer Establishment — Of this, the Establishment at the monthly cost of Rupees 56 — for the former, and that Rupees 386 — 8 — for the latter, total Rupees 442 — 8 — has only been retained for the collection of the frontier duties, shewing a saving of Rupees 1259 — But there is a set off against it, Viz. Rupees 323 — 8 — on account of the Establishment employed for the management of the Vinnacottah and Goodevadah Estates and Padapaudoo Mootah lately purchased by Government which was prior thereto debited to the Estates, as also a sum of Rupees 3, being the difference between the sanctioned Ma:-ramut Establishment and that proposed under the Rules framed by the Board of Revenue in the Department of Public Works making a total of Rupees 326 — 8 — which leaves the net saving at Rupees 932 — 8 — To this is to be added a small saving of Rupees 3 — 4 effected in sundry other items the aggregate amounting to.

to Rupees 935-12- as above shewn.

5 It will be observed that provision is made in the revised list for Establishment to be employed at the Huzzoor at the Monthly Cost of Rupees 26 for conducting the duties of the Abkarry and Moturpha Departments, which before the abolition of the Sayer, were performed by the Huzzoor Goomastahs of that Department, and the discharge of some of them, has rendered it indispensably necessary to provide for the performance of those duties.

6. In the Moyen Zabitah forwarded in December last, the situation of the 2d Maistry in the Maramut Department was proposed to be abolished, but the addition of some Estates to the Government ones by purchase, and the extensive repairs to be made to tanks situated within them, render it necessary that this situation should be kept up which otherwise would have added to the Saving.

7. The increase in the charge

Fort St. George 4th November 1844.

charge upon the Estates under management amounts to Rupees 1102-8- and deducting therefrom Rupees 323-8- caused by the transfer of Establishment in the Vinnacottah and Goodewadah and Padapandoo to Government as also Rupees 761- on account of the Sebundy of the Nedadavole Estate restored to Nariah Apparow and Sobanadry Apparow the net saving amounts to Rupees 18- -

Order thereon, (28-29)

Ordered to be brought forward at a future meeting.

To E. C. Lovell Esqr.
Acting Secretary to the Board of Revenue
Fort St. George

Sir,

From R. J. Porter Esqr. Collector of Masulipatam } Para. 1.

With reference to an Extract from the Proceedings of the Board of Revenue dated the 20th June last, and to my letter of the 30th of the preceding Month. I have the honor to report for the information of the Board that, upon my enquiring Jallaleul Dowlah on immediately to enter into a definite arrangement for the payment of the portions of pension allotted to his several relations, as

Proposing arrangements for the payment of the Pension of the late Nizamul es Dowlah to the several Members of his family

30

I received a communication dated 22d August last of which the Enclosure "No. 1 is a copy. This was followed up, two days afterwards by another letter (Enclosure No. 2) in which I was requested to refer his case to Government, and in the mean time to pay the whole of the arrears into his hands and upon my declining to do this, and requiring immediate compliance with the requestion conveyed in the Board's Proceedings of the 20th June last, I received a further communication on the 1st Instant simply referring to his former

Enclosure No. 3.

Fort St. George 4th November 1846.-

former letters, and re-iterating his request for the payments of the arrears due since the commonth of January last.-

2 It is quite clear from the papers now submitted that it is useless to expect that Jellal-ul. Dowlah will consent to make the distribution of the pension according to the list formerly agreed to by the family before Mr. Ward, to which he has been called upon to conform and according to which a distribution of arrears was made in December last, as reported Para 3 in my letter of the 30th May last and I should have proceeded at once to recommend that some other Member of the family should be recognized as its head, had it not been that the conduct of different Members of the family has been such as to render it somewhat difficult to make a suitable selection Sama Sam-o deen the younger brother of Jellal-ul. Dowlah whom the family at first petitioned to have nominated as their head, stands at this moment charged by his mother Mahroo Begum, once his staunch supporter, with having ejected her from her house, and robbed her of a sum

of

of money, and other property. I have every reason to believe that this charge has been brought with no other view than that it may be adduced as a reason why Sam-Sam-O-deen should not be made head of the family to the exclusion of Jellal-ul Dowlah and certainly his nomination would not be at the present time by any means generally acceptable to the family.-

3 Mean while the different Members of the family are clamorous for payment of the arrears and many of them, I am informed, are in extreme distress in consequence of the pension having been, owing to the misconduct of their head, so long withheld. As therefore their appears no prospect of their being united in chosing a substitute for Jellal-ul Dowlah, I would suggest the following arrangement which will, I think, have the effect of speedily bringing the refractory parties to their senses, Viz. that I should be authorized at once to pay to each Member of the family, with a reservation which will be presently suggested, the amount to which they are entitled, according to the list presented to Mr Ward, copy of which for easy

reference is herewith forwarded, and that the Minors, or the Sabob on their behalf, be allowed to nominate the party to whom their share should be made over, which I believe, they will make no difficulty in doing.

4. The "reservation" above alluded to, as one which appears advisable is this, the share of Jellal-ul Dowlah it will be seen, is fixed at Rupees 127-6-0 per Mensem. This large excess above the rest was in consideration of the Extra expenses to which it was supposed he would be liable as head of the Family for the celebration of marriages, and the charges incident to religious celebrations &c. Now as I consider that Jellal-ul-Dowlah has entirely forfeited his title to be considered head of the Family, I would limit his pension, from the date of the last stoppage of payment to Rupees 60 (Sixty Rupees) per mensem; keeping the difference in deposit, in case the family should, within a reasonable time, come to an amicable settlement and either choose a suitable head, or get from Jellal-ul-Dowlah an agreement upon which reliance can be

placed

This is 10 Rupees more than is allotted to his brother Sam-Sam Oodeen, that Jellalul-ud-Dowlah has a large family of his own.

placed, to pay them punctually in the proportions already laid down. Should no Settlement be made within 6 Months from the Board's reply to this suggestion (presuming that it meets their approval), I would carry the amount in deposit at once to the credit of Government and continue the individual payments.

5. I have no hesitation in proposing this arrangement, which would involve a diminution of the total pension which would affect the whole family (although it has been intimated to me that these pensions are not liable to reduction) because I conceive that the parties have forfeited all claim to consideration on the score of dignity and respectability, for the maintenance of which these allowances were originally granted by Government, to whom it is therefore perfectly competent to resume, any portion, or the whole at their discretion

Gillah of Masulipatam

Sir,

I very respectfully beg leave to state, that your letter to my address of the 15th of July last, states that I have been appointed to distribute from the Rupees of the late Nabob Najamul Dowlah Bahader to his family and connexions their pay agreeably to the amounts of the list, that the said Najamul Dowlah &c had paid to them-

That I had submitted a Document according to the amounts of the said list, and agreed in late Mr. Ward's and your presence to pay all the individuals of the family agreed to it.

In conformity thereto by my not having paid monthly to Feedan &c Hufsain and also to Ruzza Hufsain Coun, Abbeaboon Nifsa Bagum, Soudatoon Nifsa Bagum, and Camaroon Nifsa Bagum, who are on a footing with the rest of the family the amounts fixed to them, and by their having

14457- Fort St. George 6th November 1844-

having submitted Petitions, although I had been often appriz'd to pay them, that I had not complied.-

It appears by the Proceedings forwarded by the Revenue Board of the 20th June last, that it has been passed in my name to give shares from the said Pension, agreeably to the wishes of the several Members of the said Nuzamul Dowlah's family who have enjoyed, and are entitled from it for their subsistence.

That the Plaintiffs Feedan Hufsain Ruzzan Hufsain Coun, Abbeboon Camroon Nifsa Bagum, and the rest of Members of the family will be paid without hinderance or delay from the said Pension amount, a faithful promise that may be approved and a list is required with my reply and other circumstances.

In reply to your letter of the above date, I beg very respectfully to state, that the Honorable Government has sanctioned and appointed me Head of the family of the late Nizamul Dowlah &c that the family should be paid from the said Pension as the said Nizamul Dowlah had used

Fort St. George 4th November 1844.

used to pay them; according thereto, I agreed to
pay them, and informed the same to the late
Mr. Grant, and Mr. Ward and also to Mr.
Matheson and your honor, and a list agreeing
with the amounts as paid to each member of
the family and its connexions by the late
Nuzamut Dowlah, with a Petition and Enclo
=sures of Copies of my address to the late Mr.
Grant &c. I forwarded to your address in the
Month of March 1843 through my Vakeel Mr. Augah
John Canlos Gregory when your honor was
on circuit at Ellore, which list, Petition and
Copies of addresses are on the file of your Office.

