No. 208

To.

J. D. Sim Esqre.

Secretary to the

Board of Revenue

Fort St. George

B. No. 5123

From the Collector of Trichinopoly.

Submits Report with reference to the Boards Proceedings of 2d October 1857. No. 3323 on the subject of Kuttay Shelavoo.—

Sir

Para 1. Referring to the Boards Proceedings of the 2d October 1857. No. 3323. on the subject of Kuttay shelavoo I have the honor to submit the following report framed upon the best consideration I have been able to give to the subject and the fullest information at my command.

2. In the Manapara Talook lately transferred to this District due provision has already been made for the village sibbundies by the apportionment of Maniam lands when the assessment was made there Nothing therefore need be done now.

3. Agreeing with the Boards view of the expediency of abolishing the Kuttay shelavoo and allowing a fixed remuneration for

for village Sibbundies to be obtained by a per-
centage on the bariz of each village in place of
the grain and money fees now levied from the
ryots I would beg to recommend the under-
mentioned rates as Calculated to ensure the
Object in view.

Pay for a Curnem 4 per Cent on the bariz of the villg
" " a Puttahmaniahar 1 per Cent Ditto. Ditto. Ditto
" " a Nottakar ½ Ditto " " "
" " a Nat Curnem ½ Ditto " " "

6 per cent on the Bariz

4. A Statement prepared Ta-
lookwar shewing the Maniam land allow-
-ed by the Circar for the village servants and
the fees levied in in Money and grain from
the ryots together with the proposed rates of
remuneration to be obtained by a percen-
tage on the Bariz is herewith submitted By
this Statement the proposed percentage
struck on the Bariz of fusly 1266 will be
seen to exceed the aggregate sum hitherto accruing to
the village sibbundies from the above mentioned two
sources of supply by Rupees 7000 and excess which for reasons
hereafter

hereafter assigned would not appear too
much.

5. It is evidently very desirable
that the percentage should be uniform
in all the talooks it is so however in only
2 Arrealore and Codipallium In
Tarriore and the Wet Talooks the mode
of paying the Sibbundies is not uniform
and in Volcondapooram the percentage
being obtained in Dungavary is Variable
which Causes a further inconvenience in
the preparation of the accounts, Hence and
as in Cases of a rise or fall in the Bariz the per-
centage might be objected to an uniform system is much
to be preferred.

6. In some Villages no Notakars are employed and in
others Notakars as well as Puttahdars receive little
or no pay. Whilst in some Villages in
the Wet and many Villages of the Dry Ta
looks the duty of Notakars has been
performed by Curnems or Goomastahs
employed by the Village people There
is

is consequently a great opening for abuses which seldom come to light. This would be obviated if the Collection Accounts were entrusted to Natakars for whom a remuneration of ½ per cent is proposed.

7. In putting down the pay of Curnems at 4 per Cent on the Bariz it might be objected that such a rate would be too high: in large Villages there are however few such and in them 2. or 3. Curnems are always employed or in case where only one Curnem is employed in a large village he has to keep his own Assistants to share his work and do his duty when he has to attend the Jummabundy or Talook Cutcherries To meet Cases of fluctuations in the Bariz of a Village the number of Curnems to be employed therein and the appointment of their pay should be left to the decision of the Collector.

8. The pay of the Puttahmanias kars was formerly at 1 per Cent and a half

half per Cent. When submitting the question of the remuneration of Village Moonsiffs such Puttahmaniakars as were in receipt of Kutlay shelavoo were excluded and the Moonsiffs pay proposed at 12 Rs. per Annum which should also be received by every Puttahmaniakar who may perform a Moonsiffs duty. A deduction of 1 per Cent from the Bariz is therefore suggested for the whole.

9 The Ain Talook sibbundies of this District are small and head Curnems who are paid by Kutlay shelavoo fees besides performing the adungul shothany and Azmash business are also engaged in preparing and Copying

Copying the Talook Cutcherry accounts and other papers the customary levy of half per cent is therefore proposed to be retained on their account

10. With the objects therefore of ensuring an uniform rate of money remuneration for the sibbundies in every Village and to provide for the support of the same a levy of 6 per cent as above detailed on the Bariz of each Village is recommended This as mentioned in para 4 would probably entail an excess of Rupees 7000 compared with the old mode of payment which will not perhaps be reckoned too much in comparison with the object gained

11. If the plan of remunerating Village Sibbundies by a percentage in

in the bariz of the Village be adopted, the teerwa of the Manium lands now held by them will of course be deducted from the pay allotted by Government.

No. 236.

To J. D. Sim Esqre
Secretary to the
Board of Revenue
Fort St.e George

Sir,

B.d No.a 5573
From the Collector
of Trichinopoly - - 3

As required by the Board in their order of date the 29th October 1858 passed on Petition No.a 3093 of 1858, I have the honor to furnish the explanation for not Considering the Curnum and Monegar deserving of dismissal or removal.

2. The village Officers were charged before the Head Assistant with levying from the Petitioners the Sum of Rs.a 12-4 extra and over and above the amount of their Pattahs The charge was proved and the Head Assistant passed a decision under Section V of Regulation IX of 1822 awarding a penalty of twice the Sum Extra Collected And further directed the dismissal of the Monegar and the removal of the Curnum to another village.

3. On appeal, I considered this Sentence excessive, as being in fact a double punishment. Neither Contemplated by the law, nor warranted by the Circumstances of the case The amount of Extra Collection was not excessive, and the parties might have easily resisted the Exaction I accordingly modified the award by cancelling the dismissal and removal

4. The Original Petition is herewith returned.

B. No. 5701

From the Collector of Trichinopoly

Sir

Para 1 As required by Extract from the Proceedings of the Board of Revenue No. 3890 of date the 15th October last, I have the honor to furnish a report on the subject of the topes and Plantations alluded to in the Petition of Zorah Begum widow of Motabar Khan Bahadur Thakir.-

2 I beg to transmit two Statements the one shewing the rent derived for the past ten years from five Gardens situated in Cullatore and from other Villages together with the Amount of existing rent and the date of the expiry of such rent.

