Sir,

From Pt Coll[r] of Madura

In returning you the accompanying petition from Cumbiah Kristnapah Naick, Zemindar of Vecramalay in Ramagherry late Maroongapoory talook, forwarded with your letter of 13th August, I have the honor to refer you to my letter of the 1st June 1846, para 6, with the inclosure D shewing that greatly

Returning Petition No 9 of 1846 from the Veeramabay Polligar with Statement shewing necessity for reduction of the Peshcush to enable him to resume charge of it with the expected means for his administration of it and maintenance

Board's Proc[g] 9th Feby 1847

Fort St. George 11th January 1847

improving as the revenues of it had been during the ten years, ending with fusly 1252 / A.D. 1842/43, the average of those 10 years gave a surplus of only Rupees 2,460-10- per Annum above the Peshcush, and that to secure the Zemindar a surplus of 30 per Cent for his administration and maintenance charges, the Peshcush must be reduced. The Minutes consulta-tion of the 30th September, and Boards Proceedings of 14th October 1844, left the question in abeyance, pending the pleasure of the Court of Directors, and as they seem to wish restoration of the estate to the claimant, I should be sorry indeed that my observations on their general improvidence, expenditure and pride should be any bar to the Court's liberality—

From the Dl Collr of Coimbatore

Sir

I have the honor to acknowledge the receipt of extract from the Proceedings of the Board of Revenue dated 21st September last, requiring explanation as to the entry of Rupees 923 under the head of the Civil armed Establishment not included in the fixed Moyenzabitah and also to state the nature of the services performed by the Ghaut Kundachar.

2. As exhibited in the Statement transmitted with my Communication of the 11th August last No 56, the amount of Sibbendy employed for the prevention of the smuggling of Tobacco, and included

in

in the Fixed Moyenzabitah is Rupees 923 the sum appertaining to that portion of the Establishment not included in it being Rupees 762-8-" and not 923 which is incorrect.

3. The Ghaut Kundachar is employed at Palamalay on the Guzzlehutty Ghaut under the Charge of a Darogah who is located at that Station for the protection of Travellers against robbers who infest that wild part of the Country and for other revenue duties.

From Collr of Canara

Forwarding Copy of an address from his Head Sheristedar Krishna Row requesting permission to retire from the Service and recommending the grant of a Shotreum to him in Consideration of the length of his Service.

Sir

I have the honor to enclose copy of an address which has been forwarded to me by Krishna Row the Head Sheristedar of this District. He has for some Months been in a declining state of health and feeling, as he states his inability to continue any longer in the performance of the arduous duties attached to the appointment he holds with credit to himself or advantage to the public service he is desirous of being permitted to retire.

ORIGINAL DESTROYED

2. Krishna Row had entertained the intention of retiring at the commencement of this year when I took charge of the district, but I was particularly desirous of not being deprived of the assistance and advice of so old and respectable a Servant in a district to which I was an entire stranger, and I succeeded in persuading him to continue in office, hoping that some amelioration in his health might take place, but he daily becomes more sensible of a decay in his mental and bodily powers and under these circumstances I cannot in justice to himself and to the Office offer any

Fort St George 11th January 1847

any further opposition to his retirement.

3. The Board will observe that he solicit to have the Grant of a Shotreum conferred upon him in the same manner as it has been to other Head Sheristadars who have been distinguished for the length of their service, and for the zeal and ability with which they have discharged the duties of that Office. He will at the end of this year have served the Honorable Company for the unusually long period of 46 years of which no less than 21 have been as Head Sheristdar and 15 as Nail Sheristedar if in the former period be included the time which he remained under suspension, and which he was allowed to reckon in calculating the period of service which entitled him to the highest rate of allowance.

ORIGINAL DESTROYED

4. The services and character of Krishna Row have, from peculiar circumstances been so prominently and frequently before the Board and Government that it would seem unnecessary for me to enter into a detail of them now particularly as he has appended to his address a detailed reference to the Correspondence

correspondence relating to himself, which already exists on the Boards records. It will be sufficient for me to add that I have been entirely satisfied with him for the short time which I have served in the District; and that I greatly regret the necessity for his now retiring. I venture therefore to hope that his application for a Shrotrium will meet with the Boards favorable consideration, and that it will be supported by its recommendation to Government. There are circumstances connected with Krishna Row public career which will probably be considered to add strength to his other claims to the indulgence he seeks. His long suspension from Office during a period of nearly eight years, although the stain on his character was entirely removed by his honorable acquittal and restoration to Office, was a cause of deep anxiety and distress to him for this protracted period, and in a pecuniary point of view he was also a loser to a large amount for although the balance of the salary of his Office which had not been disbursed to the person who held the Office during his suspension, was refunded to him by orders of the Honorable the Court of Directors yet the sum which he

he thus received fell short of what he would have drawn had he continued in the uninterrupted enjoyment of his Office by no less a sum than Rupees 26,000

5. Krishna Row has no direct male heir but he has adopted his Grandson the son of his daughter. He has adduced however precedents in which this has not been considered to oppose a bar to the grant of a Shrotrium and I hope that these instances will be allowed their due weight in the consideration of his case by Government.

6. He is desirous of retiring from active employment about the end of the present year, and I shall shortly report for the Boards approval the arrangements which I propose to make for supplying the vacancy which will be thus occasioned.

Krishna Row the Head Sheristadar in the Zillah of Canara begs to make the following representation.

He held the high and responsible

responsible situations of the Head Sheristedar &c.
conferred upon him by the Honorable Company
in the Revenue Department from a long time
and conducted these Offices with great Zeal
and respectability. Now he is advanced in age
and defective in his intellect which do not enable
him to carry on his public duties properly. &c.
According to Rules passed in 1816 many persons
applied for the indulgence of Shotrium and
he now likewise begs to apply for the same &c
representing the following points. He begs to
request that your Honble &c consideration of
the length of his services and zealous conduct
will be pleased to recommend him to the
Revenue Board so that he may succeed
in attaining his object.

1. Before the Company's accession
to this place Mr H. Wm Macleod was Collector

After the war was over and the sirnay Captured
Mr Munro descended the Ghauts in order to take
possesion of the Zillah of Canara i.e. Payenah
Ghaut Sirnays &c. On this occasion he took
his father in his Company. After recommending
that his father had discharged properly the duties
of Tahsildar in the territories of the Honorable
Company and that he was a person of good
character his father was appointed Tahsildar
of Cundapoor. At this time he happened to
reach this place and Mr Alexander Reade was
appointed Collector in the Candapoor Division
of this Zillah. This Gentleman was in 1800 pleased
to appoint both them Viz: his father Ram Row
to the situation of Sheristedar of Huzoor and
himself to that of Peishcar of Cundapoor.

2. His father Ram Row conducted
the duties of Sheristedar in the Cutcherry of Mr
Reade up to 1810 Afterwards his father died.
However his family did not get a Shotrium
or any other present &c.

3. Up to the death of his father
he held the following situations Viz: Peishcar
of Candapoor Talook Huzoor Gomastah and
Sheristedar.

Sheristedar of Mangalore Taluk Subsequently to the death of his father the then Nail Sheristedar Somayya was promoted to the situation of Head Sheristedar and the situation of Nail Sheristedar was conferred upon him. From 1810 to 1825 he conducted the duties of the situation of Nail Sheristedar with great assiduity and Zeal and to the full satisfaction of the then Principal Collectors Majrs Reade & Harris and J. Babington.

4.

In 1825 the Head Sheristedar Somayya died. The Principal Collector Mr Babington recommended to the Higher Authorities regarding his abilities and character and he was appointed Head Sheristedar.

5

He held the situation of Head Sheristedar up to 1831. At this time the Ryots of this Zillah formed Roots and according to the report of the Commissioner J. Stokes who came to try the case, himself and 8 others were discharged. The matter was reinvestigated by the Government and it was ascertained that they all 9 persons were not guilty and orders were accordingly issued to reinstate them in their situations. Afterwards the situation of Acting Head Sheristedar

Fort St George 11th January 1847

Sheristedar was conferred upon him which was then vacant in the Zillah of Malabar. He was confirmed in this situation in 1839. Of his pay for the time that he was without employ, after deducting what was paid to the person who acted for him, the balance was caused to be paid to him. The rule provides that a person who served for 20 years as Head Sheristedar should get 200 Star Pagodas and he was accordingly paid that sum. This will be clearly known from the orders issued from the Honorable Higher Courts. This is also well known to your Honor.

6. After the death of Devappa the Head Sheristedar of the Zillah of Canara, Mr Blair recommended to the Higher Authorities that he should be transferred to this place from the Zillah of Malabar as he was a long standing servant in this Zillah and was acquainted with the affairs thereof, accordingly an order was received and he was transferred to his present situation in 1842 which situation he holds up to this time.

Thus his rank was upheld and since 1st November 1840 he receives 200 star Pagodas according to clause second section III of the Government order dated 22nd march 1816.-

9

Ever since your Honor reached this Zillah your honor has been pleased to treat him with great kindness. He regrets very much to separate himself from your Honor He is now 60 years old and consequently affected with various maladies, which have left him entirely in a weak state of mind and body. His days are now getting short and therefore he intends to retire from his public duties.-

10.