At the time my said father
died, my Enemies Nabob Intezam-ul Dowlah
Bahader, Hussain ally Khan Bahader, and
Meerzafire intrigued that I may not be appoint
ed Head of the family of my said father
and to injure my right and to endeavour to
get appointed in opposition to my right, Head

desires among them by promising an increase
to the amount my said father usually had
paid them - whereby discontent discord and
contentions originated in the family and by
which I became surrounded and entangled.
At such a dilemma a list detailing the
amount of distribution of payment to each member
of the family and its connexions, from the said
Pension was framed, totally deviating from
that of my said father by which the family
was usually paid and submitted to the
late Mr. Ward, without my acquiescence
and signature. On that account and on
account of the minors the said Fedan
Hussain Rayya Hussain Khan Abeeboon
Nissa Bagum Saudoolloon Nissa Bagum and
Camaroon Nissa Bagum until they are
married, that they may be under my Guardi
anship, although I had submitted
many Petitions to your honor soliciting to
bring them into enquiry without doing so.
or bringing them into consideration, urgent
Enquetumahs entirely inconsistent with the
custom of pay fixed by my said father
and the usage in the houses of Nabobs,
the Pension has been frequently detained

on

on every frivolous pretence, and your honor have acted according to your own will and pleasure, but my solicitations and proposals in my Petition have not at all been brought into investigation. Had they been enquired into none of us, would have experienced any troubles.-

If it were an usage in our houses to give pay to the Minors previous to the consummation of their marriages, my said father only doubtlessly would have made such an arrangement and had fixed a certain sum, to each of the said Minors while he was in existence, but as granting such, is as contrary to usage, he did not do so. All the individuals of my said father's family, who had a fixed pay, it had been fixed to them, after their marriages the usage is in like manner in my Uncles' houses and not against it. Therefore the said Minors Tedan Mussain &c. who are fatherless and motherless, if pay is given to them against usage they would be left destitute of a Guardian and admonisher; and being situated thus, without restraint they will inevitably follow bad company and ill advices, be addicted to vicious and ruinous habits, and bring disgrace upon themselves and the

the reputation of the family from which they have the honor to have birth.

By the Enquetnamah which your honor addressed to me dated the 23d. August 1843. No. 530. I was directed to give to only Tedan Hoossain who is still unmarried his pay only, to cherish the remainder Minors, thus by his being left unrestrained and at his own will he has unfortunately imbibed all manner of dissolute and pernicious habits of drinking &c. and he is frequently seen drunk in the public streets in open day and at nights raising disagreeable broils and all shame or fear which are daily gaining strength upon him, such irregular and disgraceful habits are prejudicial to his, as well as mine, as his Eldest Brother and Head of the family, as also to the reputation of the whole of my said father's family. If your honor will be pleased to enquire into this my Statement, the said Tedan Hoossain's notorious and much regretted disgraceful habits will be obvious, as much right of authority as my said father had upon the said Minors to enhance their welfare and reputation, a similar right of authority I have upon them as their elder Brother and Head of the family

To.

14457- Fort St. George 4th November 1844.

A list detailed agreeably to the amounts that my said father had fixed as pay to each member of his family — and connexions and paid by him accord- =ingly have been forwarded to your honor — with my full acquiescense thereto in the Month of March 1843 as above stated and which is on the file of your Office Respecting that list and the list in opposition to it which was framed — by the intrigues of the said Intezam- ul. Dowlah &c. by their evil wishes towards me which is in dispute until now by not ifsuing the Pension and — detaining it and by prefsing Enoyetnamahs being written to me, my signature was obtained to the latter list, but if your honor had examined both those lists your honor would have been convinced of the true one.

What

14458- Fort St. George 4th November 1844.

To give them Knowledge and a liberal educa- =tion and to have them married and then to join them on a fixed pay with the rest of the family is my concern. Until then — that they should be under my support and my authority is just. Further whilst my said father fixed pay according to usage to the legitimate — Children of his family after their marriages and until then had kept them under his autho- =rity and merely subsistence it would be direct- =ly opposite to usage and visibly unjust to give pay to the said minors. Feddan Boyjain &c. who are illegitimate Children born from my said fathers Slave woman without any ceremony of marriage, or Nicka, and to with- =draw them from my protection and authority whilst unmarried and minors. In proof of this Statement in the absence of all other proofs, I beg to refer your honor to the Depositions of Sam- sam Oodeen Ally Khan before the Head of Police in Eastern Mouth which were committed to paper and who is a Defendant in a case — against him for Robbery and oppression which case was proved by the evidences on the Plaintiff Mahroo Begum Sahibban's side and which case with its Record is pending for decision at your Office. —

A

What I have now to state briefly is that with a view that your honor may be fully convinced of the security of my proposals in my several Petitions to your addrefs from the commencement to adhere strictly according to the sanction of the Honorable Government and the usage of my said father in the support of the family, and that your honor may be also fully convinced of the intrigues of my said enemies, and that I may be relieved from my troubles I most respect= =fully beg even now that your honor will be most graciously pleased to take all my Petitions, proposals and solicitations mi= =nutely and patiently into your favorable = consideration. and of the said two lists = whichever of them may convincingly appear = to your honor to be the valid one, that had been fixed by my said father or the usage that he had followed in prayinge = his family and connexions agreeably to your decision and orders to me thereon, i.e. which of them I am to follow. I am ready most willingly to abide by it.

Your Enoyetnamah dated 23d August

August 1843, No 530, written to me states that as the said Fedan Hoofsain's minorship = had expired to give him only his pay, and that the remainder minors are to be under my = support and authority, and now in your = letter to my addrefs of the 13th July last, to write in opposition to that Enoyetnamah to give the whole of the minors their pay. = what reason this is your honor only can judge.

The Petitions that are submitted to your honor in the names of the said minors are caused to be written by intriguers and it = is they that forward them to your honor. not only this, envious of my right and Head= ship of the family and to obtain that Head ship for sam. sam. Oodeen Ally Khan, the = Petition that had been sent to your honor as if the family had unitedly caused it to be written, the circumstance that the family knowing its contents and thereupon had affixed = their seals to it, or that the said Intriguers = had fraudulently submitted it, your honor must necessarily enquire. =

If all these circumstances = had

Fort St. George 4th November 1844-

had been considered into, I would have obtained redress and such vexations troubles would not have happened.

The family are amicably disposed towards me, and there are now no complaints from them to your honor upon me- respecting the application of the said minor Fedan Hoosain, it is not worthy your honor's consideration or attention- In consequence of the unjust application of the said Fedan Hoosain by detaining the Pension the family are experiencing many embarrassments- Therefore I most respectfully beg your honor will be pleased to order the speedy issue of the arrears of Pension due to the family and relieve us-

Submitting report on the progress of Cultivation of Mauritius Sugar Cane.

32

With reference to your letter of the 8th August last, calling for a report as to the progress which the cultivation of the Mauritius Sugar Cane has made from the Cuttings supplied by the agri Horticultural Society, I have the honor to state that the 200 Cuttings despatched by the Society on the 7th March last, arrived at Masulipatam on the 30th of that Month, having been nearly 24 days on the road in a very unhealthy

Condition

condition as communicated in my letter of the 4th April last. The cuttings were immediately dispatched to the different parts of the District where I considered that their culture could be advantageously prosecuted, but the reports I have received since shew, that except at Ellore and Wulloor the cuttings in other places have not vegetated, having become rotten or been destroyed by white ants. In the first of the above mentioned places 4 out of 25 Cuttings have vegetated but subsequently dried up. In the latter 8 out of 20 Cuttings have vegetated, but even these are stated to be in a poor condition at present.

I am

2. I am induced to think that this unfavorable result is rather to be attributed to the cuttings having been nearly dried up from exposure to hot Winds on the road from Madras, and to lost the power of Vegetation than to the inadaptness of the soil.

3. Should the Board be of opinion that a further trial should be made in the next season, I request that orders may be issued for a supply of Cutting in a fresh and healthy condition to be forwarded by sea.

No. 799 of 1844.

