Para 1. Referring to the opinions expressed by the Board of Revenue and the Collector of Malabar that "inconvenience and embarrassment to the Public service" will be experienced if the orders of the Honorable the Court of Directors on the subject of the purchase of Lands by public Servants are enforced the most Noble the Governor in Council deems it expedient to require further information on the following points before passing final orders on the letters recorded above.

2. He observes from the Returns which accompanied the Board's communications that in Malabar there are several instances in which Public Servants not "possessing an interest" in landed property as Members of

of the Family" have acquired such property subsequent to their employment under Government, and he desires the Board will communicate with the Collector and report whether these Servants have been introduced from other Districts, or are Natives of Malabar, whether the acquirement of the lands held by them has been in any way aided by their Official position; by whom their property is now managed, and whether the enforcement of the orders of the Honorable Court would in respect of them be attended with similar inconvenience and embarrassment.

3. In Canara the number of Public Servants holding lands acquired under similar circumstances, is apparently larger than in Malabar, and His Lordship in Council would desire similar information in regard to them also, together with a report from the Collector whether he could, without detriment to the public interests, dispense with the services of the Natives of Canara who hold lands in the Province.

4. His Lordship in Council further desires the Board of Revenue will in communication with the Collectors of both Malabar and Canara report whether any and what number, of the Revenue Servants holding lands in their

their respective Districts, are from other Districts or Natives of the place, and what is the nature and quantity of the Interest they possess in the lands as "Members of the family," with their own opinion as to the measures they would suggest to meet the views of the Honorable Court in regard to those parties, who being Natives of the Country, have acquired property or possessed an interest in any, prior to their employment in the public Service.

5. Referring to the Circular Order of the Board of Revenue dated 7th August 1806 prohibiting the purchase of lands by Revenue Officers, the Government consider it expedient to ascertain what portion of the possessions of the Public Servants of the Western Provinces has been acquired subsequent to the above order, and they desire that the Collectors be requested to explain whether the practice of individuals employing two names obtains in Malabar and Canara as in some other Districts, and whether any steps have been taken since the receipt of the above Circular order to procure from the Village Officers reports of transfers of land to public Servants, either in their own names or those of their relations or dependants.

6. The Board of Revenue will also be pleased to state whether there is any difficulty in

in giving effect to the orders of the Honorable Court, and what measures have been taken for this purpose, in the other Districts of the Presidency.

Relative to the Management of the Minor Estates of Sungum subsist. of Commum in the District of Vizagapatam for Fusly 1252.

13th March inst. 20th March 1815.

The Court of Wards proceed to take into consideration the report of the Collector of Vizagapatam on the Management of the Minor Estate of Sungum subsistah and Coolpurie for Fusly 1253.

(Here enter No. 24)

The Settlement of the Sungum subsistah Estate in Fusly 1253 Amounted to Rupees 13702-11-2 - falling short of the Settlement of the previous year by Rupees 824-1-7

The

Total Demand 1263
exclusive of Sayer
15,454 10 4
Collections
13161 1 4
2293 9 0

The total Demand of the year under review inclusive of arrears was Rupees 15,454 10 4 of which were collected within the Fusly the sum of Rupees 13161 1 4 leaving an outstanding balance at its termination of Rupees 2293 9 0 of this balance the Amount due on account of Current Rents was Rupees 809 12 7 which the Court regret to find the Collector can hold out but slight hopes of recovery in consequence of the extremely unfavorable nature of the season of the ensuing years. In the report for Fusly 1254 the Court of Wards hope to receive the Collectors opinion on the outstanding arrears from Fusly 1246 which Amounted after deducting the recoveries, made within the year under consideration to Rupees 1483 12 8 such portion of which as may be deemed on investigation to be totally irrecoverable should be recommended for remission.

2.

The Gross receipts of the Estate inclusive of the Balance in hand on account of the previous year were Rupees 16,884 3 8 deducting the charges which provided for the payment of the Peishcush in full and the investment of Rupees 3000 in the Government securities on behalf of the Minor and other usual and customary expenses there remained a

Peishcush 6700

a Surplus of Rupees 3619 11 4 to the Credit of the Estate in the Treasury. The Court sanction and confirm these disbursements and observe with satisfaction that the Funded property with the additions of the above investment now Amounts to the sum of Rupees 28500. It is moreover highly gratifying to the Court of Wards to find from the present report that the education of the Minor (conducted under the supervision of the Collector) has resulted in such marked benefit as regards the general character and conduct of the young Man and to learn that on the attainment of his Majority she will be so well qualified to undertake the personal management of his Ancestral property.

3.

On the occasion of the Zemindary of Coorpum being assumed by the Officers of Fusly 1251. Government after the death of the late Proprietor it was found to be in a state of great confusion, many of the Villages having been alienated (Vide order of Court dated 16th Augt. 1841) to the Relatives and connections of the late Zemindar and also to Creditors on liquidation of their demands. Steps were therefore immediately taken by the Collector to place the Estate in the condition in which it was at the time of the permanent Settlement by resuming the lands and Villages improperly alienated and by raising the Jist when found to be unduly lowered

lowered and also by resuming all Cuttubadies which had been either remitted or reduced during the administration of the Zemindar.

4. These measures naturally Caused considerable discontent among the parties thus deprived of their privileges and altho it was intended that they should to some extent be reconferred a lengthened period elapsed before the necessary enquiries into the circumstances of each case could be completed and a decision arrived at as to what lands should be restored to the holders and what retained. That however having been accomplished the Collector states that the Settlement of the year under review was conducted with reference to the investigation and the Charges produced in consequence the result being a net decrease on the demand of Fusly 1253 of Rupees 4874-4-9.

5. The Comparative Statement appended to para 13 of the report exhibits the demand and Collections of the Estate for Fusslies 1252 and 53 — The demand of the latter year amounted to Rupees 2,3096-9-8. being as just stated less than the former by Rupees 4874-4-9. the result of a Gross decrease in the Jeroyetted lands of Rupees 6765-5-9 and a Gross increase under the heads of Cuttubady Increase and Agraharums of Rupees 1951-1. The details of the decrease in the Jeroyette

Jeroyette are shewn in paras 15 and 20 of the Collectors letter.

6. With regard to the Villages which have been restored to the relatives or dependants of the late Zemindar on the grounds of an uninterrupted possession for a series of years the Court of Wards would wish to be informed with reference especially to the 12 Villages named in para 15. what were the terms upon which they were held by the incumbents from the Zemindar. It appears that the fixed Jeroyettee Dowle of these restored Villages Amounted in the aggregate to Rupees 3511-11- and that they were given back on the payment of the moderate Cuttubady of Rupees 1,896¼. but the report furnishes no details of the claims of the parties to whom these Villages have been granted or upon what principle the reductions from the Dowle were made.

7. The Permanent Peishcush to which this Estate is liable Amounts to Rupees 12,164 being but little more than half the Amount which the Collector observes may be expected to be yielded by the property in favourable seasons exclusive of these valuable Villages which were transferred in the year 1838 to the Zemindar of Bobily for a period of 20 Years and which will agreeably to the terms of the Razeenamah entered into by the parties revert on the

under date the 10th of March last regarding which they were desirous of being furnished with more explicit and detailed information and request that the report for the expired fasly of 1254 will embrace the topics adverted to therein

From the Asst. Collr. of Guntoor } Sir,

Para 1. I have the honor to forward for the consideration and orders of the Board, the accompanying copies of a letter dated 9th May from the Commissioner and of its enclosures, together with translations of the same.—

Forwarding Copies of a letter from the Commissioner dated 9th May and of its Enclosures together with translations of the same; relative to the mismanagement evinced by the balances and by the improper rents recommended by the Ameen Busha Carlo noticing that he had levied contributions from the Public Servants under his Authority and requests permission to dismiss him from the situation of Ameen of the Coast and Tolookand proposes with the assent of the Board to cause it to be stocked to re-employ him or not as he may think fit.

2. In this communication Mr. Elliot after commenting upon various instances of mismanagement evinced by the balances and by the improper rents recommended by the Ameen Busha Carlo, and noticing that he has levied contributions in Fuslies 1253 and 1254 from the public servants under his authority at different rates, and for different purposes, expresses the following opinion of that Officer. "From what has been said it is plain that the ameen suspended at my request on the 19th March, cannot be restored to that Office. It will be for you to consider whether it is desirable that he should remain in the service at all. The opinion I have formed of his character

character from my examination of his
Tanah is most unfavorable. He is un-
doubtedly able, but corrupt, deceitful dis-
sipated, and regardless of the public interests,
when by sacrificing them he can promote
his own.

3. I request therefore the authority of the Board to dismiss Bashe Carloo from the situation of Ameen of the Cosrapad Tulook, and as with the strongly recorded opinion of the Commissioner above quoted I am not disposed to replace him in responsible situation, I shall in the event of the Board assenting to his removal, leave it to Mr. Stokes who must have had opportunities of forming an opinion of Basha Carloo's true character, to re-employ him or not as he may think fit.—

4. I beg to state for the information of the Board that Basha Carloo was formerly during Mr. Goldingham's time Head Writer in the Collector's Office and was by that Gentleman reduced to that Office of Magistrate's Writer when he resigned. Having subsequently

subsequently appealed against his removal from the situation of Head Writer the Board in their proceedings dated 27th June 1839 remarked that they were "not disposed with "the strong expression of Mr. Goldingham's "disinclination to employ Basha Carloo "under him, to order his reappointment to the "situation." The Board having however recorded their opinion that there was nothing to render necessary his exclusion from the service he was subsequently re-employed in this District by Mr. Mathison.—

5. I have not considered it expedient to pursue, as suggested by Mr. Elliot, the enquiry into the extortion of money from the Ghaty peons, as I think a failure to convict under Regulation IX of 1822 should be carefully avoided, and although there can Imagine be no doubt of the Ameens guilt in the present instance, the manner in which the various sums have been paid and received renders legal proof difficult.—

Sir,

1. With reference to para 6 of the orders of Government for my guidance, I have the honor to forward Statement of the old balances which appear to me to be recoverable in the Koorpaud Tanah forming enclosure No. 1 of this letter. The Amount outstanding since Fusly 1242 on the 15th April last was Rupees 97,485-8-8. including Rupees 1629-15-7- Tuccavy of which I consider Rupees 6,275-14-11 to be recoverable. Of this a small sum only Rupees 97-12-9 is due for the earlier years of the Zemindars time, to the recovery of which my instructions chiefly referred The unauthorized collections of Nazuranah and Village charges, and the heavy balances suffered to accumulate during the last 3 Years explain why so large a portion of the older arrears are considered to be desperate. To attempt to recover for the whole period would exhaust the slender

slender means of the bulk of the ryots, and injure future cultivation, while the fact that I have ascertained the exist: of unauthorized Collections in almost every Village and that they include probably a small portion only of such misappropriations, leaves it to be inferred that the old arrears are really less than they appear to be.

2. The above includes the arrears of Cusba Koorpaud which require distinct notice. They amount to Rupees 15,188-8- of which the people acknowledged their readiness to discharge Rupees 1,284-6-6 for the 3 last Years. But I had not the means of going fully into the older demands, and it is desirable that this should be done at a future opportunity. No extra Collections were made in the Cusba till last year when a sum was raised to procure the countenance of the Ameen to depreciated rent, but the offer having been rejected by Mr. Stokes, the sum so raised was devoted to the fabrication of a Copper idol (Garooda Vaahanum) for the temple.

The

3. The fixed quit rent due by Agraharum Villages ought not as a general rule to be remitted without special Sanction. Indeed as these Villages are held on very favorable tenure they should be resumed whenever the holders fail in their engagements.

4. The last items include the sums due by certain renters which ought also to be recovered by resort to measures of severity if necessary. The case of Muthoody Parintaloo, one of these was noticed in my letter of the 29th. March.

2.

Two of the Villages originally undertaken by him were made over to Arlimala Venkiah renter of Talour, and another Village in this Tanah, who is fully able to pay the whole and has pledged himself to that effect. A third Village Tyalloor sub-rented with all its responsibilities to one Lingaraz is however in a different condition. The Arrears amount to Rupees 703 — of which Rupees 219 have been appropriated by the renter to his own use. He was unable to appear before me

me on account of the death of his wife, but I apprehend, he must be treated as a Defaulter. Bellumeondah Ramiah rented 5 Villages for 4 Years from Fusly 1248. and died last Year, leaving a balance of Rupees 2880 still due. Of this he had collected Rupees 787 on his own account. His son, who managed all his affairs says that 600 Rupees are due by the Ryots of which half may be recovered and also that with time, he can pay the greatest portion of the money appropriated from the Collections.

5. Two Villages named Mundapody and Congatoor were rented to Ratnagunda Soobia by the Zemindar in Fusly 1251. After having appropriated 393 Rupees of the Collections, he fled to Nellore leaving a further balance of 344 Rupees, in all 637 Rupees. His security Soondra Ramiah is able to make good the loss and should be proceeded against accordingly. One of the renters and both securities of Legerpad are in Jail for a criminal offence, on which subject the acting Ameen has made a special report to you. The only other case is that of Yarapody

a Village relinquished by Mr. Parintal in Fusly 1251 and rented to Bundarpulley Jo. miah in Fusly 1253. A ryot in narrow circumstance and of indifferent character, whose Dharkast was preferred and recommended successfully by the suspended Amen to the exclusion of the great body of the ryots without even taking security from him. By this improper conduct the balance incurred by him in the very first year of his lease is lost and the Village thrown back on Arrears. Besides the balance of 424 Rupees he has embezzled 220 Rupees from the collections, and his property is so trifling as to be not worth selling.—

The number of Villages more recently rented under the orders of the Board is 82. several of these appear to have been granted on much lower terms than they ought to have been, but the difficulty of procuring trustworthy accounts renders it impossible to say to what extent. Enclosure No. 2. contains a list of a few of these. some however call for more particular notice and I have caused Statements marked 3. 4. 5. 6. 7. 8 to be prepared in elucidation of

of the circumstances of 3 Villages which I had opportunities of sifting with considerable success, in consequence of the true accounts falling in my way.—

The first of these named Rajeloo Roodraveram had been rented by Ramanadha Bamboo to Venkatarutnum the substantial Curnum of Chamarlee for 5 Years, from Fusly 1247 who paid punctually and raised the Beriz to 401 Rupees. In the last year of his lease, he was obliged against his will, through the interference of the Zemindar to admit the Head Police Duffadar Ramagaraz whose family live in the Village to a share in the rent. This person's first act was to eject three Ryots paying 98 Rupees appropriating their lands to himself and being entitled by his case to Wandra, or 25 per Cent remission the Beriz was reduced accordingly. Mean time in conjunction with the officiating Curnum Zuckeraz Chelumbaram who is not the Merasydar, he had rendered annually false accounts and in Fusly 1254 made an offer to rent the Village again for 3 Years at 291— 321 and 351 Rupees which was strongly recommended by

by the Ameen Basha carloo and accepted by Mr. Stokes on the ground that some Ryots paying 71 Rupees had filed to the Hydrabad Country and that there was an irrecouerable balance of 35 Rupees not one word of which was true. At this very time he had received repeated communications from the Sarnuldar named Surbada Anantarum pointing out the incorrectness of the Cutcherry Accounts, forwarding a tolerably accurate Estimate of the true resources of the Village, and sending the two head ryots named Guddum Venkatanarasina and Gunta Sashoo to make a higher offer. To the former no answer was sent by the Ameen and the proposals of the Ryots he would not receive, but induced the Duffadar to admit them to a share in the rent with which they were satisfied but which promise was not kept. Upon this they complained to the Head Assistant Collector at the Summah bundy on the 30th. January 1815, but not before the Sarnuldar had again warned the Ameen of the danger of neglecting to ascertain the true state of the case. The reply

reply to the complaint drawn up by the Naib Sheristadar after having seen the Ryots and questioned the Sarnuldar, bears evident marks of having been garbled for the occasion. After dwelling on a dispute about some garden land, he asks information whether the village was on rent in Fuslies 1251 and 52, he being the Sheristadar on the spot with all before him, and with respect to the alleged resources of the Village adds that the Ameen was at liberty to make enquiries if he thought proper. The following table shews the accounts presented by the Cutcherry the true Accounts obtained from the former renter and the actual Cultivation of the Village in the 2 Amany years ascertained from the ryots.

The advantages obtained by the different parties were the differences between the true and declared Collections, or 83 Rupees in Fusly 1252 and 87 Rupees in Fusly 1253, with half a Cotchellah of Circar cultivated Land appropriated by the Curnum from the fields of Gudden Vencatanarain, and considerable reductions in the Mamool Shist to the Ryots to the extent exhibited in the last Column. Besides this, a second set of false accounts for Fusly 1253 was found in the Curnums possession prepared in Duplicate and exhibiting even a less Beriz than the above These had been written for delivery to the Circar with a view to future speculations but the renter Rungaraz desiring to obtain possession from certain Ryots of the only Garden Land in the Village, caused the Curnum to draw up a second set which were those actually given in which the Shist on it was raised from Rupees 17 to Rupees 64 It was not the renters intention to demand the increased assessment at present, and the holders of the Enam were entirely ignorant of it. But by bringing it forward at

at the end of this lease; he hoped to get the present occupants, whose protestations would then little avail against the publick Accounts of the preceeding 3 Years, which would of course be referred to as the test of the actual demand.

