No 1. A

Translation of Hindoostani Petition addressed to the Collector of Bellary by Cawder Ameenshaw the 1st of the 3 Claimants to the Jaghere of Cadetote in the Talook of Adonie dated 28th June 1844.-

Rakeel Ameenshaw the founder of the Jaghere of Cadetote in the Hegree year 1228 bestowed on his disciple Feze Allee Shaw (whom he had made a Devotee or Fackeer) all right to his Jagheer with his Houses, Charity buildings as well as all his effects and delivered over the Sunnuds which he held and so set him in his place and made him Master of every thing and to this end, he gave a written Document (Hebunama) witnessed by several respectable People of Adonie. This Original Grantee lived for a few years after he gave up his Jagheer Vc. The successor continued in the enjoyment for 20 or 21 years in the Company's Government supporting all relations of the original Grantee as long as he was alive.-

This successor during the life of the said original Grantee converted My father Aushekally shaw into a Fackeer or Devotee and gave Iddoo Bebee, the daughter of

of the original Grantees father Ibrahim Shaws sister in Marriage to my father; after which I was born and so he brought me up in the light of his own son and in consideration of my relationship to the original Grantee, he made me Fuckeer, set me on the Seat and executed a Deed (Kebanamah) of power, affixed his seal witnessed by People of Adonie, to the exclusive enjoyment of the Jaghere - This was in the Huzree of 1247 and he died a few years afterwards, and then Hyderalleshaw the 2nd Claimant having Complained to the Circar, the Jaghere has been kept under Attamut, and at all events, I still continue to keep up the lamp lights and perform the rights of annual Oorus and also preserve the Relations of Ruhul Ameenshaw (the Original Grantee) and the House also is still in My profsession - Therefore neither the 2nd Claimant Hyderally, the 3rd Mohomed Shukurullah nor their fathers or forefathers have ever enjoyed the Jaghere. The Muckandary or ownership of the Mackan has always been with Fuckeers or Devotees and never was with Doniadar, people of household habit, before Mohomed Shuckurallah, the 3rd Claimant advanced the claim, the Punchayet assembled under the orders of the Collector and expressed that there had been no more claimers with the exception of Hyderallee and that alone this

this Hyderally should receive 60 Rupees a year and the rest to be in the enjoyment of the owner of the Jaghere according to the effect of the Kebanamah granted by the deceased Fazrully Shaw, moreover, the term in the Moochilkahs, which the Amildar of Adonie has taken from us both, were to the effect that we should be content with the decision of the Punchayet and that he who becomes discontented with this decision shall forfeit all claims - These two Moochilkahs, as well as the award of the Punchayet are in the Hoozoor, and may be taken into Notice Mohomed Shuckoorullah the 3rd Claimant having complained, the Hoozoor Purvanah directed the Amildar of Adonie to enquire who this Mohomed Shookoorullah was and the Amildar enquired of the People at Adonie they stated that they did not know who he was and that they had not seen him, but that from the Mahazeet of Hydrabad people it appears that Mohomed Shuckoorullah is a descendant of Ruhul Ameenshaw. But afterwards a few people out of the said party of their own accord certified that this Mohomed Shuckoorullah alone becomes owner of the Estate and no one else - your Honor must consider the possibility that the people who at first stated that they do not know Mohomed Shuckoorullah, have

have afterwards certified to him the right while their own and their ancestors witnesses signed and sealed the Deed (Hebunamah) executed by Fyzally Shaw, but now they made Mohomed Shuckoorallah to be entitled to it. The Circar should enquire and grant the Estate to the proper Claimant. I have filed the Hebanamahs in my name and in the name of Fyzullyshaw also the Sunnud Deeds together with a lineage or of Genealogy by which my Claim will be proved. It is now to be considered that while a real proprietor who wishes to grant his Estate to any one has given it up to a person that goes on his ways without giving it to his own relation and has executed a Deed saying "I have presented to you these Estates &c" then it is his own, and which shall never be given to any relation when wishing to have it so my Priest has presented his Jaghere &c to me what shall I state more.-

Translation of a Persian paper dated 22nd Ramjaun 1259 Hizree which the 1st Claimant Cauder Ameenshaw calls a Mohazurnamah establishing his right.-

I, Cawderameenshaw who I am the disciple of

of Fyzally Shaw who was the Disciple of Ruhulameen Shaw son of Shaw Ibrahim Chistee do hereby ask of Hindoos and Moosulmen of Adonie to witness a fact Therein represent that the late Ruhul Ameen Shaw not having a son he towards the end of his life sought for a fit and sensible person and selected one good man named Fyzally Shaw, he found him to be a fit object in all respects and so he made him his Fackeer and Disciple. He accordingly executed unto him a Hebanamah for the Grant of the Jaghere, House &c he directing in it that he the receiver should maintain in the same manner which he himself had done and preserve all those in the House as long as he lived and that to the end of his life he should be at liberty to give up the Estate to any one under a Hebanamah. This Fyzellaly Shaw acted accordingly for 24 years the period he was alive in the enjoyment of the Jaghire, House, &c and at his death, executed Hebanamah to me, the said Cawderameen Shaw, to whom I am a relative in the light of Grandson by female descendants of the said Shaw Ibrahim Chistee, for Cauder Bee the daughter of this Shaw Ibrahim was the wife of one Jemalkhan, and I am her grandson by her daughter I am thus the Grandson and He considering that

that I am the proper Claimant even without a Hebanamah, has execated it, and hence, I Cawder alleshaw became owner in both ways Viz^t as Grand son and as holder of the Hebanamah, This is a true representation, and I request that they who believe the fact will witness the names and seals to this Paper which contain a true Statement, then you will prove to be charitable persons and in the world you will obtain reputation.-

Translation of a Copy of a Persian Hebanamah by Syzally Shaw to Hawder Ameen Shaw dated 1st Jamadeyesany in the Hijree 1247

Here the seal of Syzally Shaw is affixed

I Syzaally Shaw Chisty Disciple and Successor to Shaw Ruhul Ameen, the legitimate son of Syed Shaw Ashuk Ibrahim Dagudgooroo, do hereby address to the People acting according to law and to the People of devoting this my proposition and ask them to witness it Viz. My Priest Shaw Ruhul Ameen or the son of Syed Ashuk Ibrahim / he who acquired a title of Dagudgooroo" was the noblest of the Caste of Syed and chief Muckandar above all in the Purganah of Adonie. This Syed Ashuk Ibrahim Shaw had the Jaghire of Mouza Camar yielding an emolument of 4,000 Rupees besides the fees collected at half a Dub / 10 cash / D. Dookanee every day

independants

independent of this income he had thousands
of Rupees as occasional gifts from the
Officers of that time all these emoluments
did not meet the esspense such was his
charitable act which spread over this
part of the country he had only a son
Ruhul Ameen shaw and this son ascended
the seat at the demise of his father and
all endements such as Saghire of Mouza
Caumar was continued to him - This
Ruhul Ameen shaw had only one son
his name was Syed Nooreen but died
when grown up and for that grievance
he confined himself to his Chamber
without being seen by any one thus he
sent word to Nabob Darogah / title of
Mohabut Jung / Viz. "I do not want so
"much endument for I have no son take
"all these for Sircar, and continue only one
"Saghire for the Defray of charges attending
"the travelling Devatees on condition
"however that it may continue to such

"or future times could stop it" upon which
the said Nawab Sirajah has conformably
to his inclination taken the Mouza Caumar

Sea for Sircar and gave Mouza Cuddilode for
the esspense incurred by the travelling Fuckeers
Thus this Village became Saghire from the
Hijree 1205 in the enjoyment of the said
Shaw Ruhul Ameen when he grew old and
wishing to propose some one to succeed him
he selected one whom he made Fuckeer
and kept about him improved him and
examined him but perceiving him not being
fit to hold a Mackandary and to keep up
the act of Devotion he removed him from
the Mackan and called for me from the
City of Hydrabad and made me a Devotee
of his free will and kept me with him
for some time and improved me and found
me a fit object and approving of my
fitness, he about three years before his
demise ie in the Hijree 1228 in the presence
of the whole party of Syeds / meaning
of Noble Family / and of persons of
priestity executed a Hebanamah unto
me for Keeping up the Mackan conducting
the annual Oorus and serving Travelling
Fakeers - He 3 years after this Hebah
died in the Hijree 1231. and I having
performed his funeral rights and Celebrated
the other Ceremonies attending it I have

thus

thus managed from Hizree 1831. up to this time or Hizree 1247. I have travelled to countries to beg and so discharged the large debts. This is well known to every one of the community- Now I having grown naturally old and feeble and not trusting to this borrowed life have whilst my constitution is sound, my sense is correct and my limbs are perfect, given up the Sagheir of Mouza Cuddilote, the Muckan and all other effects which were in my possession to Cawder Ameen whose mother is relative of Shaw Ruhul Ameen and whose father I have during my priests life, made Fakeer and whom I have in the last year Hizree 1246 converted into Devotee /Fakeer/ in the presence of the whole Syeds /respectable Persons of Priestly/ and the assembly of Fakeers, I say this Hiba is right and lawful and now it is required that the said Cawder Ameen, after my death should remain firm and permanent on the seat of Devotees and law, and that he should use his time day and night as long as he may be alive in serving the Travelling Fakeers and the superintendence of the

Muckan

Muckan charitable building &c keeping up light and other rights of the Muckan as well as the cleansing thereof /meaning Muckan &c/ and in case of any one at any time after my death may come and claim the above /I espect from all Syeds Priests and Fakeers/ that his claim should become invalid- This my statement I hope may be drawn into your consideration and your Seal and Signature may be affixed to this justified paper- by which Act you will have charity towards God and reputation amongst human souls.

Translation of a Teloogoo Statement given before the Collector of Bellary by Syed Hyderally dated 27th June 1844.