In fusly 1251, the Petitioner with Chinna Naick, Ailapah Naick, and Inyapah Naid came from Siroopandoor in the District of Chingleput and took land on Cowle in Syoor in the Pandiwash Talook. It was stipulated that the extent of land to be cultivated should be as follows—

50 Cawnies in fusly 1251—
100 Do. in addition in fusly 1252—
100 Do. in addition in fusly 1253—
50 Do. in addition in fusly 1254 making a total extent of 300 Cawnies of land to be cultivated. The terms of the Cowl were for the first year free, for the second 1/4 of the full assess= =ment, for the third 1/2, for the fourth 3/4, and from the fifth year inclusive the full assessment was to be paid—

In fusles 1251 and 1252, Caw= =nies 150 were taken up according to the stipulations above stated. In October of fusly 1253 the Petitioner stated that the other three indivi= =duals had sold their land to the Monigar of Syoor and requested that his portion of the land might be separated and made over to him. His request was not attended to at the

the time, and afterwards at the Jana-
-bundy when Petitioner alone was
present, the other 3 persons having re-
-turned to the Chingleput District, it
appeared that the Petitioner did not
wish that the land should be
be divided - It also appeared that
10 7/8 Cawnies only had been cultivated
in fusly 1253 out of the 100 additional
Cawnies which ought to have been
been cultivated in that year accord-
-ing to the terms of the Cowle, mak-
-ing the total cultivation from
fusly 1251 up to that period 160 7/8
160 7/8 - It was urged by the Petitioner
that owing to the return to their Dis-
-trict of the other 3 individuals the
whole extent as stipulated could not
be cultivated, but that he would
himself hold the 160 7/8 Cawnies above
mentioned, and to this effect gave an
agreement - This arrangement was
acceded to - A demand of Rupees 92-3-8
appears against the Petitioner for fusly
1253 according to the terms of the Cowle
which the Petitioner is bound to discharge
according to the agreement entered into by
him -

was again given to him in fusly 1247.
accounts settled from fusly 1244 to
fusly 1249 - when a balance of Pagodas
70 6/16 appeared against the Petitioner - The
Petitioner claimed certain Remissions
but in the mean time paid 45 Pagodas.
It appears on enquiry that the Remissions
to which the Petitioner is entitled for the
period he held the Villages amount to
Pagodas 58-9 4/16 so that he has paid Pagodas
35-9 12/16 in excess - The Balance against
the Petitioner for fusly 1251 is Rupees

been attached - It appears just that the

Sir,

With reference to the Statement which accompanies this letter and which was forwarded to me with your letter of the 17th Instant I have the honor to inform you that on perusing the proceedings forwarded by the Joint Magistrate to the Subordinate Court with Sham Row, I was of opinion that some of the minor charges was not punishable under the Regulations or the Mahomedan Law, and accordingly put him on his trial on the more important charges of Perjury. Forgery subornation of forgery, and Extortion, in conformity with the principles laid down in the Circular orders of the Foujdarry Udawlut dated the 10th of April 1833, and No 137 Case No 14 on my file which appears to have been left out by some accident from the Joint Magistrates list.

To The Principal Collector of Madura.

To the Pr. Coll.r of Madura ——— Sir

I am directed by the Board of Revenue to acknowledge the receipt of your letter of the 24 Ultimo reporting the result before the Sessions Judge of the Charges brought forward by the Joint Magistrate Mr. Elliot against the Tahsildar Shaw Row.

64-65

2. The result in five grave cases of perjury, forgery and abuse of authority has ended in the Tahsildar's acquittal, and the Board in the spirit of their order of the 25th of June last would feel disposed at once to direct the Tahsildar's immediate return to his duty and no further proceedings to be instituted against him without your concurrence, under the powers which appear to the Board to be vested in the Magistrate by Section 5 Clause 3 Regulation II of 1827 but that the Sub Collector having acted in his capacity as joint Magistrate, it may be proper for you to make a reference to the Foujdary Adalut shortly stating the facts of the case, and to solicit their instructions whether it is competent for you under the Sections of the Regulation above quoted to call up the whole of the 15 Cases which Mr. Elliot states he has still under preparation against the Tahsildar with a view either of your settling them yourself, or determining whether they shall be forwarded to the Civil Court or not. Such a course seems urgently demanded to prevent any further delay.

From the Collr. of Malabar

Reporting on the Government teak plantations in Malabar and recommending an increase of Establishment to the extent of 175 Rs. per Annum.

66

To E. C. Lovell Esqr.
Acting Secretary to the
Board of Revenue
Fort St. George

Sir,

I have lately returned from a visit to the Government Teak Plantations and have much pleasure in being able to give an encouraging Account of what I have seen.

2. In my letter to the Board of the 30th November 1843, I mentioned that after the teak seed to germinate had been overcome, but too late to enable me to profit by the then season to any extent.

3. From that period to the next sowing season which commenced in May last, I occupied the Conservancy Establishment in clearing and preparing a considerable quantity of Ground in four different sites, the soil and circumstances of which were more or less different, and on that Month, and the two succeeding ones

1. Manasherry
2. Attacode
3. Vydacode
4. Gravelly Coo.

No. 2 & 3 will be found in Arrow Smith's Map on the Nilgherry

Nellamboor for Baypoor river. No 1 is a tributary stream. No 4 is close to Nellamboor itself

ones, put down about 5,000 young plants which had been raised in adjacent Nurseries.

4. The generality of these plants look healthy, but there is a marked difference in favor of those raised at Yeddacote and Iravelly Cow, which have a very promising appearance. I have every confidence that this promise will be fulfilled, and that they will become fine saplings. My confidence is founded on the excellent condition of a few hundred plants which I had put down last year so soon as the difficulty with regard to the seed, had been mastered. Nothing can surpass the beauty of those plants. In from 12 to 16 months they have shot up to 8 feet or more with a healthy and strong stem. In fact I consider the experiment of raising healthy saplings to be at an end, and have no hesitation in recommending to the Government that the important object of replanting wastes with teak be carried on with vigor in the sites which

which have been proved to be so well suited for it. The young plants raised at Manasherry and Attacode should not be abandoned, but extensive operations had better be confined for the future to Yeddacode and Iravelly Cow, where there is abundance of available space.

5. On the 5th January and 7th September 1841, and 15th August 1842 the Government authorized the entertainment of a Conservancy Establishment to the Amount of Rupees 221 per Mensem, as shewn in the accompanying Statement A. My subsequent and lengthened Correspondence explains the circumstances under which I had deemed it impolitic to make disbursements to the amount of what has been sanctioned.

6. My present establishment amounts to Rupees 123½. I only wish at present a trifling addition to this Superintending establishment, but I propose for the future to add to it a body of fixed labourers at

4 Peons at 4 Rupees each.

Fort St. George 4th November 1844.

Mr Yeadon 20 Rupees
Gravely 20
Briscoe 5
Manasherry 5

at an estimated Amount of 175 Rupees per Mensem. The work of clearing and otherwise preparing the ground, watering young plants in the dry season &c. has hitherto been carried on by means of occasional Coolies and the accounts appended B will shew how a large portion of the 1,755 Rupees sanctioned by Government under date the 7th September 1841, has been spent. This description of work answered very well so long as there was no real certainty in our operations. My object was to spend as little money as possible in carrying out an experiment. But matters are now happily altered. The experiment as I have said before is, I have every reason to hope, at an end and we have only to work vigorously to obtain the success which its result assures us of.

The establishment I propose is small as compared with that entertained by many of the Planters who

Fort St. George 4th November 1844.

who have commenced the culture of coffee Gardens in Malabar within the last 4 Years, and may possibly be afterwards advantageously increased, but in order to secure a vigilant Superintendence, I think it well to limit it to what I have proposed for the present. The coffee Plantations I allude to, are generally overlooked by Europeans, and in the chief instance I have in view by European proprietors, whose Superintendence is naturally more vigilant than can be expected of parties not so immediately interested and this leads me to the consideration of the opinion expressed by the Honorable the Court of Directors in answer to my request to have the services of a European Arboriculturist, "that it is unadvisable to send a person of this description from England and that it would be better to make some proposition to secure the services of Mr Graham, who resigned his post of Acting Sub Conservator on the ground of

21st May 1846 of 1844.

On April 1843.

"of being under paid".

I have an excellent opinion of Mr. Graham's character and general good sense, and have shown it by giving him a post of considerable responsibility, but I do not think that his Special qualifications as an Arboriculturist are such as to render it advisable to offer him so large a Salary as would alone induce him to undertake what he knows from experience to be a very arduous and trying duty.

The Salt Pans. ears hip of Calicut.

The merit of successfully testing the various plans, suggested by two European Botanists for inducing the Teak seed to germinate belongs not to Mr. Graham as supposed by the Honorable Court, but to Mr. Bates, my Head Accountant, who as I mentioned in a former letter, is an ingenious and good gardener. But neither he or Mr. Graham have any practical acquaintance with Arboriculture as distinguished from Horticulture, and unless I have a

European

European who is well versed in that particular art, I think I may as well content myself with the services of my present Sub Conservator who is an intelligent active and painstaking native. The primary difficulty that of raising the seed has been overcome, the next difficulty that of judiciously pruning and thinning the many thousand self sown teak plants of from 5 to 15 Years growth which are to be found in most of the sites obtained by the Government, to say nothing of the saplings now in process of raising, I must teach my native servants as well as I can. The subject is treated of in the books which were sent me from England under date the 13th July 1843, and tho' it is clear the process is not without its difficulty to one who has had no practical experience, I trust I may be able to give such directions as will prevent the occurrence of any serious mistake.

I shall hope to be favored with an early answer, as it is desirable that time be not lost in carrying on extensive operations. The balance in hand out of the 1755 Rupees referred to in para 8 will enable me to do a good deal in clearing Wds at present.

* Rs 576 at the end of Fasly 1253 1843/44

Referring to the orders of Government dated 4th March last, I beg to submit a Statement in the prescribed form for the Establishment recommended in the 6 para of this letter.

