297. Wamboldt A. 1871. 4. 2. 90: Inu.

428. Planchon's Sketches in Nepal. Vol. I. 1819.
When it was first published, it was the only
work of the kind which had appeared in Europe.
It gave much interest to the public mind,
and was followed by several other works of the same
kind. The author's name is now well known.

A vertical strip of torn, aged paper with cursive handwriting, likely a page from a book or manuscript. The paper is heavily damaged, with large sections missing, revealing a dark, textured background. The remaining fragments of paper show elegant cursive script in dark ink. The edges are ragged and irregular, suggesting significant wear and tear over time. The handwriting is dense and flowing, characteristic of 18th or 19th-century calligraphy.

N. 394. *[Faint, mostly illegible handwritten text, possibly a list or account.]*

Handwritten manuscript page from the Voynich manuscript, folio 8v. The page contains dense handwritten text in Voynich script, organized into approximately 20 horizontal lines. A large, circular red ink stamp or seal is visible on the left side, partially obscuring the text. The paper shows signs of age, including discoloration and some staining.
