It was the intention of the Act to prevent the sale in the Company's Districts as a protection to the new System but this does not refer to it transit — a Native Vessel by the Company Territory, the Produce of Mysore finds its way via Bellary to the Peyanny Dominions — if Sugar 1907 &c. is to be allowed to pass not only must the duty be collected at the Frontier where it enters, but security must be taken and arrangements made to ensure the appearance at the Frontier Chowky where it passes out of the District. As the Sugar Act does not refer to the Bombay Presidency, Sugar from Mysore may enter into the Shenoor and Bedgamm Districts but there is no provision for its being allowed to pass through this District.

Sir,

I have the honor to acknowledge the receipt of your letter of the 25th May last regarding the claims of Syed Ahmed Shastary to the Motorpha and Loom taxes in the Villages comprising his Jaghire of Ammapollium and requesting to know whether the Surva Mauniums tenure of Villages in this District has been considered in any other instances to confer on the proprietors an exclusive right to collect all the revenue, including the Motorpha and Loom taxes therein, and whether Compensation has ever been granted to them as an equivalent for such privilege.

2. In reply, I regret to state, that from not having received the necessary Accounts from the Talooks of Paramatty and Shenkotty, and from certain proprietors of

of Enams being absent from their Villages, I am unable to afford the information required by the Board. Orders, however, have again been sent to the Tahsildars of the above Talooks to transmit the accounts without delay and to endeavour at the same time to obtain copies of the Summuds &c. from the absent Enamdars, which when received, a report will be forwarded. I however beg to submit the following particulars, shewing the nature and tenure under which the several Surva Mauniums are held in this District.

There are 91 Surva Mauniums

3. Villages in this District both in the Jaury and Sunnay Moolahs- of these, certain Enamdars have the exclusive right to collect all the revenue, including the Motorpha, and the Loom taxes. In certain other Mauniums, the Motorpha alone is collected by the proprietor, and the Loom tax accrues to Government; whilst in others, both these items of Revenue are collected by the Circar.

4. On looking into the Copies of the Summuds held by certain Enamdars, I find that, where the Collections include Land

12041 Fort St. George 24th August 1843.

Land Revenue, Ready Money Collections, and other items; the Moturpha and Loom taxes also are enjoyed by them - Some of the Enamdars say that they have lost their Sunnuds, but that they have been in the enjoyment of the Moturpha and Loom taxes for a considerable time - In such Sunnuds where all the items of Revenue are not particularized, Moturpha and Loom taxes are collected by the Circar

5. No compensation is granted in this District in lieu of Moturpha and Loom taxes, but on the establishment of Mootahs, Moturpha was included in the permanent Beriz thereof; but by the subsequent order of Government, the tax on account of Moturpha reverted to the Circar, and the same is now collected from each Mootah

6. By the Ammapollium Jaghiredar's Sunnud it does not appear that the Moturpha and Loom taxes are to be enjoyed by him, he enjoyed them however for some time; but after the receipt of the Board's order of the 17th October 1842, the taxes on these heads have been collected on account of Government.

From the Agt. Coll. of Salem. — Sir,

Submitting certain modified rules of the Hookrunnamah agreeably to the B. of R. order of date 10th April 1843

I have the honor to acknowledge the receipt of Extract from the Proceedings of the Board dated the 10th April last, containing observations on the revised Hookrunnamah and Cowlnamah submitted by Mr. Gleig on the 28th June 1842, and with reference to the instructions in Paras 3-8-9-10-11-13-14-15, and 19, Rules 10-22, 38-33 and 39 of the Hookrunnamah, and Rules 1, 2 and 16 of the Cowlenamah, have been modified and are herewith submitted for the approval of the Board.

2. It strikes me, taking into consideration the great proportion of poor Ryots who occupy lands in this District, and the great extent of light red soil, particularly throughout the Baramahal, lying waste and useless, both to the Inhabitants and the Government, that the practice which has hitherto obtained in the District seems best calculated to benefit both the Circar and the Ryot, and I should be inclined to recommend that the 2nd Rule of the revised Hookrunnamah

Fort St. George 24th August 1843.

Hookrunnamah stand without modification. Great tracts of land in the Talooks of Tengaracotta, Denkencotta, Dharampoory, Womaloor, and Ahtoor are covered with thick Jungle, and the land generally is of that light red description, which cannot stand successive cropping but requires to be left fallow for the purpose of being manured, otherwise it proves unproductive, and the poorer Ryots are obliged to lay out all their means for that purpose which can only be done by breeding sheep and cattle for these reasons the Ryot gives up his Putcut and takes Podigal lands, and relinquishes the latter also after cultivating them a few years, thus the lands near the Villages are given up for those situated below the hills and lightly assessed, and if not permitted to reserve the Asan portion of his Putcut and relinquish the Sheer Asan, it will impoverish the Ryot and the Revenues will thereby fall off. The rains here generally commence in April, but, when it fails at that time, the Ryot gives up his holding by Razenamah, and takes it up again for Cultivation in August if it rains; this has hitherto been the practice in the District and to alter the rule now, will I think have the effect of inducing the poorer Ryots to relinquish their lands and resort to Mootahs, Polliputs, and Jagheers where they

can

Fort St. George 24th August 1843.

can at all times obtain lands at a low Assessment, should the Ryot be compelled to give up all his holding and not to reserve a portion, he would only cultivate a portion, and leave the rest waste, and the consequence probably will be, that at every Jummabundy there will be an increase of land left uncultivated, and the cultivators will be unable to pay the assessment without being quite impoverished. - It is besides stated that on a Ryot applying for Cowle, it should not be granted unless he holds Putcut lands, and those who have already obtained Cowles shall not be permitted to relinquish his other holding until the former comes to full assessment, but if he throws up his Putcut before the Cowle comes to full Teerwa, his putcut will be liable to full assessment for such period. - Under these provisions of the modified rule 2, now forwarded, I dont see how the Ryot is to give up either his Putcut or Cowle lands. The annexed abstract will exhibit the gradual increase of Cultivation during the last six Fusslies from the practice which has hitherto obtained, and from Cowles having been granted. -

4. The observations of the Board in Paras 11, 13, 16, and 17 will be specially noticed in the settlement Report. -

No. 1

Alterations in the Hookoummanah agreeably to the instructions from the Board of Revenue dated 10th April 1843. -

10. Any Ryot wishing to take up Cowle

Fort St. George 24th August 1843.

Cowle lands for cultivation agreeably to the terms specified in the Cowle Namah, shall first apply for Cowle Poolchit to the Tahsildar, or, in the event of its being inconvenient to the Tahsildar, to the Karkoon, who must make a personal examination of the land applied for, whether it be such as may require to be given on Cowle, and afterwards make his report to the Tahsildar, that the land has been left waste for so many years, that the Ryot who offers to cultivate it holds a putent of Acres and whether it is all under tillage, that he possesses means to carry on the cultivation of the above land, that he agrees to pay the teerwah on thereof whether cultivated or left fallow, and that he has given a competent security to this effect, and has good grounds for believing that he will fulfil his engagement. The Tahsildar on receiving the Durkhastnamah and security bond, shall give a Poolochit, shewing the rate of Teerwah of the Cowle land which, in the event of being unassessed should be fixed at the rate assessed on land of a similar description in the neighbourhood. Poolochits so granted shall be entered in a separate book

book with the signature of the Tahsildar and Sheristadar, who shall deliver it into the Huzzoor at the time of settlement. The Village servants, such as Curnum and Moniagars are empowered to allow any Ryot to take up Cowle land. Should a Ryot without making application to the Tahsildar or Karkoon cultivate the land, the full Assessment, or, in the event of it being unassessed land, a Mesaul teerwah will be collected. Although the Karkoons put a Ryot in possession of Cowle land applied for, yet they cannot be considered thereby empowered to cultivate them until Poolochits are obtained from the Tahsildar to that effect and although there is a rule in the Hookumnamah which permits a Ryot to throw up or take up any unassessed land at his pleasure, yet he cannot throw up any part of his putent land after his engaging to cultivate Cowle land, until such time as the said land is liable to full teerwah. In the event of his giving Raujeenamah within the prescribed time for relinquishing his Putent and retaining his Cowle, it cannot be accepted by the Tahsildar, but when the Ryot knowing that such a Raujeenamah is not admissible leaves the whole or any portion of his putent, uncultivated, full teerwah

of

of his Putteah shall be collected, until his Cowle land arrives at full Teerah.—

22. No increase or decrease must be made in the terms of Assessment, but in the event of the loss of means for irrigation, or Nunjah lands either by the dilapidation of Tanks or other causes which may prevent the Cultivation of Nunjah, the Tahsildar, after having examined the lands, will report the circumstance to the Buzzoor, and should it be necessary, these lands may be given out on Poonjah tenure, liable to the highest Poonjah Assessment in the Village taking a Shareh Mocchelkah from the individual that engages to cultivate them to the effect, that he should without any objection, relinquish them when any other Ryot offers to dig Wells on them, and thereby cultivate Nunjah or Bagayet paying a Mijsaul Teerah, or retain them on these lands, when a second individual digs a Well at his own expence and cultivates either Bagayet or Nunjah a Mijsaul Nunjah or Bagayet Teerah, as on lands similarly situated in the Village will be assessed on them, agreeably to the general provision of the Cowle and Mochelkah.

In cases where at the period of survey the Lands were occupied by Topes and on that account

account excluded from Assessment, in the event of the Trees being decayed or cut down, if cultivated as Poonjah or Bagayet, the Mijsaul Teerah on the lands which are similarly situated as to situation and quality, shall be assessed thereon, if cultivated as Poonjah, the highest Poonjah Assessment of the Village is to be taken.— In cases of Ryots who have died or left their Village and whose heirs have not the means or inclination to continue the cultivation and tender Rawzenamah for the lands held by the former proprietor, also in cases of the heirs of deceased and deserted Ryots who neither cultivate nor give Rawzenamah, the notice prescribed by Regulation 30 of 1802 should be issued, in the event of no one appearing to claim the land within the year, these lands may be considered as belonging to Government and may therefore be given out for cultivation to other Ryots.— Should these lands contain private Wells they will be considered as forfeited to Government, and in the event of a higher term of cultivation being made than that originally fixed, an increased Assessment, or Fuzle Jausty, may be collected according to the cultivation, whether Bagayet or Nunjah.—

30. To all Ryots who pay the Circar demand on their lands, Puttahs should continue to be issued in their names as hitherto

hitherto. - In the event of their applying at the proper season for Puttah, to be made out in the name of any other person, his name may be entered in the Book when he has no Cowle lands in his name in the Village, and Durkhastnamah &c. taken when these are examined at the time of settlement and approved, the required Puttah shall be issued in his name until such transfers undergo the examination in the Kuzzoor at the time of the settlement, they cannot be considered as confirmed. - When a Ryot who has both Puteut and Cowle lands in his name, and wishes to transfer them to another person, his Rungenamah shall not be admitted. - When the Assessment on land remains unpaid for one year or upwards, and which the Putcutdar is unable to liquidate, if the land is cultivated by an under cultivator, the Puttah may be made out in his name, if he wishes it, and if he pays the current balance which may be actually due on the land. - If he is either unable or unwilling to undertake the Cultivation of the land, it may then be given to another. - Any Ryot who has left his land waste for one year and has not

not paid the Assessment due on it, will not be allowed to reclaim his land, if occupied by another. - The same rules are applicable to the lands of Caradurs, Carnums, and other Village servants. - If a Ryot cultivates the land of any Emigrant Ryot who has been absent for one year or upwards, without making provision for the cultivation of his land, or the due payment of the Government demand, it will be entered in the Accounts of the Cultivating Ryots name, and a Puttah given to him, or, having made provision should the party undertaking to cultivate the land fail to do so, or pay the Government dues for one year, the land will be given up to any one else who agrees to cultivate it. - Enam lands granted to Brahmins and Village servants shall be continued as heretofore. - If any Mauniendar dies leaving no heirs, and his Mauniem lands are enjoyed by others, the Tahsildar shall enquire into all such cases and report the result to the Kuzzoor, where an

No. 2.

Alterations in the Cowlenamah prepared agreeably to the instructions contained in the Board's proceedings dated 10th April 1843.-

1.- Cowle will not be granted to those who hold no Putcut land in the Annamy Villages, as the granting of Cowle is intended to alleviate the circumstances of the Ryots who hold Putcut lands. Cowle lands will

Fort St. George 24th August 1843.-

will be granted only to those who hold putcut lands for a long time, taking a Moochilkah to the effect that in the event of their leaving their Putcut lands uncultivated, they shall be subject to the penalty of paying the full Cowle teerwah for the year they leave their putcut lands fallow.- When individuals not holding putcut lands, apply for Cowle Cp lands, Poduvagaul lands, instead of Cowle Cp land, will be given to them on full teerwah.-

2. No Ryot shall leave his Cowle Cp land or any portion of it uncultivated before its coming to full teerwah without sufficient cause, but in the event of his doing so, or relinquishing it altogether, full Cowle teerwah will be collected.-

16. When a Ryot sinks a Well at his own expence and thereby converts his putcut poonjah into Punjah, or irrigates his adjoining field from the said well, he will not be subject to any higher, but his fixed poonjah teerwah.- But when such a well is sunk Cc near Circar sources of water such as Tanks, Channels &c. it will be considered as a Circar Well and Fusle jaunty teerwah will be collected.- When a Ryot cultivates his Cp lands by water from others' Wells, he will be subject to fusle jaunty teerwah.- For Wells sunk at a small expence of 20 Rupees, and for any other Wells that are constructed at a trifling expence, remission will not be granted. An individual sinking a Well to carry on cultivation on a spot where there

there is an old Well, will be subject to fasle
Jawly teerwah.-

In some places three different
teerwahs Viz. Punjah, Nunjah, and totahl,
are fixed on one Spot, in consequence of three
different species of cultivation being carried
on there, but when Ryots request permission to dig a
Well on such a Spot, their request will not
be complied with, as they are capable of
converting their Punjah into Nunjah by
the new Well, and leave their other portion
of Nunjah and totahl waste, and therefore
exemption from additional assessment
should be given to the Ryots to encourage
them to dig Wells at their own expence on
the spots where only Punjah Cultivation
is carried on.-

12061. Fort St. George 21st August 1843.

Moghnoor in Salem should be referred to a Punchayet under the provisions of Regulation XII of 1816. Mr. Lockhart and myself have been in communication for the purpose of endeavouring to give effect to the wishes of Government, I regret however to state that our endeavours have been unavailing as both parties decline referring the suit to a Punchayet.

If the interests of the disputing Ryots only were concerned it would be unnecessary to take any more trouble in the matter, as the course to be followed in such a case is clearly pointed out in the Regulation, but as my former letters will have shewn the Board, the Government also are immediately interested in the present state of affairs and in the event of a decision being given against the Oravundoor people a loss of Revenue must be incurred.

I may perhaps also be permitted to remark that it seems very doubtful to what Moorsiff a dispute of this sort for water involving interests in two Districts should be referred so as to prevent all possibility of the decision being objected to on the grounds of illegal jurisdiction. Under these circumstances I await the Board's further orders.

Para 1. I have the honor to give a more full explanation connected with the Petition No. 1877 of 1843 as returned with your letter of the 31st July last.

