or advisable for the Government to advance
Rupees 20.000 to the Beredy Zemindar in the
Ganjam District on security of his Estate
to relieve him from his private embarrassmen
His Lordship in Council thinks it to
matter of doubtful policy to uphold
a Zemindar who is represented by the
local Officers to be so entirely wanting in
ordinary discretion that his want of credi
is the only obstacle to his involving
himself in fresh and greater difficulties

2.- Neither the Agent nor the
Board concur in the opinion expressed
by Mr. Smollett the Acting Agent in his
letter of the 4th November last, that the
peace of the District would be endangered
by the sale of the Zemindary: but as they
consider that such a measure would be
unpopular, His Lordship in Council is
disposed to accede to their recommenda-
tion and to direct that the Agent be instruct
to place himself in communication with
the Creditors of the Zemendar and effect
an equitable arrangement for the settlement
of all demands from the surplus proceeds

of the Zemindary, with the understanding
that the Government no wise pledge
themselves for the discharge of such
debts.-

3. The Beredy Zemindary will
remain under the charge of the Agent in
Ganjam for such period as may be agreed
upon between the Zemendar and his
Creditors. but adverting to the compara-
tively large Amount of Surplus
calculated to be obtained annually from
the Property, and the desirableness of
placing the Zemindar in a position to
prevent the necessity of his incurring
fresh embarrassments, His Lordship in
Council is of opinion that his allowance
should not be limited to the proposed sum
of Rupees 50 per Mensem, but rather that
he should be allowed independent
of the Jaghire Hamlet which he possesses
in right of his wife, a provision of Rupees
/100/ One hundred per Mensem from
the proceeds of the Zemindary, and
he directs that instructions to this
effect be accordingly issued for the guidance
of the local Officers.-

the greatest Number appears to have been charged in Guntoor although the convictions were fewer when compared with other Districts. The necessity for watchfulness on the part of the local authorities to which attention was called in the Resolution of Government dated 20th May 1845 No. 632 still continues necessary in that province.-

His Excellency the Most Noble the Commander in Chief, to forward the accompanying Extract of a Medical Report of the 45th Regiment N.I. Stationed at Cannanore, in the year 1845 received from the Secretary to the Medical Board, and to state that previous to submitting the same to Government, the Officer Commanding in Malabar and Canara was called on for a report on the Subject thereof, the Copy of which is herewith forwarded, and as His Lordship Concurs in the view taken of the Subject by Colonel Chambers, I am accordingly directed to recommend that Government may be pleased to authorize the measures proposed by that Officer for clearing the excessive vegetation in the Cantonment of Cannanore to be adopted.-

Extract from Medical Report of the 45th Regt. N.I. at Cannanore for the year 1845 by Assistant Surgeon Kennedy.-

45th Regiment N.I. Stationed at Cannanore by Assistant Surgeon Kennedy

"A very large proportion of the cantonment is occupied by the dwellings and gardens of the inhabitants, which are enclosed by the high mud fences in common use throughout the district, these enclosures

are

Fort St. George 1st June 1846.-

are usually thickly planted with Cocoanut, Cashew, Mango, Jack, and other favorite trees, and the Compounds of the European residents are also protected and sheltered in a similar manner, so that excepting the Regimental parade grounds, wood and luxuriance of vegetation is in all directions remarkably prevalent, and has been permitted to increase to an extent which materially interferes with the free access of the Sea breeze."

To

The Quarter Master General
of the Army.-

Sir,

I have the honor to acknowledge the receipt of your letter No. 995 dated Fort St. George 18th April 1846 and having given the Subject my best consideration I beg to offer the following observations.-

1. It would appear by Section XXXV of Regulation VII of 1832 that Commanding Officers at Military Stations have power to deal with nuisances in a Summary manner, and by Act XXI of 1841 the Commissariat Officer has authority to suppress them.-

2. For planting or Building within a Cantonment it is necessary the parties should obtain the written Sanction of

Fort St. George 1st June 1846.-

the Commanding Officer through the Fort Adjutant, and Persons who act in Contravention of this well known Rule do so at their own risk.-

3. In cases where Sanction had been previously obtained the Parties might demand a fair Compensation for any loss they Sustained by the removal of Fences or the Cutting down of Plantations but the improvement of the Cantonment and the health of the Military and other Inhabitants by promoting a free access of the Sea Breeze is an important Consideration and in this Place the evil which Dr. Kennedy alludes to is fearfully increasing.-

It appears to me that upon a representation being made defining the inconvenience from growth of underwood or Trees, or high fences, if a Committee of Medical Officers consisting of the Superintending Surgeon and two others were ordered by the Officer Commanding the Station to examine and report, and if they recommended remedial measures to point out the extent of them much good would arise.-

4. A Court of Requests Composed of experienced Officers empowered to demand

demand from the Proprietors the production of their rights, and to investigate the Pecuniary Claims for damage, might then be assembled, and having well considered and weighed all the circumstances award a fair and just remuneration to the Proprietors if satisfied that the circumstances called for Compensation.-

If the Officer Commanding approved and confirmed the Proceedings, the Commissariat Officer, then, to be ordered to make the Clearances unless such a Proceeding was protested against by the Beebee of Cannanore as being contrary to the agreement between Her and the Government, which according to Locality might occasionally happen. This point to be decided by the Collector and if in the Bebee's favor a report to be made to the Governor in Council for decision previously to any operation of clearance being commenced.-

I submit the foregoing observations with great deference.-

From the Collr of Guntoor
Submitting Statement shewing the offers received for Ahkavy & Sundry small farms for Fusly 1256 of Guntoor & requesting Sanction —

Sir,

1- I have the honor to submit a Statement shewing the offers received for the rents of the Ahkavy and Sundry small farms in this District for Fusly 1256.

2- Proposals were invited for the whole Villah, or for one or more Talooks, in conformity with the rules contained in the correspondence noted in the margin, and the latter plan has been carried out with the exception of Baupetta Tanah, and the rent of Trees in Condaveed. For the former being of considerable extent it was found advantageous to invite offers for it in divisions, and the latter is under rent for a term of years —

From Do 11th Dec. —

3- To secure the Settlement being made sufficiently early to admit of the Board

Fort St. George 1st June 1846.

Board's sanction being obtained for the proposals before making over the Farms to the several renters by the commencement of the Fusly as directed by the Board timely notice was given in a proclamation fixing 20th April as the limit for receiving proposals and the several lettings were put up to public sale in the Office of the Head Assistant Collector on that date and the highest Offers received. Two individuals have since come forward subsequent to that date offering to bid higher than some of the proposals then received upon the lettings being again put up to public sale, and have been informed that their request could not be granted as it is contrary to the terms of the proclamation which they had every facility of making themselves acquainted with.

4. The proposed Settlement shews a total net decrease of Rupees 1357 4 " below the present year which has arisen principally from Abkarry in the large towns of Guntoor and Mungalagherry having been last year bid up thro' inimical opposition between several competitors to a point

point beyond what the resources warranted. The decrease in Baupetta Taluk arises partly in the Abkarry in the populous town of Ventapolem, the rent of which has in the last few years considerably increased, and partly from the absence of competition.

5. The Amount of proposals all tho' showing a decrease below the Current Fusly as above stated when compared with the previous Fusly of 1254 shews an increase of Rupees 1894 1 " and considering that the item in which the decrease principally consists is the sale of Liquor in large towns, which has the injurious tendency of propagating drunkenness and vice, I trust the Board will grant their sanction for the acceptance of the proposals.

From the Collr. of Nellore - Submitting for the consideration of the Board certain cases of arrears of Yeomiahs requiring the Sanction of Government for their payment.

Sir

I have the honor to submit for the consideration of the Board certain cases of arrears of Yeomiahs requiring the sanction of Government for their payment.

1. Nasahabee has a Yeomia allowance of Rupee 1-4- and is in arrears 40 Rupees from August 1843 to March 1846, thirty two Months - Application was made for the payment of the same in February 1846 on the arrival of the woman from Madras where she resides and as she has been identified and has been in the habit of drawing her Yeomiah

7232. Fort St. George 1st June 1846.

Yeomiah in arrears consequent on her living at the Presidency, I beg to recommend the payment of the present amount due -

2. A Yeomiah allowance of Rupees 3-5-4 in the Name of Badasahaba is in arrears from July 1843 to March 1846 - thirty three Months Amounting to Rupees 110- It appears that this woman proceeded to Hydrabad in July 1843 without leave tho' her Vakeel represented her wishes to proceed thither; In August 1846 Application was made by her for arrears due up to that time, but both in the Amount of Yeomiah and the difference, the name standing in the Circar Accounts being Badasahaba and that of the applicant Badabee Sahe and that a difference of 3 inches was found in her height of the applicant and that entered in the descriptive Roll, but this was not considered of Material importance as the measurements are made by women and are very carelessly done in many instances - On enquiry regarding the difference in the names it has been explained that the introduction of the word Bee between the Bada and Sahab is merely honorific and two respectable Yeomiadars have deposed solemnly before me

me to the fact of the present applicant being the rightful claimant to the Yeomiah. Under these circumstances I beg to recommend payment of the arrears may be sanctioned.

No 3 3. Woofseme Bee has a Yeomiah of 3 Ps. and in arrears for 3 years and 9 Months amounting to Rupees 225. In June 1842 this Yeomiadar went to Arcot to visit her Daughter who was sick and returned in August 18th when she applied for arrears up to that time. Some doubt as to her identity with the real Yeomiadar arose in consequence of a difference in the name, but this has been satisfactorily explained and the Parties who were deputed to examine and report on her personal appearance having given an account corresponding in all material points with the description Roll there appears no cause to doubt her identity in addition to the above two respectable individuals now absent have deposed before the Treasurer that the present claimant Woofseme Bee is the legitimate party and Sanction is requested for the payment of her allowance in arrears.

since writing the above the Parties alluded to have appeared before me & solemnly deposed to the same effect as before the Treasurer

Vellore Coll.r Cutcherry 18th May 1846 — Signed J. F. Bishop, Collector.

Resolution thereon — The Collector is requested to submit the present application for payment of arrears of Yeomiah according to the form transmitted to him under date 18th Ultimo.

From the Actg Collr of Cuddapah — Furnishing the further information required in the Board's letter dated 9th February last respecting two Lapses of grants of Bhutwartee & Pullacuttoo Enams.

Sir.

1 I have the honor to reply to your letter dated 9th February last requiring further information on the subject of my letter dated 6th January reporting on two Lapses of grants of Bhutwartee and Pullacuttoo Enams.

2 The lapsed Bhutwartee Enam was granted by the Myanah Government about 150 years ago to the grand father of the last incumbent the circumstances under which it was granted it must be presumed were similar to those under which the numerous grants of this description were bestowed to Brahmins as Charity by the former Government with a view of obtaining their good wishes and intercession for the prosperity of the state. The deceased has left a mother a Widow a Sister in law and it is reported that the widow has had a daughter since who is now 3 months old. They are stated to be in indigent circumstances their Puttah lands which it appears the deceased held amounting only to Rs. 10-8.

I have

Fort St. George 1st June 1846.

This description of Enam has been usually considered hereditary.

