Secretary to the
Government of India

Sir,

I am directed by the Most Noble the Governor in Council to request you will bring under the Consideration of the Government of India the enclosed Copy of a letter from the Board of Revenue giving cover to one from the Collector of South Arcot reporting the demise of an Enamdar in that District named Mahomed Ysauk and

dated 27th April 1846 No. 218.-

and Suggesting arrangements for the disposal of the Enam lands late in his enjoyment in 7 Villages Amounting in all to 136 4/16 Cawnies Assessed at Rupees 479-14-9.-

2. From the details supplied by the Collector and the Board of Revenue it will be observed that the Enam should have long since ceased to exist and that the family of the late incumbent have no claim beyond what their reduced means may seem to require from the bounty of Government.- The Board of Revenue Suggest that the lands in the Village of Keerano be continued on half Teerwah as a life grant in the name of the Widow for the maintenance of herself and Children but His Lordship in Council holds it objectionable and open to abuse that any portion of the Inam should under the Circumstances brought to notice be Continued especially when the members to benefit are incompetent to its management by reason of their Sex and minority and he accordingly recommends that the Value of the proposed Assignment Viz. Rupees 86-7-3 be paid in money as an annual life Pension to the Widow of the deceased from the Public Treasury and the whole of the

Enam

Enam lands incorporated with those belonging to the Government.

Read again letter from A. J. Mathison Esqre dated 11th April 1846.

Explains the circumstances under which he re-instated Veleha Lutchmiah in the Public Service.

Read also the following Extract from the Proceedings of the Board of Revenue

Submits with reference to Extract Minutes of Consultation dated 23d April last a letter from the Collector of Guntoor reporting upon Veleha Lutchmiah's Services in Connexion with the Guntoor District.

Rec'd here Enter 11th June 1846 No. 2916

Para 1. On a review of all papers on this case, the Governor in Council is of opinion that Veleha Lutchmiah has shewn himself all along to be utterly unworthy of public trust. The fact of such serious Charges as bribery and corruption having twice been preferred against him, taken in Connection with his other misdemeanors, affords strong prima facie evidence that there were some good grou

grounds at least for their having been brought forward, while the recorded judgement of two Gentlemen who had every opportunity of sifting the Charges on the Spot leaves little room for doubting the guilt of this individual. The Governor in Council is therefore surprised to find that in the face of all this evidence and in opposition to the unfavorable opinion of Vetcha Lutchmiah expressed by Messrs. Crawford, Oakes and Goldingham on different occasions, the Board of Revenue should have considered so suspicious a Character entitled to the Claims and advantages of an innocent man by pronouncing him eligible for public employ and directing that he shall be provided with a suitable situation on the occurrence of a vacancy.

2. Mr. Mathison's proceeding in having readmitted into the Service a person so utterly unworthy of Confidence as Vetcha Lutchmiah appears to the Governor in Council to have been marked by a want of sound judgment and discretion though his having done so in obedience to the orders of the Board relieves him from any Censure.

Ordered that the following letter be submitted in reply.

To the Chief Secy. to Government Explaining the Board's Proceedings regarding the case of Vetchar Lutchimiah late Sahesildar in the Guntoor Dist.

Recd. 29th July 1846.

In Cons. 11th June 1846.

Sir

Para 1. I am directed by the Board of Revenue to acknowledge the receipt of Extract Minutes of Consultation 30th June 1846 on the subject of Vetcha Lutchmiah late Sahesildar in the Guntoor District.

2. In reply the Board instruct me to state that in submitting the letter from the Collector of Guntoor of the 23d May last on the character and past services of this individual they did not deem it necessary to accompany the report with any observations on the part as it did not occur to them that there were any points connected with the Subject in which their proceedings would have been considered open to objection. As however from the remarks contained in the Extract Minutes Consultation now under acknowledgment the nature and grounds of their proceedings would appear to have been in some degree misapprehended and the propriety of the orders passed by them to have been questioned in consequence they beg leave respectfully to submit the following explanation for the consideration of His Lordship in Council.

In the Extract Minutes of Consulta-

now acknowledged the Government expresses their surprise that in the face of all the evidence brought against V. Lutchmiah and in opposition to the very unfavorable opinion given by Messrs. Crawford, Oakes and Goldingham on different occasions the Board should have considered so suspicious a character entitled to the Claims and advantages of an innocent man by pronouncing him eligible for public employ, and directing that he should be provided with a suitable situation on the occurrence of a Vacancy."

These remarks evidently apply to the order passed by the Board in their Proceedings 8th May 1839 and repeated in their endorsement on V. Lutchmiah's Petition 1003 of 1838. The Board beg to explain that those proceedings were held by them in their Appellate Capacity and the order referred only to the particular act of which the Appellant had been charged and had no reference to any other or previous acts of delinquency of which none were then brought to their notice - V. Lutchmiah at that time Jamadar of the Chinna Ganjam Salt Golaurs in Guntoor had been tried by the Collector of

Fort St. George 27th July 1840.

of that District for extorting a certain sum of Money from the Manufacturers. He had been convicted and had appealed to the Board. The Board reviewed the proceedings of the Collector, and as the evidence adduced in the case seemed to them to be open to much suspicion and the Charge not to have been satisfactorily established they reversed the Collector's decision and at the same time felt it but a simple act of justice to the accused to state the result at which they have arrived in their late enquiry, Viz.

Endorsement.

The Petitioner is referred to the Collector of Guntoor to whom the Board have intimated their opinion that the Charge against him was not proved. The Collector has also been instructed to re-employ him in another situation on the occurrence of a suitable opportunity.

27th Octr. in Cons. 17th Nov. 1838.

that as far as that case was concerned there was nothing to prohibit his re-employment. This order as already stated referred to the single case before the Board and to that only. The Collector had not in any degree

protested the dismissal of V. Lutchmiah on his general character or previous misconduct. His letter also contained no mention of the behaviour of the appellant either during the

Fort St. George 27th July 1846.

the Collectorate of Mr. Oakes or that of Mr. Crawford and in the absence of any Special reference to the Subject the Board could scarcely have recalled events which occurred in Guntoor at periods of which the Most recent was 20 years before the date of the transaction then under their consideration.