2. Petitioner complains that no notice is taken of his complaints by the Collector and that the party against whom his charges are made remains unpunished. The following is copy of my decree on the examination and settlement of the case, date of petition being one day antecedent to that of decree.—

3. Ramachendra Iyen is charged with falsifying the public accounts in abstracting

12070. Fort St. George 24th August 1843

abstracting a tundel coorip from the Taluk records, which he had given to Complainant and in which was entered the sum of 100 Rupees in complainants name and substituting in its stead another Coorip in which credit was given for only 58 to Complainant, the remaining 42 Rupees being on account of other parties.—

4. Defendant is also charged with misappropriating 27 Rupees paid by Complainant on the 21st November and 6th December, the same sum never having been paid into the Taluk treasury, but kept, as a balance against the Complainant in the account.—

5. The evidence on the first charge goes far to prove that the Statement of the Complainant is true, but as no decided proof is brought forward to shew that the Puttahmonegar did actually substitute the coorip account now found in the records, the charge is dropped for want of proof.—

The

The 2d Charge is fully borne by the public accounts and receipts in the hand of Complainant - The money in question was not paid into the treasury by the defendant, who in his defence states that he made the entry in the accounts and granted receipts for the money on the supposition that Plaintiff would pay him - such a line of defence being utterly unworthy of credit, and being satisfactorily shewn by the accounts that 27 Rupees had been embezzled - Defendant is fined in double the amount by Section V Regulation IX of 1822 -.

Sir,

In compliance with the instructions contained in your Circular letter of the 17th ultimo I have the honor to forward an Estimate of charges proposed to be incurred on account of additional Establishment in the current Fasly 1253 amounting to Company's Rupees 1,064 and also a Statement exhibiting the actual charges incurred on the same account in Fasly 1252 just expired amounting to Company's Rupees 1,060-13- prepared both the Vouchers abovementioned precisely in the Forms which accompanied your Circular letter under reply and to request that you will be pleased to obtain the sanction of Government for the two sums respectively, Viz. Company's Rupees 1,064 and Rupees 1,063-13-

2. I beg to state that another extra Establishment is employed in this District under sanction of Government dated 6th October 1840 for the purpose of putting the records of my Cutcherry in order; but as this has received sanction and will not be continued when the particular object for which it was authorized has been completed - and is not moreover confined to any definite time I presume it does not come within the scope of the present forms. -

Sir,

In this Collectorate the use of wheel Carriage is annually increasing in an increasing ratio, since their first introduction, said to be about forty years ago.

Much inconvenience and danger arises from want of a fixed rule of the Road

Fort St. George 24th August 1843.

Road. For the last two years I have paid much attention to the subject, and as a municipal measure, to which my authority was competent, I have striven to inforce the British rule of always keeping to the left, but have failed in a satisfactory success from finding the prevalent Indian practice being, as on the continent of Europe, in favor of bearing always to the right hand.

I hope the Court may think it a matter of sufficient importance to elicit the opinion and Order of Government on the subject, for though it may not be necessary to inforce their Order by other means than persuasion, and the municipal powers of individual Magistrates, it is still desirable that some rules should be laid down for the guidance of all who think it a matter of any interest.

The mode I adopted was to affix printed placards, of which a copy is enclosed, and to furnish one to the owner of every bandy within the Collectorate.

From J. Blackburne Esqr. Principal Collector of Madura ---

To E. C. Lovell Esqr. Acting Secretary to the Board of Revenue Fort St. George.

I have the honor to report that on the 13th

12087 Fort St. George 24th August 1843.

13th December 1842 I directed the Hurzoor Goomasta Ram Rao to receive charge from the Chaukeydar of Madura, and on the 19th I appointed him to act as chaukeydar.

2. On the 5th January Mr. Commissioner Drury ordered him to resume his station in the Hurzoor Cutcherry, but to continue to act as Chaukeydar. On the 6th February Mr Drury directed him to give his Chaukey duties to a Mussulman he had selected, and to resume his own.

3. On the 7th June Mr. Morehead refused to give him the pay of the Chaukey Office from 19th December to 5th January because Mr. Drury had on the last named date cancelled my nomination because of an alteration in the date of the acting appointment of the 19th December, and because the Head Assistant Collector had ordered the pay of the Chaukey Office to be carried to Government amount as Extra Revenue.

4. Ram Rao now begs for the difference between his own pay of Goomasta and that of the Office of Chaukey during the period of his Officiation in it from 19th January to 6th February.

5. I beg leave to assure the Board there was no fraud in the date in question. I signed the order on the 19th. It was not written in the words I gave, so I ordered it to be rewritten and brought me next day. It was so I saw but finding they had inserted the 20th as the date, I had it altered to the 19th in my presence. and I beg to recommend compliance with the Man's request, and sanction to pay him Rupees 21-14-11 being the difference between his own pay of Rupees 21 a Month and that of the Chaukey of Rs. 35 a Month for the 48 days in question.

Madura 15th Augt 1843 } (Signed) J. Blackburne

Resolution thereon. Under the circumstances explained in the foregoing Communication the Board beg to recommend that the sum of Rs. 21-14-11 being the difference between his own pay and that of the office of Chaukeydar, for the period during which he officiated in the latter situation, may be paid to the Goomastah Ram Rao.

From H. M. Blair Esqre
Principal Collector of

Sir,

In reference to your l
of the 29th April with its accompaniment
and to my letter of the 3d Ultimo, I have t
honor to report for the information of t
Board, that having invited Tenders for conv
to the Coast the Teak Timber felled for the
use of the Bombay government, amounting
to 1890 trees, estimated to contain 8089 Bomb
Candies, two offers only were made,— one at the
rate of 16 Rupees per Candy and to deliver 2,000
Candies in January 1844, and 3000 in each of
the two succeeding years,— and the other, at th
rate of 15 Rupees, and to deliver the whol
quantity of Timber between the years 1845
and 1847.— Considering these offers to be
exceedingly unfavorable, both as regards the
rate, and the time of delivery, I calle
upon the Sub Conservator to report at wh
cost and within what period the who
quantity of Timber felled, could b
conveye

Reports that on inviting Tenders for conveying the Government Timber to the Coast, very unfavorable offers were made.— Submits for sanction an Estimate amounting to Rs 6,9,9-3-3 being the probable expence of conveying 1000 Candies of Teak Timber from the Forests to the Coast at Sedashigur, through the means of the Conservators Department.—

Fort St. George 24th August 1843.

conveyed to the Coast, through the means of his Department - His reply shows, that about 1000 Candies can be brought down to the Coast at Sedashigur before the end of the Current year, and the greater part of the remainder in the following year, leaving only a very small quantity to be transported in the third year - His estimate of the Cost of conveyance, averages about 7 Rupees per Candy, for the quantity to be brought this year, it lying nearest to the Coast - For the remaining quantity, which has to be brought from a greater distance, his estimate is somewhat higher, though still far below the offers of the Contractors. -

2. Under these circumstances I consider it advisable, for the present season at least, that the Timber to be transported should be conveyed to the Coast at the Government expense, through the Sub Conservator's department; hereafter, it is probable that more favorable offers may be obtained, as in the present instance, I have no doubt, that the Contractors took advantage of the thing being new to endeavour to secure a very favorable contract. -

3. I beg now to submit the Sub Conservator's estimate

estimate amounting to Rupees 6,919-3-3 for conveying to the Port of Sedashigur, 300 Teak trees, containing about 1000 Candies - As the season is far advanced, and as this Timber consists chiefly of the carved pieces, which were cut at the request of the Government agent at Calicut, they being urgently required for the line of Battle ships now building at Bombay, I have in anticipation of the Boards approval, issued the necessary instructions for working the Jungles without delay, and I request that the Board will be pleased to obtain the necessary sanction for advancing the funds to the extent of the accompanying Estimate. -

Shortly after my arrival in this District, 3 years ago, my attention was called to the irregularities and facility for smuggling that prevailed from the custom of Merchants bringing down Timber to the borders of the Land Custom Houses situated at the debouchàres of the rivers and there keeping it till it suited their convenience to pay the duty and pass it –

With the view of checking this practice I published an order that Merchants should pass their timber within 15 days of its arrival at the Custom House and that in default of so doing they should haul it up on land which I hired for the purpose in the vicinity of each Custom House, and pay a slight ground rent as per Margin till it was finally cleared. – The measure has been attended with advantage and the worrisome accumulation

I think I may assure the Board that it is attended with no real hardship to any one. I have always listened with attention to any fair reason that has been assigned for delay in passing timber and given it the most indulgent consideration.

To the Chief Secy to Government Reporting with Para of Revenue

I am directed by the Board to acknowledge the receipt of your

your letter of the 25th Instant transmitting for their early report the Petition No. 1681 of 1843 from certain Weavers in the Chingleput District and requesting to be informed "whether the taxes which the Petitioners are required to pay, are paid by Weavers in other Districts, and if so why these Weavers have been so long exempt and upon what grounds it has been considered expedient to enforce the tax"-

2.

In reply I am instructed to forward for the information of the Most Noble the Governor in Council the accompanying correspondence as noted in the Margin exhibiting the reasons for which the tax of which the Petitioners complain has been imposed upon them- From this it will be seen that the exemption of a considerable number of the looms in Chingleput from all loom tax was brought to the notice of the Board by the then Collector Mr. Maclean so far back as 1834- more recently their attention was still more forcibly drawn to the

subject by the Principal Collector of North Arcot who in his Extra Revenue Report for Fusly 1251 attributed the diminution in the duty on Cloths in his District, in part at least to the emigration of the North Arcot weavers to the adjoining Villages in Chingleput where their looms would be free of taxe- This anomaly appearing to the Board to demand a remedy, in their proceedings of 26th January 1843 they communicated to the Collector of Chingleput their instructions for levying a tax upon those looms which had hitherto been exempted- In place however of fixing the Government demand on each loom individually by the Cutcherry Servants, it was hoped that the total sum having been determined by the Collector, the weavers might have been induced to apportion the amount among themselves at such rates as they might deem most equitable- The Board regret to find that such has not been the case, that the weavers not only decline to assist in apportioning the tax, but persist in challenging an exemption from all charge whatsoever-

The

The loom tax of which the Petitioners complain is paid by others of their craft in the Chingleput District, and is common throughout the Provinces under the Madras Presidency. The Board cannot conceive nor does the Petition (1681 of 1843) assign any satisfactory reason why the Petitioners should be excused from so general an impost. "After the most particular enquiries" writes the Collector of Chingleput, "it appears they have no valid ground or document warranting exemption. On the contrary it is ascertained that they actually paid Motturpha prior to the year 1780 and that subsequent to the war (ie with Hyder) the Collection was suspended to enable them to resume their trade and reestablish themselves and families. It never could have been intended that this relief and indulgence should extend beyond a few years or at most a definite period and after giving the subject my best consideration the non levy of the tax appeared to have been an oversight. A moderate tax may without injury to any one be levied on each Loom."

+ 23rd Decr 1834.

The

The Board fully concur in the foregoing opinion and would submit that it was to meet such cases as that under consideration that Regulation V of 1832 was enacted and that its provisions are directly applicable to the present Petitioners.

4. It appears in conclusion only necessary to add that the amount of tax imposed is very moderate and much lower than in many other Districts. The rates as taken from Para 17 of the Petition are given in the Margin, the highest being Rupees 4 — 8 — 0 while the average is only 2½ Rupees. Indeed, as will be seen from Mr Freese's letter of 5th August 1843 the objections of the Petitioners are not against the rate at which they have been individually assessed but against the payment of any tax whatsoever, and appear to the Board to be altogether undeserving of attention.

Sir, I have the honor to submit my

on Petition No 69 of 1842 presented by Tanookoo Camaraze of Tanookoo—

Original No 69 of 1843

my report on the accompanying Petition presented to the Board by Tanookoo Camaraze of Tanookoo—

The object of Petitioner, is to obtain

2. the appointment of Curnum of the Village of Tanookoo in place of his Uncle Gopanah who has been doing the duties of Curnum since the death of Petitioner's father in the year Vayah or 1826/27—

The Village of Tanookoo came

3 under Government in the year 1833, when Petitioner's father was already dead and his Uncle Gopanah was performing the duties, both Brothers having always been living together with their property in common, and Petitioner and his Uncle continued to live in the same manner until two years ago, when they quarrelled and divided their property—

This Gopanah appeared to

4. me to have been equally an Heir to the undivided property of his Elder Brother at the time of his death as his son, and as such he was undoubtedly allowed to continue the Curneekum duties under the Proprietor, it did not appear to me therefore, that I could properly disturb the existing arrangement, but I informed Petitioner, that he would

would be the rightful person to succeed on the death of his Uncle, however should the Board see no objection the services of both persons might with advantage to the Service, be made available for conducting the duties of the Village.—

Sir,

From the Collr of Rajahmundry—

(29) I have the honor to report for the information of the Board of Revenue, that this District has experienced this year a higher fresh of the Godavery than has been witnessed for many years. In last Fusly, the river rose in September

to the height of 28 feet but its duration at such height was very short. In this year, the rise reached 28½ feet and continued very high for about 12 days, it having first commenced on 20th July last, then having fallen from 28½ feet it rose again on the first and continued until the sixth instant. Since the Storm of May last Continual rains

Fort St George 28th August 1843.

rains had fallen in this District, which had been most favorable to the Poonasalo or Dry Grain Cultivation, consequently the loss of these species of Cultivation has been very considerable. Captain De Butts has noticed to the Board some of the damage done to the Tarookoo Talook - besides this, a good deal of damage has been done in the Government Estate of Nagaram, the Zemindaries of Cotaveram and Ramachendrapooram and the Estates of Sakey and Venkatippak and generally in the low lands within reach of the Godavery -

such cases to a Punchayet is so obvious a course of proceeding that I did not think it necessary in my letter of the 17th Ultimo to inform the Board that this means had been tried as well as my personal influence— There is no question of right to be established, the right is clear enough, not settled solely by the custom of the District, but by written agreements between the Parties— One Party refuses to abide by the agreement, a Punchayet can only say what the Collector can say, and perhaps with less effect that they ought to abide by their agreement, but they still refuse, and it was in this state of the matter that I made a reference to the Board to know whether I should be warranted in compelling conformity to the custom of the District and their own written engagements—

To the Chief Secy to Government

Submitting letters from the Coll.r of Bellary having reference to the importation of Mysore and Bombay sugar into that district stating that the admission of Mysore sugar has been discontinued under orders from the Board and that the attention of the Coll.r will be drawn to the exclusion from his district of Bombay sugar also, as equally required by act XI of 1842.

To

The Chief Secretary to

Government

Sir

1. I am directed by the Board of Revenue to forward for submission to the Most Noble the Governor in Council the accompanying letters from the Collector of Bellary under dates the 19th July and 2d August 1843.

2. It should be premised that the Board having reason to conclude that Act XI of 1842 prohibiting the entry of "Foreign sugar or sugar the growth of a British possession "into which Foreign sugar can be legally imported" into the Madras Territories by land equally as by Sea, had in some instances been overlooked, deemed it proper to call the attention of the several Collectors to its provisions by a Circular order under date 20th July last. This order appears to have been received by the Collector of Bellary after the dispatch of his letter of the 19th ultimo but prior to that of the 2d instant.

3 The importance of the subject has induced the Board to forward these communications to Government. The importation of Mysore sugar into the Madras Provinces either for consumption or in transit to the Bombay territories or to those of Native States

12164 Fort St. George 28th August 1843.

is clearly prohibited by Act XI 1842 - again as there is no enactment which interdicts the entry of Foreign sugar into the Provinces under the Bombay Presidency the introduction of Bombay sugar (being the growth of a British possession into which Foreign Sugar can be legally imported) into the Madras Territories is also prohibited by the act above quoted -

4. The admission of Mysore sugar into the Bellary District has been discontinued from the receipt of the Board's Circular of 20th July last - The attention of the Collector will also be drawn to the exclusion from his District of Bombay Sugar as equally required by Act XI 1842 - It would not indeed seem equitable forthwith to confiscate* all sugar brought to the Bellary Frontier Chokies in ignorance of the existing prohibitions - altho' the terms of Act XIV of 1839 are sufficiently stringent - such extreme penalty may be reserved for cases in which sugar may be attempted to be introduced clandestinely or after due notice has been given to the Merchants -

5 - The relation in which the Jagheerdar of Sondoor stands to the British government is explained in the Collector's letter of 30th June submitted -

Coll.rs letter 2d August 1843 Para 4 -

* Section I

submitted to Government on the 9th August 1841.

