From the Ag Collector of Tanjore — Sir,

Board's Proceedings 2d Dec. 1850 No. 40147.

Adverting to the rules in force for the grant of a bonus in commutation of a pension irrespective of its amount, — I have the honor to transmit a statement shewing that 21 individuals, now in the enjoyment of certain allowances for life, are willing to accept on the aggregate, a sum of Rupees 3,919.-12-0, in liquidation of their claims on the state, and I beg to request authority to disburse that amount in full discharge of their pensions there appearing nothing to induce a belief that the ready money thus placed at the pensioner's disposal will not be applied to a good purpose.

Enclosure — 1 February 1857. 9 C

under class 3 punishment cannot be awarded under clause IV section V of IX of 1822. From the Column of remarks however it would appear that the charges should more properly have been made out on two distinct counts the first for embezzlement, and the second for falsifying the accounts, by knowingly omitting items of receipt in such case a failure to establish the 2d or more serious charge would be no bar to punishment in the event of the first being proved.

Board of Revenue
Fort St. George

Sir

With reference to Extract from the Minutes of Consultation dated 29th January last communicated with the Boards Proceedings of the 9th February No. 485 I have the honor to furnish the further information required by Government respecting certain of the Enam Grants made by Messrs Travers and Fraser included among those that have been already reported upon.—

Rd. No. 2874. From the Ag. Collector of Nellore. Furnishing the further information required respecting certain of the Enam Grants made by Messrs Travers and Fraser included among those that have been already reported upon.—

Class II Chuttrums No. 56

2. The object of this Grant was to clear the Jungles with which the locality was overgrown, to adopt measures against the incursions of Robbers and to make provision for the accommodation of Travellers and the Grantee accordingly fulfilled these conditions to the fullest extent He planted a Tope, and erected a chuttrum a Moosafurkhana and a Bungalow for European Travellers & in other respect converted the locality into one of convenience and security. He also constructed

14876 Fort St. George 25th September 1857

Constructed 3 irrigating Tanks and brought a
portion of the land under cultivation and it
on these Tanks that the present Magany lan
depend. The amount of the original outlay o
the whole of these works is assumed to be abou
5,000 Rupees.—

The magany is an improvement effecte
by the Grantee at his own escpense and since
the Village came into his Posseßion.—

4. On enquiring into the results of the last
10 years it is found that in Fusly 1257 alone the
Enamdar realized a net income of Rupees 33
under rent from all Sources.—

But on the 10 Fuslies between 1257 and 126
the greatest breadth of land cultivated (as
Gortoos) was in Fusly 1261 when the value of
Enamdars share determined by the Selling Price
amounted to Rupees 3[illegible]

14877 Fort St. George 25th September 1857

although there were only 75 Gortoos cultivated the
high prices then prevailing enabled the holder to
realize Rupees 131 4 8 —

From the Marginal abstract it will be
perceived that the average assessment of the 10
years on the extent cultivated amount to only
Rupees 163 8 as 0 p —

This income is very small when compared
with the escpences attending the maintenance of
the charity. The annual charge on account of
Servants wages alone is stated at Rupees 156. To
which is to be added the cost of Rice for feeding
Bramins & Byragees on Stated occasions. which
within the last few years has been reduced
to 3 Rupees per month. Beside these there is
the value of the Brass Utensils, with which the
Chuttrum is furnished. The net escpences may
therefore be computed at about 200 Rupees per
annum or 37 Rupees above the average amount of
income. very recently however the Enam has been
let out on Cowle for 10 years at the rate of
Rupees 200 per annum. But there are other Con-
tingent escpences which will be required to be defrayed.

I.

I have ascertained by personal inspection that the Buildings are in a very unsatisfactory condition. The Travellers Bungalow is a complete ruin the chuttrum & moosafurkhana require reroofing and general repair and the Tanks have all been injured by the storm of last November To put these works in a thorough repair the cost is estimated at Rupees 1160. —

6. Oodiasing one of the Grandsons of the Grantee has had the management of the charity for many years past and his younger Brother Soorjunsing has represented that Oodiasing is incapable of maintaining the Institution efficiently. that owing to his negligence it is found in the present condition and that if the management is made over to him /Soorjunsing/ he is prepared to restore the buildings to a proper Condition. —

7. It appears doubtful whether Oodiasing could have effected any thing in this respect

in the reduced circumstances of the family and in the absence of a sufficient return from the Grant. But the fact is apparent that if proper efforts are made The Tanks can be put in good order the lands made more productive and funds made available for repairing the Buildings and effecting other improvements. It appears moreover unjust that the younger Brother should have been escluded from any participation in the management. —

Under these circumstances I would beg to recommend that if Government be pleased to confirm the Grant, it be for the future intrusted to the Joint Management of the brothers and that they be bound down under proper security to execute the necessary repairs and improvements within a given time. —

No 59

8. This was a money allowance originally granted during the Mahomedan Government to one Cader ally Shaw Fakeer to sweep and clean the Moosafurkhana at Singaroya condah on the Northern Trunk Road and it was subsequently

Commuted

Fort St. George 25th September 1857

commuted to the present Enam by Mr. Travers when the Tank it depends on receives a full supply of water; there is a Nuncta Rent of 20 Rupees derived by the Enam. The Moosafur khana appear to be a useful building and it is reported that the Service is kept up regularly.—

Class III Tank and channel maramut.

9. With reference to the 3d point of enquiry as to whether the Enams remaining undisposed of in this class may not be resumed at the end of the current Fusly and the Service if there really be any be provided for in the Department of Public works. I have the honor to inform the Board that the replies on the Subject received from the local Officers are generally to the same effect Viz.t that at present the repairs are kept up efficiently that as the holders of the Enams reside in the Villages their Services are ready at a moments notice and that the Villagers insist upon necessary and emergent repairs being executed at once which would not be the case if they were transferred to the Department Public Works

Fort St. George 25th September 1857

for great delay and inconvenience might be experienced before the works could be inspected Sanctioned and executed. This remark applies more particularly to the Talooks of the Sub Division where Tanks and ponds of the nature alluded to are very numerous These reservoirs appear to have been originally constructed or excavated by private charity for the use of Travellers and cattle and for the domestic purposes of the Village - and the present mode of providing for their repair appears to be preferrable to transferring the charge of them to the Department of Public works.—

10. Beg to take this opportunity of bringing to the notice of the Board two cases of Enams granted previous to the assumption of the Country, but which have been hitherto included among grants made by Mr. Travers.—

No. 58.

11. This grant was directed to be resumed in accordance with the orders of Government passed thereon immediately on the receipt of the Proceedings under acknowledgment. But it now appears that this

14882 Fort St. George 25th September 1857

this is an ancient grant and it was a mistake to have classed it among the grants made by Messrs Travers and Fraser. It is a charity Enam originally granted under the Mahommedan Government by the Fowzdar Vencajee in the year Salevahana 1718 / A.D. 1798 to Nedadoor Vende Venkatacharloo, and is supported by a Deed to this effect. In Fusly 1212 it was attached by Mr Travers while it was in the enjoyment of the said Venkatacharloo, because it was not found to have been entered in the Register of Enams prepared by that Gentleman after our assumption of the country - Mr Travers next ordered it to be given over to his Sheristadar Catoor Nursiah, for the purpose of building a chuttrum thereon under date the 22 April 1803 and in this manner it came to be classed as an Enam granted originally by Mr Travers In 1820 however the Son of Nursiah Camarajoo relinquished the land house ready money and title deeds by free Gift in favor of Vendi

14883 Fort St. George 25th September 1857

Krishnaniah charloo the Son of the original grantee and the father of the present incumbent - Hence was founded the statement of its having been alienated by Nursiahs family while in fact it was only restored to the family of the grantee It has continued in their enjoyment since that period. Ramayah charloo petitioned for the Registry of the Enam in his name so far back as 1836 and filed the documents in his possession A full enquiry was made into the case under the orders of Mr Stonhouse the then Collector but no order appears to have been passed and the Record of the case like all Enam Records was laid by and lost sight of The evidence adduced in support of the grant is conclusive - It was not granted for the purpose of maintaining a chuttrum nor was it originally granted by the collector Mr Travers - It should therefore be

be restored to Ramanja charloo, and treated for the future under the Enam Rules.—

S.C. 69 class III Tank and Channel maramut.

12. This Enam appears also to be a grant of the former Government and was granted by the Rayah mundapatywar. It is supported by a Deed and Doombalas of ancient date as well as by the Public Records and appears to have been merely renewed by Mr. Travers. This Enam also should therefore be struck off the List and treated for the future under the Enam Rules.—

Bd. No. 3190

Proceedings thereon.— Resolved that the above letter be laid before Government with reference to Extract Minutes of Consultation dated 29th January 1857 No. 109.—

886-87

2. In this Extract further information is called for.—

1st. As to whether any reduction can properly

be made in the extent of magany or irrigated lands attached to grant No. 56 in the Statement received from the Collector of Vellore dated 15th January 1856.

Dubous 20th March 1857.

