Leg: Depart.

Sir,

With reference to my letter of the

dated the 10th January last, I am directed by the Honorable the President in Council to transmit to you for submission to the Most Noble the Governor in Council, the accompanying revised Draft of a proposed Act for amending the Law concerning the Registration of written Conveyances and other instruments affecting titles and other interests to Land, for the opinions and observations on its provisions of the Governor in Council and of the Sudder Court and Board.

(Signed) Fredk Jas Halliday
Offg Secy to the Govt of India.

Fort William
Legislative Department
The 14th October 1842.

The following Draft of a proposed Act was read in Council for the first time on the 14th of October 1842.

Act No — of 1842.

An act for amending the law concerning the Registration of written conveyances and other instruments affecting titles and other interests to land.

Whereas the Registry Laws now in force in the respective Mofussils

Presidencies of Bengal, Madras and Bom-
bay, provide that registered conveyances
and other instruments affecting titles
to land and other interests therein
shall not take precedence of
unregistered conveyances and
instruments in cases where the
party registering shall have known
of the existence of such unregistered
conveyances or other instruments.
And whereas a complicated system
of law has arisen out of the con-
-struction which is to be given to
the provisions regarding the knowledge
of parties, or notice had by them
in such cases. And whereas
much perjury has been committed
in investigations touching the fact
of such notice or knowledge, and
much of the time of the Courts
has been occupied with such
investigations. And whereas in
consequence of forgeries, perjuries,
fraudulent concealments, and
other practices, no person pur-
-chasing or advancing money on
the security of land, can safely

rely on the conveyances or other instruments affect-
-ing the title to such land or other interest therein
affording, by means of their being registered, a
security against conveyances or instruments being set
up, as of previous date, by unregistered claimants.

It is hereby enacted, that all
provisions contained in any Regulation or Regu-
lations of the Bengal, Madras or Bomboy Codes,
touching such knowledge or notice as aforesaid, of
previous unregistered conveyances, or instruments
affecting titles to land or other interests therein
shall be repealed from the first day of May
next; and every conveyance or other instrument
affecting title to land, or any interest in the
same authorized by those Codes respectively,
to be registered, shall so far as regards any
lands to which the same relate, be void as
against any person claiming under any subse-
-quent conveyance or other instrument duly
registered, unless the prior conveyance or instrument
shall have been duly registered before the regis-
-tration of the subsequent conveyance or instru-
-ment; any alleged notice or knowledge of
such prior conveyance or instrument not-
withstanding: Provided always that this act
shall not be construed to extend to
any conveyance or other instrument made
before the first day of May next.

Ordered that the Draft
now read be published for general information.

Ordered that the said Draft
be re-considered at the first meeting of the
Legislative Council of India after the 14th
day of January next.

Letter from the Secretary to the Board of Revenue

Submitting a Report from the Principal Collector of Salem in reference to an Endorsement passed by Government on Petition No. 252 of 1842 relative to certain charges against Timmapen late Tahsildar of Salem who has been removed from his situation and stating that the Board do not consider it necessary to pass any orders in the case further than to record their approval of the Principal Collector's decision - Also submitting a Copy of a correspondence with the Dist. Collector regarding the complaint of the difficulty of access to that Officer and the restriction put upon the transmission of Petitions to him by Tappal together with Copy of the Board's order on the subject -

To

The Most Noble

The Governor in Council

of Fort St. George

Most respectfully Sheweth -

That the humble representation of Timmapah late Tahsildar of Daramapoory Taluk in the District of Salem -

That your Petitioner served the Honorable Company for 22 years Viz. 3 as Coomastah, 4 as Talook Sheristah and 15 as Tahsildar in different Talooks in the District and in all with diligence care, integrity and satisfaction to his Employment -

1st During the time he held the Tahsildarship of the Namkal and Salem Talooks many complaints were preferred to him by some Individuals against one Samiyan, a person notorious in the Salem District from his connections in the robberies of Ayahs and Cauttaums and whose name is conspicuous upon the records

records of the Government who is now Manager under Mr Fisher the Merchant and Mauttahdar of the Salem District for the injustice and injury done by him As your Petitioner did not conduct himself according to this Sambyan's inclination and as he did what was just and right to the public and the Circar the said Sambyan was fully determined by some means or other to procure his gain by getting him dismissed from Office and has consequently employed persons on salary to prefer false complaints against your poor Petitioner to the Principal Collector both in Revenue and Magisterial Capacities upon the investigation of these complaints the Principal Collector and the Criminal Judge both decided that these complaints originated in malice.-

2.- Your Petitioner has relations in Salem who have been planting a very long period earning their livelihood by cultivating the lands in the said Valla

been in the habit of taking up waste land on rent and when your Petitioner held the Tapaldarship of the said Valloor those relations engaged from him to take up waste lands Your Petitioner gave them the lands they applied for and the rules prescribed by the Boardroom-namah as he would and has done to many others after fixing a suitable rent on them - While this was the case the abovementioned Sambyan persuaded his Soonastah Valla pandy Shashayen to prefer a false complaints against your Petitioner to Mr Steig the Principal Collector stating that he had given waste lands to his relations upon favorable rent - Mr Steig upon this transferred your Petitioner to Dharampoory a different Talloor the salary of which is 100 Rupees being below that which your Petitioner was receiving in the Salem Taloor viz 140 Rupees and appointed a Streeni-vasa Row the Tapaldar of Suttoore Taloor, where also the salary was 100 Rupees to the Salem Talloor the place which your Petitioner formerly occupied and the salary of which is 140 Rupees with injunctions to report on your Petitioner's case, after he had instituted a full inquiry -

3rd Without intending any reflection on Mr Steig's proceedings your Petitioner respectfully

respectfully submits that this was not the proper way of eliciting the truth, Streenivas now having been transferred to a place of higher Emoluments had his interests to serve while the fear of Samby on the other hand supported him in the only course he could take to protect Streenivas now reported to the Principal Collector that 120 Rupees might be added to that already fixed by your Petitioner on this report Mr. Steig suspended your poor Petitioner on the 9th September 1841. and directed him to proceed to the Hoozoor which he accordingly did.

4 The circumstances of your Petitioners case are simply these He obtained permission from the Principal Collector to cut down a forest 65 Miles in extent lying near Salem the receptacle of thieves who under cover of its shelter molested and plundered travellers of their properties your Petitioner took much interest in this measure for he knew already earned for himself the name of the best Police officer in the District He cleared the forest and erected a Chauttry for the accommodation of the Travellers as well as a Village in which he established 80 husbandmen Ryots from the Neighbouring Villages and gave them lands on rent for

the condition of the desert by which a benefit of 700 Rupees is raised to the Circar per Annum. His relations also applied to him and he had no grounds for refusing them the same terms as were allowed to other Ryots. The parties who engaged the lands had to clear them first from the jungle to remove stones, to level the ground by removing the ascents and filling pits to render them useful for cultivation. They have now been going on with their culture for these three years and some parts of the woods are still left uncultivated Streenivas now on inspecting the lands in their present improved state after three years labour have been bestowed on them has fixed a high rent by your Petitioner requested Mr. Steig to inspect the lands in person and to examine whether his or Streenivas Rents assessment was suitable the Principal Collector then sent for 5 Ryots or husbandmen from Autoore Vallam & well experienced with the nature of the lands and appointed them as Arbitrators under authority of summons to institute an enquiry upon this subject and as a check to Streenivas Rent and to report it

to him. These people in accordance with the order of the Principal Collector inspected the above lands and considering their respective fitness they formed a regular account & tendered it to Mr. Sleig. If that account had been compared with your Petitioners it would be evident that there is no difference while the circumstances stand in this pasture Mr. Sleig has been pleased to say "that he is not willing to keep 120 Rupees to the Circar as stated in three ways Rans reparbands that with the Board's order he can restore him to his situation and that he has reported these Proceedings to the Board of Revenue."

5. At the time when the Ryots proposed for waste lands your Petitioner inspected the condition in which they then were and fixed a suitable rent upon them as all other Pasfelders were, still are in the habit of doing. They were in a wild state never before cultivated, stony full of pits, hillocks and ascents and he submitted that it is unjust to the character he had maintained previously for so long a course of years to compare [illegible] & so fixed

Assessment to their present improved condition your Petitioner also begs to bring to your Lordship's notice that some years back a similar kind of rent was fixed upon the waste lands in the Chingleput & Salem and the Ryots who cultivated them after overcoming great many difficulties formed after the lapse of some years that they were more profitable than they originally seemed to be. The Circar receiving the flourishing state of those lands increased the rent but the Government afterwards declared that it was not proper to censure or blame the officers who had fixed a lower rent upon those lands, because the Officers rented them to the Ryots according to the state in which they had them appeared." Therefore the flourishing state of lands is depending alone on the labours and toils of the cultivating people & on the pecuniary expense required for mending them in par different occasions and not otherwise. Firstly when the Honorable Company had classified the lands those that were of first sort were determined to be the highest and those of the last were termed waste and the Intermediate But those

those that were termed first are now uncultivated and are left quite barren and those of the last or lowest are now under continual cultivation and are said to be good and superior lands. By all these examples it may be manifest to your Honorable Council that your Petitioners rent upon the lands in the Salem District were to the best of his judgment suitable to the condition in which they were in their primitive state.