It does not appear to the Board that his Jaghire can be held to be a "Foreign state" as contemplated by Act IV of 1839 and XI of 1842.—

6.

In reference to para 2 of Mr. Mellors' letter of the 2d instant the Board would state that in accordance with what they understand to be the practice in Bengal they have always considered Jaggery Molasses and indeed all saccharine preparation to be comprehended under the general term Sugar in the enactments already referred to.—

Sir,

I am directed by the Board of Revenue to forward for the consideration and orders of the Most Noble the Governor in Council the accompanying letter from the Collector of Bellary reporting the deaths of several yeomiahdars on whose stipend he recommends may be renewed

newed in favor of the several claimants.—

The first in his list of the deceased

2.

yeomiahdars is named Pollasatree (No. 49 in Mr. Chaplins' Register I) He received a yeomiah of Rs 3— "—/ per mensem originally granted to his Grand father for prayers for the prosperity of the State and shared it with his brother Chittum=baiah until both of them died of Cholera on the same day in June last, they both left a family as mentioned in the Margin whose only means of subsistence is stated to be a small quantity of land the greater part of it waste and the remainder yielding only 1½ Rupee per Annum to the family of the elder and 5 Rupees per Annum to the family of the younger brother.—

Family left by Pollasatree Vizt.
Boochannah Eldest son, Cumbiah Son 22 years, Mohunnah Dr. 20 years.

The second in the Collectors list is

3

Chetumbra, but (No. 54 in Mr. Chaplins' Register I) his yeomiah was Rupees 1-8-6 per mensem which was granted on the same account as the above and he divided it with his cousin soobiah who still survives, the deceased yeomiahdar has left a son named also Soobiah eighteen Months old, they possess a small quantity of Cranm land, but it yields nothing being uncultivated; if the government should not be disposed to renew the Grant of the full yeomiah to these persons for their lives it may be deemed right perhaps to continue it nevertheless until the Child shall be of an age to earn his own subsistence.—

Family left by Chetumbraiah Vizt. Rachoomunnah Eldest Son Munyammah widowed daughter 12 years.— Cumbagherry Son 5 years Basearum, much widow

4. The name of the third is Fuad Shaw Saib who received a yeomiah of Rs 6-7-3 per mensem for teaching boys the Koran in the Jumah Mahazeed at Adoni. He has left a Widow and a posthumous son now 10 Months old, entirely unprovided for, and the Collector purposes that the yeomiah should be renewed in the name of the latter — the brother of the deceased Yeomiahdar, who is in receipt of a separate yeomiah from Government undertaking to discharge the duty of teaching the Children —

Rect Z-635

5. The fourth in the list is Cuttama = swagshaw Ally Saib who received a yeomiah of Rupees 6-7-3 for praying for the prosperity of the State. He has left a Widow of the age of 61 years. His two brothers have left numerous descendents who are in possession of Enam land assessed at Rupees 128. It may perhaps be considered right to continue some portion if not the whole of the above yeomiah as a provision for the Widow. —

Rect Z-28

6. The fifth is Syed Peer Poosha Rubery Durvish who received a yeomiah of Rupees 12-14-6 for his subsistence. He died so long ago as the 1st July 1838. The present claimant is his son Syed Shaw Hugnut Cawdry Durvish aged 22. He applied to the Board on the subject

subject of the yeomiah in April 1841 and was referred to the Collector and ill health and his absence at Madras are stated as the causes of the delay in preferring his claim. He derives an income of 13¾ Rupees per Annum from a Shrotriem Village.

7. If Government should see fit to continue these yeomiahs the Board would recommend that authority may also be granted for the payment of the arrears.

2. Beg. to bring to the notice of the Board of Revenue that the above petition refers to the same subject as the Extract from the Minutes of Consultation under date the 29th April on the receipt of which I published an Advertisement requiring all claimants to the lands held by the late Ladiakhatoo Bee to appear at my Office either in person or by a Vakeel on or before the 1st of July - The consequence was that 3 persons have advanced claims to the lands in question and the subject is now under Enquiry - 20 witnesses have already been examined and there are still a few more whose attendance I have not yet been able to procure but whose evidence appears essential -

3. I respectfully submit that in judicial investigations of this nature some delay is almost inevitable and this in the present instance has been a good deal increased by the prevalence of cholera in the town of Cuddapah which makes the witnesses very reluctant to come here and they advance all sort of excuses to avoid doing so, but I trust that the investigation will be concluded in about a fortnight when no time shall be lost in submitting a report on the subject -

Sir,

(55)

From the Agt Coll. of South Arcot. With reference to the case on Honey and wax, reports that the System of Renting these articles which obtains in this district, is objectionable to the people, and recommends its discontinuance.

July 1843

Para 1.

With reference to your letter I have the honor to state for the information of the Board that the privilege of collecting honey and wax in the Jungles of this District is rented out, and included among the 11 articles enumerated in the accompanying Statement, from which it will appear that the demand in fusly 1251 having been much increased above that of previous years, there remained a balance of Rupees 368-14- on account uncollected; and that though a diminution took place in the demand in the following year there still occurred a greater falling off in the Collection to Rupees 286-8- which indueces me to think that the realization of this branch of Extra Revenue is always difficult.

Prior to fusly 1240 from

2.

of some of the poorer class of people who reside in the Jungles, as well as in the Villages adjacent thereto, were in the habit of gathering the articles in question and gaining a subsistence by the sale of them. In fusly 1240 they were rented in the aggregate as shewn above, and the farming them to the highest bidders continues still. The Monopoly of these articles having been thus given to Renters no person is allowed to gather them without their license, nor to sell them at any rate, but what the renters are pleased to pay.

3. This is a source of annoyance to the people, who have no other means of earning a livelihood, and the only remedy for the evil would be to fix the rates at which the Renters should pay for the articles to the gatherers. But by adopting this measure, the rent will be reduced to so trifling an amount as to render its collection of little or no importance, whilst on the other hand the annoyance to-

to the people above alluded to, will be only partially affected, as from their ignorance, they will not be able to avail themselves of its advantage.

4. I am therefore of opinion that the rent in question should be discontinued, and no tax whatever should be levied from those persons who gather these articles which are the spontaneous produce of the Jungles. I beg to refer the Board to the remarks of Messrs. Ashton and Hallett, and the Board's proceedings noted in the Margin.

Sir,

I have the honor to furnish a Statement distinguishing the amount of "Pagoda Surplus" from that accumulated from "Chuttrum and Muddum deposits" as called for in the extract from the proceedings of the Board of Revenue under date the 23d June, the origin of the accumulated Chuttrum funds in this District was the Subject of a report by me on the 17th February 1842 when the expenditure of the Amount on public works was solicited. I have therefore confined myself in the present instance merely to a figured Statement of the sums actually on hand at the close of the past fusly - a comparison of the Amount entered in Column 2 with that reported as Pagoda Surplus by Mr. Lindersley, shews an increase as a matter of account of Rupees 97,134 - this cannot properly be considered as a permanent Surplus, charges for establishment, repairs &c. to be deducted from it hereafter. The excess in the Amount of Chuttrum funds on hand is also liable to similar reduction.-

Informing that a quantity of Ganjah and Bang were found stored at certain Villages in the Poodoocottah Country for the purpose of its clandestine introduction to Tanjore and Trichinopoly, and requesting the Board's instruction on the Subject.-

Having received information that a quantity of Ganjah and Bang consigned to Madura and elsewhere, were stored at the Village of Keeranoor in the Poodoocottah Country near the boundary of this District, for the purpose of its clandestine introduction into Tanjore and Trichinopoly, Steps were immediately taken to ascertain the fact, and a quantity Amounting to 99½ Maunds were found in two houses, as reported by the informer- The owner of the Article produced 5 Rowannahs said to cover different portions of the

12187- Fort St. George 28th August 1843.

the article secured, 2 for Madura, 1 for Tinnevelly, 1 for Rannad, and one for Trichinopoly Zillah, Poodoocottah Country,

Maunds

the time allowed for the arrival of the goods at their ultimate destination, was exceeded in all those consigned to Madura were 2 Months beyond their time, that for Tinnevelly 52 days, for Rannad 7 Months, and Trichinopoly 2 Months and 12 days.

On Comparing the quantity Secured, with that entered in the Rowannahs, an excess in the Ganjah of 20 Maunds has been found, and tho' an entry of 10 Maunds of Bang appeared in the Rowannahs, none of that article was forthcoming-

In accounting for the excess in the Ganjah and absence of the Bang, Rama-Samy chetty, the owner of the Goods, states that the Bang and Ganjah have been indescriminately mixed, allowing this to be the case, there remains still an excess of 10 Maunds, which has arisen as stated in consequence of having been wetted on the journey and swollen therefrom-

I have had reason to suspect that a Smuggling in Ganjah, like the clandestine introduction

introduction of earth salt, has frequently been carried on thro' the Poodoocottah Country, which, from it's vicinity to Tanjore and Trichinopoly, with a long and straggling boundary, offers every temptation to the Smuggler, while to guard the whole line, however vigilant the Police and Revenue Establishment may be, is most difficult or next to impossible.-

The Ganjah now secured, in my opinion, was never intended to reach the destination entered in the Rowanahs, which were taken out merely for it's safe passage to Keeranoor. The duty levied on this article in the Tondiman's territory is only ¼ Rupee per Maund, and this rate had been paid on the whole of the Ganjah stored, an extra expense which the owner never would have incurred, had his intention been to proceed with his goods where another duty awaited him.-

None of the Rowannahs have been countersigned at any Chowkey during the transit of the Goods they covered between Chittoor and Poodoocottah; and whether they have been made available for more than one trip, cannot be ascertained, the

tho' from the dates on which they were granted, the middle of February, and the time occupied in the journey, 22 days, ample time has elapsed to allow of such advantage having been made of them; at all events it is not very probable, that any part of the Ganja now secured, can be that for which a Rowannah was granted on the 2d December 1842, tho' said to be so.-

The destination of one portion of the goods (Ganja 35 Maunds, and Bang 5/ as entered in the Rowannah is very suspicious, "Trichinopoly Zillah Poodoocottah Country" the object of such entry is evidently to guard against seizure between Keeranoor and Trichinopoly, the same Rowannah continuing available to the Smugglers till called upon to produce it.- The reasons assigned by Ramaswamy Chetty for the accumulation of Ganjah at Keeranoor, are too flimsy to have any weight in his favor, and his explanation of the irregular entry on the Poodoocottah Rowannah equally so, i.e. that it was a mistake of the Sayer Gomastah at

Fort St. George 28th August 1843.

at Chittoor. On consideration of all the circumstances as they have come before me, I am enclined to think, that on account of the smallness of the duty in the Poodoocottah Country on Ganja and Bang, the facility of Smuggling, and the great demand for these articles in Tanjore and Trichinopoly, Keeranoor has been made a depôt, from whence they have been clandestinely removed as opportunity Offered.

I request therefore, you will be good enough to obtain the order of the Board for my further guidance and instructions for the disposal of the case. The duty demandable on the Ganja, had it reached its destination, would have been 1,526 Rupees, not reaching it the same amount of loss to Government

Requesting sanction for the repayment of a fine imposed by the Head Assistant Magistrate

Sir,

In the case of Pichoo Master pillay of the flock of the French Apostolic Missionaries against Savary Muttoo pillay and others of the flock of the Goa Priests at which was proved before the Head Assistant Magistrate that the Complainants has raised Shrinoms in the Village of Saravanoy where is a large Church in possession of the Goa priesthood and where I have long since decided that if the French Priests chose to have a congregation they were at liberty to do so in any building they might erect, but to prevent fear of clashing and commotion I strictly by proclamation, prohibited their having processions outside such buildings.

Before the Head Assistant Magistrate the Defendants admitted that

that on seeing the Sheroomms they objected verbally and by signs but they neither admitted that they plucked them up, as stated in the Complaint, or broke the peace, nor was such proved.

On the 10th April the Head Assistant Magistrate fined them 15 Rupees because they admitted having objected to the encroachment of their adversary instead of allowing them to proceed in their illegal course — and obtaining redress by Complaint to the Head of Police.

On the 22nd April the Gra Pasts addressed Government by Petition No 952 of 1843 which were endorsed by Mr Morehead Acting Magistrate, on the 22nd May to effect it was returned because he had not submitted with the Petition to Government the order of the inferior authorities and Mr Morehead made no enquiry or afforded him any answer on the substantive matter of the Petition.

On the 17th July he addressed his petition to the Magistrate and it was found by me in the 29 Volume

Fort St. George 28th August 1843.

I am of opinion the French party were in this instance the aggressors and tho' the course pointed out by the Head Assistant Magistrate was correct I am of opinion it was unjust in him to fine the Defendants, and thereby tacitly to approve of the conduct of the French party. and leave almost a certainty of renewed collision on occasion of the next festival.

Under these circumstances I have the honor to request sanction - may be obtained for repayment of the fine levied.

Para 1. Sir,

I have the honor to acknowledge
the receipt of your letter of the 26th June last,
informing

informing me, with reference to the observations
in my letter of the 30th March last on the
subject of the Tirunelvah Gomastah Sooba Row
that the formal decision of the Board in appeal
acquitting the Gomastah and directing the
fine and the amount alleged to have been
embezzled by him, to be returned to him
having been communicated to me on the 9th
December 1841, it cannot now be disturbed,
and that the Board do not feel justified
at this distance of time, to recommend that Govern-
ment should bear the loss of the alleged
embezzlement Rupees 28 and therefore direct
me to collect this amount from the party whom
I consider responsible for its safe custody.

2 In reply I beg leave to state
that I find myself at a loss how to carry
into effect the Board's orders on this latter point.

3 In my letter of the 30th March
last I stated my thorough conviction that
the Gomastah was guilty of the charges brought
against him and that no suspicion whatever
attached to the Shroff, and as in your letter
under acknowledgement my opinion on this
point is not questioned I conclude that the Board

are

are satisfied of its correctness.

From the observations in my
4 letter abovementioned, it will be observed that
the sums embezzled by the Gomastah were
Paras 13&22 received by him as loans from two individuals,
and credit falsely given them for the same the
deficiency occasioned by those false credits being
concealed by certain adjustments in the accounts,
Paras 11-12&14 15-16&19-20&24- as pointed out in my letter abovementioned. It
will be evident therefore, that the amount em-
bezzled Viz 28 Rupees, was never paid into the
cash chest so that neither the Shroff, nor
any other servant of the Tahsildars Cutcherry can
be considered as having been responsible for its
safe custody. Under these circumstances I feel
compelled again to bring the subject to the notice of
the Board, and to request their further instructions
as how the deficiency in my accounts is to be made good.

5 Before concluding this letter, I cannot
refrain from expressing my regret that a man so
notoriously guilty as the Gomastah Sooba Row is
considered to be in my office, should not only escape
with impunity but actually continue to enjoy the fruits
of his fraud, which it would appear either that the Government

must

must submit to lose or some innocent person be obliged to make good. What I feel, however is most to be deprecated in the present case is the mischievous example which such a proceeding as the one in question exhibits to the whole District, and I hope I shall be excused in respectfully urging the Board to a reconsideration of their decision on the matters in order that if the arguments used in my letter of the 30th March last are deemed sufficient to sustain the justness and propriety of the original sentence passed by the Sub Collector in charge the Gomastah may yet be made to suffer the penalty due to his crime.

6 I think it right to mention that owing to the utter want of confidence felt by the Tahsildar and Sheristadar in the character of the Gomastah Sooba Row I have thought it but justice to the other servants in the Taluk Cutcherry to remove him from his former situation to one in a different department in the same Taluk. A translation of the agree of the Tahsildar on the subject is herewith forwarded. Neither the Tahsildar or Sheristadar are the same officers

who filled their respective situations when the charge of embezzlement was brought against the Goomastah.

