Doctor Blackwall being sent for and examined, hee confessed it, and delivered in a narrative of his Transactions with the Nabob and Arsemanague, but do's utterly disown any designe relateing to Fort S<sup>t</sup> David or Cuddalore, and alledgeth in his own Justification, that after hee was acquainted that M<sup>r</sup> Hatsell &c<sup>d</sup> had seized his papers, hee notwithstanding came to them, as hee intended, to disclose the whole matter, and have their approbation before hee did engage in it. TUESDAY  
13.THE HON<sup>BLE</sup> NATH<sup>LL</sup> HIGGINSON ESQ<sup>R</sup> PRESID<sup>T</sup> & GOVERN<sup>R</sup>JOHN DOLBEN ESQ<sup>R</sup> JUDGE ADVOCATEM<sup>R</sup> WILLIAM FRASER.

Having frequently discoursed of y<sup>e</sup> disposeall of the Four Ships and their Stock now Sent out, the result of our debates is a followeth Viz<sup>t</sup>.

1. By the R<sup>t</sup> Hon<sup>ble</sup> Comp<sup>as</sup> generall letters to y<sup>e</sup> Fort and Bay it does appear that when these four Ships were designed for India, It was intended that they should be all dispatcht from India by the 20<sup>th</sup> of January last, and the Orders were accordingly calculated.

2. That upon the Supposition of a great quick Stocke lyeing in Fort S<sup>t</sup> George, there is consign'd to this place no treasure and but Eighteen thousand Pound in goods & Stores.

3. The R<sup>t</sup> Hon<sup>ble</sup> Company have therefore ordered the greater Stocke to the Bay, and three Ships to bee laden from thence.

4. But by reason of the Ships long Passage they d[id] not arrive in India till the 3<sup>d</sup> February 1693 and instead of haveing a large Stocke here, wee are indebted Pag<sup>s</sup>. 18000 for money borrowed, besides 20000 Pag<sup>s</sup> due on Contracts made, so that the reasons on which the R<sup>t</sup> Hon<sup>ble</sup> Comp<sup>s</sup> orders were grounded, are quite altered & different from what they were supposed.

[13<sup>th</sup>]

## —FORT ST. GEORGE, FEBRUARY 1694—

5. It therefore follows that Since their Orders cannot be put in execution according as they are prescribed: it is to bee considered how the Ships and Stocke may be disposed of so as to answer the maine end of their being sent out Viz<sup>t</sup> the Factories of Fort St George, Fort St David and Vizagapatam, Yorke Fort and it's Apperdictes are not only to bee maintained, but there must be some Investments made in each so as to answer their charge & Support their reputation, all which must be provided for out of this Stocke.

6. The Stocke consigned to the Bay is not sufficient of it's selfe to lade three Ships from thence, they having little Stocke left there, and wee know of noe great permissive Stocke to make it up, much lesse will it be sufficient if any part of that Stocke be applied to y<sup>e</sup> Coast.

1. Upon the foregoing Considerations it is resolved that the Stocke absolutely necessary for this Coast and the West Coast is at least £45000 to discharge our debts, finish the begun contracts and defray the charges, and carry on small Investments in the ensuing Year Viz<sup>t</sup>.

|                |     |     |     |     |     |     | £     | s. | d. |
|----------------|-----|-----|-----|-----|-----|-----|-------|----|----|
| Fort St George | ... | ... | ... | ... | ... | ... | 20000 | 0  | 0  |
| Fort St David  | ... | ... | ... | ... | ... | ... | 10000 | 0  | 0  |
| Vizagapatam    | ... | ... | ... | ... | ... | ... | 10000 | 0  | 0  |
| West Coast     | ... | ... | ... | ... | ... | ... | 5000  | 0  | 0  |
| Total          | ... | ... | ... | ... | ... | ... | 45000 | 0  | 0  |

But the Stocke consigned to Fort St George by all the four Ships doth amount to about Eighteen thousand pound, the rest is to bee supplied out of the Silver of one of the largest Ships.

2. That one of the great Ships (Viz<sup>t</sup>) the Princesse Anne of Denmarke, who's Bengall Stocke amo<sup>ts</sup> to Seaven thousand pounds more than the Royall James [and Mary] and the Silver is 31 Chests of Dollers, and the rest of fine Silver. The Silver by the Royall James is but 20 chests dollers and the rest Ingotts and most of it course be dispatched to Bengall with her intire Bengall Cargoe, Soe soone as the goods for this place be unladen and that the Royall James and Mary doe continue here, till farther advice from Bengall.

3. That one of the two great Ships w<sup>th</sup>: y<sup>e</sup> Hawke bee laden and dispatcht for England directly from Bengall, the other large Ship to be sent hither in August or September next Kentilaged with Saltpetre & as many Bengall bales as they can spare from the other two Ships and filled up with provisions, and here laden and dispatch't for England in October next, by w<sup>ch</sup>: means much Demorage will bee saved.

4. The Armenian Merchant bee lett on a voyage to China, if within twenty days any adventurers will make proposealls. But if the China Voyage doe not goe on, then to Kentilage her with Saltpetre and Redwood, and two or three hundred bales, and sent to the West Coast to be filled up with Pepper for England. Our reasons for Said China Voyage are Viz<sup>t</sup>.

(1) By that means the Ships Demorage will bee answered.

(2) Wee Shall have the more bales in Readiness for dispatch of a great Ship from hence in Oct<sup>br</sup>.

(3) Wee shall have a Ship to send home from hence in February next.

5. This is grounded upon a Supposition of the Hawkes arriveall in Bengall, but in case of her miscarrying (which God forbid) then both the great Ships to bee laden from Bengall, or one of them may call here to fill up in December.

6. If the Armenian Merchant proceed on y<sup>e</sup> China Voyage, then the Royall James & Mary to goe to the West Coast, and take in what Pepper ready or procureable by the 25<sup>th</sup> of June next, and proceed therewith to Bengall.

Ordered that a Bill bee forthwith sett upon the Sea gate Viz<sup>t</sup>: Ship Armenian Merchant burthen about 250 Tonn Cap<sup>t</sup>: Thom<sup>s</sup>: Newman [Newnam?] Commander, is design'd by the Presid<sup>t</sup>: & Councill to be sent in May next on a

Voyage to China if within twenty days Subscriptions are made with the Secretary for a Stocke amounting to Pag<sup>ts</sup>: 30000 or if any persons are enclined to take the said Ship on Freight for Said Voyage, they are desired to bring in their proposealls by the 25<sup>th</sup> Instant to the President and Councill.

Doctor Blackwall haveing Sent the Presid<sup>t</sup> a paper on y<sup>e</sup> 11<sup>th</sup> and another on y<sup>e</sup> 12<sup>th</sup> Instant by the former declareing his entring into and concluding a Treaty with the Nabob & Arsemanague for the Government of Porto Novo to him and his heirs, under Arsemanague and by the latter owning that hee has entred into an obligation for the payment of 100000 Pag<sup>s</sup>: to the Mogull att certain times and conditions, and desires to be sett att liberty, that hee may goe to y<sup>e</sup> Camp and discharge himselfe from these Engagemen<sup>ts</sup>: and wee should very readily consent to his proposeall, were there any reason to believe y<sup>t</sup> hee could doe it, or had any Security that hee would not when att liberty proceed in his Government, the notion of which seem's to have possessed his brain, that hee appears to us to bee distemper'd. It is Resolved therefore, that hee bee for the present detained in close confinement in the Fort, till there shall appear reason for his releasment, or for Sending him to England (for which the Samuel is not a fitting Ship).

The late President Yale sending a Paper Yesterday to the President dated February 1694<sup>th</sup> w<sup>ch</sup> being Read is Ordered to bee entered in the copy booke of letters, and the answer thereunto dat this day.

Robert Turlington is ordered Master of Ship Madapollam, and to take charge of her forthwith, and the Paymaster is ordered to see her fitted with all things necessary in order to her Voyage to the West Coast.

The Generall letter from Bengall to Fort S<sup>t</sup> George dated the 13<sup>th</sup> past being read, it is noted, that the Ship Charles the Second will bee dispatched from thence full and Richly Laden & y<sup>e</sup> Sampson is Sent hither to fill up, because the Govern<sup>r</sup> of Hughly had put a stop upon their goods & coining and the Dacca and Maulda goods not come down So that wee may reasonably expect they will have a considerable number of bales ready to put aboard the Princesse [Anne of Denmark] as soon as Shee Shall arive, they having formerly written that they had Secured goods enough to lade the Charles the Second and Sampson, and three or four hundred bales over, So that by that acco<sup>t</sup> they may have a thousand bales ready and that y<sup>e</sup> Gov<sup>r</sup> of Hughly has Since taken off the Stop on goods. It is therefore ordered that the Princesse Anne of Denmarke be dispatched forthwith to Bengall, with her whole Bengall cargo, and that the treasure of the Royall James and Mary be traversed on board y<sup>e</sup> Princesse Anne of Denmarke.

The warehouskeeper is ordered to cause 50 tons of Redwood to bee cutt into the useall lenghts, that it may bee ready for the better dispatch of the Sampsons Ladeing in case wee cannot fill her up with bales, and if by cutting it there shall happen any losse in the weight, the same is to bee allowed him in account.

Arsemonague having received a grant from Zulphaker Cawn for about three hundred thousand Pago<sup>s</sup> Jaggeer in the Cornatta conquerd countrey, which includes Maarb Cawn Maoca's Jaggeer of which the towns of Yegmore and Persiwacca were part before they were graunted to the R<sup>t</sup> Hon<sup>ble</sup> Company by Assid Cawn's Perwanna, hee has formerly given orders to Ramras his Cheif Servant in these parts, and under him Apogee Puntulo, and Mahom<sup>d</sup> Jaffer to take possession thereof, and accordingly Apogee Puntulo did demand it, but wee wrote letters to Zulphaker Cawn and Arsemonague concerning it. Zulphaker Cawn answers that when hee returns from his Journey hee will either graunt these towns or better. Arsemonague writes that these townes are graunted to him, and therefore must bee delivered him, and hath also Sent orders to his servants Apogee Puntulo and Mahomod Jaffer to take possession by Force, of which being advised, wee sent thirty Souldiers thither under Ensigne Del gardner to keep possession, whereupon it is reported that they intend to gather greater forces from the adjacent parts, having sent for Emaun Cooley now in town and adviseing w<sup>th</sup> him, the cheif Dubash Mulla and Braminy. It is considered that the Nabob and Arsemonague are with their army now very nigh to Cuddaloor, and if there should happen any act of hostility between our Souldiers and their People upon this occasion they will immediatly advise thereof to the Camp w<sup>th</sup> all imaginable aggravations, which possibly may provoke Arsemonague to draw the Army towards Cuddaloor. It is therefore resolved as well for prevention of that mischeif, as to keep Peace here with Arsemonagues officers, who govern the countrey all round us, and can when they will put a stop to all our buisnesse and trade of the place, to take the following method by the advice of Emaun Cooley Cheif Dubash &c<sup>a</sup> Viz<sup>t</sup> to write to Zulphaker Cawn putting him in mind of his fathers graunt obtain'd by his own procuring, and to Wottamunchund the cheif writer, to whom a present of about two hundred Pag<sup>s</sup> to bee sent, hee haveing been disgusted by the small present sent him formerly, which hee refused. But our main [design and] dependance by Emaun Cooleys P<sup>t</sup>icular direction is on Meer Mauhada the Buxee, to whom a letter to bee written promising him one thousand rup<sup>s</sup> when hee shall have obtained an effect-uall order from the Nabob for our quiet Possession of these townes.

Emaun Cooley being come from the Camp hither in order to his proceeding to the Kings Court to reside as Zulphaker Cawn's Vaqueel, and haveing had late intelligence by Peons from the Mogulls Court, that Assid Cawn is Reinstated in the Kings favour and his office, It is resolved to write a letter to Assid Cawn to putt him in mind of his former promisses, concerning the Phirmaund, and to obtaine his further confirmation of the grant of the new Towns and that two Mauldars bee Sent w<sup>th</sup> Emaun Cooley by whome hee hath given us assurance of returning them with the Phirmaund in a short time, and that a present bee sent to Assid Cawn in some fitt portable Rarity to the Value of about one hundred Pag<sup>a</sup> and to Emaun Cooley bee given att his departure Some Small Rarities out of the Godown to the value of abo<sup>t</sup> 10 p<sup>a</sup>. Emaun Cooley haveing when here before in February 169 $\frac{2}{3}$  urged to the Commissary the promise made him of four thousand rupees for himselfe (besides twelve thousand Rupees for which a writeing is given for Zulphaker Cawn) and for a Pension of five hundred Rupees  $\text{₹}$  ann<sup>y</sup> for his life, upon his procureing a Phirmaund, which the Commissary did then enq<sup>r</sup> into and was Satisfied in the truth of it, and did also give his verball promise to Emaun Cooley for the performance, and Emaun Cooley did allsoe att the sametime insist upon the Presidents giving him his promise, which was done in the Commissary's presence. But Emaun Cooley do's now demand a writeing under the Presidents hand for the payment of the said money to the person that shall bring the phirmaund and said writeing, because hee may bee obliged to continue att the Court, and send the phirmaund by other hands. It is resolved that the President doe give to Emaun Cooley Such a writeing Coppy whereof is entred after this Consultation, and further that upon his procureing a phirmaund, he doe for his life receive a Pension of a Vaqueel 500 Rup<sup>s</sup>  $\text{₹}$  annum.

In opening of Some Fort S<sup>t</sup> David bales in order to their being viewed, examined, and compared w<sup>th</sup> the musters, and the same to be reported in p<sup>er</sup>suanance of an order of Consultation of the [ ] day of [ ] wee find their condition thus Viz<sup>t</sup>.

L CO N<sup>o</sup> 1 B. This Bale is mark<sup>t</sup> with the letter B to denote that the cloth wants one coved of it's due length, but in it's goodness and quality ought to be equal to N<sup>o</sup>. 1 but wee find it to come much short of, being mostly coarse, gouty and thin, and we cannot say wee ever saw any worse, this bale by its noate was sorted by John Haynes.

L CO N<sup>o</sup> 1 A. One bale mark<sup>d</sup> with the letter A denoteing each piece to contain no more then 71½ Coveds long, the cloth we find but very ord<sup>ry</sup> being mostly thin, and unequally Sorted, Some pieces indiffer<sup>t</sup> good and other Some very bad, however tis mu<sup>ch</sup> better then the first bale above mentioned, this by its noat was sorted by Edm<sup>d</sup> Mountagne and Zouch Troughton.

L CO N<sup>o</sup> 1 B. By six pieces indifferently taken out of this bale and veiwed by us, wee find agreeable to must<sup>r</sup> N<sup>o</sup>. 1 of Fort S<sup>t</sup> David, the noat Sign<sup>d</sup> by Edmond Mountagne and Zouch Troughton.

B.E.T. No. 28. By comparing this bale with the muster we find it answerable to said muster the noat sign<sup>d</sup> by M<sup>r</sup> Hatsell.

B.E.T. No. 25. Wee [find] indifferent good and near the muster sign<sup>d</sup> by John Haynes.

S.A.O. No. 3. Wee find agreeable to muster but very ill washed Sign<sup>d</sup> by Thomas Constable.

To Assid Cawn the Grand Vissier.

Since the Kings begining to reign it is now 37 Years, I have often acquainted your Excell: of the many Services done to his Majesty and his servants, in Ascar Cawn, and Allemerde Cawn's time, You cannot chuse but be sensible of it, besides the provision wee have allways sent up, and still continneing the same to yo<sup>r</sup>. Camp att Chingee and Wandewash, upon which your Excellency gott from Prince Cawn Bux his Neshaw'n for us for three towns, which was given us as a free gift, together with your own Seal and Perwanna for the Same, besides which yo<sup>r</sup> Excellency have often promised in your letters that you would gett the Kings Phirmaund for us at the Kings Camp to Send it us presently, and more especially when you should arrive, and to the Dutch you have granted five towns, and to us but three, by which wee shall gett noe more then three hundred Pag<sup>es</sup> of ann<sup>y</sup>. Soe according to your Exc<sup>e</sup> orders wee have taken under our Protection those three towns, now Arsemonagues People came with Merja Noradore Seale and demanded the same, giving us a great deale of trouble, as also Triplicane, which allways belonged to us, they contriveing all ways possible to breed a quarrell, So that wee might incur his Maj<sup>ties</sup> and your Exc<sup>e</sup>s displeasure, & likewise loose those towns which would be a great dishonour to us: wee did not take them by force you well know, it was by your order, neither Shall wee ever take any thing without his Majesties or your Exc<sup>e</sup>s [orders], now Since your Exc<sup>e</sup> have So often promised us according to our desire the Kings Phirmaund, together with your own perwanna for those towns, wee again doe desire you to gett it us immediatly, which if you doe will be a great Hon<sup>r</sup> to us amongst all Europeans, wee wholely rely on your Exc<sup>e</sup> and have none other to trust to for to protect us, therefore wee do desire you to take care that no one doe us any wrōg or injury. To Issa Cooley Armenian at y<sup>e</sup> Kings Court.

I desired my good freind Cojee Gregorie to write you a letter to understand how y<sup>e</sup> English affairs Stood at Court, and by your answer to him I understand your great readinesse to assist me in the R<sup>t</sup> Hon<sup>ble</sup> Comp<sup>s</sup> buisnesse, and what great Services you have formerly done in y<sup>e</sup> Surratt troubles, I am Sorry to hear that you have been at any charges upon that acco<sup>t</sup> and that the President of Surratt has not taken care to repay you. I sent you inclosed my letter to his Excellency S<sup>r</sup> John Gayre Generall for all the English affairs in India who I hope is arrived at Surratt before now, w<sup>ch</sup> if you will send to him I doubt not but hee will cause full Satisfaction to be made you. In the meantime I desire your freindly assistance to Emaun Cooley, as occasion shall require. Hee has been employed three or four years in the getting of our Phirmaund, by the favour of Zulphaker Cawn, and his father Assid Cawn, the Grand Vissier, both which have promised us by Severall letters to procure it, but by one unfortunate accident or other Assid Cawn has hitherto been prevented. Our dependance is still on him, and have great hopes that he will perform it, being in the Kings favour, I thinke it necessary to continue our application to him by the same means, by which it was begun and therefore by Emaun Cooley I have now wrote, to put him in mind of his promise and Emaun Cooley who is going to reside in y<sup>e</sup> Court as Zulphaker Cawns Vaqueel will have a good opportunity to manage this buisnesse, which if he can accomplish I have promised him Four thousand Rupees which will be sufficient to pay the charge, and to pay himselfe for his trouble, and I have given him a bill to pay it upon receipt of the Phirmaund, so that you need not scruple to assist him if he has occasion for a little money to pay the fees, for after the King has given his Order there is no danger but it will passe.

