Sir,

We beg most respectfully to forward for your perusal copy of a Petition we have had the honor of forwarding to the Most Noble the Governor which we request you will be good enough to lay before the Governor in Council at your earliest convenience.

We beg also to mention that since we addressed the Governor the Sudr Court admitted our Counter Appeal on Saturday last.

To Lieutenant General the Most Noble George
Marquis of Tweedale K T & C B
Governor and President in Council
of Fort St. George.

My Lord.

The humble representative of Annasawmy Chetty Soobaroya Chetty and Appoo Chetty Inhabitants of Madras

With great respect and submission We beg

Fort St. George 26th July 1847

leave to represent that from upwards of 80 years the Voondy Raz Maharaz Damarahoonna Pedda Venkatapah Naidoo Bahder Zemindar of Cabastry in Zillah Chittore granted on Surva Enam Tenure the Village of Polambedoo situated in his Zemindary to our Grandfather Chocapah Chetty to be enjoyed in perpetuity by him and by his Descendants and ever since we have continued to enjoy it without objection but the present Zemindar on the plea that the Village was granted for Charitable purposes having sequestered it in 1846 we in pursuance of Regulation V of 1827 lodged our complaint in No 1 before the Acting Collector of Chittore Mr Babington who after all enquiry into the case accordingly passed a Decree that the Village in Surva Enam Tenure should be restored to us.

Afterwards the said Zemindar had recourse to appeal in the Civil Court of Chittore in No 73 of 1846 and the then Judge Mr Lane accepting the Vouchers which the Zemindar had fraudulently invented regarding the Village in question as well as the Depositions which he had persuaded his people to give in his favor without consulting our answer passed a Decree that the Zemindar was entitled to resume charge of the Village which had been under our enjoyment from time immemorial and which was also inserted in the Surva Enam Account

Account in the time of Mr Collector Stratton's investigation and was publicly known to all the respectable Inhabitants of the Zillah that the Village in question was granted on Surva Enam Tenure to our Grandfather and that it was entered in the Meerasee Account in Enam Tenure.

In conformity to the 1st Section of the 3d Act of 1843 We presented a special Petition to the Sudr Court on the 1st October 1846 regarding the injustice done to us - But this Court confirmed the Decree of the lower Court and refused admission of our Appeal without consulting the particulars grounds in our Petition or examining the Decree passed by the Civil Judge, which besides doing us great injustice was also contrary to several Decrees passed hitherto on similar occasions.

We beg leave further to state that as we have suffered great injustice by the Sudr Court refusing admission of our Appeal without examining the Decree of the Civil Judge who passed an erroneous Judgment regarding the Villages which was under our enjoyment from so distant a period as four score years. We presented again a Petition to the Sudr Court enclosing many Documents in support of our claim as well as the Will and Inventory of our Grandfather Chocapah Chetty which was registered in the Supreme Court of Madras and which

which are the fundamental Vouchers of our Cases.

Subsequently the Sudr Court had passed Proceedings on the 6th April 1847 that the Civil Judges Decree was right and that it should be carried into execution; in consequence thereof we presented an address again and we beg to inform your Honor that at the time when Mr Stratton was sent abroad to make settlement of Peishcush of the states of Caunaty Nagarum Vencatagherry and Calastry. This Gentleman having stipulated certain treaties and conditions between the Government and Zemindars and having particularly enquired into the landed properties granted by the said Zemindar for charitable purposes of Hindoo Pagodas and Brahmins as well as Surva Enam and Mazoogaree Villages made and kept accounts and sists separately in numbers and numbers regarding the Villages how and in what manner and in whose name the Village were granted exclusive of the Right of the Zemendars, and your Lordship in Council must also be aware that in all cases in the Zillah Provincial Courts of Chittoor, Nellore, and Masulipatam regarding Villages on Enam Tenure the Authentic Settlement and sists made by Mr Stratton have always been accepted and Decree passed in accordance to the 15th Section of

the

the 31st Regulation of 1802 and Register No 16 made Separately for our Village in Surva Enam Tenure and that our Grandfather to whom the Village was granted had in his last Will and Testament and inventory made in the year 1790 after mentioning several extensive Charities further directed that this Village should be used for our own families support without mentioning that it should be devoted for charity purposes, by which Document and the other several grounds mentioned above your Lordship in Council will be convinced that the Village was granted in Surva Enam Tenure.

Notwithstanding the Civil Judge consider that it was given for charity purpose the Decree passed in favor of the Zemindar is quite an error in Judgment while we the lawful heirs of our Grandfather are still surviving and is also quite contrary to the 7th Regulation of 1817. This being the case we are at a loss to consider why we should be deprived of the Village which was always kept separately and exclusive of Zemindar Peishcushes.

We beg leave therefore most respectfully to entreat your Lordship in Council will be pleased to restore to us the Village which we have been enjoyed for nearly four score years referring to the settlement made by Mr Stratton and the several

several Decrees passed by the Courts hitherto in similar Cases and agreeably to the Hindoo Law and Customs.

In brief we beg to represent that the Village was granted on Surva Enam Tenure and that the charity upon which so much stress is laid by all the authorities is a free grant from our family unconnected with the Enam which was so far useful as to become one of the stations for the despensing of our Charity. If your Lordship in Council will be pleased to look at the Will of our Grandfather Chocapah Chitty dated in 1790 it will be found that 15000 Pagodas have been bequeathed for Charitable purposes and that the Interest of this money is laid out annually according to the Testator's bequest at the places mentioned by him and the Enam Village of Poolambadoo is one of those places.

Your Lordship in Council must also consider that this grant was made long before the Establishment of the permanent Peishcush on the Calastry Zemindary that the Revenues of this Village was not included in the Assets on which Peishcush was fixed and that even if there were proper grounds for resuming the Village the Zemindar of all persons had the least power to make the resumption and that the Government

Government alone have the right to interfere and dispose of the case in Equity and good conscience. Four generations have now enjoyed this Village free and unmolested and it rests with your Lordship in Council after obtaining an Account of the sum expended annually by our Family in charity at this place and which will satisfy you of the particular nature of the Grant to protect us in our just rights.

For which act of Indulgence

We shall always Pray.

Para 1 The Most Noble the Governor in Council has ascertained from the Register to the Court of Sudr Adalut that no counter appeal from Annasawmy Chetty and others who have addressed the Government respecting the Village of Polumbaid in North Arcot has been admitted by the Court, and that the Statement to that effect contained in the address of the Petitioners is erroneous.

2 Before however finally disposing of the subject His Lordship in Council desires to forward the Petition of Annasawmy Chetty and others to the Board with a request that

that they will in reporting upon it, state whether the Village of Polumbaid is under the Collectors attachment, or in the Zemindars management, and whether the Property if viewed as a Surva Enam, as is contended by the Petitioners, does not properly come under the operation of Regulation XXXI of 1802, which reserves to the Ruling Power "the actual proprietary right of lands of every description" or if considered as a charitable grant as urged by the Zemindar himself, whether it does not fall within the provisions of Regulation VIII of 1817, under which the local Officers are required "to provide for the due appropriation of lands or other endowments granted for public purposes agreeably to the intent of the grantor and cannot resume any part of them or of their produce for the benefit of Government."

From the Agent to the Hill Tracts of Orissa

Sir

With reference to your letter of the 8th April last conveying the sanction of the Most Noble the Governor in Council to an Estimate of Rupees 120 on account of Extra peons proposed by the late Agent in Orissa to be entertained during the current Fusli 1256 to watch the crops until the Revenues should be collected - I have the honor to state that, owing to the aspect of affairs in that quarter and the fears unfounded in some instances of Plunders and Ryots, which lead them to abandon their villages, the late Agent deemed it necessary for the protection of the produce and security of the Revenue to raise an additional number of peons and incur an expence of Rupees 212-8-10 beyond the Estimate forwarded to the Board on the 16th September 1846 These circumstances I trust the Board will be pleased to take into consideration and recommend that the enclosed bills should be passed -

Sir,

Para 1. With reference to a letter from Sir H. C. Montgomery Bart late Commissioner in charge of this District dated the 26th October 1843 reporting the progress of the Subdivision of the Goodalah Estate, I have now the honor to submit for consideration and sanction the Subdivisional accounts as noted in the Margin shewing the demand and collection on an average of the last ten years from fusly $\frac{1243}{A.D.\ 1833/34}$ to $\frac{1252}{A.D.\ 1842/43}$ based on the Villagewar Khan Cist. The detailed Accounts which were taken from the Cuttums have undergone a strict examination at the Huzzoor and an agreement was taken from the Cuttum of each Village binding himself to be answerable for the correctness of the Accounts rendered by him and liable to dismissal from Office and punishment in case of any incorrectness

being found in them. Abstracts of the accounts have been furnished to the Proprietor and to the purchasers of certain portions of the Estate and they have expressed themselves perfectly satisfied with them.

2. The present average Collections of the entire Estate of Goodalah from fusly 1243 to 1252 A.D. 1833/34 A.D. 1842/43 compared with those as per Accounts of the Committee of Circuit taken so far back as from 1186 A.D. 1778/77 to 1193 A.D. 1783/84 upon which the Permanent assessment of the Estate was first calculated shows a decrease of Rupees 24096-13-7 This may be ascribed partly to the failure of the Crops on the Wet lands partly to the falling off in prices of late years partly to the exposed situation of the Estate which was subject to the inroads of the Hill tribes and partly to its having passed through several hands since the ancient family of Reddy was parted with. The Statement No. 2 will fully explain the causes of the increase and decrease in the several Villages. On Comparing the

3. The Proprietor Ivanvi Venkatarutnum declares that he has only transferred up to this time to certain Individuals warned in the Margin those portions of the Estate marked Nos. 2-3-4-5-28-29 and 30. He has done this in order to enable himself to discharge the arrears outstanding against the Estate.

