To the Chief Secy. to Government- Submitting with reference to the Extract from the Minutes of Consultation dated 2d June last a letter from the Collr of Rajahmundry and explaining the circumstances under which the Estates held by the Rawley Zemindar were sold and the manner in which the proceeds were carried to account. also stating that the Board are not aware of any causes which would prohibit the extension

Sir

Para 1. I am directed by the Board of Revenue to forward to you for submission to the Most Noble the Governor in Council the accompanying letter from the Collector of Rajahmundry dated 17th Ultimo furnishing explanation on certain points adverted to, in an Extract from the Minutes of Consultation bearing date the 2nd June 1843.

2- The first item noticed in the Extract above cited is the sum of Rupees 12167 which in the Statement of Collections and charges on the Rawley Estate as prepared from the accounts of the Proprietor (No 1) enclosed in the Collector's letter of 21st April last is entered as "Liquidation of Loans"-

The

extension to the Zemindar of the relief suggested by Government for restricting the demand upon her to those arrears which are properly chargeable against the Rawly Estate only-

The details of this sum as they appear in the Zemindar's own accounts are exhibited in Enclosure No. 3- accompanying the letter now forwarded- No explanation has however been supplied as to the circumstances under which these debts were contracted or the purposes to which the money was appropriated-

3. The second item which has elicited remark from Government is the sum Rupees 67,646- which appears in Enclosure No. 2 of the same letter as remaining Collections- The manner in which this amount has been expended according to the account given by the Proprietor will be found in Statement No. 4 which it will be seen, is little more than a mere recapitulation of the "charges" entered in the Zemindar's account No. 1 enclosed in the Collectors' letter of 21st April last under the several heads of "Peishcush paid on other Estates" "Allowance to Pagoda" "Salaries to establishment" "Proprietor's maintenance &c &c".

4. In elucidation of the points on which further explanation is required in Para 3- 4- 5 of the Extract from the Minutes

Minutes of Consultation the Collector has referred to Statement No. 2 appended to his letter- The Board are induced to think that a brief recurrence to the circumstances under which the Estates held by the Rawly Zemindar were sold in 1838 and the manner in which the proceeds were carried to account may be of service in facilitating the examination of the Statement furnished by the Collector-

5- The arrears due upon the Estates sold, and the amount realized by the sale, are indicated in the margin- Of the four Mootahs brought to auction three were purchased at prices exceeding the arrears of Public Revenue due upon them respectively- The total out-turn of the sales in consequence of the loss accruing upon the Estate of Moraivy exhibited a balance against the Proprietor of Rs. 5,663-1-2- which added to the amount Rupees 11,274-11-4 outstanding against Rawley.

Name of the Estates	Amount realized by sale	Amount of Arrears	Net Balance Col. 2 less Col. 3	Col. 17 in Statement No. 2
Mootah	Rs. 27,948-2-1	Rs. 25,037-12-1		
Annamalai	30,000-	17,847-14-2		
Caramalai	20,500-	18,205-10		
Moraivy	18,500-	18,777-6-1		
Rawley not sold	80,058-1-2	112,214-11-14		

* Note- after crediting the subsequent realization Col. 15 No. 2 in Coll'rs letter of July 17th 1843-

Fort St. George 14th August 1843.

Rawley left Rupees 6892-12-6 still due by the Zemindar. In place however of carrying the sale proceeds to the credit of the Estates actually sold by which three of the four Mootahs would have been clear of all further demand, the total amount at which the Estates were knocked down was brought to account in partial satisfaction of the arrears due upon all five Mootahs including that upon Rawley which its Proprietor had been permitted to retain. Thus the whole balance outstanding on the five Estates for Fusly $\frac{1247}{A.D.\ 1837/38}$ (the year preceding the sale) was with the exception of interest first paid off then that for Fusly $\frac{1246}{A.D.\ 1836/37}$ and the arrears now charged against the Mootahs are the principal for Fusly 1245 and the interest for Fusilies $\frac{1244}{A.D.\ 1834/35}$ — 45 — 7 respectively — 6 — $\frac{}{35/36-37/38}$

The foregoing will it is hoped prove explanatory on the points adverted to in Para 4 of the Extract from the Minutes of Consultation as to the circumstances under "which the balances which in 1838 stood at "Rupees 7,922 — 3 should have increased to "Rupees 13,385 — 3 — 3" or how an arrear of Rupees

reduced by subsequently collections on the Estates to Rupees 5,668-1-2

Fort St. George 14th August 1843.