In the Madras Presidency many Head Native Servants like him when incapacitated for service obtained Shotrums and other favors and their names are as follows-

1 Mahamud Moopha, 2 Ramchendra Row 3 Govinda Row, 4 Baje Row, 5 Moodoo Row, 6 Appoo Row of Coimbatore, 7 Soobrow, 8 Dasay Nainapah, 9 Naggapah, 10. Beem- Row

Row and 11 Incommuth Row-

He has heard that independent

11

of these individuals many other persons have formerly obtained Shotrums. He is aware that out of the said persons the Coimbatore Head Sheristedar Appoo Row had in 1842 obtained Shotrums till 3 generations consisting of himself his adopted son and grandson- He does not know the particulars as to how the remaining persons have obtained such favors. He earnestly requests that your Honor will be pleased to recommend him to the Higher Court and obtain favorable order for him.-

Orders were received to the effect that Appoo Row of Coimbatore was a Servant of 39 years standing that he obtained his rank by serving as Head Sheristedar for 21 years and that he should be allowed a Shotrum of 375. Rupees per Mouth or Rupees 4500 per year till three generations viz the first the full amount the second two thirds and the third a third one- In the first instance several Villages yielding the above amount were transferred to him- However when he represented that there

Fort St George 11th January 1847

there were objections regarding the cultivation &c the Villages were received back and 375 Rupees paid to him per month from the Treasury in lieu thereof. The Head Sheristedar Madoo Row of Arcot Sookdy has been allowed a Shotrium in the same manner as Appoo Row.

13. Krishna Row's period of services exceeds those of Appoo Row and Madoo Row by 6 and a half years he being a servant of 46 years. Out of this period, for 26 years he had served as Head Sheristedar and has attained his [illegible] He therefore prays your Honor will be good enough to recommend him so that he may succeed in obtaining a larger Shotrium than the one which was allowed to the aforesaid 2 individuals.

14. It appears that the said Appoo Row had addressed a petition praying that he might be allowed his full pay by means of Shotrium of Cash or landed property. It further appears that the Revenue Board had recommended that he should be paid the sum of 2,600 Rupees being 2 thirds of his pay per year, and the indulgence was also granted to Bacha Row. It appears moreover that the Government had issued orders to the following effect. Madoo Row the Head

15. The length of Krishna Row's services and rank as Head Sheristedar exceed those of Appoo Row and Madoo Row. He therefore with sanguine hopes intrudes upon your Honor's valuable moments and with due respect craves your Honor will be pleased to recommend him to the Higher Authorities according to the rule and obtain orders for his getting a boon in Cash or landed property for three generations. This boon exceeding that which was granted to the above two individuals. The compliance with this request rests with your Honor.

From the Collr. of Canara

Proposing to give the office of Hd. Sheristedar in his District to the present Naib Sheristedar Joaquim Fernandes and to appoint as his successor Boojung Row.-

Sir,

With reference to my letter of the 2nd. Instant reporting the desire of Krishna Row to resign the appointment of Head Sheristedar of this District I have now the honor to state the arrangement which I propose with the Board's permission to make for filling up the vacancy which will be thus occasioned.-

2. The claims of the present Naib Sheristedar Joaquim Fernandes to succeed to the appointment are so strong that I do not consider they can be set aside without injustice to him. He is certainly the most

Fort St. George 11th January 1847.-

most able and intelligent public Servant I have yet seen in the District and the Board will observe from the inclosed Statement of his services that he has held the appointment as Acting and Confirmed Naib Sheristedar for a period of about 10 years and that he was for a short time acting as Head Sheristadar in 1841/42. He possesses some high testimonials from different public Officers under whom he has served, and I may add that for many months past the declining health of the Head Sheristadar has thrown a large amount of duty on his hands which he has executed to my entire satisfaction.- I therefore with confidence recommend him for the situation of Head Sheristadar.-

With regard to the manner in which the appointment of Naib Sheristadar should be filled up I have after much reflection come to the conclusion that considerable advantage would be derived from the introduction into the district of a man well experienced in the system of Revenue and accounts of the Ceded Districts. Appointments in the Revenue Department of the Service in Canara have been perhaps too exclusively confined to the natives of this Province as nearly every respectable person

Fort St. George 11th January 1847.-

here is either directly of himself or indirectly through his relations a land holder they are naturally biased more or less by their prejudices in favor of the interests of that class and it would be an additional benefit which I should expect from the introduction of a good servant from another district that he would be uninfluenced by such feelings and unfettered by family interests whilst he might reasonably be expected to give information and suggest improvements by which the Revenue System here would be benefitted.-

I propose therefore to offer the appointment to Boojung Row at present serving as a Tasyldar in the Cuddapah district. He is a man whom I have long known and of whose abilities I entertain a very high opinion particularly as an accountant in which respect I am not aware that I ever met with his superior. He served under me for some time as Moonshee when I was Collector of Cuddapah, and I found him so able and intelligent a servant that I took him afterwards with me to Kurnool where he was employed under me and my successors in the Commission in that Country. He was subsequently employed as a Tasildar in Cuddapah and was last year serving under Mr. Elliot when deputed as Commissioner to Guntoor. To that Gentleman therefore as one of the members of the Board I would beg permission to refer in the hope that he will have no difficulty in confirming the opinion I have expressed respecting the fitness of Boojung Row for the appointment of Naib Sheristadar.-

of the Board's proceedings dated 3d. instant I have the honor to state for the information of the Board that the arrears in the two cases Nos. 23 and 23 have been collected before the sale of Lands and reported to the Board in the Statements which accompanied my Predecessor's letters of the 11th May and 16th September 1845. With regard to Nos. 8. 9 and 24 I have considered it advisable to defer the sale for a time, and allow the defaulters some time longer to discharge the arrears for which they applied on the ground of their poverty which plea appeared on enquiry to be well founded. The lands in Cases Nos. 17-20-25 and 26 being found unsaleable the arrears due on them have been included in the Remissions recommended for sanction in my letter of the 29th October last.-

of the 21st Instant directing me to submit as early as possible the information called for in the Board's Circular dated 20th August last I have the honor to state that immediately on the receipt of that letter I addressed Mr. Poulton the Assistant Timber Agent at Sedasheguer requesting him to assist me in preparing specimens of the different kinds of wood referred to. As he is well acquainted with the subject and has the best means of collecting the specimens of wood I considered that I could not fulfil the orders of Government better than by applying to him. I have not yet however received any reply from him.

2. With respect to the specimens of foliage seeds and blossoms of the several trees I would beg to observe that as the blossom and seed at different seasons it is not a Commission which can be executed hastily and there are so many difficulties in getting them dried and preserved without the assistance of a person who understands the process, that I fear it will be some time before I be able to comply with the requisition. I have myself attempted to preserve

preserve for the purpose the blossoms of the teak but as this tree flowers during the monsoon it is exctremely difficult to dry them during that season and I do not think that the native revenue Servants under me will have been able to do so at all.

3. I will now again address Mr. Poulton on the subject but as the Honorable Court's order has probably been also transmitted to Bombay, I have no hope of being able to furnish any information respecting the timber trees mentioned which will not be procurable there in a much more complete form from Dr. Gibson who besides having a scientific knowledge of the subject has been so recently on a visit to the forests in upper Canara.

Read the following Extract from the Proceedings of the Board of Revenue Relative to the Settlement of the Extra Sources of Revenue in the District of Tinnevelly for Fasly 1255 A. D. 1845/46.

(Here enter 3d December 1846 No. 581)

Para 1. The demand on account of Extra Revenue in Tinnevelly for Fasly 1255 exhibits a net decrease in comparison with that for Fasly 1254 of Rupees 105,315-12-6 under the heads of Abkarry, Small Farms and Motorpha is shewn an increase of Rupees 4,853-7-6 Under all others a decrease of 110,169-4- The trifling increase in Abkarry and Motorpha calls

calls for no remark. The increase of Rupees 4295-5-7 in Sundry small Farms the Collector reports to be entirely derived from Fish rents, and is presumed to be chiefly the consequence of a continuation of the system of letting these rents to the people of the respective Villages. Of the demand for Sundry small Farms amounting to 34938-14-8 the large amount of Rupees 14,868-8- was uncollected at the date of the Collectors report, Rupees 14,867 of this are stated to be due by the Chank Renters, against whom also is outstanding a balance for 1254. The attention of the Acting Collector has been called to this large uncollected demand which it is observed he promises will be in a great "measure realized as soon as the Chanks now "remaining in store amounting to Rupees "4,13,906 in number have been disposed of."—

of 1254. The decrease in Revenue amounting to Rupees 9925-10-9 is solely attributable to the effect of reduced Price throughout the entire Fasly. The management of this important branch of the Extra revenue of Tinnevelly is satisfactory and in the opinion of the Governor in Council creditable to the Officers of the District superintending it.—

3. The decrease of Rupees 6156-10-11 in Sayer and of 10064-4- in stamps are sufficiently accounted for.— The

4. The Sea Customs receipts have fallen from 1,1266-12-6. in Fusly 1254 to Rupees 77,244-2-2 in Fusly 1255. In the former year the duty on Cotton exported to Bengal and Madras amounted to the large sum of Rupees 98,066-15-5. In Fusly 1255 only to Rupees 15,954-5-1 shewing a decrease in this one item of Rupees 82,112-10-4 admitting as a set off to this large decrease increased exportation in Fusly 1255 of Cotton to Bombay as given in the account particulars of decrease in Sea Customs which accompanies the Collectors report at Rupees 1870-12-5. The actual falling off in the export Cotton trade in comparison with the previous Fusly is considerable. The Board do not concur with the Collector in the opinion he expresses that with the present export duty the trade in Cotton will not stand the competition of the Americans and have rightly required the Acting Collector to institute a searching investigation into the subject the result of which with their own observations the Governor in Council desires to have placed before him at an early date.-

6. The Governor in Council sanctions the writing off from the accounts a balance for Fusly 1252-53. and 54 of Moturpha and Fish rents pronounced irrecoverable and amounting to Rupees 93-3-3 Ninety three Rupees, three annas and three Pice.-

Para 1 The Salt sales of Fusly 1264 in the District of Madura produced the highest Revenue on record. In Fusly 1255 they exhibit a decrease of Rupees 18,850-10-6.-

The quantity actually sold in Fusly 1255 was only 5 Garce 130 Measls less than in Fusly 1254. Excepting therefore the value of this amounting to about Rupees 720-. the deficient money result is occasioned by the higher price at which Salt was sold during the early part of Fusly 1254.-

2 Diminished export of Cotton and Chanks and of Paddy consequent on the adverse season of Fusly 1255 caused the Sea-Custom Revenue slightly to decline. The Governor in Council observes with regret a considerable decrease both in the Number of Vessels and Tonnage passing through the Paumban Channel in 1255.-

4 The Settlement of the Land Revenue for fusly 1254, including Dut Rent, amounted to Rupees 185,094-14-10 being in excess of fusly 1253 of Rupees 5,905-5-9. The Collections made on account of the above demands within the fusly amounted to Rupees 181,969-6-8, and the balance of Rupees 3,087-0-4 outstanding at its close has since been reduced to Rupees 6,863-5-4, or about 3/8 per cent of the entire demand. On this subject the Board have furnished in their separate Proceedings of the 16th November 1843 No 602, a very able and interesting report, but the Government have been unwilling to pass any definite orders from the difficulties which appear to beset the question at issue.