Sir, With reference to the accompanying extracts from two Despatches from the Honorable the Court of Directors and a communication from Major General Cubbon respecting the case of Luchmee Narain, late Dewan of Coorg, I am directed by the Governor General in Council to request that you will submit for the information of the Government of India such particulars as the Government of Madras may be in possession of, respecting the value of the Lands in Mr. Sockah that have been resumed from Luchmee Narain and the tenure on which they were held, the dates of the Grant, and the present condition of the Estate, with the names of

Fort William,
The 5th October 1844.

/Signed/ F. Currie
Secretary to the Government of India.

Extract from a letter from the Honorable the Court of Directors; No 19 of 23d June 1841.

Para 17. "Luchmee Narain one of the Coorg Dewans, but not himself a Coorg has been tried on two charges, the first of having given false information to the Superintendent with a view to the ruin of Dewan Ponnapah, and, to other mischievous consequences; the second, of being implicated in the Canara Insurrection, in which several of his relatives and connexions in the Sooloe district took a direct part. He was acquitted by seven Members of the Punchayet and found guilty by one Member only; the Commissioner, however, considering the acquittal contrary to evidence, condemned him, and the result is that he has been deprived of his office, and banished from Coorg, his possessions there being moreover confiscated.

18. We consider Dewan Luchmee Narain

Fort St George 7th November 1844.

Narain to be guilty on the first charge, and to some extent on the second, although not to the extent contended for by Lieutenant Colonel Cubbon. He is clearly shown to have received information of the plans of the conspirators from his brother Ramapah, who was himself engaged in them; but Ramapa was ultimately put to death by the insurgents themselves, on a charge of treachery, founded on obvious intercourse, and want of zeal in their cause; and we think it probable that neither the Dewan nor his brother had any settled purpose of taking part in the conspiracy, but at most of determining according to circumstances whether to aid it or to give information of it to Government. Even this, however, was a breach of duty in an officer of Government, which made it indispensable also to banish him from the Country. We feel more doubt respecting the confiscation; although if it extends, as we presume, only to his possessions in Coorg proper, which are stated to be of inconsiderable value, and only recently granted to him on a favorable tenure,

this

this may be justifiable. but the forfeiture ought not to extend to his possessions in Oonr Soolea his native Country, and the abode of his family and friends.

Extract from a Despatch from the Honorable the Court of Directors dated 21st May 1844 No 21.

Petition of Luchmee Narrain the late Dewan of Coorg, appealing against the decision which led to his dismissal and banishment, and the confiscation of his landed property.

23d June No 19, 1841. while approving generally of the sentence passed on Luchmee Narain, we stated an opinion that the confiscation of his property ought not to extend beyond his possessions in Coorg proper, and that those in Oonr Soolea, his Native Country, and the abode of his family, should be left to him - you have never returned any answer to this para of our Despatch, and it appears from the Ex-Dewan's present petition that he has been deprived of all his possessions and reduced to maintain himself by his labor - This we never intended, and cannot

62. In Para 18 of our Political

cannot approve, and we direct that either the lands in Oonr Soolea be restored to Luchmee Narrain, or a pecuniary provision made for his support.

No 94.

To

J. Currie Esqr

Secretary to the Government of India

Foreign Department, Fort William

Sir,

I have the honor to acknowledge the receipt of your letter of the 3d ultimo No 1895, transmitting for my information and guidance, Extracts from two letters from the Honorable the Court of Directors containing their observations and instructions in the case of Luchmee Narrain, late a Dewan of Coorg, and in reply to submit for the information of the Right Honorable the Governor General of India in Council the following particulars relating to it.

2. The Honorable the Court have been pleased to convey in both letters their approval generally of the extent of punishment awarded to Luchmee Narrain by the Sentence of the Commissioner, namely banishment for life from the

Coorg

Fort St. George 7th. November 1844.

Coorg Territory, and confiscation of the lands which he had there, in addition to his removal from the office of Diwan, which was accordingly carried into effect under the authority of the Governor General conveyed to me in Mr. Secretary Macnaghten's letter dated the 22d March 1838.

3. For some years previous to that date, the district of Ummi Soolegie which Luchmee Narain possessed lands and Houses, had been annexed to the adjoining District of Canara, in the Madras Provinces, and in consequence it was not competent to me to include them in the sentence which I passed upon him.

4. In Mr. Secretary Macnaghten's letter just quoted there occurs the following passage. "His Lordship presumes "that Ummi Soolea is included under the designation of Coorg, and that by banishment "from the latter place it is intended that the "accused should be prohibited from returning "to the former place also".

5. Viewing this passage as conveying His Lordship the Governor General's decision

Fort St. George 7th November 1844

decision that the sentence against Luchmee Narain in Coorg, should extend to the lower Districts of Coorg then annexed to Canara, I transmitted a copy of the foregoing letter, together with a statement of the offences charged against that individual, and the sentence passed upon him, to the Chief Secretary to the Government of Fort St. George for the information of the Right Honorable the Governor in Council on the 17th April 1838.

6. Having received no reply to that communication, and having no certain information whether any steps were taken in consequence of it by the Madras Government, I applied to the Principal Collector of Canara on the receipt of your letter under reply, to inform me whether Luchmee Narain had been banished from Ummi Soolea in his District, and deprived of the lands which he held there. That Gentleman states in his reply that Luchmee Narain was deprived of his land and banished from Ummi Soolea by the orders of Government in april 1839, and that he now resides at Uddoor (Canara District) seven or eight Miles distant

distant from same Soolea.-

7. I have also been informed on other authority, that the above individual has brought land at Addanee distant about 3 miles from the limits of Soolea which yields a rent of Rupees 80 to Government, and that he lives in easy circumstances.- Further that some of his relatives are now holding the lands on Rent, in Coorg proper, which formerly belonged to Luchmee Narain, on Cowl tenure, and are occupying his house in the same place, which was not confiscated with the lands.-

8. His base conspiracy both to destroy his Colleague the faithful Dewan Poonnapah, & with other loyal chiefs, and the

the national character generally, has rendered Luchmee Narain an object of such deep rooted detestation in the Coorg country, that he could not, it is believed, make his appearance in it without danger to his life.-

Acting Collector and Agent to the Governor in Ganjam reporting on the Settlements of the Bodagada Zemindary for Fuslies 1253 1843/44 - 1254/45 AD. and 1252 1842/43.-

Proceedings thereon- Para 1. The death of the late Ze=
=mindar of Badagadah Govindor Chern Ling=
was reported by the Agent to the Governor in a letter
dated the 8th August 1840 in which he represente
=ed the necessity of the Zemindary being taken
under the management of the Officers of
Government. The Collector at the same time
promised to submit for consideration the arrange=
=ments which it might appear proper to
make on the occasion and the Board resolved
to await the receipt of his further report be=
fore passing any orders on the case. Mr.
Bannerman omitted to make the report
which was promised but the Zemindary has
actually continued under the management
of the Agent in Ganjam. The causes of
delay in this case may be considered
the same as were adverted to in the
Board's Proceedings under date the 17th October
last-

Relative to the Settlement of the Badagadah Zemindary in the District of Ganjam for Fuslies 1250. 1251. 1841/42 - 1842/43 and 1252. 1842/43. See Board's Proceedings 24th August 1840.

last, viz. the state of Mr. Bannerman's health for some time previous to his quitting the District.

2- The Estate is represented as one of the least accessible of the Hill Zemindaries in Ganjam but this did not lead Mr. Bannerman to anticipate any difficulty in its management. The Peshcush is Rupees 4,000 per annum and the Collections were estimated to be from Rupees 8,000 to Rupees 11,000. On the death of the late Zemindar there was a balance of Rupees 3,673- 15- 6 due on account of the Peshcush of Fusly 1269. As it was considered indispensable that the Zemindary should be managed by the Officers of Government, and no objection has been made to the arrangement, the Board now solicit the sanction of Government for its being finally assumed under the guardianship of the Court of Wards.

3- They proceed to the consideration of the management during the year reported on, in the letters above recorded. The

Fort St. George 7th November 1864

4- The Settlement for Fusly 1253 was made by the late Zemindar, the Jummah was fixed at Rupees 14,773- 13- 6 the Collections made by the late Zemindar amounted to Rupees 3,416- 7- 6 and by the Government Officers within the year to Rupees 7929- — 6 leaving a balance at the close of the Fusly of Rupees 3,427- 5- 6 of which Rupees 1495- 6- 5 were collected by the end of December last. The sum still uncollected at the date of the Collector's report, Rupees 1931- 15- 1 was considered irrecoverable — in consequence of many of the Ryots having deserted their Villages. The Board therefore recommended that authority be granted for writing off that amount to profit and loss.