"Rupees 3,876-14-4- can be charged against "the Auchentah Estate which was sold in "1838 for a sum exceeding the total demand "then against it" It will have been seen that a part of the sale proceeds which should have been passed to the credit of the Estates sold, was, on what principle the Board are at a loss to understand, applied in liquidation of the demand due upon Rawley and the public demand thus, in part at least continued against the other Mootahs- There can be no question that this mode of adjustment was incorrect, that the whole sum realized by the sale should have been carried to the credit of the property sold — that the Zemindar should have been exonerated from further liability on account of Auchentah Panoomuttah and Canjaveram the charge against him for Mooraweryc limited to Rupees 5,668-1-2 and the Estate of Rawley left answerable for the full amount of the balance due upon it.

7- In Para 6 of the Extract from the Minutes of Consultation the Board

Board are called upon to state how "the
"liability of Rawley on account of arrears
"not realized by the sale of other Estates was
"determined as under Clause 1 Section VI
"Regulation XXVII of 1802 the landed Estate
"is regarded as the security of the Public
"Revenue and if sold for the discharge of
"arrears of Revenue and transferred for ever
"from the Landholder the claims of Govern-
"ment against that Estate would seem no
"longer to exist" The Board would in reply
observe that alth the landed Estate is
stated to be the first and principal yet
they apprehend it has not been declared
to be the sole security for land tax due upon
it nor are they aware that in the event of the sum realiz-
-ed by its sale being inadequate to cover the
Government demand, the personal property
of the defaulter or any other landed
Estate which he might possess might not be
held responsible for the balance a course
which they submit would appear to be contem-
-plated in Clause 2-3 Section VII Regulation
XXVII of 1802 In regard to the case before
them it may be sufficient to remark
that when the four Estates sold in 1838.

were

were disposed of a considerable arrear was
at the same time due against Rawley the
Zemindar however in consideration of being
allowed to retain that Estate offered
to pay off the balance due upon it with
the deficit not realized by the sales
of the Mootahs already sold, being
in all Rupees 16,892—12—6 by five annual
instalments. This arrangement was sanction-
ed by Government and a bond. Copy of which
the Collector of Rajahmundry has trans-
mitted was on the 31st October 1839 executed
for Rupees 14,173—3—3 the difference between
that sum and the amount due in the
preceding year having, it is presumed, (for
Mr Smith is silent on the subject) been
liquidated in the interim—

3. This increase is entirely in consequence of the greatly increased number of the Government Estates, as explained in my letters of the 14th. September and 29th. October 1841. though by economy and the introduction of Gum instead of sealing wax and the careful preservation of all the old covers of letters I have been able to reduce the expected increase in my Huzzoor Sanderwards from Rupees 242-10-7 to Rupees 154-8-0 since my letter of 29th. October 1841.

4 The increase in the District, being on account of Sanderwards required for the Management of the Estates newly reverted to Government in fusles 1249/1839/40 - 1250/1840/41 and 1251/1841/42 is proposed, as directed by the Board of Revenue, and is not more than what is absolutely necessary.-

5 Under the above explanations, I have the honor to request that the sanction of Government may be obtained for the Estimate now submitted, which is to be a standard one from the commencement of fusly 1253/1843/44 amounting to Rupees 4,4,16-14-7, together with the actual expenses for the last fusly 1252/1842/43 Viz.t Rupees 4,225-3-10, exhibiting a Net increase of Rupees 142-13-3 in the Huzzoor beyond the Amount originally sanctioned, but not including the sum of Rupees 180-0-0 on account of the actual District Sanderward of the newly reverted Estates, which for fusly 1252/1842/43. has been obliged to be included under the head of Extra charges.-

Sir,

Para 1. With reference to your letter under date the 27th ultimo, I have the honor to state for the information of the Board that honey and Wax are no where produced in this District, except in the Jungles of Streeharecottah, and that the privilege of collecting those articles has never been rented, they are however collected on account of Government by a class of people called Yanadies, who are remunerated by a daily allowance of grain, the proceeds being credited to Government under the head of "Bajeeab" or Sundry small farms and licenses.-

2. Agreeably to the Board's desire I herewith submit a statement shewing the quantity of honey and Wax

Collected

collected with the amount of Revenue realized, and the actual costs incurred during the last 5 years.-

3. No representation has at any time been forwarded by the Inhabitants of Streharecotah against the System pursued, nor would I recommend any alteration in it, as it would throw a race of harmless and destitute people out of employ, who subsist solely on the allowances granted to them by the Government, and in return for which, they gather and hand over to the Government Officers various Jungle products besides Wax and Honey, such as Cheyroot Yea.-

List No. Submitted by Mr. Chaplin to the Board under date the 20th September 1814. This man, like all other Yeomiadars of Punchapillum Talook held no original Sunnud, the same having been lost or mislaid; but the Stipend in his name continued to be enjoyed by himself and his Brother Chetumbriah in equal shares until both of them died of Cholera in one day in June 1842. They left Sons and Family as specified in Columns 12 and 14 of the accompanying Statement.