2. As to the conditions on which grant No. 59 is held by the Enamdar.—

3. Whether Nos. 66 68 and 70 to 73 and other similar grants for keeping tanks in repair may not be resumed at the end of Fusly 1266 provision being made in the Department Public Works for the service if there really be any.—

3. With reference to the first point of enquiry, it appears that no reduction can be made in the grant No. 56 without materially impairing the Enamdars means of maintaining in a State of efficiency the institution to which it is attached The entire extent of the endowment is 68 6/18 Goortoos of which only 13 3/4 Goortoos is cultivated, the remaining portion being Porumpoke and Pasture land. The average assessment of the last 10 years on the cultivated area is only Rupees 16 3/2 per annum while the expenses attending the maintenance of the charity are computed at about Rupees 200 or Rupees 37 above the average amount

amount of income The lands moreover have been recently leased out for 10 years at the rate of Rupees 200 per annum.—

Note The chuttrum is generally known as Coommandmeeto choultry and is 5 miles South of Vellore.—

4. The Buildings erected by the grantee on the main road from Vellore to Madras are estimated to have originally cost Rupees 5000 and consist of a chuttrum and a Moosafer khana for the accommodation of native travellers and a Bungalow for Europeans. At present however they are in such a dilapedated state that few travellers resort to them. The 3 tanks constructed by the grantee and on which the lands are dependant are also out of repair Godeasing one of the Grandsons of the Grantees who has the sole management of the charity, is in reduced circumstances and has not the means of repairing the works His younger brother Soorjeyasing however has offered to put the buildings in the rough repair at his own expense if the management is transferred to him, the Acting Collector recommends that in the event of the grant being renewed it may be entrusted to the joint management of the two brothers on there furnishing security to execute the necessary repairs within the limited

period. The Board Concur in this recommendation and request that Sanction may be accorded for the registry of the Enam in their names jointly on the express understanding that if these conditions are not fully complied with, the grant will be at once resumed.—

5. The grant No. 59 was originally conferred during the Mohomedan Government for sweeping the Moosafer khana at Sungaroyacondah and this Service is said to be still performed by the Enamdar.—

6. With respect to the 3d point of inquiry as to whether the Enams granted for keeping tanks in repair may not be resumed the repair being provided for in the Department

Public

Fort St. George 25th September 1857

Public Works, it would seem from the report of the local Officers that the repairs are duly executed by the resident Enamdars whose services are promptly available and that if transferred to the Department Public Works delay and inconvenience might be experienced before the works could be executed. The Acting Collector thinks that the present mode of providing for the repair of these reservoirs is, on the whole preferrable and should not be

Fort St. George 25th September 1857

disturbed at present.—

The Board will address Government if necessary in a separate communication regarding grants 58 and 69 referred to in Paras 11 and 12 of the Acting Collectors letter

Mr. Taylor will forward the originals documents connected with these cases for the Boards inspection.—

Enclosure 1

To, Le. Whittinghame, Esqre.
Collector of North Arcot

Sir,

I have the honor to submit the following Remarks regarding the progress made during the past month in the Revision of the assessment at the beginning of the months

Fort St. George 25th September 1857

month I visited the Santghur Talook and after personally enquiring into the state and Condition of the lands now classed as Atchoocut and Hall Baga: -yet, I transferred them to other and Punjah or Poonjah agreeably to the opinions al: -ready expressed by the late Collector, Mr. Bourdillon. The Village officers and Ryots were present at the time and seemed well pleased with the result of the enquiry, the Remissions given ~~&c &c~~ and the abolition of these so somewhat anomalous distinctions-

2 As soon as the above investigation was Completed, I visited the Talooks of Chandragherry, Chittoor, Jeirellum, and Cauvery pauk in order to Carry out fully the views expressed by the Board in the latter part of Para of their Proceedings dated 20th June 1857, and to ascertain personally whether there were any inequalities in

Fort St. George 25th September 1857

in the existing assessments which it were necessary to refer to the Punchayets upon my Return to Arcot- I drew up my Report just submitted on the Northern Talooks and had all the necessary enclosures drawn up and fair Copied with Regard to the Southern Talooks the Inam: -moonahs were being prepared and good progress made, herewith, but I am happy to say that owing to the late orders of Government permitting us to frame our Re: -ductions upon the existing Inam: -moolzates- the preparations of these hallery and intricate Inamoonahs is

is no longer necessary, and the Curnums &c have been ordered to return to their several villages, and perform those legitimate &c duties which must I fear have been delayed and hindered by the presence &c of the Curnums having been Required by me—The preparation of the Register "A" for the Reunited Anilcondah Jagheers &c and Mannundoor Polliem Villages, as &c ordered in Board's Proceedings dated 2d June 1857, is progressing satisfactorily &c and is now near Completion—

3. I may take this opportunity &c of adding that through an oversight my letter Regarding the Northern Talooks which reached you on the 31st Ultimo, was not dated, I Req: =uest you will kindly intimate to the Board that it should bear the same date as the enclosures viz. the 29th August 1857—

3. The Petitioners state that they raised waters to their Nunjah lands from the above wells with the consent of their owners and at a time when they (the owners) did not require water. One of the above wells is reported to be situated at a distance of 100, and the others at a distance of 150 to 960 yards from the banks under which the Petitioners Nunjah lands are situated. The distance between the well and the aforesaid Nunjah lands is reported to be from 150 to 920 yards. The wells being 4 or 5 yards deep, they are believed to deserve their supply from springs under the ground.

B. of R. No. 3225 Proceedings submitting with the Board's observations, letter from the Collector of Limerick supplying the information required by Govt. in their endorsements on Petitions Nos. 1175 and 2249 of 1856.

942-43

Thereon

In their Proceedings dated 11 October 1856, the Board expressed an opinion that if, as alleged by the Petitioners, the waters supplied them by Government is insufficient in ordinary seasons and the deficiency must be made up by the construction of private wells, the lands thus irrigated should bear a lighter assessment than those more favorably situated. They accordingly requested to be informed whether due weight had been attached to this consideration in determining the classification and assessment of the lands, and what the rate of increase was relatively to lands watered solely from Government sources.

2. From the Collector's reply to this reference it appears that these lands are entered in the accounts as dependent on irrigation furnished by Government and never up to fasly 1264, were the Petitioners obliged in consequence of insufficiency of water from

14941

Fort St George 26th September 1857

from the Ayacut / river-fed / tank, to have recourse to private wells. It was further stated that the increase is not excessive as compared with that of neighbouring lands similarly circumstanced, but that the unfavorable character of the season, and the partial failure of the supply from the tanks which made it necessary to incur considerable expenditure by the partial adoption of well irrigation would warrant the grant to the Petitioners of a temporary remission.

3. Fearing however that indulgence in the Petitioner's case might form an inconvenient precedent unless it could be shewn to be of an exceptional character. The Board called for further information in respect to the position of the wells, the source of their supply, and their distance from any tank from which water might be derived by percolation.

Rec'd 16th January 1857.

4. The Collector now reports that the well which supplied water to the lands of the Petitioner in No. 1176. is situated within that lands and was originally constructed in a time of scarcity

Fort St George 26th September 1857

scarcity of Government water-3 wells from which water was taken for the Nanjah lands belonging to the Petitioners in 1176 and 2249, lie in the Ayaut Poonjah fields immediately adjoining where they were levelled for the purpose of raising dry and garden produce.

5. Looking to the circumstances above detailed the Board would recommend the grant to those lands which derived water from wells belonging to the Ayaut Poonjah lands in the neighbourhood, of the same remission as the Collector, in Para 7 of his letter of the 13th December 1856, reports it to be the practice to allow to some Villages in other Talooks of the District, Viz.t the difference between the usual Teerwah and the value of 1/3 of the Produce which would amount to 42-6-9 out of a Tax of Rupees 117-5-4—To extend this indulgence to the land which received water from a Well within its own limits not dug for the occasion, but existing for some years, would establish an inconvenient precedent as it is known that such wells are not uncommon, and it would be difficult to determine when the taking of water from them was an act of necessity and when otherwise.

(944-45)

It will be seen that the dispute which has long existed between the Kooviedeth Kovilagom Rajah and the Poodia Kovilagom Rajah respecting a share in the Mele Kanak, enjoyed by the Parpenaad family of which they are members, has at last been amicably settled among themselves by an agreement on the part of Reevaa Warmah Rajah, the sole surviving representative

representative of the Kovviedeth family to give up to the Poodia Kavelagam Rajah 400 Rupees out of his allowances thus increasing the stipend of this family from Rupees 2,157-2-4 to 2,457-2-4 and reducing his own to Rupees 1,657-2-4.

As the arrangement was mutually agreed upon by the parties will put an end to the dispension which has so long prevailed among them, the Board recommend for sanction the apportionment of the allowance proposed by Revaram Warmah Rajah

From the Collector of Tinnevelly

Submitting the further report called for in Ecct. Proc. of the Board of Revt. of 22d Decr. 1856 regarding the reduction in the permanent Establishment for meeting the charges for printing.—

Sir,

With reference to para 1 of Ecct. extract from the Proceedings of the Board of Revenue dated the 22d December 1856, stating that the Board will await the receipt of the further report promised in the latter part of my letter of the 11th October preceding, before applying for the confirmation of Government to the arrangements made in this District for meeting the charges for printing, I have the honor to inform you that as I cannot, without the revised forms of Taloob and District accounts referred to in para 4 of my above quoted letter before me, judge whether the whole amount of reduction, viz. Rupees 50 already sanctioned in Minutes of Consultation dated the 21st November annexed to Ecct. extract from

14949 Fort St. George 26th September 1857

from the Proceedings of the Board of Revenue of the 13th December 1855, would be sufficient to meet the charges of printing or any further sum would be required for that purpose. I am unable to report for the sanction of Government the permanent alteration that would require to be made in the Moyen Zabitah of this District. In the mean time, in order to enable me to see that the printing expenses are covered as required in para 3 of the Proceedings under reply, by the amount saved in the Moyen Zabitah, I have in additional to the reduction already made in the establishment to the extent of Rupees 17½ as mentioned in para 3 of my above mentioned letter now dispensed with, the services of 5 Servants from the 1st of the current Month May, whose pay inclusive of the above

14950. Fort St. George 26th September 1857.

17½ Rupees amounts to Rupees 51-2-0 as particularized in the accompanying Memo-

2. Of the 7 Servants proposed for reduction by my Predecessor Mr. Bird in his letter of the 18th June 1855, the services of the head Hircarah being much required at the Huzzoor Cutcherry, he has been retained on the establishment, and in his stead 1 Hircarah in the Huzzoor Cutcherry and a Cummum of a Village in the Sreevygoontum Taluk, where there are more than one, and whose pay amounts to Rupees 7 and 4-5-0 respectively or both together to Rupees 11-5-0 have been reduced as will be seen from the Memo. above alluded to-