6— Mr. Greig has stated in his report to the Board of Revenue that the rents fixed by the present Tasildar Streenevaps Row is just. If Streenevaps Row's rents should seem appeared to Mr. Greig to have been satisfactory and correct what has induced him to appoint 5 Ryots as Arbitrators. He having suspected the correctness of Streenevaps Row's statement and being desirous to know whether your Petitioner's or his fixing could be exact had appointed them as checks to this purpose Streenevaps Row cannot be acquainted with the original nature of the lands, nor is he capable of

of fixing lands for during the time he held the Tasildarships in the Auttoor Talook some Ryots belonged to Many Vilandan &c. proposed to cultivate waste lands upon which he fixed so high a rent that the Ryots were unable to pay and complained to the Principal Collector who afterwards ordered the Koorgoor Head Sheristadar Neelkanttha Row to inspect the lands and to settle all disturbances that prevailed amongst them and he had been accordingly and had himself inspected the lands as to what rent they were liable and reduced the former rent. The Principal Collector confirmed the reduced rent assigned by Neelkanttha Row Sheristadar, setting aside altogether the former one fixed by Streenevaps Row. By all these examples it will be apparent to your Honorable Council that Mr. Greig being well aware of the past circumstances and giving no credit to his Streenevaps Row's Statement has appointed five Members as Arbitrators on this subject. The decisions passed by the Arbitrators in general should be approved and are in many places approved by public authority at large. While, as it is contrary to the Regulations that Mr. Greig should say that he would not believe their decision

Sir,

I have the honor to annex an Extract from a letter from the Officer Commanding Northern Division of the Army, and am directed by the Most Honorable the Governor in Council to request that you will be good enough to submit His Excellency's recommendation that Government will be pleased to authorize the Magistrate at Vizagapatam to render

decision upon how he has himself
appointed - This circumstance I beg
your Lordship will take into your
kind consideration. -

The above mentioned
Sambyan has further caused one Chinna
Gopalyan an inhabitant of Kalayattaur
in the Talook of Daramsoury to
prefer a false complaint against
your poor petitioner as he has done
once before by his Commadar to Valap-
pandy Shashyan - upon the perusal
of the Urzee Mr Oswell the Head
Assistant to the Principal Collector
personally inspected the lands stated
in his Urzee and confirmed my Teeroo
or rent and reported it to Mr Cluny -
If your Excellency in Council
would be pleased to send for and
cast a glance upon the report of
Mr Oswell to the Principal Col-
lector as well as the decision of the
arbitrators it will be then obvious
that your petitioner has fixed
nothing more than the exact rent -
If Jaghirdars over-rate or under
rate lands it has been usual
for collectors to modify them and if
Streenevas Rao's assessment seemed

to Mr Cluny to be correct he might to have
added the new sum of 120 Rupees in the
Sarrahbundy without attaching criminal-
city to him - without doing so, that Gentle-
man has been pleased to remove and
forward your Petitioner's case to superior
Authority for their decision - Having served
the Honorable Company for a period of 16
years in a salary of 140 Rupees per Mensem or
1680 per Annum - your Memorialist submits
that he would not have risked it for
the trifle in the charge against him -

As your Petitioner's service
under the Honorable Company exceeds up-
wards of 22 years he submits that he has
strong claim to the protection of Government
his character has suffered by his suspicion
and he most submissively relies on your
Honorable Council to take his injured case
into your serious consideration and upon
the thorough perusal of the whole records
connected therewith to order his restoration -

For which act of
justice your petitioner will as in
duty bound -

Shall ever pray.

Para 1. I have had the honor to receive the Proceedings of the Board of Revenue = dated the 22nd August last, forwarding an = Extract from a general letter from the Hons= =rable the Court of Directors, under date the 24th April 1842, and desiring to be informed whether a necessity still continues for prevent= =ing the return of Rajeonath Deo to Chinna Kimedy, and in reply I beg to state that, in my opinion, Cogent reasons continue to = exist, in undiminished force, for maintain= =ing that precautional measure.

Submits explanation in reference to the differen= =ces between the Zemindar of Chinna Kemedy and his younger Brother Raja= =nath Deo.

2. After protracted and most troublesome negotiation with the Brothers I at length effected an arrangement of their differences on the following terms. That on Rajeonath Deo's renouncing all claim to the Zemindary, and Consenting to reside at such place as the agent might appoint, I decund Deo the Zemindar should

To Lutchman Dec. 40--
Total Rs. 200--

pay to him through the Collector's Office for the maintenance of himself and his younger Brother Lutchman Deo and the female members of the family living with him, an allowance of 200 Rupees per mensem. To this effect they both executed formal deeds and Ragoonath Deo having selected Coorlah as his place of residence has since been living there drawing his allowance regularly. I am sorry to say however that feelings most hostile towards each other still animate the minds of the Brothers, which a few months ago evinced itself in a charge against certain of the Sirdars of the Chinna Kimedy Zemindary and others of having conspired to murder Audeecund Deo and set up Ragoonath Deo in his stead as Zemindar which although on investigation there appeared to be reason to distrust the belief of such a plot having actually been matured, sufficiently shews that to allow the younger Brother to return to the Zemindary would be in the highest degree impolitic. It is to be observed also that under the conditions of the Compromise

not do so without forfeiting the allowance made to him. I would recommend therefore that the present arrangement be not disturbed.

Para 1. I am directed by the Board of Revenue to request that you will submit for the orders of the Most Honorable the Governor in Council the accompanying correspondence with the Collector of Rajahmundry having reference to a suit filed against him and some others to be empowered to defend officially on behalf of the Pittapoor Zemindar. another draft, which is also herewith submitted for approval.

2. Plaintiff it seems engaged to cultivate, or pay the assessment of certain lands of which engagement, circumstances of season ultimately prevented the fulfilment. Instead of soliciting remission at the Summabundy, he filed the prevent action in which his plea is that the engagement was extorted. The Board have no hesitation in accepting the Collector's assertion that it was voluntarily given (though that is a fact not within his own personal cognizance) both from general considerations, and from the special ones stated in the revised draft, and as this takes away from Plaintiff all ground of action, they recommend that sanction for the official defence of the suit should be granted.—

On the receipt of Mr. Smith's first letter the Board thought that though Plaintiff

was not entitled to claim relief as matter of right, yet his case might be one in which some indulgence might properly be shown, and that thus the necessity of litigation might be obviated. The Collector's reply to the Board's communication of their sentiments to this effect, explains that he had himself been disposed to extend such consideration to the Plaintiff but that it had been refused. Under these circumstances and with reference to ill feeling stated to exist in the village, the Board see no other alternative, than to go into Court.

Answer to Plaint 233 of 1842 in the Zillah Court of Rajahmundry by the 1st Defendant G. A. Smith Esqre Collector of Rajahmundry on behalf of himself and the other 4 Defendants.

Plaintiff states that Moochilkahs were forcibly taken

from him by persons under the 1st Defendant's orders to cultivate more than his usual land, that he accordingly cultivated the land specified in his first Moochilkah and paid the cist of it though including some land forced upon him, that he cultivated no part of the land entered in his second Moochilkah, to which his signature was extorted against his will, but that Rs. nevertheless the sum of 9-1-3 has been collected from him out of the cist of that land, and the Revenue authorities call on him to pay the remainder 70-14-9. He prays the Court therefore to recover for him the former amount, and to release him from the demand of the latter.

2. The 1st Defendant totally denies that the Moochilkahs for 4 Pootties of land assessed at 80 Rupees, (which alone is under

under litigation) was extorted from Plaintiff. He gave it of his own free will, the season being at that time (August 31st 1841) very promising, and the expectations thereon founded, being subsequently disappointed, he brought a suit on this false plea. The willing execution of the moochilkah will be proved before the Court, 1st by direct evidence, and 2nd by the circumstantial evidence, arising from Plaintiff's omission to appeal to the Collector, and from the circumstance of season above noticed.

3 This point being established Plaintiff's suit falls to the ground. He is legally bound to pay the cist of the land he engaged for, and any remission is matter of favor, subject to the discretion of the Revenue authorities, and not to the adjudication of a Civil Court. The 1st Defendant, on behalf of himself and the other four Defendants prays the Court to dismiss the suit and recover his costs from the Plaintiff.