The renter Rungaraz admits the truth of the above Statements, says that he acted under the orders of his immediate Superior the suspended Auneen who is partner in the rent, and that there is no evidence of the fact it is difficult to explain his conduct on any other supposition.

One of the five Villages rented by Bellumcondah Ramiah for 4 Years is Attaloor which fell under Amany on the death of the renter in Fusly 1252. He agreed with the Ryots to share the produce, and the following is the result.

The true accounts were obtained through a division among the Curnums: The outturn of fusly 1253. thus stated was Rupees 1112 5 3 but the other Curnums only admit Rupees 931 3 5 of which they assert Rupees 56 14 9 to have been remitted by an agreement with the Ryots in the Poolbary tax. The Ambahum was examined by the Samuldar Palapeddy Nagia / now removed to Guntoor / by the Head Mudduligar and Peishcar and by all of them understated / as appears by the original accounts now produced / to the extent of 70½ Rupees for which the Villagers state, they paid 20 rupees to the Peishcar and 10 Rupees to the Head Mudutgar. The samuldar embezzled a Sum of 7 Rupees from the Collections, leaving a written acknowledgement that he would repay it, but he has never done so.

The above 2. Cases are cited as instances of the difficulty of getting true accounts in this District to which many other examples might be added as those of Valpoor Mutapolem Vea in which the rents offered and paid exceed the revenue shewn in the Accounts.

The third is given in justice to a respectable and

and deserving man reduced to difficulties by the treatment of the Public servants.

This Village Bheemanatum was rented for 5 Years by Demacherla Colappa. In Fusly 1252. he fell in arrears, and his effects being confiscated, he brought Bungaiah renter of the neighbouring Villages of Abboor and Comperlapaud as his security, who paid the balance and released the property. The following year Bungaiah insisted on the renter, paying up some of the collections he had appropriated to his own use; on which the man a Curnamawar went off to the Nizam's Country, taking four other ryots of his caste with him. Bungaiah who is noted for the regularity with which he fulfils his engagements, instead of meeting with the aid of the Zamab authorities, seems to have been thwarted in every way - The circumstances are detailed at length in his written Statement given in full Cutcherry and vouched for by all around; and there is no doubt of their correctness. At length he obtained an order from the Huzzoor, desiring the Ameen to report on the truth of his story, and whether he might

might be relieved from his security to which the reply was that he might. No relief however has yet been afforded to him. I am at a loss to conceive on what grounds it was proposed to release a substantial security from his engage: ment to make good the public reve: nue. With the common support from the Ameen, to which he was justly entitled, he would doubtless have dis: charged the whole. But as the facts stated by him are matters of notoriety some indulgence might be shewn to him by relieving him from the balance of last year on condition of his making good the rent of succeeding years and with this, he would probably be satisfied.

In addition to the general proofs of mismanagement evinced by the balances and by the improper rents recommended by the Ameen Bashaacarloo, he levied contri: butions in Fusles 1253 and 1254 from the Public Servants under his authority at the rate of 1 1/2 2 and even three months pay in the year, for the various alleged objects of the Summahlundy expenses, his daughters marriage, procuring situations &c. The particulars

Particulars of these are detailed in the enclosure 9 The same statement shows similar levies to have been made in Fusles 1251 and 1252 by his predecessor Vetchaa Patch=: =miah and another Ameen - These are sup=: =ported by ample depositions and some collateral evidence - The amount must be considered as much below what has actually been realized - But there is enough to shew the extent to which such a pernicious practise is carried - The petty sums extorted from the inferior servants, as that peons and others on very small pay, are particularly grievous and it would I think have a good effect if you could take means for recovering and repaying them to these poor people -

† Submitted herewith

From what has been said, it is plain that the Ameen suspend=: =ed at my request on the 19th March, cannot be restored to that Office - It will be for you to consider, whether it is desirable that he should remain in the service at all - The opinion I have formed of his Character from my examination of his Tanah is most unfavorable - He is undoubtedly able

able, but corrupt, deceitful, dissipated and regardless of the public interests when by sacrificing them, he can promote his own.-

Hadamby Ramanjaloo Ekmayaroo Sattoolor

His two chief agents in the course he pursued were the Peishcar and Head Mudutgar.- Both these men are very unpopular and on the evening that I left Coorapaud, the assembled ryots besought that they might be removed to another Talook in consequence of the oppression exercised by them.- The Acting Ameen who was present also stated his anxiety for their removal. There is perhaps sufficient matter in the attaloor Kyfe accounts to dismiss them at once.- at all events they ought to be removed. The Samutdar of attaloor named Polapeddy Nagiah is represented to be a man of bad character. He is now Samutdar of Guntoor, and has been convicted of embezzling 7 Rupees out of the collections on his charge.- The conduct of the Police Duffadar is detailed above. He is described as an active Police officer, but if retained in the service, he should not be allowed to remain in the Coorapad Tanah

Note This is independent of sums which have been spent to pay the different Village servants the above sum was taken from the collections on their way to the Treasury and the Head Pattah altered accordingly.-

Tanah where he has undue influence thro' his caste connections.- The state of the Ghat Peons demands your attention. They seem to have been entirely overlooked of late years, and when summoned to give evidence appeared to be a set of old worn out men, many of them having been left so long in the same villages that they have engaged on agricultural pursuits to the neglect of their proper duties.-

Several of the Samitdars appeared very inefficient, and were entirely ignorant of the circumstances of the villages under their charge.- The only one who seemed thoroughly to have minded his business was Subadarattan of Veltoor.-

In order to obtain a depreciated rent, it appears that when this Village was under Aumary in fusles 1257 & 58 part of the Dowle was Concealed - In some places the term was Converted and a part of the Cultivated land was not brought to account and half a Coo: chel of Circar land has been added to the Curnums Enam - not only this but it further appears that the late Ameen had been bribed and allowed a share in the rent -

The average Beriz seems to be high; though this Village was under the Sharing System from fusly 1242 to Fusly 1252 - Yet it does not appear that it was rented in reference to the average amount.

In this Village it appears that the ryots with a design to decrease the Dowle of the Village gradually had 11½ Cotchelis of land left waste and the Dowle does not appear to Correspond with the average Beriz -

No. 4.

Examination held at the Commissioner's Cutcherry Conjeveram by the Revenue Board's Proceedings No. 20 regarding the Village Rattandy Pudukumdoor &c. &c. &c.

The Curnum and the Corpoland Curnum sworn to the under Curnum and the Cutcherry accounts and the Cist and Collection Roll of Fusly 1253 and 1254.

Examined and compared the accounts shewing the Cist and Collection of Fusly 1253 and of 1254 with the Village Roll for Fusly 1254.

The Curnum examined Chokkanadhen

Sworn stated at the Cutcherry, he read the Roll and Accounts shewing the suspended accounts shewing the Cist and Collection of the Village, specifying the Cist and Collection of the above Fusly. The aforesaid accounts shew the detailed Cist shewing the remarks presented two detailed Cist shewing the remarks

Sworn the Duncan, Collection and Balance Roll shewing the Demand, Collection and Balance for Fusly 1249 shewing that the Cist was Rupees from Fusly 1249 shewing that the Cist was Rupees

Sworn stated, the Cist was received by the Collectors, the amount received by the Collectors, from the Ryots was paid into the Cutcherry, the Collectors, from time to time as received. With respect to the Ryots Cist Cases 28—8—2 and Ryots 11—12—9 in Fusly 1252 &c. &c. &c. 1252 and Ryots 19—5—0 in Fusly 1252 &c. &c. &c. Ryots 19—5—0 are received the Cist and the Ryots are receivable the Ryots

Examined a Peyshcar stated that the above Cases Ryots 19—5—0 are received the Cist and the Ryots are receivable the Ryots

12613 Fort St. George 13th October 1845

it was understood that the said Curnum and the Head Duffadar in the Sandh Cutchery, having combined together concealed the real state of the Village in two years under Annance without shewing regular accounts; took precaution that the concealment might not be discovered by the Assistance of Basheyacarloo and also took the Village at a low rent for a period of 3 years in the name of Venkemaiyer father of Rungaraiyer on progressive Cists as follows.

Fusly 1254 ——— 291

" 1255 ——— 321.

" 1256 ——— 351.

The Curnum being frequently in attendance on the Ameen, Basheyacarloo Ameen, and the public Servants having had an interference in the rent, there are presumptive grounds to suspect that fraud might have been committed, consequently the said Curnum had been re-examined. He was afraid at first and afterwards admitted the fact and said that he would prove the same in the afternoon of that day after referring to the accounts and delivering a Kyfeyet to that effect. On a verbal enquiry again at the time prescribed, he represented that he would tell in the Morning - when he

he was examined. He stated that he had not committed any fraud and pleaded that in Fusly 1252 the lands which were relinquished by the ryots having been cultivated to a great extent by Rancha Caste people who cultivated only a small extent of lands in Fusly 1251, there was a falling off both in Poolary and in the Cist in consequence of Vundra being allowed to them.

As there existed an enmity between two Ryots and the renter, the former addressed an Arzee to the Hoozoor against the latter. the said Arzee was referred to the Ameen for enquiry which has not been made as above. this being understood, the said Arzee, together with the order passed thereon has been sent. For, from the record of the Sunah and the Petition sets forth that "a considerable sum "has been misappropriated whereas the re- "Dowle and Collection of the said Villages is 801 "Rupees". The said Arzee appears to have been presented at the time of Summabundy and that it was referred to the Ameen without being examined at the Hoozoor by the misrepresentations of the Hoozoor Servants. It is stated in the order No. 19 dated 31st January 1845 that "the Village was under rent in 1251

Aunta Ramiah, he stated that the circum-
stances of the concealment in this Village
is true, and that though he reported the
same, to Bhasheyacarloo and Sutchmiah
no notice has been taken by them of the
subject, but the Village has been given at a
low rent, and he also produced some papers
to support his Statement and more over

Copies of letters said to have been written
on the subject to the Annexe, whereupon
the original letters were found in the Sarah-

Village two Depositions were taken from

shoo with some documents.—

upon one paper from 10 Ryots of the Village
including Ghunta Sashoo and Venkatanar-
soo who delivered Ryffeyet in respect to the
Dowle and Collection in Fusles 1252, 1253 and

of each man's field.—
6. On examining Rangasawmy
Head Duffadar, he stated in his Ryffeyet that
he went to the Village on some occasions
under the orders of the Annexee but in
that

Fort St. George 13th. October 1845.—

that he did not know any other circum-
stance; that his father Venkatarauze should
be examined and that the Curnum named
Chetumbrum committed irregularities.—
On perusing the Arzee No. 282
7. addressed by Bhasheycarloo regarding Ezarah
Dirkhast and the order issued thereon No. 296.
Fusly 1253 as well as the order issued in No. 19
in 1845 Fusly 1254 on the Complaint of the
Ryots as the letters said to have been written
by Sunnutdar Aunta Ramiah, it creates
some suspicion that the Huzoor Servants hav-
ing combined together did not explain the
true fact of the Village to the Collector.—
To ascertain the difference between
8. the accounts produced by Venkataratnum for
the rent for a period of 5 years and those produc-
ed before the Commissioner's Cutcherry by Cur-
num Chetumbrum, the accounts lately
delivered in the Sarah by the said Curnum
were sent for and on a reference being ma-
made thereto it is understood that the
Curnum delivered false accounts in
which he did not enter the actual in-
Dowle— the particulars of which are
as exhibited in the following Statement—

No. 6.

Memorandum regarding the Anchana appointed in Fuslies 1253 and 54 of certain produce of the Village Attalore in the Coorapaud Sanah.-

During the Zemindar's management this Village was rented out to Bellumcondah Ramiah who held it on the Sharing System up to Fusly 1252. and the Curnam having it like=wise in Fusly 1253 the Jonna produce for the aforesaid Fusly was appraised on the 15. January by Palaped Ly Nargeah Samutdaral 76½ Candies By the Head Madutgar on the 21.st at and by the Peon on the 18.th March at 83.8.- the average being 80-10-8.

Total average of the Jonna and Pyra pro=duce being 90-11-10¾ A. Pharannamah was then obtained from the Villagers to the effect that the Jonna and Pyra produc was only 88-14-6¾ Contrary to the above, and the document having been forwarded to the Hutzoor, an order was joined No.355 dated the 9.th April admitting the quantity therein specified. After that the ryots were allowed to take possession of the produce Viz.t 3-9-½. on account of their fee called Shalagamirah, and 43-9-14-15 as their share according to the practice

12,629 Fort St.e George 13.th October 1845.-

practice prevalent in the Sanah, making a total of 46-19-3-15 leaving Government a share of only 41-9-14-15 valued at Rupees 325-13-2 as entered in the accounts produce=d at the end of the Fusly. Paradadeya Curnam of the Village, attended before the Commissioner and reported that the Estimate in the last year was made at the lowest possible Standard, effected by bribes, that the amount specified in the Rararnamah was incorrect, that when the produce was devided among the Ryots 18 Candies and odd were found to be in excess quantity of that previously estimated, that a subscription exaction at 1 Rupees per Candy was made in addition to the Curnam's fees, and that a part of the Poollary tax, or grazing tax had been misappropriated, he then pro=duced a detailed account to elucidate his statements. On enquiry into the matter in the presence of the complainant and Paramiah and Veeriah the Defen=dants, they admitted that 84-7-12. of Jonnalee with another produce called Pyra to the amount of 22-7-9 totalling 106-15-5. was stacked; that the Curnam Shelaga fees thereon was rated at 4-3-6. and the Ryots share 52-17-13 that after all

Fort St. George 13th October 1845.-

all these deductions the Circar's share was estimated to be 49-14-1 valued at 396-5-9. and that the subject of their having levied one Rupee on each Candy to defray the charges was true. A. Rickyet was also delivered on the subject. With respect to the difference between the Anchanah and Kilo it is understood that even a difference of 10 Candies per Cent is of no great consequence to the usage of the District that therefore it is probable the excess in Tonnalee is within 10 Candies per hundred; and the excess in Pyra over and above double the quantity estimated; tho' the circumstances of the Subscription admitted to have been made from each Candy to defray charges in connexion with a part of the Pollary Collections having been misappropriated, gives adequate grounds to suspect that proofs of fraud has been committed. As per Account produced by the Complainant 1112-5-3.

to his own use. The Samuldar moreover
wrote a letter to the Tanadar promising to
pay the amount. the letter is in the records of
the Tanah; but the amount has not yet been
brought to account as promised.-

3. The complainant further states
that as the Village was under the sharing
System for Fusly 1254 the Defendants
collected from the Ryots a sum of Rupees 73. and paid it to the Ameen and
Samuldar so that they should acquiesce
Standard. On examining into this particular it is apparent that the Jumabundy
at the time of appraisement was about
60. Candies and that the Samuldar estimated
it at 48 Candies. No other estimate was
made either by the Ameen or the Peishcar.
The Pyra was estimated by the Samuldar at
Coorapaud at 26 Candies whereas the
Kilo was 23. the difference being of any
great consequence. The settlement of the
Village for Fusly 1254 has not yet been made. The Cummums and Ryots state
that

Fort St. George 13th October 1845.-

that they gave bribes to the Ameen Peishcar
Head Muduigar and the Samuldar in the last
and current Fuslies to effect a low rate
of Anchanah Estimate &c.-

5. In respect to Poollary regard=
=ing which a Kararnamah was taken it
is evident that in collecting the Circars
Moiety of Sist thereon in the last year the
Ameen could not have paid the least attention thereto as directed under instructions
from the Huzzoor.-

Cooroopaud Tanah and others in lessening
the collections of the Village Beemaveram
in Fusly 1254 or A. D. 1845 in the Zillah
of Guntoor. Moostafanugger Cirkar.-

This Village was rented thro' the
Zemindar to a Cummar Casteman named
Damecherlah Catapah from Fusly 1251 to
1255, for which a Cowle was executed.
In Fusly 1251 the renter paid 755 Rupees-

the full amount of rent, but in Fusly 1252 h
the said Damecherlah Cotapah paid only
648 Rupees of 760 the amount of rent du
that year, and appropriated 112 Rupees t
his own use. The Collector forwarded Boo
directing that the man's property should
be attached, and the amount realized by
the sale thereof - when such a step as
Carrying out that order was about to be
taken, the renter said he would produce
Security in the person of a man named
Abboor Bungaroo for the sum due and
also for the amount of rent of succeeding
years; and on the man's
Security deeds were obtained from him;
which, on being submitted to the
Hoozoor were accepted and information
given of the same. The Security Bungaroo
thus paid the sum of 765 Rupees the full
amount of rent for Fusly 1253, and
a further sum of Rupees 112 the
balance due - total 877 Rupees. How-
-ever subsequently in reference to
cultivation the renter Cotapah
intrigued with certain Ryots, and
would not cultivate but caused
trouble. In Fusly 1253 the said Bungaroo
executed documents to the renter
Cotapah

Fort St. George 13th October 1845.