7 The Board on entering on this subject have taken a retrospective view of the leading facts connected with it, since 1819/20 the period at which the

Fort St. George 14th January 1847.

the "Tarow" or fixed rent was determined, and which tho' admitted to be in many respects defective, forms the basis of the present fiscal administration, the various attempts made during the intervening periods to substitute a more correct one, having invariably failed or been limited to such temporary and local modifications as particular times or circumstances may have indicated:-

8 The land of Canara is divided into upwards of 50,000 Estates or Farms called "Wurgs" the owners or occupiers of which pay to the Government a Rent supposed to be in proportion to their extent and re-sources. By the "Tarow" this rent was fixed in the case of each Estate but practical ex-perience proving this appraisement to have been in many cases erroneous, soon led to a regular distinction being made between those which could, and those which could not pay the "full Tarow," the one being styled "Bhuntee" or "full paying" the other Kumbhuntee or "less than full paying".

9. Comparing the superficial extent of Canara, its population and pro-ductive capabilities with the Revenue at exacted

Fort St. George 14th January 1847.

exacted from it, the Government have ever felt satisfied that the Province was lightly assessed, this fact still remains unim-pugned but there would seem great reason to believe that the assessment, light on the whole, may press unequally and hea-vily on individuals, while on the other hand, fraud on the part of the owners, or ignorance and fraud combined on the part of the public servants may have placed others in an unduly favorable position. Some, it is clearly proved are rated in the Tarow for more than they can possibly pay, while others have either been originally under rated, or have, since the Tarow ex-tended their proper limits by encroachments on the public lands.-

10. Without following the Board through their detailed account of the operation and effect of these causes, the Governor in Council will content himself with observing, that the plans proposed for remedying the state of things appear to be

1st. A Regular Survey.

2. A revision of the Tarow or rather the formation of a new one based on a careful investigation of the circumstances of

of each Estate, its extent, and resources.-

11. In paras 69 and 70 of their proceedings N° 602 the Board adduce reasons against the present adoption of the 1st or Survey; while in Para 71 they suggest for at least temporary adoption, a plan similar to the 2d as calculated in their opinion to alleviate existing difficulties.-

12 This plan is "the discon-
-tinuance of the specific distinction between "the full paying" and "under paying" Estates "and the formation of the Settlement as in "other Districts with reference to the "resources of the land in each Estate." The Jummabundy accounts being prepared according to a set form furnished by the Board, and care being taken "to ascer-
-tain the outturn of all Estates unable "to pay the full Sarow by special en-
-quires conducted under the supervision "of a responsible Government Officer "who should resort to measurement of "the land in all doubtful cases."

13. In their subsequent Proceedings of the 3d September the Board after reviewing their former opinions with the objections urged by Mr. Blair, observe, that that Officer so far concurs with them

them as to consider it advisable to survey the Estates escheated to Government, and they think that the propriety of applying the same test to those under investigation (Junkhy) and recommended for per-
-manent reduction (Board sefarish) is equally obvious, and so for no reason-
-able objection would probably be offered in any quarter. But they remark that a Patchwork measurement of detached estates would be productive of little permanent good, and would fail to throw light on the disputed question of encroach-
-ments. To be really useful and to be applicable to all practical purposes, such a survey, they state, should be general, but that the difficulties in the way induced them to limit their recommendation to remedial measures, to the reform of the Revenue Accounts, and to the accurate regis-
-try of the lands in their present state.-
They advocate a topographical Survey limited at first to these objects cautiously and gradually extending from Govern-
-ment Estates to those immediately sur-
-rounding, and eventually to the whole area, and think that a survey of this nature

was

Fort St. George 14th Jairuary 1847.

was likely to be favorably received by the Land holders, as affording a clear and authentic definition of their rights, and against such a measure they find the strongest argument in experience.-

Adverting to all that has been urged on the subject by the Board of Revenue, the Governor in Council is sensible of the inconveniences arising from the present system of regulating the Assessment in Canara, and the necessity of adopting some measure calculated eventually to remedy them, and to secure the just dues of the Government. Indeed nothing short of a general and accurate survey of the Canara District seems calculated to serve the important purposes contemplated by the Board, and although the local Officers are agreed in so far as to admit the practicability of applying the measure to the Government lands, the Governor in Council is not yet satisfied that its extension to the neighbouring lands, however cautiously introduced, will, as the Board anticipate, be favorably viewed by the people, or that it could be

prosecuted

Fort St. George 14th January 1847

prosecuted without creating discontent. Some of Mr Blair's observations coming as they do from a local Officer of experience in the District are pertinent to the point, but it is to be remarked that he was not in possession of the Board's Proceedings of the 16th November 1843 which have only been recently communicated to the District, and his observations must therefore be received as having been offered without reference to, or with a full knowledge of the Board's views on the subject.-

Under these circumstances

15

therefore, the Governor in Council is not disposed at present to proceed further in the matter, until the opinion of the present Collector has been obtained, and he accordingly requests the Board will call Mr Blane's attention to the several papers connected with their Proceedings under review, and instruct him to give his deliberate and best consideration to the subject and submit his views at an early a period as may be consistent with the attainment of sufficient local experience. The Board will also desire that

Upon a consideration of all the circumstances set forth in the correspondence submitted by the Board of Revenue in their letters dated the 9th and 14th November 1846 No. 539 and 553, the Governor in Council is of opinion that Mr Jno. D'Vaz, the Head Clerk and Record Keeper in the Cutcherry of the Madras Collectorate has, both by his services

and the Testimonials he has obtained for them fully established a fair claim to increased salary. The amount now drawn by Mr D'Vaz is Rupees 210 per Mensem to which the Collector of Madras recommends such an addition as will make it Rupees 350 per Mensem, the Governor in Council is not prepared at present to assent to the full extent of this proposition but he resolves to bring the correspondence on the subject under the consideration of the Government of India with his strong recommendation that Mr D'Vaz's salary be raised to Rupees (300) Three hundred per Mensem, which will involve an additional expense of only (90) Ninety Rupees per Mensem.

Rajahmundry District. Rajamuggur 20th December 1846. / Signed T. Prendergast Collector.

No. 1.

To The Subordinate Court of Rajahmundry.

A Complaint filed by Merlah Vencanah Plaintiff Cultivator

Cultivator of Valungby and at present residing at Vellore against 1st J. L. Prendergast Esqr. Collector of Rajahmundry 2nd Digavilly Timma. -nayo Naik Shirastadar and 3rd Vandravoo Chelmuk Amuldar of Drachsaram Division and 4th Lona. -pauty Venkanah, and 5th Cancherayo Cannarayo Carnums of Endamoor.

Since the time of my ancestors we have cultivated a Zeroyty land in Endamoor Village attached to Cotah Talook as I am a Payakary ryot living in another Village/and cultivated a large piece of Zeroyty land, the Zemindar granted me half a Pootty of land assessed at 20 Rupees for me and my/ under tenants to build a house to keep our Bullocks in and for other purposes. The rest of this half pootty he remitted and only levied rent on the other land. I have gradually fallen into reduced circumstances and the Estate has come under the management of the Circar servants. In Fusly 1253 I cultivated Zeroyty land bearing Cist 60 Rupees on the promise of the Circar servants to allow me the half Pootty of land as usual. In Fusly 1254 I was unable to cultivate so much but entered into a Mutchilkah for a land bearing the Cist of 480 Rupees from which after deducting

deducting the remission of 20 Rupees for the said half Pootty of land they received from me 400 Rupees and permitted me to keep the produce of the land without any difference. At the commencement of Fusly 1255 with the expectation that they would receive from the Cist of Rupees 460, after the remission in question, I sowed Paddy and Cholum on a part of the land bearing the Cist of 100 Rupees which I retained for myself, leaving the rest of the land viz of the Cist of Rupees 300/ to be cultivated by my Subtenants. In the mean time, the Deputy Ameen of Cotah Talook Streepaty Lutchmeenaraydoo as well as another man named Vamavarapoo Venkatachellum, who came to collect the balances of Fusly 1254 sent for me and required me to tender Muchilkah with a promise that they would perform as in the preceding Fusly. I have in consequence entered into Muchilkah for Fusly 1255 precisely the same as in Fusly 1254. The said Vamavarapoo Ven. -katachellum thereupon demanded from me the amount of 20 Rupees which was remitted to me as usual for Fusly 1254, and placed peons over me for payment of the same. Two persons named Cankerlapooy Narsimarauze and Potumrauze Ankumrauze who were then present agreed to pay that