3. Adverting to the remarks contained in para 5 of the Board's Proceedings under notice, I beg to state that the reduction of the Duffadarro and Tannadar therein mentioned, has not led to any inconvenience in the performance of the duties usually discharged

discharged by them -

4. I take this opportunity to inform you that I do not anticipate the least inconvenience to result from the reduction of Servants whose services have been dispensed with from the 1st Instant: and as no work has as yet been lessened by the introduction of printing in any appreciable degree in any of the Departments under my charge as mentioned in the latter part of para 3 of my letter of the 11th October 1856, above referred to, I trust that the Board will be good enough to allow the arrangement now effected to stand, in accordance with the proposal of Mr Baird, as sanctioned by Government in their above quoted Extract from Minutes of Consultation dated the 21st November 1855. Hereafter, should it be found that the improved forms of accounts, which have as yet been received only as regards Villages, and other reforms, materially lighten the work of

of the Talook and Muzzoor Cutcherries, further savings in the proper Departments will be made for carrying on the printing work on an enlarged scale -

5. Referring to a call made on me by the Board as contained in your letter of the 2nd February last, requesting to be informed whether I am satisfied with the arrangements under which the Printing work of my District is effected, or whether I consider it would be preferable to set up a press in my Office, I beg to state for the information of the Board that I am satisfied with the arrangements under which the printing work of my District is at present carried on - Mr Bensley, the Superintendent of the Church Mission Society's printing establishment at Palamcottah, having in a recent communication on the subject stated that he can undertake that there shall be no delay in the execution of the Government work -

Sir,

With reference to Extract from the Proceedings of the Board of Revenue dated the 7th Instant requiring fuller information as to the circumstances under which the alleged errors occurred in the Statements of Enams paid by deductions from the Kistbundy Beriz, forwarded with my predecessor's letter of 18th March 1854, the Enamdars having died in one case in 1847, or 7 years before the original lists were prepared, and in others in 1848, 1849 and 1851, and how the Talooks and Village Officers were in ignorance of these circumstances during so many years, I have the honor to inform you, that the errors in question appear to have arisen from the following causes.

956
Bd. No. 2066
From the Collector of Sinnevelly...
Submitting the explanations called for by the Bd. on the several points relating to certain Items entered in the Statements of Enams paid by deductions from the Kistbundy Beriz

2. The Enams entered in the

Fiort St. George 26th. September 1857

the first four of the 6 Statements, which accompanied my Predecessor's letter of the 18th. March 1854, were up to the close of Fusly 1262 held on hereditary tenure consequently the Village and Talook authorities were not in the habit of either keeping any correct registers of or making any Scrutiny into, the lapses occurring among these descriptions of Enamdars, While circumstances stood thus, materials for the preparation of the above 6 Statements were called for, from the Talooks, in conformity with a requisition of the Board, as contained in their Circular of 15th. November 1852, But no correct registers of lapses in the hereditary Enamdars were kept as stated above, The Talook Officers, who appear to have prepared these returns with reference to the old Accounts of Enams, have erroneously included the names of

Fiort St. George 26th. September 1857

of deceased incumbents in question. Hence the errors under notice.-

3. Adverting to the former part of para 2 of the Board's Proceedings under reply, wishing to know to whom the allowances were paid in the interval between the sanction of Government and the date of my letter viz 19th. August 1854, and 29th. March 1856, I beg to state that no allowance whatever has been paid to the parties entered in Column 8 of the revised Statements, forwarded with my above quoted letter of the 29th. March 1856, since the date of the Sanction above referred to, or from Fusly 1264.-

4. With regard to the latter part of para 2 of the Proceedings in question, requiring me to state what enquiry has been made into the claims of the parties entered in Column 8 of the said

Revised

Fort St. George 26. September 1857

Revised Statement, I have the honor to inform you, that the Tahsildars were directed subsequent to their reports that names of deceased incumbents have been erroneously included in their Returns, sent up to March 1854, to make full enquiries as to who were the lawful heirs of the deceased Enamdears and to report the result.

5. From the reports received from the several Tahsildars accompanied by the Documents connected with the enquiries they made on the subject, the individuals entered in Column 8 of the Revised Statement, having appeared to be the legal heirs their names were therein set down, and the Enams recommended to be continued for their lives.

6. I take this opportunity to forward a supplemental List of three Enamdars who subsequent to my letter of 29th March 1856 are reported to have died previous to the date of the 6th Statements forwarded with Mr. Bird's

letter

Fort St. George 26th September 1857

letter of the 18th March 1854 above alluded to and as the reasons for the Talook authorities remaining in ignorance of these lapses are the same as those assigned in the latter part of para 1 of this letter I request you will be good enough to obtain the sanction of the Board for payment from Fasly 1264 of the Enams to the parties named in Column 8 of the Supplimental List who have been ascertained by the enquiries made by the Tahsildars in conformity with the orders from the Huzzoor to be the legal heirs of the deceased Enamdars of Cuttacherry.

7. In conclusion I beg to state for the information of the Board that in all the exception of the 18 Cases including the 3 cases mentioned in the para immediately preceding this, there are no other cases in which alterations in the List of Enamdars will have to be proposed, and request that in the event of the Board acquiescing in the justice of continuing the Enams to the parties entered in Column 8 of the Revised Statements, their names may be sent to the Civil auditor to be inserted in place of those of the deceased Enamdars.

Sir,

Each page is chopped with a seal bearing the Co name of the Collector, and at the end, the total Co number of pages is entered in words, under which the Collector signs in full, and his Official Co seal is affixed. Government now direct that this too should be co

account is likewise kept in stitched books. for
the inspection of the Collector. This is also signed
by the Treasurer and the Head Shroff, before co
being presented to the Collector for inspection
and his initials. When the Collector happens
to be absent from the Huzoor station, the co
European Officer left in charge of the co
treasury inspects this Book, and affixes co
his initials to it daily. An exact copy co
of this account was formerly furnished co

Resolved

B. No. 3219.

Resolution thereon-

962-64

In Consultation 16th August 1856

Resolved that the above letters be laid before Government with reference to Extract Minutes Consultation dated 7th August 1856 No. 831 Revenue Department-

2.

In Madura, out of 25 Enams, which lapsed since 1848, the Collector has disposed of 6 under the Enam Rules 17 have been reported to the Board and 2 are under inquiry- No lapses appear to have occurred in the Sub division- The Head Assistant resides at Ramnad-

27th July 1848 C.O.B.R. Vol:1 page 450.

3.

In Coimbatore out of 917 lapses 714 have been continued to the heirs by the Collector and 203 still remain to be examined, most of these Enams have been long pending enquiry some from 1848- The Collector will expedite the disposal of the arrears and report all such as come within the description mentioned in para 9 of the rules as well as all charitable grants, which

which are not intended to be continued in perpetuity-

4- It is remarkable that out of so large a number of lapses as 714 none have been of such a nature as to require report to the Board and Government- The Board trust that in the disposal of these cases the Collector has not exceeded his authority-

5. The Collector is requested to forward an abstract Statement of these Enams showing the nature of the grants, the titles on which they are held, and the relationship of the parties to whom the grants have been continued and the original grantees with a brief note in doubtful cases of the grounds of the Collector's decision-

6. The Board further remark the great difference in the number of lapses which have occurred in the two Districts abovemen= =tioned- A large portion of Madura is held under

under Zemindary, but this alone will scarcely ca account for so great a difference - The Board request that the Collectors of these Districts ca will forward an abstract of the Enam Ayacut of each - each description of Enam Khyrate, ca Bhutwarty, &c. being separately shown -

consequence of the late illness and subsequent death of my Head Sheristadar, Appajee Row, the Jamabundy of two Talooks was unavoidably delayed - they were since completed and the accounts ca closed. -

For Subsis-tence for life-	From 1264 to 1266 Fasly—	17 5 9	The Incumbent drew her pension up to the end of Fasly 1263, after which she left the District and joined her son at Kurnool, where he was a Sepoy.- When the Crops moved, the son in question was carried off by Cholera. The woman was then unable to return to Cuddalore for a long time for want of an escort and the means to travel. She has now satisfactorily established her identity before the Collector who begs to solicit the sanction of the Board of Revenue to disburse to her the arrears of pension, as exhibited in this Statement, and to continue the payments for the future. The order of the Supreme Government published by the Civil Auditor on the 26th March 1857 in the Fort St. George Gazette (page 504) directs that all pensions undrawn for more than two years are to be carried to the credit of Government but the Collector conceives that it was not intended that this Rule should have a retro-spective effect.—

Sir,

I have the honor to acknowledge the receipt of your Circular No. 2529, requesting my opinion upon the subject of a uniform system of weights and measures for India in connexion with Mr. W. H. Bayley's Pamphlet which accompanies your letter-

I have carefully read and considered the Pamphlet, and I see no reason for doubting the correctness of the general principles laid down by the author. I am also fully satisfied that a uniform system can be introduced only by statute.-

I shall think it hardly possible

possible to determine the question fully except through a commission of Officers of the three Presidencies - As to the particular suggestions of Mr. Bayley, though I have no objection to make them, I do not wish to commit myself to a definite opinion, which could be safely formed only upon such a mass of independent evidence as will doubtless be produced in the course of the enquiry - It however occurs to me to say, with reference to para 51 that the law should require every measure of one capacity to be of one diameter; for I am persuaded that discrepancies would lead to endless mistakes and frauds -

To the Officiating Mint Master

Sir,

I am directed by the Board of Revenue to request that you will have the goodness to depute any intelligent Subordinate of your Department to examine a Salt Weighing Machine recently sent out by the Honorable Court and now set up at the Madras Salt Depot.

2 The Superintendent of the Depot reports that the Machine is inconveniently low and it is to remedy this defect in the simplest and best mode that the Board are desirous of having the assistance of a person versed in the chains from your Office. The Superintendent will meet the person you depute, at any time you may appoint.