Sir,

Para 1. With reference to your letter of the 24th Ultimo expressing the opinion of the Board that the Plaintiff Ganoosoo-lah Soobiah alluded to, has no ground for an action in a Civil Court, because he is bound by his own engagements, but as they think that his case, if it had been brought forward at the Summahbundy, would had been considered deserving of some indulgence, they are unwilling to enter on the defence of the suit, until the circumstances shall have been considered by me in that view, and that I should therefore give attention to the case, and report my opinion, as to whether any and what amount of remission would have been allowed, if it had been applied for at the settlement on the plea that the land engaged for had been left waste from circumstances of season. I have the honor to afford the following further explanation. The Board are fully aware that

Fort St. George 8th. December 1842

I consider the forcing of cultivation to have been one principal cause of the ruinous state of this District from the tendency it had to consume the capital of the District in the attempt at the realization of a non existing revenue. It is not likely therefore that I would have wished to act unjustly towards Gaunoosolah Sobiah and on the examination of his case, I was most fully satisfied that he had no ground of complaint and that he was not the real mover in it. Nevertheless, looking at the circumstance that a portion of land, which he had willingly occupied in the first instance, was left out of cultivation, I offered to bring his case to the notice of the Board, with a recommendation that fifty Rupees of the original Demand should be foregone. He first consented to this proposal but afterwards refused at the instigation of the Curnums, who have long been endeavouring to deprive the Zemindar of his rights in this Village through the Courts. Under these circumstances, I request that the defence of this suit may be sanctioned.

2. Every individual, who has had the Management of this District has experienced the very litigious nature of

I Vide my letter to Bd. 9th June 1842

the disposition which prevails in it, and few have seen more of it than I have myself.

3. Since I was appointed Collector of this District, the defence of 24 Civil Suits has been sanctioned by Government and the Board, of which 22 have been decided in my favor, leaving two only undecided. Out of these 22 Cases, three were fined by the Zillah Court as litigious and vexatious. Of the said 22 decided Cases, 4 were appealed and again decided in my favor, one of them being again fined as litigious. That the same disposition prevails in the Magistrate Proceedings of the District as well as the revenue, will further be seen from the correspondence noted in the margin and every person, who hopes to manage this District, must be prepared to meet a great deal of vexatiousness and litigation.

4. With respect to the enforcement of the provisions of Regulation III. of 1831 Section V, there never was a case in which it was more required and if a Regulation is not intended to be enforced

1- In reply to the exigence of this Pre-
cept and the Extracts from the Pro-
ceeding of the Court of Circuit of 26th June and the Court of Foujdaree Ada-
lut of 17th of the same month, calling for explanation of the Extraordinary Num-
ber of acquittals as compared with the convictions shewn in his Calendars for the last half year of the year 1838, the Magistrate in the Zillah of Rajahmundry begs leave to afford the following explanations.-

His

2- His Calendar for the period under review shews 43 acquittals in which 312 persons were charged, in five of these cases involving 61 persons, the Prosecutors were fined for vexatious and litigious complaints, and in one case, the case was dismissed with an admonition to both parties, who appeared equally in fault.

The remaining on the following grounds.

25 for want of proof.

7 As nearly approaching to vexatious and litigious.

2- The evidence for the Prosecution being clearly rebutted by that for the defence.

3. Being of a civil nature.

37

3. Most cases of real crime are disproved by the Heads of Police, and such generally only come before the Magistrate as are either originally intrinsically trifling or altogether got up to meet private ends, or involve an appearance of neglect in their disposal by the District

Servants. These latter must necessarily be attended to but the two former classes require great discrimination, or by their too hasty admission the Magistrate's Office may be made the means of great annoyances by forcing people unnecessarily to take long journies, and be inconveniently absent from their homes and affairs. The circumstances however which require to be attended to in the admission of these latter, are not altogether under the control of the Magistrate.

4- Several parts of this District, particularly the Ambalpoor Division, are particularly productive of vexatious charges, arising out of Family disputes between the numerous Mauniendars residing there. Although a Magistrate may be satisfied that one of these cases will ultimately resolve itself into a point of a civil nature, still it must be unravelled. Cases of this nature,

When

when referred to the Heads of Police, have constantly remained for considerable periods on their files, and the Magistrate has, either ultimately of his own accord or under the orders of the Circuit Court, been obliged to call them before him and dispose of them. On the other hand if he does not admit the charge in the first instance, he may be certain that ultimately he will be compelled to investigate it.-

5. Referring to the Calendar, preceding the one under review, it will be seen that it contained thirty four cases dismission, in seven of which the parties were punished for vexatious and litigious complaints, while the subsequent Calendar shews only eighteen cases, of which Six were litigious. The first of these Calendars it is to be observed embraces a period of 5 Months, the second 6 and the third 5.-

6. Under the above explanation the Magistrate trusts the Court will feel satisfied that the increase in this particular Calendar is to be attributed

† from Septr. 1838 to Jany. 1839 inclusive

attributed to accidental rather than causes under control.-

Sir,

I am directed by the
Board of Revenue to request that
you will lay before the Most Honble
the Governor in Council the accom-
panying letter from the Collector of Rajah-
mundry, with its enclosures, having
reference to a suit brought against
himself and another in the Rajahmun-
dry Zillah Court, which he is desirous
of being permitted to defend at the
expense of the Pittapoor Zemindary
now attached for arrears and under
his Management, the cause of action
having arisen in that Estate, and
out of acts performed by him on
behalf of the proprietor.

2 The merits of the case
are set forth in the Pleadings, and it
is unnecessary to detail them here.
The Board are of opinion that the
suit is justly defensible, they have
deemed it necessary to prepare a
fresh

fresh draft of answer, in lieu of that submitted by Mr. Smith, and they beg that sanction is solicited by that Gentleman may be granted to file it and defend the Suit officially.

3 The Collectors letter of the 9th. June soliciting sanction for the defence of this suit was accidentally mislaid, which is the occasion of the delay in submitting it to Government.

Answer filed by 1st. Defendant in No. 783 of 1841 in the Zillah Court of Rajahmundry.

Plaintiff states that he held a certain quantity of Maunium and Cultobaddy land, and another quantity of Jeroyetty or Jyen land in a certain village, that being unable to cultivate the Jeroyetty land he surrendered it to the Renter in due form, but that the Renter not only

of that, but also presses him to pay Rs. 8- for the maunium land, under certain new rules which impose a charge on Ryots relinquishing Jeroyetty land and cultivating Maunium.

2 The 1st. Defendant begs to inform the Court that all this is a total misrepresentation of the case, the true facts of which are as follows. At the permanent settlement twelve persons (the Village Curnums) held some Maunium and Jeroyetty land in the Village of Nadoonoor, the extent of each of which kind of land respectively was ascertained in the accounts, but not their relative situation. From one of these twelve persons Plaintiff is descended, and he now holds 10-2-8 of Maunium and Jeroyetty land, of which the total assessment at the settlement was 157-2-, since reduced fraudulently to 120 Rupees. and though it is borne on the accounts that 8 Pootties of this land is Cunam bearing a

Cuttoobady or quit rent of 37-15-7½, and that 2-2-8 is Serogetty bearing an assessment of 119-10 at the time of the settlement, yet the two species of land have never been defined or marked out, but the whole joint assessment fraudulently reduced as aforesaid to 120 Rupees pis levied on the whole joint extent.-

3 With the view however of defrauding the Zemindar, Plaintiff in Fasly 1250 neglected to cultivate 2-2-8 of the worst part of his land, and refused to pay more than a very small sum for the land he retained, saying that that was Enam, and that what he had given up was Serogetty. This could not be permitted, it was not competent to Plaintiff himself to determine what part of his land should be considered Enam and what Serogetty, but the point was to be decided by the Collector - As Plaintiffs relinquishment of this land was thus irregular and fraudulent he

the cist of the whole land as usual.-

4 Plaintiffs allusion to the new rules regarding the cultivation of Enam is an evasion and misrepresentation. those rules were not acted on in his case, as they apply only to Ryots cultivating the Enam land of others and not to those cultivating their own.-

5 The 1st Defendant trusts that he has shewn that Plaintiff is justly liable for the demand made upon him and he prays the Court to examine his evidence to prove the facts and customs, and dismiss the suit, awarding him his costs.-

Fort St. George 8th. December 1842

Copy of a correspondence relative to the four Villages in Vinnacottah Purgunah directed to be Sold at the instance of P. Vengalachellum Naidoo

I acknowledge the receipt of your letter of the 10th. Instant, by which I am desired to report what has been done in pursuance of instructions conveyed to my predecessor in an Extract from the Board's Proceedings dated the 28th April last upon the subject of an order passed by the Provincial Court of the Northern Division for the sale of 4 Villages of the Charmahal Zemindary.-

2

Under the authority from Government communicated in the Extract from the Board's Proceedings above alluded to, an application was made to the Sudr Udalut by the Head Assistant in charge of this District for the revision of the Provincial Court's order regarding the Villages in question upon the grounds set forth in the letter addressed to Government by your Predecessor under date the 17th. March last.- A Copy of the Proceedings of the Sudr Udalut, consequent on that application is here-

for the information of the Board, as well as Copy of a Correspondence which has occurred subsequently with the Provincial Court, whose last communication upon the point at issue, it will be observed, was only received by me a few days since. From these documents, it is satisfactory to learn that the non-liability of the Villages in question, to be sold on account of the debt in satisfaction of which they were last claimed by P. Vencatachellum Naidoo, is fully admitted, and they are now in common with the rest of the Charmahal Zemindary answerable only to Government for the arrears of Peishcush due by the Zemindar.- I have, &c.