I am grandson by Daughter of Ibrahim shaw Juggudgooroo and Nephew by sister of Ruhulameenshaw. The contents of a Cararnamah or agreement given in the Hizree 1232 by Fyzally shaw the Facheer of Ruhulameenshah,

Ruhulaineen shah to my Father Syed Kyzer Sahib are, Viz. At the time of the demise of Ruhulameen "shah he ordered me to remain attached to you "and to your sons and act according to your "directions in the affairs both of Jagheer and "of Muckan, and said that you are entitled "to that Jaghire, I therefore shall submit ac- "cordingly." This agreement is in my pos- -session; after some time had elapsed, He the Fackeer having failed, it was reported to Mr. Robertson and that Gentleman passed a Pakeed No. dated 6th January 1834 to the Tasildar of Adonie directing to enquire into it and see how I was related and to report the particulars of the case. The Tahsildar having enquired, a Mohazurnamah was given by great People on the 14th Runjan on the Fusly 1250 certifying that Sam as I have stated above, a grand son of Ibrahim shaw Sugudgooroo and sister's Son to Ruhal ameen shah. The same great People have also given a Mohazur- -namah to myself and it is now in my posession. The Tasildar having sent the 1st said Mohazurnamah with his Arzee to Hoozoor

Hoozoor the Collector considered the case and said that decisive orders shall be given at the time of the Summabundy of that Village, but just before the Collectors coming to the Summa- -bundy of that Talook Tyzally died, and then one Cauder ameen Complained, that as he was Fackeer to the said Tyzally shaw he should have the estate, and the Collector again passed a 2nd Pakeed to enquire into the relationship or Claims of both parties. The Tahsildar ac- accordingly enquired of the Cauzee and Kottecbs of that place and they have lodged a Mohazurnamah certifying that I am the Grand son by female race of Ibrahim Shah Sugudgooroo and that I should succeed to the rights of the Jaghire agreeably to our Scriptures, also that the other person being merely a Fackeer he has no right. This Mohazurnamah was also enquired into by the Collector and a Pakeed No. 18 under date 31st May 1836 has been sent, to say that until further orders the Village in question should be kept amamet and, your honor has also ordered, the Amildar at the Summabundy of last year to have a Punchayet assembled on this head. The Amildar assembled the Punchayet and they gave

gave a Mohazurnamah, stating that as I am the Grand son / by female / descent of Ibrahim Shah Jugudgooroo, and Sister's son to Ruhul ameen, whilst this Cauder ameen is merely a Packeer to Fyzally, I should succeed after the death of Ruhul ameen. Mr Chaplin passed a Purwanah N° 18 under date 22d april in Fasly 1222 in favor of Grandson. If you will be pleased to take all this into consideration you will know well. From the deed executed by Fyzally to My Father, from the Mohazurnamah given by great people such as Cauzee, Kotteeb, Vca from the whole of the Records and Purwanahs thus long passed into the Case, and from this Purwanah under date the 6th January 1834, and another N° 18 in the year 1836, as well as from the enjoyment of my ancestors; the right to the Jaghire, Muckan Vca falls to my Claim. Your honor will be pleased to enquire into all of these and get me my rights. This very Cauder ameen has given to me a Deed in which he owns that he is merely a Packeer to Fyzally Shaw, and that I am the Grandson to Ibrahim Shaw Jugudgooroo, and this Deed is with me, and now he alledges to the Circar that he is a Grandson, of this word, you must enquire

Syed Hyderally interrogates witnesses of the great Mushayeks / Priests / and the learned People residing at Idonie as well as the community at large, according to our great Prophets scriptures to this purport, Vizt. That I the representative am a descendant of the Grandson by female race of Shah Ibrahim Chishtee and also am a Nephew or Son of Shah Ruhul ameen's Sister, this is well proved by the evidence of valuable witnesses on two papers of inquest and which Papers are ready in the Circar as well as with me and in the Paper in question, my being aents son relating to Muckbul Shah is also well warranted. The late Shah Ibrahim and Shah Ruhul ameen left no others except myself and Muckbulshaw

as

as their descendants either by male or female They left therefore their Estate attended by hurs and independent of this, Muckbulshaw was my relation, he made me his executor, and the Deed of this power "Vaseeyetnamah" is attested by valuable witnesses and is in my possession; but owing to our not being then present on the spot/ The said Rukul ameen shah in order to keep up the Muckan and for superintending the Charitable acts towards the Travellers also for managing other rights to be Celebrated in the Muckan, nominated a Fackeir named Fyzally shah, After some days, I and Muckbulshah, he who is my aunts son Claimed from the said Fackeer the succession to the estate, in short the said Fackeer has executed a deed attested by valuable Witnesses agreeing that on Condition of our paying him 60. Rupees per year for his maintenance, we should take the possession of the Saghire &c. Muckandaree, This Deed is in the Circar Cutcherry, but shortly afterwards the Fackeer died, our Law scriptures would never admit a Fackeer to become entitled to the Estate of shah Ebraheim Jugudgooroo

Fort St. George 13th March 1815

Jugudgooroo and shah Rukulameen, and at all events, that Fackeer died, but now another Fackeer called Caudir Ameenshah urges; that he is the Fackeer of Fyzally shah and is also the proprietor of the Estates of shah Ibrahim Jugudgooroo and shah Rukul ameen" By Mohamedan scriptures no Fackeer shall become a Heir. After the death of the aforesaid shah Rukul ameen the Purwanah of Mr Chaplin authorizes that the Saghire should be continued to "Grandson" and not in the name of a Fackeer This Purwanah is forthcoming in the Cutcherry, I the representative and the relative by female descendants of the three deceaseds namely, as Grandson to Shah Ibrahim Jugudgooroo, as son to the sister of shah Rukul ameen, as son to the aunt of Muckbul shaw. According to the explanation of the Alkoran I became the Heir to the Estate of the aforesaid three Persons and neither the Fackeer Fyzally shah nor any other Fackeer could have it, For in the absence of a nearest heir by male descendants, those of female descendants should succeed, and in their absence any far relative

relative of either of these, is entitled but no others, Now, whoever know well the foregoing representation, shall by God's sake, sign and seal respectively upon this true Statement and they shall become Charitable in the view of God and shall acquire reputation amongst the human race.—

Thus the foregoing few words have been styled in the shape of a Mahazer for its proving Summud or strong Deed.—

I, Fyzally shaw Packeer of Shah Ruhul ameen, the legitimate son of Shah Ibrahim Chishty Jagudgooroo, do hereby certify that my priest the late Ruhul ameen shah has in consequence of his relatives or heirs not being present at Adonie, nominated me for the purpose of keeping up the Muckan and managing the treatments

He my priest has thus having Commanded and made me the executor and has given unto me a Hebanamah Containing, Viz.t "In consequence of no one of my heirs "being present, I assign to Fyzally Shah." But now on this 13th day of Shaban Hijree 1232, having come to / this / Surapoor to visit Syed Khezur Saib, the Nephew of my priest Shaw Ruhul ameen who being in a= service at the Cusbah, and the said Syed Khezer Saib having Claimed to me for the Jaghire, Muckan &ca and has represented the terms in the power of Executor ship I owned it

it all to be too true, and have stated Viz.t you are the owner and I am an attendant— The Muckan, the Jagheire, the Summuds &c.a are ready" and then / he / the said Syed Khezer "said told me this For the present, I shall "keep you in your duty but give me a "written document, so that after lapse of long "time you shall never claim to the Estate" I therefore execute this agreement, that whenever Syed Khezer Said or his heirs shall ask of me for the Muckan, Jahagheer, Summuds &c.a I shall without shewing a useless delay deliver over them to him or to them, and I shall remain attached to their Commands & so maintain myself Thus the aforesaid few words have at my own accord and will been Styled in the Shape of a Carar-namah (agreement) attested by the valuable witnesses, and, this to be a voucher for the Suterance—

No 1 of the 3rd Claimant.

Translation of a Persian Erzee of Mohomed Shuckrulah the brother of the late Muckbul ally shah or Grandson of Shah Ruhul Ameen.

No date.

During the time of Mr. Chaplin the Sagheer of Moonja Cadetoti which should have been continued in the name of Muckbul ally shaw has been made jary (or continued) in the name of Fyzally shah as if he was a minor such was his (the Packeers) contrivance with which he usurped the Sagheer. The deceased Muckbul ally shaw presented himself before Mr. W. Thackeray during his Collectorney and claimed the said Cadetoti which was the Estate of his Grand father but Fyzally shah having procured the union of the Sereshadars &c. and giving the food of bribe addduced to the Collector a misrepresentation that he posses an entity, a right, a relationship and an Executorship by which plea he proved thro the Sheristadar's recommendation to the court and so got the Collectors orders passed in the name of the treacherous Fyzally which would otherwise have been decided at the Collectors Cutcherry in the name of Muckbul ally shah and which (the true claim) thereby

thereby was put off. Therefore Muckbul ally shah procured a Sacked of Madras Governor Munro, also the Board's orders to have his right for succession settled and he has accordingly proved his right and then Fyzally shah confessed his guilt and most submissively asked forgiveness and so entered into peace in the presence of the Circar's Servants, and respectable Mushayeks or Priests so a settlement relating to the emoluments (Sagheere) has been obtained by Muckbul ally shah that he Fyzally shaw should deliver over the Village Cadetoti to Muckbul ally shaw and submit himself as his attendant. But Muckbul ally shaw has died by a sudden sickness and in a few Months Fyzally shah also died