3 A drawing of the Machine is enclosed for your inspection and the Board would be glad if you could conveniently examine the Machine itself at an early period and favor them with your opinion whether in point of accuracy, durability, cost, and facility of construction it possesses any advantages over the balance designed by your predecessor

Sir I have the honor to acknowledge the receipt of the Extract from the Proceedings of the Board of Revenue of the 19th May last forwarding Extract from the Minutes of Consultation of the 13th Idem and to forward herewith the papers connected with the case of Nory Kristniah late a Savabnevis in the Magisterial Department of this Office - Translations of the same are also submitted as directed -

2 - The particulars of the case will be gathered from decision in the same - I had previously had reason to suspect the Savabnevis of corruption and when it was reported to me by the party who brought the matter to notice that the former had asked for money I felt myself justified in so arranging as to secure his detection if he actually received it - That he did so receive it - did not in my opinion admit of the smallest doubt and I had no hesitation in at once dismissing him from his situation - I may also mention that the man Gotatey Venkatararz who had been appointed temporarily to

to act as a Sub Officer of Police and who gave the letter to Sawmenaney Audenarrainappa for Nary Kristniah was removed from the appointment, as soon as his conduct in the matter came to my notice

Sawmenany Audenarainapah son of Venkatanaraina of Telougoo Caste, and Vistnw religion Police Peishcar of Pittapoor Talook aged 44 years and at present inhabitant of Pittapoor deposes on Solemn affirmation—

2. wish to depose? In what language do you

A. In Telougoo

2. State what you have to say?

A. The Head of Police of Pittapoor Talook directed me to go to your presence and sent me with an Arzee to your address — One or two days before I left that place one night a short time after I came out of the house of the Head of Police or at about 12 o'clock P. M. he (the Head of Police) sent me word by his confidential man Addunky Nursimoolo

Nursimloo to say that he had written to you (while I was at Pittapoor) requesting you to change me from that station — that he was obliged to write so owing to the advice of Gajandrakana Nursingarow Nary Croostniah &c that the two former had told him — that "if I was to do Police duties the Magistrate — Savabnevises at the Hoozzoor could not get their annual Mamool receipts and that those duties should be performed by the Head Muddutgar Mooyaloo Nagabhooshanumsan arrangement they would like" that Moonjalcar Nagabhooshanum agreed through Coochemunchy Gopalacroostnamah to pay about 100 Rupees to Nary Croostnamah and Nursingarow Puntoolo and if I would pay more I would get out of the scrape otherwise I should be deceived by both of them — He added that the management Savabnevis salt writer &c were relatives of the said Nagabhooshanum Nursimloo told me these words in the Bazar while a Management peon Bundaroo Ramasawmy was with me — This peon was then with me because he had placed another person to act for him in his duty at Suddingby where he was deputed and had been since attending me — I then came home thinking in the mean heard that.

that unless I borrowed 100 Rupees any where and took the same the said two persons would hurt me and on the other hand I had an inclination to represent the matter to you if I could get an opportunity - I asked a man named Vorooguntty Somanah who lives in my neighbourhood for a loan - He said he had not 100 Rupees but he would lend me 50 Rupees - I executed in his favor a Bond on common paper in the 29th Ultimo and took 50 Rupees - I tried my best elsewhere for one or two days to get a further loan but in vain I afterwards begged the said Somanah very much and obtained from him the other 50 Rupees and gave him a Bond on the same day or on 31st March on a separate paper - The said Somanah asked me the cause of my thus borrowing 100 Rupees and carrying them with me - I told him that I would take the amount and represent my case to you (Magistrate) if I could get a favorable opportunity but perhaps I should unavoidably have to pay the same to G. Nursingarow and N. Croostniah as required by the Head of Police leaving the matter to pass according to my destiny. He then said to me - "You are a good man no one can do you any harm and told me if I represented the case to you you would afford me redress" - I afterwards consulted

consulted my particular friend Sirovengatacharloo a learned man and an inhabitant of Samulcottah - He also advised me to represent the matter to you - I thereupon said to Golaty Venkatrauzo (who is well acquainted with Nory Croostniah and who was recommended by the latter to the Head of Police and by him to you to be appointed as Acting Sub Officer of Venkatamedy and who is at present employed at Puttapoor to Keep Treasury accounts and perform post Office duties) "you are well informed as to all my case - I cannot pay a large amount to Croostniah when I am so short of Cash - If you will give me a letter of recommendation I will take it and present it to him so he may have pity on me" He then gave me a letter dated 30th or 31st March stating as I recollect that Naidoogar is involved in debts and that leave should be given to him soon by receiving whatever he pays at present" - I took this letter from him merely with a view to present it to you - I do not at all like to give bribe to Croostniah and Nursingarow Pantoolu for I shall be liable to punishment under Regulation IX of 1822 Sections X VII and XVIII should it be ever brought to

A

to the notice of the authorities and as I am quite innocent I then left Pittapoor arrived here the duty before yesterday at 9 O'clock A. M. and came to the Cutcherry at half past 12 O'clock. As I could not then visit you I went to the place where the Jawabnevis as were seated and saw Croostniah – Sometime afterwards Croostniah attented you and as he was coming from your Office Sent I advanced towards him near a mangoe tree – he asked me what I wanted I begged him to obtain leave for me soon – He told me to come to the house at night – I then said I would act as directed. He told me "come with as much as you are able" – I did not go to him that day Yesterday I visited you and informed you that Croostniah wanted me to give him a bribe – As you asked me whether I was able to prove it – I stated I could so – I then presented you the letter which was given by Gotaty Venkatrauze as above stated and requested you to give me your Duffadar and Jemadar that I might seize and hand over Croostniah to them when I gave him the money – Last night you told the Jemadar and Duffadar to accompany me – I took them along with me to the house of Sunkasalvar where Croostniah lodged – and told both of them

them to sit near the verandah roofed with Palmira leaves in front of that house. I and my washerman went into the house and just as I got into the gate I found there were two Pyals one on each side and one in front of the gate – Vaudravoo Venkatrow was writing on the right Pyal and Balantrapoo Veerauze and Keerty Jageyrauze – as well as one or two other persons whose names I do not recollect were also present while Poollumbhottah Sirmulrow was seated on the left Pyal – Croostniah lay on the front Pyal and was getting his legs shampooed – I sat on the Pyal where Vaudravoo Venkatrow was seated writing – Poollumbhattah Sirmulrow Pantoolos asked me when I came – In the meantime Croostniah said – "Is it the Naidoogar?" I answered Croostniah that "yesterday evening when Croostniahgar was in the Cutcherry I wrote on a small piece of paper that I would come to pay my visit at night and gave it to him – and as he saw and destroyed it and said very well I have in consequence attented as directed" On hearing what I said he said "I will come. I have applied some medicine to my eyes" – a moment afterwards I got up saying that I was hungry – Croostniah then went into the room near that Pyal and called "come in" I went into it and

and we both sat down— I said I had attented as directed and brought rupees— "Where are they" said he "give them to me"— I opened a parcel containg 40 Rupees and said to him "if I give you this money here it will make a noise which would be heard by Vadravo Venkatrow and he might also require money from me as he is jointly working with you"— I said these words in order to induce him to come into the street he accordingly got up and came into the street between the Pyal-shen with a view that the noise of the Rupees in his hands might be heard by the Duffadar and Jemadar I counted as one two &c and so put them in his hands with a noise one after another— they both heard the noise of these Rupees— Croostniah put those Rupees in his white spotted handkerchief and held it in his hand— I then told Croostniah that there was some more Rupees which I would bring and called out "Punguiah" The Duffadar and Jemadar on hearing this which was the sign already agreed upon both advanced to the place where we both stood the Duffadar came first and after him the Jemadar— When they came I told them that I had given Croostniah the 40 Rupees I had and

and that they should take them from him— Croostniah saw them both and said "Is it you? he added "what Rupees? what &c" They both then said to Croostniah— "Why do you say what Rupees?— Naidoogar counted and put Rupees into your hands we are seeing it and heard the noise and the Rupees are with you— give them to us" Croostniah then wanted to go in saying Naidoo is it just but I tried to stop him— Even then Croostniah resisted and went to the place where Sirmulrow Puntooloo &c were seated and said to them "you see this— Is it just? he gave me Rupees and shewed them to the Duffadar and Jemadar" saying this he wanted to go into the room where he and I both sat and spoke in the first instance— In the meantime the Duffadar and Jemadar both followed him Croostniah got into the room— the Duffadar and Jemadar both held the door frames and stood there saying what Kind of conduct is it? give up the Rupees! I— then heard Croostniah tell to the Duffadar and Jemadar that he would give them both 40 or 50 Rupees each but they both required him to come out and give up the Rupees— He then came back from the room saying Naidoogar what have you done? and so went and stood near the Pyal post of the outer gate— I told my washerman to light the torch— he lighted it with the lamp in the inner hall and brought it out— Whereupon the Duffadar and

and Semadar said to Croostniah "Sir why dont you give the Rupees? this is not proper deliver them up" Croostniah then put into the hands of Semadar the 40 Rupees which he had taken from me and held in his hand until that time in a handkerchief - There were then present my washerman who lighted the torch the Duffadar and a silver badge Daloyet of the Bendely caste whose name I know not but I can point him out some of these who were inside came out to the gate and saw what went on but I cannot state who they were afterwards we three persons namely myself - Semadar and Duffadar (accompanied by the said Daloyet whose name is unknown to me) came direct and informed you the whole particulars which had passed -

2. Is the letter now before me that which was addressed to Noary Croostniah by Gotaty Venkataraz under date 31st Ultimo and which you have presented as given into your hands Look at it?

A. Yes I have seen it -

2 You have heard the above has it been taken down as you have stated?

Questions by the Defendant -

2 It does not appear from the above Statement that I asked you for a bribe. How came you therefore to inform to the Gentleman that I verbally required from you a bribe?