3. As regards the Pullacuttoo Enam referred to in my former Letter it cannot be ascertained when and by whom it was originally granted to Tulladagowd or whether he did establish the Village on account of which the grant was made. The Rajah of Pongunoor Samustanum who had the management of the Jaghire took it upon himself to issue the order alluded to transferring the Enam to the last Incumbent on the death of Tulladagowd. The deceased Curragowd in addition to his two Sons had the following members of his family dependant on him.—

1 Brother, his wife and their 3 children
1 his 1st Sons wife and their 2 children
1 his 2d Sons Son

4. They are reported to earn their livelihood by Cultivating Sirkar Lands amounting to Pagl 3 — weaving Cumblies and by keeping and rearing Sheep — and their condition is said to be poor. This description of Enam has also been hitherto considered hereditary.

works of defence such as Martello Towers for the security of Villages, and consequently in consideration of services rendered to the State, both these classes of Enams fall under Regulation IV. of 1831- These Enams have hitherto been considered as hereditary and the Custom followed in this District is for the Collector to renew them in the name of the legal Heir of the last Incumbent except when the succession to the same is disputed by Parties, in which case the local Courts have usually decided on their respective Claims-

5- The deceased Vencut Row left behind him a Widow and 3 Sons aged 32-30- and 22 years respectively. The eldest Son has a wife and 2 Sons- the 2d Son is married but has no family while the 3d Son is still unmarried. The eldest Son is employed as Gomastah in the Boozoor Cutcherry in the Bangalore Division on a Monthly Salary of 17 Rupees the 2d as Carkoon in the Hoobaly Talook of Dharwar on a Salary of 16 Rupees per Month. and the 3d Son has no employment and resides at Muddenpully. The deceased was also in the enjoyment of Dasvundum Enams amounting to Rupees 27-5-8 and a share in the Shotrium Village of Putpereddy Pully amounting to Rupees 4-13-4. The Sons of the deceased have been put in possession of the shares in the Bhutwartee and

and Booroojoo Enams enjoyed by their late Father, sufficient security having been given by them for the full demands upon the lands being eventually made good should Government in the future dispose of the Enam require it. There are no Sunnuds forthcoming in support of the Bhutwartee Enam, that for the Booroojoo Enam is herewith forwarded together with a translation - -

the Board in their letter to Government dated 11th August 1845 having expressed a doubt whether these Enams should have been regarded in that light the views of Government on this point will hereafter be known - As regards also Enams of all descriptions falling under Regulation IV of 1831 and being among those referred to in Extract Minutes of Consultation 28th April 1845 which have lapsed having been previously transferred to parties by a deed of gift or sale (even if executed by the heirs of the Original Grantees which is not always the case) I presume these Enams ought in all instances be resumed - It appears to me more than probable that Parties so transferring their Enams to others are most frequently without heirs, and as none of these Enams have hitherto reverted to Government from default of heirs there is every reason to suppose that many in the enjoyment of these various grants on the plea of the same having been transferred to them by gift sale or otherwise have got possession of them for a consideration from the Native Officers on the occurrence of Lapses by Parties dying without heirs, or from the local Courts (which have hitherto taken cognizance of these cases) by two Parties

not

Fort St. George 1st June 1846

not heirs contesting their claims on forged documents to one of whom it is transferred. It is therefore obvious that Government will have already too often been kept out of possession of their rights in cases of lapses of Enams transferred to Parties which are resisted or for their decision under any circumstances the system hitherto sanctioned cannot but be considered objectionable so much so that I think it would be advisable to allow only such as have had possession for any specified length of time to have a life interest in the Enams so transferred to them by Parties since deceased, and not those to whom these transfers have been lately made within a limited period whether by the heirs of Original grantees who are alive or have since died or by others which transfers should be cancelled in the same manner as similar documents are, having reference to service Maniems under Regulation VII of 1831.

As

Fort St. George 1st June 1840.

As it appears from the above correspondence that the Acting Collector was authorized by the Board of Revenue to proceed to the attachment and sale of the Estate of the Cavetnuggur Zemindar, it is ordered that the Acting Collector do act accordingly, and that Copies of Decrees and Rayeenamahs together with a Statement shewing the sums due by the Zemindar to his Creditors be forwarded to him for his information and guidance.-

* to the amount of Rs. 238,146-6-4

Ordered also that the Acting Collector be informed that there are three more judgment Creditors against the Zemindar but all applications from them or any other Creditors will require to be duly considered and disposed of when the Estate has been sequestered, and if found correct, the amount will be defrayed out of the proceeds of the Sale. Accordingly as soon as the Collector has attached the Estate, he will be pleased to inform the Court in order that the usual steps may be taken to give publicity to that proceeding so that all persons interested therein may come forward and make known their Claims against the Estate and have them duly investigated and decided.-

Decree of the Provincial Court.

This is an Appeal from a Decree of the Chittoor Zillah Court awarding that the Respondent (Original Plaintiff) shall recover from the Appellant (Original Defendant) Rupees 1874 principal and interest due on account and the Costs of Suit on the sum decreed.-

The Original Plaint sets forth that Appellants father Vencatapermaul Rauze deceased owed a large sum of Money to the Sowkar Lavaleram- On the 16th June of the year

Pointevah (1825/26) Lanakeram addressed a letter to appellants father Vencatapermaulrauze informing him that he (Lanakeram) had made over his claim to Rupees 3,000 of the above debt with interest on it to Respondents father Boojunga Row- Vencatapermaul Rauze agreed verbally to this transfer and made an entry in his accounts to that effect- In the year Surveejeetoo 1827/28 Vencatapermaulrauze father of the Appellant and Boojunga Row father of the Respondent both died- In the following year Veera Cavaite Rajah the heir of Vencatapermaul Rajah died when the Appellant succeeded to the Zemindary but being a minor the Principal Collector took charge of the Estate and examined into the claims brought against it.- The Respondent claimed by Vakeel Rupees 6,000 Viz. Rupees 3000 principal of the abovementioned debt and equal interest on it- The late Zemindars accounts were examined and the Principal Collector decided that the amount due to the Respondent was Rupees 1874- the Respondent admitted that there was a set off against his Original Claim of Rupees 630 deducting therefore that sum and equal interest on it amounting together to Rs. 1260 he sued for the balance of his Original Claim

claim of Rupees 6000 Viz.th for Rupees 4740.-

The appellant allowed the Suit to be tried exparte.-

Documents filed by the Respondent.-

No. 16 A letter dated 15th April 1830 addressed to the Respondent by Rajah Gopaul Rauze Teroovengalanandaraze Guardian and Grand father of the appelland directing the Respondent as a Creditor of the Estate to prefer his claims to the Principal Collector.-

No. 17. Authenticated Copy of Settlement of the Principal Collectors Cutcherry dated 13th May 1834.-

No. 18. A Petition to the Board of Revenue by Govinda Row Guardian of the Respondent dated May 7th 1832 praying for the payment of Rupees 1874 being the amount which the Principal Collector had decided to be due from the appellant to the Respondent with the Board's endorsement on it referring him to the Principal Collector, and the Principal Collectors endorsement referring him to the Appellant to whom the Estate had been delivered over.-

The Respondent named seven Witnesses of whom he examined four 1st D. Naranappah 2d Do Bouboo Row 3d Govinda Row and 4th Principal Collectors

Collectors Head Sheristadar Govinda Row.-

The Respondents' document No. 16 proved that the appellants' Guardian and Grand Father considered the Respondent to be a Creditor of the Estate - document No. 17 shews that the Principal Collector on an examination of the deceased Zemindars' accounts was of opinion that the Respondent had not a just claim to more than Rupees 1874 - the original of this document was signed by the 3d Witness Respondents Guardian on the part of Respondent document No. 18 shows that Respondents Guardian Govinda Row (3d Witness) Petitioned the Board for the payment of the above sum of Rupees 1874.-

The 1st Witness stated that he had been in the service of appellants' father as Dewanjee. Appellants' father owed Soukar Ianakeram Rupees 30,000 - Witness left his service in mausee of Tarnah (1824 (25) and therefore cannot depose to Ianakeeram having transferred a part of his Claim on appellants father to the father of the Respondent - Two years ago the Respondent informed Witness of the circumstances setforth in Respondents Plaint - Witness asked Mootuddy of the Zemindary about it

Fort St. George 1st June 1840

it- and he confirmed the truth of the Res=
=pondents Statement- The Respondents father
used to be employed in borrowing money for
the appellants father- The seal and signature
to document No. 10 are those of appellants'
Guardian and Grand father.-

The second Witness stated that
he had been told by the Respondents father
that Soukar Sanakeram had transferred to him
Respondents' father) a claim to Rupees 3,000-
of the debt due to Sanakeram by appellants
father- The Witness had been told that the
appellant acknowledged the debt- Witness
heard the Appellants' Dewan tell the
Respondent that the appellant said he was
unable to satisfy Respondents' claim for
several Months an account of the famine
and Respondent having complained of his
poverty Rupees 10- were paid him from ap=
=pellants treasury.-

The third Witness is Respondents
Guardian writer of the document No. 18 this
evidence is designed to shew that the settle
=ment made by the Principal Collector is much
too low- This point is not necessary to discuss
in the present Suit for the Zillah Judge adopted
the Principal Collectors' settlement and there is

Fort St. George 1st June 1840.

no appeal before the Court by the Respondent
from his Decree.-

The 4th Witness was employed by the
Principal Collector to examine the Respond=
=ents claim and prepared the account of which
document No. 17 is a Copy- This evidence tends
to show that the deductions made from the account
claimed by the Respondent were right and
proper but that is not the point at issue
in the present Appeal Suit.-

The Appellant not having defended
the Suit the Zillah Judge decreed against him
the sum of Rupees 1674 - - as settled by the
Principal Collector and Costs of Suit on that sum.-

The appellant in his appeal Petition
assigns no reason for not having defended the
Original Suit- He denies the debt entirely and
states that the Respondents father was Moonshee
to appellants' father and committed fraud in
his Office, that no reason is assigned for
Soukar Sanakeram having transferred to
Respondents' father a part of his (Sanakerams)
Claims on appellants father, that if he had
done so he would have obtained a fresh Docu=
=ment, that appellants father made no entry in his
accounts regarding this transaction that Respondent

Has

has not proved either Lanaccerams alleged letter to appellants father transferring a part of his claims against him to the Respondents father nor has he proved that appellants father assented to this arrangement that the accounts produced before the Principal Collector by Mootsuddees of the Zemindary were false and that the latter document No. 16 is a forgery.-

The appeal answer is of enormous length it is filled with irrelevant matter it grosly misrepresents the Statements made in the appeal Plaint and labors to shew that the Respondent ought to recover from the appellant the whole sum claimed in the original Suit- This latter point as noticed above requires no consideration in the present Suit.-

All the material objections brought forward by the appellant are rebutted by the evidence of the Respondents Witnesses whom the Court see reason to disbelieve- It is not surprising that the letter of Lanaccerama transferring a part of his claim on the appellants father to the Respondents father should not be forthcoming as it was not in the Custody of the latter- But it appears from document No. 16 produced by the 1st Witness as

well as from the evidence of the 1st and 2d Witnesses that Respondent was a creditor of the Estate and was admitted to be such by the appellant himself.-

When the Respondents claim was under investigation by the Principal Collector tho it was not admitted by the appellants Grand father and Guardian to the full amount it was admitted by him to the amount at which the Principal Collector adjusted it and for which the Zillah Judge passed a decree- If the Respondents claim was groundless and the appellants Guardian with the deceased Zemindars Mootsuddies had Combined to admit the goodness of it from Corrupt motives it is probable that more simple and positive evidence would have been brought forward in support of it. that the proof of it would not have solely depended upon a long and Complicated account which was not in the posession of the Respondent and that the amount due would not have been contested between the parties in the manner it appears to have been- The Court are of opinion that the Claim against the appellant is good for the amount awarded by the Zillah Judge and therefore affirm the Zillah Judges Decree and award that the Respondent shall recover from the appellant 12 per Cent on the sum decreed to him by the Zillah Judge from the date of the original decree to the date of this decree.-

The appellant must bear the full Costs.