the 28th and 29th July 1842 from the Provincial Court in the Northern Division to the Precepts of the Sudr Udalut of the 18th July 1842 calling for Copies of the Contra Petition presented to the Northern Provincial Court by the late Collector of Masulipatam, and the orders passed thereon.—

Read again Petition presented by the Vakeel Goolam Moortoozah on behalf of C. E. Ward Esqre Head Assistant Collector in charge of Masulipatam—

(Here enter Regd No. Nos 173 of 1842)

The Court of Sudr Udalut are at a loss to comprehend the reasoning of the late Judge of the Provincial Court as set forth in the Extract from his Proceedings dated 18th September 1841, a Copy of which accompanied the above Return—

2

In Para 9 it is stated that the Arzee said

Fort St. George 8th December 1842—

to the Collector of Masulipatam is dated 27th February 1837, while the Decree in No 12 of 1838 bears date 25th March 1839, and "there-fore the Conditions of the former, "even if they were as stated by "the Collector, cannot properly "affect the execution of the latter"—

3

The Para goes on to say that the Provincial Court will not recognize the validity of Petitions presented before the Collector touching the subject of suits before the Courts of Judicature unless the terms entered into by the parties shall have been made record of Court.—

(Now it is declared

4

by the Collector in his several Petitions presented to the lower Court, (repeated in his Petition presented to this Court) and no where denied by the Provincial Court, that in order to prevent four Villages belonging to the Vinnacottah Purgana in the Zillah of Masulipatam from

from being sold in conformity with a
Rauzeenamah entered into by the Zemin=
=dar Canadana Panpiah Defendant in
in original Suit No 16 of 1839, in favor
of the Plaintiff Pillarcesetty Ven=
=catachellum Naidoo the Collector of
the Zillah, by order of the Board of
Revenue and of the Government, caused
Rupees 24,358-4-4 to be paid to the
said Plaintiff he agreeing to transfer
the lien which he held on the said
Villages to the Circar, and binding
himself to receive the amount due
to him under other claims from the
surplus revenue of the Villages of
the Purganah.-

5 If then, the Collector
satisfied the Rauzeenamah standing
in the Plaintiffs favor, it is clear
that he thereby took the place of
the Plaintiff, and acquired all
right which the Plaintiff pos=
=sessed in the Villages under that deed.

6 The Provincial Court
should satisfy themselves that
the alleged

of the Rauzeenamah by the Collector,
and the transfer to the Circar of
the 4 Villages as security for that
amount, be correct. If it be, they are
bound to consider the claim of
the Circar to those Villages para=
=mount to any other claims preferred
before the Court.-

Moreover, as the Collector
stated the public demand of Peish=
=cush due by the Zemindar to
amount to Rupees 28,725-2-5, the
Court do not understand how
the Provincial Court can have
required any part of the Estates
to be sold under a Decree until that
balance might be satisfied.-

8 It is further to be
remarked that the payment by
the Collector of the amount due
to the Plaintiff under the Rau=
=zeenamah took place through
the agency of the auxiliary Court.-
This transaction, therefore, is
divested of the objection made to
by the Provincial Court, that

"it has been a private arrangement
"between the Collector and the Plain-
"tiff instead of its being made a
"record of Court."

Ordered that Copy of
the above be communicated to the
Provincial Court in the Northern
Division for their information
and guidance as well as a copy to
Petitioner's Vakeel if required.-

From the Collr. of
Masulipatam
Submitting
a report on the
Settlement of
Fusly Estates
for Fusly 1250—
in the Zillah
of Masulipatam

To J. D. Bourdillon Esqre
Secretary to the Board of Revenue
Fort St George—

Sir,

I have the honor to submit
a report on the Settlement for fusly 1250
of the Estates noted in the Margin, attach=
=ed for arrears of Revenue, together with the
Undermentioned

1 Vennacollah and
Goodevadah
2 Ellore & Coovilly
3 Davercottah
4 Chanabundah
5 Junagadapah
6 Rakaloor—
Bhoopalah=
patam & Ben
Pondrace—

1238 Fort St George 8th December 1842.

The Collector states that by making the
payment of Rupees 24,358—4—0 to the
Plaintiff in No 16 of 1833 of this Courts
file the Government have redeemed the
four Villages (in Vennacota Pargunah)
mortgaged in the Rawzeenamah in that
suit from mortgage and that they are
in common with the remainder of
the Estate answerable to Government
for the arrears of Peishcush due by
their Proprietor Vanadana Paupiah Row,
and are not available in satisfaction of
any private demands until the whole of
the balance due to Government shall
have been discharged—

4. From the Return made
by the Collector of Masulipatam, the
Provincial Court are fully satisfied
that the amount of the mortgage
has been paid into the Auxiliary Court
on account of P. Vencatachellum Naidoo
Plaintiff in No 16 of 1833 who had the
mortgage on the four Villages, and
the claim of the Circar to those
Villages is paramount to any other

claims

belonging to his younger Brother Rama-chendrarow, were attached for arrears of Peish-cush outstanding against them as will appear on reference to Mr. Grant's letter under date the 9th September 1840.—The latter Zemindar having subsequently died without issue, his Estates were, in conformity with the instructions conveyed in the Board's Proceedings of the 17th June 1841 made over in virtue of a Will left by him to his Elder brother Venkatapatyrow, on condition of his paying the current balance of Peishcush outstanding thereon for Fusly 1250, and entering into an agreement for the regular discharge of the current Kists and the arrears due up to Fusly 1248 by 8 Annual instalments commencing from Fusly 1251. The Estate of Chena Pondraca has, however, at the request of S. belongs to Rajah Vellumby Venkata Nurs-simharow and Vencata Gopalrow, and has been jointly held by them tho' in separate portions on an undivided assessment, but as a large balance of Peishcush remained in consequence of dissensions between themselves, and as one of the Zemindars wished that the Estate should be subdivided, it became necessary to attach it with a view to the preparation of the subdivision accounts as reported to the Board on the 24th August 1840.

4 The annexed Abstract Statement shews the Settlement of the several Estates for Fusly 1250 compared with that of Fusly 1249.

It

Fort St. George 8th December 1842.

5. It will be observed that there was an increase of Rupees 17,254 15 — 10 in the settlement of Dawercottah and Innagadapah but a large decrease in the other Estates amounting in the aggregate to Rupees 78,803 1 — 10, the result upon all the estates being a Net decrease of Rupees 61,548 2 — an explanation of the causes of increase and decrease will be afforded below as each of the Estates comes separately under notice.

Season

6. The reports on season appended to the Statements of Demand Collection and Balance for Fusly 1250, will have prepared the Board for a large decrease of Revenue in wet lands consequent on the failure of rain, particularly in the Months of October and November 1840, at which time the Crops were about coming to maturity. This decrease was by no means compensated by the increase derived from the Jonna & Black Paddy produce in the dry lands for which the season has on the whole proved favorable.

7. The Purganahs of Vinnacottah and Goodewadah, from their situation, comprize a large extent of wet land [illegible]

but small. Through the subordinate channels dependent on those of Poollair and Boodawair, the Tanks received full supplies of water from the early freshes, and the Ryots were consequently induced to bring a large extent of Wet lands under cultivation; they were however disappointed in their expectations owing to the entire failure of rain in the Months of October and November 1840, by which period the supply in the Tanks was exhausted. It is worthy of remark that the dry Crops also in these Purganahs, with the exception of Jonna, suffered considerably from the badness of the season.

8. Statement No. 3 shews the extent of cultivation in each Estate, the various descriptions of produce, the Circar share thereof, and the prices fixed for them, together with the Amount of settlement for Fusly 1250 compared with those of the preceding year. The annexed Abstract will shew the principal items under the different heads included in the settlement.

11. These Estates consist almost entirely of wet lands which have been unproductive for some years past, (tho' there are several watercourses, channels, and dependent Tanks which have been repaired at a considerable expence,) in consequence of the failure of rain and the dificiency of water in the Tumalair, the principal source of irrigation in these Estates. During the early part of the season, the Tumalair river supplied the Tanks of the Villages in the vicinity of Ellore Mootah, and the Ryots applied their resources to the cultivation of large tracts of wet land in the hope that their efforts would be successful, but the subsequent failure of rain not only obstructed the progress of cultivation in the Covally Moottah but the crops in the two Estates perished to a great extent long before they came to maturity, and thus caused

Fort St. George 8th December 1842.

a diminution of Revenue. The small extent of money rented and Garden lands in these Mootahs could not make up for the dificit thus occasioned.

The annexed Davercottah 12. Statement will shew an increase of Rupees 15,890 — 5 — 2 in the Settlement of Davercottah during Fusly 1250 beyond that of the preceding year.