The other exhibiting the extent of land occupied by fruit trees, and Cultivation with the assessment to be fixed.-

3. There can be no question but that

Fort St. George 28th December 1858

that the Gardens were created by the Petitioners Ancestors, and were in their possession until the year 1815 when they were attached by the Government.-

4 The reason for these Gardens having been rented is that no final instructions were received to my letter No. 134 of the 12th July 1858 written in reply to the Order of Government conveyed in Extract Minutes of Consultation No. 298 of the 6th March last and of consequence I did not feel competent to grant them on Puttah. Besides these lands are more Garden than Topes.-

5 Of the 5 Gardens in question, three are rented by the Petitioner and in her possession, and may be at once assessed with the land tax and entered in her Puttah. The remaining two Gardens or topes can be likewise transferred to the Petitioner, on the expiration of the present lease rent.-

The case on the opinion of the Madras Civil judge turned solely on the question whether Mootoosamy Sawer (Plaintiff's great great grand father) was the second son of Rackery Poola Tever which the defendants deny but it is evident that various other considerations have to be taken into account in the determination of his claim to the Zeyikt understanding of which it is necessary that the Court should possess a brief statement of the family history and contents for the last 60 years.

On

On the forfeiture of the Estate in 1795 by the Rebel Mootoosamy Sathapathy the government at once transferred and finally by a Sunnud & milkaut istimrar dated in 1803 granted it in perpetuity to his sister Mungalaswara Nachear the widow of Ramasawmy Sawer the nephew of Mootoo Vijeyaraga through whom Plaintiff claims.

The said Mungalaswara Nachear (obiit 1813 or 1814) adopted Ramasawmy alias Mootoo Vijia Raghunada Sathapathy the last brother of Chinnasawmy Plaintiff's grand father.

The Chinnasawmy in 1824 commenced an action (No 2163 of 1824) against the Ranee Mungalaswara claiming that the wealth and privileges of Ramasawmy should be conferred on him by reason of his having been nourished and brought up from infancy by her husband Ramasawmy Sawer which suit was eventually dismissed.

In or prior to the year 1872

Some

Some dispute arose about the Succession to the late Ramen Estate when the Plaintiff instituted a brief investigation as to Ramasawmy's adoption and in 1843 a Suit was commenced against him (No 53 of 1843) in the late Provincial Court by Sawyasamy Nachear (daughter of the rebel Mootoosamalinga Sathasivan) who claimed the Estate as heir of her father She obtained a judgment which was reversed by the Supreme Court in No 184 of 1846 pronouncing the defendant Ramasawmy to be the lawful heir of the House and his adoption to be in all respects good and valid which decree was affirmed on appeal by Her Majesty in Council

Ramasawmy whose rights were thus definitively settled married Mootoo Veyrapoo Nachear Sister of Ramasawmy whom he subsequently adopted and of Veyrapoo Nachear Plaintiff Mother

This Ramasawmy Sathasivan by the adoptive Son of Ramasawmy married the first Defendant and died in 1850 leaving issue two Minor daughters Thangachimma Nachear

Nachear and Veyrapoo Nachear and having previously as admitted by all the parties appointed Mootoosamy Nachear his Sister by blood and Mother by adoption and Mootoochetty Saver his brother by blood) as guardian of his daughters and manager of their Estate to the exclusion of her widow the present 1st Defendant. On the death of the Minors without issue a Suit (No 53 of 1843) was brought by Mootoosamy Nachear to determine whether she as the adoptive Mother or the 1st Defendant as the widow of the late Zemindar had title to succeed to the Estate that Suit was compromised on the Plaintiff Mootoosamy abandoning the right to the said the Defendant the first Defendant on this case.

Such having been the state of things since that time the Plaintiff comes forward in 1853 averring that upon the death of the Zemindar Ramasawmy 1st Defendants husband he as a Coparcener of an undivided family was entitled to succeed in preference to the Widow. His relationship and its consequences were denied by the first Defendant and

and the Acting Civil Judge being of opinion that the Plaintiff had failed to prove such relationship claimed he said with Costs dismissing also that to be had he established such relation ship any rights which might have otherwise in such case accrued to him had been extinguished under Sections IX and X Regulation II of 1802 by the Said N°280 of 1806 instituted by the grand father Chinnasawmy-

Judgment.

In appeal the Said Board after consideration of the record and hearing the Council of the respective parties have arrived at conclusions differing from those of the Court below both as regards the Plaintiffs pedigree and the effect of the Said N°280 of 1806-

The Antecedent losses instituted as has been explained above by Plaintiffs grandfather Chinnasawmy Iyer

an assertion of a certain right he imagined himself to possess to the succession of the Vance Mungalasawmy, an account of her husband Ramasawmy, having brought him up from infancy, this claim was rejected, but he never put forward any claim founded on hereditary right or consanguinity nor indeed could he possibly have done so, as at that time as his Father Muthusawmy Iyer, and his Elder brothers Muthuvachel Iyer and Soorapooty Iyer were living and standing in his way on that ground, it is evident therefore that the question now raised did not receive judicial decision in 1806 and consequently that the provisions of the Regulation quoted are inapplicable to the present case.-

From the omission in N°280 of 1806 to set forth the relationship now contended for

for, the Acting Civil Judge does also discern an inference unfavorable to his existence which does not appear to this Court to be warranted, as from the nature of the case the plaintiff was under no necessity of so doing. Nor can it attach the same weight as the Acting Civil Judge to the documents A.B.C (depositions before the Collector taken in 1812) Related upon para 23 to 28 of his Judgment as describing facts incompatible with the supposition of the relationship now set up as in the 1st place, the Natives are not in such positions as other Courts as to the natural relationship between the adopter and adoptee as evidenced by the Statements made by the parties as well as by the very fact of Ramasawmy adopting Ramasawmy his wife's brother and as the paper

papers in question moreover are merely depositions, not taken judicially or on oath, but simply in a Cursory inquiry by a Revenue Officer in 1812 touching Ramasawmy's adoption which immediately afterwards became the subject of regular Judicial investigation in Suit No 3 of 1813 in which it was directly and positively affirmed by the defendant Ramasawmy himself, and his witnesses, that this Ramasawmy was a Dayadee, or Cousin of Ramasawmy Sauri family, or in other words that Ramasawmy's natural Father Mantoocaroopa Sauri was Ramasawmy Sauri's Cousin. If such Statement was put forward in that case as the Acting Civil Judge has assumed in para 23 of his decree merely to meet an objection to the validity of the adoption

it is natural to suppose that these depositions taken of recent date would have thereon brought forward for the same purpose as has now been done by the present defendant but neither these documents or any others were so adduced nor indeed was it even asserted by the Plaintiff in that case, that Ramasawmy's adoption was bad because he was not of this, but because of his illegitimacy which amounted in fact to an adoption that of legitimate heir was of this