I understand what you have written to Cojee Gregorie about the King's Husbulhookum, for takeing off the stop on y<sup>e</sup> Europeans trade in Bengall and

Surratt, concerning which I have also discoursed w<sup>th</sup> Emaun Cooley, and I doubt not but he will assist in getting it, and if you will please to pay the accustomed fees of taking out the Orders for the benefit of the English Company, and send it to me, I will thankfully repay you according to your Order. If other nations do not appear for themselves, there is no reason that the English Comp<sup>a</sup> should loose the benefit of the Kings favour. Pray lett the Order be expressed so that the English Comp<sup>a</sup> may be named, between whome and Your nation there is a very freindly agreement, and whatever kindnesse you doe the Comp<sup>a</sup> is also a service to your own nation. In case of Emaun Cooley's mortality you may proceed according to the cōpy of the articles herewith sent you.

MEMORANDUMS DEL<sup>d</sup> TO EMAUN COOLEY  
WHEN GOING TO THE KINGS CAMP.

Arsemonagues Servants have demanded the towns of Yegmore and Persiwacca, which w<sup>th</sup> Tandore were given freely to the English by the Grand Vissiers Perwanna, and because the English doe refuse to deliver them (in Honour to the Vissiers Perwanna) without y<sup>e</sup> Nabobs Order, Arsemonagues servant Ramdas at Ccnjeveron has taken one of the Comp<sup>a</sup> Merch<sup>ts</sup> put him in prison and Chaubuck'd him demanding two thousand Pag<sup>s</sup> for those towns, and he giving order throughout all Arsemonagues Jaggeer in these parts to stop all buisnesse.

The Nabob and Duan of Bengall have acquainted the English Agent there, that they wrote to the King in their behalfe to take off the Stop on trade, upon which the King gave his Husbulhookum for takeing of the Stop from all the Europeans there, and at Surratt. But the Kings Order lyes in the hands of Silabatt Cawn who does not deliver it for want of Fees. Now the Order mentions both English Dutch and French and if it be stop't till they all appear to pay the fees, it will never be delivered. I have wrote to Issa Cooley concerning y<sup>t</sup> formerly, and now have wrote to him to discourse w<sup>th</sup> you concerning this affair, and desire that you will both consider it, and gett the Kings order for the English, if no Vaqueels appear for the rest & send it to me.

You are my freind that I rely upon for all buisnesse in the Kings Court, and desire you to write me particularly of that matter. I shall by all opportunities send you an acco<sup>t</sup> of all our affairs.

If you find that request concerning y<sup>e</sup> forgiueing the twelve hundred pag<sup>s</sup> cannot be granted, lett not that obstruct the passing of the Phirmaund for the rest.

May it please Your Hon<sup>r</sup> &c<sup>a</sup>.

Wee have in persuance of our petition formerly deliver'd your Hon<sup>r</sup> &c<sup>a</sup> proceeded to particularize our greivances, which with all humb<sup>le</sup> Submission is offered to your Hon<sup>r</sup> &c<sup>a</sup> consideration Viz<sup>t</sup>.

1. The first and cheif thing that wee shall alledge against Cap<sup>t</sup> Buck, is that of our want of fresh provisiens most part of the Voyage, he not considering the great and unuseall rate paid him for our transportation.

2. That wee neither eat nor drinke of y<sup>e</sup> Ships Provisions So well as the mates during y<sup>e</sup> Voyage.

3. That wee thought it very unresonable to allow us but one meale a day, and that of the Ships provisions, for three, four or five weeks together, when the Mates had breakfast & Supper allowed them.

4. That when there was fresh provisions killed wee had not our share, the mates having a breakfast & supper out of it, the Cap<sup>t</sup> declaring it was their fees.

## —FORT ST. GEORGE, MARCH 1694—

[22<sup>o</sup>]

5. That when we had any thing to eat, we eat more like beasts then men, haveing neither trencher, nor table cloth, but after we were forced from his table, he ordered a table cloth and plates constantly.

6. That upon our request by M<sup>r</sup> Cormell and M<sup>r</sup> Hearne that he would supply the defect of fresh provisions by allowing Chees or butter for breakfast, he granted one small Chees amongst twenty six persons, which when expended, and wee desiring more, he retorted, the Ship's Sides were not made of chees.

7. That the Cap<sup>t</sup> was So uncivill to us, y<sup>t</sup> if any person came on board, he either tooke them into the Round house, or turn'd us down into the Cabbin.

8. That when at S<sup>t</sup> Jago he was so uncivill to us as to deny us his boat (unlesse we would goe in his long boat with the Cattell) to get on board, his Yaule and Pinnace being both on Shoare to wait on him & his boys, forbidding his men to lett any Passeng<sup>r</sup> come into his boats, So that those that were ashoare were forced to wade up to y<sup>e</sup> necks to gett into the Long boat.

9. That he Suffered the R<sup>t</sup> Hon<sup>ble</sup> Comp<sup>s</sup> Serv<sup>ts</sup> in generall to be abused by his officers.

May it Please Yo<sup>r</sup> Hon<sup>r</sup>:

Haveing had an oppertunity of waiting upon S<sup>r</sup> John Gayre at the Cape, he was pleased to give me y<sup>e</sup> foll Instructions to communicate to S<sup>r</sup> J<sup>no</sup> Goldsborough and Agent Ellis it being then Strongly P<sup>s</sup>umed that Cap<sup>t</sup> Buck would have made the best of his way to Bengall, according to his Sailing Orders, wherein he was strictly enjoyned So to doe by the R<sup>t</sup> Hon<sup>ble</sup> Comp<sup>s</sup> especially considering y<sup>e</sup> advantage the Interloper was likely to obtain by his haveing had the favour of a sufficient Convoy of men of Warr, and propitious winds whilst wee lay under the contrary disadvantage in Plimouth Sound. I do assure yo<sup>r</sup> Hon<sup>r</sup> that did not those Commands I rec<sup>d</sup> make a deep impression on, and enjoyned me to discharge my trust. I Should rather have chose to have been Silent in this affair, wherefore considering both the dignity of his Excellency (who was pleased so far to intrust me) and of your Hon<sup>r</sup> (whome I addresse) I have taken care to expresse myselfe with all candor, and as near Verbat<sup>m</sup> as my memory will admitt of Viz<sup>t</sup>.

1. Hee villified his Excellency in Saying that his Excellency Sought to Supplant him in getting the command of Ship Royall James and Mary, when it was publickly known at the same time that his Excell had that hon<sup>ble</sup> Employ<sup>mt</sup> of Lievtenant Generall of the Comp<sup>s</sup> affairs in India assured to him.

2. Hee behaved himselfe disrespectfully to his Excell when wee mett in 45 degrees North [latitude] about 200 Leagues on this side y<sup>e</sup> Lands end, pretending to a Seperate command of y<sup>e</sup> four Ships bound to the Coast and Bay, and thereupon wearing the broad Pendant, and committing severall irregularities notwithstanding his Exce<sup>s</sup> frequent checks, which he tooke no notice of.

3. Being in Company with the Henry an Interloper (whereof M<sup>r</sup> George White is SupraCargo) and bound to Surrat and one of the Hon<sup>ble</sup> Comp<sup>s</sup> most inveterate enimes) notwithstanding his Exce<sup>s</sup> possitive Orders ag<sup>st</sup> holding correspondence with such caifts, he was vehemently Suspected to communicate to them whatever passed, by means of a Small West country Ship bound to the Isle of May for Salt (that kept us comp<sup>s</sup> from England to Madera) in regard that the said Interloper was observed to be as ready and punctuall when any signall was made, as any of the Comp<sup>s</sup> Ships could be that had sailing Instructions given by his Excellency in writeing.

4. Sometime after wee departed S<sup>t</sup> Jago, & mett with the rains, he sought [to prevent?] the Coast and Bay Ships from keeping Company with his Excell: taking

[22<sup>d</sup>]

—FORT ST. GEORGE, MARCH 1693—

advantage of y<sup>e</sup> Resolutions heavy sailing, pretending it a great hindrance in his voyage, whereas his Excellency was pleased to say that his endeavours were to keep them together till wee had gott into y<sup>e</sup> South East trade winds way, whereof considering the Season of the Year, they were altogether unexperienced. In the meantime desireing Cap<sup>t</sup> Buck to Stay till he had writ his letters for this place, and the Bay.

Cap<sup>t</sup> Buck behaved himselfe disre[s]pectfully at the Cape, calling the Dutch Gov<sup>r</sup> double tongu<sup>d</sup> rogue, deceitfull villain &c<sup>e</sup> before y<sup>e</sup> Fiskall of that place whereupon the Governour was supposed to withdraw for sometime to avoid such clamors. In the meantime ordering that no live Sheep, Corn, or wood, Should be p<sup>r</sup>mitted to be brought off, and at last granting but 30 Sheep to each Ship.

His Excellency designed to have writt, but the Subject being So mean, was pleased to expresse himselfe to this effect that Cap<sup>t</sup> Bucks pride, Insolence and folly, were so notorious, and that withall, he had So little conduct of himselfe, that he could not but unmaske himselfe in all parts of the world whereever hee should come.

The Copy of Zulphaker Cawn's Perwanna to Fort S<sup>t</sup> David in February last, being translated here (as entred after this Consultation) there is in the latter part of it an expression which in our mulla's opinion do's make the R<sup>t</sup> Hon<sup>ble</sup> Company accountable for the profitts of the place to the Duan. Vincattee Fort S<sup>t</sup> David Cheif Dubash who was at the Camp w<sup>th</sup> M<sup>r</sup> Haynes at the time of procureing it being here, does declare that by all the discourse that passed between them and the Nabob, they understood the Order onely to be for the English to enjoy the places according to Salabad and if there be any Such expression it was inserted by Wottamachund the writer, without the Nabobs Order or knowledge. The said Perwanna thô twas of good use to prevent trouble from the army in their passing so near the bounds of Fort S<sup>t</sup> David, Yet is not fitt to be produced upon any other occasion, by reason of the expression w<sup>ch</sup> is capable of the aforesaid construction, the Deputy Gov<sup>r</sup> & c<sup>a</sup> are therefore to be advised thereof, and that when they have occasion to produce the Nabob's Perwanna, they make use of the former Perwanna granted.

Vincattee does also declare at the same time that they gott this perwanna from Zulphaker Cawn, the Dutch were takeing out the like perwanna for Pullicherry which the Nabob had ordered and was written, but Severall of the Cheif officers did object against the passing of it, because they had not bought the place like Merch<sup>ts</sup> as the English did Tegnapatam, but had taken it by Force as Souldiers, at a time when the Mogulls army was takeing the Country, and therefore it belonged to the King, for which reason the Dutch could not obtain a Chop to be put to the perwanna, & if they doe it will cost them a considerable summe to Stop the mouths of the Kings officers thô they have allready presented the Nabob very largely.

A few days before the departure of Ship Sampson for England M<sup>r</sup> Vicessimus Griffith requested leave for going on that Ship, and upon the late finishing of the Bencoolen bookes, he standing Debtor therein Ryalls 337 for the useuall advance att Battavia on Spanish Dollers there expended by Cap<sup>t</sup> Tuer and M<sup>r</sup> Griffith in the Ship Saphire amount to 2500 : 0 : 0 and accounted for by M<sup>r</sup> Griffith to the Deputy Governour and Councill of Yorke Fort, which he refusing then to make Satisfaction for, was by us denyed leave for takeing his passage on that Ship. The Attorney Generall is now ordered to demand of M<sup>r</sup> Griffith Ryalls 337 being 13 $\frac{1}{2}$  p Cent advance on Dollars 2500 and if he refuse payment, to enter and prosecute an Action against him in the Court of Admiralty for the Same.

Ordered that an Invoice be sent to Fort S<sup>t</sup> David for two brass gunns taken by them out of Ship Madapollam.

The Paymaster is Ordered to cause a hundred Coats to be made of Cloth Rashes and Perpetuanoes Ordinary for the Souldiers of this Garrison.

There being many complaints of the water side peons abusing of mercha[nts] by makeing them pay for boats after the [Sea] Customer has appointed them, and the [Peons] and Conicopies being also guilty [of severall] miscarriages. It is thought a good expedi[ent] to prevent it for the future that the Peons and Conicopies be often changed from place to place.

M<sup>r</sup> Stephen Frewen who arrived upon y<sup>e</sup> Royall James and Mary on the 3<sup>d</sup> of Februa<sup>y</sup> last haveing produced an Order of the Court of Committees dated the 2<sup>d</sup> December 1691, appointing him the precedency of all the Factors, who came on the Charles the Second Berkeley Castle, and Sampson, and that he have his diett at the Presidents table, and all necessary accommodation. It is ordered that hee

The R<sup>t</sup> Hon<sup>ble</sup> Company haveing in former Letters frequently ordered a collection to be made of their generall rules and orders for the mannagem<sup>t</sup> of their affairs, out of y<sup>r</sup> Generall Letters, which has not hitherto been performed. It is ordered that M<sup>r</sup> Thom<sup>s</sup> Marshall do undertake that buisnesse, [and ] that the Generall letters from the Year 1680 bee delivered to him as hee calls for them and also when he has gone through the gen<sup>l</sup> letters, that hee make the like collection of orders made by the President and Councill of Fort S<sup>t</sup> George from 1675 and that the Consultation Bookes be delivered him ashe shall call for them.

There haveing been some disorders in the entry of consultations in the late hurry of buisnesse, It is Ordered for the future y<sup>t</sup> all resolves of the President and Councill be written by the Secretary in a fowle Consultation booke, which are to be signed by the President and Councill with the letters of their names before parting, which is y<sup>e</sup> Secretaries warrant for entring the same fair, and the Secretary is ordered the next ordinary consultation day, to bring the Same fair entred, which is to be signed first before any other buisnesse be consider<sup>d</sup> and when any Orders are made relateing to any person out of Councill, the Secretary is ordered to give him notice thereof, unlesse he be acquainted with it in Consultation.

There being a present necessity for money as well for paying of Severall Summes borrow'd at Interest, and now demanded, as for y<sup>e</sup> Carrying on the Investm<sup>ts</sup> of the Coast, which is to be raised only by the Sale of goods and Silver, and our Fort S<sup>t</sup>. It is ordered that the warehousekeeper do Sell the Broad cloths Ordinary at Pag<sup>s</sup>. 28 and Pag<sup>s</sup> 30  $\mathcal{P}$  piece according to the quantity and difference of price in the Europe Invoice and for his direction therein he is to take out of the Invoice the account of y<sup>e</sup> prices and in his warehouse account to enter the Invoice number of each price Sold. Silver Ingotts att 17½ Doll<sup>r</sup> weight for ten Pag<sup>s</sup> and Dollers at 17 weighing for ten Pag<sup>s</sup>.

The accomptant is ordered to draw out the account Salary payable in India to the R<sup>t</sup> Hon<sup>ble</sup> Comp<sup>s</sup> Servants in this Factory for one Year ending the 25<sup>th</sup> Instant.

M<sup>r</sup> John Focquet paid into the R<sup>t</sup> Hon<sup>ble</sup> Comp<sup>s</sup> Cash Pag<sup>s</sup> 216: 2 fa: on account Quitt Rents.

Ordered that Pag<sup>s</sup> 300 be paid to Vincatte being for a bill drawn on us by the Deputy Gov<sup>r</sup> and Councill of Fort S<sup>t</sup>. David, dated the 16<sup>th</sup> Instant.

Cojee Gregorie haveing received a lre from Issa Cooley (in answer to a letter wrote him concerning the Kings Husbulla Hookum for takeing of the Stop on trade in Bengall and Surratt) Setting forth the pains that he has taken for the procureing thereof, and the Dutch and French haveing paid Six thousand, and four thousand Rupees for their Husbulhookums, he did upon a Shroff's Security for payment of said Six thousand Rupees, the fees of the Court Officers, take out and send that for Surratt, and upon payment of said Six thousand Rupees, will take out and send that for Bengall, as appears by translate of said letter entred in the copy booke of letters, concerning which it is considered by way of objection.

1. That it doeth not concern us to inter meddle in the affairs of Surratt.
2. That it is possible the President of Surat, or the Agent of Bengall have paid or Sent money for discharging the Court fees, & then there will be a hazard of paying it twice if wee Send money from hence.
3. Wee have no copy of the contents of the Husbul Hookum, nor don't know whether it will answer the end.

—FORT ST. GEORGE, MARCH 1694—

[26<sup>th</sup>]

As to the first objection the Husbull Hookum for Surratt seems to have been Joined with that for Bengall and there is no more paid for both then would bee for one.

As to the second the two Bengall Generall letters Dated 22<sup>d</sup> December and 13<sup>th</sup> February intimate that they depend upon us for procuring it, and desire us to Send a Vaqueel. But the sending of a Vaqueel would greatly have encreased the charge. However it is convenient to give Issa Cooley a caution to prevent double payment.

As to the third the contents of the Husbull Hookum, it is governed by the Nabob of Bengall, and the Gov<sup>r</sup> of Surratt, their addresses to the King, upon which he has granted his order for the three European Nations together, and probably conforms to their respective Salabad, and wee have as neighbours fare with the rest of the Europe nations, and it can't be altered, but by an additionall charge. However it is fitt to desire Issa Cooley to take care that the name of the English Company may bee inserted therein, and not the English Nation, as hee was before instructed in the last lfe sent him by Emaun Cooley.

Upon the whole it is resolved that the Six thousand Rupees be paid to Issa Cooley's order, oI Remitted to him by bills of Exchange to defray the charge of the Said husbulhookum.

A letter to rssa Cooley read and approved of this dayes date, as entred after this Consultation and a letter to Cossim Cawn of the Same date.

Dolmund, Surveyor of the Kings Forts in his new Conquests, comeing to see this Town in his travails, It is ordered at the Cheif Dubashs instance, that a bottle of Rose water, a pair of Spectacles, and one maund of Persia fruit be presented to him.