Cotapah to the effect that he Cotapah was
to cultivate &c., uninterruptedly every year,
until the termination of the Security in
Fusly 1255, his land yielding an annual
produce of Rupees 90 odd, and pay the a-
mount, and in the same Fusly Bungaroo
obtained a document from Cotapah to the e-
effect that he Cotapah was not to be held
responsible for the profit or loss sustained
on the rent of that Village. This is what
transpired. Subsequently the aforesaid
Bungaroo and his Co partners, Curmum
Goorauz Lutchmenarayanah together with
the Capoos Cherkoor Boochennah and
Damecherlah Ramiah attended before
the then Ameen Basheyacarloo, and
represented the circumstance of the said
Cotapah, and some ryots connected with
him having failed to cultivate according
to the tenor of the arrangement previously
made, and requested that precautionary mea-
-sures should be taken to cause them to a-
cultivate. The Ameen sent Cotapah
and the other Ryots, but did not give
them strict injunctions to cultivate, caused
apparently by the ill feeling the Ameen
had towards Bungaroo who would not
give him any thing he took no notice of

the renter and Ryot but merely told them that if they were willing they should cultivate; if not, no that as the Security was a rich man there would be no trouble to recover the amount from him. thus did he speak to them; and directed them to go away with the understanding that they should not cultivate. after that Cotapalaiyen went away to Movaloor in the Nizam's Country, and gave out a fabricated story that he had distributed the greater part of his property to his creditors and part to his brothers. Some of the Ryots also relinquished in the Village and cultivated in other Villages thereby causing a loss to the extent of 225 Rupees in land left uncultivated. Bungaroo then went direct to the Buzzoor and presented three Arzees in the month of August to one of which Mr. Hodges made answer Endorsement directing by a Hookum No. 255 that the Petitioner's case should be investigated into and reported on. The other two Arzees subsequently given on the 17th and 19th August respectively were disposed of by the Head Assistant Collector Mr. Newill who issued an order No. 51 and forwarded them to the Ameen as enclosures and

and the information called for was to know if the renter was able to produce another Security in the event of the present one being permitted to be relieved. How the affairs of the Village were conducted in the present year. What was the Ameen's own opinion on the subject; and what course would be conveniently necessary if the prayer of the Petitioner Bungaroo to annul his security were to be complied with. This information was ordered to be furnished in 3 days after the receipt of that Hookoom; which bears the signature of the Head Assistant Collector Mr. Newill, the Head Sheristadar Nayapatty Sheshagierrow, and the Head Moonshee Vinnacottah Vencanah. The said Bungaroo declared that he had paid a bribe of 20 Rupees to the Buzzoor Revenue Javabnevisses to the Buzzoor Revenue Sarhatha Janeeram Puntoolo for the purpose of having this Hookoom issued; when the Head Sheristadar and others said that if Bungaroo would go and arrange with the Ameen and cause him to write favorably in reference to this order, they would here settle his case satisfactorily. The Security Bungaroo then came to the Ameen Basheacarloo who arranged with him

him to agree to pay a sum of 100 Rupees. of which 80 Rupees were paid at the time and the Ameen wrote Arzees No. 99 of the 18th ultogust in reply to the said Hoorkoon recommending that the responsibility of the Security Bungaroo could conveniently be removed from the Village Beemavaram. that as the document executed by Abboor Bungaroo to Colapah exempting him from being responsible for any loss or profit which may arise in the rent that Village was for that Fusly only it was not necessary to act up to the conditions that the responsibility alone of the Village for Fusly 1254 should be [illegible] and the affairs conducted by the Circar; whilst the Security be held responsible for any ultimate balance which may have to be realized and that afterwards from Fusly 1255 the rent could be annulled. On that recommendatory Arzee reaching the Huzzoor it was referred to the Sheristadar's Department where the Head Assistant Sheristadar Parreyah Ramanah raised objections saying that this Security should not be annulled; and when he detained it without taking any further steps to have an order issued Janakeramanah the Janabnevis told

Abboor Bungaroo to go and satisfy him Bungaroo went to P. Ramanah but as he could not get him to comply he returned and mentioned the subject to Janakeram Puntooloo who said that if he (Bungaroo) would give into his possession a further sum of 10 Rupees he would give it himself to P. Ramanah; and consult and secure every thing thro' him Bungaroo not having money to spare at the time appears to have replied that as he had spent a great amount already he could not then pay but would manage and give some thing as soon as a Hoorkoon is caused to be issued annulling the Security That in compliance with Janakeram Puntooloo's request, he (Bungaroo) should go to his Village; for that he would cause a proper Hoorkoon to be issued. he (Bungaroo) then came away to his place of residence It appears that subsequently the Ameen caused the Village Curnum Gorranzo and Lutchme Narayanah to conduct the affairs of that Village; though there is nothing to shew that the Security Bungaroo ever took part in the Management of the Village

The amount of Cist payable to the Circar in the present year is Rupees 770 of which

12640 Fort St.e George 13.th October 1845.-

which 436 Rupees were collected by the Village Curnums up to the 30.th Septr. balance estimated to be recoverable 20 Rs. Total 476 Rs. leaving an outstanding sum of Rupees 294. The accounts of the Curnums shew that the balance is composed of 64 Rupees, being the amount of loss sustained by seed having been sown on lands, the produce of which having withered the ryots have emigrated. The 97 Rupees is from the land belonging to the renter Cotapah at the pasture rate of Cist. the same having been left uncultivated. and that 139 Rupees was regarding several poor Ryots and others. The Security states that it was solely owing to the annoyance caused by the Ameen and the renter, that the Village collections became depressed, that the [the Security] had not looked after the affairs of the Village himself, that in the event of the Circar issuing an order that he should not be demanded for the balance due in the current year, he would consider himself responsible for the amount of rent 780 Rupees in the next Fusly 1255, the last year of his Security. That he would cultivate the land at least from the present time, and take precautionary measures and pay without fail the

amount

12641 Fort St.e George 13.th October 1845.-

amount due. This request has been granted, and the said renter and his Copartners in the current executed a Cowlenamah on this subject to the Commissioner. The Ameen Bashecarloo asked him for a bribe of 20 Rupees which was promised to be paid. Basheyacarloo answered, he would not give orders for the massool of the Villages Abboor and Coperlapaud until it was paid that although a payment to the extent of above three quarter of the above amount had been liquidated, he would not give his permission for cutting on the produce. that he therefore was under the necessity of taking and paying the sum of 20 Rupees to the Ameen Basheyacarloo when he returned to Coorapaud after completing the Jammabundy. after which he granted permission for cutting the produce of the said two Villages. Taking these circumstances into consideration it is evident that the security Bungaroo paid up regularly every year the sums due from the Villages Abboor and Coperlapaud rented by him, and that he liquidated in full not only the Cist for Fusly 1253, but a former outstanding balance on the Village Beemavaram, for which he had stood security. that notwithstanding

12,042 Fort St. George 13th October 1845.-

notwithstanding the annoyance rendered by the Circar's Servants he / Bungaroo / appears to be a person possessed of such honest principles as will still pay; and that therefore his present Statements also should be credited. He has moreover made offers to the Commissioner to manage in the next year the affairs of the Village and executed Documents accordingly; that of the number of Sub renters whose names are specified in the cararnamah executed before the Commissioner for conducting the affairs during the next year, the Cummum Caste Man Damecherlah Ramiah and Cheroor Boochiah stated before the Commissioner that they could not sign the Kararnamah and pertinaciously refused to obey the Gentleman they were persuaded in many ways but would not accede, that document was therefore not fully confirmed, for the Gentleman did not sign it, and hence the necessity of its having been simply retained in deposit in the Dufter.-

Cuntoor Commissioners Office.

Kifeyet given by Abboor Bungariah inhabitant of Abboor in Coorapaud Tanah on the 23d April 1845, corresponding with Fusly 1254.

2. It is understood that you are surety for the renter Daunecherlah Cotapah of the Village Beemawaram in the jurisdiction of the Coorapaud Tanah from Fusly 1253 to 1255; that although there were no arrears in the former fusslies 1251. 52 and 53 yet there is in the current year an enormous outstanding balance as lost to the Circar, you are therefore required to say when you will pay the arrears due.

A. The aforesaid Daunecherlah Cotapah took the Village in rent from the Zemindar Ramanadha Baboo, from Fusly 1251 to 1253, and had possession of the Village whereby he was able to pay within the year, to the Circar as rent the sum of Rupees 750 for fusly 1251 that out of the amount of rent for fusly 1252 Viz. 700 Rupees and odd, he kept back a balance of Rupees 112 which induced Ramanjoo Charloo who discharged the duty of an Amen at that time, to write to the Huzzoor and

Fort St. George 13th October 1845

and cause a Kuft Bookum to be issued, and when he wanted security to be produced, the aforesaid Cotapah came and begged of me most importunately to come forward and as he pledged his words to me, I was induced to pay the aforesaid sum of Rupees 112 and gave security also for him for the ensuing fusties from 1253 to 1255 He resided close to my Village and we were in the habit of seeing each other daily and that frequently on our going to each other's Village to carry on our duties, owing to many of the Ryots of the Village Beemaveram having cultivation in the fields of my Village I relied on what he said, and in furtherance of the security I executed a "Security deed" to the then ameen Bashacarloo, and took profession of the Village, so when the affairs of the Village were being looked after by such a poor man as myself speaking vain words for the purpose of causing delay, and to carry on my livelihood, the said Ameen Bashacarloo owing to the tenor of my security, was anxious to make me sustain loss, and with such a Motive, he instigated the renter, the very person for whom I had stood security, to

Fort St. George 13th October 1845

to gain his evil end, as also the Ryots, and other people with whom I had made private arrangements for the amount and although he effected his purpose by causing them to defer payment of their money, whilst he in the meantime annoyed me by every possible means-yet, I managed decretly to render cogent explanation to the several Ryots, which enabled me to pay the amount of Cist for Fusly 1253 Rupees 765, together with the former balance due Kuft 112 Rupees which I had taken upon me by assignment to discharge total 877 Rupees, though the aforesaid sums were not recovered in time from many of the Villagers, I and my copartners borrowed 60 Rupees from one Saunaundegaum Akkena-pully and paid the Circar's due, so as to avoid trouble and gain confidence. Soon after this while I was considering that it would not be well for me to continue any longer in profession of the Village, under such an Ameen and that it would be well for me to relinquish it, for it was arranged that he should uninterruptedly cultivate the fields belonging to himself (the renter of the Village) until the expiration of the term of the security tendered by me and to pay himself the amount

due

Fort St. George 13th October 1845

due, and although a document was formerly
taken from me to the effect that I would
not be held responsible for any profit and
loss sustained by the Cyarah, yet the afore-
said Cotapah failed to cultivate his lands and
kept acting in such a way as to instigate
some of the Ryots not to cultivate it also.
When I found this out on being informed
of it by my private copartners Goorraze
Putchmenaroynah and others, I came into
the Village and on making enquiry found it
true that he did not cultivate that year, and
although I reasoned with him in different ways
yet as he had been tampered with, I thought
it necessary to have that renter, and ryots
who would not cultivate to be brought before
Basha Canoo Ameen of Conapad Tanah
before whom I and my under assistants
Goorraz Putchmenaroynah, Damany
Cherbah Raunaid and Cherkoor Boochanah
The Ameen examined into our state but
did not render adequate assistance in
due accordance with the Regulations, for
having ill will because I would not give
him a bribe in the former years, he
ill advised the Cyrahdar and Ryots
whom I brought before him, and in

compliance

Fort St. George 13th October 1845

compliance with their request, arranged
it so that no cultivation should be made,
and said that I should leave the Villages.
Thus did he act, and threatened me by
saying that I had become surety to the
Cyrah, he would take care that the amaunt
due would be got from me in exclusion
of any sum which may be alleged to be
due to me by the Ryots &c. and with whom
he said he would have nothing to do. He
intimidated me many ways, whereby
the Ryots were induced to go away with the
renter to their Village without telling me.
he then gave out that he had made over
his property to his creditors, and proceeded
over the river to the Village Molaor in the
Nizam's territory from whence he used
to come occasionally at nights to his
own Village and go away again both during
the day and at nights five other Ryots also
relinquished cultivating in their own
Village and cultivated as Pyaries the
fields of other Villagers. It was by the
connivance of the Ameen alone that the
Village has come into such a miserable
state. Thinking it prudent that I, who
have become bound to the Cuttor, could act

in

12648 Fort St. George 13th October 1815

in no other way than to report the true state of the affairs of a P. Wage distinct from my own — I went direct to the Buzzoor and told Neyaputty Sheshagierrow the Head Sheristadar of the Buzzoor of the particulars as to what the Ameen had through intrigue done to me — I also requested that my security should be annulled for that I could only manage by any means the affairs of my Merapoe Village and that of the Villages above and Perlapaud, which I had taken in rent — I presented several Arzees also on the subject to the Collector, who referred them to the Sheristadar of the Cutcherry; this induced me to resort for justice to him, and though I requested him many times yet he never mentioned the circumstance to the Gentleman, so that precautionary measures for my relief should be adopted. The Sheristadar used to say that if I would go to the Ameen Basha Carlog and act according to his pleasure and cause him to write an Arzee he / the Sheristadar / would do every thing else that was necessary — I thought that notwithstanding where I went there was none who would take notice of me and enquire into my circumstance, so as to refer

12649 Fort St. George 13th October 1815

refer my Arzees to the Ameen with instructions to report on the same, tho' the Head Sheristadar used to tell me to go to the Ameen — I went to the Ameen Basha Carlog, and solicited him many ways to have me relieved from being surety for the sum due from that Village, and told him that if he would not do so, I would relinquish the rent of the two Villages I had taken up, (in rent) for that I had become poor and otherwise badly circumstanced — He would not listen, but troubled me several ways, and at last told me that if I would pay — 20 Rupees he would do what was required — Taking this as a fortunate clue to resort to, for I was one who had no person to care for me I at once brought 100 Rupees from the Collections of the Village above of which I gave 80 Rupees to Basha Carlog and promised to pay the balance 20 at the time of giving Doombalah in the current year a Perfeyet and other documents were then taken from me, and as I was told that he would write an Arzee to the Buzzoor recommending that I should be exempted from being considered as a surety for the Village Beemawaram, and that I should

go

Fort St. George 13th October 1845

go to the Huzzoor and give 20 Rupees to Jannaker-
=ram Puntoolou, who is doing the duty of Ja=
=vaubnevis at the Huzzoor and secure means,
so that a Pookum may be speedily issued on
the subject I then proceeded to the Huzzoor and
consulted with Jannikaramaniah and gave
him 20 Rupees the balance I had in my
possession of the collections of the Villages
aubour, and while I was waiting here anxiously
the Ameen's Arzee was received, Jonakeram then
told me that Perregaramanah the Huzzoor
Deputy Sheristadar had raised certain ob=
=jections thereto, and that I should speak to
him on the subject I went to Ramanah, and
when I expressed a wish to speak to him, he
would not allow me to do so I mentioned
this to Janebaramah and he answered
that if I would 10 Rupees more he would
speak to Perregaramanah himself and
settle the business I replied that I had given
plenty already and no Pookum has yet been
issued, that when a Pookum is caused to
be issued into the Talook, I would then give
10 Rupees more as requested Thus did
I promise; and then I came away to my
Village I dont know if a Pookum has yet
been received or not on that subject The
time

Fort St. George 13th October 1845

time for payment of the Cist having come
soon afterwards Dustucks were issued for
collecting the sums due from the three
Villages I came to the ameen immediately
and told him, that as he had received some
consideration from me, I wished to know
why he had issued Dustucks for the amount
of the Village Beemaveram? He said that
I had nothing to do with the Village Bee=
=emawarrum, and that I could look after
paying the amount due from the two other
Villages a Curnum of Beemawarrum and
his Coparcener (for they were both present at that time and the
accounts of the cultivation &c of the Vil=
=lage was caused to be written by them, and
the ameen said in their presence that
the Collections should be made and paid
according to the conditions there arranged
He exempted me from all responsibility
in that village (Beemawarrum) and
sent a separate Mafsooldar also to that
Village to shew that he got me off from
being responsible for the demand from
the Village Beemawarrum I have only
to refer the Commissioner to the 17 Re=
=ceipts in my possession given in my
name

Fort St George 13th October 1815

name by the Goomastah by which it will be apparent that in Fusly last 1253 the affairs of that Village were conducted by me and that the collections made had been duly received and paid by me the Jemindar or surety of that Village as I was exempted in the present year from all responsibility the collections being made this the Circumstance he used to have the names of the Curnums inserted in the accounts and gave receipts to them therefore if the receipts in my profession and those in the profession of the Curnums are inspected it will be clearly proved that I have up to this time been fully exonerated from the demands payable from the Village Beemawarrum The loss sustained this year is attributable to the negligence of the Ameen Bashacarloo and to no other cause I should not be called upon to pay this years balance also therefore I pray that the Circar will take precautionary measures in time moreover I beg to state in reference to what I told the Ameen before regarding the sums due from the Villages Arboor and Doorabalah that although I paid a sum equivalent to 3 and 3½ Rupees per Pagoda of

Fort St George 13th October 1815

of the sum due by me from the said villages yet he would not give Doorabalah for the Pyra produce but used compulsive means therefore, three months ago at the time of Junmakhirandy at Covoor I gave from the Collections of the Village Arboor the balance of 20 Rupees due to the Ameen, by which I was able to get Doorabalah. I told the Ameen that he had not given me a voucher about my being exempted from the responsibility of the Village Beemawarrum surety, and when I asked him to give a document, he replied "what need have you of any Janabeeram is gone to Guntoor and as soon as "he returns, I will cause a Hookeem to "be issued."