Having thus stated why they held the Suit No 261 of 1804 to be no bar to the Plaintiffs present action and why they consider the Defendant to have failed in his denial of his relationship as alleged which is fully established by

by the oral and documentary evidence of the Plaintiff, the Sudr Adalut have to approach the questions which next present themselves and which it is necessary to decide before looking at any which might remain viz.

1. Supposing the Plaintiff to have ground of action has he come forward in time?

2. Supposing the ground of action to be what Plaintiff states it to be, is he the party entitled to maintain it?

It is clear that if Plaintiff be right in asserting the Zemindary to have been vested in Ramasawmy Tauer husband of Mungalaswara Natchiar and his heir the Plaintiff on the death of his race ought, upon her death in 1807 to have succeeded his claim instead of allowing Ramasawmy to succeed

succeed to the Estate and afterwards
defend his title thereto in Suit 1123
of 1813 against Seeragamy Natchiar
the daughter of the Rebel Mootoo
Ramalinga Tever on appeal from
which the Sudr Udalut decided
in No 18 of 1816 that the deceased
Rajas adoption of Ramasawmy
was legal and had destroyed
the presumptive rights of inheritance
which appeared to have been
previously possessed by Seeragamy
Natchiar Since that time
therefore the Estate has been
held by the heirs of Mungalaswara
Natchiar in avowed opposition
to the whole line and Kindred of
the husband Ramaswamy and
the Sudr Udalut Considering that
the law of limitation having begun to
to run at least in 1816 if not in 1807
against any claim derivable
from

from Ramasawmy Tever ran out in 1827
about 30 years before — the commencement
of the Suit Law & Opinion that such could never
be pressed again by any one claiming through Ramasawmy
any Tever as the Plaintiff does.
Supposing the Plaintiff could be
lifted over this bar another would the Court
think proper to lift on the Circumstance
that when upon the death in 1830 of the
last male heir of the Kaure Mungalaswara
Seeragamy an opportunity was afforded to
all the opposing Claimers to prefer any
Claims including Plaintiffs father
Tever deceased by also Mungalaswara
Tever of asserting their pretensions
neither he or any other member of the
family made any claim or took any
steps until now — and supposing against
Plaintiffs father to have held against
Right of action dating in 1830 the last 1816
and Plaintiff could not plead that
the law would have run during the interval
solely against his father and that the
Plaintiff might take a fresh period of
twelve years from his subsequently attaining
his majority. it being clear in such case he
Could at most be held entitled to the last year
of

of time remaining to the Father More again therefore the Sudder Adalut Court to consider the Plaintiffs action to be barred by the law of limitation

If these Law did not exist to forth appears to the Court that the Plaintiff by his own showing and by the record has no right to come into Court supposing him to have had good the claim of the line of Ramnads among and that it had not been as a Calamity would have been extinguished by time there stand before him in succession the two sons of Sooriapooler Tauver the Elder brother of Chinnas among the Plaintiffs of whom Ramanja Tauver appeared as 1st witness, and also Pootoo among Tauver the younger brother of the said Chinnasamy who appeared as the 5th witness in this case stating indeed in their depositions that they desired to renounce in favor of the Plaintiff a renunciation which could in no case be useful to Plaintiff as they by lapse of time had long lost any claims they ever could have had.

Under this view of the case

case the Court of Sudder Adalut resolve through negativing the grounds on which the Acting Civil Judge has proceeded to affirm for the reasons above assigned by them so much of his decree as dismisses the claim of Plaintiff (Appellant) which costs ordering also that he pay all costs in appeal.

From the Complaint preferred by Sooba Naick the Plaintiff on the 26th May 1858 it appears that the Munbalum Office of the Village of Putchampooroom was enforced on Vaky Allaghary Naick Plaintiffs father in Fasly 1212, that the Plaintiff succeeded to the Office 15 years ago but being obliged to proceed to Tiruvanna alum Talook in Fasly 1249 on private affairs, the Plaintiff nominated one Sooba Naick Defendants father as his Germastah or Substitute that the latter should enjoy the perquisites derived from the village and out the produce of the Mauniam Lands that on the absence of the Plaintiff the Office

The Defendant on the other hand states Vaky Allaghary Naick in whose name the Munbalum or question was entered is his ancestor that his late father held the same for a period of 40 years and he is in the Enjoyment of the same since 2 years that the name of Plaintiffs father is Vaky Naick and not Vallaghary Naick as was alleged by the Plaintiff and the Office has been registered in the name of his (Defendants) father Sooba Naick by an order from the Head

The Plaintiff deposed that Kasy Allaghiry Naick is his grand father and that his father Kasy Naick died 30 years ago that he was at Sevoomungalum for about 20 years during which time the Monigaron Office was held by the Defendant that he returned to the Village in April 1857 and that the Writer of the Complaint has misrepresented the facts.