5- For the Fasles from Fusly 1251 to Fusly 1253 Mr. Bannerman formed a triennial leave the particulars of which are exhibited in the annexed Abstract Statement. In the number of Villages for which a Settlement was made in Fusly 1251 there was, compared with the preceding year an increase of twelve, this is accounted

accounted for by there being many wild hamlets inhabited by races who clear the jungle and after settling in a locality for a year or two remove elsewhere.-

6. Of the total amount of the Settlement for Fusly 1251 Rupees 14.383.-11- excluding land revenue and Moturpha, Rupees 14953-15-8 were collected within the Fusly and Rupees 88-1-7- by the end of December that date an outstanding balances of Rupees 2[illegible]60. 9-9 respecting which the Acting Collector has promised a report hereafter.-

7. The Statement of Charges on account of the Zemindary exhibits a total expenditure of Rupees 7.932. 12. 6 and of Rupees 8,135-7-2. for Fusles 1252 and 1251 Respectively which appear reasonable but the Board will defer giving formal sanction for the disbursements until they receive authority from Government to consider the Estate under

under them in their capacity of Court of Wards.

8. No particular allowance had been fixed for the subsistence of the Minor and his family on the assumption of the Zemindary in consequence of the arrears of Peshcush due at the time to Government as well as the state of the Zemindars private habilities but advances were made as required. At the end of December there was a sum of Rupees 12.000-8-1 at the credit of the Minor Zemindar in the Collectors hands respecting the appropriation of which the Board will be prepared to give instructions on receiving the orders of Government on the management of the Zemindary. A stated allowance should be recommended by the Acting Collector for the subsistence of the Minor and his family.-

Settlement Fusly 1252 Rs 14789-3-
1251 = 14382-11-
376-8-

In the Settlement for Fusly 1252. 9. there was a net increase of Rupees 376-8- compared with the preceding Fusly. In the rent of the Jeroytee Villages and Moturpha there-

Fort St. George 7th November 1844.

there was an aggregate increase of Rupees 406. In the Cuttoobadies it is stated that there was a decrease of Rupees 32 in consequence of some land in the Village of Valoody having been brought under the head of Jeroytee but it is observed that there is no corresponding increase under the head of Jeroytee as would appear proper that there should be.-

11 Of the demand Rupees 12,294-11-8- were collected within the Fusly and Rupees 660-15-3. subsequently leaving an outstanding balance of Rupees 1803-8-2.- the particulars of which the Acting Collector will submit hereafter.-

Account Current No 2

11- The charges of management and subsistence to the Minors &c. and Peishcush amount to Rupees 6556-5-1- which appears reasonable.-

Ordered that a Copy of the foregoing Extract from the Board's Proceedings be submitted to Government and a transcript of the same be forwarded to the Actg Collr of Ganjam for his information and guidance.

From the Actg Collr of Ganjam

Explains on the existing balance in Ganjam.

Sir,

I have the honor to acknowledge your letter of the 15th August last conveying the remarks of the Board on the apparently very backward state of the Collections in the Zemindaries and Estates in Ganjam

In reply I beg respectfully to 2- lay before the Board a statement enclosed shewing that the total amount of arrears principal and Interest up to 30th November 1843- was Rupees 608,642-9-10 and that the balance which subsequently occured for Fusly 1253 between 1st December 1843 and 31st May 1844 amounted with Interest to Rupees 5,10510-15-10 forming a grand Total of Rupees 1119,153-9-8.

Of this sum there was Collected 3- between 1st December 1843 and 30th June 1844 Rupees 295,555-13-3 leaving a net balance of Rupees 823597-12-5 of which Rs 22759-2-2 has-

14551- Fort St. George 7th November 1844.

has been subsequently Collected leaving on the 29th August a balance of Rupees 80,838- 10- 3.. 4.-

The Board have before them my Report on the Ancient Zemindaries and Proprietary Estates dated 11th Ultimo and I trust the Board will with the Report and the Statement now submitted be of opinion that I have not been remiss in the Collection of the Government Revenue to which I have constantly devoted my best attention. With this hope I confine my remarks alone to totals. but if required the particulars of the amount Collected between 1st December 1843 and 29th August 1844 being Rupees 3,18,314- 15- 5 can be furnished in the greatest possible detail..

5. Regarding the revenue due by most of the Proprietary Estates the Board need be under no apprehension about them. all that is due is being paid up or will be realized in a short time. There are however the little Estate of Codoor which will in all probability lapse to Government and Pargannahs Nundegam & Boorgaum, which I omitted from

14552 Fort St. George 7th November 1844

from the Estate of Jeckaly respecting which I have reported at length under date 11th Ultimo. and for the recovery of the balance due on which I took the most effectual steps in my power within a month of my joining the District.

6. In the General Report on the Settlement of the Kavilly Talooks for Fusly 1253 hereafter to be submitted the prices of grain will be shewn and the Board will thence be able to judge of the difficulty of Collecting the Revenue in the past Fusly as compared with others. Till the receipt of that Report I beg they will be so indulgent as to reserve their final judgment should the foregoing fail to satisfy them..

4th The gross demand of this Zemindary for this Fasly is Rupees 9319-11 out of which Rupees 5270-2-2 have been collected within the Fasly and Rupees 847-15-8 more up to the end of September and the balance of Rupees 3201-9-3 is still outstanding. as the Renters have suffered loss partly from the failure of Rain and partly from the remarkable cheapness of Paddy and other grain in this part of the Country, it is not possible to furnish the Court with an accurate account of the recoverable and irrecoverable balance until after the present harvest when I shall be able to prepare it with reference to the condition of the Moostahgers as well as the quantity of produce. This remark has reference to the balance of Rupees. 202-11-7 concerning which I promised in Para 8 of my report dated 25th January last to send a separate report.

5th Although the Beriz of this Zemindary is inconsiderable yet it comprises 80 Villages and the present Establishment employed for the internal

internal Management of its being small is inefficient both for Collection and preparation of the Accounts connected therewith, consequently I beg the sanction of the Court to entertain the following Establishment in addition to that which has been already employed as specified below.

6th From what I have seen of the Zemindary I think there is very great room for improving its resources by the simple means of restoring some of the abandoned and

7th I am directing my attention to the communication be-tween Rumbah a convenient Port on the Chilka Lake and Aska, Boorshottapoor &c &c and one main ground of recommending that the Ameen should have the assistance of a Gomastah is that he should have leisure to look about him and inspect the various cross roads, and open straighter lines - where such would be attended with much convenience and little cost.-

4th Out of the said balance de=
=ducting that which accompanied in Fusly
1250 during the Management of the Zemindar
a balance of Rupees 597-9-4 will re=
=main which is considered irrecoverable
owing to the poor state of the Renters and
Ryots into which they have been driven
by various losses incurred by them partly
from bad Seasons, and partly from the
remarkable cheapness of Grain. I beg
leave therefore to recommend that
this balance be struck off the Accounts.

5th Since this Zemindary has been
placed under the Management of the
Court of Wards no regular allowance has
been affixed for the maintenance of the
families of the late two Zemindars Viz.
Ragoonad Sing and Govinde Kauree
Sing as well as for the maintenance of
the Minor Zemindar Stree Doorga Mo=
=tanasing but occasional grants of Mo=
=ney have been made to them. Stream=tu=
=Davee Putta Mahadavee the Mother of
the Minor Zemindars has often complain=
=ed to Mr Bannerman as well as to me
by several Arzees that the sums then
granted are insufficient and has

requested

14569 Fort St. George 7th November 1844

requested a regular allowance. Mr. Banner: man visited the spot and prepared a list with strict economy, which is herewith submitted by which your Honr will find that the total allowance for the Zemin: dar as well as the wages of his Servants Fea Fea " do not amount to more than Rupees 4451. " — " per Annum. As this appears very reasonable, I respectfully request the Honble Court of Wards will be pleased to sanction it.—

Secretary to the
Board of Revenue
Fort St. George

(18)

From the Asst Collr of Rajahmundry } Sir,
Dated 30th Ultimo, } Para 1. With reference to your letter
Submitting Statement of past and present Establishments for Frontier and Sea Customs - No 1-2.584 of those proposed for sanction as called for in a letter of 30th Ultimo with the necessary explanation

I have the honor to forward the Statements of past, present and proposed Establishments for Frontier and Sea Customs - I am rather doubtful, however, whether they are exactly what the Board want.-

From the 1st Para of your letter

2. under reply, I gather that the Board wish to have a comparison between the Establishments referred to as they stood before the new Act came into operation and as they have been kept since - and from the 2nd Para I suppose the Establishments proposed to be permanently entertained on receipt of sanction are to be entered in a separate form - But the blank Statement which accompanied your letter does not quite agree with this view - It is headed "Statement shewing the present and proposed Establishment" and the superscription to Columns 3 and 4 is "Establishment last sanctioned"

sanctioned as it stood on the 1st April 1844 and that to Columns 5 and 6 "Present Establishment" and no Column is provided for the proposed Establishment.-