4. The case of Chetumbriah Talook marked No 2 in the present Statement and No 54 in Mr. Chaplins List of the same nature as the above, he and all his Family died of Cholera in June 1842, except his only infant son Soobiah and Cousin Soobiah the latter is the holder of a half share of the Yeomiah, although it was granted and continued in the name of the deceased alone.-

5. The 3d and 4th in the statement Paid Shaw Saib and Kuttanawaz Shaw ally Saib of Adonee Talook having died Widows have preferred claims for the continuance of the Yeomiah for the support of themselves and Family. In the former case, the allowance was continued to the deceased Husband Shaw Saib under

under the orders of Government dated 4th March 1831 for the purpose of teaching the Koran to Boys in the Jumah Mahazeed at Adonie, He died of Cholera in august 1842 leaving a widow pregnant, a Male Child was born, now 10 Months old. It is proposed that the brother of the deceased shall undertake the duty of teaching Children if the allowance were continued in the name of the Boy for the support of the family. In the other case, the Family appears to be large and the widow the principal Member of it, there are besides, 4 Persons the sons of her husbands Brothers.-

No 28 in Mr. Chaplins List

6. The 5th in the Statement is Syed Padashah Cadery Durvish and his son Syed Shaw Fluzrut Cawdery Durvish who addressed to the Board the enclosed Petition on which the Endorsement noted in the Margin was passed.

is the present claimant. His father after having enjoyed the allowance for a series of years died on the 1st July 1838 and no claim appears to have been preferred by him immediately after this occurrence, either before the Auditor or the late Principal Collector Mr. Robertson probably in consequence of his absence at Madras and his subsequent ill health while at that place, which he urges as a reason for his silence in the 3d para of the enclosed Petition. Under the circumstances I see no reason to doubt the validity of his Title to his Father's Stipend.-

3 No alteration in the allowance occurred until 1820 the payments continuing to be entered in the name of Taher Beg when the allowance was under an order issued by Mr. Smalley paid to Shucky Beg, the 3d Son of Allyakah, and who continued to appear at this Office and to draw the allowance for himself and the family until his demise in January 842.

4 I have been unable to find any record in the office to shew the origin of the order issued by Mr. Smalley above referred to, nor have I been able to obtain any satisfactory information of the exact period of the demise of Taher Beg. but there can be but little doubt that the payment of the Yomiah was transferred to Shucky Beg soon after its occurrence: though from some oversight no further reduction was made in the amount of the allowance.

On the demise of Shucky Beg the payment of the yomiah was suspended and a report of that person's death forwarded to the Civil Auditor but the surviving Members of the family have now deputed a Vakeel to me to claim the portion of the Yomiah originally assigned for their support, in arrears, from the period of Shucky Beg's death and for orders for its future continuance at 10 annas a rupee.

5 The whole of these surviving Members of the family are females residing at Chingleput and being Gosha Women, no Circar Servant could be permitted to see them, nor are there any Yomiahdars resident in the vicinity who are acquainted with the family and could identify the parties, but from the Statements of several respectable Enamdars who are aquainted with them. I do not conceive there is any reason to doubt the existence, and identity of the persons who now claim the consideration of Government. Under these circumstances I beg to recommend that sanction be obtained for disposing to these females the arrears of the yomiah at 10 annas in

To The Collector in the Zillah of Chingleput

(41-42)

Sir,

To the Collr of Chingleput

Requesting that the existence of the widow and 4 daughters of the late Adey Ahah in whose behalf he has recommended the continuance of an allowance of 10 annas per diem be clearly ascertained and that they be required to afford some means of being identified hereafter in order to prevent future frauds in making enquiry on this point also

Sir Cons. 14th Augt 1843

1 I am directed by the Board of Revenue to acknowledge the receipt of your letter dated 2d Instant reporting the death of Shucky Beg to whom a yeomiah of 1½ annas per diem was paid for the subsistence of the widow and family of the late Alliakah and recommending that an allowance of 10 annas may be still continued to the widow and four daughters

2 According to the information afforded you, it appears that no casualties have occurred among these females since the summud was given in 1810 although within that period all the three sons of Alliakah have died and the three of his Daughters who were married have lost their husbands under these circumstances before recommending Government to continue their yeomiahs, it appears necessary that their existence should be more clearly ascertained and also that they should be required to afford some

Fort St. George 14th August 1843

some means of being identified hereafter in order to prevent future frauds

3 As the yeomiah has remained unclaimed for a year and a half it does not appear improbable that the family may possess some other means of subsistence, you will be pleased to make enquiry on this point also

To,
The President and Members of the

Gentlemen,

I most respectfully beg leave to enclose copies of letters which I addressed to the Acting Sub Collector and the Acting Collector of North Arcot, and their reply thereto.