The depositions given by the Parties and the Witnesses the Copies dated 7th November 1845 of the Marriage of the Rammad Gumindary and that of the Taleek Amount have been perused although Kasy Allaghiry Naicks name is entered in the Registry the Plaintiff appears to have been absent from the Village 20 years and the Office in question held by the Defendant during that

Sir

With reference to your letter dated 7th Instant I have to express my regret at the delay which has occurred in answering your letter No. 1276 of the 24th Ultimo to which I now have the honor to reply

2 As I understand Colonel Lowfords intentions with regard to the proposed appointment of Mr. Ottmann to the Post of Maramut Superintendent of the Zemmindary of Shevagungah all that would be necessary would be that Mr. Ottmann should furnish the District Engineer with periodical (monthly) reports of his proceedings in the form of a Diary or inspection Report and submit for his countersignature Estimates and plans for new works of magnitude and importance if any such be proposed to that extent there would be no difficulty

Fort St George 28th December 1858

difficulty in exercising control over Mr. Ottmanns professional conduct.—

But with the present Establishment I could not attempt to supervise in detail the proceedings of the superintendent either with reference to the execution or expenditure on the numerous repairs and minor new works with which he will be entrusted.—

Difficulty may arise in case where the interests of Government and of the Zemmindaries property may appear to clash the Superintendent in such cases would of course have to do his duty to the Zemindar although in so doing he may have to oppose expressed opinion and perhaps subvert the plans of a Senior Officer of the Department to which he is permanently attached I do not however anticipate any serious inconvenience from this source.—

Herewith returned

With reference to the Boards Endorsement on the Petion No. 3455/1858 I have the honor to report that on the complaint of the Petitioner the Shroff in the Talok Cutcherry was arraigned before the late acting Collector Mr. Hathaway under Regulation IX of 1822 on a charge 1st of having contrary to the orders of Government, disposed of a piece of building ground, the usufruct alone of which had been allotted to him to Vavanam Mohdeen Kolavan for 15 Rupees and 2nd of having levied for his own use for the different Natagars 1/4 percent on the annual collections of Revenue.

2 The acting Collector considered the 1st Count not Proved.—

3 With regard to the 2nd count it appears that one Natangar 5 Natagars one Cunnum and

22409. Fort St. George 28th December 1858

and a cunnum's Goomastah were examined and and accounts were filed which were given up some cadjan accounts were filed which were given up to a Dalayet deputed from the Woyoor by the Pulloor Mellor Munjumputty and Kedarputty Natagars.—

4 The witnesses severally deposed to having given the Defendant present of grain vegetable and money demanded by the Defendant and the Cadjan accounts proved authentic by the Cunnam of Mellor and his Goomastah in the opinion of the acting collector confirmed the testimony of the witnesses

5 The acting Collector accordingly convicted the Shroff of being in the habit of demanding and receiving small fees and presents from the Natagars although there is no proof that it was for improper purposes and ordered him to pay a fine of 6 Rupees with a warning to abstain from such practices in future

6 The acting collector also fined each of the Natagars who admitted having made presents to the Shroff in the sum of 2 Rupees each

To
D. Mayne Esq
Acting Magistrate

Sir,

I have the honor to report the following case of misconduct

on

22441. Fort St. George 28th December 1858

on the part of the Tahsildar of Shen
kottai Taluk with a request
that you will apply to the Board
of Revenue to sanction his dismissal
in the event of the same being sanction
ed, I beg to nominate as his successor
the Moozoomdar of the Tenkarai Taluk
Tirumalavan. I have suspended
the Tahsildar pending further order
and request you will direct Tirumala
van to enter on the duties at once.

2 The case against the Tahsildar
though not one of actual torture is very near
it, the Tahsildar having exceeded his proper
authority & afterwards perverted his power
as a Police officer to be used to coerce certain
Ryots of the 1st Bangaram of Ullagaramandei
to make them pay their rents to the 1st
Bangaram Renter. The case is a peculiarly bad one
and Critical one because the demand
made on them is strictly illegal and
the conduct of the Ryots is not to
blame, they are perfectly justified
in refusing to pay the demand as
made

22442 Fort St George 28th December 1858

made on them. The Renter has not
and will not tender their Pattahs
as required by the Regulations
The Ryots simply say give us Pattahs
and we will pay, without Pattahs
we won't pay as the Renter will not
do so they have fallen into arrears
on the 9th September 1858 the Tahsildar
issued what he calls a "Revenue
Warrant" in the name of a Peon Shaik
Mustan to go & upon these Ryots to pay
up at once in default to bring them
up before their Head no Ryot that this
document is throughout illegal. The
Peon went to the Village and collected
the Ryots they refused to pay, he attempted
to compel them to come with him to the
Taluk which they decided one of
their number Ramasamy Naick as
agent and came to me complaining
that he and others had been put in
a shocking position and ill treated by
the Peon to make them pay this they have
done

down through great contradictions in the evidence and I do not believe that the charge was wholly true.

3 The Peon made a report on the 2nd September 1858 to the Tahsildar that the Ryots had beaten him and torn up his Kurnam Warrant, on the 23rd the Peon gave a deposition before the Honorable in the absence of the Tahsildar to the same effect whereupon on the 25th the Honorable issued a process for the apprehension of the Rioters and a Summons for the Peon to appear. This came to my notice through the Peon appearing in my Office to sign Ramasawmy Naick's Petition in case No 2 & immediately sent for the rest of the parties who accompanied the Talpok the 1st and all the parties who had been apprehended with the Peon (Prosecutor) and his witnesses were sent for me. On going to the Town Court I found all the witnesses greatly contradicted each other and it was impossible to come to any other conclusion

conclusion that the whole story of the tearing of the warrant and beating the Peon is a fabrication to get up a Police charge against the disputants to coerce with them into payment. The tearing of the warrant is described as in the open warrant was snatched from the Peon at once torn into pieces and thrown away it is torn into several pieces now that has evidently been made deliberately and carefully in a sort of zigzag fashion the warrant having been doubled up for the purpose. The charge made against the Prisoners is false even if true it amounted to a slight misdemeanor only a Summons for appearance should have been issued instead of which they have been seized and illegally detained in Custody and put to great trouble and inconvenience. I have dismissed the Honorable has not issued this warrant to the first of a Talpok formerly as

Fort St George 28th December 1858

as I am certain it was given merely
for the purpose of coercion —
4th The warrant for apprehension
was issued on the 23d September after
a delay of 13 days on the 4th October
1858 — 8 persons were produced before
the Head of Police without any return
shewing the days on which they were
apprehended: The prosecutor and
witnesses were also present on the
Jail ground on the 4th from that day to the
11th the day on which the parties were
remanded to me by my order the prisoners
were kept in guard and no inquiry
made into the charge preferred against
them The return to the Summons for Witnesses
is falsely made to shew that on the
Witnesses were only present on the 11th
The Head of Police can give no explanation
as to why the Warrant then says he
apprehended the Prisoners on the 4th
5th and 6th October The Prisoners say
they were apprehended on the 23d September
and kept at the Police Station till the 4th October
last