4. The arrears of former fuslies up to the end of fusly 1255 A.D. 1845/46 amounted to Rupees 17,285-15-10. The balance of last fusly 1255 A.D. 1845/46 held in abeyance was Rupees 8000 making in all Rupees 25,285-15-10 of which the Proprietor has already paid Rupees 10000. The remainder viz. Rupees 15,285-15-10 he has engaged to discharge by three yearly Instalments. Before

Proceedings thereon-

(18-19)

Before confirming the pro-
=posed subdivisions the Board wish to receive
further information regarding the Peshcush
proposed to be fixed on the Chedepee Division
It is seen from the detailed account No. 18
that the proposed Peshcush on this Divi-
=sion is Rupees 1156-8-4. This amount
appears to have been fixed with reference
to the actual Collections as entered in
Col: 68, which the Board presume
does not include the Collection on
account of arrears of previous years
On reference to Columns 46 and 47
it is observed that the Jumma of this
Division has considerably increased
since Fusly 1247 in consequence of the

addition to it of a newly
formed Island in the Godavery
which yields a large revenue-
The demand for Fusly 1252 was Rupees
5540-3-6, the Collections within the
year were only Rupees 2412-14-0 leaving
a balance of Rupees 3127-5-6 the greater
portion of which the Board suppose
has since been realized, they therefore
request the Collector will be so good
as to furnish a statement exhibiting
how much of the balance of former
years as entered in Col: 71 has

been

been subsequently Collected to the end
of Fusly 1256. He will also be pleased
to transmit a Statement of the demand
Collection and balance for each year
from Fusly 1253 to Fusly 1256.-

From the Collr of Rajahmundry.- Affording information with respect to the Military Guard employed to protect the Treasury at Cocanada in reply to the Board's letter of the 28th ultimo-

Sir,

In reply to your letter
of the 28th June I have the honor to
state that the only Military Guard
employed for revenue purposes in this
District is the party stationed at
Cocanada to protect the treasury
Whether Invalids are fit to under-
=take so important a charge or not
appears to me to be purely a Military
question- I presume that their efficiency
to discharge the duty under Ordinary
Circumstances is admitted. The treasury
is not likely to be attacked- Gang
robbery is rarely committed in this
Zillah- The Military Station of Samal-
=cottah intervenes between Cocanada
and the hill tribes and the latter
are perfectly quiet at present- On
the other hand the treasury is

exposed

is exposed to an attack by sea and
might be carried by a coup de main.
If a ship coming suddenly into the
roadstead were to lower and man her
boats the crews might bring them up
the river to within 200 yards of the
Cutcherry overpower the Small Guard and carry off the treasure before
any Assistance could be procured from
Samulcottah. I do not mention this as
a likely occurrence but it is quite
feasible and the present guard of 20 re:
=gular Sepoys would I presume be inade:
=quate to meet such an emergency.
However as my responsibility for
the security of the Cash Chests
would be removed in the event of
a successful attack being thus made
by a superior force upon the guard
of regular Sepoys. I shall be content
to exchange the latter for
a party of invalids in ac:
=cordance with the wishes of
the Honorable Court.-

From the Pro. Coll.r of
Masulipatam.-

Sir,

With reference to an Extract
from the Board's Proceedings dated
24th ultimo, I have the honor to state
that the Surplus on account of
the Dawastanum of Vadaly in this
District has been accumulating since
the end of October 1844.- It is to be
observed that these Surplus funds have
not at all times been on the in:
=crease, but at intervals have been
nearly absorbed by payments on ac:
=count of charges in excess of the
Current receipts leaving however
at the end of April last a balance
of Cash on hand of Rupees 653-14-
8. This amount includes Rupees
258-8-1- being the Surplus Pagoda
funds of this District ordered by the
Supreme Government to be applied to
purposes of general utility. The reason
why the funds of this Pagoda cannot
be appropriated for such purposes
are

are fully stated in Para 8 of Mr. Porter's letter dated 5th December last.-

Sir,

I am directed by the Board of Revenue to submit for the consideration and orders of the Most Noble the Governor in Council the accompanying Correspondence with the Collector of Masulipatam upon the subject of the Surplus Funds of the Vadaly Devastanum.-

2. In reporting upon the Devastanums in his District the Collector stated "with respect to the appropriation of the surplus Pagoda Funds to purposes of general benefit, I beg leave to observe that the fund now in deposit on account of the Devastanum at Vadaly amounts to Rupees 683-7-11. The resources have been barely adequate to the expenses to be defrayed for the religious

Fort St. George 26th July 1847.-

purposes &c. in the Pagoda and the outlay has accordingly been fixed with reference to the proceeds derivable from the lands in an ordinary year, but when the resources fail the charges have been proportionately lowered, and when they improve the expenses will also be increased. Owing to this fluctuation of the resources it has happened there sometimes remained a small surplus fund, and none in other times, consequently the funds thus remaining in deposit on account of this Pagoda at present cannot be considered applicable for any other purposes".-

In Cons 24th June 1847.

3. In reference to the above the acting Collector in his letter dated 10th June 1847 solicit "the Board's instruction for delivering the said Money (also) to the Charge of the Cazeemindar to meet the charges attending the daily offerings as well as other necessary expenses required for the Pagoda".-

4. The Board are of opinion that the Manager of the Pagoda is under the foregoing explanation justly entitled to the Surplus funds in deposit, but as it is stated that the balance now remaining

10,002 Fort St. George 26th July 1847.

remaining Viz.t 653-14-8 includes the sum of Rupees 258-8-1 being the surplus Pagoda Funds of this district ordered by the Supreme Government to be applied to purposes of general utility they beg to request that special sanction be granted for its disbursement.-

(30) Sir,

From the Collr of Bellary - 31. I have the honor to bring
Bringing to the notice of the Board a dispute between the two Poligars of Rutnagherry in the Muddugerah Talook of the Bellary District relative to the payment of Shares of Pensions, and similar instances
to the notice of the Board a dispute which has continued up=
=wards of two years between one Amba=
=lappah Rauz and Veerarayapah Rauz the
Poligar of Rutnagherry in the Muddugerah

Fort St. George 26th July 1847.-

instances occurred in consequence of the Rule for the payment of allow=ances to the Head of the Family and requesting whether he is authorized to enter in the accounts the names of the respective share=holders and dis=burse their shares heretofore enjoyed by them.-

Talook of this District, relative to their
respective shares in the Annual allowance
of Rupees 700 continued in the name
of the latter for the support of the
Family under the Sanction of Govern=
=ment dated 18th July 1820.-

2. Ambalappah Rauz Son of
Rayapah Rauz the late Brother of
Veerarayapah Rauz appeared before
me, and preferred a Complaint against
his Uncle (Veerarayapah Rauz) stating
that he refused to allow his share
enjoyed from the time of his Father,
and that on a late occasion to
when a similar refusal had been
made Mr. Robertson the late
Principal Collector, had decided
the matter, that he had since contin=
=ed to receive his share, but that
his Uncle continually objected for
the last 3 years to discharge his
share contrary to the above decision
of Mr. Robertson.-

3. These Persons were ad=
=vised by me to settle the Matter
between themselves; but in vain.- A
reference to the Records of my
office has been made and what I

conceive

Fort St. George 26th July 1847.-

conceive to be the case is that the late Principal Collector Mr. Robertson issued two orders on different dates to the Tahsildar of Muddugserah in the case under discussion. The 1st of these refers to the decision in his (Ambalappah Rauz) favor that the complainant Ambalappah Rauz is to enjoy a Moiety Viz. 8 C Ps / or Rupees 23-5-4 / out of 16 C Ps / or Rupees 46-10-8 / being the net amount of the Monthly allowance of 20 C Ps or Rupees 58-5-4 after deducting C Ps 4 or Rupees 11-10-8 usually allowed per Mensem for the expenses of a Pagoda and the Wages of a principal Servant attached to the family, and the other moiety to Veeraroyappah Rauz, the Pensioner who is to draw the Monthly aggregate allowance from my Treasury on his receipt only and to pay a moiety to his nephew. The 2d Order is to the same effect on a further complaint being preferred by a Vakeel on behalf of Ambalapah Rauz purporting that Veeraroyapah Rauz has failed to fulfil the decision.-

Fort St. George 26th July 1847.-

It would appear that the 4th Share-holder Ambalappah Rauz enjoyed a Moiety of the allowance in question for upwards of 15 years from the date of Mr. Robertson's orders, and Veeraroyappah Rauz now expresses his unwillingness to Pay C Ps 8 of his claimant's share as decided by that Gentleman, but Agrees to allow him 4 C Ps. This proposal is Conceive at variance with the original decision The reason of his not allowing the share due is because the allowance is Sanctioned in his name and because he is vested with authority to draw the aggregate Amount and passes a receipt in his own hand. This allowance, however having been granted in lieu of Grants originally enjoyed for the support of the Family and there being no other means or income than the bounty of Government, I request you will obtain for me Sanction to divide the Monthly Pension and Pay Rupees 35-"-" to Veeraroyapah rauz (including the expenses of a Pagoda and that of a principal Servant in the Family) and the remainder Rupees 23-5-4

to his nephew Ambalapah Rauz / the present claimant / according to the original decision of Mr. Robertson.-

5.- State this opportunity to inform the Board, that several instances of the nature herein detailed have occurred, in consequence of the Rule for the payment of all allowances to Yeomiadars and Pensioners to the Head of the Family who accordingly draw the allowances and are not disposed to divide the same according to custom among the Members of the Family.-

6.- In such cases, I have the honor to request that you will inform me, whether I am authorized to enter in the accounts, the names of the share-holders, and to disburse their respective shares as heretofore enjoyed by them in the event of the disagreement between the share-holders appearing as in this case to be unfair and not likely to be otherwise adjusted.-

Proceedings thereon.- By the foregoing letter it appears that on two several occasions the late Principal Collector Mr. Robertson

30-31 Granting permission to continue to Annalapah Rauz son of Rayapah the late brother of Veeraroyapah Rauz a moiety of

Fort St. George 26th July 1847.

of the allowance entered in the name of the latter according to the division made by Mr. Collector Robertson 9 Dec.

interfered to secure the payment of a moiety of the pension to Ambalupah Rauz which Veeraroyapah Rauz the Head of the Family now expressed his unwillingness to pay, but agrees to allow him C Rs. 4 or half the share hitherto enjoyed by him. The Board observe that the division of an allowance similar to that now reported upon is irregular and contrary to the express injunctions of Government. In reference however to the length of time during which Ambalupah Rauz has enjoyed a moiety of the allowance alluded to they will not object to continue the division of the pension ordered by Mr. Robertson as proposed by the Collector but it is to be considered a special case in favor of the present complainant only.-

The Board are precluded as a general rule from authorizing the division of such grants and Mr. Mellor will therefore be pleased in future to abstain so far as practicable from submitting applications of the present nature, and in all cases of dispute to impress upon the parties concerned the necessity of looking to the Head of the Family for maintenance.-

Sir,

With reference to your letter of the 15th February last, requesting me to transmit, for communication to the Chamber of Commerce, a Periodical Report of the extent of land under Indigo cultivation in my District, with the assessment thereon, to be taken at the time the young Plant is in the ground to enable the Chamber to form an approximate Estimate of the probable outturn of the Crop, I have the honor to forward a Statement showing the extent of land which was under Indigo cultivation in Fusly 1256 with the assessment thereon, and to state, that as the above letter was received seven months after the commencement of the season for sowing the seed, which is generally in August and September, no report could have been made of the last Crop at the time the young plant was in the ground.—

Indigo is cultivated in the five Talooks noted in the Margin, but at present there is none in the ground, and the whole of the last Crop has been disposed of by the Cultivators. A report will be made for the present Fusly at the proper season.—

From the Collr of South Arcot.— Sir,

Returning Petition No 25 of 1847 from Meerza Muzzar Hoosain Dehat Enamdar of Neelpunkum and Manalawady with report for Board's instruction.—

Para 1. With reference to the orders of the Board contained in their endorsement to the Petition* herewith returned, I have the honor to submit my report as required having examined the parties concerned.—

2d The Petitioner stated on behalf of his Father in law Meer Ameen Roodden ully (an old man of about sixty years of age) that one Meer Rajah Hufsain fraudulently got his own name entered in the Enam Pension, and that his Elder Brother Meer sanduck Hufsain having a share in the Pension, he cannot possibly have any legal claim to a share in his own name, that it should be entered in the name of his said Father in law who failed to register his claim owing to his absence at Mecca, from whence he only returned a year ago, that for the last 15 years he has resided at Royapett near Madras, that he never personally received any share

of Enam in former years from this Treasury that he is a grandson of Sauzandah Beebee the daughter of the original grantee Meer Goolam Hufsain.—

3. Another individual by name Meer Causim ully also a Grandson of the said Sauzandah Beebee appeared before me and made a similar complaint (stating) that the sum of Rupees 58-5-4 per Annum entered in the name of Meer Rajah Hufsein was not correct, that his father Meer Maks. ully having in former years received from the Sircar Treasury One Eighth share in the proceeds of the Enam Villages, the amount of the said share ought to be entered in his name, that he is a resident of Madras, and that owing to illness he was prevented preferring his complaint upto this period, and lastly he stated that the share in question should either be entered in his name, or that of Meer Ameen Roodden ully the first Complainant.—

4th On examining the said Meer Rajah Hufsein he admits that a share is entered in the name of his Elder brother Meer sanduck Hufsein, but in consequence of the absence of the two present Complainants and also being a sharer in the amount of Enam entered in his name to the extent of one fourth thereof, that he, with the consent of the 4th sharer Meer Goolam Rajah (now at Madras) and with the connivance of all the other sharers, got his name entered in the pension list, and that he is prepared and willing to pay the said sharers their respective portions as noted in the Margin.— The

Fort St. George 26th July 1847.