A On the day I came you required me to bring as much as my ability would permit - I informed the same circumstance to the Gentleman on the next day. On the same latter day I again gave you a small note where you were lying down near your writing desk stating that I would act that very day according to your order and you told me to come accordingly all that happened that night as dictated by me on the next day is meant in reference to the bribe - As the word bribe was not specified in the question it has not been used in the answer -

2. It clearly appears from your deposition that you were inclined to do me some injury since you left that place (i-e Pittapoor) on being summoned to the Hoozoor what is the cause of your entertaining such feeling -?

A As you are through covetousness of money desirous of deriving advantage both from me and from Inoonjedoor

Fort Saint George 29th September 1857

Moonjoolcor Nagabhoosanum whom you wished to get to do my duties and as you Moonjoolcor Nagabhoosanum Cunchey Ramiah Puntoolcor (the Head of Police) and Gajandrakshma Nursingarow Puntolcor the Assistant Savabnevis Consider me as an incompetent person to discharge the duties of my Office and that I would not satisfactorily work under the Amildar but use to come to the Cutcherry at 10 O'clock in the morning and go against 5 or 6 O'clock in the evening and as you have all held out encouragement to my enemy Palapurty Seetaramdoo falsely to accuse me of having received a bribe of 15 Rupees from Pataraz Panakaloo and have insisted on the latter giving a deposition on oath with a view to subject me to injustice and to get me changed from my situation and as the Amildar had sent me word that you and Q. Nursingarow Puntoolcor have intended to receive a bribe from me and as Golaty Venkataraz who was appointed as sub Officer of Puntoolcor namely through your recommendation to Cunchey Ramiah Puntoolcor is your particular friend that in your receiving bribes &c you have been in the habit of sending him to certain places to collect for the same and that by his letter also it will come

Note. The charge herein referred to was investigated by the Magistrate and dismissed for want of proof

Fort St. George 29th. September 1857.

come to light that you receive bribes, I have therefore taken the said letter &c with me and intentionally set out from Pittapoor for the purpose of clearly shewing the injustice you have done to me, and bringing your conduct to the notice of the authorities.

2 Since C. Ramanah Puntoolcor (Amildar) wrote Urzees against you, and you were thereby summoned to the Kuzzoor how did it happen that he sent you advice as from a friend?

A It is the nature of Cunchy Ramanah Puntoolcor to satisfy every man according to the time, and on the 20th February last as he addressed an azzee to the authorities recommending me as an honest and clever man, and competent to hold even the situation of the Superintendent of Coringa — I asked him in presence of several respectable persons why he subsequently wrote an azzee to change such an innocent man as I am, to another situation, but being unable to give me an answer personally when the case was so true, he sent me word a short time after I came out, that he was obliged to do so not on any other account, but at the instigation of you (Croostniah) and others.

Question by the Magistrate.

2 How came you to know that Golaty Venkataraz was sent to certain places for bribes?

A Croostniah sent me word by the said Venkataraz four or five months ago to say that

that I must give him something for performing "Poonasanbaum" a marriage ceremony, and I said I would not give, consequently I state that the said Gotaly Venkataraz was sent by him for these purposes.-

Question by defendant:

2 Since you verbally informed to the gentleman that you did not receive bribes any where, if this is true, what induced you to contract a loan and bring 100 Rupees for us when you received a message from the Head of Police to take something, instead of informing him that you could give to us nothing, since you yourself received no bribes anywhere?

A As I am not guilty in any case, I was not at all willing to give you bribe, but I brought the money thinking I might perhaps have to pay it to you in the event of my not getting an opportunity to represent the case to the authority.-

2 Should you not have obtained an audience of the Magistrate what objection was there to you addressing an Arzee mentioning all the circumstances?

A If I wrote an Arzee, as you will read it, I did not wish to write it, as you might

might not have read the whole contents of the same (to the Magistrate).

2 If you wrote in the Revenue Department, I should not read it-why did you not do so?-

A I did not do so, thinking that if an Arzee against one person be read by another in the same office the latter would read it to assist the former.-

Question by the Magistrate.

2 You state above that Coostinah Coetions of money acted as stated with a view of deriving advantage both from you and from Nagabhooshanum- how come you to understand that circumstance?-

A I understand it because Nebhanoohoody Soobarayadoo came to Pittapoor and informed me of the same.-

Question by Defendant.

2 As you can read and write English well, why did you not write a Petition in that language so that the Gentleman might understand the true facts without assistance from any one else?-

I

15015

Fort St George 29th September 1857

A I Know how to read and write English. I can only speak it well, but I cannot compose well nor is my hand writing good, and I make mistakes in spelling for want of practice, consequently I did not write in English.

2 Can you prove by Rebhanoopoty Soobaroydoo the circumstances you heard from him?

A He told it to me, but I do not know whether he will admit it or not.

2 Since the Head of Police of Pittapoor shewed favor to Soobaroydoo, and wished to employ him he must have more regard for you for he informed you of the private conversation which took place between Gajandra Khan Nursinga Row myself and him (Head of Police) consequently why should you entertain doubts whether Soobaroydoo will admit or not what he had told you at first?

A How can I state with certainty future occurrences.

2 On the receipt of an argee from the Head of Police that you were not properly doing business - you know an Order was issued for your attendance at Bangoor and when there is no record to be made at the Bangoor and none to be read

15016

Fort St George 29th September 1857.

be read what assistance did you expect me to afford?

A The first order directed that a defence should be taken from me, but as the Head of Police afterwards wrote an argee offering an objection, a further order was issued requiring my attendance without rendering defence - If it were your intention to recommend me you would have done so and assisted me in my defence and by reading all the recommendatory argees you heretofore addressed by the Head of Police in my favor.

2 Why did you give me 40 Rupees only when you brought 100 Rupees?

A The Rupees I gave you, whatever they may be, were not to be retained by you - they were only intended to be shewn to the authority that you received bribe, and as I was confident that so I could thus shew it, and I should so require money for my expences if the investigation of the case took any time - I received the remaining money for my own purposes - you have moreover not required from me a fixed sum, but told me to bring as much as I was able, I have therefore brought and gave you only 40 Rupees.

2 Where are the other 60 Rupees?

I

A I believe 11 Rupees were spent for my bearers &c. from Pittapore to this station and these 5 days leaving the remainder in my hands.

2 Did I tie up in my handkerchief or keep loose the Rupees which you gave into my hand?

A You put them in the handkerchief and held it in your hand without tying them up.

Question by the Magistrate.

2 If the Mootuddies intend to assist how do you mean that they do it? Do they read the whole argee or leave out some words?—If they read without leaving out words howdo they assist?

A It is not possible before you to leave out words and read part of the contents.—They read a little slow and ambiguously.

2 Howdo they read ambiguously?

A If the sentence for instance is "that they violently stabbed with the Knife" they read "that they simply stabbed with the Knife".

2 If so the word Violently is left out consequently you do not establish by your instance your statement that they will read without leaving out any thing?

Sr

To leave out so is to assist—they

A leave out and read.

Question by Defendant.

2 You said you had for some time held the situation of Tavelnevis, did you read leaving out some words in the cases of those you wished to assist?

I never read so—Those who thus read

A were reduced from such situations.

Question by the Magistrate.

2 How came you to think that you would not have an opportunity of seeing me after you have been sent for by me?

All can obtain it in public cutcherry

A but to obtain it in private is their fortune.

Question by Defendant

2 You say that you did not pay money when I sent for Taly Venkatrauze, nine or six months ago. why did you not then write an argee to the authority? (Magestrate)

I did not do so, because I did not pay money—It was of

A no use to write without payment.

2 As you have now attended at the Cravzor and informed the Magistrate that I wanted a tribe (though it was not paid) and followed his commands, why did you not as

at

13019 Fort St George 29th September 1857.

at present verbally inform or write an arzee when asked for money (as you state) at that time?

A It was of course to write an arzee in the matter which passed between me and him (G. Vencatarauze) for you would either deny having sent him, or say you did not Know him - I had therefore did not verbally inform, nor write at that time - I have now considered it an effectual plan to pay you personally and expose the fact to the authorities this I have now done.

2 you have heard the above is it right?

A yes it is right - I have seen it.

1st Witness Soodabattoolah Soobaroydoo, Son of Gopiah of Telugu caste and Vishnoo religion, employment Deloyel, but doing duty as Jemadar at the Moozood. aged 27 years and at present inhabitant of Cocanada, deposes on Solemen affirmation

Question.— In what language do you depose.?

Answer.— In Telugu.—

Question Relate truly what passed when you accompanied Saumenany Adenarainapa Peishcar of Pittapoor Talook last night.?