5th Under this explanation the Board trust that they shall have shewn to the satisfaction of his Lordship in Council that their orders for the resuspension of D. Lutchmiah were not issued under the circumstances supposed in the Extract Minutes of Consultation now under acknowledgment.

3. The Season of fusly 1254 (1844-45) varied as might be expected in different parts of the District even in Ellore and Covally which lie contiguous to each other, its effects were different. In the former rain fell most opportunely in the Months of July, August, and September, and tho' there was subsequently an entire failure, yet the Supply of Water, small as it was, received by the Tanks, in this Estate from the Pamelair on which they are dependant enabled the Ryots to avail themselves largely of the benefit. In the latter Estate, the quantity of rain which fell and the supply of water received by the Tanks were very limited, in fact there was a failure of rain both at the commencement of the season and subsequently when the crops were in progress.-

4. In Danercottah, heavy rain fell about the period at which Jonna the principal Crop is generally cultivated which was in consequence obstructed, and as regards wet lands the Tanks had not received their usual Supplies, and there was also a failure of rain at the time and place when and where it was much wanted for trans-plantation.-

46. It was found necessary to proceed to a Settlement on the actual division of the produce in the Villages in which the ryots could not be brought to consent to a Settlement on Estimate, as several of the Villages are situated in the immediate vicinity of Colar Lake, and as delay appeared likely to occasion a loss of produce from the freshes coming into it.

49. The extent of Cultivation and the quantity of produce Sarwa and Dalwa in the Villages of the Kyalaloor and Bhoojabalapatam is shewn in the Annexed Marginal Statement, which exhibits a decrease, in the former of Cutties 73—9 and of Candies 1664—5—22 in the latter.

Rents have been concluded for dry lands in 36 Villages for a series of Years Commencing with fusly $\frac{1254}{1844/45}$, but as the Board disapproved Village Rents on the ground that individual Settlements are preferable, the rent amount of dry lands for the fusly under review was included in the Settlement, and measures will be adopted to carry out their orders as far as possible, or if this could not be done, Rents for one year will be introduced.

As the present arrear has accumulated since the first year of the present term, and as the Proprietor has failed to pay any part thereof, and as, from his inability to pay a moiety of the Peishcush, it cannot be expected that he can pay the maximum amount, I think the Village should be put up to sale, for which purpose I shall at the end of the fusly submit the usual advertisement.—

Fort St. George 27th July 1846—

88 It will be seen from the foregoing Statement that tho' some of the Estates fell off, during the period alluded to, a progressive increase occurred upon the aggregate of them under the management of Ramanadha Bauboo until Fasly 1253 (1843-44) in which there was a falling off of about Rupees 8,564—11—6 Compared with that of the preceding years, which is traced to the failure of wet Crops in Candapolly and Sive Islands, as also the unfavorableness of rain to the Jonna Crops in some of the Villages of the Panoogunchaprole and Balavole Purganahs reverted to Ummany— Whether the different results exhibited in the different Estates were occasioned by a laxity of management on the part of Ramanadha Bauboo or to other Causes is a question, which I shall reserve for consideration in the special report which is called for in the Minutes of Consultation dated 13th February and the Board's Proceedings of the 5th March last.

89. The annexed Abstract will shew the settlement and collections within each Fasly together with the subsequent ones on account of the several Estates above enumerated in the four years under report, which amounted to Rupees 23,104-13-11 leaving a balance of Rupees 49,724-11-— at the close of Fasly 1253 (1843-44)—

91. In December 1844 Fusly 1254 these Estates were attached for arrears of Revenue as reported to the Board on the 25th November of that year. The settlement for that fusly being the 1st of Amanie management was effected accord-ing to the engagements previously entered into with the Ryots by Ramanadha Dauboo as ascertained at the date of attachment, the particulars of which will be noticed hereafter.

92 The Total number of Villages in these Estates is 162, of which 48 were held on annual and 91 on Quinquennial and triennial leases commencing from various dates, the remaining 23 are Morasah and agraharums.

93 The following abstract will shew the Demands of the several Estates com-posing the Zemindary which exceeded that of the previous year by Rupees 1772-11-6.

94 The extent of Cultivation as well as the quantity of produce in Fusly 1254/1844-45 compared with the preceding year is shewn in the Margin. It will be observed that there was a decrease in the former but a net Increase in the latter. The Cause of which is to be traced to the effects of season which proved favorable to the Wet lands and the reverse to the Dry ones.

95 In the Estates of Junoogoodroo, Aucoolamanaud and Culdindy which are situated in the Vicinity of Masulipatam and composed almost entirely of wet lands, there was an increase in the extent of cultivation of C 114 — V 12 — P 4, and a decrease of C 71 — V 12 — P 15 in those of Kundegamah &c. There was a similar result

result in the quantity of produce in these particular Estates.—

103 The Settlement for fusly 1254 compared with the Peishcush exhibits a decrease of Rs 4975—1—8 a p, the Causes to which this great falling off is to be attributed, will as already stated, be taken into consideration hereafter in a Separate Report—

104 Referring to the correspondence noted in the Margin, it is to be observed that the Quinquennial leases concluded in the Innoogoodroo and Aukoolamunnaud Purganahs having been disapproved by the Board, the Amount thereof for fusly 1254 is elapsed in the present report under the head of Annual Settlement, and measures

will as far as practicable, be adopted to effect individual settlement or annual leases in those as well as other Estates.—

It will also be observed that

105 the Condapully Purganah was allowed to be managed by the renter for fusly 1254 pending an enquiry into the Competency of the security, which however having since been found inadequate the rent has been annulled and the Management resumed as reported to the Board under date 22d May last, which was approved of in the Board's Proceedings under date 18th Ultimo.—

This Estate tho forming a

Chentalapauty Vuntoo. 106 Dependent portion of the Nundegamah Estate is not virtually so, the Proprietor having been allowed to have direct transactions with Government, not only as regards the payments into the Treasury of Peishcush assessed thereon, but also in rendering an Account of his Management which under the orders of the Board was entrusted to him from fusly 1248 (1838/39) to 1253 (1843/44)

The late Collectors report on this Estate is brought down to fusly 1249 (1839-40) and Consequently, as in the case of Ramanadha Bauboo, I proceed to give a brief Sketch of the result of the Management for the remaining period—

The

107 The following Abstract comprizes the Settlement from fusly 1250 (1840/41) to 1253 (1843/44). It will be seen therefrom, that, taking into consideration the Settlement of the 2 preceding fusslies, — when the Proprietor's Management commenced, a progressive, but slow, increase has resulted up to fusly 1253 (1843/44).—

108 As regards the decrease of fusly 1253, it is ascertained that it has occurred principally in the Sist from Peeroit lands, the cultivation of which appears to have fallen off from the unfavorableness of season

Fort St George 27th July 1816.