Decree of the Provincial Court.-

The Plaintiff sues to recover from the Defendant the sum of Rupees 55570-10-8 being the Amount due on bond together with interest. He states in his plaint that Defendants father on the 25th of Pungoony of the year Soobanoo borrowed from him a certain sum of Money to defray the Circar Peshcush for which he executed to him a bond. After the decease of Defendants father the Defendant settled Accounts with the Plaintiff up to the 24th of Maussee, year Nundana, when there was a balance due to Plaintiff Amounting to Rupees 45500 for which sum Defendant on the 15th Palgoona Shooda of Nundana granted a Bond to Plaintiff with interest payable at the rate of 8 per Cent. 6th March 1833

The Defendant neglecting to appear

appear agreeably to the Notice served on him the Suit was ordered to be tried exparte

The Plaintiff filed a bond marked A and the following four Witnesses to prove its execution, Vizt

1 Siddee Razoo Vencatadree Razoo
2 Gida razoo Shashiah
3 Carranah Yacambara Moodily
4 Nindray Ramasawmy Pillay

The 1st Witness who is a publicien servant of the Defendant deposes to the execution of the Bond marked A by Defendant, which he and the 2d Witness attested. Statement of this Witness is fully corroborated by the evidence of the 2d Witness who also attested an account furnished to the Defendant by Plaintiff at the time the Bond was signed he further adds that the Defendant promised to discharge the amount of the Bond by yearly instalments of 1000 Pagodas.

The 3d Witness states he was present when Defendant Signed the Bond in question and that he heard the Stampt paper on which the Bond was written was furnished by D. Streenevasa Chavrcey the Government Vakeel of the Provincial Court and the Defendant also agree to pay

Fort St George 1st June 1846.

the amount of the Bond by instalments

The 4th Witness's evidence only relates to the Bond granted formerly by Defendants father and to the frequent demand made by Plaintiff to Defendant for the liquidation of the amount of the present Bond.

From a perusal of the Bond marked A and from the above satisfactory proof adduced relative to its execution by Defendant, the Court cannot do otherwise than award that Defendant do pay to Plaintiff the amount claimed Vizt the sum of 55570 Rupees together with further interest to the date of this Decree and all costs of Suit.

The Respondent sued the Appellant in the Provincial Court to recover 18737 Rupees on a bond.

The Defendant admitted that

Fort St George 1st June 1836

Rs a p
he owed the Plaintiff 16459 14 10 and the Plaintiff having consented to recover that sum in full of his demand the Provincial Court decreed that Defendant should pay to the Plaintiff 16459 14 10 together with interest at 12 per cent per annum from the 1st of September 1835 the date of the Defendants answer, to the date of the execution of the Decree, with costs of suit.—

From this decision the Appellant appealed, upon the plea that he was entitled to credit for some more items, which he was unable to enumerate before from not having been in possession of the accounts of his Zemindary and the Respondent having filed his answer the Court of Sudr Udalut proceed to pass judgment on the appeal.—

The items brought forward by the Appellant have clearly nothing to do with the bond upon which this suit was granted they cannot therefore be admitted as a set off in this case, being, even if well founded, matter for a distinct demand, and if necessary for a separate suit and it is equally clear that this Appeal has been preferred solely to put off the day of payment.—

The

Fort St.e George 1st June 1816.

To The Acting Collector of North Arcot

Sir,

To the Acg Coll[r] of North Arcot —

I am directed by the Board of Revenue to acknowledge the receipt of your letter of the 23th Ultimo forwarding for publication in their Office the Sale Advertisement of the Cauvetnuggur Zemindary and submitting for Sanction a Moyenzabitah of the establishment proposed to be entertained for the management of the Estate under attachment

2. that the Board have caused the advertisement to be fixed up in this Office — but, to allow further time for a reference to Government, they have changed the day of sale to Wednesday the 15th July next — You will be pleased to make a corresponding alteration in the Copies published in your District with the few additions shewn in red ink in your Form, which you will be so good as to return after inspection — The Board hope to be able to furnish you with instructions in regard to the Estate by the 15th Proximo but you will not proceed with the sale on that day unless you should receive further orders from this Office in the interim —

3. The Moyenzabitah which accompanied your letter now under reply is sanctioned

(30)

Sir,

From the Coll[r] of Tanjore

Reporting the death of the Zemindar of the Gundracotah Estate and the Minority of his 2 Sons applying for Sanction for holding the Estate under the Management of the Court of Wards, and for escheat-ditures incurred explaining the Tenure on which the lands of the Estate are held stating the claims advanced against it proposing an Establishment for the management of its affairs for Monthly allowances for the support of the deceased Zemindar's Widow and Children and Pension to his relatives and recommending the Mother of the young Zemindar for the Office of Guardian to him —

Para 1

I have the honor to report the death, on the 29th December last, of Soorya Narrayna Tundaurataur Zemindar of Gundracotah

2. The Estate of Gundracotah is the largest of its class in this District, being charged with a Peishcush of 69,67 Rupees — It consists of 53 Villages and is estimated to yield an average Revenue of Rupees 20,000 — The late Zemindar who only succeeded to possession of it since 1842 (1257) when he inherited it on the death of the previous possessor a female, has left a widow and two Sons the Elder of which is 3 years and the younger 10 months — The Elder son and undisputed heir to the Property being a Minor, it has become necessary to assume the Management of the Estate under the Provisions of Regulation V of 1804 and to place the Infant Zemindar under the Court of Wards — To obtain the Sanction of the Board for this measure is my present object —

3. Having been myself passing through Gundracotah on the day of the Zemindar's death, I was able to take immediate measures

Fort St George 1st June 1816

measures for the security of the moveable Property and accounts unmutilated. The former consisted of Clothes and Jewels valued at 1,150 Rupees, a young Elephant, and some Horses (which under the embarrassed State of the Zemindar's affairs, as will be hereafter shewn, I thought it desirable to dispose of without delay, and have accordingly been so) sold; and a few other Brass Utensils and furniture which have been given over for the use of the Widow and Children.

The Total Number of Villages attached to the Estate consisted originally of 8 Shrotrium, 4 Survamanium, and 41 Tariff Villages, and the following State=ment will shew the changes in their tenure now observable.—

Tenure	Number as originally	Deduct Number which was transferred to Survamanium	Deduct Number which was transferred to Tariff	Deduct Number which was transferred to Total	Remainder	Add Number received from Shrotrium	Total Number as at present
Shrotrium	8	3	3	6	2		2
Survamanium	4				4	3	7
Tariff	41				41	3	44
	53	3	3	6	47	6	53

Fort St George 1st June 1816.

5. It will appear by the above State=ment that the Number of Shrotrium has now been reduced to 2 by the alienation of 3 on Survamanium Tenure and by the reception of 3 under the Tariff. The last 3 Villages have been acquired long ago, and the acquisition has been maintained by long enjoyment though it is not known how had it been made. The alienation of 3 Villages on Survamanium Tenure has been made since July 1359. by the deceased Zemindar, and as this appeared to me unprovided for by Regulations none of which I believe authorize a Zemindar to alienate Lands at his pleasure, and as it entailed as shewn in the Margin a loss of Rupees 31—7— to the Estate, I have taken measures to resume them and Collect the Shrotrium Demand with which they were originally charged.—

Shrotrium	353 3
Teerva	
Survamanium	221 0
Loss	31 7

6. The Tariff Villages amounting as shewn above to 44 are settled as follows.—

Settlement	Number
Puttaeut	11
Fixed Money rent	1
Amaram	11
Vaga Cruspoo	2
Rented	13
Amany	6
	44

The

Fort St. George 1st June 1816

The System of Puttaut appears to be somewhat a mixture of Field Assessment and Zumaumy— The lands under this kind of Settlement are divided into Tettis, the better to provide for a due estimation of the Quality of the Soil— These Tettis are distinguished with reference to the produce with which they could, under the advantages and disadvantages of their local situation, be cultivated and classified in proportion to the degree of their productiveness by which the assessment is regulated— it being collected only on Cultivated lands—

A Tetty = 10 Sycars Godies by a Standard of 32 feet.—

8. The lands under Amaram are those allotted to the Servants of the Pauliput in lieu of wages with or without Emoluments annexed and charged with greater or less pecuniary Demand in proportion to the merits of their Services and according to the pleasure of their Master— The Services being no longer required this Tenure of these lands will cease with the present Fusly.—

9. The two Villages denominated Vaga Coruppoe though classed under the Head of Tariff, are held on a most favorable tenure by one Ramananey

Fort St. George 1st June 1816

=who has been maintained in possession on the plea that she purchased them of the late Zemin= =dar's Mother for 500 Pagodas so long ago as 1816— The total extent in these two Villages is 103 — 3 — and the nominal assessment which she pays on them are Rupees 18 — 14 — The regular assessment is a Tariff Village will be charged from the ensuing Fusly, the Claim of the holder to favorable tenure being untenable—

10. The affairs of the late Zemin= =dar are in a very confused state, and it is difficult to suppose worse management to exist—

11. The claims already advanced against the Estate amount to Rupees 28430 and of these Rupees 22811 bear Interest at 12 Per Cent Per Annum— An Enquiry into these will be instituted and will be fully reported on at a future period—

12 Arrears of wages also by his Dependants are claimed to an amount of Rupees 2352—

13. There is no Balance of Peishcush—

14. At a period of the Zemindar's death, a sum of 457 — 4 — was found in his Treasury; and a sum of Rupees 138 has been

been realized out of 749 the amount for which the Elephant and Horses have been sold —

15 The Revenue Collections and charges from the date of assuming the Estate up to the 1st Instant are detailed in Enclosure No 1. —

16 The charges for the support of the Family up to the same date and for the funeral Expenses of the Zemeindar amounting to Rupees 3220 2 " are detailed in Enclosure No 2, and for the Expenditure so made I request the sanction of the Court. —

17 For the future Management of the Estate, I propose the entertainment of the following Establishment at a Monthly Cost of Rupees 160 Commencing from the 1st Instant. —

To the Chief Secy to Government. Submitting a letter from the Collector of Tanjore reporting the decease of Soorea Narriah Pundaraterum Zemindar of Gundracottah in his District and requesting sanction for taking the Estate under the Court of Wards for the benefit of the minor Heir. Read in Cons. 1st June 1846. 30th Apr

I am directed by the Board of Revenue to submit for the Orders of the Most Noble the Governor in Council the accompanying letter from the Collector of Tanjore reporting the decease of Soorea Narriah Pundaraterum Zemindar of Gundracottah in his District and requesting sanction for the assumption of the Estate under Management of the Court of Wards for the benefit of the minor heir.