Answer.— As you directed me and the Duffadar Gopesetty Rajoo, to go along with the Peishcar of Pittapoor wherever he would take us at Amjepetta, we accordingly followed him. On the road he asked us. "do you see the Rupees tied in my handkerchief."? we replied "It is tied up, how can we know unless it is opened and shown."? We there upon opened the parcil of Rupees and said to us hold and see, what is their probable number, We both held it in our hands and said it would be about 200 or 250 Rupees. He then said I will give these Rupees to Koory Croostnaih, Magistrates Savobneviss as a bribe. I have informed this to the authority therefore you will follow me and when I call" Rungiah" you come, after the payment, you will then come and apprehend that

man

man along with the Rupees. We said very
well. He took us to the house of Tunkasala-
-war in Ambajeepettah where Croostniah lodged
and told us to stop in the place infront of
that house at a distance of 4 fathoms, he
then went inside - We seated ourselves on the
Pyals there. We know not what he
spoke to Croostniah inside, but within
half a guddee, he and Croostniah came out &
speaking some thing and stood between the
outergate and the hut on the side of the
gate and then he put the Rupees in
the hands of Croostniah we heard the
noise of it "Khung" "Khung" The Peishcar
so gave all the Rupees and in a moment
afterwards called Rungiah he thus called
"Rungiah" Just as we were saying to ourselves
that all the Rupees were given - Croostniah
asked him. whom do you call so? Peishcar
said it is my man, and as we were
then going there Croostniah called again
"Rungiah" and told also his washerman to
go and call, in the meantime, we both

went there, and stood across the entrance
leading inside - Croostniah then asked me
who are you? I said I am Soobaraydoo - He after-
-wards asked the Duffadar the same, and

Then Croostniah gave the Rupees from the handkerchief in

in his hand just as the torch was brought. I counted them by the light of the torch and found them to be 40 Rupees. A yesterday evening at half past 5 oblock as Croostinah was going home he told me to bring his Dufter to his lodging at Umbayeepetta. I took it along with him. after we arrived at his lodging croostinah told me to go to the lodging of Vandravoo Venkatrow and bring him telling him that he was very unwell and that there were many orders to be copied and despatched. I went to his lodging at the house of Canapoorapoo Brahaunnanah and delivered him this message while he was sitting on the outer pyal. He asked me how croostinah was and whether he should go to the Cutcherry for despatching the orders or come to Croostinahs lodging I said I did not know but as the dufter was brought to

Croostinahs

Croostinahs lodging he should come there. He followed me thither. as Croostinah gave thoseu orders and required him to make copies he /Ven-katrow/ was writing in the hall of his lodging and Croostinah told me to wait to carry the packets to the post. I stood leaning against outer door. In the mean time Saumenany andenoraina pah Naidoo Peishcar of the Pittapoor Talook came and went in through the outergate. He sat down on the right side pyal where Venkatrow was writing croostinah lay on the pyal in front of the outer gate while his washerman was shampooing him. as soon as Naidoo /Peishcar/ was seated croostinah said "well "Naidoogar are you come!" Croostinah then said "come "Sir" and called him into the room near the pyal he lay on, and they both went into the room. I do not know what they spoke inside and then they both

both went into the street and spoke between the hut and the pyal. then went in that direction Croostinah thereupon came direct towards the outer pyal and sat there near the post and called his washerman who attempted to draw near but Naidoo /Peishcar/ interrupted him. and told his own washerman to light the torch and croostinah said "why" and then they /Duffadar and Jamadar/ said to croostinah what is all this disturbance? give up the Rupees" Croostinah thereupon put the Rupees from his handkerchief into the hands of Soobaroydoo /Jemadar/ In the mean time the torch was brought in - as Duffadar advised Soobbaroydoo counted the Rupees there were 40. Soobbroydoo held the Rupees and said to me "have you seen this?" when the Rupees were so given there were present /besides myself/ the Duffadar Naidoo /Peishcar/ and two or three brahmins whose names are unknown to me and they saw the same. Ithen followed the Duffadar Jemadar and Naidoo /as required by them/ to your tent and after they informed you all these particulars

5th Witness Gataty Venkataraauze, son of Chinnamaraauze of the Brahmin Caste, Smartha religion, living by service aged 30 years and at present inhabitant of Pittapoor, deposes on a solemn affirmation.—

2 In what language do you depose?

A In Telugoo

2 Look at the letter now given who wrote it and to whose address.?

A I have seen this letter, this is my own hand writing. I wrote it to the address of your Magistrate Jawabnevis. Nory Croostniah.—

2 Why did you write it and on what account?

A The Peishcar of Pittapoor Talook Audemaraainappah took me to his house and required me to write a letter to the address of whatever person he would mention and said that if I refused to write he would beat me and get me dragged into a dirty place and so he dictated me

Fort St. George 29th September 1857

me the contents of that letter.-

2 How many days ago did this violence take place? that is, how many days before the said Peishcar came here.-

A About 10 days ago, or 4 days prior to the Peishcar's departure for this place he caused it to be written by me. It was 4 days before his setting out for your Hoozzoor.-

2 What is the cause of the Peishcar's threatening you with blows and your becoming afraid?

A As I was alone there and seeing subordinate business, I wrote as he dictated thro' fear what he would do to me.-

2 Who were present when Peishcar had that letter written by you? who brought the ink bottle, pen and paper?

A No body was present but myself and Peishcar. He brought himself the pen, ink bottle, and paper.-

Did

Fort St. George 29th September 1857

2 Did you tell the Ameen, the Superior of both of you, that you had been forced to write the letter.?

A No

2 Why not.?

A I did not tell because the Peishcar said he would hurt me, if I did.-

2 If you did not tell the Ameen why did you not report the matter to me by an Arzee?

A As the Peishcar was then coming to the Huzzoor and as I was not called I did not report by an Arzee. As I am now summoned to your Hoozzoor I have informed the same.-

2 Did you inform Croostnach that you have been thus forced to write the letter.?

A I informed nobody

2 Why did you not write even to Croostnach.?

I

A I did not write because there was no time and because the Peishcar said he would kill me if I told any body. He moreover added "as you are my subordinate if you reveal to either to the Gentlemen or any body else, I will kill you" Consequently I did not report it.

2 There was plenty of time why do you say there was no time?

A As Peishcar strictly told me not to reveal the matter to any body I did not write an Arzee though there was time.

2 As you have heard the letter which you say you wrote to Kroostniah what is the meaning of the writing in the postscript?

A I do not know the meaning, but as Vaidoogar (ie. Peishcar) strictly told me "write as Postscript and I will dictate" I wrote the words as he dictated

Questions

Questions by Prosecutor

2 Did you not write that letter and give it me in the Pittaspoor Salook Cutcherry?

A It is true the letter was written and given at home. If it had been written in the Cutcherry it would have been known to all.

2 When you write the letter and gave it to me in the Cutcherry did you tell me or not, that I should give to Kroostniah more than 50 Rupees?

A No Conversation took place between me and you (Vaidoo) regarding the Rupees but you said "write what ever words I tell you, if not, I will go to the Huzzoor and will see what I will do to you" I therefore wrote and gave the letter.

2 Did you or did you not say you would again write a letter to Croostnia[illegible]gar

Croostnaiagar after I had arrived at Huzzoor

A I said nothing of the sort

2 You said that you did not write for fear that if I were there I would hurt you but after I came away why did you not represent to the Collector by an Arzee without fear?

A As your people are also there, and as you told them before me that if they heard I had either informed or written any thing to any body they should inflict on me deserved punishment, as I come alone in the dark at night I have therefore informed no body.

2 You speak of my own people who are they?

A I do not know who they are as I am newly come, I do not know them nor their names

2 Who were present when I told you as above?

A As this took place in your house, there was no body else present.

2 When I called you to come to my house, what conversation took place?

A Nothing but the conversation which took place was, that "if you write letters, well and good otherwise I will give you a blow on the cheek" afterwards I wrote the letter and gave it.

2 Previous to your present appointment as acting Sub Officer of Vanteenamedy were you with the Huzzoor Cutcherry? were you then working and in whose house were you taking your meals?

A I used to write in the Sheristah Javabnevis's Vco all the Departments when I had money in hand I used to cook my food seperately otherwise I was accustomed to get food through any one who gave me victuals

victuals on each day when I got extra employment I used to go to any Talook to which I was sent and remain there for six Months. I waited some time in the Cutcherry of the Pittapoor Ameen working as a Volunteer.-

Q Previous to your coming to Pittapoor and to your being employed in the extra situation did you not take your victuals for a long time in the lodging of Nory Croostniah (as Volunteer in the Huzzoor Cutcherry at Cocanada) writing under him and attending to the duties entrusted to you by him? was it so or not?

A I did not take my victuals solely in Croostniah's house I used to take my meals in the house of Hotawar. I did not attend to the duties entrusted by Croostniah. I used to take my meals in Croostniah's house once or twice a Month. I have been also in the habit of taking victuals in the houses of Bucheuta Lutchempatty and

and Casekylu Venkatraw puntooloo.-

Q After Cumchee Ramanna puntooloo was appointed Ameen of Pittapoor Talook have you ever come and worked as Volunteer there- Are there any papers of your hand-writing in the Cutcherry?

A I used to go there, but I never did any writing work.- As he knew what manner of man I was he used to give me but little expences when I occasionally went and asked him for the same. Before I was appointed to the present Sub Officer's situation, I saw Ramanna puntooloo while at Rajahmundry for the exhibition and when he went thence to to Coadjem.-

Q When you came to Pittapoor how many months have you been accustomed to live there and whether as Volunteer or how?

A I never lived there for Months but

but for one or two days only whenever I came
for batta- after I got batta I used to remain
at the Huzzoor if told to do so

2 Did Ramanna puntloo recommend
you for your present appointment as Acting
Sub Officer at the advice of Croostnaik?

A No- I only begged Ramanna puntloo
myself and he recommended me.-

2 Did you write or not to my address
an anonymous letter by post in your hand
writing from Pittapoor?

A No

Question by the Magistrate

B 2 Look at the letter† dated 1st April of this year
to the address of Naidoo (Peishcar) who wrote
this?-

A It resembles my hand writing but it is
†other not written by me. Naidoo got two† letters written

by me one to the address of Gajendra Khanak
Nursingarow puntloo and the other to
Vadravoo Venkatrow specifying just the same
contents. The Contents of the letter written
to the address of Nory Croostnaik do not also
vary at all from those of the said two letters.-

2 Why did you write merely on his re-
quiring you?

A As he forced me, I wrote and
gave to him, I do not know what he did with
those three letters.-

2 Why did you not say this before?

A As I am directed to answer what is
asked, I did so.-

2 Then why do you tell now?

A As I felt fatigued by coming here on
foot and as I was only questioned as to the letter
which was first shewn me I said nothing about
the other letters but I now state as directed.-

Where

15065 Fort St. George 29th September 1857

2 Where did you see the said letter dated 1st. April?

A I saw it while in the letter box of Pittapoor Yalook Cutcherry and I noticed to the Head Moodutgar there how odd it was a letter of my hand writing should be in this box and asked him whether my hand writing was imitated He answered me "you need not suspect but pack up the Yappal" I there upon packed up the Yappal including the said letter.—

Questions by the Department

2 You state that you wrote and gave the above letters 4 days previous to Varadoo's setting out from Pittapoor. Why did you give them previously instead of giving them just at this departure?