In reference to this order I beg to state that Manjeesha has sent in an address to me, setting forth that he, since the last ten years has risen to the present situation of 16 Rupees pay, through nine several minor posts that he regrets that he is now removed from his permanent appointment and ordered to act in a lower office. He therefore prays that he may be allowed to continue in the same office or removed to any other situation of equal pay. As it is my bounden duty to act up to your orders I have

I have written to the Sheristadar to employ Soobarow in his former Office and to the Peshcar regarding the employment of Mungursha.

With respect to Gomastah Soobarow he was guilty of embezzlement of public money and committed gross irregularities in the public Accounts on these charges he was examined by Mr. Mallby in charge and was dismissed after full enquiry. The Gomastah Shroff having given evidence in the case Soobarow no doubtedly bears enmity against them As Goomastah he must have the Rugdi accounts to write in any one year, which is performed by yearly turns and he cannot be relieved from that duty without laying heavier duties upon other Gomastahs. Even if he be employed on other business the nature of the Talook business is such that opportunities will not be wanting for him to commit irregularities. The Sheristadar therefore urges that as he can place no confidence in Soobarow manguesha may be continued in his Cutcheery and that Soobarow may be employed elsewhere.

I therefore beg leave to enclose for your information the letter received from my Sheristadar and another from the said Manguesha Considering all the circumstances I am of opinion that more difficulties will hereafter occur as the Sheristadar can repose no reliance in him and it is more probable that he will not fail to revenge himself on others. Submitting copy of a letter from the Sub Coll. of Canara reporting on the Petition of certain Fishermen and concurring in the recommendation of that Officer of a remission of a moiety of the Moturpha tax, and the exemption from it of all above 50 and under 18 years of age

Sir

With reference to your letter of the 19th June last, transmitting a Petition from certain fishermen in Mangalore, I have the honor to submit for the consideration and orders of the Board the accompanying copy of a letter from the Sub Collector, on the subject of the grievances complained of by Petitioners, as the Taloke of Mangalore being under the charge of Mr. Forsyth, he was requested to report on the cases.

2. For the reasons stated by the Sub Collector, I concur in the propriety of the measure recommended by him, Viz, the remission of a moiety of the Moturpha tax now levied upon the fishermen of Coodrovolly and the neighbouring Villages and the exemption of all above 50 and under 18 years of age.

3. In consequence of there being no Palankeen bearers in the interior in this District whenever

whenever they are required by Travellers, they are obliged to be sent from the Coast to a distance of 50 or 60 miles; and as since the opening of the new Road by the Sumpajee Ghaut, the Travellers have been numerous on that line, the services of the bear=ers during the fair season, have been in frequent requisition. This is no doubt felt by them as a hardship, as they are at times kept away from their families and occupation for six or seven days together, and although in other respects, I consider the tax perfectly fair and reasonable, yet on that account, I beg to recommend, that the proposed remission which is inconsiderable in amount may be sanctioned by the Board.

To
H. M. Blair Esqre.
Principal Collector of
Canara

Sir,

I have the honor to acknowledge the receipt of your letter of the 21st Ultimo =

and

and copy of one from the Secretary to the Board of Revenue under date the 19th June last with an original Petition presented to the Board by certain Fishermen of the Godyal and Panamboor Maganies in the Talook of Mangalore having reference to a former one, on the same subject and call=ing on me for my opinion respecting the grievances complained of.

2. The Petitioners like all the fishermen on this coast perform the duties of Coolies generally throughout the Country: complain that the Mothurpha has been lately and improperly imposed upon them, contrary to the practice of former Collectors. They pray to be relieved from it, or at least that the old and infirm, the young and others physically unqualified may be ex=empted, and that it may be levied on each boat, or house.

3. The Petitioners are all either inhabitants of Mangalore, or reside in the im=mediate vicinity of the town, and the tax complained

of

of has lately been imposed on them in conformity to the orders of the Board under date the 3d January 1842. They are far better able to meet the demand than many of the petty shop keepers and other classes who are no longer exempt from the tax in question having a good market for their fish, and being amply remunerated when employed as bearers, or detained at a distance from Mangalore; facts which it would be absurd in them to attempt to deny.

4. The sum of 8 annas only has been levied from the owner of each boat, and 4 annas from each individual that posses a net or gains his livelihood by following the occupation of a Mugeer which is not confined to fishing. In all other parts of the District with the exception of these 2 Maganies and that of Calala poll tax varying from 2 annas to 3 Rupees is imposed which is levied without difficulty and I am satisfied that the Petitioners are in far better circumstances than the fishermen elsewhere.

5. With respect to their allegation that the old and young, the infirm and others physically unqualified have not been exempted, I beg to state that only 3 or 4 com-

complaints of that nature have been preferred to me. The individuals aggrieved being infirm from age were exempted and from my knowledge of the character of the inhabitants of Mangalore I have no hesitation in saying that very few, if any who are physically unqualified, would submit to the impost without seeking immediate redress.

6. The number of Fishermen residing in the two Maganies in question is 315, of whom only 46 posses boats, so that 269 individuals would be exempt if the poll tax was discontinued which could not fail to give rise to discontent in every part of the District bounded by the sea. The same evil would arise from attempting to levy it on dwellings, and the only reason that I can discover from making the distinction between those who do, and those who do not posses boats, appears to have been the difficulty of finding out what each individual could afford to pay, which regulates the rate of payment elsewhere.

7. Under these circumstances I

I conceive that it would be preposterous to exempt the Petitioners from any portion of the Moturpha levied from them on the plea of inability to pay, but I would beg to recommend that some indulgence should be shewn to them, and the Mugeers of Oolal in consequence of their being since the opening of the Sumpajee Ghaut so frequently employed as bearers, and of necessity kept away from their families, in a part of the country where they are liable to fever, and have much reluctance to proceed to.

8, On enquiry I have ascertained that there are 96 men above 50 and 10 boys under 18 years of age, of whom most may be presumed to be unequal to the exertion and toil that bearers have to undergo, though quite capable of fishing in the backwater, during the absence of more able bodied men, to whose support they contribute. By remitting one half of the Moturpha levied on boats, reducing the poll tax in the same proportion and exempting all

all above 50 and under 18 years of age, the Government would only sustain a loss of Rupees 70 — 10 as 0 — " and would confer a great boon on an industrious and hard working class, who have till lately never been called upon to proceed to any distance from the Coast.

Defts 1st Mr Lushington the Sub Coll, and 2nd Pachapa Shetty resident of the said Village—

I claim from these two Defendants as follows—

The estate called Chendyhal and assessed at 6—0, is my property; It is situated within the following boundaries, Viz: On the east by the Bett fields belonging to my lower Balikay land; On the South by the Bett fields of the said land On the west by the fields of Sooram Shetty, Beermoo Shetty and on the North by the Bett fields of Chenna Shetty, Padana Shetty. The land enclosed within the foregoing boundaries and capable of being sown with Moodies 3—3—4 was rented to

Fort St. George 28th August 1843

the 2nd Defendant on the 5th of the increas=ing moon of Cheytra in the Jaya year on account of Pagodas 7—4 1/2 Bs. 4 1/2 / of which the sircar demand being paid by the tenant 2 Defendant / on my account the remaining profit it was agreed upon to pay to me every year. The 2nd Defendant / having however failed to pay me the profit, I resumed the land from him, and cultivated it myself in the year Sharvary: when the 2nd Defendant lodged a Complaint before the Magistracy falsely stating that the land being Coolmush / was, a sircar Guerry being and that he had himself taken it from the Sircar for cultivation. On the contrary the estate in question belongs to me, and has been enjoyed from the time of our ancestors: the registry of the estate moreover runs in the name of my ancestor Chendy. The 1st Defendant without inquiring into all these cir=cumstances of my title ordered the

land

12240 Fort St. George 28th August 1843

the land in dispute to be made over to the 2nd Defendant and decreed on the plea of the 2d Defendant having ploughed the land before my cultivating it for Sharavary that I would pay him the expense incurred by him for it. in consequence of which decision I was compelled to pay the 2nd Defendant 3 Moorus Paddy.

I sued the 2nd Defendant in Suit No 21 of 1841 for the recovery of arrears of rent due to me up to Viccany. The District Moonsiff of Uppinangady dismissed the suit on the ground that I should sue for the land at the same time with the arrears due on it. Therefore and as the 1st Defendant made over my property to the 2nd Defendant without any just cause, I being thus aggrieved claim the said land yielding 4½ Rupees per annum the arrears of rent after deducting the Sircar Demand of Rs. 2-2-80 per annum amounting to Rupees 12.3.80 at the rate of 2 Pagodas per annum from Jaya at Viccany and for Plaint being seven years, and the sum

of

12241 Fort St. George 28th August 1843

of Rs 1-8-0 being the value of 3 Moorus of Paddy which I was compelled by the 1st Defendant to pay to the 2nd Defendant. I therefore pray that the Defendants may be sent for, examined and caused to restore to me the land in dispute, and pay the arrears of rent and damages.

I beg to give this supplement, and pray that the Principal Collector as supplemental Defendant may be sent and examined, and that he also may be caused to make over to the Plaintiff the land &c as

as claimed in the original plaint.—

Draft of an answer proposed to be filed to the Suit No 175 of 1842 of the Zillah Court of Canara.

This action is brought by the Plaintiff Amos Blunt to recover a certain Ground as forming part of his estate assessed at 13 Rs and odd, and which he had leased to the 3d Defendant together with Rupees 12-3 80 on account of arrears of rent and Rupees 1½ being the value of 3 Moras Paddy, ordered to be paid to the 2nd Defendant as the expense of Cultivation

The Supplemental Defendant makes answer as follows.

The Ground in question is a separate Government waste estate and does not form any part of the Plaintiffs Gurry of this fact, several proofs may be adduced, the most important of which are hereunder set forth.—

During

12243. Fort St. George 28th August 1843

During an investigation of the matter by the Revenue authorities the Plaintiff admitted, that he had no other proof of his claim to the land in question than a tradition that the land had formerly formed part of his ancestors Estate. On a reference to the Revenue Accounts the Chitta written in 1244 / 1834/35 the year in which Soolia and the other Moganies of the lower Coorg were annexed to Canara it appears that the land in question was registered as a separate and a Sircar Guiny Gurry. It further appears from the survey made in the year Angriesse / 1223/24 during the time of the late Rajah of Coorg that it was then entered as a distinct Sircar Guiny estate. Moreover in the annual examination of the extent of Cultivation and waste in each Gurry made under the Superintendence and with the assistance of the Potails this land was entered in the Ayamaishee, or Palmee accounts as

12244 Fort St. George 28th August 1843

as rented by the Sircar to Parkaspa the 2nd Defendant and although the Plaintiff was the Potail of the Village within which the land is situated no objection was started to its being so entered on the ground of its belonging to his vurgasi now pretended

The foregoing observations it is hoped, will satisfy the Court that the land in question is a Circar Guney and to which the Government possess an unquestionable proprietary right, and under such circumstances the Plaintiff can have no claim to the produce of the land, or to any damages on its account.—

Para 1.

Reporting in reply to the Board's Proceedings of the 10th April last the outlines of the arrangements of the affairs of the Pittapore Zemindary and promising to submit the definite ones in December next.-

Sir,

With reference to the Proceedings of the Board of Revenue of 10th April and of Government of 27th March last, on the subject of the affairs of the Pittapoor zemindary and the desirability of making that Estate over to Rajah Row Venkata Sooreya Row, the present Zemindar, I have the honor to state that though I have been in personal communication with the zemindar I am not yet prepared to submit a definite answer, though I can submit a rough outline of the arrangement which appears to me both desirable and feasible.-

2. On reference to the correspondence noted in the margin, it will be seen that in the year 1795, the state of this zemindary was worse than it is at present, the balance against it having been Rupees 5,29,142-15-5 on a Permanent Assessment of Rs. 2,54,669-10-0 when Government agreed to make over the

Zemindary to the present Zemindar's Father, Rajah Row Venkata Neelady Row, though still a Minor, and to allow eight years for the recovery of the balance, an arrangement which was most successful and led to an unprecedented state of prosperity in the Zemindary and enabled the Zemindar to add many Estates to his original Patrimony.-

3. This circumstance I fully stated to the present Zemindar and pointed out to him the necessity of great exertion. He, as I expected, met my arguments by observations on the actual distressed state of the Country and the difference in the extent of its resources in 1795 and at the present moment, but I again explained to him that though this was perfectly correct, still that the state of his Zemindary was not attributable to these causes alone, but that the great prosperity of the Zemindary from 1795 to 1832 had enabled the raising both of the Rents and Tiesabady Assessments to an extent which the lands could hardly bear, even in the best seasons and with the highest prices the consequence of which was that in these ten bad years which have succeeded each other

other, since 1832, the Renters and Ryots having continued to hold their lands on engagements which were not suited to the altered cir=cumstances of the seasons, had been ruined, and the application of a remedy was neces=sary- This, I further explained to him, could only be done by making the cultivation of the soil profitable by a temporary sacrifice in the first instance, that being the course already suggested by me in the case of the Government Estates in my letter to the Board of 28th December 1838 and approved of in the Proceedings of the Board of 22d August and of Government of 10th September 1839.-

4. Having thus explained my views and the result of my communication with the Zemindar of Pittapoor, I beg leave to ob=serve that the course already taken into consideration by Government appears the only one to be followed.-

First, that I should recover from the first collections of the present Fusly. the ready money advanced by Government.-

Second, that I should strike a balance against this Zemindary in the Month of December next, and submit a definite proposition of

of the terms on which it will be practica=ble for the Zemindar to undertake the management with a prospect of being able to fulfil his engagements- I propose winding up the affairs of this Zemindary in De=cember, so that the Zemindar may be able to take charge in January, which will enable him to make arrangements in proper time for the cultivation of the ensuing season and for bringing back by temporary concessions the immense tracts of land which the late adverse seasons and the decreasing state of the population have thrown out of cultivation.-

5. This is the first season since I took charge of this District as Collector in 1837, which has commenced really favorably, and I sincerely hope it may continue so to the end and give the District a chance of recovering from its actual depressed state.-

6 Under the actual distressed state of the Zemindar, I have consi=dered it absolutely necessary to make the allowance to him, authorized by Government, for these few months, but I fully explained to him that he must be prepared with his arrangements at

3. This distress of this District have never been exaggerated by me, and though the kind indulgence of Government has been abused in some instances, still there is no doubt but that it has saved many Estates- The prayer of the present Petitioners to have their balances entirely remitted is of course inadmissible, but I am still of opinion that if they should pay the sum of Rupees 850---- into my Treasury before the proposed day of sale that then the indulgence, before recommended for the payment of the remainder Rupees 700---- should still be allowed.-

I have the honor to acknowledge the receipt of your letter of the 20th July transmitting copy of a letter from Messrs. Ouchterlony & Co. complaining of the manner in which the Indigo Crops in the Budwail Talook, on which they have made advances have been sold for arrears of Revenue, and requiring a report thereon with as little delay as possible.

2- In the Budwail Talook forms part of the Sub Division which I wrote to the Sub Collector on the subject and beg to submit copy of his reply.

From

3- From this it will be observed that no Indigo Crops at all have been either attached or sold for arrears of Revenue.

4- Messrs. Ouchterlony & Co. seem to doubt how far it is legal for a Tahsildar to attach produce on which advances have been made by third parties for an arrear of Revenue and they solicit information on the subject.

5- Section XVII Regulation XXVIII of 1802 appears to me sufficiently explicit on this point. All crops or produce of the land are there declared liable first for rent or revenue against which a previous sale or mortgage is no bar.

6- The late Tahsildar of Budwail was for a considerable time in a very bad state of health (he has since died) and he was in consequence a good deal behind hand with his Collections. I therefore found it necessary to depute an active Tahsildar from another Talook to realize the outstanding current balances.

St

7.

