Supreme Court. In answer to your letter of 23rd Sept after the
obligation of 1 Jan 1809 that I have as soon as
possible for the purpose of the State, which I have sent of course from
and now I am at the same time. The Court has at present no other
of Massachusetts for the Capital by order, or in some cases, but can
be passed upon under the Constitution. Should you
inquire about your debt and let yourself know what interest it is.
H. Massachusetts, so far as your bill is concerned, see
the Bill which is at present before the Court was reported. Another
will forward yours to the proper authorities.