A I stated above the particulars regarding the late Ameen Telcha Basha Carlos having pledged himself to relieve me from being responsible as surety for the sum due for Fasly 1264, and how he received a bribe of 100 Rupees from me, and in reference to the Commissioners order relieving me from [illegible] paying about 300 Rupees on that head, and that I could not escape paying the whole amount next year according to the tenor of my security deed 780 Rupees and in furtherance of the liquidation of which I should take precautionary measures in cultivation &c^a and pay up the Peruj without fail. It is understood that Ameen Bashaaloo has been in the habit of reporting certain Coms from the amount of Collections remitted us for Enaknamah of Village Curnums on a pretence of their being base Coins, and appropriating them through the means of you and some others, to his own use and some charity purposes without returning them to the Villagers. 2

A. I returned the amount so reported to the Putties from whom it was received, but neither did I see any one pay it. If any thing is known hereafter on the subject I shall become entitled to such punishment as the Sirkar may deem proper to inflict.

2. Produce the Books and Sundry Accounts which are secured in your house. 2

In reference to the above letter his salary for the Month of April was paid to Latchmiah for the charges of Tamahundy of that year.

I have looked at the letter written to me by Ramiah Frontier Gomastah on the 30 January 1863 this is the answer written by him acknowledging the receipt of my salary in respect to taking the salary for the Months of april, and it is also stated in that letter that his pay for the Month of May should be paid to the following persons.—

must be deducted from this Dawood Khan's

of the amount which Kanakiah agreed
pay to him and in the former that he
Krishna Row should receive the amount. The
above two letters were written during the mana
ment of the Zemindar, I gave 2 Rupees to
Krishna Row according to the letter of Dawoo
Khan, and kept in the Duftar the letter
delivered to me by Krishna Row.—

5. I have looked at the letter addressed
to me by Powadah Kanakiah Curnum of Collar
that is the same letter that was written to me
by him; it is stated in the above letter that he

for the four Mandaddies to perform the ceremonies
Vow of the idol in the Dasarah festival and that
therefore his portion of the expences for the Ceremonies
in this year should be deducted from his pay
and the balance sent to him. The above letter

I inserted without mentioning their names. This is my own accou current and not another's. I inserted a large sheet of the three documents of Rupees which were paid to the Amount by Ramanuja charlu As I am desired to state the real circum stance thereof, I have to state that the said Peishcar Ramanujah Charlu borrowed of me of Rupees, and paid to Bashyacarlu, say that he owed them to him, and also requested me to recover the above sum from the amou of his Salary. Meerafsey Shroff in the Cooraput Tanah.

2. State, how long since, have you been performing the duties of Shroff in this Tanah, and what do you generally write when you pay to and receive money from any one. A.

A. I have been the Shroff in the Cooraput Tanah on a receipt of fees. Consequently I have been carrying on the duties of Shroff in the Tanah since 3 or 4 years. I have not been accustomed to pay to and receive money from any one to a great extent, but however I paid and received money in small sums. I used to enter the items in a book and not on any other paper or Cadjans. There are no papers whatever in my house with the exception of the said book which is ordered will be produced.

2. It is understood that Vetcha Lutchmiah and Bathyacarloo the late Ameens received thro' you from certain

Police and Revenue Peons, bribes as the usual dues, and also for having settled now and then their affairs, and that they moreover received thro' you from some Samildars and Mudtgurs Vizt. the amount of their wages for two or three Months to defray the Charges of Summahbundy- state the truth.- Q

A. Nobody gave thro' my medium the amount of their wages- As I am a poor man I used to lend money to Peons only from 2 to 4 Rupees within the Amount of their wages and the said Peons were in the habit of paying me the Same from the Some paid with interest, and others without interest in consequence of friendship Whenever a Considerable Sum must be lent and received, the transactions there of were performed thro' Booriah Shroff who is a Joint Shroff with me; therefore it must be ascertained from him- I heard from Bazaar rumour that the Ameen Basheyacarloo took in Fusly 1253 and 54 the amount of one or two months salary from all Servants such as Peishcary Mudtgurs

12090 Fort St. George 13th October 1845.

Mudtgars and Samildars to defray the Charges of Summahbundy- In Fusly 1253 I and the other Shroffs gave 10 Rupees at 5 each to Basheyacarloo- The Current fusly 1254 not being closed he neither asked us nor have we paid any thing to him- The late Ameens Lutchmiah Vizt. did not ask, neither did we give them any thing- Of the 10 Rupees said to have been given last year, I paid 5 Rupees, being my share, into the hands of Boorriah to be given to the Ameen, the said Boorriah told me that he had paid 10 Rupees Vizt. 5 Rupees for me and 5 Rupees his share to Basheyacarloo when he come to Coraipad after the Summahbundy was over- I therefore stated the truth as far as I understood.-

2. State if Vetcha Lutchmiah or Basheyacarloo the late Ameens Collected from you any thing in the present, last, or preceding year to defray the Charges of Summahbundy or for any other purposes.

A. I gave nothing in former years. During the Summahbandy for Fusly 1252 the then Ameen Vetcha Lutchmiah, Asked me to give one months pay in Charity to defray the Summahbundy Charges to which proposal I agreed. the Settlement of the above fusly having been made at Mungalagherry we Came to Coorapad, four or five days after, the Wages having been received I Carried Rupees 15 when Lutchmiah was seated, and in his presence put the amount into the hands of a Brahmin named Woonmiah. the Brahmin Bengan inhabitant of Ammalapoor in the Rajahmundry District I do not know where he is at present.

During the Settlement for fusly 1253 the Ameen Basheyacarloo asked me to give one months Salary for the purpose of defraying the Charges of Summahbundy. when we returned to Coorapad from Crosoor after the Settlement was made;

I

I carried 15 Rupees being my salary of one months and put them myself into the hands of Ameen Basheyacarloo. There was no body present at the time but myself and Basheyacarloo. During the Settlement for fusly 1254. the said Basheyacarloo asked me to give one months salary to which I replied that I would do so when Basheyacarloo returned from Crodoor to Coorpaud after having made the Summahbundy. I carried the Amount of my pay and put it personally into the hands of Basheyacarloo when he was sitting on a carpet at his house. I recollect that Bhroffs Boorriah was present at that time. As I paid 3 months salary in three years as above mentioned I have stated the same.

2. Did any Peons or Naigues pay any thing thro' you for the above purpose. Did you hear that any other servants paid any thing?

A. Two months before the Settlement for fusly 1254, the Ameen Basheyacarloo having sent for Goodey Bungaroo Naikoo and Chavoray Booche Naikoo, some Naigues, said to me that they did not give any thing to defray the charges of Summahbundy of last year, that as the Summahbundy of this year is approaching and as money is also required for it, I should ask and bring from them 2 months salary of the last and present years accordingly I asked them to give 2 Months Salary

12696 Fort St. George 13th October 1845.

Salary saying that I and certain Mootuddies gave one months salary to defray the charges of Summahbundy. One of the above persons named Boochee Naikoo said, that as he was stationed in the Jungles he could not give more than one Months salary and also said that he would give 6 Rupees being the balance after deducting 1 Rupee for his expenses; and the other Bungaroo Naikoo agreed to give two months salary being 20 Rupees, as the Ameen did not attend to his representations tho' he prayed him very much. As I was going on the same business at that time I did not carry and pay 26 Rupees myself, Consequently I told Ramachendria who was the Goomadaw of Calick Mudelgar that the abovementioned two persons agreed to give 26 Rupees to the Ameen and requested him to take from them the above Rupees after the wages were received, and to pay them to the Ameen and afterward get them leave to proceed to their respective Ghaties some days after the wages having been received, I heard that Bungaroo Naikoo and Boochee Naikoo paid 26 Rupees into the hands of Ramachendrah as they had agreed - and that the said Ramachendrah afterwards obtained leave for them to proceed to their Ghaties - I heard that some Peons, Samootdars and other Servants also paid their

wages

wages of one, two, or three months annually, to defray the charges of Immashaundy; but I did not understand it plainly. I heard also that Coorey Sunkeramoodoo Police Peon who was old paid 20 Rupees to the Ameen Basheya Carloo thro' Ramachendriah for getting his situation to his Son Lutchmeenurdoo - but I do not know the real circumstance of it.-

2. Did the Peons at the Ghates give any thing to Ameen Basheya carloo as nuzzool for having been allowed to remain permanently at the said Ghates, did they also give you any thing.- 2

A. I heard that 4 Peons at Mandapaud Ghatey paid Ghatey and some others gave their Salary for one Month thro' Allah Peon, Samayazoola Choobiah and Ramachundria; but I cannot tell the particulars thereof. About 2 Months ago I asked some Peons to give any thing as they may be pleased to defray the expenses of the Braminical Ceremony of my Son, saying that they did not give me any thing since I have been appointed as Duffadar, whereupon they gave me 11 Rupees as hereunder particularized.-

Q. Did you not represent the matter to the Collector - ?

A. I did not represent the matter thinking that it will be of no use as the Ameen had got influence with the Gentlemen -

Smarthanum religion, and aged about 40 years.

2. You are directed to state the facts
of any collections having been made either on ac-
count of Tanahbundy or other expenses by Veteha
Lutchmiah the late Ameen of this Tanah or the
said Bashcarloo either in the last year the year
before last the preceeding year or at any time before that?

A. I was appointed Samuldar in the
Month of April in Fusly 1251 and as that year
had then terminated I did not give any thing
to any body. The then Ameen Veteha Lutchmiah
having asked me in Fusly 1252 to give any thing
towards the Tanahbundy Charges I took one Fanths
pay including Sunderwar in all 12½ Rupees and
gave it myself to Lutchmiah - In July 1253 a-
after Veteha Bashcarloo came as Ameen and as
soon as I went into his presence during the Jummabun-
dy in that Fusly he caused the Altpoocha Duffer
in my possession to be taken from me and deposited
in the guard - He remained quiet that day but the
following day he caused a negociation to be made

through

through the Peishcar's Sun. Appa Parlaz Parloo; His
tenor of the request was that I should give 4 Months
pay amounting to 180 Rupees for the expences of this
Jamabundy that if I did so, he would have the
Duftar returned to me or if not that he would
cause some harm to befal me. In these threaten-
ing words did he send 10 Messages to which I repli-
ed that I was a poor man with children and
could not give so much, and altho' I represented
the subject to him in many ways he would not
listen: but detained the Duftars in the guard
for the space of 10 or 12 days. He would not
return it: and as I had no alternative I at
last promised to pay three Months salary mak-
ing Sunder amounting to Rupees 337½ Nobody
would trust and lend me that amount conse-
quently I was induced to sell one of my Cows for
18 Rupees and my Wife's Regady Billar gold
head ornament for 21½ Rupees total 37½ Rupees.
I then brought this Amount and gave it myself
into the Ameen Baskeerloo's hands to the Cashe
Coorapaud during the Summabundy. After I gave
that sum he caused my duftar to be made
over to my care the following day. At the Sama-
bundy time in the present year Fusly 1253 he asked
me to give as I had done in the last year for the Jama-
bundy expenses; I told him that I had suffered much

in

in the last year, and was not able to give any thing
else: and as he requested that I should give
at least one Months pay I thought it best to
comply, and as soon as the Summabundy was over,
I took 12 Rupees my whole Months pay as soon as it
had come, and gave it myself to Baskeerloo while he
was in his house at Coorapaud; No body except
he and I were present when I gave him that sum
and went away. Appala Charloo is aware of the
transaction in Fusly 1253 and Vitcha Lutchme-
nah and Baskeerloo have made exactions in this
manner since 3 years, for Jamabundy expences at
the rate of one, two, and three Months pay from
all the Servants including my fellow-Samut-
dars, Mudutgars and others. Every body co

Q. Did you not make any report either to
the Collector or to the Huzzoor Head or Sait-
Sheristadar who had come there at the time of
the circumstance of that Ameen having at the Jam-
abundy taken and placed your Duftar in de-
posit in the guard and of the Ameen Bask-
eerloo having troubled you to give a bribe?

A. The aforesaid Baskeerloo had much

influence

in accordance with Gentlemen, and with Hazoor Shirastadar and as I was of opinion that if I were to report him regarding the demand made on me towards the Jamabundy expenses, no examination would be made at any place into the subject of my complaint; and that if it were known that I had represented it to the Gentlemen all would combine and injure me in any way to the detriment of my obtaining my food and raiment, This is all I have to state.

Kyfiyet given by Numboor Kristniah Samut-dar of Bolsepaud of Coorapaud Zamab- son of Nunjoor Juggarauze of Brahmin Caste, Smartanium Religion and aged 41 years.

D. You are required to state truly if any Collections were made either on account of Jamabundy or other expenses by Vetcha Lutchmia- ah the late Ameen of this Zamab, or Bashcar- lor either in the present year, last year, the preceding year or at any time before that?

A. After the Estate was attached by Government I performed business in 2 or 3 places and then in July 1252 at the end of July, I came here as Samuldar of Bullasapaud Moo- -kah in Coorapaud Taluk. 2 Months after Some, the Ameen Lutchmiah was removed, and a few days afterwards his Son named Vetcha Bashcarlow came as Ameen, however I did not give any thing to Lutchmia

who

was was formerly there or to any other person, when I was at Tenaly and other Jamaka. At the time of Samabundy in last July, the Peishcars son appalacharlo came and told me that he would speak to me as the Ameen Boast. earlos had desired him, which was that as all the Samutdars had given two Months pay, I should also give up 2 Months salary. I replied that I was a poor man, with a large family, that I could not live if I were to give 2 Months pay, that I could manage in any way, and give one Months pay, and he (appalacharlo) should excuse the Ameen to with Ameen Bashearlo, and as he came and told me that the Ameen had asked him to tell me to bring one Months pay as I was willing to give. I borrowed 12 Rupees of my pay from Shroff Boriah and gave the same to Appalacharlo's hand as he stood in the Street, and told him to give it to the Ameen and come. He took the money immediately and went to the Ameen Bashearlo and came and told me that he had made over the money as requested. At the Samabundy time in the present July 1815, Bashearlo sent for me himself and asked me to give one Months pay as I had done in the preceding year for Samabundy expenses, consequently I told the Shroff

Fort St. George 13th October 1815.

Boriah to make over my Months pay (as soon as it came) to the Ameen, and insert the payment in my name in the Accounts. The Shroff Boriah told me that as soon as the pay came he had taken 12 Rupees of my pay and made it over to the Ameen. Moreover I and Mullaparauze are both poor Samutdars and therefore he took only one Months pay from us; for one year. but he exacted from the other Samutdars at the rate of 2, and 3 Months pay. I heard that he has exacted since 2 or 3 years one Months pay more or less from each of the Jamab Servants; but I do not know the exact nature of the subject.

Q. Do you know any thing as to how much and to which of the Hoozoor Servants the collections there made on account of Samab: bundy expenses were generally paid, thro' the Ameen?

A. Bashearlo collected the sums from us, saying that they were for Samabundy expenses; he exacted these sums for the purpose of distributing it to the Hoozoor Head and Sub Sheristadars, and to the Moonshee and others. He collected it for no other purpose. However I did not see how much the ameen may have given to each, I do not know any thing at all of that.

Q. Did you never represent to the Collector the subject of such a poor man as yourself being subjected by the Ameen, to

such

such assertions as stated by you?

A. I saw a poor man and the Ameen a respectable Public Officer and as he used to tell us that the Money was required for Sundry expenses. How could I represent it to the Collector. I was moreover afraid to do so because I feared that all would combine and injure my situation. I did not complain to any person. I gave according to the Ameen's request & satisfied him.

Kistigat given on the 25th April 1845. Fasly 1254 by Canza Nulla paranze son of Kistnamnaiqe, of the Brahmin Caste, religion Aroonalah Smartanum, aged about 40 years and holding the Situation of Sannidar of Pedda Coorpaud Mootah.