It is very possible that on his pressing the defaulters for the balances due by them they may have sold their Indigo Crops to parties different from those who had made advances to them, and they may have urged the strictness of the Tahsildar as an excuse for the violation of their engagements; but if the Tahsildar was guilty of any irregularity in enforcing the just demands of Government, it is to be regretted that the subject was not at once brought to the notice of either the Acting Sub Coll.r or myself. If this had been done I need hardly state that a thorough investigation would have been made. We are well aware of the advantage the district derives from the very extensive manufacture of Indigo, and we would naturally be anxious to secure the manufacturers from loss as far as could be done consistently with justice to others, and a due regard to the interests of the State.-

Sir,

I have the honor to reply to your letter of the 29th Ultimo, calling for a report on the alleged irregular sale of certain indigo for arrears of cist by the acting Tahsildar of Budwail.

On the receipt of your letter I wrote to Mr. Norman the Agent for Messrs. Ouchterlony & Co. stating that I was prepared to enquire into any definite statement he might have to make on the subject, to this I have received no answer.-

The Tahsildar reports that no sales for arrears have taken place in the last or current fusleee, nor has it been necessary to attach any of the Crops, altho there was owing to the sickness of the late Tahsildar rather a large balance outstanding on his taking charge, and this Complaint has probably originated from some of those who were dissatisfied at being made to pay

their.

their dues. I have not been at Budwail but as far as I can learn, no obstructions are placed in the way of Indigo manufactures, and only such rules are enforced as are absolutely needful to secure the realization of the revenue and the peace of the place — I purpose however soon going to that talook, and shall give my best attention to the matter, in the meantime I would suggest that as the grounds must be answerable for the Government demands be it, the business-like course would be for manufacturers to make enquiries as to the sum due on the land before advancing any Money whatever.

I regret the delay which has occurred in answering your letter but owing to a misapprehension of my first order I was obliged to send a second to the Shahsildar.

It would further seem that no complaint against the conduct of the Acting Shasildar has been preferred by your Agents in the District either to the Acting Principal Collector or to the Sub Collector within whose Subdivision the Budwail Talook is situated. The Board would beg to suggest that in future, should you have reason to complain of any irregular proceedings on the part of the Native Revenue Servants in Cuddapah, representation should be at once made to their official Superior, from whom the Board feel assured, it will receive every attention should the decision of the

From S. Scott Esqre. Commissioner in Burmool

I have the honor to acknowledge the receipt of your letter of the 24th. Ultimo requesting information as to whether the privilege of collecting honey and wax is subjected to the payment of any duty.

In answer to your letter of the 27th. Ultimo requesting information as to whether the privilege of collecting honey and wax is subjected to the payment of any duty, I have the honor to inform you that it would appear from some old Accounts and from information obtained from some of the late Nawab's old servants, that a tax of 8 Rupees a year was levied on this account from certain Chenchoowars in the Atcoor Taluk, but this demand upon them was given up by Mr. Blane soon after the assumption of the Country.

The Chenchoowars are a tribe inhabiting the jungle and hilly tract of Country called the Nullamally, which divides the Eastern part of Kurnool from the Northern part of Cudapah. They have scarcely any intercourse with the people of the plain, have no cultivation

cultivation and live on herbs, the tamarind bark pounded and mixed with honey, and the produce of their bows and arrows. Money is almost unknown among them, and it would be to little purpose to impose a tax upon people who could at pleasure remove to habitations more remote and difficult of access, and who would probably revenge the imposition on the property of their nearest neighbours of the plains, whereas they appear hitherto to have faithfully kept the promise they made to Mr. Blane to abstain from plundering or molesting the Pilgrims to the famous Parvut Hill, who must of necessity pass the haunts of the Chenchuwars.

Under these circumstances I have no hesitation in recommending that they may be suffered to remain unmolested, for I am clearly of opinion that any attempt to raise a revenue from the above mentioned sources would be difficult, oppressive, and unproductive, and if feasible, the late Nawab, who left nothing untaxed would have accomplished it.

From W. H. Babington Esqre acting Collr of North Arcot }

Sir.

Have the honor to submit for the consideration and orders of the Board of Revenue the accompanying Copy of a letter received from the acting Sub Collector dated 29th July 1834. reporting the seizure under Section XXI Regulation I of 1820 of a quantity of Wine, Beer, and Spirits in the Shops of three Shop keepers in Ranepet not licensed to deal in intoxicating liquors.

2. On several occasions during the last Fusly Seizures of Foreign Spirits belonging to the Ranepet Shop Keepers were made and reported to the Board of Revenue and the Parties to whom the Spirits belonged repeatedly petitioned the Board and the Government on the subject. The Spirits were however in every instance confiscated and a Proclamation was issued in December last interdicting the Shop Keepers from selling any description of liquor whatever. On the sale of the Abkary farm for the Current Fusly Granted to the contractor the exclusive privilege of selling every description

Submits for the consideration and orders of the Bd. Copy of a Letter from the acting Sub Collr Magistrate dated 29th July 1843 reporting the seizure of a quantity of Wine &c. in the Shop of three Shop Keepers in Ranepet, and Recommends the confiscation of the whole of the Spirits found on the premises of A. Rodrigues.

Fort St. George 31st August 1843

description of liquor with the reservation to myself of the power, if I saw fit of licensing the European Shop Keepers in the district to sell Foreign Wines and Malt liquor but not spirits. Thondaroy and I saw one of the parties referred to in the accompanying letter having applied to me for a license to sell Wine and Beer, I sent one for them to the Sub Collector to be issued to them on their furnishing security to abide by the conditions of it. one of the conditions being not to sell to the European Soldiery. This license they did not take out but commenced selling to the Soldiery and they have accordingly been committed to the Criminal Court under Clause Ninth Section XI Regulation I of 1820. The question now is whether the Wine and Beer found on their premises is to be confiscated or not.-

3. There is a Circumstance in their case which appears to me to mitigate the offence they have committed in being in possession of liquor without a license. In the last July it was arranged between the Civil and Military authorities of the district that the Canteen of the Queens 25 Regiment then quartered at Ranepet should be supplied by one of the Ranepet Shop Keepers the however having no license to sell

Fort St. George 31st August 1843

sell liquor except to the Canteen or even to keep the liquor he sold to the Canteen on his own premises. The Officer commanding the Fusilier which Regiment in the latter of last July re-placed the Queens 25th has never made any communication to me about the supply of his Canteen but it appears from a communication made to the Sub Collector under date 6th August 1843 by the Officer Commanding the Light Wing of the Regiment that he has been in the habit of obtaining supplies for the Canteen from Thondaroy and Some with reference to this fact, and also to that of their having applied for a license and being informed they would receive it, I think the offence of their being in possession of Wine and Beer without a license (they have no spirits) ought not to be severely visited. For the offence of selling they will be punished criminally but I recommend that their liquor should not be confiscated. after what has occurred a license will not be granted to them.-

4. With regard to the other Portion Mr. Stubrick observes "though neither

"neither Wine or Beer can be legally sold
"without a License a seizure of these
"liquors has not I believe been previously
"made for the want of one by the party
dealing in them." This is true. The abkary
Regulations have not hitherto been
strictly enforced against the Shop Keepers
of Ranepett; Wine and Inall liquors
were not as they ought to have been
specified by name in the Proclama-
tion issued in December last as noticed
above, nor are they specified in Regula-
tion I of 1820 and as this is the first
seizure that has occurred of Wine and
Beer I do not recommend its confisca-
tion but I recommend the confiscation
of the whole of the spirits found on the
premises of A. Rodrigues.

5.

If the Board do not order
the confiscation of the Wine and Beer the
Parties owning it will be required to dispose
of it within a certain time to the licensed
dealers or to remove it from the district.

whole being liable to seizure and of the parties owning it having contravened Clause IX Section XI Regulation I of 1820 and of Messrs. Thondaroy and Sons having in addition been guilty of selling liquor to the European Soldiery as fully proved by the evidence of Sergeants Holder worth and Simpson, and Privates Davis and Hart, who were this day examined by me.

Messrs. Thondaroy and

3.

Sons having applied to you for a License for July 1253. must have been well aware of the illegality of their keeping any liquor in their premises without out one. They were ordered by me on the 17th Instant to be informed through the Police Ameen of Ranypett that a license permitting them under certain restrictions to deal in Wine and Beer (not the manufacture up this Presidency) had been received by me for delivery to them, on their furnishing security that they would not infringe the terms on which it was granted. The Police Ameen reported

Fort St. George 31st. August 1843

reported to me in an Urzee dated the 28th. Instant that he had given them this information but as he has not mentioned to me on what particular day I have ordered him to be more explicit on that point. the Merits of the question however do not turn upon the day on which he informed them and they were moreover in common with all the Shop Keepers in Pary[illegible] forbidden by a proclamation dated the 20th. December 1842 either to keep or to sell any description of liquor whatever. They say they were told only four days ago by the Police Ameen to apply for the Licenses and as I am given to understand they have been present at a festival at Tutany which commenced on the 21st. Instant. I think this may be very possible. I am of opinion however if their premises had not been searched they would have deferred applying for their Licenses altogether, preferring the profits of an illicit trade with the Soldiery to a legalised one debarred from them.—

S.

Fort St. George 31st. August 1843.

I have committed Seruvengada: 4. -saumy Swordely and Kristnaswamy Swordely the parties composing the said firm of Shendary and sent to the Criminal Court under clause IXth Section V Regulation I of 1820 as I consider them under every circumstance deserving of punishment for having sold liquor to the Soldiers, and rendered it necessary for the Officer Commanding the Invalids to complain against them, but I should be disposed to deal leniently with the other parties for though neither Wines or Beer can be legally sold without a license, a seizure of these liquors has not, I believe, been previously made for the want of one by the party dealing in them. I have therefore only put my seal on them, and think it will be a sufficient punishment to the parties to debar them from trading in Wine and Beer till they receive a regular license to do so.—

5. The necessity of restricting the sale of liquor under certain penalties is requisite in every community but more especially in the Country in which Europeans are stationed. Troops

Fort S.t George 31.st August 1843

Troops are quartered. The health of the Soldiery requires that they should be kept away from it, and when this is enforced a double benefit ensues to them, in their more robust and better health and to the community at large in being less afraid of suffering from the effects of their intemperance or wild behaviours.—

6.... Messrs Thondaroy and Sons do not allege having a contract for the Canteen of the Fusiliers, but only that they supply it from time to time upon Chits from the Commanding officer but even if they had the contract, they would not be freed from the necessity of taking out a Licence nor should they, I think, under any circumstances be allowed to keep the supplies, they get up for the Canteen (supposing them to have the contract) in their own premises, but rather be required to store them in the Canteen, or in some Government building which would secure them from the suspicious of the abkary Renters.—

for .... Leave it to your judgment whether the Wines and Beer ought to be confiscated and the proceeds distributed agreeably to

Fort S.t George 31.st August 1843.

to the Revenue Regulations, to me it appears the infliction of a fine by the Criminal Court will be a sufficient punishment for the offence committed by the parties, and that should they take out their licence there will be no objection to their liquor being restored to them.—

.... Shave not examined A.

the former individual held a Shop under the late

late renter, to whom, on my addressing a few words to him he said that the liquor found in his Shop belonged.

9. I beg to add that previous to the issue of my warrants alluded to in para 1. I issued one against Shondaroy and Sons on the receipt of Major Lawrence's letter but that as the parties were not found and the Duffadar charged with it, was told they had gone to Tritanny it was not executed.—

Government.

The thirty Six Villages of the Cavetenuggur Zemindary Mortgaged to Mr Seth Sam form a part of the Estate and in the opinion of the Acting Collector cannot under existing circumstances be separated from it. The claim of Government is for arrears of Peishcush due for the whole Estate, and the whole estate is therefore must be considered as security for the arrears. The Acting Collector is of opinion that he has no authority to release any part of the Estate from sequestration until the claims of Government are fully satisfied.

It does not appear what benefit Mr Seth Sam could derive from these Villages being put in his posseſsion for they could be put in his posseſsion only on condition of his paying the whole "Rents and Revenues" of them to the Collector till such time as the claims against the whole estate had been satisfied. An arrangement which would occasion him much trouble and expense and afford him no profit, for the claims of Government will probably not be liquidated for six or seven years.

Regulation XXVII of 1802. Section X. Clause first.

Suppoſing

Suppoſing the Villages to be sold by Auction the Sale as regarded the purchasers would merely be nominal; for the whole of the Rents and Revenues must for several years continue to be received by the Collector and under such circumstances Purchasers would hardly be obtained.

Division under date the 7th Instant and requesting me to inform you whether there is any objection to put the Plaintiff's Son and heir in P.S. No. 23 of 1835 in possession of the Mortgaged Villages of the Zemindar of Cavetnuggur.

It does not appear which are the Villages alluded to, but I am of opinion that if they constitute a part of the Cavettenuggur Zemindary they cannot be relieved from the attachment under which the whole Zemindary at present lies. The Zemindary is under attachment for arrears of Peishcush, the Peishcush is assessed on the whole estate the whole Estate is therefore responsible, and I am of opinion that the Revenue authorities have no power to release any part of it from attachment until the claims of Government are fully satisfied. In conformity with Clause First Section X Regulation XXVII of 1802 the whole of the "rents and Revenues" of the estate are collected for the benefit of Government. Nothing remains but the Khudeewarum to which the Petitioner can of course have no claim.

Read also again Counter Miscellaneous Petition presented on the 20th March last by Vakeel Ghoolam Ruzah on behalf of Rajah Ramarauze Bahadoor Zemindar of Cavetnuggur.

Read also again Returns from the Provincial Court of appeal in the Centre Division dated 13th March last to this Court's Precept of the previous 1st requiring an explanation of the grounds on which the Provincial Court had declined to cause the transfer to the Petitioner, Mr. Seth Sam, of certain Villages mortgaged to him in the Zemindary of Cavetnuggur, or to direct their sale by auction in order to the realization of the Amount of the Mortgage due on them to the Petitioner Mr. Sam.

Read also further Return dated the 24th April last from the Provincial Court of Appeal in the Centre Division to this

1. The foregoing Return is accompanied by a transcript of a communication from the Acting Principal Collector of Chittoor who observes that as the 36 Villages Mortgaged to Mr. Seth Sam form part of the estate of the Mortgagor* the Zemindar of Cavetnugger, they cannot in his opinion be separated under existing circumstances from it, the claims of the Government being for an arrear of Revenue due on the entire Estate.

2. The Acting Principal Collector has further expressed the opinion that he is not authorized to release any portion of the estate from sequestration until the claims of Government are fully satisfied

satisfied.

3. With reference to the latter part of the Acting Principal Collector's opinion it seems sufficient to point out that it has been ruled by the Court of Sudr Udalut that where private creditors exist their claims to insist on the sale of land cannot be set at naught by its indefinite attachment for arrears of revenue due on account of the entire estate.

17th January 1828.

4. In respect of the case of the present Petitioner it may be doubted whether the Revenue Officers of Government are competent to retain the Villages in question in their own Management and Charge if Mr Seth. Sam should consent to undertake personally to liquidate the amount of assessment proportionately leviable on them supposing that the revenue due from the remainder of the Zemindary is not endangered by their disruption.

In this view of the rights of the mortgagee, the Court of Sudr Udalut resolve to require the Provincial Court to call upon the Acting Principal Collector to report whether if the fair proportion of the assessment due on the 36 Villages

Villages adverted to be paid by that individual any objection exists to their being placed in his hands, and if objections do exist in the opinion of the Acting Principal Collector that he do specify their nature and extent.

In reply to the exigency of the foregoing Precept accompanied by Extract from the Proceedings of the Provincial Court of Appeal for the Centre Division under date 11th August 1843 and Extract from the Proceedings of the

the Sudr Udalut under date the 7th August 1843, by which the Acting Collector is required to report whether if the fair proportion of the assessment due on 36 Villages in the Cauveleenuggur Zemindary mortgaged by the Zemindar to Mr. Seth Sam be paid by that individual any objection exists to their being placed in his hands, and if in the opinion of the Acting Collector objections do exist that he do specify their nature and extent, the Acting Collector has the honor to offer the following observations.