3- With a view to avoid delay by making a reference for explanation I have entered in Columns 3 and 4 of the accompanying Accounts the Establishments last sanctioned and entertained previous to the 1st April 1844 or quoting from the 1st Para of your letter "Last sanctioned as it stood on the 31st March 1844"- In Columns 5 and 6 I have entered the Establishments which have been kept up since and after the 1st April last and still continue and in the separate Statement called for in Para 2 of your letter, I have entered the Frontier Establishment which Mr Prendergast proposed for sanction in his letter to you dated June 5th with one small difference only, Viz. I have omitted the 5 Peons proposed by Mr Prendergast for Tandavoy Chowkey in consequence of experience showing that the Collections in that Chowkey are not likely to exceed about 100 Rupees a year: The present Sea Custom Establishment is intended to be

be maintained and unaltered, but as I do not know whether in consequence of the New Act, it is held to require a particular Sanction, I have prepared an account in the prescribed form-

4. I have the honor also to forward the separate Statements called for in Para 3 of your letter under reply for sanction to be procured for the Frontier and Sea Custom Establishments which were entertained from 1st April to 11th July 1844-

Fort St. George

Sir,

From the Collector of Tanjore - I have the honor in

Submitting Statements of the present and proposed Establishment in the Sea Custom and Frontier Conveyance on the abolition of Inner Establishment.

obedience to the instructions contained in your letter of the 30th Ultimo to submit the Statements required by it.-

No. 1- Shewing the present and proposed Establishment in the Sea Custom and Frontier Chowkies in this District prepared according to the Form received with your letter under reply-

No. 2. A separate Statement of the Establishment requiring Sanction according to

14589 Fort St. George 7th November 1844-

to the Form prescribed by the Supreme Government-

No. 3- A separate Statement Shewing the actual Charges incurred on account of the Establishment from 1st April to 1st July 1844-

2. It will be observed that the Statement of the Establishment requiring Sanction does not completely correspond with those forwarded by Mr. Bishop and Mr. Cotton in their letters of the 1st and 17th May last and that it is now proposed to make the Salary of the Sea Custom Managers at the Ports of Negapatam and Nagore 60 and 35 Rupees per mensem respectively, instead of 25 Rupees- the increasing importance of the Port of Negapatam has greatly increased the responsibility and duties of the Peshcar there- the Collectorate it will be seen are for the last two years upwards of 52,000 Rupees per Annum, and now that the Inland duties-

Fort St. George 7th November 1844.

duties are abolished they may be expected further to increase. The Salary of 28 Rupees is quite insufficient remuneration for the services required and it must be remembered was fixed at a time when there was a separate Master attendant at Negapatam the duties of that abolished Office being now performed by the Manager. The same Class of Servant who formerly answered for the carrying on the Sea Custom House Management is no longer suited for it. A good knowledge of English is essential to communicate with the Commanders of European Vessels, and this and the more desirable qualification of integrity can scarcely be expected for the paltry pay now allowed. I trust on these grounds my recommendation of the increase of the pay of the Manager at Negapatam from Rupees 28 to Rupees 60 per mensem & to Rupees 35 for that of a similar Officer at Nagore where similar reasons, though on a diminished scale are applicable may

may have the support of the Board.

3 Referring to Statement No. 3 called for in the 3rd Para of your letter under reply I have the honor to state that not having received sanction for the maintenance of the establishment proposed by the Acting Collector. The disbursement has only been made according to the Sea Custom and Frontier establishment as it stood previous to the abolition of the Sayer Establishment, but as the work has been performed by some of the Sayer Servants who have been retained on the understanding and expectation that they would receive the Salaries allotted them in the Statement submitted and as the work could not have been carried on without them, it appears but just that whatever establishment is ultimately sanctioned should as far as these servants are concerned, be paid from the 1st April last the date on which the alteration commenced and I have therefore accordingly prepared the separate Statement shewing the actual charges to be incurred from 1st April to 11th July.

Proceedings thereon, Para. 1. The season appears to have varied much in different parts of the District, the Estates in the vicinity of the Kistna and Godavery having received abundant supplies of water both from the river freshes and from rain, while in Ellore, Timmoor, and Sujgiakpett the periodical rains were scanty, the year under review may however be said to have proved favorable to the Poonasah or early dry crop throughout the Zufted Estates, and not on the whole unpropitious to other description of cultivation, with the exception of Soorma, which suffered very severely from the heavy rains.

It will be seen that there has been an increase in the Estates of Vinnacottah, Goodewadah, Cavally, Kykaloor, Bhonja-balapatam, Chena Pondraca, and Vasuntawadah - and a decrease in the other Mootahs, the principal falling off being in Davercottah the result is a net decrease of Rupees 27,695-7-3.

Note - This will be raised to Rs. 33,515-12-9. if the actual sist Rs. 4179-10-6 of Vasuntawadah be substituted for its merely nominal rental Rs. 10000, as will be shown P. 12-14 of these Proceedings.

Vinnacottah and Goodewadah.

3. The Vinnacottah and Goodewadah Mootahs exhibit an increase above the outturn of the previous year - the former of Rupees 15,529-8- the latter of 16,626-14-2. in both there has been an improvement in every description of cultivation except - Jonna - and the increase would, it is stated, have been considerably greater but for the falling off in the prices of all kinds of Grain. In Jonnah alone has there been a decrease / Rupees 4,714-3-1½ / from the nature of the season the produce was scanty - while the price fell 2.15-7 per Candy below that of Fusly 1250. this continued depression of price even in an unfavorable

unfavorable season, appears to be accounted for only on the supposition that the fall in the prices of rice caused by the large importations from Arracan has had the effect of rendering the consumption of that description of food more general in the District, and lessening the demand for Jonna and other dry produce.

4. Paras 7 to 13 of the report are devoted to answering certain remarks made by the Board in their Proceedings of 9th and 26th January 1843 on the Collection and management of these Estates, the explanations given by the Collector are satisfactory.

Ellore and Covally Para 1.

5. It has been already remarked that the periodical rains were scanty in the Ellore Mootah this Estate consists almost wholly of wet land and of the total decrease being 4121-13-10 Rupees 3691-6-7 has been in this description of cultivation alone, the outturn of which in consequence of the drought of the season is scarcely

one-

one fourth of that of the previous year. The Cavally Mootah seems to have suffered in some measure from the same cause, but in consequence of the energy of the ryots and their good fortune in procuring a supply of water from a source to which they usually had not access, the Nunjah cultivation exceeds that of the preceding fusly; a further improvement in the Money rented lands, and ready money collections has raised the total revenue of this Estate Rupees 949-2-8 above 1251- The net decrease on the whole property is thus reduced to Rupees 3172-11-2.

Ellore decrease-	4121	13 10
Cavally increase-	949	2 8
Nett decrease —	3172	11 2

6.

Para 15 In reference to Para 12 of the Proceedings of this Office under date 9th January 1843 it is explained that the remissions customary in these Mootahs at the time of their attachment were 1st allowances to Pagodas 2nd wages to Village watchers 3rdly Remunerations to persons furnishing supplies to passengers- the third item has properly been discontinued by the late Collector as

no longer necessary the two others are still paid- the first, that to Pagodas being, as has always been usual, deducted from the sist of the several Villages, the second is charged in the accounts, and paid from the public treasury to the parties entitled, with a view to render them more independent of their fellow Villagers- These arrangements seem judicious-

Davercotta to Para 16 7- This Pergunnah which is composed almost entirely of dry lands exhibits the very heavy decrease of Rupees 69176-2-1- In the 28 Villages which were under a summary during the Fusly reported on, and its predecessor the falling off has been Rupees 29721-15-7 the chief decrease has occurred in the Jowna produce, and is the result of that scantiness of crop, and fall of price which have been already remarked on in Para 3 of these Proceedings- The remaining 36 ayen Villages were on rent during Fusly 1250 / a.D. 1840-41- and reverted to summary from the failure to obtain satisfactory

satisfactory offers for them in the year under review. the issue of the change has however been most unpropitious, the decrease on these Villages being Rupees 39,955-15-3 subsequently to the close of the fusly reported on; the Collector from his experience of the evils inseparable from a temporary aumanic Management of Zemindary Estates has, as will be seen from the correspondence noted in the Margin, exerted himself to reintroduce Village rents, and to extend them throughout the whole Pergunnah; and has succeeded in effecting a quinquennial lease for 60 of the 64 ayen Villages of which Davercottah is composed, on terms fully as favorable as could, under all circumstances, be anticipated. The Board therefore trust that they shall not have again to regret so disastrous an outturn of this Zemindary as that now under Comment.

8. In Para 8 of their Proceedings of 26th January 1843. the Board remarked

remarked upon the difference between the extent of Ponjah Suroah Maniem and dry land in the rented Villages as entered in the Statements of Fuslies 1249 A.D. 1839-40 and 1250 1840-41 the explanation now given by the Collector is satisfactory.

Para 18-21 — Chanobundah.

9. The settlement of this Village shews a net decrease of Rupees 177-8-3- there was an increase on the dry lands but not sufficient to compensate for the loss on the wet crops and Dasabhogum resulting from the failure of rain already noticed in the Pirwoor Taluk in which Chanoobundah is situated.