Fort St George 28th December 1858.

that 2 of their number were hand Cuffed
under authority of the Warrant and
the last only escaped the same degrada-
tion after paying 10 Rupees for
and that during their detention in
the Jail they were disgraced by
being paraded hand Cuffed through
the Town of Chintadrepettah when
going to take their meals and had
to bribe the guard to let them eat
I do not believe this they contradict
each others and appear to have ex-
aggerated their sufferings But
it is beyond all doubt that they
were illegally seized and detained
in Custody on a false charge and
in spite of repeated Circular orders
to dispose of Cases within 48 hours
detained in the Jail at Cuddalore the
parties against them being present
because the Head of Police would not go
into the case The Prisoners can only have
been

been so treated to force them into complying with the Renters illegal demands, I aid in doing which the Tahsildar has his authority as Head of Police. I have before brought to your notice in Letter No 29 of the 30th September last the careless conduct of the Head of Police in conducting his Police proceedings — In last year he was fined 5 Rupees for delay in a Police case in Revenue cases he has been frequently fined for delay he keeps no Cowle or his under hands and is utterly incompetent to conduct his Revenue duties it is only after repeated references back to his office that any case can be brought to a Conclusion.

Translation of an order issued to the Tahsildar of Shantamanivanal Taluk by D. Magnac Esq Acting Collector of Tinnevelly.

Sheik Veeranal your Ryots No 17 and 135 with their accompaniments respecting the Land of

of the Inquiry held by you regarding the refusal to pay the Tirwah on the part of the Ryots of Kotchapuram possession a Hamlet attached to the 1st Division Cottagoodakah of Ettayapuram and filed in your Cutcherie —

One Vaithyanada Ramasawmy Naicken and 7 other Ryots have deposed to the effect that from Fasly 1263 the Cottagoodakahgadar did not grant them Pattahs for the Lands Cultivated by them that they having complained on the subject to the Asst Collector in 1853, an order was passed under Regulation V of 1822 directing Pattahs to be given and the Tirwah received and that they will accordingly pay the Tirwah upon Pattahs being granted — Reference to a Copy of the above order which has been produced by the Complainants showed that the Pattahs were not granted in consequence of a dispute between the 1st and 2d Division Cottagoodakahgadars touching the proprietary Right to the Land for which

which Pattahs are denominated and it also provides that Civil Servants should survey the lands commencing from the 1st April and it by the end of June 1855 and that after the dispute shall have been settled the Pattahs should be granted and the Monies collected. The dispute was not adjusted within the time fixed but it is still unsettled. Consequently the Complainants did not get Pattahs from 63 to 66 and not of the balance of Tarwah that had accrued during that period. Rupees 655-4-8 are outstanding against the said Ramasawmy Naick and 29 others the last having paid their arrears.

The Collector Cuddapah in his Yadast states that of the Tarwah were to remain outstanding until the question of perpetuary right to the land is determined and Pattahs are given it will lead to future disputes because the

the arrears will be those of several years past, that he had therefore decided that the Curnum should grant Pooley Tarwah accounts to the Ryots showing the land cultivated by each, its Curnum Class and the Tarwah thereon and collect the Tarwah from them, and that 180 Ryots agreed to the proposal and paid the Monies, whilst only those Complainants who are 25 in number are in arrears. It likewise appears that the Curnum and 95 of the Ryots who came before you, have stated to the above effect.

It is proper that Pattahs should be given to the Ryots who cultivate lands but the dispute touching the right to the land should be disposed of. It is now 3 years that the Ryots have withheld the Tarwah on the ground of Pattahs not having been issued to them in consequence of the non adjustment of the said dispute. By

more

more time elapsing the Cornwah will accumulate and the Ryots will experience difficulty in paying the same and it will have to be collected by attachment, moreover if a Ryot were at once to receive Pattahs for the Lands cultivated by him some years ago, and if any dispute were to arise regarding their accuracy there will be no way of settling the point by Survey. This too will prove an inconvenience to the Ryots. Under these circumstances it will be good for the Ryots to receive Palley Cornwah accounts and pay the Tax. But in order that no dispute may arise to the effect that the Curnum had prepared the Palley Cornwah accounts as he pleased, it ought to be stamped by the Cottoogottagoydans Manager. Further you are to take the necessary steps to cause the said Land dispute to be settled by the end of this Fasly without having to the

mean time you shall cause correct Palley Cornwah accounts to be given to the Complainants as hath been done by the Cottoogottagoydans in the case of other Ryots and direct that the tax may be paid. You are to inform the Ryots that Pattahs for the present or past Fasleis will be given to them at the close of the Current Fasly. Even after this decision of the Ryots do not pay the tax, legal suit will be instituted by the Cottoogottagoydans in attaching their property for the realization of the tax. A Copy of the Sub Collectors decision produced by the said Ryots is herewith returned, you are to deliver it to them and obtain their receipt.

result of the Inquiry made by me regarding the refusal on the part of Vuttoonda Ramasawmy Naicken &c. 28 Ryots of Sulchmeepooram a hamlet belonging to the 1st Division of the Cuttoogottagay Village of Elavanandel to pay Rupees 685-4-8 being the arrears of Teerwah due by them from Fasly 1263 to 1265 and Order No. 209 has been received to the effect that Pullee Teerwah should be carried to be given to the Complaining Ryots (as was done in the case of other Ryots) and that they should then be ordered to pay their dues and it is further stated that if they still kept back the arrears legal assistance should be rendered in attaching their property. You are therefore to proceed with this Summons and to obtain a "Natoongathy Jabitah" from the N. Curnoms shewing the names of the 28 Ryots including Ramasawmy Naicken. You are then to collect these persons and order them to pay the money on account of Pullee Teerwah from the Cuttoogottagayden

for paying the same Afterwards on my asking them strictly to pay the money or to come to the Talook Rayangal Naraw-spa Naicken Vca in 7 royatas settled their accounts and paid the money but the other royats Viz. Vutteconda ramasamy Naicken Vca looking at Naranuspa Naicken Vca raya-ts that had paid the money said that while we have all unanimously resolved not to give the money how did you pay and used abusive language and threatened to ruin them further when I required Ramasamy Naicken Vca 22 royats mentioned in my Report to attend at the Talook Cutcherry they refused to do so consequently I am not able to produce the parties as directed in the summons

The humble appeal petition of Kristna row Tahsildar of the Shunkaranainarcoil Talook

Most Honored Sir

1 I most respectfully beg leave to offer the following explanation in reference to the letter addressed to your honor by the Joint Magestrate under date the 30th October 1858 recommending my dismission from Publice service on the plea of my having committed torture and forced certain rayots of the first Division of Ellayarasumandul to pay their rents to the first Bagumrenter and humbly request that an attentive consideration of the circumstances of the case your honor will be pleased to order my restitution to the office of Tahsildar.

