 In the Name of God Amen, I Gowan Harrop
 of Tranquebar Merchant being soiled in mind

consideration of the Uncertainty of this mortal Life & the extensive mercantile Concerns that I am engaged in, with my friend a Partner M^r Daniel Stevenson whereby the property, of many of my friends & of those who are most dear to me, is involved also for the sake of my dear Children, that I leave behind me in the Event that I may pass any personal Property to me alone belonging & ~~appertaining~~ after all the joint & separate Debts of me, and my Partner, that may exist at my Demise, shall be first satisfied, and to the intent that these my heirs may benefit thereby, as also to assure to my Grand Children what is incontestably their Right by Inheritance from their Mother, and for various other good causes, I have thought it a Duty incumbent on me to make this my last Will and Testament, and to that Effect after recommending my Soul to God who gave it, and in humble hope that thro' the merits and sufferings of my blessed Redeemer to be received into a State of eternal Bliss and Happiness, and my body to the Grave - I think it necessary to observe - Imprimis That the Jewels Plate and Furbats, and some Moveables belonging to my grand Children are theirs by Inheritance from their Mother, who inherited them from her Mother to whom they belonged by Deed of Settlement made at Calcutta many years before I was seized by the Capture of Portobello, and most be it known that whereas on my Commencing Business in Partnership with my Friend M^r Daniel Stevenson, we both under Misfortunes, that had nearly deprived us of all that we possessed & had thrown us in a manner destitute upon the World, from more flattering Prospect, in so much, that we had at the time Debts to pay and only our Industry, and the assistance of some Friends to depend upon, our similarity of Conditions attach'd us to each other, and the Aid that we would mutually afford to each other, determined us to unite our Interests and our Labours for mutual Benefit, in order that what we then possessed or might

come to pass by our joint Trade and Industry by Recovery of Debts, by Requests or in any other way whatever, should become one common & mutual Stock & be employed to mutual Benefit and Advantage, untill a Separation by Death or by mutual Consent should take place, and that our Debts as well what we then owed separately & what we might come owe by Loans taken up on mutual Account, for to carry on our mercantile Transactions, should be paid out of the Common Stock, and whereas we have ever since lived in perfect Harmony, in the most entire Confidence with each other, and in the strictest Bonds of Friendship, so have we also had but one Common Fund for the use of both and from which each has been supply'd as his Necessities Required, without any Attention or Reservation to equal Division or Proportion of Profits, so long as we both should live in Partnership and Friendship which each other, So therefore we have now resolved, having the special Permission of the Royal Government for that Purpose each to make our separate will to this Purpose & to appoint the same Executors in consequence thereof, We are agreed to appoint, and so hereby name & appoint as Executors to this my last Will a Testament. The Honble a. Councillors & J. Thierulff Esq^r both of this City to the Intent that the property we passed in Trade or any other Property whatsoever at the Decase of either of us, may be appropriated in the first place to the Discharge of all our joint & separate Debts and to satisfy and pay of those for whom we jointly are in Debt. It is therefore my Will and Dictated by Duty of Conscience that at my Demise all the Property which I pass on my own Right or have any Claim to on Pretensions on of whatever name and Nature it may be, and all

our joint Concerns in Shipping, Houses, Warehouses
Gardens Grounds, Merchandise, Chattels Goods
and Effects, also all outstanding Debts due to
me or to the Concern, whether Bonds, Bills
or Accounts shall all be brought into one common
Mass & all our Creditors & those for whom we
are in Trust, be first paid and satisfied therefrom
and when from the aforesaid Mass all the
joint and separate Debts & Trusts of myself
and Partner have been satisfied, the Remainder
to be equally divided, and what may be my
mentioned —

I wish it however to be well understood
that my Reason for naming Executors is, that the
surviving Partner, our joint & separate Creditors
by a too precipitate Sale of Effects &
settling of accounts, but that a reasonable
Time shall be allowed for realising all our joint
our separate Property & Stocks of whatever
kind it may be to the best advantage, which
is to be trusted to the Prudence & Direction of the
surviving Partner jointly with my two Executors
aforementioned on whose Integrity & Judgment
I have entire Confidence and in the Management
& arrangement of which Affairs the Publick
Officers & those of the Dealing Count are ex-
cluded from any Interference — and in the Event
that their own Affairs, should require anyone
of the aforementioned Executors to quit Tranquebar
before this Affairs are settled, then the Person
absenting himself shall with the Person
of the other Executor and the surviving Partner
appoint another in his place or in case of the
Death of any one of the Executors the surviving
Executor jointly with the surviving Partner
are to name another in the Room of the Deceased
In Regard to the Disposition of my

Worldly Property, I bequeath to my to Grand
Children, who are the legal Heirs of my Body
namely Charles Braun and Elisabeth Braun,
Two thirds of what I may so passed of, and

whom I acknowledge to be my Children
altho' Born out of Wedlock the remaining one