15. It will be observed that the revenue from the dry lands in this Village fell short of that of Fusly 1249 by Rupees 701-13-11, while in the Wet lands there is an increase of Rupees 568-14-5- the total settlement exhibits a Net decrease of Rupees 17-10-10.-

16. This Village is situated in the Hilly part of the District, and is usually cultivated with dry grains of an inferior quality. The crops raised in the year under review were exceedingly scanty, and the Revenue from dry lands fell off in consequence to a great extent. As regards the wet land cultivation, altho' the Ryots were unwilling to carry on the same to any extent, from the unfavorable result of the previous year, they were however induced to cultivate a small portion, and the result shews the increase of Rupees 568 — 14 — 5, above noticed. The ready money Collections likewise exhibit an increase of Rupees 115-4-8.

Imagadapah- 17. The Settlement of Imagadapah for Fusly 1250, Compared with that of Fusly 1249. exhibits an increase of Rupees 1364-10-8- as shewn in the annexed Statement.-

From

20- From the above, it appears that the Settlement of these Estates for the Fasly under review fell below that of Fasly 1249 by Rupees 15,549-0-2. The Mootahs of Kilbalore and Bhoojabalapatam are situated in the heart of the Collair, a Lake of considerable extent and importance. The soil is particularly adopted for paddy Cultivation except in some few certain places where Seerwapunt Crops may be raised. The principal feeders of the Lake are the large Rivers Kistna and Godavery, the freshes of which not having for several years supplied the Lake, it became dry, and the revenue has gradually fallen off. This in Fasly 1249 no supply was received by the Collair, yet the abundant falls of rain enabled the Ryots to Cultivate some of the more lowly situated wet lands, and the revenue derived from this source, as well as from the tax for pasturage, Fisheries, and the ready money Collections amounted to Rupees 14,526-5-4, while in Fasly 1250 the Season was too unfavorable to admit of the Wet Cultivation

1249- The receipts from the tax on cattle pasturage and the ready money collections have likewise fallen off, so that the Settlement Amounted only Rupees 14,401-13-10- being Rupees 10,124-7-6- below that of the preceding year.-

21.- The soil composing the lands of the Villages of Chena Pondrace is of an inferior description, and depends on rain for its irrigation. The produce raised on these requires seasonable and continued falls of rain, which did not occur in the Fasly under review- In consequence the wet cultivation as well as the Poonasa or first crop of the Season was very deficient, and the total decrease in the Settlement of the Village amounted to Rupees 5,424-8-8.-

23. It will be seen that there is a large increase in the Settlement of the Davercottah Purganah for the Fusly under review, but the Collections within the Fusly exhibit a decrease of Rupees 9,055-5-1. This appears to have been occasioned by the delay attendant on the measurement of the large produce, which, notwithstanding every exertion, was not completed till the latter end of June, when the prices of grain were fixed, but the Revenue could not be collected within the Fusly - Another cause may also be assigned for this decrease, Viz.te the great falling off in the prices in the market, which prevented the Ryots from disposing of the articles to advantage.-

24- The Sum of Rupees 42,287-4-7- Collected after the close of the Fusly, raised the total amount realized on account of the Settlement of this Estate to Rupees 121,014-5-4, being Rupees 14,760-4-10- in excess of the preceding year, and leaving a balance of only Rupees 1576-2-1 Viz.te Rupees 979-0-8- on Aumany Villages and

Rupees 597-1-5 rented Villages; this balance will be collected hereafter.-

25. The Collection of Revenue in the other Estates exhibits a decrease in about the same portion that the amount of the demand bears to that of the preceding Fusly - The balance on the Vinnacottah and Goodewadah Purganahs amounts to Rupees 1423-1-2, and that on Ellore and Covally to Rupees 507-15-1. These consist of items under the Head of ready money Collections, and are collected from the Ryots without reference to the state of Season or produce, but the general depression caused by the unfavorable nature of the season of Fusly 1250, prevented the Ryots from discharging these balances in Full- measures will be taken to collect them from the future available resources.-

27. It will be observed that the Settlement and Collections of Vinnacottah and Goodewadah Purganahs for fusly 1250, fall Short of the Peishcush by Rupees 48,107-4-8 and Rupees 61,035-3-11 respectively, and there was consequently a decrease in the amount credited to Peishcush to the extent of Rupees 56,848-9-3 below that of the preceding fusly, which may be accounted for by the circumstances detailed in Para 7. of this report.

Cor. A.P.
Peishcush - 81,333-a-a

28. The Settlement of Ellore and Conally Mootahs for the fusly under review likewise Shew a decrease below the Peishcush of Rupees 26601-11-8, and the Collections and the Sums credited to Government on account of Peishcushe were less by Rupees 5224-9-8 and Rupees 11,341-10-11 respectively, than in Fusly 1249-

Peishcush - 39,383-7-7
Settlement - 12,781-11-11
Decrease - 26601-11-8

29. The decrease in the latter item was caused not alone by the diminished Collections, but by a large outlay amounting to Rupees 500-a-a under the sanction of Government on account of repairs to the Tanks &c which have been long neglected;

a charge urgently required to put the Source of irrigation into an efficient State of repair.-

It is Satisfactory to observe

30. that the Settlement of Davercottah exceeds the Government Peishcush by Rupees 22,930-7-5. The Collections within the fusly however, and the payments on account of Peishcush during that period exhibit a decrease of Rupees 29,214-12-2 and Rupees 13,441-11-11 respectively- Since the close of the fusly the large Sum of Rupees 51,540-a-a has been Collected and credited to Peishcush of Fusly 1250.-

To the Collector of Bellary — 1

In Cons.t 1st Dec.r 1842

I am directed by the Board of Revenue to acknowledge the letter of the Sub Collector in charge dated 21st Ultimo regarding the Bungalow at Hindoopoor—

(20.)

2. It appears to the Board that the whole property was included in the purchase made by Mr. Robertson, and that the only consideration on which Government could be regarded as having any interest in it, is that the trees were watered and some of them planted at the public cost, and perhaps, for it does not seem clear, that the amount laid out in repairs (97 Rupees) was not refused by Mr. Robertson—

3. Whatever rights in the property that Gentleman professed have now been transferred to Mr. Pelly, and the Board think that the best arrangement would be to acknowledge him as owner of the whole Tope, subject only to the payment of the survey Assessment of the land, as ordered in the case of other properties held without Grant. If Mr. Pelly concurs in this proposal, you will be pleased to carry it into effect, notifying the circumstance for the information of the Board.

From the Coll.r of Bellary — 3

Sir,

With reference to the Board's Proceedings under date the 9th May 1842 annexed to the Extract from the Minutes of Consultation dated the 3rd of that month calling for the information required by Government as to "what authority or under what circumstances" the terms of Yeomiah of the late Sashasastroolo was entered "hereditary" in the Certificate granted to him by this Office, I have the honor to state for the information of Government, that the allowance in question would appear to have been enjoyed by the Family successively for the last four generations. The allowance was conferred by the Mahomedan Government upon the Original Grantee Ramanasastroolo who enjoyed it as did his heirs after him both in that and under the British Government up to the year 1813, on the 22nd March of that year the

Submitting the information required by the Board on the 9th May 1842 regarding the Yeomiah allowances of late Sashasastroolo and the Shanbogueship of Tallikotah Cawdy—

16452 Fort S.t George 8.th December 1842

the Collector M.r Chaplin entered in the
statement which he submitted to the Board
the name of the then incumbent Sashavastroolo
(the late Yeomidar referred to by Government)
as the great Grand son of the Original
Grantee, and this received the sanction of
Government on the 27.th August 1813. Thus the
bounty has been successively conceded to the same
Family and possessed by them as appears by the
Records of this Office.

2

In a report of M.r Thackeray
to the Board dated 17.th November 1819 he states
"I would not propose to deprive them of any part
"of the Provision made by former Governments
"and continued by so many rigid Officers under
"so many different Governments to the present
"time. Their original sunnuds are said to have been
"lost when Tippoo invaded Adony, but this Yeomiah
"was entered in the List which Colonel Munro adopted
"as giving validity to their grants when these Districts
"were first occupied by the Company and confirmed
"by him with the rests now reported upon on grounds
"adduced of long enjoyments. This and the other
"Yeomiahs or Pensions of this nature to Gooroos
"and Sastries are in fact like the tenures

16453 Fort S.t George 8.th December 1842

"Colleges and institutions for the encouragement of
"learning in Europe. It surely is not much for the
"British Government to continue Grants to Hindoos
"which so many poor Mahomedan Governments
"have respected. All the learning and much of
"of the Civilization of India have been preserved by
"endowments of this description." M.r Campbell in
Collector the Statement submitted with his letter dated
7.th April 1823, on behalf of other Yeomiadars
similarly situated and in the same Talook states,
"No Sunnuds but were enjoyed "hereditary," and
further in the last Column of Remarks
he urged, that "As it has been usual to
"continue these Pensions I submit that each be
"renewed from the death of the several incumbents
"to their nearest heirs specified in Column 13" Under
the foregoing remarks this and other Pensions
of the Punchapollum Talook have been passed
and it was with reference to these Precedents
that the Pension of the late Sashavastroolo
was inserted "hereditary." The late Sashavastroolo
enjoyed the Yeomiah allowance of Company's
Rupees 1-8-6. per Mensem for nearly 30 years,
and died on the 28.th September 1841 leaving the
family noted in the † margin which I reported
to

† A son named Sullecarjona Sastriolo a Daughter in Law and Several other Dependants

to the Board in my letter 1st February 1842 without any recommendation and requested their decision agreeably to the opinion of Mr. Chaplin quoted by Government in the Minutes of Consultation under reference. In the event of the whole or a portion of the allowance being sanctioned by Government in the name of the son of the deceased the certificate granted to the latter will be cancelled and a fresh one issued with such restriction as to "Term of Pension" as may be determined consistent with the Charitable nature of this and similar grants.