M<sup>r</sup> Affleck haveing represented to us that hee has Sould two hundred Candy of Saltpetre to the Governour and Councill of Tringombar, for acco<sup>t</sup> of the Royall Danish Company, 'tis orderd that he have leave to Ship it on board the Danes Ship now in this Road, he geiving bond that the same Shall be delivered to the Gov<sup>r</sup> and Councill att Tringombar for account of said Comp<sup>y</sup>.

Humbly Sheweth

That whereas Raga Buttu Jagapa being indebted to your Petitioner, who sued him in Raga Buttu Gyffords time in his Court, they found that the bond for Pag<sup>s</sup> 8000 the limited time was not then expired, so your petitioner kept it till it should become due, and So the Court went on with the other Bonds, and gave Judgem<sup>t</sup> for yo<sup>r</sup> Petitioner for P<sup>n</sup> 711+ and the limited time of y<sup>e</sup> other Bond being now expired your petitioner brought her action against him in the Court of Admiralty, and upon tryall of it the Judge Says this bond is included in the former Judgm<sup>t</sup> before in those bonds that were clear'd the principle of Phivalogo Chittees bond is pag<sup>s</sup> 3500, the respondentia thereon amo<sup>ts</sup> to pag<sup>s</sup> 5600, if this bond is included in the former Judgem<sup>t</sup> as the Judge Says, how can it be for if the English Law supposes it to be included, therefore must your Petitioner loose her just right, neither can wee goe contrary to your Hon<sup>ts</sup> Laws, therefore your Petitioner is very sorrey it should be, Soe, if your Hon<sup>r</sup> will be pleased to Send for Some of the most understandingest of the Gentues and informe them of the Judgem<sup>t</sup> that was formerly past and when they come to consider of the whole buisnesse, then your Hon<sup>r</sup> and the Court will know by their report whether this

Fort St George

I lately wrote you a letter by Emaun Cooley, and because he may be longer in  
his Journey then a travailing Peon, I send you a copy there of. Cojee Gregorie has  
given me to understand the contents of your letter to him, whereby I perceive  
you have taken out the kings Hoosbulhookum, and Sent it to Surratt, and that  
upon payment of Six thousand Rupees for the Court Fees, you can take out the  
Husbulhookum for Bengall, and that you have given the Security of a Shroffe  
for the money. I returne you my hearty thanks for the great kindnesse you  
have done the R<sup>t</sup> Hon<sup>ble</sup> Comp<sup>a</sup> therein and because there are many who have  
occasion to Send money hither to buy goods &<sup>a</sup> you may gaine Somthing by  
receiving the money there of them who have occasion, and draw bills upon me for  
the same which Shall be punctually paid, besides allso twill be more convenient  
for me because of the hazard of sending money by land. And when you have taken  
out the kings Husbulhookum for Bengall, if you have opportunity Send it to  
M<sup>r</sup> Charles Eyres the English Ag<sup>t</sup> at Chuttanuttie near Hugly in Bengall, and  
Send me a copy or two of the Same Chop'd by the Cojee, that I may Send them by  
severall Ships for fear one should miscarry. But if you have not a Speedy oppor-  
tunity of sending to Bengall Send the Originall & copies to me, that I may Send it  
from hence, I pray if you can possibly Order matters So as that the Husbul  
Hookum may expresse y<sup>e</sup> English Comp<sup>a</sup> and not the English nation, because the  
Company have allwayes so desired it, and it is necessary for the keeping our own  
people in good order, and to prevent their quarrelling with, or doeing any injury to  
the Countrey Government.

I have not yet been informed that the President of Surratt or Agent of  
Bengall have either paid, or remitted any money for this occasion. If they have,  
I hope you will take care to prevent my paying it a Second time.

Since the buisnesse of the Husbul Hookum is over I desire you to deliver  
my letter to Assid Cawn, it being of some importance in relation to our phirmaund.

If you cannot gett a bill of Exchange Cojee Gregorie has sent goods to a  
considerable amount into your hands, and he has wrote you that you may make  
use of his money for this occasion, and I will repay him here.

I have paid these Peons for their charges goeing and coming.

What Service you shall herein doe the R<sup>t</sup> Hon<sup>ble</sup> Comp<sup>a</sup> Shall not be for-  
gotten. I desire You to send forward my Packett to Surratt, for the General, as  
soon as you meet with a good opportunity. I am

of Cuddilore, an answer thereunto has been defferred, expecting an opportunity for meeting with a fitter person for that place. Lately Padre Gulielmus Avasle arrived from Manco [*sic*], who is of the ord<sup>r</sup> of the Theatines, and declares himselfe independant of the Bishop of S<sup>t</sup> Thoma, and haveing been discoursed is willing to goe to Cuddalore in the Roome of Padre Paulo. The Bishop of S<sup>t</sup> Thoma haveing had notice thereof, does as our French Padre informes, possitively declare that Padre Paulo de Saa Shall be Vicar of Cuddilore and that if Padre Gulielmus Avasle goes thither he will excommunicate him. The French Padre also informes that all the Padres of the Jesuits Order are concerned for Padre de Saa's his Continuation. It is considered that the S<sup>t</sup> Thoma Bishops authority in appointing a Vicar at Cuddilore under the English Govern<sup>t</sup> is not to be addmitted, and therefore 'tis Ordered that a generall letter be written to M<sup>r</sup> Hatsell &c<sup>a</sup> Council to order Padre Paulo de Saa to cease from executing his Priestly function within their bounds, either in Publick or private, and if thereupon he refuse to comply, or prove troublesome, they order him to depart their bounds, & when we receive a letter from Fort S<sup>t</sup> David the matter be further consider'd and that in the meantime an answer be writt to the Bishop of S<sup>t</sup> Thoma's letter disowning his Episcopall Authority in Cuddilore or any other English Govern<sup>t</sup>.

Thomas Ogle about three weeks ago galloping through the middle Gate into the town, th<sup>e</sup> officer acquainting the Gov<sup>r</sup> therewith, Hee order'd him not to permitt him to returne through the Gate in the Same manner, being against the known Rules of the Garrison, But after six a clocke in the evening, he return'd and rid full speed through y<sup>e</sup> Gate that the Centry who was posted without, and the Corporall who was also without, had not time to Stop him, but as soon as hee was passed through the Gate called after him, but he refused to come back. The Serj<sup>t</sup> Francis Hall running after him, he thereupon stopped his Horse beyond the Choultry Gate, and he acquainting him that the Orders were that he should not Gallop through any Gate of the Garrison. He thereupon gave y<sup>e</sup> Serj<sup>t</sup> many reproachfull names, and provokeing language, and in discourse Said that if he lighted off his horse, he would trample him to peeces under his Feet and added these words, Tell the Gov<sup>r</sup> from me, that if he has given orders that I shall not ride through y<sup>e</sup> Gates neither I nor my Horse, will trouble them any more, and rid away full Speed. Thereupon the Gov<sup>r</sup> committed him to the Custody of the Marshall, and being now sent for and denying what alledg'd against him, the officers of the Guard Francis Hall Thomas Page and other witnesses being examined did attest, and prove the Same, and the Said Thomas Ogle having been very insolent in his behaviour, & Scandalous in his life, It is Ordered that tomorrow Morning between the hours of Seaven & eight, he ride the wooden horse, and remaine in Custody till hee finds Security for his good behaviour to y<sup>e</sup> Judges Satisfaction.

Ordered that the warehouskeep<sup>r</sup> do p<sup>r</sup>vide a Gold Chain to the amount twenty two Pag<sup>s</sup> to be sent as a present to y<sup>e</sup> Braminy.

And a fine Gunn and pair of Pistolls Invoiced from Bengall at Rupees Sixty nine to the Sier Lasscar of Gingerlee to be sent with the Presidents letters by the mauldar who bro<sup>t</sup> their letters. The reason for these presents are Viz<sup>t</sup>.

There are Severall Timbers, Brimstone &c<sup>a</sup> belonging to the R<sup>t</sup> Hon<sup>ble</sup> Comp<sup>a</sup> lying in Metchlepatam and Madapollam Factories, which the Gov<sup>r</sup> there have hitherto detain'd, therefore 'tis thought a good oppertunity to gett the timbers hither, & the disposeall of the brimstone &c<sup>a</sup> there.

The Said Braminy lately Sent a Boat hither laden with goods, and wrote to the President desireing his assistance in y<sup>e</sup> Sale the custome whereof amounts to about twenty Pag<sup>s</sup> and the Servant does declare his master expects that the Custome Should be remitted him but it is thought rather convenient to Send him y<sup>e</sup> value in a present then to remitt y<sup>e</sup> Same.

The Seir Lasscar has hitherto been very favourab<sup>le</sup> to our buisiness at Vizagapatam for w<sup>ch</sup> reason 'tis thought convenient to p<sup>r</sup>serve his freindship.

2. Supposeing he has been Severe or so behaved himselfe as to deserve degradinge, whether it be convenient to lay him aside upon their demand.

3. Whether there be any just reason to Suspect the French Padre was privy to the Portugueze runing away.

4. Whether it be convenient to send a party from this Garrison to S<sup>t</sup> Thoma and bring the runaways by Force.

5. Whether it be convenient to bargain w<sup>th</sup> the Portugueze souldiers that they Shall not bee Sent from this place upon Service, or whether a method may not be found out for regulatēing the draughts in Such mann<sup>r</sup> as will give better Satisfaction and secure the R<sup>t</sup> Hon<sup>ble</sup> Comp<sup>s</sup> occasions.

And one of the women the next day made a complaint to the judge, that Liveten<sup>t</sup> Seaton had ravished her, and brought her mother and severall other wittnesses to prove it, whose depositions being now read, and Livetenant Seaton sent for pleaded his innocency, alledgeing that he did no more then search the House att which the People are disgusted, and that for a long time the Portugueze have had a Peake against him, for haveing been formerly Instrumentall in bringing Some to Punishm<sup>t</sup> who had drawn the Souldiers from y<sup>e</sup> Garrison, and it is well known to the Presid<sup>t</sup> and others that both formerly, and now, the Portugueze nation have expressed a generall peake ag<sup>st</sup> him, as well for the instance he gives, as his being Active in drawing out the Souldiers when there was occasion for their Service at the West Coast and Retturra, particularly the last draught for the West Coast, wherein y<sup>e</sup> Souldiers drawn out pretending themselves married, desired their wives might goe with them, but when they had leave granted, ten of twelve, denyed themselves Married, and were only their whores, wherein was a discovery made of the cheat they put upon the Garrison for the sake of the pay advanced to married men more then Batchelors. And it is suspected by som that the comp<sup>t</sup> against him now may be an effect of their Spite. Bnt the depositions of the party and her mother being possitive, for the maintenance of publik justice, It is ordered y<sup>t</sup> the complaint be heard and tried in y<sup>e</sup> Court of Admiralty and the Attorney Generall assist the Plaintife.

particularly as to the 58 1 7 lost on the Silver Sent to Tonqueen by the Bencoolen Friggett, and comparing the generall from Yorke Fort dated y<sup>e</sup> 2<sup>d</sup> September 1692 and the Generall from Tonqueen dated the 2<sup>d</sup> December 1692, It does appear that the Silver was weighed in baggs by the Pepper Scales, and Averdupoiz weights of one hundred and twelve pound to the hundredweight, and from thence reduced to acco<sup>t</sup> of pounds Sterling 1856 : 10 : and from thence into Dollers 7426, for which Summe M<sup>r</sup> Sowdon has Credited his acco<sup>t</sup> Cash for so much Sent to Tonqueen the 25<sup>th</sup> Aug<sup>st</sup> 1691.

In the contract with the merchants of the 7<sup>th</sup> August last, there is mention of morees at Pag<sup>s</sup> 39 p Corge, which being the highest Muster the warehouskeep<sup>r</sup> reports that the greatest part of the cloth brought in by the merchants fall short thereof. Hee is therefore ordered to Sort by N<sup>o</sup> 11 at Pag<sup>s</sup> 35½ and what fall a degree Short of that n<sup>o</sup> to be sorted by N<sup>o</sup> 11 ¼ at Pag<sup>s</sup> 32 and the like order to be observed in y<sup>e</sup> Sortm<sup>t</sup> of all the rest of the cloth which falls short of the numbers mentioned in contract, So as to take in all the cloth brought in by the merchants, which is fitt for the marketts of Europe, especially long cloth & Salampores.

The Fort St David generall letter dated the 7<sup>th</sup> Instant, wherein they refer to us y<sup>e</sup> Paym<sup>t</sup> 1657:34:3 to their Merchants being by ballance due to them for cloth brought in upon their last contract. But they observe that their merchants were obliged under penalty of twenty five p C<sup>t</sup> to deliver cloth to the amount of Pag<sup>s</sup> twenty thousand by the last day of Decem<sup>br</sup> last by which time they had delivered but Pag<sup>s</sup> 4901:4:4 and they were to deliver but Pag<sup>s</sup> six thousand in fine goods, but had deliver'd Pag<sup>s</sup> 7228:11:4 as to the first there is no reason to insist upon the Penalty, because the money was not delivered them by us, and as to the fine cloth which they have brought in above their proportion, It is resolved that as soon as the country is Settled, and the merchants can proceed in the [ire] Investm<sup>ts</sup> that they bring in so much course cloth as will make up the proportion of the fine, in the meantime the ballance of this acco<sup>t</sup> not to be paid, but M<sup>r</sup> Haynes &c<sup>s</sup> to pay y<sup>m</sup> one thousand Pag<sup>s</sup> on acco<sup>t</sup> so soon as we can furnish them with money. They also write that Padre Paulo De Saa desires to remain in Cuddalore as a private person or at least to have a months time for the finishing of his business and do int[end] that if he be put out of the place, he will goe and dwell at a new town to the southward of Cuddalore barr, But Pad[re] Gulielmo Avalue in a

Perusing a Paragraph of the generall from Yorke Fort dated the 28<sup>th</sup> August relateing to M<sup>r</sup> Richard Phrip and [the Yorke] Fort Consultations on the 16<sup>th</sup> June, [21<sup>st</sup> July] 15<sup>th</sup> August and 26<sup>th</sup> August 1693 with th[eir] letter to Cap<sup>t</sup> Lane dated the 16<sup>th</sup> June, M<sup>r</sup> Phrips Protest against the R<sup>t</sup> Hon<sup>ble</sup> Comp<sup>a</sup> dated 25<sup>th</sup> August 1693. M<sup>r</sup> Fleetwood &<sup>a</sup> answer to Ditto Protest dated 26<sup>th</sup> Aug<sup>st</sup> 1693 with ditto Phrips paper to the President and Councill here, (which is now order [ed] to be entred in the Booke of Letters Received) it doeth thereby appear that the Govern[our] and Councill of Yorke Fort did make [a] bargain with ditto Phrip, that if he would assist the R<sup>t</sup> Hon<sup>ble</sup> Company with the use the ship Northampton for the transport of men amunition &<sup>a</sup> to Indapora, they would in consideration thereof furnish him with 100 or 150 Baharr of Pepper. Secondly that the Ship Northampton did goe to [P]riamong under the Orders of the Governour and Councill of Yorke Fort in order to proceed to Indapore, But the Cneif there being disappointed, the Buggesses &<sup>a</sup> intended for that Service Refusing to go to Indapore, So that it was not M<sup>r</sup> Phrips fault that the Ship did not proceed further. Thirdly M<sup>r</sup> Phrip thereupon demands of the Governour and Councill of Yorke Fort the quantity of Pepper promised him, and they in persuance of their promise do give him an order for receiving the same at [P]riamong and Sillabar, but at the same time by act of consultation refuse to furnish him out of the[ire] godowne at Yorke Fort, notwithstanding which he prevails with M<sup>r</sup> Fleetwood to lett him have Sixty baharr out of the Comp<sup>a</sup> godowne, under a reference to the approbation of the Generall and Councill here, and in case they do not approve thereof to deliver the Pepper here, they paying the Freight and all other charges s<sup>d</sup> Phrip had been at in procureing it, the question being thereupon put whether they should permitt the said

[17<sup>TH</sup>]

—FORT ST. GEORGE, MAY 1694—

M<sup>r</sup> Phrip to enjoy the pepper, or to receive it and pay freight and charges. It is resolved to permitt him to keep it for [two] reasons, first because it does appear that he did actually serve the R<sup>t</sup> Hon<sup>ble</sup> Company [att] the West Coast, on severall occasions Voluntarily, and did in the particular occasion [in] which the bargain was made, apply y<sup>e</sup> [Ship] to the intended Service as long as there was occasion for't, Secondly that the condition on which he received the sixty Baharr of Pepper, leaves it to himselfe to make up y<sup>e</sup> acco<sup>t</sup> of freight and charges, which by reason of the wages &c<sup>t</sup> charges occasioned by the Ships long Stay for the Pepper, will make the cost thereof amount to more then the price limited us by the R<sup>t</sup> Hon<sup>ble</sup> Comp<sup>a</sup> to purchase.

But by the aforementioned it does also appear that the said M<sup>r</sup> Phrip did behave himselfe very insolently, as well by saying that the Governm<sup>t</sup> of Yorke Fort pick't his pockett, and that he that penned the consultation was a knave &c<sup>t</sup> as by the scandalous & groundless Protest against the R<sup>t</sup> Hon<sup>ble</sup> Company dated 25<sup>th</sup> August, also that he had severall quarrels with, and a particular peake against M<sup>r</sup> Willson then Second, and now Govern<sup>r</sup> and the Said M<sup>r</sup> Phrip acquainting us that he is now designed on a tradeing Voyage to those parts, It is considered whether he may be permitted to goe, and referred to next consultation day when he is ordered to attend.