I have had a great hope since the last 2. 3. years of presenting myself in the harbour of law of your goodness. Hoozoor and obtain my right and continue in my good wishes under the charitable view of the Government of Azmut Madar i.e a technical style for "the Honorable Company". But now merciful supporter I heard that your honor passed orders that the Village Cadetoti along with its Collections of 4 years should be delivered over to Meer Hyderally and Meshuk ally. conduct the management relating to the Muckhan, the Saghere Vca. In short in consequence of neither of us (meaning the three brothers) having been present at the time of his death, one Syzally shah took an advantage of that opportunity and usurped the Saghire by pretending to state. in the circar that he was the deceased's Grand son by Daughter and so obtained a continuance of the Saghere Vca. in his name or enjoyment Viz. in the Purwanah by Mr. Chaplin No. 18 dated 12th. April in Fusly 1222 to the Amildar it is directed that the Saghire Vca. should be delivered to him (Syzally shaw) in the event of his being certainly the Grandson by Daughter. This Purwanah is for the coming in the circar Records. After this, My brother Muckbulally shah presented himself and complained on the head during the times of Collectors Messrs. Shackray Campbell and Robertson. these Gentlemen issued Sackeed to the Amildars for enquiry into the right of my brother. These Purwanahs as well as the Mohazurnamahs signed and Sealed by valuable persons at Adonie and the Amildar's Urzees are all ready in the circar. In the enquiry made by Mr. Robertson the Sackeed confessed himself fraudulent and executed an agreement that he would deliver over the Saghire Muckan,

January 1834 or Fusly 1243 is now read over shortly afterwards my brother (Muckbul shah) died at Anuntapoor and the Sackeer himself also died a few days after. May 1836 or in Fusly 1845 directing that the Collections of Moonja Cudditotie should be kept in deposit informing also that he (Mr. Robertson) will by and by enquire and ascertain the Heirs and then issue further orders. In a Purwanah dated in Samadeyesaw=

Shuckurrullah with Sham Ibrahim
Chesti, Vencatrow the Amildar of Adonie
having been directed to ascertain how
Mohomed Shuckurrullah is related
to Ibrahimshah Chesti, Jaghiredar of
Monja Budditoti and to enquire why
the People Composed of a Punchayet
who settled the case between Cawder
ameen Khan and Syed Hyderally
did not express in their award the
name and relationship or connection
of Mohomed Shuckurrullah, we the People
of Punchayet beg leave to reply as follows.

When

When a dispute arose between
Cawder Ameen Khan and Syed. Hyderally the or=
=ders from the Circar were simply to settle these
two individuals Case (it has accordingly been
attended to and the Tyselmamah in question
is in the Circar) and Mohomed Shuckrullah
did never enjoy the Jaghere nor did any one
composing the Punchayet ever see him.
Under these two reasons namely the 1st there
appeared no orders from the Circar and
the 2nd there appearing no acquaintance
with the said Person, no mention of him
or his heirship has been expressly be=
=fore. But from his Mohazer† on which
highly noble persons seals are he appears
a representative or own brother of Shuck=

to decide this matter.

No. 12 of the 3rd Claimant.

Translation of the collected opinion of the se=
=veral respectable people at Adonie dated
1st Showal in the Hizree 1259 or Insly 1253, ob=
=tained by the Tasildar of that place in
virtue of a Huzzoor Purwanah on a Claim
of Mohomed Shuckrullah the 3rd Claimant.

The Cause of writing a
few lines is that after Mohomed Shuck=
=rullah has filed an Urzee to A.
Mellor Esqre Collector in the Zillah of Bellary
Establishing

establishing a claim to the Jaghеer Muckaw
Vea enjoyed (successively) and left by shah
Ibrahim Chicktee and Shah Rukul Ameen
alledging that as he is the representative
or descendant by female issue, he alone
has the right to possess the said estate, that
Gentleman (A. Mellor Esquire) having
considered into the subject of the claim
has been good enough to issue a Purwanah
to Vencata Row Sasildar of Adonie to en-
quire what relationship existed between
this Mohomed Shuckurullah the afore-
said two persons (the Jaghiredars) and
with one Muckbul ally shah who died
since adducing a similar claim, and
(as the result of such enquiry) to send to
Hoozoor his (the Tahsildar's) report ac-
companied by the opinion afore re-
quired - In this Purwanah there were
an Urzee of Mohomed Shuckrullah
and a Mohazer certifying his rela-
tionship with the said three Persons
under signs and seals of respectable Per-
sons of this Country - The Amildar after
reading the Purwanah, the Urzee and the
Mohazer interrogated the people at
(this) Adonie relating to the Purport of
these three Papers, we who reside here on
having considered into the Purports of the said
their papers, delivered an opinion written what

was

was inconsistent with the valuable scrip-
ture, the Amildar transmitted the same paper
in original to the Hoozoor. The Collector ob-
serving the contents of the said peoples opi-
nion, i.e knowing that the female relation-
ship of Mohomed Shuckurullah with
the aforesaid three Persons is undoubtedly
proved, as he was Grandson by female of Shah
Ibrahim and Nephew by Sister of Shah Ru-
khul Ameen, also as own brother of Muckbu-
lally shah, wrote another Purwanah to
enquire of us the said People of this place
what portion of the Estate, left by those
three, is entitled to him according to Scriptures,
if it true that Mohomed Shuckurulla has a
relationship with those three persons and to
obtain a further opinion of us with seal and
witnesses - The Amildar Collected us, and we,
who have given our opinion on the late oc-
casion and acquainted with the Contents
of this other Purwanah and demanded a re-
ply of us. We the whole party at Adonie,
required of the Amildar to lay before us
those Papers referred to in the Urzee of
Mohomed Shuckrullah, and said that we
should be prepared to give our opinion
according to our law scriptures when we
are led to understand the Contents of the se-
veral Purwanahs issued by former Collect-
ors. The Amildar has at first tendered,
the Purwahna of Mr. Chaplin dated in July
1225 containing the Jaghire of Cuddelore after

the

the death of shah Ruhul Ameen in the name
of Syzally shah, if he has the title of a Grand
Son by female side, and then the Amildar
gave the Moochilicah of Syzally shah a
which he had given in the Cutcherry with
the seals of valuable persons of Colonie
during the dispute with Muckbulallyshah
and which contains Viz.t "Allow me 60 Rupees
"per year for my subsistence, take assignment
"of debts and possess the Jaghire, Muckan, &c.a
"into your enjoyment, as being the proprietor, so
"that the estate may be in (your) own hands,
"and I shall spend my time or age within the
"Compass of the said sum of 60 Rupees, like
"other inhabitants who maintain themselves".
We the party of dare afty (trialists) have
taken Copies of those two papers; and after
having their Contents into understanding &
and Co operating in mind and opinion (we)
proceed to Declare in our and the same-
=naice what follow. Syzally shah by a
fraudulent intention has usurped for se.
=veral years the Estate left by the deceased
Shah Ibrahim and Shah Ruhul Ameen,
by uttering a falsehood, and pretending
that he is Grand son by female descent.
This fact is so well known to the whole
body of People young and old in the
Talook of Colonie as in the same manner
=ner the sun is visibly perceptible. This

Syzally

Syzally shah merely a Jaccheer who never
had any kind of blood Connection either with
shah Ibrahim or Shah Ruhul Ameen; and
furthermore, although Syzally Shah could
have had a right in being himself a rela-
=tive of either side male or female, or
in holding a Hebanamah or in being a
disciple Jackeer, yet his having given
the said Moochelekah has itself reduced
all such entity whatever it may be. This
is perceptible to People of sense. Hence
while by the proof and scriptures, Syzally
is thus beyond all entity to the estate of
shah Ibrahim and Shah Ruhul Ameen
the Act of his making one, new man
to succeed him and giving up the whole
estate of Jaghire and Muckan by virtue
of a paper calling it an Hebanamah
prepared in the name of that person after
allowing him to put on a Jackeer's dress
and adorning with Khelaput (dissi-
=ple robe) is directedly prejudicial
to the honourable law scripture and
to the usage of mussulmen. As re-
=gards the Mohomed Shuckurullah
the Complainant he becomes heir to the
whole Estate such as Jaghire Muckan,

both as Grandson in the female descent as Nephew by sister because of the absence of the descendant of male side, Vide Extract of the law "Cunzeed Da, Kayik Vea". In the absence of a male descendant of the male side that of the female (daughter's) side is to be consi-dered as nearest heir; but as long as the former is in existence, the latter will not be a heir and in case of alone the either of the Couples (husband and wife) being alive the widow in the former or widower in the latter side can never have a whole or independent right. But as the prepondering or degree of succession shall be according to these distinctions. The nearest out of those in existence is the 1st or nearest heir consequently there is no one else so near as Mohomed Shuckurullah in the female descent of Shah Ibrahim and Shah Bukut Ameen. Hence, Mo-homed Shuckurullah is the heir to the said two Shah Saibs and and the others of the female side who are far relations are of a neat degree. guilty of falsifying the Village accounts was sentenced to imprisonment, and one Vydeanaida Pillay, in consequence of the sons of the former being Minors, nominated to officiate. Subsequently after the release of Venkatachella Pillay he again entered upon the duties of Curnom and writing the accounts of the two latter Villages himself, Continued Vydeanaida Pillay as his Goomastah in the other, after the decease of Venkatachella Pillay his sons in a similar manner continued to write the accounts of two Villages, and retained Vydeanaida Pillay as their agent, to write the accounts of Canttoodavadoor, until they discovered that he had, with a view to defraud them, entered his name in the Survey accounts as the hereditary Inerafy Curnom. Upon this they complained and demanded to be put in possession of the Curnom Inerafs. The above facts being established, the Zemindar was informed he must employ the hereditary Curnoms in lieu of their Goomastah, to which he

To The Collector of
Chinglepute.

Sir,

To the Colr of Chinglepute. Stating in reply to his letter of the 1st Instant that it was not competent to him to require at the hands of the Zemindar of Vendutton the removal of Vydeanada Pillay Curnum of the Village of Kautoodavadon of that Zemindary and that the Board cannot support his proceedings on the present occasion also stating that the Board cannot but remark on the means to which he has resorted with a view to procure the attendance of the Zemindar at his Cutchery.