Proceed to the attachment of
115. the Weyore and Madoor Pagodas, the Zemindar
conducted a Duingueennial lease from Fusly
1252 to 1256 on Jungle reclaiming rents
1842/43 1846/47 the first year of the rent had elapsed; but
the Ryots of Petitions were not present.
Should, when several Petitions were presented,
ed by the Principal inhabitants complaining
of oppressive collected by compulsory
means and praying that a modification
Should be made, but as the Zemindar was
then in possession of his Estates it was deem-
ed inexpedient to interfere with his manage-
ment.—

Before the date of attach-
116 ment the Ryots exhibited by petitions of deter-
mined resistance to the Settlement of the
Zemindar by forming combinations and refu-
sing to cultivate, and the remov-
ing cattle, the Tahsildar to convince
them of their improper proceeding were entirely
unavailing, in consequence of which a Perwanah
was made with the view of ascertaining
how far their complaints of oppressive
Demands on the Ryots were founded.—

The Zemindar who resided
117. at Madoor at the time was sent for

his readiness to give his assent to any modifi-cation of the assessment, which with reference to existing circumstances might be considered indispensable.-

118. The average of the Zemindars lease amounted to Rupees 95351-14-9- exceeding consider-bly that of 20-10-15 years Revenue- The result of the modifi-cation of the Settle-ment which was ef-fected with reference to the circumstances of each Village is shewn in the Margin and as the resources of Fusly 1254 were unequal to the de-mand, it was pro-vided that a por-tion thereof should be paid in Fusilies 1255 (1845-46) and 1256 (1846-47) The average of which corresponded with that of 5 years from Fusly 1247 (1837-38) to 1251 (1841-42) It appears that the Zemindar was guided in this Settlement by the average from Fusly 1230 (1820-21) to 1239 (1829-30) a period before the famine, whereas the revised one has entire

reference to a subsequent period which it will be observed exceeds the average of 10 years and corresponds nearly with that of 20 years.-

119. This course was necessary not only because the Zemindars collection in the two first years of his lease had fallen considerably below his Settlement as shewn in the Margin, but because it was deemed desirable to reconcile the Ryots to the Veesabady Settlement to which they had been averse, in this view the Zemin-dar signified his entire concurrence and expressed the same in writing.-

120- The expectations found on the revised Settlement, it is satisfactory to observe, have been realized to the fullest extent, as an extended cultivation was carried on which being attended with ade-quate returns and with high prices enabled the Zemindar to raise funds for relieving his Estates from attachment as I shall explain in the sequel.-

121. It is here necessary to observe that the revised Settlement was made in the Month of December of Fusly 1254, but as

as the cultivation of Pyra Crop was not then com-
=pleted and the Jonna Crop had not come to
maturity it was found necessary to enter into a
Stipulation that any excess which might accrue
from further cultivation should be given up
to the Circar, from this source the Sum of
Rupees 7,718-5-5 has been added to the
revised Demand, thus increasing the Settle-
=ment to Rupees 53,523-4-8.-

122 To this is to be added Rupees
4,347-8-11 on account of the wet and dry Lands
under Aumanie, which made the Total De-
=mand for Fusly 1254 amount to Rs 57,870-13-7.-

123. Having stated the causes
and principles of the revised Settlement of
Weyoor and Madoor Parganahs I now pro-
=ceed to give the details of the System of
Management in the other Estates composing
the Zemindary.-

With reference to the correspondence noted in the Margin I have the honor to request authority for the remission of the arrears of assessment noted in the Margin amounting to Rupees 121-14-- which has accumulated on the land purchased by Government from Dr. Hughes for the Guntoor Court House, and also for the exemption from assessment from the Current Fusly of the land in question.

The land forms part of the Vaspa reddy Zemindary and the usual assessment was carried to the accounts of the Estate upto Fusly 1242. The reason why it then ceased to be collected is not clear but there seems now no way of recovering it.

No. 1.

Memorandum on the claim of Dharwar Krishnapha to the Office and the Enams of the Deshpondee of Nundial.

Krishnapha, residing in the Dharwar Country claims a right to the Deshpondaye Enam of Nundial in Hurnaul, on the grounds that the Office of Deshpandaye was always held, and the lands attached to the Office always possessed by his ancestors. He states that Timmiah the last of his family who held the office died about forty years ago, that he himself has never been in this part of the Country before, but that he remembers to have heard that his Father once visited it about fifty years ago. He supports his claim by some old accounts of receipts and disbursements between Fuslies 1154 and 1183, by various letters said to have been written by Goomastas and relations of the family residing at Nundial, and by two Sunnuds, one given by the Padshah of Beejapoor

Beejapoor dated Hijara 1863. in confirmation
apparently of a former sunnud of Balabut
Khan, and granting to Roodrao Siddras Pundit
ancestor of the complainant / his son and
grand son the Village of Nandapully, to
find provision for Travellers cripples &c.
the other by Ghazee a deen Khan, in confirm-
ation of a former sunnud of Nick Nizal Khan
by which Siddoo (supposed to be the same with
Roodrao Siddras) is constituted Deshpandee.
The letters, very few of which throw much light
on the matter, have for the most part, the
Month but not the year in which they are
written, there seems however no reason
to doubt either their antiquity or their
authenticity. Of those to which the complainant
attached most importance are one from
their goomastah Beemajee to Narsingrow
ummajee and Ballajee Siddoo Despondee
of Nundial, informing them that on account
of the troubles caused by Basalut Jung
he could not send any money from the
produce of their enam; another from the same
to the same informing them that of 120 pagodas
net produce, 60 pagodas were sent to them
and 60 paid to Timmajee; another letter is

from

from Timmajee and Timmajee Jakke to the
abovementioned persons, informing them
of the distracted state of the Country, and
telling them that they need be under no
apprehension about their goomastah as
he was an honest man. This is the general
tenor of the other letters.