5th

The extent of this share is admitted to be correct by the Complainants, But Meer Ameen Roadden ully requires his name to be entered in the Sircar list as one of the sharers in the room of Meer Rajah Hussein.—

6th

During the enquiry made it appears that Meer Ameen Roadden ully receives a Monthly allowance of Rupees 11-4-" from His Highness the Nabob's Durbar, the Cousin of the other claimant Meer Cassim ully also enjoys a similar income from the same quarter—Therefore they are not dependent for their subsistence on the bounty of Government.—

7th

On looking at the Cutcherry records it does not appear that Meer Ameen Roadden ully ever directly received any share from the Treasury—The Father of Meer Cassim Ully the 2d Complainant appears to have received a share for some years formerly, but he having failed to register his claims upto this time whilst all other sharers presented several petitions both to Government and the Board of Revenue during the last three years—I think it unnecessary to disturb the arrangement sanctioned by Government the grant being given during the pleasure of Government, but consider it sufficient to refer the Complainants to Meer Rajah Hussein for

for their share, who admits that their claim is just and is willing to pay their respectives portions Meer Ameen Roadden ully being very old and unable to attend himself being a resident of Madras I am not disposed to recommend the disputed share should be entered in his name which does not appear to have been amongst the principal sharers—Should however such a step be deemed necessary, the sanction of Government would be requisite—Pending the receipt of the final instructions of the Board regarding the claims now preferred, I have ordered that the share entered in the name of Rajah Hussein / due for Fusly 1255 / should not be paid.—

Resolution thereon.—

41-42

The Board concur in opinion with the Collector that it would be inexpedient to disturb the arrangement sanctioned by Government under date the 29th April last, in regard to the ready money allowance payable to the family of the late Enamdar of Navelpaukum and Mamalavandy—The present claimants should be referred to Meer Rajah Hoossain, who has admitted their claims, and signified his willingness to pay to them their proper portion of the share.

I have the honor to inform you that the Enam land from which the Petitioners derive their subsistence was granted by the Mahomedan Government for the support of Coodle saibs Mosque at Trichinopoly, but the present dispute having sole reference to the right to enjoy a portion of any surplus which might remain after defraying all the charges on account of the Mosque, this case does not appear to fall within the restriction of Regulation IV of 1831 and I do not therefore perceive any objection to permit the petitioners to prefer a suit before any Civil tribunal should they think fit to do so.—

To, D. White Esqr.

Acting Secretary to the
Board of Revenue
Fort St. George

Sir,

54

From the Sd Collr. of Coimbatore ---

Forwards copy of communication from the Magistrate of Salem with observations thereon and requests that a scrutinizing enquiry may be made into the implication conveyed in the said communication with reference to the destruction of the Caudery Bridge.

I have the honor to forward copy of a communication just received from the Collector and Magistrate of Salem bearing date the 2d Instant.

2. As the first point refers to Magisterial matters, I shall of course address the Court of Fouzdarry Adalut through the Session Judge of Coimbatore. but with reference to the concluding Para of this letter, I request that the implication therein conveyed may undergo that scrutinizing enquiry which will fix the cause of the destruction of the Caudery Bridge beyond all doubt, or at all events on a less questionable footing than Mr. Lockhart's remark would induce.

3. I much admire the dexterity which would divide the onus of unsuccessful as widely as possible. As a matter of course, naturally enough, the responsible parties will try to shift the blame any where, or every where

from their own shoulders. I should not enter into a remark of this kind but even the Maistry now under trial for murder attributes the loss solely to his absence. The question that suggests itself therefore is how was the Engineer employed all this time? His diary will undoubtedly afford the requisite information in detail. The Tahasildars Urzee dated June 4th mentions that on that day only two arches remained to be completed and that they would be finished on the next. the 5th. The Maistry was taken from the works on the 12th (Viz. 6 days after its completion, by necessity or otherwise remains to be seen.) and with advertence to the dates of correspondence in my Office, it is clear that Captain Birdwood was at Bhowaney up to the 19th of that month if not to a later period. 14 days after the work was finished. It is hardly credible therefore that during that period, he would not have made provision to meet the absence of the Superintending maistry, if requisite, or not having so succeeded, that he would have been absent when the catastrophe occurred. Mr. Lockharts implication on this point is I submit gratuitous.

From

4 From the commencement of the work to its termination I have conversed with many Intelligent Natives and one and all have expressed the same apprehension regarding the Cawvery Bridge that the Piers would never support the weight of so many arches against a full fresh in the River and as the destruction has been effected by a fresh of only nine feet, three feet below the imposts of the Piers the arches could not possibly have been affected in the first instance by the action of the flood it becomes still more urgent that other causes should be discovered if they exist - and I beg to refer the Board to my letter under date 5th February 1846. N: 14.

5 The fact of the entire Fabric, for such it must be considered having been lost on this lamentable occasion, will prove that it was not the fault of a portion of the work nor of a single arch, but more probably that the foundation could not support the weight against the heavy body of the Stream - Moreover the destruction of the

Bridge was so sudden, and simultaneous as to cut off all escape to Parties traversing it, and it is reported that nearly 30 lives have been involved in its fall.-

6. I repeat and anxiously solicit that a full and searching investigation should be made in justice to all engaged directly or indirectly in the undertaking for I beg respectfully to remark that I consider that Mr Lockharts insinuendo, is as ill supported as the work which has been washed away, a result no person regrets more truly than I do.-

To, J C Wroughton Esqr
Magistrate of
Coimbatoor

Sir

I have the honor to acknowledge your letter N: 188 of the 13th Ultimo, relative to your proceedings against the Maramat Superintendent of Salem.-

Being aware that Veerasawmy Moodelly had been arrested under your own Warrant countersigned by Mr Maltby, altho' you

you failed to notify to me your having so done as required. I should have been content to let the matter rest till informed of the result of your proceedings. did I not think it necessary to point out to you the inapplicability of the authority under both the regulations you quote in the case in point. Section X. Regulation IX and Section XXVII Regulation XI of 1816 apply only to crimes committed by persons within the jurisdiction of the Magistrate or Head of Police exercising the power. and moreover the latter clause of that first quoted requires "the exercise of discretion on "consideration of the circumstances of the case "and of the condition and Character of the "person accused".-

I of course give you credit for having acted to the best of your judgement, though you cannot carry me along with you in presuming that Sreenevas a Row the then Head of Police of Madura had sufficient grounds for adopting the proceeds alluded to in my letter of the 9th ultimo, as I learn from yours of the 8th to the address of Captain Birdwood. that he was suspended some days before for the very reas

had actuated his proceedings against Veerasawmy Moodely-
Shave now heard of the entire destruc-
-tion of the Cavery Bridge from the falling of the last
Arch on which the Engineer was engaged when deprived
of the services of the Superintendent how far this la-
-mentable disaster may be traced to that cause will
be a matter for the consideration of Government.

Proceedings thereon.

In the foregoing letter
Mr Wroughton, in reference to an observation of
Mr Lockhart requests that a scrutinizing enquiry may
be instituted into the cause of the
Cawery Bridge. Mr Lockhart in his communication
dated 2nd July 1847 states, I have now heard of the en-
-tire destruction of the Cawery Bridge from the falling
of the last arch on which the Engineer was engaged when
deprived of the services of the Superintendent how far
this lamentable disaster may be traced to that cause
will be a matter for the consideration of Government. The
Board consider that Mr Lockhart was not justi-
-fied in making use of the observations contained in his
letter which however did not in their opinion appear
to call for such notice as Mr Wroughton has
taken of them. The cause of the destruction of
the Cawery Bridge will be duly enquired into in the
Department of Public Work.

Ordered that copy of the forego-
-ing Proceedings be furnished for the information
of the Principal Collector of Coimbatore and the
Collector of Salem respectively.

Reporting on the relative advantages of the existing mode of conducting the Abkarry Rents and the System of renting by tender for a term of years.

In the Extract from the Minutes of Consultation dated the 25th of March last (Para 3) the Board of Revenue were directed to call upon the several Collectors for their opinions on the relative advantages of the existing mode of conducting the Abkarry Rents and the System of renting by tender for a term of two or three years proposed by Mr Smollett in view to the general adoption of the latter course

course in future should it be satisfactorily shewn to possess the advantages supposed and not materially affect the Revenue.

2- The replies of the local authorities to the requisition having now been received I am instructed to forward them for submission to the Most Noble the Governor in Council.

3- As regards the question of dispensing of the Abkarry contracts by Tender instead of by Public auction it will be seen on referring to these communications that the Majority of the Collectors have expressed themselves averse to supersede the hitherto prevailing practice on the grounds that the publicity and openness of a Sale by Public auction is the fairest mode that can be adopted with reference to all parties and is at the same time best calculated to ensure the highest amount of Revenue from this Source, that the Substitution of the contemplated method is likely to give rise to complaints and by facilitating combination among competitors tend materially to depress the

the receipts from this branch, without conducing to the introduction of a more substantial and respectable class of persons than are now generally engaged in these transactions. It seems to be the prevailing opinion of the local authorities that the adoption of tenders in lieu of the present form would still place the abkarry contracts in the hands of the existing description of renters but on terms more advantageous to themselves without any corresponding benefits on the part of Government and the community at large.

4 Altho' in some districts the abkarry would appear to be held by objectionable parties, from its not being always looked upon as a very creditable concern to be connected with, yet in others under the present system highly respectable persons are nevertheless found to be the actual contractors, as in the instance of Masulipatam, where the Acting Collector states the Zemindars themselves frequently undertake the rents though not in their own names.