that Money; and procured my release. Afterwards represented in writing under Regulation 5 of 1822, to the late Collector and the 1st Defendant the said Vanavarayen Venkatachellum and the Peshcar Dhunnavadah Sashia Junmoolo on 15th July 1st and 5th August 1845, to the effect that I would not cultivate the land engaged by me, that the Circar might dispose of it as they pleased, that I should be allowed a share of the produce of the land bearing the Cist of Rupees 180/ which I had sown with the crops, that my Inchulkah should be cancelled, and that I would go away to some other places. Thus I and my Subtenants proceeded along with our Bullocks &c to Veeralunkapully, and Vadoor-pauttah attached to Cottapilly Talook. Meanwhile, I heard, that a Cannastah. in behalf of the Circar had arrived to enquire into the lands cultivated in Endamoor Village and that he and the Curnum and Moonsiff in examining the lands left uncultivated, took an account that my land was left waste with the exception of a portion bearing the Cist of 100 Rupees which I had cultivated with Cooly and Cholum. In proof of this news Received a note of 1st September 1845 bearing the

of the Curnums of Endamoor and the Circar Sanattar Bhogarauze Venkatarutnum, to say that I should come back, and that I should be allowed the remission of 20 Rupees. I answered to this note, that as the season of Cultivation was far advanced, I could not interfere with that land, but if the Sameen the 3d Defendant wrote to me on the subject, I would come and inform him of the whole loss on it. The 3d. Defendant wrote me nothing, but told to my son that I should certainly pay the 100 Rupees for the land cultivated by me according to my agree to Vanavarayen Venkatachellum. My Son having sent me word I came some time afterwards and paid the amount of 100 Rupees by means of a loan through my sons notwithstanding the land did not fetch that sum. Whilst it was thus, as I heard that the 3d Defendant claimed a balance of Rupees 380 against me at the time of Settlement I presented a Petition to the 1st Defendant on 10th July 1845 that by order of the higher authorities he remitted Cist to the ryots in Endamoor Village, as well as in others of the Estate for the land left uncultivated for Fusly 1255 also to the Inaattar ryots, who have Carsens and other means, in similar case,

that

that it is contrary to the orders of the higher authorities to collect solely from me the Cist of the land which I was prevented from cultivating owing to the refusal of the usual Kangiam, that the Cist of the land so left waste, Viz. Rupees 380 should be remitted that I did not sign the Statement of Amaraccum, nor receive the Puttah, and that I had presented an arzee in the way of withdrawal of my Muchilkah. After this the 4th and 5th Defendants placed under attachment on 5th August 1845, 11 Pulla frontiers of my Candoolo Gram valued at Rupees 50 and on 28th of the same month 9 Mulka frontiers of Valavadom and Antragoda Paddy valued at 120 Rupees, saying that the 2nd and 3rd Defendants told them that it was the order of the 1st Defendant. The 2nd Defendant then came to make collections of Cotah Ramachundrapooram and other Estates, and combined with the 3rd Defendant in the said Act. Paddressed by tappal an arzee to the 1st Defendant on 7th September 1845

stating certain circumstances on the subject and awaited his answer in the mean time the 2nd and 3rd Defendants sent for me to Dracharamah, and demanded from me the 380 Rupees by placing me under custody and preventing me from taking meals and drink especially Opium, the not taking which would cause my death. My relations named Mootialah Venkanah, Dr. Suttiah and Merlah Doriah not suffering this distress on my part mortgaged my Bullocks and Cows, and paid them Rupees 185-8-0 on 17th and Rupees 50 on 21st September 1845 in all Rupees 235-8-0 and obtained receipts for the same and procured my release. Paddressed by Tappal an arzee on the subject to the 1st Defendant under date the 22nd September 1845 praying him to release from attachment my Paddy and Candoolo Gram and to return me the said Ready Money received from me. He did not answer my arzee, but on the 9th Instant Received from him an Endorsement of 19th October 1845 along with my Arzee of 7th [illegible] stating that I have [illegible] to cultivate the

the Zeroyty land bearing the Cist of Rupees 480 that a Puttah was issued that the Mutchilkah does not shew the condition of allowing remission for land left waste, that remission was not made in past Fasly that Sam Inaattee, that I should pay according to the Mutchilkah that I myself left the land uncultivated, that the Meonsiff and Pettundars are only entitled to the remission but not the Zeroyty Ryots, and that unless I paid the Money according to the Mutchilkah, the property attached would be put up to sale consequently I beg leave to state that for a length of time, or since the management of the Estate by the Zemmdar, I have been in the habit of cultivating Zeroyty land to the extent of 900 Rupees, and receiving a remission of 20 Rupees for a half Portty of land for the Cottages of the Cattle of myself and my under tenants. But after the Estate came under Circars Management I was reduced to a poor state, and cultivated Zeroyty land for the Cist of Rupees 100 Fasly 1253 and of Rupees 100

Fort St. George 14th January 1847.

and paid the amount after receiving the remission of 20 Rupees but as they took back from me the remission of 20 Rupees allowed for Fasly 1254 I was obliged to present an arzee of withdrawal of the responsibility of the land of the Cist of 480 Rupees. As I had cultivated the land of the Cist of 100 Rupees before I tendered the Mutchilkah, I have of course paid this sum. I did not cultivate the other land and therefore presented the said arzee of withdrawal which also relieved me from the liability of the Mutchilkah tendered by me. I know not how they fixed the demand of 380 Rupees against me, since I have not signed the Amarakum Statement nor received the Puttah. They allowed remission to the Ryots for the lands left uncultivated both in this and in other Villages of the Estate as for myself although I have been prevented from cultivating the land owing to their irregularity they refused to grant me remission, but received from me the said Ready money on the Mortgage of my cattle, and attached my Paddy valued at Rupees 120 and Cumbalee Gram worth Rupees 50 giving me trouble in many ways and fixing a demand against me for the land so left uncultivated. I am therefore

For St. George 14th January 1847

to the Collector and others as a withdrawal of his Moochilka to the effect that the Arzee might dispose of the said land as they pleased with a request that he should be allowed a share of the produce of a part of that land bearing the Asit of 100 Rupees which he Cultivated with Paddy and Cholum, that some time afterwards he paid 100 Rupees being the Asit of the said portion of land Cultivated by him but he was called upon at the time of Settlement for the balance of Rupees 380 which he applied to the Collector to remit as the Asit of the land that he had not Cultivated owing to the refusal of the remission in question, that the 4th and 5th Defendants at the desire of the 2nd and 3d attached the Paddy and Cundalu grain amounting in aggregate to Rupees 176 and the 2d and 3d Defendants sent for him to Bracharam and received from him Rupees 236-8- on Compulsory measures that the Collector granted him an Endorsement dated 19th September 1846 on his argee of 7th of that month saying that he should pay the Asit of his Jeroyettee land Rupees 480 according to the Moochilka which

For St. George 14th January 1847

does not Contain any Condition of allowing him Remission and unless he paid the Money the property attached would be sold &c. and that he had not signed in the amaracum Statement nor received Puttah - Plaintiff therefore prays the Court to examine his witnesses and documents and pass a decree adjudging the Defendants to pay him the 236½ Rupees received from him in Cash together with the attached property Containing Paddy and Cundalu Grain with Costs of Suit -

In reply to the above the Collector begs leave to state that the allegations of the Plaintiff are not true. It is very plain by the Complaint itself that he voluntarily entered into Moochilka for the Jeroyettee land bearing the Asit of Rupees 480 for Fasly 1255 and that he Cultivated a part of it bearing a Asit of Rupees 100 and left the rest waste not through inability to Cultivate it but intentionally under pretence of not being allowed Remission for past fasly 1254 of a sum of Rupees 20 which remained due from him on account of the Asit of that Fasly 1254

and

Fort St. George 14th January 1847

and which was collected by Vanavarapoo Vencata Chellum the Amildar of Inogulloor Talook who was deputed to levy Collections of Colah and Ramachendrapooram Estates for Fusly 1254.

It has not been usual or consistent with the existing law to allow a Ryot to Cultivate a part of the land engaged by him and to quit the rest uncultivated by withdrawing his Moochilkah. No Ryot has ever attempted it or been allowed to quit even the whole land which he engaged during the time of amaracum without the payment of its full Asb. The Moochilka tendered by the Plaintiff does not specify any condition of receiving Asb for a part of the land Cultivated by him and of remitting it for the rest which he left uncultivated. As the Collector knew that the Plaintiff is a mother but a very vexatious and litigious person, he sent for him at the time of settlement fixed the demand of his Asb to the amount of Rupees 476 for the land actually held by him after deducting out of Rupees 480 of his Moochilkah a sum of Rupees 4 for a field occupied by

Fort St. George 14th January 1847

by another Ryot and offered him Puttah but as he intended to refuse it, with a request that he should have a share from the produce yielded, he was then plainly informed that he should receive Puttah as he could not get a share of the produce since he entered into Moochilka for the land on Vifsabady System and that though he refused to receive Puttah he was held answerable to pay the full Asb of the Moochilkah especially as he Cultivated a part of the land. In explaining these circumstances the Puttah was delivered to the Plaintiff through the Moonsiffs and Pettanadar.

With respect to the remission required by the Plaintiff it is to be observed that the Moochilkah of the Plaintiff does not specify that he was to be allowed either the usual remission or that for the land left uncultivated the usual remission has been only allowed to the Village Officers such as Moonsiffs and Pettanadars who attend to the Arcar Collection and other duties but not to the mere Jeroyettee Ryots.