A I have given them as Varadoo told me he would go away the day after he had caused them to be written by me but as he since delivered over charge to the Head Moodutgar it was delayed

Question

15066 Fort St. George 29th September 1857

Question by Magistrate

2 Pitchear states that he set out from Pittapore on the 31st. March if you had written this letter 4 days before that date, why does the letter bear date 31st. March?

A He took the letter with the contents excepting the date (meaning that the date was not entered)

2 Who put this date?

A I do not know who put it

2 Why did you not say before that you had not put the date?

A I was not questioned

2 Since you state above that you had written this letter why did you not notice the omission of the date.—

A I did not tell because I was not asked about the date.—

2 Can you solemnly state that you did not put the date 31st March?

A Yes

2 When was the date 31st put do you think?

As

Fort St. George 29th September 1857

A. As Naraidoo took that letter I do not know when it was sent.

2 State if you have any thing further to say?

A When Naraidoo took me home and had the letters written by me, he said he would go to the Gentlemans and produce to him the letter he had from Mr. Knox, and as Gentleman would afterwards show him favor he would then attempt "stomach" or disturbance against some one and take a Convenient opportunity of representing his own Case for the purpose of procuring an employment at the Hurzoor and that I should assist him in giving evidence on that occasion I said very well for the purpose of saving my life at that time.-

Questions by the Defendant

A He said he would make stomach or disturbance against one of those to whose address the three letters were written.-

Questions by the Magistrate

2 What do you mean by "stomach" why did you Consent.- 2

A I consented by force of the Naraidoo, but not intentionally I do not know what he meant by "stomach."

2 Have you any thing more to say.?

A No.

2 Why did you not tell the Gumoen even on his return from the Country that you had been forced by the Peishcar to write the letters.?

Defendant Nory Crooshnah, Son of Ramiah of Brahmin caste and Smarta Religion living by service aged 30 years, and at present inhabitant of Cocanada declares as follows.-

Q. In what language do you depose?-

A. In Telugu.

Q. As you have seen the deposition given before me by the Prosecutor Sunnemeany Audinarainappah, Peishcar of Pittapoor Talook, to the effect that you have received a bribe of 10 Rupees from him, also the depositions of the witness, what have you to say?-

A. I did not receive a bribe from him, nor did I ask him to give a bribe. On the evening of the 4th Instant I informed you that I was attacked with head ache and that I would apply medicine to my eyes. As your Muzzoor Mooshee, Ramalingum is a Doctor, I took him to my lodging and got medicine applied to my eyes at 7 O'Clock P.M. and layon the Pyal suffering from the effects of the same. I administered him and

some others were seated in the Hall and were writing. That day as I was coming to your Fort from the Cutcherry, the Prosecutor Sudenam Sane yanappanaidoo saw me and said, "The Gentleman has seen the Characters I had from Mr. Casamajor, & Co. and conversation took place on many things as well as regarding you to some extent. I will therefore come to night and inform you about the same". At about 8 P. M. as I was suffering with my eyes, he came to my lodging and sat in the Hall. I did not know of his arrival at that time, but he called Myself some while after, and said to me, "I came long ago, and must go to my lodging - but as I have something to speak to you about so urgently will you come and speak to me?" I answered I cannot come because I have applied medicine to my eyes and am suffering from chest cold "I came" said he "from Bundrabunkum, and will you come and hear a word from me?" as I had then headache my washerman was shampooing me. I then came down from the Pial went

went towards the street and stood near the post of the large outer Pial. The Naidoo also came and stood there. I asked him to tell me what he had to say. Nothing more he replied, and called "Ringiah". In the mean time two persons advanced from the Pial of the house in front, as it was dark. I asked them who they were? They said we are the Muzzoor Jemadar and Duffadar. I then thought that they all came with the view of deceiving me in some way and saying so to them with a loud voice I came into the Hall and sat there. The Duffadar and Jemadar then came into the Hall, and said, "It is said Naidoo gave rupees into your hands, give them up". I said no Rupees were given into my hands - what Rupees? this is deceitful thing saying thus much; I went into the street. Naidoo held a parcel of Rupees in a handkerchief in his hands, and he took them out, put them into the hands of Soorubarnola Soobbaraidoo Jemadar, and said count them, count them, at the same time he said "Light the torch" after the torch.

torch was lighted they counted the Rupees
and went away — My Mushalchee Pauperdorgah
:doo, and Poocha Vanakermiah of Cocanada
at present accompanying the Cutcherry begging,
both were present: and saw this. There were
some others on the Pyal of the house in front in
the middle of the street, and on the Pyal of the
house forming my lodging, but I could not
say who they were in the dark. This is what
passed. I never informed you that this Naidoo is
an improper person or that any harm should
be done to him. As admitted in his depo:
:sition that as I intended to do injustice in
his case he sent out from Pillapoor with int:
:ention of injuring me. and that after his ar:
:rival here, he acted as above. He also admits
that he and I went into the room and
spoke awhile — If he wanted to give me a
bribe I would have taken it in the room, but
why should I come into the street at his
request. This should be considered by you —
He states that I came into the street as

he advised me that the money would make
a noise, but as there were also plenty of peo:
:ple in the street, you will consider how I could
take the rupees in the street. Prosecutors Mushal:
:chee Saulaty Polegandoo, states, that on the
night in question as prosecutor, himself, and
Jemadar and Duffadar were coming
from your Tent to my lodging Jemadar and
Naidoo (Prosecutor) in the middle of the road
whether he had money or not, and Prosecutor
showed them the bundles of money, and that
no more conversation took place, where as it
is stated in the depositions of the
Duffadar and Jemadar that Prose:
:cutor showed them in the road a bundle
in a handkerchief and told them that as
he would give these Rupees to Nory Doorstuah
they should be at hand and appre:
:hend him. that they both asked
him to open the parcel and show
the contents - that Prosecutor did so
open the parcel, showed the Rupees

and

and tied it up again telling them that as I am lodging in the house of Tenkavalawar, they should stop in front of their house and after he had placed the Rupees in my hands, he would call Runjiah and that they should then come and apprehend me. It is very clear that these three persons came holding previous conversation together and you will consider how they, 3 persons, guessed that I went & then came into the street and that I should be apprehended. Though it is not likely I should go into the street it may be inferred by their depositions only that they predetermined on the road to say I came into the street and received Rupees and then that they snatched the same from my hand. Prosecution Mashalchee has not stated this because he was directed not to reveal this fact. The Duffadar and Lemadar state that after I received the money, I came into the inner room from the street, and they both stood outside

outside the doorway, that I said I would pay them each 80 Rupees and that I again came out of the room, had an opportunity been afforded of entering the room and speaching to them, I had the means of placing any where the Rupees which were, as they declare, with me simply from this you will find their statement is not worthy of belief. The said Mashalchee Potegaudo states that the Duffadar and Lemadar followed me into the room while he was standing near and that no conversation whatever took place there between myself and them. This only will show that the statement that I went into the room and promised them 80 Rupees each is quite false. The said Mashalchee states that he saw (from a distance of one fathom) Prosecutor give me Rupees. You will consider how I could take Rupees as bribe with such boldness while that man was near, and while they were plenty of people on the Pyals, in the street and on the Pyals of the houses in front. The Duffadar and Lemadar and Prosecutor

State

Fort St. George, 29th September 1857

state that I subpoened the Royal and put three Rupees into the hands of the Jemadar, while the said Mashalchee Poligandoo deposes that I stood and gave rupees. This discrepancy also should be taken into your consideration. Prosecutor states that the handkerchief containing 8 rupees had white spots, but the Duffadar and Jemadar state nothing regarding its description. The Mashalchee Poligandoo in one place states that he could not see what kind of handkerchief it was as it was dark, and in another that he could not say owing to lighting of the torch. Prosecutor himself states that Canchee Ramanmah junior, the Head of Police of Pittapoor, informed you both by Arzee and in person that Prosecutor did not perform his duties properly or attend to the Office in time, and that he should be changed elsewhere. While the Head of Police was on such terms you will consider whether it is true or false that he should send word to the Prosecutor as a friend to take 100 Rupees to the Moozoor and pay the same to

Gajandrakhanah

Fort St. George 29th September 1857

Gajandrakhanah Narsingurow. and myself as a bribe for setting his affair, and this only will easily convince you that Prosecutor bears a spite towards me from what ever reason, and with a view to hurt me accuses me in many ways from the beginning, that is since he left Pittapoor. One named Deesa Salah Sattanah having presented your an Arzee in the Revenue Department reporting some concealment in the Motorpha revenue in the Cuntemane by Division the Tumeen of that Taluk with reference to your orders sent a Management peon, Baharmun Soobbaraidoo, and others to Cuntemane by Vc. for the discovery of the Motorpha concealment, but the Head of Police of Pittapoor Taluk reported you that the said people were charged before the Head of Police of the Nuckapully Division in Vizagapatam District with having robbed property in one village attached to his Division and as required by the warrant from that Officer they were apprehended and sent to him by the Sub Officer of Cuntemane by and that the said Head Police Officer of Nuckapully ultimately

Committed

committed them to the Court: Thoo peons
Baheerum Soobbaraidoo, &c. thereupon addressed
an arzee to you to say that the Goomastah of Vuntie-
mamedy choultry, named Yerramilly Venkatachellum,
falsely brought the said accusation against them-
you have in consequence summoned the said
Yerramilly Venkatachellum, Sub-Officer, &c. to the
Muzzoor for enquiry, but they suspected me of
having represented something against them
and caused their attendance before you. They, the
said Venkatachellum &c. having that Naidoo
(Prosecutor) is called to the Muzzoor have now at-
tempted to bring a false accusation against me.
consequently it is very plain that Prosecutor was
prepared to do me some injury since he left me
Pillapoor. The Muzzoor Duffadar's elder brother
Appamah, a Duffadar in Bickavole Talook, was
dismissed by you in the Magistrate Department
Dabay Balajee, the elder brother or uncle of the
Muzzoor Balajee Dubay Sarakooram, was deputed
by your orders to do duty at the Nagumpully guard
in the Cottapully Talook, while acting as cutwall
at Cocanada. For these reasons and many
others that the Prosecutor may have told

them, they gave false evidence that I sent
rupees into the hands of Soobbaraidoo, and
that I told them I would give them a bribe,
but it is not the truth.

