20th May 1857. Nully Ummall. Deceased.

Voobel Chetty being duly sworn in the Tellogoo Language deposes and saith. I am a weaver. I live in the house where the body of the deceased now lies. I know the deceased. Her name was Nully Ummall. She was a beggar. She has lived on my pial there for the last year or year and half. She had Leprosy. For the last 4 months she was growing worse. She has not left this pial for the last 4 months; people used to give her something to eat and drink. I did not see her yesterday alive. I heard last night about 5 o'clock that she was dead. I spoke to her for the last time 4 days ago. She then said. She was very hungry. Some one gave to eat. I did not. I do not know anything more.

[Signed] Voobel Chetty.

John Wilson being duly sworn deposes and saith. I am an assistant Apothecary 4th District and reside in St. Thomas. I have Examined the body of the deceased. Now seen by me with the Coroner and Jury. The body is that of a middle aged woman without marks of external violence; emaciated; hands and feet marked with leprosy sores of the worst description. There were no marks in the chest or in the abdomen of disease or imitation. The stomach contained some undigested rice. I consider that the deceased died from Leprosy.

(Signed) John Wilson. Ast. Apothecary. 4th District.

Shesh Sellymann being duly sworn in the Hindoostanee Language deposes and saith. I am a B. Ron. N^o 257 attached to the Brodie Road Sannah yesterday evening about 5 o'clock during my beat in this street, there was a crowd here to remove this body. Inquired into the case. I could not find any one who had been with her when she died. I consequently reported the case to the Coroner's office. I have heard nothing suspicious about this case. I have made inquiries.

[Signed] Shesh Sellymann.