2- The condition of the Zemindary the precautions adopted for the security of the property left by the deceased and the measures taken or proposed to be taken for the due administration of the Estate in future are fully explained in the Collector's report. The arrangements suggested by Sir H C Montgomery seem to the Board to be judicious. It will be seen that there is no balance of the public demands

Requesting information respecting the mode and amount of Collections of Civil Abkarry at Madras &c.- your Board will be pleased to cause me to be furnished with information respecting the mode and amount of Collection of the Civil Abkarry especially at Madras (where it is conducted under Sumance Manage-ment) but also at any large Towns such as Cuddapah, Combaconum, Madura, Wallajah Nuggur, Arcot &c.-

2. As a subject with which this Office ought to be acquainted - I wish to be thoroughly and authentically informed upon the Civil Abkarry System, its gross and net Revenue in each populous place named, its charges for Collections its Re-gulations or Contracts, the amount of Tax on Spirits relatively with the cost of Pro-duction, the amount of Population and also whether the Tax is lighter among the Scat-tered Villages than when the People are densely concentrated.- Probably

3. Probably there are Records in your Secretary's Office which embrace the above points if so my present communication will not cause any further trouble than the necessity of copying the latest Statistical Reports at Madras and one or two of the Towns above mentioned.

Commissary Genl's Office, Madras, 6th May 1846. (Signed) A. Tulloch C.B. Commissary Genl

Ordered that the following letters be sent in consequence.

To the Collr of Madras. (35)

To The Collector of Madras.

Sir,

A requisition having been made to this Office by the Commissary Genl for detailed information respecting the Abkarry system obtaining within the limits of Madras I am directed by the Board of Revenue to request that you will furnish a general report on the mode in which the Management of the Arrack and Toddy Revenue within your jurisdiction is conducted.

You will also be good enough to submit a Statement shewing the amount of the Gross and net Revenue received therefrom for the last 5 years.

6th May in Cons 1st June 1846.

as well as the extent of the disbursement and of the charges under all heads connected with this branch of the Public Revenue for the same period.

It is also desirable that you should specify the price at which the several descriptions of spirituous liquors at the Madras distillery are sold to the Shop keepers and the proportion which such sale price bears to the Cost of production of the article. In furnishing the report now called for you will be pleased to specify the [illegible] applicable to the administration of the Abkarry Revenue within your Collectorate.

(34-36)

Sir

To the Actg Collr of Cuddapah. The same to Madura, Tanjore and North Arcot.

The Board of Revenue having been requested by the Commissary General to furnish his Department with information regarding the administration of the Abkarry system, especially in respect to the mode and amount of Collection in certain large and populous Towns in the provinces of

of which Cuddapah is one I am directed to request that you will be good enough to submit a report upon the following points as far as the means at your command may enable you to meet the requisition.-

The Board are well aware that it is the practice in your District to dispose of the rents for the Abkarry Revenue by whole Talooks and that the Towns situated within their limits are included in such general rents but as it would appear to be the desire of the Commissary General to ascertain the amount of the Gross and net Revenue derivable from this branch from the Town of Cuddapah itself, they trust that you may on enquiry, be able to frame such calculation as may exhibit the proportion of the Talook rent which may be supposed to be derived from Cusbah Cuddapah for the last 4 or 5 years, shewing at the same time the amount of Charges of any encurred for Collection or other expenses. You will also be pleased to state the minimum price at which the Renters are bound by

the terms of the license issued agreeably to the provision of Regulation I of 1820 to sell the different description of liquors, and what proportion such sale price may be considered to bear to the cost of production. It is also desirable that the extent of the population of the town of Cuddapah should be stated as far as the latest return in your Office may enable an Estimate to be formed on that head.-

Fort St. George.

Sir,

In forwarding the enclosed communication No. 59 dated 16th. March, 1816 from Major General Gibson Commanding Southern Division of the Army I have the honor by order of His Excellency the Commander in Chief to request the particular consideration of the Most Noble the Governor in Council to the Number of Petty Guards in the Tanjore District, and strongly to recommend that the duties required from them be transferred to Peons or that a sufficient number of Military Pensioners be embodied for the purpose.

2. His Excellency directs me to point out not only the severe duty entailed upon the Men, but the serious injury the discipline of the Army sustains by having its Regiments cut up into small parties and scattered about the Country.

3. Whatever other exigencies may arise these Detachments remain as undiminished

undiminished in Number, and not only detract from the general efficiency of the army, but press upon its duties and resources with particular inconvenience when the Commander in Chief is called upon to make movements in advance such as that now in progress in the Presidency of Bengal.

4. His Excellency desires me earnestly to solicit that the Orders of Government may be issued for the Civil Authorities to adopt immediate measures to enable the Guards to be withdrawn and sent back to their Regiments.

The Board of Revenue will be pleased to submit their opinion on the subject of the reference from the Collector of Madras which accompanied the above Proceedings.

(Signed) E. P. Thompson
Secretary to Government

Ordered that the following letter be submitted in reply.

11-12

To the Chief Sec.y to Government. } Stating with reference to the order of Govt. dated 20th May last that the inconvenience anticipated by Messrs. Parry & Co. from the short allowance of time during which the payment of the particular duty under Reg: I 1813 on the rum manufactured by them is allowed to be suspended does not seem likely to be so great as to require that act should be passed for the purpose

To, The Chief Secretary to Government

Sir,

I am directed by the Board of Revenue to acknowledge the receipt of an order of Government No. 5672 20th May last requesting them to submit their opinion upon the subject of the reference from the Collector of Madras which accompanied their Proceedings of the 11th Idem.

2. In their letter of 8th ultimo which forms the subject of the Collectors reference Messrs. Parry and Co. represent "the short allowance of time (six months from the date of importation during

"during which the payment of the particular
"duty of Regulation I 1813 on the sum
"manufactured by them is allowed to be
"suspended."

3.

In reply the Board direct me to observe that the time mentioned is that fixed by Section II Clause II Regulation I 1813 which expressly states that "the payment of the particular import "duty shall be suspended for a period not "exceeding six months from the date of "importation." The terms are explicit, and the provisions of the Clause cannot, the Board presume, be modified so as to allow a more extended period unless an act be passed for the purpose. The inconvenience anticipated does not seem likely to be so great as to require such a measure.

From the Commissioner in Kurnool ... } Sir,

With reference to the

latter part of the Extract from Boards

Proceedings dated 29th January last I

have the honor to inform you that the

balance against the Abkarry Renter

Buvvagonda up to the 11th of May having

Amounted to 18138 Rupees I have thought it advisa-

able to take his farm under Amanie, pending the

orders of the Board. The balance up to the end

of April was 11950, so that one third of the whole

balance is on account of the May Kist. The

Renter has sub-rented the farms in three ta-

looks and in them - I propose to let his

engagements stand only taking the precau-

tion to see that the Amount of the rents

is paid to the Amildar of the talook in-

stead of to the Renter - In Kurnool Cuddab

he has kept the farm under his own manage-

ment and it will therefore be necessary to ter-

it

it in Amany as the season is too far advanced to admit of its being subrented.

Kurnool 16th May 1846. } Signed S. Scott. Commissioner

Order thereon. The Board of Revenue regret to learn the heavy balances outstanding against the Ardhanny Renter Burrawagoud. The attachment of his Farm under the circumstances reported was a matter of obvious necessity. The Board approve the course proposed by the Commissioner of maintaining the existing subrents in three Talooks, and for managing the Farm in the fourth Talook under Amanies.

(24-25)

It is observed that in his letter of 10th January last the Commissioner stated that "competent security had been "given for the whole amount of the rent and "that any balance that may eventually pro- "main at the end of the Fusly could be "realized." The Board request that imme- diate measures be taken for recovering from the Renter and his sureties the balance out- standing at the time of attachment as well as any loss which may accrue upon the Farm to the end of the Fusly.

I have the honor to submit the accompanying Correspondence with the Acting Sub Collector Mr. R. R. Cotton in which he expresses a wish to appeal from my decision in regard to the dismissal of Appasawmiah, his Moonshee in the Magistrates Department.

2. It will be seen Mr. Cotton committed the Moonshee for trial on a charge of corruption before the Sub Criminal Judge who fully acquitted him and at the same time expressed a decided opinion that the case had been "got up" through ill will by a Delayat named Ramasawmy Row who appeared as the 1st Witness. The Moonshee appealed to me against Mr. Cottons decision and taking the same view of his case with the Sub Criminal Judge I could not concur in his dismissal. I apprehend he must necessarily be restored to his Situation with the arrears of his Salary to be paid to him from the date of his removal.

3. It may be right to add that I understand the above 1st Witness Ramasawmy Row has since been also dismissed by Mr Cotton for some misconduct.

Report of the Prisoner Sentenced by the Sub-Criminal Judge in the Zillah of Chittoor the 5th January 1846.-

Number	Name of the Prisoner.	Crime	Sentence.
3 of 1846 By the Acting Joint Magistrate of North Arcot.- Sub Criminal Judge.-	Appasawmiah	Charged with having on different occasions extorted sums of money from Police Peons and other persons by holding out threats in his Official Capacity as a Jeyobnevis to the Joint Magistrate of North Arcot.-	The Prisoner pleaded not guilty both before the Acting Joint Magistrate and Sub Criminal Court.- From the evidence in this case the Sub Criminal Judge is of opinion that the Charge has been got up by the 1st Witness for the purpose of gratifying his rage towards the Prisoner. It appears that during the enquiry into a robbery which had been committed in the house of Lieutenant Boughton Criminal No. 211 of 1845 the Acting Joint Magistrate ordered the 1st Witness to take up all those who were Suspected

suspected: the Prisoner reported to the Acting Joint Magistrate that the 1st Witness was careless in the discharge of his duties, and had not searched properly the house of the 2d Prisoner in No. 211 of 1845 in consequence of which the 1st Witness told the Acting Joint Magistrate that Prisoner had received bribes from several peons &c.- On being questioned by the Sub Criminal Judge the 1st Witness deposed that he had been informed it was the practice of the Prisoner to re.

The Comments regarding the Sentence of the Subordinate Court in the Case referred to, which in his address to his immediate Superior, the Acting Joint Magistrate, Mr. R. P. Cotton, has permitted himself to offer, are considered by the Court of Foujdaree Adalut to be irregular and improper, and it is accordingly resolved to direct the Session Judge of Chittoor to require the Acting Magistrate to return the address in question to the Acting Joint Magistrate.- It is further resolved to point out for the future guidance of the Acting Magistrate that if he deemed himself justified in transmitting the communication of the Subordinate Magistrate

The letter commenting on the decision of the Court was returned by order of the judicial authorities as irregular. The record of the Case is moreover not in my Office but in the Court. I do not consider it necessary that it should be called for as you have stated no particular reason why I should do so, and I have for my guidance the judgement passed in the case by the Sub Court entirely acquitting the prisoner and moreover recording a deliberate opinion that "the "Charge had been got up by the 1st Witness for the "purpose of gratifying his rage towards the Prisoner."

No. 2.-

Translation of an Urzee addressed to C. C. Lovell Esqre Acting Collector of North Arcot by Appasamiah late Javabneevis in the Joint Magistrate's Office on the 5th May 1826.

I beg to state that when I was employed as Javabneevis of the Joint Magistrate a robbery was committed in Mr. Boughton's house at Ranepett, when it was found necessary to search the House of the Prisoner, Shoumoogum, and while the case was under enquiry I was given to understand that one of the Deloyets named Ramasamy Pow committed certain irregularities in it which circumstance I reported to the Joint Magistrate, and that Gentleman being offended with him ordered to search the house of the Prisoner. Upon this the Deloyet maintained an animical feeling towards me and combining with some other Deloyets &ca. my enemies brought a false Complaint to the Joint Magistrate, representing that I received a bribe, and that Gentleman without either enquiring into it properly, or putting the requisite questions had by crediting the mere Statements of the Complainent, made the persons who stated having bribed me, Prosecutors and the real Prosecutors witnesses and without enquiry if there were any witnesses in the case and without any just cause committing me to the Criminal Court. The Sub Criminal Judge however having fully and reasonably enquired into the case, N.S. found that the Charges were got up maliciously, Wherefore dismissed the case and decided that there was no fault attached to me. The Acting Joint Magistrate thereupon started objections to the decision which objection was forwarded through you to the Sub Criminal Judge, and by him to the Court of

Sudr.