With an humble hope that your Board will see me compensated for the injury and loss I have sustained by the unauthorized advantage granted by the Acting Collector W. H. Babington Esqr. and I beg to point out to your Board that Mr. Babington

Babington has carefully avoided answering the subject matter of my complaint contained in my letter to the Acting Sub Collector C. I. Shubrick Esqre. dated the 12th July 1843, I beg most respectfully to inform your Board that there is no order or Regulation passed by Government authorizing the Collector or Acting Collector to grant any new Renter permission to set up a Still or lay down the ingredients which is something, before the day on which his rent or contract commences, if it had been a mamool practice, I should have had no cause to complain, but I beg to state to your Board, that such a thing never was heard of before, for it is always the custom for the old Renter to furnish the new Renter with at least 15 days arrack, to enable him to supply his godowns, and by the time that is expended, he is able to supply his godowns from his own Distillery this is the general, and mamool custom, throughout the Country, and for reference I beg to refer your Board to the Collector of Chingleput, had the Renters applied to me for 15 or 20 days

days arrack, and had I refused supplying them, of course I could not complain against the conduct of the Acting Collector.

I beg most respectfully to assure your Board, that neither the Collector nor the Renters applied to me to supply them with arrack, but to the contrary the Renters obtained permission to lay down the ingredients for distillation before their Bid was recommended to your Board for confirmation.

In concluding I beg to state to your Board, that I have been unfairly and unjustly dealt with in many other instances, which I refrained from bringing to your notice, The Quantity of arrack and Brandy thats left on my hands is about 2200 Gallons.-

Sir,

I beg to inform you that the

the Abkary Renter for the ensuing fusly has been making and laying down the Ingredients for making their arrack for these last 8 days, which is contrary to all Rules and Regulations passed by Government, it is also contrary to any former or Mamool = practice, in consequence of which I shall be subjected to a heavy loss, for I have made a months supply = of Arrack according to the usual custom, and = I regret to say that it will be all thrown on my hands, for the Renters does not intend to take any of it, in consequence of the undue advantage they have taken, = or have been authorized to take, -

I most earnestly beg Sir, that you will have the goodness to issue = the necessary orders for the seizure of the abovementioned ingredients = and the Pots that contains it, I am told that Mr. Babington has given them leave to lay down the Ingre= dients, and if this is the case, I have every reason to believe that, that = Gentleman has been imposed on, by his Seristadar, for it is not con= sistent with reason that he would give

give the Renters any undue advantage = over me, I therefore request Sir, should = the report be true that you will keep the Pots sealed until you hear from = Mr. Babington on the subject. -

Sir

From the Collector of Ganjam — I have the honor to acknowledge the receipt of your Circular letter dated the 1st June last, and in reply to state that the only instance that I am aware of in this District, in which a deduction is made from the basis of a Village in the shape of an annual allowance, without the same being exhibited in account and checked in the usual manner, is in the case of an allowance of 20 Rupees per annum, which was continued to a person named Gierdarah Bag Sing, from the Jummah of the Village of Goondrebundy in the Toordah Zemindary, in consideration of his maintaining 20 Peons for the purpose of guarding certain passes and protecting the Villages from Robbers and Plunderers, and also serving with his men when required. a Puttah guaranteeing the allowance, during good behaviour was given to Gierdarah

Bag Sing by the late Collector, bearing date the 16th March 1837, under the authority of the late Commissioner, by whom, I understand that Geredarah Bag Sing was employed, and did good service during the disturbance that prevailed in Soorah and Goomsur. This allowance is not alluded to among the recommendations contained in Mr. Russell's report on the affairs of this Zemindary, but there seems reason to believe that the omission was accidental, and its payment has been regularly made from the Collections of the Village since Fusly 1246, in conformity with the Puttah which he holds. Under these circumstances, and as it is desirable that a person of local influence and resolute character like Geeredarah Bag Sing should be responsible for the protection of the Country about Goondrebundy, I beg leave to recommend that the allowance in question may receive the formal sanction of the Government.

Transmits an advertisement for the sale of several Estates, and requests that steps be immediately taken for publishing it as it now stands, without alteration in the day of sale.