I the subscriber doe declare that the reason of my difference with M<sup>r</sup> Wilson was as here undermentioned: the same day that I received the copy of Consultation wherein they deny me Pepper, the said M<sup>r</sup> Wilson did invite me to drinke a glass of wine telling me now they had satisfied me and I should have my desires, but when came to receive the copy from the Secretary I found that he had deceived me, so that being very much dissatisfied went to his Chamber door where he smiling scornfully in my face asked me have I like[d] it, to which I did answer (the Secretary having before told me that it was M<sup>r</sup> Wilsons doings) it was Knavishly penned, upon which he being in a very great passion confirmed what was before told me by the Secretary, calling me severall scandalous Names, and did further tell me that if I did not immediatley make my escape out of the Fort he would put me in Irons, as for my saying there the Government picked my pocquett, it was thus when I asked M<sup>r</sup> Wilson the reason why he proceed thus and would not grant me pepper, he told me they had orders from the Fort to keep all the pepper for the Shipp Sampson and therefore could not break their orders, to which I answered then they did as good as pick my pocquett in regard they received this order before they made their contract with me, he declareing upon his word that I should have the first pepper and when I was called up before the Gov<sup>r</sup>. and Councill to answer to what was laid to my charge by M<sup>r</sup> Wilson I did then declare that I had made no reflections against anny Persons but M<sup>r</sup> Wilson, and that I should be as ready to serve the Company as formerly which I afterwards verified, yet notwithstanding as a Punishment for haveing words with Mr Wilson, was most disgracefully turned out of the Fort among the black People so that was forced to travaille downe to the Shipp which lay att Syllebar, tho but newly recovered of a severe fitt of sickness, as for the Protest, I drew against the R<sup>t</sup>: Hon<sup>ble</sup>: Company, I did when I found I could gett noe Pepper apply myself to Mr. Fleetwood to his advice what to doe in the extremity was reduced to, who told me if I did Protest he must answer it, and what he did not approve in the Counter Protest he would object against, he declareing he was ever willing I should have Pepper. When I had write the Protest I shewed it to him before my delivering of it, and he read som part of it, but being interrupted by somebodys comeing returned it me againe but wither or noe he proposed Protesting first I cannot say but am well assured he shewed noe dislike of it declareing himself in these words sayeing Phrip tho hast been much abused, but I believe will gett satisfaction and after his signing the Counter Protest did say he did realey believe Mr Wilson did speake these words relateing to the verball contract.

I doe likewise declare that before I sayled for this Port Mr. Wilson and I were reconciled and very good friends, and the night before my sayleing dranke to me in the presence of Mr Fleetwood and severall others, sayeing he was very sorrey wee had ever anny difference, declareing it was none of his fault nor mine but that others had made it their buisiness to sett us att variance with one another but for the future he would be more cautious, to the truth of which declaration I have sett my hand, and am ready to make oath when required, dated in Fort St. George this 21st of May 1694

M<sup>R</sup> WILLIAM HATSELL.

M<sup>r</sup> Constable having informed the President last night that others of the Councill of Fort St. David, were as much guilty of the same faults charged upon him, but that they are connived att, and that M<sup>r</sup> Hatsell himselfe was guilty of the same faults and he could prove it, he was this day sent for and desired to informe us what he knew concerning anny of theire wronging the R<sup>t</sup>: Hon<sup>ble</sup>: Company, which he did promise to doe after his returne from Fort St. David, but att present does alleadge that M<sup>r</sup>. Hatsell did cause a considerable quantity of goods to the amount of 5 or 6,000 Pago<sup>ds</sup> to be Shipped in February last which was not brought to the Choultry to be valued, and noe land Custome paid for the same on the 19th of Appril, when they came up to Fort St. George.

M<sup>r</sup> Hatsell does owne that he caused about 5,000 Pago<sup>ds</sup>. worth of goods to be shipped of on board the Spannish shipp, being cloth sould to the Spaniards, in the prize whereof he received 2½ per cent of the buyers in consideration of the land Custome, and that the buyeing and bringing it in and shipping of the goods was managed by his servants wholeley, to whome he hath always given strick orders of payeing the R<sup>t</sup>. Hon<sup>ble</sup>. Company theire full dues, and knows nothing to the contrary but that the cloth was carried to the Choultry, and valued as they ought to be, and the Custome paid, and his reason to believe it paid, because he thinks his Conicoply has accompted to him for the Custome paid by an account thereof stated by the said Conicoply. M<sup>r</sup>. Constable being asked whether he did attend himselfe in the Months of February and March last to take an account of goods brought in, to which he answered, that he did enquire of all the Choultreys Conicopies, before he came away, and they all denyed to know annything of the goods being brought to the Choultreys nor did he ever given anny Chittee for any part thereof to the Sea Customer as he remembers. M<sup>r</sup> Constable being asked whether he did not know nor heare of those goods being carried to Chellumbrum without being brought to the Choultreys durement the time of theire comeing in, he answered he did not know nor heare anny thing of it till, about the middle of March, when M<sup>r</sup> Hatsell made up the accounts with the Spaniard, and that he being in the roome att the same time did aske M<sup>r</sup> Hatsell for his Fees.

M<sup>R</sup> WILLIAM FRASER M<sup>R</sup> WILLIAM HATSELL

Upon the matter of the last consultation its resolved :

That the carrying of goods to private houses or godowns, without first carryeing them to the Choultry to be valued by the Land Customer, is irregular, and if it be true that M<sup>r</sup>. Hatsell did actually order, Contrive or connive att such a Method he is greatly blameable. If it was done by his servant without his order

[18<sup>th</sup>]

— FORT ST. GEORGE, JUNE 1694 —

or knowledge, both he and the land Customer ought to have knowne it, and particularly the land Customer, whose buisness it is to looke out and prevent such practices, and when knowne to make complaint thereof in Consultation, which M<sup>r</sup> Constable omitted, and as M<sup>r</sup> Hatsell sayes never acquainted him with anny part of it, nor demanded the money, tho M<sup>r</sup> Constable does owne to have been acquainted with it in the middle of March which was a Month before they left Fort St. David and the Sea Customer is justly blameable also for passing the goods without Chittees from the land Customer, and it is ordered that the next Generall letter to Fort St. David order an enquiry to be made by M<sup>r</sup> Haynes, M<sup>r</sup> Ingram, M<sup>r</sup> Montague, and M<sup>r</sup> Barwell, and their report remitted to us upon the following viz<sup>t</sup>:

1. Whither Chellumbrum (Mr. Hatsells servant did cause a great quantity of goods to be imported privately into towne without bringing them to the Choultray to be valued and without the land Customers knowledge

2. Whither the land custome of those goods be paid, and when, and by whome, and when the account of the value was taken.

3. By what Method the same was valued.

4. Whither the Sea customer did actually pass the goods when shipped off without the land Customers Chittees.

M<sup>r</sup> Constable being charged by the Fort St. Davids generall letter dated the 18 of Aprill last with two things viz<sup>t</sup>. omitting to bring in his Monthly land Custome accounts in due time, and not payeing into the R<sup>t</sup> Hon<sup>ble</sup> Companys Cash money received by him on account land custome amount to Pago<sup>ds</sup>. 713 whereof Pago<sup>ds</sup>. 180 was received by him as found in the Months of September, October, November, and December, but not brought to account, and the rest of the money for the Months of March and Aprill received by M<sup>r</sup> Constable but not paid, and Mr. Hatsell does further declare that on the 16th of Aprill they demanded the money of him in Consultation, which he refused to pay there, but said he would pay it in Fort St. George, and thinking the true reason was, that M<sup>r</sup> Constable had otherwise made use of the money and therefore could not pay it and gives two reasons for his oppinion, first the Conicoply has confessed that Mr. Constable demanded and received of him some money to pay a summe he owed M<sup>r</sup> Pitt, Secondly M<sup>r</sup> Constable in March last made the like difficulty in payeing P. 462: f. 1: the amount of the land Custome for the Months of November, December, January and February last thereof nothing was paid in, notwithstanding the Deputy Gov<sup>rs</sup> frequent demands, till the money being demanded by Consultation by 200 Pago<sup>ds</sup> and the remainder all severall payments viz<sup>t</sup>. 23 of March, 5th and 16th of Aprill.

Mr. Constable having been severall times discoursed does answer. That the reason of his delayeing bringing in the account was his owne sickness, and want of assistance, dureing which time the Conicoply tooke the account of the Choultray. As to the 180 Pago<sup>ds</sup> he received as a fund of 2 Merchants who were making Investments in Cloth, and their account not being finished was the reason why he did not pay into Cash.

As to the 533 Pago<sup>ds</sup>: its money received by the Conicopies for the Month of March and part of Aprill, of which Months the accounts are not entered by him and that when the Deputy Governor and Councill demanded the money of him in Aprill he did then offer to pay in Pago<sup>ds</sup>: 450, and the rest when the accounts were agreed by himself with the Conicopies, and entered in the bookes, but after he had made the said offer the Deputy Governor dismiss him from the Councill (without order as he supposed) he thereupon refused to pay it there and declared he would pay it att Fort St. George. Mr. Constable being asked whither att the time of offering the said 450 Pago<sup>ds</sup>: he did make a tender of the money in Consultation or had it with him, he answered that he did not make a tender of the Money, but had Credit for soe much in Fort St David, and being asked where that money was att time, he answered part in his Scrutore and the rest he could

## —FORT ST. GEORGE, JUNE 1694—

[187B]

have credit for of one either in the Fort or att Cuddalore, being asked how much he had in his Scrutore, he answered about 145 or 150 Pago<sup>ds</sup>: Being asked where the rest was, he answered he could not tell, being asked whither he had received the said summe of 713 Pago<sup>ds</sup>: or thereabouts he answered he thinkes he received about 500 Pago<sup>ds</sup>:

Mr Constable does deny that ever he received anny of the R<sup>t</sup>. Hon<sup>ble</sup>. Companies money from the Conicoply to pay a summe away to Mr. Pitt. The foregoing being read to Mr. Constable he was desired to observe anny thing that he thought was not truely and impartially represented, and he made noe objection against it.

Whereby it does to plainly appeare that he did imploy the R<sup>t</sup>. Hon<sup>ble</sup>. Companies money to his owne use, and therefore he is ordered to repaire with Mr. Hatsell to Fort St. David, and adjust his land custome and Storekeepers accounts and pay the ballance into the R<sup>t</sup>. Hon<sup>ble</sup>. Companies Cash there, but dureing his stay there not to have place in Councill, nor any other employ, but the finishing his account and when that is done to repaire hither, where the R<sup>t</sup> Hon<sup>ble</sup>. Companies orders relateing to the case are to be considered.

The Merchants having been engaged in many buisy differences among themselves and pretended attendance upon the Court for 2 or 3 Months past have hitherto avoided tho' often proposed either to take of anny Europe goods, or to make anny further contract for provision of goods against September, now being demanded to give a direct answer, how much they will undertake to provide, theire last resolution after many evasive arguments alleadged to avoide anny further undertakeing is to provide Pago<sup>ds</sup>. 8000 in Callicoes over and above the amount of the last contract in August, 1693, to be ready embaled by the 25th of September next, the sorts and prizes according to the said Contract, the course Neckcloths mentioned in the said contract are to be att the rate of 35 Neckcloths att one Pago<sup>d</sup>. according to Muster agreed this day to be one covid broad and three Covids long, the red stripes att the ends and sides to be according to Muster, and as they was made for the last three yeares, and to be paid in money Pago<sup>ds</sup> 2000 in hand and the rest as they call for it. Ordered that Pago<sup>ds</sup>. 2000 be paid to the Fort St. George Merchants on account of the Investments so soon as they shall have signed a writeing for the above agreement and Pago<sup>ds</sup>. 2000 sent to Fort St. David in charge of Mr. Hatsell when he goes thither, and the remainder of the Cash to be sent to Vizagapatam by Briggantine Achein Merchant Robert Masfen master att  $\frac{1}{2}$  per cent. Freight having promised (tho' bound to Bengall) to touch there on this occasion, but in case of his over-shooting the Port, he is to send the money to the Factory by the Vizagapatam Peons, which take theire passage on him for that purpose, the money to be put up in long baggs for carriage, and the baggs all sealed and made up in one chest, which the said Master is to have order to open in case he overshoots the Port, also one Cask single stilled Goa arrack, and one of double stilled Goa arrack and 2 bales of sugar.

The Paymaster is ordered to deliver Mr. Hatsell Pago<sup>ds</sup>. 60 to be paid by him in Fort St. David to Mochdum Nino in full for the use of his Ketch Mochdum to Retturra, the Paymaster having already paid Pago<sup>ds</sup>. 140 on that account, Mr Hatsell is to send us Mochdums Ninoes receipt in full.

Ordered that a Silver Tumbledon be delivered to Mr. Hatsell for the use of Fort St. Davids Factory, and to be so charged pz. oz. 28. 11<sup>wt</sup>. att 516 per oz. and 200 Flints.

The President and Councill gave in their severall opinions in the queries propounded the 19<sup>th</sup> April relateing to the garrison, which were discoursed and resolved that we give the Topass Souldiers a promise that after two years serving the R<sup>t</sup> Hon<sup>ble</sup> Comp<sup>a</sup> in any other garrison to which they are sent from hence, they may have liberty to returne hither, and as to M<sup>r</sup> Frasers proposealls of forbidding Portugues Pallenkeens entring into the town covered, It is by majority resolved not expedient to make any such publick order now.

The Councill haveing made a remarke at their signing the consultation 5<sup>th</sup> of April last relateing to the Justices of the choultry, the President doth deliver in their report thereof to be entred after this consultation and gives this reason for not doing it before Viz<sup>t</sup> that he thought it best to lett the matter dye. The President also observing the Councill have made remarques on the 7<sup>th</sup> April relateing to Jango, gives the very same reason for not taking further notice of Jangos insoleney, and has now nothing more to say concerning it, but that he has to much reason to believe Jango guilty from further informations of his spreading reports abo<sup>t</sup> town when the late Commissary was att Bengall, that at his returne the President was to be turned out &c<sup>a</sup> but if the Councill are not satisfied in the verity of the evidence they may make such further inquirey for their satisfaction as they shall thinke requisite and the President demanding of M<sup>r</sup> Fraser to explain what he means by those words [has a higher straine of malice in it against Jango then any thing else] he answers that he did not meane the Presid<sup>t</sup>.

TO THE HON<sup>BLE</sup> NATH<sup>LL</sup> HIGGINSON ESQ<sup>a</sup>  
PRESID<sup>T</sup> & GOVERN<sup>R</sup> & C<sup>a</sup> COUNCILL.

Being at Yorke fort on the west coast of Sumatra in June 1693 the worp<sup>n</sup> the Gov<sup>r</sup> and Council there were pleased to give me som assurances that they would furnish me with one hundred, or one hundred and fitey Bahar of Pepper, upon y<sup>e</sup> consideraçon that I would afford them my assistance of ship Northampton, (of which I was then master) towards the recovery of the fort of Indapoora, then lately deserted by Mr Hamon Gibbons, which haveing complied with to the utmost of my endeavours, tho' without success, and upon my returne to Bencoolen from [P]riamong I applied myselfe to the Gov<sup>r</sup> and Council for obtaining y<sup>t</sup> Pepper which I presumed they stood engaged to me for, but being frustrated of my hopes I applyed myselfe in particular to the worp<sup>n</sup> Charles Fleetwood the Gov<sup>r</sup> who gave me assurances of his willingness to comply with my request affirming it was obstructed by Mr Willson only, to obviate w<sup>ch</sup> I did by his consent draw and present unto the Gov<sup>r</sup> and Council a Protest against the R<sup>t</sup> Hon<sup>ble</sup> Comp<sup>a</sup> dated August 25<sup>th</sup>, 1693 in which I did affirme a contract and engagement from the said Govern<sup>r</sup> and Council, for the furnishing me with one hundred or one hundred and fitey baharr of Pepper, and did declare the R<sup>t</sup> Hon<sup>ble</sup> Company liable to make satisfaction to me and my owners for all Loss and dammages, that should accrew from nonperformance of the same.

Now may it please yo<sup>r</sup> Hon<sup>r</sup> &c<sup>a</sup> being truly sensible of my Error and indiscreet presumption in so doing, I do humbly desire you would be pleased to pardon the same, and do by these presents retract and annull the said Protest dated August the 25<sup>th</sup>, 1693 and do for myself & in behalfe of my owners for ever discharge release and exonerate the R<sup>t</sup> Hon<sup>ble</sup> Comp<sup>a</sup> from all future demands, debts or pretences to dammages for the nonperformance of the said supposed contract, or upon any other acco<sup>t</sup> whatsoever mentioned in y<sup>e</sup> said Protest. Witness my hand this 13<sup>th</sup> of June 1694.

— FORT ST. GEORGE, JUNE 1694 —

[18<sup>th</sup>]

Ordered that an action be entred by the Attourney Generall against M<sup>r</sup> William Bouridge for an acco<sup>t</sup> of 37000 Rupees deliver<sup>d</sup> to him by the Agent and Council of Bengall anno. 1691 to Invest for acco<sup>t</sup> of the R<sup>t</sup> Hon<sup>ble</sup> Comp<sup>a</sup> at Radnagur, and that attachment be lay'd on seven thousand rupees of said Bouridges money in the hands of M<sup>r</sup> John Beard for security of the balance, and dammages at present appearing to be due to and sustained by the R<sup>t</sup> Hon<sup>ble</sup> Company, also that warr<sup>ts</sup> be sent the Agent and Council of Bengall for the sending up of John Hill and William Messenger and Edward Hussey to Fort St. George.

Ordered that M<sup>r</sup> Thomas Stables be third of Council [at] Vizagapatam.

Ordered that the Europe cloth remaining at Vizagapatam be sent to the Agent and Council of Bengall by Briggantine Acheen Merchant.

Upon peruseall of the generall letters received from Bengall, and from M<sup>r</sup> Ellis and M<sup>r</sup> Beard relating to the commission on consignm<sup>ts</sup> on the permissive or Private trade made to Bengall, in order to the removeing the controversies now depending amongst them, and for prevention of the like for the future, it is resolved as follows.

By the R<sup>t</sup> Hon<sup>ble</sup> Comp<sup>a</sup> express Order there is two of five  $\mathcal{P}$  Cent due to the Agent of Bengall both for all permissive goods laden on Europe ships and all consignments of private trade from all the R<sup>t</sup> Hon<sup>ble</sup> Comp<sup>a</sup> servants or freemen in India, and this is payable to him as he is Agent, and has the Generall direction of affairs, tho' the consignors or proprietors do not so appoint, or tho' they do refer the mannagem<sup>t</sup> of their business wholly to another.

If the consignors do appoint y<sup>e</sup> division of the remaining three  $\mathcal{P}$  Cent, it will bee divided accordingly, but if they do not appoint it, our opinion is, that in the consignments and instructions to Agent Ellis & M<sup>r</sup> Beard jointly, without distinction, the whole Commission shall be equally divided and this was the intention, and is the opinion of severall consigners from this place, with whom wee have discoursed.

A consignment to Agent Ellis, M<sup>r</sup> Beard and another, the agent receives two  $\mathcal{P}$  Cent, M<sup>r</sup> Beard and the other shall have the three  $\mathcal{P}$  [cent] equally divided between them.