3.

Regarding the case of Syed Shaw Hazarattoollah Cawdary the other deceased Yeomiadar referred to in the above Minutes of Consultation, I have also the honor to acquaint you, that the original Grantee in this case was Syed Nahoodally Rawdaree. He enjoyed a daily allowance of 8 Annas during the Native Government which on his death, was renewed in the name of his son, Syed Abdul Rahemun by the Nabob of Arcot in favor of Bassalut Jung son of Bassalut Jung under a Sunnud granted by him. Copy of which is enclosed, the Original being held by the Family of the late Incumbent Syed

Abdul Rahemun's name appears in the Inoyen Nabitahs submitted by Colonel Munro, and he was succeeded by his son the last Incumbent Syed Shaw Hazarattoollah Cawdary whose Pension of Company's Rupees 12-14-6 per Mensem received the sanction of Government with other Yeomiadars on the 27th August 1813. He died on the 16th November 1841, and left a Family as per Margin. Independent of his Monthly Pension the deceased enjoyed a share of 1/32 in a Shrotriem Village called Muntrekey in Adwanie Talook yielding Company's Rupees 13-12-- per Annum, which latter income is stated to be inadequate for the Maintenance of the Family.—

21-22

To the Acting Chief Secretary to Government.—

Sir

To the Actg. Chief Sec. to Govt.

Submitting another Report from the Collr. of Bellary conveying the information called for.

Para 1.

I am directed by the Board of Revenue to request that you will lay before the Most Honble

for in an Extract from the Mem of Con.l dated the 3d May last, relative to certain Yeomiah allowances in that District and stating that as these pensions appear to have been hitherto considered hereditary the Board would repeat their former recommendation that they may be continued for the maintenance and support of the respective families of the deceased Yeomiahdars—

In Con.n 9th Dec.r 1842.

Fort St. George 8th December 1842.

Honorable the Governor in Council

From the Coll.r 26th Nov.r 1842 in Con.n 8th Dec.r—

the accompanying report from the Collector of Bellary furnishing the information called for in an Extract from the Minutes of Consultation dated the 3d of May last, relative to certain Yeomiah allowances in that District.—

2. In explanation of the circumstances which led to the Pension of Rupees 1-8-6. enjoyed by the late Sashasastrooloo being entered in the certificate as "Hereditary" Mr. Mellor states that the allowance in question was granted originally by the Mahomedan Government and has been conceded successively to the same family for the last four generations—the last occasion of its confirmation being by the British Government in the year 1813 to the late incumbent who was the great grandson of the original grantee.

3. From the Extract from Mr. Thackeray's report quoted by the Collector in the second para of his letter it appears that

Fort St. George 8th December 1842.

the original Sunnud was lost when Tippoo invaded Adony, but that this Yeomiah was confirmed with others to the then incumbent on "proofs adduced of long enjoyment".

With reference to these and other precedents the Collector states that the pension in question was entered in the certificate granted from his office as "hereditary."—

4. As regards the second Pension of Rupees 12. 14. 6 per Mensem referred to in the above Extract Minutes of Consultation it seems from the Collector's letter to have been also conferred originally by a native Government and to have been continued to the Son of the original Grantee by the Nabob of Adony under a Sunnud copy of which accompanies On the assumption of the country by the Company the claim of the then incumbent Syed Abdul Raheman appears to have been considered sufficiently strong to entitle him to its continuance and

this

his name was accordingly entered in the list submitted by Colonel Munro his Son the late Syed Shaw Hazarat Ool-=lah Cawdry succeeded to the pension on the demise of his father which arrangement was also sanctioned by Government in the year 1813.-

27th. in Cons 30th. Augt 1813.-

5. As therefore these Pen=sions appear to have been hitherto considered hereditary by the several Governments referred to the Board would repeat the recommendation contained in their Proceedings dated 24th. February last that they may be continued for the maintenance and support of the respective families of the deceased Yeomiadars.-

It appears from the foregoing report that every reasonable indulgence has been granted by the Collector to Mootabhar Khan consistent with the rules laid down for ascertaining the existence of Pensioners from time to time the Board resolve to pass the following endorsement on his Petition No. 1372 of 1842.—

"The Board of Revenue have made a reference to the Collector of South Arcot and have ascertained that Mootabhar Khan the Petitioner is only required to appear once during the year before a European Officer of Government and once before the Tahsildar of Verdachellum, and they regret that the rules lately sanctioned for the payment of Pensions do not admit of greater indulgence."—

Fort S.t George

Sir,

From C. H. Hallett Esq.re Collector of South Arcot. Referring to the Board's Proceedings of the 11.th April 1838 and requesting instructions regarding the value of Indigo.—

26

In reference to the Board's Proceedings of 11.th April 1836 relative to the ad valorem duty on Indigo, I have the honor to state that 850 Rs. per Candy for 1.st and 750 for 2.d Sort was in the beginning of January 1841 fixed in the Tariff, in communication with the Collector of Land Customs at Madras.—

I regret to say that such prices have not been realized for a length of time, and the marketable value has lately been from 280 to 350. I see moreover no reason whatever to anticipate any important rise in prices. on the contrary, the very small profit made and often times loss incurred in its manufacture persuades the natives, in their short sightedness to their own interests, to make it more carelessly, and consequently of an inferior quality.—

Tho' the duty is generally paid by the purchaser, it necessarily falls also upon the manufacturer, and thus additionally discourages him,

[illegible] obviously unfair when the duty is fixed at 5, to make

make the article pay in reality 12 per Cent, and I therefore bring the matter to the notice of the Board in the hope that the injustice may be remedied.—

A trifle above the ordinary market price is perhaps advisable to prevent repeated changes. but the present rates are exceptive, and have been felt to be so during the last 2 years, when the selling price in South Arcot has never exceeded 400 Rupees.—

Ordered that the following letter be sent in consequence.—

To The Collector of Madras.

To the Collector
of Madras,

Sir,

(26-27) I am directed by the Board of Revenue to transmit to you copy of a letter from the Collector of South Arcot regarding the official valuation of Indigo in his District, and adverting to the correspondence noted in the margin the Board would be glad to

B.d to Gov.t Dec.r 28.th 1835
Order of Gov.t Jan.y 8.th 1836

have your opinion whether any reduction can be made. If such a change in the valuation is impracticable in accordance with the terms of the order of Government, the Board would suggest to you whether it might not be beneficial to alter that rule.—

2. It appears to have been framed on the assumption that almost all the Indigo produced in these provinces is exported. But though that may be the case with the produce of the factories, yet a great deal, prepared in the common native way, is consumed in all the Districts in the manufactures of the country, and this is probably of an inferior description and commands an inferior price. Under the present system all this is charged with duty on the valuation at the Madras Custom House and

Fort St. George 8th December 1842.

and it would be a material relief to fix the tariff value in each District at the local current selling price, which is invariably more or less below the Madras price.

The difference of duty would of course be levied, as was the practice formerly on such Indigo as might subsequently be introduced into Madras for export or consumption.

From C. H. Hallett Esqre
Collector in the 1st Divn of Arcot

Sir.

I have the honor to bring to notice the concealed cultivation and some over collections made from the Ryots of a Village in Tirumalley Talook by the Monegars in Fusly 1246 and of the amount having been collected and brought to account in subsequent Fuslies, and requesting the sanction of the Board to disburse a portion of the over collection due to the Ryots.

A.D. 1838/39 & 1839/40 A.D. 1830/31

Complaint was preferred that in Fusly 1246 some concealed cultivation had been made and Extra Collections received from the Ryots by the Monegars (one being also the Notagar) of the Village of Poodooput in Tirumalley Talook.

This on enquiry was found to be true, but after the sums defrauded had been recovered from the Offenders, they were in Fuslies 1248 and 1249 carried to account, and are all included in the Abstract Statements of Extra Collections for those Fuslies (forwarded to the Board with the annual Reports) in the items under the head Tirumalley.

It is evident that this was a mistake, for while the Collection on account of the concealed cultivation was justly credited to the Circar, the over Collections made from the Ryots and recovered from the Monegars should have been repaid to the parties defrauded.

The

Fort St. George 8th December 1842.

The whole amount recovered was 173 — 9 — 3 of which 97 / 3 belonged to the Ryots I have the honor to request that I may be furnished with sanction to disburse this sum to the Ryots which is clearly their due.

Proceedings thereon.