Fort St. George 14th June 1826.

Sudr and Foujdary Udalut, through the session Judge, but the Foujdary Court having perused the whole of the proceedings connected with the case, decided that the objections made by the Acting Joint Magistrate were improper and irregular and forwarded their Extract to that effect, copy of which was furnished you by the Judge. I petitioned the Acting Joint Magistrate through the Company's Post on the 19th January and 24th April last to restore me to my situation but was favored with no reply. I have served the Circar for more than 20 years from September 1825, but have been now sadly injured. I therefore beg you will

will peruse the aforesaid decisions, which are in your Office, restore me to my situation and protect me.

Dated 1.

Stating that the Board agree with him that Assapasawmiah Moonshee on the Establishment of the Joint Magistrate must be restored to his Office or transferred to

Fort St. George 4th June 1816

to some place of equal emolument and that the arrears of his salary from the date of his removal must be disbursed to him.

I am directed by the Board of Revenue to acknowledge the receipt of your letter of the 23d Ultimo submitting for their orders copy of a correspondence which has passed between yourself and the Acting Sub Collector and Joint Magistrate respecting a Moonshee on the Magistrates Department of his Office by name Assapasawmiah.

2 From these papers the Board learn that Mr. R. R. Cotton committed Assapasawmiah to take his trial for extortion before the Subordinate Criminal Court. The Sub Criminal Judge fully acquitted the accused and recorded his opinion that the charge against him had been fabricated from malicious motives by one of the Witnesses for the prosecution a view in which you also would appear to concur. It further seems that Mr. Cottons comments upon the decision of the Subordinate Criminal Judge have been laid before the Foujdaree Udalut, who have not seen cause to question the correctness of the conclusions at which the

Fort St. George 4th June 1846.

the latter Officer had assumed in the case. Under these circumstances the Board agree with you that the Moonshee must be restored to his Office, or transferred to some place of equal emolument and that the arrears of his salary from the date of his removal must be disbursed to him.—

3. The Board cannot but remark upon the conduct of Mr. R. R. Cotton in having notwithstanding the view taken of the case by yourself, by the Subordinate Criminal Judge and by the Foujdaree Udalut, opposed the restoration of the Moonshee, and thus needlessly occupied your time and that of the Board by the present reference.—

Turner regarding the seizure of some Columbo Arrack left by him at Ranepett and to submit a correspondence with the Acting Sub Collector Mr. R. R. Cotton on the subject.—

There seems to be no reason to doubt that this was the case Mr. Turner I believe has always been very correct in his transactions connected with the Abkary Farm I beg to recommend that the arrack be ordered to be released from attachment.—

Sir,

I have the honor to inform you that I have placed under the charge of the Police Ameen of Ranneepet 54 Gallons of Columbo Arrack, and requesb instructions as to its disposab.

2 The facts of the case are these, on the 20th February last Mr. Turner who formerly had the Arrack contract here in Fusly 1252, wrote to me requesting I would sign a pass which he enclosed for 60 Gallons of Columbo Arrack and which was then in a house in Ranneepet. Before acceding to his request I deem it proper to call upon him to inform me of the circumstances under which he got it to Arcot, whereupon he replied that it was part of his stock which he should have taken away under a former pass, given him by the late Acting Sub Collector Mr. Shubrick, but that not having room for it in his bandies, he left it behind. On referring to the records in the Office I find that on another party obtaining the Arrack contract in Fusly 1253 Mr. Turner who had the contract the previous fusly continued to sell spirits and so invaded the rights of the Arrack Contractor, when

Mr.

Fort St. George 4th June 1846.

Mr. Shubrick ordered that his liquor should be placed under seal till such time as he could take it away. On the 11th December 1843 Mr. Turner applied to Mr. Shubrick for a pass for all his liquor at Ranneepet, sending a list of the quantity at the same time and Mr. Shubrick gave him a pass for it and issued an order to the Police Ameen to deliver the liquor over to Mr. Turner which he reported having done on the 1st January 1844 on the receipt of Mr. Turners' letter of the 23d Ultimo in which he stated that he left the 60 Gallons behind as he could not carry it away. I called upon the Police Ameen of Ranneepet to report if such was the case and have received his answer in which he states "that the whole of the liquor belonging to Mr. Turner which was under his charge was delivered to and taken away by him, and that neither then or since did Mr. Turner ever inform me him that he had left any behind though he had many opportunities of doing so within the last 2 years. I therefore informed Mr. Turner that he could not be allowed a pass and that I should detain it under Seal till the

the orders of the Revenue Board were received as to its disposal.—

3 On measuring the liquor the Cask was found only to contain 34 Gallons not 60 as stated by Mr. Turner.

Sir,

I have to inform you that I have received instructions from the Acting Collector to

to ascertain the exact quantity of Spirits you have got stored in your Godown and to require you to give full and ample Security that you will not remove it or dispose of it except to the Abkarry Renters, Sub renters, or Officers of Government. Your liquor will consequently have to be examined and measured and on my being informed of its exact quantity the extent of the security required will be intimated to you. Should no objection exist to the acceptance of the security offered by you, you will be furnished with a permit for the Custody of your liquor.—

Sir,

I have been favored with your letter of the 1st Instant No. 37 forwarding Extract from the Proceedings of the Board of Revenue of the 28th Ultimo, requiring information as to whether the Spirits found in Rodrigues Shop were there for the purpose of being sold and whether Mr. Turner is in possession of other liquor exceeding two leaguers and has given the requisite security regarding its sale.—

2. I have the honor to state in reply to the first question, that as the liquor appears to belong to Mr. Turner there are no grounds for supposing it was left in Rodrigues Shop for the purpose of being sold. The Abkarry Renter with whom I spoke on the subject this morning does not allege that it was though he claims it as legally forfeited. I granted Mr. Turner a permit on the 20th July to remove the liquor remaining in his Godown in old Arcot to his house in Ranipett. He ought at the same time to have applied for one for his liquor in the hands of Rodrigues but I do not attribute his omitting to do so to any improper motives.—

3. In reply to the 3rd question I have the honor to state that on receiving your instructions to ascertain the exact quantity of spirits in Mr. Turners' possession I addressed a letter to him acquainting him with them and which as he was absent from Ranipett I sent to the Police Ameen with orders to be delivered to him immediately on his arrival. He has not as yet returned but I believe is shortly expected. A Police peon however in the day time and two at night have in the mean time been placed as a Guard over his Godown for the better protection of the Government Renters.

Sir,

Ranipett

The Police Ameen of Ranipett reports to me that you have 5 full Casks of Arrack in your Godowns containing agreeably to the marks on them 850 Gallons and 10 drams also that you have other smaller casks partly filled, the exact contents of which you are unable to state though you object to have them measured on the plea that the liquor would spoil by exposure to the atmosphere. I should be sorry to order any thing to be done which could in any way injure your liquor but it is necessary for me to know the exact quantity you possess, and as you appear to have filled up the Casks you sent to the Neelgherries by which the liquor must have been exposed to the atmosphere and as I presume without the risk of any bad effects I shall feel obliged by your letting me know what injury you think would be likely to arise to the liquor remaining in your Godowns by being similarly exposed for measuring. I beg you will favor me with your answer with as little delay as possible.—

Sir,

With reference to your reply to my letter of yesterday No. 95. I beg to inform you that I have questioned the Police Ameen regarding the Casks reported to have been partly filled and find he confirms your Statement of their being only one such Cask. The expression in his arzee to me did not distinctly specify whether there was one or more Casks but allowed an inference to be drawn either way, and it happened I inferred wrongly I see no objection in measuring the 5 Casks after you have filled them up as the contents they hold are marked upon them and it will therefore only be necessary to measure the quantity remaining in the separate cask. If the Renters however insist upon it I have directed the Police Ameens to measure one of each sort and to compute the contents of the others by it. The Renters will be informed that they will have to make good any quantity they may waste in spilling. I request therefore you will fill up your Casks and allow the Police Ameen to measure them agreeably to the above instruction

Sir,

I have the honor to acknowledge receipt of Extract from the Proceedings of the Board of Revenue dated the 23d Ultimo calling on me to state my grounds for thinking that Mr. Turners Spirits in the Shop of A. Rodrigues were not intended for sale. In reply I beg to observe that my grounds are those which were expressed

expressed by me in Para 2 of my letter of the 7th Ultimo Viz.t the inability of the Abkarry.r Renter to allege that they were intended for sale, and the fact of their belonging to Mr. Turner It is utterly impossible for me in the absence of convincing proof to imagine for a Moment that Mr. Turner would attempt to trade illicitly in Spirits and I feel assured of your agreeing with me in this respect. I can attribute Mr. Turners omission to apply to me for a permit to remove them on the occasion of his removing his liquor from Arcot to Ranipett to nothing but carelessness or to a belief that the Renters whom he might suppose would be aware that the liquor really belonged to him would not apply for a warrant to have it seized. Rodrigues held a licence under Mr. Turner during the past Fusly and when I issued my warrant it was under the idea that the liquor then in his premises belonged to him and not to Mr. Turner Had I known that it belonged to Mr. Turner I should certainly have refused issuing my warrant and in preference have required him to remove it to his Godown where his other liquor was stored.—

No. 3.

Translation of a Yaked No. 3 Sent by the Acting Sub Collector of North Arcot to the Ranepett Police Ameen dated 23d February 1846.—

Mr. Turner the Abkaary Renter of

of this District for Fusly 1252 has now applied to me for a pass to remove the liquor which is in his possession at Ranepett. On referring to the records of the Hoozoor, it appears that you wrote an Arzee on the 1st January 1844 stating that as Mr. Turner requested the late Acting Sub Collector for a pass in December 1843, for conveying to Neelgherry the whole of the liquor that is with Turner it was granted and an order on the subject was sent to you on the 15th December 1843 accordingly Mr. Turner caused the whole liquor to be carried away. If then Mr. Turner had taken all his liquors away, how comes he to possess any liquor now. Did he then leave any liquor at Ranepett, without carrying his whole stock with him. Did he inform you of it, Were you acquainted with the same, if so what arrangement did you make concerning it, what quantity of liquor was left, You will report all the particulars immediately to Hoozoor. Should you have no knowledge whatever of this case, and have not made any arrangements &ca you will report that circumstance also.—

/Signed/ R. R. Cotton

Translation of an Arzee No. 4 addressed by the Ranepett Police Ameen to the Acting Sub Collector of

of North Arcot dated 21st February 1846.