Por. St. George 14th January 1847

The Government used to allow remission through favor in special cases where it was proved that certain poor Ryots through inability to carry on Cultivation left a small portion of their lands waste; whereas the Plaintiff is not a poor Ryot but Mottur, he Cultivated a part of the land of his Moochilka and caused the rest which he intentionally left waste to be grazed on, by his cattle. The Plaintiff fully knew that a Jeroyetter Ryot such as himself could not get usual remission as he has withdrawn a former Complaint which he had

Por. St. George 14th January 1847.

had filed in your Court in Case No. 293 of 1844 for a similar remission on a Jeroyetter land occupied by him in Valingey Village while Pittapoor Zemindary to which it appertains was under Circars Management, as the Collector had then fully proved his Claim to be unusual and inconsistent with the existing law consequently the Court will perceive that Plaintiff brought this Complaint in order to evade the payment of Circars demand due from him. Plaintiff was never allowed any remission since the Village came under Circars anomy Plaintiffs Statement that he has not signed the amara anne Statement is a falsehood

The Plaintiff having absconded without attending before the 3d Defendant, the Dub Shenistadar (who was deputed to make Collection of the estate) for the discharge of the balance of Rupees 376-- due from him after deducting what was collected from the amount of his Moochilka the 3d Defendant has caused to be attached through the 3d 4th & 5th Defendants, the property of the Plaintiff for the liquidation of the same, and finding

For St George 14th January 1847.

that the Plaintiff was at Rajahmundry the 2d Defendant has also sent for him through the Amildar of that Taluk and received from him Rupees 236-8-- not on compulsory measures but of his own accord which will be proved by the Irsalnamahs under his mark and the signatures of the witnesses which he is duly presented in the Cutcherry of the Amildar the 3d Defendant along with the amount as for the remaining balance of Rupees 139-8-- his property containing Paddy and Cumboloo Gram was then held under attachment, but in order to prevent its damage the 3d Defendant the Amildar has since been directed to dispose of the same with reference to your Court's Proceedings upon the motion of the Plaintiff to that effect.

Under the foregoing circumstances the Collector trusts that the Court will be pleased to take the facts of the present case into Consideration and Nonsuit the Plaintiff with Costs. The other Defendants being servants under the Collector's control, this answer may be accepted for them also.

Ordered that the foregoing letter be submitted with the following address

To The Chief Secretary to

To the Chief Secretary to Government &c

Submitting a letter from the Collector of Rajahmundry reporting the institution of Suit No. 10 of 1846 in the Subordinate Court of Rajahmundry against himself and certain of his Revenue Servants and recommending that the Collector may be authorized to put in the answer proposed by him and to defend the action at the public costs

Sir

I am directed by the Board of Revenue to forward for the orders of Government the accompanying letter from the Collector of Rajahmundry (26th December 1846) reporting the institution of a suit (No. 10 of 1846) in the Subordinate Court of Rajahmundry against himself and certain of his Revenue Servants and submitting Copy and translation of the Plaint with draft of the answer which he proposes to file in the case.

From the account of the transaction which has led to the institution of this action as given in the proposed answer it will be perceived that the Plaintiff entered into a Moochilkah or agreement binding himself to Cultivate for Fasly 1255 land of an assessment of 480 Rupees subsequently however under pretext of his not having been allowed a certain remission in the previous Fasly to which by the terms of his Moochilkah

Port St. George 14th January 1847

Moochilkah for that year he does not appear to have been entitled, he Cultivated land to the extent of Rupees 100. Seerwah only, and allowed the Remainder of the land for which he had engaged, to remain waste. He was therefore held to the terms of his agreement when he voluntarily paid Rupees 236—8— in addition to Rupees 100 which had previously been collected from him thus leaving a balance against him of Rupees 139—8— to meet which some grain his property was attached and eventually sold. The present suit has been brought for the recovery of the value of this grain and of all the payments made by the Plaintiff in excess of the sum of 100 Rupees or the Seerwah of the land which he actually Cultivated.

Moochilkah 4 80
Seahos — 4
476
Paid 336—8
Balance 139—8
Land attached by another Ryot

The demand made upon the Plaintiff seems to have been justly due by him, and the proceedings taken by the Collector for its realization appear to have been Regular. The Board therefore beg to recommend that he may be authorized to put in his proposed answer and to defend the action at the public cost both

both as regards himself and the other Defendants.

From the Collector of Nellore — 31 Requesting the Board to recommend the Appointment of an apothecary to the Sub Collectors Establishment instead of a Native dresser

I have the honor to solicit the favorable Consideration of the Board to a request from the Acting Sub Collector relative to the appointment of an apothecary in lieu of a Native dresser to the Medical Charge of his establishment.

2 Ramnapatam the Sub Collectors Station is nearly 50 Miles from Nellore and a Sudden illness requiring professional skill can receive no attention for so long a time, that the most serious consequences may arise in the interim. On several occasions lately the Zillah Surgeon has been called for express to attend cases which the Native dresser was perfectly unable to cope with, and fortunately the superior Medical aid has hitherto arrived in time to save the Patient, but the great anxiety experienced on these occasions and the natural apprehension of a recurrence of illness requiring immediate skilful

Net I

Fort St. George 14th January 1847.

Salt 2 It appears that the actual quantity of Salt sold during the Fusly under review exceeded that of the previous one by Garce 195—1mar 157—3 Pea but that in consequence of the higher price at which the sales were effected in the early part of the former period a comparative decrease of Rupees 1619—7— occurred in the proceeds of those of the latter one, a decrease of Rupees 586—1—2—in the amount of fines forms a total of Rupees 2205—8—2 the receipts within the Fusly under this head, including those from Extra Collections and arrears amounted to Rupees 45902 1—13—2 from which there resulted after a deduction of Rupees 52626—13—9 for charges a Net Revenue of Rupees 406394—15—5 being Rupees 10670—9—10 below that of the preceding Fusly—

3. The Board are glad to learn by the Report that a stop has been put to some extent to the illicit Manufacture of Salt at Porto Novo since its annexation to our territories as evidenced by the increased demand upon the Government Store for its supply—

Sea Customs 4 A large proportion of the Net Increase of Rupees 2702-4-6

Fort St. George 14th January 1847.

in the Sea Customs Revenue occurred upon the exportation of Rice to Ceylon. Quantities Penang and the Mauritius the Net increase of Rupees 7175—4—7. derived from imports appears to have chiefly arisen on Rice Goods and Pepper. Including extra collections and arrears the receipts from the Sea Customs within the Fusly amounted to Rupees 19826 9—14—7. Deducting the disbursements of Rupees 2.351—10—9 there remained a Net Revenue of Rupees 18891 8—15 being Rupees 27402—11—8. More than that realized in Fusly 1254.

Sayer 5. The decrease of Rupees 3891—1—1 in the Sayer Revenue appears to have been chiefly caused by the abolition of the Chowkies on the Longore Frontier of Irangueba on its annexation to our Dominions. Considering the trivial amount of Revenue realized by the tax imposed upon the importation from Karikal of the articles enumerated in the Statement at para 17 of the Collectors Report and the nature of the Relief which its Remission would afford to a poor class of persons the Board beg to support the

Fort St. George 14th January 1847.

the recommendation that for the future no transit duty should be levied upon them on their being brought into the District from Karikal.

Abkary 6. The advance of Rupees 3294—3—8. in the Abkary Revenue above that of Fusly 1254 was occasioned principally by the addition of the rent of the Abkary in Irangueba after its transfer to us. The Net income realized within the Fusly amounted to Rupees 77900—15—1. being Rupees 3337—9—5 more than that of the preceding Fusly.

Moturpha 7. The introduction of the house tax into Irangueba, and an increase in the former number of looms and houses caused a corresponding increase of Rupees 1755—4—6 in that demand, which with the exception of Rupee 1—2½—4 was wholly realized within the Fusly. The Net Revenue amounted to Rupees 41406—13—9. exceeding that of the previous Fusly by Rupees 1821—12—9.

Sundry Small Farms. 8. The aggregate increase of Rupees 945—10—8. in the Settlement of the different items comprised under this head resulted from a decrease of Rupees.

Rupees 68-5-4 in the Fish Rents and
ound of Rupees 191---- on Sayaroot and
on increase of Rupees 1205 on the Chank
Fisheries. Under the circumstances ex-
=plained by the Collector in Para 21 of his
Report, the Board recommend that a
Sanction may be given for writing off
in the accounts the balance of Rupees
776-3 as ound of Rupees 1200 for which
these Fisheries were taken on rent as
being irrecoverable. It appears that not-
withstanding this loss the net revenue
of the Fasly under this head exceeded
that of the last one by Rupees 466-13-10.

Stamps

9 Of the decrease of Rupees
11161-92 in the proceeds of the Sale of
Stamps Rupees 8778-2-0 is attributable
to the abolition of the use of Rawanahs
in the Sayer and Sea Customs Depart-
=ments. The Gross receipts within the
Fasly amounted to Rupees 26670-13--
from which after the deduction of Rupees
1559-11-5 on account of charges there
remained a Net Revenue of Rupees
24510-14-7 being Rupees 10986-14-7
less than that of Fasly 1254.

From the Sub Collector in Charge of Tanjore. Supplying the information called for in Board's letter of 26th October last with respect to certain old Records proposed to be destroyed.

I have the honor to acknowledge the receipt of your letter of the 26th October and to furnish the information therein required as to the expediency of retaining some of the Records proposed to be destroyed by Sir H. Montgomery &c in his letter of the 9th September last.

2. With regard to items Nos 4 and 10 the former are the periodical accounts of the produce daily realized in the harvest of lands under annamy management and are superseded by the abstract of it now on Record, which exhibits the aggregate extent of land cut and the produce realized for a whole month, Calculated on and by condensing the account superseded. The latter Item 10 is the accounts received from the Talooks periodically for every 10 days of the daily State of the Market

Market the average of which is taken as the basis on which the Nerreck for the Car and Peshcumm is founded. & the Statements of this Nerreck are on record, the periodical returns are no longer necessary.