Q. State the truth of Vetcha Lutchmiah and Basheyacarlo the late Ameens had collected from you any money either in the current, last or in the preceding year on account of Summahbundy or of any other purpose?

A. When the Tapsereddy Talook was under attachment, I was then a Sannidar in this Mootah. After the Talook was made over to the Zemindar, I became a candidate In Fasly 1251 the Tapsereddy Estate was again attached, when Strangers were entertained. Afterwards Mr. Mathison came here as Acting Collector and towards the close of Fasly 1251 granted me the situation of Sannidar in this Mootah. I have been ever since conducting my duties. As I entered the service at the close of Fasly 1251 I gave nothing to any person in that Fasly. During the Settlement for Fasly 1252, the then Ameen Vetcha Lutchmiah asked me to give something

something towards defraying the expenses of the Summah hundy wherupon I carried Rupees 12-8 being my Salary which was just then received and personally paid into the hands of Sutchmiah. I gave the above sum when he was at home there was no person present at the time but myself and Sutchmiah. At the time of Settlement for July 1753 Appala-
-charloo the son of the Peishcar came to me on behalf of Basheyacarloo when I was sitting in the Cutcherry and asked me as directed by Basheecarloo to give my wages of two Months saying that all the Samuttdars gave two or three Months Salary to defray the charges of Summah hundy upon which I said that I am a poor man and encumbered with a large family; that I have moreover my Villages subject to my Kootah having been rented and the business of Collection for this has been conducted by the Ameen alone; that in consequence I have nothing to do in the Villages and that I am therefore unable to give two Months pay but can give one Month as I did in the last year, whereupon the said Appalacharloo satisfied Basheyacarloo and asked me to give it accordingly afterward

S.

I put into the hands of Appalacharloo the amount of Rupees 12-8 being the salary and Saunderwar of one Month. I do not recollect whether the above sum was borrowed from Boorriah or not. The said Appalacharloo delivered the amount to the Ameen Basheyacarloo. During the settle-
-ment for July 1254 Boorriah the Shroff asked me under the ordeas of Basheyacarloo to give any thing to defray the charges of Summah hundy upon which I and Nambory Kristniah the Sa-
-muttdar requested him (Boorriah) to give the salary of one Month of each of us as we have been accustomed to borrow of him money and to repay it from the amount of our wages. The said Boorriah after-
-wards told me that he had paid the Money to the Ameen on the receipt of wages. I have represented what was done in my case. People talk that other Samuttdars, Peishcar and Muddutgar &c. Servants of the Saunah used to pay from three three years past two or three Months Salary respectively in each year to defray the charges of the Summah hundy; but I do not know the reality thereof.

Q. State if you know what were the sums paid to different Servants at Huz-
-zoor by the Ameen out of the amount collected on account of Summah hundy?

A. The Ameen Sutchmiah and Basheacarloo had

neither did I give them any thing. My younger brothers
son Janckeeram Puntoolo was Javabnivis at the
Coozcor and engaged very much in transacting
business in Mr Stokes presence, the Head
Sheristadar Neyapatty Sheshagerry Rowger is my
relative, and owing to the Interest I this had
the Ameens never asked me to give any thing
towards Summabundy expenses however the
Peishcar Raumanooja Charloo and Head
Madatgar Shastroolloo, told me that in the
present and last years they had all along
given one Months pay each to the Ameen
Bashcarloo for Summabundy expenses, and
that I also should give some thing. I re-
plied why should you all talk so, e
and interfere, the Ameen Bashcarloo
never asked me for any thing, or if he did
am I not able to answer, why should you
all attempt to ask, I wont give any thing
into your hands. This is all, I did not gi
any thing any year, moreover I used to heat
occasionally both in the year before last, th
last year, and in the present year, that the
Samuldars and Tannah Servants used to
give something for Summabundy expenses; but
I do not know how much may have been gi

by each. This is all I have to say in my
Kifeyet.

and is the same that I wrote to Boorriah.

2 It is stated therein that 18
Rupees out of the pay for October and Novem-
ber should be made over to the then Ameen
and the balance sent to you, and that this pa-
per should be destroyed immediately after
perusal State the facts as they really trans-
pired.?

A Before the pay for these Months
were given, I came here, and borrowed some
Money from the Ameen Bashcarloo, for my
expenses: and when I returned again into the
Tanah

12,719 Fort St George 13th October 1845

Janah I told the Shroff Boorrah that at the time of distributing the pay he should give Bash carloo 18 Rupees. I then went away to my Station and wrote the aforesaid letter also about it, desiring him to pay the 18 Rupees and to send the balance to me; Thinking that the Shroff would not have kept the paper. I requested him to destroy it.

2 Referring to the letters which you addressed to the Ameen Bashcarloo regarding the Settlement of certain Beriz Cist on the Lands of Roodraveram Village and other Villages they are in a such strain that friendship does not appear to exist between you, while it is thus, how is it possible that you could have asked the Ameen Bashcarloo to lend you Money or even for the Ameen to give, if you did so. You are therefore required to give satisfactory reasons as to his having lent you Money and that friendship exists between you both.

A Having an urgent occasion I merely borrowed the Money from him, consequently I wrote, desiring that the amount should be returned; myself and Bashcarloo were on intimate terms formerly and as we belong to the same Village, I borrowed that sum from him. There is nothing else to shew that there is friendship between him and me. This is all I have to state in my Kifeyet.

2 The letter you wrote about giving 18 Rupees to the Ameen is dated the 20th December 1843 apparently after returning from Summabundy affairs for Fasly 1253, thereby causing an opinion that the aforesaid sum might have been exacted from you on account of Samabundy expenses. what explanation have you to render on this subject.

A. I did not give that sum on account of any Samabundy expenses; I borrowed the Money of the Ameen and wrote saying that it was to be repaid to him. It is true that the Money was repaid after the Samabundy for Fasly 1253 terminated.

Eight days after I carried the Earthern Vessel containing Cash, to the Jonah when the abovementioned persons having called me aside told me to give 2 Months Salary, saying that all Servants paid the same to Basheacarloo to perform a marriage of his daughter whereupon, I said that I could not give 2 Months Salary but we 4 Peons can give one Months salary each and then went to my Ghaunty. On the 3rd day the Peon named Nursoo came and said that as we did not give the Rupees according to our promise to the Ameen Basheyacarloo he was directed to bring us to the Ameen, upon which I spoke with all the Peons on the subject and then went myself accompanied with Nursoo

The above letter was written in my name, in my presence by Somayazoolo Soobbiah to his house I gave the letter into the hands of Nursoo, saying that I would tell the circumstance to the Ameen, upon which they said that I have no occasion to do so; that I should go to my Ghaunty and that they would deliver the amount to the Ameen after the wages are received. I went away afterwards. the year before last, the preceding year or at any time before that.—

A About 4 years ago, when Mundapanty Soobiah who was ameen of this place, set up an Idol called Stree Seeta Ramsawmy was in his Village Maudapaud, he told me and the other Mootsuddies of the Tannah that we should make an offering in our name to the Idol, we agreed, and offered 10 Rupees at the time the marriage ceremony of the idol was being gone through the other Mootsudies also Viz. the Moturpha Gomastah C. Seethava row Police Modutgar Bubbullah panty Veneatagurah and Sayes Goomastah Goondromedda Baumiah, gave at the same time as much as each thought proper; however I do not recollect how much each offered.— Subsequently Viz. in Fusly 1245 when the Collector came here for Tamahundy, the Dologets and others who accompanied having requested me to give them a present, I went, and when I represented the case to the then ameen Vetcha Baskeerloo he replied that he (himself) would satisfy the Dologets and others, for that if something more or less is given, they would abuse and talk ill of him and that I should give one Months pay. I replied that I could not give one Months

pay

pay as requested by him because I was a poor Man but that I would manage to give 10 Rupees and as soon as that Months pay was received from the Cutcherry I took the 10 Rupees which I had promised and gave them into Bhaushey acarloo's Hands I do not know how much and to whom he may have distributed that amount The Public Servants of this Tannah went to Tirmalundy in the present July 1254 and on their returned to the Tannah, after having settled the Jamalundy business the Aumeen Vetcha Bashey acarloo sent for me to his house and told me that as he had incurred similar charges to those of the last year at Tirmoor I should give a Months pay - I told him that I had performed My daughters Marriage that year, and had thereby become much involved that I would pay in the course of time, but was not able to do so then - He replied that he himself would lend me Money if I had nothing, and that I should pay according to means Consequently I took and paid him 12 Rupees the whole of my salary for the Month of December last. On the Morning of the following day when I asked him to return me the Rupees the deputed for that amount this I was often asked for the amount until the Aumeen was suspended, and went away but I did not give back any thing. I do not know what the other persons may have given because they were in the habit of going and conversing with him at different times - I will however have to repay him some time or other the aforesaid sum of the Rupees which he lent me. This is all what I have to state -

A Vetcha Lutchmiah transacted the business of Aumeen in July 1254, however he never asked me to pay any thing for the Jamalundy expenses. Neither did I at a Month after the Jamalundy of July 1253 the Aumeen Vetcha Bhausheyacaurloo caused the Shroff Muddoo Boorniah to ask me to pay one Months Salary towards the Jamalundy expenses, and as the pay had just then come, I gave my pay 10 Rupees in to the said Muddoo Boorniah's possession with instructions that he should make it over to the Aumeen Bhausheyacaurloo, A "Gadeya" afterwards the said Boorniah came, and told me that he had given the sum of 10 Rupees to Aumeen Bhausheyacaurloo I heard it said that

that the other Samastanams and Muddutgaurs, and Peishcaurs, and all the rest had each paid one and 2 months pay in the last and present year I did not see any of them give any thing.

2 If you know any thing as to how and how much was given thro the Ameen to any of the Hazoor Cutcherry Servants, of the Collections made in the aforesaid Jemaubundy Charges, you are required to state the particulars about it.

A I do not know if the amount collected from me and the rest by the Ameen Bhaushyacaurlu regarding Jemaubundy expenses was appropriated to the account of any body else. I know it is true that the Collection was actually made.

2 Why did you not make a Complaint to the Collector while such exactions were being made from you all.

A Because they were Head Servants of the Cutcherry that if I were to prefer a Complaint it would never reach the point of any enquiry as the Ameen Bhaushyacaurlu had much influence with Gentlemen, and with the Servants of the Hazoor Cutcherry and as I was afraid that my Complaint would not only be cancelled but that some harm would befall me I never ventured to prefer a Complaint.

Gunteen Zillah Commissioners Cutcherry 25th April 1845 or Fusly 1254.

Syfeyet given by Somayanzoola Sastroolu Head Mudduttgaur of Coorapaud Samah, father's name Deetchatoolu of the Seenah or Velanad Religion, and aged 34 years.

2 You are required to state the particulars of any Collection having been made either on account of Jemaubundy or other expenses by Vetcha Lutchmiah the late Runnen of this Samah, and the said Bhaushyacarloo either in the last year, the year before last the preceding year, or at any time before that?

A In the year preceding the year before last, when Luchmiah was Runnen in Fusly 1252 he took into his favor the peishcar and Sirshadachaurloo, and conducted the whole

Fort St. George 13th October 1845

whole affair thro' him, he was always angry with me, therefore he never asked me to pay any thing towards the Jemaubundy expenses nor did I give him any thing - at the Jemaubundy time in the last year or Fusly 1253 the Annoor Veteha Bhaushegacarloo sent for and told me that he would have to make presents to many individuals and that Vegetables would have to be purchased for the use of the Public Servants who have come on Jemaubundy, and that I should give one month's pay towards the cost of these charges. I said I would give accordingly, and when that month's pay was received, I took and gave it myself to the Annoor Bhaushegacarloo. It was in my presence at the same time that he gave a Rupee to a person whom he sent to Guntoor to purchase Vegetables - and he gave the balance 8 Rupees to some Cooks and other people as sundry charges. Because I had to perform an auspicious Ceremony in my House in the Jemaubundy time of the present Fusly 1254 and had to lay out much money for the purpose, he never asked me in the present year to give any thing. Neither did I pay him any thing. This is what actually transpired and I say so in writing. I do not know who the Samastanums and Muddutgars and other men

Fort St. George 13th October 1845

may have given, I did not hear any thing of their having given money.

Hyfeyet delivered by Ramachendroodoo, Police Muddutgar. Fathers name Naugiah, Braman Caste, Religion long mark, age about 30 years dated 29th April 1845 Fusly 1254.

2 The Hyfeyets delivered by Hussain Mahomed son of Abdul Nabee late Police peon and by Duffadar Rungaraujo who are in attendance before the Cutchery will be read over to you, state the fact of what were the sums collected by you from different Rents and how much was paid to Bhasheyarloo and

and

and what sums have been appropriated to yourself.

A I have heard these 2 Peyfoyels, with respect to the transactions said to have been performed by me They to state that I have been acting as Muddatgar since these 2 months under the Sirkar but I was formerly a Volunteer what I heard them to say is as follows.

1. It is not true that the peons placed at the Ghautties at Cataveram, Irandetpaud & Coimbatore are paying to me annually their wages for two months they have but little paid me have I received these sums I was not a servant before 2 months ago I am Brother in law Bobbeli Pauty Venkatagerriah who is a Police Dubashdutgar in this Zurah being indisposed and I being a Volunteer was assisting him this being the case the Statement of the peons Mahomed as to the peons paying me their wages for 2 months annually is unworthy of Credit.

2 Nothing was paid this me to Setchel Lutchmiah late Ameen neither do I know he may have acted.

3. The Statement of Rungarauze Duffadar as to the payment of 26 Rupees made to Bhashyearloo Ameen this on account of wages of Gooty Bungaroo & Police

Police Naik and C. Bootchee Naikoodoo a lance Duffadar is true. I do not know what Rungarauze Duffadar spoke at first to Bungaroo Naikoo and Bootchee Naik. When he Rungarauze was going on Sirkar business, he said to me that Bungaroo Naik and Bootchee Naikoo will pay into my hands 26 Rupees the former 20 Rupees, and the latter 6 Rupees which sum I must carry and pay to Bashyearloo Ameen, the above 2 Servants accordingly paid into my hands 26 Rupees, and I went in Company with them, and having made them to stay before the Lodging of the ameen entered and gave 26 Rupees to Bashyearloo and on my return I told them that I had paid it. The payment of 26 Rupees was not made at once, I gave at first 20 Rupees of Bungaroo Naik and some days afterwards I paid 6 Rupees of Bootchee Naik, and there was no body present in the House of the Ameen when the Amount was paid but myself and Bhashyearloo. I do not recollect the dates on which the money was paid I think that the 1st payment was made about 6 or 6 Months ago and the 2nd about 4 months ago I do not know for what purpose the bribe was paid. I understood from hear-say that he asked them to defray the charges of Summabundy but I do not know the facts.

V.P.

4th With respect to 20 Rupees alleged to have been paid this me, to Bhuskeyaroo for his having procured the situation of Canny Immiahrandoo for his son, I have to state when he went to Cressan for the settlement in the Month of January 1814, Immiahrandoo who is old and infirm being unable to serve his son Sathumaroo acting for him Consequently the said Sathumaroo requested the Ameen to employ him in the place of his father by representing to the Gentlemen, and his father Immiahrandoo also requested that his situation may be given to his son, upon which he, the Ameen, said very well, and afterwards represented the above circumstance at Cressan to the then Collector Mr. Hartley who was pleased to say that he would comply with his request on addressing an arzee on the subject, whereupon he (the Ameen) came to Conjeveram without writing an arzee, and told Immiahrandoo to attend on his duties, and asked him for 30 Rupees the said Sathumaroo did not agree, and he said that he could not give the money and that he can carry on his livelihood by performing head work without a situation upon which he left Conjeveram to remonstrate with him and his father and said that

if no can retain the situation we can live any how, and afterwards he borrowed of me 20 Rupees on executing a Bond, and then he and his brother Sathumaroo both went to the House of the Ameen, and paid the money into my hands, afterwards I went inside and delivered the same, and returned and the Ameen having on the same day addressed an arzee an order was received to the effect of giving the father's situation to his son there was no person present inside but myself and Bhaskeyaroo when the money was paid to him.