I have received your Takeed No. 3 dated 23d Instant, reporting that Mr Turner the late Abkarry Renter of the District for Fusly 1252 has requested a pass to remove the liquor which is with him at Ranipett Godown and with reference to instructions before sent on the subject whether Mr. Turner carried away the whole of his liquor or left any. In reply thereto, I beg to inform you that, agreeable to a Takeed No. 22 dated 21st September 1843 from Mr. Shubrick the Acting Sub Collector stating that a letter had been received from the Acting Collector desiring him to take security from Mr Turner the Abkarry and Toddy Renter for Fusly 1252 not to sell the remainder of the liquor to any one, or to secure it in a Godown after the expiration of the year and directing me to take care of the Godown by keeping peons over it, till his arrival, (as it appeared that he was not then at the Station) and to report to Hoozoor as soon as Mr Turner arrived. When the peons were placed over the Godown a Takeed No. 23 dated 22d of the same Month was received directing me to deliver over to Mr Turner on his arrival

at Ranipett a letter written to him requesting to be informed of the quantity of liquor &c. which was in the Godown and to measure the goods and submit a list to Hoozoor. The above Mr. Turner not being at Ranipett then and but arrived on the night of the 8th October. I delivered the letter to him on the 9th and he said that he will show the goods as soon as his Men came and wrote afterwards a letter to the Collector on the 10th asking him for a pass to carry out 750 Gallons of liquor and 350 Gallons of Cale brandy to Neilgherry accordingly a pass was sent. Agreeable to the Takeeds No. 30 dated 10th and No. 33 dated 11th received, directing me to deliver up the liquor as per that pass and to send a list describing the quantity of the remaining liquor. After the transmission on the 15th of the 12 Casks containing liquor as per pass to Neilgherry, I, Cutwals late peon Venkutramum. Mooneyen, and ameenah Hussyksistna Moodely and others who came from the Renter of Fusly 1253, having requested Mr. Turner to state if he had more liquor of any description in any other place in order that we might send the list after measuring it he said that he had no more liquor in any other Bungalows &c. but that we could see the liquors remaining in the Godown, which being opened

and

and shown the Godown situated west to his dwelling Bungalow contained stuff for distilling and soaking liquor. On thoroughly examining we found in one of his rooms placed on frames 3 full Casks and a smaller one and 2 full Casks in a room close to it on west side. On his saying that he had no more liquor, and having desired him to give me a list for the present Renters, mentioning the quantity according to Hoozoor orders, he objected, saying that the quantity was remarked upon the Casks when he first filled them with liquor, that afterwards it might have decreased being soaked in the Casks, that if the above 5 Casks were filled up from the broached Cask and the remainder measured the quantity could be ascertained, the Casks holding a certain quantity as marked on them, that if the whole quantity was measured it would be spoiled. On my reporting the above matter by an Arzee No. 35 dated 16th October 1843, a Yakeed No. 35 dated 19th of the same month was receeived directing me to send a list prepared accordingly agreeably in the account arranged after execution keeping the present Renters' men, and Lowin Cutwals' late peons &c. there were 887¾ Gallons and 10 drams including the remainder after filling up of the liquor to

those other 5 Casks that were deficient from the one that was broached. For having plainly explained the matter by an Arzee No. 38 dated 21th a seal was sent by a Daloyet to secure the room in which the liquor was kept, and a Yakeed No. 36 dated 26th of the Month was receeived directing me to act accordingly Mr. Turner however would not allow this and wrote a letter and I reported the circumstance by an Arzee No. 39 dated 26th of the same Month. an order No. 37 dated 27th was receeived to have the room (in which the liquor was kept) locked and secured by my seal, In the presence of Hoozoor, Duffadar, Daloyet, the Renters peons and Cutwal &c. the above two rooms were locked, sealed and guarded by peon and I reported the matter by an Arzee No. 40 dated 27th In reply thereto a Yakeed No. 40 dated 31st, was receeived instructing me not to place any peons over the rooms in consequence of their being sealed, accordingly I withdrew them. Subsequently an order No. 41 dated 15th December 1843 was receeived directing me to report as Mr. Turner had asked at the Hoozoor for a pass to convey the above liquor to Odacamund and that he had obtained a pass for the whole of his stock, and that the Casks being too large to be packed in Carts he requested to have them emptied into other Casks and in his doing so to take

care

care of it by placing peons &c. and to report to Hoozoor concerning the removal of the whole quantity. Upon which when the liquor was filled up in the Casks (that were to be packed in the Carts as above said) mine and Renters peons were present in order to prevent any fraud in the quantity the whole liquor contained in 5 full Casks and one that was less was filled up in 8 Carts and carried on bandies - and peons were placed till their departure, afterwards those peons came and reported to me the removal from thence of the liquor at 3 O.C. A.M. of the 31st December and which also I reported by an Arzee No. 1 dated 1st January 1841 those circumstances I have brought to your notice.-

2. Mr. Turner it is shown stated that he had no more liquor &c. in any other place but what was in the Godown which circumstance I reported to Hoozoor and after the rooms (in which the liquor was) were sealed as per orders, when he proposed to carry the whole of the liquor to Neelgherry being large Casks

Collector of Madras to protect spirituous Liquors to this station he cannot give them permission to sell them, and I dont hesitate to say that any officer acting under the orders of Government, that would connive at or knowing any person or persons, to sell or retail spirituous Liquor without he or they had a License to do so, ought to be dismissed from the Honorable Company's Service, the Question is simply this Captain Blogg and Major Lawrence was and is well aware that Mr. Potter has no authority to sell spirituous Liquor for his License was taken away by order of Government, It is true he may obtain Liquor by an erroneous Statement, but he cannot sell them, nor remove them without my Sanction, I have taken the exclusive sale of spirituous Liquor of this Zillah up to the 13th of July next. If the 25th Regiment obtained the Brandy and Gin from Madras for the use of the Regiment why did they not take it away with them, they would not leave their Liquor behind them, If the Left wing of H. Majs. 25th Regiment was called on they would be to say that they have no Brandy and Gin in the Lock Hospital at Ramypet. Again, if the above Liquor in question was the property of the Left wing of H. Majs. 25th Regiment how was it removed and protected by false Passes, first from Mr. Potter's Godown or House to the Barracks, and after the Regiment left from thence to the Lock Hospital protected by a Pass signed by Captain Blogg for the use of the Mess of the 7th Light Cavalry, this may appear strange to you Sir, I do assure you that I can prove

prove every word I have written and more too, Captain Blogg and Major Lawrence, I make no doubt but they have strong reasons for screening and upholding Mr. Potter in the Illicit sale of spirituous Liquor. But it ought not to be done at any esspence, I am paying Government £30,000 Pd. per annum, for the exclusive sale of Foreign and Country manufactured Liquors, which Captain Blogg and Major Lawrence are well aware of, Captain Blogg also must be well aware that he is not authorized to grant Passes to protect Spirituous Liquors, bought or sold by any unlicensed Shopkeepers or Petty Merchants, Collectors themselves are not authorized to grant Passes to protect Liquor brought and sold by Petty Merchants much more Captain Blogg. Regulation I Section VII of 1820.

In concluding Sir I beg most respectfully to inform you that should you not deem it necessary to seize the above Liquor that is now deposited in the Lock Hospital the property of the said Mr. Potter I shall without loss of time report the same to the Board of Revenue and to the Most Noble the Marquis of Hastings, for I am persuaded that the Most Noble the Marquis of Hastings would never Countenance such unwarrantable and tyrannical breach of Government Regulations, For the Liquor in question was only removed to the Lock Hospital to avoid suspicion so that they might not be seized by me, A very good cloak for smuggled Liquors they cannot be called any thing else for they was obtained under a false pretence as I have already

already stated which I will prove when required.

Sir

I have the honor to acknowledge the receipt of your letter just received of this days date, and in reply beg to inform you that you have been misinformed by the Police Aumeen, I have 5 leaguers of Arrack Nearly full and one cask I believe contains about 40 Gallons - but I am not certain there might be more or less but I dont think there will be much left out of the above cask after the other 5 Leaguers are filled up which they are not at present nor were they filled up at the time the Police Aumeen came to see them in my Godown, how he came to report to you that there was other Casks in my Godown I am at a loss to know but it appears that the Police Aumeen's Statement is something like the false and Malicious Statement made by the Renters, it appears that the Police Aumeen and the renters are working in each others hands

In regard of the liquor being measured I have no objection if the renters will make up the loss I sustain by such measurement, but what measurement is

there required when the casks are marked - all that is required to be measured is that, that is in the one cask and after the other leaguers are filled up there will be but little left to measure. If you require the whole Quantity measured at one gallon at a time I will fill up the 5 leaguers and hand them over to the Police Aumeen or any other person to measure, but I suspect that they will make good the Quantity they waste, all that I will lose by the evaporation, I shall forego -

I hope this explanation will prove satisfactory -

Sir,

I have the honor to acknowledge the receipt of your letter №19 of this days date, now under reply, and beg to state that the arrack I now require a Pass for, formed part of the Stock mentioned in my letter to Mr. Shubrick of the 11th December 1813, but I regret to say that unavoidably it was left behind in consequence of the Cart then not being able to take it, and has been laying ever since in my Godown, and as I am going to remove my trade from this station it is necessary that I should obtain a Pass for it, as I have no other way of disposing of it only by sending it to my Abkarry farm of Cotacamund.

letter of the 20th Instant, my servant informed me that you told him that you would not grant me a Pass- this I presume is incorrect, after the explanation made in my letter of the 21st Instant, you will see by that explanation that the liquor was not left here for any illicit purpose I was not aware myself that the liquor was left until I got as far as Vellore on my Road to the Neilgherries, and Mr. Shubrick had left this for Chittoor, if he had been here I should have informed him that a small Portion of my liquor had been left behind, but he being at Chittoor, and Myself on the Road I thought it best to say nothing about it for fear I might be detained 8 or 10 days longer which would have subjected me to a very great inconvenience besides loss- of Paying Batta to three sets of Bearers, if I had written to Mr. Shubrick after the liquor had been dispatched stating that the whole of my Stock had been sent off, it would be a different Question, to what it is at present-

Mr. Shubrick ought to have written to me to know if I had taken- all my liquor away if this had been done I should have said it was not-

Directing that some arrack seized from Mr Turner be released and that the pass for which he applied be granted to him.
Dd 4th June 1846

I am directed by the Board of Revenue to acknowledge the receipt of your letter of the 23d Ultimo reporting upon Mr Turner's Petition regarding the seizure of his Arrack and forwarding correspondence between yourself and your Acting Sub Collector on the subject.

2 The Arrack in question is stated by Mr Turner to be part of that for which he obtained a pass for Potacamund in December 1843 and to have been left at Ranepett for want of Carriage. Such being the Cause Mr Turner should have represented the circumstance to the Sub Collector and have taken out a fresh permit for the liquor which he had been unable to remove and his omission to do so is the less excusable in as much as having been himself a Renter he must have been well acquainted with the Abkarry Regulations. As however it appears from your letter

Fort St. George 4th June 1846.

letter that Mr Turner has usually been very correct in his Abkarry transactions, and as you do not suspect any illicit proceedings on his part on the present occasion the Board direct that his arrack be released, and that the pass for which he applied in his letter of 20th February last be granted him.