The Tuccavy Moochilcas, 3. excepting such as are Executed by Partici who are in arrears are unnecessary.

Of Items 15 and 16 of No 4. the former are Lists of accounts received from Talooks, which being useless may be destroyed, similar accounts of a later Date having been destroyed on a recent occasion when certain old Records were disposed with. The latter Item 16 is as the Board remark rendered unnecessary by copies of Summuds sent to Talooks recorded in the Collectors Diaries.

I have therefore the honor to request the Sanction of the Board to destroy these old Records in addition to those already ordered to be destroyed.

From the Collr of Trichinopoly

Sir

In acknowledging the receipt (this day) of the Extract from the Boards' Proceedings dated 7th December 1846, in the Matter of an appeal presented by Soobroyen against a decision passed by me under the provisions of Regulation IX of 1822 and calling for information as to the cause of Soobroyen's dismission from Office I have the honor to report that the grounds on which I dismissed him were that having been proved guilty of deceit to the extent mentioned in the Decision I conceived him unworthy any longer to hold an Office of trust.

I have &c Onslow

Proceedings thereon

Informing the Collector of Trichinopoly in reference to his letter of the 21st December last the Board are of opinion that the dismissal of Venkata Soobroyen an Accomptant of the Village of Purravanellore from Office seems to be meerited for and desiring him to restore the accomptant to his former situation.

27-28

The Board have already confirmed by their Proceedings above quoted the decision of the Collector of Trichinopoly as far as regards the fine imposed upon Vencata Soobroyen agreeably to the provisions of Regulation IX of 1822 but under the circumstances of the case, and in the absence of any evidence to shew that he was actuated by fraudulent motives in falsifying the accounts for which he was arraigned, and punished, they do not consider that his dismissal from Office was called for.

The Collector is therefore requested to restore him to his former situation of Accomptant of the Village of Purravanellore.

The following Endorsement is ordered to be passed on his appeal Petition.

"The Board have confirmed the Sentence of fine given against the appellant Vencata Soobroyen, but under the circumstances of the case have remitted that of dismissal from his situation. He is directed to present himself before the Collector of Trichinopoly.

Sir.

In reply to the Board's Proceedings of the 23d received on the 28th ultimo calling for further information on the subject of the Surplus Funds in deposit in favor of the Native Religious and Charitable institutions in Shevagunga and five Collims in the Talook of Ramnaddy Caleky Maroongapoory. I have the honor to submit that the Sums the disbursement of which to them was recommended by me do not form part of the Rupees 80195-6-10 / not 82530-12-10 as shewn in your letter / in the Statement sent to the Accountant General on the 25th April, which point was clearly shewn in my letters under reference-

The Amount of Rupees 133779-15-6 shewn in my letter of the 15th February 1841 as Surplus of the Shevagunga religious institutions comprised the whole balance up to the 11th July preceding including the deposits in the different institutions the outstanding balances due from Paddy Contractors value if grain that remained unsold & the Amount in deposit in my treasury was the accumulations from the Surplus funds of the above institutions prior to relinquishment of the Dawstanums and their Endowments to the trustees-

It may not be out of place to mention here that the Sum of Rupees 80195-6-10 includes a Surplus of Rupees 5216-4-3. from Paramanoor & 7 Allages Endowments of the Emendatelu Dawstanums & in the Shevagunga Zemindary as duly shewn in a Memorandum furnished to the Accountant General on the 13th Instant-

To The Principal Collector of Madura

To the Asst. Collr of Madura 31

Calling for further Explanation on certain points connected with the Surplus Funds in deposit in his Treasury on account of the Zemindary Dawstanums in his District-

Sir.

In your letter of the 31st August last on the subject of the Surplus Funds in Deposit in your Treasury on account of the Zemindary Dawstanums of your District those accumulations were stated to be as under-

On account of the Shevagunga Dawstanums Exclusive of the Chuttrums Funds	23936-4-8
On account of the Paramalie Dawstanums	1067-6-9
On account of the Dawstanums in the five Zemindaries in the Maroongapoory Talook to the 31st March 1846	9664-13-10
On account of Do from 1st April to 29th August	3239-0-2
Total	46908-3-5

of which amount you recommended that the Sums in Deposit on account of the Paramalie Dawstanums and those in the Shevagunga and Mooroongapoory Zemindaries in all Rupees 41384-0-10 should be made over to the Zemindar and

and to the Tundamand respectively-

2. In their proceedings of 22d October 1846 the Board requested to be informed whether the sums referred to in your letters formed part of the amount (82,530-12-10 on deducting the probable expenditure required 80,195-6-10) returned by you to the Accountant General as the amount of the Dawstanums accumulations in deposit in your Treasury on the 31st March 1846- In your reply of 17th November you answered that the sums the disbursement of which you have recommended did not form part of that amount- You stated however para 3, that in that amount was included a surplus of Rupees 5,216-4-3 from the Paramanoor &c Villages endowments of the Greenatchie Dawstanums &c in the Shevagunga Zemindary.

In Cont. 16th Jany 1847

3 From the statement appended to your letter to the Accountant General it seems that the sum of 80,195-6-10 exhibited in the return sent by you to that Officer as already stated, does include Rupees 5,091-7-10 being the amount which [illegible] had accumulated Dow-

account of the Maroongapoory Zemindary Dawstanums up to the 31st March- and forming part of the sum (Rupees 73,79-11-5) which in your letter of the 31st August last, you recommended should be surrendered to the Maroongapoory proprietor- It includes also the surplus which had accrued on the Dawstanums in the four other Zemmindaries of the Maroongapoory Talook to the same date and it also comprehends the surplus accumulated from the endowments of their Chultrums

4 The Board now beg to call upon you for explanation on the following points-

1. Whether the sum in deposit on account of the Pepoomanoor Villages Rupees 5,216-4-3- forms a part of the deposit on account of the Shevagunga and Paramalie Dawstanums given by you in your letter of 31st August at Rupees 34,004-5-5 and if so whether any further portion of this last sum is included in the amount returned by you to the Accountant General-

Dft 4/6

As to the nature of these Peramanoor accumulations and the course which

which you would recommend in respect to them.

3d & 4th As to the difference as remarked above in Para 3 between the Statement made by you to the Board in your letter of 17th November and the Memorandum Appended to your letter to the Accountant General of the 13th of the same month.

De Cons 4th Jany 1847

4th & 5th As to the reasons why the Surplus Funds of Chuttrums institutions not of a religious character have been included in your return to the Accountant General of 25th April whether the funds of any other Chuttrums than the three named in your Memorandum annexed to the letter of 13th November 1846 have been entered in that return and if so the names of such establishments and the amount in deposit on account of each.

In most humble hope that the Board may be pleased to review their Proceedings of the 8th received on the 23d ultimo, I have the honor to observe that my communications of the 20th June, 31st July, and 8th and 24th August, tho' relating to the insufficient progress made by the Sub Collector in the Settlement of the Pro-crastination, but were not in complaint of that Pro-crastination, but in complaint with all the rest of his general Conduct and general Pro-crastination, of which numerous instances

Fort St George 14th January 1847

instances had been brought before the Board as exhibited towards the Cartas of two Zemindars, and to all but one of his Sahasildars and his having kept one under suspension for more than 22 months, and in regard to his procrastination as regarded Cannevady; and I will agree with them, that without what had previously occurred, it would not have been desirable for me to bring the complaint in question to their notice and I beg expressly to state that as they have now recorded their opinion in the Sub Collectors favor and against me, I am not desirous that the record of their opinion as regards him should be changed; but as regards myself I trust I may be allowed to refute the insinuations the Board have imbibed against me, and to object against their ordering me to correspond with my Sub in a manner that is not followed in any other Collectorate and which gives me an infinitude of useless trouble, and from which I derive no advantage, as few if the Subs English Communications are

intelligible without their accompanying vernacular, the "Canding the "Volumnous" correspondence which the Board do not fail to note, and leaving parts of the Subs' records more than 20 months in arrears; at least as was the case in June last—

Para 2 of Board's Proceedings

2. If the Board will call on Mr Elliot for copy of the Sookoonnamah of the 16th April" on the non earlier ipse of which they would excuse procrastination on his part, they will find there was no document could be so called of the 16th April but there was a document of the 16th March; that it was not a settlement Sookoonnamah, but an order to obtain regularity and unity of method in preparing the individual rent roll; and as I did not consider myself on my defence, being the accuser I was not desirous of increasing the bulk of the "Volumnous." correspondence by any remarks on Mr Elliots defence meant only for the Board.

3 The Annons were assembling for the settlement of my division from the

the 1st March. Mr Elliot's letter No. 154 of the 9th April shews that on that date those of only 81 Villages had assembled for 3 Talooks of his division, and it was not known how many had assembled in the 4th Talook, and tho' he had issued orders for their assembly on the 13th March he abstained from saying by what period they were directed to assemble.

Board's Proceedings Para 2.

4 In my division out of 715 Villages Pottahs were delivered to 63 in April to 359 in May, to 267 in June to 25 prior to the 11th July, and to the only remaining one Village on the 13th; and as before I did not defend myself against Mr Elliot's intimation is. because I did not then deem myself called on my defence.

Board's Proceedings Para 4.