195-2-10

373-1-3

Para 1. Innagadapah.

10. To the same cause is to be attributed the falling off in the outturn of the Innagadapah Mootah which has however suffered more severely than Chanoobundah. there having been a decrease on all items and on the dry lands as well as the wet. The Board trust that the Collector will be able shortly to submit the subdivision accounts of this Estate referred

referred to in Para 26 of this Report.

Kykaloor Bhojabalapatam, Chena Pendraca.

11. From the supply of water thrown by the Godavery freshes into the Colaur Lake, on which the two first of these Mootahs are principally depend for their means of irrigation, and from the seasonable rains, the settlements of these three Estates exhibits an increase above that of Fusly 1250 A.D. 1840-41 of Rupees 9,752-8-1. the result would however have been still more favorable but for the depression of prices.

Kykaloor	2752-2-1
Bhojabalapatam	3422-3-8.
Chena Pendraca	3578-2-4
	9752-8-1.

12. In explanation of the falling off in the Polary tax of these Mootahs in the year 1250 1840-41. as compared with Fusly 1249 A.D. 1839-40. which was noticed by the Board in their Proceedings of 26th January 1843, the Collector states that the amount entered for Fusly 1249 1839-40. Rupees 3,454-1-3. was inclusive of the sum Rupees 226-8-3-2 demanded by the Zemindar from the Ryots of Ellore and other Estates contiguous to the Lake, who are in the habit of sending

sending their cattle to graze on its bed or but that this demand was not collected; the right to levy it having for some years past formed the subject of contest between the Ryots and the Zemindar. In Fusly 1250 A.D. 1840-41 on the other hand when the Zemindary was under attachment the amount so disputed for that year, was not included in the Polary demand (Rupees 1589 Rupees 2696-8-3 4-3.) and hence the seeming decrease. It is very desirable that the question regarding the liability of the Ellore Vaa ryots to this tax, and the rates at which they are to be assessed to it should be speedily determined. The Board trust the Collector's promised report on the subject will be furnished very shortly.

Vasuntawadah

13. This Estate was attached in April 1842 and prior to the sequestration 8 Villages had been rented out by the Zemindar to certain parties and 4 to some others under the circumstances explained in Paras. 33—34. of the report. The Renters have altogether failed to act up to their engagements the Collector is exerting himself

himself to recover as much of the amount due by them as circumstances will admit;

Para 35. the settlement of the year under review as compared with Fusly 1250 / A.D. 1840-41. is given in the Margin, and exhibits a decrease of Rupees 341-10-8 but of the collections made prior to the attachment Rupees 2,907-13-0, only Rupees 1246-14-10 have been paid in discharge of Peishcush either by the Renters or Zemindar and the recovery of the rest is nearly hopeless. Since the dispatch of the report before them, the Board have received a further communication from the Collector on the condition of this Estate, shewing the

the liquidation of the Public demand due upon it to be altogether desperate, and they have therefore directed that it be put up to auction and sold for arrears of Revenue.

Para 36. This Mootah was also attached late in the season after much of the produce had been removed by the Ryots, the realization therefore of so large a portion of the Jummabundy decrease Rupees 3000 — of Rupees 3243-1-0 is very satisfactory. The settlement has also fallen below that of Fusly 1250 / A.D. 1840-41. by Rupees 1372 the Estate consists mainly in wet lands which derive their irrigation from the Tonnierlair River the supply of water in which both in Fusly 1250 and 1251 / 1840-41. / 1841-42. but more especially in the latter year, it would seem is from the failure of the usual rains been very scanty. Proceedings thereon relative to the settlement of the Government Estates in the District of Masulipatam for Fusly 1252 A.D. 1842/43

Season

Para 1. The season in the fusly under report appears on the whole to have been unfavorable. But little rain fell until nearly the end of October - and the consequence of this failure was not only to check the culture of Poonasah or early dry Grain and of Yaradeck or Black Cotton but also greatly to contract the cultivation of the Sunjah lands. The heavy Monsoon which set in after the 24th October served to bring to maturity the crops in the rice lands previously cultivated.

Para 5. These rains are however stated to have been prejudicial to the Jonna Crop. The Daulivah and similar crops raised during the latter part of the Fusly exhibit a slight improvement.

2. The unpropitious character of the season has very materially affected the

the revenue, the Settlement for the two Mootahs Cavanah and Padapatam, and three Villages Cuppaladaddy, Madaca, and Rondaraaram, was only Rupees 6,166-3-4 being less by Rupees 3295-1-0 or 43-13-3 per cent than that for Fusly 1251. From the Abstract Statement given in Para 4 it will be seen that there has been a decrease under every head with very trifling exceptions.

3. In the settlement of the Kytapully Village there has been a considerable increase in the dry lands settled on division of the crop with an improvement, the less marked on other items the falling off in the cultivation of the wet Cuzara or sharing lands, the yield of which is not one third of that yielded from the same source for Fusly 1251.

Fusly 1251	3837-2-11	has however far more than absorbed

the total Settlement of the Government Estates for the year under review was Rupees 6877-1-10 being less by Rupees 6289-0-7 than that of Fusly 1251 a result attributable to the adverse nature of the season and to the continued depression in the prices of agricultural produce. This depression is only alluded to incidentally (Para 10) by Mr Porter who has not specified the average prices of the year under report as compared with those of the preceding. The Board have therefore from the price currents and Monthly Demand Collections and Balance Accounts of the two Fusly drawn up the Abstract table given in the Margin in which the prices of the principal descriptions of grain are

are exhibited it will be seen that in nearly all there has been a very considerable falling off.

4 In para 6 of the report the Collector offers some further explanation in regard to the very low average rate of increase of the wet sharing lands in the Government Estates for Fusly 1250. the subject has been already disposed in the correspondence given in the Margin. The Board will not here pursue it further than to remark that the cause now assigned is the same as that furnished by Government in Extract Minutes of Consultation 30th March 1844 Para 6, Viz. that the season referred to opened in so promising a manner as to induce the Ryots to plough much of their Nunjah land under the plough but that the crops suffered severely from the subsequent deficiency of the N.E. Monsoon the scanty produce obtained when apportioned upon a considerable extent of land or Loss of which the

the cultivation had altogether failed would of necessity give a very unfavorable average. Accordingly 1248 with which Fusly 1250 was contrasted the case was not the same, the little Nunjah land then tilled having had a sufficient supply of water to bring the Crops to maturity.

5 In reference to the remarks of Government and the Board on the subject of Maramut Reports Mr Porter (p 14) explains that the moiety of expence incurred by Government in works of Maramut is recoverable from the Ryots in some instances only and not, as from Para 6 of his Report 6th July 1843. the Board had been led to suppose, in the case of all repairs executed in the Government Estates. Thus in Kytapully the whole expense of all descriptions of repairs is borne by Government, who also are at the sole charge of keeping up the embankment by which the Padapatam Lands are protected from being overflowed by the Sea. Rupees 281-9-7 (not 565-4-11 as given by Mr. Porter here 11) are chargeable to this latter item- and 283-11-6 were expended in Rytapully- leaving as the Cost of repairs in Fusly 1251, to be defrayed in equal shares by the Government and Ryots, only 16-11-8 the half or moiety of which 8-5-10 has since been realized.-

Owing to the great falling off in the Settlement the Collections on account of the Fusly under review to 31st January 1844 have been much below those for the preceding year- it should however be remarked that a fair larger proportion of the demand was realized within the Fusly- the balance against all Estates at the date of the report was Rupees 230-8-10 of which 75-9-a is the tax on Palmyra trees which are unfit for Abkary purposes- the Collector does not state whether he would advise its remission; and the remainder Rupees 154-15-10 will be recovered hereafter- Of the arrears outstanding at the date of the last report Rupees 862-1-3 Rs 230-5-7 have been realized, of the remainder Rs 631-11-8, measures will be

be taken to realize to the extent of Rupees 374-3-6 from the persons of future years- the rest 257-6-2 due by disabled Ryots seem irrecoverable, and if found to be so on further enquiry should be recommended for remission-

7 From the unfavorable nature of the season and depression of prices the settlement of the Vaiana and Vadapalaim Mootahs and Cuppalabotty Village has not reached one half of the annual Peishcash; that of Maouca-Rondramoram and Kytapully is also scarcely 50 per Cent of the 10 years average- cultivation there Villages from Fusly 1232 to 1841, the total Collections current and arrears, within the Fusly amounted to Rupees 13700-4-5 the charges to Rupees 2462-10-1 leaving to be carried to the credit of Government the net sum of Rupees 10958-6-4.

Rs 7-10 8. The Board confirm the triennial lease of the Village of Singarapollium at a gradually increasing rent as mentioned by the Collector in the 18th para of his Report and observe with satisfaction that Mr. Porter is using his best exertions

exertions to introduce pents into the other Villages of the Government Estates. As a general rule however they would not wish these pents to be concluded for more than one year, and in all cases, where practicable with the Villagers themselves and under such conditions as shall effectually guard the rights of every class of Cultivators.