5th In the Months of November 18th the Ameen having sent for me said that he had caused Tokarolah Beg Syed Mohadeen Saulby and Tenkayala Amarapah Peons attending at the Chauty of Mandepaud to pay by assessment 19 Rupees being their Salary for the Month of October on a Salary Nursoo a Police Peon this Soobiah Brother Sastroolo Head Mudduligar and also got a letter from Saulbeg to that effect and further desired me to ask and bring me Months Salary from each Peon at the other Chauties, upon which I replied that I had no occasion with the matter and that he should himself send for and ask them, thereupon he said that it is not good to send for them all here, and that I should proceed and bring the Money, if I did not go that I had no

occasion

occasion to attend to the business upon which I represented to him that if I went the Peons at the Ghauties would not pay me thereby being myself a Volunteer, and also said that they have not hitherto been accustomed to pay in this manner, upon which he himself desired me to go and bring from those who agreed to pay after this I proceeded to the Ghauties having asked and brought from them Peons and paid to Bhasheyarloo the Gratuities of which are as follows -

On account of Atchempett Ghaut

A Moiety of the Salary of Sirdar Cuttabomen Number 2 @ 4 " "
Do - Do of Do Meerpally - - - - 2 2 " 6 "
Full Salary of Dawn Chia a Peon at Ditto - - - - 4 "

Of Catavarum Ghaut -

Do Boopathy range Chelmah Range - - 5 " " "
Do of Mahomed Rawsen - - - - - 4 " "
Do of Ande Bantah Rawsen Do - - 4 " " 13 2
Salary of Sattumeary Canal Range @
Moloto Ramanayer 2 Peons attending at
the Ghauties of Purpagapettah Ditto and
Munnaultampettah - - - - - - 10 "
32 2

The above sum was brought and paid to
Bashyearloo by the said Peons - So the
Peons of Chinchin Coopum left the employ
at the Ghaut and Mr Oliver do not like
to give them back and for two months
apply to them the Peons at Atchempettah

not give them full salary but paid half - I told
Bhasheyarloo that he should himself send for the Peons as
Castabah Pondegah and Lue Naranga Garlapad and settle
with them and I paid only 32 Rupees -

6. In the Months of February 1815 I do not Know what
was the Message sent by Bashacarloo but he wrote a
letter to Sanoomiah Goomastah at Codloor Ghaut
to come down to the Tanah, and he being unable owing
to indisposition did not attend, but sent me word
to pay Bhasheyarloo 10 Rupees from his Salary
for 2 Months, and that he would afterwards
repay the same to me. I accordingly paid 10 Rs
to Basheyarloo, I fancy that Shroff Bonials
might have Known this transaction. I recovered
the above amount thro' Pakoorolahleg in two
Months at 5 Rupees a Month - I stated the truths
of what was paid thro me to Bhasheyarloo -

He late Ameen Sutchmiah did not act in
any thing thro my Agency, but the Peons placed
at the Ghauties neither paid me any thing for
my own purpose nor have I had occasion to
receive from them - I do not Know whether any
person suspected that the amount paid thro
me to the ameen might have been paid to
me Since the last 2 Months I have been employed
and am Conducting my duties with great care
and diligence without interfering with any

pecuniary

pecuniary transactions - He was formerly a Volunteer and performing duties under him -

2 Did the above Ameen Bashacarlo take any sums either from you or from your Brotherinlaw Vencatagerriah on account of charges of the Samabundy or for any other purpose?

A In the year preceding the last Vella Putchaiah asked us but we did not pay him any thing - Last year after the Settlement of Samabundy all the Servants paid to Bashacarlo each one or two Months Salary to defray the charges of Samabundy - Bashacarloo asked me and my Brotherinlaw Vencatagerriah to pay for the above purpose we replied that the amount of charges said to have been incurred for the Samabundy might be recovered from Peroomal Swamy and that we had no occasion to disburse any thing for the above object we being fed and suffering much though we are to the receipt of wages, yet without listening to our prayers he ordered me not to come to the Cutcherry but my Brotherinlaw who was discovered should come and perform the duty afterwards; which Carried and paid to Bhashacarlo accordingly - I paid one Months salary being Rupees two Fanam 12 4 after the settlement was

was over - This is all my Byfoyet -

2d The Byfoyet delivered by you will be read over, hear is it correct?

A I have heard, it is correctly as I have dictated -

2 For what purpose did you ask the Peons at the desire of Bhashyearloo?

A I went to the Peons and asked them to pay for the charges of Samabundy as for the Incamiage in the house of Ameen by informing them that we took one Months Salary from the Peons at Mandepaud Ghaut, and in the event of their not paying the Money they would be removed to another Station, whereupon they agreed and paid Seven Rupees & the above to them at the Request of

of

to Covvoopad and having sent for me said the
servants of the Tanah have subscribed each two
Months wages to meet the expenses of the Jum-

After the settlement fusly 1254 had been made the Ameen came to Coorapaud and asked me to give an Amt pay towards defraying the charges of Jummabundy. Having agreed I carried and paid 12 Rupees myself as I had then received my pay.

Q. State if you know, what were the sums paid to different persons out of the amount thus collected from you all for the Jummabundy expenses. Did you or did you not pay the Collector the sums that were thus collected from you?

A. On being asked to pay further sums incurred, I did so but am not aware what sums were paid to different persons, but it is a custom prevalent in this District to pay Peons and others who follow the Gunteman during the time of Jummabundy; and afterwards to collect that amount from the Ryots of the Land. As I also in conjunction with others paid accordingly, it did not appear necessary to report the same.

ameens Lutchmiah and Basheyacarloo any sum
of money Viz. in the present or Last year, or in
the year preceding to defray the expenses of Sum

A. After the settlement for fasly 12[5]
Vetcha Lutchmiah the Ameen came from Guny
jherry - 10 or 15 days after he sent for and asked
me to give one Months wages saying that a consid
-able sum was expended during the time of Summah

for one Month; whereupon I requested Muddoo Boorriah

to the Moolah. One Month afterwards when I saw

In fasly 1253 Vetcha Basheyacarloo Ameen sent

money is required - whereupon I represented to him
that I am poor and unable to pay 3 Months salary
but can give two Months wages to which he did
not agree, but asked me to give the amount of 3
Months

Fort St George 13th October 1845

Months salary - I considered that there would be
an animosity in the event of my not paying
the money to my superior, and I therefore consented
to do so. One Month after I paid 36 Rupees having
borrowed them from some body - there was nobody present
at that time - I gave the amount to Basheyacarloo
when he was alone sitting on a carpet in his
house - fifteen or twenty days after the settlement
for fasly 1254 was over the Ameen Basheyacarloo
having sent for me to his house asked me thus
"give one Months salary for this time" saying so
that all the servants were paying the Money required
to meet the expenses of the Summahbundy - I did
not say any thing but consented to give accordingly
thinking that it is not good for me to have an
enmity with him (who is powerful) and requested
Muddoo Boorriah Shroff to give to Basheyacarloo
my salary for December as soon as it is received
and went away afterwards - One Month after
when I went to Coapad Boorriah the Shroff in
-formed me that he paid 12 Rupees to the Ameen
this is all I know but I do not know what
the others gave him

Q. Did you not represent to the Collector
or to the Head Sheristadar, his having thus collected
from you the Money?

A. As I am an inferior servant and

12763. Fort St. George 13th October 1845.

and as Basheya carloo obtained the favor of Gentlemen and Cutcherry servants when he was Head Moonshee, I did not represent the matter for fear that there would be some injury done to my situation if I did any thing against him.

Q. Do you know how the Money collected from you for Summahlundy charges was expended?

A. I gave what was asked of me but I did not understand how it was afterwards expended this is my Lifeyet.

A. In Fusly 1252 the Ameen Vetcha Lutch-mah neither asked me for the Samabundy charges nor did I pay any thing on account of it. Vetcha Bhaushayacarloo Ameen asked me at the time of Samabundy for

for Fusly 1253 to give one months salary towards defraying the expenses of Samabundy, but I did not give it him saying that my salary is barely sufficient for my maintenance upon which he ordered me not to attend to per-form the Samabundy business and thereon engaged Somayazoola Sastroolo Head Muduty-gar and others. He likewise asked me at the time of Samabundy for Fusly 1254 but I told him that I would not give, he therefore engaged Sastroolo Head Mudduty-gar and others to do the Samabundy business without my inter-ference. It is unknown what he may have spoken to the servants of Muzzoor but caused my pay to be stopped for these 4 months past. I have represented what was thus done with me. The Samuttars Mudduty-gars came to me and said that the Ameen had been asking them in two years to give some thing from the amount of their wages to defray the charges of the Summabundy and requested what they ought to do on the subject, upon which I told them that they should not ask me but act according to their own Judgment, they have afterwards paid in the last and current years according to their abilities. Q. What is the cause of your not taking your pay since these 4 months past?

A. An order was issued in the month of January to stop my salary for having neglected to send the detailed accounts of Villages in July 1252 and all the above accounts were immediately forwarded in obedience thereto, yet no order has been given regarding my Salary & and I did not understand the cause thereof, but continued silent thinking that because I had refused to subscribe to the Jamabundy expenses, my Salary was stopped on that account without any authority.

A. I have heard. It is exactly as I have dictated.

Q. You are one of the Principal Servants of this Tauk receiving Salary for services rendered by you to the Circar and not for other purposes. this being the case, what is the cause of your having continued silent on an order being given you by the Ameen not to attend during the Jamabundy. Did you report or not to the Collector as soon as you understood the circumstance of his (Ameen's) having asked you and collected from others, and also of his having directed you not to interfere in the business of the settlement?

Kyfeyet delivered by Hussain Nohonmed a
Volunteer Peon aged about 25 Years son of
Abdul Nabee and inhabitant of Guntoor and
acting for a Noturpha Peon of Coorapaud dated
24th April 1815. Fusly 1251.

2 What is your Complaint.

A. When my father Abdul Nabee was Police Peon the
late Ameen Bashycarloo procured his dismissal
about 10 Months ago by writing an arzee in the
Case of the opening and re-sealing the letter to
the address of Atchemmah at Chintapilly. I beg to
state as follows the irregularity committed by the
said Bashycarloo and his father Lutchmiah while
they were Ameens, and the bribes extorted by them.

1 There are 4 Chowkies at the Frontiers
in the Jurisdiction of Coorapaud Tanah. Namely,
1 at Maudepaud, 1 at Chintapilly, 1 at Catanaram and
1 at Colloor. Shakroollah, Saulbeg and Syed Mohd.
deen have been employed at Maudepaud Ghaut since
10 or 12 Years and they also built Houses there.
Coopsey Lutchmendsoo has been employed since 2 Years at Chinta-
pilly. Nohonmed Kausim Frontier Peon and Annoola Soobliah
have been employed at Catanaram since 12 or 14 Years.
Toukayala Amaiah and Danoothkam have been
employed at Colloor Ghaut since 10 or 12 Years to Superintend
the above Peons. Hanoomiah has been employed as
Goomastah since 10 or 15 Years the above persons
have been accustomed to appropriate to themselves a
considerable sum of money out of the Amount Collected.

on

on account of Duties at Frontier by crediting a small sum to the account of Sirkar. The Ameen Lutchmiah and Basheycarloo having once sent for the above peons, extorted from them their wages for 3 Months, and allowed them to remain at the same Ghautie; this circumstance will be brought to light by the said Peons on their Lodges beeing taken. Moreover these Peons are in the habit of writing to Boorriah and Nagalingum, who are the Shroffs for their pay, and these Shroffs used to pay the same to the two Ameens this circumstance has thus transpired consequently they will reveal the fact on beeing questioned. Besides this the said Peons are in the habit of paying annually 2 Months wages to Police Muddulgar and 1 Months pay to Pungatauzy Head Duffadar thro the above Shroffs from whom it must be ascertained.

2. Aurekanty Naroo and Hutsyamkhan Police Peons have been placed at Pondigal Mullady and Cattalay for the purpose of collecting Sirkar Revenue and taking care of the Ghauties These two Peons are not attending to the Sirkar business but are conducting cultivation of lands having built houses in those Villages ceiving Lutchmiah and Basheycarloo extorted from the above Peons thro the Shroffs, 12 two years 3 Months salary annually by threatening to remove or have them employed in the conveyance of Tappals. 3. During the time of Lutchmiah a Police Peon named

named Sheik Boodden was deputed to Luckkarauze Gaudapaud for the purpose of collecting Revenue and taking care of the Ghauty the said Lutchmiah and Basheycarloo received from him in two Years at the rate of 3 Months Salary annually by allowing him to remain at that place.

4. Basheycarloo and Lutchmiah received 40 Rupees from Gopedassy Ramoodoo Vencalapatty and Nobeekaum / who were then Mohab Peons / for having promoted them to the Police establishment on a Salary of 5 Rupees as the Revenue peons situation is not permanent it being attached to the Zemindary Estate. Of the above 3 Peons Nobeekaum from his extreme poverty paid his share to the Shroff Borriah from his pay and Gopedassy Ramoodoo and Vencalapatty who are rich paid their share by themselves.

5. The Ameen Basheycarloo had also received thro' the shroffs one Months salary from all Police Peons for the purpose of performing the Marriage of his daughter, some of the above peons having represented that they were unable to pay the Amount required, the ameen threatened to remove them whereupon they paid the money from fear—

1. Sheik Mohoddeen. 1 Tandecondah Shaikandum.
1. Meerjaally 1 Aura Venkoo.

I am given to understand that these to gave the money

Money but I do not know what the others gave. The Shroff know every thing.

6. Bashyecarloo received 2 Months salary from Sourungoo Kristniah and Vydoola Soobboraydoo Samuldars of Comerapoody and Paulacoorgoo Inostatos for the purpose of meeting the expenses incurred by him during the time of Summabundy Settlement at Crossoor, and he likewise took from Pedoogoo Sastriah Samuldar of Parany, this Circumstance I understood when they were speaking together at Crossoor.

7. Goody Bungar Police Duffadar and on a salary of 10 Rupees stationed at Itchamapetta where he built a House and has been cultivating lands by professing Cattle and renting a Tamarind Tope since the last 6 Years. Lutchmiah having said that he would remove him from that place he gave 2 Months pay thro' the shroff Boorriah whereupon he was allowed to remain where he was. Bashyecarloo having sent for the said Bungaroo about 2 or 3 Months ago with the View of removing him thence he paid 2 Months Salary thro' the Shroff when Bashyecarloo was intending to send him back, in the mean time a Gang robbery was committed in the House of Moudapauty Soobbiah and

and he therefore ordered him to remain at Cassoo: bah until the robbers shall have been apprehended after which to send him back to Atchemmapettah this circum: stance must be ascertained thro' him Duffadar.

8. Chittoor Vengalapah Police Peon has been employed at Cudloor since the last 4 or 5 Years for the purpose of collecting Revenue and taking care of the Villages and Ghaunty, he built a house there and has engaged in agricultural pursuits he was called annually to the Tanah on the plea of being removed from thence. Bashyecarloo and Lutchmiah were in the habit of taking from him annually 3 Months wages and Runga: ranza Duffadar and Ramachendroodoo Police Muddutgar also took from him one Months Sala: ry the above sums were paid thro' Shroff Book: riah Vetcha Lutchmiah and Bhashyecarloo the late Ameens received bribes as above stated; they got my father who is poor and unable to pay bribes, dismissed unjustly by making false report. the Letter to the address of Atchemmah was opened and perused by Bashyecarloo. I therefore request your honor who is just will, after enquiry, be pleased to punish the persons who received bribes as above stated

the Charges of Summabundy or for any other purpose.

A. I was removed to this Tanah from Nursaraupettah on the 15th. March in Fasly 1254, four or five days after I came here Vetcha Bhasheyarloo was suspended I am therefore unacquainted with the former circumstances after I came here, he (Bhasheyatloo) neither asked me nor did I pay Money for the Charges of Summabundy.

2. What are the situations you held in different Tannahs, and how long since, and what were the sums paid by you to different Ameens in each year for the Summabundy.

A. In the month of October 1827 I came to this Zillah from Masulipatam and held the Bantullah Tanah for a period of 12 Years, Viz. 6 years as a Sayer Mudaliar, and 6 as a Mutsuddy Mudaliyar; I did not pay any thing during the above period to the Ameen on account of Summabundy Charges. I was afterwards removed from Bantullah to Nursaraupettah Tanah to the situation of Sammutdar which I held for a period of 6 years. At the time of the Summabundy Settlement of the Nursaraupettah Tanah about 3 months ago, the Ameen of the above Tanah by name Datchenauze Mungapilly Row sent me word through Vencatadoss Shroff of that Tanah that he had taken two months Salary from all the Sammutdars to defray the Charges of Samabundy and that I should also pay the same, whereupon I replied that as I am poor and encumbered with Children, I am unable to give the same altho' I said that I could not give

give the Money yet they having asked that I should give as all others did I agreed to give one Months Salary & Requested Cotta Venealadoss shroff / from whom I have been accustomed to borrow Money now and then / to give Rs. 12. 8. including sauderwar to the Ameen and recover the same from the Amount of my Salary for the Month of January. This I paid during the Jumabundy for Fusly 1254 but I did not give any thing before.

2. Did you not represent to the Collector the circumstances of collecting Money from you, and what was the cause of your giving in this year while you did not pay any thing before.

A. On being informed that all the warmuttahs paid for the Charges of Jummabundy I also gave and I did not represent the matter to the Gentleman thinking that it is not good to do so, as my superior asked me to give the Money to defray the Charges of Jummabundy.