5. It does not moreover seem to be generally considered that the resort to Public auction does in practice create a feeling of undue speculation other than is inseparable from the character of the transaction, the value of which is in a degree dependant upon fortuitous and accidental

accidental causes as is evinced by the slight annual fluctuations in this Source of Revenue and the punctuality and facility with which it is usually realized.-

6. The System of renting by Tender does not however seem to be altogether novel as it will be observed that both in the Districts of Salem and of Canara the course has been acted upon. In the former districts the Collector states that it is customary to notify Publicly "that offers would be received by tender previous to the day of Sale" he nevertheless adds that "parties have always "preferred attending the Sale." In Canara Mr Blane reports that "the rents are at pre- "sent let it may be said both by tender "and by auction, tenders are first invited to "be sent in and on a given day the rents are "finally put up to Auction". It is not ap- -parent however from these remarks whether the offers made by Tender are ever accept- -ed without reference to a subsequent sale or whether the amount so offered are usu- -ally below the rates ultimately obtained at auction.-

7 On the other hand it is

argued that the offers are often carried beyond the value of the rents from the rivalry and com- -petition created at a Public Auction which by involving the renter in liabilities they are un- -able to fulfil induces a resort to every ex- -pedient to stimulate the consumption of in- -toxicating spirits to the injury of Public morals and health. Evils which it is consi- -dered would be in great measure obviated by substituting a System of Sealed tender the acceptance of which should rest with the Authorities as a means of rejecting offers made by parties outbidding the estimated value of the rents and also encouraging capitalists of higher respectability to embark at a fair valuation in a transaction from which it is not so much the object to derive a large Revenue as to ensure the wholesomeness of the Spirits sold and to check their consumption by the imposition of a moderate tax.-

8 With respect to the second point Mr Smollett's proposition namely the extension of the term for which the rents should be held, from one to two or three years it appears

appears on reference to the returns under con-
-sideration that the several Collectors are more
unanimous as to the expediency of adopting this sug-
-gestion. It seems to be the more general
opinion that it would be beneficial both to
Government and the renters to extend the pe-
-riod as proposed. Such a course it is con-
-sidered would not endanger the Revenue, and by
giving an interest of longer duration induce men
of subsistence and superior station to invest
their Capital in these contracts. It is consider-
-ed also that by establishing biennial or triennial
leases, the renters would economise the resources
of their Farms, be in a better position to repair
temporary losses and the less induced to resort
to objectionable measures to provide against
-unremunerating periods to which they are more li-
-able in annual rents than if extended for a
term of years and that on general grounds the
modification is desirable.-

9 It should be observed how-
-ever that the objection to the measure are based
upon an apprehension that long leases would
diminish the present Revenue derived from
this source and tend to the accumulation
of balances that difficulty would exist in procuring

competent security for a larger period
than one year and that confusion and
embarrassment would arise in the event
of the death of a renter or his sureties
before the expiration of his term of
contract-

10- In some few districts the
abkarry has on different occasions been
rented on terms extending to two or more
years but in the greater proportion ex-
-amples quoted by the Collector when
this course has been followed the Con-
-tractors failed to fulfil their liabilities
involving themselves and the Government
in heavy loss-

11. In their Proceedings on
the Settlement of the Extra sources of
Revenue in the District of Vizagapatam
for fusly 1255 under date the 21st January
last the Board expressed themselves as
opposed to alter the present system of
renting out the abkarry but at the
same time they observed that they would
be prepared to sanction a contract for
a term of years if circumstances were
shown to warrant such an arrangement.

12- From a consideration of
the

Fort St George. 28th July 1847:

the reports now submitted by the several Collectors, they see no grounds to modify the sentiments they have already recorded on the subject generally, but with reference to the question of protracted leases they desire to observe that should Government approve they will be prepared to grant the above Contracts for 2 or 3 years on the recommendation of the Collector when they are fully satisfied that the securities are unexceptionable and the circumstances of the country such as to afford reasonable grounds to conclude that the contractors are capable of discharging their liabilities with punctuality, and are of a description in whose hands the rents may be placed with a fair expectation of the contemplated advantages being thereby obtained-

Proposing with reference to a Circular letter from the Board of Revenue Dated 28th. Ultimo to substitute Invalids in place of Peons applied for on the 17th January 1844 to relieve the regular Troops from Revenue duties excepting the Hoozoor Treasury.

* dated 17 January 1844

Sir

Para 1. I have the honor to acknowledge the receipt of your Circular letter of the 28th. Ultimo directing that measures may be taken in this District in view to relieve the regular Troops from Revenue duties by substituting Invalids.

2. A similar reference was made to me by Mr. Acting Secretary Lovell on the 2d. January 1844 annexing copy of the Minutes of Consultation dated 28th. December 1843 and as required in the latter part of the 2d. Para of the above Minute, I applied for a Temporary Establishment of Armed Peons in place of the Military Guard, excepting the Hoozoor Treasury, and to that report I beg to refer the Board as the circumstances under which it was written are unchanged. The only alteration required is the substitution of Invalids in place of the Peons I then applied for. The number of State Prisoners at the time of my report at Gooty was 39 whereas the number is now only 1, exclusive of Inchumed Moozpharkan confined in the citadel of Bellary and of Pedda Inggiah of Palacondah Family in Bruce pett at Bellary

Fort St. George 29th. July 1847.

3. The Ex Nabob might be removed to Gooty if the relief of the Guard here is thought an object and the Woman Pedda Inggiah would be just as well guarded by Invalids, if indeed it is the intention of Government to locate Invalids at a large Cantonment like this which I imagine is not the case.

4. I should have no objection to the removal of the Detachment from Gooty if my own District only was concerned in that question; but the late disorders in Kuddapah renders it at present I think inadvisable.

Fort St George 29th July 1817.

Ordered that the foregoing letter be submitted with the following address.

To

The Chief Secretary to Government

Sir

I am directed by the Board of Revenue to acknowledge the receipt of Extract from Minutes of Consultation dated 2d December 1816, in the latter part of which the Most Noble the Governor in Council desires that the Peddapore Zemindary be exposed to sale and purchased on account of Government, and calls upon the Board to state their opinion whether any allowance need be granted to the Zemindar, for his support, and if any whether the alienation of land surrounding the family residence at Peddapore would be preferable to a Monthly ready money Stipend.—

2 From the correspondence noted in the Margin it will be observed that in compliance with the orders above quoted the Peddapore Zemindary including the dairy lands hitherto enjoyed by the Zemindar but exclusive of 63—18—9 of Land bearing the shist of Rupees 3,145—15—6 allotted for the support of two charity Choultries, was put up to sale on the 5th Instant,

N 35 (13-14)

To The Chief Secretary to Government

Submitting a correspondence with the Collector of Rajahmundry reporting the sale of the Peddapore Zemindary and recommending that it's purchase on account of Govt be confirmed, also supporting the Collrs recommendation that a Monthly allowance of 1000 Pdt be granted for the support of the Zemindar and his brother—

From Collr Rajahmundry 11th Feby in Cons. 27th May 1817
Board's Proceedings 27th May —
From Collr 9th Instt in Cons. 29th July —

Fort St George 29th July 1817.

Instant, and there being no bidders was purchased on account of Government for Company's Rupees 169,1.35 — a sum equal to the permanent assessment. The Board beg to recommend that the purchase of the Estate may receive the confirmation of Government.—

The balance still outstanding against the Zemindary, after deducting the purchase money is, it will be seen, Rupees 61,689 3—12

3 6. Mr Prendergast promises to submit a separate application for permission to write this sum off the public accounts, so soon as an agreement is executed by the Zemindar, declaring that he relinquishes for ever all demands upon his former Sub tenants. This further report will when received, be submitted for the orders of Government in the usual course.—

With regard to the Monthly ready money
4 Stipend which should be granted for the maintenance of the Zemindar, the Board desire me to state that the total amount of his receipts previous to the sale of his Estate, appears to have been Rupees 11,302—3—6 per annum as per Statement entered in the Margin. In Fasly 1253 the Chuttrum lands were taken under Government Allowance — 6000—
Shist of dairy lands — 2156—4—
Shist of Chuttrum charity land 3145—15—6
Total 11302—3—6

Clear Management and the shist appropriated according to the intentions of the donors and the Government

Fort St. George 29th July 1847

Government allowance, as well as the proceeds of the dairy lands, ceased with the sale of the Zemindary. Consequently the only source of maintenance which now remains to the Zemindar is his estate of Collaum. Mr. Prendergast therefore recommends the grant of an allowance of 1000 Rupees per Mensem which he states will maintain the Zemindar and his brother in a manner suitable to their rank and station.

5. Although it would be gratifying to the Zemindar to hold land near the Cusbah Town of Peddapore, of value equivalent to the allowance now proposed, Mr. Prendergast states that he is unwilling to be exposed to the humiliation of contesting with the ryots those petty disputes about the supplies of water for their fields &c. which invariably arise when there is a deficiency of rain, and he would therefore rather forego the pleasure of being a land holder than reduce himself to a level with his neighbours on the score of his former greatness.

6. Lemmah Jagapaterauze only brother of the Zemindar of Peddapore, has it is stated received 100 Rupees monthly out of the 500 granted by Government and Mr. Prendergast suggests that, if Government increase the grant to 1,000 Rupees his maintenance be continued to him in the same proportion, that

Fort St. George 29th July 1847.

that is, that he shall receive 200 Rupees per Mensem. this arrangement would he states, be an equitable one, and will be beneficial to both parties in respect of its preventing those disputes which so frequently arise in consequence of the inadequacy of the Maintenance which the elder allots to the younger brother.

7. The Board concur with Mr. Prendergast as to the amount of the allowance which should be granted to the Ex Zemindar of Peddapore and the arrangement which he proposes, to secure a permanent subsistence to the younger brother, they therefore beg to submit his recommendation for the favorable consideration of Government.

8. The Board do not deem it necessary to offer any observations on the proposal of the Zemindar adverted to in para 2 of the Collector's letter dated 11th February last, as the decision of Government with regard to the sale of the Estate, seems to them to have been final.

From the Collector of Guntoor --

Sir

I have the honor to acknowledge the receipt of an Extract from the Board's Proceedings dated 31st May conveying the Board's remarks on my endorsement on a petition of certain Cometies of Innacondah forwarded with their petition to the Board No. 799 of 1847.-

2 The addition of 50 Rupees to the amount of last years Vefsabadi Moturpha on the Innacondah Cometies was made by the Head Assistant Collector in the Settlement of the Current Year after a personal enquiry into their circumstances.- The last Vefsabady settlement made in Fusly 1253 expired with Fusly 1255 and, in making a new one from the Current year, it appeared with reference to the general progress of recovery of the District from the effects of the famine, and the number of ratable families, that the proposed increase would be fair and reasonable.-

3. A Memorandum is subjoined shewing the Annual Number of house and Moturpha settled upon them under Vefsabady from Fusly 1241.-

(22-23)

The Petitioners complain of an Extra Collection on account of Moturpha to the amount of Rupees 50 having been levied from them by the Head Assistant Collector. The Collector explains that the additional demand was made after a personal enquiry into their circumstances and that he does not consider it unjust. The Board therefore reject the Petition but at the same time resolve to inform the Collector that his Assistants should not be permitted to bring items long discontinued again to account without his previous confirmation.-

Endorsement on Petition No. 799 of 1847.-

3. In Fusly 1228 / A.D. 1818/19 a respectable Native Inhabitant of Bellary at an expense of Rupees 13228 formed a Tank in the Village of Colagul 5 Miles North West of Bellary and requested the Collector to fix for the support of the Nursimmaswamy Pagoda also Established by him at the said Village an annual allowance equal to the Dasawandum to which he would be entitled in proportion to the Lands Cultivated by irrigation from that Tank. Mr. Vincash the then Sub Collector in whose Division the Village was situated acceded to the request and issued an order on the 7th April of Fusly 1233 / A.D. 1823/24 authorizing payment of an allowance of 2 Canteroy Pagodas per Measure of 24 Pagodas per annum for the support of the Pagoda and directing that the same be deducted from the Bariyze of the Talook and the Tank be entered in the accounts of the Circar. Accordingly the allowance appears to have been continued, the total Ayacut and Cultivation under the Tank are as follows.-

	Acres	Fanm C. Pagoda

If the Tank fills, the lands are Cultivated to the full extent of the Ayacut of which one fourth

fourth or Dasawandum is 42 Canteroy Pagodas. In lieu of this 42 C. Pagodas only 24 Pagodas appear to have been fixed for the support of the Pagoda. It is to be remarked, that the founder Sowda Maistry spent much money and was very useful in improving the Village.-

Kumply Veroopatchaswamy.