9. Of the Estates in the possession of their proprietors at the beginning of the Fusly the four noted in the margin have in the course of it been attached for arrears. The total Current demand for Fusly 1252 on those which still remain in the hands of their owners was 372,664-11-9 of which the Collections in and subsequent to the Fusly were Rupees 239,179-6-3 leaving a balance of Rupees 133,485-5-6 of which /9259-2-3/ nearly two thirds is due on the Nundegamah Estate. The Board perceive that the proprietor of this Zemindary Ramanadha Balon has discharged little more than one third of his Peishcush for the

the year now under review and that the arrears which at the date /18th August 1836/ when he was re-admitted to the management of his Estates were Rupees 385,946-12-0 now /Rs 27/ amount to the enormous sum of 9,22,637-9-4 the total demand against him for current and arrear being no less than 14,96,584-7

*Para 25 Mr Porter has promised to submit a separate report which the Board hope shortly to receive on the proceedings of this Zemindar but adverting to the results above shewn they cannot avoid coming to the conclusion that the management of his Marselipatam Estates should no longer be entrusted to him; unless therefore the Collector has any urgent reason to urge against the measure they direct that the Nundegamah Rs Estates be at once attached for arrears if resume and a Zuft establishment submitted for sanction.

Para 23. 10. The Board will abstain from remarking on the balances against Rayarah and Kororcollo until they shall have before them the report on the condition and resources of those Estates promised by the Collector in para 23. The other arrears do not call for observations.

To

The Honorable President and Members of the Board of Revenue Fort St. George,

Appeal Petition presented by Defendant Saregnady Veeranah the 12th Head Cauposs or one of the 13 Village Pettanadars of Ralungky attached to the Purganah of Nedadavole in the Zillah of Masulipatam against the decision of Mr. R. T. Porter Collector of the Zillah in question.

With the utmost Submission and deference I beg leave to state that the sum of Canpany's Rupees 248-- " which was said to have been paid to S. Venkata Row Puntulu late the Collectors of Circar revenue

Remarks of the Collector

The Appellant is not only one of the Head Cauposs of Ralungky Village but also being a man of substance was in the habit of affording pecuniary assistance to all the Ryots in the Village, by which he exercised more influence than all the rest and more interference in the affairs of Collections and disbursements of Village revenue.

It was brought to notice that the appellant had misappropriated a certain sum from

14642 Fort St. George 7th November 1844

late Tahsildar and some other servants of the Talook of Ralungky from the Amount Collected on account of Village Expences was decided by the Collector of this Zillah to be paid by me together with the sum of 64 Rupees as a fine instead of his ordering the same to be received from all of the Head Cauposs including myself as per Petition presented by us to him under date the 1st January 1844 intimating that we shall be bound to pay the same in 2 years, in case of the Collector deeming it just to Collect it from us, instead of doing so from the said servants who are still in employ and

revenue in this Village for Fasly 1251, and after due enquiry had been made, a decision was passed against him so that he should pay the said sum together with a fine conformably with section V Regulation IX of 1822. The proofs adduced on the subject have been inserted in the said Decision.

The Appellant states now in his appeal Petition that, he represented in an Arzee presented by him under date 1st January 1844, that the Amount of Collections mis-appropriated in the Village should be made good by himself in conjunction with

and who are not to require such illegal exactions thro' such persons as ourselves who are entirely unacquainted with the Rules and regulations of Government:-

The cause of my name being inserted in the Chitta of the Village Shroff can be easily observed to have been owing to the Existence of an enmity between me and some of the Head Caupaos and of the Village Moansiff Vea. some suits having been preferred by me on them in the Civil Courts for the recovery of certain sums lent by me to them. A substantial proof can be by me adduced if necessary in addition to

with the other Head Caupaos, and complaining that the Circar instead of Collecting the Money from them in the above manner passed a decision against him only for the payment of the money in question, which he says is not consistent with justice. It is to be observed that besides the sum which has fallen due by the appellant, same more money of the Circar revenue of this Village has also been misappropriated by same Head Caupaos and others. During the trial of this case the

to what was already proved that the above sum was paid to the servants above stated.

In the last part of the decession it is stated, that I had admitted in a Petition said to have been signed by me above dated 1st and received on the 2nd January 1844 No. 14, which it is clearly evident from the Petition itself (which is lodged with records) that it was signed by the whole of the Head Caupaos Mentioning that we will all pay the said amount in 2 Years instead of I will pay as the Collector has stated Misunderstanding the proper meaning of the said Petition prepared

the appellant as well as some other Head caupaos presented an arzee stating that they would pay off with 2 Years the Amount of Rupees 397 and odd Misappropriated by them all, but the Collector under Regulation IX of 1822, having instituted enquiry into this case, sentenced the parties to pay the amount of the sums proved to have been Misappropriated by each of them respectively, together with a fine as authorized by the Regulations. Of this, the amount proved to have been misappropriated

No. 4.—

To The Honorable President and Members of the Board of Revenue Fort St. George

Appeal Petition presented by Defendant S. Gavelennah and inhabitants of Raulunghy attached to the Purganah of Neddadavole in the Zillah of Masulipatam against the decision of Mr. R. J. Porter Collector of the Zillah in question.

I most sublimissively and respectfully beg leave to state that

Remarks of the Collector

This individual does not deny having received the Money alluded to in the Decree from the Pettandars of the Village of Raulunghy but states in his appeal Petition, that under the directions of the said Pettandars he paid the Money to the Zemindars Officers Viz.a that he is not the head Capas of the Village and consequently that it is not consistent with justice to hold him answerable for the money.—

The

that the sum of Company's Rupees 99½. which the Collector has erroneously decided to be paid by me was delivered into my hands by Pannamatcha Narsinna harauze Vea. Khuttoodars or Village Pettandars all in No. 13 with direction that I should make a part of the same over to B. Nullian an Officer on behalf of the Zemindar, and the other part to S. Veeranah who lent 50 Rupees for the Butlah expences of the Village Pettandars that went to Goodoor to attend before Mr. Ward Head assistant Magistrate while enquiring into the case of Tatasoonulla Ravanan Puntoolu; I accordingly obeyed their orders as a Villager meriting

The appellant is a never relation (Uncles son) of Seregenady Veeranah Pettanadar and one of the most influential inhabitants of Village who has always been in the habit of giving loans and other pecuniary assistance to the Ryots and exercising a direct supervision over their concerns, and interference in the affairs of Collection and Disbursements of public Money, and is connected with him in most of his transactions, and moreover he is himself in the habit of transacting business

meriting the favor of them (the Pettandars) I am not a Head Coupoo or in any way connected with the Pettanadars in Village affairs but on the contrary I conveyed the amount according to their orders as a peon who cannot stand responsible for the repayment of the amount unless it may have been lost by me or delivered to others whom it is not intended more particularly at a time when the Pettannadars have presented a Petition to the Collector under date the 1st January 1844, stating that they will pay the whole amount Viz. Rupees 437½ as follows—

Amount disbursed for Tahsildar Vea. of the Talook of Raulunghy and decided by the Collector to be paid by S. Veeranah—	243	C.R. as.P. 0
Amount fixed to S. Veeranah—	64	0
Amount erroneously decided to be paid by me—	99	8 0
Amount of fine inflicted upon me unjustly	26	0 0
Total Rupees—	437	8 0

While

business as one of the Pettandars of the Village.

Under these circumstances the appellant must be considered as coming under the description of persons enumerated in clause 3rd Section II Regulation IX of 1822 who are subject to the primary cognizance of the Collector, and as it has been proved that he Misappropriated a sum of Rupees 99-8-0 from the Collections of circar revenue from his Village, he has been sentenced in conformity with Section V of the said Regulation to pay the above mentioned sum and a fine of Rupees 26.—

As

While the case thus stood is it not unjust Most Honorable Gentlemen to decide that I should pay 99½ Rupees and also 26 Rupees on account of fine making a total in all 125½ Rupees.

Under the forgoing reasons I most earnestly request your Honorable Board, who are just and judicious, and who are impartial in affording justice to every class of people, will be graciously pleased to revise the decision of the Collector in this case, and to direct him immediately to recover the amount from the Village Pettanadars who are complaining to repay it or the Servant, instead of

As regards the defence set up, Viz: that the money was given into the appellants charge for the purpose of being paid to various public Officers it may be inferred from this very circumstance that, whether the appellant be a head cauposo or not he had evidently much concern with the duties of the Village Pettanadars or the Money would not have been entrusted to him for the purpose specified, and as it is fully proved that this Money which forms part of the Collections was misappropriated thro' the instrumentality of the appellant whether

of receiving it from me for my merely obeying the orders of the Village Head Cauposs as I ought.

For this act of justice and indulgence I will as in duty bound.