(28-29)

Before submitting to Government the application contained in the foregoing letter for a refund of Money carried to account so far back as Fuslees 1248 and 1249 the Board desire to be informed what portion of the whole amount, Viz.t, Rupees 173 — 9 — 3 therein referred to, was collected on account of the concealed cultivation made in Fusly 1248 in the Village of Poodooput, and also the amount of Extra collections received by the Monegars from the Ryots of that Village.

Mr. Hallett will therefore be pleased to furnish a Statement shewing the total amount deducted

from these Monegars and the amount received on each of the accounts noticed above.

Sec.

Fort St. George 8th December 1842.

The quantity supplied in Fusly 1250 / A.D. 1840/41 was Candies 1345 subject to a duty of 39,543 Rupees a Pagodas 8, and the quantity given this year does not exceed 800 Candies which will explain the cause of the decrease in the amount of the Sayer duty.

6. Under the head of Sayer charges is a small decrease of 8–6–1 in the pay of Establishment arising from the amount of fines levied from the Sayer Servants exceeding that of last year and also an increase of Rupees 7–2–6 in the amount of Saderwared charges, which from its trivial nature does not seem to require any particular explanation the decrease of 1598–9–6 under the head of Commission is in consequence of the Principal Collector's drawing a consolidated salary of 3,700 Rupees a Month under instructions from the Board of Revenue.

20th March 1836.

7. The demand of Abkary Revenue for the year under review is 459 which exceeds that of the preceding by 576 and which has been realized within the Fusly.

8. There is a decrease of

Fort St. George 8th December 1842.

of Commission under this head amounting to Rupees 337–14 –5. For explanation vide para 6.

9 The demand on account of Revenue comprising the head of Sundry small Farms and Licenses 651–4–5 which shews an increase of 125–1–8 above the demand of Fusly 1250 / A.D. 1840/41 Of this sum, Rupees 618–7–11 were collected within the year, leaving a balance of 32–12–6 in the Talooks of Coimbatore and Pulladom which is in the course of adjustment.

10. Under the head of Revenue derived from the sales of Sandalwood, Elephants and Ivory there is a net increase of Rupees 15,585–9–7 arising from the sale proceeds of the Sandalwood purchased by Messrs Arbuthnot & Co. in last year having been paid and credited in the Fusly under review as shown in the Margin.

Value of Sandal wood received	2,624	–	7

Value of D° in Fusly 1250	2,589	4	6
Decrease in the Sale of Elephants and Ivory	34	3	1
		604	6 7
		15,585	9 7

The quantity at present remaining unsold in the Depôt at Bhavaney is 232 Candies 6 Maunds and 18¼ lbs. the assumed value of which on the average prices of the last three years amounts to Rupees 23,950–0–0. The sale of this quantity was advertised

of 15th April 1842
Page 298

advertised in the Fort St. George Gazette, but no offers were received owing, in my opinion chiefly to the unsettled sate of China I propose to repeat this advertisement submitting such offers as are made for the consideration of the Board.

11.

There is a Net increase of Rupees 358—14—11 in the amount of charges under this head occasioned by a larger quantity of Sandalwood having been cut and brought to the Godowns than in last year. The total increase amounts to Rupees 432—2—4 and when the decrease of 73—3—5 under the head of Commission is deducted therefrom for reasons noticed in para 6 of this report, the Net amount is reduced to 358—14—11 as shewn above.

12.

The Revenues derived from the sales of stamp Paper and Rowannahs is less than that of last year by 1781—15— which deficiency is traced to the following causes, Viz.t Rupees 1951—12— in the sale of Stamp Papers in consequence of reduced demand for them; Rupees 311—8— from decrease in the amount of [illegible] levied by the Auxiliary

Rupees 421—11— in the sale of Stamp Rowannahs consequent on the falling off in the trade of Piece Goods.

13.

Under this head there is a decrease of Rupees 753—9— in the amount of charges - ie Rupees 669—10—1 from the payment of consolidated salary to the Principal Collector, and Rupees 83—6—8 chiefly from the office of Stamp Darogah having been vacant for a broken period.

14.

It would appear from Statement No. 3 that the sum of Rupees 1,08,825—2—6— is credited under the head of "Profits on Tobacco" in explanation of which I beg leave to state that since the Establishment of the Monopoly system in Fusly 1237 / A.D. 1826/27 the Tobacco is purchased from the Growers at a fixed rate for every 100 bundles and is supplied to the Native States of Travancore and Cochin and Palliport on an average fixed rate of 37—3—0— per Candy. In Fusly 1237 / A.D. 1826/27 only it was given at 35 Rupees a Candy. The supply to Malabar in Fusslies 1238 and 39 / A.D. 1827/28 & 28/29 was priced at 34—8—0 the Candy, and from 1240 / 1829/30 to 1245 / 1835/36 at 35—9—0 It is now charged at the rate under instructions from the Accountant

The

Fort St. George 8th December 1842.

The difference between the prime cost and the average rate accumulated from Fusly 1237 A.D. 1826/27 to 1245 amounted to Rupees 117788–15–6 and was entered under the head of Surplus. From this sum Rupees 3918–9–9 were paid to the late Puttah of Sooloor, and Rupees 1056–2–3 to Anniah Reddy of Mysore under the sanction of Government, making in the aggregate Rupees 4974–12–0 and leaving a net surplus of 112814–3–6 the circumstances under which this payment was made to the two Individuals are too well known to the Board to need further explanation.

15.

Of this surplus (Viz.) 112,814–3–6 Rupees 12,137–4–2 were erroneously overcredited to the head of Extra Revenue charges on account of Sibbendy employed for preventing the smuggling of Tobacco instead of being brought to that of surplus for the adjustment of which the instructions of the Accountant General were requested which have not as yet been received and in consequence the sum of Rupees 100,676–15–4

Vide Letter to the Board 11th October 1834. Do. Do. 23rd June 1836. Extract from Minutes of Consy. 4th March 1836. Do. Do. 23rd June 1836.

Fort St. George 8th December 1842.

was entered under the head of surplus up to the end of June 1842.

16.

Similar surplus sums which have accumulated in each year from Fusly 1246 A.D. 1835/37 to 1250 1840/41 have been adjusted in the accounts to "Profit and Loss of the Revenue Department" as directed by the Accountant General, but this adjustment was not exhibited in the Extra Revenue Statements transmitted to the Board. These instructions were subsequently modified by that Officer, and the head of "Profits on Tobacco" was substituted for "Profit and Loss of the Revenue Department," which mode of adjustment has been observed in the year under review. The aggregate amount credited to "Profits on Tobacco" will appear in the following Statement.

The Statement No. 2 exhibits the quantity of unsaleable Tobacco out of certain supplies procured from Madura for the monopoly of this District in fasles 1246 (1836/37) and 1247 (1837/38)

3 Owing to the frequent failures on the part of Contractors for the supply of my stock of Tobacco Mr. Vencashwar was induced to [illegible] a supply from the Madura District [illegible]

18499 Fort St. George 8th December 1842.

The experiment did not however succeed for altho the Tobacco was sent every part of the District where it was thought it might be saleable, yet as it was of a description the people were unaccustomed to, only a small portion was disposed of. The remainder has now become unfit, for consumption, and is utterly unsaleable. I request therefore that sanction may be granted for burning this quantity and writing it off in the accounts.

Resolution thereon,

(34-35)

Before submitting the foregoing letter for the orders of Government the Board wish to be informed under what circumstances the fact of so large a portion as 6,53,-6-22 — 10. of the Tobacco procured from Madura having remained unsold since July 1247. was not specially brought to their notice at an earlier period.

The Sub Collector in charge will be pleased to report the actual cost to Government of the Tobacco in question, and to explain how the supplies for Fasli 1246 and 1247 could have been ordered A.D. 1836/37 1837/38 by Mr. Vivaash, who it is observed finally surrendered charge of the District in March 1835.

the receipt of your letter under date the 28th Ultimo, relative to the delivery of Salt at Ennore, for export to Calcutta

2. Should the Board of Revenue have been furnished with returns of the outturn of Salt Cargoes, exported from Ennore, since 1834, I request that I may be favored with a copy of them. My object in making this request is chiefly to ascertain in what Native Vessels which took Salt on board at Ennore any excess was found on their arrival at Calcutta. At present I do not know to what period the Superintendent of the Sulkea Salt Golahs refers. From Ennore no Salt has been shipped on board of a Native Vessel since the year 1836. The Return of the outturn of various cargoes furnished to this office in 1834, does not shew an excess in any Cargo shipped at Ennore on board of any Vessel.