A consigm<sup>t</sup> made to the Agent &c<sup>a</sup> which he receives, but dies or is removed before any part of the business is don, in this case there is no question but the successor shall receive the whole two  $\mathcal{P}$  Cent, but if the Investment were begun, either by receiving part of the goods bo<sup>t</sup>, makeing contracts with, or delivering money to merchants, for provision of goods, the two  $\mathcal{P}$  Cent shall be divided between the Predecessor & successor equally, and this rule will be the most generally equal in such cases, for it will be to nice and difficult an acco<sup>t</sup> to make an exact calculation of what part of the business was done by one Ag<sup>t</sup> and how much by the other, if the Agent on the first entrance thinks he looses by this Division, he will find himselfe repaid again on his removeall.

It may be objected that the R<sup>t</sup> Hon<sup>ble</sup> Comp<sup>a</sup> orders do appoint the two  $\mathcal{P}$  Cent to the Agent for signing Invoices, and shipping goods, but if you peruse the said order throughout, you will find that it is as well for takeing care & pains in the management of the business, and therefore he that doeth take Pains & care is to have a proportionable consideration.

From the foregoing wee conclude that the two  $\mathcal{P}$  Cent on the Consignm<sup>t</sup> made by the late President Yale to Agent Charneck be divided equally between him and Agent Ellis, the former haveing made Contracts and begun y<sup>e</sup> Investment, and the latter finished it, and by the same reason Agent Ellis ought to have his share of the Commission of the thirty thousand rupees consigned to him in June 1693 by Presid<sup>t</sup> Yale which he writes that Agent Eyres \* and M<sup>r</sup> Hill doeth wholely detain from him.

In the Consignm<sup>t</sup> made by M<sup>r</sup> Alvarez to Ag<sup>t</sup> Charneck and to the Agent in being, w<sup>ch</sup> he began and agent Ellis finished, we thinke the whole five  $\mathcal{P}$  Cent is to

\* Aires in the I.O. copy.

Mr Hatsell in a particular letter to the President advises of a report among [y<sup>e</sup>] Dutch at Pollicherry that the Mallays had Siezed on Yorke fort, and that the Cheif [&] Council &c<sup>a</sup> are gone on a Dutch Ship to Battavia in Order to their Passage hither. But there is yet no advice of any Dutch Ship or Vessell arrived from Battavia either on y<sup>t</sup> Coast or Zeilone, and therefore not credible.

Reports haveing been spread of ten French ships seen of Zeilone, upon enquirey it proves to be no more then the Danes report, that in Europe they heard ten or twelve French ships were design'd for India.

It is observable that the Danes have not sent any Europe letters that came by their ship for severall in this place, tho it is Eighteen dayes since her arriveall, and severall Peons and letters have passed between this and Tringombar, but they communicate no Europe news.

An order passed in the Court of Admiralty on the 7 Instant (Copp<sup>y</sup> whereof is entred after this Consultation) being considered, It doth appeare that there was then no further action depending in the said Court between the R<sup>t</sup> Hon<sup>ble</sup> Company and the late President Yale, besides that relateing to Vizagapatam, the rest being all determin'd by decree of the Court, withdrawn or fallen for want of process, as that of 50,000 Pag<sup>ds</sup> relateing to the Inhabitants, none haveing yet appeared to make their complaints, and those of Councill who knew the particular Informations being dead.

—FORT ST. GEORGE, JULY 1694—

[13<sup>TH</sup>]

The Attorney Generall is ordered to enter an action in the Court of Admiralty against Elihu Yale Esq<sup>r</sup> for an account of 8580<sup>p</sup>: 4<sup>f</sup>: entered in his account of the Cash received by him for acco<sup>t</sup> of the R<sup>t</sup> Hon<sup>ble</sup> Company as paid to Trevor Games, vizt. In account for the Month of December, 1691, Pago<sup>ds</sup> 1000 ditto for Aprill, 1692, Pago<sup>ds</sup> 7580: 4<sup>f</sup>: and that he move the Court that attachments to that amount may be transferred for security in this action, and for the remainder doe shew cause that the decree be pronounced by the Court the record thereof is not entered up, whereas the said order doth mention the said damages are satisfied out of the Effects attached, the President doth observe that the 100 Pago<sup>ds</sup> with interest decreed on the 13 of June is not received, nor can he receive it till the Judgement is signed by the Judge and Assistant. The President read his account of the R<sup>t</sup> Hon<sup>ble</sup> Companies Cash for the Month of June last the ballance being 3563:35: also his account of the Mint for ditto Month, the amount of gold coined being Pago<sup>ds</sup> 14593 custome att  $\frac{1}{2}$  per cent Pago<sup>ds</sup> 72:35<sup>fa</sup> and paid into Cash Pago<sup>ds</sup> 171 on that acco<sup>t</sup>.

The Attorney-Generall is ordered to enter an action ag<sup>t</sup> Mr. Yale.

Attachment be transferred.

Presid<sup>t</sup>s account of oash read. Mintm<sup>r</sup> read his acct of the mint & p<sup>d</sup>: into Cash on y<sup>t</sup> acct p<sup>s</sup> 171.

The Secrety read his acct of Passes.

The Secretary read his account of Passes from the first of Sept<sup>r</sup> 1693 to the last of June 1694, the amount of the R<sup>t</sup> Hon<sup>ble</sup> Companies part being Pago<sup>ds</sup> 57, which he now payes into their Cash and declares that the reason of his not accounting for it Monthley according to the R<sup>t</sup> Hon<sup>ble</sup> Companies orders was his ignorance of the said order, which he will observe for the future.

The order of court doth not mention the Hon<sup>ble</sup> Presid<sup>t</sup>s name or charge him with the receipt of the amo<sup>t</sup> of that Judgement nor was it ever intended or thought proper to pay it into the R<sup>t</sup> Hon<sup>ble</sup> Comp<sup>as</sup> Cash till the Judgment was entered up and signed, but the money being condemned in the hands of the Court is a full satisfaction from the defend<sup>t</sup> and what is meant by y<sup>t</sup> expression in the order.

Cojee Gregorye haveing often earnestly prest for the payment of six thousand Rupees drawn on us by Issa Cooley for the charges of the Surratt and Bengall Husbulhook[um] and now demanding it in such manner [that] the payment thereof can be no longer delay[ed] without injury to the R<sup>t</sup> Hon<sup>ble</sup>: Comp<sup>s</sup> cred[it] on the like occasions, Hee is after much argueing perswaded to stay a moneth or two longer for said summe which Issa Cooley writes he has taken up at interest at  $\frac{3}{4}$   $\Psi$  mensem from the date of the Husbulhook[um] the 3<sup>d</sup> day of the moneth Rajub which [is the] 16 day of February last, and to this day amounts to rupees 238 $\frac{1}{2}$  is in the whole [Rs] 6238 $\frac{1}{2}$  and is the summe now demanded [by] Cojee Gregorye, but there being a present [ne]cessity of sending Pag<sup>s</sup> ten thousand [to] Vizagapatam for which wee now have borrowed Pag<sup>s</sup> five thousand, and it is agreed that a bond be given to Cojee Gregorye for the said sume of rupees 6238 $\frac{1}{2}$  reckon[ed] at the rate of 333 rup<sup>s</sup> for one hundred Pag<sup>s</sup> (tho they were at 330 at the time of the Husbulhookums arrivall w<sup>ch</sup> Cojee Gregorye [at first] insisted on) makes Pag<sup>s</sup> 1873:15 $\frac{1}{4}$ .

Coojee Gregorye perswaded to [stay] 2 mo<sup>s</sup> for his money.Bond to be given Cojee Gregorye for rupees 6238 $\frac{1}{2}$ .

There being a present necessity for borrowing money to send to Vizagapatam, the Presid<sup>t</sup> prevailed with M<sup>r</sup> Styleman and M<sup>r</sup>: Alv[arez] to lend Pag<sup>s</sup>. five thousand for six mon[ths] w<sup>th</sup>: the liberty of paying it in within that [time] at ten  $\Psi$  cent intrest  $\Psi$  an<sup>i</sup>: and the Counc[ill] being acquainted therewith, and approving thereof, none being procureable at nine  $\frac{1}{2}$  cent, bonds were then given to M<sup>r</sup> Styleman for Pag<sup>s</sup> 1500, to M<sup>r</sup> Styleman and [M<sup>r</sup> Stone] for Pag<sup>s</sup> 1500 and to M<sup>r</sup> Alvarez for Pag<sup>s</sup> [2000] all which summes were paid into the R<sup>t</sup>: Hon<sup>ble</sup>: Comp<sup>s</sup>: cash.

There being one thousand Rup<sup>s</sup>: of the new stamp coined in the mint, and four thousand more ready to Stamp, w<sup>ch</sup> were by the Assay mast<sup>r</sup>: and Mint Braminey equall unto the matt of Surratt Rupees. The Justices of the Choultry have complained that on Friday last Mr Da[niell] Dubois did rescue his slave boy from the hands of the Talliars who were bring[ing] him to the choultry to be examined, [upon] an accusation of stealing twenty [six pag<sup>s</sup>] from Mr Lovell and did upon the Ju[stices] demand in writing refuse to send him to [them] all w<sup>ch</sup> do's appear by Mr Dubois his own confession. It is ordered that the Justices of the Choultry do fine Mr Dubois three Pag<sup>s</sup> and if it doeth app<sup>r</sup> to them that the said [boy] hath stolen the money, that either [Mr.] Dubois do make satisfaction for w[hat he] has stolen, or that the boy be sold for [that] purpose.

Ordered that the Justices of y<sup>e</sup> Cho[ultry] do execute all such orders as they s[hall] receive from the Court of Admiralty [for] the examination of witnesses, makeing of references, and arbitrations, & takeing the opinions of the Cast's relateing to the Custome of the Gentues &c<sup>a</sup>, w<sup>ch</sup> is very [often] necessary for the expediteing of causes depending in that court, and there being but one assistant cannot well be done but by the Justices of the Choultry.

being now demanded whether he did consent thereunto, delivers his ans<sup>w</sup> in writing w<sup>ch</sup> the Judge desireing to peruse in order to answer, was delivered [to] him.

In the 15<sup>th</sup> Paragraph of the R<sup>t</sup> Hon<sup>ble</sup> Comp<sup>s</sup> generall letter dated 10<sup>th</sup> April 1693 relateing to the filling up of the Council of Fort S<sup>t</sup> George, and also the Generall's last lre from Bombay dated 12<sup>th</sup> June last being read. The President doeth thereupon take notice of the necessity of filling up y<sup>e</sup> Council of Fort S<sup>t</sup> George, the number being now to few, and desires the opinion of the Council whether he may make an addition to the Council according to the direction given [to] S<sup>r</sup> John Goldsborough. The Generall having in a particular letter to the President dated 12<sup>th</sup> June written these words Viz<sup>t</sup> (and I all [see] make it my request that you will fill up the Council of such as you thinke best qualified for that station) and y<sup>e</sup> Council being of opinion that it is needfull to fill up the Council, and that the President hath power to doe it. The President doeth thinke himselfe both empower'd by the forementioned orders, and obliged by the present circumstances of affairs to make an addition to the Council, of such P<sup>ersons</sup> who are fittest to serve the R<sup>t</sup> Hon<sup>ble</sup> Comp<sup>s</sup> in that station and named three persons for that purpose but refers the conclusion of this matter till tomorrow morning.

W<sup>m</sup>: HATSELL.

I conceive the clause in S<sup>r</sup> John Goldsborough's Commission w<sup>ch</sup> in his absence doeth devolve an authority on the Hon<sup>ble</sup> President, is chiefly design'd to empower him to execute martiall Law if there be occasion, and doeth only reinstate him in the full power of Gov<sup>r</sup> and President of Fort S<sup>t</sup> George during such absence, as if there was no generall his Superior in India, but cannot see reason to thinke that the whole powers given by that Commission to the Generall, are in his absence entrusted w<sup>th</sup> the Hon<sup>ble</sup> President.

The Hon<sup>ble</sup> Comp<sup>s</sup> Letter which directs and empowers the Generall to fill up the Council of Fort S<sup>t</sup> George is a new Commission for that matter and of a later date then that w<sup>ch</sup> mentions the Hon<sup>ble</sup> Presid<sup>t</sup> so that altho the former should be allowed to exten[d] to the whole Commission, Yet I conceive it cannot include the powers given by a later, in another manner, being the only instance where y<sup>e</sup> Generall is empowered to act without his Council.

The Generall letter from his Excel<sup>lency</sup> S<sup>r</sup> John Gayer to this place doeth advise that it is his opinion that the Hon<sup>ble</sup> President hath the full power of the Generalls Commission devolved on him, to which I pay all respect and obedience, and humbly hope [it] will not be imputed to me as a want of either that I differ in my sentiments, especially relateing to y<sup>t</sup> point of filling up the Council, which may as well be done by the Generall when absent as present, but that opinion of his Excellency relates only to the Commission, and not to the subsequent powers remitted by Generall letters, I humbly conceive the Hon<sup>ble</sup> Company might thinke fitt to entrust their Presid<sup>t</sup> w<sup>th</sup> those powers mentioned in the Commission where the Generall is obliged to act with the advice of Council, and yet it cannot be implied from that when they give additionall powers of a great[er] extent, that those also are included if the Hon<sup>ble</sup> President be not again mentioned.

The Hon<sup>ble</sup> President produces a private letter in which the Generall desires him to fill up the Council, but doeth not mention in what manner either by his own single Authority, or w<sup>th</sup> the advise of his Council.

[20<sup>TH</sup>]

—FORT ST. GEORGE, AUGUST 1694—

I humbly conceive the matter is very fitt to be done by Somebody, I also thinke by the Hon<sup>ble</sup> Comp<sup>a</sup> Generall His Excellency S<sup>r</sup> John Gayer hath full power by his single authority to effect it, which Power if he can by a private letter delegate to y<sup>e</sup> Hon<sup>ble</sup>: President, I conceive it is a warrant for him now to fill up the Councill.

There being a balance of Pag<sup>a</sup> 40 : 32 fan<sup>a</sup> due to the Powderman on his acco<sup>t</sup> in the time of M<sup>r</sup> Pitts Storekeeper, and at the same time due from him <sup>ca md lb</sup> 1 : 17 : 20 of Powder, which the Storekeep<sup>r</sup> reports he hath since delivered. It is ordered that said Balance be paid him.

As to the Legall constructions & critical distinctions w<sup>ch</sup> M<sup>r</sup> Dolben makes in his exceptions to the foregoeing consultation, The President doeth refer them to the R<sup>t</sup> Hon<sup>ble</sup>: Comp<sup>a</sup>: consideration, not understanding how to distinguish so nicely between totall & par[tiall] power in the Commission, between power by Commission and power by subsequent gen<sup>l</sup>: Letters, between power inherent in, and power delegated by the Generall. But he thinks the plain English of the case is this that the R<sup>t</sup> Hon<sup>ble</sup> Comp<sup>a</sup>: in their Generall letter of the tenth of April 1693 : do order the Generall S<sup>r</sup> John Goldsborough to fill up y<sup>e</sup> Councill of Fort S<sup>t</sup> George, which power upon his death devolves upon S<sup>r</sup> John Gayer, to whom in February last we sent a copy of said Generall letter, and the copy of our Generall letter to the R<sup>t</sup> Hon<sup>ble</sup>: Company in answe<sup>r</sup> thereunto by the Samuel, in order to the receiving the Generall's directions. And the Presid<sup>t</sup> at the same time in a particular letter did earne[tly] request the Generall that he would send his particular Orders. In answer to which the Generall in his letter to the President and Councill, declares it his opinion that the Presid<sup>t</sup> is fully empower'd by the Commission to act on this side India as fully as S<sup>r</sup> John Goldsborough could doe were he alive, and in his life to the President doeth leave it to him to fill up the Councill, and does give his opinion or direction for the taking of M<sup>r</sup> John Styleman into Councill tho' he be not now actually in y<sup>e</sup> R<sup>t</sup> Hon<sup>ble</sup> Comp<sup>a</sup> Service, upon these grounds therefore the President doeth proceed to the choise of three persons, and desires the Councill's advice as to their fitness, and doeth in the first place recommend M<sup>r</sup> John Styleman as the fittest person to serve the R<sup>t</sup> Hon<sup>ble</sup> Comp<sup>a</sup> in that employ (on condition he enters into y<sup>e</sup> useall Covenants) haveing:

NAT: HIGGINSON.

I humbly submit to my R<sup>t</sup> Hon<sup>ble</sup> Masters and his Excellency their Generall in India whether my exception to the preceeding consultation deserves the censure of lawfull constructions and critical distinctions, to criticise upon the Hon<sup>ble</sup> Companys affairs in prejudice to their interest, is a breach of duty I hope I have not incur'd the imputation of; my poor opinion is that what I there said is the plain state and reason of the case but I did then and do now declare my ready submission to what the Generall or the Presid<sup>t</sup> shall think fit to order altho I cannot consent the Hon<sup>ble</sup> Presid<sup>t</sup> demanding the advice of his Council whether M<sup>r</sup> John Styleman be a fit person to be admitted in Council I do humbly declare it my opinion that he is incapable of sitting there, not being by the Hon<sup>ble</sup> Company admitted into their service. Had it pleas'd God to continue S<sup>r</sup> John Goldsborough alive I know of no letters or Commission that impowers him to do it, I humbly conceive the Generall S<sup>r</sup> John Gayer may be surpris'd in this matter and do not know that he was acquainted that M<sup>r</sup> Stileman hath been once dismiss'd by the Hon<sup>ble</sup> Company their service or that there are those in the service capable to fill up the Council, I remember how cautious the late Commissary was in admitting M<sup>r</sup> Mead to be a Factor, and therefore to avoid a repetition of exceptions do declare that I do not consent that any part of the R<sup>t</sup> Hon<sup>ble</sup> Companys affairs or estate be committed to the trust and management of M<sup>r</sup> Stileman nor do allow any acco<sup>s</sup> of the same he shall bring in, proposing before he be admitted that the matter be by the Hon<sup>ble</sup> Presid<sup>t</sup> & Council stated to the Generall.

The Judge delivered his answer to M<sup>r</sup> Fraser and M<sup>r</sup> Hatsells papers of remarks upon the late triall, between the R<sup>t</sup> Hon<sup>ble</sup> Company and the late President Yale in the Court of Admiralty whereupon the assistants being ask'd in wh[at] manner they gave their consents: M<sup>r</sup> Fraser answers he did give his consent to y<sup>e</sup> Judge in the Judges Chamber upon the Statute [of] Limitations being alledged by the Judge [who] was of opinion that the money proved to be delivered was forced, thō upon the Judges alledging that the evidence was not a suffic[ie]nt evidence, because the principall evidence did not appear, he did acquies w<sup>th</sup> y<sup>e</sup> diffe[re]nce that the money given to the defend<sup>t</sup> by the merchants, was sufficiently proved, [but] he believes the Merch<sup>ts</sup> did not give all[ways] their money willingly.