Para 1. I am directed by the Board of Revenue to acknowledge the receipt of your letter of the 1st instant reporting upon the Petition (No 82 of 1845) of L. Venkatapaty Naidoo Zemindar of Vendutton in your District.-

2. From this report and from the enclosures the Board learn that the office of Curnum in the three Villages Colavetty, Maroovelum and Kauttoodavadon was formerly held by the same individual one Venkatachella Pillay who in the year 1812 was for certain malpractices punished by the Zillah Court with imprisonment, and removal from his appointment

appointments which in the two first named
Villages were conferred upon one Sooba-
=roya Pillay - and in the last on.
one Vydeanada Pillay - On his being
released from confinement he
appears in virtue of an agreement
entered into among the parties to have
been readmitted into the Curnomship
of Colavetty and Maroovelum, but not
into that of Kauttoodavadon the duties
of which appear to have been discharg-
=ed by Vydeanada Pillay from the time of
his first nomination to that of your late
order. It would seem to your impression
that Vydeanada Pillay was merely
=ly appointed in the first instance by the
Zillah Court to officiate as Gromas-
=tah because at the time of Venkata-
=chella Pillay's imprisonment his sons
were minors - but the order of the
Court produced by the Zemindar
states that Venkatachella Pillay
had no heirs - and as admitting him to
have had any they must have been
incapacitated on account of their
youth

you th there would seem to be no reason why the Court should not have appointed Vydeanada Pillay permanently to the office: It however appears to the Board to be unnecessary to dwell upon this point because they are decidedly of opinion that under any circumstances, as Vydeanada Pillay has continued to discharge the duties of Curnom for more than 30 years, it was not competent to you to require his removal at the hands of the Zemindar. Nor could the latter legally comply with your requisition - and that Vydeanada Pillay could have been displaced only by the process of a Civil Court. The Board, therefore regret that they cannot support your proceedings on the present occasion - and they will leave it to you to adopt such measures

measures as may appear to you most advisable in rectification of the error into which you would seem to have fallen.-

From the Sub Collr. of Madura

As Petition 1210 of 1844 seems to require the order of the Board, I take the liberty to report upon it by letter rather than by Indorsement, as required by indorsement dated the 28th October, and received by me on the 25th November.-

Recommending repayment of Rupees 193-3-9 to the Zemindar of Ammianaikanoor being net revenue of a piece of ground awarded to him by arbitrators on the 27th May 1837 in the Village of Malayoor.-

2. The Pattamgars of Malayoor in the Ammianaikanoor estate, in profession of the proprietor, and of Peelacotay in the imperfectly surrendered estate of Annamalerrah in charge of the Collector, disputing about a patch of ground, cultivated in Fasly 1242 A.D. 1832/33 it was referred by the Sub Collector to a Punchayet named by him on the 28th May 1836 and in accordance to their award of the 27th May 1837, it was given up by the Sub Collector to the Ammianaikanoor estate under date the 17th July of the same year.-

The revenue from it in Fasslies 1242 and A.D. 1232/33 & 1243 A.D. 1833/34 amounting to Rupees 40-13-4, were duly carried to the account of Peelacotay, the Government officers being the stronger party, and the dispute not being sufficiently advanced to admit reasonable doubt of the right of Government.-

the revenues from it for Fusslies 1244 and 1245 A.D. 1834/35 and 1835/36
kept in deposit after proceedings taken towards a decision in the matter, were subsequently carried to the credit of Government as "Extra Revenue" to amount of Rupees 152-11-5, because the award took no notice of the revenues during the period of dispute, and under these circumstances was given my indorsement of the 5th August 1837, from the three Circumstances of thinking the matter in amount of little consequence to a pretty large Zemindar, a troublesome correction of accounts, and not having authority for the adjustment, and repayment, without the Boards' permission.—

3. I have the honor to recommend, Repayment to the Zemindar of Ammianaikanoor of Rupees 193-8-9, the net revenue of the piece of ground awarded to him in the Village of Inalayoor on the 27th May 1837 for Fusslies 1242-43-44. and 45.—

From the Pl. Coll. of Coimbatoor — Sir, 1. I have the honor to acknowledge the receipt of Extract from the Proceedings of the Board of Revenue dated 31st October 1844, directing me to take into consideration the means of effecting a reduction in the armed Civil Establishment of the District and to submit my sentiments on the subject, with a Statement of the reduction I may propose, & of the manner in which the remaining Establishment is employed.—

Submits that the armed Civil Establishment in the District is not susceptible of reduction or even modification—

2.— In reply, I would offer it as my belief, that any further reduction in the armed Civil Establishment of the District cannot be made either with profit or expediency, and further that I think such uncalled for— In coming to this opinion, I am only following in the voluminously recorded ideas on this subject of my Predecessors— supported, however, by

by the experience, which I have had the opportunity of acquiring during the last four years.—

3. The object of the employment of this Establishment, the advantages, which have arisen as regards the revenue and the security of the District from its maintenance, and the reductions which have, from time to time, taken place in it are already so clearly laid before Government, and admitted by the Board that but little remains to be urged on my part.—

4.— The armed Civil Establishment, which, with reference to its usefulness, and the nature of the duties it has to perform, is perhaps the least paid body of men in the Honourable Company's service, is kept up at an annual charge of Rupees 20,226— whereof the large portion, viz. Rupees 11,076 is charged to the Tobacco monopoly and repaid by Malabar, and the native states

States of Travancore and Cochin. The necessity for this Establishment is obvious, and must, of consequence, be entertained either in this District or in Malabar, being the only means of preventing smuggling. This portion of the Establishment is placed in the Frontier Passes proving a very efficient protection to the monopoly. Mr. Sullivan, in a letter to the Board, states that "the Establishment of these Peons is coeval with "that of the monopoly. They have been kept "up for more than 20 years. The Board "are aware that they are now included in "the Rundachar Sibbendy. For a great "part of the year a large majority of "them are employed in the Elephant Hunts. "It is absolutely necessary that they should be "retained." The experience of the last 16 years shews that the necessity for this Establishment has in no wise abated since the recorded opinion of Mr. Sullivan.—

Dated 22d July 1828 Para 3

5.— The other portion of the Sibbendy and which may be esteemed as properly belonging to Coimbatoor,

is

is maintained at an annual expence of Rupees 9150— It is divided into three classes as shewn in the margin. These parties are employed in guarding the Frontier Stations of the District, in looking after the Sandalwood and Teak in the Government Forests, which are profitable in an "Extra Revenue" point of view, as will appear subsequently, by a check in the prevention of the ravages of wild animals, in exacting Pleasure to the Hills on two different occasions in every month for the pay of the Civil and Military officers, besides various other miscellaneous duties in the Revenue and magisterial Departments.

Sub Kindy for preventing the ravages of Elephants	6462
Chief Peons	2028
Sandalwood Do.	660
Total	9150

6.— With reference to the wild nature of the District, and the Emolument, Government have derived from their Sources, it would appear that their employment must be considered rather an advantage than a loss. The Board have so far back as the year 1824 fully recognized the expediency of keeping up this Establishment, and in their letter to

to Government, it is remarked that "the importance of putting a stop to the ravages of these wild animals (Elephants) and thus recovering lands which have gone out of cultivation in places infested by them, is fully admitted in every part of the correspondence which has taken place, relative to their destruction." The evil here complained of, though abated, is far from being removed, and only very recently, with a view to the preservation of the cultivation appertaining to the Village of Balamambutty, only 10 miles West of Coimbatore, where it was reported that a Herd of about 30 Elephants had made their appearance, I deemed it necessary to assemble this body of Peons for the usual Hunt, which resulted in the capture of about 20 Elephants to be sold ultimately to the advantage of Government.

7.— Independent of the benefits in a revenue point of view, the advantages to Government from the sales of Sandalwood and Elephants &c. during the last ten years, entirely cover the charges incurred

The Vakeel is referred to Section XXI. Regulation XXVII of 1802, wherein it is expressly declared that no appeal shall be made by a Collector unless by virtue of written authority from the Board of Revenue for that purpose, which authority shall be lodged with the appeal. It was for this authority that the Vakeel was directed to apply on the 17th January last and allowed six weeks for its production which period has now expired by some days. The appeal suit having been inadvertently admitted on the file without

without this authority the Court cannot allow it to remain on the file unless such is produced, and for which purpose a further period of 15 days is allowed. This time is irrespective of any that may be solicited for putting in the ground of his appeal.—

1- I am directed by the Board of Revenue to acknowledge the receipt of your letter of the 8th instant submitting Copy of a Diary recorded by the Sessions Judge under date the 5th instant in which, in reference to an application made by your Vakeel in pursuance of the orders of this Office of the 24th Ultimo. for an extension of time within which to file the appeal in suit No 74 of 1842.— the Vakeel is referred to section XXI Regulation XXVII 1802. and it is further stated that the appeal suit has been inadvertently admitted on the file but that it cannot be allowed to remain there unless

Informing him with reference to his letter of the 8th Instant that it will not be in the power of the Board to give the written authority required by the sessions Judge for the retention of the appeal in suit No 74 of 1842 within the time specified as it is insufficient to make the necessary reference to obtain the Sanction of Govt for the institution

of an appeal and stating that it should be ultimately determined that the appeal is to be proceeded with the Board's written orders will be sent in due Course which can be filed in Court as authority.

unless the written authority of the Board for its institution be produced within 15 days i.e by the 20th Instant.—

2 In reply I am instructed to observe that it appears to the Board to be doubtful how far the section quoted by the Court can apply to Suit No 74 of 1842 in which it was not decreed that the arrear of revenue charged against the proprietor Echoo Numbear was not due by him but simply that the grain in the possession of the Plaintiff Comaden Numbear could not legally be attached and sold in satisfaction of it. However this may be it will not be in the power of the Board to give the written authority required for the retention of the appeal on the file within the time specified, as before they can authorize the institution of any appeal it is necessary to refer to Government and obtain their sanction for which in the present case the time granted is insufficient - If however the appeal irregularly brought upon the file should be removed from it the Board presume it will be only

only temporarily and without prejudice to its being again brought forward and that the Court under the present explanation will not object to grant the extension of time for the filing of the appeal Plaint for which You were directed to apply in my letter of the 24th Ultimo - It is observed that in the Court's Diary a distinction is taken between the time required for filing the appeal and that within which the ground of appeal i.e. it is presumed the appeal Petition is to be put in - In the present case however these periods will be identical, as the Board in conveying to you authority for the appeal will at the same time inform you whether the Draft of the appeal Plaint which you have submitted will be sufficient and if not how it should be altered - The institution of the appeal and the lodging of the appeal Petition will therefore be Coetemporaneous -

3. If it should be ultimately determined that the appeal is to be proceeded with, you will receive the written orders of the Board in due course which you can file in Court as your authority -

To the Chief Secy to Government Submitting a correspondence with the Collr of Madras on the subject of certain land occupied by Parties for Bazars at the Boatmen's Village in Royapooram, stating that the Board have already intimated to the Collr that the Bazars established in the Road & on fronts of houses encroaching beyond their due limits are liable to be assessed with ground rent & suggesting that with regard to the Bazars set upon portions of the location assigned to the Chepauk settlers quit rent be demanded only from such parties who are not of the Boatmen's Caste also reporting that the acknowledgment in the form sometimes

To The Chief Secretary to Government -

Sir.