3. On the other points noticed in the communication under reply I shall have the honor

To the Collector
of Madras,

Sir,

(26-27) I am directed by the Board of Revenue to transmit to you copy of a letter from the Collector of South Arcot regarding the official valuation of Indigo in his District, and adverting to the correspondence noted in the margin the Board would be glad to

B.d to Gov.t Dec.r 28.th 1835

have your opinion whether any reduction can be made. If such a change in the valuation is impracticable in accordance with the terms of the order of Government, the Board would suggest to you whether it might not be beneficial to alter that rule.—

2. It appears to have been framed on the assumption that almost all the Indigo produced in these provinces is exported. But though that may be the case with the produce of the factories, yet a great deal, prepared in the common native way, is consumed in all the Districts in the manufactures of the country, and this is probably of an inferior description and commands an inferior price. Under the present system all this is charged with duty on the valuation at the Madras Custom House and

I am directed by the Board of Revenue to acknowledge the letter of the Sub Collector in charge dated 21st Ultimo regarding the Bungalow at Hindoopoor—

2. It appears to the Board that the whole property was included in the purchase made by Mr. Robertson, and that the only consideration on which Government could be regarded as having any interest in it, is that the trees were watered and some of them planted at the public cost, and perhaps, for it does not seem clear, that the amount laid out in repairs (97 Rupees) was not refused by Mr. Robertson—

3. Whatever rights in the property that Gentleman professed have now been transferred to Mr. Pelly, and the Board think that the best arrangement would be to acknowledge him as owner of the whole Tope, subject only to the payment of the survey Assessment of the land, as ordered in the case of other properties held without Grant. If Mr. Pelly concurs in this proposal, you will be pleased to carry it into effect, notifying the circumstance for the information of the Board.

Sir,

With reference to the Board's Proceedings under date the 9th May 1842 annexed to the Extract from the Minutes of Consultation dated the 3rd of that month calling for the information required by Government as to "what authority or under what circumstances" the terms of Yeomiah of the late Sashasastroolo was entered "hereditary" in the Certificate granted to him by this Office, I have the honor to state for the information of Government, that the allowance in question would appear to have been enjoyed by the Family successively for the last four generations. The allowance was conferred by the Mahomedan Government upon the Original Grantee Ramanasastroolo who enjoyed it as did his heirs after him both in that and under the British Government up to the year 1813, on the 22nd March of that year the

Submitting the information required by the Board on the 9th May 1842 regarding the Yeomiah allowances of late Sashasastroolo and the Shanbogueship of Tallikotah Cawdy—

16452 Fort S.t George 8.th December 1842

the Collector M.r Chaplin entered in the
statement which he submitted to the Board
the name of the then incumbent Sashavastroolo
(the late Yeomidar referred to by Government)
as the great Grand son of the Original
Grantee, and this received the sanction of
Government on the 27.th August 1813. Thus the
bounty has been successively conceded to the same
Family and possessed by them as appears by the
Records of this Office.

2

In a report of M.r Thackeray
to the Board dated 17.th November 1819 he states
"I would not propose to deprive them of any part
"of the Provision made by former Governments
"and continued by so many rigid Officers under
"so many different Governments to the present
"time. Their original sunnuds are said to have been
"lost when Tippoo invaded Adony, but this Yeomiah
"was entered in the List which Colonel Munro adopted
"as giving validity to their grants when these Districts
"were first occupied by the Company and confirmed
"by him with the rests now reported upon on grounds
"adduced of long enjoyments. This and the other
"Yeomiahs or Pensions of this nature to Gooroos
"and Sastries are in fact like the tenures

16453 Fort S.t George 8.th December 1842.

"Colleges and institutions for the encouragement of
"learning in Europe. It surely is not much for the
"British Government to continue Grants to Hindoos
"which so many poor Mahomedan Governments
"have respected. All the learning and much of
"of the Civilization of India have been preserved by
"endowments of this description." M.r Campbell in
Collector the Statement submitted with his letter dated
7.th April 1823, on behalf of other Yeomiadars
similarly situated and in the same Talook states,
"No Sunnuds but were enjoyed "hereditary," and
further in the last Column of Remarks
he urged, that "As it has been usual to
"continue these Pensions I submit that each be
"renewed from the death of the several incumbents
"to their nearest heirs specified in Column 13" Under
the foregoing remarks this and other Pensions
of the Punchapollum Talook have been passed
and it was with reference to these Precedents
that the Pension of the late Sashavastroolo
was inserted "hereditary:" The late Sashavastroolo
enjoyed the Yeomiah allowance of Company's
Rupees 1-8-6. per Mensem for nearly 30 years,
and died on the 28.th September 1841 leaving the
family noted in the Margin which I reported
to

+ A son named Soubbarayona Sastriar & Daughter in Law and Several Grandchildren

to the Board in my letter 1st February 1842 without any recommendation and requested their decision agreeably to the opinion of Mr. Chaplin quoted by Government in the Minutes of Consultation under reference. In the event of the whole or a portion of the allowance being sanctioned by Government in the name of the son of the deceased the certificate granted to the latter will be cancelled and a fresh one issued with such restriction as to "Term of Pension" as may be determined consistent with the Charitable nature of this and similar grants.

3.

Regarding the case of Syed Shaw Hazarattoollah Cawdary the other deceased Yeomiadar referred to in the above Minutes of Consultation, I have also the honor to acquaint you, that the original Grantee in this case was Syed Nahoodally Rawdaree. He enjoyed a daily allowance of 8 Annas during the Native Government which on his death, was renewed in the name of his son, Syed Abdul Rahemun by the Nabob of Arcot in favor of Bassalut Jung son of Bassalut Jung under a Sunnud granted by him. Copy of which is enclosed, the Original being held by the Family of the late Incumbent Syed

Abdul Rahemun's name appears in the Inoyen Nabitahs submitted by Colonel Munro, and he was succeeded by his son the last Incumbent Syed Shaw Hazarattoollah Cawdary whose Pension of Company's Rupees 12-14-6 per Mensem received the sanction of Government with other Yeomiadars on the 27th August 1813. He died on the 16th November 1841, and left a Family as per Margin. Independent of his Monthly Pension the deceased enjoyed a share of 1/32 in a Shrotriem Village called Muntrekey in Adwanie Talook yielding Company's Rupees 13-12-- per Annum, which latter income is stated to be inadequate for the Maintenance of the Family.—

Para 1.

I am directed by the Board of Revenue to request that you will lay before the Most Honble

for in an Extract from the Mem of Con.l dated the 3d May last, relative to certain Yeomiah allowances in that District and stating that as these pensions appear to have been hitherto considered hereditary the Board would repeat their former recommendation that they may be continued for the maintenance and support of the respective families of the deceased Yeomiahdars—

Honorable the Governor in Council

From the Coll.r 26th Nov.r 1842 in Con.n 8th Dec.r—

the accompanying report from the Collector of Bellary furnishing the information called for in an Extract from the Minutes of Consultation dated the 3d of May last, relative to certain Yeomiah allowances in that District.—

2. In explanation of the circumstances which led to the Pension of Rupees 1-8-6. enjoyed by the late Sashasastrooloo being entered in the certificate as "Hereditary" Mr. Mellor states that the allowance in question was granted originally by the Mahomedan Government and has been conceded successively to the same family for the last four generations—the last occasion of its confirmation being by the British Government in the year 1813 to the late incumbent who was the great grandson of the original grantee.

3. From the Extract from Mr. Thackeray's report quoted by the Collector in the second para of his letter it appears that

Fort St. George 8th December 1842.

the original Sunnud was lost when Tippoo invaded Adony, but that this Yeomiah was confirmed with others to the then incumbent on "proofs adduced of long enjoyment".

With reference to these and other precedents the Collector states that the pension in question was entered in the certificate granted from his office as "hereditary."—

4. As regards the second Pension of Rupees 12. 14. 6 per Mensem referred to in the above Extract Minutes of Consultation it seems from the Collector's letter to have been also conferred originally by a native Government and to have been continued to the Son of the original Grantee by the Nabob of Adony under a Sunnud copy of which accompanies On the assumption of the country by the Company the claim of the then incumbent Syed Abdul Raheman appears to have been considered sufficiently strong to entitle him to its continuance and

27th. in Cons 30th. Augt 1813.-

5. As therefore these Pen=sions appear to have been hitherto considered hereditary by the several Governments referred to the Board would repeat the recommendation contained in their Proceedings dated 24th. February last that they may be continued for the maintenance and support of the respective families of the deceased Yeomiadars.-

Sir,

From C. H. Hallett Esq.re Collector of South Arcot. Referring to the Board's Proceedings of the 11.th April 1838 and requesting instructions regarding the value of Indigo.—

26

In reference to the Board's Proceedings of 11.th April 1836 relative to the ad valorem duty on Indigo, I have the honor to state that 850 Rs. per Candy for 1.st and 750 for 2.d Sort was in the beginning of January 1841 fixed in the Tariff, in communication with the Collector of Land Customs at Madras.—

I regret to say that such prices have not been realized for a length of time, and the marketable value has lately been from 280 to 350. I see moreover no reason whatever to anticipate any important rise in prices. on the contrary, the very small profit made and often times loss incurred in its manufacture persuades the natives, in their short sightedness to their own interests, to make it more carelessly, and consequently of an inferior quality.—

Tho' the duty is generally paid by the purchaser, it necessarily falls also upon the manufacturer, and thus additionally discourages him,

[illegible] obviously unfair when the duty is fixed at 5, to make

goods recommended for confiscation for October last.

Order on the 2 Abovementioned Statements } Ordered that the confiscation and sale of the smuggled goods enumerated in the statements be authorized.