M<sup>r</sup> Hatsell do's declare he was of opinion that four thousand Pag<sup>s</sup> was proved to be delivered to the defendent, and that it was not done voluntarily and that he d[id] assent to the Judgement for one hundred Pag<sup>s</sup> because the Judge alledg'd y<sup>e</sup> Statute of Limitations to be in Force. As to M<sup>r</sup> Fraser the Judge doeth allow that he did declare that setting the Statute aside he could not

give his opinion that the proove was insufficient that Pag<sup>s</sup> four thousand was forced from the merchants in 1684. But as to M<sup>r</sup> Hatsell he doeth deny that he heard him express any such doubt or opinion but freely consented to the decree. M<sup>r</sup> Hatsell being thereupon further asked doeth declare that, his opinion was that the proove was sufficient for pro[veing the use] of force, and do's remember that he did express his opinion that the proove was sufficient for the delivery of the money, but do's confess he do's not remember that he did deliver his opinion that the proove was sufficient concerning force.

1. By the foregoing it do's app<sup>r</sup> y<sup>r</sup> y<sup>e</sup> assist<sup>s</sup> did consent to the Judgement.

2. That the main ground of their consent (as to the four thousand Pag<sup>s</sup> in 1684) was upon the supposition that the statute of Limitations was in Force.

3. It is declared by the Assistants that laying aside said Statute, their opinion was that the money was not paid Voluntarily.

The Judge haveing given his opinion that thô there should be an error in opinion, [yet the] Judgement stands good in that Court for y<sup>e</sup> discharge of the defend<sup>t</sup> in that action, and of the attachments, and the action is at an end and therefore the attachm<sup>ts</sup> cannot be continued by virtue of that action. M<sup>a</sup> WILLIAM FRASER M<sup>a</sup> JOHN STYLEMAN  
M<sup>a</sup> THOMAS WRIGHT M<sup>a</sup> CHARLES BARWELL.

On the 6<sup>th</sup> Instant our resolution concerning M<sup>r</sup> Dolben having been deferred by intervening examinations of Anco, Peddana, Vincatte &c<sup>a</sup> which having been continued every consultation day, was the reason of M<sup>r</sup> Dolbens not being summoned till this day.

The Declar[at]ions of Peddanaabee &c<sup>a</sup> relating to Anco and Peddena, Vincatte and Anco's relating to four Hundred Pag<sup>s</sup> paid for the releasement of Anco were read to M<sup>r</sup> Dolben. Hee being thereupon asked whether he did receive that money or no: doth desire to have the peruseall of said Declarations, before he gives answer to the question, and acquainting us that he was informed by one that heard it, that Anco should say, that if he would speake against the Judge, he might be free from imprisonment. Anco being thereupon sent for and

FRIDAY  
14<sup>th</sup>.

—FORT ST. GEORGE, SEPTEMBER 1694—

[14<sup>th</sup>]

examined, denies that he said so. But doth say that two or three dayes before he was put in prison, he was told by some Buzarr people that the Judge was put out, and that he would come into trouble about the Judge.

Att the Judges request Anco was asked whether he paid, or promised any part or the whole of y<sup>e</sup> twenty Pag<sup>s</sup> he received of Rama to the Judge, or whether he paid or promised him any sume or summes of money upon the account of any other such like business depending in the Court, except the four Hundred Pag<sup>s</sup> paid for his own releasement, he answered no: nor any other.

The Judge being offered that the wittnesses should be all[so] sent for, to make answer to such questions as he should thinke fitt to propound to them, which he refused, giving for his reason, that he was not heare when the first examinations were taken and then M<sup>r</sup> Dolben withdrew.

M<sup>r</sup> Dolben haveing desired that the declarations of Anco Peddana and Vincattee Puttee &c<sup>a</sup> may be delivered to him that he may give his answer thereunto, it is considered that if the said declarations be deliv<sup>d</sup> to him, it is in his power to defer giving any answer thereunto for as many weeks or moneths as he shall thinke fitt, and therefore resolved not to deliver said papers at least till he shall have given an answer [to y<sup>e</sup>] question put to him, whether he did receive the four hundred Pag<sup>s</sup> alledged by Vincattee to be given to him for the releasement of Anco, or [noe].

Haveing spent much time in the peruseall of the state of the case in the triall between the R<sup>t</sup> Honourable Company and the late Presid<sup>t</sup> Yale w<sup>th</sup> the assistant's remarkes thereon, and the Judge[s] answer thereunto, the Presidents observation upon the same, proposed to the Councill the 25<sup>th</sup> August and the Judges answer thereunto of the 30<sup>th</sup> August, and the Presidents paper on the third of Septemb<sup>er</sup> with the examinations aforementioned of Vincattee, Anco &c<sup>a</sup> after much Debate and consideration of all matters relating to M<sup>r</sup> Dolben which have been discoursed amongst us, our opinion is.

1. That the Statute of Limittations doth not include the said case between the R<sup>t</sup> Hon<sup>ble</sup> Comp<sup>a</sup> and the late President Yale, and ought to be so interpreted in our Courts in the like cases.

2. That Judge Dolben hath not dealt fairly w<sup>th</sup> the R<sup>t</sup> Hon<sup>ble</sup> Company in the said triall.

3. That the Judges not prosecuting Vincattee upon the scandall that was brought upon his reputation by Vincattres demanding & receiving money in his name for favouring causes in the Court, do's give an occasion to suspect him privy to those actions, being done above Eighteen moneths agoe, and gives a further credibility to the declarations of Vincattee, Anco, and Peddana, concerning four Hundred Pag<sup>s</sup> rec<sup>d</sup> by Judge Dolben for the releasement of Anco.

4. By the 28<sup>th</sup> paragraph of the R<sup>t</sup> Hon<sup>ble</sup> Comp<sup>a</sup> Generall Letter to Fort St. George dated y<sup>e</sup> 10<sup>th</sup> April 1693, their H[on<sup>rs</sup>] expressing a jealousy that he [could not be propiti]ous to their [affairs and] interest, do give [the President and] Councill power if they find him in any respect unfitt for their service to dismiss him.

Upon the whole it is our opinion that John Dolben Esq<sup>r</sup>: second of Councill, is for the aforementioned reasons, unfitt for the R<sup>t</sup>: Hon<sup>ble</sup>: Comp<sup>as</sup>: service, and therefore, it is resolved, that he is hereby dismissed from this Councill, and from the R<sup>t</sup>: Hon<sup>ble</sup>: Companyes service, till their Honours pleasure be further known and that in the meantime due respect be given to a person of his qua[lities] and abilities, in consideration of which it [is] a trouble to us to part with him.

The President produced a Commission under [the] Larger Seale of the R<sup>t</sup> Hon<sup>ble</sup> Company dat<sup>d</sup> 10<sup>th</sup>: Ap<sup>ril</sup>: 1693 revoking their Commission unto John Dolben Esq<sup>r</sup> dated the 15<sup>th</sup> February 1691 and appointing M<sup>r</sup>: Will<sup>m</sup> Fraser to be Judge of the Court of Admiralty in his roome, w<sup>ch</sup>: came open in the Packett by the Royall James and Mary, and w<sup>h</sup>: it a lfe Sign'd by theire Committees dated 10<sup>th</sup> April 1693, directed to the Generall of India resideing at Fort St George appointing

PRESIDENT AND GOV<sup>R</sup> OF FORT S<sup>t</sup> GEORGE & C<sup>A</sup> COUNCILL.

The Worp<sup>n</sup> John Dolben Esq<sup>r</sup> late Second of Councill haveing been dismissed the R<sup>t</sup> Hon<sup>ble</sup> Comp<sup>s</sup> service according to an act of Councill of the 14<sup>th</sup> Instant, by which the Seconds place becomes vacant, and your Hon<sup>r</sup> haveing intimated the same to the Coun[c]ill in order to their being settled in their severall stations and employes according to their degrees, Yo<sup>r</sup> Hon<sup>r</sup> was pleased to name me as next and of right to succeed to the Seconds place in the roome of M<sup>r</sup> Dolben or otherwise to shew cause for excuseing myselfe for not accepting the same, and to clear your Hon<sup>r</sup> from anything as might be imputed as a designe in your Hon<sup>r</sup> to put me by my right, in this manner with other kindly expressions in my favour your Hon<sup>r</sup> was pleased to declare yourselfe which I thankfully acknowledge. 1. Having differed in opinion w<sup>th</sup> Judge Dolben in the Judgement and Decree of Court given by him in the late triall between the R<sup>t</sup> Hon<sup>ble</sup> Comp<sup>s</sup> and

[24<sup>TH</sup>]

—FORT ST. GEORGE, SEPTEMBER 1694—

the late Presid<sup>t</sup> Yale, the same may (tho unjustly) give a suspicion as if I design'd a prejudice to M<sup>r</sup> Dolben to advance myselfe, and would readily be believed so, if I should on the suddain succeed and take up his place in Councill.

2<sup>ly</sup>. The advices sent to the R<sup>t</sup> Hon<sup>ble</sup> Comp<sup>a</sup> by the Berkley Castle, as well as the late Commissary Generall's particular letters, to some or severall of the Committees relating to the Hon<sup>ble</sup> Comp<sup>s</sup> affairs, especially to that part w<sup>ch</sup> was M<sup>r</sup> Dolbens concern Judge, in putting the R<sup>t</sup> Hon<sup>ble</sup> Comp<sup>a</sup> in the right method of prosecuting & recovering Damages of the late Presid<sup>t</sup> Yale, M<sup>r</sup> Nicks [&c<sup>a</sup>] which advices so sent might probably recommend M<sup>r</sup> Dolben to the Hon<sup>ble</sup> Comp<sup>ss</sup> favour & their better opinion of him, by which the Hon<sup>ble</sup> Comp<sup>a</sup> will p<sup>r</sup>ceive that there was a good understanding and a firm freindship continued between the late Commissary Gen<sup>l</sup> and M<sup>r</sup> Dolben, upon which supposition it may be conjectured that the Hon<sup>ble</sup> Company may reverse their former orders by the Royall James and Mary concerning him, and then it will be a point of consideration to recon-  
[cile] said orders with the late circumstances that have happened upon his being dismissed the Hon<sup>ble</sup> Comp<sup>s</sup> service here.

3<sup>ly</sup>. I have upon me now the care and charge of two employes Viz<sup>t</sup> the warehouse and storek<sup>rs</sup>] place which may take up a considerable time in takeing the true remains, seeing a great part is poizable goods, and the like time or longer would be taken up if matters so happen[ed] in receiving the acco<sup>t</sup> remains by retur[ning] to my present station againe.

4<sup>ly</sup>. I confess the employ of the second [which] is the Generall Bookes, must of necessity be carried on, but your Hon<sup>r</sup> may please to appoint that some other of the Councill that are not yet settled in any employ, and may have more leizure then I can promise myselfe under the severall charges that lye upon me, therefore I humbly request your Hon<sup>r</sup> &c<sup>a</sup> to excuse me at present from the charge of the Generall Bookes, but shall endeavour as soone as time and occasion shall serve, to comply with your Hon<sup>rs</sup> &c<sup>a</sup> desire in this matter, as well as anything else in which I may approve myselfe.

The Portugueze Fidalgo Lewis Francisco, who had laden three hundred and thirty two baggs of saltpetre aboard ship S<sup>t</sup> Marke being sent for do's declare that he did not know, nor ever heard that the exportation of salt petre was forbidden and that he had shipped that off in the same manner as other goods, by sending his ser[vant] down with it to the sea side, where a consi[derable] part of it lay a day or two, because the sea w[ould] not permit the shipping it off, that he being a stranger and unacquainted w<sup>th</sup> the orders here, he had no reason to thinke it was forbidden, it being permitted to be shipped off by y<sup>e</sup> Custom House Officers and that the salt petre was by order of the Viceroy of Goa, which he prod[uced] and is to be delivered to him for the King of Portugall, and offers to give a writeing for that purpose.

It is considered that he is a stranger and may be unacquainted with the Orders, and that the Customehouse officers are blameable for their great neglect, and having no reason to suspect that the salt petre is designed for the French, it is ordered that the Fidalgo hav[ei]ng to proceed with the Salt petre for Goa, he and the Master giving their obligations for the delivery of it there.

R<sup>t</sup> Hon<sup>ble</sup> Comp<sup>s</sup> rul[e]s, doeth request leave to lay downe their service, and to enjoy the freedome of Trade indulged whilst he shall reside in India, and he being acquainted that his Indentures do oblige him to Serve the R<sup>t</sup> Hon<sup>ble</sup> Comp<sup>s</sup> for the terme of Five years and such time longer as he shall continue within the Limitts of their Charter, by which he hath not liberty to reside in India when he hath quitted their Service longer then permitted, and dureing such his permitted stay to reside in, and trade to such places as shall be allowed by the President and Councill, which M<sup>r</sup> Pitt declareing to be the meaning of his request, and that h[e] will conforme thereunto, and particular[ly] that he hath no intention of goeing to Ben[gall] nor will go without leave. It is ordered that he is by his own act dismissed from the R<sup>t</sup> Hon<sup>ble</sup> Comp<sup>s</sup> service, and to reside in Fort S<sup>t</sup> George as a free merchant till the President & Councill shall see cause to the contrary.

Taking the West Coast into consideration the following particulars were discoursed.

1. It is requisite that there be a vessell allwayes on the West Coast, and hath been therefore resolved to send twice a year, in October and February, or March, so as to keepe two vessells goeing and comeing.

2. Our former letters to Yorke Fort, Bengall and to the Generall have declared our inten[tion] of sending a vessell thither this season, and [in] dependance of that advice, the Madapollam will be dispatched in December from Yorke Fort.

3. Their stocke at Yorke Fort is now but seav[en] thousand Dollars besides goods for sale w<sup>ch</sup> w[ill] not be sufficient to defray the charges of that Coast if not supplied.

4. It is Requisite to send a further supply of Factors and Souldiers.

5. Wee depended on the Briggantine Ginger[lee] for that service, but she is detained on y<sup>e</sup> Coa[st] of India, and wee have no other Vessell of the R<sup>t</sup> Hon<sup>ble</sup> Comp<sup>s</sup> and if wee send any must ei[ther] buy or hire.

6. The Hawke is ordered from Bengall to carry money for buying Pepper, and a supply of stores, thô the sending the ship depends on the advice w<sup>ch</sup> the Royall James and Mary brought them concerning the quantity of pepper procureable, and therefore it is doubtfull whether the Hawke will be sent thither or no from Bengall.

7. Wee have no Dollars to send, and none procureable but a very few at very deare rates, nor have they given us any advice from Yorke Fort to direct what stores to send.

8. M<sup>r</sup> Fleetwood's letter dated the second June last, and M<sup>r</sup> Betts not being arrived made our former resolves of sending necessary, but M<sup>r</sup> Betts being since arrived and in quiet possession of y<sup>e</sup> Government and there being no appearance of disturbance, that necessity is removed.

Upon the whole the question is whether to hire or buy a vessell and send presently with Factors and Souldiers, without money or stores or to stay either till the arriveall of ships from Europe, or the Maddapollom's returne from Yorke Fort and it is resolved not to send a vessell now, but referr it to a fitter opportunity.

THE HON<sup>bles</sup> NATH<sup>ll</sup> HIGGINSON ESQ<sup>r</sup> PRESID<sup>r</sup> & GOV<sup>r</sup>  
M<sup>a</sup> W<sup>m</sup> FRASER M<sup>a</sup> JOHN STYLEMAN  
M<sup>a</sup> THO<sup>s</sup> WRIGHT M<sup>a</sup> CHAR : BARWELL.

The President haveing delivered a paper on Monday last to the peruseall and consideration of the Councill relateing to the Fort St. George Merchants, It is resolved that y<sup>e</sup> same be entered that y<sup>e</sup> grounds of our proceedings may appeare vizt. Timapa and Allingall, who act as cheife Merchants joyntly, have not well accorded, Timapa beareing y<sup>e</sup> name of y<sup>e</sup> cheife, and Allingall the more experienced Merchant withdrawing himself for many Months from attending the buissiness of y<sup>e</sup> Joynt Stocke under pretence of sickness, whose example has an influence on such of y<sup>e</sup> Merchants as are accounted of his party, so y<sup>e</sup> the mannagement lay most upon those of Timapas party. 2<sup>ly</sup> Besides this division in 2 parties y<sup>e</sup> greater part of y<sup>e</sup> principall Merchants have been in Controversies and quarrells, and Law suits among themselves, concerning acco<sup>ts</sup> of trade and some y<sup>e</sup> division of Estates left by theire Ancestors.

3<sup>ly</sup>. Therefore but few of y<sup>e</sup> Merch<sup>ts</sup> have employed themselves in the buissiness of y<sup>e</sup> Joynt Stocke, as they ought by y<sup>e</sup> ord<sup>r</sup>, and their acco<sup>ts</sup> neglected, so that they have not yet adjusted them, by w<sup>ch</sup> most of y<sup>e</sup> principall Merch<sup>ts</sup> were indebted to y<sup>e</sup> Stocke in 1692 w<sup>ch</sup> they have hitherto avoided to pay, and is a failure in theire cheife Mannagement and Injury, and discredit to y<sup>e</sup> Stocke, and discouragement to others from being concerned. 4<sup>ly</sup> For the foregoing reasons y<sup>e</sup> Merch<sup>ts</sup> goe on verry slow, and are not able to carry on any considerable buissiness, but suffer themselves to be baukt and outdone by other private Merch<sup>ts</sup>

— FORT ST. GEORGE, NOVEMBER 1694 —

(probably w<sup>th</sup> the connivance and concurrence of som of y<sup>e</sup> Joint Stocke Merch<sup>ts</sup>) whereof was a notable instance in January & February last, when y<sup>e</sup> Spanish shippes from Manilha came hither w<sup>th</sup> considerable stocke to buy cloth, and wee had noe ready money att y<sup>e</sup> time, for carryeing on our Investment, y<sup>e</sup> President did endeavour to make a Contract between y<sup>e</sup> Spaniards and our Merchants, that they might have provided his Cargo of about 20000 Dollers, as well for theire encouragement as that they might keepe theire Countrey Weavours in constant employ, and the loomes to y<sup>e</sup> Companies Muster, the first offer was made to them, but they suffered 2 Private Merch<sup>ts</sup> Weavours Namashaway and Bassaportee, to run away with theire bargain, and tooke from them y<sup>e</sup> greatest part of y<sup>e</sup> Countrey Weavours, so that when our Merchants had occasion they could not gett the Weavours to serve them till y<sup>e</sup> buisness was done, and they found y<sup>e</sup> looms changed to y<sup>e</sup> Manilha sort of cloth.