1. With reference to the papers noted in the Margin I am directed by the Board of Revenue to forward for the orders of the Most Noble the Governor in Council the accompanying correspondence with the Collector of Madras on the subject of certain land occupied by parties for Bazars at the Boatmens Village in Royapooram -

From Govt 30th Octr in Cons 12th Novr 1838 -
To Do 10th June 1839 -
From Do 16 in Cons 29th July 1839 -
To Do 12th September - - 1839 -
From Do 16th Augt in Cons 2d Septr "
To Do 10th February 1842
From Do 25 in Cons 28th Feby "

From 6th September in Cons 3d Octr 1844 -
To 21st October - - ———— "
From 15th in Consultation 27th February 1845 - - -

2. From this it will be seen that Petitions were presented at this Office from certain Bazarmen complaining of ground rent having been assessed upon their Bazars at Royapooram, and were referred to the Collector of Madras for his explanation and report - From Mr Hudleston's letter of the 15th Ultimo it will be perceived that of the Bazars alluded to, the greater number are kept on the public road - some on fronts of houses extending beyond the prescribed limits of their locations - while a few

sanctioned by Govt. under date 25th Feby. 1842 have not been executed by the Boatmen.

few /3/ are on portions of locations which the settlers from Chepauck are entitled to hold. In respect to those which have been established in the Public road - or on pials of houses encroaching beyond their due limits such are unquestionably liable to be assessed with ground rent and the Board have already intimated this opinion to the Collector - The case of those parties who have set up Bazars or portions of the locations assigned to the Chepauk settlers may demand more consideration but should the Board would submit, be determined on the principle laid down in the Extract from the Minutes of Consultation 16th August 1839 - /see Margin/ persons of the Boatmen class being exempt from the demand but parties not of that description being charged with Quit rent to the - extent which they may severally occupy, and - should the Government concur the Board will instruct the Collector accordingly - ——

"His Lordship in Council directs that Quit rent be charged on all Houses - situated on Land allotted to the Boatmen which may be occupied by persons not of that Class" - P. 2.

3. The Board would not have thought it necessary to trouble Government on

Fort St George 13th March 1845.

on the present occasion, but for the circumstance - stated by the Collector in the concluding Para of his last letter. viz. that the acknowledgements in the Form submitted to Government on the 10th February 1842 and sanctioned by them on the 25th of the same Month. have not been executed by the Boatmen - nor in consequence have any certificates been granted them - The objection taken by the Boatmen, is, it would seem, to that stipulation in the acknowledgement under which they are to pledge themselves - to quit and deliver over the ground within one week after notice in writing shall have been given to them - As however the execution of the Documents referred to forms part of the terms which the Government in Para 1. Extract Minutes of Consultation 16th August 1839 have enjoined to be strictly enforced and as they would obviously be of much assistance in distinguishing the parties who are entitled to hold their locations free of Quit rent, from those who have no claim to such exemption and in

in preventing the unauthorized alienations of the ground in question the Board have judged it proper to bring the circumstance to the notice of Government.—

Read the following Extract.

Extract from the Minutes of Consultation Under date the 22d February 1845.

Read the following letter from the Secretary to the Board of Revenue.

Submitting a correspondence with the Acting Collector of Ganjam regarding the balances outstanding against the Teekally Estate now under sequestration and recommending for favorable consideration certain arrangement proposed by the Acting Collector after communication with the Proprietor. (Here enter 13th January 1845- No 30)

The Most Noble the Governor in Council observes from the Report of the Acting Collector of the 11th September last that the Zemindar of Teekally when the Estate was made over to him in Fusly 1248 entered into an arrangement to pay off in addition to the Current Paishcush the arrears then due upon the Estate amounting to Rupees 45,301-13-5 by the annual instalments noted in the margin of which the first instalment is shewn to have been paid. From the same report it appears that the actual Paishcush due for each year from Fusly 1248 to 1253 inclusive was Rupees 2,88,744-8- exclusive of interest and arrears, of which Rupees 2,09,620-13-9 only had been realized, leaving

a

a balance of Rupees 79,124 and that the total amount due up to the 31st May last inclusive of interest and arrears was 117,045-8-3; subsequently it appears the Zemindar on condition of the management of the Estate being restored to him agreed in discharge of the balance due to pay at once 17,000 Rupees and the remaining sum of Rupees 100,384-2-5 by annual instalments of 10,000 Rupees besides the Current Peishcush of each Fusly. On this proposal the acting Collector observed that after full consideration he was of opinion that the Peishcush and the instalment could never be paid without coertions and pillage on the Community and recommended the sale of the Estate which the Board authorized in Proceedings 14th October last, unless some more satisfactory arrangement for the liquidation of the arrears were made before the day of sale.

2 The Statement given in para 7 of the present acting Collector's Report exhibiting a balance now due from Fusly 1248 to 1253 inclusive of Rupees 61,966-15-11 does not correspond with that given in para 7 of the late acting Collectors Report of the 11th September last.

It

It is observed that the demand for Peishcush in the former is stated to be 2,94,888- while in the latter it is 288,744-8-, the actual payments also differ materially as follows.

	By Mr. Anstruther's Statement in round numbers.	By Mr. Smollett's Statement in round numbers.
Fusly 1248	58,004	55,703
" 1249	49,148	30,330
" 1250	52,704	34,343
" 1251	55,155	42,922
" 1252	19,172	38,800
" 1253	551	34,983
Total	234,736	237,084
Subsequent payments	3,432	
	238,168	

While therefore Mr. Anstruther's account shews that the Zemindar paid his Current Peishcush in full for Fusly 1248 to 1251 inclusive, Mr. Smollett's account makes it appear that in Fusly 1248 only was it paid in full and that in Fusies 1249, 1250, and 1251, there was short payment of Current Peishcush to the extent noted in the Margin.

Fusies - amount of
1249 — 18817
1250 — 14,804
1251 — 6,225

3 The balance exhibited by the present acting Collector embraces only the actual Current Peishcush due for the 6 years when the Estate was under this Zemindar's management, Viz.t from Fusly 1248 to 1253, and not inclusive of interest upon the

old

old arrears- It appears that in the interval of Mr. Anstruther's and Mr. Smollett's Reports, or a period of about 3 months, the Zemindar paid a sum of Rupees 13,940-13-7 in part liquidation of the arrear due for the said six Fasles reducing it to Rupees 48,026-2-4. Of this balance he has now agreed to pay 25,000 in the present, and the remainder in the ensuing year, in addition to the Current Raishush; for which he has tendered, what the acting Collector states, is considered adequate security, and he has been placed accordingly in posseſsion of the Estate- as a part of the arrangement, the acting Collector has recommended that a Parshear be employed on account of Government to take accounts and to see and report that the proceeds are properly accounted for to Government-

4 As regards the balance of Rupees 45,301-13-5 due on account of Raishush prior to Fusly 1248, the Zemindar has expreſsed a hope that that portion of it which accrued during the manage- ment of the Estate by the Officers of Government may be remitted, and the

the remainder Viz.t 15,693 Rupees be taken from him by such easy instalments as may be agreed upon at the close of next year, when the balance due for the period when the Estate was in his own management will have been cleared off-

5 From the conflicting accounts of the actual payments made by the Zemin- dar from Fusly 1248 to 1253- as above noticed, the Most Noble the Governor in Council finds it difficult to come to a clear under- standing of the actual balance now due by the Zemindar on account of those Fasles, and requests that the Board of Revenue will obtain from the acting Collector and submit to Government an explanation of the discrepancies noticed, and a clear Statement of the actual balance due, distinguishing that which accrued during the management of the Officers of Government and under the Zemindar- By the statement in Para 13 in Mr. Smollett's Report, it would appear that no portion of the arrear of 45,301 Rupees due when the estate was restored to the Proprietor in Fusly 1248 has been realized

x Para 4

realized: while from Mr. Anstruther's Report x it would seem that 15,000 Rupees was paid by the Zemindar in that Fusly on account of Arrears.

6 When it is taken into consideration that the Zemindar on the occasion of being placed in possession of his Estate in Fusly 1248. failed to make good the annual instalment of 10,000 Rupees, which he had agreed to in payment of the arrears, and that by the present acting Collector's Report he failed even to pay the Current Peishcush of those years with one exception, and no part of the arrears: His Lordship in Council can place little reliance on greater punctuality in the fulfilment of any engagement he may now enter into - and it is therefore indispensably necessary that the most unquestionable security should be given and that the Government should be informed of the precise nature of it - and His Lordship in Council before acceding to the arrangement proposed requests that full information on these points may be furnished. The

Board

Board of Revenue will be pleased to request the Collector to report on the mode in which the money for the payments of the present and ensuing years in discharge of the arrear is to be raised by the Zemindar and more especially whether it is to be effected by the partial dismemberment of the Zemindary, by the transfer, by sale or Mortgage, of any of his Villages.