The person who is at present in
possession of these lands is Ragavendra Row
the adopted Son of a person also named Krish-
-nappah, whose sister was married to Timma-
-nah mentioned above as having died about
forty years ago. She died three years ago and
her Brother Krishnappah a few years before
her. The defendant Ragavendra Row supports
his claim on the grounds of long possession, alleg-
-ing that his father was the rightful Deshpandee,
but he has no sunnuds to strengthen his assertion.

The Nundial Deshpandee enam, con-
-sists at present of 431 acres situated in 26 Vil-
-lages and paying a peishcush of 435 Rupees.
I examined the Reddies and Curnums of
nearly all these villages, but with the excep-
-tion of those in Nundial and Gazoolapilly

no information was to be obtained, no one remembered to have seen Timmah or to have heard of any other Deshpande but the defendants Father. The Curnum of Gazoolpully, who is 80 years old, states that Timmanah died fifty ago, and that his widow Bomanummal succeeded to his rights and privileges as Deshpandee, that her affairs were managed by her Gomastah Venkataroo, that after his death a Goomastah was appointed by the Circar for three years, about which time the Rabob cancelled all the Roosums and fixed the Peshcush at 110 Pagodas and placed the Deshpandee enams in the hands of Deshaye who made Bomanummal an allowance of 25 Pagodas a year. This continued about 10 years, when Bomanummal contrived to get the lands into her own hands and appointed her Brother Krishnapah (defendants Father) her Gomastah, and that upto the present time he never heard of any claim having been brought forward by the Darwar branch of

of the family.

This statement is in the main confirmed by a Curnum and one of the Reddies of Nundial both of whom are old men.

The Deman of the late Circar who was likewise in employ during the time of Nawab alafkhan, states that in consequence of the exactions of the latter, the Deshaye, Stul Deshaye and Deshpandee all absconded, but that they returned shortly after the accession of his son Moonmar Khan, who reduced the burthens his Father had put upon them; and from that time Krishnapah the adopted Father of Raganendra Row was always considered as Deshpandee, not has he ever known any other.

The result of my investigation into this case is that there are grounds for supposing that the Office of the Nundial Deshpandee was formerly in the complainants family, that the last of them who held it died about forty or fifty years ago

ago and that the complainant branch of the family has derived no advantage from the office for the last seventy years, or since July 1183, that being the latest date to which any accounts are produced. On the other hand it is quite clear that the defendant and his Father were for the last 25 or 30 years considered as the Deshpondee by the late Circar though they never received any summud of appointment, and it is probable that the defendants Father obtained the management of the lands and the office in consequence of his relationship to the widow of Simmana the last of the Deshpondee.

Considering that the office of Deshpondee no longer exists except in name, and that the complainant branch of the family has had no connexion with it, or derived any advantage from the enam for so many years, and that the Nawabs of Kurnool were in the habit of resuming all such grants whenever it suited their convenience it hardly

seems desirable to countenance the revival of a claim which has evidently lain dormant for a very long period. If the claim had been worth prosecuting under the late Government it would have been brought forward on the death of Simmana, or if it had been of the nature of an undisputed right, it would naturally have been asserted then as a matter of course. With respect to the present professor Raganendra Row I am of opinion that he has no further claim to the possession than that his adopted Father had the management of, if not the right to, the Deshpondee Enam lands for a number of years, in consideration of which he might perhaps be allowed to keep them during his own life time, but that is a question for the Board to decide.

Proceedings thereon. (29-30)

The Board concur in the opinion expressed by Mr. Scott that under the circumstances set forth in the Memorandum furnished with his letter, the Deshpiandee Enam lands therein referred to should remain in the possession of the present occupant Raganadra Row during his life, on the occasion of a lapse however the circumstances of the Enam and the disputed claim should be again brought to notice for ultimate disposal.

No. 2. I think it proper to send another Memorandum shewing the current years Dowle Bariz Collection and balance as well as the arrears of Kist due to Government from which it will be seen that the Bariz is nearly equal to the demand of Government after deducting the charges Collection under attachments and the expenses incurred for the annicut repair.-

4

The Heirs of the late Mootaleur with the exception of one who has not yet come forward promise to execute an agreement relinquishing all demands against their former sub tenants from Fusly 1250 and also another document relieving them from all liability on account of the Current years' Revenue. When these Deeds shall have been regularly executed I will try my best to realize as much as possible of the recoverable arrears resigned over to Government and afterwards address the Board for permission to remit any final balance that may appear utterly irrecoverable from the Ryots up to the end of Fusly 1255.-

Fort St. George 27th July 1840.

5. I further beg to report that I have this day discontinued the Zuft Establishment and placed the four Villages under the direct Management of the Cuddalore Thasildar allowing him only two Extra Peons @ 3½ Rupees per Mensem to watch the annicut and to conduct the other duties in the Villages. From the Commencement of the ensuing Fusly I propose to incorporate these 4 Villages with the other Pyen Villages of the Cuddalore Talook.-

6. In Conclusion I beg to state that after the sanction of Government is received for the purchase of these Villages I shall take an early opportunity of Communicating with the Civil Engineer and bringing to the Boards notice a project for building a Masonry Annicut to water the lands of this fertile Estate which will be the means of the Estate yielding an annual increase of Revenue to Government of between 2 and 3000 Rupees in addition to the amount hitherto obtained. The cost of the work will be about 6000 Rupees which outlay would not only secure a regular supply of water but also relieve the Government from the annual Charges to be incurred for keeping as hitherto in repair the Mud dam.-

1. I have the honor to state for the information of the Board that agreeably to the orders noted in the Margin proclamations were issued throughout the several talooks of this District inviting persons to contend for prizes for the descriptions of produce thereon mentioned and that on the 28th April the undermentioned individuals appeared before me during the time when the ryots were assembled for the Summabundy and exhibited samples of sugar manufactured by them the quantity of the article manufactured by each being set down opposite his name and the quality designated by the order in which the names stand.

decided by merchants of Trichinopoly in my presence before the assembled ryots and I beg to transmit samples of the two first sorts.