The claims of Government on the Villages in question extends to their whole [+]rents and revenues. All that the Zemindar was entitled to receive from the lands of these Villages is now to be received by Government. What he was not entitled to receive he was not entitled to mortgage, and to that therefore. Viz. to the Rudeewarum the Mortgagee can have no claim. The Rudeewaram excepted, the Government claim extends to the whole produce of the land. If the Mortgagee were placed in possession of these Villages he would be bound to give up the whole revenues to

[+] Clause First section X Regulation XXVII of 1802

to Government and if he did so he would derive no profit from the possession.

The Court of Sudr Udalut in reference to the revenues of these Villages use the expressions "proportionately leviable" and "fair proportion of assessment." As the demand of Government is not for the Peishcush of the Estate, but for the whole revenue of the Estate the Acting Collector infers that the proportion referred to is not the proportion of Peishcush which may be calculated to be due from the Villages in question but the proportion which the whole revenues of these Villages bear to the whole revenues of the Estate.

In the event of the Sudr Udalut ordering these Villages to be put into the possession of the Mortgagee, the Government are entitled to claim from him the whole revenues of the Villages, but if the Villages are under his Management it will be impossible to ascertain what the whole revenues are.

The assessment upon the lands of the Zemindary, which is called the Shist teerwah, is excessive; it never has been levied and the Mortgagee would not of course consent to pay it. It may be said that he may be

be required to pay what the Zemindar has usually demanded. This might be easily done if the Zemindar had established a fixed remission on the Shist teerwah, but instead of doing this he has been in the habit of making large annual remissions under the heads of damaged and withered crops and of Palla Nushtee by which term is meant the difference between the actual outturn of a crop and the estimate on which the Shist teerwah was fixed. The remissions made under the several heads of Vittoopaul, Arrapaul, Shavee and Pullanushtee have annually varied and are liable annually to vary with the state of the season and extent of cultivation.

If the Villages are to be put in possession of the Mortgagee the question arises whether the Government demand upon him shall be fixed or whether it shall be determined annually with reference to the extent of cultivation and the state of the crops. In the former case if such a demand is made on the Mortgagee as will in the opinion of the Collector amount on an average to the whole revenue of the Village it would not be the interest

interest of the Mortgagee to consent to give it. But if the Collector's demand varies annually with the season and the extent of cultivation he can only regulate it by keeping a close account of the cultivation carried on in the Villages, in which case they would only nominally be in the possession and under the Management of the Mortgagee & the Mortgagee would enjoy no profit.

Another question also arises in the event of the Villages being ordered to be placed in possession of the Mortgagee. Viz.t in case he cannot agree with the revenue authorities as to the amount to be paid by him by whom is the point of difference to be decided.

When an Estate is under the Management of the Court of Wards and not in arrears there is no difficulty in making over Villages to Creditors, because the demand of Government is limited to the Peishcush but when the demand of Government extends to the whole produce, the Kadeerawarum excepted, it is not apparent to the Acting Collector what advantage can accrue to a Creditor from holding possession of Villages.

Versus

Defendants-

1 G. M. Ogilvie Esqr. the Successor of Charles Roberts Esqr. the late Principal Collector in the Northern Division of Arcot.-

2 Moddooraja pah of the Linga balajah Sect residing either at Palmanair or at Colar in the Mysore Country-

3 Goodunnah of the Same Sect residing at Palmanair

4 Seenjie Calastry a priest of the same Caste and place

5 Yedavulla Chinglarayadoo residing at Vencatagherry in the Palook of Bungarapolium in the Zillah of Northern Arcot.-

The first Defendant by the Government Vakeel D. Seeneevasacharry.-

The other Defendants ex parte

Decree of the Provincial Court.-

This is an Original Suit instituted in forma pauperis for the recovery of Rupees 6915. 8. 10 being

being the ready money, Jewels, and other property irregularly attached in the houses of the Plaintiff and of the 3d and 4th Defendants, and also including 1,000 Rupees for the personal Expenses of the Plaintiff, while attending at the Collector's Cutcherry, Chittoor, and Palmanair, and at the Board of Revenue at Madras.-

The Plaint bearing date the 5th January 1838 set forth that the Pauper Plaintiff rented from Mr. C. Roberts, the late Principal Collector in the Northern Division of Arcot, the Frontier Sayer duties for Fusly $\frac{1243}{1833/34}$ for 23,000 Rupees, and he received a Puttah whereby he was permitted to pay that Amount in 12 Kists or instalments, and having deposited in the Treasury the Sum of 4,12 Rupees he took Charge of the Sayer Chowkies. He paid the Kists for Six Months according to the terms of the Izarah or rent, to the Tahsildar of Cuddapanattum by order of Mr. Roberts, but a delay having then occurred in paying the remaining Kists within the Stipulated time, owing to the falling off in the Sayer occasioned by the famine which prevailed in that year Mr. Roberts caused the Sum of Rupees 4120 which had been placed in deposit to be carried

towards

twards the liquidation of the said balance and also ordered that the Plaintiff should produce competent Security in consequence of the doubt he entertained as to the Plaintiff's punctuality in paying the Rists, and in the event of his failing to produce the Security the Izarah was to be Sequestered. He the Plaintiff then prevailed upon the 2d Defendant to execute a regular Security Bond to the Cirkar, by which the 2d Defendant made himself responsible for the due liquidation of the balance which should appear against the Plaintiff at the close of the Fusly - Mr Roberts admitted the validity of the Security Bond after having ascertained from the Commissioners of Bangalore, that the Security was good and sufficient. Although the Plaintiff tried his utmost to discharge all the Rists there remained against him at the end of the Fusly a balance of Rupees 3,552. He requested Mr Roberts to allow him to pay the balance, which was considerable in four instalments; but that Gentleman was pleased to intimate that he (the Renter) was not answerable for the arrears which should be collected from the 2d

2d Defendant who had become his Security and a letter was addressed to the Commissioner at Bangalore, requesting him to collect the Amount from the 2d Defendant, afterwards however the Plaintiff's property was sequestered and he immediately went to Mr Roberts, and represented to him, that this was contrary to his former orders and that property was then released from attachment and restored to him (Plaintiff.) Nevertheless, in order to relieve the 2d Defendant from the trouble he was undergoing regarding the arrears he paid the Amount to him, while this was the State of the case, the Commissioner wrote to Mr Roberts, that he would collect the Amount from the 2d Defendant, and he forwarded the Moochilka taken from the 2d Defendant, and afterwards Sent 800 Rupees Collected from the latter, besides 200 Rupees, being the value of Stamps. As the Plaintiff was obliged to proceed to any Country on his private affairs, he entrusted, Some ready money, gold and Silver ornaments, and various other articles to the charge of the 3d and 4th Defendants, and he also left the females of his family in his house with Some property of trifling value. In the

mean

mean time, Mr. Roberts, caused that pro-
-perty, in his and the 3d & 4th Defendants
houses, to be attached, and the 3d & 4th De-
-fendants combined together, broke open the
locks of the boxes, carried off the Money, &
jewells &c. which were deposited therein, and
prevailed upon the 5th Defendant to enter
the remaining articles in the list of property
Sequestered by him.—

As the Plaintiff was at
Bangalore when he received this intelligence,
he addressed a letter to Mr. Roberts under date
the 12th December 1834, requesting him to release
his property from attachment, but Mr. Roberts
instead of employing with his request caused
his property to be sold at very low prices whereby
he sustained a great loss. He then presented
two Petitions to Mr. Roberts who sent for
and questioned the 2d Defendant, and the
latter admitted in an Arzee that the
Plaintiff had paid him the Amount of
the Arrears, and he alone was responsible
and he would pay the Amount to the Com-
-missioner at Bangalore and for this purpose
Mr. Roberts sent the 2d Defendant
in charge of two Peons to the Commissioner's

not

not only was the Plaintiff put to great
expense and compelled to neglect all his
other business by waiting for a long time
at the Cutcherry, but he proceeded to Madras
and presented 3 Petitions to the Board of
Revenue, who directed Mr. Roberts to enquire
into the matter, and afford them the requi-
-site information, but Mr. Roberts went away
to the Neilgherry Hills without doing so.
The Plaintiff then presented Petitions to the
Board of Revenue, and the Government, without
being able to obtain any redress, and he sus-
-tained great loss by the irregular sale of
his property, and as there is an order of this
Court that any loss which may be occasioned
by the Sale of Ornaments in Public auction
by the Sale of Ornaments in Public auction
Should be recoverable, he has instituted this
Suit in forma pauperis to recover from
the Defendants the Sum of Rupees 6915-8-10
the particulars of which, without entering
into too minute details, may be thus described
Property said to have been left in the
Plaintiff's house valued at Rupees 416-4-0
Property said to have been deposited in the
house of the 3d Defendant including 2300 Rupees

an

in ready money Rupees 2626-12-- Property Secured in the house of the 4th Defendant, also Rupees 2,872-8-- including Rupees 217-6-- in ready Money.-

Amount of expenses incurred by the Plaintiff in attending 20 Months from March 1835 to October 1836 with his Servants, horse, bullocks &c. at the Collector's Cutcherry at Chittoor and at Palmanair and at the Board of Revenue to present Petitions - - - - - Rupees 1000--

Rupees 6915-8-10-

In his answer, dated the 12th June 1839, the first Defendant stated that the Pauper Plaintiff Hyvaveeum Goondapah rented the Frontier Sayer of North Arcot in Fusly 1243 for 23,000 Rupees, but as at the close of the Fusly there was a balance against him, he produced one Mootoo Rajapah, the 2d Defendant as Security towards the due liquidation of the same, Mootoo Rajapah being reported by the Commissioner in Mysore to be largely indebted to the Mysore Government and his property in that Country being confiscated, there

there was no possibility of recover-ing from him any part of the balance due by the Renter.- In-dependently of this, every Renter's responsibility for a balance due, must be jointly with his Security. His Security as has been stated, was a Pauper, he was re-ported to be so, by the Mysore Government, and the Renter has no right whatever to sup-pose that his Surety is alone answerable for the balance, Government and the Board of Revenue have both decided that a Renter is unquestionably liable for the debt in the first instance, and that the joint liability of his

his Surety does not free him, if he fails in proving his property to meet the demand. In this instance the Renter Goordapah has decidedly failed. His Security was a Pauper, when he produced him, therefore, he himself is liable for the whole, and every part, of the balance due to Government. The Sequestration and Sale of the Plaintiffs' property was the only alternative and perfectly legal. It is false, as Set forth by the Plaintiffs, that any irregularity took place in the Sequestration or Sale of the attached property. a balance of Rupees 2851-4-1- Still remains due by the Plaintiffs to

to Government. none of the other Defendants filed any answer.-

The Reply and the Rejoinder of the 1st Defendant reciprocally support the Plaint and the answer. They do not require any particular notice.-

The Plaintiff filed the following nine Documents

A. A Copy of an Urzee bearing date

date Colar the 6th April 1834 addressed by the 2d Defendant to C. Roberts Esqre the Principal Collector of Northern Circt, representing that the 2d Defendant would pay any balance due by his nephew the Plaintiff, on account of the Frontier Sayer at the end of the Fusly-

B. A copy of a deposition in the Canaree language, purporting to have been delivered by the 2d Defendant before the Tahsildar of Colar on the 31st May 1834.-

C. A copy of the order dated the 21st August 1834, issued to the Tahsildar of the Cuddapanuttum Talook in the Northern Circt District directing him to release from attachment the Plaintiffs property, valued at Rupees 234, as the 2d Defendant had agreed to pay the Arrears due by the Plaintiff.-

D. A deed of sale of two houses situated at Palmanair, dated 1st Poosha Bahoola of the year Vejaya or 28th January 1834 by which one Cuppenapah sold to the Plaintiff the said two houses for 156 Rupees-

E. A receipt dated 7th Jeyeshta Bahoola of the year Vic Reetyor 13th June 1830 for 50 Rupees

on

on account of a bullock hackery and its furniture (without bullocks) sold by Lecka Shetty Munyappah to the Plaintiff's elder brother.- The 1st Defendant filed the following seven Documents.-

A. Copy of a letter from the officiating Secretary to the Mysore Commissioner, in which it is stated that the 2d Defendant was a defaulter to the Mysore Government to the amount of nearly 3,000 Rupees and that he does not possess sufficient property landed or personal to liquidate that amount.

B C & D Copies of the lists of the Plaintiffs property attached on account of arrears of rent. E and F. Copies of the lists of the Plaintiffs property sold on account of arrears of rent.-

G. Extract from the proceedings of the Board of Revenue, under date the 12th October 1837. The Plaintiff named 20 Witnesses of whom 18 were examined and the remaining Witnesses were dispensed with by the Plaintiffs Vakeel.- (Here enter Nos and names of Witnesses)

On a due consideration of

of the foregoing pro-ceedings I am decided of opinion that the Plaintiff has entirely fail to prove any part of his claim against the De-fendants. He himself admits that there was a balance of 3,552 Rupees due by him at the end of the Fusly but he alleges that the 2d Defendant became his surety for the payment of that amount. The Plaintiff Vakeel was twice ordered to produce the deed of Security or Moochilka mention in the Plaint, 1st on the 25th March 1842 and the 2nd on the 7th February 1842 - after the first order had been given the Plain presented a Petition No. 206 of 1840 to the Court on the 30th June 1840, alleging that Principal Collector the 1st Defendant had refused to give him copies of the Security Bo and other Documents. In his return, under date the 7th July 1840 to this Courts precept forwarding a Copy of the said petition and requiring that the Documents should furnished to the Plaintiff, the Principal Collector the 1st Defendant represented as follows. "The Petitioner asks for several copies

"Copies of papers, the originals of which the "Principal Collector has not got. Those "the Principal Collector has, and which "are referred to in the Petition of the "Plaintiff, he (the Plaintiff) can have by "applying for them." This answer was clear and explicit and left no excuse for the Plaintiffs not producing the Security Bond, if it was really in existence. Nevertheless, the Plaintiffs Vakeel made a similar application on the 12th March 1842, and received the following order. "The Court will not write "to the Collector to furnish Copies of "Documents to the Plaintiff. The Plaintiffs "Vakeel must be perfectly well aware that "it is not the practice of the Court ever to "do so. The request is merely made for "the purpose of obtaining time" when this order could leave no doubt as to the course necessary to be pursued, had the Plaintiff been able or willing to produce the Security Bond, the Plaintiffs Vakeel when examined on the 31st October 1842, stated that the Plaintiff had written to him to say that the Security Bond was in

in the Collector's Cutcherry and that authority had refused to grant him Co-pies of this and other documents and on a Petition being presented to the Court it was stated that the subject would be taken into consideration when the suit was about to pass into decision - This seems to allude to the order of the 21st September 1840 which was however of no importance in itself merely mentioning that the Plaintiff (or his Vakeel) might again bring it forward when the pleadings come under consideration, and it was effectually obviated by the subsequent order of the 12th March 1842 abovementioned - There being no expense incurred in presenting Petitions several representations were made to the Court on this point, but it was one which never admitted of any doubt, and the Vakeel was very properly reprimanded for bringing it irregularly and improperly before the Court - The Plaintiff having now allowed more than two years to enquire without producing a Copy of the Security Bond - I declare my full

full and firm conviction that such a document was never executed and that the Plaintiff in the first instance having deposited more than 4,000 Rupees no Se-curity was ever required or regularly taken from him - The Document A is clearly nothing more than a letter from the 2d Defendant requesting time for the payment of the balances and offering to pay them in the event of the Plaintiff failing to do so, and under the trying circumstances of a bad season and the famine pre-vailing that year, the Collector seems to have been inclined as far as he pos-sibly could to be indulgent towards the Plaintiff - however when the subject comes to be legally investigated we can take nothing for granted, which does not ap-pear in evidence, and this Document A and the evidence of the Plaintiff's witnesses which although, vague and unsatisfactory seems to allude to it, can in no sense or way be made to represent a Deed of Security devolving all the liability upon the 2d Defendant and altogether freeing the

the Plaintiff from any further demand for the arrears. As far therefore as regards the grounds of the attachment they were quite sufficient to justify it, and the Plaintiff's witnesses do not prove that it was conducted in an irregular and improper manner. As for the value of the property sold, the Plaintiff cannot justly claim any loss which may have been occasioned by his wilfully and perversely refusing to pay the arrears due by him, and his continually troubling and annoying the Collector, and the Board of Revenue, after he had received a decisive answer to one Petition formed a serious cause of serious grievance to those authorities, but could not entitle the Plaintiff to recover his personal expenses at the rate of 50 Rupees per Mensem, as the Plaintiff might have addressed his letters by the Post or have employed a Vakeel to present them instead of attending with a considerable retinue and state as his demand would imply his claim on this head seems most preposterous and absurd.