5<sup>th</sup>. The Merchants and Inhabitants have generally a respect for y<sup>e</sup> families of Verona & Vincatadry, for w<sup>ch</sup> reason the men of those families are most capable then others towards y<sup>e</sup> maintenance of good Government among the Inhabitants, and on the other hand they are the most capable of mischeife if so inclined, or may prove incapable for both, for w<sup>ch</sup> reasons y<sup>e</sup> right of succession in any family is not to be admitted, thô pleaded by Timapa, not only for himself, who is Peddy Vincatadryes son, but for Mooda Verona the adopted son of Cassa Verona, and Druggapa the son of Chiny Vincatadry, who according to theire rules are to succeed one another in y<sup>e</sup> cheife Merchantship, and theire Children after them, by turnes, and therefore these men and theire Childeren are to possess y<sup>e</sup> first ranke next to y<sup>e</sup> cheife Merch<sup>ts</sup> whither absent or present, capable or incapable an instance whereof was lately given in Druggapa, who in July 1693 without any notice given to the President withdrew himself and family out of this Towne, and lives in the Countrey, whereupon the President being willing to fill his station w<sup>th</sup> one more capable propounded to y<sup>e</sup> Merch<sup>ts</sup> that his share in y<sup>e</sup> Stocke might be sold to pay his debts to y<sup>e</sup> stocke, and another chosen in his place, but Timapa argued it could not consist w<sup>th</sup> y<sup>e</sup> honor of y<sup>e</sup> family and that y<sup>e</sup> rest of y<sup>e</sup> Merch<sup>ts</sup> were content that his share should continue till his returne or for his Childeren.

6<sup>th</sup>. The Cheife Merch<sup>ts</sup> and Committees, or y<sup>e</sup> right hand cast do insist on y<sup>e</sup> hon<sup>r</sup> of y<sup>e</sup> Cast so as to exclude y<sup>e</sup> Chittees or left hand Cast from a possibility of being Cheife Merch<sup>ts</sup>, thô they are the men that doe most of the buisness, this appeared to much in a late instance of the 13<sup>th</sup> and 16<sup>th</sup> of App<sup>l</sup> last, when had appointed to Tashereif y<sup>e</sup> Merchants, and agreed to give Japa Chittee a Tashereif in y<sup>e</sup> roome of Mooda Verona deceased, the cheife Merch<sup>ts</sup> and Committees argued against it because he was of the Chittee Cast, and rather then admitt it choose to goe without theire Tashereifs, thô Japa Chittee is one of the ablest men among them, the particular circumstances are not entered in those Consultations, being then referred to further consideration, but was diverted by other occurrences.

7<sup>th</sup> The cheife Dubash Narraine is in y<sup>e</sup> nature of a broaker for y<sup>e</sup> R<sup>t</sup> Hon<sup>ble</sup> Company to find out the ablest Merchants, and mannage w<sup>th</sup> them in behal<sup>e</sup> of y<sup>e</sup> Company, but so far as I have observed he does in y<sup>e</sup> maine espouse the interest of y<sup>e</sup> Merch<sup>ts</sup> att least as much as y<sup>e</sup> of the Company, thô dos att some times in some small matters make a publicke shew of sticking hard for y<sup>e</sup> Comp<sup>s</sup> Int<sup>rest</sup>, and in sev<sup>l</sup> disputes y<sup>e</sup> have happened concerning y<sup>e</sup> family of y<sup>e</sup> Cheife Merch<sup>ts</sup> and the Hon<sup>r</sup> of y<sup>e</sup> cast, he has taken theire parts particularly in y<sup>e</sup> Instance of Druggapa, and Mooda Verona, this may probably arise from his relation to the family, being the Cheife Merchants father in law, and willing to uphold him, who wants such a supporter, being of small Estate & young abilities.

8<sup>th</sup> When Mahomod Arreif was here (who passed under y<sup>e</sup> name of y<sup>e</sup> Nabobs son) Timapa Courted him, and treated him highly, and when he returned to y<sup>e</sup> Camp a Braminy was sent w<sup>th</sup> him to procure the Nabobs Perwanna to Timapa and

Allingall for their free trade, according to Sallabad, throughout y<sup>e</sup> Cornatt<sup>r</sup> and Chingee Countries, and neither Timapa nor y<sup>e</sup> Dubash acquainted me therewith, but having a private Information that such a Perwanna was obtained, I discoursed the Dubash about it, who utterly denied to know anything of it, some time after w<sup>ch</sup> Timapa acquainted me w<sup>th</sup> the Perwanna, I ordered it to be translated upon w<sup>ch</sup> by Consultation y<sup>e</sup> 18<sup>th</sup> & 19<sup>th</sup> January last, they were ordered to gett it changed but it is not yet done, and though Narraine Dubash doth affirme he knew nothing of it, till the Perwanna was obtained (being sicke att that time of sending the Braminy to y<sup>e</sup> Camp) yet it is incredible to me that Timapa should act a thing of y<sup>e</sup> nature without his advice, or att least that he should not heare of it in 2 or 3 Months and the Mulla is inexcuseable for writteing their lett<sup>s</sup> to y<sup>e</sup> Camp and y<sup>e</sup> Braminy that went to y<sup>e</sup> Camp without leave, but those of y<sup>e</sup> Merchants who mannaged this buisness and their advisers are in my oppinion guilty of great presumption, the tenor of y<sup>e</sup> Perwanna runing to Timapa and Allingall in their names without any mention of y<sup>e</sup> R<sup>t</sup> Hon<sup>ble</sup> Company soe that thereby they have obtained of y<sup>e</sup> Nabob a Perwanna for tradeing independent of the Company, and may be employed as well for the service of Interlopers, as the Company, and seems to be calculated for y<sup>e</sup> recovery of y<sup>e</sup> rights Cheife Merchant descending from Verona and the reacting of the same part, w<sup>ch</sup> Pedde Vincatadry did after the death of Verona, when y<sup>e</sup> then Agent and Council first distributed y<sup>e</sup> Joint Stocke among y<sup>e</sup> Company of Merchants w<sup>ch</sup> was before confined w<sup>th</sup> in y<sup>e</sup> family, he made his application to y<sup>e</sup> King of Golconda's Ministers, and obtained their Perwanna for restoring him to y<sup>e</sup> rights of Verona, upon w<sup>ch</sup> acco<sup>t</sup> the family made a rebellion, and caused the greatest part of y<sup>e</sup> principall Inhabitants to forsake the place.

1<sup>ly</sup>. The foregoing being considered I have been of oppinion that y<sup>e</sup> Perwanna ought to be allowed (and y<sup>e</sup> Merch<sup>ts</sup> have long since promised so to do) but have not yet don it, they now repeate their promise to gett it effected (by meanes of Bondetashai) and till it is effected noe contract to be made with upon moneyes delivered beforehand, in the meantime that cloth may be provided for y<sup>e</sup> Armenian Merchant, permitt to goe on providing 10000 Pagg<sup>ds</sup> of cloth with their owne Stocke and Credit, att tenn per cent advance on y<sup>e</sup> Fort St. George Prices, and that they may be the better able to perform that and larger Investments, when our new expected stocke comes, and their Perwanna is altered that under the cheife Merchants Timapa and Allingall be appointed 2 others as cheife of the right and left Casts, Bavapa and Japa Chittee, and that 2 of the most negligent be turned out, and Namashewa and Bassporte who are also of y<sup>e</sup> left hand cast be taken in among the Chief Merchants, who are able to provide as much Cloth as all y<sup>e</sup> rest of y<sup>e</sup> Merchants.

Which paper haveing been perused and on friday last our Merchants sent for, they readley consented to y<sup>e</sup> proposeall made, in order to their better regulation, and its thereupon ordered.

1. That Copetee Cash and Servana by reason of their neglect in attendance on y<sup>e</sup> Joint Stocke buisness (not meeting y<sup>e</sup> Merchants when summoned but a very few times for y<sup>e</sup> year last past) be displaced from being of y<sup>e</sup> Cheife Merchants, and Druggapa haveing privately withdrawn into y<sup>e</sup> Countrey a year since, without y<sup>e</sup> notice of y<sup>e</sup> President and Mooda Verona dead lately, their stations to be supplied by such persons as are most capable of serving y<sup>e</sup> Joint Stocke, reserving a liberty for y<sup>e</sup> introducing their Childeren into y<sup>e</sup> stations of their fathers, when they come to yeares of Discretion and if capable to be preferred before others.

2<sup>ly</sup>. That next to Timapa and Allingall the heads of y<sup>e</sup> cheife Merchants, Bassa Bawapa and Japa Chittee take place as heads of y<sup>e</sup> right and left hand, that the left hand who doe att least manage half the buisness may not be discouraged.

3<sup>ly</sup>. That Nomesahway, Porpactum, Bossuapa, Merchants of y<sup>e</sup> Weavours Cast, be taken into the Joint Stocke, and they and Rama Kisna into y<sup>e</sup> ranke of cheife Merchants in y<sup>e</sup> roome of those removed or dead.

Generall letter to the Deputy Governour &c<sup>a</sup> Council of Fort St<sup>t</sup> David dated the 6<sup>th</sup> Instant in answer to theirs of the 15<sup>th</sup> October and 1<sup>st</sup> Inst. read and approved, relating to the contract made with their Merchants for two thousand Pagod<sup>a</sup> deliverable in January [& February], and Eight thousand in May, confirming it only for soe much as shall be delivered in January and February next, and recommending to them the carrying on off a treaty w<sup>th</sup> their merchants for Fifty thousand Pag<sup>a</sup> deliverable in Sep<sup>r</sup> 1695 but not to conclude till cotton is cheap[er] and we have money. Allso Ordering them to receive from ship London Friggatt, as many Bales of cloth and slabs of Lead as they shall have occasion for, if shee calls there and lyes wind-bound. Allso an order to Cap<sup>t</sup> Matthias Hatton for delivery of the same of Ditto date.

It haveing been referred by Consultation of the first Instant, to Narraine, to accommodate matters w<sup>th</sup> Meera Junkann<sup>r</sup>. Hee acquaints us that the Junkann<sup>r</sup>

hath offer'd a writeing for takeing the stop off on Beetle, and that all provisions and goods shall pass in, and out as accustomary and hath given his Oath that dureing his time he will not act otherwise, nor set up a Flagg: which writeing is given to Timapa the R<sup>t</sup> Hon<sup>ble</sup> Companyes Merchant, and he is to receive seaven hundred Rupees to be paid by the beetle Farmers.

It is ordered that Narrain do proceed, and conclude the said treaty.

Ordered that Albin de Sosa Portugueze be discharged from this garrison and that Haunce Tober Dutchman, and Gasper Figare \* and Bantan \* de Costa Portuguezes, be entertained as Souldiers, to serve the R<sup>t</sup> Hon<sup>ble</sup> Comp<sup>a</sup> two years. wherever there shall be occasion for their Service.

The Braminey sent from the Naigue of Moodera, haveing been frequently discours'd do's offer a settlement in any part of the Modera Countrey, upon such terms as we shall require, and gives assurance of large quantities of Pepper and cloth to be ~~P~~cured, but can't give us an acco<sup>t</sup> of the prices or sorts, and being asked what the Naigue do's expect to be performed on our part, tells a story of a parcell of Dutchmen being settled [att] Attingapatam on the [Mallabar Coast the queen] of which place formerly [paid tribute to the] Naigue of Moodera, but [of late refuseing] the Naigue sent an army ag[ainst her upon] which she paid two Lack of Chu[ckromes but] the Naigue not being satisfied, ab[out 16] months past sent another army [with this] Braminey, but the Dutch conveyed y<sup>e</sup> [Queen] to an Island with their ships, w<sup>th</sup> nine [croes] of Chuckromes, and that the Naigue doth desire us to com[e] and settle in his country, that we might send our ships to assist him in drivinge away the Dutch, and takeing y<sup>e</sup> Queen for which promises us a Croe of Chuckromes.

The map of Brinjoan being produced to the Braminey, he readily described the place y<sup>t</sup> he meant, alledging that he was there himselfe, and there was thirty Dutch & Portugueze souldiers, and that they had a small Fortification and a Flagg with a cross in it, and did see a great Dutch ship or two there.

The meaning of which impertinent story is supposed to be the Island [of] Brinjoan, the Ship the Moodena, and the Dutchmen M<sup>r</sup> Ackworth and the few Soldiers that were with him att Brinjoan, the Queen is the Queen of Attinga [patam] so that the result of the Embassy is that they desire us to turne the English from y<sup>e</sup> setlem<sup>t</sup> at Brinjoan, and it doth probably proceed from the instigation of the Dutch, the Braminey declareing that the Dutch Cheif of Tutecorry sent one w<sup>th</sup> a Present to the Naigue of Moodra about three months agoe, and requested the continuance of their settlem<sup>t</sup> of Attingapatam, but the Naigue would not grant it, and requires our assistance against them.

Not knowing what the meaning, or consequence of these things may be to y<sup>e</sup> Settlemt<sup>t</sup> of Brinjoan, It is resolved that letters be dispeeded to M<sup>r</sup> Braborne &c<sup>a</sup> that they may have advice hereof, and give us their opinion, and in the meantime that the Braminey be dismissed to the Naigue &c<sup>a</sup> w<sup>th</sup> Letters that our ships are suddainly expected, and when they come will send a person to treat w<sup>th</sup> him, till when not to make any grants to y<sup>e</sup> Dutch.

Ordered that a Present to the Value of twenty Pag<sup>t</sup> be sent to the Naigue, and given the Braminey.

Order'd that Edward Salter one of the gunroom Crew be discharg'd, he haveing served his contracted time and desireing it.

The President haveing discoursed w<sup>th</sup> the merch<sup>ts</sup> concerning the takeing off the Europe goods upon Ship London Friggat, and makeing a further Investm<sup>t</sup> they now delivered their answer, that they have held a Consultation among themselves & cann[ot] undertake to contract for all the Europe goods, & as to the Investment, haveing sent Namashaiwa[ya] to Chombawo and Ballaupo the two principall places in the Pullemulle Country for provideing of Longcloth, and found the weavours ready to lea[ve] their Dwellings and go to the Southward, Paddy being in those parts at seaven mercall for a Pag<sup>da</sup> and great apprehensions of a famine, but that he prevailed with them to accept of som Imprest money for makeing cloth till the latter end of Decem<sup>br</sup> by which time if the raines prove favourable they would stay, if not they would remove to the southward where grain is cheaper.

The merchants have therefore resolved not to undertake any Contract till after Christmass, & then if the fears of a famine shall be removed, they will undertake an Investment of Fiftety thousand Pag<sup>a</sup> deliverable in twelve moneths time Viz<sup>t</sup> in the moneths of March, June, September and December, by even portions, for which they will take part goods, and part money.

While wee were receiving the foregoeing answer from our merchants, arrived a letter from Fort S<sup>t</sup> David Dated the 22<sup>d</sup> Instant, in answer to ours of the sixth relating to the makeing of an Investment at Fort S<sup>t</sup> David for Fiftety thousand Pag<sup>a</sup> and for the vending of Europe goods, wherein their Merch<sup>ts</sup> do at present refuse to comply for the following reasons. That when they formerly tooke goods upon contract, they lost greatly by them, and must loose now if they take them, which their Stocke and Trade will not bear. If they take Silver, they must send it to Madrass to be disposed off. That they cannot provide goods now as formerly Paddy and cotton being now so dear.

They also advise that their Merch<sup>ts</sup> are unwilling to receive any more money for provideing of goods deliverable in February next, upon the weavours term<sup>s</sup>.

Also their last letter from Vizagapatam was reperused, wherein it is observed they advise of a sudden stop put upon the progresse of their present invest[ment] occasioned by the rebellion of Chitteram, & their apprehensions of a famine.

The grain Conicoply being sent severall times in persuance of the order of Consultation to M<sup>r</sup> Chardin[e] to dispose of his Paddy to the severall Inhabitants of this place at the rate of thirteen mercall for a Pagoda. He brought answer, that M<sup>r</sup> Chardin[e] measured of halfe a garse to the late President Yales Servants, but would not measure any to the people employed by the Company, saying it was so good for them, and that they had enough in their godowns, and would dispose of no more but to the poor (to each two fanams) w<sup>ch</sup> was consented to, but when they began to measure he sent his orders to his servants to sell no more then twelve mercall for a Pagoda.

1. That Mr. Langley be advised that wee have occasion for y<sup>e</sup> Pepper for y<sup>r</sup> R<sup>t</sup> Hon<sup>ble</sup>: Comp<sup>a</sup>: acco<sup>t</sup> and will buy it of him, if he will take such a price

— FORT ST. GEORGE, DECEMBER 1694 —

[20<sup>th</sup>]

as wee can afford to give, otherwise that both the Pepper and Cases of spirits will sell well att publick outcry, if he cannot otherwise dispose of them to his satisfaction. Second<sup>y</sup> That y<sup>e</sup> R<sup>t</sup> Hon<sup>ble</sup> Comp<sup>a</sup> haveing distributed to all parts of India as much Europe cloath as was thought vendable, and haveing as much and more then the Marketts of y<sup>e</sup> Coast of Choromandell will take of in a yeares time, It is our advice that none of y<sup>e</sup> Dorothys Cargo bee exposed to sale here, for these two reasons.]

[First that] the injury accrewing to the sales of [cloth sent out] to ffort S<sup>t</sup> George, will be much more then the profit can be expected by the sale of y<sup>e</sup> Dorothys cargo here, the prizes and Sales of Broadcloth abating and being at a stand meerly upon the arrivall of the Ship, and if the cargo be sold here, it will glut the market, so that we shall not be able to turne our cloth into money for carrying on the Investments, that being the maine of our Stocke, the Silver being appointed for Bengall and the West Coast.

Secondly there hath been much greater quantities sold in China to good profit, and there is noe reason to doubt but this cargo will sell well there.