3. A Statement of the cost of the Sugar manufactured by those who stand first in each of the only two talooks in which any was manufactured is herewith transmitted. The very great difference in the expenses as detailed in the two Statements will not fail to attract the notice of the Board. The details of Statement No 2 are not to be relied upon. and I have in vain endeavoured to procure a more correct account. nor would it be politic to press for one. It will be observed that the article manufactured by Chinnasamy Pillay was from cane purchased from the ryots. whereas Arconachellom's was made from canes which he grew on his own land. I have had sugar made for myself by purchasing the canes and hiring every article necessary for its manufacture and I have no doubt that it may be made at a cheaper rate than that stated by Chinnasamy.

4. I cannot expect that the quality of the sugar will be thought very highly of. but as I have been at great pains to attain even the existing degree of perfection and no sugar was made in this District until I procured the people instructions in the way of

of making it. I am not without hopes that it will in the course of a short time be largely produced and as an inducement to this — I solicit the Board's favorable notice of this attempt on the part of the ryots.

5. I have omitted to state that the sugar is the produce of the cane of the Country. I have not yet been able to introduce the cultivation of the Mauritius plant ex- -cept in one instance, and that to a trifling extent by the Tarriore Zemindar owing partly to the reluctance of the ryot to any novelty, partly to the fact that the Mauritius cane is more exposed to the attacks of the jackall than the Country cane in consequence of being protected by a softer rind. The trial however given by the Tarriore Zemindar who has made a few maunds of very good sugar will I hope induce her to persevere.

6. I also forward some specimens of Silk Manufactured at Trichinopoly by a Company of East Indians. The wholequantity produced was only ~~the~~ 52½ but it is I believe of good quality and the project, if persevered in, will, I am persuaded, answer, for tho' the climate of Trichinopoly undoubtedly is not favorable, the results of what has already been done shew that Silk Manufactured here can

can be sold at a remunerating — price.

From the Coll.r of Malabar -- Informing the Board of an offer made by Mr. Brice to rent, for 50 years at the rate of 400 Rupees per annum- the Building-yard No 10 at Cochin, which has for the last 25 years been in the possession of Mr. Guizelar of that place on a lease of 240 Rs. per year- and recommending under circumstances stated, the acceptance of the offer

The building yard No 10 at Cochin (vide the plan which accompanied my letter of the 6th Instant) has for the last 25 years been in the possession of Mr. Guizelar a Shipbuilder on a lease of 240 Rupees per annum according to the tariff fixed by Mr. Assistant Collector Kensington in 1821. I found on my late visit to Cochin that from want of timely repair it had been much encroached on by the river and that from 3 to 4,000 Rupees would be required to place it in a thoroughly efficient condition. Mr. Guizelar offered to incur this outlay if I would make some reduction in the rent hitherto paid and give him the yard on a lease for 30 years, but a far better offer was made by a European Merchant of the place- Mr. Brice - who proposed to reclaim the ground and hold it at an enhanced, in place of a diminished, rent of 400 Rupees per annum on condition of obtaining it

for

Fort Saint George 27th July 1840

for 50 years- This offer is so good that I have no hesitation in recommending its acceptance- The Board will see by my letter to the Fiscal of Cochin, which accompanies, that I have so far as in me lies already agreed to his terms- The letter marked 2 shews that Mr Guizelar declines to raise his offer and is willing to give over the yard, which he holds merely at the Government pleasure, to Mr Brice- A third party came into the field on its being known that the possession of No 10 was in agitation, but his offer was only for a single year during which he proposed to pay 275 Rupees-

Dated 22nd June 1840

From Mr Guizelar to Fiscal dated 2nd June 1840

I solicit the favor of an early reply, as no time should be lost in the preparation of piling materials &c

Calicut 25th June 1840

/Signed/ H. V. Conolly
Collector

P.S. It may not be amiss to add that Mr Brice proposes to make use of the yard for the same purpose as that for which it has been used hitherto. Viz the building of Ships- when the ground which has been encroached on the river is reclaimed he expects to have space for two keels in place of one as at present-

The

The demand for new ships he trusts will increase as the advantages of Cochin are more known in Europe-

Sir

In reference to your communication of the 15th Instant, I request you will inform Mr Brice that I shall be happy to accept the offer which he makes for the building yard No 10 Viz that he repair it to the extent shewn in the plan which accompanied his letter of the 5th Instant (enclosed in yours under reply) and pay a rent of 400 Rupees per annum for it on a lease of 50 years. To save any chance of future difficulty I think it may be well to request the sanction of the Board of Revenue to this arrangement, which I am convinced on however they will willingly ratify- A short delay at this season of the year will not inconvenience Mr Brice, and in fact the Board's reply is sure to arrive sometime ere the ground can be vacated by the present tenant- With reference to this point I will thank you to inform me what notice

Fort Saint George 27th July 1846

notice it will be fair to give the said tenant
I donot wish to deal harshly by him, but it is
clear he should remove with as little delay as
possible. On this matter I request an early answer.

as I consider the terms I offered for No 10

not inclined to give more, and Mr Brice's

Proceedings

Fort Saint George 27th July 1846

Proceedings thereon.

Submitting a letter from the Collector of Malabar communicating an offer made for the lease of a building yard at Cochin stating that the Board cannot for certain reasons recommend the acceptance of the offer and suggesting that as the importance of Cochin as a Ship building station is likely to increase the building yard now applied for and the other building grounds at that place be inspected by the Civil Engineer of the Division and measures taken for carrying out any improvements which may be required at the public expence after which the Tariff of fixing the rent may be revised.