2 The first Bagum renter of Ellayar as unandul having requested that assistance might

assistance tance might be given him in the attachment of the property of his rayots for the realigation of the arrears of rent due by them an order was issued to me under date the 29th January 1858 from yourhonor Office directing that the required assistance be afforded to him thereupon I reported to your honor that the Sub collector had already passed a decision to the effect that the Collection to the effect that the collection of arrears of rent should be made only after the Puttahs have been distributed to the rayots then both parties the renters and his rayots complained the former stating that the arrears due to him should be collected from the defaulting rayots and the latter stating that they would pay the arrears when they receive their Puttahs and agreeably to the Huzoor order I instituted the necessary enquiries into the matter and reported the result by letter

I received an order from your honor under dated 23d April 1858 stating that the Puttahs can be given to the rayots at the close of fusly 1267 that in the mean time the

the 28 defaulting rayots should be directed to pay up their dues on receiving Bullee Teerwah from the Cutcherry bearing the seal of the cuttoogoottagadar in the same manner as the other rayots had done Immediatly I sent a cuttaay on the 2d June 1858 to the mettoo Peon at the Cuttoo gootta Village to produce the defaulters at the Talook I did so according to the long standing Customs and with the view of explaining to the rayots the purport of the order which as they are ignorant people I thought they could not understand unless explained to them personally But the Mettoo Peon in his returns to the Cuttaay dated 15th September following reported that of the 28 Rayots 6 have paid their arrears to the Cuttoogoottagadar on obtaining Bullee Teerwah while the rest have refused to follow their example or to attend the

Talook

Talook As the Huzoor Order above mentioned directed that in the event of the defaulting rayots raising any objection to the payment of their Kists reasonable assistance should be rendered to the cuttoogotta gardar in distraining there property for eventual sale and as I thought it would be safe to ascertain personally from the rayots the grounds of objections rather than relying on the mere report of the cuttoo Boon on a case like this I again summoned the rayots on the 17th September 1858 as usual this is all what I have done I have neither compelled the rayots to pay their arrears at once nor shewed any partiality to the cuttoogatta gardar

3 I as Tahsildar am not bound to interfere in disputes regarding arrears between the cuttoogottagurdars and their rayots unless I am ordered to do so by higher authority and I have never interfered in such cases heretofore.

Before

4 Before the Peon who was entrusted with the summons of the 17th September as above referred to made a report of what he had done in pursuance there of I left the Talook in charge of the Moozoomadar on the 20th I came to attend the cutcherry of the sub Collector in obedience to his Orders and on the 25th I resumed charge of the Talook when it was brought to my notice that the said Peon having given a deposition before the Moozoomdar (in my absence) that the defaulters caught hold of him and tore the summons the Moozoomdar officiating as Taholdar sent another summons for the Defendants and Witnesses on the Police side.

5 The proceedings detailed by the sub. collector in para 3 of his letter above alluded to relate solely to the Moozoomdar and Inelloo Boon I have therefore nothing to urge as an explanation in respect of them.

6 The Peon whom the moozoomadar deputed with a warrant for the Witnesses and

and Defendants did not produce them
before me as he ought to have done nor did
he make a formal return to the warrant—
He merely sent a report stating that 8 of the
Defendants named in the warrent and
the Prosecutor and witnesses have been
forwarded The report reached me on
the evening of 6th. October but Defendants
alone appeared before me while
the witnesses and Prosecutor did not
attend as it was mentioned in the report
that the persons remaining to be apprehended
will be produced afterwards I waited for
their arrival and that of the witness and
Prosecutor to commence the examination.—

7 On the 11th. October the Peon in
charge of the warrant produced the
witnesses and asserted that as the
remainder of the Defendants were
absent at the Huzoor cutcherry of
the Joint Magistrate he proceeded
thither

thither to collect them when the warrent
in his possession was taken by the Joint
Magistrate who directed him to return
to the Talook and that an order was
to be sent to me to forwards all the parties
in the case for examination by the Joint
Magistrate accordingly on the very
same day I received an order from the
Joint Magistrate and as directed thereon
I forwarded all the parties and docu-
ments to that Officer under these
circumstances it could not be supposed
that I illegally detained the parties
without examining the witnesses when
they had been present.—

8 The Joint Magistrate remarks
that the return to the summons for wit-
nesses is falsely made to shew that
the witnesses were only present the
11th October but could it for one
moment be supposed that a person
would bring destruction upon himself.—

9 The Peon entrusted with the
warrant

Warrant would not have made a return to the sommons as if the witnesses were produced on the 11th were they really produced on the 7th and thus fall into risk I never lent any authority as Head of Police to the Cuttorgottagardar to aid him in forcing the rayots to comply with his demands—