7 As the Zemindar has been actually placed in possession of the Estate, it is probable that the other part of the arrangement Viz: the nomination of a Peishcar on the part of Government has been also carried into effect, and if so, His Lordship in Council is of opinion that he should be withdrawn as objectionable in principle. It is not to be expected that a servant paid by the Zemindar will be any check upon him - while his employment will only serve as a cloak to conceal mismanagement and misappropriation of the revenues and to support the Zemindar in any misstatements he may have occasion to make.

Mr. Smollett will be pleased to supply at an early date the explanation and statement called for by Government in Para 5. and to specify the precise nature of the security tendered by the Zemindar for the fulfilment of his engagement, reporting at the same time on the mode in which the money for the discharge in the present and ensuing Fusly of the arrear is to be raised. and more especially if it is to be effected by the partial dismemberment of the Zemindary by the transfer, by sale or Mortgage, of any of the Villages. From the Asst Coll.r of Ganjam.

Submits annual accounts of Settlement of the amanie Talooks of Ganjam for Fusly 1253.

Sir /

Para 1. I have the honor to submit herewith the usual accounts of Settlement of the aumanie Talooks of Ganjam for Fusly 1253. In forwarding these accounts I beg to express my regret that for two consecutive years it should have devolved upon Officers without local experience to report upon the settlement of their predecessors. with the details of whose management they had no personal acquaintance. In the present instance I regret this the more because there is little matter for favorable notice in the Report which I am under the necessity of forwarding

2. It is known to the Board that Mr. Bannerman embarked at the close of the year 1843 for the Cape of Good Hope and that he was succeeded by Mr. Anstruther, who during the last 6 Months of the Fusly year superintended the Revenue management of the Poobacondah, Atchapore and Wadadah Talooks. The remaining Talook of Goomsoor, and Sooradah its dependancy was held under the direct orders of Captain Mr. Pherson the Principal Assistant to the Governor's Agent.

The

3.

The season is represented to have commenced with much promise, the early showers were favorable and abundant but in September the excessive quantity of Rain inundated and injured the crops to some extent. Still however the produce was great, and a very abundant harvest was expected, and was housed in many Villages. In November a very severe storm with deluges of Rain caused much damage to many Villages of Poobacondah Talook. The prices of all sorts of produce were low beyond precedent.

4.

Goomsoor suffered from inundations to a very considerable extent, and there too much difficulty was experienced in disposing of the Crop from want of demand for grain.

5.

The following statement exhibits the Settlement effected in the several Talooks in Ganjam in the past season, and in comparison with the preceding year.—

№	Name of the Talooks	Beriz for fusly 1252			Beriz for fusly 1253			Decrease

6.

It will be observed from the foregoing that the Current Demand for the season under review amounted in the aggregate to Rupees 390,517-14—8. and fell short of the Demand for the preceding year by Rupees 85,825—13—". Of this decrease the Defalcation in Goomsur and Soorodah amounts to Rupees 67055—5—1 alone, the remainder belongs to the aumanie Talooks under the Collector.

7.

Great as was this decrease in the demand, the collections, I regret to state, yet fell far short of the Settlement. To shew this at one view I must again subjoin a figured Statement shewing the current Collections realized in each Talook in comparison with the Settlement effected.

The

8. The enormous Balance of more than one lac and eight thousand Rupees on a Settlement of three lacs and ninety thousand, cannot but be regarded as a most extraordinary fact. Sixty eight thousand Rupees of this belongs to the two divisions of Poobacondal, and of Goomsoor in the former. I have already stated that a grievous loss was sustained to the Standing grain from extensive floods and inundations in the Month of November. To the condition and prospects of Goomsoor I shall advert more particularly hereafter

9. Altho' this State of affairs is highly unsatisfactory, I must beg the Board of Revenue to observe that the Bariz or Settlement in the aumanie Talooks of this District is not a real settlement of Rent on ground taken up, occupied, and cultivated by Ryots after deductions for losses ascertained to have been sustained from the operations of the seasons. The Bayriz is the engagement of the Ryots at the commencement of the season from which few or no deductions are made, and the Balance is the amount of the engagement not capable of being realized

realized at the close of the year. With such a system in operation, and with very indifferent management, large Balances are unavoidable. I shall change the system while I rule.

10th. Turning again to the Goomsoor Zemindary it will be observed that the current Collections realized therein during the season under notice were only Rupees 62,464—9—4. In the previous year they had been only Rupees 72,146—14—8. The country had been during these two years under the superintendence of Captain McPherson who has supplied to my Predecessor a Report on the Management of Fusly 1253. Copy of which in justice to that Officer I have the honor to forward for the Boards information. I cannot characterize it as a happy explanation.

11. In Goomsoor in Fusly 1249, the current Collections had been Rupees 104,870—4—3 in Fusly 1250 Rupees 120769—11—8. in 1251, Rupees 114,261—15—0. In fuslies 1252 and 1253 the amount is found in the preceding Para and exhibits a decline unexampled, save under the influence of some extraordinary calamity. The Demand Collection and Balance of the Goomsoor Talook is subjoined:—

12. Making allowance for floods, inundations and every other local mischief, and giving full credit for the great fall of price in produce, the result of Fusly 1253 noted above, is inexplicable except from mismanagement, and this maladministration arose chiefly, I believe, from the want of support, the ameen in charge received from Head Quarters, and from the Native Officers, suggestions having been obthwarted and set aside.

13. It had occurred to me that the Sahsildar should be removed, but the Officer in question I found to be the man who has held the Post ever since the Country was acquired, and who is thus described by Mr. George Rufsell in Para 56 of his Report of the 11th May 1837. "In speaking of

"of the Tahsildar I should be unjust if I did not "take this opportunity to bear testimony to the unwearied Zeal and extraordinary energy with which Sooria Narrain has continued to superintend the affairs of the Zemindary, amidst difficulties of no common kind, and despite of repeated attacks of fever, altho frequently very ill, he has never shrunk from the task he has undertaken, and he has acquitted himself in a manner alike creditable to himself and beneficial to the Country."

14 From this character given by Mr. Rufsell and from information derived from other quarters I have reason to think the Tahsildar is still capable of good service, and believing that the results of the past years management were produced by causes beyond his control, I have taken the Goomsoor Country under my own personal supervision. I trust by doing so, I shall put an end to the Cabals that have operated so mischievously of late, and I hope the results will prove beneficial even at this late date in the present season.

15th I beg now to forward a figured statement shewing the Collections Current and arrears in all the Government Talooks in the year under review in comparison with the results of the preceding year, which shews a gross decrease of Revenue in the year of Rupees 7,315 — 8 . 3. —

17th. It will be seen that the total Current Demand of the year was Rupees 1,28,3540-8-8 and that Rupees 7,97,482-1-6 only were collected leaving a Current Balance outstanding of Rupees 4,86,058-7-2. I trust the Board will excuse my not entering into any particular detail of the present unprecedented state of the Ganjam District, having only recently arrived and being myself but a temporary Supervisor of its concerns— But I beg to observe that I wish to attribute no part of its condition to the acts of my immediate predecessor, quite the contrary— Mr. Anstruther assumed charge when the Fusly year was half over, and when the settlement should have been in great measure completed— He had new duties to perform, new people to manage, no proper Agents Establishment, and a most disorganized Revenue Cutcherry. With such materials as he found I believe he acted to the best of his ability, and with the

with the most anxious wish to discharge his duties faithfully to the Government he served— In a financial view his administration was certainly not successful.—

19. This no pleasant Post to occupy as a temporary Holder this same situation of Collector and Agent in Ganjam, nor can any person hope to carry out the necessary reforms without prompt and effectual support from the Board of Revenue and from Government.

Deputation allowance at Two hundred and forty two Rupees and Eight annas a Month is but a scurvy recompence for the labor, anxiety and expences which its profession involves.—

To

J. A. Anstruther Esqre
Acting Collector.

Sir,

In reply to your letter of the 20th March 1844 I have the honor to submit the following statement relative to the settlement of the Goomsoor Talook made by me for Fusly 1253.—

2.— The settlement in Goomsoor, by annual Village leases to individual renters, or to Village Communities is formed upon no accounts of the least authority, of the extent or the capacity of the land, or of the amount of the labour, or of the stock applicable to it. The accounts called "Khan" and "Sunjaish" are indeed, prepared annually for the past year, and affect to shew the amount and value of the produce the population, the number of ploughs, and the amount of all public burdens realized and due; But these accounts are compiled by persons who have no means of checking them from the Statements of Curnums very many of whom from the state of the Village institutions cannot give them, while from their supposed bearing upon the amount of the demand.

all

all have a strong interest in their falsification being considered nearly valueless, they have, since Fusly 1250, been taken after instead of before the settlement in the hope of making their collection a less powerful means of extortion. There are then known only the demand and the collections of former years, the general character of the Crops, and the prices of produce in each of these, and the current and the expected prices at the time of the settlement, which is made generally from 3 to 6 months before the commencement of the Fusly - The competition of the renters affords under certain limitation, a general security for the sufficiency of the whole demand -

3. The Settlement for Fusly 1253. was made in December last the Agent having considered its postponement until then expedient on the grounds, as I understand that one half of the demand for Fusly 52 was uncollected and that the price of grain was lower than it had been for 20 years, while a rise might be effected

In December the earliest crops were already gathered in, the rice crop ripe, and two Kists were due - The settlement was therefore, virtually, a simple sale of produce

produce which it was necessary to complete without delay under penalty of heavy loss in reaping and housing crops not under the supervision of renters -

4. The amount and quality of the produce of the year had been seriously affected by two causes.

1st The crop promised to be a full one but in September, the Coomsur river rose higher than it had done for 10 years and flooded and injured very materially all the grain on the lower levels covering many of these with sand -

2nd From the non-appointment of renters at the beginning of the season the "Pattas" or Renters' farms, consisting of one sixth of the best lands in each village necessarily remained either unoccupied, or but partially cultivated by persons without right to cultivate them and without power to cultivate them effectually even at the risk of dispossession; as they could not obtain the water and the manure appropriated to them, or the common labour by which alone their irrigated portions are filled to be cultivated -

Again from the absence of heads to organize and to direct the labour of each village to common objects as to the most important joint cultivation, and the repair of Tanks

Tanks the amount and the character of the crops were materially affected.