The building yards at Cochin are stated to be ten in number and to be all situated on the banks of the river. about 25 years ago they were inspected, and rents according to their several advantages and capabilities fixed upon them by Mr Kensington an Assistant to the Collector of Malabar whose Tariff has usually though not invariably been adhered to, since that time. The leases as a general rule are revocable at the pleasure of Government but in some few instances more definite periods have from time to time been fixed. The yard to which the letter above recorded relates has been held since the terms of Mr Kensington's Survey by Mr D. Guizelar a Ship builder at the Tariff rate of Rupees 240 per annum. It was originally sufficient for the construction of two large Vessels but from the encroachment of the river there is now only room for one and the expenditure required to reclaim the ground, and to place it in a thoroughly efficient condition is estimated at from Rs 3,000 to 4000. Mr Brice a Merchant of Cochin has

Fort Saint George 27th July 1846

has offered to incur this expense and to hold the ground at an enhanced rent of Rs 400 (180 Rupees above that now paid) on condition of obtaining it on lease for 50 years. The present Tenant is willing to give up the Yard which he holds only from year to year and the Collector advises that Mr. Brice's offer be accepted.—

The Board regret that they cannot recommend the acceptance of Mr. Brice's offer as they do not deem it advisable that a lease of the premises in question should be granted for so long a period as 50 years.— Referring however to the opinion which appears to be entertained, and which seems to have led to the present offer that the importance of Cochin as a Ship building Station is likely to increase, the Board think it very desirable that both the building yard applied for by Mr. Brice and the other building grounds at that place should be carefully inspected by the Civil Engineer of the Division, and measures be taken for carrying out, any improvements which may be required at the public expense, after which the Tariff may be revised— the rents raised where necessary and leases granted if requisite but only for moderate periods.— With this view they resolve to submit the Collector's letter for the orders of the Most Noble the Governor in Council.—

2. The President in Council observes that the Roosoom ought not properly to have been considered hereditary, and even if it were hereditary the last holder died apparently sine prole, and there is no power in a widow by adoption to perpetuate such an allowance.- Under these circumstances His Honor in Council regrets being obliged to decline compliance with the proposition.-

Para 1 I am directed by the Most Noble the Governor in Council to transmit for submission to the Government of India Copy of a letter from the Board of Revenue dated 30th April 1846 on the subject of a Salt Roosoom of Rupees 8-9- per mensem in the Masulipatam District, lately in the enjoyment of one Sencaramma[illegible]ey Ragavendra Charloo who died on the 25th March 1845.-

1 Copy of letter from Board of Revenue
1 Original letter from Collector of Masulipatam with 5 Original Enclosures

2. The Roosoom was originally conferred by the late Native Government for maintenance, confirmed under Sunnuds dated in 1754 and 1760, and continued under the sanction of the Madras Government in 1806, the allowance has therefore been for a long course of years in the family, and is stated to have been regarded as hereditary.-

The deceased left a widow with powers to adopt a son and under this Authority it is represented she has adopted a boy of 10 years of age.- The Board of Revenue suggest that if Government see fit to acknowledge the permanency of

of the allowance it should be registered in the name of the widow for the support of the family but His Lordship in Council in consideration of all the circumstances of the case and with especial regard to the facts that the grant was originally for maintenance of the then incumbent and that the deceased has left no family is disposed to think that it will be sufficient were the Roosoom continued as a life pension from Government for the support of the Widow.

4- Should the Government of India concur in this view His Lordship in Council requests that a pension of the above amount be conferred on the widow Venkoboyemmah in arrears from the 25th March 1845.

Sir.

With reference to my letter of communicating the instructions of the Accountant General to introduce the form of account for unsettled Districts for the Guntoor Zemindaries from the current Official year; I have the honor to state that the Serishtadar now represents the existence of serious impediments to the preparation of such accounts retrospectively from the 1st of May as

Fort St. George 30th July 1846.

as all transactions have been conducted and the accounts already made out as heretofore to the middle of the current month. My establishment are to blame for not having stated these difficulties before the subject was referred to the Accountant General; but as they really exist I have to request the Board's concurrence in deferring the change in the System of accounts to the commencement of the ensuing July 1256.-

2. If my proposition for a fresh subdivision of the Zemindaries into 12 Talooks with an Establishment modified accordingly, has met with approval, it is highly desirable that this alteration should also take effect at the same time, from the 12th July next.-

3. In the meantime the accounts will be forwarded as usual.-

2 Razasahiba was in the receipt of a subsistence yeomah of 2-14-8 per mensem which has remained undrawn since July 1840 inconsequence of the party neglecting under various pretences to appear at Nellore for the purpose of her identity

identity being verified, the smallness of the sum and the fact of her daughter being married to the younger brother of the late exfaggeardar may perhaps have rendered the allowance of but trifling importance, and her absence caused the stoppage of the payment, but subsequent distress caused her to apply for its continuance, and she was directed again to appear, which order she did not obey for some time tho eventually her identity was proved on the 9th January 1845 soon after which on the 8th February she died.-

3. No orders appear to have been issued to discontinue the payment, non attendance on the part of the Claimant only causing the accumulation of the arrears in deposit and Amounting at the time of her death to Rupees 161—3—1.-

4. The admission of the daughter's claim to receive the arrears of her late Mother rests entirely with the Board and Government as an act of indulgence if granted, her identity

identity has been ascertained and she is reported to be in wretched circumstances, the little property which her husband possessed at his death having been appropriated for the payment of his debts and the only property she has, is a small garden the produce of which barely pays for its cultivation; she is sick and lame and is a fit object for Consideration, and should the Board not deem it advisable to recommend the whole amount of arrears to be paid her, I would suggest that one half the sum may be made over to her in consideration of her wants and her near relationship to the late holder of the yeomiah— The Petition is returned.—

From the Collector of Bellary- Reporting the Suspension of the Tahsildar of Howinhudgulee for one month