For the foregoing reasons we are possitive that it is against the R<sup>t</sup> Hon<sup>ble</sup> Comp<sup>a</sup> Interest, that M<sup>r</sup> Langley sell any Europe cloth in this place, and the reason will hold in the same Force in Bengall, if they have received by the Martha and Successe any considerable quantity.

The foregoing being read to M<sup>r</sup> Langley, he exprest himselfe satisfied with the reasons for not disposing of his cargo of cloth here, and that he did not intend to do it without our consent.

Haveing declared that he did intend to sell the Pepper, he was ask'd what price he would take for it, he answer'd he was not well satisfied in the market price, but would consider of it.

M<sup>r</sup> Langley was also desired if he had any [fine] Ingots Silver to exchange some w<sup>th</sup> us for the like value in Standard Silver, the finer being most prop<sup>r</sup> for coining into Rupees, allso to spare us a Bale of fine Scarlet Broad cloth there being none come by the London Friggat.

The Europe cloth by the London Friggat appearing to be dammaged, M<sup>r</sup> Langley was adviced to cause his Bales to be brought ashoare & aired to prevent further damage by lyeing longer in the hold, to be free of Custome not being intended for sale.

Order'd that Pag<sup>e</sup> Fifty be Imprest to Punumbulum a weavour and Inhabitant of this place, for the provideing of 180 pieces of course neck cloths, at the rate of thirty six for a Pagoda, to be delivered within four months time.

It is order'd that on Monday the 24<sup>th</sup> Instant at nine a clocke in the morning a Court Martiall be held in the fort, for the Triall of the mutineers of Ship Dorothy, and there being no roome in the ffort convenient for it, the Paymaster is ordered to cause the Tents to be put up, and that M<sup>r</sup> Tredcroft draw out a Precept to summon the Europe Commanders, and those that formerly used to be off, and sit in the Court Martiall, and that the information and examination of the severall persons taken aboard y<sup>e</sup> said Ship relateing thereto be given to the Attorney Generall, in order to his drawing up the Indictments against the Prisoners, and the severall Evidences aboard the Dorothy be sent ashoare to give their evidence in Court.

guilty of, and a Cheif actor in y<sup>e</sup> mutiney, and all sentenc'd to be whip'd aboard three English ships on the 9 January, Thomas Gilman and John Rice with ropes about their necks, who are also to be whip'd ashore at [y<sup>e</sup>] Choultry Gate, Sea Gate, and Fort Gate, on the 16<sup>th</sup> January, Thomas Gilman haveing a rope abo<sup>t</sup> [his neck, and then all to bee changed for other Seamen as opportunity offers, which is approved, and the Commander of ship Dorothy desireing 2 others of his men may be changed, who have in their evidence against Tho<sup>s</sup> Gilman confessed that they were acquainted by Tho<sup>s</sup> Gilman with his designe of running away with y<sup>e</sup> ship, and did not discover it for feare of his threatening their deaths, It is ordered that 2 souldiers in y<sup>e</sup> garrison who have served out their time be exchanged for them, they engaging to serve two yeares.

Upon peruseall of y<sup>e</sup> R<sup>t</sup> Hon<sup>ble</sup> Companies generall letters by y<sup>e</sup> London Friggott, the following orders and resolves are agreed, y<sup>e</sup> numbers prefixed being y<sup>e</sup> respective Paragraphs of y<sup>e</sup> lett<sup>rs</sup> to which the said orders refer. Generall Letter dated 3<sup>d</sup> Jan. 1693-4.

2. In order to y<sup>e</sup> recovery of y<sup>e</sup> R<sup>t</sup> Hon<sup>ble</sup> Comp<sup>s</sup> goods seized by y<sup>e</sup> Dutch att Mallacca from Mr. Blackmore, It is ordered that all y<sup>e</sup> papers and Lett<sup>rs</sup> received from Mr. Blackmore relating thereunto be delivered to Mr. Styleman and Mr. Barwell, who are to report the state of y<sup>e</sup> case, w<sup>ch</sup> is to be sent to y<sup>e</sup> General for concerting y<sup>e</sup> Method of prosecution.

3. 10: Ordered that y<sup>e</sup> Secretary collect all y<sup>e</sup> orders of Consultation, and Lett<sup>rs</sup> sent to Metchlepatam and Madapollam, since the deserting of those Factories, relating to money expended for y<sup>e</sup> charges of repaires, &c<sup>s</sup>.

Ordered that a positive order be sent to Mr. Noden for his imediate coming hither w<sup>th</sup> his family from Metchlepatam, and bring w<sup>th</sup> him an acco<sup>t</sup> of y<sup>e</sup> moneyes left in his hands by M<sup>r</sup> Brough, as he hath been frequently ordered within two yeares past, but hath hitherto avoided coming probably because much indebted here, and that he be ordered not to expend one fanaham more on repaires or serv<sup>ts</sup> wages, tho' it's true that he hath frequently given materiall advises, particularly relating to the Dutch, yett he cannot be continued there for y<sup>e</sup> purpose.

Haveing by our generall lett<sup>rs</sup> to y<sup>e</sup> Generall dated y<sup>e</sup> 27<sup>th</sup> March 1694 given him a particular acco<sup>t</sup> of what method has been taken w<sup>th</sup> Assid Cawn &c<sup>s</sup> relating to y<sup>e</sup> Phirmaund, to w<sup>ch</sup> wee have not yet received (tho<sup>t</sup> dayly expect) an answer, It is resolved as formerly to deferr y<sup>e</sup> further prosecution till wee receive y<sup>e</sup> said answer. The Lett<sup>r</sup> received from y<sup>e</sup> Generall dated y<sup>e</sup> 12<sup>th</sup> of June 1694 haveing intimated his intentions to endeavor a Phirmaund for Madrass and Bengall, It is necessary that y<sup>e</sup> method be concerted to prevent our interfering with y<sup>e</sup> Surratt proceedings, and unnecessary charges.

Ordered that Mr. Wright doe make a calculation of y<sup>e</sup> salary and allowances received by Mr. Nickes since his removeall from Conimere, and report the same.

6: 72: 73: In y<sup>e</sup> prosecution of y<sup>e</sup> R<sup>t</sup> Hon<sup>ble</sup> Comp<sup>s</sup> orders for buyeing a store of pepper, at or under Pago<sup>ds</sup>. 4 per Candy, It is ordered that 70 Candys imported now by Mr. Langley on y<sup>e</sup> Dorothy, be bought, and it is recommended to each of the Councill, that if they meet] with an opportunity of bargaining for Pepper; they do acquaint the President therewith and the better to encourage begining of the Private Trade in Pepper on the Malabar Coast, West Coast and South Seas, that it be publicly known that contracts will be made w<sup>th</sup> such as will undertake to send ships for the procureing of Pepper, to allow them 24 Pag<sup>s</sup> P Candy deducting the five P Cent Custome due here for all, and y<sup>e</sup> halfe peny a pound (if not paid at Bencoolen) for wh[at] comes from the West Coast and the price may be hereafter abated as the Trade will bear it.

11. Ordered that the warehousekeeper produce monthly such an acco<sup>t</sup> of remains, of goods and stores and of the callicoos received from the Merch<sup>ts</sup> that the progresse in provision of goods for Europe, and sales of Europe goods may appear, and that wast and spoil by long lying, which has been so often complain'd on by the R<sup>t</sup> Hon<sup>ble</sup> Company, may be prevented, and becau[se] 'tis probable the Europe cloth may lye a considerable time in the godowne before it will be all

—FORT ST. GEORGE, DECEMBER 1694—

[31<sup>st</sup>]

disposed of, that all the godowns containing any sorts of goods perishable, be emptied and cleared once in two months at least, and the goods aired.

14. It is recommended to the Judge of the Court of Admiralty, and the Mayor and Court of Aldermen, that the direction given by the R<sup>t</sup> Hon<sup>ble</sup> Company for appointing Commissioners or referees to examine and report goods or accompts in question, be observed in their respective Courts, as well in cases where they are concern'd, as in others.

16: 57:71. Resolved that all the weavours in Madrasse and Cuddalore be employed in the weaving & painting any sorts of calicoes and chints, that are proper for the Europe markets, at such rates as they can at [p<sup>r</sup> sent] afford, dureing the scarcity of grain and cotton, & in such quantities as may give them a full Employ[ment] without restraining them from working for y<sup>e</sup> [Pegue?] Quedah, Acheen, and Manilha Private trade and tho the prices will now be great, yet when cotton [&] graine shall be cheaper, they may be reduced.

18. The R<sup>t</sup> Hon<sup>ble</sup> Company haveing been advised by the Fort S<sup>t</sup>. George generall Letter  $\Psi$  the Dorothy dated 14<sup>th</sup> October 1692 of the competition between their Investments and the Manilha Trade (which is also more largely stated to them in our general by the Sampson dated 28 February 169 $\frac{3}{4}$ ), and their Hon<sup>rs</sup> haveing thereupon Ordered the encouragem<sup>t</sup> of the Manilha &c<sup>a</sup> private trade. Resolved that no prohibition be layd upon the private merchants, but that they and the Joint Stocke merchants be left indifferently free in the mannagement of their businesse. But imposing a Duty upon Bullion imported from Manilla &c<sup>a</sup>. It is refer'd to be treated when the Spaniards arrive from Manilha, our present apprehensions being, that such an imposition, tho small, may put them upon thoughts of diverting their trade to other places, and whenever that duty is lay'd here, it must be lay'd at Fort S<sup>t</sup> David also.

21. Ordered that the Sea Customer do require of all masters or Pursers of ships and vessells Importing a manifest of the contents of their cargo upon Oath, before they are admitted to unlade. But that this Order do not extend to Moors or Indian Casts, till it shall be further considered and resolved which of them may, [or] may not, be excused and that in the meantime the Sea Customer do receive from them a manifest signed by the master or Nocquedah w<sup>th</sup> a declaration that it is a true acco<sup>t</sup> and if they shall unlade any goods which are not contained in said manifest, or a Post entry, the said goods shall be confiscated as formerly order'd.

22. The R<sup>t</sup> Hon<sup>ble</sup> Company haveing been acquainted in our Letter by the Dorothy w<sup>th</sup> the Corporations being in Debt for Building of a Town Hall, and haveing Ordered us to encourage and assist them in that, and like publick workes, It is resolved that y<sup>e</sup> assessem<sup>t</sup> or rather voluntary contribution of severall castes mentioned in Consultation of the 8<sup>th</sup> of Oct<sup>br</sup> last be leavied, or received by the Mayor & Aldermen towards the discharge of the said debt, and that the Scavengers Duty be forthwith put into their hands for two years ending the first of January 169 $\frac{3}{4}$ . When it may be further continued or revoked as occasion requires and that M<sup>r</sup> Foquet who now manages that businesse, deliver to the Corporation the Cattle Carts &c<sup>a</sup> utensills, the Corporation paying for the same at a price to be agreed between them and the Paymaster, whereby there will arrise three advantages.

1. The streets will be kept much cleaner, w<sup>ch</sup> have allwais been complained of.

2. The Corporation will receive the benifit by the over plus of the accustomed assessments above the charge, which hitherto has been gain'd by y<sup>e</sup> scavengers and by a due collection by the rent roll, will amo<sup>t</sup> to a more considerable sume then one hundred and Fifty Pag<sup>s</sup> which has been offered for y<sup>e</sup> yearly farme.

3. When it is improved to the due value, it may be either continued to the Corporation, added to y<sup>e</sup> reven<sup>e</sup> or applied to the building of a wall round the Blacke Towne, as the R<sup>t</sup> Hon<sup>ble</sup> Company shall order.

34. The R<sup>t</sup> Hon<sup>ble</sup> Company haveing sent out a list of Coast goods to be provided, It is resolved that our next larger Contracts on the Coast, be made

[31<sup>st</sup>]

## —FORT ST. GEORGE, DECEMBER 1694—

confor[mable] thereunto. But time being short for y<sup>e</sup> compleating a Lad[eing] for the Princesse, Armenian Merchant and London Friggot, and cloth scarce, and hard to get, y<sup>t</sup> besides the goods already contracted for in the three Factories which by reason of extraordinary impediments, may probably faile in the quantity, there be fifty to one hundred bales of callicoos of any sorts proper for Europe bought as opportunity shall offer, and because it cannot be expected that the goods so bo<sup>t</sup> up should be agreeable to, or sorted by our standing musters, that the warehousekeep<sup>r</sup> and sorters do inspect and report the quality thereof, and that thereupon the bargain be confirmed in Councill and afterwards the goods be sorted and embaled according to their best discretion, and to be entred in the Invoice and Bookes, under one generall head of Madrasse cloth bought without musters.

36. 39. 57. The R<sup>t</sup> Hon<sup>ble</sup> Company haveing left to us the care of Bencoolen, and the time of year drawing on for sending thither, It is resolved that in the begining of February, a vessell or vessells, be dispatched thither w<sup>th</sup> fitting persons, stocke, Souldiers, and necessaries and that if the daily expected advices by a country ship do not arrive before the 10<sup>th</sup> January we do upon that day resolve upon the particulars to be order'd or provided, and in the meantime 'tis recommended to each of the Councill to consider seriously thereof.

40. The R<sup>t</sup> Hon<sup>ble</sup> Company haveing order'd upon M<sup>r</sup> Gladmans complaint, that the ships which have not paid consulage at Gombroon be compell'd to pay the same, and not knowing of any ship that hath gone from hence since M<sup>r</sup> Gladmans time, y<sup>t</sup> hath not paid that duty, It is resolved that M<sup>r</sup> Gladman be desired in a generall Letter by y<sup>e</sup> next opportunity to give an acco<sup>t</sup> of ships and musters\* that have given the occasion of his Complaint, w<sup>th</sup> the particulars of his misbehaviour for the ground of a demand.

41. The R<sup>t</sup> Hon<sup>ble</sup> Company haveing order'd y<sup>e</sup> quick sale of their woolen cloth by the London Friggot, not only the Joint Stocke merchants, but Armenians and others the most considerable merchants in Towne, haveing been treated w<sup>th</sup> in order to a contract for the whole, which they all refuse to meddle w<sup>th</sup> because they say the quantity is to large for the market. It therefore follows that it must be sold here and at Fort S<sup>t</sup> David at such rates as can be got, upon consideration the Warehousekeep<sup>r</sup> was order'd on the 20<sup>th</sup> Instant to abate the prices to invite Chapmen, which not haveing a present effect, the reasons thereof are considered, the removeall of the Camp further in land, and the Stoppage of Land Carriage into the Misore, Cannerreen, and Visapore countreys, by the roveing parties of the Moratta and Mogull Armies, and Polligars, and if things should remaine long in the same posture, wee shall not be able to dispose of any considerable quantity. It is therefore resolved to try if any part thereof can be disposed off to the merchants of Metchlepatam, Pettipollée or Durampat, from whence it may be carried and sold at Golcandah, and that this matter be considered on Thursday next, and determined as soone as possible.

47. The R<sup>t</sup> Hon<sup>ble</sup> Company haveing forbidden sending home any more Choromandell Indigo, It is considered.

First that their Generall Letter of the 10<sup>th</sup> April 1693 ordered the providing a large quantity, in pursuance to w<sup>ch</sup> Fort S<sup>t</sup> David has sent us 105<sup>ca.</sup> : 16<sup>md.</sup> : 4<sup>lb</sup> Candy ordinary and 9 : 1 : 23 Candyes fine.

Secondly the ordinary Indigo has been exposed to sale, but would not sell, there being no present occasion.

Thirdly the ordinary sort is so much better then that which went home by the Dorothy, that tho the R<sup>t</sup> Hon<sup>ble</sup> Company lost by that, yet tis proba[ble] they may gain by this, and must gain considerably by the fine.

Fourthly the fine Indigo, and the greatest part of the ordinary are the manufacture of Cuddalore.

—FORT ST. GEORGE, DECEMBER 1694—

[31<sup>st</sup>]

Fifthly that it may be wanted to fill up the London Friggot. Upon the whole it is resolved in obedience to their Hon<sup>rs</sup> order, that the ordinary sort be sold [in] India as opportunity offers, as ordered the 10<sup>th</sup> Inst. and that the fine be sent home, that not being included w<sup>th</sup> in the reason of their hon<sup>rs</sup> order, and the further manufacture thereof at Cuddalore be encouraged and improved.

50. The R<sup>t</sup> Hon<sup>ble</sup> Company having sent us no stores, It is ordered that the Storekeeper do on Thursday next produce a list of what is wanting to supply y<sup>e</sup> garrison that the same may be bought out of y<sup>e</sup> Europe ships.

53,54. Our main Stocke consisting in Europe cloth which will not vend fast enough to carry on our Investments, It is ordered that Pag<sup>s</sup> Fifteen thousand be taken up at Interest, at nine or ten pCent to serve our present occasion.

60. Ordered that M<sup>r</sup> Styleman and M<sup>r</sup> Wright do cause a calculate to be made of the monthly rates, at which vessells may be hired according to their Burden, to serve the Company as occasion shall require and to make report thereof w<sup>th</sup> a computation of the former charge of the R<sup>t</sup> Hon<sup>ble</sup> Comp<sup>s</sup> own ships.

P.S.—Ordered that the warehousekeeper do report so soone as the London Friggat shall be unladen the contents, number and qualities of Europe goods received by said Ship that two certificates thereof may be returned to the R<sup>t</sup> Hon<sup>ble</sup> Company according to their Order.

Generall Letter dated 2<sup>d</sup> February 169<sup>3</sup>.

3. The President reporting that he hath delivered to M<sup>r</sup> Pitt a letter received w<sup>th</sup> the Pacquet by the London Friggot from M<sup>r</sup> John Davis, directed to the President and M<sup>r</sup> John Pitt w<sup>th</sup> a letter of Attorney and acco<sup>ts</sup> and did quit the power of attorney to M<sup>r</sup> Pitt, who being now sent for doth own the same and accept the Letter of Attorney single.

And another Letter from M<sup>r</sup> Davis made up open the R<sup>t</sup> Hon<sup>ble</sup> Comp<sup>s</sup> Pacquet, was now read to M<sup>r</sup> Pitt wherein M<sup>r</sup> Davis Orders the payment of the ne[t] proceed of his Estate into the R<sup>t</sup> Hon<sup>ble</sup> Comp<sup>s</sup> Cash w<sup>th</sup> the R<sup>t</sup> Hon<sup>ble</sup> Comp<sup>s</sup> directions to us thereupon.

Ordered that the Consultation Booke and Bookes of Letters received and sent, be closed this day, and the coppies sent home by the Princess