10 The Joint Magistrate says that he has brought to your honors notice in his former letter my careless conduct in conducting any Police proceedings in a certain case I am perfectly unaware of what the Joint Magistrate has stated in regard to my conduct However in an Order issued to me by that officer in the month of september last he observed that the Police Rayas am of the Talook was enabled to commit frauds for which he

he was dismissed owing to my loose control over my under hands How could it be considered that from the nature of the control over the Subordinates he the Police Rayasum was able to practice the fraud? A party filed a suit for the recovery of certain debt from another the debtor in order to defraud the creditor of the amount due to him gave an answer stating that on the date on which the deed of debt was alleged to have been executed he was absent at the Sembarmanaicoil Talook and even signed a Police document as an attesting witness The Court suspected that the signature which the debtor stated he had affixed to a Police document in the Sembarmanaicoil Talook must have been procured to it by the Police Rayasum by fraudulent means the Police Rayasum was dismissed From the forgoing circumstances it will be evident to your honor that the fraud committed by the under hands could not generally be attributed to the nature of control exercised by the superiors If the under hands

hands were to assume either with or without the knowledge of the superior upon them selves and exercise the authority vested in a head of police and accomplish any of their ill designs only then the nature of control over subordenates should be considered as the cause of such frauds The offence for which the Police Rayasum was dismissed and which is explained above is altogether of a different character and could be committed without the slightest knowledge of a Head of Police or Jaholdar should not be blamed in cases where the under hands have tampered with the Records If Lewenger the sub Collector is not unaware of all these circumstances I should therfore attribute to my misfortune the peculiar view which he has taken with regard to my conduct.

" During the last 3 years and a half I have disposed of many Police cases and in one Policecase the Joint

Joint Magistrate fined one 5 Rupees for delay This he points out as a fault in Revenue cases to the last of my collection I have been fined 4 times during the above period. These fines were not inflicted on me for any unjust or illegal acts in the discharge of Public business but for certain accounts not having been prepared in the prescribed form and certain other not having been sent in due time. The imposition of fines in similar instances on Tahsildars is not uncommon a reference to the Records will show that the faults for which the above fines have been levied are not of my Servants nor have I directly accountable for them though sufficient grounds existed for requesting remission of such fines as were imposed on me yet I did not think it proper to do so inasmuch as they were inflicted on me as the Head of the Talook responsible for defects by the Subordinates. The Quarterly Statement of

of fines will show this and that the fines which have been imposed on servants of my grade are heavier than those of which I have been so subjected and that they have been inflicted on account of [illegible] of a more serious nature I therefore most humbly beg that this statement may be inspected by your honor.

12. The Joint Magistrate in the concluding part of his letter states that I am incompetent to conduct [illegible] Revenue duties and that only after repeated reference back to his office that any case can be brought to a conclusion. To this I beg to state that in this District it is customary to send orders frequently in regard to accounts which are to be prepared in accordance with the new forms for those which have to be drawn up from the old records, as well as with regard to cases

cases to be disposed of on arrival and examination of Complainant and other parties. Delays in Revenue case are also unavoidable.

13. When the Sub Collector Mr. Levinge was Head Assistant in this District I was holding the Office of the Gomastah in Honorary Talook. The Gentleman knowing my qualifications recommended me for the Office of the Honorary Tahsildar of the Shevaroy Taluk and it was also by his recommendation that I got to the grade of Tahsildar. I am in possession of a Certificate from that Gentleman bearing date the 15th October 1857. in which he has expressed his satisfaction with the manner in which I have performed my duties as a Public Servant during the last 13 years he has been in-

14. When Sir Jas Grey a Board letter the

Fort St George 28th December 1858

the late Tahsildar of Punchamaul Talook was sent for to the Honour on account of Mookas Agitation in the days of Mr Bird I was nominated to act for him as the Mazzoondar of that Talook who was considered a confidential Servant

15 In certain cases of land disputes the Servants deputed to settle them were found to be unable to bring them to a satisfactory conclusion the task was entrusted to me and was performed by me satisfactorily

16 I have served Government for upwards of 30 years in the different capacities below mentioned

During

Fort St George 28th December 1858

17 During this long period I have conducted myself faithfully diligently and disinterestedly and consequently have been able to gain the appreciation of any superiors which enabled me to rise from the post of a Talook Gomastah to that of Tahsildar and I am entitled to pension. The Joint Magistrate has entirely disregarded the rule of torture as well as the adjunct for want of proof that officer has charged me with having detained 8 of the parties for four days and has suspended me on this ground for eventual dismission. The absence

K

absence of Witnesses as I mentioned above is the cause of the detention of the parties. If was not owing to any improper motive on my part while circumstances stand thus the measure of punishment which the Joint Magistrate has taken will be found to be extremely regard-

18. In Conclusion I most respectfully crave your Honors gracious will to be graciously pleased to peruse the Records of the case and render me Justice by ordering my restoration to Office -

Extract

Fort St. George 28th December 1858

Enclosure No. 1.

Extract from a letter from the Master Attendant at Tuticorin dated the 23rd of November 1858.

In the 2nd para of the same Extract from the Minutes of Consultation above alluded to it is stated that "on enquiry from the Head of the fishermen and certain Merchants" here, it would be sufficient to prevent the Chank fishery boats approaching within two miles of the banks in order that the oysters should not be disturbed but it appears by the agreement entered into between Government and the Contractors of the Chank fishery that the boats are allowed to approach within half a mile of the banks and at that distance it is well known that chanks are frequently taken up by the Divers covered with oysters which if removed and returned to the sea the greater part must die and be the means of poisoning

Fort St. George 28th December 1858

poisoning the ground.

Supposing the boats were restricted from approaching within two Miles of the banks I am convinced there is not a man in any of the Chank boats who knows whether he is within two miles or half a mile from a bank.

The pearl and Chank fisheries are so closely connected with each other on this coast that it appears impossible to have the former with the other let them be 10 Miles a part and a successful pearl fishery may then be with safety looked for.

When I expressed my opinion that the Chank fishery should be discontinued in my letters of May 2nd 1856 and April 22nd 1858 the Jad. Malavenor head fisherman at that time perfectly concurred with me in my views on the subject.—

In reply to the Extract from the Proceedings of the Board of Revenue No. 4616 dated 14th December 1858 I have the honor to state for the information of the Board that the amount of Cash in the Treasurers Custody varies according to the demands on the Treasury in Government Bills and other district expenses, it is always kept as low as possible seldom exceeding 50,000 or 60,000 Rupees and that only for a short time. The amount is usually far less not exceeding 10,000 or 20,000 Rupees. The Shroffs and Gollas now furnish security to the amount of 8,500 Rupees. I think that the amount of security to be furnished by the Treasurer might be fixed at 11,500 which would make an amount of 20,000 Rupees

Encl. No. 1

To

The Collector

Sir,

Tinnevelly

Being desirous of ascertaining the present state of the Pearl Banks to the Eastward of Tolaycorin before any further arrangements are entered into for providing a greater number of boats for guarding the Banks than the Pattamar and the two sanctioned by Government, also before any extensive preparations are carried out for buoying off the Banks for a general inspection, I have the honor to bring to your notice that a partial examination took place on the 9th Instant over 6 Banks and again on the 13th 4 Banks were looked at and have much satisfaction in reporting that the results were in every respect most satisfactory as will be seen by the annexed statement.