4. It appears that the Enams which had been continued in the name of "Purcharcum" a Servant of the Pagoda were sequestered many years ago, and in lieu thereof an allowance of Company Rupees 35-12-3 was substituted to be paid from the Bariye. Mr. Bruce the then Sub Collector issued a Takeed on the 5th January of A.D. 1216 / 1806/7 to Reddy Row the Amildar of Kumply Talook, directing that the deductions as usually made from the Bariy. be left unaltered. When the Decennial leases expired and the Villages were taken under Amanie Management the subject of this allowance would appear to have been disregarded and Mr. Cheape the Assistant Collector issued under date the 18th July of Fusly 1233 / A.D. 1823/24 an order to Satoorow the Amildar authorizing the allowance and directing it to be continued as usual, which has since been accordingly done.-

Chegullaravoo Varoogopalaswamy.-

5. There were certain Enam lands

lands for this Pagoda which having been suppended and destroyed by floods from the adjoining Rivr Mr. Chaplin a former Collector appears on the 7th May 1817 to have authorized an allowance in money equal to the Jumma or Assessment of the said Enam Lands, the same to be deducted from the Kistbundy Bariz of the Talook and so paid for the purposes of the Pagoda Accordingly the allowance has so continued.

Badaserah Durgha.

6. The Village of Badagary and its hamlet in the Talook of Muddugscrah at present yielding a Revenue of 540 Rupees had been originally granted to the Durgha as Enam. These Enams yielded in Fusly 1210/1800 a Bariz of 6 Pagodas 130. Colonel Munro resumed them and allowed in lieu thereof in Fusly 1211/1801/2 a money allowance equal to a moiety of the above sum Viz. 3 6 Pagodas to be paid by deduction from the Kistbundy Bariz for the expense of the Durgha which as still continued amounts to Company's Rupees 189–9–4 per annum.

Having submitted such particulars as are for the coming regarding these grants for Pagodas and Mosques, I shall now proceed to notice certain other items of a charitable Nature which have in like manner continued to be paid from the Kistbundy Bariz.—

8. These items consist of deductions allowed

allowed to 3 Persons of the Jungum caste in Hurponhully and Dowinhadagaly Talooks of this District, who continue to enjoy the same as follows.

		Cusbah—	Jungum Basapah	58	5	4
1	Hurponhully—	Hurponhully—	and Siddapah—			
2	Dowinhadagaly—	Band—	Guigatharapah—	58	5	4
				116	10	8

In support of the 1st of these items,

9 I find from the records of this Office, that one Siddalingaswamy, the great grand father of the present two Incumbents had originally obtained from the Sarvoctaram of the Poligar of Hurponhully certain Enam Lands equal to 80 C. Pagodas and enjoyed the same as Surva Enams during the administration of the Country by Tippoo Soolton from A. D. 1782 down to 1799; subsequently a Jodee of 6. Pagodas 48 had been fixed upon this. He possessed the Enam under this term till after Fusly 1215/1805/6 under the Company's Government, and when the survey took place in this District these Enams were resumed and one fourth of the Value thereof Viz. 20 C. Pagodas was allowed in money to be paid by deduction from the Kistbundy Bariz from the commencement of Fusly 1216/1806/7 which is accordingly continued.

It appears that two former Collectors of this District Mr. Campbell and Mr. Robertson took this matter into their consideration, and passed the allowance without

without objection. There seem to be the papers if forthcoming in the records.

10. As regards the 7th item it appears that the two Villages of Badek and Bodekal were in the enjoyment of the present encumbents' ancestors, but subsequently resumed at the time of the Survey in Fusly 1214 and in lieu thereof a deduction of 20 Pagodas from the Baiey was allowed. Since that period, the allowance is continued in the name of the present incumbent only, the same being supported by an order of Lt Campbell's issued on the 27th June 1822 / at which time the Villages reverted to Amanee Management.

The sums comprising the amount of grants under report are as usual deducted from the Land Baiey of the respective Talooks during the Jummabundy, and disbursed by the Talookdars at certain periods when the Kists are collected. It is for the Board to decide whether these should be viewed in the same light as the allowances granted to other Religious Institutions in the District which are paid direct from the Treasury and entered in the Accounts for the Civil Auditor and Accountant General.

The settlement of Land Revenue of Fusly 1255-
Badek ... 165-15-0
Bodekal - 27-11-0
193-10-0

12. The Institutions enjoying these grants under reference are actually maintained and kept up to this day, and I have no reason to suppose that the allowance is either misappropriated or

unlawfully obtained.

There is in this District but one item

13. usually and similarly deducted from the Moturpha Revenue and paid for the support of the Great Bava Fakaroodeen Durgha at Cusbah Penagondah, I have called for the particulars connected with it and as soon as received from the Talook, I shall submit a separate report thereon for the orders of the Board.

From the Collector of Bellary ... 3 Sir, Para 1.

Reporting on the allowance paid to Mosque at Penagondah by deduction from the Moturpha Baiey which will have to be paid direct from the Treasury in future as is done in regard to other Religious institutions in the Bellary District.

Referring to the concluding Para of my report dated the 6th February 1847 No 14, I have now the honor to submit as therein promised the following separate report on the allowance deducted from Moturpha Revenue and paid for the support of the Great Bava Fakarooddeen Durgha at Cusbah Penagondah in this District.

The Durgha in question is

2. large and ancient, distinguished by the denomination of "Mohomedan Bava Fuckrooddeen" a Great Person whose body was interred there. The amount of Tax levied from the Merchants living in a small Bazar attached thereto has for a series of years been

Rs 101-8-0

been appropriated for the expenses of the Durgha.
The Chitty and others of the Bayar belonging to the
Circar in that Town having committed some mischief
in the exercise of certain Caste Powers to those Mer-
chants of the Durgha Bayar the latter 13 in Num-
ber paying 57 C. Pagodas for the Durgha expenses
deserted that place and erecting Houses of their
own established themselves without the Circar
limits.-

3. When these circumstances took place
Colonel Munro was Principal Collector of the District
and the matter was brought to his notice by the Moo-
vers or the owners of the Durgha as appears by the
original Tackeed of that Province
The Mooyauers of the Durgha in
question brought in other Merchants
in room of the 13 who quitted the
place and arranged for their to
occupy the vacated places and lease
them with 22 — 2 — " Deduction
therefore this sum Colonel Munro
ordered that the remaining C. Rs 34
-8 or C. Rs 101 — 8 — " being the loss which the Durgha
sustained as per Margin be deducted from the Bariyam
paid over to the Mooyauers for the expenses of the
Institution. Colonel Munro also directed, that the
13 Merchants abovementioned be subjected to the
payment of a Tax Ever since that time the
amount of C. Rupees 101 — 8 — " accordingly

	C. Rs	A.
* Amount of Tax levied from 13 Bayar men attached to the Durgha who left the Bayar C. Pagodas	57	— —
Deduct amount paid by other Merchants who took their Place	22	— 2 —
Left to Durgha	34	— 8 —
or C. Rupees	101	— 8 —

continues to be deducted from the Moturpha
Bariy.-

5. The heirs or Successors of 8 out of
the 13 Merchants who quitted the Durgha Bayar
and came up to that of the Circar, still continue
to pay to Government an annual Tax of C. Pagodas
36 — 2 — 8 being equal to C. Rupees 105 — 11 — 8. This
is collected and carried to the credit of Govern-
ment included in the aggregate Moturpha Bariy
of the Talook. The amount realized for Government in
this instance being C. Rupees 4 — 3 — 8 over and
above that allowed by means of deduction from the
Bariy. There were 11 Merchants residing in the
Bayar attached to the Durgha in last Fusly
[1255] who paid C. Pagodas 14 — 1 — " for that year
and this sum the Mooyauers continue to Collect
as usual for the benefit of the Institution.-

6. For the better satisfaction of the
Board, I beg to enclose four Tackeeds No 1 to 4
issued by Colonel Munro to the
Tahsildar of Penaconda with a
translation. No 1 & 2 are copies
the originals not being in the
records of the Talook Cutcherry and Nos 3 & 4 are
the original Documents bearing Colonel Munro's
Signature. Under these circumstances the allowance
in question having been continued without intermission
to be appropriated to the Expenses of the Durgha

Translation of a Maharatta Tuckeed issued by Major Munro Collector to Sreenevasa Row Tasildar of Penaconda dated 5th July of 1210 Fusly

It has been brought to notice by the Moojavurs that some of the Merchants of the Bazar of Babut Fuckroodeen daib Durgha at the Cusbah who are erecting elsewhere are willing to remain on their former place and that the Merchants of the Town object to them so doing so you are therefore to direct the Merchants of the Town not to make any such objection

P.S.

It further appears that the Head Setty of the Merchants issued orders banishing these Men of the Durgha Bazar from their caste. You are to warn him against such a conduct on pain of removal from Office.

/Signed/ J. Munro.

Fort St George 29th July 1847

Translation of a Maharatta Tuckeed issued by Major Munro Collector to Sreenevasa Row Tasildar of Penaconda &c. Dated 22nd July of Fusly 1211.

The People on behalf of Moojavurs of the Durgha at Penaconda &c. appeared in the Kuzzee and having stated that the Setty Merchants of that Town have obtained a written document from the Merchants of the Bazar that no Bazar shall be erected near the Durgha and are making mischief. You are therefore to investigate the matter and if you find that such is the case you will restore it to the Merchants as it is understood that Tax on the Bazarmen has continued to be levied and paid to the Durgha If so and though the Merchants attached to the Durgha have erected near the Fort Still the Tax will have to be paid as usual to the Durgha.

/Signed/ J. Munro

No 3

Translation of a Maharatta Tuckeed issued by Major Munro Principal Collector of the Ceded Districts to Boojunga Row Tasildar of Penaconda under date the 5th April Fusly 1211.

The Moojavur of the Durgha of Penaconda having brought to notice relative to

to the taxes recoverable on certain number, of Ba Kals/ Merchants/ belonging to the Durgha Pet who have erected their Houses near the Fort, you will therefore examine into the accounts. The tax on the 13 Persons who erected houses near the Fort is Pagodas 8/ and of this the Number of Persons newly settled in the Durgha Pet being 9, their tax is Pagodas 22-2— so the decrease amounts to Pagodas 8/ 34—8—/ Thirty four and fanams Eight- This sum has been deducted from the Summabundy and you will also cause the same to be deducted in the Talook Duftor you will collect tax from the Ba Kals according to the Coolwar/ Individual list/ and pay the Amount deducted over to the said Moojaurs of the Durgha taking a receipt for the same- Take a Copy of this Purwanah for the Talook Duftor and give up this Original to the Moojaurs.— Know this.

/Signed/ J. Munro

No 4.

Translation of a Maharatta Tax Reed/ issued by Colonel Munro to Vector to Tummanah Tasildar of Penacondah dated 11th April of Fusly 1215.—

You are aware that in consequence

of 13 Merchants of the Durgha Pett of Bankah having gone over to the Cowbah the tax collected from them Amounting to 34—8—" CPs fa for last Fusly was paid to the Moojaurs. You are therefore to pay it over in the same manner this year on obtaining a receipt. It appears from the list of Coolwar tax submitted, that deductions have been made of 6 Pagodas on account of Setty & 6 Pagodas Vencatramaniah and Poovadee and 6 Pagodas for Vencatasoobiah on the ground that they never paid the Tax. The Moojaurs have brought to notice, that they did always pay that the same appears in the accounts- You are therefore to enquire into this property and should it be proved that they continued to pay the Tax, You will enforce the recovery of the same.