Sir,

I have the honor to transmit herewith an Advertisement for the sale of several Estates in this District which it is proposed to dispose of by Auction on the day indicated therein unless the Balances of Revenue on each be previously discharged.

I have reason to believe that the arrears will be generally paid up, with, perhaps, one or two exceptions. The Board will not fail to observe that on the Dimlay Estate the Balance outstanding is extremely large. The Proprietor of the Mootah purchased in Auction last year, has given me infinite trouble and vexation throughout the year, but there is a large quantity of grain under sequestration, to meet the demand, and I have collateral security besides, to secure Government from loss.

As much inconvenience may be occasioned by an alteration in the day of sale, and as the date fixed upon is sufficiently distant to admit of publication without change in the Board's office, agreeably with the Regulations, I will esteem it a favor that steps be immediately taken to publish the notification sent as it now stands.

2. The Estate of Cottam was formerly a part of the Peddapore Zemindary in the same manner as many other Estates as explained in my letter of 18th February 1842, were, and came into the possession of the Petitioner by a Decree of the Courts.

3. By the decision of Government as conveyed in the Board's letter of 22d May 1828, it was settled, that Meturpha remission, was only to be allowed to the Ancient Zemindars, and not to Proprietors, and on this principle, the accounts were prepared in this Office, and though the payment of this remission was only sanctioned while I was Collector of this District, still the Accounts had been prepared long before, and this Estate does not

The separation of this Estate from the Coddapoor Zemindary was made in the year 1810. by Stree Vutchavoy Lutchmee Nursiah the Widow of Stree Rajah Vutchavoy Raya Jagaputty ranze Zemindar and given to Rajah Vutchavoy Juggannadharanze the father of the present Petitioner, by whom it was mortgaged to Rajah Cankerlapoody Jugganadha ranze and then litigated in Court, by whose Decree it came into possession of Petitioner.

The Petitioner subsequently appealed to Mr. Cunliffe urging his right to the sole enjoyment of the Nattomanium of 4 C.ts when that Officer on review of the Proceedings was of opinion that the Office of Nattavars having been abolished the Manium attached to it ought to have been at the same time resumed, and he therefore ordered the 4 Cawnies in question to be incorporated with the Circar lands, they were inconsequence included in the Circar lands during the survey & settlement.

A further dispute between the Merasdars regarding the produce of the unclaimed Manium of 1 Cawney above referred to led to complaints being preferred to Mr. Greenway, then special Assistant, when he ordered the Peiwa of that land also to be collected and kept in deposit and the amount is still retained in the Treasury. In reply to your letter of the 19th Instant I have the honor to report for the information of the Board that supposing the Principal Collector's station to be fixed at Salem. I would recommend the Talooks of Dhurmapoory Tengaracottah and Tripatoor for the Sub Collector's management - if these three are not sufficient to employ him - Kistnagherry may be added. I should however like to have the latter Talook for a twelve month in my own hands -

I beg to report at the same time that I do not consider Salem as the best station for the Collector, if the object be, to have that officer in a Centrical situation. I shall however address the Government more at large on this subject. I regret the Board have not found it practicable to inform me of the ground of complaint on which the order of the Court of Directors for the removal of the Collector's residence was founded or who were the parties in

Para 1. I am directed by the Board of Revenue to request that you will submit for the consideration and orders of the Most Noble the Governor in Council, the accompanying letter from the Collector of Trichinopoly being a reply to a reference which was made to him in pursuance of the order of Government under date 18th Ultimo Para 10, to ascertain if he would have any objection to the appointment of Sashagherry Row to the Situation of Head Sheristadar of that District, which is still vacant.

The Collector appears unwilling to accept the services of Sashaghery Row

Submitting with reference to the orders of Govt dated 18th Ultimo Para 10 a letter from the Collr of Trichinopoly reporting his unwillingness to appoint Sashagherry Row to the situation of Head Sheristadar of that district which is still vacant stating that the Board have ascertained that the appointment of this individual to be Head Sheristadar of Salem would be acceptable to the Ag. Collr & requesting that

that the present Head Sheristadar of Salem be removed to the vacant situation in Trichinopoly and Sashagherry Row appointed Head Sheristadar of Salem.

Row, and still recommends the appointment of Chellapah Moodely his Deputy Sheristadar, in whom he now appears to repose much confidence, but the Board consider all questions regarding the promotion of this person at present, to be set at rest by the orders of Government under date 7th February last.