Sir,

Para 1. I regret to have to report to the Board, that I have thought it necessary to suspend the Amildar of Howinhudgalee. a complaint was made to me some time since that the Amildar had offered some indignity to certain Peons of the Talook and 2 of them appeared before me having had the hair of their Mustaches cut off, having taken up the case in the usual manner under the Provisions of Clause 2d Section III Regulation III of 1819 for abuse of authority a long examination took place during which I regret to state, that such deep falsehood and prevarication was practised, that as a judicial enquiry the proof failed and the case was dismissed It appeared however exceedingly improbable that the Men who were Mufsulmans (and worthless fellows I am afraid they are) should have caused themselves to be shaven, more probable that they submitted willingly, as the witnesses indeed stated, to the operation, intending afterwards to revenge themselves. There is however no proof and the Tahsildar would be entitled to his discharge; but it appeared

an

on the trial that he had committed several irregularities, in one case taking off a Peon's Belt and employing a substitute without authority. I have therefore thought a warning necessary, and have suspended him from Rank and Pay for one Month hoping that he will never again be guilty of such misconduct.-

2. I have treated this case with what the Board may think too great leniency for two reasons. The Tahsildar is a young man of great talent and this is his first offence. I have no reason to think him in any way a violent character He conducted the Settlement with great skill and appears to have been led away by his success, to forget the Rules of the service.- I doubt not the warning will be sufficient, and that he will prove a valuable Public Servant in future. He will however be warned before returning to his duty and that a watchful eye will be kept on his Proceedings.-

Proceedings thereon. The Board observe

(21-22)

that of the graver charges brought against the Tahsildar there is stated to have been no proof. For the Minor irregularities such as taking of a Peon's Belt and employing a substitute without authority it would in their opinion have been sufficient to reprimand the Tahsildar and to warn him to be more careful in future. It is to be feared that suspension may tend to weaken his authority in his Taluk, and encourage his enemies to prefer further malicious charges against him - The Board

Fort St. George 30th July 1846.-

Board will not however disturb the Collector's proceedings but will leave it to him at his discretion to reinstate the Tahsildar in his Taloork either at the expiration of the period for which he has been sentenced or at any earlier date as however the Tahsildar is represented to be a man of ability and a valuable public Servant, and a bad feeling is evidently entertained towards him on the part of some of the subordinate Taloork Officers- Mr. Mellor should be careful to protect him from any cabals or intrigues which may hereafter be formed to his prejudice-

Reporting the death of Sultan Khan and recommending that his Yeomiah be registered in the name of his eldest Son Nooroon Khan also requesting instructions regarding certain Enams lands belonging to the Mosque at Vully Mahomed Puttah which have been improperly mortgaged.-

Enclosure A

Sir,

Para 1.

I have the honor to report for the information of the Board, that one Sultan Khan who was in the receipt of a yeomiah allowance of Rupees 2-10-0 per Month or 31-8-0 per annum from any Treasury on account of the expenses of a Mosque in the Village of Vully Mahomed Puttah near Conjeveram died on the 12th July 1844 leaving the family shewn in the Margin. A genealogical Table is also transmitted

of the three brothers of Sultan Khan the Elder Esa Khan has long been employed in the Army and the other two lived with the deceased - The two widows are sisters the first has a son 16 and a daughter 11 years old the other has two daughters and an infant son.-

It appears that the late

2.

Sultan Khan had for a long time been prevented performing the services of the Mosque by illness and that they were performed by his youngest brother Alum Khan, who

who continues to officiate to this present period
inconsequence of the Minority of the deceased's Sons.-

Copy of Purwanah dated 17th December 1799- Marked B.

3. The enclosed papers shew that this yeomiah was originally granted under a Purwanah of the Mahomedan Government to Peer Mahomed Mouzen at the rate of one and half Annas per Diem or Rupees 31½ per Annum for the support of the Mosque and was confirmed by the Government of Fort St. George to Fouzul Cawn Mouzen. that on the death of that individual the allowance was continued by the Collector of Madras to his Brother Mohomed Hoofsain, on whose demise it was renewed to his son the late sultan Khan. The yeomiah in question was transferred to this Collectorate as per letter from the Collector of Madras dated 28th May 1821.-

Copy of a letter from the Coll.r of Madras dated 28th May 1821 Marked C.-

4. As the yeomiah is granted for the performance of particular services it appears to me not subject to family division and I beg to recommend that it may be registered in the name of Madeen Khan, the eldest son of the deceased, and that until he is of age and qualified for the service, Alum Khan be permitted to continue to perform the duties and receive the prescribed allowance.-

5.- I take this opportunity of bringing

Fort St. George 30th July 1846.-

bringing to the notice of the Board, that in addition to the Yeomiah a grant of 7 Cawnies of Nunjey land were made on perpetual Enam tenure by the Mohomedan Government for the expense of lighting the Mosque and for the maintenance of Peer Mahomed and his descendants who were to perform the office of Pesh Enam and Mouzen as appears by two Purwanahs bearing date 4th Jemadilawul Hizri 1157 A.D. 1744 and 19th Rabilawal Hizri 1161 A.D. 1745 and also by a Summud of Mr. Balfour dated 1st July 1792 authorizing the continuance of 10¾ Cawnies of Summud Maniuym to Peer Mahomed 4th Pesh Enam and Mouzen of the Mosque at Vully Mahomed Pettah. The land in question during the Survey Measurement was found to be 9 11/15 Cawnies and though it has been continued as Enam for the support of the Mosque up to the present period it has not been appropriated to its use, but has been mortgaged to various individuals by the late Sultan Khan and his father Mahomed Hussain.-

Vide Encl.e D.-

6. I beg to transmit the two Purwanahs above alluded to which were produced by the Mortgagees together with a copy and translation of Mr. Balfours Summud.-

Encl.es marked E & F

Encl.e Marked C.-

7. as such an alienation of Enam lands is illegal and it is expedient that the grant should be either applied to the purposes for which it was bestowed or declared forfeited I beg to bring the subject to the notice of the Board and to request their instructions whether the Enam should at once cease or a fixed time be granted to sultan Khan's family for the purpose of redeeming the Mortgages with an understanding that unless this is done the Enam will cease. It is proper to add that the Mosque is reported to be in good repair and the services to be regularly performed in it.-

8. In conclusion I beg to state that some difficulty in procuring the original documents from the Mortgagees has caused delay in bringing the subject before the Board

In respect to the first of the questions to which your letter relates you will have been apprized by the Copy of the Extract Minutes Consultation of the 2d furnished to your Office on the 8th Ultimo that the Government have sanctioned the continuance to Mohedeen Khan of the Yeomiah enjoyed by his late father. It is therefore only necessary to add that the Board approve your proposal that until Mohideen Khan arrives at a competent age Alum Khan should continue to perform the service of the Mosque and to receive the allowance.