Sir,

From W. E. Lockhart Esqre
Collector of Salem - - - - -
Relative to the calculation of the 10 years Average Bariz in the proposed Sub Division of Astamungalum in the Jagadanoo Mootah -

With reference to the 1st and 2nd Paras of the Extract from the Board's proceedings under date the 26th March 1846 requiring explanation regarding the calculation of the 10 years average Bariz in the proposed Sub-division of Astamungalum in the Jagadanoo Mootah shewn in the accounts transmitted with my letter of the 6th January last; I have the honor to state for the information of the Board that the practice of taking the average of 10 years Collections for fixing the Bariz on Sub-divisions has been observed in the District

District hitherto or for many years and approved and sanctioned by the Board - The Provisions of Section IX Regulation XXV of 1802 referred to in the above Proceedings which specify that correct accounts of the Zemindary to be departed for a period of time not less than the three years preceding such transfer should be taken but does not define the number of years or object to any extension of the period of time therein specified -

The entire Mootah of Jagadanoo was also subdivided on this principle in 1841. As the present subdivision of Astamungalum has taken place 4 years after the above subdivision 6 years Collections were taken from the above to complete the period of 10 preceding years in the present case upon the Mutual Consent of the Ryots -

With reference to the 4th Para of the Proceedings under acknowledgment referring to Columns 3. 7. 8 of the Enclosures Nos. 1 and 2 in my letter of the 6th January Contrasting the Condition of these divisions from

Fort St. George 4th June 1846.

from the Subsildars' report it is not likely that these two divisions will come under Summary as the profits on the permanent Berij of both is equally divided so as to prevent loss on either side -

Agreeably to the instructions contained in Para 5 the Parties Viz.t Vencataramanien and his brother Aredy: =maranien appeared before me, and were made acquainted with the points noticed by the Board - They consider the difference shewn in the Board's proceedings Calcul.d on the 3, 4, and 5 years average Collec: =tions to be "essentially immaterial," and solicit that the present terms of the Subdivision be sanctioned -

I herewith submit Copy of the depositions given by the parties signifying that in the event of one of these Villages coming under the Circar Management hereafter they agree to relinquish both without reserve; I therefore request the Board's permission to have this subdivision registered in the name of Audinaraniah as per accounts submitted with my letter

To,

Secretary to the
Board of Revenue
Fort St. George,

(44)

From H. M. Blair Esqre
Collector of Canara

Sir,

1. I have the honor to acknowledge the receipt of your letter of the 30th ultimo with enclosures, calling upon me to report as to the practicability of furnishing more accurate information relative to the price lists forwarded quarterly to the Commanding Officer of the Division, so as to afford an effective check upon the charges in the Commissariat Department.

2. Although reference is only made in your letter to the Quarterly Statements furnished to the General of Division I have the honor to observe that there are four separate Statements furnished to the different Military Departments from my Office, Viz:

1. Monthly to the Officer Commanding at Manjalore.
1. Monthly to the Commissariat Officer at Cananore.
1. Quarterly to the Officer Commanding Division and
1. Half Yearly to the Officer Commanding the Division containing the prices of Building Materials.

Submits reports called for by the Board as to the practicability of furnishing more accurate information relative to the price lists forwarded quarterly to the Commanding Officer of the Division, so as to afford an effective check upon the charges in the Commissariat Department.

The

J.C.B.

7645 Fort St. George 4th June 1846.

The second, third and fourth of these Price Lists are made out for the three Stations at Mangalore, Honore and Sedasheigur, and I have lately been called upon by the Commissariat Officer to furnish them also for Pootoor and Sirsy.

3. These Returns are made out much in the same manner as described by the Collector in his letter which is contained in the present correspondence. They are prepared in the first instance by the Curnums of the several towns for which they are required, and forwarded to the Tahsildar, by whom after the necessary examination, they are sent up to the Collectors Office, where they are translated into English, and transmitted to the Officers for whom they are intended. The Curnums proceed to the Bazar at the close of every Month and by enquiry of Bazarmen and from other sources of information they ascertain the actual prices at which the several articles are sold and the prices entered in the Quarterly Statements are the average of the 3 Months comprised in it.

4. There is no reason to doubt that the information furnished is as far as it goes correct, but to constitute a perfect check on the charges by the Commissariat Servants, even an average of the daily prices in each Month would be insufficient. It would be necessary that

Fort St. George 4th June 1846.

that the price on the same day that the purchase was made, should be correctly ascertained. It is also to be observed that where the purchase of any article made for the Government is at all large in proportion to the supply, this would in itself probably raise the price beyond what it had been rated at in the Nirruck.

5. The only plan which I can suggest for improving the Nirrucks is that at Stations where there is a town Cutcherry, he should ascertain the prices every day and insert the average of the Month or of every ten days instead of only ascertaining them once in the Month, but I do not think that it could be done at Stations where there is no particular person whose special business it may be. The Board suggest that it might conduce to greater accuracy if the average market prices rendered by the Merchants of the Cuddalore town at the close of every Market day were included in the Statements furnished to the Military Department. I cannot find that any such Statement has ever been furnished by the Merchants here, but if it were, the plan would no doubt afford more accurate information. The great objection to it is that a daily Statement for 5 Stations would form a very bulky record which would be of little use to the Military

Fort St. George 4th June 1846.

Department at Cannanore unless translated and it would be impossible to furnish such a translation with the meagre Establishment we have here. The only effect would be that the Statements would be carelessly prepared and could only be furnished at irregular intervals as occasional suspension from more important business might afford leisure for writing them out.

6. Upon this subject it occurs to me to suggest whether one or more of the four returns I have mentioned in para 2 might not be dispensed with without inconvenience. The Monthly Statement now sent direct to the Commissariat officer might, for instance, be forwarded through the Officer Commanding the Division and thus render the Quarterly Statement sent to him unnecessary. The Statement of building material might also perhaps be dispensed with.

7. Referring to the observations of the Sub Assistant Commissary General at Bellary in his letter to the Collector. I am inclined to think that it would be of no advantage extending the number of Sorts of the different kind of articles to be entered in the Nirruck. In the particular instance for example referred to by him Capt. Rice in the Nirruck prepared in

in his Office, it appears that there are inserted 11 different sorts including the finest kind chiefly used by Europeans - This must of course tend to increase the average price of the whole number of sorts, and unless frequent purchases of the better kinds are made by the Commissariat, it would be preferable to include in the Statement only those kinds which are in common demand for the use of Government, and on that account the Statement comprising only 3 different sorts, as furnished by the Collector appears to me to be the better of the two as being a better indese of the Current Price of the kinds usually purchased.

Stating with reference to Extract Minutes of Consultation 15th April 1846 calling upon the Board for a clear Statement of all points but finally disposed of on which the Govt. 8th June 1846

Sir. I am directed by the Board of Revenue to acknowledge the receipt of an Extract Minutes of Consultation 15th April 1846 calling upon them for a clear Statement to be laid before Government at an early date shewing all points not finally disposed of on which the

the Board the Government and the Honble the Court of Directors in their despatches in the annual settlement reports have required explanations that from the large and comprehensive nature of the subject the Board regret that they find themselves unable to meet the present requisition of Government.

the Board in reviewing the annual settlement reports from the Provinces, or the Government in their review of the Proceedings of the Board on those reports have required explanation from the local officers - all points involving general principles and connected with general questions of importance noticed more or less fully by the various Collectors which the Government have ordered to be considered by the Board and to be brought before them separately and all points in respect to which the Honorable Court of Directors in their despatches on the annual settlement reports have required explanations and referred further information.

2. Surely the Board direct me to submit for the consideration of this Lordship in Council that, from the large and comprehensive nature of the subject the questions connected with the Land Revenue system of this Presidency which have from time to time been brought to notice by the local Officers and on which further explanation has been required by the various superintending authorities or which have been reserved by them further, discussion

Fort St. George 8th June 1846.

discussion are so numerous that the Board could not hope to embody them in any statement with any approach to accuracy. In a large proportion of the settlement reports of late year, some new points or some local peculiarity has been treated of by the Collectors and the subject noticed more or less prominently by the Board by Government or by the Honorable Court - In some cases the discussion has not been immediately followed up from the comparative unimportance of the subject or from a change of Circumstances rendering its consideration no longer necessary in others such for instance as those connected with the survey question, it has laid over until the general principle on which it depends be disposed of in others again it has for a while been deffered from the pressure of other business. To collect all such points and average them in a clear and correct statement it would be necessary for the Board to scrutinize the settlement reports of 20 Districts for many years. and the proceedings not less numerous of this Office of Government and the Court of Directors upon these

these several papers an extent of search for which it would be impossible for the numbers or officers of the Board to devote the required time except to the almost total observation of their other duties. While however it is with regret that the Board find themselves unable to meet the present requisition of Government they beg to state that it shall be their endeavour to dispose gradually but as rapidly as their means permit of all important Questions yet unfinished, and to furnish at the earliest practicable period the information which may still be required on all points hitherto only particularly elucidated.—

(8)

Proceedings Relative to the settlement of the minor Estates of Sungunnulsah and Coopunn under management in the District of Vizagapatam for fusly 1254 / 1844/45

In the comparative Statement appended to para 2 of the above report the amount of remission granted at the time of settlement in the Sungunnulsah Minor Estate during the period under report is shewn to be Rupees 1161—5—7. This remission is stated to have been rendered necessary from the unfavorable nature

Fort St. George 8th June 1846.—

-iture of the season and was given under the following heads Remission for uncultivated lands 773—9—1
for Crops perished 198—4—2
for loss of produce 189—12—4
1161—5—7

The details of these items of remission are no where given either in the body of the report itself or in the accounts which accompany it. The enclosure No. 2 exhibit the following particulars Demand under Ryoane or Village rent } 971—11—8

For Villages rented for a terms of years } 1314—5—11

11386—1—3

while the entry in the comparative statement annexed to para 2 of the agents report above referred to exhibits the following—
Demand Jeroyettee Fusly 1254 .... 12547—6—10
Remission at settlement .... 1161—5—7

11386—1—3

In the absence of more detailed accounts Court of Wards have no means of knowing whether the remissions in question have been confined to the Villages under Royane system or were extended to those held on rent the agent will therefore be good enough to furnish information for this point and explain the principle upon

Fort St. George 8th June 1846.

upon which these remissions have been granted as well as the practice previously in force in the Zemindary in respect to granting indulgence of this nature under the several heads above specified.—

2. The Court would also point out the defective nature of the Accounts now rendered in respect to the entire omission of the arrears outstanding on this Estate. On referring to the Demand Collection and Balance statement No. 2 which was received with the settlement report for fusly 1253 the total amount of arrears then uncollected extending over a period of 7 years, was Rupees 2295-9-. The sums realized on this account in fusly 1254 appear by the Account Current to have amounted to Rupees 67 only this leaving a remaining balance still due of Rupees 2228-9-. The Agent has from those he particulars on this point or rendered any distinct account which he is requested now to furnish together with any explanation he may have to offer in regard to the conditions of these arrears.— No 3

3 In the 8th para of the report a statement is furnished shewing the result of the settlement of the Coorjum Estate for fusly 1254. From which it appears that Rupees 891- was the extent of remission allowed at the Jummabundy.

