the body of the said Rajandra then and there being dead
as follows to wit. Moses being duly sworn in the
Tamil language deposed and saith. I am a housekeeper
live in this house here - I am father of deceased about
1/2 past 12 o'clock yesterday my wife brought my rice to
Mr. Arbuthnots Compound. She brought deceased
with her. I was eating my rice. the child was then
missing. I got up, searched for it and found it in the
water, within a few yards of the place where I was eating
my rice. The Tank was deep. at the brink where the
Child

Child was found it was as deep as a mans ankle. My wife was sitting near me giving my meals. The child was 1 year old. He was able to walk a little. when taken out of the water deceased was alive. He could not swallow he breathed. he was sensible. He died at about $\frac{1}{2}$ past 2 o'clock. We fomented the Child with some decoction. He got worse and worse, and then died. We did not offer the Child anything to drink. I could see that he had not power to swallow. I found the Child floating on the water.

I am Naigue, in the 50 Regt R. I. I knew the deceased
Sheek Mohedeen. He was a Sepoy in the same Regt.
4th company. about 1/4 before 10 o'clock this morning,
I heard the sound of a musket. I immediately got up,
and came outside. I was in my room, adjoining this
place when I came out. I called out to the Sentry
three

16
three times. I got no answer. A Sepoy was outside. I went with this Sepoy and awoke the European Corporal. I saw the deceased he was in the corner outside. he was making a gurgling noise in his throat. I heard this gurgling noise one minute after the report of the Musket. The Sepoy was four or five feet from deceased. I did not see the deceased close. The Musket of the deceased was close to deceased. Lying against the wall. Deceased was with me on guard, from 6 o'clock yesterday morning until twelve o'clock at night. He was as usual in the same health and spirits.

this spot. I saw a Sepoy lying on the ground on his
side - his face outwards: his cloths over his chest
were on fire. I found it was the sentry that was
posted in my presence at 12 o'clock at night. at
that time he gave one groan - he never moved -

I saw the fuslock of the deceased leaning
against the wall as if it had been put there pur-
-posely. The bayonet was off, and placed against
the wall with the point downward. I put my
finger in the muzzle, and I am able to say that
that Musket had been fired within two minutes -
the hammer was down and the exploded cap
was on the nipple. when I saw deceased again
he was quite dead. From the description of the
Surgeon. as to the wounds on deceased and from
my own knowledge. I judge that deceased
was the Cause of his own death by firing a musket.

 John Hendray Arthur Esq. M.D. being duly sworn
 Deposeth and saith. I saw the body of deceased about
 1/2 past 9 o'clock last night. Deceased was quite dead
 then; but the body was not quite cold. I have examined
 the body today the same body that I saw in company
 with the Coroner and Jurors. There were no external
 marks of violence on the body. On examining the brain
 considerable congestion both of the substance and of the
 Membranes

membranes was discovered. The lungs were in a natural state.
 There was no congestion there. The left side of the heart was
 considerably thickened. About the usual quantity of blood
 in the heart. I also examined the abdomen, one of the kidneys
 was diseased. not Connected with his death. There is no mark of
 violence to account for death. From these appearances. I can
 form no decided opinion as to the Cause of death. Part of
 the body was warm. about the chest there was some heat.