From the Agent to the Govt of Fort St George at Kurnool

Sir

I have the honor to report for the information of the Board that

Fort St George 29th July 1847

that Doctor Wight is sending by Baugh from Coimbatore, packets of American cotton seed, of which he proposes to despatch about 100 lbs. Arrangements have been made for sowing the whole and as it is an experiment, I have promised to remit the Gootta on the land sown, in case the crop should fail, of which I hope the Board will approve. I have anticipated their sanction because it seems of importance to get this sort of seed sown as early as possible, and the season is already advanced. The whole amount of Gootta will be trifling for the seed will not suffice for more than about six acres of land.

Resolution thereon.

Submitting a letter from the acting Collector of North Arcot reporting the death of Shaullahe Gunganah a Service Enamdar in his district and stating that the Board think that the grant should be renewed in the name of the eldest son of the last encumbent.—

Resolved that the foregoing letter and its enclosures be submitted for the information and orders of the Most Noble the Governor in Council—

2. The Enam held by the deceased is it will be seen, of the value of Rupees 13—2—11 and chargeable with a Sodee of Rupees 1—10—3. The service required of the Enamdar is "making counterfeit Lions &c. for adorning the Car of the great Tripultty Pagoda". The acting Collector recommends that the grant be renewed in favor of the widow of the late incumbent for life, leaving the Mokhtasib to provide for the performance of the Services in future, from the revenues of the Pagoda, which he states are amply sufficient for all purposes.

3. The Board cannot concur in this recommendation they think that the Enam should be renewed in the name of the Eldest son of the last incumbent as it is a hereditary service grant—

From the Collr of Salem—

Reports on the lands of the 3 defaulters entered in the Statement No 2 which accompanied his letter of the 6th April and as they have not paid the balance due requests sanction for the sale of the lands.

To D. White Esqre
Secretary to the
Board of Revenue
Fort St George

Sir,

With reference to Parat of the Extract from the proceedings of the Board of Revenue dated 29th April last requiring me to explain whether the Nunjah lands of 3 of the 8 Defaulters entered in the Statement No 2 which accompanied my letter of the 6th April have been fully supplied with water and have yielded a good crop, I have the honor to state that the lands of the three Defaulters mentioned above Nos 2. 6. and 7 have been fully supplied with water and yielded a tolerable good crop but they have from contumacy withheld payment of a great portion of the Government demand after paying only a small sum—

2. The defaulters Nos 3 and 4 paid their dues for Fusly 1254 to Government when they found that their lands were

Fort St George 29th July 1817.

were actually ordered to be sold by public auction. The balances for Fusly 1254 for which the lands were advertised for sale were not discharged out of the profits of that year which they had appropriated to themselves, nor was the produce of their lands for Fusly 1255 appropriated to meet the demand in question.

In answer to the 2d para of the Proceedings under acknowledgment I beg to state that two of the 5 spots therein mentioned Viz. Nos 124 and 154 are lands of an inferior quality which no Ryot would purchase; consequently they were valued at As 8 by those who estimated the lands in question. The spot No 149 being of a superior quality it was valued at Re 8; although the Teerwah is high yet it is said the land will fetch that amount at auction; the probable value of the spot No 150 equal to the former in extent was entered at Re 2 by the assessors

Fort St George 29th July 1817.

according to the nature of the soil and locality.

The spots Nos 153 and 154 though equal in extent and assessment, the former being a little better than the latter it was valued at Re 2 according to the circumstances of Fusly 1254 in which it fell in arrear, but according to the circumstances of the present year and the state of the Ryots its value was considered by the parties who estimated it and they reduced it from 2 to 1 Rupee. The value of the lands principally depends on time and circumstances, lands of good quality situated near a Town, Village, or Tank though highly assessed are generally considered to be valuable property if the lightly assessed lands are of inferior quality and situated at a distance from the Village and Tanks, they are not considered as saleable property as no one offers for them. They sometimes fetch a very small price. The high price or value set on land generally arises from its situation, quality, and sources of irrigation.

As

10109 Fort St George 29th July 1847

As the above defaulters have not as yet paid up their balances I request that the sanction of the Board may be obtained as early as possible for the sale of their lands—

Resolution thereon.

Resolved that the foregoing letter and its enclosures be submitted for the information and orders of the Most Noble the Governor in Council.

Submitting a letter from the Collector of Salem reporting the death of Bistnajee Chund a Yeomiahdar in receipt of an allowance of Rs. 68-11-5 per mensem & recommending that the Yeomiah be continued to the mother of the deceased for life.

2 It will be seen that the Yeomiah in question was originally conferred on the deceased by Tippoo in consequence of his father having been killed in battle during the reign of that Prince, and that it was renewed by Captain Munro on the assumption of the Country by the British.

3 The family left by deceased is said to consist of his Mother aged 80 years, and an adopted son, aged 24 years, who have no other means of subsistence. The grant was for life, and should properly cease with the death of the late incumbent, but in consequence of the extreme age of the Mother Viz. 80 years and the poverty to which she would be reduced, if the grant were resumed, the Board beg to recommend that the lapsed Yeomiah be continued to her for life. They are of opinion that this is not a case in which the claims of an adopted son should be recognized.

Resolved

Fort St. George 29th July 1847.

(40-41)

Proceedings thereon- Resolved that the foregoing letter be submitted for the orders of the Most Noble the Governor in Council, in reference to extract from Minutes of Consultation and 23rd March 1847, with the following brief notice of the explanations afforded by the Collectors of Madura and Tinnevelly in Reply to the observations of Government in the extract quoted above.-

Submitting with reference to Extract Min: of Cons: dated 23rd March 1847 Letters from the Collrs of Madura & Tinnevelly furnishing the information called for regarding certain payments made in Fusly 1252 & retrenched by the Civil Auditor.- in Con. d. 16th July 1847

E. M. C. P. 4.

2 The statements forwarded by the Collector of Madura shews distinctly the names of the members of the family of the late Mootooramalingum Sarithooty deposed Poligar of Ramnad, the monthly sum payable to each, and the actual disbursements in Fuslies 1253—1254 and 1255- from which it will be seen that the monthly payments in Fusly 1252 Amounted to Rupees 513-5-1, and that the disbursements for the three Fuslies above named were as noted in the margin.-

F.
1253- 5652-9-11
1254- 5018-14-9
1255- 4775-1-7.

3 Ten of these pensioners whose allowances amount in the aggregate to Rupees 172-4-11. per mensem are reported to

Fort St. George 29th July 1847.

have died since Fusly 1252, the Board therefore beg to recommend that the payments to these parties be resumed and the reduced sum of Rupees 341-4-2 be sanctioned as the amount payable to the family of the late Poligar- should any claims to the lapsed pensions be hereafter brought forward the Board will submit them to Government in a separate Communication.-

E. M. C. p. 5- 4- The Collector states it will be observed that the services of the three servants Nos 25- @ 29 are required for purchasing provisions- that the three female Messengers Nos 28@30 are employed in conveying messages between the male servants and the Ladies of the late Poligar and that the duty of the 5 other women Nos 31@35 is to examine all females entering and leaving the palace, and to attend upon the Ladies- Mr. Parker has not stated whether these charges are still necessary, but as lapses occur they will be reported to Government with the Boards' opinion on each case.-

E. M. C. paras 7- 5 The Collector explains that the duty of the Peish Emam is regularly performed in the Mosque of Shaw Budderdeen and that no other grant is in the enjoyment of the present incumbents for that service.-

E. M. C. p. 10- 6. Mr. Parker states that the Mosque situated in Madura is actually maintained by the Yeomiahdar No. 69- the further report promised by the Collector will be disposed of in separate proceedings-

10131 - Fort St. George 29th July 1847 -

E.M.C.p.13- 7- A portion of the allowance amounting to Rs. 319-6 per Annum is reported to have been diverted from the Chuttrum of Soonderalosh at Teroomungalum to that of Coilputty from which it is apparent that the present allowance is more than necessary for the support of the original institution - The Board see no reason for Continuing the sum of Rupees 547-8 added to the original grant in 1835.-

E.M.C.p.14- 8 The allowance to the family of the late Lieut.t and Adjutant Clarke appears to have been paid by the Poligar of Punchalum Coorchy and after the sequestration of the Pollam, it was disbursed from its revenues under the orders of the Board dated 11th April 1800 - From the letters recorded at the head of these proceedings it will be observed that the pension to Lieut.t Clarke's family has been paid from the Government Treasury at Tinnevelly from July 1804, and that the allowance of Rupees 1008-9-4 payable to Mr.s M. Clarke one of Lieut.t Clarke's Children was transferred to Madura in 1836 and has since been disbursed from that Treasury.-

9 The closing paras of the letter from the Collector of Madura has reference to certain lapsed among the Rammad pensioners reported to have taken place in the latter end of last year - when the Board have received Mr.s Parkers' promised report as to the propriety or otherwise of Continuing the allowances to the relatives of the deceased they will lay the subject before Government in the usual Course.-

Transmitting copy and translate of an Enquiry-namah and the original of another on the subject of the Enam Village of Cullygoody in the Maidacolum Talook together with certain further information called for by the Board -

1. In reply to the Board's Proceedings of the 22d February calling for further information on the subject of the Enam Village of Cullegoody in the Maidacolum Talook, I have the honor to submit an authenticated Copy of the Enquiry-namah referred to in Mr. Peters order under reference, and an original one produced by the Enamdar, both with translated and to observe that on enquiry it appears, that Nawab Wallajah was accustomed to verify documents by his initial "Baze" instead of affixing his signature in full - There are some Purwanahs so attested on the Records of this District -

As respects the Enamdar's

2- assertion that the proceeds of the endowment are expended in festivals, feeding Fakeers &c.a

I beg to state that keeping lights &c.a &c.a, I have ascertained that Rupees 269-9-2 out of Rupees 302-15-3 the income of Fasly 1255 both of the Village and Yeamah were spent as per margin in feeding Fakeers and charges of repair, and the remainder towards subsistence of his own family, agreeably to the tenor of

10133. Fort St George. 29th July 1847.

of the Purwanah, the object of the original grantor would therefore appear to have been fulfilled.

3. In the Hindoovee Settlement an account of the survey year 1212 the Village is entered as a free gift in the name of Jaheer Badshah Peerzadah but by the Hindoovee Maniar account of Fooly 1213 the object is expressed to be for keeping light &c. on a Mosque: the original grantee's name to be Hajeeaun Mahomed Sisty, and that of the then incumbent his son Fyzally Sisty; and the grant is said to have been made in Hijree 1169 by Mahfooz Khan whose Purwanah with an original Enqoytnamah is stated to be on the Court bearing the Seal of the grantor. It is added that the Manium had been continued to the Incumbent ever since uninterruptedly with a Yeomiah of two Cully fanams per diem. I am inclined to think from the meaning of the words that Jaheer Badshah Peerzadah was another appellation of Fyzally Sisty indicating his holy pursuits and not a substantive name.