I do not belong to this country nor
have I any relations here. Last year I repre-
sented to you that the people of this country
would deceive me in many ways, and you
were pleased to say that you would dispose
of such matters after due enquiry into the
truth of them.

Prosecutor also states that Golaty Ven-
catarauzu gave him a letter to my address and
adds that he brought such letter to strengthen
the charge which he was then to bring against
me. The said Venkataurauzu moreover states that
he was obliged to give three letters to the Naidoo
(Peishcar) to the address of myself, Gajendrakha-
nah Narasingarow, and Vandroo Venkatarow,
owing to the compulsion used towards him.
you only will judge with what view the Prose-
cutor and Venkataurauzu framed those letters.
Prosecutor admits in his deposition only that
he was determined to injure me and after-
wards making

making the necessary endeavours brought the present charge consequently I beg you will bring it into due consideration.-

Q Do you wish any witnesses to be examined in this case on your behalf.?-

A I have 2 persons, namely my washerman Canpoodoo yandoo and Poochah Zane Reamiah, also 2 other individuals as specified in the list which I presented you the day before yesterday- I beg you will examine them and afford me justice.

Q You have heard the above is it right.?-

2 Did Saumyasamy Audenarainappa come to the house at Ambagapettah where Henry Croostmah lodged?

A Seven days ago on Friday at about 10 Godrias at night Audenarainappa Naidoo came to the lodging of Croostmah and sat in the inner Hall. Several persons, there present, names unknown, praised him as having acquired a large sum of money. I also said that he spent all the money acquired. He afterwards asked the people there where Croostmah was

and they said that he was lying down having put medicine to his eyes. Naidoo then asked Croostmah to give him a moment. Croostmah said he had a head-ache and had put medicine to his eyes. I then went out near a Cocoa-nut tree for the sake of enjoying the breeze and stood there. a Goodrah, or Canjee, named Narasah then came out of the house in front of Croostmah's lodging, in order to wash his hands having taken food. I asked him the way leading to the Village of Monadoo Conkah. In the mean time Croostmah and Naidoo both came from inside to the Pyal near the outer gate. Naidoo said to Croostmah, "hold, hold," Croostmah said, "what is it?" Naidoo answered, Rupees. "What Rupees for me!" says Croostmah, are you come to deceive me? saying this, he went away inside, and then the Naidoo called out. who? what? In the mean time a tall and a short man came up and they both went inside.

Naidoo

Vardoo Kept the bundle of Rupees on the Pyal, directed his washerman to take care of it and went inside. Those who were in the Hall asked Red. Vardoo what it was? and then Crooshnah, Vardoo, the washerman, and the aforesaid tall and short men, came from inside into the outer yard. Vardoo then saying here are Rupees took up the bundle on the Pyal, and gave it into the hands of the tall man and as the latter was counting the money the washerman of the Vardoo lighted the torch. — after counting the Rupees Vardoo, washerman, and the tall and short men went away. I do not Know where. I was then in the street only Crooshnah went inside. This is what passed.

2 How long after you came out to enjoy the breeze did Vardoo and Crooshnah come out from inside?

A They came out immediately

2 Did you not go inside afterwards?

A No, I lay on the outer Pyal.

2. Do you Know what passed inside?

2 How long before Vardoo's coming there were you seated in the Hall?

A I dressed my victuals in the inner Verandah of the house where Crooshnah lodges. I took my meals and just as I stepped into the Hall. Vardoo came up there.

2 Since you have seen Vardoo wanting to give Rupees to Crooshnah, and the refusal of the latter and his (Crooshnahs) going inside and the Vardoo's going inside, leaving the parcel of money on the Pyal. why did you not follow them inside to.

to see what would take place?

Croostniah said "I have applied medicine to my eyes, and cannot speak"—

2. What passed after Croostniah came again inside?

A. Croostniah sat in the Northern hall and said "this Naidoo Vca, during making some stratagem has come at such a late hour of the night with a view to disturb me in this manner and the Naidoo wanted to give me Rupees What is the cause of giving them to me, I did not take them" I said "how could we know what stratagem it is, I say nothing" Those who were then present said the same.

I

A. I do not know because he had not informed me what business he had to do. It was afterwards said to be a matter of giving and receiving Rupees.

2 Did you not see Croostniah's peons &c., go into the room to the South of the inner hall?

A As I sat in front of the gate I did not see whether they went or not into the room behind me.

2 Did you see any thing in the hands of Croostniah when he came again inside after he had gone out the first time?

A. I did not see distinctly. I do not recollect how he held his hands.

2 As Naidoo came and offered Rupees did you think that he came to deceive Croostniah or merely to give him a bribe?

A. As I had not seen any thing passing between Naidoo and Croostniah up to that time, I am unable

unable to state what was his intention in coming.

2 If any person came to deceive a respectable man what should be done?

A It should be made public and laid before the authorities.

A. I do not recollect that I said so, but I said "whatever misfortune was destined to be fall any one at any time, it would then happen".

Prosecutor
Summary Subordinate
for Police Peshcar.

Defendant
Cory. Kettiah
Magistrate's Jamabu-
-nevis

Defendant is charged with having at Ambajeepetta in the Railey Talook at about 8 o'clock P.M. on the 4th April 1858 received a sum of 40 Rupees from the Prosecutor as a bribe to secure his good offices with the Magistrate.

The Prosecutor in this case had been sent for to the Magistrate's Office in order that the latter Officer might personally ascertain what grounds there were for the reports made by the Head of Police, who complained that the Prosecutor Police Peshcar of the Talook was incompetent and unwilling to discharge the duties which devolved on him. The day after his arrival he requested an interview with the Magistrate when he represented that the Magistrate's Jamabunevis (Defendant in the case) was asking him for money to make matters pleasant. He also produced a letter

15106

Fort St George 29th September 1857.

which he stated had been written by one Gotaty Venkataramy, a party who had been sent from the Magistrate's Office temporarily to supply the place of Sub Officer of Police Mamedy who had been suspended and given to him (Prosecutor) to give to the Magistrate's Jamabunevis. The letter commanded the bearer to the tender mercies of the addressee and begged he would let him off cheap. The Prosecutor proposed that he should pay the Jamabunevis a sum of money, and that arrangements should be made to detect him flagrante delicto. For this purpose the Magistrate sent the two Tuffadars of his Cutcherry and the result is shown in the statements of the Prosecutor and these Tuffadars confirmed by that of another Peon who was present on the occasion. It is seen from their statements that the Prosecutor went to the house in which the Jamabunevis had put up, called him outside, placed the

the money in his hands. after
which the Suffadars were called
when the receiver discovered he had
been caught He did what he could
to escape giving back the money
and to proclaiming his mendicity but
without effect. and he after con
=siderable hesitation delivered it
up. and it was at once brought by
the Suffadars to the Magistrate.
The latter Officer has no doubt
whatever of the truth of the ac
=count given by the Prosecutor and
the Suffadars as to what took place
at the house in which the Jama
=dars halted. To test their evidence
he took them to the place and made
each. separately. in the absence of
the others. point out the
different spots at which each
stage of the proceedings. as detailed
by them. took place. and their ac
=counts tallied on every point of
importance. The man who wrote
the letter above referred to. was
at once sent for. He admits
having done so but says he was

compelled to write the letter by
the threats used towards him by
the Prosecutor. He cannot however
say how it was that he did not bring
the matter, as soon as he was relieved
=ed by the Prosecutor to the notice
of the Head of Police, or to the Ma
=gistrate, or even reported it to the
party most interested. the Jamad
=ars. His statement that he was
forced to write the letter carries
falsehood on the face of it, for
=ther letter subsequently written
to Prosecutor by the same party.
=as is clear from the hand writing
though it is denied by the man
himself. is also produced by Prose
=cutor. The former certainly would
not have written to the party who
had previously extorted a letter
from him. A servant of the Pro
=secutor is brought forward as a
witness. the Magistrate has reason
to think that this man has de
=posed to facts of which he was
not cognizant. and does not
place much confidence in his evidence.

The accused denies the
charge

Gatety Sonka
=taraya

charge. States it has been brought out of spite as the accused having accompanied Prosecutor out of the house when he says the Suffidars were called and money in Prosecutors hand given to one of them. Names four witnesses who were duly examined, only two of them give evidence materially in support of the accused's statement and their evidence is not in the Magistrates opinion worthy of credit. It is most strange that the 1st / the accused's servant should have taken he was aware that some subject out of the ordinary kind was about to be disturbed accompanied his master outside of his own accord, as he states he did and the story of the second who went outside for the sake of the sea breeze is very improbable. The conduct of the accused after the affair was not that of an innocent man. Had he not been conscious of guilt he would at the moment have

have appeared before the Magistrate and denounced the conspiracy against him. The Magistrate is satisfied he did take the money but as he cannot be said to have abetted any Police authority, for he had none, and he did not take the money to do or refrain from doing any particular act he cannot the Magistrate apprehends, be punished under Regulation III of 1819; nor does his case, being a Magisterial servant, come under Regulation IX of 1822. Under the circumstances the Magistrate can only dismiss the party from his situation, which he now does from the date of his suspension.—