I am directed by the Board of Revenue to acknowledge the receipt of Mr. White's letter of the 20th Ultimo forwarding copies of a communication from the Commissioner and of its enclosures on the subject of the irregularities committed by Vetcha Bacha Carloo the suspended Ameen of the Talook of Coorupaud, and requesting, for stated reasons, the Board's Sanction for dismissing that Officer from his situation.-

2. In reply I am instructed to state that there appears to be strong presumptive evidence in the document furnished with the above Correspondence of the guilt of the accused.- The Board however find it stated in a petition subsequently presented by Bacha Carloo that he has had no means of knowing the nature of the Charges and evidence brought against him in the investigation held before the Commissioner, or subsequently; previously therefore to issuing their final orders upon the subject they request that you will afford the Ameen an opportunity of making himself fully acquainted with the instances of misconduct with

Read Letter from the Collector of Bellary dated 18th August 1845 reporting on the case of the Shasildar of the Codecondah Talook in Bellary:-

Enclosures in letter from Bellary 17th December 1844 - Rd. 6th Jany. 1846:

Read also the Appeal Petition of Sooba Row Shasildar of Codecondah dated 12th November 1844:-

Proceedings thereon:-

(Here enter Pp. 1-7.)

Directing the removal from office of Sooba Row Shasildar of the Codecondah Talook in the District of Bellary and stating that the fine of Rs. 1000 should be returned to the Shasildar in the event of its having been collected from him.-

The charge brought against Sooba Row, Shasildar of Codecondah is that he has, at various times, by agents kept by him for that purpose, exacted from the Villagers and other inhabitants of his taluk the sum of Rupees 2768-4-0. The Sub Collector before whom, after trial of the case took place, has found the Shasildar guilty of exaction to the extent of Rupees 1875-2-8 and has in consequence sentenced him to pay a fine of Rupees 1000 with removal from his Situation, disqualifying him at the same time from being entertained in Government employ for a period of three years.-

2. The Collector, however in his review

Fort St. George 13th October 1845

of the record of the case is of opinion that Mr. Pelly's decision cannot be confirmed, and for the reasons assigned by him in para 5 of his report, the Board concur in thinking with him that that decision should be set aside on the grounds of informality in the Proceedings, and the fine of 1000 Rupees should be returned to the Shasildar in the event of its having been collected from him.-

3. Mr. Mellor has stated that he shall have no objection to restore Sooba Row should the Board think proper - but as he has shewn that it is proved that Sooba Row, on his behalf, presents of Money from Villages and individuals, the Board are of opinion that he is unworthy of confidence, and should be removed from Office.-

Ordered also that the following Endorsement be passed on appeal Petition from Sooba Row late Shasildar of Codecondah.-

The Board, after a careful perusal of the Proceedings held in this case, have seen cause to set aside the decision of the Sub Collector on the grounds of informality, and to direct that the fine

fine of 1000 Rupees imposed on appellant - if already paid, should be refunded to him - As however it has been proved that the Petitioner retained persons in his confidence who received on his behalf presents of money from Villages and individuals, the Board have ordered his dismissal from his late Office:-

Read again letter from the Acting Collector of Cuddapah dated 6th August last and entered in Consultation 8th Instant.

Ordered that the following letter be sent in reply.

To

The Collector of
Cuddapah

Sir,

To the Asst Collr of Cuddapah

Para. 1.

I am directed by the Board of Revenue to acknowledge the receipt of your letter of the 6th August last, affording explanation in respect to the Curnums of Cundeekoon in the Studdum-pully Talook of your District.-

Directing that in all occasions on which Village Servants may be dismissed such dismissal shall invariably involve forfeiture of all their official emoluments whatever descriptions which are to be transferred to the parties appointed in their room and stating that the principle should be applied in the case of the Curnums of Cundeekoon referred to in his letter of the 6th August last.

2. In Para 1 of your letter you state that, "in this case of concealment of cultivation the Summabundy accounts had not been actually given in at the time the excess of Cultivation was discovered by the lands having been examined, though the settlement of the Talook was being carried on, and that you did not therefore consider the Curnums fully convicted

convicted of the offence." If you did not consider the offence to be sufficiently established, it does not appear why you should have convicted the Curnums and punished them both with fine under Regulation IX of 1822 and further with dismissal from their Offices. It seems to the Board however that the offence in their case must be considered as being complete. The Monthly accounts of Cultivation must clearly be regarded as "Public Accounts" and the omission to enter in these accounts lands of such an extent and under such circumstances as to leave no doubt in your mind as to the fraudulent intent of the Curnums would fully warrant their conviction and punishment under the Regulation. There can be no question that the lands excluded from the Monthly accounts would also have been omitted from those of the Summabundy, one omission being merely preliminary to the other.

3. In Para 2 you explain that "in punishing Parties tried for offences under Regulation IX of 1822 you are guided by the number of Co-sharers there are of the Inneraffy and the shares they respectively enjoy, and in dismissing them do not generally deprive them of their hereditary emoluments, at the same time except when there are no other Co-sharers, and it is necessary to appoint Circar Gomastahs, or when the Shares of the Gyre Mirsul Merasidars are trifling and insufficient, as a remuneration to those appointed

to

to succeed; in both which cases the late Incumbent must of course be deprived of their Emoluments in whole or in part to meet existing exigencies, and unless they have been previously found guilty and punished for the same offence." Upon this the Board instruct me to state that they are unable to perceive the force of the distinctions thus taken. By Regulation VI of 1831 emoluments from land or other sources annexed by the State to hereditary Village Officers are declared inalienable from such officers by mortgage, sale, gift or otherwise. The Board are aware that the principle thus laid down has been extensively departed from in Cuddapah, and that the abuse is so general in that District that it can only be remedied gradually and with caution. In cases however where Merassidars have been removed from their office for misconduct, there can be no doubt that the Regulation should be strictly applied, and the Board therefore direct that on all occasions on which Village Servants may be dismissed, such dismissal shall invariably involve forfeiture of all their Official emoluments of whatever description, which are to be transferred to the parties appointed in their room. Under this application of this principle in the present case the arrangement proposed in the 4th Para of your letter for transferring 1/8 share from Parummal to Hasanabba will not be necessary, as this latter individual will receive the full or 1/8 share enjoyed by the lately dismissed Venkatramanah, which will be sufficient remuneration for his

Sir,

To the Chief Secy to Government

Reporting on the subject of an application made by the French Govt for the exemption of certain articles from frontier duty on import into the settlement of Yanam and stating whatever measure be determined on should be made general and extended to the other French settlement —

Read 24 Octr 1845

I am directed by the Board of Revenue to acknowledge the receipt of an Order of Government No 829 14th July 1845 referring for their report a letter with enclosures from the Officer in charge of the Special Agents Department on the subject of an application made by the French Government for the exemption of certain articles from Frontier duty on import into the Settlement of Yanam. —

2 From this the Board perceive that the articles referred to by His Excellency the Governor of the French Settlements in India were prior to the passing of Act VI 1844 allowed free entry into Yanam. but that subsequently the Authorities of Rajahmundry considering that the terms of that enactment left them no discretion, have subjected these articles to the usual Frontier export duty. The same commodities with a few exceptions were also exempt from Frontier duty on their export from the District of South Arcot into the Pondicherry territory previous to the passing of the same act, and it would appear that no change has since been made in that respect at the South Arcot Frontier Chowkies. The Special Agent now requests to be informed whether

whether this indulgence as far as it has hitherto been in force on the Pondecherry Frontier is to be continued, and whether it should also be extended to the settlement of Yanaon.

3. The articles alluded to which are specified in the list No 2 in the letter from the Acting Collector of Rajahmundry of 31st May last, consist of fruits, vegetables, building Materials &c intended principally for the use and consumption of the poorer classes and not for export by Sea. The total amount of the duties upon these articles on export by Yanaon is estimated at only Rupees 429-10-3 per Annum what amount is would be realized from them if subjected henceforth to duty on export to the Pondecherry Territory cannot be known - as with the exceptions these commodities have not hitherto paid duty on export to that Settlement, and the quantity exported cannot therefore be ascertained from the Sayer accounts. —

Enclosure letter from Government 14th July in Com. 21st Augt. 1845.

4 Independently of the articles above referred to, it would seem that Arrack and Toddy have until recently been exempt from duty on their entering into Yanaon in virtue of some presumed arrangement between the two Governments or the local Authorities but as no traces of such an agreement are to be found in the records of the Special Agent's Office the Board think with Mr Davis that there can be no reason whatever for such an indulgence. Toddy appears to have been already subjected to duty by the Acting Collector of Rajahmundry, the levy of duty on Arrack was suspended by that Office until the receipt of further instructions. The Board recommend that duty be imposed on Arrack also. —

The

Fort St Georg 13th October 1845.

5. The Board are of opinion that considering the nature of the articles entered in Mr Bird's list, these may with propriety be permitted to pass free of duty into the territories both of Pondecherry and Yanaon. The Special Agent has indeed observed that the items No 11 — 13. 14 & 15 should be charged with duty because they have hitherto been liable to it on entry into Pondecherry. It appears to the Board to be of little moment whether the practice in Rajahmundry in regard to those articles be assimilated to that of South Arcot or vice versa. the commodities alluded to are of small value and the revenue realized from them would be inconsiderable. Whatever measure be determined on should however be made general and extended to the other French Settlements Mahe and Carical. From the accompanying letter from the Collector of Sanjore it will be seen that no articles whatever are at present exempted from duty on passing from his District into Carical. but that the amount levied on the articles mentioned by the Acting Collector of Rajahmundry is very inconsiderable. No answer has yet been received to the reference made by the Board to the Collector of Malabar, and it has not been deemed proper to delay this report until it's receipt. —

3rd in Com. 13th Octr 1845.

21st Augt. 1845.

6. The observations contained in Paras 8 and 9 of the letter of the acting Collector of Rajahmundry appear to the Board to be deserving of attention. It will be seen that the Net amount of the duties on the Yanaon Frontier will under any circumstances be so trifling that if the French Government would consent to forego the privilege of a Sea Port at that place for which it seems little adapted it may be preferable to surrender the small amount of revenue to be expected for those duties rather than leave room for those ill effects which all restrictions upon Trade must in some measure occasion. —

whether this indulgence as far as it has hitherto been in force on the Pondecherry Frontier is to be continued, and whether it should also be extended to the settlement of Yanam.

3. The articles alluded to which are specified in the list No 2 in the letter from the Acting Collector of Rajahmundry of 31st May last, consist of fruits, vegetables, building Materials &c intended principally for the use and consumption of the poorer classes and not for export by Sea. The total amount of the duties upon these Articles on export by Yanam is estimated at only Rupees 129-10-8 per Annum what amount is would be realized from them if subjected henceforth to duty on export to the Pondecherry Territory cannot be known as with A exceptions these commodities have not hitherto paid duty on export to that Settlement, and the quantity exported cannot therefore be ascertained from the Sayer accounts.—

Enclosure letter from Government 4th Sept. in Revs 21st Augt. 1845.

4. Independently of the Articles above referred to, it would seem that Arrack and Toddy have until recently been exempt from duty on their entering into Yanam in virtue of some presumed arrangement between the two Governments or the local Authorities but as no traces of such an agreement are to be found in the records of the Special Agents Office the Board think with Mr Davis that there can be no reason whatever for such an indulgence. Toddy appears to have been already subjected to duty by the Acting Collector of Rajahmundry the levy of duty on Arrack was suspended by that Officer until the receipt of further instructions. The Board recommend that duty be imposed on Arrack also.—

The

Fort St Georg 13th October 1845.

5. The Board are of opinion that considering the nature of the articles entered in Mr Bird's list, these may with propriety be permitted to pass free of duty into the territories both of Pondecherry and Yanam. The Special Agent has indeed observed that the items No 11—13-14 & 15 should be charged with duty because they have hitherto been liable to it on entry into Pondecherry. It appears to the Board to be of little moment whether the practice in Rajahmundry in regard to those articles be assimilated to that of South Arcot or vice versa. the commodities alluded to are of small value and the revenue realized from them would be inconsiderable. Whatever measure be determined on should however be made general and extended to the other French Settlements Mahi and Carical. From the accompanying letter from the Collector of Tanjore it will be seen that no articles whatever are at present exempted from duty on passing from his District into Carical but that the amount levied on the Articles mentioned by the Acting Collector of Rajahmundry is very inconsiderable. No answer has yet been received to the reference made by the Board to the Collector of Malabar, and it has not been deemed proper to delay this report until its receipt.—

25th Augt. 1845.

6. The observations contained in Paras 8 and 9 of the letter of the acting Collector of Rajahmundry appear to the Board to be deserving of attention. It will be seen that the Net amount of the duties on the Yanam Frontier will under any circumstances be so trifling that if the French Government would consent to forego the privilege of a Sea Port at that place for which it seems little adapted it may be preferable to surrender the small amount of revenue to be expected for those duties rather than leave room for those ill effects which all restrictions upon Trade must in some measure occasion.—

3. The amount of the balance shewn in the Monthly account of Demand Collection and Balance sent to the Board at the close of fusly 1254 is Rupees 78438 — 14 — which being less than the amount now entered in the Statements in the sum of Rupees 3 — 11 — 10, which difference is occasioned by the erroneous entry of that sum in the Ain accounts instead of the Sevai Summah extraordinary revenue. — I have

4. I have divided the balances into the following classes—

6 — 1st Item. Of the recoverable balance Rupees 770 — 9 — 11. have been collected and the remainder Rupees 820 will be collected shortly. —

2d Item. The individuals who owe these balances all possess lands. I have therefore classed them as recoverable by the sale of lands. but in point of fact the recovery of them is extremely problematical. the lands must be exposed to sale. a great portion of them would remain undisposed and the entire arrangement necessary to adjust the balance will occupy two or three years and so seriously interfere with the current duties of the Collector, that I doubt whether he would be able to conduct them without additional assistance. Because supposing even that purchasers could be found the transfer of so much landed property would be productive of the greatest distress to the present proprietors whose embarrassments have been entirely brought about by adverse circumstances over which they had no control.

The

6. The headings of the clases Nº 3-5-6-7-8-9 and 10 are sufficiently explanatary, but further remarks will be found opposite the name of each individual in the detailed Statement. The balances included under these heads are wholly irrecoverable.———

7. In the last or 11th class is included the difference between the proceeds of the grain seized in hopes of satisfying the Circar demand in fusly 1251 and the Assessment of the lands of certain Ryots who in fusly 1251 refused to receive puttahs. The circumstances under which the method of proceeding was forced upon me were fully set forth in my Summabundy report of the season dated 22nd September 1842 and are commented on in the Extract from the Board's Proceedings dated 6th April 1843 para 10, and are Copied in the Margin.

8. It will thus be seen that of the total amount of the balances Viz. Rs. 78442-9-10. Rs. 23095-7-9½ are

Para 10 The Ryots of the 26 Villages here alluded to acted under an erroneous impression in supposing that the refusal to take their Puttahs exempted them from the usual demand. The Puttah is intended mainly for the protection of the Ryot from unauthorized exactions by furnishing him with a document derived from a competent authority to which he can always appeal for an exposition of his exact liabilities. These are incurred solely

solely by the occupation of the land and are neither conveyed or enhanced by the act of receiving the Puttah. If he has any complaint to make against the Demand therein entered the proper course is to Petition the Controlling authorities for redress. In the present case the Meerasdars pursued no such course. Their objections do not seem to have been directed against the amount or details of the assessment as had been surmised, but against the very principle on which it is founded. The proper Course for the Collector would have been to have held them to their obligations and to have enforced the demand according to Regulation. The plan of taking lands under the direct control of the public Officers as formerly observed is objectionable in principle and must be attended with failure. This has happened in these Villages in some instances to a large extent — In Moorcoor of which the full Beriz is 1436 Rs produce of the Value of Rs. 870 only was seized, and of that not more than 337 were realized. In Shattanoor with a Beriz of 1534 Rs. 863 were seized 554 only realized, and the evasion thus successfully practiced will not improbably induce others to attempt the same plan. The Board concur with Mr. Onslow in thinking that the contumacy of the Meerasdars called for an example. This would have been accomplished by enforcing the

are altogether irrecoverable. Rupees 1590-9-11. are easily recoverable and Rupees 53756-8-1½ Cannot be pronounced absolutely irrecoverable because they are due on lands which it has not yet been attempted to sell. In the latter sum moreover are included Rupees 21434-11-8½ suspended under the orders of the Board for the repayment of which the defaulters have given their Moochilkahs &c. but I feel constrained to

12818 Fort St George 13th October 1845-

the demand as suggested: They have now been relieved from their responsibility by the act of the Officers of Government in professedly taking possession of their whole produce and the legality of the source suggested in Para 34 seems now open to doubt. The Board would prefer an adherence to the more regular practice— to submit my opinion that to insist upon realizing any portion of the demand except the small sum of Rs 50 as recoverable will only be to protract a state of embarrassment. The arrears have accrued under circumstances which loudly call for indulgence an unprecedently lengthened depression of the grain market— and the fact of 31 lots of land having been ineffectually exposed to sale during fusly 1254 A.D. 1844-45. sufficiently exemplifies the difficulty which may be expected in recovering the balances in question. It will be observed that the balances included under the head of "suspended" do not bear a regular proportion to the extent of each holding. They were in fact allowed to stand over in cases in which the necessity of the individual rendered their Collection at the time impossible.—

9. I will permit myself to offer a few observations on the subject of the 11th class of balances the difference between the proceeds of the grain seized and the assessment

12819. Fort St George 13th October 1845

assessment in 26 Villages— I have said that the mode of proceeding in question was forced upon me— I was in truth extremely reluctant to adopt it for as on the frequent expression of my opinion on the subject in my several Reports will show, I was fully alive to the objectionable nature of what is termed the "Amanie" System and had resolved on using my endeavours to put it down in which I have now most thoroughly succeeded— but in fusly 1251. I had no alternative but to adopt the Course I did— on determining not to yield to the clamour of the Ryots and the prejudices of the Cutcherry, no arrangements were made at the Commencement of the season to provide for Amany management and it was not till the season was far advanced and when I returned to the District after an absence of 6 weeks in consequence of a severe illness which overtook me while in the prosecution of my duty, that I found myself obliged to adopt some decisive measure in order to secure the Circar Revenues and I have no hesitation in saying that had I omitted to take possession of the grain in the manner I did the balance must have been much larger—

Fort St. George 13th October 1845

larger for the grain would have been made away with entirely before I would have attached in proper for the lands and property of all the recusant Ryots, which, even had I taken possession of them, I should have been altogether unable to dispose of. These reasons will, I trust plead a sufficient excuse for my proceedings and the determination which the Board have shown to adhere to the powers vested in them by the regulations to expose the lands of defaulters will perhaps be sufficient to deter the Ryots from a repetition of their contumacious conduct. I must further observe that all in my desire to vindicate the rights of Government and to withstand the effects of an improper Combination on the part of the Ryots. I made little allowance for their behaviour, I am now bound to say that the circumstances of the season were such as would have justified them in seeking the assistance of Government had they done so in a becoming manner.