4. In a Hindoovee Yeomiah list of Fooly 1209 left by a Mustahsar of the Nawab the Yeomiah (No. 99) of 2 fanams is stated to have been originally granted to Hajeeaun Mahomed Peerzadah Sisty and to have descended to his son Fyzally Sisty. and the remarks appended to it show

10134. Fort St George. 29th July 1847.

the continuance of the endowment of Cullygoody for the support of the Mosque.

5. The body of proof adduced above is further supported by the terms of the entry of the yeomiah of 2 fanams in a list of Yeomiah prepared by Mr. Hurdis in 1802 wherein the name of the original grantee of the Yeomiah is entered as Hajeeaun Peerzadah Sisty, and the then Incumbent to be his son Fyzally Sisty. It is added in another Column that the Incumbent has the Enaam Village of Cullygoody in the Madacolum Talook.

Translate of an Enqoytnamah dated 11th Fuslee Pajut Hijree from Nabob Indoo Wallajah to Gola Moodheen Khan Soonody greeting.

In his address to me, Hijeeaun Sisty states that the Village of Cullygoody in the Pungamah of Sholavandan in Madura was granted to his father Asun Mohammud Sisty in endowment for keeping light in a Mosque for subsistence &c. under a summud of Nabob Shamutgunjah Bahadar, that he was in enjoyment thereof from Fuslee 1169 Hijree 1168 that a yeomiah of 2 fanams per diem was also granted to

long ago and continued to his said father as a descendant of Hazrat Khojah Nasseroodeen Chirakha Thaliee from the Sayer funds of Cusbah Madura - that his said father died on the 17th Panjan Bezree 1181 Fasly 1181 and that you now requires renewed authority from me for their surrender. Reference to the entry in the Dufters having satisfied me of the fact of the grantee having been in the enjoyment of the Village and of the Yeomack till Fasly 1184 as well as from long established Custom as by virtue of a sunnud granted, they are hereby confirmed to the aforesaid Pyeula Sisty as son and heir and disciple of the deceased original grantee to be continued from generation to generation: and you are required to give effect thereto and let the village and yeomack be enjoyed by him from this year. in the understanding that he is the absolute owner of all that concerns the Mosque, with exception of the duty of Mouzen. You will take down Copy of this in your Dufters and deliver the original to him. You are to know this as an order in the matter.

Proceedings thereon. 1 In the Statements of Retrenchments made by the Civil Auditor in the Accounts of the Madura Collectorate for Fasly 1252. the Principal Collector stated that a Yeomiah of 2 Cully Fanams per day, together with the free Enam Village of Cullygoody was renewed in the name of Allaverdeen Shaly son of the late Incumbent by the Principal Collector Mr Peters, under date 11th June 1821, without the Sanction of the Board: the grant being according to the Purwanah of the Nawab Wallajah, for the support of a Mosques and maintenance of the grantee

4th January 1847. yearly allowance above attested to have been proposed of but with regard to the Village of Cullygoody, the Board requested the Principal Collector to forward the Purwanah of the Nawab Wallajah and any other documents which might be forthcoming in support of the grant, with translations. they also requested him to furnish Copy and translation of Mr Peters order dated 11th June 1821. and to state the amount of the Revenues annually derived from the Village and the purposes to which it had been appropriated.

In reply the Principal Collector

3- transmitted Copy of Mr Peters Order, and

28th Jan. & 22d Feb. 1847. an attested transcript of the Nabob's Purwanah, and stated that the settlement of the Village for Fasly 1255 was Rupees 211-8-9. and that the greater part of this sum, together with the amount of the Yeomiah allowance, the Enamdar said was appropriated for festivals, feeding Fakeers and keeping lights &c. in the mosque, whilst a small portion only was expended for the maintenance of himself and family-

22d February 1847. In their Proceedings of 22d February last the Board observed that they had not sufficient information relative to the circumstances under which the Village had been alienated,

to enable them to address Government on the subject and they therefore desired to know with reference to the fact that the Cowanah might bear the initials of the grantor whether there were any grounds on the opinion of the Principal Collector for suspecting its authenticity. He Board further remarks that the existence of an Engagement was asserted to in Mr Peters letter as having been issued by Nawab Wallajah on the occasion of a lapse occurring in the incumbency of the Village, and if that instrument were forthcoming, they desired that it might be submitted for their inspection.

5. With reference to the incumbents statement that the greater part of the proceeds of the Village was appropriated for festivals, feeding Fakeers and keeping lights &c. the Board requested that steps might be taken by Mr Blackburne to satisfy himself of the correctness of this general assertion on the part of the Cowanah, and to ascertain if the intent of the original grant had been and continued to be, duly carried out. Mr Blackburne was also desired to report the particulars of the entry of the Village in the original Settlement Accounts, and at the same time to furnish any further information regarding it which a careful inquiry might elicit.

6. The reply of the Principal Collector submitting an authenticated Copy of the

Engagement referred to in Mr Peters order and an original one produced by the Cowanah is recorded at the head of these Proceedings. Mr Parker states that on enquiry it appears that Nawab Wallajah was accustomed to verify documents by his initial "Byze" instead of affixing his signature in full, a fact proved by other Cowanahs, so attested, being found on the records of his Office.

7. As respects the Cowanah assertion that the proceeds of the Endowment are expended on Festivals, feeding Fakeers, keeping lights &c. Mr Parker reports that he has ascertained that Rupees 289-9-2 of the united income both of the Village and Yeomiahs in Fasly 1256, were spent in the service of the Mosque and Tank repairs, and that the remainder was applied towards the subsistence of his own family, agreeably to the tenor of the Cowanah, from which it would appear that the object of the original grantor has been fulfilled.

8. In regard to the manner in which the Village of Cullegoody is entered in the Settlement Accounts, the Acting Principal Collector observes that in the Kundooree Settlement Account of Fasly 1212, the survey year, the Village is entered as a free gift in the name of

Fort St. George. 29th July 1847.

of Saheer Badshah Peerzadah, but by the Jumbunnee Manuum Account of July 1813 the appeal was expressed to be for keeping Eight Yeomiahs in Inaam. In this Account Mr Parker states that the original grantee's name is registered as Hussun Mahamed Sisty and that of the then incumbent his son Syzally Sisty: the grant is also therein shown to have been made in Huzree 1109 by Mahfooz Khan, whose Perwanah with an original Engeltnamah bearing the Seal of the grantee was deposited in the Court, and it is added, that the Manuum had been continued to the incumbent two lives, uninterruptedly, with a Yeomiah of 2 fully fanams per diem. Mr Parker is inclined to think from the meaning of the words that Saheer Badshah Peerzadah was another appellation of Syzally Sisty indicating his holy pursuits and not a substantive name.

9. Mr Parker further observes that in a Hindoovee Yeomiah list of Fusly 1209. left by a Mustahdar of the Nawab the Yeomiah No 19 of 2 fanams, is stated to have been originally granted to Hussun Shah Peerzadah Sisty and to have descended to his son Syzally Sisty and the remarks appended to it shew the continuance of the Endowment of Cullygoody for the support of the Mosque.

10. The body of proof adduced above Mr Parker adds, is further supported by the

Fort St. George. 29th July 1847.

terms of the entry of the Yeomiah of 2 fully fanams on a list of Yeomiahs prepared by Mr Hurdis in 1802, wherein the name of the original grantee of the Yeomiah is entered as Hussun Shah as Peerzadah Sisty and that of the then encumbent, his son, Syzally Sisty: and in another column it is stated that the Incumbent holds the Enam on Village of Cullygoody in the Madaeastam Talook.

In the foregoing years the Board have entered into a detail of the correspondence which has passed between their Office and the Revenue authorities of Madura, respecting the Village of Cullygoody, and from the facts stated by Mr Parker, they are of opinion that the right of the present holder Allawoodeen Sisty to the hereditary enjoyment of the Village, as well as to the Yeomiah allowance of two fully fanams per day has been clearly established. They beg therefore to recommend that the Government will be pleased to recognize Allawoodeen Sisty as the legal Enamdar and confirm the order issued by Mr Principal Collector Peter, under date 17th June 1821. placing him in possession of the Village of Cullygoody on the death of his father Hussun Mahomed Sisty.

Ordered that a Copy of the foregoing Extract from the Board's Proceedings be submitted to Government.

From the Actg Pr. Coll. of Madura

Sir.

I have the honor to request that you will procure for me the opinion of the Board of Revenue as to whether the complaint of Ryots in Zemindaries in possession of their owners against Village Officers for levying an extra cess can be examined by a Collector under Regulation IX of 1822.

I do not perceive that cognizance of charges against this class of Officers is precluded to a Collector by any express words in the Regulation, but the letter of the Board dated 2d April 1838 has been construed here to convey an opinion that in zamindaries all the Revenue servants are amenable to the Courts only. I entertain however some doubt whether it was intended to refer to Natt'hangers and other Village Officers except Cumums.

Proceedings thereon.

(45-46)

The Board observe that it is provided in Sec. VII Reg. VI of 1831 that "Village

Fort St. George, 29th July 1847.

* Note. Cumums are exempt under Sec. VIII of the same Regulation.

Watchers as well as all other persons who hold or may hereafter hold hereditary village or other Offices in the Revenue and Police Departments to which emoluments have been annexed by the State, shall be under the immediate authority and control of the Collectors of the Districts in which such Offices are established and shall be liable to suspension or removal from Office for incapacity, neglect of duty or other just cause by the orders of the Collectors." It appears therefore that the only penalty to which Village Officers in Zemindaries under management are, under the foregoing Section, liable, is suspension or removal from Office and the Board are not aware of any order rendering them directly Amenable to the penal provisions of Regulation IX of 1822.

Before, however, replying to the Collector's reference they resolve to forward his letter for the information and orders of Government with a request that they will be pleased, on consideration of the foregoing, to issue such instructions for the guidance of Collectors as may be deemed proper.

From the Clk of Madras

Reporting with reference to the enclosed petition from Mr I. C. Burghall lately a writer at the Cutcherry the Circumstances which have led to the dismissal of that individual from his station -

I have the honor to acknowledge the receipt of your letter under date the 19th instant transmitting a petition No 1181 of 1847 from Mr I. C. Burghall lately a writer on my Establishment, relative to his dismissal from this Office, and calling upon me, by order of the Board of Revenue, to afford full information as to the cause of his removal, and to submit any proceedings which may have been held in the case -

2. It is requisite to premise that the Petitioner was never harshly dealt with by any of the Officers on my Establishment - He was entertained by one in 1840 and since that time I have heard that he was careless in the discharge of his duty in as much as he was always found to be a very indifferent Copyist - This was repeatedly pointed out to him until about the period of his dismissal. I shall now proceed to explain at full length the Circumstances which have induced

induced me to adopt the measures which the Petitioner complains of -

3 On the 18th ultimo at a late hour in the afternoon Mr De Monte, another writer received a note from a Mr Highland informing him that he had something of great importance to communicate to him in relation to himself personally, and Mr D. Vaz the Head Clerk, and desiring him, in consequence to call over and see him without delay - He cautioned Mr De Monte in the mean while against his note being shewn to the Petitioner at this time. Veerata Sooliah, the Sheristadar was in Mr D. Vaz's room.