3. In regard to the alienation of the Mosque Enam lands the Board quite agree with you that such procedure is altogether improper. They are not however willing that the Enam should be at once assumed but prefer acting upon the suggestion contained in Para 7. of your letter Viz. that a fixed time be granted to Sultan Khans family for the purpose of redeeming the mortgages with an understanding that unless this is done the Enam will

will cease you will therefore be pleased to arrange with the representatives of Sultan Khan the periods within which the Several Mortgages are to be cleared off under penalty of forfeiture of the Enam lands and will report to the Board if the lands are not redeemed and devoted to the proper purpose at the expiration of the allotted periods.

Sir,

Having had occasion to report to the Fouzdaree Adalut, imposition of a fine of 5 Rupees, on the late Head of Police of Canoor on the 22d April, for "neglect or oversight" of their Circular order No. 57, I have been commanded by precept of the 4th Instant to ascertain to which of the two causes the omission was attributable, and if to the latter, to repay the fine Deeming it impossible to ascertain the fact with certainty I have been too happy to attribute it to the latter cause, and request sanction for its repayment.

From the Asst Collector
of Sinnevelly --

Sir,

Para 1-

With reference to the Proceedings of the Board dated the 19th February last, requiring the Collector to report for the information of Government, whether Putchay Mootoo Auvalapah Naicker the late Proprietor of the Pauvaly Zemindary and Valayooda Auva-lapah Naicker, his half brother, were divided or undivided, I have the honor to state that though the half Brother and his Mother lived separately from the deceased Zemindar, yet it appears, that the Division of Interest, which constitutes a divided Family, had not taken place. This I think is conclusively shewn by the enclosed translation of an agreement and counter agreement which passed between them in May 1844 for so far from dis connecting the Family for the future these documents expressly provide for the marriage of Valoyda Naick and his sister being effected at the charge of the Zemindar, and make

make the continuance of the allowance stipulated for the support of Valoyda Naick and his part of the family dependant upon their good conduct.-

2 According to the established usage of this part of the Country, I believe an ancient Zemindary is not divisible, but descends entire to the next heir, who maintains the rest of the Family a rule which appears to have been followed in the present case.

Read the following letter.

To E. P. Thompson Esqre
Secretary to Government
Fort St. George.

Sir,

I am directed to acknowledge the receipt

Fort Saint George 30th July 1846

receipt of your letter No 804 dated the 2d Instant, with enclosures, submitting the recommendation of the Government of Fort St George that the Salt Roosoonns of Rupees 8-9- per mensem enjoyed by the late Sencaraswmchy Ragavendra Charloo be continued to his Widow as a life Pension from the date of his decease, Viz.t the 25th March 1845.-

2. The President in Council observes that the Roosoom ought not properly to have been considered hereditary, and even if it were hereditary the last holder died apparently sine prole, and there is no power in a widow by adoption to perpetuate such an allowance.- Under these circumstances His Honor in Council regrets being obliged to decline compliance with the proposition.-

The original enclosures of your letter are returned.

Sir

Para 1 I am directed by the Most Noble the Governor in Council to transmit for submission to the Government of India Copy of a letter from the Board of Revenue dated 30th April 1846 on the subject of a Salt Roosoom of Rupees 8-9- per mensem in the Masulipatam District, lately in the enjoyment of one Sencaramma[illegible]ey Ragavendra Charloo who died on the 25th March 1845.-

1 Copy of letter from Board of Revenue
1 Original letter from Collector of Masulipatam with 5 Original Enclosures

2. The Roosoom was originally conferred by the late Native Government for maintenance, confirmed under Sunnuds dated in 1754 and 1760, and continued under the sanction of the Madras Government in 1806, the allowance has therefore been for a long course of years in the family, and is stated to have been regarded as hereditary.-

The deceased left a widow with powers to adopt a son and under this Authority it is represented she has adopted a boy of 10 years of age.- The Board of Revenue suggest that if Government see fit to acknowledge the permanency of

of the allowance it should be registered in the name of the widow for the support of the family but His Lordship in Council in consideration of all the circumstances of the case and with especial regard to the facts that the grant was originally for maintenance of the then incumbent and that the deceased has left no family is disposed to think that it will be sufficient were the Roosoom continued as a life pension from Government for the support of the Widow.

4- Should the Government of India concur in this view His Lordship in Council requests that a pension of the above amount be conferred on the widow Venkoboyemmah in arrears from the 25th March 1845.

From the Collr of Guntoor.

Sir. With reference to my letter dated 10th Instant I have the honor to forward for the information of the Board the accompanying Copy of a letter from the Account-ant General dated 15th instant directing the adoption from the Commencement of the Current Official year of the forms in use for unsettled districts for the revenue accounts of the Guntoor Zemindaries which

which have been purchased by Govern=
ment

Guntoor Collectors Cutcherry 18th June 1846 } / Signed / H. Stokes
Collector.

To
H. Stokes Esqre
Collector of
Guntoor.

Sir.

I have the honor to acknowledge the receipt of your letter of the 8th Instant re=
questing instructions as to the Method of exhibiting the accounts of the Guntoor Zemindaries which on the 1st April last were purchased by Government for arrears of Revenue and the sale confirmed on the 12th of last Month.

I concur with you that the measure which has been adopted in respect to these Ze=
mindaries has the effect of placing Guntoor in the situation of an unsettled District, till such period as the Zemindaries are eventually restored to the proprietors and that the Revenue accounts transmitted to this Office should be furnished in the forms of those in use for unsettled Districts. It is evident that a separate account of Revenues and Charges of each Zemindary will necessary to carry out the Measure in Contemplation of their eventual restoration

restoration to the Proprietors. This will be a subsidiary account to be furnished to the Board of Revenue, but financially considered the distinction is not under the present Circum=
stances of the District required to be exhi=
bited in the accounts transmitted to this Office

I may at the same time mention that the new forms of the account cannot be retrospective and that it will be proper, to adopt them from the Commencement of the present Official year.