As however, Mr. Onslow has expressed himself so little inclined towards Sheyshagherry Row, the Board were unwilling to press his employment further, but they have ascertained that the appointment of Sheyshagherry Row to be Head Sheristadar of Salem, would be acceptable to the Acting Principal Collector of that District, if his present Sheristadar could be provided for elsewhere, and under these circumstances they beg leave to submit for the consideration of Government whether the latter should be removed to the vacant Situations in the Trichinopoly District, in which case immediate employment

employment would be provided for Sheyshagerry Row as Head Sheristadar of Salem:-

Sir,

I have the honor to forward an appeal Petition addressed to the Board with several documents connected with the

cases by Palanyappa Moodely late Choukeyda of Madura, from the decision passed by the Head Assistant Collector, and approved of by Mr. Drury Commissioner in charge, under the provisions of Regulation IX of 1822, together with copies of the decision of the Head Assistant and Mr. Acting Principal Collector Mr. Morehead's endorsement of the 20th June, shewing it had been passed in accordance with the Commissioner's wish, and was therefore only appealable to the Board of Revenue, as among the papers furnished by Appellant, as I find no record of Mr. Drury's confirmation or examination of the case in appeal, I would not forward it but under the particular circumstances of having forfeited the confidence of Government, it behoves me to be cautious how I exercise my own judgment even at the expense of most unnecessary trouble to the Board.

A draft of the first part of this letter was tied up with the bundle as purporting to be from Mr. Morehead, and I am told the only reason he did not despatch it was a procrastination in coming to final decision, and it was returned in this date to the Office

On a complaint having been preferred by one Chocalingum Pillay. 6 years private accounts of 38 Principal Merchants in Madura were as per order of the Principal Collector, called for and examined, which exhibited that the said Choukidar was bribed of Rupees from 5 to 150 at different times and the Peons and the Goomastahs of the said Choukey were bribed of sums from 4 annas to 20 Rupees and also the said Accounts further shewed that the said Choukidar was bribed of 150 Rupees by 1st Witness on the 18th April of 1842. and of 100 Rupees by the 4th Witness

Fort St George 17th August 1843

Witness on the 11th May 1842. The latter case was proved by 1st Witness brother of 3d Witness and who ordered the payment of the said 100 Rupees and by 2nd Witness Goomastah of the 1st Witness and who entered the said sum of 100 Rupees in the Accounts on the evening of the date alluded to above. The 3d and 4th witnesses are persons who carried the same to the Choukidar. 2nd and 5th Witnesses equally prove the Choukidar being bribed of 150 Rs. The 2nd Witness is the person who wrote the Account for 150 Rupees in question being paid as he did in the other case and the 3rd Witness is the one on whose account the Choukidar was bribed of and who ordered the 1st Witness to carry the sum to the Choukidar.—

The Choukidar states in his Defence that soon after some Merchants received Toondy order for certain sums of Money for Cloths for neighbouring Zillahs, they have practised fraudulent acts in entering false inscriptions in their Accounts imputing Choakydars and Goomastahs with having been bribed of any sums of Money and misappropriated it for their own use.—

The

Fort St George 17th August 1843

The Head Assistant Collector forms an opinion that there is no grounds to suppose that Merchants would have allowed their Agents to do, as above. The Choukidar in support of his Alibi declares that the smuggled Goods which was proved by the Witnesses to have been produced in the Choakey and to have been released by means of the said bribe of Rupees 100/ was valued at 60 Rupees and that the Merchants would not have bribed 100 Rupees to get it released Of which the Head Assistant Collector was of opinion that had the sum was not bribed, the Merchant was not only to be deprived of his article but also to deserve disgrace and punishment for his having smuggled the article or the case being according to Regulation reported to the higher authority. Therefore it is apparent that the Merchant in order to get rid off his risque was inclined to bribe the sum adverted to above. On a mature consideration of all the above circumstances, the Head Assistant Collector was of opinion that the private accounts in question not being prepared for this purpose, are facts and that the Witnesses established

2. In reply I beg to state, that on the receipt of the Proceedings from the Board, accompanied by an Extract from the Despatch from the Honorable Court of Directors and the orders of Government thereon, a copy of the same was furnished to the Rajah who was at the same time informed, that the additional allowance viz. one fifth of the Net Revenue of the 5 Villages granted by Captain Dunn in 1784 amounting to Rupees 846-0-4 per Annum now granted to him by the Honorable the Court of Directors together with the arrears due to him, would be disbursed on his stating his

his pleadings to receive the same.