The present thriving state of the ten

22480

Fort St. George 28th December 1858

ten Banks now partially examined must go far to strengthen my former opinion that in order to give the Oysters on the Banks every opportunity of arriving at maturity, and to secure a successful fishery, the additional number of boats intimated in my letter of the 8th Instant, besides the Pattamar and the two boats mentioned above, will be essential for guarding the Banks.

From my Report on the Pearl Banks in 1856 a Fishery may be looked for about the commencement of 1860, over Banks Nos. 1. 2. 3. 5. 6. and 17 but from observations made during my visit to the Pearl Fishery at Arrepo last March and from subsequent results connected with that Fishery, I would not recommend the Banks on this Coast being disturbed until the Oysters have obtained the age of 5½ to 6 years.

It will be seen by the Report on

Fort St. George 28th December 1858

on the Banks under date April 22d 1858 — that Bank No. 9 was barren but Oysters in great abundance from 1 to 1½ years growth are now on the bank which from former observations respecting Bank No. 17 must (with all due respect to higher Authorities) naturally lead me to adhere to Dr. Kellaart's theory that Pearl Oyster emigrates.—

From Authouaanbadobaga paar (No. 17) fifty Oysters were taken up, in two of which 2 small Pearls were found.

Some of the Banks found blank in April 1858 would have been examined had the dull state of the weather not put a stop to further operations.—

The only account that needs alterations is the enclosure B It now appears from a careful perusal of paras 3 and 18 of the Boards Circular of the 16th July 1858 No. 2645 that the item "waste remitted" in the enclosure B should comprise those waste lands only which have been retained in the Puttahs, but of which the assessment has been remitted, but the entries made opposite to that head in the

account

account returned by the Board, consisted of several other items which do not properly belong to it but which should find a place under some other head. and the Board were therefore led to conclude that the total assessment in Col. 22 of Statement No. 3 is not the assessment on the lands occupied, but only that on those cultivated.

4. I now beg to forward a fresh Copy of the Statement No. 3 with its enclosure B revised from which the Board will observe that the total extent of land and amount of assessment opposite to Deduct lands given up have been now altered from Acres 34642 & 37112-7-11 to acres 104164 and Rupees 107108-5-2 a Statement explanatory of the particulars thereof is herewith submitted, from which it will appear that independent of the lands given up by Razeenamah, there are several other cases in which lands have been struck off the accounts as particularized in the Margin. The items from No. 1 to 6 tho not given up by Razeenamah should properly be deducted from the Ryots holdings and therefore included in the item "Deduct lands given up" The 7th item should likewise be included in

1 Lands transferred to Railway purposes 2 Do. transferred to Tumbuka 3 Do. transferred to Enam on account of the pay of Village Sibbendy. 4. Deficiency of measurement. 5. Land transferred to Circar waste by the death of the owners 6 Do. Do. to Do. by the desertion of the owners. 7 Dry lands transferred to Nunjah.

8 Lands laid waste from the poverty of the Ryots and by the adverse state of the season and for which remission was granted. 9. Nunjah lands laid waste for want of water.

in the above head in consequence of the same being struck out from one head of cultivation and correct to another With regard to items No. 8 and 9 it is necessary that some explanation should be afforded The practice hitherto observed in this District in respect to Poonjah and Garden lands which were laid waste from circumstances beyond the control of the cultivator, and for which remissions were granted under the discretionary authority vested in the Collector, has been to strike off the same from the Ryots holding and to carry them either to Circar waste, if the full assessment has been remitted or to the head of "Paravapillovary under fixed Sournadayem, if a grass rent has been charged. In cases of Nunjah lands laid waste from want of water the practice observed up to Fusly 1264 was to retain in the Ryots Puttahs and accounts, the lands for which remissions were granted but this System was subsequently done away with under the orders of the Board of Revenue conveyed in para 6 of their Proceedings of the 29th April

August 1856 No. 2820, and all such Nunjah lands have been struck off the accounts as reported in Mr. Thomas letter of the 24th February 1857 No. 25 para 10 under these circumstances the Board will find that there are no cases in which waste lands of which the assessment has been remitted, have been retained in the Ryots Puttah, and in the Public Accounts consequently there are no entries opposite to the head waste remitted, all such lands being included in the item "lands given up" under the same circumstances as detailed above, the entries opposite to the Ryots holding at the commencement of Fusly 1267, do not require alteration.

5. I take this opportunity of informing the Board that the practice of thus striking off the accounts, all waste lands for which remissions are granted, has not however weakned the right hitherto of occupancy for the owner is allowed the option of retaining his land himself on payment of full rent, or giving it up when another applies for it in the next year.

Regd. 88

6. The Boards orders conveyed in para 18 of the Proceedings of the 16th July 1858 No. 2645 in respect to the retention in the Puttah of the lands for which remissions are granted will be strictly attended to in future.

7. In clause III of para 7 of the Boards Circular quoted above, it is remarked that the entries of cultivation in Col 2 of enclosure B of Statement No. 10 should correspond with those in Cols. 3. 5 and 9 of Statement No. 3. It appears that Cols. 13 and 17 the entries of which should also be included under their respective heads of Dry and Garden, have escaped the notice of the Board. The entries in Col 2 of the enclosure B of Statement No. 10 forwarded with my Settlement report include the dry and Garden converted into Garden and wet, and will be found to correspond with the entries in Cols. 3-5-9-13 and 17 of Statement No. 3.

8. I request to be informed if the Board approve of the entries now made in the Enclosure B of Statement No. 3.