I

I therefore consider that as far as the 1st Defendant is concerned, there never was any fixed and legal obligation on the part of the Collector to release the Plaintiff from the arrears due by him and make the 2d Defendant alone responsible for them, and even had a regular Security Bond been executed the Extract from the Proceedings of the Board of Revenue Exhibit C and the provisions of the Regulations pointed out by the 1st Defendant in an English Memorandum attached to his list of Witnesses, satisfactorily show that he would still be bound to make good any deficiency arising from his Surety's want of property to satisfy the whole demand. As to the allegation that the Plaintiff deposited more than 2000 Rs in ready Money and some valuable Jewels in the houses of the 3d and 4th Defendants I think the evidence of the Plaintiff's witnesses in support of this Statement to be altogether unworthy of belief. The witnesses are only servants and they deposed that this

property

property of which they do not in general give any details, but speak distinctly of 2300 Rupees being kept in 3 bags, was deposited in the houses of the 3d and 4th Defendants from whom no written receipt or acknowledgement was taken nor were the list, which the Plaintiff is said to have taken with him, duly signed and attested as they ought to have been. That a man who could not pay the Lists of the Sayer Rent, and who has now come before this Court as a Pauper should leave this large sum with the 3d and 4th Defendants without any receipt or acknowledgement is altogether incredible - and the attempt to prove it, has in my opinion entirely failed - His Documents are of no use or advantage to him, for if the houses and hackery had been sold to him for much a larger sum and were afterwards lawfully sequestered and sold by Public Auction for a tenth part of that amount, he could not recover a fraction - There is no proof that he paid to the

the 2d Defendant the amount of the arrears and such a Statement can in no way be credited for, if he really designed to pay the Money on account of the Sayer Rent, why did he not at once pay it into the Collector's Treasury - under this consideration, I do not doubt, that the Plaintiff's Claim is most false, vexatious and groundless, that having sought redress, if he had any real grievance to complain of against the 1st Defendant through the proper Channels and received his answer, he had no ground or reason for preferring this litigious suit and therefore I not only dismiss his claim with costs but under the Provisions of Section XVIII Regulation VII of 1818 I fine him two hundred Rupees, to be commuted in failure of payment to six Months imprisonment -

Sir

Para 1. I have the honor to acknowledge receipt of your letter of the 15th Instant, transmitting copy of one from the Acting Secretary to the Board of Revenue to your address under date the 14th Instant calling for a report upon the Petition presented by Venkata Row the brother of the Arnee Jaghiredar as required in the Board's letter of the 6th ultimo. In reply I have the honor to inform you that I cannot at present furnish you with a full report, but am only able to acquaint you with what I have as yet done

in

Fort St. George 31st August 1843.

in the matter of the petition, and to express a hope that some further time will be allowed me to sift it thoroughly and ascertain its real merits.

2. On receipt of your letter of the 11th July forwarding the Boards orders of the 6th idem (above alluded to) I addressed the Jaghiredar under date the 17th and 20th of the same month, and called on him to inform me in the former communication what his brothers' receipts from the Jaghire both in ready money, grants of Villages &c had been since the time he the Jaghiredar had held it under sunnud, and in the latter to give me similar information regarding his mother and sisters, and to furnish me, in elucidation, with any documents or accounts he might be possessed of.

3. I received a reply dated the 27th Ultimo to my first communication, from the Jaghiredar on the 2d Instant, stating that his brother had lived with him as one of his own family from July 1235 to July 1246 in which latter year he had behaved improperly

as

as the Magisterial Records would show, and that as it would then have been disagreeable for them to have continued any longer together, he had allotted him a separate house, and supplied him with furniture, provisions, and ready money- and that things had gone on in this state till October 1251 when he suspended his money payments, in consequence of his Brother breaking open and robbing his Treasury in the night time, during his absence at Denakapooram.

4- The accounts received with the above letter shew the Petitioner Venkatarow to have received the following sums-

		Rs	Fs	C.
In Fusly	1247	136	23	—
"	1248	184	25	72
"	1249 fs to December	232	2	78
"	1250	271	12	79
"	1251 fs to October	217	41	75

also different kinds of provisions, amounting in value perhaps to something less than Rupees 200. As they however are mere Copies I directed the Jaghiredar on the 5th Instant to furnish me with

with their originals for Fuslies 1250, and 1251, and he sent them to me on the 11th Instant.

5- In reply to my second communication dated the 20th Ultimo, the Jaghiredar wrote to me on the 15th Instant, that the Village of Nemiamungalum having a Beriz of Rupees 2500 had, during the Lifetime of His Father, been granted to his Mother on account of pin money, that she had hitherto enjoyed it, and that up to the present time she had lived with him as one of His own family- That he had ordered his Sahsildar to pay his sisters on the same account, through the agency of his Mother, the rents of the Villages of Muttalory and Vanapoorum assessed respectively at Rupees 600 and 1100, and that though he had heard his brother had induced them to side with him in complaining, he had neither done or intended them any wrong whatever.

6- The Board having called for information regarding the Provision made by the Jaghiredar for the Petitioner, and the different Members of the Family and for an opinion as to whether it was sufficient to meet their respective wants, I

me

Fort St. George 31st August 1843.

me to direct him on the 11th Instant to forward me the accounts of His Jaghire from Fusly 1242 to Fusly 1252, shewing his collections, expenditure, and Balance remaining, as it is evident the rights of his Brother, Mother and sisters, unless separately endowed by sunnud or Gift with portions of the Jaghire, must depend entirely on the means which He has of supporting them. If his profits are large they are probably entitled to more, and if little, perhaps to less than they are now said to receive, and their claims can only be considered in a relative proportion. I have not yet received these accounts, but on their reaching me I hope to have the the honor of addressing you more fully.

Sir,

I am directed by the Board of Revenue to acknowledge the receipt of your letter dated 23d Instant submitting a report of your Acting Sub Collector Mr Shubrick, on the Petition of Venkoo Row, the brother of the Jaghiredar of Arnee.

2. In my letter of the 6th of July last you were merly requested to state what provision had been made by the Jaghiredar for the Petitioner and the other Members of the family, and whether you considered it sufficient to meet their wants. The Jaghiredar immediately supplied this information and it appears to the Board that with this before you, and the known value of the Jaghire, you had sufficient data to enable you to form a Judgment of the adequacy of the allowance and they request that you will be good enough now to submit your opinion upon this point.

3. The Board had no intention

intention whatever by their letter of the 6th. July last, to authorize any sending of the nature instituted by Mr. Shubrick into the affairs of the Jaghire, such was wholly unnecessary for the object in view, and cannot fail to be distasteful to the Jaghirdar, and should be at once discontinued.

Sir,

Requesting further instructions regarding the rents of Amany Villages for one year.

In the 15th para of the Board's Proceedings on the Summahbundy Report of Fasly 1251 regarding the rents of Amanny Villages for one year" the Board are of opinion "that all (Amanny Villages) might be "absorbed, if in cases of pertinacious refusal "to accede to fair terms on the part of the "Meerasdars themselves, the rents were given

"to others. They would not wish such a "measure to obtain generally, but they would "sanction it as an exception to the rule."

2. Should recourse be had to this system, the party proposing to take the rent would as a matter of course, stipulate that the Swamy bhogum or land lordsshare should be made over to him, but I am not clear whether the Board contemplate the assumption of the landlords' share on such lands as the owners refuses to rent, in the same way as would be done where a Meerasdar refuses to cultivate his land or find other tenants for it, in which case Government would find a tenant, and the Meerasdar deprived of his Warum.

3. I doubt, if many persons would come forward to rent lands for a single year in direct opposition to the owners of them, who would together with their Paracoodees resort to all kinds of annoyance

annoyance, and endeavour to cause
loss to the interloper, but in case
resort should be had to the plan
suggested by the Board, I would
beg previously to be favoured with
their instructions relative to the
disposal of the Swamy bhogum, re-
spectfully expressing my doubts
whether its assumption would be
justifiable and at the same
time remarking that without its
being given to the renter, it will
not be worth his while taking
the rent.

Sir,

I have the honor to submit
for the information of the Board the result
of my endeavours to obtain a bidder for the
Chank rent for Fusly 1253.

63 At the time of selling the
rents, no offer was made worth of any attention,
in consequence of the great loss experienced
by the renter of Fusly 1252. The greater part of
the Chank fished by him being still on hand.
It appears that the demand for our Chank
in Calcutta has fallen to a great extent,
in consequence it is said of Chank being
taken from other fisheries, and sold at a
Cheaper rate than the renter here can
afford to let them go at. I have ascertained
that the renter has a large quantity undis-
posed of, and no one will come forward
with an offer of more than 570 Rupees
and this at first for 3 Years, which was refused,
the Nephew of the late renter now offers
to

to take the rent for one year at that amount. The decrease in Comparison with former Years is very large, but as I cannot get a higher bid, I have thought it proper to inform the Board, for whose instructions whether to accept the offer or leave the bankshead unfinished I request you will be good enough to obtain for my guidance.

From the Coll.r of Trichinopoly. Sir, Para.

Reporting on the Houses of the Military Cantonment of Trichinopoly.

With reference to the Extract from the Minutes of Consultation under date the 23d March and the Board's orders thereon of the 3d April last in which I am directed to furnish a Statement shewing in detail the terms of all the Grants issued for building in the Military Contonment of Trichinopoly and the different parcels of lands appropriated to dwelling houses, and otherwise held within the said limits. I have the honor to transmit the accompanying documents Viz.t No.1 a copy of the Register of Grants in the Trichinopoly District No.2 a copy of the form of Grant No.3 a Statement exhibiting the extent and amount of Quit rent and assessment on each parcel of land attached to dwelling houses at Trichinopoly some portion of each of which is held under a Grant. No.4 a detailed Statement of lands attached to dwelling

houses

houses of which no portion is held under a deed of Grant.-

2. It will be perceived that the total extent of land for which Grants have been taken out is Cawnies 180-67-5¼ (Col 2) and that it is appropriated to 35 houses of which however the sites of 10 are not to be discovered. 2 belong to Government, 2 have been exempted from Quit rent, under the orders of Government dated 2nd January 1843 and 2 fall within the scope of the orders of Government dated the 29th August 1832 which direct that lands held for agricultural purposes should be liable to assessment, not Quit rent. The 2 latter Grants are situated at a distance from the Cantonment, but it has been thought as well to give them a place in the Statement.-

3. The rate of Quit rent is the same on all the lands Viz.t Rupees 5-4-- per Cawney with the exception of two Viz.t No. 1336 consisting of Cawnies 4-11-- rated at Rupees 2-8-- per Cawney, and No. 1342 of Cawnies 9-4-- rated at 9 Annas per Cawney. The terms of all the Grants seen for 99 years with a remission of Quit rent (since remitted under the orders of Government dated 3d September 1834) with the exception of one which is only for 30 years. No reason for this exception is to be assigned. The form is the same for every Grant, and a copy is herewith forwarded. One of these houses is situated a few yards beyond the boundary of the

Stat.t No. 3.

Enclosure No. 2.

cantonment which comprises, under the orders of Government dated 14th June 1822, a circumference of 4 miles. It is believed that no other Cantonment is extended to so great a space, and it is probably owing to some misunderstanding that the Military Akkarry limits and those of the Cantonment, have been ordered to be the same; for Military regulations can of course be applied only to a very small portion of this extent. but the house in question is in the immediate vicinity of the Artillery and European Barracks. it is at present occupied by Mr. Hooper of the Civil service who is the proprietor of it.

4. One of the houses included in the Statement of lands not held under Government Grants is similarly situated it belongs to an Officer of the Native Infantry.-

5. Of the lands not held under Grants Cawnies 134-20-12¾ assessed at Rs. 283-3-10½ are attached to 18 houses which are built on Government Grants, and are over and above the extent entered in the deeds of Grants held by the proprietors of these houses.-

6. The houses built on lands for which no Grants have been taken out are 95. the extent of land attached to them is Cawnies 316-97-13. assessed at Rs. 358-5-5 giving an average of Rupees 1-2-1 per Cawney.

7. A comparison of Columns 3 & 9 Statement No. 3 will shew the difference between the assessment and the Quit rent of the lands held under Grants. It will be perceived that the assessment exceeds the Amount of Quit rent in only one instance (No. 1045) and that in one (No. 915) the Quit rent exceeds the assessment Rupees 94-14-4 per Cawney. The value of the land does not however, of course, depend on its productive qualities.-

Recd ----------

The Complaint is made for the Recovery of Rupees 15-5-0 being the value, me-dang the interest of Certain Cows which has been irregularly sold- There was a Cuear balance of Revenue of Rupees 23-5-8 in the name of Lutchmanien of the Village of Soreiere in the Laulgoody Talook for [illegible]

Seerwah of Certain Runjah Land- For the recovery of which the 1st Defendant issued a notice and sent it to the 2d Defendant, which was sent to the 3d Defendant, who desired Lutchmien, as per order of the 2d Defendant, to accept and give him a receipt, which he refused accepting, whereupon the notice was brought to be stuck in my house, who am not responsible for the said balance accompanied by the 4th and 5th Defendants on the 21st November 1841- My man Ramien and I allege-ed that it could not be stuck in my House, on which they threw the notice in the street, and falsely reported to the 2d Defendant by an Aley that I and Ramien tore the notice- I petitioned the 1st Defendant through the Post on the injustice of Coming to stick a notice in my House, which actually was issued in the name of another individual- while I received no answer- The 2d Defendant sent for me and Ramien to the Talook, took depositions from us, and falsely reported to the 1st Defendant on the subject against us- Consequently the 2d Defendant received

received an order by which I and Ramien were fined to the amount of 20 Rupees- Besides the 3d- 4th- and 5th Defendants on the 8th of December 1811 restrained three of my Cows and its three Calves, together with a Buffaloe and its colt valued in all at Rupees ba--- for Rupees 21---

2d- The 2d Defendant demanded the amount of fine from us, we alleged that the fine was not a just one, that we should not pay, whereupon the 2d Defendant on the 3th January 1813 forwarded me and Ramien with an Arzee to the 1st Defendant- We then presented a Petition to the 1st Defendant who declined accepting it, but ordered us, that he will accept it provided we remit our fines accordingly we remitted Rupees 20 the amount of fine imposed on us, and then gave our Petitions, as we have not received any answer we again on the 7th Instant of the above said Month presented a 3d Petition which the 1st Defendant received and himself tore it to pieces-

3d- The above said restrained property were sent by the 2d Defendant to the Sabook on the 17th of February of the

the above said year and exposed for sale: while under sale, though one Cow and its calf was bid by a person called Mootien for Rupees 25- Yet Rupees 10 were reduced from the above bidden amount, and let for 15 Rupees- together with another Cow and its calf for --- Rupees 14- to a certain Bramin at Manarkul, and the total amount, being --- Rupees 29, were appropriated for the liquidation of balance of Revenue due by Lutchmien- the remaining 2 Cows and 2 Calves were put in my possession by the 2d and 3d Defendants--

4th Thus the balance of Revenue not having been regularly collected from the person in whose name the Original notice was issued by the 1st Defendant- The 2d and other Defendants having irregularly distrained and sold my Cows &c on whom there is no demand of Rist- I have therefore made my Complaint against these persons, as well as against the 1st Defendant who has not enquired my three Petitions, nor passed any orders either in my favor or against me, and also for having in my own presence torn my third Petition

12393 Fort St. George 31st August 1843.

Petition and further for not having made any enquiry on the arzee of the 2d Defendant, but merely believed his report and fined me and my man, and Collected the amount of fine. I have therefore included the 1st Defendant being the Collector of the District as my 1st Defendant, and made this Complaint--

I beg therefore that the amount I have specified above, Viz.t the value of my 2 Cows and 2 Calves being unjustly sold for Rupees 39, and which having been sold on the 17th February 1842 the interest due on the amount up to 25th June 1843 being Rupees 6-5-5- making a total of Rupees 45-5-5- This amount as well as the amount of interest that may accrue up to the date of the decree may be collected from the Defendants. I beg that the Court may decree in my favor. With my salams.