4 Mr De Monte having left the Office to meet Mr Hyland, Mr D. Vaz told the Sheristadar that he wished to ask the Petitioner, who was in the adjoining room, whether there was any quarrel between him and Mr De Monte

which appeared to be the case from the tenor of Mr Highland's note. The question was accordingly put to the Petitioner, when he answered that he never would "stab in the dark," and that he did not quarrel with any body, but that Mr De Monte himself fell out with him for speaking to him on the subject of certain papers connected with a Zemindary, which he said were copied for him by some persons in the Cutcherry - He was then requested by Mr D. Vaz to name the parties represented to have copied the alleged papers. Of four individuals, who appeared before him, three denied that they had copied any paper for Mr De Monte - at the Office, whilst one admitted that he did copy about 1½ or 2 sides, which he on enquiry, stated were some decrees or proceedings of the Sudr Court and He was duly admonished on the occasion. as

Fort St George 29th July 1847.

as at this time Mr De Monte was returning from Mr Highlands House the Petitioner was desired to go back to his seat.

5 Mr De Monte's statement was that he was credibly informed by Mr Highland that the Petitioner had been very busy since the beginning of last Month in the preparation of several defamatory letters under the signature of Abelard, which were copied by one Mr Jacob's and dispatched by post to some of the public authorities here, that in those letters the Characters of Mr D. Vaz, Mr De Monte and myself were aspersed, and that it was in his (Mr Highland's) power to prove that the practice of addressing similar letters to the Gentlemen at the Presidency, but in matters unconnected with this Department, was quite

Fort St George 29th July 1847.

common with the Petitioner.

6 During the whole time that the enquiry and statement just referred to were made, the Sheristadar continued in Mr De Vaz's room. After hearing Mr De Monte's statement on the 13th Mr D. Vaz ceased to communicate with the Petitioner until Monday the 21st Ultimo, when, owing to the Petitioner's attendance at a late hour, he asked him what detained him at Home so long. He replied that he was engaged in some business of his own, when Mr D. Vaz expressed a hope that it was not in connection with any letter of "Abelard:" The moment the name of "Abelard" was mentioned the Petitioner appeared much confused, and, after making one or two remarks quite irrelevant to the matter at issue, he said, that he was informed that Mr D Vaz was endeavouring to get him dismissed. Mr D. Vaz assured him that he was mistaken, for he never spoke to any body to that effect. Not a word has since passed between them.

7 The whole of the facts stated above came to my knowledge in due time, but I was not prepared to speak to

to the Petitioner, there not being substantial proof of his having done what was laid to his charge. This however, I learned very soon afterwards, as the accompanying letter from Mr De Monte under date the 26th ultimo and its enclosures will shew. The Enclosures, it will be seen, are as follows-

No 305½

No 1. Mr C. R. Jacobs statement that he has copied in the beginning of last month for the Petitioner five letters under the signature of Abelard which were sent to the Post office, the whole containing serious accusations against Mr De Monte and traducing the character of several others. but on the morning of the 19th ultimo there was another abusive letter copied into, that the Petitioner is always in the habit of writing similar letters, and that on the nights of the 19th June he and his father (who draws Monthly a pension of 52 Rupees from this office) begged and prayed of him (Mr Jacobs) to sign an agreement denying all knowledge of having copied any papers for him or having had any communication with Mr Highlands the subject, for which he promised to remunerate him-

† Note

Mr DeMonte having seen Mr Highland on the 18th June it was known to Mr Burghall who is a neighbour of Mr Highlands that his Secret acts were already brought to light hence his proceedings on the Evening of the 19th June.

No 2. Mr W. D. Highlands statement which is fully corroborative of the one from Mr Jacobs, the truth of which he is prepared to verify on Oath. —

No 3. Mr W. D. Highlands statement that the Petitioner begged of him, on a promise of secrecy, to give up his name as the author of the letters in question-

No 4. Droughans statement that he was first engaged to write the whole of Abelards letters, that he afterwards transferred the work to Mr Jacobs, and that the Petitioner subsequently begged of him not to mention the circumstances of the case to any body-

No 5. P. Iyasawmy's statement that, being then a Volunteer in this Office, he wrote two years ago certain abusive letters for the Petitioner, and that he was afterwards often asked to copy some more letters, but which he refused to do. —

A

Fort St George 29th July 1847-

A A paper containing two drafts of letters in the handwriting of the Petitioner, one to Captain Stafford Acting Chief Magistrate and Superintendant of Police dated 27th December 1846 and the other to the Superintendent of the Athenaum Press under the signature of "A Resident of Poonamallee" charging one Mr C G Jacobs and recommending his dismissal-

B An original letter to the Superintendent of the Athenaum Press corresponding with A, which letter bears the Post Office Stamp-

C Another original letter to the same party under date the 31st December 1846, which also is in the handwriting of the Petitioner and bears the Post Office Stamp-

D Mr Highland's Deposition before me as to the correctness of Statements No 2 and 3-

Fort St George 29th July 1847-

8 It will be seen that the parties who signed the Statements marked Nos 1, 4 and 5 have likewise declared before me that they are prepared to prove before any competent tribunal the correctness of their respective Statements-

9 With reference to these several Statements and the original letters to the Police and others in the Petitioners own handwriting, which clearly attest the facts brought to my notice in the former I required him to appear before me on the morning of the 30th Ultimo, and told him, in the presence of the Sheristadar, that there was ample proof in my possession of his being the Author of several anonymous letters under the signature of "Abelard"; that I could not, in consequence, place any further confidence in him and that, to preserve the peace and harmony of the Office, I considered it proper to dismiss him. The written order to the Treasury notifying his dismissal is to the same effect. He did not make any attempt whatever to deny the truth of the charge, but simply asked me for a Certificate of his services which I sent him. I find that he has appended a copy of it to his petition to the Board-

10- On the 1st Instant, the Petitioner came to

to the Cutcherry and walked out immediately after delivering to the Head Peon a very insulting letter to my address. It is perhaps sufficient to submit the following passages from it for the perusal of the Board.

"I shall make a special appeal to the Government and the Board of Revenue if you refuse to re-instate me in my employ and I promise you solemnly to abide by such commands as you might directly intend. In case I meet no reply from you, Copy of this letter together with other numerous letters and Vouchers, which I have already formed, shall make a prodigy of discussion with the Press intervening both at Calcutta and Bombay, which is now in your power to avert."

"I have several charges which shall be developed hereafter as regards the Registers Department, and moreover other information which I am confident will overthrow the Collectorate. I beseech you to avert the coming storm."

11. Being convinced of the utter falsehood of the Petitioners' allegations, I considered his

threats as fatile and deserving to be treated with contempt.

The circumstances above set forth

12.

will, I trust, satisfy the Board that I have not dismissed the Petitioner on insufficient grounds, and that his letter of the 1st Instant, instead of shewing him worthy of the confidence which I considered him to have forfeited by his misconduct has only placed him in a worse position than he was in before the receipt of it.

Petition No. 1187 of 1847 is returned herewith.

money Receiver for Messrs Cursetjee & Co. Ruseechund Lowcas Merchants at Kamptee, and for several other persons are you prepared to prove this assertion?

Answer. I told Mr D Roke Writer in Mr Cramptons Office that I had made this complaint and he said that if a reference was made Mr Crampton could not deny it, as it was known to all the Writers in his Office and if Mr D. Vaz's House is searched all his correspondence with the Merchants will be found.

Question. You state that this correspondence is conducted in the Office of the Collector can you prove this?

Answer. Mr Gantz the Revenue Surveyor and Mr Ireland now promoted to my situation are well aware of it and have seen me employed. Mr Ireland also copies these papers and upon his oath he cannot deny it. A reference to the Agra Bank will also prove that Gentlemen remit the amount of their debts to these Merchants to Mr D Vaz.

presented to Government by Mr. J. C. Burghall late a Writer in the Office of the Collector of Madras forwarded to the Board for full investigation and report with reference to their Proceedings under date 29th June 1847.

(49-51) Proceedings thereon,

The Board having received a Petition from Mr. Burghall complaining of his dismissal from office the Collector was called upon to report the cause of his removal and to submit any Proceedings which might have been held in the case. In reply Mr. Hudleston has stated that Mr. Burghall was dismissed upon being proved to have been the author of several anonymous letters under the signature of "Abelard" and that since his dismissal he has addressed him a very insulting letter extracts from which are given.—

From Coll. 23 in Cons 29 July 1847.

In reference to the assertion contained in the petition presented to Government that Mr. D. Vaz employs himself as agent and Money Receiver for certain Merchants and that his correspondence is conducted

Fort St. George 29th July 1847.

Vide Mr. Burghall's Deposition 20th — in Cons 29th July 1847.

Conducted in the Office of the Collector Mr. Burghall having been called upon by the Board for proof of assertion that the records of Mr. Crampton's Office and of the Agra Bank will prove the truth of what he has advanced and that Messrs. Gantz and Ireland of the Collector's Office are well aware of the mode of carrying on the correspondence. The Board feel themselves precluded from applying for information upon this subject either to Mr. Crampton or to the Agra Bank and they regret therefore that they have not the power of prosecuting this part of the enquiry. Mr. Gantz having been sent for and interrogated, has denied all knowledge of private correspondence being Conducted in the Collector's Office but as Mr. Burghall appeared to lay great stress on his being put upon his oath no deposition was taken. The Board therefore resolve to submit the result of their investigation as far as it has been carried for the information of Government and in reference to the Concluding para of their Proceedings dated 29th ultimo beg respectfully to suggest the expediency of placing the enquiry in the hands of the Chief Magistrate with a view to its further prosecution if necessary.

In the Circular issued from this Office on the date above specified the Board of Revenue called upon the Collectors in the Provinces to ascertain

Proceedings thereon.

Returning the Indents submitted by Collectors

10177

Fort St. George 29th July 1847.

Collectors to Copies of Regulations and Acts required by them and request. ing that the Indents may be modified in Certain points by restricting their application for the issue of those relating exclusively to the performance of duties assigned to the Talook servants in the Revenue and Police Departments. Considering it desirable that the Offices of Collector and Subordinates Collectors should have a Complete set of Regulations and Acts in the language most prevalent in the District and that where these are wanting or defective that they should be included in the revised Indents.

and report whether the several Talook Cutcherries in their respective Districts were supplied with translations in the prevailing dialects of those Madras Regulations and Acts of the Supreme Government, referrible to matters of Revenue and Police, which are necessary for their guidance, and directed that indents should be submitted for any deficiency in the sets which might be found to exist after an interchange of all surplus Copies available for distribution from the Offices of the Collector and his Subordinates.

From the returns received to this re-quisition, it appears, that in general the indents forwarded by the Collectors have not been confined strictly to the object contemplated by the Board, namely, completing the set required for record in each Talook Cutchery throughout their Districts, but have been extended in order to supply subordinate native Functionaries with Copies also, these however it appears to the Board might be furnished by Transcripts made in the Talook Cutcherries, and thus obviate the expense attendant upon a general distribution to all inferior Offices. The Board accordingly resolve to return the indents now submitted with a request that the local authorities will modify them in accordance with these remarks and in resubmitting them

them at an early date restrict their application for the issue of those Regulations and Acts only as relate exclusively to the performance of the duties assigned to the Salaried servants in the Revenue and Police Departments.

Adverting to the applications submitted from some Districts for Complete translated Copies of the Regulations and Acts for the use of the Office of the Collector and the subordinate Collectors, the Board further observe that they consider it desirable that each of these Offices should be furnished with one entire Set in the language most prevalent in the District and that where these are wanting that they should be included in the requisitions or where only defective that the Sets should be made up to the latest period, and the required Copies specified in the indent.