From the causes the produce of the year was considerably below that of an average crop.

5. The price of rice from which 14/15 of the revenue of Goomsoor is derived, was in December a rupee for 1/2 Burmans being lower than it had been for 20 years and there was no market.

6. And although only one half of the demand for Fusly 1252. was realized almost all the renters were hardly pressed by the collection of it and of Rupees 29,000 on account of the balance of Fusly 51. These renters moreover, were necessarily to be generally the renters for Fusly 1253. For it was not possible, nor, had it been possible, would it have been desirable, to have changed them as a body. I do not believe that the present system could be carried on with adventurer renters speculators for a year, without local knowledge connection or attachments. There was however no choice and the general reappointment of the old renters gave the best chance of recovering the balances against them upon an improvement in the market; while those balances being

being so heavy it made the point to which the demand of the year was pushed up of less importance.—

7. But it is to be observed that the collection for Fusly 52. although amounting to but half the demand, exceeded upon a very rough estimate that of any of the 4 preceding years, the prices and the crops of these being considered.

	In Fusly.	Demand.	Collection	Rice. Mowties per Rupee	
	1248	95560-	92782	7	45,000 instead of 77,000. The Crop of this year is considered as somewhat less than one half that of Fusly 52.
	1249	117141-	103150-	6	45,000 Do. Do.
	1250	143332-	125604-	8	50,000 Crop considered nearly 1/3 less than that of Fusly 52.
	1251	164433-	118621-	19-	75000
	1252-	153667-	77056-	30-	"

8. Under these circumstances the demand for Fusly 1253 was made Rupees 85,000 but the renters instead of competing actively, as in every preceding year for leases, were with difficulty induced to accept them on these terms, while more than one half of the ryot renters of Fusly 1252 who were unnecessarily

+ Rupees 77,000

necessarily best informed of the amount &c of produce in their fields, refused to renew their engagements even upon terms made specially favorable to them.

I am directed by the Board of Revenue to submit for the consideration and orders of the Most Noble the Governor in Council the accompanying letter from the Acting Collector of Guntoor forwarding copy and translation of a petition presented to him by Ramanadah Baboo late Jemindar of the Vasareddy Estate in his District.

Submitting a letter from the Actg Collr of Guntoor forwarding copy of a Petition presented to him by Ramanadah Baboo late Jemindar of the Vasareddy Estate in that District setting that some definite orders be given as to whether certain suits decided against him by the Court of Sudr Adawlut are to be appealed to the Privy Council according to his desire or such measures resorted to as may stay the present execution of such warrants as may be effected to be enforced stating that the Rs cannot recommend the advance of funds by Government for carrying on the appeals & that in respect to the means to be adopted to constitute the party in whose favor the suits have been decided the matter should be referred to the Commissioner for Guntoor.

In this communication Ramanadah Baboo represents that four suits have lately been decided against him in appeal by the Court of Sudr Adawlut in three of which the amount decreed is such as admits of an appeal being preferred to the Privy Council - the time for lodging such appeal expiring on the 17th Instant - The costs, which will probably

3- The Board have not been furnished with copies of the several decrees referred to, but considering that these have been passed by the highest Judicial Tribunal by which the suits were cognizable in this country, and adverting to the extent to which the Government have already been losers by Ramanadah Baboo and to his utter insolvency they could not of course recommend that Government should risk a further loss by advancing funds for carrying on the appeals in question - It will be for the Zemindar either to acquiesce in the decision now passed or to conduct his appeals from his own resources - In respect however to the means to be adopted to conciliate the party in whose favor the suits have been decided and to prevent him from pressing for their immediate execution; the matter may, the Board would submit, be most appropriately referred to the Commissioner for Guntoor, who has been specially charged with the inquiry into the liabilities of the Guntoor Ex-Zemindars, and into the mode in which they might be most favorably adjusted -

I am directed by the Board of Revenue to acknowledge the receipt of Mr. Secretary Stonhouse's letter of the 15th Ultimo No. 211, requesting them to report what had been done in respect to the application for a pension which the Principal Collector of Cuddapah was desired to make on behalf of his Native Assistant P. Ramiah, and in reply to submit the accompanying correspondence with the Officer in charge of the Cuddapah District on the subject.

Submitting with reference to Mr. Secretary Stonhouse's letter of the 15th Ultimo correspondence with the Acting Collector of Cuddapah on the subject of an application for a Pension on behalf of his Native Assistant P. Ramiah and recommending for stated reasons that on his applying in the usual form, leave may be granted to him on sick Certificate for the time wanting to the completion of his 30 years term of service and that the Collector be directed to apply on his behalf for a pension at the expiration of his leave.

2. From this it will be seen, that no steps would appear to have been taken by the Cuddapah Authorities until the 20th January last, when the Acting Collector submitted to this Office an application from P. Ramiah, Soliciting leave of absence for 6 Months - or if that could not be allowed, that he might be permitted to retire from the Public Service on a Jaghire or Shrotriem. The Board however 6th February 1845 declined to entertain this request, and again called upon the Collector to submit an application on his behalf for a Superannuation Pension in the usual Form.

3 In reply, the Board have received a communication from the Acting Collector giving cover to a representation made to him by P. Ramiah. Mr. Cochrane, it will be perceived, states, that in consequence of the Board's orders he had not felt himself at liberty to forward any further application from P. Ramiah for leave of absence, although, subsequent to the receipt of the Board's letter of 6th February last, he had received one from that individual supported by a Certificate from the Zillah Surgeon. He further explains that Ramiah's chief wish is

is

is to obtain a Jaghire or Shrotriem; and if this cannot be granted, that he is anxious at least to be allowed time to complete the 30 years Service, requisite to entitle him to a Pension of one half of his salary at the date of the Acting Collectors letter (25th February 1815) the period by which Ramiah fell short of this term of Service was only 2 Months and 17 Days and Mr. Cochrane recommends that this very short period be overlooked, and that a superannuation pension may be at once granted to him under clause 2 P. 5 of the Pension Rules equal to one half of his average Salary and allowances for the last 5 years.

4. The Board, are not prepared to recommend the grant to Ramiah of a Jaghire or Shrotriem, nor do they altogether concur in the course proposed by the acting Collector of allowing him at once to retire on a rate of Pension to which his period of Service does not, in Strictness, entitle him. Adverting however to the very short term of Service now remaining to be completed, and considering Ramiah having

having a Medical Certificate, would have a claim to leave of absence under the ordinary rules, the Board beg to recommend that on his applying, in the usual form, leave may be granted him on sick certificate for the time wanting to the completion of his 30 years term of service, and that the Collector be directed to apply in his behalf for a pension at the expiration of his leave.

to Rupees 78-2-8.

The pension in question was originally conferred in 1801 on the husband of the deceased as a connection of the Rajah of Chitwail, and on his death was continued in full on his widow under the Sanction of Government of the 14th May 1830. on the demise of the Widow, the Acting Collector states that the two Sisters of the original grantee named in the Margin presented an application to be permitted to hold the pension, the half of which or Rupees 39-1-4 he recommends may be continued for their joint lives from the date of the widow's decease.—

As it appears from the enquiry instituted by the Acting Collector that these two females are the Sisters of the late Veerabramarauze and are both unmarried, having been supported by the late grantee, upon whose support they were entirely dependant, the Board would submit for the favorable consideration of Government that the recommendation of the Acting Collector may be sanctioned to the extent of a grant of half the pension being continued to them for their lives, but that a Society should lapse to Government on the death of either.—

I am directed by the Board of Revenue to acknowledge the receipt of your predecessor's letter of the 22d January last, reporting on the claim to compensation advanced by the Ryots and Tobacco renter of North Arcot in consequence of the discontinuance of his farm under the provisions of Act VI 1844 before the close of the Fasly.

From Mr. Goldingham's letter it appears that the amount of compensation which, in his opinion should be paid to the renter is Rupees 2000—, in fixing which sum he would seem to have been guided by the results of the preceding Fasly. 1252 Cowlies the

the rent was held by the same parties / as regards the proportion of Collections and profits pealeged respectively before, and after the 10th April, the day on which the present rent was closed - This principle appears to be equitable - and the sum proposed to be granted to the Renter which it is observed is about the same as has, under similar circumstances, been given in other Districts, seems to be a fair amount of compensation. The Board however perceive that the Renter is stated to have, in the first instance given in a very exaggerated account of his alleged losses, and it is not quite clear whether he subsequently agreed to accept as compensation the sum fixed by the Collector - you will be so good as to inform the Board whether Narrainiah Moodelly, acquiesces in the arrangement now proposed in his behalf, in which case the Board will recommend it for the sanction of Government.-

Sub Coll.r in Charge of Salem

Sir.

With reference to your letter of the 20th Ultimo calling for further information on the subject of the answer proposed to be filed in O. S. No. 150 of 1814 in the Subordinate Court of Salem, I have the honor to state that there is some obscurity in the answer from its not having been distinctly stated in it that the tax collected by the Circar has been levied on persons occupying the ground in question as a professional tax and not as a house tax only. For if it was merely a ground rent, it must be admitted that the claim of the Mootahdars is good, as the assessment imposed on the land in Fusly 1213 was included when the average was struck. The evidence to this is supplied from the Moturpha accounts dating from Fusly 1217 up to Fusly 1230 or the year when the Moturpha was Collected on behalf of Government and from thence to the present year. In these accounts it appears sufficiently clear that the tax is a professional or trading tax, and has never been collected either before Fusly 1230 by the Mootahdars, nor subsequently, as

as a ground rent, not as a house tax only without reference to the occupation of the person paying it.