5 The Board seem to blame me for not sending the sub Collectors servants to meet him on the border of Coimbatoor agreeably to his letter from Dotacamund and seem to think I had no ground for doubting he would keep time from the Board's Proceedings of the 27th March 1845 and 23d July 1846 alluded to in the 1st para of this letter cum multis aliis they cannot surely be in doubt as to his habitual uncertainty of bearers in Coimbatoor is also notorious and I had other reasons

for

Fort St. George 14th January 1847

for declining attention to Mr Elliot's wishes that I did not expatiate upon from a desire to avoid offending or irritating Mr Elliot's arrangement was solely for his own convenience without care for his servants or a proper consideration for the Company's interests in not first ascertaining where his presence was requisite. Pykney is the Cutcha of Dyempully and I had completed the settlement of that Talook not a pottah remained to be distributed in it, and there was nothing to make his presence desirable any where nearer than Dindigul 34 Miles further, to have sent his servants there would have given them an entirely unnecessary march of 68 Miles and would have delayed the still greatly procrastinated completion of the settlement by the time required to travel over it, and these are the reasons which induced me to "delay" sending the sub collectors servants to him till I was assured he had returned to his post but both they and the seals were sent out to him immediately on receiving that intimation. After receipt of that intimation there was no 'delay' they were sent

on

on the 1st August: 20 days after close of the fishy, whilst the settlement was still incomplete, as well in aim as sequestered Villages.

Board's Proceedings Para 5

I judged of Mr Elliots wilful disrespect from his Communications, and mode of Communication which were before the Board, the Board do not attempt to record their judgement upon these grounds; but on his unequivocal disowneal of all intention of "disrespect towards me" made for their information and in answer to my Complaints against him, they fully acquit him; and I must do so also; But in the same way I claim the Board shall fully acquit me; on my denial of any wish, at any time, and on any occasion, to humiliate him; but I shall also give some abstract translates in proof of this assertion; for as the Board have assumed my wish to humiliate or that my orders have been viciously calculated to have that effect I cannot expect to remove their impression on my words

Board's Proceedings Para 6.

of

Fort St. George 14th January 1847

of honor only- I am almost as much surprized at the Board's approving of the mode of Mr Elliots quitting and returning to the District, in reference to the progress of the settlement and advantage of the Company as that they do not comment on its want of conciliation; but the first may be owing to want of local knowledge and state of progress of the settlement,- and surely they can believe there are possible cases for a Collector to act in a different manner towards the Sub Collector who supports him; and towards one who he believes thwarted him:- and at one time, when prior regularity had kept arrears down, and at another, when exceeding procrastination had rendered it impossible to recover wasted time within the limit, and when the utmost promptitude and activity is necessary to remedy in some measure the inconvenience arising from prior delay- but here let me mention that I received Mr Elliots Voluminous report on Calammunday Mootah on the 17th June, and from my disagreement with

with it and want of certain accounts furnished only on the 31st Current, I have not forwarded my own to the Board and that I received his report on the settlement on the 17th ultimo the last of the statements, on which its was founded, and which was necessary to incorporation for my own did not reach me till the 28th Idem and that my own report to the Board is still due.

Board's Proceedings Para 7.

Sub to Principal Collector 9th April 1846 Pt 1.

Till Mr. Elliot applied for leave of absence I never in any way interfered in his mode or time of settlement, tho duly apprising him of every step I took in my own. When the sum of his never doubted procrastination was to fall upon me I made enquiries from himself, and found my fears verified. At whatever time he took leave I saw it was impossible to complete the settlement within the Tuesday I cannot for a moment agree in the construction put by the Board on my Annual Memorandums of the 9th May and 1st June to the Sub Division Sheristadar, that

they had immediate or any reference to the plans and movements of the Sub Collector. They were meant, and I believe the words bear out beyond a doubt that they were to have sole reference to my mode of action after the Sub Collectors departure; and I cannot but complain of the construction put upon them by the Board; and I anticipate a reconsideration will oblige them to change their opinion of the fact and I claim that my word should be taken for the intention at the time the first was penned I did not believe a single Pottah would be delivered by the Sub Collector and tho he purposed taking advantage of his leave and purposed doing it suddenly, he gave me no manner of notice of what he was doing or intended to do, that I might make my arrangements as soon as he should have gone; and he did this either wilfully or in great carelessness of the Company's interests; and from this was to be drawn a fair argument of disrespect to myself

Fort St. George 14th January 1847.

The order of the 1st June which the Board pronounce so objectionable was an intimation to the Sheristadar in reply to a communication from him that I believed he must have made some mistake and I assigned my reason for believing so; and copy was furnished to the Sub Collector and neither elicited answer, expostulation, or obedience to its spirit, but on the contrary continued silence as to his proceedings.

Board's Proceedings Para 7 Continued

7. The Board adopt Mr. Elliot's intimation that I do not unfrequently employ a mode of communication they have pronounced objectionable that few of my orders are furnished to him, and none of the replies; Mr. Elliot gives no proof, the Board do not await or condescend to ask for my answer but at once condemn it and direct what they suppose to be a new course I believe that most Collectors and their Subs correspond as far as possible by vernacular memorandam, which the Board have

Fort St. George 14th January 1847.

have forbidden in this Collectorate to the very great interruption of public business, and by copies of circular or particular orders, sent into the Sub Division with former Sub Collectors in this District it was customary to require from the Sahildars copy of every order and answer to and from the Collector this every Circular was received in quadruplicate, and to save trouble I undertook to forward Copy of all my orders leaving the Sub to receive from his Tahsildars Copies of every answer direct to me which however would have been more properly sent by them; if necessary at all, to me thro' the Sub Collector and their never has been an instance of answers of Tahsildars being communicated to any Sub Collector, and I look on the present order as particularly troublegiving and unnecessary. I declare upon my honor that I have given more than 100 times the most particular verbal directions that Copy of every paper I address to Officers of the Sub Division shall be forwarded

For St. George 14th January 1847.

forwarded to the Sub Collector I have long been in the habit of Verbally reminding the Sheristadar Sawabnavish or Royadum, with whom I am transacting business of the necessity, and there is scarcely a day I do not sign some Copies for him and to the best of my belief of every one issued the Sub Collector denies their receipt:- perhaps many-very many that he has forgotten will be found in his Office if search be directed: but this is only a Surmise- I go no further than to assert my belief that Copies of all are duly despatched from my office- I have no Register or post Book by which I can strive to support my belief.

Board's Proceedings Para 7 continued

8. It has long been my practice to Communicate direct to the Sub Collectors in English, in all matters of importance connected with his charge; and when in Cases of emergency this rule has been departed from, Copies of my orders addressed to the Sub Division Sheristadar or Tahsildars have been invariably despatched to the Sub Collector; but

For St. George 14th January 1847.

but the replies, as before shewn, never and from this part of the Board's instructions of the 8th Instant para 7 I again request to be relieved- and that the Board may be in possession of the general nature of the orders that I issue direct to the Sub division I beg to submit Copy of a letter from me to the Sub Collector dated the 24th October the day after receiving the Board's instructions, to which I do much object; Mr Elliots answer of the 6th Instant No 459; and two of its enclosures, being Tamil Register of 7 Orders so sent by me to his Sheristadar, and of those to the Tahsildar of Tandicomboo within this year- and translates of the two last I have selected Tandicomboo, out of the 4 Talooks under him because it is the one in which his own head quarters are fixed and because being less numerous it is less trouble to me. The Register of the other 3 Talooks shall be at the Board's Commands if they like to call for them as well as of all Talooks, for preceding years, if they wish for them, and Mr Elliot ever sends them-

My opinion of the Sub Collects

is that it exhibits, almost invariably
want of respect, Captiousness, Carelessness;
excessive procrastination and an omission

Ordered

Fort St. George 14th January 1847.-

Ordered that the following letter be sent in reply.-

(36-37)

To the Principal Collector of Madura

To the Pl. Collr of Madura. Sir,

Recording observations on his letter of the 30th November last forwarding various papers in support of his claim to a review of the Board's Proceedings of the 8th October 1846 regarding his conduct towards the Sub Collector.

Judl. 14th January 1847.

I am directed by the Board of Revenue to acknowledge the receipt of your letter of the 30th November 1846 in reference to their Proceedings of the 8th October last.-

2. In reply the Board direct me to inform you that they have given every consideration to the explanations contained in your letter now under acknowledgment.- They do not think it necessary to comment in detail on the various topics noticed in your communication.- In regard however to the principal subject therein discussed, viz. as to your mode of corresponding with your Sub Collector, the Board desire me in reference to the remarks in Paras 6 and 7 of your letter to intimate to you explicitly that, while they still think that it would have been preferable

Fort St. George 14th January 1847.-

preferable had you written to the Sub Collector direct, in place of addressing his Sheristadar by Memorandums on the 24th May and 1st June last, and especially on the latter date, they do not attribute your having adopted a contrary course, either on those, or on any other occasions, to any wish or design on your part to annoy or humiliate that Officer.- They also observe that, judging from the register of Sakeeds to the Sandicomboo Palook, which you have submitted, the communications made by you direct to the Sub Division Tasildars do not seem to be connected with subjects of much importance, and altho it still seems from the Sub Collector's letter to you of 6th November last, that Copies of many of those orders have not been furnished to him; the Board feel satisfied from what you have stated that, the omission has taken place without your knowledge, and in disregard of your instructions, and has proceeded from neglect on the part of your Cutcherry servants, and they do

Fort St. George 14th. January 1847.

do not doubt that as your attention has been called to the subject, you will adopt the necessary measures to ensure the due transmission of these Copies for the future.-

3. In reference to the remark in Para 7 of your letter the Board desire me to intimate to you that it was their intention that the copies of the answers returned to you by the Sub Division Sheristadars and Hasildars should be furnished by those parties to the sub Collector, and not, as you would seem to suppose, that they should be supplied from your office.-

From the Asst. Collr. of Tinnevelly. } Paras.