3. On the 5th June last a communication was received from the Rajah containing sundry observations on the Court's letter, and again urging his claim to the entire Revenues of the Villages in question which he persists in stating the Court intended him to receive. In reply to this letter I informed the Rajah, that as the orders of Government, which were in accordance with the instructions of the Honorable Court of Directors distinctly direct, that the additional allowance to the Rajah should be calculated at one fifth of the Net Revenue of the Villages, I must decline receiving any further application on the subject from him, and that he ought thankfully to receive what the Honorable Court had so liberally granted to him.—

4 I think it right to state that I understand the Rajah is under the guidance of a man who has made him believe that by holding out on his present unreasonable demand of the entire Revenues of the Villages, he will at length gain his object.—

Sir,

With reference to your letter dated 22nd Ultimo I am directed by the Board of Revenue to forward for the information of the Most Noble the Governor in Council the accompanying letter from the Principal Collector of Canara reporting that the Rajah of Coimbla still persists in urging that it was the intention of the Honorable the Court of Directors that he should receive the entire Revenue of the four Villages granted him by Captain Dunn in 1784 and that his claim therefore remains unadjusted.—

2. The Principal Collector understands that the Rajah has been persuaded to persist in this demand in the belief that he will ultimately gain his object.—

1

Sir,

From the Collector of Tinnevelly. Stating that on enquiry no adequate offer can be obtained for the 2 Pearl Bank Guard boats in his District, which have therefore been sent to Madras to the care of the Master attendant there with certain Shipwrecked European seamen.-

Para 1. With reference to the Board's Proceedings of 22nd June last I have made enquiry but failed to obtain any fair offer for the 2 guard Boats in question, and if put to Auction here, I fear no adequate amount would be realized. The Boats were left at Pamban by Captain Franklin, where they have since remained, pending the decision of Government for their disposal.- With a view to the public Interests I am of opinion that it would be better to send them to Madras, where, under the discretion of the Master Attendant Captain Biden, they would probably fetch some fair price amongst the numerous shipping; or for use in some of the Canals should they be

be found on inspection to be of no use to Government.-

2. An additional and urgent reason has also just occurred to induce me to send the Boats to Madras instead of risking a great loss by disposing of them, according to present order, at auction in Tinnevelly.- A party of 28 Ship. wrecked European Seamen have just been forwarded here from Cochin for shipment to Columbo or elsewhere they are subsisted under instructions regarding "Distressed British Seamen" published in the Fort St. George Gazette of 1843 Page 448, at an expence of more than 600 Rupees per month to Government. it is difficult to find suitable accommodation for them at Tuticorin, and after due enquiry I find there is no probability of shipping them to Columbo under 5 or 6 weeks: in the mean time the men are not with their own acknowledged officers, or under any restraint or discipline. it is also their wish to be sent to Madras, and will give them the best chance of employment till which they will find a refuge in the Sailors Home.- The 2 Government Boats will

will convey them down free of expence from Tambaw.- I have therefore thought it best to send both Boats and Men to Madras as best for them and for the Interests of Government) to the care of Captain Biden. I shall duly submit a Memorandum of the necessary expense incurred for the sanction of Government.-

3. Mr. Webber who has long been in Command of the Boats and of whom Captain Franklin speaks highly, is in charge of them.- Under the above circumstances I trust the Board will consider I have used a just discretion in the matter.- in any other case I should have abided strictly by the orders of Government.-

Submitting with reference to Extract from the Minutes of Consultation dated 8th May a letter from the Collr. of Jerusalem with a translation of the claims of the Inamdar of Jerusalem and a plan shewing the particulars of the grounds to which it refers.

(Here enter 19th July 1843 - No 348.)

Under the orders of Government dated

dated 2nd August 1842 the payment of 180 Rs. 14 As. 7 P. was sanctioned with the understanding that the sum was due for the rent of the land occupied by the Court buildings, including the compound of Mr. Anjureeshouse, supposed to be the land called "Nuthumpoonjee". It is now certified that "Mr. Anjuree's Bungalow "is built on Condacharum totum land, the rent "of which the Mottadar now claims," and that "the Nuthumpoonjee is not within the Court "Grounds but is situated without the compound "gate thereof." If this statement is correct, the Most Noble the Governor in Council, can would have no hesitation to sanction the proposition made by the Board, but as it is not improbable that the 180 Rupees 4 As. 7 P. already paid was due for the land occupied by the Court buildings and Mr. Anjuree's compound, and that the sum now claimed by Mr. Fischer is due for the other parcels of land, His Lordship in Council is desirous that further enquiries should be made to ascertain how the matter stands. He is of opinion that the Village accounts must shew the true state of the case and that they might be required to be produced.