The exact sum at which the land was originally assessed is not paid by any person. The total Collection from persons occupying the ground was Rupees 85-15-= in Fusly 1253 from which alone there is a strong inference that the tax is not a ground rent.

No part of the ground is cultivated. It appears to be wholly occupied by houses.

of the Plaint with draft of an answer proposed to be filed.

2. It appears from these papers that the Cause of action is to establish the claim of the Plaintiff to an extent of land situated within the limits of the Fort of Amboorpet measuring 550 Goontahs assessed with an annual Serwah of Rupees 19-11-= and the repayment to him of Rupees 221 12 -= /with interest/ collected by Government on the land in question on the plea that the Collections compose the ground rent of houses built thereon which appertains to the Mootahdar as portion of the assets of the Estate upon which the permanent assessment was fixed.

3. The answer put in by the late Principal Collector goes to state that since the permanent assessment was struck no demand of land revenue has been made on the part of Government or has the Mootahdar been prevented from realizing any to which he is entitled from the ground in dispute, and moreover that the tax levied by the

Fort St. George 17th March 1845

the Circar is a Moturpha demand payable by the partaes occupying the houses built upon the land as a purely professional tax and notas ground rent or house tax and in lieu of which the Plaintiff received compensation. On these grounds the Principal Collector prays that the Court will dismiss the suit with costs.

The Board consider that under the further Explanation furnished by the sub Collector now in charge of the District, the answer proposed to be filed is good and sufficient and they accordingly beg to recommend that the suit may be defended at the Public expense.

March 8/45

The Board beg to be favoured with the early orders of Government on the above Case as the latest period allowed by the Court for filing an answer is fixed for the 24th instant.

The ground appears to have been first Cultivated in Fusly 1242; when it was claimed both by the Nattamgars of Malayoor and by those of Keelaccaty, each asserting it to form part of their Village. The dispute was referred by the Sub Collector for decision

decision to a Punchayet, who on the 27th May 1837 adjudged the land to belong to the Ammanaickanoor estate, to which it was accordingly given over on the 17th July of the same year. Prior to the Ground being thus made over, it had however been Cultivated for the four Fuslies 1242-43-44 & 45. the Net proceeds for the two first years having been Carried to the account of Keelacotay, and for the two last having been Carried to the credit of Government as "Extra revenue." The Ammanaickanoor Zemindar now urges that as the land has been determined by the Punchayet to be his property, he is also entitled to the net profits arising from it from the time of its first Cultivation in Fusly 1242. to that on which it was finally awarded to him. This claim appears to the Board to be reasonable, and they therefore beg to recommend that the Principal Collector may be authorized to repay to the Zemindar the net revenue realized, during the years already stated, amounting as shown by Para 3 of Mr. Blackburne's letter to Rupees 193-8-9.

Sir,

I have the honor to forward a letter from the Sub Collector, and am not aware of any other objection to his suspension of the Sahsildar without the Boards' prior authority, than his habitual procrastination to bring such cases to a conclusion, as instanced in the Cases of Dhondoo Rao and Sham Rao, now before the Board.

From J. A. Huddleston Esqre Collector of Madras ... } Para 1.

Submitting observations on the resolution of Govt. that it be referred for the orders of the Honorable Court of Directors whether he is to be allowed to retain his present Salary, or whether it is to be limited to the reduced scale of Rs. 1,500, proposed for future Collectors, & requesting that the peculiar circumstances of his case may be brought under the favorable consideration of Government in order that he may be permitted to draw the emoluments now attached to the Office so long as he remains in it.

Sir,

I have the honor to acknowledge the receipt of your letter under date the 27th January last, transmitting an Extract from the Minutes of Consultation of Government of date the 17th of the same Month; and to report for the information of the Board of Revenue, that, in obedience to the orders conveyed in Mr. Bourdillon's letter of the 18th the Office of Deputy Sheristadar was discontinued from that date.

2. Adverting to Para 2 of the Minutes of Consultation in which it is declared that Government "will take the earliest "opportunity to request the instructions of the "Honorable Court" of Directors whether I am "to be allowed to retain my present salary," "and "that, for an indefinite or limited period, or whether the Salary is to be "from the date of the resolution of Government "limited to the reduced scale of Rupees 1,500"—

per

per Mensem proposed for future Collectors, I take the liberty to submit a few brief observations, which the peculiarity of my case appears to me to render necessary on this occasion.

3. As regards my present duties, to the efficient discharge of which the whole of my time and attention, and my best energies, are necessarily devoted, from the great responsibility which they impose upon me, it is not now requisite to recapitulate the particulars contained in my report of date the 22d May last, No. 57.- It is sufficient for the sake of brevity, simply to draw attention to Paras 2 to 15 of that report; for, amongst other matters bearing on the question, it is therein explained that, so long ago as the 7th April 1807, when those duties were less onerous than they are now, and which, without the Sayer, subjected the Collector to "much inconvenience arising, as well from the "detailed nature of the sources from "which the revenue is derived, as "from the local circumstances and habits of

"of a populous Community," the Honorable Court were pleased, for the reasons set forth by Government in the words which I have just quoted, to consent to an increase in his allowances, by his being "placed in this respect" on a footing with a "Revenue Collector of a District not permanently "settled."-

4. At the period alluded to by the Honorable Court, the Collector had the assistance of a Deputy only: and, afterwards on being put in charge of the Sayer Department, he had two Assistants besides. The Assistants having been withdrawn subsequently to 1821, the executive branch of the Customs' Department devolved almost wholly on the Deputy Collector. That Office has but recently, upon my recommendation, been abolished, without detriment to the public interests; the other Departments being exclusively under my management, in pursuance of the system in force for many years past. By the discontinuance of the Deputy Collectorship, and the abolition of the Deputy Sheristadar's situation which

measure

measure, also, was carried into effect at my suggestion, the saving to Government is no less than Rupees 15,200 per Annum.

5. To shew that, in respect of the Net Revenue, this Office, even after the abolition of the Sayer, collects as much, if not more, an Abstract of all branches of revenue, including the Customs, for 11 years, or from Fusly $\frac{1243}{1833/34}$ to $\frac{1252}{1842/43}$ jointly, and for Fusly $\frac{1253}{1843/44}$ separately, with the average of the former is inserted in the Margin, from which it will be observed that the total Net Revenue was in Fusly $\frac{1244}{1834/35}$ only Rupees 7,92,309-10-9. inclusive of Sayer, and that in $\frac{1245}{1835/36}$ it was still less, Viz.te Rupees 7,49,316-10-1. whereas the average for 10 years up to $\frac{1252}{1842/43}$ being the year in which my appointment took place, was Rupees 8,52,628-4-1/2. In the succeeding year, that is Fusly $\frac{1253}{1843/44}$ in which there was no Sayer collected for 3 Months and 11 days, the Net Revenue was so much as Rupees 8,70,642-13-7.

According to the

6. According to the actual Gross Collections for some time past, the aggregate for the Current Fusly, or from 12th July 1844 to 11th July 1845, is estimated at Rupees 9,75,764-6-4- Deducting from this the charges of Collection, a Net Revenue of Rupees 9,24,369-14-4. is left, as observed in Para 29 of my report dated 4th November 1844, and which said Net Revenue of Rupees 9,24,369-14-4. exceeds the 10 years' average, including Sayer, by Rupees 71,741-10-2/2 These satisfactory results are ascribable to refunds of duty as Drawback, during the years in which the Sayer Revenue was collected, having been very considerable, and to an increase, in the other branches, having within a few years, been realized to so large an amount as even to exceed the proportion of the Customs' duty which was formerly retained on Exports by Sea - It is thus evident that, as regards the revenue, this Office is fully as important now as it was before the abolition of the Sayer, and that it is only by active Superintendence, and the most vigilant supervision, that the present increased Collections can be kept up -

J

I now perform are of the same extent and nature as those which my Predecessors have done for a series of years, and the Pay I am entitled to draw at present not being on a larger scale than that allotted to a Revenue Collector in the Provinces, I respectfully solicit that the Board will be pleased to bring the circumstances of my case under the favorable consideration of the Most Noble the Governor in Council, for eventual submission to the Honorable Court, transmitting at the same time my reports of the 22d May and 15th November last referred to in the foregoing Paras, as it will be readily admitted that after 28 years service, for 18 years of which period I have been attached to this Office, it would bear hardly upon me, and at a period, too, that the revenues are progressively improving, to reduce my Salary, within 2 years of my promotion, from Rupees 28,000 to Rupees 18,000 per Annum, particularly when it is borne in mind that my immediate Predecessor drew a fixed Salary of Rupees 30,000 pursuant to the orders of the Honorable Court

added

added 15th June 1831 and 17th July 1833, and that for many years before the enactment of Regulation II of 1832, the Collector of Madras enjoyed, from fees and Commission, an average yearly income of Rupees 37,850, in addition to Rupees 4,200 which he received as Superintendent of Stationary, making thus a total of Rupees 42,050. On all these grounds, and considering, also, the limited allowances which I have drawn till very lately, and the fact that, were the reduction to have immediate effect, it would leave me in a worse position than I was before my promotion, I beg leave to express a hope that the rule which restricts the operation of reductions to future incumbents may not be departed from in my case, and that the Honorable Court, to whom Government have resolved to refer the question, may permit me to draw my present emoluments so long as I remain in this Office.

8. On the points noticed in Paras 3. 4 and 5 of the Minutes of Consultation now under acknowledgement, I shall submit a separate report.