10 The Villages in question, it must also be admitted are the most remote from the Source of irrigation and their situation renders it more difficult to keep

Fort St. George 13th October 1845

a due supply of water to irrigate their lands than is the Case with respect to the generality of the Villages but the Ryots certainly take the greatest possible advantage for this circumstance to advance their pretensions to remissions and as every allowance is of course made by the Collector at the proper time for deficiencies in the supply of water they cannot be considered guiltless of using improper means to attain their ends but a strict adherence in future to the terms under which they hold their lands must be observed.

11. The Statements A B C. D. and E are prepared in Conformity with the Boards orders and will it is hoped supply the requisite information.

1. The contested ground situated within the following boundary Viz. South of Astaletahemy Muntapam of Meenatched Ummen Sunnadhi, in the east Chettie Vedhi of Madura west of the above street and a Bazar North of the house ground of Balacoobramanea Iyen and east of the wall of the Pagoda; being ancestral property of Soobarow and Vencata Row residents of Terooparagoondum and Samayanittoor, their ancestors had, with a view of appropriating it for their lodging and for use of Chattrom Vea raised a substantial building of 14 ungenoms, about 100 years ago, with Brick and stone, and a well of brick and chunam at considerable expence and established the Charity of distributing rice and after living in it for a few years departed this life. Afterwards their two heirs abovenamed built in it 10 thatched unganoms

unganoms, which, with the other 14. terraced unganoms, they had Mortgaged and even lived in themselves for many years.

2. Meantime, the abovenamed Sooba Rao and Vencata Rao who are Brothers, Mortgaged to me each of their shares of the house ground in question, for 160 and 200 Rupees respectively and passed separate Bonds, both written by the latter, on two stamp Cadjans of 8 annas value, each at 2 o'clock P. M. of the 29th anvany / 12th September 1844 at Meenatched Ummon Sunnadhi Vedhi, authorizing my enjoyment of them, for 10 years in lieu of interest, and upon my repayment of the principal amount on the 30th Chittra of the 11th year upon this I repaired the terraced and thatched parts, roofing the latter with coco leaves at the expence of 200 Rupees and continue to enjoy it, on mortgage tenure, from the date of the Bonds by holding in it shop of Cloths Vea.

3. In consequence of the 2d Defendant having on the 19th Vyasee of Veroovavasoo / 30th May of 1845 come to the ground in question accompanied by the Cutwal and others of Madura, and published a general proclamation that the building as well as the adjacent

house

house grounds situated west of it, were to be knocked down and levelled within 10 days, the abovesaid two owners of the disputed grounds in Concert with certain others, as well as myself and the undermentioned Soondrum pilly, separately complained to the 1.st Defendant on the 31.st ult.o Vysack and 2.nd June respectively of that year, and were expecting a favorable order. Mean time the 2.nd Defendant and others, under an alleged order of the 1.st for removal of all houses west of the street, sent for Soondrum pilly partner in Trade, and Sooba Rao the owner of the disputed ground, on the 6.th Sept.r and insisted upon them thro' the Duvas-tanam Peshcar, Venkatarao, to Knock down the whole of the building in question but not consenting to, the 2.nd Defendant openly declared, that within 10 Days from that date, he would have it pulled down, and added to the Street; and accordingly attempted to have his design effected. This being an act of compulsion contrary to the Regulations and equity, and because on the 11.th ult.o Aany 23.rd June of the current year an agreement was passed to 2nd, at 10 A.M. on a stamped Cadjan of 8 annas value by Sooba Rao, both in his name and in that

of his brother, Vencata Rao, absent from the Country, authorizing me to institute a suit on right of Mortgage, against all Defendants attempting to Knock down the house in question, and because in event of the house being pulled down by the Defendants, I shall be the loser of the Mortgage money & of the sum expended towards its repair, and also because 6 years remain before the term of Mortgage will expire, I institute this suit against the Defendants.

I therefore request the Court to prohibit Defendants from adding to the street the disputed ground valued at 120 Rupees, and situated within the boundaries specified above, and from pulling down 14 terraced, and 10 thatched, Urganams of Cocoaleaves, and a well of Brick and stone, valued at 1400-20 and 50 Rupees respectively, and allowing my enjoyment of them, as well as of the ground according to the Deed of Mortgage alluded to above.

Proposed answer to plaint in Original Suit

12957 Fort St. George 13th October 1845.

Suit No. 42 of 1845 on the file of the Subordinate Court Madura.

1. In answer to the plaint that Vencat Rao and Sooba Rao are sharers of the so called house and ground under litigation, and that they have mortgaged their respective shares to the Plaintiff and passed him separate deeds, the 1st Defendant begs to observe that in such case they should bring separate, or an united suit for the recovery of the Plaintiff, acknowledging himself to be only mortgagee is not competent to supply their place, except with a power of Attorney on their behalf; and supposing the Plaintiff did really obtain a document from Sooba Rao on a stamped Cadjan of 8 annas value authorizing him to institute the suit for Vencat Rao, also absent from home, such a document cannot be sufficient, since it is acknowledged to have been passed by Sooba Rao alone, whose right is admitted to be confined to half a share only. However the building in question tho used as a house was not in part originally meant for one nor have the Plaintiff or the mortgagee any right to it.

2. The Carnatic rulers of this Country erected two stories Muntapoms of which the building in question is one

one on each side of the Astatatamie Muntapom, or grand entrance into the Meenatchee Pagoda, for accommodation of Native priests and others assembling from different quarters, with gate ways and steps leading thereto from the inside of the Pagoda - a most satisfactory prima facie proof that they are public buildings, and not the personal property of any one; many private individuals of Madura as well as the Government (the latter for security of supplies for the garison &c.) have occupied public Muntapoms without obtaining any private right to them therefrom and have frequently from time to time abandoned them on demand to their originally intended purpose. In like manner the ancestors of Sooba Rao and Vencat Rao thro their authority as Peshcar &c. of the Pagoda, appropriated to their own use the Muntapom in question, but this cannot however give them any personal and exclusive claim to it; and the absence of external Communications facing the street shews clearly it could not have been originally intended for a private lodging whilst its internal

Communicati

12959 Fort St. George 13th October 1845.

Communication with the Pagoda Attendants concerned the inducements of the 1st Defendant on behalf of Government to restore to the public the building in question from its present misappropriation to the object contemplated by the original donor.

3.

The building in question has one of its sides formed by the lofty Enclosure wall of the Meenatchi Pagoda, whilst its front and only entrance was by the entrance into the Pagoda as before shewn; and the misappropriators have from time to time added chattahs buildings and offices Converting [illegible] dwelling place, by further clandestine encroachments on the Street, or way running round the whole pagoda; and whilst thus recovering to the Pagoda its handsome Mantapam, and its clearing the space around from injurious and clandestinely made incumbrances, the 1st Defendant did not fail to endeavour to make his act of recovery fall as lightly on the party Concerned as possible, in offering them other land of equal extent in lieu of it, and Compensation for the extra chattahs buildings; but his offers being refused he thereto the Court may be of opinion he has not exceeded his authority in endeavouring to regain its rights for the public nor that he has exerted that authority with severity.

The 2nd Defendant acting under the general, not particular orders of the 1st is not responsible in this suit.

particulars.—

The Gentleman had no authority or fair pretext to command the attendance of me, the Manager and Head of Police of such a large Zemindary; nor was I bound to obey him especially when engaged in examination of a Police Complaint; yet in fear of greater indignities being put upon me if I delayed obedience to his behests, after being ordered to be lugged before him by the ears and after his personal appearances, I went to him, and after answering his questions about the key of the Jail, he spoke to me in a most disrespectful manner and said that my refusal to attend to his first call had obliged him to compel my attendance by a guard of Sepoys, which was in his opinion a sufficient punishment for me. he added that neglect to attend to his orders would be punished even tho' at the trouble of placing a guard over me for 8 days together a fact ascertainable by reference to the deposition of the Duffadar on my Establishment.—

In consequence of his having, without Cause, treated me, a respectable functionary, in such a disrespectful manner, I request you will be good enough to take every necessary step to make the Gentleman mindful, how he ought to

to deal with me in future, and procure his removal from this garrison, there being every probability of his creating anew similar disturbances, which might end seriously should he be allowed to remain here any more; and relieve me from the disgrace I have been exposed to —

Secretary to the

Board of Revenue

Fort St. George.

Sir

I have the honor to report on the result of the Settlement of the extra Sources of Revenue of this District for fusly 1254 and to forward — a.d. 1844-45

the usual Statements therewith connected. —

It is satisfactory to observe that the Collections realized from the Sales of Salt during the year under report have exceeded those of the preceding fusly by Rupees 31,868-12-10 — and stand the highest of all the previous years revenue on record.

3. The quantity of Salt sold in Fusly 1254 at Typaur, Arasandy, Palaveed, and Coolangaya-patam, have exceeded that sold in the previous year by Garces 346-166 — This Increase is owing to old Salt having been sold to some extent — in Fusly 1254 / a.d. 1844-45 in the above said Chambers and none in the previous fusly — up to 12th April 1844. Salt was sold at 105 Rupees per Garce but afterwards up to the end of fusly 1253 / a.d. 1843-44 it was sold at the

enhanced rate of 180 Rupees, whereas in Fusly 12[illegible] the price has been 180 Rupees upto 21st August 1844 and subsequently 120 Rupees per Garce — The Increase on the rate of price and that on the quantity of salt sold in the above said Chowkies has produced a corresponding Increase in the Revenue at those Chowkies of Rupees 4,6,10-14-10 to which the increase of Rs 651-3-1 arising only from the salt having been sold at the Pans of Vezeiapatnam (the enhanced rate of price and not from a greater quantity) being added the total Increase comes to Rupees 4,6,62-1-11. From which the decrease in the Manufactorium, Coolpatam, and Tutacorin Depots amounting to Rupees 14,793-5 being deducted, the net Increase comes to 31868-6

† Vide Bd's Proceedings dated 13th August 1844.

10- The Decrease in the first 2 Depots is owing to there having been no old salt in store, and the Sales having been in consequence at a stand for some time in Fusly 1254. A.D. 1844-45 That in the last mentioned Depot has not arisen from the above cause, but is owing to most of the salt Merchants who in Fusly 1253 A.D. 1843-44 came and purchased salt at Tutacorin in consequence of the suspension of Sales at Veypaur &c. not having done so in Fusly 1254. 5 The decrease in the charges of fusly 1254 below that of the previous fusly has arisen chiefly from decrease in the quantity of salt manufactured in fusly 1254 and the consequent decrease in the payment of Coodeemarum as also from the charges of fusly 1254 not having comprised payment on account of Repairs of Cottpar Mercals as has been the case in the preceding fusly.—

The Collections under this Head have produced an Increase above those of the past fusly of Rupees 101,666-14-5 as noted in the margin — This increase arises from duty on Cotton exported to Madras having been levied only for one Month in Fusly 1253 a-D/1843-44 and for the entire period in Fusly 1254 a-D/1844-45. also from an Increase in the exportation of the same article to China above last year. The demand under this Head has fallen short of the amount of Fusly 1253 A.D. 1843-44 by Rupees 605-0 caused by decreased biddings for the rents of Arrack and Toddy. From

Fort St. George 13th October 1845-

24. From the above Statement it will be observed that the demand on account of the Extra Sources of Revenue for fusly 1254 A.D. 1844-45 is Rupees 27,744-11 over and above the amount of the previous fusly, and that the Collections within the fusly amounting to Rupees 6,92,002-4-5 are Rupees 25,749-6-6 in excess of the collections of fusly 1253 A.D. 1843-44 and that the Decrease in the charges for the year under review has been occasioned chiefly by Decrease in the payment of Goodeswarum consequent on a less quantity of salt having been manufactured in the last than in the previous year.- The balance at the end of fusly 1254 A.D. 1844-45 is Rupees 6,106-14-9 or more than that of the previous fusly by Rupees 1,994-10-5- The subsequent collections have reduced the said balance to Rupees 5,013-3-11- ×up to 15th Instant

25. I would beg the Board's orders on a new subject, for my guidance, namely, as to whether any tax, and what, is to be laid on the various Cotton Screw Houses now existing and in course of erection, in the District of Tuticorin and its vicinity, or whether they are to be entirely exempted - as they are the sources of very large mercantile profits, and all other Buildings (whether as Warehouses or otherwise) of Native Merchants are liable to a tax, as well as the goods stored in them on exportation.

to

Fort St. George 13th October 1845.

I do not feel justified without the Board's sanction in remitting all tax from the Cotton Screws. The Pundakashalies (or large native warehouses or Stores) along the Coast, should pay from 5 to 50 Rupees each as proposed in para 13 of a report from this office dated 14th December 1843, and on which I have received no orders; and in regard to profit any Cotton Screw will of course very much exceed them in value and profitable return. There are now at Work 7 Screws, and several more in course of erection besides others it is believed in contemplation; according to European Powers of Agency by whom the tax would of course not be felt and perhaps it would seem invidious and unfair to tax the Native Merchant, and not the European one.

26. Of the sum of Rupees 3,013-3-11 stated in the latter end of Para 24 of the Report as remaining to be collected on account of fusly 1254 Rupees 20-14-4 are recoverable the sum due by certain cultivating Ryots have been erroneously charged with, but subsequently on examination found to be the same. For writing off to "Profit & Loss" this sum, as also Rupees 5-10-2 on account of fusly 1252. and which the

in the Report of fusly 1243 as doubtful has been since reported irrecoverable, I have the honor to request you will be pleased to procure the Sanction of Government.—

Order thereon.

(34-35) Ordered to be brought forward at a future meeting.

Read again letter from the Principal Collector of Coimbatore dated 17th ultimo and entered in Consultation 9th Instant.

Ordered that the following letter be sent in reply.

To

The Principal Collector of Coimbatore.

To the Pl. Collr. of Coimbatore.

Proceedings 2d July.

(36) Sir,

I am directed by the Board of Revenue to acknowledge the receipt of your letter of the 17th ultimo forwarding a revised Statement of the offers for the Atkarry Farms in your District for fusly 1255 showing an increase of Rupees 45 above the amount exhibited in the statement which accompanied your letter of the 13th June last also requesting the Board's instructions in regard to the Atkarry Farms of the Wairaperry Hills which has hitherto been exempt from the operation of the rule authorizing the levy of interest at the rate of 6 per Cent per annum on the outstanding portion of the revenue due by the Renters.

2. In reply to the first part of your letter under acknowledgement I am directed to state that the Board having already confirmed the sales of the Atkarry Farms in your District for fusly 1255 at the rates entered in the Statement which accompanied your letter of 13th June last do not feel themselves authorized to sanction the acceptance of the higher offer now tendered for the Andoor Farm.

3. In regard to the para 3 of your letter I am instructed to state that the Board see no reason why the Outcaramund Farm should form an exception to the rule which applies to all the other farms of the District and they therefore direct that interest be charged at the usual rate on any Rents which ought to be discharged by the Renters on the date at which they become due. A stipulation to that effect should further be entered if it is not now inserted in the Renters Cowle and Munchilka as directed by the Board in their Circular of 17th December 1835.

4. The alterations proposed in the number of arrack Shops and Stills as specified in the Memorandum which accompanies your letter are approved.