(17)

The Havelly tallooks do not yield these products and the localities where they are found in any quantity are situated in the forests of the Mountainous ranges, which the Board will be aware appertain to the ancient Hill Zemindaries of this District and the unexplored and independent tracts lying to the westward. and I am of opinion that any attempt to establish a Government Monopoly of such articles, within their Country, would be regarded

regarded by the Zemindars and Chiefs as an infringement of their rights, and occasion much dissatisfaction. Where this objection does not exist, as in Sooradah I think, that the introduction of any measure of the kind tending to interfere with the free resort and unrestricted disposal of articles of Hill produce by the Hill people inhabitants at the fairs that have been established, would be extreme=ly impolitic, and contrary to the injunctions of the Govern=ment that every fit means should be used for the encour=agement of friendly intercourse with the Hill tribes.

In reply to your letter of the 24th. Ultimo, received this day I have the honor to state that B. Patranzie declines to accept an allowance as representative of the Golgondah family. The Suggestion was not made in the first instance with his cognizance, and was declined when commu=nicated, in the Belief that the acceptance would imply the recipient's acquiescence in the equity of the assumption, by the Officers of Government, of this Ancient Zemindary in the year 1837, when the Estate was brought to sale for an arrear of Revenue, and was bought in at a nominal price.

Under these circumstances I considered it unadvisable to proceed further on the matter.

Fort St. George 21st August 1843.

Venkata Kristna Row, late Naib Sheristadar in this Collectorate, Courtesy Venkataramiah Deputy Translator in the Provincial Court Northern Division, and Coppurty Hanoomiah Government Vakeel in the Auxiliary Court of Guntoor, who are understood to be charged with conspiracy and subornation of perjury, connected with certain charges against Coturn Roylo Naido District Moonsiff of Cheyrole, in consequence of which he was dismissed, but eventually reemployed under orders of the Sudder Adawlut dated 7th March 1843. who then recorded their opinion of his innocence, and directed an inquiry into the origin of the accusations against him.-

I have myself paid the sum of Rupees 25-9-7, and beg to assure the Board and Government that I should not have incurred such a charge had I not believed that the interests of the public service would suffer as represented by Mr. Mathison, in a letter of which I

9th April 1841. send a copy, unless provision were made in their absence for the discharge of their duties of the functionaries whose attendance was required by the Provincial Court, and that in making such provision it would be alike unjust to employ substitutes without remuneration

Para 1.

Sir

I am directed by the Board of Revenue to forward for the order of the Most Noble the Governor in Council the accompanying letter from the Acting Principal Collector of Cuddapah, requesting to be instructed in what manner he should give effect to the order of Government of the 7th Ultimo, published in the Fort St. George Gazette of the 11th Ultimo requiring that no Collector shall draw the amount of any Civil pension from the Government Treasury until the appearance of the pensioners at his Office—

40

2.

The Acting Principal Collector explains that the pensioners have hitherto been required to appear before him, or one of his European subordinates once in 6 months, but have been paid their stipend through the Tahsildars. They would be put to much inconvenience if required

Fort St. George 21st August 1843.

required to attend Monthly at the Collector's Cutcherry, especially in the larger Districts: and females and feeble persons would find it almost impossible to do so regularly. It appears to the Board that with the precaution taken by Mr. Arbuthnot no fraud is likely to be practised and under this explanation they beg to submit his letter for the instructions of the Most Noble the Governor in Council—

To

To
C. C. Lovell Esqre
Acting Secretary to the
Board of Revenue
Fort St. George.

From the Coll. of Malabar

Sir,

(68) With reference to the Proceedings of the Board of Revenue under date the 10th Instant, desiring me to submit for the information of Government a detailed report of the circumstances connected with the case of torture of Taylor, I take the liberty of mentioning that I entered into the subject with considerable minuteness in my letter to the Board of the 31st March last No. 33, and that I am not aware of having omitted any thing which it would be satisfactory to the Government to be informed of. Should however this letter have been laid before Government and not considered sufficiently explanatory, I will do my best to supply any deficiency that may be pointed out. It will be seen from it that I dismissed or otherwise punished by suspension or degradation according to their several degrees

degrees of guilt, the Peishcar, the Police Goomastah, two of my own peons, and 3 three talook peons, and recommended the Board of Revenue to shew some signal Mark of their displeasure to the Tahsildar, whose dismissal I was only prevented from recommending by thinking it possible his conduct might be attributable to the failure of his mental faculties. The Board being of opinion that I should, in the first instance, inflict such punishment on him as I deemed fitting, I suspended him for one year. A Circular was issued to every taluk notifying the Chief facts of this torture case, and the punishment that had been awarded to its abettors.--

The Peon, who was committed before the Circuit Court has, as I am informed this day, been sentenced to 6 years imprisonment with hard labor.--

Calicut, 31st July, 1843. } I Signed H. V. Conolly
Collector.