Sir,

In reply to your letter of the 5th. Instant requesting me to reconsider the Draft of an Answer to Suit No. 4 of 1846, I have the honor to state that in addition to the evidence of publicity alluded to in Paras 3-4-5 of the Draft, I have no further proof to advance except the Answer given by Tetarappa Moodelly before the Zillah Court of Madura dated 20th. May 1824, in which he plainly states that Kailasapairy had been appropriated to the Singheecolum Chuttrum. In consequence of this declaration the Village was entered as belonging to the Chuttrum in the List which accompanied a letter from the Judge dated the 25th. June 1824. I have the honor to forward Copies of these Documents.

Tinnevelly.

Sir,

I have the honor to forward a Statement shewing the names of Villages belonging to the Dalavoy family, prepared, with reference to the Accounts furnished by yourself and those of the late Collector Mr. Hudleston, the former exhibited the Villages as they stood at the date the accounts were prepared by you, and the latter exhibited those as they stood in July 1803 at the time the Award of Arbitration was passed.—

In addition to these, the parties themselves have furnished Accounts specifying the names of all Villages enjoyed by them since 1803 and those mortgaged by them, by which it is observable a few more Villages are included.—

The Nazer has been directed to devise, the extent of land specified in Column 4. and

Fort St. George 14th January 1847.

and as the proportions to each person is therein mentioned, I hope it will be sufficient, to enable you to cause them to be certified in the Curnums Accounts agreeably to the Regulations.—

As you are in possession of Accounts, shewing the extent of land held by each individual Member of the family, it only remains for me to explain, that portion which has been appropriated therefrom, Vide Column 4. Further, I have to request that you will cause it to be understood by the Curnums of the Villages, that after deducting the portions of land ordered to be divided, the remainder tho' mortgaged / with the exception of those granted for Charitable purposes / are considered to be joint property, subject to division among the Members of the Dalavoy family, and, until such is effected, and in order to exclude them from any interference therewith, and to prevent their obtaining any further credit thereon, I have deemed it necessary to issue the enclosed Proclamation, and which I request you will be so good as to have promulgated, for the information of all persons or persons therein concerned.—

To the Chief Secretary to Government

Submitting a letter from the Acting Collector of Tinnevelly forwarding translations of the Plaint in a Suit No 4 of 1846 instituted in the Principal Sudr Ameen's Court against the Collector Mr Thomas & others for the recovery of a Sharee and its net profits for Fusly 1255 of a Village alleged by the Plaintiff to have been purchased by him of its proprietors & requesting that the Acting Collector may receive authority to file an answer prepared by him & to conduct the defence of the Suit at the public Charge -

Ordered that the foregoing letter be submitted with the following address -

To The Chief Secretary to Government.

Sir,

I am directed by the Board of Revenue to forward for the orders of Government, the accompanying letter 13th October 1846 from the Acting Collector of Tinnevelly, submitting translation of the Plaint in a Suit No 4 of 1846 which has been instituted in the Court of the Principal Sudr Ameen, against the Collector Mr E. B. Thomas, and others, and draft of the answer which he would propose to file in the Case -

2. It would be seen that this Action has been brought for the recovery of a Sharee and its net profits for Fusly 1255 A.D. 1845/46 of a Village alleged by the Plaintiff to have been purchased by him of its proprietors, but assumed by the 1st Defendant, the Collector - In the proposed Answer, it is represented, that the Village in question belonged to the 3d and 4th Defendants and to a Member of the same family one Dalavoy Sir Comally Papoo Moodelly, and that it

Fort St George 14th January 1847

it was alienated by them for the support of a Chout-
try. The Village and Chouttry were for many
years managed by the 3d and 4th Defendants,
but recently these parties sold or mortgaged the
Village lands, and neglected the Chouttry, and the
Collector therefore attached the Village, with a
view to ensure the application of its revenues to the
service of the institutions in endowment of which
it had been granted. That the Village was
alienated as stated, has been admitted by its
orginal owners the 3d and 4th Defendants and
Dalavoy Seroomally Appa Moodelly themselves
in a deposition given by them before the Collector
in which they stated that the alienation was
made in Fusly 1234 or A. D. 1824, and that
in consequence the Village was not included in
the partition Bond executed by them on the division of
their family property. The same fact was further
distinctly stated not long after the alienation
occurred by one of the Proprietors Dalavoy
Seroomally Appa Moodelly already mentioned
in an answer filed by that individual in the Zil-
lah Court of Madura, on the 20th May 1824, in Con-
sequence of which declaration the Village was

Fort St George 14th January 1847.

entered as a Chouttrum Village in the list which
accompanied the Precept issued by the Court
to the Collector under date 28th June 1824 and
which purported to shew the manner in which
the several Villages belonging to the parties
in the Suit had been appropriated. Under these
circumstances it is submitted that the Collector
was warranted in interposing under the pro-
visions of Regulation VII 1817 and in prevent-
ing the misappropriation of the proceeds of the
Village, and their diversion from the purposes for
which they had been alienated.

3. The Board deem it proper to point
out that this Village does not appear to have been
entered as a Chuttrum Village in the Accounts of
the District, nor have its proceeds been included
in the Accounts of the Chuttrum receipts and
disbursements Annually furnished to the
Hoozoor. Altho therefore there can be no doubt
of the Village having formerly been alienated
for the benefit of the Chouttry, it is open to ques-
tion whether the transaction were so full and com-
plete as to deprive the former owners of
all future right over it, and to make the endow-

ment irrecoverable, and 2. the nature contemplated in Regulation VII. 1817. On the whole however, considering the length of time which has elapsed since the alienation was made 22 years- and the period for which the revenue of the Village has been applied to the benefit of the institution the Board are inclined to think that it may be regarded as falling under the provisions of that enactment, and that at any rate it is desirable that the question should be tried and an authoritative decision obtained-

I have therefore to request that the Acting Collector may receive authority to file the present Answer and to conduct the defence of the Suit at the public charge-

Sir,

From Colr of Malabar - Hudson fixed himself some months ago in the

the jungle half way up the Koondah Ghaut where he wishes to obtain 600 Acres of Forest land for a Coffee Plantation - No terms have been arranged, but I have pledged myself to his being dealt with very liberally in consideration of the enormous difficulties he has to contend with in a Wilderness 15 Miles from any human habitations, and these 15 Miles of Ghaut and Jungle - His energy and spirit in settling himself in such a site is above all praise, and I should be glad if the Government would shew their sense of it by giving him 600 Acres rent free for thirty years. It will be a very great public benefit in every way if this desolate region, which is on the great line from Calicut to Ootacamund, can be to any degree civilized. The greater portion of this 600 Acres it must be borne in mind, is covered with a dense, unclear forest which it will require a very large expenditure of time and money to clear and burn. From 1/8 to 1/3 is composed of rock & ravine.

Board of Revenue
Fort St. George

Sir,

From the Collr Madras — 1. I have the honor to bring to the notice of the Board of Revenue that having forwarded to the Assay Master, in pursuance of the usual practice for adjustment, certain Standard Weights of this Office, that Officer informs me that "since the proclamation of the 16th October has been issued he does not feel at liberty to adjust any Weights or Measures for a public Department unless Conformable to the proclamation in question without a special order of Government."

2. From the instructions of Government communicated to this Office in Extract from the Proceedings of the Board dated 19th

Requesting that a decision be passed as to whether the Viss Weights to be used at the bazars should correspond with the standard represented to in the proclamation of 16th Octr last and suggesting that the special sanction of Govt may be obtained for certain Weights not enumerated in the proclamation being adjusted in the customary way at the Assay Office.

19th August 1841 it would appear that "having untouched the provincial systems among the Natives" the Weights particularized in the proclamation of 16th October 1846 should "alone be used in the Revenue, Commissariat and public Departments" and all "public Accounts kept thereon"

3. For instance the Viss Avoirdupois as according to the present proclamation is equal to lbs 3 oz 1 drs 594 2/11 whereas that now in use is of the weight of 21875 Grains or 3½ Pounds.— As my

Jt. Board 11th May 1830 — Office is one in which the whole of the Bazar Weights and Measures are adjusted, it is proper to obtain the decision of the Board as to whether the Bazar men should be restricted to the use of the new Standards in common with the public Offices at the Presidency.

Jt. Board 25th Octr 1843 Para 15 — 4. There are other descriptions of Weights besides those enumerated in the recent proclamation and which are all regulated by the standards of this Office. These Standards have occasionally been adjusted at the Assay Office.

5. Adverting to the intimation now given by the Assay Master, I beg leave to request that the special orders of Government which he considers requisite

regulation may be procured, at as early a date as may be practicable, for the Standard Weights for the "Viss" set alluded to in Para 3 above; if it be intended that the present Weight of that denomination, which is equal to 3½ pounds, should continue to be used by those who may require it being adjusted in the customary way at the Apay Office.

To The Chief Secretary to Government

Sir,

To the Chief Secy to Government

I am directed by the Board of Revenue to request that you will lay before the Right Noble the Governor in Council, the accompanying letter from the Collector of Madras reporting that the Apay Master does not consider himself at liberty without a special order from Government to adjust any Weights or Measures for a public Department unless conformable to the proclamation of the 16th October last.

2. The object of the Collector is to obtain the authority of Government for the Apay Master to adjust, for his Office, the several Weights and Measures retained there as Standards, whereby to regulate the Weights and Measures used by Bazar men in their private transactions - As there is nothing in this contrary to the spirit of the Proclamation, and as it is essential that the Standards used in the Collector's Office for the regulation of Bazar Weights and Measures should be exact, the Board recommend that the necessary authority may be granted to the Apay Master for the adjustment of them.