29th June 1843-

No. 3. Plaintiff.

Copy of the Proposed answer-

The Plaintiff sues for the recovery

12394 Fort St. George 31st August 1843.

recovery for the sum of Rupees 45-5-5 the alleged value including interest, of Certain cattle which he alleges being his Plaintiff's property were distrained and sold under the orders of the 1st Defendant, upon the representation of the second Defendant, to satisfy a demand of revenue due by another person - one Lutchmanien. The 3d, 4th, and 5th Defendants seem to be included in the plaint as having been employed to execute the above said orders, the 1st in having attached a written notice to the house of plaintiff and the others as having assisted in the distraint--

The facts of the case are as follows--

There was an arrear of revenue on account of fusly 1250 outstanding in the name of Lutchmanien, a relation of the Plaintiff, for the payment of which a notice was prepared by the 2d Defendant, the Tahsildar of the Talook of Saulgoody, setting forth that if the money was not paid in due time the property of the defaulters would be distrained and sold. this notice

notice was forwarded as usual for the signature of the 1st Defendant the Collector of the District, who returned it to the 2d defendant. the latter delivered it to the 3d Defendant, for the purpose of it being served upon Lutchmien. but he, Lutchmien having absconded it was affixed to the outer door of the house in which he, Lutchmien, usually resided. and which is common to him and the Plaintiff.

The Plaintiff caused his servant Ramien to take down the notice and throw it away for which he was fined by the 1st Defendant, and he admitted before the Head of Police, during an examination, instituted by the 1st Defendant in his capacity as Magistrate, that he and the above said Lutchmien were living together as an undivided family.

Under these circumstances the property stated in the Complaint to have been unjustly

seized from the Plaintiff in satisfaction of another man's debts was exposed to sale at public auction and sold to the highest bidders.

The 1st Defendant is prepared to prove. that the Plaintiff and the above said Lutchmaneen in whose name the notice in question was issued. are an undivided family. that they hold their Lands and enjoy the produce of the same in Common. that their ploughing cattle &c. are Kept in a shed common to both, and that therefore the property sold was liable to attachment in satisfaction of the balance standing in the name of Lutchmanien.

The 1st Defendant is moreover prepared to prove that the cattle in question were fairly sold to the highest bidders.

The 1st Defendant Prays that the Court will take into their consideration the reasons which could have induced the Plaintiff to defer instituting a suit from the 17th of February 1842 to-

12397 Fort St. George 31st. August 1843.

to the 27th of June 1843 a period of 16 months and 11 days, when it is clear that if the injustice he complains of had been perpetrated it would have been his interest to have instituted one immediately. He further prays that the Court will also observe the omission in the Plaint of the important fact that the Plaintiff is and the above stated Sattanaien enjoy their property in Common and as it is clear that the action has been brought for the purpose of evading a just liability, and to create embarrassment in the revenue management of the district, and that the allegations of injustice contained in it are false, the 1st Defendant pray that the Plaintiff may be non-suited.

The 1st Defendant also prays that as he being the Collector of the District is solely responsible for acts done under and according to his orders, the names of the 2d 3d 4th and 5th Defendants who acted accordingly may be excluded from this suit, and held harmless from its effects.

I am directed by the Court of Wards to acknowledge the receipt of your letter of the 11th Instant and in reply to inform you that they are unwilling to disallow the celebration of the Navarathry festival at Ramnad, if the performance of the usual ceremonies be in accordance with the wishes of the Minor Zemindar and her family.

They therefore authorize you to disburse for the purpose a sum not exceeding the amount (Rupees 12) to which you have recently reduced the former charge, and direct that the expenditure on the occasion be under the general control of the Manager of the Ramnad estate.

2 The Court of Wards beg to call your attention to Para 3. of their order No 418. of 13th February 1843 respecting the nomination of a guardian to the minor Zemindar, as required by Regulation V of 1804. They trust shortly to learn that you have succeeded in selecting a suitable person for that Office.

From W. J. Blackburne
Principal Collector of
Madura

Sir,

Submitting further report and explanation regarding the claim of the Estates of Vadakurrai and Oodapanaikkoor in reference to previous letter of the 14th June with statement shewing how the Sibbendy has been charged to them.

In reply to your letter of the 6th ultimo respecting claims against the Estates of Vadakurrai and Oodapa Naikkoor, and in answer to its 3d para I have the honor to forward Statement No 1 shewing the average adopted for Sibbundy Charges in centage of the Talook Charges on gross Revenue of the Talooks for each fasly. No Commission to the Collector is included in the Statement, because it was not charged on occasion of restoring other Estates to proprietors heretofore. I beg your instructions on this point for my future guidance.

2. In answer to para 4 I beg to state the sum of Rupees 498 - 5 - 10 claimed by the Zemindar of Vadakurrai is a portion of Muramut charges for watering Dowraistanum Lands out of Rupees 1744 - 4 - ", it is also included in the sum of Rupees 6490, entered in Column 7. of the Statement submitted by Mr. Morehead and is not a separate charge.

3. With respect to para 6 I have the honor to forward Statement No 2. giving similar information for Oodapanaikkoor as furnished for Vadakurrai in para 2 of this letter.

4. With respect to para 7. of your letter, I beg to say that the amount Revenue or Settlement entered in Column 2 of the two Statements submitted under date the 14 June of both Estates was realized ultimately, and there is no balance outstanding against either.

5. Of the balance of Rupees 2474 - 9 - 1. against the Oodapa Naikkoor Zemindar as exhibited below Column 11 of the Statement submitted with Mr. Moreheads letter of the 14th June Rupees 862. 13 - 3. have been realized since January, thus leaving

Fort St. George 31st August 1843.-

leaving the balance against the Estate after recovering all charges to the end of fusly 1252 Rupees 1,611-11-10, the Zemindar objects to pay it on plea of his Estates, which consists of 3. Villages paying an annual peshcush to Government of Rupees 2,583-15-4 only, being too poor to be saddled with Sibbendy charges Viz^t Rupees 2,205-8-10, in proportion to the high Revenues of Rupees 2,68,044-5-3. of the Taluk of Thiruvannamalum to which the Estate appertains, and because of there having been no Sibbendy actually entertained for its management.- If his claim should receive the approbation of the Board, it will not only relieve the Zemindar from all demand, but entitle him to a refund from Government of Rupees 590-9-.- out of what has been already recovered for that item of the charges.-

(80) In reply to your letter of the 17th Instant / received last night / calling for a brief

12410 — Fort St. George 31st August 1843

+ herewith returned —

Brief notice of the circumstances to which the + Petition № 1731 of 1842 was understood to refer, I have the honor to inform the Board I sent the Petitioner about the middle of — November on a charge of Forgery and — Falsification of accounts to the Criminal Court. I understand the Criminal Judge made many references to the Superior Courts and on a final instruction that "if he was not guilty of forgery it was a matter only for a Civil action" he released them without fully trying the case on the 3d March. —

From Fouzdary Adalut 22d February 1843. —

2 —

Mr Fischer accompanied the Principal Collector to Ramnad in October, the Principal Collector did sequester the Zemindary, Petitioner was not called upon to deliver his accounts to Mr Fischer and his man, and never did so deliver them — but he did deliver them to the servants of the Principal Collector. Petitioner suffered no ill treatment that could possibly be avoided in enforcing the Law against him, neither Mr Fischer nor his man had opportunity inclination or necessity to make false entries in Petitioners' accounts,

12411 — Fort St. George 31st August 1843 —

accounts, nor does Petitioner accuse them of more than anticipation that they would do so. —

Principal Collector —

Madura —
23d August 1843.

Order thereon —

Ordered that the following Endorsement be passed on Petition № 1731 of 1842. —

(80-81)

It appears from the Collector's Report on this petition that the petitioner was committed for trial upon a charge of Forgery and has since been released by order of the Criminal Court, but that he was never called on to deliver his accounts to Mr Fischer and the interference of the Board does not therefore appear to be required. —

Read again letter from the Principal Collector of Canara dated 10th and entered in Consultation 24th Instant. —

Ordered that the following address be submitted with the above-mentioned letter. —

To The Chief Secretary to Government. —

Sir

Minutes of Cons.t 10 and Cons.t 27 April 1843. —

12612. Fort St. George 31st August 1843.

for the orders of the Most Noble the Governor in Council the accompanying letter with its enclosure from the Principal Collector of Canara under date the 10th Instant reporting that he has been unable to obtain favorable tenders for the conveyance from the forests to the Coast of the timber felled for the use of the Bombay Government, and suggesting that this service for the present year may be performed thro' the Sub Conservators department at an expenditure amounting as per enclosed Estimate No 1 to Rupees 919-3-3. Mr Blair adds that the season being far advanced and the timber being urgently required at Bombay for the public service, he has in anticipation of the Board's approval issued the necessary instructions for commencing operations without delay.

In Con. 24th Sept. 1843.

2. Under the explanation given in his letter the arrangements effected by the Principal Collector appear to the Board to be judicious, and they consequently beg to recommended that the Estimate which he has submitted may receive the sanction of Government. The Board trust that the measures taken by Mr Blair may not be without effect upon the contractors and that they may be induced to come forward with more reasonable offers for the ensuing year.

The arrears outstanding at the beginning of Fusly 1251 A.D. 1841/42 to the early adjustment of which the Collector's attention was directed under the orders of Government dated 9th June 1842, amounted to Rupees 28,629-15-4 which was increased in that year to Rupees 33,338-4-6 as shewn in the Margin

This is less by Rupees 367-"-2 than the sum mentioned as irrecoverable in the Board's Proceedings of the 13th October 1842, Para 10. The difference has been occasioned by the claim of some Pariahs of Cannore to exemption having been disallowed and their property having been held liable for the recovery of the Government dues in the absence of any on the premises belonging to the Merasidars or landlords which could be made answerable for the payment, and the above sum has therefore been transferred to the irrecoverable balances.

From J. A. Huddleston Esqre
Collector of Madras

Sir,

Reporting upon the circumstances of the family of the late Moofty Syed Hoosain Khan of Arcot and recommending that Rs. 79-1-11. per Mensem or 2/3ds of the allowance held by him may be continued to them for life

1. I have the honor to Acknowledge the receipt of your letter under date the 31st Ultimo calling for a report relative to the circumstances of the late Moofty Syed Hoosain Khan of Arcot and to bring to the notice of the Board of Revenue that the surviving Members of his own immediate family are his Shadee Widow, Hunjeez, daughter Nujsah

Begum ——— Aged 42 years
" Nicka Widow Rungolie ——— 21 years
" Do Daughter Marambeebee ——— 4 years
" Nephew and adopted son Syed Mahomed Saib ——— 22 Do

2 There are sixteen other distant relatives who also are represented to have been dependent upon the deceased and to have derived support from him but the parties for whom it may be proper to make some specific provision appear to be only those named above and particularly referred to in the Petition submitted to the Board with my letter of date

Fort St. George 31st August 1843.

dated the 13th Ultimo.

3. Syed Hoosain Khan has left no property other than a Garden containing Cs. 5-3.990. A House built therein is now in the occupation of his family. The income from the produce of the Cocoanut Trees &c. growing in it is estimated at Rupees 215 per annum whilst the expense on account of the Gardeners Assessment and Quit Rent is Rupees 208. and the residue Rupees 7/-

4. One Jawar Hoosain Khan has produced an original Bond which shews that the Garden was Mortgaged to him by the late Owner on the 25th April 1829. as security for the repayment of the sum of Rupees 1,000 borrowed at that date. I understand that this is not the only debt due by the Estate.

5. Some Accounts shewn by the widow exhibits the charges defrayed by her for the subsistence of the whole family which amount to about 80 Rupees per Mensem.

6. As the family were in the receipt of Rupees 118-10-10. per Month in the life time of the last incumbent

&c.

12420 Fort St. George 31st August 1843

I would beg to recommend that Rupees 79-1-11 or 2/3ds of the original Grant may be continued for their future maintenance in the following proportions.

To Hauseez doth Aoin Nyka Begum Rs 35-0-
" Rungalee 14-11-4
" Marambee bee 14-11-4
" Syed Mahomed Saib 14-11-4

The Shadee Widow is in my opinion entitled to an amount larger than that proposed for the rest of the parties when the above destribution I have placed the adoption "on an equal footing with the two others as I find that the Honorable the Court of Directors are opposed to the recognition of any claim preferred on that ground alone.

From J. A. Hudleston Esqre
Collector of Madras

Reporting the death of Gholaum Hoossain the holder of a Jemmiah of 7 Rupees 10-13-12 per annum granted for his own subsistence and the lamp Oil for the Mosque at St. Thomé and Recommending its continuance to his son Gholam Hyder from the 12th July 1842.

Sir

I have the honor to bring to the notice of the Board of Revenue that Gholaim Hoossain to whom an allowance of Pagodas 10-13-12 per annum for his own subsistence and the lamp Oil for the Mosque at St. Thomé, was conferred in succession to the late Abdul Cauder, under the sanction communicated in Mr Chesters letter of date the 15th May 1828, died on the 12th August 1842.

2. Two women, Nateeja Beebee and Saraim Beebee, presented separate petitions on the 1st and 19th September last, in which each party requested that her son might be allowed to succeed to the service and the entire Jemmiah in lieu of the last incumbent.

3. I have duly ascertained that Nateeja Beebee is the Daughter of Abdul Cauder by his legitimate Wife, Abesha Beebee and Widow of Gholaim Hoossain, whereas Saraim Beebee is the illegitimate Daughter of Abdul Cauder by one Hoolsum Beebee.

4- The name of Gholaim Hoossains son

Son on whose behalf Hateja Beebee submitted present application, is Ghoolam Hyder ... in whose favor a Mahazurnamah from those of those who resort to the Mosque has been ... Certifies not only that he is entitled ... to succeed to the duties of his father, but that ... has actually performed those duties for ... time past maintained by another.

Ghoolam Hyder's age is 15 years.

That on the 29th January 1838 ... Saroun Beebee presented a petition praying that ... payment of the late Ghoolam Hossains allowance ... might be suspended pending the decision of ... Arbitrator on her alleged right thereunder ... consideration; but she was informed that the ... Collector could not recognize the petitioner's ... Claim.-

Vide Endorsement 30th January 1838.-

2.- In the grant would seem to be ... of a permanent nature, I beg leave to recommend ... under the foregoing explanation, that the allowance ... allowance of Rupees 10 - 13 - 12. or Rupees ... 36. - 4. may be continued to Ghoolam Hyder ... the son of the late Ghoolam Hossain, from the ... 12th July 1842, payment having been made to ... the deceased up to the 11th of the same month, ... from his being the lineal descendant of the ... original Grantee and entitled to claim in ... a direct line of succession.