Fort St. George 8th June 1846.—

It is further explained that the Villages in this property were chiefly held on rent and that owing to adversity of season the current balance was large at the close of the year. On reffering to the Demand collection and balance statement — which accompanies the report it is seen that the Ryanee Beriz was 435-- and the rented Beriz 11930-9-- 15365-9--

Enclosure No. 2

and it would therefore appear that of the above remissions Viz.t 891 a portion must have been allotted to these Villages which were disposed of on rent - an explanation of the manner in which the remissions have been given in the Coorjum Zemindary is requisite, and the Agent will be good enough to furnish the information at his early convenience and at the same time transmit an account of the arrears due for former years still unadjusted.—

In future account it is desirable that the number of rented Villages should be stated in the accounts as well as the periods for which such rents have been made.—

Ordered that a copy of the foregoing Extract from the Boards Proceedings be submitted to Government and a transcript of the same be forwarded to the Collector of Vizagapatam for his information and guidance.—

From the Asst. Coll.r of Cuddapah.- Forwarding certain Statements and affording the information required respecting the Moturpha tax.-

Sir,

Para 1. With reference to your letter of the 17th ultimo requiring me to report on what occasions the assessment in the Veesabady was fixed in the way I have stated in the 4th Para of my letter dated 17th July 1845 with the date of the correspondence, I have the honor to submit Copies of Statements and an abstract one giving a Comparison between the assessment fixed by Colonel Munro and Mr. Ross shewing the Population of the District, Extent of Trade and supposed profits thereon - Consumption of articles which were prepared at different intervals when Colonel Munro and Mr. Ross were in this District - My remarks referred to by the Board of Revenue in your letter under reply apply to the Statements prepared by the latter Officer - The amount of Double Beriz fixed by Colonel Munro never having been realized has led to the general opinion that the profits on Trade was overrated from whatever causes it would be impossible now to arrive at. The detailed Statement from which the abstract one now submitted must have been prepared, are not to be found in the Records of my Office which have been diligently searched, and the preservation of, which have not for years past been sufficiently attended to. -

2. The Statements shewing the extent of Exports and Imports which must have been ascertained at the times previous to the abolishment of the Sayer - and which must have been taken into Consideration as required by Section III Regulation IV of 1818, are also not to be found in the Records - Mr. Dalzell it would appear did not place much reliance on this mode of fixing the assessment, it being very difficult to ascertain correctly the extent of Trade Merchants carry on - He therefore took the average Collection of 11 years and fixed his Double Beriz a little above it. -

From E. Mattby Esqre Actg Collr of Chingleput & Parl. Reporting the sale of the Choonambocolum Mootah and requesting sanction for disbursing Pas 2195-11-5 on account of its purchase to Government.

Sir,

In reference to your letter of the 8th April I have the honor to report that the Mootah of Choonambocolum comprizing 4 Villages, and paying an annual Peishcush of Rupees 1508-4-5 was put up to public sale on the 22d Ultimo, and purchased by me on account of Government for Rupees 2000-

2. Independently of the above sum being a fair and moderate price for the Estate in reference to the extent of its lands and their capabilities of improvement it appeared to me highly advisable that the purchase should be made on account of Government as the Villages contain ranges of salt pans, & besides a tract of marshy land where spontaneous Salt is produced. The facilities which thus arise for defrauding the Revenue are increased by the proximity of these Villages to the frontier, and the

District authorities will have more efficient means of checking irregularity when the Villages cease to be under Mus=sulmanee management.

3. I therefore request that the purchase may be confirmed, and authority be granted for my disbursing the sum of Rupees 2,195 11 5 on its ac=count. Viz. Rupees 2,000 on account of the purchase, and Rupees 195 11 5 on ac=count of the June kist, which accord=ing to the terms of the advertisement is pay=able by the purchaser. I also request sanction for applying Rupees 831 11 2 of the above sum to the payment of the kists due to Government, and for remitting the remainder or Rupees 1,363 3 3 to the Civil Court at Chinglepet, according to the Courts precept in satisfaction of the decree passed against the Moctahdar.

4. A Statement shewing the particulars of the sale is submitted for the information of the Board.

Ordered that the foregoing letter be submitted with the following address-

To

The Chief Secretary to Government

Sir,

To the Chief Secy. to Government-

Submitting a correspondence with the Acting Collector of Chingleput relative to the sale of the Choonambocolum Mootah in his District by order of the Court and recommending that its purchase on account of Government may be sanctioned and that the Acting Collr. be authorized to dispose of the purchase money as requested by him-

Para.

I am directed by the Board of Revenue to submit for the orders of the Most Noble the Governor in Council the accompanying correspondence with the Acting Collector of Chingleput relative to the sale of the Choonambocolum Mootah in his district-

2. From this it will be seen that the Mootah has been sold by order of the Civil Court of Chingleput, and to meet the amount of a decree against it Viz. Rupees 1809. the Acting Collector under the discretion vested in him by the Board agreeably to the order of Government dated 21st September 1821 purchased the Mootah on account of Government for 2000-0-0 Rupees and now requests authority for disbursing Rupees 2195-11-5 being the purchase money inclusive of Rupees 196-11-5 the 5 June last. which according to the terms of the advertisement was to be paid by the purchaser

3. The arrears of public Revenue against the Estate including the June last amount

Fort St. George 8th June 1840

amount to Rupees 831-11-2. which being deducted from the sale proceeds leaves a balance of Rupees 1364. to be remitted to the Civil Court-

4. The reasons given by the acting Collector in Para 2 of his letter for buying in the Mootah on account of Government seem satisfactory the Board therefore beg to recommend that the purchase may receive the sanction of Government, and that the acting Collector be authorized to dispose of the purchase money as requested by him-

Sir,

To the Chief Secy. to Government-

Submitting correspondence with the Acting Collector of Forts

Para.

I am directed by the Board of Revenue to submit for the orders of the Most Noble the Governor in Council the

North Arcot respecting the sale under precept of Court of the Cauetnugger Zemindary in his Dist: and suggesting that the Acting Collector should receive general authority to purchase the Zemindary on behalf of Government at such a price as may appear to be its probable Value.

From Acting Coll[r] of North Arcot 7th inst: 23 March 1840.
From Do 11th inst: 23 March "
Board to Do 23 March "
From Do 23 May "
In Cons: 1st June "

The accompanying correspondence which has passed between this Office and the Acting Collector of North Arcot respecting the sale under precept of Court of the Cauetnugger Zemindary in his District.

2. From this it will be seen that process has been issued by the Civil Court of Chittore directing the sale of the Cauetnugger Estate in realization of private claims against it amounting to Rupees 238148-8-4. The Acting Collector has consequently attached the Zemindary and has forwarded a sale advertisement under Regulation XXVII 1802 in the usual course for publication in this Office. The Government demand upon the property, arrears, interest, charges and current, calculated to the 6th ultimo is Rupees 114938-14-0 the total liabilities entered in the sale advertisement are therefore Rupees 383087-4-4. At the same time it should be remarked that the sum mentioned

mentioned in the Courts proceedings forms only a portion of the Zemindary private embarrassments. The Civil Judge has stated that there are three more judgement creditors whose claims are to be disposed of, and the private debts due upon the estate were shown by the Board in their report to Government of 5th March 1840 to exceed Nine lacks of Rupees.

3. The sale of the Estate having been ordered by the Civil Court under Section IV Regulation XXVII 1802 it remains only for the revenue authorities under Section V of the same Regulation to determine whether the whole property or a portion of it be brought to auction, and considering the large amount of the demands public and private upon Cauetnugger which must be greatly in excess of what it is likely to realize at public auction the Board cannot hesitate in recommending that the whole Zemindary be put up to sale.

In Cons: 11th May 1840.

4. On the 27th April last the Government transmitted to the Board an address from the Zemindar upon the proposed sale of his property, and requested them to report upon the subject to submit their sentiments

on

in regard to the course which should be pursued by Government in the matter at issue. In the Memorial the Zemindar remonstrates against the orders passed for the sale of his Estate on the grounds first, that this measure has been ordered in virtue of certain Razeenamahs filed by him in Court, which only authorize the appropriation of the surplus proceeds of some of his Villages but do not warrant the sale of any part of his property, and secondly that legal proceedings are pending between himself and his creditors in the Supreme Court. It must be evident that these are questions into which the revenue authorities cannot enter. The sale of the Zemindary has been ordered by the Zillah Court of Chittore after communications with the Judges of the Sudr Udalut, and any objections which the proprietor may have to urge against the proceedings should be addressed to those tribunals. The Zemindar had previous to his application to Government presented a memorial of a similar purport to the Board

Board, and had been referred by them to the Sudr Courts.

5. The public demand outstanding against the Zemindary the large would not considering its resources, have necessitated the sale of the Estate, but as the private embarrassments of the proprietor appear to render that measure unavoidable, the Board cannot but hope that the present opportunity of acquiring the property may not be lost to Government. The Zemindary consists of 1104½ Villages and is situated nearly in the Centre of the North Arcot District. Its surplus revenue after defraying Peishcush and Charges during three years (Fusslies 1251-2-3) of attachment averaged about One Lack of Rupees and the property is believed to have great capabilities for improvement. The Acting Collector states that "it would not perhaps be expedient to "state before-hand the exact amount which "it may be intended to bid on account of Government but he does not expect that the Estate will realize more than about four or five years purchase of the net surplus "income". The Board, like the Acting Collector, are unwilling to name any specific sum as the extent to which the bidding might be

Fort St. George, 8th June, 1840.

be carried on account of Government, lest if the amount should transpire it might have the effect of inducing collusive offers. but so they would suggest that the Acting Collector or should receive general authority to purchase the Cautnuggen Zemindary on behalf of Government at such a price as may appear to be its probable value, and the Board will, a few days prior to the sale with such precautions as shall prevent publicity communicate their views to that Officer in regard to the amount which it would be desirable to bid for the Estate.

The sale of the Estate was originally fixed by the Acting Collector for the 29th Instant but has been postponed by the Board until the 15th proximo. when in which time they would hope to be favoured with the instruction of Government upon the subject.

In reference to the observations of the Acting Collector in Para. 3d of his letter to the Judge of Chittoor 7th March last the Board should perhaps state that the Cautnuggen Zemindary though it may have been continued by the British Government to the present family for special reasons, is yet held under

Fort St. George, 8th June 1840.

under a Sunnudie Melkaut Istimerar, or deed of permanent settlement and is therefore liable under Regulations XXV XXVI 1802 to be sold in satisfaction of Decrees of Court in the same manner as any others Zemindary. Sanction cannot be withheld from the sale if regularly conducted nor can the Peishcush be raised upon the Purchaser.

From the Collr of South Arcot

In the months of March 1844. certain Merchants imported 10 Candies 10 and 151 lbs of Copper Sheets which were classed as 1st Sort, and Valued in the Sea Customs Office of Porto Novo at 215 Rupees per Candy and a Duty of Rupees 201 11 6 was collected on them. A complaint having been immediately preferred to me by the Merchants that the Article was not new, and that its valuation was therefore exorbitant, I made a personal examination in the matter and finding their Statement to be correct, I class'd the Article as 2d Sort, and Valued it at 210 Rupees per Candy without any loss to Government, and accordingly ordered the

the surplus duty amounting to Rupees 28-13-6 to be refunded to them. These transactions having taken place in the same month, the refund of Duty (which is annual) was charged in the accounts according to the actual transactions. I considered it unnecessary to apply for sanction but the Civil Auditor having now retrenched the above amount in his audit of my accounts for Fasly 1253 an extract of which is herewith forwarded, I have the honor to request that you will be pleased to obtain the special sanction of Government for the sum of Rupees 28-13-6 above alluded to.

Sir,

From the Pt Collr of Madura. } Fort St. George

In answer to the Board's circular of the 30th April, received on the 11th May accompanied by correspondence regarding difference between the Nerrees of the Collector of Ballary and those furnished to the Military Board by the Superintendent of Police at that station and requiring more perfect checks upon the charges incurred by the Commissariat Department. I have the honor to inform you the practice which prevailed in this Collectorate of entering prices in the Nerrees manah furnished to the Officers commanding at Madura and Dindigul according to the

7174 Fort St. George, 8th June 1846.

the rates of different discriptions of Grain sold in the Bazars on the last day of the month was modified by my Circular of the 20th June 1839 directing a monthly average to be calculated on the daily selling price of each article in the Bazars which mode is still in continuance, and than no which a better mode does not occur to me-

The Quarterly Returns submitted to the Officer commanding the Southern Division exhibits only the first sort of Rice and Paddy whilst in the Nerrees referred to above are shewn three sorts, and the price for Horse Gram and Bengal is the same in both lists-
